

## Goodnight 221

### Chapter 221: Then let's try

Yuan susu was stunned for a moment before she realized that Lin Hanxing had agreed. She was overjoyed.

The unconcealed praise in father Lei's eyes just now made her feel a strong sense of danger.

She had to regain her face in the field she was good at and win back a game!

Yuan susu had absolute confidence that she could stun everyone!

since we're talking about this, why don't we let the two children write here? brother Yuan and Mr. Lei can comment on it. Susu used to tell me in distress that she seemed to have reached a bottleneck!

A mother knows her daughter best, so Cheng Lingyun quickly said with a smile.

Lin Hanxing's long eyelashes fluttered slightly as he sneered in his heart. Once again, he understood Madam Cheng's way of speaking.

If the other party won, it would prove that father Lei was exaggerating.

If the other party lost, it would only be a bottleneck.

This 'learning session' seemed to have been disadvantageous to Lin Hanxing from the very beginning.

"In that case, let's try it."

Yuan shaojing looked at Lei kangnian with a deep smile, obviously agreeing.

Susu had been by his side since she was young, and her calligraphy skills were unique to him. He was very confident in her.

However, in this way, it would seem like he was bullying that girl.

However, susu was a member of the yuan family, after all. This girl didn't give her any face in the past, so Yuan shaojing turned a blind eye to it and just thought of it as supporting susu. Besides ...

He also wanted to see the girl who was able to comment on his calligraphy ...

How much real ink does he have in his stomach!

Since Yuan shaojing had spoken, Lei kangnian ordered the servants to prepare the food.

Yan beixiao was in high spirits. His past experience had told him that little Hanxing had always been able to surprise him.

Even Lei Yu's usually gentle and calm eyes were filled with curiosity.

On the other hand, Lei Xiao, who should have reacted the most, only looked calmly in Lin Hanxing's direction. Coincidentally, the latter was also looking at him.

Seeing Lei Xiao's gaze sweep over, she blinked at him.

It seemed to be a secret signal that only belonged to the two of them.

The corners of Lei Xiao's lips curled up into a smile, melting the frost on his face.

"Quick, tell the kitchen to prepare some pastries and snacks!"

Mama Lei, Zhong Nanyin, suddenly spoke, her eyes shining.

Cheng Lingyun, on the other hand, was shocked and rolled her eyes secretly. She obviously didn't respect the Lei family's matriarch who only liked to eat, drink, and play as much as she showed on the surface. It was just that she hid it too deeply and didn't allow others to find out.

The servants methodically split up to prepare.

Lin Hanxing didn't miss the determination in Yuan SuSu's eyes. Her Jade-like skin was cold, arrogant, and elegant.

Yuan susu took in her cold expression and held her teacup to hide the smile on her face.

She was definitely going to win!

Soon, two tables of the same width were placed in the middle of the large hall.

The table was equipped with the same xuan paper and the Four Treasures of the Study, all of which were of the highest quality.

Lin Hanxing and Yuan susu each stood on one side.

Yuan susu was wearing a white dress, her thin body was very lovable. At this moment, she was looking at Lei Xiao and smiling.

"Shall we start then?"

After he finished laughing, he did not care about Lei Xiao's reaction and turned to look at Lin Hanxing, who had a cold expression on his face.

"Good luck, Auntie!"

Although Yuan Bao did not know what the two of them were up to, it was obvious that he was already on Lin Hanxing's side!

Yuan susu almost couldn't maintain the smile on her face. She took a deep breath and suppressed her displeasure.

She took out two brushes from the brush rack and began to dip them in ink. Her every move was gentle and moving.

Suddenly, the servant's eyes widened and she couldn't help but exclaim in surprise ...

**Chapter 222: Many years of hard training**

Yuan susu was holding a brush on the paper with both hands, and her face was tense.

In addition, she was wearing a white lace fairy dress, which made Yuan susu look even more pure and flawless. Her left and right hands were writing on the paper at the same time, which made everyone dumbfounded.

Seeing this, Yuan shaojing's memory seemed to have been hit hard!

His body stood up reflexively!

Seeing this, Cheng Lingyun picked up the teacup beside her and covered the faint smile on her face.

Susu had practiced this move for many years so that she could one day stun everyone.

Now, it seemed that her susu had done it!

However, looking at brother Yuan's reaction ...

Cheng Lingyun's eyes darkened. So many years, so many years ...

He still couldn't forget!

Yuan SuSu's exquisite move caused the servants to exclaim in surprise. They had obviously forgotten that Lin Hanxing, who was sitting at the table next to her, had not moved at all. However, in their eyes, she had already lost!

"What are you doing, little Hanxing? Why isn't it starting yet!"

Yan beixiao was worried for Lin Hanxing from the bottom of his heart, and even his expression was nervous.

Thunder owl didn't say anything, but he wasn't in a hurry because of his trust.

"It's over, it's over. Little Hanxing won't really lose this time, right?"

Yuan SuSu's move was too eye-catching, and little Hanxing had not moved at all. Yan beixiao was so anxious that he did not even bother to move the pastries that the servants had brought over. His eyes were fixed on Lin Hanxing.

"She won't." The Thunder valiant beast finally spoke.

"What? Won't what?" Yan beiming did not react for a moment.

"I won't lose."

Almost at the same time as Lei Xiao's name was mentioned, Lin Hanxing finally made his move.

The corners of her lips slowly curled up into a cold and sarcastic smile.

Her skin was as smooth as ice and her hair as black as ink. She was extremely beautiful.

Just like Yuan susu, she took out two brushes, and her movements were as elegant as a painting.

She easily attracted the attention of the people around her.

Lin Hanxing did not even do anything!

Yuan susu noticed this very quickly. She had acquired her skills by copying mechanically, and now that she was distracted by Lin Hanxing, she started to lose control of her handwriting.

On the other hand, Lin Hanxing paid no attention to him and only focused on his subordinates.

The next second, the servant's exclamation sounded again.

Yuan susu immediately stopped what she was doing and turned to look at the woman beside her.

Lin Hanxing stood in front of the table. The sunlight poured in through the floor-to-ceiling window, coating the dust in the air with a golden color. At this moment, the sunlight lingered around her, making her bright eyes even more alluring.

She was also writing with both hands.

Drawing with his left hand and writing with his right hand, he did both at the same time without any distractions.

Even Yuan susu, who was also a woman, couldn't help but be attracted to her.

It was a kind of shock that caused even the soul to shine!

"Impossible, how could you ..." He said.

Yuan SuSu's Red lips trembled slightly. Her voice was very soft, but her words completely threw her mind into chaos.

Writing with both hands at the same time was a test of concentration and accuracy. Yuan susu had seized the opportunity to put pressure on the woman beside her, but she had never expected that she would be shackled by her instead!

Furthermore, she realized that she did not even look in her direction!

However, when Yuan SuSu's gaze landed on Lin Hanxing's table, both of her hands that were holding the brush started trembling.

She didn't believe it!

The moment Lin Hanxing picked up the pen, she easily attracted everyone's attention. Even the anxious Yan Beichen quieted down ...

## **Chapter 223 win or lose**

It was as if Lin Hanxing had a magical power that calmed all the Restless hearts.

There were fine black hair scattered down from the side of her fair cheeks, adding an irresistible intoxicating feeling to her already exquisite and beautiful face. The mole at the corner of her eye made people's hearts tremble involuntarily.

Yuan shaojing's eyes were fixed on Lin Hanxing, but he didn't seem to be looking at her.

It was as if he was reminiscing something through this face. Even the calmness that had been tempered through decades of ups and downs in the business world was instantly blown away like a gust of wind, making Yuan shaojing unable to control his surging memories.

He thought he had forgotten!

He also thought that he would be able to forget!

After so many years, he seemed to have almost forgotten how she looked like.

But in her dreams, guilt, emptiness, sadness, and suffering tormented her!

At that moment, Lin Hanxing had already finished writing!

She placed the two used brushes on the brush, and her fair fingers were stained with thick ink.

She slowly raised her head, her thick and long eyelashes fluttering as she looked at Yuan shaojing without a word.

She didn't miss any of his expressions.

Naturally, she also saw the struggle in his eyes.

Lin Hanxing saw it clearly, and it was because of this that the sneer on her face became sharper.

Yuan SuSu's mind went blank. She was the one who started writing first, but she still hadn't finished writing.

Furthermore ...

She lowered her head and looked at the words in her hand in a daze, her eyes blank.

After the two of them put down their brushes, Yuan shaojing impatiently stood up and walked to Lin Hanxing's side. As for Lei kangnian, he followed closely behind with a deep gaze. He had never seen his best friend lose his composure like this.

Cheng Lingyun's eyes were fixed on Lin Hanxing, and her breathing seemed to be very stifled!

She was too much like her!

It wasn't just their looks. Cheng Lingyun was even sure that she and that woman had no blood relationship at all!

However, the coldness and indifference that seeped out from his bones were too similar!

It made Cheng Lingyun feel extremely terrified!

Just as Yuan shaojing was about to approach, Lin Hanxing took a step back to put some distance between them.

The servant placed Lin Hanxing's and Yuan SuSu's works together and the difference was obvious!

Yuan SuSu's writing style was very much in Yuan shaojing's style. After all, she had been influenced by him since she was a child. However, the more she wrote, the more impetuous the strokes became. It

was obvious that the heart of the person who wrote the words had begun to waver, so much so that the whole piece of work had been completely broken.

When Lei kangnian saw this, he felt a little regretful.

Susu, this child, really lacked training.

Lei kangnian's eyes narrowed when he saw Lin Hanxing's work.

The difference in strength was too obvious!

As for Yuan shaojing, his eyes were fixed on Lin Hanxing's two paintings from the beginning to the end.

Both of them used their left and right hands to draw at the same time, but the strokes were strong and experienced. The painting of the left hand and the words of the right hand formed a sharp contrast!

It was hard to imagine that the left hand's gentle and desolate painting and the right hand's majestic and powerful calligraphy were both done by the same person at the same time. It was simply impossible!

However, Lin Hanxing loved to challenge the impossible.

"Good writing!" Lei min couldn't help but ask.

As Jiang city's most famous and youngest antique collection appraiser, he had appraised many paintings and paintings. To be able to get Lei Jing's approval, it was already enough to prove who had won today's competition.

When they heard that even Lei min had given an affirmative answer, Yan beixiao's mother, Yuan Bao, ran over to join in the fun.

Meanwhile, Lei Xiao quietly appeared beside Lin Hanxing.

"Eh, this poem that little Hanxing wrote ..."

Yan Beichen raised his eyebrows ...

## **Chapter 224 long-lived daughter**

"The spring Banquet, a cup of green wine and a song. First wish for your husband to live for a thousand years, second wish for your wife to be healthy, third wish to be like the swallow on the Liang, to see you again years after years."

Lin Hanxing said coldly. His soft voice was the most soul-stirring.

What she wrote was "the longevity girl: Spring Banquet"!

But almost at the same time, Yuan shaojing suddenly raised his head, his eyes locked on her face!

"Who are you to her?"

Every word that this girl said was like a knife stabbing into his heart, so painful that he couldn't even breathe.

At this moment, if there was anyone who could not see the difference, they would really be a fool.

Even the frivolous Yan beixiao stopped laughing, his eyes darting back and forth between Lin Hanxing and Yuan shaojing.

Lin Hanxing just stood there. Even though Yuan shaojing was on the verge of losing control, she was still expressionless.

Her black and white eyes were filled with a maturity and coldness that exceeded her age.

He looked at Yuan shaojing as if he was watching a good show.

Suddenly, Lin Hanxing chuckled softly, his smile full of mockery.

His gaze went past Yuan shaojing and landed on Cheng Lingyun, who couldn't hide her nervousness.

He didn't miss the fear in the other's eyes when their eyes met.

"I'm sorry, I need to go to the bathroom."

Lin Hanxing turned a deaf ear to Yuan shaojing's question and slightly closed his long eyelashes, hiding all his true emotions.

After saying this, he walked towards the washroom, ignoring the others' reactions.

Only his cold back was left ...

.....

Lin Hanxing allowed the water to wash her slender fingers. In the mirror, the emotions in her eyes were so calm that it was hard to grasp.

"Did Auntie Yanyu ask you to come?"

All of a sudden, another sickly pale face appeared in the mirror.

The sound of flowing water stopped abruptly. Lin Hanxing took out a piece of paper and wiped his hands nonchalantly.

"I'm asking you a question!" Yuan SuSu's hand subconsciously tried to grab Lin Hanxing's arm.

However, just as he reached out, he looked up at the mirror and his movement suddenly stopped!

Lin Hanxing was looking at her in the mirror.

His eyes were 70% cold and 30% fierce, as sharp as a knife.

It was as if as long as she had the courage to reach out her hand, she had the ability to make it unforgettable for her!

Lin Hanxing crumpled the paper into a ball and threw it into the trash can. Then, he turned around and faced her.

"I originally thought that since you had the confidence to challenge me, you would at least have some real ability, but I didn't expect ..."

She raised her eyebrows in mockery.

"It's nothing more than this!"

Yuan SuSu's chest heaved up and down, and her pale face turned even paler.

"How long did it take you to learn how to write with two hands?"

Lin Hanxing leaned against the sink, as if he didn't see Yuan SuSu's shocked expression.

"A year? Two years? Three years?"

Yuan susu suddenly clenched her fists, her round nails digging deep into her skin.

In fact, she had been practicing for six years!

He had just grasped the main point.

"Hehe, it's just something that makes practice perfect. It's nothing to show off!"

Yuan susu refused to be outdone!

Lin Hanxing did not expose her pride. Instead, he smiled faintly.

She would not tell her that it had only taken her three days to learn this from that person.

"Where is Auntie Yanyu now?"

Yuan susu didn't want to give up. She was the only one who could make her uncle's emotions fluctuate so much.

However, she had disappeared for so many years. Why did she appear again?

Lin Hanxing didn't say anything, he just let Yuan SuSu's expression become more and more anxious, as if he was watching a show.

All of a sudden, just when Yuan susu thought that Lin Qiao wouldn't respond to her ...

"Ah ..."

## **Chapter 225: Stolen items**

Yuan susu was caught off guard and was pushed against the cold wall by Lin Hanxing.

In the next second, her chin was pinched by her fair fingers!

Yuan susu was so frightened by Lin Hanxing's sudden burst of power that she didn't even dare to move!

"Is the stolen item useful?"

Without the gentleness he had when he was with the Lei family, Lin Hanxing's hostility was extremely strong, and even his voice was frivolous.

Yuan SuSu's lips trembled, and she didn't dare to speak.

"I'm asking you a question. Why aren't you saying anything?"

Facing Lin Hanxing, who was completely different from when she was outside, Yuan susu was nervous and afraid.

Lin Hanxing felt bored and let go of her with a cold expression.

He stood under the tap again and washed his hands, as if he wanted to wash away the slippery feeling lingering on his fingers.

Then, without even looking at Yuan susu, he pulled open the bathroom door and walked out coldly.

The moment he turned right, Lin Hanxing saw Lei Xiao standing there.

Before she could hide all the coldness on her face, her expression suddenly became strange.

Lei Xiao walked towards her.

Lin Hanxing suddenly remembered how the Lei family would look at her after how she treated Yuan shaojing just now.

When he thought of this, his hostility dissipated, and he felt a little uneasy.

"Have you had enough fun?" Lei Xiao obviously knew that Yuan susu had gone in.

His long fingers landed on Lin Hanxing's head, and he did not miss the flash of uneasiness on her face.

"Her heart is not good."

Lei Xiao's deep voice rang in Lin Hanxing's ears. She raised her head to look at him, and the aura around her lowered by two degrees.

"What's wrong? Your heart aches?"

Lin Hanxing smiled. Of course, she knew that she had a weak heart, and she also knew ...

A rare look of helplessness appeared on Thunder Valiant's face.

However, before he could speak, Lin Hanxing had already closed in on him, and in this position, Lei Xiao's back was pressed against the wall.

"Everyone calls you brother Lei. How many good sisters do you have?"

Her melodious voice was tense with displeasure, and she didn't notice how their positions had been reversed.

Only a man would press a person against the wall like this.

Lei Xiao obviously did not expect Lin Hanxing to ask such a question.

He was stunned for a moment, then he couldn't help but lean the back of his head against the wall, his thin lips curving up at a speed that Lin Hanxing could see.

"You're the only one!"

He reached out and grabbed Lin Hanxing's waist, pulling her closer to him.

"Go away, I hate you just by looking at your face!"

Lin Hanxing was a little annoyed. Who knew how many rotten peach blossoms had attracted to this face.

But as soon as she finished speaking, she could clearly feel the grip on her waist tighten.

"Then I'll destroy it."

His voice was very deep, but it was clear that he was not joking.

Thunder owl was very serious.

Realizing this, Lin Hanxing turned his head away, not wanting to look at him.

But Thunder valiant never gave her the chance.

He forced her to look up into his eyes, her cold and determined features serious.

With the charm of a mature man, he held Lin Hanxing in his arms.

"I've helped you destroy everything you hate."

"Including myself."

Lin Hanxing did not expect that his simple words would cause such negative emotions in Lei Xiao.

His eyes, which used to be deep, were now even deeper and darker.

She couldn't see the end of it at a glance, which made her feel bad.

Suddenly, she reached out and grabbed Lei Xiao's tie. The moment he lowered his head, she bit his lips fiercely.

Lin Hanxing's bite was a bit vicious, and Lei Xiao soon tasted blood.

But he let her be, his eyes filled with joy.

Click. The door of the bathroom was opened from the inside ...

## **Chapter 226: An item of an old friend**

Yuan susu didn't expect to see such a scene when she finally calmed down and came out of the bathroom.

The two entangled figures, one big and one small, made her clench her fists in anger.

Lin Hanxing noticed Yuan SuSu's malicious gaze, and a cold smile appeared on his face.

In the next second, the man grabbed the back of her head, not giving her any chance of escaping!

There was a faint smell of blood ...

Lin Hanxing hated the smell of blood, but he did not hate the smell of the Thunder valiant beast.

This was a solid kiss!

It was filled with strong emotions that Lei Xiao did not even bother to hide!

Lin Hanxing's mind was blank when they parted.

On the other hand, Lei Xiao's thin lips were glistening and full of charm. There were even uneven blood vessels on them, which made people's blood boil.

It would be too obvious to leave a wound where Lin Hanxing had bitten her.

Lei Xiao did not even look at Yuan susu. He lowered his head and looked at Lin Hanxing's face, which was red from the lack of oxygen.

Her lips were also stained with his blood.

He wiped the blood off Lin Hanxing's lips with the pad of his finger. He stayed on her lips for a few more seconds before he was satisfied.

brother Lei ... Yuan susu clutched her chest. Her eyes were filled with sorrow, and she looked very pitiful.

Lei Xiao did not even look at her. He put his arm around Lin Hanxing's shoulder and walked towards the hall.

Only Yuan susu was left standing there, staring at the two's backs with hatred.

When they returned to the living room of the villa, the things in the middle had already been removed, but Yuan shaojing was still holding Lin Hanxing's calligraphy and reading it. When he heard the sound of high heels, he suddenly looked up!

He seemed to be eager to ask something.

However, when he saw the Thunder valiant beast, his expression froze, and the words that were on the tip of his tongue were stuck in his throat.

With a pfft, Yan beiming, who had been drinking tea, inadvertently saw Lei Xiao and could not help but spit it out.

Can't the two of them cover up a little after doing bad things?

A small cut suddenly appeared on Lei Xiao's thin lips. As his brother, he wanted to help him cover it up, but he couldn't even open his mouth because of the mosquito bite!

Lin Hanxing glared at Yan beiming, not letting go of the gloating in his eyes.

Cheng Lingyun coldly snorted in her heart. She had no sense of shame. From the corner of her eyes, she saw a pale-faced Yuan susu floating over like a ghost, looking at Lei Xiao with bloodshot eyes.

Yan beiming whistled in his heart, gloating over her misfortune!

“Auntie, it seems like I won’t be able to wait for dinner today.”

Ever since they returned to the main hall, Lin Hanxing had completely restrained himself from the indulgent attitude he had shown Lei Xiao, and changed into a different expression.

The expression he had when he was facing Mama Lei.

He didn’t expect that Yuan Bao would be the first to react after he said that!

He quickly slid down from his chair and ran to Lin Hanxing. Without a word, he opened his arms and hugged her.

Then, he raised his head and looked at her pitifully.

It was obvious that he did not want Lin Hanxing to leave!

Lin Hanxing lowered his head and looked at Yuan Bao. She knew what he was thinking, but this was not Yujing garden, after all. She would not stay!

The little sheep dumpling, Yuan Bao, pouted. He didn’t want to be separated from his aunt.

He quickly looked at his grandmother, hoping that she could help him make first aunt stay.

“Mr. Yuan, I’m sorry I can’t answer your question, but an old friend of mine has entrusted me to give you something at the right time ...”

## **Chapter 227: A map of the hermit Huaxi**

Yuan shaojing’s hands were clenched so tightly that the veins on the back of his hands were bulging.

On the other hand, Cheng Lingyun’s expression turned ugly in an instant, and even her breathing became rapid.

I thought we’d meet in country G. That saves me a lot of unnecessary trouble!

Lin Hanxing took the sandalwood box from the servant and slowly walked towards Yuan shaojing.

Yuan shaojing’s heart felt like it had been hit hard!

His body reacted faster than his brain, and he stood up abruptly!

Yuan susu walked to Cheng Lingyun’s side with a pale face. The moment she got close, Cheng Lingyun grabbed her hand.

Cheng Lingyun’s nervousness and fear were completely revealed at this moment!

Yuan susu was in pain, but she didn’t dare to struggle.

However, Lin Hanxing's lips curled into a profound smile the moment he brushed past him.

Lin Hanxing presented the sandalwood box with both hands, his fair and slender fingers touching it like jade.

Yuan shaojing took a deep breath and took it.

His tightly pursed lips trembled as he slowly opened them.

It was an ancient painting.

Yuan shaojing's pupils contracted violently. Even though he hadn't opened it yet, he already had an answer in his heart.

He slowly unfurled the painting.

"It's the" painting of the hermit of Huaxi "!"

Lei kangnian's thunderous voice rang out in Lin Hanxing's ears, and he looked at Lin Hanxing with a probing gaze.

Three years ago, after 22 rounds of intense bidding in half an hour, the ancient painting named "the seclusion of Huaxi" was finally won by a mysterious collector at the price of 400 million. After the successful bid, the whole audience was in an uproar!

As expected, this price had broken the world record for ancient calligraphy and painting auctions, and it still remained the same even today.

The reason why Lei kangnian knew about this painting was because he knew how much his good friend missed it!

"Who knows if this painting is real or fake! What if it's a fake!"

Yuan SuSu's voice was slightly sharp, as if she was trying to attract the attention of others.

"This painting is real!"

As Jiang city's most famous and youngest collection appraisal and restoration master, how could Lei Jing not be able to identify the authenticity?

Even for him, his eyes were somewhat infatuated with the painting.

Cheng Lingyun clenched Yuan SuSu's hand tightly, not knowing what to do.

"She asked you to send it over? Who the hell are you?"

Yuan shaojing didn't have his initial mature and steady appearance. His eyes were blank, like a lost child.

"If you want to know the answer, I will be waiting for you at the Lin mansion tomorrow, but ..."

Lin Hanxing's expression was unusually cold, and this time, his eyes directly fell on Cheng Lingyun's face as if he was provoking her.

"The two of them can not appear!"

Cheng Lingyun glared at Lin Hanxing, a malicious look in her eyes that she could not suppress.

Secretly, he pinched Yuan SuSu's waist.

Almost at the same time, Yuan susu received the signal.

Her face was pale, and she suddenly clutched her chest, looking like she was about to faint.

"Susu, what's wrong with you, susu! Big brother Yuan ..."

Cheng Lingyun cried out in panic, causing Yuan shaojing to snap back to his senses. The painting in his hand also trembled.

Lin Hanxing looked at the chaos in front of him without any emotional fluctuations.

She could clearly feel Yuan shaojing's struggle. On one hand, he wanted to continue to ask her questions, but on the other hand, he was worried about Yuan susu.

But in the end, Yuan shaojing still chose the latter!

Lin Hanxing didn't seem to be surprised by this. He turned around and unexpectedly met Mama Lei's eyes.

The latter looked at her with a gentle and comforting gaze, clearly not blaming her for her mischief.

As for Yuan Bao, the little sheep ball, he looked at her with pitiful eyes.

"I'll send you." Lei Xiao stood beside Lin Hanxing silently.

"Oh, by the way, Mr. Yuan ..."

Just as he was about to reach the door, Lin Hanxing stopped and turned around to look at Yuan shaojing ...

## **Chapter 228: I don't want you to go back**

"There's a limit to my patience. I don't care if Mr. Yuan has a great reason or not, I won't wait until tomorrow!"

Lin Hanxing had a premonition that it wouldn't be that simple for Yuan shaojing to go out tomorrow!

However, she was a woman of her word. Since she had said tomorrow, she would only give the other party the time of tomorrow.

Even if there were knives in the sky, it had nothing to do with her.

After he finished speaking, Lin Hanxing looked at Yuan susu, who had fainted in Cheng Lingyun's arms, with a faint smile on his face. He didn't stay any longer ...

.....

"Aunt Cheng is the wife of Mr. Yuan's younger brother."

When they were at a red light, Lei Xiao's deep voice suddenly rang out.

"Yes, I know."

Lin Hanxing obviously didn't want to talk about Yuan shaojing anymore.

As soon as he finished speaking, his phone rang with WeChat notifications.

[ 9.90 yuan, free delivery: little cold star "

Xing Xiaoxing, "what?"

[ 9.90RMB delivery: you're so proud today, come kiss me, hug me, and raise me high ] [ quick-witted ]

Xing Xiaoxing:

9.9.9...Including delivery ...

"9.90 yuan, free delivery: I've sent someone to send your car back to the Lin family today."

Lin Hanxing could not help but raise his eyebrows when he saw this.

If the car had been sent back, the mute uncle would have informed him. Obviously, something had gone wrong.

She did not reply to Yan beiming, but instead sent a message to the mute uncle.

"When I went back today, some people might be feeling uncomfortable and have thoughts that they shouldn't have!"

Lin Hanxing leaned lazily on the leather seat, his expression was obviously bored.

Hearing this, Lei Xiao's eyes were as deep as the sea, and he did not move.

In the silence, Lin Hanxing received a message on his phone.

She opened it and looked at the content of the mute uncle's message. The corners of her lips curled up into a sarcastic smile.

Very soon, they arrived at the Lin family villa.

Lei Xiao bent over to help her unbuckle her seat belt, and the small wound on her lower lip inevitably appeared before Lin Hanxing's eyes.

"Does it hurt?"

When he bit her, he seemed to have used a little too much force.

Lei Xiao's hand was still on the buckle of the seat belt, and he was staring at her with his deep eyes.

"I'm very happy."

Lei Xiao's hoarse voice rang in her ears.

At that time, Lei Xiao could clearly see the flame burning in her eyes.

It made her beautiful eyes even more dazzling.

Her slightly jealous question was like the sound of nature to his ears.

“.....”

Nerves.

Even though he thought this, Lin Hanxing’s eyes flashed with a smile.

“I don’t want you to go back!”

He wanted to have her all to himself and wanted her to only see him forever.

When such thoughts kept churning in his mind, Thunder owl’s eyes turned even darker.

Lin Hanxing suddenly approached him and stopped just as their noses were about to touch.

Her eyes were so bright that he could even see his own reflection in them.

He really liked it.

“You’re not allowed to interfere in the Lin family’s matters, do you hear me?”

If Yingluo were to use an animal to describe ah Xiao, I would choose the wolf, because wolves only have one partner in their lives.

Since Yingluo has chosen you, it can only be you.

Mama Lei’s words rang in his ears. Looking at him, Lin Hanxing’s heart felt a strange impulse.

She had never felt such a strong sense of loss at the word ‘goodbye’ before.

“I’ll listen to whatever you say.”

When he said this, there was an indescribable obedience in his voice.

This was a reward!

A reward for him being so obedient!

## **Chapter 229: cute**

Lin Hanxing could not help but smile.

Her beautiful eyes fell on his.

At this moment, the Thunder valiant beast’s usually ice-cold eyes were no longer cold, and his closed eyelashes were thick and long, even thicker and longer than a woman’s.

Oh my God ... Lin Hanxing suddenly let go of him and leaned back in the leather seat.

Thunder owl didn’t know what had happened. He opened his eyes and looked at her in silence.

From his angle, he could only see Lin Hanxing's little ears that were gradually turning red. He hesitated for a moment and reached out to touch them.

It was as if he was comforting her.

Lin Hanxing tilted his head and looked at Lei Xiao.

She would never admit that she actually felt that the Thunder valiant beast was very alluring!

Especially when he heard the muffled groan from the bottom of his throat, Lin Hanxing felt as if all the bones in his body had gone numb!

"What's wrong?" The Thunder valiant beast's voice was hoarse.

"Has anyone ever praised you for having beautiful eyes?"

Lin Hanxing's voice was very soft, his eyes were slightly squinted like a lazy cat, even the mole at the corner of his eye was tinged with playfulness.

The Thunder valiant beast's eyes darkened.

There was.

Someone had praised him.

"I'm leaving,"

Hearing that Lin Hanxing was leaving, Lei Xiao lowered his head and looked down. When he raised his head again, there was an obvious accusation in his eyes.

Lin Hanxing could not hold back his laughter.

She stretched out her hand and pinched Lei Xiao's face. Why didn't she realize before that he was so cute?

Lin Hanxing wanted to get out of the car, but his wrist was held by a warm hand.

"Text me when you're not busy tonight."

"Text?" Lin Hanxing turned around to look at him.

"You can chat with me when you have nothing to do."

Lei Xiao's fingers gently rubbed her delicate wrist, somewhat reluctant to let go.

"Mr. Ray, young people nowadays are more used to using WeChat, okay?"

... Lei Xiao didn't say anything. Other than the WeChat group at home, he rarely used these chat software.

In his opinion, text messages and phone calls were the most convenient means of communication.

"You don't know how to use Taobao, and you rarely use WeChat. Don't tell me you don't even have a qq and Weibo account?"

The only response Lin Hanxing got was silence.

The answer was self-evident.

Seeing Lei Xiao's wandering eyes, the dimples at the corner of Lin Hanxing's mouth deepened.

"I'll teach you when I have time."

"Yes." The Thunder valiant beast groaned, its Adam's apple bobbed up and down.

Lin Hanxing looked at him and was a little reluctant to leave.

Perhaps Lei Xiao didn't know how alluring he was as he leaned against the leather seat with an uncertain look in his eyes.

His thin lips were tightly pursed, and his eyelashes, which were thicker and longer than a woman's, were slightly closed, hiding all the emotions in his eyes.

Especially the way he hummed, it made people's hearts soften.

Any woman would not be able to hold back when they saw the high and mighty President of the Lei Corporation become like this!

I haven't had time to give you the gift yet. Help me give it to uncle and Auntie.

Lin Hanxing's expression darkened. She was still a little impolite to Yuan shaojing today.

No matter what, he was father Lei's guest.

"Mom and dad won't be angry. Don't worry."

Seeing what she was thinking, Lei Xiao spoke in a deep voice, as if he felt that it was not enough, and his big palm covered the top of her head and rubbed it.

Lin Hanxing smiled as he got out of the car and watched Lei Xiao leave.

The smile on Lin Hanxing's face disappeared when the car was completely out of sight.

He returned to his cold and indifferent state.

Her delicate facial features were now expressionless. She slowly looked at the carved door of the Lin family. Then, she took out her phone and searched for the photo that the mute uncle had sent her. In the photo ...

### **Chapter 230: Who took it away?**

The car that Yan Beichen had returned to her had been painted red beyond recognition.

Lin Hanxing was playing with his phone lazily, as if he didn't notice that the infrared monitor above his head was pointing at him.

Pointing the camera at Lin Hanxing, the security guard crossed his legs and looked at the screen. Anyway, she was not going to enter this door today!

Who asked her to offend someone!

As she was thinking, she saw Lin Hanxing, who had been looking elsewhere, slowly raise his head on the surveillance screen.

She's really pretty!

Just as this thought flashed in the Guard's mind, the coldness was like a basin of cold water in winter, pouring down on his head!

On the surveillance screen, Lin Hanxing was smiling at the camera.

It was lazy and evil, and it could penetrate people's hearts!

It was as if she had already seen through everything, but it also seemed to be a deep warning to him!

The guard, who was originally crossing his legs, suddenly put his legs down and was about to subconsciously open the carved iron door ...

The next second, Lin Hanxing disappeared from the screen!

The guard stood up abruptly. After repeatedly confirming that the person had disappeared, there was an indescribable fear in his heart!

He had a feeling that things were not that simple!

"Are you looking for me?" Just as the guard was about to sit down again, a gentle female voice came from the inner room. Behind her, a window that was originally closed was now open!

Lin ... the security guard's legs were trembling, and his eyes fell on her feet.

The inner room of the Guardsman's room was originally used for the brothers who were on shift to sleep, but now ...

The brother fell to the ground in a strange position!

"You know who I am."

Lin Hanxing's lips curled into a faint smile. His words were a statement and not a question.

As she spoke, she pulled the wooden chair to the front of the guard and sat down leisurely.

"Who are you? I'm going to call the police if you don't get out!"

The guard shouted to boost his courage, hoping that others would hear him and save him from this disaster!

Lin Hanxing did not say anything, but he picked up the pen on the table and spun it in his hand.

The way she spun the pen was very smooth and beautiful, dazzling the eyes.

The Guard's mind began to wander. He wanted to run away now and secretly move toward the door.

Just as his hand was about to touch the door handle ...

With a whoosh, his face seemed to have been brushed by something, and after a while, it was extremely painful!

When he saw what it was, the Guard's legs went soft.

The pen that the woman had been playing with earlier was now stuck straight into the door!

It seemed to be a threat and a warning!

"A car was sent back today. Who took it?"

Lin Hanxing's bone-chilling voice was heard again. However, this time, he was not as patient as before.

The guard leaned against the door, his eyes flashing with nervousness. He was really afraid!

His lips were trembling. He could clearly hear the conversation between the gardeners outside, but it was like heaven and hell inside and outside the door. The two worlds were separated by life and death, and the great master ...

It was this seemingly weak woman in front of him!

"Don't make me ask you a third time, who was the one who took it away!"

Lin Hanxing's fingers tapped on the table rhythmically, and the coldness in his eyes grew.

Even a strong man couldn't withstand such a powerful aura, let alone a guard who had never received professional training.

"It's ... It's the young miss and Sir's younger sister ..."

Lin Hanxing raised his eyebrows, his expression meaningful!

After a long time, Lin Hanxing took out his phone and made a call.

The Guard's eyes widened when he heard what she said!
