

Goodnight 431

Chapter 431: Do you think that girl cares?

The night was dark.

In the hotel's Presidential Suite.

In the bedroom with only the dim yellow wall lamp on, Yuan shaojing was sitting quietly on the sofa with a cigar in his hand.

He lowered his head and looked at li Sinian's yellowed photo.

His fingers moved back and forth, his expression dejected.

After some time, Yuan shaojing put the cigar in his hand into the amber-colored whiskey in front of him.

The cigar was snuffed out.

"Mr. Yuan ..."

The men who got down from the bed walked over in a flattering manner.

Yuan shaojing didn't even look at them. He asked uncle hai to give the money to them and let them leave.

As for Cheng Lingyun, she seemed to have inhaled something, and she was still in a daze with a smile on her face.

He only felt refreshed.

It was as if she had a beautiful dream.

"Mr. Yuan, about country g ..."

Uncle hai said in a low voice, but Yuan shaojing interrupted him.

"If they can't even handle such a small matter, then they don't need to follow me."

Uncle hai paused.

"You've really made up your mind to do this?"

He had followed Mister Yuan for so many years, but he had never seen him like this.

"When everything is settled, I just hope that girl won't blame me for setting her up!"

How could it be?

Uncle hai completely disagreed with Yuan shaojing's words.

Yuan shaojing chuckled.

"Do you really think that girl cares?"

He didn't even know if what he was doing was a good thing or a bad thing for that Lin girl ...

.....

The next morning.

When they left Y R, Mama Lei and Yuan Bao were clearly reluctant to leave.

It was only after Lin Hanxing asked the Butler to go to the vineyard behind the mountain to pick a basket of Beauty's finger that they were finally appeased.

"Little cold star ..."

Yan beixiao desperately tried to make his presence known in front of Lin Hanxing.

How could Lin Hanxing not know what he was thinking?

He took a few silver-gray cards from the Butler and handed them over to Lei yunliang.

"The next time you come, you can use this card to get a 50% discount."

Yan beixiao held the silver-gray card in his hands. With this, he could boast about it in the circle for half a year!

This was a Y.R. Card!

A card that could get a 50% discount!

"Ah Xiao, little Hanxing didn't prepare anything for you!"

Yan beixiao chuckled and held it up to show off in front of Lei Xiao.

Lei min glanced at him expressionlessly. He was in an extremely bad mood because he had to part with Lin Hanxing again.

"Hmph, my uncle's is black!"

Yuan Bao looked at Yan beiming as if he was looking at an idiot.

While the other side was busy, Lin Hanxing's phone suddenly rang.

She looked at the caller ID and the smile on her face disappeared.

He walked a little further away and picked up the call.

It was Jiang Xibao on the other end of the phone.

No one knew what Xi Bao said, but Lin Hanxing's eyes were full of sarcasm.

"I know. I'll be back in about an hour."

After that, he hung up the phone.

He turned around and saw Liang yuran standing not far away.

"Is there something?" Lin Hanxing was extremely patient with Lei Xiao's friends.

“Even though it’s all thanks to ah Xiao, I still have to thank miss Lin for her generosity.”

Liang yuran smiled faintly and looked at Lin Hanxing.

“Did ah Xiao tell you that I made this bracelet?”

Pointing at the diamond bracelet on her wrist, Liang yuran said in a deep voice, ”

Lin Hanxing raised an eyebrow.

Back then, she had marveled at the exquisite and secretive way the links of the bracelet were made.

He didn’t expect it to be done by this person.

“In the future, if Ms. Lin needs any help, please come to the black street and look for me.”

Then, he handed a black business card to Lin Hanxing.

“Take it as a thank you gift.”

Chapter 432: The first confrontation

Lei Xiao sent Lin Hanxing back to the Lin family.

this morning, Lin youlin brought the old lady of the Luo family home.

“Yes, I know.”

Lin Hanxing was quite interested in this old lady.

One must know that the old lady was a powerful character when she was young. Her mouth could be said to have scolded the entire Jiang city.

In the past few years, he had been tyrannical and tyrannical.

“I’m actually looking forward to it!”

Lin Hanxing’s lips curled into a faint smile as he looked at the scenery outside the window.

Recently, no one had come to cause trouble, and she always felt that these days were very boring.

Lei Xiao tilted his head and glanced at her, but he did not comment on Lin Hanxing’s bad taste.

Very soon, the Lin family’s Villa could be seen faintly.

“Put me here, I’ll walk over.”

Lin Hanxing pointed to a place not far away, indicating for Lei Xiao to put her down.

Thunder owl looked at her.

“Old lady is here. There are many people around, so it is inevitable that she will say some nonsense.”

Knowing that she knew what she was doing, Lei Xiao stopped the car in the direction she pointed and let her unbuckle her seat belt.

“Remember to eat well. I’ll ask Anthony to keep an eye on you.”

“When did you buy over Anthony?”

Lei Xiao’s words were rather helpless, but there was no displeasure in them.

This man wished he could give her all his love.

However, Lin Hanxing did not want it.

Sometimes, Lei Xiao was even a little annoyed at her independence.

If she was like an ordinary woman and could more or less rely on him, he would not be so worried about gains and losses.

He was afraid that one day, his cold star would take a fancy to someone else.

“When you don’t know!”

As he spoke, Lin Hanxing reached out to pinch Lei Xiao’s cheek.

Only when his face was deformed did she raise her eyebrows and speak.

Lei Xiao’s deep eyes were filled with helplessness and indulgence.

Perhaps only Lin Hanxing would dare to be so impudent towards him, but it was also because of this that Lei Xiao’s uneasiness was slightly dispelled.

“I’m leaving.”

After Lin Hanxing finished speaking, he took his bag and was about to get out of the car.

“Hanxing,”

Thunder owl stopped her.

Lin Hanxing turned around.

“Send me a WeChat message.”

After he finished speaking, he curled his thin lips and smiled at her.

Lin Hanxing’s heart started to beat faster as if the bitter cold land of the extreme north was melting.

She looked away and felt that she had been seduced by this man again.

“Oh right, I’ll be very busy these few days. Help me take care of Lu bingde.”

Lin Hanxing naturally didn’t forget that Lu bingde was still lying in the hospital with two broken arms.

Her one-week appointment with him was about to end, and she had to find time to meet him.

But before that, she still needed Lei Xiao to help her take care of her.

"I know."

Hehe, who knows what kind of good fortune that Lu Bingde had accumulated in his past life to be noticed by Hanxing.

Lei min's face was expressionless, but his eyes were cold.

.....

Lin Hanxing walked towards the Lin family villa unhurriedly.

Not far away, behind the carved gate, there were faint traces of human figures.

"Open the door." Lin Hanxing looked up at the surveillance camera. Ever since the last time she took down the door, no one dared to block her outside.

With her cold words, the carved door slowly opened to both sides.

The person standing inside the door walked towards her.

"Miss Lin." The person who spoke looked like he was in his twenties, and he deliberately dressed up to look mature.

The peony fragrance on her body could be smelled from far away.

Nowadays, it was really rare for people to still use such an old-fashioned fragrance.

Lin Hanxing thought to himself, a lazy smile on his lips.

"What?"

"I'm sorry!" As she spoke, the woman gestured to the servant behind her and was about to capture Lin Hanxing!

Chapter 433: What are the rules?

Lin Hanxing just stood there, smiling.

Her face was as clear as Jade, and her eyes were full of interest.

As soon as the woman finished speaking, the Lin family servants behind her looked at each other with bitter faces, but no one dared to make any move.

Even if the person in front of him was smiling, who knew when he would turn hostile?

Everyone here had clearly seen her intimidating methods.

Only those who truly wanted to die would dare to go against Lin xiaojie!

"Are you all deaf?"

Seeing that no one responded after she had spoken for a long time, it was as awkward as it could get.

Shen Shu 'er was still young, after all, and her face was flushed red.

"This is the old Madam's order!"

"Oh? I wonder how I've offended the old lady?"

Compared to the smile on his face, Lin Hanxing's voice was like a bucket of ice water that was poured over one's head, sending chills down one's spine.

"You didn't come back last night. You're so shameless."

"The old Madam told me to wait for you here and teach you some manners!"

Shen Shu 'er was full of herself as she looked at Lin Hanxing from the corner of her eyes with obvious contempt.

"Oh? What are the rules?"

Lin Hanxing said indifferently, his long and dense black eyelashes were like two small brushes, fluttering like butterfly wings.

Shen Shu 'er did not say anything.

Her intuition told her that this woman, who was so beautiful that she was jealous of her, was definitely not as easy to bully as she appeared to be!

"The rule is that you have to do whatever I tell you to do!"

Shen Shu 'er raised her chin arrogantly.

After being with the old lady for a long time, she had naturally been influenced by her personality.

Lin Hanxing did not respond to her, but he suddenly chuckled.

Even Shen Shu 'er was stunned, let alone the servants.

Lin Hanxing was extremely attractive, even the mole at the corner of his eye was alluring.

As long as she stood there, even if she didn't say anything or do anything, it was as if she had a secret weapon of seduction that made people reluctant to look away from her face, regardless of whether they were men or women!

"Who Do You Think You Are?"

Just as everyone was still immersed in Lin Hanxing's chuckling, they heard a lukewarm voice.

"What?" Shen Shu 'er thought that she had misheard.

However, Lin Hanxing's expression suddenly disappeared and he looked at her coldly.

"I say, Who Do You Think You Are?"

He repeated the sentence 'patiently'.

Shen Shu 'er felt as if all the blood in her body was rushing to her head.

Ever since she had been by the old Madam's side, no one had ever dared to speak to her like this.

Who wouldn't be polite when they saw him? even if they were unconvinced in their hearts, they absolutely wouldn't dare to show it on their faces!

Who asked everyone else to be afraid of the old Madam's shrewish character?

"You ..."

Shen Shu 'er pointed her finger at Lin Hanxing's face.

Lin Hanxing took a step forward, reached out with his cold fingers, and held it tightly.

"Why don't you let me teach you the rules of being a human?"

The closer he got, the more he could smell the peony fragrance on this woman.

It was so sweet that it made people feel sick.

"I'm sorry to offend."

It was the same three words. Lin Hanxing's gaze went past Shen Shu 'er and slowly landed on the servants who were standing on the spot, not knowing what to do.

With just one look, everyone shivered.

"Tie her up."

He gave his order coldly.

"You dare! Which one of you dares to make a move!"

Shen Shu 'er was shocked when she heard this.

Lin Hanxing raised his eyebrows and looked at her, sneering.

"I'll see who dares to not make a move!"

Chapter 434: Let her know how powerful she is

In the Lin family's Villa.

Luo Ruyin snuggled up to her grandmother's side, as if she had found a backer, and suddenly had confidence.

Ruyin is the young lady of the Lin family. How can she be bullied by an outsider like this? as her parents and brothers, are you all useless? "

The old lady sat on the main seat, her eyes as sharp as a sword.

His white hair was neatly combed back, and his thin face revealed his high cheekbones, giving off a strong sense of meanness.

“Grandma, you have to help me vent my anger!”

Luo Ruyin affectionately held her grandmother’s arm and pouted.

Lin xiaojiu snatched my room away the moment he came back. He made me sleep in the small room next door!

As if she wanted to vent all the resentment she had accumulated during this period of time, Luo Ruyin poured out her grievances.

“She’s rebelling!” The old lady sneered.

“Does she really think she’s the little princess from back then?”

don’t worry, I’ve asked Shu ‘er to wait for Lin xiaojiu at the entrance. I’ll show her what I’m capable of today!

Hearing this, Luo Ruyin and Luo Wenbo revealed proud smiles on their faces, while Luo Wensu had a pensive expression.

“And about Mingwei, how did you become her sister-in-law?”

The old lady changed the topic to Lin youlin.

Lin youlin laughed bitterly. Before she could say anything, a servant ran in from outside the door.

“Old Madam!”

The servant was clearly in a hurry, and she was panting.

“Is Lin xiaojiu back?”

Luo Ruyin suddenly stood up, her face full of excitement. She wanted to see Lin xiaojiu make a fool of himself.

The servant nodded desperately, but there was another kind of panic on her face.

“Yes ... He’s back ... He’s back!”

Upon hearing this, the old lady sneered. She clutched the prayer beads on her wrist, which made a clattering sound.

She was well aware of Shu ‘er’s capabilities, and she was more than capable of dealing with Lin xiaojiu.

He was waiting for Shu ‘er to temper her, and then make Lin xiaojiu spit out everything he had eaten.

She didn’t believe that she couldn’t suppress a little girl who had no one to rely on!

“She ordered people to kidnap the old lady’s people!”

The helper, who had finally managed to catch her breath, hurriedly said the whole sentence.

“What did you just say?”

The smug smile on the old lady's face froze. She slammed her prayer beads on the back of the chair and stood up abruptly.

Luo Wensu laughed bitterly.

As expected.

The old lady wanted to gain face for Ruyin and suppress Lin xiaojiu, but how could Lin xiaojiu be the kind of person who would just wait for someone to climb over her head? Moreover ...

After a few days of observation, Luo Wensu clearly felt that even though Lin xiaojiu called them aunts, in reality, she probably didn't have any concept of family affection for them.

Otherwise, how could he be so ruthless?

Today, he was afraid that the world would be turned upside down!

"Miss Lin said that she wanted to teach miss Shen the rules of being a person!"

The servant continued to fan the flames under Luo Wenbo's Secret signal.

The old lady was so angry that she laughed.

Shen Shu 'er was adopted by old Mrs. Han, but even so, she loved her with all her heart.

"What else did she say?"

The old lady said in a neutral tone.

you're still saying ... Still saying ... the remaining words rolled around the servant's mouth three times, but she didn't dare to say it.

"Hurry up and tell me!" Qianlin pressed.

"He even asked the old Madam to go over and supervise him in person!"

As soon as she finished speaking, the old lady sneered twice.

"Good! What a good Lin xiaojiu! I'd like to meet him personally!"

Chapter 435: shameless

The old lady was aggressive and looked like she was going to get back at him.

As his most beloved granddaughter, Luo Ruyin naturally had to be by his side.

As for the rest of the Lin family, they followed behind old Mrs. Lin obediently.

The group of people walked towards the door under the guidance of the servants.

At this time, Lin Hanxing was sitting lazily on the wicker chair that the mute uncle had brought over. On the decorative stone table in the courtyard next to him, there were a few hot desserts and black tea.

In contrast, Shen Shu 'er was tied up like a dumpling.

Lin Hanxing looked at the group of people approaching from afar. He took his time to cover the cold smile on his face with his black tea.

"You're Lin little nine?"

Soon, old Mrs. Lin arrived and the Lin family's servants surrounded the place.

On Lin Hanxing's side, there were only the mute uncle and Jiang Xibao.

Lin Hanxing put down his teacup and looked up at the old lady quietly. There was no fear or disgust in his eyes.

"Good day, old Madam."

In terms of seniority, Lin Hanxing could have called her grandmother.

However, the cold 'old Madam' completely separated them and also showed her attitude.

"I don't deserve your praise. Let Shu 'er go, or I won't forgive you!"

The old lady narrowed her eyes and sneered.

Lin Hanxing turned a deaf ear to her words and focused his gaze on Luo Ruyin, who seemed to have regained her imposing manner as she supported the old lady.

Luo Ruyin only felt as if she was being stared at by a venomous snake, and she couldn't help but feel a chill run down her back.

However, when he thought of his grandmother, he regained his confidence.

He straightened his back and glared at Lin Hanxing.

cousin, I think you're used to being unbridled. You don't know how to restrain yourself in front of grandma.

Luo Wenbo opened his mouth at the right time, obviously trying to fan the flames.

As expected, the old lady's face turned even gloomier after she finished speaking.

Luo Wenbo originally thought that Lin Hanxing would argue for him, but she didn't even look at him. She only had a sarcastic smile on her lips, which made him angry.

Did she really not put him in her eyes?

I've indeed been used to being unrestrained for the past 18 years. I didn't expect to be accused of being shameless when I returned to the Lin family.

As he said this, Lin Hanxing looked at Shen Shu 'er thoughtfully.

It wasn't hard to understand what the old lady was thinking.

If she wanted to control her, she had to intimidate herself from the start.

But unfortunately ...

“Little Jiu, what are you doing? Why aren’t you releasing Shu ‘er?”

Lin youlin seemed to have noticed something was wrong with Lin Hanxing’s eyes, so she quickly came out to smooth things over.

As a daughter-in-law, she was well aware of her mother-in-law’s capabilities. But during this period of time, she was even more aware of Lin xiaojiu’s temper. When the two of them met, they would tear down the entire Lin family before they would stop!

“What’s wrong? You’re throwing a tantrum after a few words? If you didn’t come back all night, then what is? I don’t know what your dead parents taught you! You’ve taught such a shameless thing!”

Lin youlin’s expression changed as soon as the old lady finished speaking.

He subconsciously looked in Lin Hanxing’s direction, afraid that she would do something.

“Hehe.”

Lin Hanxing said coldly.

“If you’re talking about shamelessness, who can compare to your daughter, Luo Mingwei? Now, the whole of Jiang city knows that she’s been locked up in the detention center for selling silver ladles. It’s unknown when she’ll be released!”

This almost direct slap in the face sentence instantly infuriated the old lady!

Chapter 436: Shocking everyone with his words

Lin xiaojiu, are you crazy?!

Luo Ruyin’s eyes widened. Lin xiaojiu’s attitude towards them was one thing, but now he had no respect for grandma at all. Where did she get her confidence from?

Old Mrs. Han was used to acting like a tyrant, so she trembled in anger when she was slapped in the face.

as the saying goes, a Crooked Stick will have a crooked shadow. Even now, people in Jiang city are still talking about old Madam’s love affairs when she was young. It’s true that you’re no longer in the martial world, but there are still legends about you in the martial world!

When the old lady was young, she married four husbands in a row, and Luo Minghao also changed his surname four times in a row.

In the end, it was decided.

This was a gossip that almost everyone in the wealthy families of Jiang city knew.

“Lin xiaojiu!”

Lin qianlin’s face was unusually stern, while Luo Minghao’s expression was gloomy.

“You all heard it, right? You’re just going to let this bastard slap my face like this?”

The old lady was really furious this time. She didn’t expect a junior to say such things in front of her!

As the saying goes, don’t hit people’s faces, and don’t expose people’s shortcomings.

This Lin xiaojiu was acting recklessly, so he had to teach him a lesson!

“Men! Take her down! See if I don’t properly deal with this bastard today!”

The old lady roared.

Luo Ruyin and Luo Wenbo were shocked. They had been waiting for this day.

Even Lin youlin and Luo Minghao stood aside and kept silent.

They also felt that it was time for someone to teach Lin xiaojiu a lesson so that he wouldn’t be so disrespectful to his elders.

Luo Wensu was the only one who remained calm.

He looked at the woman sitting not far away with a calm expression. Even though she knew that the old Madam was going to harm her, she still showed no fear. Luo Wensu knew that today’s matter would not end so simply and peacefully!

However, she was not afraid because she was really ignorant and fearless ...

Or did he have some unknown trump card?

“Let’s see who dares to?”

Lin Hanxing gave them a sidelong glance that was neither warm nor cold, and the group of people who had wanted to get closer were so shocked that they froze in their spots!

It was only then that Lin youlin and Luo Minghao felt that something was wrong.

Lin xiaojiu had only returned for a short while, yet he had already caused such a huge shock in the family?

Lin Hanxing supported his cheek with one hand, looking lazy.

“I’ve only said a few words, and you’re already so angry. If you find out that I was the one who sent Luo Mingwei to the detention center, aren’t you going to kick me out of this house?”

The impact of Lin Hanxing’s words was no less than the highest level of earthquake.

As soon as he finished speaking, the surroundings fell silent!

Even the Furious old lady was stunned on the spot, looking at her with a dull expression.

What did Lin xiaojiu just say?

She was the one who sent Luo Mingwei to the detention center?

Lin xiaojiu, you traitor! How dare you collude with outsiders!

Luo Wenbo's veins popped out on his forehead when he thought about how all the incidents that had happened in the Lin family over the past few days were all related to Lin xiaojiu!

"Little Jiu, do you know what you just said?"

Lin youlin's eyes were filled with malice. She thought of the slap that Zhong Yifu had given her yesterday, and her voice was filled with questions!

I was the one who sent Luo Mingwei to the detention center.

Lin Hanxing and Lin youlin looked at each other without hiding anything.

For a long time, Lin youlin could not say a word as she clenched her fists.

but what if I say that the reason I'm doing this is to stand up for my aunt ...

"Aunt, do you trust me?"

Lin Hanxing smiled faintly. There seemed to be a light mist behind him, and he was so beautiful that it was shocking.

The words he said made Lin youlin confused!

Chapter 437: The fragrance of peony

In fact, it was not just Lin youlin, even if someone else heard Lin Hanxing's words, they would be confused.

What did he mean by sending Luo Mingwei to the detention center to avenge Lin youlin? could it be ...

Seeing the suspicious look in her husband and mother-in-law's eyes, Lin youlin was suddenly furious!

For the past two days, she had been busy with her sister-in-law's matter, and her face had been trampled on by others. She didn't get any good treatment from the Luo family.

"Little Jiu, don't talk nonsense, what do you mean by standing up for me! I don't need you to help me vent my anger!"

He did not dare to vent his anger on his mother-in-law and husband, so he could only vent it on Lin Hanxing!

Lin Hanxing did not get angry at all. Instead, the smile on his face widened.

"Aunt, don't be so sure."

Under the doubtful and fearful gazes of the crowd, Lin Hanxing slowly stood up and walked towards Shen Shu 'er who was tied up and kneeling on the ground.

"Such an old-fashioned peony fragrance, it doesn't seem like something you would use at your age!"

As he spoke, Lin Hanxing reached out and grabbed her chin, forcing her to look up.

The moment their eyes met, she did not know if it was because Lin Hanxing's cold and strong gaze was too oppressive, but she subconsciously wanted to look away. However, Lin Hanxing would not let her do as she wished.

"It's similar to the smell on old Madam."

Lin Hanxing's fingers were filled with the smooth fragrance of a woman, which made her feel disgusted.

"How about I make a bold guess? This peony fragrance is old Furen's and the reason why your body has such a strong smell is only because time is short and you need to cover up other things on your body ..."

"I don't want anyone to know about my body odor!"

Almost instantly, old Madam Shen Shu 'er's expression froze!

Shen Shu 'er subconsciously looked at the old Madam with embarrassment and panic in her eyes!

"What nonsense are you talking about? aren't you talking about Mingwei? why are you talking about Shu 'er? I think you're Gu zuoyan, you're trying to divert our attention!"

"Old Madam, what's the rush? All these things have to be explained with a beginning and an end!"

if I tell you everything, aunt will think that I'm colluding with outsiders to hurt the Lin family. I'll leave without waiting for you to chase me away. I won't stay for a second longer!

Lin Hanxing raised an eyebrow and glanced at the old lady.

"Aunt, why don't you think about it carefully? have old Madam and uncle been lobbying for something recently?"

Lin Hanxing let go of Shen Shu 'er's chin and took the wet tissue from the mute uncle. He carefully wiped every finger that was stained with the strong peony fragrance, but he still maintained a heart-stirring smile on his face.

When Lin qianlin heard Lin Hanxing's words, she couldn't help but seriously think back to the past.

Lin Hanxing sat back on the rattan chair. No one noticed that Jiang Xibao was missing from the person who was guarding her!

Very quickly, Lin youlin recalled.

Half a month ago, her mother-in-law had indeed discussed something with her. At first, she was very unhappy.

However, after her husband Luo Minghao's persuasion, this matter was supposed to be settled after her mother-in-law came.

Could it be ...

She jerked her head up and looked at Lin Hanxing. When she met his smiling eyes, Lin youlin felt an inexplicable sense of panic. In just a few seconds, it swept through her body like a gust of wind.

Lin xiaojiu, what nonsense are you spouting? "

Luo Ruyin couldn't understand what they were talking about, so she raised her voice and shouted.

Chapter 438-deceiving the heavens, in your dreams

"What, you three siblings don't know?"

Lin Hanxing pretended to be surprised as he looked at the three siblings, Luo Wenbo, Luo Wensu, and Luo Ruyin.

Luo Wenbo had had enough of Lin xiaojiu's mystifying tricks!

"Know what?"

Luo Ruyin looked at her parents with a blank expression. When she didn't get an answer, she turned her eyes to her grandmother.

"If it wasn't for your aunt's sudden accident, after matriarch Lin's arrival, the Lin family's household register ..."

Lin Hanxing smiled slightly, but there was an unspeakable cruelty in his smile.

"I'm going to have a younger brother!"

Luo Ruyin was the first to open her eyes wide, as if she couldn't believe it.

Luo Wenbo and Luo Wensu looked at their parents. Didn't they know that they were the only ones who knew about such a big matter?

"Mom, is this true?"

Luo Wenbo's face was dark as he looked at Lin youlin.

What he was most concerned about was not the matter itself ...

It was about whether the child's background would pose a threat to his position in the Lin group!

that's true. Your grandma said that he's a distant relative's child. For the convenience of his studies and life in the future, he wants to move his household register to our house! Lin qianlin's heart was pounding, and she glanced at Luo Minghao.

"A distant relative's child? What distant relative? To put it nicely, it's moving the household register over, but to put it bluntly, it's just adoption, right?"

Luo Wenbo's face was gloomy.

"Isn't it just a matter of having more bowls and chopsticks? Wenbo, aren't you being too serious?"

The old lady's expression showed her uneasiness, which was a rare sight, and it even overshadowed her anger towards Lin Hanxing.

"More than one pair of chopsticks? Grandma, I think you've gone senile!"

Luo Wenbo laughed at the old lady's words.

Now, he was extremely glad that Lin xiaojiu had caused all this trouble. If he had really let his parents and grandmother quietly settle this matter, he was afraid that there would be more trouble in the future!

“Luo Wenbo, how can you talk to your grandma like that!”

Luo Minghao’s eyes were filled with anger. Luo Wenbo pursed his lips and swallowed the words he was about to say, but his expression was obviously not convinced.

this matter isn’t as simple as having more bowls and chopsticks. To put it bluntly, even blood Brothers have to settle accounts clearly. If we really adopt this child, if there are any problems with the inheritance in the future ...

Lin Hanxing looked on coldly at the Lin family’s internal strife and counted the time in his heart.

I don’t understand. What’s the connection between this and the peony fragrance you mentioned just now, as well as sending aunt to the detention center? ” Since he didn’t have a strong obsession with Lin’s group, Luo Wensu’s focus was on the three things Lin Hanxing had mentioned. Since she had mentioned it, it must be related, but he ...

He still hadn’t fully comprehended it.

I really don’t want to reveal the answers to these questions in front of aunt. The Luo family has been playing with aunt like a fool from the beginning to the end. If they knew how to restrain themselves, I wouldn’t have interfered.

Lin Hanxing did not seem to see the murderous look in the old lady’s and uncle’s eyes, but Lin youlin suddenly looked up.

“What do you mean by that!”

Lin Hanxing was not in a hurry to answer. He looked at his watch and calculated that it was about time. He raised his head and looked at his uncle, Luo Minghao, in the air.

You want to cross the sky and the sea? dream on!

The Mantis stalks the cicada, but there would always be the Oriole behind. She wanted to pry open the Lin family’s decay layer by layer.

Whether it was husband and wife, father and son, brothers ...

The relationship between people could not withstand repeated provocation.

Suddenly, a baby’s cry reverberated through the sky!

Chapter 439: Sitting down and enjoying the happiness of two people

The baby’s cry baffled everyone, and they looked at each other.

Shen Shu ‘er, who was tied up and kneeling on the ground, suddenly raised her head.

However, he met Lin Hanxing's eyes.

Lin Hanxing smiled at her, but his eyes were sharp.

Shen Shu 'er could not help but shiver.

However, she saw Jiang Xibao clumsily walking over from a distance with a child in his arms, and the crying was also coming from her arms.

The moment she saw the swaddling clothes, the old lady screamed and wanted to rush over.

However, before he could get close, he was blocked out of the safety range by the mute uncle.

He didn't know if it was intentional, but he couldn't reach it from that distance, making him anxious.

Jiang Xibao was really not good at carrying a child.

Lin Hanxing looked up and took it from her arms.

For some reason, the child who was crying in Jiang Xibao's arms suddenly stopped crying when he was in Lin Hanxing's arms.

She found a comfortable position and sniffled before falling asleep.

"Return the child."

The old lady's eyes were red from anxiety, but she could not get close.

"Auntie, this is the child of that distant relative."

Lin Hanxing smiled faintly and reached out to caress the baby's tender face.

Her tone was too calm.

It was so calm that everyone was shocked.

After saying that, Lin Hanxing gave Jiang Xibao a look. The latter immediately understood and walked towards Shen Shu 'er.

Very quickly, the cloth covering Shen Shu 'er's mouth was removed.

"Don't you touch him!"

Shen Shu 'er shrieked and glared at Lin Hanxing as if she wanted to eat her up.

"Now, I'll slowly answer you."

Lin Hanxing turned a deaf ear and looked lazily at Luo Wensu.

"As I said, this peony fragrance does indeed belong to the old Madam."

A cold and indifferent voice slowly resounded in everyone's ears.

"It's just that on the way here, I'm afraid that old Madam had thought about it and was worried that aunt would notice something. That's why she applied a large amount of it on Shen Shu'er's body to cover up her original smell."

Lin Hanxing's gaze swept across everyone.

"What is that smell?" Luo Ruyin couldn't wait any longer.

She was completely confused. What peony fragrance? what adoption? she was completely confused.

"The smell of breastmilk."

Lin Hanxing's cold words were like an arrow that shot straight into Lin youlin's chest.

With a whoosh, it hit the center.

After solving one of the questions, the rest of the answers were already showing signs of being revealed.

Just as Luo Wenbo and Luo Ruyin were still guessing, Luo Wensu's sharp gaze had already turned to his grandmother and father.

Luo Minghao's usually elegant and handsome face was now covered with dark clouds.

He was surrounded by a gloomy feeling that a storm was coming.

"Uncle, if you want to enjoy the happiness of having two people, you should at least ask if my aunt is willing!"

Lin Hanxing took in all of Luo Minghao's expressions, and the smile on his face was sarcastic and cold.

Lin xiaojiu, Oh Lin xiaojiu, I've really underestimated you.

Luo Minghao laughed coldly in his heart. Facing that calm and delicate little face, he suddenly felt an unspeakable desire in his heart.

It was the kind of conquest that only men had for women!

"What kind of woman would have the smell of breast milk? Why was the old Madam so secretive about this smell, as if she was afraid of ruining things? Aunt, you're so smart, can't you see the stakes?"

An answer began to form in her heart, and Lin youlin couldn't help but tremble.

Suddenly, she opened her bloodshot eyes and looked at the old Madam and her husband.

He slapped Luo Minghao's face!

Chapter 440: In your dreams

Even though her son had been beaten up, the old lady was already feeling guilty. She looked at her furious daughter-in-law and did not dare to say anything. She only glared at Lin Hanxing with hatred.

This pretty and delicate little girl who couldn't even lift her shoulders had ruined her big plan!

“Luo Minghao, who is this?”

Lin youlin pointed at the baby in Lin Hanxing’s arms with a trembling finger.

Luo Ruyin was so scared that tears rolled down her face. She didn’t understand how Lin xiaojiu’s few words could cause such a big storm!

She had been waiting for her grandmother to throw Lin xiaojiu out!

“I’m asking you who this is!”

Lin youlin tried to slap him again, but before she could land her palm on Luo Minghao’s face, she was stopped.

“Enough!”

Luo Minghao’s expression was gloomy, and his eyes were filled with warning, which only made Lin youlin even angrier!

“My child! The child! Brother Luo, the child!”

Right now, Shen Shu ‘er was most worried about her son. She was afraid that something would happen to him if he were to be in that woman’s hands.

“Brother Luo? A child?”

Lin youlin turned to look at Shen Shu ‘er, who was still kneeling on the ground, and suddenly pulled her wrist back from Luo Minghao’s palm.

The force was so strong that even Luo Minghao staggered.

“I treat you like my own sister! This is how you repay me!”

With that, Lin youlin pounced on Shen Shu ‘er, her hands on her beautiful face. She no longer had her usual high and mighty attitude, but instead, she looked like a Shrew!

“What right do you have to criticize me? Didn’t you also encourage your best friend to be someone else’s mistress?”

Shen Shu ‘er was beaten to the point where she had no strength to fight back, and she was crying out unwillingly.

As Lin Hanxing watched Lin youlin and Shen Shu ‘er get into a tussle, a cold and distant smile appeared on his face.

It was as if he was detached from the matter.

What was that saying again ...

Three people were always three people.

No one dared to step forward to stop the fight. The servants wished they could find a hole in the ground and disappear.

“Xi Bao, pull them away.”

Lin Hanxing only spoke after they had fought for a while longer.

Jiang Xibao quickly stepped forward and separated the two women with each hand.

The old Madam looked at Shen Shu ‘er, who she had raised since young, and could not help but reveal a pained expression. She could only blame her daughter-in-law for being too ruthless. Her face would probably take many days to recover.

“Daughter-in-law, you ...”

Lin qianlin could see the heartache in her mother-in-law’s eyes, and her anger flared.

“He’s just a traitor. If my aunt hit him, then so be it.”

Lin Hanxing smiled faintly. His eyes were as deep as an ancient well, and anyone who looked at them would have goosebumps.

“Old Madam, don’t forget that this is the Lin family, not your Luo family.”

As if she had been jolted awake, Lin youlin straightened her back.

Right! This was the Lin family, not the Luo family! Who was he putting on that face for?

“Little nine is right! This is our Lin family! It’s not your Luo family!”

Lin qianlin looked at her mother-in-law, then at Shen Shu ‘er, and sneered.

All these years, Lin youlin had been very respectful to the old lady. How could the old lady have thought that her daughter-in-law would dare to speak to her like this?

Suddenly, she saw her son’s eyes looking in her direction, hinting at something.

The old lady looked over and saw Lin Hanxing, who was sitting leisurely not far away and watching everything coldly. She was instantly furious.

It was all because of this jinx!

You want to stay out of this? in your dreams!

Let’s see if she doesn’t ruthlessly tear this little slut’s beautiful skin apart and take revenge for her Shu ‘er!
