

Goodnight 191

Chapter 191: Can't get away with it

The smile on her lips disappeared, and her face, which was so beautiful that people couldn't take their eyes off it, revealed a cold expression.

a few days ago, a private detective in Jiang city fell off a building. I wonder if anyone has heard of it? "

The air seemed to have been sucked away and solidified in an instant.

"Oh? There's such a thing?"

Su zhanlong raised his eyebrows, and his expression seemed to be completely ignorant.

there are so many criminal cases happening in Jiang city every day. It's impossible for us to know every single one of them!

"Is that so?"

Lin Hanxing's words had a deeper meaning to them.

However, the moment she turned to leave the police station, her beautiful eyes seemed to have been soaked in a cold pool, and the corners of her eyes and eyebrows were stained with frost.

"The SU family can't get away from this matter!"

As soon as they got into the car, Lin Hanxing pressed one hand against the window and rubbed his lips with his fingertips.

"I know,"

Lei Xiao's words attracted her gaze.

"You only say that you're confident."

After that, he started the car and drove into the dark.

It was almost four o'clock in the morning, and there were no pedestrians on the street. The warm yellow street lights easily illuminated people's fatigue.

Lin Hanxing did not say anything and looked outside.

The car window slowly slid into the car. She reached out her hand, and a gust of wind passed through the gap between her hands.

Lei Xiao, this world is cold, absurd, and boring. What is there to miss? "

The red light at the intersection lit up.

Lei Xiao looked at her sideways, his eyes deep.

The side of her face looked very cold in the warm yellow light.

It was different from the languidness he deliberately displayed in front of outsiders, and also different from when he was facing Yuan Bao.

The Thunder valiant beast knew that this was the true froststar.

His large palm slowly reached out and held the small hand that seemed to be about to break.

it's precisely because this world is cold, absurd, and boring that it seems so real.

Lei Xiao's warmth was transmitted to Lin Hanxing through his palm.

With one hand on the steering wheel, he stopped the car at a scenic spot by the sea.

The place that was usually packed with people was quiet at night. They were the only ones.

"I seem to have a question that I haven't answered yet."

The night wind seemed to carry the salty taste of the sea, and the natural sound of the waves hitting the shore was very comfortable.

Lei Xiao turned on the radio, and soft music started playing.

"What?"

The two of them lowered their seats and looked at each other.

"You asked me before if there were any other women before you?"

As if he was a little tired, Thunder Valiant's voice sounded a little hoarse, but it was mostly peaceful.

When Lei Xiao mentioned it, Lin Hanxing finally remembered that there was indeed such a thing, but he was interrupted by Yuan Bao.

Well, for a bowl of sweet and sour meat ...

no, no one else.

He answered seriously, as if he wanted Lin Hanxing to hear every word clearly.

Lin Hanxing did not say anything, but the corners of his lips curved up slightly, restraining himself.

"But ..."

"I don't like to hear" but "at all!"

Before Lei Xiao could finish, Lin Hanxing's expression changed.

The man's cold features were replaced by relaxation and gentleness, completely different from the way he used to be in charge of the Lei family.

"If one day, you find me ..."

The Thunder valiant beast's eyes were especially dark in the middle of the night, like black agate.

you've realized that I'm not as good as I look. Or perhaps, I'm not the me in other people's eyes ...

His eyes flickered as he endured and restrained himself.

“Will you hate me?”

Lin Hanxing could feel that Lei Xiao’s palm and arm had become stiff as he spoke.

He looked at her.

For a moment, Lin Hanxing saw a hint of weakness in his eyes that he never revealed easily.

Chapter 192: Like a kitten

From the day she met the Thunder valiant beast, she had seen him many times.

It was as if they lived in two extremes.

In the eyes of the people of Jiang city, he was in a high position but kept himself clean, he had power but didn’t rely on it, he had means but didn’t bully the innocent.

This was the most perfect target in a woman’s heart!

However, in Lin Hanxing’s eyes, Lei Xiao’s life was extremely boring. Other than these two days, he was either busy at the Lei Corporation until late at night or had to travel back and forth around the world to expand the Lei corporation’s global territory.

This kind of man was more of a workaholic than perfect.

However, no matter how sinister and powerful the Thunder valiant beast was, or how overbearing and unreasonable it was, it would never easily reveal its weakness.

It was because of this that Lin Hanxing easily remembered Lei Xiao’s emotions.

It turned out that he was not that indestructible!

Just when Lei Xiao thought that Lin Hanxing would not answer his question, she suddenly made a move.

Lin Hanxing’s posture was light as he passed through the middle block and straddled on Lei Xiao’s firm and strong thigh.

In the night, her dense eyelashes trembled slightly, like broken beads hanging on a Jade plate, like stars.

Her beautiful eyes were as bright as the stars, and they were full of emotion even without a smile.

“You seem to be nervous all of a sudden?”

Lin Hanxing reached out and pressed the central control of the car window. The windows on both sides that were originally buried in the car gradually rose up to block out all noise.

She took off her high-waisted leather jacket and threw it on the back seat of the car.

Her movements were very casual, revealing a small area of her snow-white slender waist.

Her jet-black hair was like a soft waterfall that hung down behind her, and the faint smile on her lips looked wanton no matter how one looked at it.

With his hands on both sides of the Thunder valiant beast's head, the leather seat felt soft and comfortable.

No one knew where Lin Hanxing had touched, but after a muffled sound, the seat was completely tilted back, and the distance between the two of them became closer.

Thunder owl stared at her for a few seconds ...

He grabbed Lin Hanxing's waist and lifted her up forcefully, pulling her to sit in that unspeakable place.

Lin Hanxing trembled, her soft black hair gently brushing against the back of Lei Xiao's hand.

The restraint in his eyes had been ignited by a fire that could not be extinguished.

"I have a bad temper, and I'm very strong ..."

Lei Xiao's cold face was so close that Lin Hanxing could not help but reach out to touch his cheek. There was already a slight blue stubble on his firm jaw, making the man look decadent and sexy.

he has a dark personality and is very calculative. Although I don't want to admit it, he seems to be nothing but a good-for-nothing man ...

She leaned close to his ear, teasing him like a kitten.

"I'm full of flaws. Will you hate me?"

"I won't," His voice was hoarse, and his cold face was stained with desire, making him even sexier.

Lin Hanxing's two thin legs dangled on both sides of the seat, and even Lei Xiao felt a strong tremor when he moved slightly.

"Then what right do I have to hate you?"

In her gentle voice, there was no coldness in her voice.

Her porcelain-white cheeks were stained with a faint red.

Lin Han was in a daze and suddenly realized a problem ...

The juttred ones that Mama Lei bought. Dimple. Tattoo, magic moisturized thin style, and the like. It seemed to be too small?

Chapter 193: A little awkward

As if sensing that Lin Hanxing was in a daze, Lei Xiao's eyes darkened, and his palm tightened.

"Hiss, it hurts!" Lin Hanxing couldn't help but ask. She had no doubt that there was a mark on her waist.

As she thought of this, she lifted her black undershirt. There was indeed a clear handprint on her snow-white waist.

She looked at the man with an accusing look.

In addition to the finger marks on her waist, her accusation was even more confident.

"I'm sorry," she said. Thunder valiant knew that her skin was tender and a little force would leave a mark on it. He had lost control just now.

However, when Lin Hanxing moved, Lei Xiao immediately pursed his lips and let out a muffled groan.

Lying on his back on the leather seat, his jaw was extremely tight, and his Adam's apple moved up and down, revealing an incomparable sense of guilt.

This man was like a walking hormone, exuding a unique charm from head to toe!

The top few buttons of his shirt were unbuttoned, revealing his firm chest.

He was shockingly hot!

The two of them did not speak again. In the silence, Lei Xiao's hand followed her waist and went further up.

It was delicate and smooth to the touch, and the skin was so tender that it seemed like water could be squeezed out.

Until they were separated by the black bud. The silk bra, holding her soft snowball, he suddenly looked up and kissed Lin Hanxing!

Lin Hanxing looked at him and let him do whatever he wanted.

Her eyes were clean and pure, and the moment she raised her head to accept his kiss, her expression was so charming that it was breathtaking.

Lei Xiao, who was holding Lin Hanxing's waist with one hand, adjusted his posture from time to time, pulling her into his arms even more tightly.

"You're mine."

This was the second time Lei Xiao had said such words to Lin Hanxing.

Overbearing and strong, it was very much like his usual style, but there was also a bit of arrogance in it.

Lin Hanxing's bright eyes were moist and he was already a little exhausted. Lei Jing held her hand and brought it to his thin lips, kissing it gently. Her long black hair brushed past him like a waterfall.

"I will make you comfortable."

Even though they were shouting, Lei Xiao still suppressed his nervousness and carefully placed Lin Hanxing on the leather seat.

He reached out and pulled down the front light screen, but he couldn't see anything from the outside through the window.

The comfortable leather seat that could easily accommodate one person was now slightly crowded with two people.

Hearing Lei Xiao's words, Lin Hanxing couldn't help but tremble. His face turned red and he subconsciously looked away.

I'll make you comfortable ...

There was a deeper meaning to these words.

Lei Xiao's eyes were deep as he looked at her, taking in every expression on Lin Hanxing's face.

His rough fingers reached down to the edge of his skinny pants and gently covered it ...

Lin Hanxing groaned and his body tensed up like a rock.

"It's okay. Don't be afraid. Relax ..."

With one hand, the Thunder valiant beast pulled her into his arms.

The shivers brought by the slight trembling and the rising body temperature were beyond imagination.

Lin Hanxing weakly wrapped his arms around his neck and buried his face in his ear, occasionally letting out a kitten-like hum.

He didn't know how long it had been like this ...

His gentle gaze fell on Lin Hanxing, who was blushing and panting slightly with her eyes closed. His eyes softened like a pool of water, and even the hair on his cheeks was wet with sweat.

When he brought her up, she unconsciously bit his shoulder blade.

He bit down hard, and even now, there was still a dull pain coming from his shoulder blade.

"I'm going outside for a smoke."

Lei Xiao lowered his head and kissed her forehead, which was still dripping with sweat.

His body was tense.

When Lin Hanxing heard that, his long eyelashes trembled and he opened his eyes. He was going to smoke like this?

Well, it was a little awkward ...

Chapter 194: Stop fooling around

Noticing her line of sight, Lei Xiao's eyes were as dark as ink.

Lin Hanxing was lying on her side, looking at him with a pair of watery eyes.

Lei Xiao reached out and touched her long hair. It was like satin, smooth to the touch.

He did not miss the gloating look in Lin Hanxing's eyes and pinched her ear as punishment.

"You don't feel uncomfortable?"

Lin Hanxing's white fingertips brushed past his thick eyebrows.

"Don't mess around," Lei Jing held Lin Hanxing's fingers, feeling both angry and amused.

"I'm going out for a smoke."

With that, Lei Xiao got out of the car.

Lin Hanxing pushed the front windshield up and looked at the man's side profile.

He was lighting a cigarette.

The sea breeze ruffled the hair on his forehead, and the collar of his casually opened shirt was sexy.

As Thunder owl smoked, the red dot flickered in the darkness before dawn.

He didn't know how many he had smoked, but he didn't stop until the box was empty.

Their passion was slightly blown away by the sea breeze, and they stood for a while longer before returning to the car.

Lin Hanxing had already fallen asleep.

There was a faint but different smell in the car. Lei Xiao closed the door in a low voice and turned on the air conditioner.

The temperature in the car quickly dropped.

She slept very quietly.

Her long eyelashes cast a dark shadow on her face, and her porcelain white face was still stained with a red that had not faded.

He lowered his seat to her level.

Lei Xiao looked at her without blinking, and unconsciously reached out to brush the long hair covering her small face behind her ears.

His rough fingers stopped and caressed her delicate face.

It streaked across flowing water's brows, across her long black eyelashes, across her perky nose, and finally stopped on her lips.

The light color was so beautiful that it made people want to take a bite.

Hanxing was the most beautiful woman in the world.

The corners of Lei Xiao's firm and cold lips curled up slightly, showing a mature and sexy smile.

He had wanted to hold this piece of meat in his mouth countless times. He had even imagined countless scenes to get back at her with interest.

He was afraid that she would be sad, afraid that she would be afraid, and even more afraid ...

She would regret it one day.

"You only know how to torment me."

He had no choice but to admit defeat. Where was the decisiveness he had in the business world?

But his voice was so thick that it didn't change the fact that he was willing to accept his loss!

The only response he got was the faint sound of the waves outside the window ...

.....

At the SU family's Villa.

He didn't sleep all night and the lights were still on.

"That little B * tch, if I get the chance, I'll definitely kill her!"

Zhong Yifu had been sitting on the sofa and cursing for an hour. She didn't notice the look of disgust on her husband's face at all.

"I'm afraid you'll be crippled before you can kill her!"

Su zhanlong opened his mouth sinisterly. Just based on tonight's performance, this fool was bound to lose!

Her beautiful face appeared in his mind, and his eyes darkened.

This Lin xiaojiu was definitely not easy to deal with!

Zhong Yifu touched the bruise on her forehead. She couldn't help but shiver when she thought of Lin Hanxing coming behind her like a ghost and smashing her head against the table.

"The most important thing for you now is to make a trip to the Lei family after dawn and appease them!"

Su zhanlong wasn't as brainless as Zhong Yifu. All these years, the SU family had made some achievements in the business world ...

If he said that he was relying on himself, then he was truly shameless!

Su zhanlong was still very clear on how much he was worth!

Because of Zhong Yifu, the SU family had more or less benefited from the Lei family's connections and resources. Moreover, most of the SU family's living expenses were paid for by the Lei family, and now ...

Chapter 195: Asking for forgiveness

Now that things had turned out like this, su zhanlong even had the thought of killing Zhong Yifu!

"What? To the Lei family? My head still hurts, I'm not going!"

When Zhong Yifu heard that she was going to the Lei family, she felt uncomfortable all over. Moreover, she couldn't even beg for forgiveness!

She willfully covered her ears and refused to let go no matter what su zhanlong said.

Su zhanlong's eyes became more and more impatient.

"You're determined not to go, right?" He asked.

Zhong Yifu covered her ears and didn't say a word. She looked like a dead pig that wasn't afraid of boiling water.

This action would be pleasing to the eye if it was done by a young girl in her twenties.

However, at Zhong Yifu's age, she would only be annoying.

"Alright, then your money will be wasted!"

Su zhanlong sneered. He knew best where his wife's lifeline was!

"What did you just say?" Zhong Yifu screamed.

"Last time, I used your money to invest in a few big projects of my relatives. Something happened at the construction site, and all the funds were invested!"

Upon hearing this, Zhong Yifu felt as if she had been struck by lightning.

"Didn't I already tell you what Lei Xiao said? he told you to take out the money!"

"You think this is a game? If you want to draw money, just draw it!"

Su zhanlong was also full of anger. Who would have thought of the politics above? There was a sudden change in the strategy meeting.

After Zhong Yifu came back and mentioned it to him, he had been thinking of ways to withdraw the funds, but it was not that simple.

"I originally wanted to find ah Xiao to smooth things over these two days. Even if the higher-ups don't give the SU family face, how can they not give the Lei family face? But now that things have come to this, not only will you not be able to get your money back, the SU family will also be finished!"

Zhong Yifu's eyes darted around quickly. She finally understood why her husband was so generous when he gave her the money tonight!

ah Xiao values his family the most. If you just ask for your sister's forgiveness, will he not help us? "

Su zhanlong analyzed the situation for Zhong Yifu step by step.

"Alright! I'll go to the Lei family at dawn!"

When Zhong Yifu thought of money, she couldn't care less about her pride and agreed to it ...

.....

When Lin Hanxing woke up, Lei Xiao was carrying her back to Yujing garden.

The lights in the living room were still on, maintaining the same appearance as when the two of them left. Yuan Bao was obviously still asleep.

After placing Lin Hanxing on the sofa, Lei Xiao turned around and went into the kitchen. He quickly came out with a mug.

“Take a shower after you’re done.”

Lin Hanxing had just woken up and his little face looked dazed.

Thunder owl couldn’t help but rub her head.

She took the mug and took a sip. The warm water mixed with the aroma of honey instantly made her feel much more comfortable.

After he was fully awake, Lin Hanxing went into the bathroom and took a quick shower.

When he came out after feeling refreshed, Lei Xiao was making breakfast.

Lin Hanxing was sitting on a high stool in front of the counter with a mug in his hand, looking at him.

Under the black shirt and trousers, she had the most perfect inverted triangle figure.

His broad shoulders, firm waist, and hips were especially strong because of his constant fitness.

Any woman who saw such a good figure would blush and their hearts would race.

The morning sun poured in through the large floor-to-ceiling window and fell on Lin Hanxing.

She had just taken a shower and was wearing a two-piece set of comfortable home clothes with printed suspenders. Her snow-white arms and long legs were illuminated by the morning light, as if they had a soft light effect, making people reluctant to look away!

Lin Hanxing suddenly straightened his body as if he had thought of something.

Lei Xiao knew that Lin Hanxing had come out of the shower when he smelled the faint fragrance of the bath in the air. He didn’t hear any movement behind him for a long time, so he temporarily finished his work and turned back to look. However, when he saw what she was doing, his eyes darkened ...

Chapter 196: He was clearly doing it on purpose

The box that Zhong Nanyin sent to Lin Hanxing was right beside him.

He raised his head inadvertently.

When he saw that Lei Xiao had turned around and was looking at him with a dark gaze, his hand trembled and the thing in his hand fell onto the counter guiltily.

Bathed in the morning light, Lin Hanxing’s little face was as innocent as could be.

“Curious?” Thunder valiant beast’s voice was deep and hoarse.

The pumpkin congee was slowly cooking in the pot over a small fire, and the rich natural sweet fragrance filled the air.

The morning light poured in through the clean floor-to-ceiling glass window and fell on the two of them, giving them a layer of Halo.

Everything was so beautiful.

Before Lin Hanxing could answer, Lei Xiao had already walked over.

He reached out and picked up the thing that fell in front of her between his long fingers. His movements were natural and smooth!

He saw Lei Xiao leaning against the counter with one hand supporting himself, his strong and sturdy figure looking sultry.

He hadn't changed his clothes yet. He was still wearing the same black shirt as last night, and his collar was open, revealing his collarbones.

The faint smell of tobacco mixed with male hormones was surprisingly not unpleasant, but charming.

Lei min raised his hand to his thin lips expressionlessly, bit on a corner, and tore it open with a little force.

However, his eyes were fixed on Lin Hanxing's face, as if he did not want to miss any changes in her expression.

Lin Hanxing looked away.

He couldn't help but swallow his saliva.

She couldn't be blamed for losing her composure, but the current appearance of the Thunder valiant beast was simply too mesmerizing.

He believed that any woman would be mesmerized by him!

There was a kind of wild and masculine strength that was imperceptibly manifested to the extreme!

She clearly knew that he was doing it on purpose, but she still fell for it!

He tore open the bag and revealed a colorless and transparent corner.

I ... she seemed to want to say something.

Lei Xiao looked deeply at Lin Hanxing. Before she could finish her sentence, he had already walked to her side and stood still.

He stretched out his arms from her side and stuffed the thing back into her fair fingers.

"If you're really curious, why don't you use me as an experiment?"

There was an inexplicable sense of seduction in his teasing voice.

"....."

Shameless!

Who wanted to use him as an experiment?

“.....”

The two of them stared at each other.

“What did you want to say just now?”

Lei Xiao bent over and whispered in her ear.

Looking at Hanxing’s rare speechless and lovely appearance, her heart was as gentle as it could be.

He couldn’t help but raise his hand and tap the tip of her small nose.

... Lin Hanxing had already forgotten what he wanted to say. In its place was a strange feeling spreading in his heart.

“What?”

The warm breath blew on her ear, it was numbing and made Lin Hanxing breathless for a moment.

He was clearly doing it on purpose!

Although Lin Hanxing was very clear about this, his eyes started to wander!

He was like ... Like a bad child who had been caught by his parents for doing something bad!

“Your expression is strange ...”

However, the man pretended not to know anything and leaned over to press his forehead against hers. Under such close contact, his eyes were even more deep and charming.

It only made people want to sink deep into it.

It was difficult to extricate himself!

Lin Hanxing instinctively wanted to Dodge, but in the next second, the man who had already seen through her thoughts grabbed her slender waist!

“Oh, Good Morning uncle, Good Morning Auntie ...”

Yuan Bao, who had just woken up and was rubbing his eyes, walked out of the bedroom with a head of curly hair ...

Chapter 197: Yuan Bao is sad

Lin Hanxing pushed Lei Xiao away without any hesitation.

As there was still some distance between them, Yuan Bao did not notice the strange atmosphere between the two adults.

“First aunt ...”

Yuan Bao was wearing Crayon Shinchuan's pajamas. At this moment, he was looking up at Lin Hanxing with his fair and delicate little face. He opened his arms wide and his eyes were still misty from yawning, asking for a hug.

Lin Hanxing's heart was about to melt from Yuan Bao's cuteness.

Not to mention, the little sheep dumpling, who had just woken up, had a blank and innocent face, and her white and fat little face was irresistible.

But she was still holding ...

After waiting for a long time, Yuan Bao still did not receive a hug from Lin Hanxing.

He pouted and did not say anything. He just looked up and hugged her thigh, looking pitiful.

She admitted defeat!

She bent down and picked Yuan Bao up in her arms. She rubbed the aggrieved Yuan Bao with the tip of her nose, and the latter instantly became happy.

Uncle, I want to eat the sun egg.

She snuggled in Lin Hanxing's arms and secretly made a victory "V" sign at Lei Xiao.

"Hehe." But he heard Lei Xiao chuckling coldly.

He grabbed Yuan Bao by the back of his collar and pulled him out of Lin Hanxing's arms, then threw him onto a high chair at the side!

"You scoundrel!"

Yuan Bao snorted and rested his chin on his hands.

"You Big Bad guy!"

It seemed like it was not vented, again!

Lin Hanxing took the opportunity to breathe a sigh of relief.

He threw the things in his hands into the trash can and washed his hands before sitting back down next to Yuan Bao.

Yuan Bao tilted his head to look at Lin Hanxing, and Lin Hanxing mimicked him and looked back.

The two of them were having a lot of fun.

On the other hand, Lei Xiao took out boxes of eggs from the refrigerator and began to fry them.

first aunt, Yuan Bao still wants to sleep with you today.

Under the table, she secretly reached out and grabbed Lin Hanxing's little finger, acting like a spoiled child.

First aunt's blanket was soft and had a nice fragrance. He liked it very much.

"I still want to hear your story."

Yuan Bao's big eyes were filled with anticipation.

Lin Hanxing's heart ached a little. He reached out and pinched Yuan Bao's smooth little face, not knowing how to tell him.

From today onwards, she would be returning to the Lin family.

He wouldn't be returning to this place in the near future.

"I ..."

"I'll send you back to grandma's after breakfast."

Without waiting for Lin Hanxing to speak, Lei Xiao's voice cut in.

The expectant smile on Yuan Bao's face suddenly froze, as if he was stunned. He blinked his big eyes and did not speak for a long time.

Lin Hanxing felt that he was holding her hand even tighter.

"Did I eat too much ..."

what's wrong? " Yuan Bao suddenly asked timidly. Unlike his usual joking expression, he asked in a very low and serious tone.

first aunt, I'll eat less for every meal in the future. Please don't chase Yuan Bao away, okay? "

His big eyes were red, but he pretended to be fine.

is the guinea pig too noisy? I promise I'll be quiet from now on.

Lin Hanxing had never felt so sad before. Yuan Bao's pleading eyes made her feel like she was a bad person.

'It's still first aunt who hates Yuan Bao. She doesn't like Yuan Bao anymore ...'

When Yuan Bao said this, he unconsciously pursed his little mouth, as if he was afraid, and his eyes turned even redder.

"I'll be obedient ..."

"Don't chase Yuan Bao away, don't chase me away ..."

As she spoke, her tears fell like golden beans. Lin Hanxing was caught off guard and was shocked.

She had never expected that a simple sentence would make Yuan Bao think so much.

She didn't dislike him, and she didn't have any intention of chasing him away!

Chapter 198: In the family group

But before Lin Hanxing could say anything, Yuan Bao had already slid down from the high chair and ran to the living room to pick up his small bag.

With a loud crash, he poured everything inside onto the floor.

give Yuan Bao's babies to first aunt and pay for the food. Don't let first aunt raise Yuan Bao for nothing.

The little sheep raised its fair and tender little face. Its eyes were red from crying and it kept sniffing.

There were figurine models, jade beads, a thick stack of red packets and a small mobile phone scattered on the ground.

Lin Hanxing sighed as he looked at Yuan Bao's hopeful eyes.

Although Yuan Bao was usually mischievous, how could she forget that he was not even five years old? he was just a child.

Because she had never seen her mother since she was young, her heart was already sensitive and fragile.

"I like Yuan Bao the most."

Lin Hanxing squatted in front of Yuan Bao and spoke gently.

Lei Xiao had said before that the little bag contained Yuan Bao's most beloved things, and even his father was not allowed to touch them.

No matter where he went, Yuan Bao would carry him.

"It's just that I won't be staying here from today onwards, so I can't take care of you."

She patiently picked up Yuan Bao's baby and put it back into his little bag.

"Then, can Yuan Bao go with first aunt?"

Yuan Bao blinked. His thick black eyelashes were long and curled, and there were still some tears on them.

Under the sunlight, it was crystal clear.

Lin Hanxing smiled and shook his head without saying anything.

"Even big Uncle can't?"

Yuan Bao asked again, hugging his little school bag pitifully.

"You can't either."

Upon hearing that his uncle could not go with him, Yuan Bao's tears instantly turned into a smile.

"What if uncle and I miss you?"

Yuan Bao tilted his head and rubbed his face. He was obviously troubled by this question.

But not long after, his eyes lit up!

“Auntie, I can add you on WeChat!”

Then, she took out her phone from her bag and opened the WeChat interface.

“It’s time to eat,”

Thunder owl served the pumpkin congee and Sunsang egg, along with the toasted bread and other side dishes.

Yuan Bao did not even look at it. He held his phone and fiddled with Lin Hanxing’s phone, pursing his lips like a serious little adult.

“You and I will send him back later.”

After saying that, Lei Xiao nonchalantly placed the phone in front of Yuan Bao.

“I’ll go take a shower first.”

Then, he turned around and walked towards the bathroom.

“Alright, I’m that Yuan Dabao!”

Lin Hanxing ate his pumpkin porridge and nodded to show that he heard her.”

“This is my uncle!”

Yuan Bao continued to tap on the screen and introduced the game in a serious manner.

He couldn’t help but curse his uncle in his heart. Just now, he acted as if nothing had happened and did some small tricks, hehe!

“Yes, yes.”

“This is Grandpa, this is grandma, this is my second uncle, third uncle, my dad, and uncle Yan and uncle Liang ...”

“.....”

Lin Hanxing suddenly had a bad feeling. He looked at Yuan Bao’s hand and his mind went blank!

She had actually been pulled into the Lei family clan by Yuan Bao?

[mother Lei: daughter-in-law: [clapping] [shyness] [smirk]

[9.90 yuan, free delivery: little cold star [surprised]

Daddy Lei:

[Lei Xiaosi: I’ve troubled you with Yuan Bao.]

Lei Xiao ‘er: ” we met at the horse track that day. Thank you for saving Yuan Bao [smile].

Mama Lei: ” it’s my daughter-in-law who saved Yuan Bao. [surprised]

Lei Xiaosan,”welcome.”

Liang:

Lin Hanxing's hand that was holding the phone was trembling.

Wasn't it impolite not to speak for a long time?

But what should he reply?

Lin Hanxing, who could remain calm even in the face of danger, was now like a primary school student who had just entered school.

He was nervous and uneasy!

Chapter 199: Going to take a shower

On the other hand, Yuan Bao was eating sweet pumpkin congee with a satisfied look on his face.

Lin Hanxing bit his lower lip and typed word by word on the keyboard. He then deleted them in a hurry, repeatedly.

Their backs were straight, and they would bite their nails anxiously from time to time.

Xing Xiaoxing: "Yuan Bao said he wanted to add me as a friend. I ... embarrassed".

Mama Lei: "don't be nervous, my daughter-in-law. We don't eat people. We're here to call mom.

Xing Xiaoxing was speechless.

Just eat me.

When Lin Hanxing saw that sentence, cold sweat broke out on his back and he became even more nervous.

Her phone vibrated, and a Red Alert appeared in her address book. She clicked on it and saw that it was from the name "9.90 yuan, free delivery".

The moment he accepted, the other party spoke.

[9.90RMB delivery: little cold star, I'm your brother Yan] [aggrieved]

Xing Xiaoxing:

When he spoke to Yan beiming, Lin Hanxing was obviously not as reserved as he was in the Lei family.

In the family chat group, mother Lei had found something new to be interesting, and she kept tagging ray owl.

Mama Lei:@Thunder owl

Mama Lei asked,"ah Xiao, have you used it yet? hehe."

Mama Lei asked,"ah Xiao, have you used it yet? hehe."

Papa Lei asked, "what is it?"

Xing Xiaoxing was speechless.

Lin Hanxing's eyes swept over the delivery box on the counter, pretending not to understand anything.

[9.90RMB delivery: what is it?]

Lin Hanxing could even imagine how gossipy Yan beixiao's expression must have been behind the computer.

At the same time, Lei Xiao's phone, which was placed on the counter, was vibrating continuously. Rows of Yan beiming's messages appeared on the lit screen.

[9.90RMB delivery included: ah Xiao, is your 10000-year Virgin body really broken?]

[9.90 yuan, free delivery: please answer if you receive it, please answer if you receive it!]

Lin Hanxing only took a quick glance before he turned Lei Xiao's phone over.

Mama Lei: " my daughter-in-law, you really saved Yuan Bao before. [fear] [fear] [fear] [fear]]

Xing Xiaoxing, [Auntie, please just call me by my name.]

Mama Lei: " okay, daughter-in-law.

Xing Xiaoxing was speechless.

Lin Hanxing decided to ignore those few words.

Xing Xiaoxing: " last time when Yuan Bao accidentally ran into the middle of the horse track, I just happened to pass by.

"Oh, I see ..." Mama Lei replied.

Mama Lei asked, "then, my wife, where is ah Xiao now?"

Xing Xiaoxing, [I'm going to take a shower.]

When he realized what he had replied, Lin Hanxing's eyes widened!

She had never expected that Madam Lei would try to get information out of her!

Papa Lei was speechless.

Lei xiaoer was speechless.

Lei Xiaosan was speechless.

9.9.9...Including delivery ...

Liang was speechless.

"Perfect!" Mama Lei replied.

"My daughter-in-law, come over for lunch. I'll ask Madam Chen to make you some soup!"

Zhong Nanyin quickly added as if he was afraid that Lin Hanxing would disagree.

Mama Lei, "I'll get someone to pick you up now."

"What are you looking at?"

The refreshing fragrance of the bath fluid wafted from behind him. Lin Hanxing looked up in a daze, and Lei Xiao was stunned.

If her expression had to be described in four words, it would be ...

There was nothing to live for!

"Auntie is so bad!"

She was completely caught off guard and fell into the trap. Auntie didn't even give her the chance to struggle!

"What?" Lei Xiao, who had just taken a shower, did not understand what Lin Hanxing was saying until he handed him the phone in his hand and let him browse through the chat history. He was like a frosted eggplant, not in the least bit energetic.

"I don't feel good right now!"

Lin Hanxing pressed his forehead against the marble countertop, feeling as if he had lost all hope in life.

No one knew better than Lei Xiao how unreasonable his mother's cards were.

He had just finished reading the chat history, and he could not help but smile with a mature charm.

"Then you'd better hurry up. My mom is a woman of action!"

Chapter 200: I'm nervous

When Lin Hanxing heard Lei Xiao's words, his already clear face turned even paler.

"Can I not go? I'm nervous!"

Even though it was embarrassing to admit it, Lin Hanxing was really nervous.

His slender fingers clenched together as his mind went blank. He had no idea what to do.

"What you should do now is to finish your breakfast and change your clothes. Leave the rest to me!"

Lei Xiao stuffed the spoon into her hand and said in a low voice.

"I can't eat."

She didn't have a big appetite to begin with, and now that she was scared, it was all gone.

"I'll feed you, you eat it yourself, choose one!"

Thunder valiant beast casually wiped his wet hair with one hand, his arm strong and firm.

He threw out a multiple choice question and arrogantly forced Lin Hanxing to only choose between these two options.

"I'll eat it myself."

Lin Hanxing held the spoon, and Yuan Bao smiled at her adorably, then pushed the sun egg in front of her.

He knew that grandma was the best!

This way, even if first aunt didn't want to go back with him, she would have to go back!

"Auntie, don't be nervous. Grandma's favorite food is the Xu's drunken goose from the eastern part of the city, and the Guo's squab from the eastern part of the city ..."

Yuan Bao counted Zhong Nanyin's favorite food with his fingers!

Compared to Lin Hanxing, his little face was bright and beautiful!

Lin Hanxing drank a bowl of pumpkin porridge with a blank face and quickly returned to the bedroom. He slammed the door from the inside.

As for the Thunder valiant beast, he touched Yuan Bao's head.

"You're not allowed to do this again."

This little nephew of his had been completely assimilated by his mother. He did not play by the rules.

"Hmph, wouldn't it be better if you had first aunt in your stomach earlier!"

Yuan Bao crossed his hands in front of his chest, looking like he was negotiating with Lei Xiao.

"He's so slow, he really doesn't look like a man with a big chubby!"

Yuan Bao said with a naturally curly hair and a baby-like voice. He was afraid that Lin Hanxing would hear him, so he lowered his voice!

Lei Xiao's cold eyes swept over him, and Yuan Bao immediately lost his imposing manner and hugged his arm obsequiously.

"Uncle, I love you!"

Yuan Bao pouted his little mouth and sent two flying kisses, smiling naively.

"Hurry up and eat."

After throwing these two words, Lei Xiao turned around and walked towards the bedroom.

The sound of something rummaging could be heard from inside the door. Lei Xiao pushed the door open, but it was not locked.

"What are you doing?"

When she entered the house, she saw Lin Hanxing rummaging through the cabinets, and the jewelry boxes were all over the floor.

"I'm looking for a present. I can't really have a drunken goose in my left hand and a squab in my right hand, can I?"

Lin Hanxing did not even turn his head. He sat on the ground and continued to search.

Thunder owl leaned against the closet and said nothing.

The jewelry boxes on the ground were all open, and inside were either jade bracelets or jade necklaces. They were obviously the best of the best. At this time, she had randomly rummaged through them and thrown them away.

"Even if you want to give it to me, it should be my mother."

"I found it."

It was obvious that Lin Hanxing did not hear what Lei Xiao had just said.

She finally found a yellow brocade box. She opened it and saw an ice jade bracelet lying quietly inside.

"Auntie's skin is fair, you'll definitely look good wearing this!"

Lin Hanxing looked up at him, his eyes bright.

But she saw Lei Xiao suddenly bend over, holding the side of her face with one hand, and suddenly kissing her pale lips.

Hanxing's look of complete trust in Him just now was really tempting.

Lei Xiao's personal phone suddenly rang, Breaking the Silence in the room.

Looking at the caller ID, it was his second brother, Lei min. It was obviously an emergency.

He picked it up, and when he heard the voice on the other end, his expression suddenly turned cold ...
