

Goodnight 391

Chapter 391: With me around, who would dare

Lin Hanxing pretended not to notice how disheveled Yuan susu looked when she left.

Her gaze fell on the distant mountains shrouded in mist, and the corners of her mouth slowly curled up into a cold and cruel smile.

The most untraceable thing in the world was the human heart!

While Cheng Lingyun was still immersed in the joy of obtaining it, it was hard to imagine that a sharp blade aimed at her back was gradually taking shape, and at this time ...

But Cheng Lingyun didn't know!

"Come out,"

Lin Hanxing didn't even turn around, but his voice was no longer bewitching like when he was talking to Yuan susu, it had returned to normal.

Yuan Bao ran over to her with his short legs.

She poked Lin Hanxing's waist, her long eyelashes fluttering like two small fans. Even her big eyes were black and bright!

"First aunt, don't be angry!"

Looking at Yuan Bao, Lin Hanxing burst out laughing.

"Who told you I'm angry?"

Lin Hanxing picked Yuan Bao up and placed him on his lap.

Yuan Bao rummaged through his pockets for a long time before he took out a piece of chocolate, unwrapped the packaging, and brought it to Lin Hanxing's mouth.

Lin Hanxing shook his head and pushed the chocolate back to Yuan Bao's mouth.

"Where's grandma?" She asked.

Yuan Bao licked the chocolate and looked downstairs.

"Answer the phone." He paused and continued.

"Someone is fierce to grandma!"

Lin Hanxing's smile froze and his eyes turned cold.

Yuan Bao, are you saying that someone is calling grandma and scolding her? "

Lin Hanxing asked again.

Yuan Bao nodded his head like a chicken pecking at rice.

"Let's go, take me there!" Lin Hanxing put Yuan Bao Down from his lap.

She wanted to know who was so bold!

Yuan Bao strenuously held Lin Hanxing's hand and led him to where Mama Lei and Zhong Nanyin were currently.

After a while, Lin Hanxing saw her.

Under the grape rack, Madam Lei was calmly drinking tea. When she saw Yuan Bao coming over with Lin Hanxing, she looked rather helpless.

The phone on the stone table was still hanging up, and there was a faint sound.

Lin Hanxing could already guess who the person on the other end of the phone was.

Without waiting for Madam Lei to speak, she walked over and put her phone on speaker.

Yingluo, I order you to bring ah Xiao to the Zhong family now and apologize to Xueqing!

Zhenzhen, if you didn't snatch Lei away, how would Xueqing have married that short-lived man from the Fang family?

It was fine if Yingluo didn't call her sister, but now she even bullied Xueqing and Mengran with outsiders?

Madam Lei's face was expressionless, but the deep male voice on the other end of the phone was getting more and more excited.

"Hehe."

Suddenly, a sneer disrupted the other party's rhythm.

"Who are you?" The other party was furious.

old master Zhong is full of vigor. It sounds like he can live for a few more years.

The sarcasm in Lin Hanxing's voice made the breathing on the other end of the phone heavier. It was obvious that he was extremely angry.

"Who are you?"

A gentle female voice could be heard faintly, advising the man not to lose his temper!

"Old master Zhong, do you really want to know who I am?"

Lin Hanxing's fingers tapped on the stone table in a very regular rhythm that made people's hearts tremble.

"You bastard!"

Lin Hanxing laughed as he listened to his heavy breathing.

“I’m the outsider you’re talking about.”

Lin Hanxing had trained himself to the point of perfection in terms of words that could add fuel to the fire.

As expected, the moment he finished speaking, he heard a roar from the other end.

if old Zhong wants to seek justice for them, sure, I’ll be waiting for you at Villa B34 in the villa area of the Y R Equestrian Club. I’d like to see who dares to point at Mama Lei’s nose and scold her with me around!

Chapter 392: I’ve long treated him as a stranger

Lin Hanxing hung up the phone without waiting for old master Zhong’s reaction.

Yuan Bao, go and tell Grandpa, first uncle, second uncle, and uncle Yan that no one is to come downstairs later!

Yuan Bao grunted and ran upstairs with his short legs.

However, just as she reached the second floor, she was lifted up by the back of her collar.

Yuan Bao instantly clawed around like a tortoise!

When she looked closely, she realized that her grandfather, first uncle, second uncle, and uncle Yan were all hiding in the corner. She did not know how much they had heard.

“I really like little Hanxing’s temper!”

Yan beixiao clicked his tongue twice, still holding the freshly washed grapes in his arms, and ate one with each bite.

Lei Xiao held his little nephew in his arms, his brows furrowed and his thoughts unknown.

“The old master of the Zhong family is still so ignorant!”

As soon as Lei kangnian thought of the wife he had doted on for so many years being reprimanded by that old bastard, the violent nature hidden in his body was instantly awakened. He wanted to take out a gun and shoot her like he did when he was young.

“With sister-in-law around, she won’t let mom suffer.”

Lei min’s warm voice was like a tranquilizer, causing Lei kangnian’s expression to finally look better.

Yan beiming hugged the grapes and turned around excitedly.

not only will he not let Mama Lei suffer, he’ll also anger that old B * stard to death!

The more he spoke, the more Yan beiming wanted to go downstairs and cut a watermelon!

He wanted to be a handsome and extraordinary young man!

Downstairs, Madam Lei was pouring tea for Lin Hanxing with a smile.

"You heard from ah Xiao?"

Only then did Lin Hanxing realize that he had been a little impulsive just now.

"Isn't it funny? When my life was hanging by a thread, my father took the opportunity to bring back the mother and daughter who had been raised outside for many years, as if he was certain that I would not be able to live."

Madam Lei laughed mockingly. It was the kind of self-deprecation one would have after being betrayed by their closest family.

Lin Hanxing didn't know what to say. He just reached out and covered the back of Mama Lei's cold hand.

"I'm here,"

As long as she, Lin Hanxing, was around, no one could surpass her and hurt the Lei family!

Madam Lei looked at Lin Hanxing and blinked. Then, she suddenly stood up and sat down beside her.

He reached out and wrapped his arms around Lin Hanxing's neck.

Burying her face in her neck, Madam Lei, Zhong Nanyin, concealed her sobs so that no one would notice her loss of composure.

"I've already treated him as a stranger!"

Lin Hanxing's eyes were cold.

Today, she would like to see how powerful old master Zhong was!

Forty minutes later, Lin Hanxing finally met the man.

He had even brought his stepmother, Madam Lei, along!

Following them were bodyguards trained by the Zhong family for many years. They surrounded the villa tightly.

Old master Zhong stood in the courtyard with an aggressive look, accompanied by the current Mrs. Zhong, who still had her charm.

Lin Hanxing, on the other hand, did not seem to sense the other party's hostility. He slowly used the tea set sent by the villa's butler to make tea.

Lin Hanxing's straight back matched with the lake-blue long dress made him exude an air of nobility that was unforgettable at first sight.

"Were you the one who was yelling at me on the phone?"

Old master Zhong sneered.

Lin Hanxing placed the first cup of tea in front of Madam Lei, then looked up at old master Zhong.

"The one who called you, listen up. If they dare to mess up this courtyard, even a blade of grass, I will make sure they come here alive but not return alive!"

She said this to everyone with a smile.

Chapter 393: What a big tone

However, everyone could feel it.

When she said this, there was a cold chill that climbed up her back.

It went straight to the back of his head!

No matter how strong her willpower was, she could not resist the natural reaction of her body!

“Girl, you talk big!”

Old master Zhong was the best example of what it meant to put on a fake smile.

Lin Hanxing calmly picked up the White porcelain teacup in front of him, as if he could not hear the sarcasm in his words at all.

“With old master Zhong here, I really don’t dare to accept the honor.”

Old master Zhong was so angry that his cheeks trembled.

“Then I’d like to see how your courtyard can’t be touched!”

After that, old master Zhong gave a look to the people behind him.

It was obvious that he wanted to give this arrogant girl in his eyes a warning!

Madam Lei, who was sitting next to Lin Hanxing, heaved as she heard this. She seemed to want to stand up.

The next second, Lin Hanxing grabbed her wrist.

Zhong Nanyin looked at her and saw that Lin Hanxing was just calmly drinking his tea, unaffected by anything. Only then did his mood improve slightly.

No one dared to move for a long time after old master Zhong finished his words.

“It seems like old Zhong’s men don’t have good hearing.”

Lin Hanxing chuckled and took a sip of green tea. The sweet taste made her squint her beautiful eyes.

Old master Zhong felt embarrassed after hearing this.

The Fiend turned around with a straight face and glared at the people he had brought.

“Whoever makes the first move, I’ll give him a hundred thousand!”

How could such a grand gesture not move people?

Who wouldn’t want to do such a good thing?

The people who had forgotten their fear due to the temptation of money looked at each other and couldn't help but take action first.

For a time, ping, ping, ping!

Lin Hanxing, on the other hand, poured Madam Lei another cup of tea.

She had never treated herself shabbily. Even the tea she drank was of a special grade, which could not be drunk outside.

Madness was contagious, and once one of them made a move, it would encourage the others.

Old Zhong stood in the middle of the courtyard. This was exactly the effect he wanted!

He wanted to give his daughter, who he had not seen for a long time, a warning so that he could continue to demand an explanation for Xueqing and Mengran!

The villa Butler stood quietly behind Lin Hanxing without any expression on his face.

The courtyard was in a mess.

Only the stone table under the grape trellis, where Lin Hanxing was sitting, was unaffected.

She held the teacup leisurely, and her Jade-white fingertips seemed to blend in with the White porcelain cup.

However, the more Lin Hanxing acted this way, the more people who knew her were shocked.

it's over, it's over. Little Hanxing actually laughed!

Yan beixiao leaned against the window and used his titanium dog eyes in version 2.0 to help broadcast the live broadcast.

Seeing Lin Hanxing smile, he shivered.

"Yes, first aunt is smiling."

Yuan Bao rubbed his palms together, his eyes bright.

"Laughing, what's wrong?"

Second young master Lei, Lei Yu, was puzzled and asked in a sweet voice.

Subconsciously, he looked in the direction of his big brother, Thunder valiant beast.

However, he saw a rare smile on Lei Xiao's lips. Seeing his brother looking at him, he did not say anything.

It was Yan Beichen who reached out and patted Lei min on the shoulder.

"Hehe, Lei Xiao 'er, just wait and see!"

Just as he finished speaking, Lin Hanxing's voice was heard.

"Enough?"

With a clatter, she slowly put the teacup back on the stone table and swept her eyes over the group of people.

“Then it’s my turn!”

Chapter 394-shocked and alarmed

Lin Hanxing leaned against the back of the rattan chair leisurely, stretched out his hand and snapped his fingers beautifully!

In the originally empty villa courtyard, a group of strong men appeared out of nowhere and surrounded old master Zhong, Mrs. Zhong, and the people he had brought with him without any warning!

“Bring that person out.”

Lin Hanxing pointed at Blondie, who was hiding in the corner with an uneasy expression.

Almost as soon as he finished speaking, the Blondie was pressed to the ground!

He didn’t know if it was intentional, but he was captured right in front of old master Zhong!

“Old Zhong and your people will choose to go in the left ear and out the right ear for what I just said!”

Lin Hanxing stood up slowly.

The lake Blue satin dress swayed with her movements.

it seems like I need to help you guys consolidate your memories!

Lin Hanxing walked over from under the grape trellis at a moderate pace, the grapes on his head so red that they had already turned purple.

“Nan Yin, are you really going to watch outsiders bully our Zhong family?”

The current Mrs. Zhong seemed to have sensed that the situation was not right. She looked at Mama Lei, Zhong Nanyin, who was still sitting not far away.

Her voice was gentle and moving, and there seemed to be a gentle light in her eyes.

“Hehe!”

The only response she got was a sneer from Lin Hanxing, who had walked closer to her.

“Left hand or right hand?”

Lin Hanxing’s voice was soft, but his eyes were fixed on old master Zhong and Mrs. Zhong.

The question was directed at the Blondie, but the look in his eyes ...

However, it made one shudder.

“What ... What do you mean?”

The Blondie's lips trembled, and the fear in his eyes could not be more obvious.

"Weren't you the one who was tempted by the money and was the first to rush out?"

Lin Hanxing said with a smile. There was no anger on his beautiful face.

On the contrary, it was more like he was playing with someone.

"So ... So what?"

The Blondie straightened his neck, as if he didn't want to look too weak.

"You have to give me an explanation!"

Lin Hanxing did not get angry. Instead, his smile widened.

Even her beautiful eyes were curved into a line, making people who saw it remember it in their hearts.

I'm not patient. You'd better choose quickly. If you're late, I'll have to ...

She only said half of her sentence, leaving the other half to fantasize.

The Blondie was frightened by the meaning of her words. He was about to struggle when he was kicked to the ground by the person next to him.

With a pfft, he spat out a mouthful of blood.

It happened to spray onto Mrs. Zhong's new shoes, which were embedded with broken diamonds!

ah ... Mrs. Zhong shrieked in fear and took a few steps back!

"In front of them, both of his hands were crippled."

Suddenly, the bright smile on Lin Hanxing's face disappeared. As he gave the order expressionlessly, his subordinate had already raised his leg and kicked the yellow-haired thug's arm that was on the ground. There were two cracking sounds ...

A heart-wrenching cry of pain resounded through the sky!

"It's too noisy,"

Lin Hanxing did not even look at the others' reactions. He turned around and walked back to the stone table under the grape trellis.

The moment she turned around, the cry of pain stopped abruptly.

It was as if it had been cut in half by someone!

When she picked up the cup of tea again, the tea had already gone cold.

"It's time to change a cup of tea,"

With a crisp sound, the teacup shattered on the ground.

The Blondie, who was about to faint from the pain, was carried over by someone and knelt on the pile of broken pieces!

He instantly woke up from the pain!

No one said a word. Old master Zhong, Mrs. Zhong, and the people behind them all watched the scene in a daze!

“Get a seat for old master Zhong and Mrs. Zhong!”

Chapter 395: Who doesn't know how to show off?

After Lin Hanxing finished speaking, someone brought two chairs over for them.

“Hold on!” Lin Hanxing slowly poured himself another cup of tea as he looked at the two of them with a half-smile.

Ever since the two of them had brought a group of people into the courtyard, she had already seen through their little intentions.

However, seeing that the other members of the Lei family were not around, he wanted to give them a warning so that Zhong Xueqing and Fang Mengran would be able to get an explanation.

If he could take advantage of the Lei family, that would be even better.

It was a pity that they had run into her!

As for the horse power, who didn't know how to do it?

“Mr. And Mrs. Zhong are getting on in years, and the ordinary chairs are not comfortable.”

Lin Hanxing said with a smile, as if she was not the one who had ordered him to cripple someone's hands.

With two loud cracking sounds, the legs of the two chairs were cut off at the same time.

A three-legged chair couldn't even stand steadily on the ground, let alone someone sitting on it.

However, with just one look from Lin Hanxing, the two burly men quickly came to old master Zhong and Mrs. Zhong.

“The two of you will definitely be comfortable sitting there.”

“You're going too far!”

Even if the Zhong family was not as good as before, because of Zhong Nanyin and the Lei Corporation, everyone still treated old master Zhong with great respect. How could there be such a humiliating incident like today?

“So what?”

As if he had heard a joke, Lin Hanxing did not hide the mockery in his expression.

"I told you to sit, so you have to sit!"

Lin Hanxing's words were extremely arrogant, but his every movement was calm and relaxed.

Almost at the same time, old master Zhong and Mrs. Zhong were forced to sit on three-legged chairs.

His body tilted and he seemed to fall down.

"The two of you had better sit properly, otherwise ..."

Lin Hanxing's gaze swept across the couple's faces. He took a sip of green tea and spoke again.

"I don't know what's going to happen next!"

Hearing these threatening words, who would dare to not sit properly?

Old master Zhong and Mrs. Zhong struggled to find their balance. This position was extremely uncomfortable for the two of them, who were used to a pampered life, but they didn't dare to disobey!

However, after they sat down, the woman ignored them.

Lin Hanxing's long eyelashes fluttered slightly, not hiding his intention to give them the cold shoulder.

"Go and get some snacks and cakes."

The villa's butler turned around respectfully and quickly served the desserts that had been prepared.

Lin Hanxing placed the small plates in front of Mama Lei.

These were all prepared by the Butler when he first arrived in the morning. Although they looked small, the production process and time spent were definitely not short, so they were only served now.

She was obviously very patient, but she did not look at the couple.

The people who came with old master Zhong didn't even dare to breathe loudly.

The yellow-haired man's ending was right in front of his eyes. Even if his hands were crippled, he still had to kneel on the broken pieces.

Even without looking, one could imagine the bloody scene on his knee.

Moreover ...

The air was filled with the faint smell of blood, and it was so frighteningly thick!

"If you don't want to end up like him, you better clean up the courtyard and return it to its original state. Otherwise, none of you will be able to escape!"

Even without looking, Lin Hanxing could guess what those people were thinking.

She handed the silver pastry fork to Madam Lei and said without looking up.

They didn't even need to find someone to keep an eye on them. The crowd, which had been extremely arrogant just a moment ago, was now in a panic!

Chapter 396: Cheap bones

Lei min finally understood why Yan Beichen was so sensitive to his sister-in-law's smile!

"Tsk, tsk, as expected of the little cold star!"

Yan Beichen finally understood what it meant to make a fool out of someone without spitting out the bones.

She could even think of such a despicable move as sitting on a three-legged chair!

Absolutely!

Lei Xiao was covering Yuan Bao's eyes with his hands.

Ever since the people from cold star had taken control of the situation, he no longer asked Yuan Bao to continue watching.

"Not bad! My daughter-in-law has my style back in the day!"

Lei kangnian said in a low voice.

Back then, the Lei family had roamed the gray and black areas and had seen all kinds of big scenes!

Today's incident was already considered a child's play for them.

The Thunder valiant beast's gaze fell on the lake Blue color in the courtyard.

She was so domineering that it was breathtaking!

"Mama Lei, try this. This dessert chef was originally a country. He's from the banquet, and I poached him after he retired."

Lin Hanxing said indifferently, as if he did not see the actions of the people in the courtyard.

Old master Zhong was panting like a bull, his half-bent legs couldn't stop shaking, and soon his forehead was full of sweat. Mrs. Zhong, who was next to him, was not any better, her makeup ruined.

Suddenly, a little boy ran in from outside the villa.

His body rolled into a ball, and the little suit he was wearing was deformed.

He rushed towards Lin Hanxing and mother Lin, who were sitting under the grapevine.

He was so fast that even the Zhong family didn't have time to react.

The Zhong family's men who were originally in charge of keeping an eye on him rushed in from outside, but when they saw the situation in the courtyard, they gasped!

"You're a bad person! You're bullying my mother!"

After he was done yelling rudely, he picked up the nearest plate of snacks and threw it at Lin Hanxing!

"My daughter-in-law!" Mama Lei stood up abruptly!

"Feng 'er!" Old master Zhong and Mrs. Zhong were shocked. They staggered and wanted to get up, but they were suddenly pressed back into the wooden chairs by the strong man next to them. In a panic, the two fell to the ground at the same time!

They had probably never been in such a sorry state in their entire lives!

No one saw clearly what Lin Hanxing had done. By the time everyone reacted, the pastry that was supposed to be aimed at her had miraculously returned to the Fat Boy's face!

It was so fat that his facial features were deformed. It was ridiculous!

"It's a pity," Lin Hanxing moved his slender wrists, his calm face unreadable.

However, this 'what a pity' made people shiver.

"Little fatty, has anyone ever told you that it's shameful to waste?"

She bent down slightly and stared at the child with her distant and cold eyes.

"Don't touch him!" Old master Zhong roared. He treasured this old man very much.

Lin Hanxing's gaze went past the little Fatty's shoulder and landed on old master Zhong's face expressionlessly.

"Don't worry, I've never hurt a child."

Her voice was calm, but it did not make anyone feel at ease.

"Zhong Nanyin, are you blind? This B * tch is going to lay her hands on your brother!"

"I don't have a younger brother!"

Madam Lei sneered. Younger brother? Where did this cheap little brother come from!

"Cheap bones! Cheap bones! Cheap bone!"

The chubby little boy imitated old Zhong's tone and shouted at Lin Hanxing over and over again.

Obviously, he often insulted others like this!

Lin Hanxing stared at the chubby boy's face and made a hand gesture to the people behind him. The young master of the Zhong family, whose face was covered in dessert crumbs, was lifted into the air by the villa Butler.

"What do you think you're doing!"

Only then did Madam Zhong's expression change greatly!

He tried to get up, but his knees were weak and he couldn't take a step forward.

Old master Zhong was the same!

The corners of Lin Hanxing's mouth slowly curved into an inexplicable smile, and fear swept through everyone like a storm!

"To teach him how to be a human!"

Chapter 397 rice bucket

The young master of the Zhong family, who was suspended in the air by the Butler, had never been treated like this since he was born. He struggled violently.

"Cheap bone, let me go!"

He was cursing and spitting at Lin Hanxing.

Madam Lei frowned. She had never seen a child so ill-mannered and ill-mannered.

Lin Hanxing held the teacup gently and smiled as he listened to the child's words.

He didn't seem to care.

However, when he was speaking, it suddenly opened its mouth and pinched his chubby cheeks.

With a little force, the other party went silent.

"After talking for so long, little guy, are you hungry?"

Although Lin Hanxing was talking to the young master of the Zhong family, his eyes were fixed on old master Zhong and Mrs. Zhong, who were sitting on the ground in a sorry state not far away.

"Go to the kitchen and ask them to bring a bucket of rice."

The light voice was spoken in a cold tone, and it made people's hearts turn cold.

Very quickly, someone walked towards the kitchen!

After a while, he came back with a big bucket of white rice.

The solid wooden bucket was filled with rice, white steam lingering in the air, each grain crystal clear.

"Feed him mouthful by mouthful."

Lin Hanxing finished and took a sip of his tea.

At the same time, he made a gesture to old master Zhong.

In an instant, old Mr. And Mrs. Zhong, who were sitting on the ground, were picked up and sat back on the three-legged wooden chairs.

"B * tch Wu"

Young master Zhong had just opened his mouth when a mouthful of rice was stuffed into it.

It blocked the vulgarities that he was about to blurt out.

Mrs. Zhong's eyes were filled with tears.

Originally, he was so angry at Zhong Xueqing and Fang Mengran's embarrassing appearance today that he wanted to use old master Zhong to teach Zhong Nanyin a lesson. However, he still hated this woman who came out of nowhere!

She glared at Lin Hanxing as if she could figure out her background by doing so.

Lin Hanxing smiled faintly and sipped his tea slowly, not affected at all.

"You guys better sit tight. After all, my people don't know how to control their strength. If something goes wrong ..."

His long eyelashes slightly closed, and the hidden threat in his words sent a chill down Mr. And Mrs. Zhong's backs!

"Still not going to continue?"

Lin Hanxing's cold eyes swept across the room. The Zhong family's men, who had stopped what they were doing when the young master of the Zhong family barged in, hurriedly tidied up the villa's courtyard again. They were truly afraid of this woman of unknown origin!

The blonde knelt on the broken pieces of the teacup, and blood kept coming out of his knees, spreading along the cracks of the stone slab.

His face was pale and his mind was already unclear.

However, he was still forced to kneel on the ground.

Lin Hanxing's men were expressionless and controlled the scene in an orderly manner.

The young master of the Zhong family was used to eating big fish and meat, so how could white rice still be in his eyes? he cried and refused to open his mouth.

However, Lin Hanxing's men had used some unknown method to force open the other party's clamshell-like mouth!

It was obvious that if Lin Hanxing did not give the order to stop ...

Everything must be done according to her wishes!

"You ... Aren't you afraid ... Of getting into trouble?"

Old master Zhong had been living like a Prince all these years, and today's moves had almost taken half his life. His half-bent legs, which were still trying to find balance, had long been shaking like screening chaff, and he was panting even when he spoke.

"What kind of trouble?"

Lin Hanxing raised her eyebrows slightly, her white fingers caressing the teacup, her face calm.

"I have some connections with the executives here. Do you believe that I can make you suffer with just one call?"

Old master Zhong's words made Mrs. Zhong's eyes light up.

"Give him the phone and tell him to call!"

Chapter 398: The crushed phone

Lin Hanxing's eyes were filled with mockery.

It was as if they wanted to see which blind person would run into the muzzle.

As soon as he finished speaking, the villa Butler handed Mr. Zhong's phone back to him expressionlessly.

Almost instantly, the phone was snatched away by the other party.

However, old Mr. Zhong's vigilant eyes were still looking in Lin Hanxing's direction.

He was suspicious of her motive.

"Didn't you say you wanted me to taste the pain? How come you don't have the guts to make the call when the phone is in front of you?"

Lin Hanxing's dark and bright eyes looked at the other party without any emotion.

"You better think carefully, I will only give you this one chance!"

Her voice was innocent.

"Whether you can grasp it or not, it's up to you!"

Lin Hanxing gently placed the teacup on the table, making a clicking sound.

With one hand on his cheek, he lazily swept his gaze over the other party.

"If you don't, I'll do it!"

As if she couldn't stand her husband's indecisiveness, Mrs. Zhong snatched the phone and dialed the other party's number.

As soon as the call connected, she started screaming.

She didn't know what the other party said, but Mrs. Zhong's eyes lit up.

Then, he raised his head and glared at Lin Hanxing.

Zhong Nanyin was all too familiar with this look, and he couldn't help but worry.

Lin Hanxing, on the other hand, stood up calmly.

Her lake-blue dress swayed gently from her ankles as she walked to Mrs. Zhong.

"Are you done?"

He looked down at Mrs. Zhong, and naturally didn't miss the flash of smugness in her eyes.

you dare to cause trouble in Y. R.? Just you wait!

Mrs. Zhong's confidence came back as she swept away her previous cowardice and dejection.

Even though the makeup on her face was in a mess, the years of pampered life still made her arrogant!

"Alright, I'll be waiting!"

As he spoke, he knocked the phone out of Mrs. Zhong's hand.

With a thump, the phone formed an arc in the air and finally fell to the ground.

It was followed by a muffled sound. Lin Hanxing's foot rose and fell, and he crushed the phone in front of everyone with his heel!

Her beautiful eyes fell on Mrs. Zhong's face without blinking.

It was as if he was doing it on purpose for her to see.

In an instant, the screen shattered into a spider web.

"I'd like to see if I'm in more trouble or if your Zhong family is in more trouble!"

She had a faint smile, and even the mole at the corner of her eye was rippling with a touching charm.

However, it was this smile that sent chills down one's spine.

When Mrs. Zhong met his eyes, her hands and feet inexplicably turned cold.

a fake can never be real. I hope that Mrs. Zhong will still be as confident when she speaks later!

Lin Hanxing looked deeply at Mrs. Zhong.

He spoke meaningfully.

This caused the other party's heart to inexplicably skip a beat!

Lin Hanxing beckoned to the villa's butler and the latter quickly came to her.

He leaned over.

Very quickly, the Butler expressionlessly passed down her orders.

"Sister-in-law, this is ..."

Lei min asked, puzzled.

Yan beiming first looked at Lei Xiao, who was carrying Yuan Bao.

"I'm holding back my big move!"

He chuckled and continued to be a young man.

"What's a big move?"

Yuan Bao tilted his head and looked at his uncle Yan adorably, asking if he did not understand.

just hold back your big move. Your aunt is going to torture the scum again!

"I'll make the call."

Suddenly, the Thunder valiant beast spoke in a low voice.

Yan beixiao first spat out a few grape seeds and looked at him.

"Ask Liang yuran to send him here."

Lei Hongying landed in the villa's courtyard, his thin lips pursed into a line.

"Alright!"

Yan Beichen followed his gaze and looked at him sympathetically.

Who asked this bunch of blind people to provoke this male and female!

Good luck!

Chapter 399: Which one of you is blind?

The person on the other end of the phone did not make Lin Hanxing wait too long.

Soon, a large group of people pushed open the carved door of the villa.

"Which blind person dares to cause trouble here?"

As soon as he finished speaking, the carved door behind him was slammed shut from the outside.

The loud noise made everyone subconsciously turn their heads!

"Hehe." Lin Hanxing smiled coldly and waved his hand. He was fiddling with the little things on the table.

"What's your relationship with her?"

He raised his eyebrows and pointed at Mrs. Zhong.

"Who are you?"

The person who spoke was a small manager in Y R, not a core member.

However, because of his cunning nature, he collected some benefits from all over the place and mixed well with everyone.

"Impudent!" The villa's butler suddenly opened his mouth and spoke in an imposing manner!

The little supervisor's knees went weak from the roar, and when he saw the face of the person who spoke, all the blood in his body froze.

Wasn't this person in the villa's butler uniform the one that his boss had specifically instructed him not to provoke?

"Cousin, it's her!"

Mrs. Zhong's face was full of embarrassment, and she didn't hide the hatred in her eyes.

"Tell your men to throw them out of here! I'm going to make this B * tch die without a burial place!"

Mrs. Zhong was so angry that she couldn't stop trembling.

Zhong Nanyin suddenly stood up.

"I'll see who dares to touch my Lei family's daughter-in-law!"

Suddenly, a deep voice came from not far away, full of penetrating power!

It was so loud that it made people's eardrums tremble!

The Lei family, led by Lei kangnian, walked out of the villa, with Lei Xiao, Lei Yu, and Yan beixiao standing behind them.

His strong and tall figure gave people a strong sense of awe!

Especially Lei Xiao, the fierce aura between his brows seemed to lose the brilliance of the sun and the moon, making people not dare to look directly at him.

Very quickly, Lei kangnian walked to Zhong Nanyin's side.

Old Mr. And Mrs. Zhong didn't seem to expect the other members of the Lei family to be here, and they stood frozen in place.

Lei Xiao walked towards Lin Hanxing.

The shadow was like a mountain, covering her whole body.

His cold eyes were filled with hostility.

"Old master Zhong, how have you been?"

Lei kangnian's deep eyes landed on old master Zhong, not even looking at Mrs. Zhong.

When they saw the Lei family, the arrogant Zhong family members were like a balloon that had been punctured by a needle. They didn't even dare to breathe.

"Kangnian, I think ... There must be some misunderstanding!"

Double ... Old master Zhong, whose legs were still shaking, smiled awkwardly.

"Misunderstanding?"

Lin Hanxing pursed his lips into a smile. His words were filled with sarcasm.

"All these years, you've been slandering Madam Lei, is that a misunderstanding? Allowing the rumors to spread in Jiang city was a misunderstanding? If this is all a misunderstanding, then it's also a misunderstanding that old Mr. Zhong brought back his mistress when Mama Lei's life was in danger!"

The undisguised sarcasm in his words made the faces of the Zhong family members turn green and white.

Suddenly, Lei Xiao whispered something into Lin Hanxing's ear at a volume that only the two of them could hear.

Lin Hanxing's eyes were smiling, but the meaning was unclear.

"We've digressed. Let's talk about what's happening now!"

"Why don't you let me guess the purpose of old master Zhong's visit?"

Lin Hanxing's tone was cold. It was obvious that he was already preparing for a big move.

"First, you do have the intention to seek an explanation for Zhong Xueqing and Fang Mengran!"

"Secondly, you want to give your daughter, whom you haven't seen for a long time, a blow!"

"Third, they want to take advantage of the Lei family!"

Lin Hanxing clapped his hands and spoke again.

"The Zhong family is really good at scheming!"

"And how can I not give Mr. Zhong a big gift in return?"

Chapter 400 Liang yuran

As soon as he finished speaking, a black cayenne stopped outside the villa's carved gate with the sound of its engine.

Then, the carved door was pushed open by a strong force from the outside, making a muffled sound.

The man in the lead was wearing black sunglasses, but it was hard to hide the cold arrogance between his brows. His high nose bridge and tightly pursed thin lips exuded a sense of alienation, and his whole body exuded a sinister aura that was not to be provoked.

His well-built body was filled with strength, and the tailored suit outlined his perfect figure.

The sack that was still moving was thrown into the middle of the crowd.

"The person you want!"

Liang yuran took off his glasses and looked at Lei Xiao with his eagle eyes.

His voice was so cold that it made people shiver.

However, when he saw the Lei family, his eyes were filled with a rare warmth.

"Liang yuran, come and watch the show!"

Yan Beichen snapped his fingers, but in his heart, he was lighting candles for the Zhong family.

Of all people to provoke, he had to provoke the two with the worst temper!

Liang yuran looked deeply in Lin Hanxing's direction, then walked over to the Lei family's side with steady steps.

His subordinates automatically stood on both sides of him.

When they heard the name 'Liang yuran', the already ugly faces of the Zhong family members became even worse.

Everyone in Jiang city knew this name.

The Lei family's eldest son had two extremely trusted right-hand men, one was Yan beiming, the other was Liang yuran.

Yan beiming was the eldest son of the Yan family in Jiang city.

The Yan clan had been a famous sect for a hundred years. The depth of its Foundation was beyond everyone's imagination.

Yan beiming was in charge of assisting Lei Xiao in handling official matters.

As for Liang yuran ...

Other than Lei Xiao and Yan beiming, no one else knew his background.

In the past, he had single-handedly taken over the black market of Jiang city. Apart from the mysterious controller behind the black market, Liang yuran was the second most powerful person.

And he was in charge of helping Lei Xiao deal with the dark side.

In Rivertown, be it the underworld or the underworld, the Lei family was the center of attention.

In this situation, Thunder Valiant's contribution could not go unnoticed.

"As the saying goes, there is no wall in the world that can't be penetrated."

Lin Hanxing's long eyelashes fluttered slightly, a knowing smile on his lips as his eyes fell on Mrs. Zhong's face.

"Everyone has their own secrets. No matter how well they hide it, people can always find some clues! And that's what I'm best at!"

"If you hadn't come looking for trouble with Mama Lei today, I wouldn't have cared about how rotten the Zhong family is!"

however, you refuse to take the path to heaven, but you insist on barging into hell.

"I don't understand what you're saying!"

Mrs. Zhong's heart trembled, but her expression didn't show any fear.

"I hope Mrs. Zhong can still be so confident later!"

Lin Hanxing's gaze fell on the villa's butler, who quickly understood.

After a while, the doctor in charge of Y R's internal medical treatment arrived with a first aid kit.

He came to the young master of the Zhong family in a well-trained manner, took out a cotton swab, opened his hand, and pinched the child's mouth. The cotton swab stirred inside twice, then was sealed in a container.

"What are you doing!" The Zhong family members were shocked.

Especially old master Zhong, who doted on his old son as much as he could.

Otherwise, he would not have developed such an arrogant character.

Lin Hanxing raised his head and looked at old Zhong calmly.

Mr. Zhong, don't be anxious. I said that I would give you a big gift in return, and I will definitely not go back on my word!

However, whether he had the appetite to eat her big gift was another matter!
