

Goodnight 331

Chapter 331: One family (2)

Lin Hanxing pushed open the kitchen door, Lei Xiao was standing in front of the counter, preparing the vegetables for dinner.

When he saw her enter, his expression froze.

“Do you need help?” After closing the door, the world suddenly became quiet.

Lin Hanxing stood on bare feet and the floor was a little cold. She curled her toes under the crystal Light and smiled at Lei Xiao, who was not far away.

He no longer had the usual cold, mocking, and distant attitude when he faced others.

Lin Hanxing’s eyes were filled with warmth, like an ignorant little girl.

Lei Xiao put down the things in his hands and walked towards her.

The tall shadow easily covered Lin Hanxing.

Lei Xiao lowered his head and looked at Lin Hanxing, who was only up to his shoulder. His wrists and ankles were so slender that they looked like they would break at the slightest touch.

Lin Hanxing looked up at him, his expression clearly happy.

Before she could open her mouth to say anything, she heard two clattering sounds. A pair of men’s indoor slippers were kicked to her feet.

“Put it on.”

Lei Xiao stepped on the ground naked and watched as Lin Hanxing’s fair and dainty feet rubbed against the ground.

It was too big!

Lin Hanxing felt like his feet were in a boat.

It was so noisy that her heels could fall off at any moment.

But he didn’t take it off either, and just followed Lei Xiao to the counter, his eyes bright.

“Do you guys usually do this at home?”

Lin Hanxing was standing side by side with Lei Xiao. When he said this, Lei Xiao was cutting lettuce.

A strong and powerful hand pressed down on the bright green lettuce.

Lei Xiao and celtuces, these two things that seemed out of place, were now together.

“Yes.” After Lei Xiao finished speaking in a muffled voice, he smoothly cut the small piece of lettuce into slices.

Lin Hanxing looked at him. Lei Xiao's hand trembled and he stopped.

He put the knife aside, washed his hands, and wiped them with a kitchen paper.

"Sit there."

"What?" Lin Hanxing did not understand.

Lei Xiao glanced at her. Suddenly, he grabbed her waist with both hands and lifted her up gently. He took two steps forward and placed Lin Hanxing on the high chair beside him.

"Just sit here obediently."

After saying that, Lei Xiao took out a box of freshly cut fruit from the refrigerator and placed it in front of her.

After he was done, he reached out and rubbed the top of her head.

"Thunder valiant."

"What?" The Thunder valiant beast picked up the knife again.

"I've lost all the money in your wallet,"

Lin Hanxing had never 'lost' so miserably before. He had lost his wallet along with Lei Xiao's wallet.

She was so close to giving a coin to Mama Lei.

"Yes." The sound of chopping vegetables followed.

Lin Hanxing picked up a fruit skewer and inserted it into the cut fruits. The papayas were very fresh and sweet, so she ate a few pieces.

When talking to Lei Xiao, unless it was something very important, the longest reply he would give was "yes." Lin Hanxing was obviously used to this.

"You want to eat it yourself?"

Lei Xiao was unhappy when he saw that she was scrolling through her phone while eating fruits, and had no intention of paying attention to him.

"What?" Lin Hanxing raised his head. He could tell that he was unhappy, but he was puzzled.

"I handled the fruits."

As he placed the lettuce slices on the plate, Lei Xiao began to ask for some benefits for himself in all seriousness.

"Oh." Lin Hanxing looked down at the clean fruits in the Tupperware and replied patiently.

"I cut it." Thunder valiant said.

"... Mm." Lin Hanxing said with a smile.

"I put it in a box."

“.....”

Lin Hanxing took a deep breath and suppressed the urge to kill him. He stuck a piece of meat into Lei Xiao's mouth.

When Lei Xiao bent down to eat the papaya as he looked at Lin Hanxing with the look of a worthy student, Lin Hanxing quickly put the papaya back into his mouth.

“I bought it with my own money!”

She raised her head and pursed her lips into a smile. However, before she could feel proud for a few seconds, she saw the man put down the knife, put his hands on the other side of the counter, and pressed his face down on her.

With a kiss, the papaya that Lin Hanxing had just put in his mouth was successfully swept away.

“Little cold star ...”

Just as their lips were still touching, the kitchen door was opened from the outside.

Yan beiming's voice stopped abruptly when he saw the scene in front of him!

With a bang, the door was closed from the outside.

“I didn't see anything! I didn't see anything!”

His voice was so loud that it seemed like everyone in the living room could hear him.

With a loud crash, the door was quickly pushed open from the outside. The two people in the kitchen had long gone back to doing their own things with expressionless faces. On the other hand, Yan beixiao was being stared at by Lei Xiao's gloomy eyes!

“I'm just here to ask if the crayfish would like to eat garlic or spicy!”

Yan beixiao was a loyal fan of spicy crayfish, and in this season, he would feel uncomfortable if he did not eat.

Lin Hanxing looked at him with a dark expression, scaring Yan beiming so much that he shivered and slammed the kitchen door shut.

The world returned to silence.

Lin Hanxing laid on the kitchen counter, thought for a moment, and then waved at Lei Xiao.

Lei Xiao raised his eyebrows and looked at her.

Lin Hanxing raised his chin at him and moved his hand.

The men's slippers that looked like boats kicked under the high chair, making a tapping sound.

The Thunder valiant beast leaned over.

Their faces were extremely close.

Lin Hanxing emotionlessly wiped away the remaining papaya juice from Lei Xiao's lips.

She could clearly see the Thunder valiant beast's pupils constricting slightly, but she still pretended as if nothing had happened.

"Where did you hide it?"

When she paid the bill, she had clearly bought the box of things.

However, he had disappeared after he returned.

Lin Hanxing's words made no sense to anyone.

But the Thunder valiant beast could!

He didn't say anything and let Lin Hanxing's hand move around his lips.

His eyes grew deeper.

"Do we have anything important to do tonight?"

Lin Hanxing looked at him, a faint dimple at the corner of his mouth.

"What do you think?"

The Thunder valiant beast looked away, but soon spoke again in a low voice.

It was just that his voice sounded hoarse.

"I don't understand!" Lin Hanxing blinked, pretending to be ignorant. His fair face was almost transparent under the crystal light, and the expressionless man's heart itched.

His hands also itched.

In the next second, Lei Xiao suddenly reached out and pinched Lin Hanxing's face.

He really pinched it!

The smile on Lin Hanxing's face instantly changed. His eyes widened as if he could not believe that Lei Xiao would do such a thing.

"Keep pretending!"

Looking at her wide eyes, Lei Xiao was obviously in a good mood.

Lin Hanxing pushed him away with his hands, but Lei Xiao had no intention of letting go.

"Mouth guard (release)..."

Lin Hanxing's fair face turned red from his pinching.

"Do you want to do it?" Suddenly, Thunder valiant beast spoke in a deep voice.

Lin Hanxing stopped struggling and looked at him, his long eyelashes fluttering.

"Do you want to do it?" Before she could answer, Lei Xiao asked again!

Lin Hanxing blinked his eyes and remained silent.

"I'm asking you if you'll do it!"

Chapter 332: The refrigerator

Lin Hanxing was unmoved and refused to speak.

Just as the two of them were staring at each other, Lei min let go of his hand and turned to walk towards the kitchen door.

The door was pulled open from the inside.

A crash was heard ...

Lin Hanxing got down from his high chair when he heard the commotion.

When he saw it clearly, he was instantly speechless.

Lei min looked expressionlessly at the group of people who had collapsed in front of his feet.

Yan beixiao was at the bottom, like a king. He was struggling with all his might, without the slightest bit of image to speak of!

On the other hand, Lei Jue, who was standing at the side like a flower on a mountain peak, reached out and scooped his son Yuan Bao, who was sitting at the top of the pile, into his arms.

He silently looked at his big brother, Lei Xiao.

He turned around and left the hell on earth to the living room to look for his second brother, Lei Yu.

A man who was not satisfied with his needs, hehe!

Father Lei coughed twice and pulled up mother Lei, who was on top of Yan Beichen.

Without another word, Lei Xiao kicked Yan Beichen's back with his bare feet!

"Bird. A beast!" With his face down, Yan Beichen reached out and patted the floor.

She tried her best to lift her head to look for the most handsome angle and reached out her hand to Lin Hanxing pitifully.

"Little Hanxing, save brother Yan! This bird. The beast wants to kill you!"

Lin Hanxing's answer was simple and clear.

"Hehe!"

With Lei Xiao's foot on his back, Yan beiming sighed helplessly.

On the other hand, Madam Lei ran to the refrigerator in a mysterious manner and opened the door.

He waved at Lin Hanxing as he drove.

Lin Hanxing looked at Mama Lei curiously and walked towards her.

At first, Lei Xiao was just casually glancing at them, but when he saw clearly what his mother was doing, he quickly retracted his foot from Yan beiming's back and walked quickly towards the two.

"Stand there!" Noticing her son's movement, Madam Lei snorted!

As expected, the Thunder valiant beast stopped moving and covered its eyes with its slender hand.

It was as if he wouldn't be able to see what would happen next.

Lin Hanxing rarely saw Lei Xiao like this, so he was very curious about what mother Lei wanted to show him.

Madam Lei's hand fumbled around the refrigerator.

Soon, as if he had discovered something, his eyes lit up.

Lin Hanxing knew that this was because Mama Lei had made a discovery.

But what else could be in the fridge that could make Madam Lei so excited?

"Daughter-in-law, come!" Madam Lei waved at Lin Hanxing, her eyes shining.

Lin Hanxing first looked at Lei Xiao, who was still covering his face with his hands, and then obediently walked to Mama Lei.

"Ah Xiao has had the habit of hiding things in the refrigerator since he was young, in the future ... Hehe ..."

Although he didn't know when his precious eldest son had this quirk, it worked every time!

Mama Lei pulled Lin Hanxing's hand into the fridge.

Soon, he found a rectangular box with the glass paper still intact.

The texture.

&Nbsp; mm.

It was very familiar!

After exposing her eldest son's little secret, Madam Lei felt a sense of pride.

He walked past Lei Xiao with a smile and patted his shoulder.

He pretended not to see the resentful look in Thunder Valiant's eyes when he looked at him.

son, the revolution has not yet succeeded. Comrade, you still need to work hard!

As Mama Lei spoke, she stepped on the 'corpse' of little Yanzi, who was still lying on the floor, and happily pulled Lei kangnian to the living room to continue their mess. She was going to defile her precious grandson, Yuan Dabao!

Yan beixiao, who was sprawled on the ground, groaned and felt like he was about to pass out!

Who could take pity on him and give him a hand!

In the next life, I'll be a slave to repay you for saving my life!

This bunch of animals. A beast!

He wanted to find his little white rabbit!

Chapter 333: Hotpot

After a series of chaotic preparations, it took half an hour for the family to eat hotpot.

Lin Hanxing wore Lei Xiao's men's slippers and ran to the opposite side to get a bowl and chopsticks. Only then did he barely make up the number.

While she was at the opposite side, Lei Xiao took the car keys and went downstairs.

When she came back up, she was holding a pair of indoor Cotton Slippers.

Before they entered the house, Lin Hanxing and Lei Xiao changed their shoes.

Because they were going to eat hotpot, the temperature of the air conditioner in the house was deliberately set lower. The family gathered around the dining table and couldn't wait to start eating. Two large plates of crayfish were placed on both sides, looking appetizing.

With Mama Lei's publicity, everyone at the table knew that Lin Hanxing was a vegetarian, so no one touched the bottom of the clear soup.

"My daughter-in-law, this winter melon is delicious!"

"My daughter-in-law, this lettuce is delicious!"

"My daughter-in-law, this frozen tofu is really delicious!"

Mama Lei scooped the water into Lin Hanxing's small bowl continuously and soon, the tip of the bowl was visible.

Lin Hanxing felt that even if he had eight mouths, he wouldn't be able to finish this much.

But ...

Lin Hanxing looked up at the people in front of him and his heart was enveloped by a long-lost warmth.

She had long forgotten what it felt like to have a family.

And now, the people living in the Lin family villa ...

Lin Hanxing's eyes turned cold.

Just as he was thinking about it, there was another shiitake mushroom with its top cut into a cross in his bowl.

"Hurry up and eat." Thunder Valiant's deep voice rang out.

Lin Hanxing raised his head and looked at him. His deep eyes were filled with gentleness.

“There are too many.” Lin Hanxing whispered to Lei Xiao while Yan beixiao was screaming and pouncing on the crayfish.

“I’ll eat as much as I can, and I’ll eat the rest,”

Lei Xiao glanced at the food in her bowl, but in his eyes, she was not full at all.

Lin Hanxing hummed in agreement and picked up his chopsticks to slowly eat the mushroom.

The outside world was filled with curiosity about the Lei family group.

There were even some people who started a fan club for the Lei family’s four young masters as if they were fans of celebrities.

In the eyes of these people, the Lei family was like a mysterious existence. Whether it was Weibo or Tieba, when the Lei family was mentioned, it was always in awe, fear, and curiosity.

It was as if everyone in the Lei family was an unreachable and high-up figure.

However, in Lin Hanxing’s eyes, the Lei family had their own cuteness.

Mama Lei’s innocence and cheerfulness.

It was father Lei’s private money.

Second young master Lei’s gentleness.

The arrogance of the fourth young master of the Lei family.

Yuan Bao’s ignorance and naivety.

Including Yan beiming, every member of the Lei family was no longer a picture that was secretly taken by others, and no longer an unreachable object in their imagination.

They were made of flesh and blood, and they had presented their truest side to her.

Including Thunder valiant beast.

In front of her, he was not the young and decisive President of the Lei Corporation who had brought the Lei Corporation to its peak year by year, nor was he the man whose love life was blank and his sexual orientation a mystery in the eyes of outsiders.

He was simple, as simple as the piece of mushroom in his mouth.

It was a hard-to-guess dark brown on the outside, but it was white when bitten.

It was so clean that it couldn’t be any cleaner.

Even if he wanted to resist, he didn’t know where to start.

Suddenly, Lin Hanxing felt an indescribable sense of dejection.

Compared to this Thunder valiant beast, she felt that she had gained an advantage and was still acting innocent!

As if he had sensed the change in her mood, Lei Xiao's hand movements paused and he turned to look at her.

Lin Hanxing still had half-eaten mushrooms in his chopsticks.

As if she was possessed, she brought the half of the mushroom to his mouth.

Chapter 334: Where's your mysophobia

Lin Hanxing regretted his actions immediately.

The Lei family members, who were focused on eating, quieted down at this time, and a few pairs of eyes looked straight at her.

The atmosphere seemed to have become subtle in an instant.

However, Lei min's expression did not change as he opened his mouth and chewed the piece of mushroom.

His movements were so smooth that it seemed like it was supposed to be like this.

"F * ck!" Yan beiming was the first to object.

"Where's your mysophobia?"

Not convinced, he brought the crayfish that had just been shelled to Lei Xiao's mouth.

"Get lost!" Lei Xiao's cold eyes swept over Yan beixiao, not giving him any face at all.

"That's the way."

Yan beixiao heaved a sigh of relief, but on second thought, he could not help but turn around and glare at him!

"You're a dog who forgets his friends when he sees a woman!"

She would eat what little Hanxing fed her, and she wouldn't eat what he fed her. Who spoiled her bad habit?

"You're a clean freak?" Lin Hanxing looked sideways at Lei Xiao, his eyes filled with surprise.

he's more than a clean freak. If you don't believe me, you can ask Mama Lei. In the past, other people touched him without his permission ...

Yan beixiao's words came to an abrupt end. He seemed to have thought of something and shut his mouth.

"And then?" Lin Hanxing looked at Mama Lei.

However, Madam Lei quickly put on a nervous expression and made a zipping motion with her mouth.

But Lei Xiao, who was sitting beside Lin Hanxing, opened his mouth.

“Yeah, I broke that person’s leg.”

... Lin Hanxing looked at him expressionlessly, wondering if he understood what he said.

Yan beixiao shivered as if he had recalled some unpleasant memories.

Lin Hanxing’s gaze swept across Lei Xiao, then back and forth between Yan beiming and Lei Xiao.

Yuan Bao, who was chewing a hotpot meatball in his mouth, smiled adorably. He pointed in Yan beixiao’s direction and shouted two words silently!

Woof woof!

Lin Hanxing stretched out his hand and placed it on Lei Xiao’s chin.

“Spit it out!”

Lei Xiao chose to ignore Lin Hanxing, who had suddenly gone crazy.

Mama Lei leaned against Papa Lei’s eyes and smiled.

“Hurry up and spit it out!”

“Shut up!” Lei Xiao picked up a piece of frozen tofu and brought it to her mouth after making sure it wasn’t hot.

Lin Hanxing continued to eat.

“I’m afraid you’ll break my legs.”

Lei min looked at her expressionlessly and chuckled in an extremely strange manner.

little Hanxing, it’s not that brother Yan wants to criticize you, but with those short legs of yours, even if you break them, you’ll be considered to have been remade ...

Before Yan beixiao could finish his sentence, Lei Xiao’s eyes had already swept over.

The former’s neck shrank, and he decided to be magnanimous and not argue with the male and female.

Seeing this, not to mention mother Lei, even the gentle Lei min could not help but cover his mouth and laugh.

The meal passed in the midst of laughter and scolding.

The ingredients prepared by the Thunder valiant beast were calculated very accurately, and in the end, there was really nothing left.

“First aunt ...”

On the left, Yuan Bao, who had eaten his fill, clutched his stomach and moved closer to Lin Hanxing, refusing to move no matter what.

“My daughter-in-law ...”

On the right, mother Lei, who was also full, leaned against Lin Hanxing and mumbled.

Lin Hanxing was hesitating if he should make two cups of Hawthorn tea for the two of them.

However, she suddenly felt something being secretly stuffed into her arms.

She looked down and saw that it was a big red packet.

Madam Lei's eyes narrowed into a line as she sneaked a shush at her.

"Daughter-in-law, I like you so much!"

He opened his arms and pulled Lin Hanxing into his embrace.

Auntie, Yuan Bao likes you too!

Yuan Bao mimicked his grandmother and hugged Lin Hanxing with his short arms.

At first, Lin Hanxing was not used to such intimate body contact and was slightly stiff. However, she soon relaxed completely.

She also liked them very much.

Everyone in the Lei family.

Chapter 335: His back

When Lin Hanxing came out of the bathroom, the Lei family had already left.

Thunder owl was standing in the kitchen, cleaning up the mess.

Lin Hanxing looked at him as he dried his hair and leaned against the door.

His tall and broad back was currently wrapped in tailored casual clothes, giving people a sense of security.

As for the slim waist ...

She suddenly remembered that in Mengsong, he had held her hand and wandered it along the tattoo on his waist.

Lei Xiao was sorting the trash.

"Come here." He didn't even turn his head, his voice low and magnetic.

Lin Hanxing walked over.

Lei Xiao glanced at her and handed her a glass of freshly squeezed fruit juice.

"Go over there and drink." One order after another.

At the same time, he also glanced at her two fair and straight legs that were exposed outside her beige sports shorts.

Lin Hanxing sat on the high chair obediently with a mug in his arms.

She watched as he put the plates into the dishwasher and then carefully cleaned the countertop.

The dishwasher started and made a dull mechanical sound.

The man's sleeves were rolled up to his elbows, and the blue veins on his arms bulged due to his movements, looking strong and powerful.

"Madam Lei secretly gave me a red packet today."

The amount was exactly the sum of the money in her wallet and Lei Xiao's wallet.

"Mm, keep it well." Lei Xiao said as he tied the trash bag.

Lin Hanxing sipped on his freshly squeezed fruit juice and looked at the kitchen that had regained its brightness. He could not help but sigh at Lei Xiao's cleaning ability.

"Throw the garbage?"

Lin Hanxing watched as he carried the trash bag out. He put the mug on the counter and jumped off the high chair.

"I'll go with you."

Lei Xiao did not refuse, and the two of them changed their shoes and left the house.

The elevator arrived.

There were only the two of them in the huge elevator.

They stood on either side of him.

Lei Xiao carried the garbage bag with one hand and placed the other on the elevator's partition.

Lin Hanxing did not look at him, but her soft and white hand was on the partition, and it was cold to the touch.

The two of them didn't look at each other, and the elevator number kept moving down.

Her hand suddenly moved.

Following the smooth partition, he slowly moved in the direction that Thunder valiant beast was pointing.

Just as their fingers were about to touch, Thunder valiant grabbed her hand.

With a "ding," Lei Xiao held Lin Hanxing's hand and walked out of the elevator.

He had long legs.

Lin Hanxing had to take two steps to catch up.

Realizing this, Thunder valiant beast slowed down his pace.

Their fingers were interlocked.

The night breeze was cool and refreshing. Lei Xiao held Lin Hanxing's hand and threw away the trash.

Lin Hanxing's slender, snow-white legs looked alluring under the dim yellow street lights. He was extremely human.

As if they had a tacit understanding, neither of them spoke during this time.

When they returned home, Lin Hanxing bent down to change his shoes, but Lei Xiao did not move.

He didn't let go.

Lin Hanxing's movements stopped and he slowly turned around.

But before she could say anything, Lei Xiao had already closed in, and the two of them were pressed against the wall.

His breathing was heavy.

He picked Lin Hanxing up and placed her on the cabinet, leaving her legs hanging in the air.

The slippers she had just changed into fell to the ground with a thud.

His eyes were as deep as a Wolf's, as if he was going to eat her up at any time.

There seemed to be something in the air that would burn at the slightest touch.

that ... before Lin Hanxing could finish his sentence, Lei Xiao leaned over and covered his mouth.

The man's originally strong muscles were now even more tense.

Lin Hanxing had something to say, but Lei Xiao did not let her.

The two of them were locked in a stalemate, and only the air gradually heated up, as if the color of the air was constantly rising and bursting.

Lin Hanxing leaned against the wall, her black hair disheveled behind her.

The misty eyes were unbearable.

But suddenly, the Thunder valiant beast froze.

Then, he looked at her with resentment in his eyes!

Chapter 336: What I wanted to say

Looking at Lei Xiao, Lin Hanxing burst out laughing.

She should really take a picture of this and let young master Lei's fans on Weibo see what kind of person he was in private.

The Thunder valiant beast's fingers were still stained with blood.

The red of her period.

“Why didn’t you tell me?” This man, who used to be high and mighty, had a rare grievance in his voice.

“You won’t let me say what I wanted to say.”

Lin Hanxing’s palm-sized face was full of innocence.

But Thunder owl knew she was doing it on purpose.

He buried his head in her Jade-like neck. The more he thought about it, the angrier he got. He opened his mouth and bit Lin Hanxing’s ear.

Reaching out, he carried her in his arms and walked towards the living room.

Lei Xiao then threw Lin Hanxing onto the sofa.

“Just wait.” After that, he turned around to wash his hands, took his car keys, and left.

Lin Hanxing was lying on the sofa, watching Lei Xiao leave, smiling with her dimples showing.

She took out her phone and sent the man a WeChat message.

[Xing Xiaoxing: buy ” affable smiling face ” separately for daily and night use.jpg]

Thunder owl: ” expressionless. jpg

Ten minutes later, Thunder valiant returned with his things.

At this moment, Lin Hanxing had just pushed down the enemy’s crystal and was curled up on the sofa like a cat. When he saw Lei Xiao return with a cold face, he squinted his eyes and smiled at Lei Xiao to please him.

Her sparkling eyes were so bright that it made one’s heart soften.

However, Lei Xiao had no intention of accepting her flattery. He threw the bag with the sanitary pads to Lin Hanxing and went into the kitchen.

Lin Hanxing opened the bag and saw that the daily and night use were bought separately.

Moreover, they were all soft and gentle styles that she liked.

There was a rustling sound from the kitchen. Lin Hanxing walked over to take a look and saw Lei Xiao holding a bag of red sugar, deep in thought.

When he saw her enter, he snorted and turned his back.

Lin Hanxing had to admit that men who were not satisfied with their needs were indeed the most difficult to deal with!

She didn’t try to coax him, but turned around and went into the bathroom with the night-use ones.

When she came out again, she didn’t expect Lei Xiao, who was nearly 1.9 meters tall, to block the entrance of the bathroom.

He didn’t speak, but his eyes were still resentful.

“You want to wash the spear with Jade blood?”

Lin Hanxing raised his head and looked at Lei Xiao, speaking with deep meaning.

Even Lei Xiao took a long time to understand what she meant.

A red color started to spread from the man’s neck upwards, and he was stunned speechless.

“You’re ruthless!”

After a long time, Lei Xiao turned around and entered the kitchen. Not long after, he came out with a cup of red sugar ginger soup and handed it to her.

Lin Hanxing was curled up on the sofa, holding the ginger soup. He patted the sofa seat next to him, signaling him to sit down.

The Thunder valiant beast snorted coldly, but still sat down.

Lin Hanxing ignored him and threw the phone to Lei Xiao.

“Help me play a few rounds.” The lineup had just been decided, but she was busy now.

Thunder owl did not say anything, as if he was venting his anger, and lowered his head to play.

Lin Hanxing pursed his lips and smiled. He sipped the ginger soup and leaned against Lei Xiao, watching his eyes become more and more serious as he immersed himself in the game. Although he was still unclear of the routine, he could control it very well with his comprehension.

Her eyes moved away from the phone screen and fell on the side of Lei Xiao’s face.

At this time, his face was as serious as it could get. His thin lips were pursed into a line, and the light of his phone divided his cold face into light and dark. It was inexplicably tempting to look at.

The joints of his slender fingers were distinct, and even his nails were trimmed clean.

“Thunder valiant.” She suddenly called him.

“What?” Lei Xiao did not look at her, his eyes were focused on the phone screen.

He had the appearance of an internet-addicted teenager.

“The moon is so beautiful tonight.”

I really like you.

Chapter 337: Are you here to torture scum (1)

The harmonious atmosphere was interrupted by the sudden ringing of an incoming phone.

Lei Xiao took a look and passed the phone to Lin Hanxing with a dark look in his eyes.

When she saw the caller ID, her expression suddenly turned cold.

He picked up the phone and put it to his ear. From the beginning to the end, the sarcastic smile on his lips never stopped.

“Okay, I got it.”

After hanging up the phone, Lin Hanxing fiddled with his phone, his expression playful.

It's a dark night to kill. The wind is strong and the fire is burning. You're destined to be unsatisfied tonight anyway. Why don't you come and beat up the scum!

Lin Hanxing tilted his head and looked at Lei Xiao, his eyes as cunning as a little fox.

She was fanning the flames on him.

“Abuse who?”

Lin Hanxing smiled coldly.

“Zhong Yifu!”

.....

The SU family's Villa was brightly lit.

Zhong Yifu sat on the sofa with a gloomy expression. She still couldn't get through to su zhanlong's phone!

She had suffered so much outside, but there was no one to talk to at home?

Zhenzhen, I've counted on my fingers. Recently, there have been vile people around Yimu!

It doesn't matter if I'm a source of trouble or not. What's important is that your husband doesn't have a source of trouble by his side!

Zhong Yifu couldn't help but clench her fists, and the Lin family's B * tch's indifferent words kept appearing in her mind.

Why did she run back and forth without caring about her face and come to the Lei family's house in such a humble manner?

Wasn't it all for him, su zhanlong?

You're the one who's embarrassed Yingluo, but he's the only one who gets the credit ...

Just as she was thinking about this, the servant rushed in from outside with a look as if she had seen a ghost.

“What are you panicking for!”

Zhong Yifu was like an inflammable firecracker that would burst into flames at any time!

“Madam ... Madam ... Mr. Ray is here!”

The servant was out of breath, but her eyes were wide open.

"If he's here, then he's here ..."

Zhong Yifu's furious expression froze.

"Who are you talking about? Who's here?"

She stood up abruptly and walked to the servant.

However, before the servant could answer, the villa's door was pushed open from the outside.

Even if the servant didn't say anything, Zhong Yifu had already seen clearly who Mr. Lei was!

In the entire Lei family, she was most afraid of ...

Thunder valiant beast!

And wasn't the person who walked in with him the little B * tch from the Lin family?

At this moment, Lin Hanxing was wearing a black sleeveless tank top with wooden ears and a pair of white high-waisted, wide-legged pants. She was petite and dainty beside the expressionless Lei Xiao, but she was not suppressed by the man's aura.

The two's auras complemented each other, and people couldn't help but hold their breaths and submit.

"Who is Yimu angry with?"

Lin Hanxing's feet were five inches tall, and they made clicking sounds as he stepped on the marble floor.

"Who let you in? Get out!"

Zhong Yifu was so angry that her blood pressure was rising. How could she forget what happened in the tea restaurant in the afternoon?

Lin Hanxing turned a deaf ear, but Lei Xiao glanced at Zhong Yifu coldly.

When he saw Zhong Yifu, his body turned cold.

It was as if he had just rolled in ice water.

"In my eyes, Yimu is really smart."

Lin Hanxing chuckled and sat down on the sofa in Zhong Yifu's house.

The leather sofa that was air-flown from Italy was indeed extraordinary!

"Seeing that he couldn't get any benefits from the Lei family, he immediately switched to someone else."

Lin Hanxing's face was cold, his slender arm drooped casually, the broken diamond bracelet on his wrist shone brightly under the crystal lamp.

It's a pity that I was too smart for my own good. I can't even see what kind of people I'm with!

When she said this, her eyes were fixed on Zhong Yifu.

Zhong Yifu felt her back breaking out in cold sweat.

“What do you mean by that?”

Chapter 338: Are you here to torture scum (2)

Lin Hanxing smiled but did not say anything. He turned to look at Lei Xiao.

At this moment, Lei Xiao was no longer as docile as he was when he faced the Lei family.

His eyes, which seemed to have been soaked in cold water, did not have any human emotions. He just turned his head indifferently and motioned for his subordinates to bring the man up.

Soon, a man who was tied up was brought in.

Lin Hanxing sat on the sofa and sneered.

“Yimu, don’t tell me you don’t know this person?”

With a thump, the man who was tied up was forced to kneel on the ground.

Zhong Yifu took a closer look and realized that they really knew each other!

Wasn’t this her husband, su zhanlong’s driver?

“What do you want?”

Zhong Yifu turned around and looked at Lin Hanxing, who was still sitting on the sofa in her house. Her face was full of anger.

Lin Hanxing smiled and stood up. He walked to the man and took out the thing in his mouth.

“Tell me, where is su zhanlong enjoying himself now?”

Zhong Yifu felt like she was struck by lightning.

She turned her head and narrowed her eyes at the husband’s chauffeur.

The other party’s eyes were filled with fear, and his eyes flickered when he heard this.

He didn’t know what was going on either. He had just sent his boss to the hotel tonight, but before he could drive far, he was stopped by someone. Then, he was kidnapped, and that was it!

“Tell me, where is he?”

Zhong Yifu’s face turned pale, and she looked at the man who was tied up and unable to move.

The driver gritted his teeth and refused to say anything.

“I’m asking you where he is!”

Zhong Yifu was so angry that she gave him two tight slaps.

"I heard that your daughter is studying at Sander International Foreign Language School, right? The annual school fees there are quite expensive. With your status, how can you afford it?"

Lin Hanxing wasn't as impatient as Zhong Yifu. His voice was cold and indifferent as he spoke step by step.

But a simple sentence was enough to make the driver break out in cold sweat.

"You'd better think this through. No matter how powerful the SU family is, can they be more arrogant than the Lei family?"

no matter how much aunt doesn't interfere, she's still the younger sister of the Lei family's matriarch. Do you think that your daughter and your family won't be destroyed if you offend her? "

The chauffeur jerked his head up, his body shaking.

He looked at the woman in front of him. She didn't look much older than his daughter, but the majesty of controlling the life and death of ordinary people seeped out from her bones!

"Wangjiang hotel!"

After a long time, the driver spat out two words!

Zhong Yifu's head felt like it was going to explode. She was so angry that she couldn't catch her breath and panted heavily.

Lin Hanxing smiled and waved his hand, ordering someone to take the driver out.

In fact, she had all this information, but some words had to be said by the people around her, which made her even more furious!

"Yimu, don't be angry. Because what will make you angrier is yet to come."

After Lin Hanxing finished speaking, he grabbed a middle-aged maid standing next to Zhong Yifu and dragged her in front of him.

"This person is considered your trusted aide, right?"

Lin Hanxing and the middle-aged maid looked at each other. The latter's eyes kept darting around, as if she was avoiding something.

"What are you doing?" Zhong Yifu clutched her chest. The middle-aged maid was indeed her confidant. She had been by her side ever since she married into the SU family. Now that she saw Lin Hanxing grabbing her, she did not have the energy to save her.

This was because he couldn't even take care of himself.

she clearly knew that Sir had brought another woman home and even had sex with Madam on her bed, but she never mentioned it in front of Madam. Aunt, what do you think I'm doing? "

At that moment, Lin Hanxing's voice was neither warm nor cold, but it was like a blow to Zhong Yifu's head. She was already on the verge of collapse ...

He gave her another push!

Chapter 339: Are you here to torture scum (3)

In this world, only women understood women best.

Therefore, Lin Hanxing naturally knew what kind of blow was the most fatal to a woman!

“What did you just say?”

Zhong Yifu obviously couldn't stand anymore. She supported herself with one hand, and her eyes were bloodshot.

in fact, other than you, who else here doesn't know that su zhanlong has another woman outside? ”

Lin Hanxing raised his eyebrows and looked at Zhong Yifu.

She no longer had her usual awe-inspiring appearance. In an instant, it was as if she had aged a few years, and the mean and arrogant look in her eyes no longer existed!

Lin Hanxing grabbed the middle-aged maid and walked to Zhong Yifu.

“Do you think what she said is true?”

Zhong Yifu grabbed the middle-aged maid's collar and glared at her, as if she wanted to eat her flesh and gnaw on her bones!

“Is it true?”

The middle-aged maid was so frightened that her tears were about to fall, and she tried to avoid his eyes.

“I pity you, aunt. All these years, the SU family's food, clothes, and entertainment were all protected by the Lei family behind you. And now, he's toying with you like you're a fool ...”

Lin Hanxing let go, his eyes were cold!

The feeling of being abandoned by one's loved ones must be very uncomfortable!

Zhong Yifu couldn't hear anything now. She grabbed the middle-aged maid tightly as if she was going to break her wrists!

“Who's that woman?”

Zhong Yifu turned her head and looked at Lin Hanxing, whose face was as cold as ice, as if she wanted to eat her up.

“Yimu's question is so strange that even you don't know who it is? How would I know?”

Lin Hanxing's cold smile was mixed with evil intentions. Lin Hanxing could not help but think back to the first time he met Zhong Yifu. At that time, she was so arrogant that she probably never thought that such a day would come!

“Stop pretending! You must know, right?”

Zhong Yifu couldn't take it anymore. She had to find that B * tch and kill her to vent her anger!

Lin Hanxing didn't say anything and just smiled at her.

“What do you want?”

Zhong Yifu gritted her teeth and shouted when she saw this.

“I want two things!”

At this moment, Lin Hanxing's initial banter had faded, and his eyes turned serious and cold as he slowly walked back to Lei Xiao's side.

Zhong Yifu stared at her.

From the very beginning, Zhong Yifu had only treated this girl as a fly that surrounded the Lei family. However, the more she interacted with her, the more she felt that she was different!

It was only then that Zhong Yifu finally figured out one thing with the few brain cells she had left!

Based on the Lin family's situation back then, the fact that this girl was able to return safely after going missing for eighteen years was already enough to prove her means and ability.

She had underestimated her from the beginning!

As a result, he had now lost completely!

“Why should I believe you?” Zhong Yifu calmed down a little.

you can choose not to believe me. However, since I have the ability to stand here and know everything that happened here, I have the ability to destroy you.

Lin Hanxing's words were extremely cold, as if he was discussing a person's life and death with the tone of discussing today's weather.

Zhong Yifu was shocked by her voice and broke out in a cold sweat.

She was always like this, very evil.

When he looked at you, it was as if he could see through all your secrets.

“Then what do you want?”

She spoke carefully. Her intuition told Zhong Yifu that to negotiate with this girl ...

It was like digging one's own grave.

Lin Hanxing's eyes were cruel. The thing she wanted was naturally related to the Lei family ...

Chapter 340: Wangjiang hotel (1)

The Wangjiang hotel was the most famous five-star hotel in River City.

The black Bugatti was parked in the parking lot.

In the back seat, Lin Hanxing used his phone to play the scene of su zhanlong and Luo Mingwei making love in the cinema.

Although the scene was dark, Zhong Yifu still recognized the two people!

The sound of teeth grinding against each other could be clearly heard in the carriage.

“Dog. Male and female!”

Zhong Yifu had never thought that she would be cheated on by Luo Mingwei!

Back then, mother he was the one who introduced Luo Mingwei to her, and that made Zhong Yifu hate mother he as well!

She herself was a third wheel, and now she was introducing others to third wheel her?

This B * tch!

“So do you want to study or study now?”

A cold glint flashed in Lin Hanxing’s eyes. The angrier Zhong Yifu was, the better it was for him.

Upon hearing this, Zhong Yifu was stunned.

What did that mean?

“If it’s a fight, I can tell you the room number right now. You can go up and beat him up to vent your anger, but it’s not a permanent solution. No one can say for sure if your husband will just go all out with you in the future.”

“Then what about Wen?”

Zhong Yifu asked as she thought about it.

She turned her head to look at this woman who was much younger than her, and she felt an inexplicable fear and trust in her.

if it’s written ... Lin Hanxing gave a meaningful smile.

Looking at her expression, Zhong Yifu shuddered.

“I’m choosing the essay!” He gave up on using force to solve it almost without thinking.

These dog men, all of them only knew how to eat and not how to be beaten. If they really wanted to fight with her, they might as well go all out ...

Zhong Yifu’s eyes darkened.

“Then we’ll wait.”

“Wait? When will we be able to?” Zhong Yifu was immediately indignant.

However, as soon as she finished speaking, Lin Hanxing looked at her coldly.

Zhong Yifu immediately fell silent.

Lin Hanxing poked the front seat. Lei Xiao turned his head, half of his face hidden in the darkness.

“Give me your phone.”

Not long after, Lei Xiao handed her the private one.

Zhong Yifu gasped in her heart when she noticed this.

Even though their relationship with Zhong Nanyin and the Lei family wasn't that good, they still had some understanding of their nephews.

Especially the Thunder valiant beast.

His personality was the most difficult to figure out among the four sons of the Lei family.

He was a man of few words and had a strong sense of territory. He did not allow anyone to break through the blockade he had set.

He could burn everything in his way to ashes without making a sound or expression.

Without his permission, it was simply a fool's dream for anyone to touch the things that belonged to Thunder valiant beast!

Lin Hanxing didn't care what Zhong Yifu was thinking. He reached out and tapped on Lei Xiao's phone a few times. After confirming that the download was successful, he logged in with his account password.

“I've downloaded the game for you. Wait for me in the car.”

Lin Hanxing passed the phone back to Lei Xiao, but he did not take it and only turned to look at her.

The atmosphere in the car was tense.

Zhong Yifu moved to the side, afraid that she would be affected.

It was because his nephew's eyes were a little too terrifying.

The cold air around the Thunder valiant beast was quickly freezing.

it'll be taken care of very soon. I guarantee that I won't get hurt, but I need your help with something.

Lin Hanxing said coldly. Only in a corner where Zhong Yifu couldn't notice, did he secretly hook the man's slender finger.

The cold air that was about to freeze into frost slowly faded.

Lei Xiao stretched out his hand and took the phone from her hand. He clicked on the game and actually started playing it.

Lin Hanxing also received a message on his phone.

Lin Hanxing lowered his head to take a look and his lips curled into a cold smile.
