

## Goodnight 321

### Chapter 321: Trust and communication

Going down the stairs was always easier than going up.

However, because it had just rained, the steps were smooth and Lin Hanxing was preoccupied, so his heel tilted when he was not paying attention.

Before Lin Hanxing could support herself, a strong arm had already wrapped around her waist.

"Be careful," he warned. A magnetic male voice sounded.

After he finished speaking, he did not wait for her reply and carried Lin Hanxing in his arms.

While Lin Hanxing was still in a daze, he was already in Lei Xiao's arms.

Her two straight and slender legs swayed in the air with every step the man took.

After years of fitness and exercise, Lei Xiao's lung capacity was very good. Even with Lin Hanxing in his arms, his breathing was not disordered, and his steps were steady and powerful, giving people an infinite sense of security.

Lin Hanxing wanted to ask him to put her down.

But very quickly, she found a comfortable position in his arms and leaned against it lazily.

With a snap of her fingers, the people who had been following behind Lin Hanxing disappeared as quickly and neatly as they had come.

"If one of the two was willing to be honest, would the result be different?"

His chest was broad and full of strength, the pleasant smell of wood accompanied by Lei Xiao's rocking as he walked down the steps made her drowsy. Hearing this, Lin Hanxing slowly opened his eyes, his gaze clear and cold.

"If it were you, in Lun. He said. Between the worldly view and the person you love, which one would you choose?"

"I choose you." Without any hesitation, the Thunder valiant beast gave an affirmative answer.

Lin Hanxing raised his head and looked at him.

From her angle, she could see the cold lines of his tightly pursed thin lips.

He laughed softly.

"The biggest problem and contradiction between men and women in the world is communication. No one can read each other's mind. If you don't say anything and he doesn't say anything, who would know what's on each other's mind?"

so, if you want a relationship to last, trust and communication are both necessary.

As the two of them spoke, they had already arrived in front of Lei Xiao's Black Bugatti.

Opening the door to the passenger seat, Lei Xiao placed Lin Hanxing on the leather seat and looked up at her. He then opened the door to the back seat and took out a pair of white shoes.

"It rained the entire day last night, the road must be wet and slippery, and you just had to wear high heels ..."

As Thunder owl spoke, he bent down and lifted her fair and straight leg.

He unzipped the black strap, and a pair of Gucci high heels of the season was thrown aside like garbage.

And that delicate ankle was held in his hand just like that.

Her toenails that were like jasmine petals curled up unconsciously under Lei Xiao's gaze.

But she saw Lei Xiao untie the White shoelaces and slowly put them on for her. The size was actually very suitable.

As her toes stretched out under her white shoes, Lin Hanxing suddenly thought of something and squinted his eyes at Lei Xiao.

"You knew that the road was slippery due to the rain, and you knew that I would wear high heels. Why didn't you remind me in advance?"

The bottom of her clean white shoes stepped on his foot on purpose. Lin Hanxing raised his chin slightly, his expression proud.

Lei Xiao pursed his lips and smiled, his slender fingers nimbly tying two bowties on his shoelaces.

I picked them up. They're the latest model and very expensive!

She kicked his knee with the tip of her foot. This man was sullen and scheming.

The white shoes were of a common style and didn't look out of place with the clothes she was wearing. However, Lin Hanxing, who was used to wearing high heels, took some time to get used to it.

"Are you going to interfere in the matter between Cheng Lingyun and Yuan susu?"

Lei Xiao started the car.

Lin Hanxing put down the sun visor and removed the black hair clip from her hair.

One after another.

"After knowing the truth, what Yuan shaojing will do has nothing to do with me."

The British black mesh top hat was taken off, and her hair, which was originally tied up neatly to match the hat, was also spread out like clouds. Her picturesque face was shrouded in indifference and indifference.

"Similarly, he can't stop me no matter what I do!"

Today, she had put in some thought into the narrative.

First, he used his father-son relationship to make Yuan shaojing feel a strong sense of guilt, and then he revealed the truth. The happiness of a family that was just one step away was instantly destroyed. Anyone would have turned such a huge impact into a strong hatred!

This was the effect she wanted!

What was the best revenge against someone?

It was to destroy the happiness that was within his reach, bit by bit.

if you're free, take me to the hospital now. I have something to deal with.

It was about time he Chengyu made his move.

.....

"Ah Xiao,"

When Lei Xiao returned to the company, Yan beixiao was already waiting in the president's office.

His usual cheeky smile was gone, and his expression was inexplicably deep.

"Do you know who Shangguan shixiu is looking for?"

Yan beixiao turned around from the floor-to-ceiling window and looked at Lei Xiao.

At the same time, the Thunder valiant beast was also looking at him.

"I suspect that the person Shangguan shixiu is looking for is little Hanxing!"

Lei min's face was expressionless, his sharp and cold face exuding a dense chill ...

.....

In the ward of the Affiliated Hospital of Jiangcheng Medical University.

Rong Shiyu had already received Lin Hanxing's call and was waiting on the side with a nervous expression.

"Ninth young lady, it's all ready,"

Seeing Lin Hanxing walk over, Rong Shiyu's eyes were as clear and bright as a fawn's.

"Come in with me."

Lin Hanxing pushed the door open and following her movements, men in dark suits walked out from the corners of the VIP Ward. They were well-trained and expressionless.

The surveillance video had been cut off and switched to other images when Lin Hanxing arrived.

"It seems that you are in good spirits."

After not seeing him for so many days, he Chengyu had become more and more stable. If the first time they met, his words were impatient because of hatred, then after Lin Hanxing's cold treatment during this period, his emotions were even more restrained and deep now.

in two days, the Lin family will hold a welcome dinner for me. As my aunt's best friend, mother he will definitely attend. Of course, he zhehan will also be there.

These two people were deeply imprinted in he Chengcheng's bones and blood!

Lin Hanxing stood by the bed and glanced at his watch coldly. The video tampering of the surveillance equipment could only last for five minutes. After five minutes, everything would be revealed.

They did not have much time left.

"Young master he, are you ready?"

Lin Hanxing glanced at he Chengyu, who was leaning against the bed. His cold and determined eyes said it all.

"I only have one request."

He Chengcheng's slightly hoarse voice rang out.

"Speak," he said. Lin Hanxing raised an eyebrow.

"I want Shigure to accompany me for the next few days!"

He Chengyu's deep eyes were fixed on Rong Shiyu's face.

"If she doesn't have any objections, I naturally won't have any problems either."

Lin Hanxing smiled faintly. Immediately after, he whistled to give the order. The well-trained men entered and moved quickly!

Everything was proceeding in an orderly manner.

And the accident happened at the final stage.

"What are you guys doing?" A familiar voice came from not far away.

Lin Hanxing looked at him coldly ...

## **Chapter 322: Don't ask what you shouldn't know**

Lu bingde stood there in a daze, his two arms in a cast hanging in front of his chest.

At this time, no one should have appeared!

Lin Hanxing's sharp eyes slowly looked at the person-in-charge standing beside him. Although he was expressionless, he gave off an oppressive feeling!

ninth young lady, it's my fault for not being responsible enough. Do you think he ... Needs to be dealt with? "

Being stared at by that pair of eyes, the cold sweat on his back flowed down.

"Go down and receive your punishment."

Lin Hanxing said and walked towards Lu Bingde.

Lu Bingde didn't think he was an idiot. He kept retreating when Lin Hanxing walked towards him.

He felt like he was a witness who had witnessed a murder scene. If he remembered correctly, the room just now seemed to be the one from the family who had a car accident three years ago and became a brain-dead ... Oh no, the one in a vegetative state!

The more she thought about it, the more she felt that the person in the wheelchair was familiar. Wasn't that ...

Lu Bingde's eyes widened. He turned around and wanted to run away, but before he could take a step, Lin Hanxing was already in front of him. He grabbed him by the back of his neck and dragged him back to his Ward as if he was his grandson.

The door of the ward was kicked open from the outside.

Then, it was closed from the inside.

Lu Bingde knew that he was in trouble, and it wasn't a small one!

I'm really just passing by. I didn't see anything!

He quickly spoke, but Lin Hanxing acted like he didn't hear anything and looked at him with a dark expression.

"You know my secret."

Lin Hanxing's words made Lu Bingde's knees go soft and he almost knelt down.

He shouldn't have sneaked out to get someone to give him a cigarette.

"I don't know anything, I really don't know anything!"

No matter what relationship this woman had with the family, it was none of his business!

The baby was really innocent!

"Oh? But in my eyes, there are only two types of people in this world that I can trust!"

Lin Hanxing's voice didn't fluctuate at all. His aura had completely suppressed Lu Bingde.

"The first one is our own people."

"The other type is the dead!"

As if she wanted Lu Bingde to hear her clearly, she spoke very slowly.

"Sister, if you ask me to climb a mountain of daggers, I will definitely not jump into a pot of boiling oil. My loyalty can be witnessed by the sun and moon!"

Lu Bingde still remembered the fruit knife that was stuck in his pillow. The 1.8-meter tall blockhead was so scared that he didn't move.

"What if I tell you to kill Lu Jiashu?"

Lin Hanxing's face curved into a meaningful smile.

"No!"

Lu Bingde's eyes widened and his face turned serious.

"I know you don't have good intentions towards my cousin. Don't even think about touching him. I'll say it again, The Grudge between us is between us, don't drag my cousin into it! Otherwise, I won't let you off even if I have to risk my life!"

"You have a deep affection for your cousin."

It was a pity that her sincerity was fed to an unfamiliar dog!

Lu Bingde snorted and sat on the ground as his legs turned to jelly.

"My cousin and I grew up together. How can we be the same? Even the first Japanese sports movie I watched was found by him, and he lent me to copy all the exams until I passed! That's a good brother!"

Lin Hanxing rolled her eyes a few times in her heart. She finally knew how Lu Bingde had raised him into a cripple!

Lu Bingde chuckled when he saw her expression easing up.

"Who are you?" Lu Bingde really felt that this woman was a mystery.

He had already heard that his aunt had caused trouble for her, but not only was she unscathed, but she had also made Grandpa happy. He had even eaten more recently and had a mysterious expression on his face whenever she was mentioned.

"I'm the Lin family's little ninth, Lin Hanxing."

Lin Hanxing glanced at him. It was obvious that she had no intention of doing anything to him from the beginning.

It's fine if you don't want to tell me. We're friends after all. After I'm discharged, I'll take care of you, Lin little nine. How about that? " Just as he felt slightly safer, Lu Bingde became overjoyed.

Lin Hanxing bent down with a smile and clutched Lu Bingde's shoulder with his five fingers. He forced Lu Bingde to stand up with his inner strength.

"If you really dare to let me call you that, I'm afraid that person will personally come and break your third leg!"

Lu Bingde seemed to have thought of something and shuddered.

Remember, don't ask what you shouldn't know and don't say what you shouldn't say. Otherwise, I can spare your life, but I can also come and cut off your tongue at any time! When that time came, regardless of whether he was old Lu's grandson or not, she would not show any mercy!

Lu Bingde hurriedly pursed his lips tightly, afraid that she would really cut off his tongue!

Lin Hanxing turned around to leave, but when he reached the door, he turned back to look at him.

“Lu bingde, in this world, the person you should trust and protect the most is yourself.”

Lu bingde looked at her as if he didn't understand what Lin Hanxing meant by that.

However, Lin Hanxing did not explain. He retracted his gaze and left the room ...

.....

Lin Hanxing finished his work and it was time for the meeting with Madam Lei.

She didn't drive out and was hesitating whether to go to the Lei Corporation to borrow Lei Xiao's car when she received a WeChat message from Madam Lei.

Mother Lei, "my daughter-in-law, where are you?" eat, eat, eat, can't stop eating.jpg

Xing Xiaoxing, [ I just finished work, but I didn't drive ] [ cute ].jpg

Madam Lei asked for the address without hesitation and told her to wait there. In less than ten minutes, a black Rolls-Royce drove over.

As soon as she opened the back door, she saw Zhong Nanyin, who was holding two mcflannels in his hands, waving at her with a bright and happy face!

"Daughter-in-law, come up quickly, it's melting!"

Xuxu's mother was a glutton, so don't let her eat too much tomorrow.

Lin Hanxing smiled and got into the car. When she saw the refrigerator full of snacks, she could not help but recall what Lei Xiao had specifically told her last night. She looked helpless.

Just as he was thinking, Zhong Nanyin stuffed mai Xuanfeng into Lin Hanxing's hand.

you're one of my crew members after eating my McFlurry. Don't tell ah Xiao that I'm eating snacks!

Zhong Nanyin tried his best to keep a straight face, but he soon broke down and continued to eat happily.

Lin Hanxing could even see the driver's desperate eyes through the rearview mirror.

"It's a pity that our Yuan Dabao isn't here today."

She didn't know what ah Xiao had said to little four on the phone last night, but today, little four had brought Yuan Bao to his side to undergo a few Days of Love education. Looking at the pitiful look on her grandson's face when he left, Mama Lei's heart ached at the thought of it. Once she felt bad ...

She just couldn't control her mouth!

Before Lin Hanxing could even finish a third of the McFlurry, Madam Lei's was already empty.

Soon, they arrived at the newly opened Hong Kong-style tea restaurant.

As soon as they got out of the car, Madam Lei held Lin Hanxing's arm affectionately.

"I heard that their French layered cake is very delicious. Daughter-in-law, you must eat more!"

Speaking of food, Mama Lei was particularly happy.

However, when the two of them walked into the restaurant, Madam Lei seemed to have seen something and her voice suddenly stopped ...

### **Chapter 323: Something's wrong with your expression**

Lin Hanxing followed Madam Lei's line of sight and felt a little more assured.

Three women were sitting by the window with the best view.

He even knew two of them.

One of them was Zhong Yifu, and the other was he Chengyu's stepmother.

As for the other woman sitting opposite them, she was wearing a Dior high-end black top and bottom business suit, which made her look particularly beautiful from a distance, but her face was unfamiliar.

The waiter of the high-end tea restaurant seemed to have noticed that the two of them had not moved for a long time, so he walked over politely.

"If I'm not mistaken, that's the seat I reserved!"

Different from the cheerfulness in the car, Mama Lei's expression darkened.

Lin Hanxing frowned when he heard that.

"Call your manager over."

It was obvious that the waiter did not know what was going on, so Lin Hanxing asked him to call the manager over to communicate.

The manager quickly ran over.

However, the Thunder matriarch was already walking towards the table. Lin Hanxing saw that something was not right and followed her with a cold face.

The manager was afraid that something would happen, so he quickly followed.

In fact, the three of them had already seen mother Lei and Lin Hanxing the moment they entered the house.

"What bad luck!" Mother he pouted. Although she said that, her eyes were still full of fear when she saw Lin Hanxing.

She had not forgotten how Chairman Wang and Chairman Qian had lost five million Yuan to her!

Not to mention that he had to pay for it with his fingers!

At this thought, mother he gave Zhong Yifu a look.

Zhong Yifu didn't receive it.

Yingluo, your husband did take the money to invest in a few of his relatives' projects. This is true, but what he didn't tell you is that he only took a part of it for investment, and the other part is unknown!

Yingluo, don't you know what kind of people your husband's relatives are? You're so assured to let him squander your money away. Now that you're trapped, you still need to show your face in such a hot day to see other people's faces!

That day, Lin Hanxing's words were ear-piercing outside the Lei family's Gate.

For the past two days, Zhong Yifu had been secretly paying attention to her husband, su zhanlong's every move ...

Thinking of this, her expression became obscure.

"Second aunt, how have you been?"

The woman in Dior rose elegantly, but her eyes fell on Lin Hanxing's face from the corner of her eye.

I know that second aunt reserved this place. It's rare for little aunt to be here, so why don't we all sit together? it'll be more lively.

no need. I reserved this place. Please move aside.

Madam Lei, Zhong Nanyin's expression was cold and dark. It was the first time Lin Hanxing had seen her so distant.

hehe, Madam Lei, why do you have to treat Mengran like this? after all, everyone in Jiang city knows that Madam Lei snatched this marriage from Mengran's mother!

Mother he said in a weird tone, and Lin Hanxing raised his eyebrows.

She now knew the identity of this 'Mengran' in front of her. Yan Beichen had once said that Mama Lei had an older sister. But now, it was not hard to understand why he had immediately sneered at her when he mentioned it.

Madam he, you sound like you've forgotten the pain after the scar has healed!

after all, everyone in Jiang city knows how Madam he got her position!

Lin Hanxing's words were neither cold nor warm, and mother he's face turned red in anger.

oh, by the way, the relationship between the first young mistress and the second young master ...

"Don't you slander me and make up stories!" Mother he stood up abruptly and pointed at Lin Hanxing's nose.

Lin Hanxing raised his eyebrows at mother he with a half-smile on his face, but he took the initiative to hold Mama Lei's arm. She didn't know what she was thinking of, but it was definitely not a good memory.

"Why are you so excited, Mrs. He?"

"He seems to have been touched on his sore spot and is angry from the humiliation!"

Perhaps it was because of Lin Hanxing's voice that Madam Lei regained her composure.

She first looked at Zhong Yifu, then at Fang Mengran.

"I don't want to involve you in the matter between your mother and me, but I made the decision first, so please move aside!"

Mama Lei's voice was calm, but Lin Hanxing could hear her hidden anger.

second aunt, mom didn't blame you for snatching uncle Lei away. You just cut off all ties with the Zhong family, and now you're still like this ... Fang Mengran said with a wronged look on her face.

However, the other customers in the tea restaurant had already perked up their ears to listen.

It was obvious that they had recognized her as Madam Lei.

Back then, everyone in Jiang city knew that the marriage between the Zhong family and the Lei family was supposed to be the eldest miss of the Zhong family. Who would have thought that Lei kangnian would marry the second miss of the Lei family?

So, there was an inside story about snatching men?

"From miss Mengran's words, it seems like she's determined to occupy the table that Madam Lei reserved?"

Lin Hanxing could clearly feel Mama Lei's body trembling slightly as he held her hand. His cold eyes swept over the three people in front of him, and even his expression revealed a murderous chill.

"What if I don't?"

"Forget it, Hanxing, let's go!" Mama Lei suddenly spoke, her voice tense.

Lin Hanxing comforted Zhong Nanyin with the palm of his hand, but his eyes had not moved away from these people's faces.

"What if I insist on you guys giving in?" Lin Hanxing and Fang Mengran looked at each other.

"Hehe, we're so scared!"

Zhong Yifu suddenly laughed coldly, and her expression was full of disdain.

To be honest, she really didn't want to have anything to do with this woman in front of her anymore. However, it was obvious that she had provoked the Lei family too much previously. If she didn't stand on Mengran's side now, she would really lose everything!

Lin Hanxing's smile gradually disappeared. He looked at Zhong Yifu, who had just said this, expressionless.

On the large dining table, there were all kinds of desserts and delicacies, and the rich fragrance of the nunais tea wafted through the air.

Under the dim yellow light, the smooth, silk-like tablecloth glowed with a jewel-like luster, making it look extremely luxurious.

“What are you afraid of?”

Just like that, Lin Hanxing picked up the milk tea pot on the table with a slightly cold gaze and splashed it fiercely at the three people opposite him. Perhaps it was because it happened too suddenly, no one could react in time. When the fragrant nunai tea spread on their faces, they screamed and stood up.

I’ve been talking to you properly, but you don’t listen. Do you have to play like this to be happy? ”

As Lin Hanxing spoke, he placed both his hands on the gorgeous dining table. The most beautiful ocean view of Jiang city was in the distance, and only this table had the best view. It was no wonder that the three of them were reluctant to occupy it.

“If that’s the case, then let’s just have some fun!”

The more Lin Hanxing’s voice was mocking, the colder his eyes were.

She lifted the tablecloth, and the sound of the cloth being pulled up echoed throughout the entire teahouse. The three people, who had not yet recovered from the shock of being splashed with nainai tea, once again tasted the deep baptism of the dessert!

“You B \* tch, I’m going to kill you!”

Zhong Yifu, who was already upset about her husband, seemed to have found an outlet to vent her anger. She screamed and rushed towards Lin Hanxing ...

#### **Chapter 324: What is face?**

She was already angry, so she used all her strength.

Fang Mengran had not yet recovered from the humiliation of being splashed in public. Seeing that Zhong Yifu had lost her composure, she first felt embarrassed, then subconsciously cheered for her in her heart. She just wanted to use Zhong Yifu’s hand to vent her anger!

“My daughter-in-law ...”

Without thinking, Madam Lei reached out to pull Lin Hanxing into her arms to protect him.

Lin Hanxing was stunned at first when he saw that. Ever since he was seven years old, no one had ever protected him.

However, his body’s instinctive reaction was faster than his thoughts.

Lin Hanxing’s delicate face turned cold and calm when she saw Zhong Yifu approaching.

Just as the people around them were feeling sorry for her, Fang Mengran and mother he hid the evil intentions in their eyes. They saw her reaching out her fair, porcelain-like hand and grabbing at Zhong Yifu’s hair bun at the back of her head fiercely!

With a muffled thud, Zhong Yifu’s face was pressed into the cream cake on the table by Lin Hanxing, who was smaller than her. She struggled and could not move!

This scene really left everyone dumbfounded!

To others, her wrist was so thin that it looked like it could be broken at any time.

“With everyone here, how can I snatch the title of slut?”

This soft voice made people feel as if a spring breeze was blowing on their faces, and their hearts felt refreshed.

However, if one took a closer look, they would see that her slender fingers were clasping Zhong Yifu’s hair bun, and she was rolling her face back and forth on the plate of cream cake!

Not to mention Lin Hanxing’s eyes, which were darkly sweeping over!

Mother he was the closest and she was so scared that she almost couldn’t breathe!

Even Fang Mengran, who had just returned from abroad, was shocked by Lin Hanxing’s gaze.

In fact, her thoughts were very simple at the beginning. She had heard that her mother was supposed to marry into the Lei family, but in the end, she did not know why her younger sister had cut off her ties with her. Although she had chased her aunt out and cut off all contact with her, after all ...

Jiang city’s upper-class circle was only so big, so they would definitely meet each other in the past.

Fang Mengran couldn’t help but recall the look in her mother’s eyes when she first heard about this and ran to her mother to ask.

It was a kind of unwillingness, resentment, and helplessness.

At that time, she had deeply engraved that gaze in her mind and tried every possible way to find out about the Lei family.

However, the Lei family’s matters could reach his ears from time to time even without asking.

Everyone knew that the four young masters of the Lei family were Dragons among men. Under the leadership of the first young master Lei, the Lei group had expanded several times over the years.

Fang Mengran had been studying abroad for the past few years, and she could clearly feel the influence of the Lei group.

She could not help but think that if uncle Lei had really become her father back then, the four sons of the Lei family would be her biological brother now. With such a background and biological brother ...

Just thinking about it made him feel vain. Sense.

However, all of this was just a thought!

On the other hand, he was vain. On one side, it was the reality in front of her, and the huge disparity made Fang Mengran feel a sense of disappointment.

In her heart, she resented this second aunt.

Therefore, the development of today’s matter was both accidental and inevitable.

But perhaps no one would have thought that there would be another Lin Hanxing beside Mama Lei today!

“Madam Lei, do you have to make the scene so ugly? We all care about our reputation. If people know that you’re bullying the younger generation, wouldn’t you be a joke?”

Mother he’s mind was spinning fast. The moment she opened her mouth, she was about to accuse Madam Lei of bullying the younger generation.

Lin Hanxing turned around and smiled at Madam Lei, signaling her to let him win.

When she turned around, her expression instantly became thought-provoking.

“Face? What was face? If she really wants face, this young lady Mengran calls second aunt but doesn’t even stand up. I don’t know which family’s young lady wants face so much that she wants her elders to stand up while she’s sitting down, but her mouth can’t stop pestering!”

Zhong Yifu, who was Lin Hanxing’s subordinate, couldn’t stop struggling. The air was filled with the fragrance of cream, but it made people shiver.

Mrs. He, at your age, you should look further into the problem.

Lin Hanxing’s eyes swept across the room. Even the mole at the corner of her eye was dazzling.

B \* tch ... Little B \* tch ... Let ... Let me go ...

Zhong Yifu kept struggling, and her voice was so sharp that it seemed to penetrate people’s eardrums.

Even though he knew that Zhong Yifu was calling him that little B \* tch, Lin Hanxing didn’t care at all.

He’s just a muddled brat.

Lin Hanxing bent over slightly and whispered into Zhong Yifu’s ear, his voice gentle and charming.

if I were your husband, I wouldn’t be willing to have such a noisy old man lying next to me. Nowadays, the young girls outside are all profound beauties.

Lin Hanxing’s words hit Zhong Yifu’s sore spot again.

It made her irascible.

However, this time, Lin Hanxing did not give Zhong Yifu any more chances.

The crowd heard a loud bang and watched as she lifted the man’s face with a straight face. Then, without any emotion, she smashed the crushed cake on the table.

Everyone was silent!

Zhong Yifu was knocked unconscious by Lin Hanxing!

The entire place was dead silent.

No one dared to speak.

Every pair of eyes looked over at the same time, as if they wanted to remember this face.

In the future, if they saw him, they would take a detour!

"It's much quieter now."

Lin Hanxing said as he pulled out a handkerchief from the front pocket of the manager's suit.

She wiped the cream off her hands.

"Did you have fun?"

As he spoke, he threw the handkerchief on the table and raised his eyebrows at the troublesome Meng Ran.

"You're a lunatic!"

Fang Mengran only felt as if someone was holding a knife to her neck, and she almost forgot to breathe.

"You're not the first one to describe me like that, and naturally, you won't be the last!"

Lin Hanxing smiled brightly, as if he had been praised.

"The matter between the Zhong family and the Lei family is not something a junior like you can casually talk about."

Her voice was cold, as if she wanted everyone present to hear her clearly.

"With the Lei family's current reputation, if father Lei and mother Lei were at fault in the past, why is the Zhong family the one who doesn't dare to visit them now? Even if we meet on other occasions, the Zhong family will be the first to avoid it?"

Lin Hanxing's words made the people who had witnessed the entire incident this afternoon suddenly realize something!

One had to know that with the Lei family's current momentum, even distant relatives wanted to get closer to them, let alone in-laws, just to get as many benefits as possible!

However, the Zhong family was just like what this girl had said. Whenever the Lei family was around, they avoided contact as much as possible. If they could not avoid it, they rarely appeared in front of the Lei family!

How was this reasonable?

### **Chapter 325: The three Zhong sisters**

Fang Mengran's face turned red when she heard Lin Hanxing's lukewarm words!

She didn't know much about what had happened back then.

What he knew was mostly the rumors and conjectures about his mother's attitude.

Commonly known as imagination!

In the world of her imagination, Fang Mengran only felt that her mother and uncle Lei must have experienced a touching love, but because of her sister's interference, the two of them got married and had nothing to do with each other.

It was also because of this thought that even though she called Zhong Nanyin 'second aunt', her words didn't have the slightest respect.

He was even more unwilling to address Lei kangnian as his uncle!

Lin Hanxing did not care about Fang Mengran's reaction. He turned around and held Mama Lei's hand.

With her around, she would not let anyone treat her lightly!

Mama Lei's face, which had been dark and gloomy after seeing Fang Mengran, was now a little ruddy.

"What happened here?"

Suddenly, a soft female voice came from not far away, and it made people's bones go soft.

Mama Lei's mood, which had just relaxed, changed again in an instant. Her eyes turned cold.

Lin Hanxing turned to look at the source of the voice.

"Mom!" When Fang Mengran saw the person, she couldn't help but cry.

She didn't care that her body was still stained with the smell of milk tea and pounced into the other party's arms.

The woman was about the same age as Madam Lei.

She was wearing a navy blue cheongsam with a Magnolia shawl, and her hair was curled into an old Shanghai style curly hair.

Even though she was already a little old, the charm in her eyes and brows had never been reduced in the slightest, and it made people's hearts ripple.

The woman patted her daughter's back and looked at her indifferently.

When he saw the mess on the table, he frowned.

"It's been a long time, Nan Yin,"

Zhong Xueqing smiled at Zhong Nanyin, giving off an indescribable feeling.

Zhong Nanyin's voice was tense, and his hand subconsciously tightened around Lin Hanxing.

"You're still the same, but I'm already old."

As she said that, Zhong Xueqing's hand, intentionally or unintentionally, stroked a small white flower on her chest.

"Mom is still thinking about it ..."

"Shut up!" Zhong Nanyin suddenly spoke, his cold eyes revealing a rare hint of resistance.

my mother died a long time ago. Please don't insult her.

At this point, the scene was obviously very ugly.

Everyone looked here and there.

Only then did he remember that the person in the cheongsam was the eldest miss of the Zhong family, Zhong Xueqing, who had not appeared for a long time!

After Lei kangnian married the second miss of the Zhong family, Zhong Nanyin, Zhong Xueqing was also married to the only son of the Fang corporation's Board of Directors. Although it was a good marriage, it was still not as good as the Lei family's.

The only son of the Fang's group's director had a gentle temperament and was one of the best-tempered people in the circle. However, he had been in poor health since he was young, so he lived in seclusion most of the time and rarely attended banquets.

Later on, he heard that the two had given birth to a daughter who migrated abroad a few years ago. There was no news from her.

"I know that you're still angry at me and my mother for what happened back then."

Zhong Xueqing immediately sighed.

there's no rush for us to catch up. Some time ago ... My husband passed away from illness. I've just settled everything and returned, so I'm not going to leave.

Zhong Nanyin was stunned for a moment. He looked at Zhong Xueqing's face and then at the little white flower on her chest.

"Recently, I'm representing the Fang family to discuss with the he family about the Jiangcheng sea bridge. When the time comes, I'll have to trouble sister and brother Lei to help us reveal some inside information!"

Zhong Xueqing had deliberately lowered her voice when she said this, so only a few people could hear her.

Jiang city sea bridge?

Lin Hanxing's eyes turned cold. The he family's appetite was not small.

If he could really take over this project, it would generate tens of billions of profits for the he Corporation in the future.

She didn't expect that he zhehan would actually involve Madam Lei's sister in this project.

It was no wonder that these people would sit together for afternoon tea today.

Just as the atmosphere was getting weird, Zhong Yifu, who had been knocked unconscious by Lin Hanxing, slowly woke up. At this time, her face was covered in cream cake, and she looked very embarrassed.

Mother he helped her up. Zhong Yifu gradually remembered what happened before she fainted. Before she could fly into a rage, she met Rourou's charming eyes and shivered.

That was pure life. Reaction!

Lin Hanxing's sharp senses caught the instant change in Zhong Yifu's mood.

She was afraid of her elder sister?

Realizing this, Lin Hanxing's expression suddenly became thoughtful.

"What are you doing there? Do you want me to go and invite you?"

Zhong Xueqing's words were naturally directed at Zhong Yifu, but her eyes were fixed on Lin Hanxing's face.

Their eyes met in the air.

Zhong Xueqing smiled at first, but then she squinted her eyes arrogantly.

Her woman's intuition told her that this little girl who was as beautiful as a splash-ink landscape painting ...

It was extremely dangerous!

Mother he and Zhong Yifu stood behind Zhong Xueqing.

"Nan Yin, we'll meet again."

Zhong Xueqing's eyes swept across Zhong Nanyin's face as she indifferently said ...

.....

After Zhong Xueqing and her group left, the restaurant manager quickly ordered for the table to be cleaned.

Lin Hanxing looked at Zhong Nanyin worriedly. Just as he was hesitating whether to tell Lei Xiao about this, she spoke.

"Daughter-in-law, I don't feel like eating anymore."

This was the first time Lin Hanxing had ever seen such an expression on Madam Lei's face.

She seemed to be sad and aggrieved, like a floating duckweed that could not find someone to lean on.

"Okay, shall we get the driver to send you home?"

Mama Lei shook her head.

"I don't want to go back either."

She just wanted to find a place to stay quietly for a while, but she didn't want to be separated from her daughter-in-law.

The old lady pouted and tugged at Lin Hanxing's shirt pitifully.

Lin Hanxing sighed. To be honest, she was not at ease to let Madam Lei go back like this.

“I have a house in Yujing garden. If you don’t mind, please come with me.”

.....

Yujing garden.

After finding a change of clothes for Mama Lei, the old lady went into the bathroom with a long face.

The house was cleaned by a special person, so even if he didn’t come back for a few days, it was still spotless.

Lin Hanxing thought for a while and gave Lei Xiao a call.

She didn’t know if it was because they were busy, but no one picked up.

Lin Hanxing threw his phone on the countertop and took a closer look at the refrigerator.

The mineral water inside had all been replaced by Lei Xiao’s favorite brand.

It seemed to remind her of the fact that Lei Xiao was also living here at that time.

He took out a bottle of mineral water.

He imagined how Lei Xiao picked it up and started drinking after coming down from the treadmill yesterday.

Water flowed from his thin lips, down his neck to his chest, and finally down his tight abdominal muscles to the edge of his pants ...

Just as he was thinking about it, a WeChat notification came from his phone.

A friend request notification.

Lin Hanxing clicked on it and his fingers paused.

The three words at the end of the applicant’s name couldn’t be any simpler.

Lei kangnian.

### **Chapter 326: Red packet, red packet**

Lin Hanxing’s back straightened, and he clicked “accept” without thinking.

He changed his nickname.

Papa Lei: [ WeChat red packet ]

Papa Lei: [ WeChat red packet ]

Papa Lei: [ WeChat red packet ]

.....

More than ten red packets were sent in succession, and Lin Hanxing was caught off guard.

What was going on?

Xing Xiaoxing, "daddy Lei?"

[ daddy Lei: Yinyin doesn't like to bring her wallet out. ]

Daddy Lei, "if she wants to eat something, buy it for her."

Daddy Lei, "but don't let her eat too much, because she'll get a stomachache if she eats too much."

Lin Hanxing looked at father Lei's messages and found it difficult to associate these nagging words with the serious and cold-looking middle-aged man in his memory.

Lei kangnian's frequency and manner of sending out red packets reminded Lin Hanxing of Lei Xiao.

She finally knew who Lei Xiao had learned to send red packets to coax people!

Just as Lin Hanxing was thinking about whether he should tell father Lei about what happened at the tea restaurant today, mother Lei had already walked over from the other end of the corridor in her home clothes. She had not even dried her hair.

Lin Hanxing couldn't be bothered with Papa Lei on the other end of the WeChat call and raised the temperature of the air conditioner by a few degrees.

"Are you hungry?" Lin Hanxing walked over and saw that mother Lei still had a dejected expression on her face.

When Zhong Nanyin heard her voice, he reached out and pulled Lin Hanxing into his arms.

"Daughter-in-law, call me mom."

... Lin Hanxing pursed his lips, unable to say it.

However, Mama Lei's embrace was very warm, and she was reluctant to leave.

Just as she was thinking this, something wet slipped into her collar.

Lin Hanxing's heart skipped a beat.

At that moment, Lin Hanxing realized that he was facing a particularly serious problem.

That was, she didn't know how to coax people.

Lin Hanxing hesitated, should she secretly send Lei Xiao a distress signal?

Before she could do anything, Mama Lei had already raised her head.

"Is she prettier than me?"

The moment he opened his mouth, he asked an inexplicable question.

Fortunately, Lin Hanxing had always gotten full marks in reading comprehension.

Naturally, she knew that Madam Lei was asking her which one was better-looking, her sister or her.

"You're more elegant than her!"

Lin Hanxing's words were sincere.

She didn't expect that when the little old lady heard this, she immediately pouted her lips in grievance. She reached out and wrapped her arms around her neck, burying her face in it.

"I hate her."

Mama Lei, Zhong Nanyin, said childishly. Lin Hanxing didn't know whether to laugh or cry, but he couldn't do anything about it, so he agreed.

"Then you should still hate her!"

The word 'also' was especially emphasized. Zhong Nanyin suddenly raised his head and stared at Lin Hanxing's expression!

"I swear,"

Lin Hanxing had no choice but to raise his right hand to make an oath.

"I especially hate her."

As if he was afraid that Madam Lei would not believe him, Lin Hanxing added two more words."

"It's true!"

"Yes, daughter-in-law, you have to be on my side!"

... Lin Hanxing had never needed Lei Xiao to appear as much as he did now!

As the rumbling sounds came from Mama Lei's stomach, Lin Hanxing looked over quietly.

Mama Lei looked at him pitifully with red eyes.

"Is delivery okay?"

"I want to eat a fried chicken bucket, the biggest one!"

Madam Lei gestured with her hands. It was the biggest one.

Lin Hanxing looked around for his phone until he heard it ring from afar. He finally remembered that he had left it at the counter.

He looked at the caller ID, it was Lei Xiao!

She hurriedly picked it up.

"I was busy just now." Lei Xiao's voice came through the receiver.

Lin Hanxing glanced at the dejected mother Lei who was sitting on the sofa. He walked to the kitchen and closed the door.

Then, he held his phone and squatted in front of the refrigerator.

“Okay, when will you be done?”

Lin Hanxing covered his mouth subconsciously as he was afraid that Madam Lei would hear him.

But then she felt that this action didn’t suit her style.

“What?” On the other end of the phone, Lei Xiao seemed to have felt that something was wrong with her.

“Where are you?” Then, he asked.

“Yujing garden,” Lin Hanxing simply sat on the clean dark-colored floor, bent his legs, and rested his chin on his knees.

“I have a meeting in five minutes. I should be home in an hour and a half.”

Lin Hanxing didn’t say anything. In fact, she didn’t hear Lei Xiao’s words because her fingers were busy opening the takeaway app to find uncle Mai’s house. She clicked on one ... Two chicken buckets.

“Eh? What did you just say?” Then, he put the phone back to his ear.

I’ll be home in one and a half hours. Who else is at home? ”

“Something happened to Madam Lei this afternoon. We’ll talk about it when you’re back.”

Lin Hanxing said as he stuck his head out, then added.

“Hurry up,” he said.

After hanging up the phone, when Lin Hanxing went out again, Madam Lei had already fallen asleep on the sofa.

She seemed to be a little cold as her legs were curled up.

Lin Hanxing went to the bedroom to get a thin blanket and covered her with it. He finally felt a little relieved.

She took out her phone again, thought for a moment, took a picture of Madam Lei who was sleeping on the sofa and sent it to Lei Xiao.

Xing Xiaoxing replied, “he’s already asleep. Don’t worry.”

In the end, he added.

Xing Xiaoxing, “drive slowly.”

There was no response from Lei Xiao, so Lin Hanxing opened his father’s WeChat.

He continued reading.

The last message was ...

Papa Lei: “ I’ve spoiled Yinyin. She has a little childish temper. I hope you don’t mind, Xiaoxing.

Lin Hanxing couldn't tell what was touched in his heart, but when he looked at his WeChat, he couldn't help but think of Lei Xiao.

Although she hadn't seen all of the four young masters of the Lei family, in terms of character, she felt that Lei Xiao was the most similar to her father.

She didn't know how long she thought about it, but there was a sound from the door.

Lin Hanxing wondered if the two buckets of fried chicken he ordered had arrived. He opened the door and remembered that without an access card, the delivery would not be delivered!

However, the door was already open, and the person outside was about to key in the password.

The two of them paused in their actions.

Lei Xiao had clearly arrived in a hurry, not even wearing his suit jacket. At this moment, he was leaning against the wall with one hand.

"Didn't you say it would take an hour and a half?"

Lin Hanxing looked at him and could still feel the heat from Lei Xiao's body.

After the rain stopped, the sun came out and the temperature continued to rise.

"Where's mom?"

When Lin Hanxing heard this, he knew that he must not have seen his WeChat message.

Just as he was about to speak, the doorbell rang.

The takeaway arrived.

After unlocking the door, Lin Hanxing called the delivery man up. In the time it took for him to turn around, Lei Xiao had already walked in.

From Lin Hanxing's point of view, the back of his black shirt was completely drenched in sweat.

It was obvious that he had come in a hurry.

The elevator dinged, and the delivery man handed her two buckets of fried chicken. When she signed the bill and walked in with the things, she realized that Lei Xiao had forgotten to change his shoes and came in with his leather shoes.

Lin Hanxing placed the food on the kitchen counter and walked back to his side.

She pulled his sleeve.

Realizing this belatedly, Lei Xiao lowered his head to look at his feet and apologized.

"Follow me." Lin Hanxing glanced at the still sleeping mother Lei and pulled Lei Xiao out ...

**Chapter 327: Zhong Xueqing**

He closed the door quietly.

Based on his memory, Lin Hanxing entered the password and opened the door to Lei Xiao's house.

"Go take a shower first. I'll tell you in detail when you come out."

Lin Hanxing turned to look at Lei Xiao and asked with raised brows.

It was as if he had just been pulled out of the water.

Lei Xiao looked at her deeply, then turned around to undo his tie and walked towards the bathroom.

Very quickly, the sound of water could be heard.

Not long after, Lei Xiao came out in a bathrobe with wet hair.

Lin Hanxing sat on the high chair in front of the small bar in the living room and reached out to pour him a glass of water.

He also told Lei Xiao about what happened in the tea restaurant this afternoon.

After hearing that, Lei Xiao raised his hand that was playing with the glass and drank the water in one gulp.

His slender fingers gripped the cup tightly, his actions full of sarcasm.

it seems that she has forgotten my warning.

Hearing this, Lin Hanxing's eyes slightly paused. 'Lei Xiao is involved in this?

While Madam Lei was taking a shower, she briefly explained Zhong Xueqing's background.

"You weren't the one who made their entire family migrate abroad a few years ago, were you?"

Lin Hanxing looked up at him as if he had thought of something.

"Would you keep a woman who has impure thoughts about your father and has carried out some schemes by your side?"

Thunder owl did not deny it.

Lin Hanxing's eyes darkened.

According to her personality, not only would she not keep him alive, she would also try her best to kill him.

"Mother Lei, she ..."

"She doesn't know."

Lei Xiao said in a deep voice. Even though Lin Hanxing had not finished his question, he already understood.

"Is it convenient for you to tell me about the matter between Mama Lei and Zhong Xueqing?"

Lei Xiao raised his head to look at her, his eyes deep.

"It's not inconvenient for you."

His fingertips rubbed the edge of the glass cup, and Lei Xiao's cold side profile was like ice, with an indescribable mature charm.

Zhong Xueqing's mother was my grandfather's mistress. After my grandmother died of illness, because of my mother's resistance, Zhong Xueqing and her mother were not accepted by the Zhong family, until ...

"That car accident!" Lin Hanxing's voice was calm. He had already guessed it.

Thunder owl nodded and continued.

even though Zhong Yifu saved my mother in that car accident, she was also severely injured. When she was in critical condition, grandfather brought Zhong Xueqing and her mother back to the Zhong family to acknowledge their ancestors. According to their age, Zhong Xueqing naturally became the eldest daughter of the Zhong family.

She was even older than Madam Lei. This mistress's child ...

Lin Hanxing's face was as cold as a painting, which explained Madam Lei's reaction this afternoon.

so, when Mama Lei realized that what was done could not be undone, she simply suggested that the Zhong family adopt Zhong Yifu? "

If he explained things this way, he could finally clear Lin Hanxing's doubts.

There were so many ways to repay a debt of gratitude, but the Zhong family had chosen to adopt Zhong Yifu. After adopting her, they had deliberately hidden it as if they did not want others to know. All of this was very strange.

no, it was Zhong Xueqing's mother who suggested adopting Zhong Yifu.

Lin Hanxing raised his head and narrowed his eyes.

Lei min, who was looking at her, was expressionless.

Lin Hanxing couldn't help but recall Zhong Yifu's appearance when she had just woken up in the cafe this afternoon.

She was afraid of Zhong Xueqing.

It was a fear that was branded into his bones.

the biggest beneficiary of that car accident was not Zhong Yifu, but Zhong Xueqing!

Yingluo, think about it, who was the biggest beneficiary of that incident?

Lin Hanxing could not help but recall what the private detective's wife had said.

The fifty to sixty thousand old Yuan from Jiang Xibao's father, the seat belt that Zhong Yifu had fastened since she got into the van, the van that ran a red light, and the mysterious person sitting in the back seat ...

The scattered clues seemed to be piecing together to form the most complete plot.

"You already guessed it back then, right?"

Lin Hanxing recalled that day in the VIP room, when Lei Xiao's face suddenly darkened, and he already knew what was going on.

"What are you going to do? Or perhaps I should ask ... Have you already started?"

After thinking this through, Lin Hanxing returned to his usual lazy self and leaned on the bar counter with one hand to support his cheek.

Her long hair was like a waterfall, pouring down.

"I'm going to destroy Zhong Xueqing's support,"

Lei Xiao's voice was cold and emotionless, even if this included his maternal grandfather's family.

Lin Hanxing looked at him.

Lei Xiao's freshly washed hair drooped down naturally to cover his gloomy eyes, his fingers fiddling with the glass.

In front of her, this man did not hide anything.

It was a completely real appearance.

Zhong Xueqing is back to represent the fangs to discuss the Jiangcheng Bay Bridge with the he family.

Lin Hanxing stretched out his hand and took the glass from Lei Xiao's hand.

you want to destroy Zhong Xueqing, but my target is the he Corporation.

She suddenly laughed. In Lei Xiao's eyes, she was like a little fox with a belly full of evil tricks.

"Why don't the two of us join forces and stir up the muddy water in Jiang city?"

Lin Hanxing's slender and fair fingers followed the exposed muscles of his arm and moved upwards.

He came to the Thunder valiant beast's jaw.

He squeezed it.

It felt rough to the touch, and there seemed to be green stubble growing out.

Lei Xiao seized the opportunity to hold her hand, and brought it to his thin lips to kiss it.

on the way back, a piece of news blew up the whole of Jiang city.

He did not let go of her hand. His thin lips opened and closed, rubbing against Lin Hanxing's fingers.

he Chengyu, the first young master of the he family, who was in a car accident and had been in a coma for three years, mysteriously disappeared from the ward.

"Where do you think he went?"

As he spoke, his cold face inched closer to her.

The distance between the two of them was so close that they could even sense each other's breathing.

Lin Hanxing raised his eyebrows and smiled, his long eyelashes fluttering like butterfly wings.

"Can you guess?"

There was a reckless light in her eyes, which easily melted the coldness around Lei Xiao.

however ... Lin Hanxing's tone suddenly turned cold.

"Zhong Yifu, you can start now!"

.....

Lei Xiao changed his clothes and returned to the opposite side with Lin Hanxing.

Madam Lei had woken up.

She was wearing Lin Hanxing's home clothes and sitting cross-legged on the floor, eating fried chicken and watching Korean dramas.

"My daughter-in-law ..."

Hearing the movement at the door, he turned his head happily, but when he saw Lei Xiao, he was so scared that he subconsciously wanted to hide the fried chicken in his hand.

"I didn't eat it, I just picked it up and smelled it."

Mama Lei looked at Lin Hanxing pitifully, as if she was asking for help.

Lin Hanxing was immediately amused by her.

"Yes, I can be a witness. Mama Lei didn't eat it. She just picked it up and sniffed it."

She walked over, mimicked Mama Lei's posture, and sat cross-legged on the floor, looking up at Lei Xiao.

Now that her daughter-in-law was on her side, Madam Lei's confidence was boosted.

He looked up at his son like Lin Hanxing did.

Facing the two most important women in his life, Lei min's expressionless face finally showed helplessness.

"I called dad and asked him to stay for dinner."

Then, he looked at Lin Hanxing for his opinion.

Lin Hanxing nodded.

She was prepared to stay at Yujing garden tonight. After all, there was still a good show waiting for her tonight ...

### **Chapter 328: lettuce**

Father Lei arrived faster than Lin Hanxing had expected.

He even carried a box of bird's nest in his hand, which he passed to Lei Xiao when he entered the room.

"Let's stew it. Your mom likes it,"

Lei kangnian smiled at Lin Hanxing, changed his shoes, and walked over to Mama Lei.

Lin Hanxing suddenly felt that he and Lei Xiao were unnecessary.

She thought that Lei Xiao must have thought the same way, because he took her out with his car keys after he had soaked the bird's nest in water.

"What do you want to eat?"

After driving the car out of the garage, Lin Hanxing heard Lei Xiao's deep voice.

When he came out, he was dressed casually, which was a rare sight. Even his hair, which had been combed back all year round, was let down.

His sleeves were rolled up to his elbows, revealing his strong forearms, and his hands were holding the steering wheel firmly.

Just as he was about to speak, Lin Hanxing suddenly exclaimed.

Thunder owl looked at her.

"I forgot to change my shoes." Lin Hanxing looked at the indoor Cotton Slippers he was wearing, and his white and tender toes curled up.

But he saw Lei Xiao's thin lips pursed tightly, deliberately suppressing his rise.

When the traffic light turned red, Lei Xiao reached for the pair of black-bandaged high heels she had worn this morning from the back seat and passed it to Lin Hanxing.

Soon, the two of them arrived at the supermarket.

Lei Xiao casually pushed a shopping cart.

"Shall we have hotpot tonight?"

Lin Hanxing saw that there was a promotion for the hotpot base sauce. Buy two and get a free dipping sauce.

Lei Xiao did not comment, allowing her to choose a few bags and throw them into the cart. Instead, the saleslady standing at the side would occasionally look at Lei Xiao, then she would blush and whisper to the people around her.

Because it was time to get off work, the supermarket gradually became more crowded.

Lin Hanxing stood there with his back to Lei Xiao, occasionally turning back to show off the food in his hands.

The conversation between the two was as follows.

“Do you want some winter melons?”

“Yes.”

“Potatoes?”

“Yes.”

“Lettuce?”

“No,” she said.

It was rare to hear that Lei Xiao did not eat, so Lin Hanxing secretly remembered it.

“This is delicious.”

Lei Xiao stood behind her and reached out to pull her into his arms, pointing to the lettuce piled in the corner.

Lin Hanxing was caught off guard by his embrace and his heart was beating a little fast. He felt that something was missing from his pocket.

“Thunder valiant beast ...”

“What?” Lei min stood at the side, expressionless.

Lin Hanxing turned around to look at him.

“Did you forget to bring your wallet?”

... it was as if Thunder valiant beast didn't hear her. His eyes darted around, but he didn't look at her.

He pretended not to hear her.

Lin Hanxing looked at him with a half-smile and turned his hand up.

“Thunder valiant beast?”

He continued to pretend that he did not hear anything.

Lei Xiao's expression was calm, and no one could guess that it was this cold man with a calm face ...

He had 'stolen' her wallet.

Lin Hanxing raised an eyebrow.

Suddenly, he took a big step forward, his two hands grabbing the sides of Thunder valiant beast's casual clothes, and came closer.

“Ah Xiao ...”

Her soft voice was the most touching, not to mention that there was a small nasal voice that sounded like a spoiled child.

Thunder valiant lowered his head to look at her.

You’re ruthless ...

She obediently placed the ‘stolen’ wallet back into Lin Hanxing’s palm.

However, Lin Hanxing, who had just taken back his wallet, suddenly turned hostile and kicked him in the calf!

Of course, although he said it was hard, he didn’t use much strength.

“Remember, a woman’s purse is as important as a woman’s hair. No! Want! Follow! Then! Chaos! Bang!”

With that said, he turned around to leave.

However, before she could take two steps, the cloth around her waist was pulled.

Lin Hanxing turned around to look at Lei Xiao.

He was still standing there quietly, his deep eyes half-hidden in the naturally hanging hair on his forehead.

Seeing that she didn’t understand, Lei Xiao moved his chin to the side.

Lin Hanxing followed his gaze and saw nothing but a pile of green lettuce in the corner.

“This is delicious.”

Thunder owl’s expression was serious.

... eat, eat, eat, all you know is to eat!

Lin Hanxing picked up two pieces of lettuce and threw them into the shopping cart.

She turned around, but the dimples at the corner of her mouth were deeply curved.

Lei Xiao continued to follow her quietly, while the man who had forgotten his wallet was pushing the cart obediently.

However, after a while, he poked her waist again.

“What are you doing?” Lin Hanxing tilted his head and looked at him.

Thunder owl motioned for her to lower her head.

Lin Hanxing looked down and saw that the strap of her high heels had come loose.

Just as she was about to squat down, Lei Xiao took a small bag of strawberries from the side and stuffed it into her arms, then turned around and squatted down again.

Lin Hanxing, who was holding a strawberry, watched as he skillfully tied the black band back to his ankle and tied a beautiful bow.

Lin Hanxing had to admit that Lei Xiao was really an expert at the fifth knot!

sigh ... Lin Hanxing thought for a moment and kicked his knee with the tip of his foot.

Thunder valiant lifted his head to look at her.

“Do you want to catch them with me tonight? Adulterated?”

The Thunder valiant beast seemed to have reacted for a while, raising its sharp eyebrows.

Lin Hanxing was still holding a strawberry in his arms. He looked down at Lei Xiao, who was half-squatting in front of him.

The Thunder valiant beast returned to its expressionless state and stood up.

“I thought we had something more important to do at night!”

Lei Xiao stood up and looked down at Lin Hanxing, who was a head shorter than him.

Lin Hanxing blinked. It was obvious that he really did not understand what Lei Xiao meant.

“What is it?” Lin Hanxing asked sincerely.

... Lei Xiao just looked at her with a sinister gaze.

Lin Hanxing was confused.

“Hehe.” With that, Lei Xiao pushed the shopping cart and turned to leave.

“Hey, what’s the matter?”

Lin Hanxing carried the bag of strawberries and followed behind Lei Xiao. From time to time, he would bump into people passing by him.

When she was hit on the shoulder again, an arm suddenly crossed her shoulder and pulled Lin Hanxing to her side.

Lin Hanxing was stunned for a moment, then he pursed his lips.

He tried to hold back his laughter.

“Were you throwing a tantrum at me just now?” The arm on his shoulder was warm and strong.

Lin Hanxing raised his eyebrows and looked at him. He took a few more sets of tableware from the shelf.

She had only been staying at Yujing garden for a short time, so the plates and bowls were obviously not enough for four people.

Thunder valiant didn’t speak.

“Thunder valiant beast?”

He still didn't say a word, as if she didn't exist.

However, he seemed to have thought of something, and the hand on her shoulder tightened a little.

She couldn't break free.

"Do we have anything important to do tonight?"

Lin Hanxing blinked, and continued to ask shamelessly, raising his head to look at Lei Xiao.

Seeing that he didn't say anything, she reached out and poked the man's stone-like arm.

The Thunder valiant beast suddenly stopped in its tracks.

The two of them had reached the checkout area.

Lin Hanxing was obviously not aware of it.

Lei min, who had been standing in front of the counter, moved to the left in her line of sight with an expressionless face.

It allowed her to see more clearly what was behind her.

Lin Hanxing glanced over ...

A rare two-second daze appeared on her delicate little face.

Just because behind him was ...

Without waiting for Lin Hanxing to say anything, a voice that spoiled the mood was heard.

"Brother?"

'This voice sounds familiar,' Lin Hanxing thought.

She seemed to have heard it before.

The two of them turned to look in the direction of the voice, and there seemed to be a sweet and greasy smell of perfume in the air ...

### **Chapter 329: How big a face**

When Lin Hanxing saw the other party's face, he made an "Oh" in his heart.

So it was her!

Didn't he just see her this afternoon? she was Zhong Xueqing's daughter, Fang Mengran!

She was no longer wearing the Dior season's Black top and bottom business suit. Instead, she had changed into a long dress with a spaghetti strap for young girls. Her long hair was draped behind her, and she no longer had the arrogance and enigma she had in the afternoon.

“Brother, what a coincidence!” Fang Mengran acted as if she did not see Lin Hanxing and walked over to Lei Xiao with a smile.

Lin Hanxing could not help but cast a sidelong glance at Lei Xiao.

She really wanted to know what kind of system he had.

Why was it that every woman who harbored ill intentions toward him would call him brother out of habit?

As he thought about this, Lin Hanxing’s eyes looked past Lei Jing and landed on the shelf behind him.

There were boxes of ...

Oh, Dodge. A pregnancy necessity!

“Brother, why did you buy so much food?”

“You can cook, brother?” Fang Mengran’s eyes were sparkling.

It kept chattering beside the Thunder valiant beast.

Even though Thunder valiant beast was still expressionless, the impatience on his face was gradually increasing.

If Lin Hanxing was not lost in his thoughts, she would have noticed.

However, her attention was obviously not on Lei Xiao.

“Last time you said this model wasn’t easy to use. This time, we’ll try something else.”

Suddenly, Lin Hanxing heard Lei Xiao, who had not spoken for a long time, speak in a low and hoarse voice. He reached over her shoulder, took a box of the latest designs from the shelf, and threw it into the shopping cart.

“.....”

“.....”

Lin Hanxing raised his head to look at Lei Xiao. At this moment, this man was using a dazzling smile to bewitch the people around him.

For a man who had not shown any expression for tens of thousands of years to suddenly release such a skill on you, even any woman would feel the excitement of winning 500 million in the lottery.

However, it was obvious that neither of the two women in front of him had any.

Fang Mengran’s face was pale and her smile froze on her face.

Lin Hanxing’s face was expressionless, but there was still a look of confusion in his eyes as if he had been struck by lightning.

She only felt that the Thunder valiant beast in front of her was possessed by a ghost.

The people around them curiously looked at the three of them, pretending to do something else and perking up their ears to listen.

“Brother, can I go get a free meal?”

Just as Lin Hanxing’s eyes were wandering between the item in the shopping cart and Lei Xiao’s face, Fang Mengran’s unwilling voice rang in his ears again. Her softer and more coquettish tone made the man’s legs go soft and the woman’s hair stand on end.

Lin Hanxing almost lowered his head to count the goosebumps on his arms.

How big of a face was she?

“Brother ...”

Suddenly, Lei Xiao restrained all the expressions on his face and looked down at Fang Mengran coldly.

The other party was first overjoyed, but then he was shocked.

The atmosphere was very awkward.

Based on Lin Hanxing’s understanding of Lei Xiao, he would probably deal 10000 points of critical damage to Fang Mengran.

Sure enough.

“Who are you?”

“.....”

“.....”

“.....”

The surrounding onlookers who were eavesdropping were dumbfounded.

It was as if there were 10000 \*\*\*\* in his heart that were madly running towards that endless distance.

“Hehe, brother really likes to joke. I’m Mengran.”

Fang Mengran laughed awkwardly, as if she still wanted to get back at him.

“Wang Mengran?”

“.....”

“Li Mengran?”

“.....”

“Yu Mengran?”

Lei min’s face was expressionless as he listed out the names one by one.

None of them were the correct answers.

If it wasn't for the fact that he didn't like Fang Mengran, Lin Hanxing really wanted to give her a knife and let her free herself.

After all, no matter how thick one's skin was, it would not be enough to use such a heart-stabbing method!

Just as the enemy's crystal was on the verge of exploding ...

With a cold and stern expression, Lei Xiao added the final blow.

"So, which Mengran are you?"

"....."

"....."

"....."

Lin Hanxing sighed silently in his heart. He took a step forward, stood on his tiptoes, and covered Lei Xiao's mouth with his hand, as he still wanted to say something.

"He means to say ..."

Lin Hanxing blinked, his long eyelashes fluttering like butterfly wings.

Her already delicate face was even more dazzling because of her deliberate act of innocence. Even the mole at the corner of her eye looked extremely lovely under the light of the supermarket.

Fang Mengran's dazed eyes finally fell on Lin Hanxing's face for the first time tonight.

"Get lost!"

Lin Hanxing's lips curved into an 'affable' smile as he said something that could shatter a young girl's heart!

Congratulations to Lin Hanxing for winning the MVP of this match!

"What are you still doing? Bill please!"

Lin Hanxing quickly threw the wallet to Lei Xiao, then did not even look at Fang Mengran who was frozen in place!

He was obviously in a good mood.

At this time, Fang Mengran stood rooted to the ground, feeling as if she had fallen into an Icehouse. She only felt that the eyes of the people around her were full of doubt and malice. Unconsciously, she clenched the yogurt in her hand tightly, only to hear a "pa" sound ...

The yogurt that was originally sealed in the box gushed out uncontrollably!

Just like that, Fang Mengran's face was covered in it!

She didn't even have time to close her mouth before she felt the strong smell of yogurt.

It was like her face and inner qualities, which were gone forever in the eyes of everyone!

The entire place was silent.

Only the supermarket's security guards were hesitating whether to step forward. After all, even if the yogurt in her hand was destroyed, she would still have to pay for it!

Fang Mengran's hands clenched so tightly that her nails almost dug into her palms.

His gaze was fixed on Lei Xiao and Lin Hanxing, who had already paid the bill and were about to leave. His face, which was covered in yogurt, was so tensed that it was almost distorted. At this moment, even the security guard, who was hesitating whether to go forward, swallowed his saliva and stopped completely!

Lei Xiao was carrying two bags in both hands, but Lin Hanxing was playing with his wallet in his hand, then turned his head and looked at Fang Mengran with a faint smile.

Fang Mengran's nails dug into her flesh, and for a moment, she couldn't tell if she was angry or in pain!

Lin Hanxing stood not far away, and the two women just looked at each other.

However, one of them was exquisite while the other was in a sorry state.

Fang Mengran's chest heaved up and down violently, and her eyes seemed to be on fire.

Lin Hanxing saw the change in her mood clearly.

She didn't know if it was because of Lei Xiao's rare playfulness from before, but her hands were also itching.

Lin Hanxing smiled at Fang Mengran, and just as her chest heaved up and down faster ...

He slowly pointed his middle finger at her!

you ... Fang Mengran could only feel her anger rising. Without a second thought, she threw the remaining half of the bottle of yogurt in Lin Hanxing's direction.

With a loud bang, Lin Hanxing missed. Instead, the fruit cans used for promotion fell to the ground.

There was an endless stream of banging sounds!

The glass of the can shattered on the ground.

"What's there to see?" Lei Xiao's voice entered her ears. Before Lin Hanxing could reply, the man had already turned around. With two big bags in one hand and her in the other, he walked out of the supermarket!

### **Chapter 330: One family (1)**

When they returned to Yujing garden, there were a few more cars parked downstairs.

The Thunder valiant beast stopped to take a look, but quickly returned to normal.

Lin Hanxing did not care at first.

When he went upstairs, he finally understood why Lei Xiao had stopped and looked at him.

“First aunt ...”

As soon as he opened the door, Yuan Bao, the little sheep ball, rushed over like an arrow.

However, before she could get close to Lin Hanxing, her collar was already pulled up from the back.

Yuan Bao’s hands and feet were like clothes that were hanging on a drying rope, shaking and shaking.

It was like a Taotie turtle that had turned its shell over!

“Hehe, I’ll let you pluck the fur from your Tiger’s butt!”

Yan beixiao walked past Lin Hanxing with a bottle of mineral water in his hand. His face was covered in a mess of lines, probably drawn by an eyebrow pencil or something else. When he saw Lin Hanxing looking at him, he did not feel embarrassed at all.

little Hanxing, is brother Yan so handsome today? he’s 2.2 meters tall!

As soon as Yan beixiao finished speaking, a big piece of Yuanbao was thrown into his arms.

“Daughter-in-law, are you back?” Mama Lei’s cheerful voice could be heard from the living room.

“Yes, Mama Lei, I’m back.”

Lin Hanxing lowered his head and was about to change his shoes when he found several pairs of men’s leather shoes neatly placed at the entrance.

After searching for a long time, he could not find his indoor slippers. Then, he remembered that they were still in Lei min’s car downstairs.

“Why are you changing your shoes? let’s go, big brother will teach you how to play Mahjong!”

Yan Beichen placed Yuan Bao, who was glaring at his first uncle angrily, on his neck and ran towards the living room.

“It should be second brother and fourth brother.” The Thunder valiant beast’s voice was low.

“There aren’t enough plates.” Lin Hanxing raised his head to look at him. He had only bought two more sets, and it was obviously not enough.

“Go get it from my side.”

After saying that, Lei Xiao walked towards the kitchen with the shopping bags.

“Daughter-in-law, come here!” Mama Lei raised her head and shouted at Lin Hanxing.

Lin Hanxing looked at the kitchen, then walked to the living room barefooted.

Other than Yan beiming, there was indeed the second brother, Lei min, and the fourth brother, Lei Jue. In front of them was a pile of mahjong tiles, and on the table was an eyebrow pencil.

“Sister-in-law.” Lei Jue gave up his seat, but Lin Hanxing did not miss his relieved expression.

“Daughter-in-law, come and sit down. Cooking is the men’s job. Let’s play mahjong!”

Compared to when she left, Madam Lei was in a much better mood.

Even his eyes lit up.

“I’m especially lucky today!”

Mama Lei rubbed her lovely hands together. There was indeed a thick stack of money in front of her.

The second son of the Lei family, Lei min, was sitting upright in front of the table, smiling gently like a piece of Jade.

Even though his face was covered with three cat beards, one could not ignore his temperament.

It could really be said that master mo was like jade, unparalleled in the world.

“Sister-in-law, I’m done with my plate.”

Lei Jue stood beside Lin Hanxing. His impressive physique was hidden in his blue shirt, and he looked like a male model.

Yuan Bao was still riding on Yan beiming’s neck, and he was looking at Lin Hanxing pitifully with his arms wide open, asking for a hug.

“What hug? if your uncle sees this, he’ll chop off your little hoof!”

It was as if Yan beiming had eyes on the top of his head, and he slapped the back of Yuan Bao’s hand.

Lei Jue’s cold gaze swept over Yan Beichen without a word, and he almost knelt down and apologized.

Lin Hanxing glanced at the Mahjong tiles in front of him. Lei Jue’s tiles were obviously very smooth, but they were unorganized.

daughter-in-law, play your cards. Let’s go on a killing spree!

Mama Lei was full of confidence.

Lei kangnian, who was sitting next to him, raised his head and sighed. He was obviously holding back.

Just as Lin Hanxing was about to throw out a four-pancake based on his intuition, Lei Jue, who was standing behind him, suddenly coughed twice.

Her hand stopped.

She raised her head and saw her second brother, Lei Qian and Lei kangnian, secretly giving her a look.

He understood in seconds!

Lei Jing’s hand touched the Mahjong tile twice and slid horizontally.

“Two!” Lin Hanxing threw er Tiao out without a change in expression.

“Hahahahaha, I won!”

Zhong Nanyin instantly threw away the Mahjong tiles in front of him and happily rolled around on them.

Lei kangnian placed his hand behind her head to prevent her from getting hurt. Then, he looked at Lin Hanxing apologetically.

Lin Hanxing replied with a smile.

After playing six games in a row, the Lei family showed her what it meant to hand cards in a variety of ways.

As long as Zhong Nanyin was happy, no matter how good the cards were, they would be played without a trace.

Mama Lei almost thought that she was the God of Gamblers!

Ever since he started playing mahjong, Lin Hanxing had never 'lost' so badly. His wallet was so empty that he could even go for a spin.

"Thunder valiant beast, Thunder valiant beast ..."

She sat on the floor and shouted towards the kitchen.

The kitchen door moved and Lei Xiao walked out, his hands still wet.

"Your wallet ..."

Lin Hanxing's face was painted like a cat's by Madam Lei. She looked up at him with a pitiful expression.

Thunder owl's expression froze.

Then, silent disaster walked to the entrance, took her wallet from the entrance, and walked towards them.

Before Lin Hanxing could react, his entire body was covered by Lei Xiao's huge shadow from behind.

In his empty hands, the black wallet felt heavy.

Lei Xiao looked around, and his eyes finally fell on Lei kangnian's face.

"Don't bully my wife!"

Hearing this, Yan beixiao whistled.

No matter how arrogant and cold Lin Hanxing was in front of others, his face turned red and his eyes widened when he heard this.

After saying that, Lei Xiao took out a thick stack of money from his wallet and put it on the table.

Then, he rubbed Lin Hanxing's head and went back into the kitchen.

Mama Lei, Zhong Nanyin, turned to look at Lei kangnian.

"Look at ah Xiao, and then look at you!"

His voice was filled with disdain.

“What did I do?” Lei kangnian pulled a long face, the wrinkles at the corner of his eyes were deep.

“Ah Xiao always says ‘don’t bully my wife’, what about you?” Talk less and eat more porridge to nourish your brain!” I’ll make up for your seafood market!” Zhong Nanyin was angry as he spoke. He took the thick stack of money in front of him and turned to face Lei kangnian.

“Be sweet with your words and praise me for my beauty!”

Raising his head arrogantly, Zhong Nanyin waved the battle record in his hand at Lei kangnian.

“You’re beautiful.”

“.....”

“Are you done?” Zhong Nanyin’s eyes widened.

Lei kangnian’s expression was indescribable.

I knew it. You used to call me little Tian Tian, but now you’re calling me Madam Niu. You’re heartless, cold, and heartless!

When Zhong Nanyin said this, Yan beiming hid at the side and mouthed the words to him.

Only the heavens knew that he had stolen this classic line from Lei’s mother!

“When did I call you little Tian Tian?”

... Zhong Nanyin was about to snap his fingers in rebuttal, but his voice seemed to be stuck.

Ever since he was young, it seemed that he had not.

But!

He absolutely couldn’t lose his face!

“Call me little Tian Tian!” Zhong Nanyin snorted.

“Hehe.” Lei kangnian sneered.

“I’ll give you 500 yuan for every time you call me that!”

“Little Tian Tian!”

Lei kangnian didn’t hesitate and looked at the odd five hundred Yuan in Zhong Nanyin’s hand.

This time, Madam Lei handed it to him without hesitation!

“I’ll take the 1500 yuan you hid in the twelfth book from the left on the third row of the sixth bookshelf!”

... Lei kangnian’s face was expressionless, but his heart was bleeding.

You’re ruthless!
