

Goodnight 211

Chapter 211: Little Thunder valiant beast

“Daughter-in-law, wait for me here!” He said.

With that, Mama Lei stood up and ran out of the garden.

Lin Hanxing watched her leave and placed the bowl on the table.

She suddenly felt that her previous nervousness was really unnecessary.

Lin Hanxing’s long eyelashes fluttered as he teased the grape-eyed cat with a faint smile.

This was what the Thunder valiant beast saw when it returned.

He quietly walked over and sat beside her.

“Did you kill Yan beiming?”

Lin Hanxing raised his head, his long black eyelashes were so dense that they could not be brushed open, and his porcelain white skin looked even more translucent under the sun.

Lei Xiao snorted, obviously not letting Yan beiming off.

“Auntie said that you did this.”

Every scene in Lin Hanxing’s field of vision looked so unique.

One couldn’t help but feel relaxed.

She would not feel bored the entire afternoon if she were to wait for Longjing tea in a pot.

“Do you like it?” Lei Xiao sat with her leg against her leg. He seemed to like this position very much and seemed to be in a good mood.

Lin Hanxing nodded and did not hide his fondness for her.

“Lei Xiao, I’ve never thought that there could be another person in my life.”

Suddenly, she hesitated for a moment before speaking.

“So, don’t be so quick. Wait for me, okay?”

All this time, he had been the one leading the rhythm between the two of them.

Lei Xiao entered her life domineeringly and aggressively, not giving her any chance to refuse.

She couldn’t take the initiative to define the relationship between the two of them, even though she was already sitting in the Lei family.

Lin Hanxing looked at Lei Xiao with a rare look of apprehension in his eyes.

The Thunder valiant beast did not speak for a long time.

He gently stroked her delicate and fair collarbones with his fingers.

Just when Lin Hanxing thought he would be angry, he finally heard his voice.

I've been waiting for you all this time. What's the matter if it's earlier or later? "

His voice was low and magnetic, with an indescribable sexiness and seriousness.

Lin Hanxing's hand on the short-legged cat moved slightly, as if she wanted to hold his hand, but ...

"Daughter-in-law, I'm back ..."

Zhong Nanyin ran back with something in his hand.

"Ah Xiao, go away. Don't take my daughter-in-law away."

Obviously, mother Lei was very dissatisfied with Lei Xiao's presence here, thinking that he had interrupted the intimate time between the mother-in-law and daughter-in-law.

"I'll go downstairs first."

Lei Xiao secretly tugged at Lin Hanxing's little finger, then stood up and left.

"Daughter-in-law, quickly look!"

When she saw that Lei Xiao had left, she took out the thing she had hidden behind her and presented it to her like she was presenting a treasure.

It was a photo.

It looked like it had been there for quite a few years.

In the photo was an expressionless little boy. Even though he was young, one could still tell from his facial features that he would definitely make women go crazy when he grew up. But his eyes ...

Lin Hanxing's expression froze.

The little boy's eyes were emotionless, as cold as ice.

It was as if nothing in this world could enter his eyes, and could not stir up any fluctuations in his emotions.

This was the Thunder valiant beast, the Thunder valiant beast when it was young.

"That child really doesn't like taking photos. I'm afraid this is the only one left."

Mama Lei couldn't help but sigh.

"This child didn't like to talk since he was young. Everyone thought he was mute ..."

Madam Lei touched the photo, her eyes full of love.

Lin Hanxing's eyes never left the little Thunder valiant beast's photo, but the more he looked ...

Why did she feel an inexplicable sense of familiarity?

Chapter 212: Father Lei

It was a very subtle feeling. Lin Hanxing tried to grasp something that flashed through his mind but failed.

Before he could speak, the second young master of the Lei family, Lei min, walked over.

"Mom, dad is asking sister-in-law to go to the study."

Lei Jing was dressed in simple home clothes, her thin lips smiling, her voice warm and cold.

There was no longer the indifference and alienation she had when they first met at the horse track. At this time, Lei Jing's politeness had some importance to her family.

"Why did he ask his daughter-in-law to go? Don't you dare snatch my daughter-in-law!"

Zhong Nanyin snorted in annoyance.

Lei Qian knew that his mother's childish temper was back, so he looked at Lin Hanxing helplessly.

uncle, you must have something important to tell me since you called me over. It's just like how you specifically asked me to come here. Lin Hanxing said softly. He was not as cold as he was when facing others as he coaxed Mama Lei.

Zhong Nanyin pursed his lips. What important things could he have?

However, he didn't say anything more and finally let her go.

Lei Jing walked Lin Hanxing out of the study.

"Eldest sister-in-law, don't be nervous. My father is not as terrifying as the rumors say."

Before he left, Lei min seemed to be afraid that she would be nervous and said more.

However, when she saw Lin Hanxing's expression, Lei Qian knew that she had spoken too much. She did not look nervous at all.

After Lei Qian's figure disappeared, Lin Hanxing politely knocked on the door of the study.

"Enter." A deep voice came from the door.

Lin Hanxing pushed the door open and entered.

In the room, there was a faint smell of ink in the air.

Lei kangnian was standing in front of the table, waving his brush and ink. He was expressionless and did not look at her.

Lin Hanxing walked to the table.

Lei kangnian's calligraphy power seeped through the paper and his brush strokes were strong and vigorous, showing the vital energy of one's bones and muscles!

“Good writing!” Lin Hanxing said in a low voice.

“Do you really understand, or are you just trying to flatter me by marrying into the Lei family?”

Compared to Madam Lei’s pleasant expression, Lei kangnian’s words were clearly not very friendly.

a person has a form, and his words have a spirit. Calligraphy, calligraphy, and painting can all express a person’s spirit and character. If uncle thinks that I’m flattering you and that your words don’t match my evaluation, then I’ll take it back!

Lin Hanxing said indifferently. He was not angry.

“Little girl, you have a sharp tongue, but you’re not willing to give in!”

Lei kangnian looked at her deeply, and his stern face relaxed a little.

“Uncle, you’re too kind, it’s just that ...”

Lin Hanxing looked at the words ‘Purple Air comes from the East’ on the table and said with reservation.

“But what?”

Lei kangnian snorted coldly, but he was still sizing Lin Hanxing up from the corner of his eyes.

He was not shocked by flattery or humiliation, and his personality was not bad.

Lin Hanxing seemed to be a little hesitant. He raised his head and looked at Lei kangnian.

“If there’s anything you want to say, just say it directly, stop hemming and hawing!”

Lei kangnian chuckled in a low voice, his face was even more serious.

Lin Hanxing did not say anything. He walked forward and stood beside Lei kangnian. He reached out and picked up a brush of moderate thickness from the pen holder on the table. His movements were elegant as he dipped the brush into the ink. Every move he made seemed to have a good look.

Lei kangnian moved to the side, his eyes fixed on Lin Hanxing.

It was obvious that he wanted to test if she was just putting on a front or if she really had the ability.

Lin Hanxing’s Black eyes suddenly became much sharper, and the aura around him changed.

Lei kangnian did not miss this change.

Lin Hanxing stretched out her hand and added a few strokes to the small details of each word ‘Purple Air comes from the East’. Her pink lips were slightly pursed, and the seriousness in her delicate features made her look completely different from when she had first entered the door.

Lin Hanxing placed the brush back on the table and raised his head to look at Lei kangnian.

Lei kangnian did not say a word, but his face was very serious ...

Chapter 213: words with spirit

Lin Hanxing's modifications were indeed very small details.

However, after she made some changes, Lei kangnian suddenly felt that the question that had been bothering him for a long time had finally been answered!

"It's just that when uncle first copied it, the style of the copybook he used was too strong, and it affected you."

as I said just now, calligraphy and painting can show a person's spirit and character. Your brush is strong and heavy. I think you have a righteous and upright character, but you don't like to be trapped by the framework of the environment, so ...

Lin Hanxing pursed his lips and smiled, his eyes bright.

"We often do things by surprise and seek victory in danger."

Lei kangnian kept a straight face and didn't say anything, as if he wanted to hear what else she could analyze.

"But the person you are copying has a handwriting that is in harmony with the European and Liu styles. The brush is naturally strong and insightful. His character is generous but cautious, peaceful but hiding needles. This person's style of doing things is completely different from yours, so your writing ..."

"What?" Lei kangnian asked anxiously.

"You can't keep what should be kept, and you can't let go of what should be put!"

Lin Hanxing's Black eyes hid the fierceness in them after he finished speaking, and even the aura around him was completely restrained.

It was like a still painting of mountains and rivers, pleasing to the eye.

Lei kangnian's strong hands kept rubbing, and his eyes were fixed on the four words 'Purple Air comes from the East' on the desk!

He had to admit that after this girl's manual modification, the four words were more vigorous and more in line with his heart!

"As the old saying goes, the master leads the way and the cultivation depends on the individual. Uncle, you're in a dilemma between your consciousness and your consciousness of copying. After a period of time, I'm sure that uncle's calligraphy skills would reach a higher level!"

Lin Hanxing's voice was soft and slow, without the indifference and alienation he usually had when facing others.

"Hahahahaha!"

Lei kangnian laughed loudly, and his face, which had been tense on purpose, completely relaxed!

This girl was chosen by ah Xiao and Yinyin, so how could he make things difficult for her?

It was just to test her personality!

But now it seemed that ah Xiao had picked up a treasure!

“Girl, have you practiced writing?”

Lei kangnian nodded slightly. His two thick eyebrows were like sharp swords, and he looked majestic when he was not smiling.

“I’ve trained for a few years.”

Lin Hanxing said, not changing Lei kangnian’s attitude at all.

He was indifferent to favor or disgrace.

Lei kangnian didn’t say anything more. He turned around and started to look for something on the bookshelf.

Lin Hanxing stood where he was and watched him rummage around. His movements were cautious and careful, as if he was looking for some treasure.

After an unknown period of time, Lei kangnian finally pulled out a book.

While Lin Hanxing was still confused, Lei kangnian opened the book and took out a ...

Even the usually calm Lin Hanxing widened his eyes slightly.

Lei kangnian actually took out a red packet from the inside and passed it to her!

it’s my girl’s first time here, so I don’t have much to give you. Take this red envelope as a token of my appreciation!

When Lin Hanxing was hesitating whether to take it or not, Lei kangnian coughed twice and added, ”

don’t tell Yinyin that I’ve given it to you. This is my private savings. Take it, just use it as pocket money!

Seeing that she did not accept it, Lei kangnian directly stuffed the red packet into Lin Hanxing’s hands.

So, Lei Xiao’s father’s habit of saving up his private money was actually real ...

Lin Hanxing did not know whether to laugh or cry.

I didn’t expect you to know how to write. Tell me more about it, but do you know whose words I’m copying? ”

Lei kangnian was obviously a calligraphy fanatic, so he changed the topic.

Before Lin Hanxing could speak, there was a knock on the door ...

Chapter 214: Secret stash of money (1)

In the next second, Yan beiming’s face appeared.

He had clearly been taught a lesson by Lei Xiao, and his expression was still aggrieved.

"Uncle, uncle Yuan has arrived!"

"Okay, I got it."

Lei kangnian was obviously very happy, so he naturally did not notice the sudden indifference in Lin Hanxing's eyes.

Lin Hanxing and Yan beiming followed behind Lei kangnian and left the study.

Lei kangnian's pace was very fast, and it did not take long for him to put some distance between him and the other two.

"Little Hanxing, you're not kind."

Yan beixiao groaned and revealed his true face, his eyes full of accusation.

"Ah Xiao almost took half of my life, and he even said that he would send me to Sierra Leone in West Africa to dedicate his precious life to the Lei family's expansion!" If he really passed away, what would happen to his little white rabbit!

"Do your best for the Lei Corporation, and your name will be left on the Lei corporation's monument!"

Lin Hanxing raised his eyebrows and looked at him, his voice was cheeky and teasing.

Yan beiming's face was filled with despair, but he saw the red packet in Lin Hanxing's hand.

"Daddy Lei gave it to you?"

Lin Hanxing kept the red packet without saying anything.

"Why does father Lei like to hide his money so much?" She was more curious about the answer to this question.

At the mention of this topic, Yan beiming's frivolous expression changed and became serious.

"You should have heard of the rumors about the Lei clan's founding, right?"

The two of them slowly walked down the stairs.

Lin Hanxing nodded. Of course, she had heard of it.

The Lei family had started their business in the shipping industry, but because the social environment at that time was more involved in the gray industry, the complicated background once made the people of Rivertown fear the Lei family, and no one dared to have any relationship with the Lei family.

back then, uncle was framed by his trusted aides and opponents. The Lei family, which was established by him, was almost at the point of changing its master and surname. He was also almost killed.

"Those who are usually on good terms with the Lei clan can't even wait to hide, and the opponent even hit them when they are down."

Yan Beichen's gaze was deep, and even his voice sounded heavy.

"You know what? There's a big sister above her!"

At the mention of this person, Lin Hanxing noticed that Yan beiming's expression had changed.

It was even more of a mockery.

"The Lei family and the Zhong family have been on good terms for generations. Before that incident, the eldest sister of the Zhong family was supposed to be engaged to father Lei."

Lin Hanxing looked at him. He did not expect such an incident to happen.

it has nothing to do with love. It's only for benefits. This is the current situation of most marriages between the rich and powerful families in Jiang city.

"But after the incident, the Zhong family quickly cut off all ties with the Lei family. Although they didn't add insult to injury, their actions were enough to make father Lei's heart turn cold!"

At this time, the servants in the villa's Hall were waiting for the guests to arrive.

The situation seemed a little tense.

"No one would have thought that the only person who would stand by father Lei's side would be mother Lei. She sold all her personal property and gave the money to father Lei. She was also the one who found the evidence of father Lei's being framed with her own wisdom!"

"Father Lei regained his confidence and turned the situation around, but mother Lei was chased out of the house because she helped father Lei and angered old master Zhong. Do you think she went to find father Lei?"

Yan beiming asked Lin Hanxing.

Lin Hanxing shook his head. Mama Lei would not.

Liking someone was liking someone, and he would definitely not force them to return the favor.

at this time, the Lei family was no longer in danger. The Zhong family even wanted to bring up the marriage between the eldest sister of the Zhong family and father Lei. When father Lei found out that mother Lei had been chased out of the Zhong family, he only said one thing ...

Chapter 215: Secret stash of money (2)

she will rise again with me. Then I will conquer this land and let her enjoy a lifetime of glory!

Lin Hanxing stopped in his tracks. In her mind, she could even imagine the domineering aura of a King when father Lei said those words!

when father Lei found mother Lei, it was already half a year later. At that time, mother Lei thought that he was already engaged. Father Lei brought mother Lei to the Civil Affairs Bureau without a second thought and transferred all the real estate and assets under his name to mother Lei.

"You didn't expect this, did you? Others only thought that father Lei's wealth was comparable to a country's, but who would've thought that the one who really controlled the country was Mother Lei!"

The corners of Yan Beichen's mouth curved into a warm smile, completely different from his usual carefree appearance.

everyone says that the second miss of the Zhong family is very lucky to be able to marry a man like Lei kangnian and be pampered for decades. But who knows what price the second miss of the Zhong family had to pay to get this marriage?

Lin Hanxing's voice was cold, but there was a glint in his eyes.

people always want to get something without putting in any effort. They are always jealous of the good side of others, but forget the hard work that others have put in.

No wonder he had never heard of any connection between the Lei family and the Zhong family.

It seemed that other than Zhong Yifu, Mrs. Lei had never mentioned her other family members.

Yan beiming looked at Lin Hanxing's side profile. A woman who lived so well was rare in this world.

"As for why father Lei likes to hide his money so much ..."

Yan Beichen laughed heartily.

"That's the relationship between father Lei and mother Lei. That's interesting."

As soon as he finished speaking, Yan beixiao and Lin Hanxing had just arrived at the entrance of the villa.

Not far away, Lei kangnian was hugging Yuan shaojing, who had just gotten off the car, while Lei Xiao was standing nearby.

As if he had sensed Lin Hanxing's appearance, Lei Xiao's gaze accurately locked onto her direction, and his deep gaze swept over.

Seeing her standing with Yan beiming, Lei Xiao's lips curved upwards, and he slowly extended his hand towards her.

"If you marry into the Lei family one day, you absolutely don't have to worry about ah Xiao having other thoughts, because the men of the Lei family will only love one person in their life, and that love will never change until death!"

Yan Beichen spoke softly, his deep voice sounding magnetic and serious.

Lin Hanxing tilted his head to look at him, smiled, and slowly walked towards Lei Xiao.

Seeing Lin Hanxing standing beside Lei Xiao, mother Lei, Zhong Nanyin, pursed her lips and smiled, her eyes filled with love.

"Uncle gave me a big red packet."

Lin Hanxing didn't look in Yuan shaojing's direction, but lowered his voice and said to Lei Xiao.

yes, keep it well. It's not easy for my dad to save up some private money.

Lei Xiao's large palm wrapped around her small hand, standing at the side of the welcoming team. His height of nearly 1.9 meters made it impossible to ignore his presence.

“Don’t tell my mom. I’ll get two red packets from her.”

Lin Hanxing did not know whether to laugh or cry when he heard this. They were indeed father and son, even the words they said were the same.

“You’re going to trick Mama Lei like this?”

Lei Xiao didn’t say anything, but the smile on his lips grew wider and wider, and even their hands slightly tightened.

Lin Hanxing glared at Lei Xiao discreetly and wanted to pull back her hand, but was rejected by his actions.

Suddenly, just as Lin Hanxing was about to say something, he frowned.

She could clearly feel a sharp gaze on her.

That gaze was very unfriendly.

It could even be called hostility.

Lin Hanxing’s delicate features gradually became cold. He followed the direction of the gaze and met a pair of clear, black eyes ...

Chapter 216: Hostile intent

The owner of the clear and black eyes had just walked out of the car at this time.

She was dressed in a white lace fairy dress, looking fresh and beautiful.

Her long, jet-black hair hung down gently behind her, giving off a transcendent feeling.

At this time, he was being supported by a middle-aged woman beside him. His eyes were full of love, and his skin was sickly white. He looked weak and fragile, as if he was not in good health. However, it made the clear black and white eyes on his face even bigger.

And the source of the hostility Lin Hanxing felt was this pair of eyes!

While Lin Hanxing was sizing her up, she was doing the same to her.

The moment Yuan susu alighted from the car, she subconsciously looked for Lei Xiao, but she never expected to see another woman beside him, and that woman ...

She was actually so beautiful!

Her refreshing light blue A-line dress revealed her fair and round shoulders. Her skin was so healthy and fair that she was envious.

Her delicate facial features converged on her palm-sized face, making her, as a woman, somewhat unable to move her eyes away!

Yuan susu subconsciously clenched her fair fingers, especially when she saw that Lei Xiao did not even look at her, but only focused on that woman, not to mention ...

The two of them were actually holding hands?

She had not expected that a woman would suddenly appear beside brother Lei after not visiting the Lei family for a while. From the way the Lei family treated her, it seemed like they had acquiesced to her existence.

“Su, calm down.”

The woman standing next to Yuan susu noticed the change in her mood. She smiled and said in a low voice, ”

She naturally saw the woman beside Lei Xiao, but she did not say anything.

In fact, his expression did not even change!

“How do you want me to calm down? Who is that Vixen beside brother Lei?”

Yuan susu said through gritted teeth.

Lin Hanxing silently retracted his gaze and coldly glanced at Lei Xiao.

It was easy to guess the reason why a woman who had never met her face would be hostile to a stranger!

But ...

Lin Hanxing glanced at Yuan shaojing. It was rumored that Yuan shaojing would never marry, but the identity of the two women beside him ...

This was very intriguing!

At this thought, Lin Hanxing’s long eyelashes fluttered, hiding the coldness in his eyes.

“Daughter-in-law, why are you standing there? Come over!”

They didn’t expect that at this moment, Mama Lei, Zhong Nanyin, would suddenly speak and attract everyone’s attention.

Almost at the same time, everyone’s eyes fell on Lin Hanxing.

The moment Yuan susu heard the word ‘daughter-in-law’, her head buzzed, as if her rationality was about to snap.

However, the woman beside her suddenly pressed her hand down, indicating that she should not act rashly.

“Let’s go.” Lei min let go of his hand. The warmth in his eyes was completely different from his usual cold and indifferent look. Realizing this, Yuan susu, who was standing not far away, became even more anxious!

Lin Hanxing calmly walked to Zhong Nanyin’s side, and as soon as he got close, she held his hand.

“Don’t be nervous, my daughter-in-law.”

Zhong Nanyin was all smiles, but Yuan shaojing, who was standing next to Lei kangnian, looked at Lin Hanxing.

“Little girl, say hello to uncle Yuan.”

Lei kangnian was obviously in a good mood.

As for Lin Hanxing, he raised his head unhurriedly to meet Yuan shaojing’s eyes.

“I’ve long heard of Mister Yuan’s name. It’s my honor to meet you today!”

Yuan shaojing was slightly stunned.

He didn’t know if it was his own illusion, but her voice seemed to have a hint of ridicule?

Chapter 217: holding a stick with a gun

Realizing this, Yuan shaojing looked at Lin Hanxing seriously.

This child was very beautiful.

Having lived to Yuan shaojing’s status, he had seen countless beautiful women.

However, there was only one person in his memory who was like her.

Lin Hanxing allowed him to look at him without any emotion in his eyes. His attitude was completely different from when he faced the Lei family.

It was so cold that it made one’s heart turn cold.

The sunlight that was as thin as a cicada’s wings shone on her body, making her fair skin that was like coconut milk look transparent.

Lin Hanxing was also looking at Yuan shaojing.

He was exactly the same as the information.

The tailored casual clothes made the middle-aged Yuan shaojing look very elegant.

Even time seemed to favor him, leaving only maturity and charm on his handsome face.

Yuan shaojing and Lin Hanxing didn’t say anything, and the atmosphere was a little awkward.

Not far away, Lei Xiao’s eyes were deep. He had obviously noticed the change in Lin Hanxing’s attitude.

He knew her too well, so how could he not hear the sarcasm in her words just now?

“Big brother Yuan, be careful not to scare this girl.”

Just as Lei Xiao was about to step forward, a gentle female voice rang in everyone’s ears.

The woman who had been standing next to Yuan susu smiled and slowly walked to Lin Hanxing's side. No one knew if she did it on purpose or not, but she blocked Yuan shaojing's gaze on Lin Hanxing's face.

The woman was about the same age as Madam Lei, and she had taken good care of herself.

Her facial features were delicate and her skin was fair. She was dressed in a Chanel suit.

Standing together with Yuan shaojing, they looked like a couple.

"This girl is really pretty, she looks a little older than our susu."

Lin Hanxing laughed in his heart when he heard her words. He might as well just say that she was old.

"Susu, come here. You were calling brother Lei all the time on the plane, why are you mute now? Isn't your brother Lei standing right there?"

With a few simple words, Cheng Lingyun had completely controlled the scene and acted like the female lead.

When Yuan susu heard the name being called, her pale face blushed, and she looked shyly at Lei Xiao.

At this moment, Yan beiming, who was standing beside Lei Xiao, was gloating.

Listening to his words, he really thought that our little Hanxing, who had retracted his claws, was easy to bully.

Lei Xiao didn't even look at Yuan susu, as if he didn't hear what Cheng Lingyun had said. His deep eyes were fixed on Lin Hanxing, and he didn't waver in the slightest.

Lin Hanxing suddenly smiled faintly, dispersing the coldness around him.

It was as if even the air was filled with spiritual energy.

rumor has it that Mr. Yuan is determined to stay single for the rest of his life and focus on building his own business Kingdom. But now it seems that the rumors are not credible. Mrs. Yuan has a good temperament. When she stands next to Mr. Yuan, she is worthy of a song.

It was a simple sentence, but it made everyone's face change!

Yan beixiao took a step back, using Lei Xiao's figure to block the wide smile that was spreading from the corner of his mouth!

If it wasn't for the inappropriate occasion, he would have laughed out loud when he found out the truth!

As expected, the little cold star was amazing when he made a move!

Yuan shaojing's cold expression didn't show any emotion, but the coldness in his eyes was clear.

Cheng Lingyun suppressed her joy and secretly glanced at Yuan shaojing from the corner of her eyes, pretending to be embarrassed.

Suddenly, the Thunder valiant beast made a move.

Under Yuan SuSu's resentful gaze, he walked towards Lin Hanxing.

A strong hand landed on her shoulder and pulled Lin Hanxing into his arms, looking into Yuan shaojing's cold eyes.

"Although many people have misunderstood, aunt Cheng is not ..."

Chapter 218: Many people misunderstood

"Although many people have misunderstood her, aunt Cheng is not Mr. Yuan's wife."

Lei Xiao's voice was low, but his words were very thought-provoking, it would depend on how people would understand.

She looked away from Yuan shaojing and lowered her head to look at Lin Hanxing, who had returned to his cold expression.

"That's why the phrase" zither and SE1 "was used incorrectly."

The people around them could clearly hear that when he was talking to Lin Hanxing, Lei Xiao's voice was mixed with a rare hint of helplessness and indulgence.

"Oh." Lin Hanxing said indifferently as he glanced at Cheng Lingyun.

He didn't miss the trace of unwillingness that flashed in her eyes, but she quickly hid it, as if nothing had happened.

"Ah Xiao, what do you mean by many people misunderstood?"

Hearing this, Yuan shaojing's face, which was already covered in a layer of frost, became even more frosty, and he stared at Lei Xiao.

This was the first time he had heard such a saying in a long time.

When Cheng Lingyun heard this, she couldn't help but clench her fingers. She couldn't help but regret her actions of wanting to suppress that girl and vent her anger for susu. Obviously, this had caused her trouble.

She silently glanced in the direction of the girl, but who would have thought that the latter was also looking at her.

Cheng Lingyun's heart shivered when she met his eyes.

However, Lin Hanxing smiled coldly at her.

That smile was clearly intentional!

Lei kangnian's expression was a little awkward, which was a rare sight. He gave Lei Xiao a warning look.

In fact, the rumors about his best friend had even reached his ears.

Even his original self had misunderstood.

“Daughter-in-law, I’m dizzy!”

All of a sudden, Mama Lei, Zhong Nanyin’s childish voice rang out.

Mama Lei ... Yuan SuSu’s eyes were filled with worry. She wanted to help her up before Lin Hanxing could.

The two of them arrived almost at the same time.

Whether it was intentional or not, Mama Lei turned her body to the side and faced Lin Hanxing.

“It’s so hot, let’s go in first.”

Although Lei kangnian’s words were directed at Yuan shaojing, his eyes were fixed on Zhong Nanyin.

Yuan shaojing smiled helplessly. He knew that his good friend loved his wife as much as his life.

The group of them walked into the villa ...

.....

The central air conditioner in the villa was maintained at a constant temperature all year round, dispelling the hot summer outside.

Zhong Nanyin smiled and pulled Lin Hanxing to sit beside him. The sickly look he had when he said he was dizzy was gone.

Lei kangnian asked the kitchen to prepare a bowl of green bean soup for her. After making sure that she was fine, he finally felt at ease.

Yuan susu and Cheng Lingyun were sitting together with a bowl of green bean soup in front of them. However, neither of them was in the mood to drink it.

On the other hand, Zhong Nanyin was drinking happily with Lin Hanxing, looking very intimate.

Yuan susu was very jealous of him.

This wasn’t her first time at the Lei family, but every time she came, Madam Lei would treat her more intimately and impolitely.

How did he look like he was with that woman now?

“Do you still remember that you told me about my biggest problem when I practice writing? That girl has really enlightened me today!”

As Lei kangnian spoke to Yuan shaojing, he would occasionally mention ‘that girl’, which made Yuan shaojing’s cold face look a little better.

When he looked at Lin Hanxing again, his eyes were filled with an intriguing look.

“Do you know what she said about your copybook?”

Lei kangnian’s sudden change of topic caught Yuan shaojing’s attention.

“What’s your evaluation?” Yuan shaojing was curious.

Lei kangnian repeated Lin Hanxing's words from before, his eyes full of praise.

Even Yuan shaojing was a little surprised after hearing this. That girl was so young, but she actually had such ability?

"Daddy Lei, you're making it sound so lively. I wonder if I can ask her for advice?"

Yuan susu suddenly said.

Chapter 219: Asking for advice

The moment she finished speaking, the scene suddenly fell silent.

Zhong Nanyin first looked at Lin Hanxing, who was beside him. He only relaxed when he saw that she continued to drink the green bean soup calmly.

He continued to smile and remain silent.

susu has been studying uncle's calligraphy for years, but I always feel that my calligraphy is not up to par. I just heard from Mr. Lei that this lady's handwriting is so accurate, so I can only be thick-skinned and ask for her advice.

Yuan susu was actually very beautiful, but she didn't look like she was in good health.

At this time, he had retracted his hostility and was dressed in white, which really proved the saying "I feel pity for you."

Yuan susu looked at Lin Hanxing as she said this.

In fact, after she said that, everyone's eyes fell on Lin Hanxing.

Lin Hanxing slowly swallowed the bean soup in his mouth and raised his head.

"I wonder if sister is willing?"

Seeing Lin Hanxing raise his head, Yuan susu was overjoyed and waited for Lin Hanxing's response.

"Oh."

Lin Hanxing said indifferently. Just when Yuan susu thought that she had agreed, he added, "

"I don't want to."

pffft! Zhong Nanyin, who was drinking green bean soup, couldn't help but burst out laughing.

cough, cough, cough, cough ...

Lin Hanxing took the bowl from Madam Lei's hands and placed it on the table, not even looking at Yuan susu.

He only gently stroked Zhong Nanyin's back to help her breathe.

The smile on Yuan SuSu's face almost disappeared. She had never expected that this woman would not give her any face.

Lei Xiao did not say anything, but Yan beiming could see the indulgent smile in his eyes.

She was afraid that even if little Hanxing poked a hole in the sky, this guy would be willing to help her mend it.

I'm very clear on how much skill you have, girl. Others don't look at you, but you still want to go to the pole to find trouble!

Cheng Lingyun said, trying to save her daughter's face.

He said this with a smile, but it was more or less personal, which made Yuan shaojing frown.

Lei kangnian's gaze fell on Lin Hanxing.

Since just now, he had felt that this girl's attitude towards the yuan family seemed to be very different.

But it didn't seem like hatred, but more like ...

He just didn't want to give face to the yuan family.

Lin Hanxing looked at Cheng Lingyun. She was really a very smart woman.

This sentence seemed to be indignant for his daughter, but in fact, it was more of a provocation.

As for who the goading target was, the answer was already very obvious.

However, Yuan susu still didn't give up. She suddenly stood up like a little white butterfly and came in front of Lin Hanxing. She put her hands together and made an even more pitiful expression, looking at Lin Hanxing with a pair of watery eyes.

"Sister, please."

Yuan SuSu's back was facing Mama Lei. When no one else was looking at her, her eyes suddenly turned provocative.

Lin Hanxing looked at her, but he only wanted to laugh in his heart.

Between this girl's frown and smile, she really expressed her hypocritical feelings to the fullest!

Yan beixiao was just about to speak up to help Lin Hanxing out of the situation when Lei Xiao's hand stopped him.

He turned around and saw him shaking his head at him, clearly indicating that he should not interfere.

Just as everyone's eyes were on Lin Hanxing, waiting for her answer ...

She suddenly reached out her hand expressionlessly and held Yuan SuSu's wrist. The cold touch startled the latter.

Seeing this, Cheng Lingyun suddenly stood up and took two steps forward.

However, when she realized that she had overreacted, she awkwardly stood still.

“Sister ...”

Yuan susu wanted to pull her hand back, but this woman looked weak and fragile, but her hand was very strong. Even though her wrist had turned red from struggling, she couldn't break free.

Lin Hanxing's cold and beautiful eyes fell on her face with a faint smile. Now you know to be afraid?

Chapter 220: You're older than me

Lin Hanxing's hand followed Yuan SuSu's wrist and pinched it a few times. As she was still struggling, he let go of her.

Yuan susu didn't notice it and was still using force.

He was caught off guard and took two steps back when Lin Hanxing let him go without warning.

He was about to fall to the ground.

Yuan shaojing's face darkened again. After all, susu was a member of the yuan family. How could he not be angry after being embarrassed like this?

brother Lei ... Yuan susu subconsciously called out to him.

Lei Xiao's brows did not move, and there was no aftermath in his deep pupils.

However, Yan beixiao was the first to act, smiling cheekily. He quickly helped Yuan susu up and sat back down.

“You're older than me, so don't call me big sister.”

Lin Hanxing finally spoke again, but the words that came out of his mouth were shocking!

What did he mean by 'I'm older than her, so don't call me sister'?

After Lin Hanxing finished speaking, he picked up the unfinished green bean soup on the table and began to drink it.

It was obvious that he wasn't prepared to explain what he had just said.

On the other hand, Madam Lei, Zhong Nanyin, who was sitting beside her, couldn't hold it in anymore. It was as if ants were crawling in her heart, and she wanted to ask clearly!

Lei min, who had been silent the entire time, suddenly spoke.

“Don't tell me sister-in-law knows how to feel bones?”

As soon as Lei Qian finished speaking, the crowd finally understood why Lin Hanxing suddenly held Yuan SuSu's hand.

Lin Hanxing did not say anything and looked up at Lei Qian.

Lei Jing was obviously very interested in this topic, and even her gentle eyes were burning with light.

He looked at her as if he was looking at a gold ingot.

first aunt ... suddenly, a soft and childish voice came from the second floor. It seemed to be nervous.

It was obvious that Yuan Bao had just woken up, and he was still in a panic, looking for something.

As he ran down the stairs, Yuan Bao saw Lin Hanxing almost immediately and ran over to him without thinking.

first aunt, I thought you left!

Yuan Bao hugged Lin Hanxing's thigh without a second word and rubbed his face against it.

"You're awake? Do you want some green bean soup?"

Lin Hanxing's cold expression softened in an instant, and he reached out to wipe the sweat off Yuan Bao's forehead.

"Ha," Yuan Bao didn't wait for Lin Hanxing to get up and go to the kitchen to get him another bowl, he drank from her bowl with her hand.

When the Thunder valiant beast saw this, the air pressure around it lowered.

Lin Hanxing raised his head and looked in his direction, and their eyes met in the air.

When Yuan Bao finished the glass of water, he realized that there were so many people in the hall.

"Hello, Grandpa Yuan, grandma Cheng, and aunt Yuan."

Yuan Bao was indeed the Lei family's young master. He was polite when he needed to be and greeted everyone obediently.

After Yuan Bao finished speaking, Lin Hanxing stood up and carried Yuan Bao to the seat he had been sitting on.

She walked slowly to Yuan susu in her high heels.

you ... Yuan susu saw Lin Hanxing walking towards her and she was extremely nervous.

However, when she recalled how Yuan Bao had called her 'first aunt', she was enraged.

Previously, she had tried so hard to please Yuan Bao, but this little dumpling had always been indifferent to her. She had originally thought that this was the child's temper and character, but when she saw him facing that woman, she knew that she had been completely wrong!

Lin Hanxing's high heels clattered against the floor, but it sounded like a declaration of war.

At this moment, she was expressionless, and her fair face didn't have any fluctuations. She just fixed her gaze on Yuan SuSu's face.

Very quickly, he arrived in front of her.

"Didn't you say you wanted to ask me for advice?"
