

Goodnight 471

Chapter 471: You jinx

No one present had any objections to Lin Hanxing's words.

Even though the radio was damaged for some reason, the image from the infrared thermal sensor showed that the one with the gun had been trying to kill the other one. If it wasn't for this Ms. Lin's wit in the end, leading the criminal to a dead end ...

He probably wouldn't have been killed so smoothly!

The leader was thinking this in her heart, coupled with the look in Lei Xiao's eyes, who was hugging her tightly ...

"Call the doctor over and take Mr. And Mrs. Su to the hospital!"

The leader instructed the police officers. Seeing that the hostage was fine, he finally heaved a sigh of relief.

Lin Hanxing covered his wrist.

"You're injured?" Even though the room was filled with the thick smell of blood, Lei Xiao was still sensitive enough to detect the smell on Lin Hanxing's body. This made him feel as if he was facing a great enemy, and his face, which was already capable of scaring a child to tears, became even worse.

"Miss Lin, are you injured?"

The leader was shocked. He followed her movement and saw the wound.

"Can you let me and Mr. And Mrs. Su take an ambulance to the hospital to take care of this?"

Lin Hanxing leaned into Lei Xiao's arms, his voice a little weak.

How could he not agree?

.....

As soon as she walked out of the villa, she heard a loud and piercing cry.

Lin Hanxing frowned slightly.

Everyone had heard the gunshots and naturally knew what the situation was like.

The old lady, who had been supported by Lin qianlin and Luo Ruyin, pointed at Lin Hanxing.

His eyes widened in anger.

"Why are you still alive?!"

"The heavens have no eyes!"

"Lin xiaojiu, you're a jinx!"

Lin Hanxing looked at the Lin family coldly, his face expressionless.

A sudden warmth enveloped his entire body.

Lei Xiao took off his suit jacket and covered her body.

Behind him, Luo Mingwei was carried out of the stretcher with a white cloth covering her.

Perhaps it was because of the bumpy ride, but a bloodied arm fell from the White cloth.

The crowd suddenly exclaimed.

The old lady, who had been cursing and swearing just now, suddenly fainted in her daughter-in-law's arms.

"Let's go to the hospital."

.....

Late at night.

The door of the hospital ward was pushed open from the outside.

Lin Hanxing's slender figure was elongated by the light.

Zhong Yifu was lying on the bed.

Su zhanlong was recuperating in another Ward.

However, his injuries were quite serious and he had yet to wake up.

Lin Hanxing slowly sat down on the chair beside her bed. The wound on his hand had been disinfected and bandaged.

"I know you're awake."

Lin Hanxing's eyes fell on the vase beside the bed.

The White Rose bloomed quietly, as if it could not feel the suffering of the world.

"I mean, when we were in the villa."

Lin Hanxing's voice was soft and cold.

Zhong Yifu's eyelids trembled violently, but she did not dare to open her eyes.

Back in the villa, she had been woken up by the three gunshots.

However, he still chose to play dead on the ground.

Zhong Yifu had never expected that she would witness Luo Mingwei kneeling before Lin xiaojiu and even hear her mention the past!

Lin Hanxing chuckled.

She reached out and 'kindly' pulled the thin blanket up for Zhong Yifu.

She was so shocked that she immediately opened her eyes.

He stared at her in horror, as if he would be killed by her in the next second.

“Why are you so scared? I won’t eat you!”

Lin Hanxing’s expression was as innocent as it could get, but Zhong Yifu knew it better than anyone else ...

No matter how kind and gullible she looked, she could not change the fact that she was a man-eating beast!

Why did I not think it through before and wanted to go against her!

Chapter 472: Don’t be afraid

“How much did you hear?”

Lin Hanxing’s voice sounded very gentle to Zhong Yifu.

She was smiling.

Zhong Yifu suddenly shivered.

She didn’t understand how Luo Mingwei could still smile after seeing the bullet pierce through her body.

Zhong Yifu’s eyes were still closed at that time, and she still felt like puking when she thought about it.

“I don’t have anything ...”

“Tell me the truth.”

Before Zhong Yifu could finish her sentence, Lin Hanxing interrupted her gently.

He stopped smiling and looked at Zhong Yifu indifferently. In an instant, she felt a chill run down her spine.

The door was pushed open from the outside.

Lei Xiao walked in, carrying something in his hand.

Lin Hanxing saw him come in and took it with a smile.

Before she came to ‘visit’ Zhong Yifu, she had asked Lei Xiao to buy that thing.

Zhong Yifu looked at Lin Hanxing warily.

And now, the Thunder valiant beast had no intention of leaving.

His deep and dark eyes fell on the wound on Lin Hanxing’s palm that was wrapped in bandages.

Lin Hanxing didn’t question Zhong Yifu. He opened the box in front of him and placed it on the bedside table.

A pungent smell instantly spread out.

Zhong Yifu frowned as she looked over. The next second, she bent over and retched under the bed.

He saw a piece of white tofu with some fresh pig blood on it.

It was just a glance, but it immediately reminded Zhong Yifu of Luo Mingwei's tragic death.

"I'm begging you! I really didn't hear anything!"

Zhong Yifu didn't even dare to look up, for fear of seeing the red and white thing.

"What?"

"I only woke up when you fired those three shots!"

At a time like this, Zhong Yifu didn't dare to lie at all. She was honest.

Lin Hanxing's beautiful eyes looked at her coldly.

She knew that Zhong Yifu was telling the truth, but even so, Lin Hanxing still did not say anything.

The atmosphere became quiet.

Zhong Yifu was scared, but she didn't dare to look up at her.

Finally, his gaze fell on Lei Xiao's leather shoes.

"Don't be afraid, I don't eat people."

Perhaps it was because Zhong Yifu's expression was too funny, Lin Hanxing replied indifferently.

Even at her age, Zhong Yifu was still scared to tears by those words.

It would be fine if she ate people!

Killing a person was just a matter of nodding his head, but this Lin xiaojiu was tormenting him to death.

If you were targeted by such a woman, it would be considered an honor to be even skinned and cramped.

"You're a smart person. You naturally know what to say and what not to say."

Lin Hanxing sat there, his eyes looking into the distance.

Those words sounded like a casual chat, but they also sounded like a warning. Zhong Yifu was so scared that she almost died.

"I know, I know!"

Zhong Yifu held her breath. She didn't dare to let the smell of the pig's blood drift into her nose, afraid that she would vomit.

In his heart, he was also thinking about how Lin Hanxing did not try to hide the matter of the Thunder valiant beast.

Looking at Thunder Valiant's expression, it didn't look like he didn't know!

Could it be that today's matter was also his nephew's doing?

As she thought about it, Zhong Yifu suddenly felt lucky that she had caught a woman to do that thing with. Her relationship with Lin xiaojiu was no longer as tense as before. At least ...

She still had a use for him!

Or else ...

At her age, if she was tortured by this little girl behind her back ...

Losing money and face was a small matter, but it would be more terrifying if he lost his life for no reason like Luo Mingwei!

Lin Hanxing stood up with a smile.

"Auntie, rest well and try to be discharged as soon as possible. After all, it won't be long ..."

Lin Hanxing's voice was gentle and distant.

"There's still something that I need your help with, Yimu!"

Chapter 473: See you at the funeral

At the entrance of the hospital, Lei Xiao went to pick up the car.

Lin Hanxing had his suit jacket on and no one knew what he was thinking.

"Lin xiaojiu!" Suddenly, there was an angry roar behind her in the hospital lobby, which had been silent all night.

Lin Hanxing turned around expressionlessly.

However, she saw Luo Wenbo leading a group of people towards her.

The eyes of those people were all red, and they were obviously the Luo family's relatives who had rushed over.

Luo Wenbo was here to find trouble.

After the old lady fainted, she was also sent to the same hospital. Thinking of his aunt's tragic death, Luo Wenbo couldn't take it lying down.

When the Luo family arrived, he picked a few strong men and looked for her everywhere.

After missing twice, he finally managed to block Lin xiaojiu at the hospital entrance.

"What can I do for you, cousin?"

Even though everyone in the Luo family looked like they were going to eat her up, Lin Hanxing's cold face showed no fear.

He just looked at Luo Wenbo with a calm expression.

“You’re the one who caused my aunt’s death!”

Luo Wenbo’s eyes were gloomy and he roared. The hospital’s security guards and doctors on duty at night did not dare to come forward.

Hearing this, Lin Hanxing sneered.

“I said you’re stupid, but you’re still taking it out on me.”

His words were like a wildfire, instantly igniting the anger of the Luo family.

“The person who caused my aunt’s death was her.”

Lin Hanxing’s cold eyes swept across every indignant face, and even his voice did not fluctuate.

“She used her life to pay for her arrogance!”

“You ...”

Luo Wenbo raised his hand, and his fingertips were about to touch Lin Hanxing’s face!

He had never thought that Lin xiaojiu would not be afraid at all. In fact, she could even mock him and deal 10000 critical damage!

“Aren’t you afraid that your aunt will turn into a malicious ghost and come to you?”

In Luo Wenbo’s eyes, the whole thing was strange.

His aunt could have been released after a few days in prison. Why did she suddenly swallow a toothbrush and get released for medical treatment?

And how did he escape from the hospital and steal a gun?

And how did he lose his life for no reason?

Lin Hanxing did not know whether to laugh or cry.

“Cousin, are you joking with me?”

Other than impatience, there was no trace of panic or fear on her face!

This made Luo Wenbo extremely angry!

“Don’t talk nonsense with her, let’s just tie her up and bury her with us!”

The people behind Luo Wenbo clamored, and for a moment, Thousand Waves agreed.

Lin Hanxing suddenly laughed, and his smile was as sarcastic as it could get.

“I’ll see who dares to touch her!”

A cold voice without any temperature suddenly sounded!

The White moonlight poured down on Lei Xiao's feet, and his strong and upright body gave people a sense of oppression that made it difficult to breathe.

He walked up the stairs coldly and stood beside Lin Hanxing.

A pair of sinister eyes that seemed to be soaked in a cold pool of water were fixed on Luo Wenbo's face.

His sharp eagle eyes narrowed.

"Mr. Lei, this is the Luo family's business!"

Although he had a strong fear of Lei Xiao in his heart, Luo Wenbo still gritted his teeth and said these words.

He wasn't willing to let Lin xiaojiu go just like that.

"Heh, so what?"

Lei Xiao's hand fell on Lin Hanxing's shoulder, and he looked at Luo Wenbo indifferently, not giving him any face.

Luo Wenbo pursed his thin lips and didn't say a word.

As for the men behind him who had been clamoring just now, when they heard the words 'Mr. Ray', they shrank their necks and did not dare to make a sound.

He was afraid that the Thunder valiant beast would notice him.

"If you have the guts, then come and snatch her from my hands!"

In front of Lei Xiao's powerful aura, Luo Wenbo didn't even dare to utter a single word!

Lin Hanxing looked on coldly and sneered.

since cousin doesn't have the guts, we'll meet at the funeral!

Chapter 474: Back to the Lei family

Lei Xiao drove the car back to the Lei family.

Lin Hanxing, who was sitting in the front passenger seat, had his suit jacket over him and was sleeping quietly with his head tilted.

As soon as the car stopped, the gate of the villa opened from the inside.

Mama Lei was the first to run out.

When she saw that only her son got out of the car, she looked worried.

"Where's my daughter-in-law?"

Lei Xiao pointed to the front passenger seat, and Madam Lei's worried heart finally settled down.

Father Lei and Lei min followed him.

“Sister-in-law is asleep?”

Seeing a faint shadow in the passenger seat not moving, Lei Jing asked.

Lei Xiao nodded.

He opened the front passenger door, bent down, and carried Lin Hanxing out.

A beam of headlights illuminated the dark night as the car of the fourth young master, Lei Jue, drove over slowly.

As soon as the car stopped, Yuan Bao, who had just been picked up in the evening, ran over with his short legs.

“First aunt ...”

There were still tears on her fair and delicate face. She had obviously cried on the way here.

The sobbing old man tugged at Lin Hanxing’s hand, but was shocked by the heat.

“First aunt has a fever.”

Yuan Bao raised his head and said while sobbing.

There was another flurry of movements ...

.....

Although it was already midnight, the Lei family’s Villa was still brightly lit.

Lin Hanxing did have a fever.

Yesterday, she had jumped into the water to save the president’s daughter at Y R. In addition, she was on her period and had poor resistance. After two days of torment, even a body made of iron couldn’t withstand it, let alone her.

Lei Jue stood up to send the family doctor off.

He had rarely seen his calm big brother so flustered.

In the kitchen, Madam Lei was cooking congee.

Even father Lei, who was sitting in the living room, was looking for a prescription to cure a fever on his tablet with a serious face.

There was another person upstairs who took in the entire scene.

That person was Yuan susu!

After leaving Y. R. This morning, she had followed him back to the Ray family.

Her hand that was placed on the carved fence slowly clenched, and her heart was filled with surging jealousy.

What right did that woman have to receive the love of the entire Lei family!

Why?

.....

In Thunder Valiant's room.

He picked up the sleepy Yuan Bao and handed it to Lei Xiao, who was frowning since he knew that Lin Hanxing had a fever.

Knowing that it was useless to say anything now, Lei min left with Yuan Bao in his arms.

He closed the door.

Lei Xiao sat by the bed and looked at Lin Hanxing.

Her clothes had been changed into comfortable home clothes by mother Lei.

Due to the fever, her fair cheeks were flushed red like rose petals.

Her long, black, feather-like eyelashes cast a shadow under her eyes.

The liquid medicine in the infusion bag was slowly dripping.

Thunder valiant beast didn't dare to relax, his nerves were tense.

Silent disaster held Lin Hanxing's hand that was not injected.

He moved closer to Richard's thin lips and kissed it gently.

This was the scene that mother Lei saw when she came in with the porridge.

"Have something to eat."

Thunder valiant beast shook his head, he was not hungry.

The black shirt wrapped around his strong upper body, and the buttons in front of his chest were slightly unbuttoned, revealing his tanned skin.

Her entire being exuded a kind of sexy decadence.

"Mom ..."

Thunder valiant beast suddenly spoke, his hoarse voice carrying an indescribable sense of oppression.

Mama Lei lowered her head to look at him.

"At that moment, I was very scared."

The moment he heard the three gunshots, no matter how cold he pretended to be, his heart was pounding in fear ...

It was hard for him to bear.

Sighing, mother Lei placed her hand on his shoulder, giving him silent support.

“Hanxing is too strong. Even without me, she can live well.”

“Everything I’m proud of is not enough to keep her.”

As long as he thought about it this way, the dark side of his heart would expand infinitely.

she’s like a dream to me. She could leave my side at any time.

Chapter 475: Mother Lei’s enlightenment

Mother Lei slowly sat down beside Lei Xiao.

“Ah Xiao, in this world, there’s no one who can’t live without another.”

Although these words sounded cold, it was the truth.

People were disappearing every minute and every second, but the sun rose as usual the next day, and life had to go on.

It would never change because of anyone’s departure.

“If I had a shoulder to lean on, why would Hanxing be so strong?”

Mother Lei’s heart ached as she looked at Lin Hanxing who was lying on the bed.

for the past eighteen years, if it wasn’t for this strength, how could she have gotten to where she is today? ”

Lei Xiao didn’t speak, his rough fingers gently caressing the back of Han Xing’s hand.

being strong is something that’s imprinted in Hanxing’s bones. It’s something that will allow her to live on!

Mama Lei’s voice was soft and gentle.

There was a moment of silence in the room.

The lights on the wall gave off a warm orange light in the dark night.

“The fate between people is actually very short. There are too many people in the world who have met but can’t love each other.”

“Ah Xiao, you’re already much luckier than them.”

Lei Xiao raised his head and looked at mother Lei.

“What you need to do is to forget the uneasiness and fear in your heart and hold on to her hand tightly.”

Mother Lei looked at her eldest son kindly.

In her memory, he was still a little boy, but in the blink of an eye, he had grown so big.

“Ah Xiao, you must remember.”

it's easy to let go of these hands. It might only take a moment.

Mother Lei raised her hand and placed it on the back of Lei Xiao's hand that was holding Hanxing tightly.

Warmth instantly filled his entire body.

"But for some people, if they miss it, it'll be for a lifetime."

.....

After she left, the room returned to silence.

Thunder valiant stayed still for a long time.

He buried his face in Lin Hanxing's soft palm and sniffed her scent.

The pair of slender legs hidden under the dark-colored suit pants casually curled up, as if it could give her an infinite sense of security.

"Hanxing, get well quickly."

.....

Lin Hanxing slowly woke up, his long eyelashes fluttering.

Her eyes were very quiet. Even though she had woken up in an unfamiliar environment, she did not panic at all.

His nose was filled with the familiar scent of wood and hirone.

After a while, Lin Hanxing finally understood that this was Lei Xiao's room.

There was the sound of breathing.

She turned her head and saw that it was Thunder owl, who was holding her in Kazuki's arms.

He slept very lightly, as if even the slightest rustle of wind and grass could wake him up.

There was a deep pain between his brows.

It was as if she was in a nightmare.

His forehead was covered in a thin layer of sweat.

Lin Hanxing raised his hand and saw the traces of an injection on the back of his hand.

When he looked up again, he saw that there was an empty infusion bag.

Only then did he realize that he seemed to have a fever.

"Cold star ..."

Suddenly, Lei Xiao mumbled something and Lin Hanxing came back to his senses.

What was he dreaming about?

How could it be so painful?

He put his hand on his forehead, and almost as soon as his palm touched the thin layer of sweat, Lei Xiao suddenly woke up!

Shen an's pupils dilated slightly, as if he was going to swallow people.

For a moment, the air was silent.

Lin Hanxing looked at his wrist, which was being held and felt a sharp pain.

But she held it in and didn't say a word.

The Thunder valiant beast was the first to recover!

He let go of his wrist in a panic. Of course, he knew how strong he was.

Even so, Lin Hanxing's fair wrist was bruised.

"I'm fine," she said.

She didn't even look at her wrist, but continued to place her hand on Lei Xiao's head, wiping the sweat off his forehead.

"What did you dream of?"

Lin Hanxing smiled. His face was still a soft pink, and his heat seemed to have subsided a lot.

"I dreamed of you."

Chapter 476: I am sorry

"I'm afraid that's not a beautiful dream."

Lin Hanxing smiled.

It was a beautiful dream.

Your appearance has been the most beautiful dream of my life.

Lei Xiao held her in his arms and did not say anything. He only stretched out his hand to caress Lin Hanxing's soft, seaweed-like long hair.

"Are you hungry?" His voice resonated through the vibration of the moon.

Lin Hanxing wanted to shake his head, but when he saw Lei Xiao's expectant eyes, he could not say the words that were on the tip of his tongue.

He could only nod.

mom has cooked the porridge. We just need to heat it up.

Thunder valiant beast got off the bed and quickly disappeared from the door.

Lin Hanxing didn't know if it was because of the fever, but his head still hurt a little.

When she sat up, she realized that her clothes had been changed.

The pink home clothes looked like Mother Lei's style.

The bed on the other side was empty, and Lin Hanxing was a little reluctant to leave.

He got out of bed and went downstairs.

It was already three in the morning, and the villa was very quiet.

Only the yellow wall lamps were still on.

Lin Hanxing followed the bright light in the kitchen and walked over.

Just as she approached, she saw Lei Xiao's back in his crumpled shirt, facing her hot porridge.

He turned around as if he had heard the movement behind him.

"Who allowed you to come down?"

Thunder valiant beast frowned.

Lin Hanxing walked over, as if he did not hear what Lei Xiao said. He opened his arms and hugged Lei Xiao's thin waist from behind.

Her sudden approach made Lei Xiao's muscles tense up.

"It's so cold in bed without you."

After she finished speaking, she pressed her face against his spine and rubbed it.

This made the already tight muscles of the Thunder valiant beast even more like rocks.

She stirred the congee in the earthenware pot at times, but her attention was completely occupied by Lin Hanxing, who was behind her.

"Don't move."

The Thunder valiant beast warned her in a low voice.

Lin Hanxing's lazy yawn was the only response he got.

His deep gaze fell on her bruised wrist, and a trace of self-frustration flashed through his eyes.

"Did I scare you tonight?"

After Lin Hanxing finished his question, Lei Xiao remained silent for a long time.

After a long time, he finally hummed.

"I'm sorry!"

Lin Hanxing sniffed the fragrant wooden hyssop on his body and apologized in a soft tone, which was a rare sight.

"I'm already used to doing risky things by myself. I forgot that there's someone who's worried about me."

All these years, aunt Mian had always let her deal with any problem, so she had developed a habit of being independent.

"Are you angry?"

Lin Hanxing tilted his head and looked at him.

She looked cute and playful.

From her angle, she could clearly see the stubble that had just emerged on Lei Xiao's lower jaw, and his Adam's apple that was constantly moving up and down.

"You're really angry?"

Lin Hanxing pinched his waist, but the man's expression did not change at all.

"How petty."

Lin Hanxing pretended to sigh and was about to let go of him, but he was held back by a strong hand.

In the next second, Lin Hanxing felt his body being lifted into the air as Lei Xiao carried him to the kitchen counter.

The indoor slippers fell to the ground one after another with a thud.

It revealed her small toes that were like jasmine petals.

"Don't move."

Thunder valiant beast said in a low voice.

The porridge in China had already started to bubble, and the White and tender rice grains were rolling.

Lin Hanxing crossed his thin legs and placed his hands on the counter.

She watched as he turned off the fire and served her a bowl.

"Sprinkle some white sugar."

Lin Hanxing instructed the man in a low voice as he was afraid of waking up the others.

Lei Xiao glanced at her, then opened the cabinet, found the jar of white sugar, and poured a spoon of sugar in.

Chapter 477: Sweet?

The soft white sugar quickly melted into the White porridge.

It emitted an alluring fragrance.

Lei Xiao stirred the congee with a porcelain spoon, letting it cool down as soon as possible.

Lin Hanxing looked at him. His fair collarbones were sunken. Compared to her, mother Lei's home clothes were a little too big.

"You feed me."

Lin Hanxing used the tip of his foot to kick Lei Xiao's calf.

The corners of her lips curled up, and her porcelain-white face was filled with a mischievous smile.

Even though he knew that she had him in the palm of her hand, he was still willing to endure it.

He brought the spoon to Lin Hanxing's lips, his strong and tall figure was like a shadow, enveloping her tightly.

Lin Hanxing tasted it and looked at Lei Xiao.

"What ..."

Before she could finish her sentence, her neck was already clasped by a slender wrist.

The next second, soft lips pressed against his.

He leaned over and she looked up.

The two of them were a perfect fit.

"Sweet?" After releasing Lei Xiao, Lin Hanxing licked his lips.

The Thunder valiant beast panted slightly, its breathing was chaotic.

Her eyes curved into crescents as she smiled, and her two slender legs swayed.

A gust of wind blew Lin Hanxing's long hair up and made her shiver.

Thunder valiant beast calmed himself down and walked over to close the window.

It was autumn, and the temperature difference between morning and night had increased.

Lin Hanxing took the bowl of porridge and started to drink in satisfaction. Lei Xiao closed the window and left the kitchen.

When she came back, she was holding a shawl in her hand.

"I'm not angry."

Lei Xiao said in a deep voice as he put it on her.

it's just that you're too strong. I always feel that you don't need me.

When he said this, there was a rare hint of grievance in his tone.

Lin Hanxing's hand stopped.

He didn't expect Thunder valiant to say that.

Lin Hanxing placed the bowl of porridge aside and placed a hand on his shoulder.

"I really need you!"

Her voice was soft like cotton candy, and it even had a hint of sweetness.

Lin Hanxing was honest with himself for the first time.

"I need you more than you think."

Lei Xiao did not dare to move. He looked at Lin Hanxing, his deep eyes filled with hidden emotions.

She smiled and reached out to caress Lei Xiao's brows.

Her soft fingers then brushed across the fine lines at the corner of his eyes, and there was a warm light in his eyes.

"It's just that I don't want you to know."

The Thunder valiant beast's eyes were so mesmerizing that one would be sucked into them if one looked at them a few more times.

His three-dimensional facial features were like that of a European or American. When he was not smiling, he was cold and forbidding.

Tempting to commit a crime.

"Why?"

Hearing her say that she needed him, Thunder valiant beast's blood surged, as if he couldn't control it. because that will give me a weakness.

Lin Hanxing's long eyelashes trembled slightly, and he could feel his every movement under his fingers.

"Ah Xiao, you're my weak spot."

Almost at the same time, Lei Xiao suddenly grabbed the back of her head and kissed Lin Hanxing on the lips!

He was dead!

These were the most touching words of love he had ever heard.

Lin Hanxing looked up and accepted the attack.

The soft shawl slid down his shoulder and fell to the ground.

At the door, mother Lei walked back with an embarrassed expression.

She had heard some movements in the kitchen downstairs.

He had thought that his daughter-in-law was looking for food after waking up. He did not expect to see such a scene.

Sigh, autumn ...

Was this really the season of love?

.....

In the room.

Lei Xiao held Lin Hanxing in his arms.

"It's all green." Lin Hanxing raised his wrist and moved closer to him.

In fact, she noticed that Thunder valiant beast would occasionally lose control of his emotions.

Lei Xiao reached out to grab her wrist, then brought it to his lips and kissed it, thin and dense, like a butterfly's Peck.

"Hanxing,"

"What?" Lin Hanxing leaned against his neck. The drug seemed to be taking effect and he was drowsy.

"I'm a very insecure person."

Chapter 478: If I'm not

Lin Hanxing blinked, her brush-like eyelashes gently brushed across Lei Xiao's neck.

She knew.

This man looked cold, but he was actually the most emotional person.

However, Lin Hanxing could not understand why Lei Xiao felt so insecure when he was born into a family like the Lei family.

"Constantly worried about losing something."

The Thunder valiant beast's voice was deep and magnetic, and listening to such a voice was a kind of enjoyment.

Back then, when Lei Xiao had just taken over the Lei group, there were some problems with one of the advertisements of one of the top perfume brands under his company. At that time, Yan beixiao had asked Lei Xiao to do the advertisement commentary in order to save time.

No one would have thought that the commercial would become so popular!

The perfume was sold out within a week.

After that, a certain company did a survey. 80% of new customers in the age range of 20,30,40, and 50 years old said that they saw that advertisement!

Just because his voice was too good, his perfume was selling like hotcakes. Even now, Yan beiming would still tease Lei Xiao about this matter from time to time.

Lin Hanxing's reply to Lei Xiao was a tight hug.

Her long hair was wrapped around her fingers by the Thunder valiant beast.

"Hanxing, I'm not as good as they think."

Occasionally, he would open the Weibo APP and frown at the comments that inexplicably flooded his Weibo, saying that they loved him and called him hubby.

Lei Xiao had no idea where this inexplicable love between two people came from.

These people didn't even know him.

She had claimed to be in love with him just based on some rumors and even blurry photos.

He only felt panic.

"If I wasn't the CEO of the Lei Corporation ..."

"Thunder valiant beast, in my eyes, you are only you."

Lin Hanxing's voice was soft and gentle, like the glutinous rice dumplings he had eaten when he was young.

"Whether you're the CEO of the Lei Corporation or not, I can still afford to support you."

She had the confidence to say this!

Lei Xiao's thin lips curved up slightly. He knew, he knew that his cold star had always taken an unusual path.

"Hanxing, in my eyes, I've always been helping my younger brothers manage the Lei family. Sooner or later, if one of them is willing to take over, I'll step down from that position!"

Lei Xiao had never mentioned these words to anyone.

Lin Hanxing was the only one.

"I'll take care of you."

Lin Hanxing closed her eyes and rubbed the tip of her nose against his earlobe. Her intimate action matched her voice.

It was a critical blow to the man.

"Yes." The words that were about to come out of his mouth were swallowed.

He only responded to her with this word.

Originally, Lei Xiao wanted to say that the stocks, funds, futures, dividends, and so on had already accumulated a huge amount of wealth for him over the years. Even if he were to step down from the position of the president of the Lei Corporation, she would not have to worry at all.

"Ah Xiao, don't be afraid."

Lin Hanxing's hand caressed his arm over and over again.

She was patient and gentle.

"I will be by your side. You will never have to worry about losing me."

Ah Xiao, do you think it's easy for me to fall in love?

even if I still have secrets that I can't tell you? "

Lin Hanxing did not say anything.

Lei Xiao didn't move, even though he knew how much he had gone overboard with his words!

"From the day you provoked me, you only need to remember one thing!"

Just when Lei Xiao thought Lin Hanxing was asleep, she finally spoke again.

"Never squander my trust!"

This is my only request to you!

Chapter 479: He became kind

The next morning.

The bright sun shone through the gauze curtain that was floating in the wind and fell on the floor.

A faint fragrance of flowers poured into the bedroom that was decorated in a simple and cold tone.

The door was opened from the outside.

One of the little sheep balls took off his shoes and climbed into bed.

Just as she carefully reached her hand under Lin Hanxing's nose, a thin arm stretched out from the thin blanket and hugged her.

"First aunt ..."

Yuan Bao's face was filled with surprise!

Lin Hanxing smiled and pinched his soft cheeks.

"You sneaked in again when your uncle wasn't around."

She sat up, revealing a small piece of her fair skin from the neckline of her home clothes. Her slightly curly long hair fell on her shoulders, and she looked indescribably beautiful.

"He can't stop me!"

Yuan Bao snorted in disgust and snuggled into Lin Hanxing's arms.

First aunt's body smelled nice.

This was the scene that Lei Xiao saw when he came in with a paper bag.

“Clothes.”

After placing the paper bag on the bed, Lei Xiao bent down to feel Lin Hanxing’s temperature.

The two of them were very close to each other.

Lin Hanxing could smell the aftershave on his body.

It was refreshing and smelled good.

After making sure that the heat had subsided, Lei Xiao’s tense expression finally looked better.

He lowered his head and looked at her.

Lin Hanxing’s skin was very fair, but his cheeks were as rosy as rose petals.

Her calves were exposed from under the thin blanket, the lines straight and soft.

Just as he was thinking about this, Lei Xiao felt her smile and kiss the corner of his lips.

He was just about to say that the guinea pig was still there.

However, he realized that Lin Hanxing had already covered his eyes a second ago.

“Morning.”

Lei Xiao’s body stiffened. He looked at her bright black eyes, which were obviously filled with anger, and his face was filled with helplessness.

“Don’t mess around,”

Yuan Bao pulled Lin Hanxing’s hand away, looking at his uncle and then at his aunt.

There was a sour smell of love in the air!

“Cheng Lingyun is here,”

Lin Hanxing’s expression froze for a moment, then he took the paper bag that Lei Xiao had left on the bed.

She had a loose beige knitted sweater, a pair of cropped denim Pencil Pants, and even undergarments. She even thoughtfully placed two pieces of sanitary pads on the top.

Fortunately, Lei Xiao wasn’t a straight man.

Lin Hanxing thought.

“You’re here to pick up Yuan susu?”

Before entering the cloakroom, she stuck her head out and asked.

Thunder valiant beast did not say anything, but turned to look at Yuan Bao, who was sitting cross-legged on the bed.

Yuan Bao's forehead broke out in cold sweat.

"Hehe, uncle ..."

Yuan Bao was a clown who knew how to read people's expressions.

Touching his nephew's sheepskin, Lei Xiao didn't throw him out, which was rare.

"Uncle, I think you've changed ..."

After stammering for a long time, he finally found a word.

"He's become kind!"

Lei min looked down at his little nephew in his arms expressionlessly, resisting the urge to stuff him under the bed.

On the other hand, Lin Hanxing, who had just changed into his new clothes in the fitting room, was amused by Yuan Bao's words.

Lei Xiao glared at Yuan Bao, then turned to Lin Hanxing.

Her face was as smooth as peeled egg white after a simple wash. She didn't have any makeup on, and her casual clothes gave off a young and tender feeling, just like a student who had just entered school.

"Is it good?" Lin Hanxing turned around, her waist-length, slightly curly hair embellished with a mole as beautiful as a cat's.

Yuan Bao's eyes went blank.

After a long time, he nodded his head like a chicken pecking at rice.

First aunt was simply too beautiful!

Seeing Yuan Bao's reaction, Lin Hanxing smiled brightly, like a queen.

"Have you had breakfast?"

Lin Hanxing asked as he lifted his chin slightly at Lei Xiao.

"Let's go down for breakfast!"

He also wanted to meet Cheng Lingyun.

After all, things were different now. She really wanted to see how Cheng Lingyun would look like when she had gained power!

Chapter 480: I'm right there

Yuan susu originally thought that Cheng Lingyun was going to take her away.

He was overjoyed.

Ever since she had an ugly fall out with her at Y R, her uncle had kept her in the Ray family to take care of her on the grounds of her health.

She didn't feel it at first, but the strong feeling of being out of place made Yuan susu feel even more uncomfortable.

Especially when he saw the entire Lei family running around to take care of that woman with the surname Lin ...

She felt even more that she was an outsider here!

Yuan susu desperately wanted to return to Cheng Lingyun's side.

At this moment, Cheng Lingyun's face was radiant.

The clothes on her body were no longer as restrained as they were at the beginning. They were all high-end brands of the season.

She was wearing high-quality ice-type jade accessories as if they were free.

"I'm afraid susu will have to stay here for a while."

When Cheng Lingyun said this, Lin Hanxing and Lei Xiao, who was carrying Yuan Bao, were walking down the stairs.

Yuan SuSu's smile froze on her face.

"My daughter-in-law ..."

Mother Lei obviously didn't like Cheng Lingyun. When she saw Lin Hanxing coming down, she immediately waved happily.

Seeing that it was Lin Hanxing, Cheng Lingyun's expression became uneasy.

Lin Hanxing walked towards mother Lei with a faint smile.

"Don't come over!"

Suddenly, Cheng Lingyun spoke.

The situation turned awkward.

Cheng Lingyun was talking to Lin Hanxing.

"After not seeing her for a day, second mistress Yuan's temper has grown!"

Lin Hanxing smiled but did not stop walking. He walked past the mother and daughter and sat beside mother Lei.

Hearing the name 'second mistress Yuan' was like a slap to her face, causing Cheng Lingyun's face to turn extremely ugly.

“Look at my memory, I should be called Madam Yuan instead.”

Mother Lei didn't seem to understand the undercurrent between the two of them. She ordered the kitchen to bring out a cup of hot bull milk.

the entire Lin family is busy with Luo Mingwei's funeral. I didn't expect to see you here.

There was probably no one in the entire Jiang city who didn't know about what happened last night.

Luo Mingwei's death was beyond everyone's expectations!

Cheng Lingyun said with a dry smile.

It was also a subtle reminder to the Lei family that she had a funeral and was inauspicious.

He didn't ask her to come close to him just now because he was afraid of the joy on her body.

However, it was as if Zhong Nanyin didn't understand her at all. Ever since Lin Hanxing arrived, he didn't even look at her!

I don't know why Luo Mingwei was so foolish. She died so miserably for a man. I heard that with one shot ...

Cheng Lingyun held the freshly squeezed watermelon juice, rubbed her temples, and shook her head.

“I was there at the time.”

Lin Hanxing stared at Cheng Lingyun, watching her drink the watermelon juice.

Cheng Lingyun's movements froze.

This was the first time he had heard of this.

It was no wonder she didn't know that Lei Xiao had already used the Lei group's power to block the news of her presence.

the sniper shot through Luo Mingwei's head, and red and white liquid gushed out of the muzzle. The red was blood, and the White was ... Lin Hanxing smiled faintly. His words were calm, but they made Cheng Lingyun and Yuan SuSu's faces turn extremely ugly.

However, she still felt that it wasn't enough, so she stood up and poured some of the cow girl juice into Cheng Lingyun's glass.

“It looks like that pile of stuff!”

Cheng Lingyun immediately retched and put down the cup.

Oh, it's only been a short while. Could it be that you're pregnant? ”

Mother Lei added.

Only God knew that she had disliked Cheng Lingyun ever since she had entered the house!

First, she showed off her clothes, then she talked about her accessories. She even made a big deal out of her flat shoes!

Mama Lei really did not understand.

What did Yuan shaojing see in her?

Are you blind?
