

## Goodnight 401

### Chapter 401-old man

"There's something I'm curious about."

Lin Hanxing did something casually and looked at the Zhong family coldly.

this time, Zhong Xueqing is working with someone to undertake the Jiangcheng sea bridge project. She has put in a lot of effort to attract investors ...

"The Zhong family didn't help at all!"

"But it doesn't make sense to say that the Zhong family doesn't have any human feelings. After all, the two of you went up to the pole today to demand an explanation for Zhong Xueqing and Fang Mengran! Then can I make a bold guess, the Zhong clan's and even the Zhong clan's accounts ..."

She smiled casually.

"I don't have any more money!"

It was precisely because they had no money that they turned to Mama Lei.

Whether it was the first time at the tea restaurant or today when old master Zhong came to provoke him.

"You're talking nonsense!"

As if his sore spot had been touched, old master Zhong was furious!

I've checked on the Zhong family's large-scale investment projects in the past few years. It can be said that they've made losses.

Lin Hanxing lowered his eyes and held back his sneer.

"Mrs. Zhong is addicted to playing mahjong again. It's normal for her to lose millions of Yuan in one night."

"I heard that the two of you almost got a divorce because of this ..."

"But at this time, Mrs. Zhong got pregnant again!"

He clapped his hands lightly, making a crisp clapping sound.

"I can't help but admire Mrs. Zhong!"

back then, Mrs. Zhong was able to use the opportunity when Madam Lei's life was hanging by a thread to get into the Zhong family. Even when they got divorced, she was still able to turn the tide. Mrs. Zhong is really good!

The members of the Lei family behind Lin Hanxing all had different expressions.

Only Lei Xiao's deep eyes remained calm, as if he had already known something.

you ... Mrs. Zhong glared at Lin Hanxing. She felt uneasy.

“What are you trying to say?”

Old master Zhong frowned. He didn't think that this woman of unknown origin would have investigated his family background so thoroughly in such a short time. He didn't believe that she had such ability. The only explanation was ...

The Lei family was probably using this incident as a warning to them!

“What I want to say is, is old Zhong's beloved son really the son of the Zhong family?”

This sentence was like a bolt of lightning on a clear day!

The Zhong family members were speechless for a long time, and their faces turned pale!

“You ... You little B \* tch, you're full of nonsense! I'll tear your mouth apart!”

Mrs. Zhong was flustered and exasperated. She rushed toward Lin Hanxing.

However, before he could do so, he was kicked in the chest and fell to the ground!

“I dare you to touch her!”

Lei Xiao opened his mouth in a domineering manner. His cold eyes were filled with a suffocating pressure, wild and bloodthirsty!

Mrs. Zhong fell to the ground powerlessly, as if she had been drained of all her strength.

Even his coughs reeked of blood!

On the other hand, old Zhong squinted his eyes and looked at Lin Hanxing with hostility.

“Even if our Zhong family has declined, it's not your place to throw dirty water on us!”

Lin Hanxing, who was being protected by Lei min, laughed when he heard this.

“Untie the sack!”

Under Lei Xiao's command, someone walked up to the constantly wriggling sack and untied the top rope!

However, he was annoyed by the moving things in the sack and kicked it twice.

The muffled sound of being gagged rang out. Only then did the crowd react. It was actually a person inside the sack!

With a plop, the man was flipped out of the sack and rolled on the ground.

“Mr. Zhong, why don't you take a closer look at who this person is?”

The moment Lin Hanxing's cold voice rang out, everyone's eyes were drawn to the man on the ground.

**Chapter 402: Swear to the heavens**

The man on the ground was tied up like a dumpling, and his mouth was gagged with a rag. He could only make muffled sounds.

His body twisted violently as he endured the pain and struggled!

When he saw Mrs. Zhong again, his actions were even more extreme!

"Who is he?" Old Zhong's eyes were dark as he looked up at Lin Hanxing.

Lin Hanxing's eyes fell on Mrs. Zhong's face.

"He's called Wei xiangzhong."

"I'm afraid old master Zhong won't have any impression of this name."

but I think you know his other identity!

Lin Hanxing's lips curved into a sarcastic smile. He looked at old man Zhong's confused eyes and said, word by word.

"That's Mrs. Zhong's ex-husband!"

The man who was still struggling stopped moving after he finished speaking.

Old master Zhong pursed his lips tightly as if he was suppressing his anger. Even the flesh on his cheeks seemed to be twitching.

"So what?"

"A few years ago, Wei xiangzhong was addicted to gambling in Macau. He owed nearly ten million Yuan in total, but the strange thing was that in a few years, all his debts were paid off! Of course, it's not as simple as paying it off ..."

As if she didn't see Mrs. Zhong's ugly expression, she smiled faintly.

he actually bought a house in Jiang city and settled down in the best area. According to the neighbors, they often see a woman who looks like a rich lady looking for him and staying there for more than half a day. I'm really curious ...

Lin Hanxing deliberately said half of the story, but it evoked endless daydreams in people's hearts!

"That woman's identity!"

At this time, Mrs. Zhong no longer had the prestige and arrogance she had when she first came in.

Her makeup, which had long been soaked in sweat, looked extremely disheveled, but it could not hide the sudden paleness of her face.

"Mrs. Zhong, I wonder if you can answer the questions of all of us here?"

Lin Hanxing spread out his hands, the provocation in his eyes was obvious.

“Hehe, what a sharp tongue. What do you want me to say? Are you trying to say that I’m the woman who looks like a rich lady?”

Mrs. Zhong sneered and straightened her back.

“We’ll discuss the answer to this question later!”

Lin Hanxing did not seem to notice Mrs. Zhong’s sneer. He turned around and walked in front of young master Zhong. His cold eyes swept across the chubby face, and Mrs. Zhong’s heart started to beat faster.

Mr. Zhong, if I say that Mrs. Zhong’s pregnancy coincided with the time her ex-husband moved back to Jiangcheng, what would your first instinct tell you? ”

Little young master Zhong’s cheeks were still stuck with white rice, and he glared at her with his bull eyes.

“Cheap bone ... Cheap bone ...”

“With Wei xiangzhong’s ability, it’s absolutely impossible for him to repay a debt of nearly ten million, but it just can’t really happen! What are the connections between these seemingly unrelated things?”

A loud and clear snap of fingers rang out. Almost at the same time, the villa’s butler had already walked over with the things he had prepared. He was so well-trained that even his footsteps were almost inaudible.

After handing the item to Lin Hanxing, he quietly retreated to the side.

Lin Hanxing took the big bag and turned it upside down, letting the contents spill on the ground.

Women’s clothes, jewelry, and even perfume were scattered all over the place.

I found this in Wei xiangzhong’s room. Mr. Zhong, you can take a look. Don’t these things look familiar?  
”

Old master Zhong squinted his eyes. Every time he looked at her, his heart felt like it had been hit hard.

He raised his head and looked at his wife.

“She framed me! I swear to the heavens that I’ve never done anything to let you down!”

## **Chapter 403-thin heirs**

Mrs. Zhong stretched out three fingers as if she was swearing an oath. Her disheveled face was full of seriousness, but she glared at Lin Hanxing with resentment and unwillingness, as if she wanted to swallow her alive on the spot!

hubby, you have to believe me. I got pregnant at an advanced age and gave birth to Feng ‘er because of you!

Old master Zhong’s ugly expression eased a little.

“If an oath works, I can also swear to the lamp that what I said just now is true.”

Lin Hanxing mimicked Mrs. Zhong, raised three fingers and swore softly, but the mockery in his eyes was clear.

also, Madam Zhong kept saying that it was for old master Zhong. Could it be ...

Lin Hanxing said with a faint smile.

“Isn’t it for yourself?”

Being stared at by those cold and dark eyes, Mrs. Zhong was so shocked that she couldn’t say a word.

“Before I say anything else, I want to apologize to Mama Lei.”

Lin Hanxing turned to Zhong Nanyin and bowed slightly.

“Because what I’m going to say next might make you uncomfortable, but it’s not my intention!”

Zhong Nanyin looked at Lin Hanxing with his usual kind expression, just like a mother.

there are rumors in Jiang city that old master Zhong’s love affairs when he was young are just like those in the old stories. He was extremely beautiful, but the strange thing is that you’ve always been very thin when it comes to having children!

Lin Hanxing slowly came to the Zhong family.

Her words were too direct, almost like a slap in the face. Old master Zhong’s face turned livid.

“Isn’t old Zhong curious about the reason?”

This seemingly profound sentence caused the other party to instantly squint his eyes.

Mrs. Zhong’s expression turned ugly as she thought of something.

“As the saying goes, the mouth of a green bamboo snake and the needle on the tail of a wasp are not poisonous, but the heart of a woman is the most poisonous! Mr. Zhong seems to have underestimated the ability of the person who slept next to you!” Lin Hanxing and Mrs. Zhong were face to face, and he was not in a hurry to expose her.

After all, she enjoyed the pleasure of watching the other party’s final struggle.

“Looking at old master Zhong’s face, you’re not a person with poor offspring.”

“What are you trying to say? Don’t be so vague! I’d like to hear what you know!”

Old master Zhong angrily rebuked!

Lin Hanxing smiled and turned to look at Lei Xiao.

When Liang yuran had arrived earlier, he had brought along other information.

His cold and arrogant eyes fell on old master Zhong’s face, and Lei min threw the file to him expressionlessly.

With a “pa” sound, it fell to the ground.

“Everything you want to know is in here, old Zhong.”

Lin Hanxing said indifferently.

The Thunder valiant beast had been preparing these things for a long time, but it lacked the opportunity to launch an attack.

Mrs. Zhong’s eyes flickered.

She didn’t know what was inside, but her intuition told her that it was definitely not something good!

Because of this, Mrs. Zhong picked up the file before old master Zhong could do anything.

“Give it to me!”

Old master Zhong’s eyes were dark as he looked at her.

“I said give it to me!”

Mrs. Zhong’s eyes flickered with unspeakable fear.

Before she could say anything, the thing in her arms was snatched away by old master Zhong!

He reached out and opened the file, then took out the information inside and read through it.

The more he read, the uglier his originally livid face became!

He didn’t know how long he had been staring at her, but his eyes were fixed on Mrs. Zhong with an unspeakable gloominess and horror!

“Mrs. Zhong has the last laugh!”

Lin Hanxing was calm and unhurried, but he instantly ignited old Zhong’s anger!

#### **Chapter 404: Do you dare to?**

“Is it true?”

Old master Zhong threw the documents in his hand, making a loud sound.

Mrs. Zhong didn’t know what was written in it at all, but she knew better than anyone what she had done over the years. It was also because of this that she looked so guilty!

“None of this is true! They’re all framing me!”

Mrs. Zhong denied it. No matter what it said, she would never admit it!

“I’ve said it before, there are no eternal secrets in this world.”

Lin Hanxing’s voice suddenly turned cold, and even the corners of his eyes were serious.

“Back then, you used your schemes to cut off old master Zhong’s other heirs. All these years, only you can sit firmly on the throne by his side! I actually admire a woman who has such ambitions!”

“Unfortunately, the more ambitious a woman is, the harder it is to control her!”

Her cold tone, coupled with her delicate little face, gave people an infinite sense of oppression.

Lin Hanxing took the other file from the villa’s butler, opened it slowly, and took out the photos inside.

In the photo, Mrs. Zhong’s figure was clearly visible in her large sunglasses.

Anyone would be able to recognize it at a glance.

old master Zhong is getting older day by day, but you’re still at the age of a Wolf and Tiger. You’re not satisfied with everything you have now, and you want to find excitement. Wei xiangzhong’s appearance has satisfied you.

“You’re talking nonsense! Shut up! Bitch!”

Mrs. Zhong’s face was extremely pale, and she couldn’t care less about maintaining her image in front of others.

what’s the rush, Madam Zhong? since I dare to say this in front of so many people, I must have enough confidence!

Lin Hanxing raised his eyebrows slightly, but the coldness in his eyes did not waver.

“Do you have any evidence?”

Old master Zhong looked up and glared at her, not even caring about his face.

Perhaps he had never thought that the aggressive attitude he had when he came would be reversed because of this little girl of unknown origin.

“Old Zhong, you’ve asked the right question.”

After Lin Hanxing finished speaking, he glanced over and young master Zhong was lifted from the side.

He seemed to want to struggle, but his round stomach made him unable to move much.

“What if I say that he is the evidence?”

Old master Zhong and Mrs. Zhong’s faces changed drastically!

Old Zhong stared at his precious son. He didn’t even dare to imagine what he would do if the child wasn’t his!

this contains young master Zhong’s oral tissue. If you agree, I can arrange for the hospital to send it to the test immediately. The results will be out in twenty minutes!

Lin Hanxing said nonchalantly as he held the sample that the doctor had taken from young master Zhong’s mouth.

“Mrs. Zhong, do you dare?”

Lin Hanxing waved the sample in his hand at her, a smile flashing across his eyes.

This time, she gave the Zhong family the right to choose.

However, whether this was a good or bad thing for the Zhong family was uncertain.

Old master Zhong pursed his lips and didn't say a word, as if he was struggling with his thoughts.

He stared at his son.

However, Mrs. Zhong's situation was not so good. Her body trembled violently, like screening chaff.

His eyes flickered even more.

Time passed by. For the Zhong family, this was definitely as difficult as it could get.

On the other hand, the Lei family was Frank and open.

Suddenly ...

#### **Chapter 405: I want to look for uncle Wei**

Young master Zhong was so frightened by the scene in front of him that he started crying!

From the moment he was born until now, he was used to living a pampered life and had never seen such a big scene!

Seeing his son cry, old master Zhong couldn't bear it.

Just as he was about to open his mouth, he was enraged by what his son said next!

"You're all bad people, I'm looking for uncle Wei! I'm looking for uncle Wei!"

The man who had been tied up on the ground struggled violently, and Mrs. Zhong's face turned pale.

It was as if he had never expected to hear this from his son.

Old master Zhong slapped Mrs. Zhong's face ruthlessly.

"Test! Let me test it!"

His chest heaved up and down violently, and his breathing was like a wind box.

"No! You're not allowed to check!" Mrs. Zhong couldn't care less about the pain and quickly ran to her son and hugged him.

"Uncle Wei ... Oh ..."

Young master Zhong's mouth was suddenly covered by Mrs. Zhong, but her attempt to cover it up made old master Zhong's blood boil with anger.

Zhong Nanyin leaned into Lei kangnian's arms, as if he didn't expect things to turn out this way.

As for the other members of the Lei family, their expressions were cold and indifferent.

He didn't have any trouble because of his relationship with the Zhong family.

"Actually, even Mrs. Zhong doesn't know whose child it is!"

Lin Hanxing's Jade-like eyes were cold. Even though the mother and son were crying so miserably, there was no pity on her face.

"Am I right?"

Mrs. Zhong raised her head and glared at Lin Hanxing.

The look in her eyes was as if she wanted to swallow her alive.

As if he didn't see her fierce gaze, Lin Hanxing's posture was lazy, and his cold voice attracted everyone's attention.

you helped Wei xiangzhong pay off his debt, and Wei xiangzhong satisfied your desire for excitement. The two of them hit it off and became a woman, keeping old master Zhong in the dark like a fool.

"Back then, did Mrs. Zhong really lose millions of dollars in Mahjong overnight?"

"Or perhaps, he used money to help someone?"

Lin Hanxing didn't need any evidence for these speculations. He only needed to plant the seeds of suspicion in the hearts of others!

the only thing you didn't expect was that old Mr. Zhong would divorce you for the money. But you just had to find out that you were pregnant at this time!

"You can't tell if the child is Wei xiangzhong's or old master Zhong's, but no matter who it is, the child's arrival has helped you a lot! So, when you said that you gave birth to young master Zhong at an advanced age for old master Zhong, wasn't that a joke?"

Lin Hanxing's every word was like a slap to old master Zhong's face.

"From the beginning to the end, you only did it for yourself!"

"If you didn't come looking for trouble with Mama Lei so arrogantly, your secret would never have been exposed! You can only blame your Zhong family for being too greedy and making a fool of yourself!"

A cold sneer hung on Lin Hanxing's lips.

It was no exaggeration to say that as long as she wanted to know the secrets of 90% of the rich and powerful families in Jiang city, she could get first-hand information at the first moment and never fail!

The more glamorous they were in the eyes of others, the more despicable they were in front of the truth!

However, Lin Hanxing had always adhered to the principle of not attacking unless attacked.

If others did not take the initiative to provoke her, she was also too lazy to waste the effort to provoke others. Of course ...

Except for the Lin family!

Lin Hanxing's long eyelashes fluttered as he spoke again.

**Chapter 406: One must know how to accept one's old age**

"I think what's left should be the Zhong family's internal affairs!"

Lin Hanxing's aura was strong, and his eyes were emotionless as he looked around at everyone in the Zhong family.

"I have no enmity with you, why do you want to harm me!"

Mrs. Zhong's eyes widened in anger, and her eyes were filled with tears.

This time, she was not even afraid of Lei Xiao, who was right beside her. She charged towards Lin Hanxing with her teeth bared and claws brandished.

It was as if he wanted to scratch Lin Hanxing's face.

Just as he got close, Lin Hanxing caught him like an eagle catching a chick.

I know that you and Zhong Xueqing were involved in the car accident that caused Madam Lei to be severely injured!

Lin Hanxing's voice was so soft that only the two of them could hear.

Mrs. Zhong's eyes suddenly widened, and even the red blood vessels in the White of her eyes could be clearly seen.

"Don't worry, I won't let the game end so quickly!"

With a thump, Lin Hanxing's wrist pushed Mrs. Zhong back to the ground.

He turned around and looked at her as if he had seen a ghost.

His face was pale and his eyes were dull.

Lei Xiao had taken a step forward when Mrs. Zhong approached, but he stopped when he saw the cold smile on Lin Hanxing's lips.

At this time, his eyes swept over Mrs. Zhong as if he was looking at a pile of dead things.

"Since it's the Zhong family's business, then please take these people home and solve it! But ..."

Lin Hanxing's lake-blue satin dress swirled in the air like a big flower, and people couldn't take their eyes off it.

"What do you want?"

After all, old master Zhong had been tempered in the business world when he was young. That B \* tch indeed had to be dealt with at home, but the Zhong family's weakness and face were still in the hands of the Lei family!

How could he possibly eat and sleep?

"Old master Zhong is indeed a smart man!"

Lin Hanxing clapped his hands twice, his cold expression was replaced by a lazy smile.

first, I want the Zhong family to come out and explain clearly that the Zhong family was the one in the wrong in the marriage alliance between the Zhong family and the Lei family!

second, Zhong Xueqing and Fang Mengran are not allowed to appear in front of Mama Lei in any form.

“Third, the Zhong family can forget about getting any benefits from the Lei family!”

As Lin Hanxing extended his finger, old master Zhong’s expression became uglier.

if the Zhong family disobeys any of these three rules, I’ll send all the exciting content in my hands to all the major websites and media in Jiang city for free!

Lin Hanxing looked at old master Zhong with a half-smile, and naturally saw his livid face.

“What does this mean? It’s impossible that old master Zhong doesn’t know about it, right?”

Old master Zhong almost couldn’t breathe!

What did it mean?

It meant that everyone in Jiang city knew that he had been made a cuckold. It meant that everyone in Jiang city could see the Zhong family as a joke!

The little girl in front of him didn’t look old, but she knew the principle of hitting the snake at its vital spot!

She was going to mess with the Zhong family for the rest of her life!

“Old master Zhong, don’t be unconvinced.”

Lin Hanxing’s lips curved into a rare arrogant smile as he looked at the Zhong family members who did not even dare to breathe.

“One must know how to respect one’s age!”

The word ‘old’ was like an arrow from the moon, piercing through old master Zhong’s heart and causing him to bleed.

“You ...”

Old master Zhong clutched his chest as if he was about to die from anger.

“Does it feel good to be abandoned by your loved ones?”

Lin Hanxing glanced at old master Zhong.

when Madam Lei woke up in the hospital and found out about the mother-daughter pair entering the house ...

“Have you experienced it now?”

**Chapter 407: Men have been fickle since ancient times**

The Zhong family came arrogantly but left like stray dogs.

Everyone felt as if they had just returned from the gates of hell.

How he wished he could grow a few more legs so that he could leave this hell as soon as possible.

Lin Hanxing's phone had been vibrating non-stop since he saw the Zhong family leave.

But she didn't look at it immediately.

He just pointed at the group of Y R's internal staff that the Zhong family called over.

The latter comprehended it and quickly brought that group of people away.

The villa's courtyard returned to silence.

Apart from the dark red blood that seeped through the lines of the bluestone slab, there was no trace of an external force.

"I'm sorry, I was a little too excited just now."

When everything was back to normal, Lin Hanxing then slowly turned around to face the Lei family members behind him.

The lake Blue satin dress was light, and the sunlight was as thin as cicada wings.

Even her long eyelashes seemed to be rendered by the light.

"First aunt!"

Yuan Bao ran over and opened his arms, asking for a hug.

First aunt was mighty and domineering!

Long live first aunt!

Yuan Dabao was the top fan of first aunt's fan club!

Lin Hanxing could not stand Yuan Bao's cuteness the most, especially his big, bright eyes that were full of hope, and even his eyelashes were like small fans that fluttered.

She reached out and pulled him into her arms.

Yuan Bao wrapped his arms around Lin Hanxing's neck and kissed her on the cheek.

Lei min stared at his little nephew with a blank expression, resisting the urge to throw him out.

His cold features were unconsciously tense.

"Oh, I like my daughter-in-law too!"

Mama Lei ran to Lin Hanxing's side happily and hugged her.

With one big and one small hanging on his body, Lin Hanxing looked at Lei Xiao for help.

The moment Lei Xiao met those clear eyes, he walked over uncontrollably. He first threw Yuan Dabao, who was wrapped around her, into Yan beiming's arms, then snatched Lin Hanxing back.

"It's mine,"

Looking at Zhong Nanyin, Lei Xiao said in a low voice.

Lin Hanxing's fierce aura was nowhere to be seen.

Like a cat whose claws had been taken away, he was trapped in front of the moon by the lightning owl.

"Ah Xiao is a miser!"

No matter how the others ridiculed him, Lei Xiao held Lin Hanxing tightly and did not let go.

It was as if he was afraid that she would run away.

since you're here, don't leave. It's rare for the three of you to be here. Let's have a BBQ tonight!

In Zhong Nanyin's eyes, Yan beiming and Liang yuran were like her own sons.

Naturally, he spoke in a casual manner.

However, no one noticed that Lei kangnian, who was on the phone in the corner, had a subtle expression on his face.

Not long after, he hung up the phone.

ah Xiao, girl, su zhanlong and Zhong Yifu are here. They said that they want to see you two!

As soon as he said that, the villa's courtyard became a little quiet.

On the other hand, Lin Hanxing and Lei Xiao's expressions did not change much.

Ever since the SU family organization's scandal exploded in Jiang city like thunder in the morning, the two of them had been trying to contact Lei Xiao and Lin Hanxing through every possible means.

Anyone with a discerning eye could tell that someone was deliberately messing with concubine su. Coupled with the videos that were flying around in her circle of friends, what else was there to not understand? Anyone who could make a name for themselves in Jiang city was a smart person. As long as they were connected to the Lei group ...

No matter how good his fair-weather friends were, they would not dare to pull su zhanlong's leg at this time!

Lei Xiao lowered his head and looked deeply at Lin Hanxing in his arms.

"See him?"

"Yes, why not?" Lin Hanxing laughed.

Since ancient times, men were fickle.

She also wanted to see how su zhanlong, who had pushed Luo Mingwei to the guardhouse, was feeling right now.

## Chapter 408: Nothing is impossible

When Lin Hanxing and Lei Xiao appeared together, su zhanlong and Zhong Yifu stood up abruptly to welcome them.

Su zhanlong's face was obviously filled with anger.

"She already told me that you were the one who caused the trouble last night!"

At this moment, su zhanlong no longer had the elegance he had when they first met. It was obvious that he had not slept all night.

His eyes were bloodshot and his beard was unshaven.

"So what if it's me?"

Lin Hanxing smiled, too lazy to even deny it.

Su zhanlong glared at her femme fatale face.

He should have thought about it earlier. How could the Lin family's little Jiu, who had been missing for 18 years, not stir up the dead waters of Jiang city when he returned!

Or perhaps, her motive for coming back ...

"Didn't I advise you before, teacher su?"

Lin Hanxing said faintly, his voice cold as usual.

It was as if su zhanlong had returned to the first time he saw her at the police station.

There's an old Chinese saying, "pay for a lesson". I think Mr. Su should have heard of it.

Since Wanwan had already paid for the lesson and spent the money, she had to remember it in her heart. Otherwise ...

The next lesson for Qianqian might not be something that could be bought with money!

That night, the Lin family's little ninth's eyes were filled with sarcasm, just like today. He didn't even bother to hide it.

It was as if she had nothing to be afraid of!

"Aren't you afraid I'll tell Lin qianlin?"

Not only did su zhanlong's almost direct threat not cause Lin Hanxing to panic, but it also made her reveal a sarcastic smile.

"Mr. Su, I thought you would be a smart person!"

She sat down on the sofa leisurely, but her voice was as cold as ice.

"Do you think that such a threat would work on me?"

She placed one hand on the sofa's armrest and looked at su zhanlong coldly. Or rather, she looked past him at Zhong Yifu.

since I have the guts to scheme against everyone, I won't let your su family get out of this so easily!

Fiddling with his slender fingers, the smile on Lin Hanxing's face was truly frightening.

"In other words, if I can plot against you once, I can plot against you a second time. As long as I want to ..."

Lin Hanxing raised his arm and made a grabbing motion in the air.

"Nothing is impossible!"

Standing beside Lin Hanxing, Lei Xiao stretched out his hand, and his powerful palm casually landed on the back of the black leather sofa.

Even if they didn't speak, they couldn't be ignored!

moreover, there's something that I'm sure you haven't heard of.

Lin Hanxing's eyelashes fluttered.

He zhehan and mother he went to the Lin residence today.

Upon hearing this, Zhong Yifu, who was dejected, suddenly raised her head and her eyes were filled with hatred!

Her best friend had been on Lin youlin's side the night of the incident, and now she was carrying her around?

"Could it be about the cross-sea bridge in Jiang city?"

Su zhanlong's expression turned ugly as if he had suddenly realized something.

Did the SU family just get into trouble this morning and those people already couldn't wait to find a substitute?

As if he had been hit by a stick, su zhanlong slowly sat on the sofa opposite him.

He did not say a word.

for the Jiangcheng Bay Bridge project, the Fang, he, and Lin families have formed a new iron Triangle. Your su family has been abandoned outside the circle by their actions!

Lin Hanxing's voice was calm, but it set off a huge uproar in su zhanlong and Zhong Yifu's ears!

"Impossible! Big sister wouldn't do this to me!"

Zhong Yifu stood up abruptly. Her eyes were also red and swollen because she had not slept for the whole night!

"In front of family benefits, what is family?"

Lin Hanxing said this in a self-deprecating manner, and even his eyes were dark ...

## Chapter 409: The Lin family is the most suitable

Zhong Yifu stood rooted to the ground in a daze, as if she could not believe it.

Lin Hanxing pointed with his finger, his expression indifferent.

“If the Jiangcheng sea-crossing bridge is completed and put into use, it will create huge profits in the future. This money is enough for a few families to not have to worry about food and clothing for a few lifetimes. If you were in my shoes, would you let the fat meat slip away in vain?”

Su zhanlong’s eyes were gloomy.

Based on his understanding of the Fang and he families, they were indeed people who could throw away everything for their own benefits.

“Why is it the Lin family! Why the Lin family!”

She clearly knew that Luo Mingwei had embarrassed her so badly last night, yet the next day, her good sister and best friend had abandoned them and gone to the Lin family to discuss a collaboration. If others found out, what would happen to the SU family’s face?

“Idiot, because the Lin family is the most suitable!”

Su zhanlong’s voice was low, and his entire body was cold.

In a short period of time, su zhanlong had already figured out the stakes.

The key to the SU clan’s crisis this time was the timing of the explosion.

It was easy to imagine how much importance the Jiangcheng sea bridge project placed on the project.

And today, the large-scale projects undertaken by the SU family had been exposed with scandals of cutting corners and not paying salaries ...

The matter had blown up so much that it was impossible for the higher-ups to not notice!

No one knew better than su zhanlong how much importance the Fang and he families placed on this project. Since the SU family had already become a useless piece of trash, they would naturally be abandoned at the first moment and turn to rope in the Lin family!

The SU family was now in a desperate situation!

“I’ll go find her! I’ll go find big sister!”

Zhong Yifu mumbled to herself, obviously still immersed in her own emotions.

Su zhanlong was impatient. He suddenly reached out and grabbed her wrist. With a loud slap, he gave Zhong Yifu a tight slap!

“If it wasn’t for you, how would the SU family be in this state?”

Su zhanlong’s words more or less had the meaning of pointing at the Mulberry and scolding the locust.

Lin Hanxing did not seem to care.

In her eyes, this was just the dying struggle of the loser.

No matter how loud they shouted, they were like an arrow at the end of its flight and couldn't cause any waves.

Suddenly, su zhanlong's gaze fell on Lin Hanxing's face.

"Everything is going according to your plan, right?"

Perhaps he had been deceived by her beautiful and harmless face from the beginning to the end!

The Lin family's little nine!

The Lin family's little nine!

Not to mention the Lin family, even if the Fang, he, Lin, and su families were to gather, they might not be able to win against this woman in front of them!

last night's kidnapping was just the beginning. Your goal was to capture all of our families in one fell swoop!

Su zhanlong said these words through gritted teeth.

Even though Lei Xiao was standing right behind her, his chilling aura was almost suffocating, and su zhanlong still couldn't shift his gaze away.

"So what if I am?"

Lin Hanxing's face was still filled with a faint smile. He did not bother to hide his attitude.

The affirmative answer instantly ignited su zhanlong's anger.

"Are you angry? Hatred? You want to kill me?"

Lin Hanxing asked three questions in a row, and su zhanlong's anger gradually reached its peak.

"You should hate the Fang, he, Lin family the most!"

"You don't need to sow discord!"

Su zhanlong roared.

then let me ask you, was it you or Luo Mingwei who took the initiative to approach you? "

Lin Hanxing's words caused su zhanlong to subconsciously freeze on the spot and not come back to his senses for a long time.

Lin Hanxing sneered and asked.

"Which family benefited the most after the SU family's accident?"

"Who betrayed your Alliance first?"

Su zhanlong's expression was gloomy and he couldn't say a word!

#### **Chapter 410: You have to think clearly**

Lin xiaojiu's every question hit the dark side of his heart.

When Lin Hanxing saw su zhanlong's expression, a light trace of ridicule flashed past his eyes.

There would always be such people in this world who would habitually blame their failures on others.

Someone had harmed him, and the whole world had let him down.

He would always be the most innocent one!

All she had to do was to dig out this side of su zhanlong and gradually magnify it!

Are you saying that the Lin family intentionally let Luo Mingwei get close to me? "

Su zhanlong opened his mouth sinisterly.

Su zhanlong, who originally felt guilty towards Luo Mingwei, now wished he could cut her into pieces with a thousand knives!

"Mr. Su, you shouldn't have asked me the answer to this question."

Lin Hanxing replied unhurriedly, one hand supporting his cheek, his long hair pouring down like a waterfall.

in Jiang city, there are plenty of companies that are bigger than the Lin family. However, in recent years, no matter how turbulent the business world is, only the Lin family has been able to stand firm and not be affected by any factional disputes.

"Isn't this a skill?"

Indeed, Lin Hanxing did not answer any of su zhanlong's questions directly.

However, her words had convinced the man that Luo Mingwei was just a honey trap set up by the Lin family!

The purpose was for the cooperation of the Jiangcheng Bay Bridge project!

His brain was so angry that he couldn't even find any loopholes, and he could only act based on his feelings!

"Mr. Su, you need to think this through. Do you still want to talk to Lin qianlin?"

Tell Lin youlin?

How could he tell that B \* tch!

Su zhanlong now even had the heart to hack the Lin family into pieces!

Lin xiaojiu, we've all underestimated you!

Su zhanlong looked at Lin Hanxing with a deep gaze.

From the beginning to the end, he didn't think she was worth fearing. At most, he thought highly of her because of her relationship with the Thunder owl.

No one would have thought that.

It just so happened that such a weak-looking woman was able to design such a big scheme without making a sound, causing the seemingly strong but hidden partnership to fall apart and be reassembled!

What was she trying to do?

Even the experienced su zhanlong couldn't figure out what Lin xiaojiu was thinking.

"Thank you for the compliment."

Lin Hanxing smiled slightly and accepted su zhanlong's 'praise' without the slightest bit of modesty.

you've made use of every single person you can think of. Lin xiaojiu, you're too scary!

"Aren't you afraid that I'll look for Lin youlin before I come?"

It was as if he had aged a few decades in an instant. Su zhanlong sat down on the sofa dejectedly, panting heavily.

It was like a bellow.

It made one's ears hurt.

Lin Hanxing chuckled. If these were scary, she would only think that su zhanlong was too narrow-minded.

"Teacher su, so what if you tell aunt?"

Su zhanlong didn't come back to his senses for a long time after hearing this sentence. He didn't seem to understand the intention of her words.

They looked at Lin Hanxing in a daze.

Those clear eyes were filled with an indifferent smile.

Suddenly, as if he had understood something, he suddenly realized something as if his heart had stopped!

Yes, so what if he told Lin qianlin?

On the surface, didn't Lin xiaojiu do all this for the Lin family?

Although they had lost Luo Mingwei, the SU family had also lost their lives. The Lin family had taken over the SU family's position and entered the core circle. This was a great opportunity that couldn't be bought with money!

If he really did tell Lin youlin!

Not only would Lin qianlin not be angry, but she would also value Lin xiaojiu even more!

She ...
