

Goodnight 461

Chapter 461: Don't spread a single one

Behind Lin Hanxing were the lights of thousands of houses in Jiang city.

With a press of the button, the window gradually sank into the car, and the cool night breeze poured in.

Lin Hanxing's long black hair was slightly curled like fine silk, and it spread out in the air between his white fingers.

Her tone was relaxed, as if she was discussing the weather.

The red light came on.

Lei Xiao looked at her quietly, his dark eyes filled with gentleness.

Even though the man didn't say anything, his eyes as deep as the ocean still reflected everything in silence.

The sound of police sirens could be heard in the distance.

On the phone, the other party had asked for the car plate number.

After locking onto the target through the sky Eye system, he sent the nearby police officers to clear the way for the police cars.

He wanted to ensure that Lin Hanxing could arrive at the scene in the shortest time possible.

The two police cars arrived very quickly.

A car quickly overtook them and stopped in front of the black Bugatti that Lei Xiao was driving, clearing the way for them to pass.

"It is indeed young master Lei's car."

In the police car, the female police officer sitting in the front passenger seat couldn't help but exclaim.

Everyone in Jiang city knew that the car of the Lei group's CEO was a black Bugatti.

Unlike the other nouveau riche who pursued serial car plates, Lei Xiao's car plate was a very casual set of numbers.

"I guess the leader didn't react in time."

The female police officer also said that she heard that the person they were in charge of was a woman, and she was in young master Lei's car. Could it be ...

This was probably the closest she had ever been to being in power!

"Hey, master, do you think that young master Lei and this woman ..."

"It's none of your business."

The old policeman who was driving glanced at his little disciple and warned in a deep voice.

Because of the green channel, the original half an hour journey was reduced to fifteen minutes.

And this was even done under the premise of the city's heavy traffic.

Lei Xiao's car was quickly escorted into the SU family's residence.

"I'll go down with you."

Lei Xiao extended his hand and unbuckled Lin Hanxing's seat belt. After he finished speaking, he looked at her with his dark eyes.

Lin Hanxing did not say anything.

This made Lei Xiao, who was used to giving strong orders, a little anxious.

His breathing had obviously tightened.

Lin Hanxing suddenly laughed, then opened the car door and got out.

As soon as his feet touched the ground, he heard the sound of photos being taken not far away.

Lin Hanxing looked up.

Outside the police cordon, there were many reporters and onlookers, blocking the road.

The moment she raised her head, the crowd burst out in exclamations.

Her skin was as white as a jasmine flower, and the yellow street lights gave her an endless sense of beauty.

Her thick black eyelashes could not take away the brilliance in her beautiful eyes.

Her delicate nose was connected to her rose petal-like lips, making people unable to help but look at her.

There was a loud bang from the car. Lin Hanxing wanted to turn around, but his wrist was grabbed by a strong force.

The next second ...

She had already been pulled back into Lei Xiao's arms.

The man's big palm pressed on the back of her head, half-forcing her into his chest.

He swept his cold gaze across the crowd.

Very quickly, a reporter recognized him!

"It's the Thunder valiant beast!"

"The president of the Lei Corporation, Lei Xiao!"

As the news spread, everyone's eyes turned to the Thunder valiant beast's cold and strong body.

At the border of the light and shadow, the nearly 190cm tall man gave off a suffocating pressure just by standing there.

The sternness between his brows was full of intimidation!

“Don’t let any of her photos leak out.”

Lei Xiao was facing the reporters, his sharp and deep eyes seemed to be immersed in a cold pool, and everywhere he looked was frozen.

The powerful aura of a superior exploded.

Lin Hanxing, who was in his arms, could not help but chuckle.

This overbearing character ...

It was really hard to explain in a few words!

Chapter 462: You promised

Immediately, some reporters sighed and obediently turned off their equipment, automatically destroying the videos and photos they had just taken.

There were some things that they had the life to film, but not the life to broadcast.

As if they didn’t expect Lei Xiao to appear, the police Emergency Response Team looked at each other.

They had already found out about Lin Hanxing’s identity from the initial investigation.

One of the members of the Emergency Response Team had once joined the special task force set up for her. Now that she saw the seven-year-old child in the photo, she could not help but sigh.

However, the police didn’t expect that ...

The Lin family’s young miss who had been missing for eighteen years had actually appeared together with Lei Xiao.

Only then did the leader remember why he felt that the number was familiar when Lin Hanxing told him the license plate!

This was because young master Lei was different from the other rich and powerful people. Even the license plate number was the same as the one used by ordinary people. It was no wonder that he couldn’t remember it at first.

“Miss Lin ...”

The leader walked over and chose his words carefully.

The messenger sent by the Lin family was still inside, so he did not see this scene.

If they were to find out about Lin Hanxing’s relationship with Lei Xiao ...

The leader thought in his heart, but his expression did not change.

How's Luo Mingwei's mood? "

Lin Hanxing acted as if he did not see the leader's restraint when he saw Lei Xiao.

His voice was indifferent and distant.

they're very agitated. The SU couple who were held hostage are tied to the sofa. We've already asked the Lin family to go in first, but it's obviously not very effective! After the leader finished speaking, he realized that he should have been the one asking her the question ...

Why was it reversed?

Furthermore ...

The leader looked at Lin Hanxing.

Luo Mingwei seemed to have a mental problem, and she was only asking to see her.

I'm just afraid that there will be an accident ...

Initially, the leader was still hesitating about whether he should talk to Lin Hanxing, but now that he saw Lei Xiao, he no longer hesitated.

He spoke simply.

Soon, the leader realized that Lin Hanxing's expression had not changed at all.

There was no panic or fear.

He was so calm that it was as if he was going on a vacation.

"I want to go in with her."

The Thunder valiant beast's voice was equally calm, but his cold face carried a strong sense of pressure.

The leader was immediately troubled.

If anything were to happen to young master Lei, the Lei family would definitely eat him up!

"Mr. Ley, you see ..."

The Thunder valiant beast looked at him coldly without any expression.

The leader felt a chill in his heart.

Just as he was about to loosen his bite ...

"You can't go in."

However, Lin Hanxing raised his chin slightly and looked at Lei Xiao, directly rejecting him.

The leader instantly felt relaxed and happy.

These words coming from the Lin family's little girl's mouth was better than offending others from her own mouth.

“You promised.”

The Thunder valiant beast’s expression changed.

“I only promised you to come with me!”

Lin Hanxing did not give in at all!

“You promised!”

Thunder owl repeated, but with more emphasis.

Such a conversation made the female police officer, who was eavesdropping, dumbfounded.

The original scenario in his mind should have been reversed, at least Lin Hanxing’s attack would not have been so strong!

However, she did not expect that the stronger party in their relationship ...

It was actually this woman who was so beautiful that it made people jealous?

“Thunder valiant beast, I want to go in by myself!”

Lin Hanxing’s smile disappeared and she looked up at the man.

The Thunder valiant beast’s expression instantly darkened.

He was about to carry her on his shoulders and leave.

“Don’t you dare!”

Lin Hanxing saw through his intentions and took a step back.

The surroundings were quiet, and no one dared to interrupt at this time.

Chapter 463: Then let’s play a little bigger

The atmosphere between the two of them was tense.

No one had expected that Lin Hanxing would not lose out to the intimidating Lei Xiao!

The two of them looked like actors that had walked out of the television when they stood together.

The combination of a handsome man and a beautiful woman was always pleasing to the eye.

“You can’t always protect me.”

Suddenly, Lin Hanxing was the first to soften his tone and extended his hand to Lei Xiao.

When her soft little hands hugged her ...

Cracks instantly appeared on the unapproachable aura around the Thunder valiant beast.

Even the expression on his face ...

The female police officer, who was secretly observing the situation, tried her best not to laugh.

Why did she feel that this famous CEO of the Lei Corporation was not as cold as the rumors said?

At the very least, her expression when she was hugged just now could be described as silly and cute!

Lin Hanxing buried his face in his chest, his dark and moist eyes lost their calmness and became so warm that it could melt an iceberg.

"Moreover, I know what I'm doing."

Thunder valiant beast pursed his thin lips, as if he was struggling in his heart.

However, the faint fragrance from her body disturbed his breathing too much, making him unable to even calm down.

Even though he knew that Lin Hanxing had done this on purpose, Lei Xiao was still helpless!

"You're so sure you've got me!"

She was sure that he would only indulge her!

When Lei Xiao said this, he had already loosened up.

"If you don't like it, I'll go eat someone else."

Lin Hanxing said casually, but Lei Xiao grabbed his wrist in an instant!

"Don't you dare!"

Lin Hanxing sighed in his heart. In the entire Jiang city, if Lei Xiao dared to claim to be the second most boring person, no one would dare to claim to be the first!

After comforting him for a while, Lei Xiao finally let go.

However, no one else could hear what he said next to Lin Hanxing's ear.

Lin Hanxing was surprised and subconsciously looked down at the diamond bracelet on her wrist.

"I'll wait here for you to come out."

After Lei Xiao finished speaking, he stretched out his hand and covered her soft, silk-like head, helplessly rubbing it.

A loud wail came from not far away.

Lin Hanxing recognized the voice. It was Luo Mingwei's mother, who had tried to intimidate her!

At this moment, the old lady was no longer as arrogant as she was today. She cried until she was out of breath.

They were shouting that they wouldn't let the police shoot their daughter!

In the dark night, Lin Hanxing's eyes were cold and resentful as he looked in that direction.

Her beautiful eyes, which were like cold pools and ancient wells, did not have the slightest emotional fluctuation. However, at the end, an imperceptible cold smile flashed across them.

Just cry.

He continued to cry.

Since everything had already come to this step according to the plan, he might as well play a little bigger.

No blood ...

How could the game be fun?

Lin Hanxing looked at the Lin family. No one knew what she was thinking, but she slowly walked over.

Lin youlin was having a headache, and when she looked up and saw Lin Hanxing, she was shocked.

She had also heard what her sister-in-law had said just now. It was obvious that she knew that it was little 9th who had planned to send her to the detention center. Moreover ...

His sister-in-law still had a gun in her hand!

She couldn't believe it. If little 9th really went in ...

He subconsciously shivered.

Lin youlin didn't dare to think further.

"I'll beat you to death, you jinx!"

The old lady also saw Lin Hanxing and was about to pounce on her.

When he saw his daughter being harmed so miserably by this little girl, he even had the thought of killing her on the spot.

Luo Ruyin, who had been supporting her grandmother, let go of her hand and pretended to sob, letting her rush toward Lin xiaojiu.

At this moment, Luo Ruyin wished that Lin xiaojiu could enter the SU family villa.

It would be even better if her aunt shot her!

Suddenly ...

Chapter 464: You have to think clearly

Just as the old lady's raised hand was about to touch Lin Hanxing's face ...

Lin Hanxing's rose-like lips curled up slowly.

Amidst the crowd's exclamations, he reached out and held the old Madam's wrinkled wrist in his hand!

The old Madam did not expect Lin xiaojiu to resist, and she was stunned.

Only then did he feel the intense pain from his wrist.

He cried out in alarm, wishing he could skin the girl in front of him, cut off her bones, and slice her flesh and blood!

“Old Madam, I advise you not to waste your energy on me.”

To outsiders, Lin Hanxing was just trying to protect himself.

That beautiful porcelain face already made people feel tender and protective, not to mention that she was being bullied by an old woman.

However, only the heavens knew that Lin Hanxing’s grip was so strong that he almost broke the old lady’s hand bones!

The old lady gasped in pain.

“You little bitch, let me go!”

“You have to think carefully. Your daughter is in a hurry to see me!”

Lin Hanxing’s voice was very soft and gentle, and only old Madam Lin could hear him.

However, her expression was pitiful, making others think that the old Madam was bullying her!

“If she doesn’t see me for a long time, and does something extreme ...”

Lin Hanxing deliberately dragged out his words and did not hide the mockery in his eyes. The old lady was even more furious.

“Look at the surrounding police force!”

Lin Hanxing whispered to the old lady.

The old lady was stunned and subconsciously looked around. When she saw that the police standing next to her were armed with real guns, she gasped and felt the back of her head go numb from shock!

She raised her head and looked at Lin Hanxing. Her eyes were filled with extreme contempt for her!

“Old lady, if you could teach your daughter a little of your scheming, I’m afraid she wouldn’t be so stupid as to end up like this!”

The old lady looked at Lin Hanxing, who seemed to have changed into a different person, and her heart skipped a beat.

There was something about Lin Hanxing that made people fear him.

The old Madam felt that the thing was controlling her at this moment, and she couldn’t even say the insulting words that were on the tip of her tongue!

“Now, you can either stop causing trouble and let me in! How about ...”

Lin Hanxing glanced behind her.

Her long eyelashes fluttered like butterfly wings.

“Just wait to collect your daughter’s corpse!”

Her smile was cruel and cold, and her words made the old lady shiver in fear.

She couldn’t even say a word.

This made Luo Ruyin, who was standing not far away and could not hear the contents of their conversation, really anxious.

Why haven’t they made a move yet!

Just as she was thinking about this, she saw Lin Hanxing walk around the old lady and start talking to the leader of the Emergency Response Team.

He even put a bulletproof vest on her!

In this regard, Luo Ruyin was very disappointed. She only wished that Lin xiaojiu would really die inside.

As if he had sensed something, Lin Hanxing glanced in Luo Ruyin’s direction.

The moment their eyes met, Luo Ruyin shuddered with fear and guilt.

However, Lin Hanxing laughed.

In an instant, even Luo Ruyin felt that she was the king who controlled the entire situation!

remember these points. You must ensure your own safety!

The leader reminded him repeatedly.

After all, Lin Hanxing was about the same age as his daughter in his eyes, so he only said a few more words out of selfishness.

“Thank you, I know.”

As he spoke, Lin Hanxing put on his ear mic.

She also brought along a device that could connect directly to the outside world in case of an accident.

the sniper is just opposite. Don’t worry.

Lin Hanxing followed the leader’s gaze, but he could not see anything in the dark of the night ...

Chapter 465: The crazy Luo Mingwei

Under everyone’s gaze, Lin Hanxing slowly walked towards the SU family villa.

Her delicate face was calm.

However, when she was about to reach the door, she suddenly stopped and turned back.

The hearts of the people from the crisis management team skipped a beat. They thought that she was finally afraid and wanted to go back on her words.

Lin Hanxing found Lei Xiao very quickly.

The night wind blew, scattering her slightly curled long hair.

This scene was so beautiful that everyone felt shocked. They didn't know if it was heaven or earth, but they didn't even want to move their eyes.

The Thunder valiant beast was also looking at her.

Their eyes met, and Lin Hanxing said something in his direction.

She knew that Lei Xiao, who could read lips, would definitely be able to read it.

Yueyue, wait for me to come back!

.....

The SU family's Villa, which used to be lively, was now dead silent.

Lin Hanxing walked to the door in high heels and knocked on the tightly shut door.

The door opened!

Luo Mingwei's crazed face was reflected in Lin Hanxing's eyes.

She seemed to have just put on makeup and looked completely different from when she saw him in the hospital today.

His lips were painted red, like the blood of revenge!

"Come in!"

Zhong Yifu, who was tied up like a dumpling, was still in front of Luo Mingwei. She looked behind Lin Hanxing and then stepped aside to let her in.

Lin Hanxing walked in.

The SU family's Villa was filled with the strong smell of perfume.

The coffee table in the living room was full of Zhong Yifu's cosmetics, a bottle of perfume on the ground, and a dead servant's body next to it.

The blood meandered and mixed with the perfume.

It turned into a strange smell.

Luo Mingwei casually threw Zhong Yifu aside and turned to sit on the sofa to continue her makeup.

It was as if she wanted to get back the beauty that had been lost in the past few days.

Lin xiaojiu, I never thought that I would end up in your hands.

The stolen gun was left on the table. Luo Mingwei twisted her lipstick and applied it on her lips over and over again.

Su zhanlong's head was covered in blood as he sat on the ground.

When she saw Lin Hanxing, she started to struggle emotionally.

"Shh!" Luo Mingwei put her hand on her lips, signaling for him to be quiet.

"There are still many things that you didn't expect."

Lin Hanxing walked to the wine cabinet and casually picked up a bottle of red wine. The moment he turned around, Luo Mingwei silently pointed a gun at her forehead!

She seemed to be trying to find fear on her face!

He stared at Lin Hanxing with his big, thin eyes.

"Do you have a bottle opener?"

Lin Hanxing turned to look at Zhong Yifu, who was shaking on the ground, and asked.

"Forget it," he said.

After he finished speaking, he smashed the bottle of red wine on the cabinet beside him.

The red liquid of the red wine splashed out.

A rich fragrance filled the air.

Luo Mingwei was shocked. She thought it was a gunshot, and her hands trembled.

Even so, Lin Hanxing, who had a gun to his head, was not afraid at all!

He found himself a wine glass and poured the red wine into it!

By right, red wine should be savored. Lin Hanxing swirled the wine glass lightly and let the fragrance spread out quickly.

"Why did you scheme against me?"

Luo Mingwei said sinisterly.

Lin Hanxing laughed and pointed at su zhanlong and Zhong Yifu.

"I'll tell you if you knock them out."

Her eyes flickered, and the words she said made people have an inexplicable urge to execute them.

Luo Mingwei looked at her deeply. Her face, which was covered in makeup, could not hide her madness. She suddenly smiled.

He moved the gun away from Lin Hanxing's forehead and went to the two men.

As if to vent the anger in his heart, he stomped the butt of his gun a few times ...

Su zhanlong and Zhong Yifu immediately fainted on the floor!

“Speak!”

Chapter 466: Do you still remember?

Lin Hanxing’s long eyelashes fluttered as he swirled the wine glass between his fingers.

The color of the cup was like blood, and Luo Mingwei had an ominous feeling about it!

The pair of eyes that were covered in makeup glared at Lin Hanxing.

The reason why he had waited until now to not kill su zhanlong and Zhong Yifu was because he was waiting for her and was prepared to capture them all in one fell swoop!

Lin Hanxing held a glass of wine, walked around the servant’s corpse expressionlessly, and sat down on the sofa.

She was like a queen!

Under her long black dress, her right leg crossed over her left, and she looked at Luo Mingwei with a pair of cold eyes.

Discreetly following Lei Xiao’s instructions to himself, he found the small bump next to the diamond bracelet’s hidden button and pressed it.

Almost at the same time.

The police officer outside, who was monitoring the movements in the villa with his headphones, took off his headphones with a bang.

They all covered their ears.

Just now, there was a huge signal engine noise in the headphones, as if it was going to Pierce the eardrums!

They looked at each other, not knowing what had happened!

The monitoring equipment was completely out of order!

If it wasn’t for the thermal imaging, they would have thought that they had encountered some kind of danger inside!

“Why are you looking at me like that?”

Luo Mingwei felt guilty under the gaze of those eyes, so she started drawing at her with her gun!

“Eighteen years ago, my parents made you work in the Lin family because of my uncle.”

Lin Hanxing sat lazily on the sofa. The diamonds on his high heels were shining under the crystal Light.

“Do you still remember?”

Luo Mingwei's eyes widened as if she had seen a ghost when she heard Lin Hanxing's words!

She never thought that Lin Hanxing would bring up the past eighteen years ago!

before the Lin corporation's crisis, you were severely reprimanded by my mother for misusing public funds. It was a whole three million Yuan!

"Do you still remember?"

Lin xiaojiu ...

Luo Mingwei's hand that was holding the gun started to tremble violently!

Lin Hanxing continued to slowly shake her wine glass, the aroma of red wine filling the air.

He smiled.

She placed the wine glass on the coffee table with a click.

He stood up again and walked toward Luo Mingwei.

Her high heels clicked on the floor.

Soon, Lin Hanxing was standing in front of Luo Mingwei.

She looked at Luo Mingwei's face mockingly and slowly reached out to caress her face.

Luo Mingwei's skin was extremely bad.

Although it looked flat, there was always a feeling of potholes when he touched it.

Luo Mingwei didn't dare to move and allowed Lin Hanxing to touch her.

She couldn't believe it.

How old was Lin xiaojiu eighteen years ago?

She had actually seen all these things and remembered them in her heart?

No...

It was wrong!

Luo Mingwei's eyes widened in fear.

Didn't Lin xiaojiu forget what happened before?

Didn't she lose her memory?

Could it be ...

Was she just pretending?

all these years, you've been living a wealthy life abroad. Even this face of yours has been fixed countless times!

Lin Hanxing's voice was too soft.

It was so gentle that it gave people the illusion of gentleness.

"You can't remember what you originally looked like, can you?"

As he spoke, Lin Hanxing pulled out a photo.

"Let's take a good look,"

He tossed the photo to Luo Mingwei.

He landed on the ground lightly.

Luo Mingwei lowered her head numbly, her eyes wide open.

In the photo, the dark and shriveled woman was wearing rustic clothes, and there was nothing special about her.

He had a narrow single eyelid, a sunken nose, and a protruding upper and lower jaw.

Any man who saw it would subconsciously say that it was ugly!

"No..."

Chapter 467: Simply a devil

It took courage for Wanwan to kiss that kind of woman!

Yingluo felt disgusted at the thought of that kind of woman liking her!

The malicious words that he thought he had forgotten swept over him with this photo.

Luo Mingwei's body trembled!

Lin Hanxing smirked and looked at her coldly.

you used that three million Yuan to get your first plastic surgery in your life.

Lin Hanxing turned around, his high heels clicking against the floor.

He sat back on the sofa.

"You had full body liposuction, your lower jaw was shaved, the bridge of your nose was raised, and your single eyelid was made into a European double eyelid!"

With one hand on the sofa, Lin Hanxing took a sip of red wine.

The wine that had not been fully oxidized was slightly astringent, but it still couldn't cover up its rich, silk-like, soft texture.

The lingering charm was long and full.

Lin Hanxing couldn't help but sigh. Su zhanlong really knew how to enjoy life.

“Even the teeth that you’re so proud of are fake!”

The gentler her voice was, the more fear Luo Mingwei felt.

“Back then, you knocked out all your real teeth and replaced them with white ones ...”

Lin Hanxing raised his glass in Luo Mingwei’s direction, his eyes as dark as a bottomless well.

“In order to pursue beauty, you really can endure the most intolerable things.”

“You’re talking nonsense ...”

Luo Mingwei covered her face with her hands and screamed like crazy.

Lin Hanxing, who was sitting on the sofa, sipped his wine slowly, not caring about her breakdown at all.

Her long eyelashes trembled slightly under the crystal Light.

“I’ve always been this beautiful! I’m a natural beauty!”

Luo Mingwei covered her face and screamed.

He did not know if he was shouting for Lin Hanxing or himself.

Lin Hanxing looked up calmly.

“This is probably the best joke I’ve heard in recent years.”

Lin Hanxing’s Red lips slowly curled up as he stared coldly at the veins on Luo Mingwei’s forehead.

“You’re a devil!”

Luo Mingwei looked at Lin Hanxing, who was sitting on the sofa, in fear.

Other than mockery, she could not see any trace of fear in her eyes!

She even had a strong interest in it, as if this was just a game that she had expected.

“Thank you for the compliment.”

Lin Hanxing accepted the ‘compliment’ with a smile and finished the red wine in his glass.

After she finished drinking, she played with the wine glass in her hand.

you’ve started to immerse yourself in the amazing looks of others. That three million is like Pandora’s Box that has been opened, causing you to become more and more dissatisfied!

Suddenly, Lin Hanxing’s tone changed, and he spoke extremely fast!

Even his eyes became extremely sharp in an instant!

the people in Jiang city said that the crisis of the Lin family was caused by my father’s wrong decision. But no one thought that it was because of a woman’s selfish desire to become beautiful ...

Luo Mingwei looked at her in a daze, her mind completely blank!

Lin xiaojiu's eyes were so dark, as dark as the road to hell, making people feel fear from the bottom of their hearts!

selling the Lin's group's trade secrets for personal gain!

Lin Hanxing's wine glass was crushed.

Dark red blood slowly flowed down from her long, white fingers.

"Madman, you're simply a madman!"

Luo Mingwei's expression was twisted in fear. Her body trembled, and her breathing became rapid.

Lin Hanxing stood up.

As she walked toward Luo Mingwei, the blood dripped on the floor.

It was like a bloody flower that bloomed in hell.

He wouldn't stop until he had taken a life!

Chapter 468: You're back for revenge

Her long, silk-like, slightly curly hair was casually let down behind her, and her beautiful, creamy skin was as lovely as a porcelain doll.

The small pearls on her earlobes trembled slightly with her movements.

Lin Hanxing knew that Luo Mingwei was very alert.

Even the position she was standing in was a blind spot that the sniper could not lock on to.

"You've come back for revenge!"

It was only then that Luo Mingwei came to a realization, but it was too late!

"I might as well tell you ..."

"Even the document that was kept in the Lin group's chief lawyer's office was stolen by me!"

Lin Hanxing smiled faintly.

To Luo Mingwei, it was as if the heavens had collapsed!

So, from the moment she returned to Jiang city ...

No! Could it be that Lin xiaojiu had already started planning this even before that?

"I'm going to tell my brother!"

Looking at the exquisite face in front of her, Luo Mingwei felt a chill run down her spine, and her scalp went numb!

"I'm going to tell my brother your true colors!"

In the next second, a mocking voice filled with mockery exploded in Luo Mingwei's ears!

"How are you going to tell him?"

Lin Hanxing's voice was gentle, but his gaze went past Luo Mingwei and landed on The Wild Rose oil painting hanging on the wall of the SU family's residence.

The Crimson Wild Rose bloomed tenaciously.

The color was like blood, giving people a sense of pleasure that rose from their bones!

"With the recording pen you have?"

Her long, black, feather-like eyelashes trembled as she laughed, but her words almost made Luo Mingwei collapse.

She actually knew?

"Why don't you take it out and listen to what you just recorded!"

Lin Hanxing's nonchalant tone made Luo Mingwei look at him warily.

Perhaps her expression was too confident, but Luo Mingwei slowly took out the recording pen from her pocket and listened to it.

However, other than the sounds of static, nothing was recorded!

Lin xiaojiu, what did you do!?

The feeling of fear grew clearer and clearer. Luo Mingwei threw the recording pen to the ground and stepped on it!

She didn't believe it!

She didn't believe that Lin xiaojiu had the ability to reach the heavens!

"Why do you think I told you all this?"

Lin Hanxing had a unique languidness between her brows. She squinted her beautiful eyes and did not hide the contempt in her voice at all.

Luo Mingwei didn't say anything, nor did she dare to say anything.

She hid in a carefully selected blind spot, not daring to move.

that's because I never intended to let you leave this place alive!

"You shut up!"

Luo Mingwei took two steps forward and pointed the gun at Lin Hanxing's forehead!

"I told you to shut up! Shut up! Shut up!"

"Bitch, I'll be fine! When I get out of here, I won't let you have a good time!"

She nervously put her other hand to her lips and bit her nails.

"I think there's something I haven't told you yet."

Lin Hanxing's expression remained the same even with the black muzzle pointed at his head.

However, his eyes fell on The Wild Rose oil painting.

you just need to endure for half a day more and you can leave the detention center.

Luo Mingwei was dumbfounded when she heard Lin Hanxing's words!

What did she just say?

As long as he could endure for half a day, he would be able to leave the detention center?

Then why was she in such a hurry to leave? she even stole and robbed, causing the situation to become like this!

"What a pity, aunt has already asked me to go find Lei Xiao!"

"B * tch, it was you ..."

Luo Mingwei was suddenly enlightened!

It was Lin xiaojiu's arrival that had caused her to break down!

This was a dead end that she had set up for her!

Her motive was to avenge her parents!

"I'll kill you, I'll kill you!"

Luo Mingwei loaded the gun agitatedly and was about to shoot!

Chapter 469: Spare me!

In a flash, Lin Hanxing attacked without any expression!

Luo Mingwei, who was now a few times stronger than before, suddenly felt a sharp pain in her wrist!

With a kada sound, it actually dislocated!

ah! Luo Mingwei screamed.

However, Lin Hanxing smiled and pointed the gun at the ceiling with her two hands!

"If you want to kill me, we'll have to see if you have the ability!"

The two of them were very close.

She was so close that Luo Mingwei could clearly see the undisguised mockery in Lin Hanxing's eyes.

Bang Bang Bang ...

Lin Hanxing fired three shots above his head.

Every shot hit the crystal lamp!

The crystal Light flickered and began to sway.

“Hehe!”

The series of actions just now had been done by Lin Hanxing with Luo Mingwei’s hands.

She wasn’t worried at all that the police’s thermal sensor outside would capture the scene.

Even if they saw it, they would probably think that they were fighting with Luo Mingwei. As for the consequences of the gunshot ...

There was the sound of electric currents in his ears.

In the next second, a loud noise was heard.

The entire villa was plunged into darkness, and the huge crystal lamp above them finally couldn’t take it anymore and fell to the floor!

The crystals were like white jade beads, shattering into pieces!

.....

The moment the three shots were fired, everyone’s hearts were in their throats.

Then, the room fell into a dead silence.

leader, the sniper is on standby. He’s only waiting for your orders!

The development of the matter was about to go out of control!

The leader rubbed his hands, obviously still hesitant.

Suddenly, a cold intent mixed with a bitter cold air swept over.

He subconsciously looked back.

The Thunder valiant beast looked at him with his deep and dark eyes.

It made people feel inexplicably afraid.

tell the snipers to get ready. Once the criminal appears, for the safety of the hostages, kill him immediately!

Upon hearing this, wails and howls could be heard from the Lin family.

However, no one paid any attention to him.

.....

“Please spare me! Little Jiu, I won’t go against you anymore!”

Luo Mingwei couldn't move her hands, and her gun was taken away. She was on the verge of a mental breakdown.

She slowly knelt down in front of Lin xiaojiu, who she usually disdained the most, and began to cry.

"Back then, I was wrong about what happened back then! I'll kowtow to your parents and admit my mistake. Little 9th, spare me!"

At this moment, Luo Mingwei no longer had any of her former prestige.

The bright moonlight poured in through the window like silver.

The light elongated the two figures.

Lin Hanxing stood there. The blood on his palm had dried up, and the blood wound that meandered along his white arm looked like a tattoo.

"I was really possessed back then!"

Tears rolled down from the corners of Luo Mingwei's eyes and mixed with her eyeliner, forming two black lines of tears.

"Spare me! Little nine! Please spare me!"

Lin Hanxing laughed.

It was like the silver moonlight illuminating her smile.

Her fingertips turned the gun that symbolized death, and no one knew what she was thinking.

Suddenly, Lin Hanxing moved.

Luo Mingwei was so scared that her legs started to tremble.

He thought she was going to kill him.

Lin Hanxing placed the gun within Luo Mingwei's reach and half-squatted down ...

There were two crisp sounds.

She reattached Luo Mingwei's wrist.

His cold eyes met Luo Mingwei's.

Lin Hanxing stood up and walked towards the door after he was done.

Behind her, Luo Mingwei's eyes suddenly turned sinister.

He quietly picked up the gun and quickly chased after Lin Hanxing.

She couldn't let Lin xiaojiu leave this place alive.

Otherwise, he would be the one to die!

Lin Hanxing smiled in satisfaction when he heard the footsteps behind him!

Chapter 470: Wild Rose

He slowly turned around.

Beside her was a floor-to-ceiling glass window.

“You forced me to do this!”

Luo Mingwei laughed hideously. When the gun returned to her hand, her confidence seemed to have returned as well.

Lin Hanxing smiled and raised his hands slowly.

He made a gesture of surrender.

He didn’t even struggle.

“I’ll definitely tell my big brother about your true colors!”

Luo Mingwei shuddered at the thought of her setting up such a huge trap for revenge.

“You won’t have the chance to destroy the Luo family!”

Lin Hanxing’s delicate little face still had that faint smile.

“The gun in your hand originally only had four bullets.”

This was what the leader in charge of this emergency told Lin Hanxing when she first came in.

“I used three just now!”

Lin Hanxing’s words caused the sinister smile on Luo Mingwei’s face to freeze!

For a moment, her eyes were blank.

He didn’t seem to understand.

“There’s still one more! One more is enough to kill you!”

Lin Hanxing! Luo Mingwei shouted in panic, afraid that she would not be able to intimidate Lin Hanxing.

Lin Hanxing chuckled and shook his head.

He pointed at the servant who was lying on the ground, her body cold.

The pool of sticky blood on the ground was Scarlet and glaring!

Luo Mingwei suddenly remembered that she had already used the other bullet when she entered the SU family’s Villa!

So, the gun in her hand ...

Out of bullets?

Was this the reason why Lin xiaojiu had placed the gun in his hand?

No, that's not right!

"You're lying to me!"

Luo Mingwei shook her head furiously and paced back and forth.

"I didn't lie to you. I left the gun with you on purpose."

Lin Hanxing's every word was meant for Luo Mingwei to hear clearly.

Her words made Luo Mingwei's heart start to beat uncontrollably.

What did Lin xiaojiu mean by that?

In the dark room, a few red dots of light suddenly appeared.

"Luo Mingwei ..."

"You're the first one!"

His indifferent and gentle tone, coupled with the sly smile on his face, was deeply imprinted in Luo Mingwei's life at the last moment when she sensed danger!

Bang ...

A bullet from afar instantly pierced through the floor-to-ceiling glass window.

The powerful force caused the floor-to-ceiling glass to shatter into pieces and fall to the floor!

Luo Mingwei still didn't understand how she died!

Her wide-open eyes and the gun in her hand were a stark contrast.

Almost instantly, the villa's tightly shut door was kicked open from the outside, and the police rushed in.

Lin Hanxing was expressionless and stood still.

His gaze only fell on Luo Mingwei's face.

Something red and white flowed out of the wound on her forehead and spread on the floor that was covered with glass shards, like the wild Rose oil painting on the wall, blooming quietly in the dark night.

Suddenly, Lin Hanxing's wrist was grabbed by a strong force!

The next second, her entire body was pulled into a tight chest!

The familiar smell of wood-hyssop blocked out the dark smell of blood.

Lin Hanxing could feel Lei Xiao's muscles tightening.

His large palm was still clasped behind her head, tightly, not allowing her to see the blood.

Lin Hanxing's eyes narrowed.

He allowed himself to be immersed in the smell of the wood-made eiseflower.

He wrapped his arm around Lei Xiao's waist.

The sound of the police radio rang in their ears, and the two were surrounded by police officers who had rushed in.

"Miss Lin ..."

Lin Hanxing looked up from Lei Xiao's arms with a cold expression and looked at the leader who was walking in front of him.

He took off his bulletproof vest and handed it to the police officer next to him.

"She wanted to kill me."
