

Goodnight 351

Chapter 351: Let us cooperate

His long eyelashes were like a small fan, gently brushing against the Thunder valiant beast's rough palm.

Feeling Lin Hanxing's struggle, Lei Xiao simply pulled her into his arms and looked at Yuan shaojing with a cold and angry gaze.

This was true anger!

Yuan shaojing smiled and turned his eyes back to the one-way transparent glass.

Lin Hanxing already had a premonition.

"Thunder valiant beast, let me go." The voice was cold and powerful.

Lei Xiao's arm muscles tightened, but in the end, he slowly let go and let Lin Hanxing out.

Lin Hanxing looked at the side of Yuan shaojing's face.

The man was still wearing the clothes he had worn when they met this morning at the cemetery in the eastern suburbs.

His face lost the elegance he had when they first met, and coldness and cruelty gradually seeped out from his bones.

All these years, the gentle and refined man in the eyes of the world seemed to have disappeared overnight.

The strange panting sound came from the other side of the one-way transparent glass.

However, Lin Hanxing frowned after taking a look.

"Is this arranged by Mr. Yuan?"

In the large private room, Cheng Lingyun was naked. Her body was revealed. His body was lying on the ground, as if he was drunk. The drug God was not in a clear state of mind. More than a dozen vagrants surrounded her and kept doing indescribable things to her. Their grins and gasps were mixed together.

Lin Hanxing's face was expressionless when he said this.

Yuan shaojing didn't answer, but pointed to a place not far away.

Lin Hanxing followed the direction of his finger and saw a red dot. It seemed like someone was filming.

"Tell me, she's still alive."

Yuan shaojing finally opened his mouth, his voice muffled and hoarse.

Lin Hanxing did not say anything.

she's living well, but she hates me for being stupid all these years and being played in the hands of others.

Yuan shaojing turned his head to look at Lin Hanxing, his eyes full of hope.

Uncle Yingluo, why do you hate me? If I could make the decision about love, I would also wish that I had never fallen in love with you.

Yingluo, I'll be in pain too, I'll be sad too, how can you do this to me!

His fingers trembled slightly, as if he was about to lift them up, but finally fell back down.

"When she died, she was like a lamp without oil."

Li Sinian's death was a fatal blow to aunt Mian. Otherwise, she would not have turned white overnight.

The years of depression in her heart had long emptied her body.

In the last few days, aunt Mian couldn't even walk.

She sat under the longan tree, holding li Sinian's photo and gently stroking it with her fingers.

His eyes were filled with regret and nostalgia.

On the last day, he and the mute uncle Jin stayed by aunt Mian's side.

After sending her off.

And the last thing aunt Mian said was ...

Yingluo is here to pick me up.

Until now, Lin Hanxing still couldn't figure out if the 'he' here was Yuan shaojing or li Sinian.

Yuan shaojing suddenly clenched his fists.

the oil has run out ... he muttered to himself, tears streaming down his face.

He hated himself.

Why did he care about what others said?

Liking is liking, love is love, are other people's opinions and words that important?

What were those people?

What was the secular world?

What was this world?

Without her, what was the point of all this?

What was the point of all this?

"Let's cooperate."

Yuan shaojing's expression was wooden, and the last trace of light in his eyes disappeared.

Lin Hanxing did not say anything.

"No matter what I do, you will still attack her, right?"

He was only giving her a shortcut.

Yuan shaojing's eyes fell back to the one-way transparent glass, and his pupils turned completely dark.

In this life, he owed Yanyu too much.

He had already fallen into hell and was unable to extricate himself.

So what if he did more evil?

Chapter 352: Si Nian's heart

"So, what do you want, Mr. Yuan?"

Even Lin Hanxing's voice was cold, and he didn't change his attitude because of Yuan shaojing's identity.

"I want si Nian's heart,"

Yuan shaojing gave his answer directly, and a cruel smile appeared on his face.

"Mr. Yuan, do you know what you're talking about?"

Lin Hanxing raised his eyebrows. Li Sinian's heart was now beating in Yuan SuSu's body.

"I want my son's heart."

Yuan shaojing and Lin Hanxing looked at each other.

His eyes were pitch-black and bottomless, as if they could swallow everything in the world.

The two of them were silent for a moment.

Suddenly, Lin Hanxing chuckled.

His face, which had just been washed, was clean and clear, without the slightest dust, but at this moment, it was full of ridicule.

"Mr. Yuan, please forgive my bluntness ..."

A cold and distant voice rang in Yuan shaojing's ears.

"Even if you didn't know what happened that year, you were still an accomplice."

Lin Hanxing's words were like a sharp dagger, cutting into Yuan shaojing's heart.

Blood was shed with every strike.

"If you want my life, you can take it after it's done,"

Yuan shaojing's expression was numb, and his voice was flat.

Hearing this, Lin Hanxing's mocking smile widened.

"Mr. Yuan, you've misunderstood."

since it's a cooperation, you've made your request, so I should also make my request.

"Isn't it?"

Qinshui's cold eyes looked at him.

As for the people who had the one-way perspective glass, they were all hungry. The men who had been thirsty for a long time ...

Like a male dog, he was hitting Cheng Lingyun's body. He was venting his needs.

"What do you want?"

Yuan shaojing said, his eyes falling on Lin Hanxing's face.

"I want you to live."

These five simple words made Yuan shaojing's expression change drastically.

"What do you mean by that?"

"I mean what I said."

Lin Hanxing squinted his eyes as if he could read his mind.

"A man like you doesn't deserve to die."

I want you to live, to endure the pain that seeps into your bones every day, to endure the pain of losing, to endure everything you can't endure!

The easier it was to die, the more difficult it was to live.

It was difficult to open one's eyes and face the grief of losing everything, difficult to recover from the spilled water after a sudden realization!

"Mr. Yuan, can you do it?"

Lin Hanxing's long eyelashes fluttered, his voice full of malice.

"If you can do it, I will agree to your request to cooperate and bring back Lisnian's heart."

Did he think that he could atone for what he had done?

Compared to the suffering that aunt Mian had gone through all these years, what was this?

Even if Cheng Lingyun's blood was spilled here, Lin Hanxing still felt that it wasn't enough!

Not enough!

It was far from enough!

“You’re worthy of being someone that Yanyu brought along.”

Yuan shaojing chuckled, but there was no trace of displeasure on his numb face.

“You’re a hundred percent similar to her in character!”

If Yanyu was still alive, she would definitely be very proud.

The people she brought out had surpassed their master and showed no mercy to their enemies.

“Thank you for the compliment.”

Lin Hanxing didn’t understand the meaning behind Yuan shaojing’s words and only took it as a compliment.

“You’re right, a man like me doesn’t deserve to die, I don’t deserve to see Yanyu and Si Nian.”

He had to stay alive and let the pain torture him until he was exhausted.

He was struggling on his last breath.

He had to suffer the pain of being alone and unable to return to shore for a lifetime.

“I promise you that I won’t have any thoughts of suicide after this.”

“Just as you said, you want me to live.”

Yuan shaojing’s eyes were like torches as he looked at Lin Hanxing.

Anything he said was valid for life.

“There’s just one thing, can you tell me the truth ...”

Chapter 353: Buried where?

Lin Hanxing did not comment and looked up to meet his eyes.

“Where did you bury her?”

Standing alone in the shadows, Yuan shaojing’s brows were filled with a strong desire.

“Buried?” Lin Hanxing repeated his words, his voice full of playfulness but with a sigh that could not be concealed.

“Aunt Mian said that she’s been bound by the rules of the world.”

“How could I bear to trap her in the grave?”

Hearing Lin Hanxing’s words, Yuan shaojing was stunned at first, then his face turned pale.

the water of the Lancang River flows for a long time. Aunt Mian can finally be free and unrestrained.

Lin Hanxing glanced at Yuan shaojing’s pale face, Jade-like skin, and the smile on his face.

“Mr. Yuan, shouldn’t you be happy for her?”

It was as if his chest had been smashed by a heavy fist. If it wasn’t for uncle Hai’s quick reaction, Yuan shaojing would have fallen to the ground.

“You ...”

His lips trembled, and Yuan shaojing couldn’t even say a complete sentence.

The indifferent smile on Lin Hanxing’s face never changed.

“Mr. Yuan, if you miss out on fate, it will be a matter of a lifetime.”

Lin Hanxing’s voice was still cold as he looked at Yuan shaojing’s pained face and his eyes fixed on him.

“You didn’t hold it tightly back then, so you naturally don’t deserve to have it now.”

“Miss Lin!” Uncle hai growled, his eyes begging.

As he wished, Lin Hanxing did not speak again.

He turned his gaze back to Cheng Lingyun, who was on the other side of the one-way glass.

Lin Hanxing did not expect that at her age, the skin under her clothes could still maintain such a fresh and beautiful look.

Unfortunately, she had fallen into the trap.

These tramps had benefited for nothing.

She didn’t think that Yuan shaojing’s methods were cruel, and of course, she didn’t feel that Cheng Lingyun was pitiful.

In this world, there was a cause and effect cycle.

The evil cause that Cheng Lingyun had personally planted in the past, the evil consequences that had resulted many years later, naturally had to be tasted by her own heart.

Therefore, people always had to keep their bottom line, be kind, do good things, and accumulate good karma for themselves. Only then would they not have wasted their hard work in this world.

“If there’s nothing else, Mr. Yuan, I should go back now.”

Her voice was too calm.

She was so calm that no one could see her true emotions.

“You’re not going to ask me what I’m going to do next?”

Yuan shaojing said in a deep voice, even though his voice was still trembling.

“Mr. Yuan, don’t you already know what you will do?”

Lin Hanxing smiled and pointed at the red dot that was in the middle of filming.

It was meaningful.

“Since I, Lin Hanxing, have agreed to cooperate, I will not go back on my word.”

“To tell you the truth, Mr. Yuan, before aunt Mian passed away, she made me swear that I would take back the heart that Si Nian had placed in Yuan SuSu’s chest when her body could no longer take it.”

Yuan Shaojing’s expression completely froze.

He quickly figured out the twists and turns.

He believed that as long as Lin Hanxing wanted to do something, she would be able to do it with her abilities.

The reason why he agreed to cooperate with him was just to make him promise to live and endure this pain!

She had even included him in her scheme!

As for himself, he had unknowingly fallen into the trap without even realizing it!

All these years, I’m sure Yuan Susu has used this trick more than once to achieve her own goals. Sinian’s heart can’t support her body anymore.

Do you think that Cheng Lingyun just accompanied you to Jiang city?”

Lin Hanxing looked at Yuan Shaojing, as calm as if he was discussing the weather.

“Half a year ago ...” He said.

Chapter 354: Not a single word

“Yuan SuSu’s body had already started to show signs of abnormality.”

Cheng Lingyun spent half a year and finally found a suitable heart in Jiang city. She was able to provide for it with good food and drinks.

Lin Hanxing’s eyes were filled with a clear coldness, like the fog of winter, which made it hard for people to breathe.

“Speaking up to this point, what else does Mr. Yuan not understand?”

Not to mention Yuan Shaojing, even Uncle Hai’s back was covered in cold sweat.

Good food and drinks?

Did this mean that the person was still alive?

However, even if they were with Cheng Lingyun all day long, they didn’t notice anything, so how did she know?

Lin Hanxing chuckled as if he could see the doubt in their eyes.

"I still remember what I said to Mister Yuan when we were at the Lei family."

"What?"

She had said many things that day, but Yuan shaojing wasn't sure which one she was referring to.

"I thought we'd meet in Malaysia. That'll save me a lot of unnecessary trouble!"

Even if Yuan shaojing didn't come to Jiangcheng, she still had to go to Malaysia after the matter here was settled.

It was only a matter of time.

Uncle Hai's sudden enlightenment had actually been prepared for her.

Even if Sir didn't come to Jiang city, the result would be the same.

"That's all I have to say. Farewell, Mr. Yuan."

With that, Lin Hanxing grabbed Lei Xiao's wrist and walked towards the door.

"When she left, did she leave any words for me?"

Just as he was about to leave, Lin Hanxing heard Yuan shaojing's trembling voice from behind.

She stopped in her tracks.

She turned around and looked at him coldly.

"No, not a single word!"

.....

On the way back, Lin Hanxing was unusually quiet.

However, her phone kept ringing.

He frowned and glanced at the caller ID. Seeing that it was Lin youlin's number, he turned off the phone.

It was almost two in the morning when they returned to Yujing garden.

"I'm tired,"

Lei Xiao was changing his shoes when Lin Hanxing mumbled and leaned against his back.

He was so lazy that it was as if he had lost his bones.

Lei Xiao reached out and pulled her into his arms.

In the next second, he picked her up horizontally.

He walked towards the bedroom.

Lin Hanxing's slender legs dangled in the air and he buried his face in his chest.

The pleasant smell of wood gradually relaxed her nerves.

He was drowsy.

All of her coldness, alienation, and toughness were not needed in front of this man.

He put her on the bed, went into the bathroom, and took a towel out.

She wet the towel with warm water.

He wiped her hands and feet carefully and gently.

Lei Xiao ... Lin Hanxing buried his face in the pillow and his voice sounded muffled.

“What?”

The man who was as cold as an Ice Mountain without any human emotions in the eyes of others melted easily.

Lin Hanxing did not say anything.

Lei Xiao waited for a while, then turned around and went into the cloakroom to get her pajamas.

It was a dark green silk set with a top and bottom.

“Do you want me to help you change?”

The voice was powerful and deep.

After a while, Lin Hanxing sat up and extended his arm to him.

Just because she had her aunt, she could take whatever she wanted.

There seemed to be a faint smile in Lei Xiao’s eyes, and he reached out to help her change her clothes into comfortable pajamas.

The clothes he had changed out of were thrown to the side.

She tucked Lin Hanxing under the thin blanket and turned around to take a shower.

Suddenly, a pair of small hands stretched out from the thin blanket and grabbed his sleeves.

“Thunder valiant beast ...”

Lin Hanxing’s long eyelashes trembled as he called out his name.

“What?”

“Do you think I’m too cruel?”

She looked at him, her clear eyes rippling with a faint uneasiness.

He didn’t have the strong aura he had when he faced Zhong Yifu and Yuan shaojing.

He was more like a child.

This made even thunder Valiant’s cold heart soften.

Chapter 355: You're good at everything

Lin Hanxing's face was half-hidden behind the thin blanket.

Only her beautiful eyebrows and eyes were revealed.

Lei Xiao did not speak, but spread his arms towards her, imitating Lin Hanxing's usual behavior, and raised his eyebrows to look at her.

Lin Hanxing blinked and moved around like a hamster.

Then, he pounced into the Thunder valiant beast's arms.

Lei Xiao, who wanted to take a bath, hugged her and leaned against the bed.

He patiently reached out to caress Lin Hanxing's head.

"Why do you sound like you're coaxing a child?"

Hearing Lin Hanxing's soft voice, Lei Xiao's lips curved slightly but he did not say anything.

Naturally, he did not tell her.

He didn't know how to coax people since he was young. He could only mechanically imitate the way his mother comforted him and his younger brothers.

But this was what Thunder valiant beast thought was the most intimate action.

"In my eyes, everything you do is right."

The Thunder valiant beast's voice was low and hoarse.

However, it was the most pleasant one Lin Hanxing had ever heard.

He hugged her from behind and let Lin Hanxing sit on his tight thighs.

Obviously, this was fatal to a mature man.

But Lei Xiao only stretched out his warm palm and covered Lin Hanxing's lower abdomen.

"You're good at everything."

Lin Hanxing's heart trembled when he heard this.

It was as if she had never expected that this man, who was used to being cold and indifferent, would actually say such words.

"Perfunctory," Although she said this, the dimples at the corner of her lips became deeper.

Unexpectedly, the man's hand was placed behind her head, causing Lin Hanxing to turn around and look at him.

"It's true."

In his eyes, Lin Hanxing was perfect in every way.

Whether it was defensive like a Hedgehog or cunning like a fox, she was the most unique.

Thunder owl's pupils were so deep that they seemed bottomless.

But it was full of Lin Hanxing.

"You're good at everything, but I'm afraid I'm not worthy of you."

This was the deepest fear in Lei Xiao's heart, and he had never mentioned it to her.

Even if he was in an important position, even if he was the most valuable diamond Bachelor in Jiang city in the eyes of others.

These titles could not be compared to Lin Hanxing's.

He held her in his arms with a moderate amount of strength, but he could not hide the worry in his heart.

"I don't know what I look like in other people's eyes, but in my eyes ..."

Lei Xiao's chin rubbed against Lin Hanxing's head, his voice vibrating through his chest.

"I'm not good with words, I don't know how to say nice things to make you happy."

"I'm too busy with work. Sometimes, I have to ask you to come to the Lei Corporation to see me if I want to see you."

"My life is simple and boring. I don't even have many friends."

As Lin Hanxing listened, he had never thought that Lei Xiao would think of him this way.

"Don't tell me that in your eyes, you don't have any good points?"

She fiddled with his large palm.

This pair of hands was like the welfare of hand-control. It was so perfect that no flaws could be found.

"What?"

Hearing this, Thunder valiant beast hesitated.

"If I can make money, does that count?"

In Lei Xiao's eyes, this was the only thing he could offer.

"It counts." Lin Hanxing chuckled.

However, after laughing, there was an indescribable heartache.

Because she realized that when Lei Xiao said those words, he was serious.

His eyes couldn't be any more serious.

His expression couldn't be any more serious.

“Hanxing, you’re younger and more energetic than me.”

“There are still endless possibilities in your life.”

When he said this, Lei Xiao chuckled softly, his eyes filled with warmth.

“But I ...”

He pursed his thin lips and seemed to be embarrassed, which was a rare sight.

If Yan beiming was here, he would definitely use Lei Xiao’s expression as a laughing stock for the rest of his life.

That was because, in the eyes of others, it was an expression that they would never see on Lei Xiao’s face.

“Only you.”

Chapter 356: Good night

Late at night.

Lei Xiao walked out of the bathroom.

There was a bath towel loosely wrapped around her waist, and her body was still wet.

Most of the lights in the room were off, and only the dim yellow wall lamp at the head of the bed was still on.

Lin Hanxing lay on his side on the bed, curled up in the most insecure position in psychology.

He seemed to have fallen asleep.

Lei Xiao stood at the place where light and darkness intersected, the muscles on his arms that showed his strength were tight, making this man look wild.

Her figure fell on the floor, stretching out.

She changed into her pajamas and went to the other side of the bed.

As soon as he came up, the person who he thought was asleep leaned close to him and reached out to hug his thin waist.

“You didn’t sleep?”

The response Lei Xiao received was an even tighter hug from Lin Hanxing.

Her small hand gently rubbed the tattoo on his waist back and forth, and the Sanskrit tattoo looked extremely sexy in the light.

“Are you very old?”

Lin Hanxing’s voice sounded muffled as he buried his face in his collar.

The shower gel that she had just taken a shower with smelled fresh and elegant.

The two of them were using the same model, even the taste was the same.

"I'm six years older than you, half of ten."

He had thought that the words he had said before the shower had frightened her.

Lin Hanxing raised his head and stretched out his hand to caress the curve of Lei Xiao's nose.

"You're only six years old, yet you're already speaking like an elder."

Those who didn't know would think that he was at the age of her father.

Lei min chuckled and hugged her even tighter.

Lin Hanxing moved closer to him.

The rubbing made Lei Xiao's body stiffen and he helplessly lowered his head. She was going to kill him!

"Don't move!"

Patting her back, Lei Xiao's hoarse voice sounded.

"Didn't you say you were tired and wanted to sleep?"

He wrapped his strong arms around her chest, and the intimate distance made her heart burn.

"How about we bring our family to the equestrian Club tomorrow?"

Lin Hanxing yawned and spoke softly.

"What?"

"You can ride a horse, fish, and barbecue."

Lin Hanxing realized that Lei Xiao would only relax in front of his family and her.

And she didn't like him being so tense.

Furthermore, if the SU family's problems were exposed, how could the media not go and harass the Lei family?

"Alright," he said.

With that, he reached out to turn off the wall lamp.

The room fell into darkness.

The room fell silent.

They could even hear each other's breathing.

Suddenly, a muffled groan came from the Thunder valiant beast.

"Don't move."

Lin Hanxing's voice was soft, and if others heard this, they would find it inexplicable.

But Lei Xiao knew exactly what she was doing.

In the dark room, only the bright moonlight poured in through the window.

The Thunder valiant beast's breathing sounded heavy.

He didn't know how long it had been like this ...

"Why can't I?"

Lin Hanxing's voice sounded like she wanted to cry but had no tears. She was really tired.

Lei Xiao reached out and hugged her even tighter.

He didn't know how much time passed ...

Just as Lin Hanxing was about to let go in anger, he finally reacted ...

.....

After a while, Lei Xiao got up, got off the bed, and went into the bathroom.

When she came back, she had changed into a pair of pajama pants and had wrung a towel to wipe Lin Hanxing's hands.

By the time everything was done, Lin Hanxing was already drowsy.

"Good night," she said.

Lei Xiao came up and reached out to hold her in his arms, burying his face in her ear.

He spoke in a low voice.

The voice still had a lingering magnetic charm, and the tailbones of those who heard it couldn't help but feel numb.

Lin Hanxing snorted.

She hugged him back and buried her face deep in Lei Longyue's chest.

He was like a sloth lying on the thick wood that he slept on.

"Good night, my Dear President."

I wish you a good night's sleep, and I'll be in your dreams.

Chapter 357-shamelessness

The next morning.

The sunlight poured in from the large floor-to-ceiling windows, and the gauze danced.

The bedroom door opened and closed.

Lin Hanxing felt a soft, Milky-smelling little thing burrowing into his arms.

He opened his eyes.

Yuan Bao's fair and chubby face was filled with a bright smile.

"Good Morning, first aunt!"

His eyes lit up when he saw that she had woken up!

He had sneaked in when his uncle wasn't paying attention.

Lin Hanxing blinked, unable to react in time.

Yuan Bao had never seen his aunt like this, so he immediately kissed her.

The sneak attack was successful, and Yuan Bao rolled around happily on the bed.

"Where's your uncle?"

Lin Hanxing was a light sleeper and felt the man beside her get up as soon as the sun rose.

"With uncle Yan ... Hmm ... Flirting ..."

Yuan Bao snorted and pouted.

Lin Hanxing laughed.

The bedroom door opened again, and Lei Xiao walked in.

When he saw Yuan Bao in Lin Hanxing's arms, his expression did not change, but there was a shadow in his deep eyes.

He walked to the bed and reached out to turn Yuan Bao's soft and cute face to the other side.

He leaned over and gave Lin Hanxing a deep kiss.

"Oh, Big Uncle is bad, let go ..."

Yuan Bao was still struggling to get out of the Thunder valiant beast's grasp, and he kept pulling at the Thunder valiant beast's palm with his short hands.

He couldn't see first aunt!

Lin Hanxing felt as if the air in his lungs was being squeezed dry by this man.

Her crystal clear white face was completely red.

"Yuan Dabao, I told you not to sneak into the bedroom!"

Lei Xiao picked Yuan Bao up from under the blanket and threw him out of the door as he spoke.

He closed the door with a bang.

No matter how much Yuan Bao protested outside the door, Lei Xiao turned a deaf ear.

Lin Hanxing propped himself up with his elbow, his long black hair flowing behind him like a waterfall, and looked at Lei Xiao with a smile.

“Isn’t President Lei’s possessiveness a little too strong?”

Thunder owl looked at her with an ambiguous expression.

He turned around and walked back to the bed. He picked up the weak and boneless her and walked towards the bathroom in the bedroom.

“Xiao si is busy and can’t come.”

Instead, she got Yan beiming to throw the ingots over.

With her in his arms, the reflection of Thunder valiant beast in the mirror was expressionless, but the usual coldness between his brows was gone.

Lin Hanxing struggled to free himself from Lei Xiao’s hand, but he could not, so he let him be.

However, halfway through brushing her teeth, his action of burying his head in her neck became more and more overboard.

“Thunder valiant beast ...”

Lin Hanxing glared at him in exasperation.

When would she finish washing up if he continued to make a scene?

Lei Xiao’s eyes were full of innocence as he looked down at her from above.

Seeing Lin Hanxing glaring at her, she suddenly remembered the freckles she had put on her face the night before.

The more he thought about it, the more he felt that his wife was adorable.

“If you like to kiss so much, then kiss me!”

Lin Hanxing raised his chin slightly and moved his mouth, which was full of toothpaste foam, to Lei Xiao’s face.

He did not forget that Yan beiming had once said that Lei Xiao was a clean freak.

The next second, Thunder valiant beast kissed him!

By the time they separated, cream’s thin lips were covered in toothpaste foam, which looked very funny.

“You ...”

Lin Hanxing did not think that he would be able to eat her even with that!

“You called me kiss.”

There was nothing wrong with Lei Xiao's words, and Lin Hanxing was so angry that he laughed.

"You're ruthless, Lei."

In terms of shamelessness, she really could not compare to him.

Lin Hanxing took his time to wash up, changed his clothes, and picked up his phone.

Last night, Lin youlin kept calling her, so she turned off her phone.

When he turned it on again, countless notifications and messages flooded in, giving Lin Hanxing a headache.

Lin qianlin was truly persistent.

Lin Hanxing sneered and blacklisted Lin youlin's number without even looking at it ...

Chapter 358: The crisis of the SU clan

River city's Y.R. Equestrian Club.

The SU family group's scandal was like a sudden clap of thunder in Jiang city in the morning. The Lei family had just arrived at their destination.

The fishing Park was located at the southernmost part of the equestrian Club and was surrounded by the most famous National Forest Park in Jiangcheng on three sides.

Far away from the hustle and bustle of the city, the air was fresh and sweet, like natural oxygen.

The villa area for the equestrian Club was also chosen to be here.

that mysterious behind-the-scenes boss really has good taste.

A few cars drove into the courtyard of the villa they were going to stay at tonight. As soon as they got out of the car, Yan beiming could not help but sigh.

back then, this place was so desolate that no one thought much of it. Who would have thought that it could be built into such a state in just a few years? "

Back then, this piece of land was the most famous big problem in Jiang city. It was close to a National-protected forest Park and could not be used as a factory site. It could not be rented out, and the land could not be sold. It had been abandoned for several years.

However, one day, a mysterious buyer suddenly bought the land with a huge sum of money.

At that time, it even caused a heated discussion in Jiang city.

Most people were not optimistic about the development of this place and were waiting for the other party to lose everything.

At that time, the Lei family had not yet been involved in the real estate industry, and Yan beiming had casually asked Lei Xiao what he thought about it.

He clearly remembered that ah Xiao had only said two words.

It was a steady profit!

Lin Hanxing raised his head and looked at Yan beiming, not saying a word.

The villa area in the equestrian Club was specially prepared for guests who intended to stay the night.

The villas were not close to each other, and they were all independent. At the same time, they had their own villa butlers.

It would not only maintain privacy, but also not make people feel bored.

“Grape ...”

The little sheep, Yuan Bao, stood under the wooden grape rack, looking up at the large bunches of grapes hidden under the grape leaves. The gardener had just watered them, and they looked full and juicy with a hint of red in the purple.

Lin Hanxing called the Butler over and took the scissors from him.

She stepped on the stone chair under the grape trellis, cut a bunch of grapes, and handed them to Yuan Bao.

“Why do I feel like little Hanxing is at home?”

Yan beixiao mumbled a few words and immediately ran to Lin Hanxing and Yuan Bao.

He picked a grape and threw it into his mouth.

“So dirty!” Yuan Bao snorted and hugged the grapes tightly.

This was what first aunt had cut for him, so he could not let uncle Yan Sully it.

“You won’t get sick if you eat dirty food, understand?”

Yan beixiao and Yuan Bao started quarreling, and the awe-inspiring presence they had in the office was nowhere to be seen.

At the end of the argument, Yuan Bao snorted, hugged the grapes, and went to seek revenge from his uncle!

“Su zhanlong and Luo Mingwei were caught last night. Under the influence of unknown people, the video of the adultery has blown up WeChat moments and even topped today’s Weibo’s hot search list.”

Without looking at Lin Hanxing, Yan beixiao said as he threw grapes into his mouth.

this morning, the SU family’s large-scale projects were exposed with scandals of cutting corners and not paying salaries. At the same time, the commercial crime investigation Division received an anonymous report that there are major commercial Crimes in the SU family’s company operations.

just now, when the stock market opened, the SU family’s stock price kept going down. It’s now at its limit down.

the Lin, he, and su family are the famous Iron Triangle in Jiang city's business world. Last night's incident completely destroyed this stable triangle.

Lin Hanxing's response to Yan beiming's words was a faint smile.

"And then?"

Yan beiming looked at her, feeling that little Hanxing and Lei Xiao were a perfect match.

They were all people who ate people without spitting out the bones!

She still had the nerve to ask and then!

Chapter 359-playing mind games

the Fang, he, and su families were originally going to invest in the Jiangcheng Bay Bridge project together. Now that the SU family is in a crisis, there is a shortage of funds in the early stage of the Jiangcheng Bay Bridge project. The Fang and he families are bound to win over a third party.

"At this time, the Lin family will become the first choice!"

Yan beixiao was speechless. These grapes were really sweet. Before he left, he had to remember to pick some for his little white rabbit.

after last night's incident, the Lin family and the SU family have already become irreconcilable. If the Fang family really colluded with the he family to win over the Lin family and replace the SU family's original position, how could the SU family not hate these three families to the core when they become the target of public criticism? "

I just don't understand. You've put in so much effort to set up such a big trap and let the Lin family replace the SU family's position. This doesn't make sense!

From Mengsong to Jiang city, others might not know, but Yan beiming knew what little Hanxing was doing back there.

"The Jiang city sea bridge project is a political one. Once it's successfully completed, it will generate huge profits in the future, and you're just sending this fat piece of meat to the Lin family's mouth for nothing?"

Would little Hanxing be so kind?

"Besides, how do you know that the he family and the Fang family will definitely choose the Lin family?"

Hearing this, Lin Hanxing raised his eyebrows and looked at Yan beiming.

because the Jiang city sea bridge project is too important for both the he family and the Fang family!

ever since he Chengyu's accident and taking over the company, he zhehan hasn't been able to achieve much in the past few years. He's anxious to find a breakthrough to prove his ability. He's definitely not worse than his brother, he Chengyu!

Lin Hanxing said as he fiddled with the grape leaves.

His movements were gentle, but they attracted people's attention.

"As for the Fang family ..."

Lin Hanxing's lips curved into a smile, and his eyes seemed to be mocking her.

this is Zhong Xueqing's first business deal in the name of the Fang family after she returned to Jiang city. Naturally, she can't be any more cautious!

Yan beiming seemed to have suddenly thought of something and was enlightened.

that's why they want to reduce the risk as much as possible and choose a partner who they know well!

The Thunder valiant beast's deep voice interjected.

His deep gaze fell on Lin Hanxing, who was standing under the grape trellis.

"The Lin family is the best choice."

Lin Hanxing said as he walked towards Lei Xiao with a smile, the mockery in his eyes completely gone.

"Also, who told you that I'm sending this piece of fat meat to the Lin family's mouth for nothing?"

Standing beside Lei Xiao, Lin Hanxing's overbearing aura automatically weakened, and he looked back at Yan beiming with bright eyes.

"Do you think that even if the Lin family joins us, we will be able to fill the financial gap?"

Lin Hanxing's words had a deeper meaning.

Yan beiming had never thought about this before, but when he saw the man and woman standing not far away, he felt his hair stand on end.

Tsk, tsk, this male and female are colluding!

Treacherous! He was too treacherous!

However, why did he also feel a little excited?

if they can't make up for the lack of funds, they'll have to take out more bank loans or find new partners.

but these are all large enterprises. It shouldn't be a problem to get a bank loan, right? "

Yan beixiao said as he pulled himself back.

He had wanted to wait for Lin Hanxing and Lei Xiao to answer his questions, but the two people standing not far away had chosen to skip it!

He was so anxious that he scratched his ears and cheeks.

"Auntie, let's go fishing!"

Following the sound, the little sheep dumpling ran out of the villa, followed by several people from the Lei family.

“Let’s go fishing, my daughter-in-law!”

Imitating Yuan Bao, Mama Lei also pounced on Lin Hanxing.

Chapter 360 enemies on a narrow road

In the fishing garden.

Although he had heard of this place, he found that it was nothing more than a paradise after entering the fishing garden.

Because three sides of the fishing Park were surrounded by a National Forest Park, the designer had integrated this point into the design draft. He introduced the dynamic circulation of the living water on the mountain and integrated the fishing Park background into the Great Forest, giving people a sense of relaxation!

Yuan Bao supported his chin with both hands and drooled as he looked at the fish in the pond.

“Auntie, that fish looks delicious!”

As she spoke, she smacked her lips.

Lin Hanxing was about to speak when a dark shadow appeared beside him.

He looked up and saw Thunder valiant beast.

“Why don’t you go over?”

Lin Hanxing was puzzled, but Yan beixiao quickly waved at her.

“You must not call ah Xiao over.”

Even Mama Lei nodded her head like a chicken pecking at rice.

“Why?” Lin Hanxing was very curious about their reactions.

“My daughter-in-law, do you want to know?”

Mama Lei ran over, her smiling face full of mystery.

“Go, Pikachu!”

Yuan Bao stretched his neck and called out to his uncle in a childish voice.

Lin Hanxing looked at Lei Xiao, and Lei Xiao looked back at her.

After some time, he looked away uneasily and walked to the spot where his younger brother, Lei Yu, was holding the fishing rod.

Madam Lei pulled Lin Hanxing along and followed behind.

The moment the Thunder valiant beast approached, the fish that was about to bite the hook swam away.

Even the few that were visible in the water had disappeared.

“Big brother is here.”

Lei min did not even turn his head, his voice filled with helplessness.

“Is it a coincidence?”

Lin Hanxing felt that it was normal for someone to startle the fish.

Hearing this, Madam Lei brought a small bag of fish food over.

“Go, go, go further away.”

He didn’t forget to turn back and ask Lei Xiao to walk further away.

Lei min walked away expressionlessly.

Mama Lei scattered the fish feed into the water, and a school of fish swarmed over after a while.

Lin Hanxing beckoned at Lei Xiao.

The Thunder valiant beast walked forward.

The fish in the pond seemed to have been frightened by something and half of them had disappeared.

When Lei Xiao stood behind Lin Hanxing again, not a single fish was left!

Madam Lei spread her hands, looking helpless.

“.....”

Lin Hanxing looked at Lei Xiao, but the latter remained silent.

However, there was an almost inaudible grievance in her eyes.

Lin Hanxing patted him on the shoulder to comfort him. Just as she was about to speak, someone else spoke first.

“Brother?”

This was not the first time she had heard that familiar tone. It was accompanied by the sweet and greasy smell of perfume.

Lin Hanxing’s eyes turned cold.

Looking in the direction of the voice, he saw that Fang Mengran was not the only one.

And Zhong Xueqing!

At this moment, Zhong Xueqing’s line of sight wasn’t looking at them. Instead, she was looking at Lei kannian, who was standing not far away.

The corners of his eyes and the tips of his brows were rippling with unforgettable feelings of old love.

If Lin Hanxing could see it, so could Madam Lei, Zhong Nanyin.

Her expression instantly darkened.

Fang Mengran looked at Lei Xiao and Lei Jing with bright eyes, as if she had forgotten about the embarrassment in the supermarket that day.

However, Lin Hanxing knew that she had not forgotten.

This was because when she glanced at him, her eyes were still burning with fire.

It seemed that her selective amnesia would only appear in the Lei brothers.

“Uncle Lei!”

Fang Mengran glanced at her mother, then raised her voice slightly and waved at Lei kangnian enthusiastically.

Lei kangnian raised his head.

Zhong Xueqing’s eyes sparkled like water.

Uncle Lei?

Lin Hanxing sneered in his heart when he heard Fang Mengran’s address.

There was no uncle Lei here, only her second uncle!

Just as he was thinking, Lei kangnian walked towards them ...
