

## Goodnight 201

### Chapter 201: An item of an old friend

“Brother, I heard about what happened last night.”

“The security guard called and said that aunt had been blocking the door since early in the morning. Dad must have given the order, so the guards didn’t dare to let her go. Mom’s aunt’s phone number has been blocked by dad, so they’re still hiding it, but this can’t go on!”

Lei min’s low and elegant voice sounded, but it was obviously a little gloomy.

“You also know Yimu’s personality. If she doesn’t get a satisfactory answer, she will definitely turn the world upside down!”

Thunder owl didn’t say anything. His gaze fell into the distance, and no one knew what he was thinking.

“Also, there’s something else. Dad’s old friend, old Mister Yuan, is here today.”

“Yuan shaojing, Mr. Yuan?”

Thunder owl did not notice that when he said the name ...

Lin Hanxing’s originally nervous expression was instantly replaced by another look, and even his eyes became subtle.

“Yes. Old Mister Yuan’s flight will arrive in Jiang city in an hour.”

“I’m sure you know why I’ve come this time!”

Lei min added, showing the severity of the matter.

As early as a year ago, there was a rumor in the upper class of Jiang city that Yuan shaojing, the top Chinese tycoon in country G, wanted to choose someone from the rich families in Jiang city to be his adopted son or daughter to inherit his family business.

Since this rumor came out, Yuan shaojing had completely become a name that everyone in Jiang city knew!

It was said that he would never marry and would focus on building his own business empire. He was the most respected character among the Chinese in country G!

The local Chinese associations all regarded him as a god-like figure.

It was Yuan shaojing’s appearance that completely put an end to the years of internal strife in country G’s Chinese business circle. He was also the one who single-handedly facilitated the prosperity of the current Chinese community. It could be said that he was the person who had the most influence on country G’s Chinese circle!

In the evacuation incident a few years ago, under the leadership of Mr. Yuan shaojing, the Chinese in country G contributed both money and effort to help Wen Shang successfully reduce the pressure on their country's evacuation of Chinese Qiao. It became a good story for a while.

Such a character, anyone would want to establish a relationship with him!

However, Mr. Yuan shaojing's trip to Jiang city was absolutely confidential to the outside world. If there was any mistake in the middle, things would become complicated!

Not to mention that it involved the serious problem of an heir!

"Do you know what Yimu did this time? Because dad didn't ask anyone to let her in, she even found a reporter. If she ran into Mr. Yuan, she would be in deep trouble!"

He understood his father's character very well.

That year, he was saved by Mister Yuan due to an accident and the two of them became best friends while he was recuperating.

Her father had always respected Mr. Yuan. If this matter was messed up by the Lei family ...

She was afraid that her father would never forgive her!

It was precisely because of this that Lei min quickly made a call to Lei Xiao.

In the Lei brothers' hearts, there was nothing that their big brother couldn't solve. The most important problem was that they couldn't go out now. If they went out, aunty would use it as an excuse to make a fuss.

"I know. Tell dad not to worry!"

After hanging up the phone, Lei Xiao was silent for a moment. His deep eyes were extremely dark at this moment, and he was deep in thought.

"Did you just say Yuan shaojing?"

Lin Hanxing's voice was indifferent, but he successfully pulled back Lei Xiao's attention.

"Mr. Yuan shaojing, the richest man in China in country G?"

"Yes, it's him."

Lei Xiao had no intention of hiding anything from her and simply explained the situation to Lin Hanxing.

"What a coincidence, an old friend of mine asked me to give him something!"

## **Chapter 202: In your dreams**

The carved gate of the Lei family villa was tightly shut, and the guards were guarding it.

A luxurious black BMW with top-tier configuration was parked outside, blocking the entrance of the Lei family's Villa.

The meaning of his demonstration couldn't be more obvious.

If you don't let me in, then don't even think about coming out!

Zhong Yifu sat comfortably in the car, enjoying the air-conditioning. She looked proud.

She came to the Lei family early in the morning and didn't think of these dogs. Mother ... How dare he block her outside and not let her in?

No matter how he threatened her, it was useless!

"I don't believe that they won't go out for a day."

Zhong Yifu had already sent her men to block the front and back doors. Let's see who can last longer!

"Go, ask them for some hot water to make me some black tea!"

Zhong Yifu crossed her legs proudly and ordered the driver.

"But they won't let ..."

are you stupid? they only said that I can't go in. Can't I even get some water? "

And she just wanted to drink this mouthful of black tea!

The driver didn't say anything more. He got out of the car and pouted his lips in resignation as he went to the guard to borrow hot water.

Zhong Yifu touched up her makeup, but when she saw the obvious bruise on her forehead, her expression immediately changed.

Thinking of Lin xiaojiu, he gritted his teeth in hatred.

Lin xiaojiu, you'd better not get into my hands. Otherwise, I'll never let you off!

At that moment, Lin Hanxing, who was being 'remembered' by Zhong Yifu, was sitting in Lei Xiao's car. His expression was still stiff.

She had obviously dressed up before going out.

The refreshing light blue A-line dress revealed her snow-white and round shoulders. Her two collarbones were exquisite and deep. The wavy outline of the Lotus leaf outline was simple yet elegant. When the wind blew, the Lotus leaf edges rolled.

The sparkling and translucent jasmine petals were like a diamond bracelet tied around his wrist. When he raised his head slightly, there was a flowing light and overflowing with colors.

Lin Hanxing's Black hair was casually tied up, and a few strands of hair fell naturally on his cheeks, giving off an indescribable beauty.

I thought that Zhong Yifu would at least stop for a while.

It seemed that he had really underestimated the extent of her shamelessness.

"She's here for the SU family,"

Taking advantage of the red light, Lei Xiao tilted his head and looked at Lin Hanxing.

When she came out of the dressing room, he was already stunned by her beauty, as if he could not get enough of her.

“She’s really loyal to her husband!”

Lin Hanxing’s smile was cold, and his soft, tofu-like face was full of sarcasm.

“This uncle of mine took my aunt’s money to invest in a few big projects of my relatives, but these relatives like to cut corners and steal. Cunning and slippery. Two days ago, the new company that controlled the market. Politics. After the plan was approved, none of the projects could be accepted.”

When Lei Xiao said this, Lin Hanxing finally understood why his uncle had been so quick to fork out money last night!

but even if the project wasn’t involved, I’m sure your uncle would have asked Zhong Yifu to come and apologize.

The SU family had long been used to the Lei family’s favor.

As the saying goes, if one was used to eating big fish and meat, how could they allow themselves to return to a life of eating rice and vegetables?

“You wish!”

Lin Hanxing’s fingers tapped rhythmically on the car window. It was her habit when she was thinking.

She knew people like Zhong Yifu best.

In order to achieve his goals, he would do anything, even if it meant throwing a tantrum and losing face.

At that time, if they really caused a ruckus at the Lei family’s Gate, the Lei family would be the ones embarrassed.

It was best not to use a method that would harm one’s own self and one’s enemy by 1000 unless it was absolutely necessary. Besides ...

Mr Yuan shaojing’s whereabouts must not be disclosed.

Suddenly, Lin Hanxing’s eyes flashed with a smile ...

### **Chapter 203: This move is quite damaging**

Looking at her eyes, Lei Xiao knew that she had an idea.

Lin Hanxing looked at Yuan Bao, who was sleeping in the back seat, through the rearview mirror, before taking out his phone to make a call.

His voice was very low, but he did not deliberately avoid the Thunder valiant beast.

Lin Hanxing hung up the phone after he gave his orders, but he did not miss the smile on his face.

“This move is quite damaging.”

I’m not a man. I don’t need to be so open. It doesn’t matter if it’s bad or not. It’s fine as long as the method is effective!

Regardless of whether it was a conspiracy or an open one, as long as it was effective, it was a good strategy.

“My people will handle the reporters.”

When they left Yujing garden, the two of them had already clearly divided the work.

Lei Xiao controlled the reporters and paparazzi. On the other hand, Lin Hanxing was focused on dealing with Zhong Yifu.

“Why do I feel like we’re in cahoots?”

Lin Hanxing supported his temple with one hand, his beautiful eyes were lazy and bright, even the mole under his eyes was dyed with charm.

“No matter if I’m a Wolf or a Wolf, I’ll be the one above.”

Lei Qian said expressionlessly. Lin Hanxing was stunned for a moment before he understood.

Why didn’t she realize that he was so indecent before?

there’s still time. It’ll take at least ten minutes for my men to get there. You can choose a longer route and go around it. Make use of the time difference. After all, this method needs some time to work!

Lin Hanxing glanced at the bright sun outside and smiled meaningfully ...

.....

Twenty minutes later.

Zhong Yifu sipped the freshly brewed black tea leisurely, and the rich fragrance made her squint her eyes in satisfaction.

It was obvious that they were prepared for a long battle.

It was a hot summer day outside, and it was very cool in the car with the air conditioner on. Zhong Yifu was drinking her favorite black tea, and her lively eyes started to look around the villa area.

This was the most valuable area in Jiang city, and even if you had money, you couldn’t buy it now!

Until now, she still didn’t feel that she had done anything wrong in the past few years.

Compared to Zhong Nanyin’s life, Zhong Yifu didn’t think she was greedy at all!

However, back then ...

Thinking of what had happened in the past, Zhong Yifu’s eyes darkened, and her fingers rubbed the smooth edge of the exquisite teacup.

Was it really an accident that ah Xiao looked for her husband and nephew, or did he have other intentions?

With her intelligence, she could not be sure at all!

If it was an accident, that would be the best, but if there was an ulterior motive ...

Did ah Xiao know that back then ...

Just as she was feeling frustrated, Zhong Yifu put the teacup aside with a bang. Before she could say anything, the car suddenly made a strange muffled sound. She was shocked, and after the muffled sound, the car suddenly turned off!

It was summer now. Although there was still the coolness of the air conditioner in the car, Zhong Yifu, who had drunk hot tea, still felt uncomfortable.

“What’s the situation?”

The driver hurriedly started the engine again, but after trying a few times, he still failed.

“Madam, it seems like the car broke down!”

The driver turned around awkwardly. In just a short while, his nose was covered in sweat.

“What are you still doing? Why aren’t you repairing it?”

Zhong Yifu’s voice was sharp. What did he mean by the car broke down? She didn’t spend so much money to call them here for fun!

The driver responded and quickly got out of the car to check the front engine.

The sun was very bright outside, and soon the cool air in the car was gone. It was very hot and stuffy.

Especially since Zhong Yifu had just drunk some hot tea, she was extremely annoyed. Ever since she had been adopted by the Zhong family, she had been living a pampered life and had never left the air conditioner in the summer!

For a moment, he was sweating like rain!

#### **Chapter 204: Iced Coke**

Another ten minutes passed.

The back of the driver’s shirt was already wet with sweat, but he checked it back and forth a few times and still couldn’t find any problems.

However, the car just couldn’t start, and it suffocated to death!

Zhong Yifu couldn’t wait any longer. She got out of the car with an umbrella and fanned herself with her hand.

She had a hot and dry body to begin with. She had been prepared to fight a long battle with the Lei family with the help of the air conditioner. However, she was about to collapse after being exposed to the sun for a short while!

His noble suit was drenched in sweat and stuck to his body.

The hot black tea that she had drunk earlier was like a death warrant, making her mouth even more parched.

If it was the Zhong Yifu from a few decades ago, she would still be able to put up with it. But now, she was used to being pampered, so how could she bear to suffer?

“Open the door! Tell Zhong Nanyin to come out!”

Zhong Yifu, who was getting more and more agitated, finally couldn’t help but slam the carved iron door. She couldn’t wait any longer!

He was going to see Zhong Nanyin now!

“I was wondering who it was!” Suddenly, a familiar yet cold voice came from behind.

Zhong Yifu felt as if a bucket of cold water had been poured on her head. She turned around stiffly and looked at the source of the voice.

Lin Hanxing sat in the car with the window behind him. His hands were crossed under his chin as he looked at Zhong Yifu, who was in a mess.

It was not an exaggeration to say that he was in a sorry state.

The sweat formed a small stream that flowed down her cheeks, and even her makeup was ruined.

“What are you doing here?”

Zhong Yifu’s voice was shrill, and her expression was as ugly as it could get.

Lin Hanxing did not say anything. He took a bottle of iced Coke and got out of the car on purpose.

A pleasant fragrance wafted in her face and slightly eased Zhong Yifu’s urge to puke from the heat. However, her eyes were staring straight at the bottle of iced Coke in Lin Hanxing’s hand. She was so close to snatching it away.

“I’m here to eat!”

Lin Hanxing walked up to her unhurriedly.

“Who are you to eat here?”

As if she had thought of something, Zhong Yifu looked into the car and saw Lei Xiao’s cold features!

“On the other hand, Yimu’s complexion ...”

After he finished speaking, Lin Hanxing placed his hand on Zhong Yifu’s pulse, and his expression suddenly became serious.

"I've counted on my fingers. Recently, Yimu's side has been acting like villains!"

Lin Hanxing smiled profoundly. Then, before Zhong Yifu could push her away, he let go of her wrist.

"Aren't you the villain? If you didn't come in between, why would ah Xiao be so heartless to his aunt? Lin xiaojiu, I think you're a source of trouble!"

it doesn't matter whether I'm a source of calamity or not. What's important is that your husband doesn't have a source of calamity around him!

Zhong Yifu's expression suddenly became fierce, and she reached out as if she wanted to scratch her face.

"You're cursing me!"

Lin Hanxing smiled lazily and pushed Zhong Yifu's hand away with a slap.

People like Zhong Yifu would never learn to be smart no matter how many times she had suffered in his hands.

After all, they were just the classic shrews who cried, made a fuss, and hung themselves.

Her methods were so clumsy that Lin Hanxing couldn't even be bothered to scheme against her.

"If your husband really loves you, why didn't he come with you today? If I'm not wrong, aunt is here to beg for forgiveness from the Lei family? You're the one who's embarrassed, but he's the only one who gets the credit ..."

Lin Hanxing's words had planted a seed in Zhong Yifu's heart.

you don't have to say so much. I believe in my husband!

Zhong Yifu's expression was ugly, and even the wrinkles at the corners of her eyes started to appear.

"Oh, really? Since you trust him so much, it seems that there's something I don't need to tell you!"

## **Chapter 205 suspicion**

Lin Hanxing turned around to leave after he finished speaking.

"Stop right there and explain yourself clearly!"

Zhong Yifu didn't even want the umbrella in her hand anymore. She quickly reached out and blocked her way.

"Didn't you say that you believe him? in that case, what's the point of asking?"

Lin Hanxing's eyes were cold, and his tone was full of ridicule. Even his voice sounded emotionless.

People were like this. If you were in a hurry to tell someone something, they might not necessarily listen, but if you used this kind of half-covered way of speaking to attract the interest of others, even if you didn't say it, the other party would still chase you to ask for an explanation.

“Don’t think I don’t know that you’re trying to frame my husband!”

Zhong Yifu was exposed to the sun, and her eyes were red with anger. She looked like she was going to swallow Lin Hanxing alive.

Lin Hanxing was silent for a few seconds, then he unscrewed the cap of the iced Coke in his hand and took a sip.

The thirst that he had forgotten was suddenly awakened!

Zhong Yifu stared at the iced Coke in Lin Hanxing’s hand and regretted drinking black tea.

The feeling of his dry mouth and tongue made him feel an indescribable irritation.

“Do you know how you spent the investment money you gave your husband?”

Lin Hanxing finally said something after she was done keeping her in suspense. Zhong Yifu squinted her eyes slightly, not knowing why she would mention this!

“You don’t have to look at me like that. There are some things that you can find out if you want to.”

“What are you trying to say?”

Zhong Yifu’s eyes were red, and she glared at her.

your husband did use the money to invest in a few of his relatives’ projects. That’s true. But what he didn’t tell you was that he only used a part of it as an investment. The other part was unknown!

The words ‘I don’t know where I’m going’ were just used by Lin Hanxing to fool Zhong Yifu.

She naturally knew what su zhanlong had done with the remaining money, but ...

Of course, he couldn’t tell Zhong Yifu this.

“You’re talking nonsense!”

Zhong Yifu could only feel her head buzzing. She used all her strength to shout, and even the guards behind the carved gate were shocked.

“Don’t you have any feelings whether I’m talking nonsense or not?”

Unless she was really blinded, a woman’s natural sixth sense would tell her that the person beside her was strange.

Perhaps it was a sentence, perhaps it was a shirt, perhaps it was a strand of hair, perhaps it was a faint perfume smell ...

“Also, don’t you know what kind of people your husband’s relatives are? You’re so at ease that you let him squander your money away. Now that he’s trapped, he still needs you to show your face in public and come here to see other people’s faces!”

Lin Hanxing’s tone seemed to be calm, but every word he said was like a knife stabbing into Zhong Yifu’s heart.

you ... Zhong Yifu felt that the sun was shining so brightly that even Lin Hanxing's facial features were shaking. She tried to stand still, but she staggered two steps forward and barely managed to hold on.

"You're talking nonsense! You're spouting nonsense! You're definitely talking nonsense!"

Lin Hanxing looked at Zhong Yifu coldly, without a trace of pity in his eyes.

There were many pitiful people in this world, but only a few of them could gain Lin Hanxing's true pity.

"Just take it that I'm talking nonsense."

Lin Hanxing's mocking voice was particularly harsh to Zhong Yifu's ears. This little B \* tch was actually mocking her?

"Don't go, I won't allow you to go!"

Zhong Yifu seemed to want to pull Lin Hanxing and throw a tantrum, but she could not stand still anymore!

The next second ...

## **Chapter 206: Fainting from anger**

Zhong Yifu's face was pale, and her eyes were unfocused as she fell towards Lin Hanxing!

Seeing this, Lin Hanxing coldly moved to the side and let her fall to the ground.

"What are you still doing? Didn't you see your Madam faint from heatstroke?"

Lin Hanxing raised his head and looked at the driver who was standing there in a daze.

"....."

Madam was not suffering from a heat stroke. She had clearly fainted from anger.

But of course, the driver didn't dare to say these things.

However, the car had broken down, and Madam had fainted. He couldn't possibly carry her back, right?

The driver looked troubled and did not notice that Lin Hanxing's gaze had passed him and landed on a corner.

blocking someone else's car in front of their house. Is this how the SU family should behave? "

Lin Hanxing was smiling and the driver looked up in shock.

He didn't know why, but when the woman in front of him was so beautiful, when her eyes swept over him, the distracting thoughts in his heart that shouldn't have existed were completely extinguished, as if a basin of cold water had been poured on him from head to toe in winter.

"The car broke down, what can we do?"

The driver mumbled.

Lin Hanxing sneered in his heart when he heard his excuses but did not expose him.

Why should she make things difficult for him when he was working for someone else?

“Let’s go and try.”

The driver assumed that Lin Hanxing did not believe him and sat in the car angrily.

However, this time, the engine did not turn off as expected. The cool wind from the air conditioner blew in his face and drove away the heat.

“Isn’t this car working fine?”

Lin Hanxing looked at the driver coldly, and the latter obviously looked like he had seen a ghost.

therefore, as long as a person is alive, he must be kind and do good things. Otherwise, even the heavens might not be able to stand it one day ...

Her voice was accompanied by the wind from the air-conditioner, and the driver could not help but shiver.

This matter was simply too strange!

After Lin Hanxing finished speaking, he turned around and left without waiting for the driver to respond.

When they got into the car, Lin Hanxing leaned against the leather seat and watched as the driver moved Zhong Yifu into the car and quickly reversed the car. He didn’t seem to want to stay any longer, and a cold smile appeared on his face.

“Your people are very fast.”

Lei Xiao said in a low voice. The people of Coldstar were well-trained, and it was obvious that they had been systematically trained.

“It’s just blocking the exhaust pipe. It’s a waste of talent.”

Lin Hanxing rolled down the car window and snapped his fingers smoothly.

Not long after, the person who had been waiting in the dark walked to the car.

He was also holding a long camphor box in his hand, his attitude respectful.

“Ninth young lady, this is what you wanted.”

After handing the box to Lin Hanxing, he left.

Lin Hanxing lowered his head to look at the camphor box, and the emotions that were revealed in his eyes were easily captured by Lei Xiao.

“Is this what your old friend asked you to give to elder Yuan?”

The Thunder valiant beast was very sensitive to the importance of this item to her.

“Yes.” Lin Hanxing’s fair fingers gently caressed the aged-looking camphor box.

The box gave off a light fragrance.

you've only met uncle Jin and the mute uncle. If it was a few years ago, there would actually be another person by my side.

The coldness in Lin Hanxing's voice faded and was replaced with strong personal feelings.

But after waiting for a long time, she didn't continue, and the heavy emotions in her eyes returned to calmness.

It was as if it was just an illusion.

The carved gate suddenly opened, and the guard came out respectfully. Seeing the SU family's car leave, he was obviously relieved.

Lei Xiao drove the car into the villa slowly.

The closer he got to the villa, the more Lin Hanxing clenched his fists unconsciously, even his knuckles turned white ...

## **Chapter 207: That person**

He was like a primary school student who had just entered school, waiting for the teacher to call his name.

Her delicate little face was tensed up as if she was facing a great enemy, making Lei Xiao unable to hold back his laughter.

"My home isn't a Dragon's pool or a Tiger's Den. You don't have to be so nervous."

He reached out and brushed Lin Hanxing's hair away from his ear.

Just now, she was as majestic as a little tiger, but now she was as obedient as a cat with her nails hidden.

"Can I leave first?"

Lin Hanxing looked at him, his little face was in a rare daze.

Lei Xiao's line of sight looked over her shoulder to look out of the window, and the corners of his thin lips curled up into a smile.

"It's too late,"

Lin Hanxing's body stiffened. He turned around and followed Lei Xiao's line of sight. The villa's main door was already open.

Mama Lei was the first to run out, her face beaming with joy.

"My daughter-in-law!" Seeing that she was looking over, Madam Lei waved at her like a child.

get out of the car. I'll wake Yuan Bao up.

Lei Xiao reached out to unbuckle Lin Hanxing's seat belt. He was afraid that she would feel awkward, so he added.

"The one standing beside mom is my second brother, Lei Jing. You've met at the horse track."

"Third brother's work is special and he stays abroad all year round. He won't be back for the time being. Yuan Bao's father is on a business trip and probably won't be back, so you don't have to be nervous."

Lin Hanxing nodded, and as soon as he got out of the car, Zhong Nanyin held his arm affectionately.

"Look at how skinny you are." Madam Lei, Zhong Nanyin, gently caressed Lin Hanxing's small arm.

I was going to ask Madam Chen to make some chicken soup, but Xiao said you're a vegetarian, so I asked the kitchen to make some sugar water instead. Let's drink and talk, and I'll tell you about Xiao's past!

As expected, Zhong Nanyin was a man of action. He pulled Lin Hanxing along as they walked into the villa.

He did not see Lei min standing helplessly in the same place, holding the sleeping Yuan Bao in his arms from the back seat.

"Just now, dad was in the surveillance room, watching the situation at the door."

His gentle voice gave off a cold feeling, but his indifferent and distant appearance was shrouded in warmth.

big brother, this is the first time you've brought someone back. It looks like I really have to call you sister-in-law.

Lei Jing smiled. No wonder he felt that the atmosphere between the two of them was not quite right the last time they were at the horse track.

"That black jade thumb ring, could it be a gift from sister-in-law?"

Previously, Lei min thought that it was Lei Xiao who bought it, but later he found out that it was not, but he did not ask again.

I hope you can treat her the same way you treat me.

Lei Xiao's gaze fell on the door where his mother and Lin Hanxing had disappeared, and his cold and determined face unconsciously showed a trace of gentleness.

"Right, there's something I forgot to mention over the phone ..."

As if he had thought of something, Lei min spoke in a low voice.

"This time, there's also that person who came with Mister Yuan ..."

Upon hearing this, Thunder valiant beast's expression turned cold.

He suddenly realized that it was easy to understand why he didn't play by the rules today.

If it was because of that person that mom called Hanxing to come over ...

.....

Lin Hanxing did not see Lei kangnian, but he saw Yan beiming sitting on the sofa leisurely playing mobile games. When he saw Madam Lei pulling her in, he stood up abruptly and went up to her.

“Little Hanxing, you’re cold, heartless, and unreasonable. Tell me to get lost!”

Yan beixiao took out his phone and opened the chat history, desperately trying to make his presence known, his face full of resentment.

“Little Yanzi, go and bring two bowls of sugar water for me and my daughter-in-law!”

Lin Hanxing couldn’t help but laugh. What the hell was a little swallow?

Yan beixiao’s face turned red, and his expression became even more aggrieved. Didn’t you say that you would never call this name again?

Zhong Nanyin continued to hold Lin Hanxing’s arm as they walked up to the second floor ...

## **Chapter 208: Mother Lei complained**

The terrace on the second floor had been decorated into a Sky Garden, and all kinds of green plants and flowers were well taken care of by the gardener.

The blue and purple flowers bloomed the most, almost taking up half of the garden.

There were a few soft and comfortable-looking pillows on the White outdoor swing chair.

A short-legged cat with grape-colored eyes was lying on it, basking in the sun and looking lazy.

“It’s my daughter-in-law’s first time here, so don’t be nervous.”

Zhong Nanyin pulled Lin Hanxing to sit down.

The fat cat didn’t even move, it just opened its eyes and looked.

Then, he stretched his back and sniffed Lin Hanxing without any fear.

It meowed and jumped onto Lin Hanxing’s lap to continue sleeping.

Lin Hanxing’s body gradually softened.

“It’s nice here, right?” Zhong Nanyin’s eyes looked around with gentleness.

“It’s a-Qing.”

Surprise flashed across Lin Hanxing’s eyes. This place was created by Lei Qian?

I just mentioned it casually at that time. I didn’t expect him to remember it without saying a word.

Hanxing, ah Xiao looks cold and hard to get along with. Although he has a good appearance, people are more afraid of him than they like him, and they are more afraid of him than they are close to him ...

Zhong Nanyin held Lin Hanxing's hand, his voice soft and his face kind.

Lin Hanxing listened quietly, no longer as uncomfortable and nervous as he was in the beginning.

This was the first time Mama Lei had called her by her name. It was very gentle, just like a mother's.

"But our family knows better than anyone how soft ah Xiao's heart is."

Zhong Nanyin and Lin Hanxing sat side by side on a white outdoor swing chair. The swing chair swayed gently, and the years were peaceful.

"Sometimes, I'd rather ah Xiao be a little more selfish and think about his own happiness ..."

"To be honest, there was a time when I really thought ah Xiao was Gay!"

Lin Hanxing couldn't help but laugh when he heard Zhong Nanyin's words.

Because she had asked Lei Xiao in person before.

"Think about it, what kind of man is 31 years old and still clean and pure, not even going to a nightclub? You don't even have a woman's shadow by your side, anyone would be suspicious, right?"

Zhong Nanyin made a face, but it didn't seem abrupt or pretentious at all.

"Really?" Lin Hanxing's eyes widened.

"Of course it's true!" Zhong Nanyin couldn't help but spit out the words that had been in her heart all these years, as if she had found a soulmate.

it's not just that you've never been to a nightclub. There are only two possibilities for you to look for ah Xiao at night. Either you're working overtime at the company, or you're sleeping at home. How boring is his life? "

Regarding this, even Zhong Nanyin couldn't help but want to complain.

"And last time, I was so excited that I sent him a long message on WeChat. Do you know what he replied to me?"

Lin Hanxing thought for a moment and quickly said.

"Oh."

"Right! He only replied with an 'Oh'! I was so angry that I blacklisted him for three days!"

Lin Hanxing looked at Zhong Nanyin, who was beaming with joy, and stroked the short-legged cat in his hand, smiling.

It did seem like something the Thunder valiant beast would do.

"What are you guys talking about?" Yan beiming came up with two bowls of sugar water, his face full of gossip.

"Xiao Yanzi, tell me, is ah Xiao's life particularly boring?"

It was as if Zhong Nanyin had found an ally, and he quickly beckoned Yan beiming over. When Yan beiming heard this, his eyes immediately lit up, and he pulled a rattan chair with its back facing the door and sat opposite the two.

“It’s more than boring! This person is simply too much!”

As he spoke, he used his fingers to count Lei Xiao’s numerous crimes, not noticing the tall figure at the door at all ...

## **Chapter 209: dead**

the female president of the Qi family who took over the Qi Corporation likes ah Xiao so much. She’s using this opportunity to make her presence known to ah Xiao. Once at the signing ceremony, that female president kept making eyes at ah Xiao!

I was watching from the side. The female CEO’s eyeballs were about to fly out, but Lei Xiao didn’t feel anything.

I thought he was blind, but guess what he said to the female CEO after the signing ceremony? ”

“What did he say?” Zhong Nanyin’s eyes were filled with curiosity.

This was the first time she had heard Yan beiming talk about such things.

Yan beixiao kept a straight face, imitating Lei Xiao’s usual cold and expressionless look.

President Qi, if you’re sick, go to the hospital. The earlier you find out, the earlier you get treatment!

F \* ck, can you imagine how green the face of the female president of the Qi family was? ”

Lin Hanxing pursed his lips and laughed. As for Zhong Nanyin, he had already fallen on her body, not knowing whether to laugh or cry.

Suddenly, she looked up and met a pair of deep eyes.

Lei Chen leaned against the door and listened for a long time, but Yan Beichen was still ranting on and on.

Because his back was facing the door, he didn’t notice at all.

Lin Hanxing gestured to mother Lei with his elbow and gave Lei Xiao a look.

“You guys don’t know this, but if I hadn’t known ah Xiao for so long, I’d suspect that he’s not looking for a woman because he’s secretly in love with me. But don’t worry, Mama Lei, I’ll stick to it until the end!”

Yan beixiao’s eyes were firm. He covered his chest with both hands, looking as if he was trying to protect his innocence!

“Yan beiming, did you tell Auntie that Lei Xiao might be Gay?”

Lin Hanxing seemed to have thought of something and tried to lure him.

don't blame it on me, I only told Mama Lei that I was suspicious. Besides, how could you not know if ah Xiao is Gay? "

After saying this, Yan beiming immediately felt that the atmosphere was a little off.

In particular, Lin Hanxing's and mother Lei's "you're on your own" gazes made his hair stand on end, and he could not express his panic.

Lin Hanxing raised his chin at the person behind Yan beiming.

Yan beiming slowly turned around, his little heart thumping.

All he saw was Lei Xiao, who was dressed in a black shirt and black pants, standing not far away, looking at him expressionlessly. His eyes seemed to be showing concern for an idiot.

"Little Hanxing, you're so bad ..."

Yan Beichen felt a buzz in his head, and he felt that his life was over today.

"Yan beiming, it looks like we should have a deep chat."

Lei Xiao walked over unhurriedly, his strong arm seemingly casually placed on Yan beiming's shoulder, but in reality, the force was so strong that Yan beiming could not bear it and was gritting his teeth!

ah Xiao, ah Xiao, can you give me some face in front of mother Thunder and little Hanxing? let's hit people but not their faces!

Yan beiming was immediately lifted up by Lei min and walked towards the door.

Lei Xiao was originally worried that Lin Hanxing would be nervous, but when he saw that she was getting along well with his mother, the worry in his heart was completely dispelled. He did not expect to have such an unexpected harvest this time!

Yan beixiao's face was filled with the thought that he was definitely going to die!

Lin Hanxing smiled as he watched the two of them leave. He did not expect Lei Xiao and Yan beiming to get along like this.

"Quickly try it."

Madam Lei handed Lin Hanxing a bowl of sugar water. She had specially instructed the kitchen to make this for her.

Lin Hanxing took a sip. The sugar water was sweet but not greasy. It was filled with the fragrance and sweetness of the ingredients and was very delicious.

you're already so thin, and you're still a vegetarian. Can your nutrition keep up? "

Mama Lei's eyes were filled with love, and Lin Hanxing's eyes turned wet ...

**Chapter 210: Very protective**

"It's nothing for a girl to be a little chubby, she's blessed!"

As he spoke, Zhong Nanyin reached out and touched Lin Hanxing's ear with the doting of an elder.

"Ah Xiao is very rich, you have to help him spend as much as you can."

All these years, the Lei group's dividends and the investments that Lei Xiao made in his own name, the amount of interest added together was so huge that it was absolutely unimaginable to ordinary people. It was not an exaggeration to call it an astronomical figure.

Even Lei kangnian, who had handed the Lei clan over to Lei Xiao, had to admit that ...

Lei Xiao's son's talent in business was much higher than his!

No one knew better than him how Lei Xiao had built the Lei Corporation into the business empire it was today.

He was like a natural money-printing machine!

Any project in Lei Xiao's hands could turn losses into profits, and his vision was extremely far-sighted.

"I was worried ..."

"With ah Xiao's work-oriented, cold, and hard-to-get personality, I'm afraid he'll be single for the rest of his life!"

Zhong Nanyin smiled helplessly.

Other people were always worried that their children would have messy relationships, but she was looking forward to Lei Xiao's actions.

but one day, ah Xiao actually told his father and I that he was working hard, but the girl didn't like him ...

Lin Hanxing paused in the middle of drinking the sugar water and felt that Madam Lei was looking at him with surprise.

"Do you know how much I gloated at that time?"

"Auntie, actually I ..."

Lin Hanxing paused, not knowing what to say.

Her relationship with the Lin family was her own matter and should not involve the Lei family.

I know that you have a lot of secrets. I don't want you to be honest with me.

Zhong Nanyin looked at Lin Hanxing, his good-looking eyes filled with wisdom.

Lin Hanxing could not help but think of the saying, "you know the ways of the world, but you are not."

"If I were to describe ah Xiao as an animal, I would choose the wolf, because wolves only have one partner in their lives."

since he has chosen you, it is destined that it can only be you.

Lin Hanxing looked at Zhong Nanyin quietly. The latter had a kind smile on his face as he teased the cat on Lin Hanxing's lap.

He didn't have the arrogance of a rich family's elder at all.

we believe in ah Xiao's taste. We believe that the girl he has his eyes on is the best girl in the world.

Yingluo, our family is different from those people.

Yingluo, my parents and brothers are all good people.

Yingluo told me that no matter how hard it was, as long as my family could live the life they wanted, I would be very happy.

It was only now that Lin Hanxing deeply understood how Lei Xiao felt when he said those words.

The atmosphere in the Lei family was completely different from the other wealthy families.

Staying here, you will be very relaxed and comfortable, and you don't have to worry about anything else.

There was no scheming, no meticulous planning.

If they liked it, they liked it. If they hated it, they hated it. There was no middle ground between them!

It made people involuntarily want to integrate into this.

"So, Hanxing, Lei Xiao and the Lei family will be your strongest supporters."

Zhong Nanyin tilted his body and whispered in Lin Hanxing's ear.

our whole family is very protective. Even if there's really a mistake, we'll stand behind you and bear the responsibility together!

Madam Lei clenched her fist and made an extremely cute gesture.

Lin Hanxing suddenly laughed. It was as if thousands of pear flowers had bloomed in unison, creating a beautiful scene.

Even as a woman, Zhong Nanyin was dumbfounded.

"Oh right, how could I have forgotten about this!"

Suddenly, Zhong Nanyin clapped his hands ...
