

Goodnight 451

Chapter 451: Help me find someone

Shangguan shixiu's eyes signaled the bodyguards to take Shangguan Yilu out.

The door was closed from the outside.

"I want you to help me find someone."

The people he sent to Mengsong had yet to return with any valuable information.

Shangguan shixiu had thought that he could afford to wait.

But today's dream-like joy had finally caused him to mess up his pace.

Thunder valiant beast remained silent.

"The one you've been looking for?"

Shangguan shixiu nodded.

Lei Xiao had more influence in the country than he did, so he would have a higher chance of finding it.

"Name."

Lei Xiao's cold eyes fell on Shangguan shixiu's face, but the latter clearly didn't feel anything.

This was something that would never happen to him!

Ever since he had been adopted by the Shangguan family, Shangguan shixiu had been receiving strict training.

The most basic requirement was to have a keen insight into the surrounding environment.

"I don't know."

He paused for a moment before speaking.

The Thunder valiant beast moved slightly.

"Are you kidding me?"

Shangguan shixiu forced a smile. He also hoped that he was joking.

"I don't know her name. I don't know where she lives. I don't know anything about her."

"Looking for her is like looking for a needle in a haystack!"

Otherwise, he would not have delayed for so long.

"But she is very important to me!"

Lei Xiao's eyes were half-closed, hiding his true emotions.

"She's a woman?"

"Yes."

"What are its characteristics?"

"She's very beautiful, so beautiful that anyone who sees her will be moved."

If Thunder valiant didn't know who he was talking about, he would have scoffed.

"I can't give any orders if you put it that way!"

Shangguan shixiu also knew that he was being too forceful.

"There's a mole at the corner of her eye."

Pointing at the general position with his hand, Shangguan shixiu covered his mouth with a handkerchief and coughed twice.

"The year we met, it was in Myanmar."

"When I got back, she was no longer there."

His voice was filled with disappointment.

even if I used all my connections, there was very little useful information about her. I only know that she came to Yunnan and settled down. I just confirmed that she was in Mongsong not long ago.

However, when his men arrived, they encountered the same problem as they had all these years.

They clearly felt that she was close at hand, but they were like headless flies that couldn't find their direction. It was as if there was an invisible force that was leading them in circles, deliberately not letting anyone find any trace of her.

"This information is too general."

Lei Xiao didn't give Shangguan shixiu any hope.

"I know,"

Otherwise, he wouldn't have been unable to find it after searching for so many years.

the only one that's useful is the woman called aunt Mian by her side. Her red face and white hair are her distinctive features.

Thunder owl's hand, which had been casually placed under the table, suddenly tightened.

If he could still say that it wasn't a cold star with the previous information, then this one with the most representative characteristic was definitely not wrong!

His froststar was very important to Shangguan shixiu!

Then what about Hanxing?

Was he like Shangguan shixiu, who didn't know his name, his identity, and all the information about him, but kept a place for him in his heart?

Just the thought of it was enough to make Lei Xiao feel an impulse to destroy everything!

Cold star ...

If she had to choose between him and Shangguan shixiu ...

Would she choose him or Shangguan shixiu?

If Hanxing gave up on him ...

Lei Xiao's thin lips were pursed into a line, and his slender and handsome figure was hidden in the leather seat.

He was expressionless.

He didn't want to reveal the uneasiness in his heart!

"I'll try my best!"

Chapter 452: The best boss

In the coffee shop.

Because this café had been working with the Lei family for a long time, they were very familiar with Lei Xiao's taste.

However, there was a small interlude in the middle.

The freshly ground coffee beans that Lei Xiao often drank were gone, and they were being mixed from the branch.

He would have to wait for about twenty minutes.

As Lin Hanxing's back was facing Anthony, he did not see Anthony's exaggerated expression of gratitude.

The two of them found a random place to sit down.

Sitting next to the future wife of the president, Anthony suddenly felt more stressed.

"Why are you so nervous?"

Lin Hanxing could tell that Anthony was uneasy, as if there was a nail in his butt.

"I'm nervous?"

Special Assistant Anthony had an innocent look on his face, but he was laughing bitterly in his heart.

The next time Mr. Ray gives me such a difficult task, I'll definitely ask for a raise!

"You've been following Lei Xiao for many years, right?"

Seeing Anthony's uneasiness, Lin Hanxing deliberately found a topic to resolve the awkwardness.

At the mention of Thunder valiant, Anthony's expression instantly relaxed.

"Mr. Lei just took over the Lei family after graduation, and I followed him."

Along the way, he had witnessed him reaching the peak step by step.

"In your eyes, what kind of person is Lei Xiao?"

"Maybe ..."

Anthony glanced at Lin Hanxing. It was a taboo in their industry to talk about their boss behind his back.

However, after following Thunder valiant for so many years, his feelings for him eventually won.

"First, it was a strange person."

Lin Hanxing could not help but laugh when he heard the word 'strange'. He picked up the coffee in front of him and took a sip.

The mellow taste melted on his taste buds.

No wonder Lei Xiao liked this coffee. It was indeed first-class.

"To be honest, it's rare to find someone like Mr. Ray who has such a simple private life."

If it wasn't for his boss, Anthony wouldn't have believed it ...

Now, there was actually a leader of the group who lived such a clean and boring life.

he rarely attends the major banquets of the rich and powerful in Rivertown. He doesn't drink or socialize at night, doesn't hang out in nightclubs, and doesn't play with women ...

Anthony counted them one by one with his fingers.

"If there's an emergency at the company, even if I can't get through to him, I can find him in two places!"

"At home, in the gym!"

Before he met Lin Hanxing, Lei Xiao's life was very simple.

At the company, at the gym, and at home.

"There was an urgent document that needed his signature last time, so I went to his house to look for him. Do you know what I saw?"

Anthony said with an exaggerated expression.

"What did you see?"

Anthony's tone piqued Lin Hanxing's curiosity.

“He’s sitting on the ground and playing soul Douluo, and he’s even using that old-school card-inserted game console!”

I don’t even know where he got this old antique from!

The image was so vivid that Lin Hanxing could even imagine Lei Xiao sitting on the floor and playing games barefooted.

He doesn’t use Weibo, he doesn’t know how to shop online, and even his WeChat was registered by Mr. Yan ...

“Of course, that was before I met miss Lin.”

It seemed that Anthony felt that he had gone too far, so he quickly added.

“Sometimes, even I feel that Mr. Ray’s personality is too boring.”

Women would feel stressed when they were with men who were too playful.

Because he was afraid he couldn’t keep a close eye on her.

However, when a woman was with a man who was too boring, she would probably feel even more stressed.

Because it would be boring.

Lin Hanxing laughed when he heard someone say that lightning was boring.

She liked it when he was depressed and bullied him ...

There was an indescribable sense of accomplishment!

“However, Mr. Ray is the best boss!”

Chapter 453: Such a Mr. Ray

This was something that no one in the industry would doubt.

Ever since Lei Xiao took over the Lei Corporation, no one would dare to claim to be the best in terms of salary and benefits.

The Lei Corporation had millions of employees around the world.

To be able to support such a huge business Kingdom, one could imagine the amount of effort needed!

“Don’t think that Mister Lei is feared and respected by everyone now. It was so difficult when he first took over the Lei clan!”

At the mention of the times when he had clenched his teeth and walked through it, Anthony seemed to have opened up a Chatterbox.

back then, there were too many senior figures in the management of the Lei clan who helped father Lei build his Empire. They were too arrogant and gave Mr. Lei so many difficulties and problems!

Even now, Anthony was still filled with anger.

The relationships within the Lei Corporation were too complicated, and a slight change would affect the whole.

“No one is optimistic about Mr. Ray’s chances. They think that the business that father Lei has built over the years will be destroyed in his hands.”

Lin Hanxing’s eyes were as dark as the night as he listened.

She knew that when they talked about these things ...

Part of it was indeed Anthony’s true feelings, but most of it was deliberately said for her to hear.

“In that kind of environment back then, the slightest mistake would have caused a bloodbath.”

“I can’t even remember how many ‘accidents’ I’ve encountered following Mr. Ray!”

Anthony smiled bitterly and bent over to roll up the legs of his suit pants.

It revealed a long scar that looked like a centipede.

this was the worst. My leg was squeezed in the deformed car. At that time, the car was in danger of exploding at any time. It was Mr. Ray who risked his life to save me. Without him, amputation would be the best outcome.

“Later on, I found out that Mr. Ley’s injuries were much more serious than mine.”

the bones in his right arm are broken. He has been nailed for a few months and his internal organs are damaged. He barely made it out alive.

“But after he woke up, Mr. Ray’s first question was about my safety.”

From that moment on, Anthony decided that even if he had to sell his life to Thunder valiant for the rest of his life, he would be willing to do so!

“Miss Lin, don’t be fooled by Mr. Lei’s cold face. In fact, that man is the one who is truly cold on the outside but warm on the inside.”

Anthony sighed.

If one wanted to blame someone, they could only blame Mr. Ray for being born with a cold face. Fortunately, the heavens had bestowed him with a good appearance. Otherwise, who knew how many people would have been scared away.

Lin Hanxing’s expression was cold.

Even though she knew that these things had happened many years ago, when she thought of the large and small scars that still remained on Thunder valiant beast’s body, she felt like killing those people.

Her face was filled with hostility, but in Anthony’s eyes, it made him happy.

At least, Anthony knew that Lin Hanxing really cared about Lei Xiao.

don't worry, miss Lin. Mr. Lei is now the CEO of the Lei Corporation. He must have 'dealt' with these people.

However, in just a few years, no one dared to question father Lei's decision.

Today, under the leadership of Lei Xiao, the Lei group's industrial chain had spread all over the world, and the group's operations had even expanded by several times. Those who did not think highly of Mr. Lei in the past had long been drowned in the torrent of history.

This was an era where the winner was King.

Originally, Anthony had been wondering what kind of woman would be worthy of Mr. Ray.

That was until Lin Hanxing's appearance ...

To Anthony, it was a feeling of 'yes, this is the person'!

Especially when he saw Lin Hanxing's furious expression when he was protecting Lei Xiao, this feeling was even stronger!

Chapter 454: Not in a good mental state

Twenty minutes was neither long nor short.

The two of them chatted for a while, and it passed just like that.

Anthony got up to get the coffee.

Lin Hanxing's fair fingers fell on the coffee cup, thinking about something.

Until a WeChat notification came from his phone.

[9.90RMB free delivery: little cold star] [little fist hits your chest] [1]

Xing Xiaoxing was speechless.

[9.90RMB delivery: annoying, I want to kiss [hug, and lift you up high] [I really want to give you a kiss].jpg

Lin Hanxing laughed and rolled his eyes.

When she first met Yan beiming, she felt that he was a handsome man who moved around.

After that ...

It was just a moving emoji pack!

[9.90RMB delivery: ah Xiao asked me to provoke Luo Mingwei, but I seem to have provoked her a little too much] [baby's face is full of grievances]

Lin Hanxing's smile froze.

Xing Xiaoxing, "huh?"

[9.90 yuan including delivery: news from the detention center just now that Luo Mingwei swallowed a toothbrush and was released for medical treatment] [sighing].jpg]

On the other end of the phone, Yan beiming's face was full of innocence.

How could he have known that Luo Mingwei's mental fortitude was so bad!

He was so excited just by reading the report!

Xing Xiaoxing, "have you informed the Lin family?"

[

Xing Xiaoxing: " help me make arrangements. Delay the notice to the Lin family by an hour. Also, I want to see her.

The fire was burning brightly.

How could she not add more oil?

[9.90RMB delivery: Are you sure?] She might not be in a good mental state.jpg " I feel like a pot is falling from the sky.

The worse one's mental state was, the more fragile they were.

The more fragile he was, the more he was able to do some unexpected and extreme things!

However, Lin Hanxing could not be bothered to explain this to Yan beiming.

Xing Xiaoxing, [just help me arrange it.]

[

[Xing Xiaoxing, there's another thing ...]

[9.90 yuan, free delivery: the considerate Butler No. 1 is always ready for you to " cry from your handsomeness ".jpg]

[9.90RMB free delivery: there's a century-old restaurant in the south of the city called 'food stall'. There's a glutinous rice bun that he loves to eat, and he also loves to eat cheese.jpg]

Lin Hanxing automatically ignored the emoji at the end.

The glutinous rice dumplings from the food stall?

When he returned, he could go around and bring some back for Thunder valiant beast.

Xing Xiaoxing: " go to hell. Don't forget to send me the address.

[9.90 yuan free delivery: Zhe, thank you for your kindness " my Emperor's ten thousand sleep ten thousand sleep ".jpg]

"Miss Lin, the coffee is ready."

Anthony came back with a cup of coffee.

I have something to do at the last minute, so I need to go out. Help me send the coffee back and tell Lei Xiao that I'll be back later.

Anthony was dumbfounded!

Mr. Lei, hand her over to him. If he can't bring her back ...

He wanted to find a place to chat with Jing Jing ...

Oh, don't ask him who Jingjing is!

.....

A designated hospital for medical treatment on bail.

As Yan beiming had already made the necessary arrangements, Lin Hanxing was able to meet Luo Mingwei very quickly.

She stood by the bed and looked down at the pale and Haggard face.

"I know you're awake." Lin Hanxing said coldly.

After an unknown period of time, Luo Mingwei opened her eyes as expected. Her dry and cracked lips were tightly pursed into a line, and she stared at her intently.

Perhaps she had never thought that ...

The first person he would see when he opened his eyes was Lin xiaojiu!

"Someone as smart as you would actually do such a stupid thing!"

Chapter 455: Pour some oil on the fire

Lin Hanxing's voice was cold, as if he did not see the flames of jealousy burning in Luo Mingwei's eyes.

She tucked her long hair behind her ear, revealing her earlobe, which was adorned with a pure white pearl Earring.

No one knew better than Lin Hanxing how to make use of one's beauty!

Just like what she had once said ...

The woman's makeup and high heels were her best weapons!

As expected, Luo Mingwei's entire body began to tremble.

Even his breathing started to become heavy.

Lin Hanxing's face was as delicate as porcelain, and it was a huge blow to women.

"Look at you, how did you end up in this state?"

Lin Hanxing slowly leaned over and approached Luo Mingwei, mocking her in a low voice.

"I brought a mirror for you. You haven't seen yourself properly after you woke up, have you?"

As he spoke, Lin Hanxing reached for the mirror and placed it where Luo Mingwei could see but not reach.

Two faces appeared in the mirror.

Luo Mingwei's eyes widened in disbelief!

It had only been a few days, how did her face become like this?

Her face, which had been bright and beautiful after the makeup, had lost the powder and fat, and became yellow and Haggard.

The fine lines at the corners of her eyes and the deepened spell lines were even more unacceptable to her than her pores becoming extremely thick!

She was completely bare-faced!

This was how she looked without makeup!

Luo Mingwei, who had always cherished her beauty, could not accept this!

Not to mention, Lin xiaojiu's face was in the mirror!

Like the difference between the clouds in the sky and the mud on the ground, Luo Mingwei's head buzzed, and she looked like she was about to break the mirror.

But she couldn't reach it at all!

And from this angle, as long as he opened his eyes, he would be able to see the two contrasting faces!

"Who caused you to become like this?"

Lin Hanxing said softly, as if hypnotizing her.

In the mirror, the pair of black eyes bloomed with a cold light like an ancient well.

“Who turned you into this neither human nor ghost?”

With an enticing tone, Lin Hanxing continued to pour oil on Luo Mingwei’s burning heart.

His throat was still burning with pain after he took out his toothbrush, and he couldn’t speak.

All he could think about was su zhanlong and Zhong Yifu!

Luo Mingwei’s eyes widened in hatred, and the veins on her pale face bulged.

It made him look even more hateful!

su ... she used all her strength to spit out this word!

everyone says that a woman’s heart is unfathomable, but they don’t know that a man’s heart is the most immeasurable thing in the world!

A second ago, she was still in love with you.

The next second, he could push you into a sea of fire.

I can understand the hatred and resentment in your heart, but the man who really made you suffer is still living a carefree life outside. Why? ”

Extreme anger burned Luo Mingwei’s internal organs.

Right!

On what basis could su zhanlong still act like a couple who had returned from a long life with Zhong Yifu outside?!

And she was going to suffer here!

Why?

Lin Hanxing’s smile was like the brightest flower in the dark forest, tempting the minds of others.

“You have to find him. At least, you have to ask him face to face why he treated you like this!”

And then?

In the mirror, Lin Hanxing’s long eyelashes fluttered like butterfly wings.

She was so beautiful that it made people’s hearts start to tremble.

The flames of jealousy consumed Luo Mingwei’s rationality and heart.

After he found it ...

Of course, he wanted to cut su zhanlong into a thousand pieces!

He had to pay the price for everything he had done!

Pay the price!

Looking at her red eyes in the mirror, Luo Mingwei revealed her first faint smile of the day!

Chapter 456: Low air pressure

He drove the car back to the underground parking lot of the Lei Corporation.

Lin Hanxing looked helplessly at the crystal clear glutinous rice bun that was still steaming on the front passenger seat.

He didn't expect to spend so much time on this.

He swiped his access card and took the elevator to the top floor.

As soon as he stepped out of the elevator, Lin Hanxing felt a low air pressure on his face.

Anthony had just walked out of the president's office with a bitter face. When he saw Lin Hanxing, his eyes immediately lit up!

"Miss Lin, you're back?"

He walked over in a low voice. As soon as he got close, he smelled a familiar fragrance.

"It's the glutinous rice bun from the food stall!"

It was one of Mr. Lei's rare favorites.

"I was delayed by the queue. Take this back."

Lin Hanxing did not forget to give Anthony a portion when he packed the food, and he was so touched that he burst into tears.

"There's someone inside?"

Lin Hanxing looked at the tightly shut door of the president's office and remembered Anthony's bitter face when he walked out.

"Two senior executives were called over by Mr. Lei for a lecture."

"Then I'll go in later?"

When Lei Xiao was working, it would be better if she didn't disturb him.

"Don't! Don't! Miss Lin, you should go in now!"

Only God knew how terrifying Lei Xiao's expression was when he found out that Anthony had brought coffee but not Lin Hanxing!

Even though Anthony had been through hundreds of battles over the years, he was still scared by Thunder Valiant's aura until his legs turned soft on the spot!

Thank God Lin Hanxing was finally back. Anthony could not risk her running away again.

Lin Hanxing looked at Anthony.

What the hell was that 'I dare you to run away' expression on his face?

Before Lin Hanxing could speak again, Anthony had already knocked on the door of the president's office.

The moment he opened it, Lin Hanxing could hear Lei Xiao admonishing his subordinates!

"Mr. Ray, miss Lin is back!"

As if the pause button had been pressed, the imposing reprimand came to an abrupt end.

"Hanxing,"

The Thunder valiant beast's voice came from behind the door.

Lin Hanxing did not react for a moment.

Anthony, who was standing by the door and observing Thunder owl's expression, quickly made a gesture to her to speak.

"Yes, I'm back."

The moment Lin Hanxing spoke, the suffocating pressure in the air disappeared without a trace.

"Come in."

Thunder owl's low and sinister voice also became calm.

Lin Hanxing walked in with the takeaway box.

The two executives looked older than Lei Xiao, but at this time, they were both pale from the scolding, and their foreheads were covered with a thin layer of sweat, which made them look even brighter in the sun.

His eyes trembled slightly as he looked at the woman who came in from outside as if she was in her own home.

Although he was curious about her identity, he didn't dare to ask.

He was afraid that he would anger the Thunder valiant beast again.

It was already hard enough to get along with the Thunder valiant beast on normal days, but the Thunder valiant beast they had just faced was ten times colder than usual!

Even though the two of them were much older than Thunder valiant, they did not dare to talk back.

Lin Hanxing walked past the two of them and was almost amused by their pleading eyes.

Was the Thunder valiant beast that scary?

If they knew what she was thinking, the two of them would probably nod their heads in agreement!

Terrifying!

It was so scary that she would rather die from a heart attack than face him again!

With a loud bang, two documents were thrown in front of the two executives.

“Get out. If you make the same mistake again ...”

Thunder valiant beast didn’t finish his sentence, but even so, it was easy to imagine what he was going to say next.

The Senior Manager didn’t dare to say no.

He bent down to pick up the documents and left as if he was escaping from a man-eating beast!

Chapter 457: Don’t be angry anymore, okay?

The door was closed from the outside.

The president’s office returned to silence.

Lei Xiao was still holding the pen, sitting in the black leather seat.

His eyes were pitch black as he looked at her.

Lin Hanxing was sensitive enough to catch Lei Xiao’s strange behavior.

Her intuition told her that she was the reason.

Without saying anything, Lin Hanxing walked over and placed the steaming glutinous rice bun and vegetable porridge on the table.

Then, he reached out and covered the back of Thunder valiant beast’s hand.

On the back of the hand that was still holding the pen.

Thunder valiant lifted his head to look at her.

From his angle, he could see Lin Hanxing standing against the light.

The dust was rendered into specks of light by the sun, shining around her.

“Don’t be angry anymore, okay?”

Thunder owl heard her say this.

With a clatter, the pen rolled down from his open palm onto the table.

“I’m not angry.”

He tried to find his voice, even though it sounded strangely stubborn.

Lin Hanxing laughed when he heard that.

This lie was as funny as a child with a mouth full of chocolate marks saying that he didn’t secretly eat it.

“I’m just ... A little unhappy.”

Seeing her smile, Lei Xiao's tone also softened.

"I heard that someone likes to eat glutinous rice buns."

Lin Hanxing said as he opened the box.

The glutinous rice bun was still steaming and exuding a faint sweet fragrance.

Each of them was not big and could be stuffed in one mouthful. The skin was crystal clear, and the glutinous rice inside could be vaguely seen.

although it's still working hours, I don't know if I have the honor to treat you to afternoon tea, President Lei? "

Lin Hanxing asked for two more takeaway bowls, divided the vegetable porridge into two portions, and pushed them in front of him.

The porridge was light green in color, with unknown wild vegetables floating in it. The fragrance was overflowing.

After lighting some sesame oil, it whetted one's appetite.

Lin Hanxing went around to the other side of the desk and sat down opposite Lei Xiao.

From the beginning to the end, Lei Xiao's eyes never left her.

"Where did you go?"

Suddenly, the Thunder valiant beast opened its mouth.

He seemed to be worried that his tone would be too stiff, so he added.

"Can you tell me?"

Lin Hanxing stopped what he was doing and raised his head to look at Lei Xiao. He seemed to be a little off.

I went to see Luo Mingwei.

what you told Yan Beichen to do previously made her swallow her toothbrush. She's currently on bail for medical treatment.

Lin Hanxing added after some thought.

Lei Xiao did not respond. He did not care about Luo Mingwei's life.

"Try this porridge."

Lin Hanxing said as he turned on the fresh air system to let the air in the room circulate.

Lei Xiao obediently picked up the spoon and tasted it.

He didn't know how the wild vegetables were processed, but they still retained their crisp, tender, and smooth texture. The rice porridge was soft and sticky but not scattered. The fragrance mixed with the smell of sesame oil had a unique sweetness.

“Is it good?”

Lin Hanxing’s eyes were filled with anticipation.

Thunder valiant nodded.

It was indeed delicious.

Seeing that he liked it, Lin Hanxing smiled.

His eyes were like the crescent moon.

That originally delicate little face had an indescribable childlike air to it.

“Then can you tell me what you’re angry about?”

.....

The two executives who had left the president’s office were now surrounding Anthony, watching him take out a glutinous rice bun from the takeaway box. With one bite, the outer layer was chewy, and the glutinous rice core was sweet and soft, leaving an endless aftertaste.

“Who is that girl called Hanxing? Our future lady boss? Let me in on some information!”

Only the heavens knew that they were all determined to die today!

They didn’t expect that a Lucky Star would descend from the heavens and actually save them from the fire and water!

Anthony glanced at them and immediately saw through their thoughts.

Chapter 458: Don’t have any ideas about her

He finished the glutinous rice bun in his hand unhurriedly.

“I advise the two of you to not have any ideas about her.”

It went without saying who the ‘she’ Anthony was referring to was.

“We were just curious!”

One of the executives laughed as his eyes wandered.

“Let’s put it this way. It’s not difficult for you to find out her identity from me. However, if anything happens to her in the future, whether it’s me or you ...”

Anthony gestured to his neck with his hand. He did not finish his sentence, but it was self-evident.

“It’s that serious?” The two of them widened their eyes.

think about the recent major change in the Board of Directors and the senior management!

Anthony glanced in the direction of the president's office. He deliberately lowered his voice, which sounded inexplicably cold.

The two higher-ups looked at each other.

When they heard Anthony mention this, they could not help but shiver.

I won't ask anymore, I won't ask anymore. We're going back!

The two of them laughed dryly as they walked towards the elevator.

Anthony looked at their backs and sneered as he threw another glutinous rice bun into his mouth.

Oh, the future wife of the CEO bought it ...

It was delicious!

.....

The president's office was very quiet.

Lei Xiao and Lin Hanxing looked at each other but did not say anything.

"Will you leave me one day?"

Lin Hanxing was eating his porridge when he suddenly heard Lei Xiao's serious question. He stopped in his tracks and blinked.

With a pfft, she spat out the porridge in her mouth.

He charged at the Thunder valiant beast.

"I'm sorry ... Cough, cough, cough ... I'm sorry!"

Lin Hanxing could not help but cough dryly. It had been a long time since she had been in such a sorry state.

Lei min's face was expressionless as he took a piece of tissue from the table and handed it to her.

His cold features became a little out of place because of the vegetable porridge.

Lin Hanxing reached out to take it.

Looking at his face, she couldn't help but laugh and cough.

For a moment, Thunder valiant never understood what was so funny about his question.

However, looking at her snow-like cheeks that were flushed from laughing or coughing, his originally heavy mood also relaxed.

are you crazy? why are you suddenly asking such a question? "

Separated by the table, Lin Hanxing reached out to help Lei Xiao wipe the rice porridge off his face.

Her long, black, feather-like eyelashes blinked quickly.

The diamond bracelet on her snow-white wrist made a very faint sound.

Lin Hanxing wiped his face very carefully, the tissue slowly spreading from Lei Xiao's eyebrows to his nose and cheeks.

In the next second, her wrist was grabbed by a powerful hand.

Lei Xiao's slender fingers were still stained with the strong smell of tobacco.

He stopped.

Lin Hanxing looked at him.

Thunder owl's expression was very serious, and he didn't look like he was joking.

It was only then that Lin Hanxing realized that Lei Xiao was really serious when he asked her.

Without waiting for her reply, Lei min subconsciously tightened his grip on Lin Hanxing's wrist.

It was only when Lin Hanxing felt the pain that he gasped.

It let out a hiss.

He suddenly let go.

Lin Hanxing heard a thump and saw Lei Xiao get up. He placed one hand on the table and the other on the back of her head. His thin lips pressed down on hers without any warning.

It was hurried and chaotic.

Just like the first kiss between the two, there was no order to it.

He seemed to want to make up for the pain in her heart.

Such a thick sweetness, is it glutinous rice?

Lin Hanxing thought.

But very quickly, she suddenly recalled that Lei Xiao had not touched the glutinous rice bun.

So, was it the sweetness brought by the Thunder valiant beast?

As if he had noticed Lin Hanxing's daze, Lei Xiao pressed his forehead against hers and panted slightly.

"Hanxing, you're mine."

Chapter 459: Overbearing and begging

He said.

It was domineering and pleading.

The Thunder valiant beast's eyes were filled with a strong sense of stubbornness!

Her reflection was still in his eyes.

Only her.

Lin Hanxing's heart seemed to have a mind of its own and was beating wildly out of her control.

Even his ears were filled with the 'Dong Dong Dong Dong' sounds.

"Lei Xiao, you're the first and only man I've ever brought to see my parents,"

Lin Hanxing's voice was quiet.

Lei Xiao quickly turned his head to the other side and avoided Lin Hanxing's gaze.

It was as if something was stuck in his throat.

It was hot and warm.

However, it couldn't hide the slight curve of his thin lips.

Lin Hanxing reached out and turned his face back.

She rubbed the tip of her small nose against his high nose, like an intimate act between small animals.

With a smacking sound, he lightly pecked Lei Xiao's lips.

Lei Xiao's mood was obviously much better.

I don't know if I'll leave you one day, but every day I stay by your side, I'll only belong to you.

Lin Hanxing held his face with both hands and said softly.

"Marry me."

Thunder valiant suddenly interjected in a low voice.

"....."

Lin Hanxing let go of his hand and sat back down. He did not even look at him and continued to eat his porridge.

"Marry me."

The Thunder valiant beast, however, seemed to have found a new source of entertainment, and did not give up.

I'm not listening, I'm not listening! Mutter Scriptures, you bastard!

Lin Hanxing covered his ears with his hands as he mumbled.

As the two of them were fooling around, Lin Hanxing's phone suddenly rang.

The words 'Yan beiming' appeared on the screen.

Lin Hanxing raised an eyebrow.

She picked it up and put it on speaker.

“Little Hanxing, is ah Xiao with you?”

Yan beiming’s voice sounded a little subtle.

“Yes, I’m here.”

“Then, you two, turn on the TV!”

There seemed to be the background sound of the television behind his voice.

Lin Hanxing raised his head and looked at Lei Xiao, who pointed to the lounge.

The two of them walked towards the lounge.

Meanwhile, Lei Xiao had already turned on the curved screen TV hanging on the wall with the remote control.

There was a piece of news on TV.

It was also this news that instantly made the headlines of all major media in Jiang city.

Luo Mingwei ran away.

Lin Hanxing looked at the announcement on the TV with a cold expression.

“He didn’t just run away, okay!”

No matter how she heard it, she felt that Yan beiming’s voice had a hint of gloating.

“She even stole someone else’s gun and ran away!”

“Don’t you think she’s stupid? Or did you really fool me with a few words? It was only going to be locked up for a few days, but the nature has changed completely!”

Lin Hanxing leaned back on the sofa and looked at Luo Mingwei’s photo on the TV.

His face without makeup was old and fierce.

This was the side of Luo Mingwei that she didn’t want anyone to see the most, but ironically, there was probably no one in Jiang city who couldn’t see this photo now.

“Where do you think she’ll go?”

Lin Hanxing asked Yan beiming.

You say that Luo Mingwei is smart, but she’s only smart in small ways, and she only knows how to use it on relationships.

However, if you were to say that she was stupid, she was really stupid.

With just a few words of provocation, she might fall into her own world of imagination.

is there a need to ask? of course, it’s the SU family!

That's right. Right now, Luo Mingwei hated su zhanlong to the core. Wasn't the first thing she wanted to do after escaping by all means to look for him?

Lin Hanxing's gaze slowly fell on the setting sun outside the window.

"Today, my dear aunt originally asked me to find Lei Xiao to make some connections and let her go."

With a faint smile, she sighed.

"Just wait a little longer ... Sigh, why can't she keep her cool?"

Chapter 460: Searching the entire city

When Yan beiming heard this, he almost rolled his eyes.

With little Hanxing's concern, how could Luo Mingwei keep her cool?

He heard that she had even placed a mirror at the head of the bed.

He was facing the face of the man with the surname Luo on the hospital bed!

Who would be able to stand this?

Yan beixiao could not help but admire her. When it came to playing such little tricks, women were still more ruthless!

He didn't leave anyone a way out at all!

I'm telling you, you have to be careful too. When Luo Mingwei really comes to the SU family, what if su zhanlong and Zhong Yifu, those two cowardly people, turn around and sell you out? "

This was the main purpose of Yan Beichen's call.

"Why do you think I asked her to go to the SU family?"

Lin Hanxing smiled. Even through the phone, he could feel her joy.

On the other end of the phone, Yan Beichen did not speak for a long time.

Until ...

"Don't tell me that even this was part of your plan?"

Could it be that little Hanxing had deliberately deepened Luo Mingwei's hatred towards su zhanlong so that he could use the SU family's couple to sell her out? And then?

Luo Mingwei will definitely ask to see me in her rage!

Lin Hanxing's voice was gentle and pleasant, cold and indifferent, which made people reminisce about it.

Hearing this, Thunder valiant beast frowned.

"Little Hanxing, I don't understand what you're thinking even if you tell me!"

Yan beiming laughed bitterly.

He really had no idea what she was trying to do!

it's fine if you don't understand. You'll know tomorrow morning after tonight!

Without waiting for Yan Beichen to reply, Lin Hanxing hung up the phone.

"No, it's too dangerous."

Thunder valiant beast stopped him with a deep voice.

"Ah Xiao, you know you can't persuade me!"

Lin Hanxing was a woman of her own. No one in this world could stop her from doing what she wanted to do.

Not even the Thunder valiant beast!

"Then I want to go with you!"

This was his concession and also his last bottom line.

Lin Hanxing gave Lei Xiao a deep look.

"Alright," he said.

.....

Night fell.

The entire Jiang city was silently carrying out a search.

The Lin House was brightly lit, and it was a rare sight to see Lin yanshu and Zhong Wan 'er's family here.

There were police officers waiting in the villa, and even the phone was monitored. They were just waiting for Luo Mingwei to contact them.

The news came after 8:30.

Some people reported that a woman suspected to be Luo Mingwei had appeared on xxx Street.

The SU family's Villa was located nearby!

But it was too late!

Lin Hanxing only received the call when it was close to nine O'clock.

At that time, she had just left the Lei clan with Lei Xiao.

Hello, miss Lin. We hope you can help us with something.

The person on the other end of the phone was very polite.

"You said she wanted to see me?"

Lei Xiao's entire body was exuding a cold aura. He started the car and drove away from the underground parking lot.

"I'm a good citizen, of course I'll help the police."

Lin Hanxing's gaze seemed to blend into the night of Jiang city outside the window.

Her voice was soft and gentle, and the person on the other end of the phone seemed to enjoy it.

yes, he's already on the way. He'll be here in about half an hour.

"Before that, I'll have to trouble you to stabilize her emotions!"

After hanging up the phone, Lin Hanxing was silent for a while.

"Do you suddenly feel that I'm very scary?"

Suddenly, she placed her elbow on the side of the car window and turned to look at Lei Xiao.

The mole at the corner of her eye seemed to be smiling!
