

Goodnight 481

Chapter 481: A big fight

Speaking of this, Cheng Lingyun's face unconsciously turned red.

Seeing Cheng Lingyun's sweet face, Mama Lei couldn't help but roll her eyes.

Lin Hanxing was the only one who noticed Yuan SuSu's pale face.

brother Yuan and I are working hard. After all, brother Yuan's status is different. He definitely hopes to have his own child.

Cheng Lingyun said as she gently stroked her flat stomach.

A long time ago, brother Yuan had been looking for people in Jiang city, wanting to pick one to inherit his family business.

Although Cheng Lingyun agreed on the surface, her heart was bleeding.

Now that she had the conditions, she naturally couldn't let this fertile water flow into other people's fields!

Yuan susu raised her head subconsciously and met Lin Hanxing's gaze.

All these years, Wanwan, you've been relying on the fact that Yuan shaojing doesn't have any children to gain the attention of country G. But there's a premise, and that is that Yuan shaojing must have no children by his side so that you can enjoy the glory alone!

Yingluo, your biological mother is about to marry your uncle. In the past, because you were unique, they pampered you and did everything they could to get everything you wanted. But now ...

Yingluo, are you sure they will?

Lin Hanxing's words lingered in Yuan SuSu's ears.

At this time, Yuan SuSu's face was as white as a sheet of paper, and her mind was completely blank.

"When the time comes, susu and little brother must love each other ..."

"Enough!"

Yuan susu shook off Cheng Lingyun's hand and said gloomily, "

The situation turned awkward.

"Little brother?" Yuan SuSu's mysterious eyes slowly fell on Cheng Lingyun's lower abdomen.

"Ha, did you ask for my opinion?"

Cheng Lingyun didn't expect her daughter to say this, and her expression suddenly became ugly.

On the other hand, Lin Hanxing drank his bull's milk unhurriedly and patted the back of mother Lei's hand, signaling her to watch the show.

"Susu, what are you doing?"

Cheng Lingyun lowered her voice and gave her daughter a warning look.

"You and first uncle are so in love, yet you're leaving me here alone? What do you think I am? A child from another family?"

Yuan susu had had enough.

Why did she have to stay in the Lei family alone and watch as the entire Lei family ran around for Lin xiaojiu?

"Susu!"

Cheng Lingyun looked at Yuan susu, who was shouting at her like a crazy person, and her face was filled with confusion.

She didn't seem to understand how her obedient daughter had become like this overnight.

He subconsciously looked at Lin Hanxing and felt that she was the one who was trying to stir up trouble!

On the other hand, Lin Hanxing only raised his glass to her and smiled calmly.

"I've had enough!"

The conversation she had with Lin Hanxing that day reverberated in her ears. Yuan susu knew that she should not act like this in front of mother Lei, and even knew that Lei Xiao was not far behind her, but she could not help it!

Especially when she saw Lin Hanxing sitting there quietly, not saying a word, but his eyes seemed to be provoking her ...

You see, I'm right!

You're going to be abandoned soon!

Yuan susu couldn't take it anymore!

She couldn't stand the fate of being abandoned!

"Don't think that you can abandon me just because you married first uncle! You got what you wanted, but don't forget that I haven't gotten what I wanted! If you think you can kick me away like this, dream on!"

Yuan susu sneered coldly. The obedient girl from the past had disappeared, and she seemed to have become a different person.

"Believe it or not, I'll tell my uncle everything about you ..."

There was a crisp slap!

Chapter 482: Becoming a thorn in each other's heart

Yuan susu tilted her head and widened her eyes in disbelief.

Cheng Lingyun had used all her strength to slap Yuan susu, causing blood to flow from the corner of her mouth.

"You hit me?"

Yuan susu slowly turned around and looked at Cheng Lingyun.

Cheng Lingyun had never touched her since she was young.

All these years, the two of them had relied on each other, but now she was hitting her for her glory and wealth?

"You actually hit me!"

If the first sentence was filled with disbelief and confusion, then this sentence was swallowed by Liao Yuan's anger!

"Are you done being crazy?"

Cheng Lingyun trembled with anger, and even the Jade earrings on her ears trembled.

"You're the crazy one! You're already so old and you still want to have children! Even if you don't want your face, I still want it!"

Yuan SuSu's voice was so sharp that she wanted the whole world to hear her!

"Shut up!" With a slap, another slap followed!

After two consecutive slaps, Yuan SuSu's line of reasoning was completely broken, and she charged toward Cheng Lingyun.

Lin Hanxing was quick-witted and quickly pulled mother Lei away.

The two of them were entangled with each other, not caring about their dignity at all.

"Don't think I don't know what you're thinking! You want to have a child to inherit uncle's family property! Don't even think about it!"

Yuan susu used all her strength to push her mother away.

He kept mumbling something, and when Cheng Lingyun heard it, she was even more embarrassed and angry!

"Yuan susu, are you crazy? This is the Lei family!"

The Jade necklace around Cheng Lingyun's neck was broken by Yuan susu!

The beads fell to the ground with a clatter.

Lin Hanxing watched the two fight coldly. This was the effect she wanted!

She wanted to make the two people who seemed to have the strongest and most unbreakable relationship become a thorn in each other's heart.

The blood of their trust being torn apart was the red carpet of their gradual destruction.

At this time, Yuan susu couldn't hear anything clearly. Her mind was filled with the two slaps she had just received. She tried to push herself up and throw herself back, but Cheng Lingyun dodged every time.

The glass cup on the coffee table fell to the ground and shattered into pieces!

Cheng Lingyun sat on the ground in a sorry state. Yuan susu was riding on her body, and she was in so much pain that she couldn't breathe!

Madam Lei felt that something was amiss and was about to call the servants to separate the two of them ...

"Ah ..."

However, he did not expect that something would happen in the next second!

Without thinking, Cheng Lingyun grabbed a glass shard from her hand and waved it in the air. At the same time, Yuan susu happened to be looking down ...

An accident was born in such a way!

For a time, the air was filled with the thick smell of blood!

Yuan susu covered half of her face with her hands, as Scarlet blood gushed out in large streams through the gaps between her fingers!

"Call the police! Quickly call the police!"

Mother Lei wanted to go over to check on the situation but was stopped by Lin Hanxing!

Under such circumstances, it was safer for Thunder valiant beast to go.

"It's not my fault! It's not my fault!"

Cheng Lingyun muttered to herself as blood dripped from Yuan SuSu's fingers onto her face.

It even flowed into his eyes!

"My face! My face ... Ah ..."

When Yuan susu was pulled up by Lei Xiao, she only remembered her own face after some time!

"Brother Lei, look, my face! How's my face?"

Looking at her own palm, Yuan susu was both shocked and panicked. The pain in her palm was not as obvious as before!

Lei Xiao looked at Yuan SuSu's face in silence.

There was a long cut so deep that even the flesh was turned over, and it extended from the brow bone to the chin.

"I ..."

Yuan SuSu's eyes widened, and in the next second, she fell limply to the ground!

Chapter 483: Disfigured

At the Affiliated Hospital of Jiangcheng Medical University.

There were many people standing outside the ward.

Lin Hanxing felt that he was really fated to be in the same hospital for the past two days.

Cheng Lingyun shivered in Yuan shaojing's arms, and her blood-stained hands couldn't stop shaking.

Cheng Lingyun couldn't imagine what would happen if Yuan susu woke up.

Yuan shaojing's gaze crossed the others and met Lin Hanxing's.

Lin Hanxing replied with a faint smile.

Lei Xiao had just finished his call and walked back. He leaned over and whispered a few words into Lin Hanxing's ear.

Because of Yuan Bao's shock, mother Lei stayed in the Lei family.

Lei Xiao had already called father Lei, Lei Yu, and Lei Jue, who were outside, to come home.

However, he did not call the police in the end.

Because of Cheng Lingyun's vehement opposition.

"It's you! Lin xiaojiu, I know it's you!"

All of a sudden, Cheng Lingyun pointed her finger at Lin Hanxing, her hands stained with Yuan SuSu's blood.

"You were the one who didn't give up on avenging li Yanyu and tried to drive a wedge between me and susu!"

Cheng Lingyun pushed all the blame onto Lin Hanxing, as if doing so would make her feel better.

Hearing this, Lin Hanxing sneered.

ah Xiao, it seems like we should call the police. Let the police decide who's responsible for this!

She didn't even look at Cheng Lingyun, yet she easily grasped her weakness.

"Don't call the police!"

Cheng Lingyun trembled in fear as she saw the blood on her hands getting even more.

She still couldn't remember how the broken glass had scratched SuSu's face!

The door of the ward was opened from the inside.

The doctor removed his mask as he walked out.

"Doctor, how's my daughter?"

Cheng Lingyun's eyes lit up with hope as she held on tightly to the doctor, as if he was her last straw to clutch at.

the wound on his face is too deep. With the current technology, a scar is inevitable.

The doctor's tone was a little regretful.

Cheng Lingyun immediately felt as if a bolt of lightning had struck her head!

"Also, who is miss Lin Hanxing?"

The doctor looked around and his eyes finally fell on Lin Hanxing's face.

Among these people, she was probably the only one who was young enough to be called a young lady.

"I am."

Lin Hanxing said indifferently.

"Miss Yuan wants you to go in. She has something to tell you."

The doctor passed on the patient's request, and whether the patient agreed or not was up to the doctor.

Interesting!

The first person that Yuan susu wanted to see when she woke up was him?

Lin Hanxing's long eyelashes fluttered.

"No! Lin xiaojiu, you're not allowed to enter!"

When Cheng Lingyun heard that Yuan susu wanted to see Lin Hanxing, she immediately exploded.

However, before he could get close, he was separated by the Thunder valiant beast!

"You're not allowed to enter! You're not allowed to enter!"

Cheng Lingyun watched as Lin Hanxing walked towards her daughter's ward.

The moment before he opened the door, he turned around and looked at Cheng Lingyun, who was still struggling.

The corners of his mouth curved into a smile that was not a smile.

It made people feel fear from the bottom of their hearts.

The door opened with a click ...

.....

In the ward.

Yuan susu opened her eyes and stared at the ceiling in a daze.

It was only when he heard Lin Hanxing enter that his eyes finally moved.

He turned to look at Lin Hanxing.

The beige knitted shirt was loosely draped over her body, revealing more than half of her white and smooth shoulders. The small collarbones were hanging around her neck. Her gaze followed the collar up. That face that was so exquisite that it made people jealous was still so beautiful!

Yue's chest heaved up and down violently, and Yuan SuSu's eyes revealed a strong sense of unwillingness!

"Are you happy now that I'm in this state?"

Chapter 484: Don't even think about having an easy time

Lin Hanxing did not know whether to laugh or cry.

"What does your good or bad have to do with me?"

Lin Hanxing walked over and sat down, his Jade-white fingers fiddling with the thorny rose in the vase by the bed.

Hearing her cold and cruel words, Yuan susu laughed.

"Do you have a mirror on you?"

Even though she was under anesthesia in the operating room, she could still clearly hear the doctor's regretful expression when he talked about her face. It was also because of this that Yuan susu wanted to see it for herself!

"I'd advise you not to." It was rare for Lin Hanxing to be so kind.

Yuan susu looked at her and smiled coldly. Her beautiful almond-shaped eyes were filled with pain and desire.

"If you see it, you will hate her to death."

Lin Hanxing sighed faintly, which made people's hearts tremble.

“I want to see it!”

Yuan susu propped herself up and touched her face, which was covered by the gauze.

The wound under the gauze had just been sanitized and stitched up, and she could no longer remember how many stitches she had had.

He only knew that his face was ruined.

It was completely destroyed!

Lin Hanxing took out a small mirror from his bag and passed it to Yuan susu.

Yuan susu took it.

He slowly opened it and the first thing he saw was a face as pale as a ghost in the mirror, and the gauze that took up half of his face!

“Help me hold this!”

Yuan susu said.

Lin Hanxing smiled but did not comment.

Yuan susu made up her mind and slowly removed the gauze and the tape.

Soon, the stitched up wound was exposed to the air!

The centipede-like mark went from the brow bone to the cheek all the way to the chin!

He felt a burning pain!

Yuan susu tilted her head and looked at her own face. Her hands couldn't help but tremble!

The appearance that she was most proud of was destroyed just like that!

“Ah ... Ah ... Ah ...”

A scream rang out in the ward, and almost instantly, Cheng Lingyun rushed in from outside.

Seeing the scene in the ward, he was furious.

Lin xiaojiu, what are you trying to do!?

Cheng Lingyun didn't dare to look at Yuan susu, so she could only vent all her anger on Lin Hanxing.

Lin Hanxing stood up coldly and dodged Cheng Lingyun's weak attack.

“Help me ... Help me ...”

Yuan susu didn't even look at her biological mother, she only extended her pale hands towards Lin Hanxing.

It was as if she was his last life-saving straw.

Seeing this, Cheng Lingyun's heart skipped a beat.

"I'm not a doctor, how am I supposed to help you?"

Lin Hanxing closed the mirror and put it back into his bag with a clatter. His eyes and actions were cold.

"Susu, what did you ask her to help you with? What did you say to her?"

Cheng Lingyun looked at Lin Hanxing vigilantly, then turned to look at her daughter anxiously.

It was also because of this that she was able to see the centipede-like cracks on Yuan SuSu's face.

"Hehe!"

Yuan SuSu's expression was twisted as she looked at her mother. Her eyes were filled with hatred.

"I'm going to tell her everything!"

She deliberately said this to Cheng Lingyun, scaring the latter into taking a few steps back.

"If my face isn't good, you won't have an easy time either!"

Yuan susu said through gritted teeth.

Lin Hanxing looked coldly at the mother and daughter who had twisted personalities. His expression was cold and emotionless.

It was as if they were watching a silent comedy.

"Back then, I was the one who watched you do all those things. If you dare to abandon me, I will definitely ... Definitely make you taste the price of betrayal! Hahahahahahahahahahahahaha ..."

Yuan susu raised her head and laughed crazily.

Tears rolled down from the corners of her eyes.

Lin Hanxing turned around and left, a cruel sneer on his lips.

Chapter 485: A phone call from Bai Xi

When she came out of the ward, Yuan shaojing was talking to Lei Xiao not far away.

When they saw Lin Hanxing come out, the two of them looked at her.

Lin Hanxing walked slowly to Yuan shaojing. It hadn't been long since he last saw him, but his sideburns had already turned white.

"Give her whatever she wants."

Lin Hanxing blinked his large eyes and smiled.

It was just a simple sentence, but it made the hair on uncle Hai's back stand up.

Uncle hai felt that he had been through a lot, but standing next to this girl who was not even half her age, he felt like he had lived in vain.

Although Mister Yuan seemed to have no contact with the outside world for the past two days.

However, in reality, nothing in Jiang city, big or small, could escape his eyes, not to mention the news that had happened at the SU family's Villa last night.

Lin Hanxing's meticulous plan had cost him a life!

"As for Yuan susu ..."

Lin Hanxing looked up and met Yuan shaojing's eyes, his gaze cold.

"Just keep her alive and don't let her die,"

Such a simple request, with Yuan shaojing's ability, he would definitely be able to handle it well.

As soon as he finished speaking, he didn't say anything else. He took Lei Xiao's hand and walked towards the elevator.

"Little girl."

Behind him, Yuan shaojing's low voice sounded.

Lin Hanxing stopped in his tracks and turned around to look at him.

"Lin youlin contacted me."

Lin Hanxing raised his eyebrows. He did not expect Lin youlin to be so eager when Luo Mingwei's body was still warm.

However, on second thought.

If those people had the concept of kinship, they would not have done what they did in the past.

"Very good, just do as I say."

Then, as if he had thought of something, a cold glint flashed across his eyes.

"However, I'll have to trouble Mr. Yuan to bring Cheng Lingyun along."

Yuan shaojing frowned slightly, not understanding what Lin Hanxing meant.

Uncle hai was even more confused.

Why would a man bring a woman along when he was discussing business?

"You're thinking of ..."

In a split second, Yuan shaojing seemed to have figured something out.

“Shhh ...”

Lin Hanxing put his hand on his lips and shushed him, signaling him to keep quiet.

“She’s going to come and provoke me eventually, I’m just giving her a shortcut!”

.....

After turning the corner, Lin Hanxing stopped.

The Thunder valiant beast turned around.

Lin Hanxing looked around, then opened his arms.

Her face without makeup was fair and clear, with a hint of childishness.

Her long, seaweed-like hair was draped over her back, and the small pearls on her earlobes glowed softly.

“Hug ...”

A soft and coy voice sounded.

Her rose petal-like lips were slightly pursed, and her slender white fingers were hidden in her large soft sleeves, only revealing her clean nails.

No man would be able to resist Lin Hanxing in this state.

Lei Xiao walked over and held her in his arms.

“Uncomfortable?” A voice came from above.

Lin Hanxing grabbed his shirt slightly and lowered his long eyelashes.

“I don’t like hospitals.”

The smell of disinfectant reminded her of the smell of death.

Lei Xiao caressed her long hair, as if doing so would make Lin Hanxing feel better.

“How are Yuan Bao and mother Lei?”

She raised her head, worry in her eyes.

“I’m fine.”

“But mom said that to make up for the shock she received today, she wants to sleep with you tonight.”

“.....”

Lin Hanxing burst out laughing.

It was indeed something that Mama Lei would say!

Thunder owl’s face was tense. He had obviously refused, but failed.

Lin Hanxing reached out and pinched the thin flesh on his cheek.

His phone suddenly rang.

He glanced at the caller ID and saw that it was Bai Xi.

Chapter 486: Would it kill him to say that he missed her?

Nestled in Lei Xiao's arms, Lin Hanxing lazily picked up the phone.

"Okay, come to the hospital to find me."

Lin Hanxing gave him the address and hung up.

"Do you feel lonely sleeping alone?"

Lin Hanxing's chin was pressed against Lei Xiaoyue's chest, his voice soft and his eyes as innocent as a deer's.

Lei Xiao felt that she must have been sent by the heavens to torture him.

"I won't," He was stubborn.

"Oh, I won't. But I'll miss you. What should I do?"

Lin Hanxing blinked, his long fan-like eyelashes casting a shadow of grievance on his ivory white face.

"I'll miss the smell on your body."

She buried her face in his chest and sniffed. That pleasant smell of wood-intoxicating hyssop was intoxicating.

"And I'll miss you holding my arm."

Lin Hanxing raised his hand slightly and touched Lei Xiao's rolling Adam's apple.

"And every midnight, I'll have to ..."

Lin Hanxing stood on his tiptoes and whispered the rest of the sentence into Lei Xiao's ear.

Lei Xiao's arms around her suddenly tightened.

He was almost driven crazy by the cold star!

"When mom falls asleep, send me a WeChat message."

Thunder valiant beast's muscles tensed up, his expression haughty as he spoke.

"But you just said that you won't be lonely. It seems like I'll sleep with mother Lei."

Would this coquettish man die if he said that he missed her?

With that, Lin Hanxing moved to leave Lei Xiao's embrace.

With a flip of his hand, Lei Xiao pressed Lin Hanxing, who was trying to escape, against the wall, and a loud thump was heard ...

Because the man's large palm was on her back, it didn't hurt at all.

However, Lin Hanxing was not on guard at all. His eyes suddenly widened and his heart beat wildly.

Thunder valiant placed his hands on both sides of her face.

A pair of deep and dark eyes stared at Lin Hanxing like a beast staring at its prey.

"You want to run away after flirting with me, huh?"

The last note was low and sexy.

Lin Hanxing smiled and raised his eyebrows, his eyes full of provocation.

"This is a hospital, a public place. CEO Lei, you have to be careful ... MMM ..."

Before she could finish her words, the man gagged her as if punishing her.

The two of them were in the blind spot of the surveillance cameras, but there were people coming and going as they turned a corner.

Lin Hanxing had never been so presumptuous before!

His mind went blank.

"Send me a WeChat message tonight."

Lei Xiao used his thumb to slowly caress her fresh and blood-stained lips.

"I won't."

Lin Hanxing snorted and turned away.

She looked just like the grape-eyed short-legged cat when it first came to the house and stretched out its little girl's claws!

"Don't mess around, okay?"

Thunder owl knew how to make her soft-hearted.

"Foul! Protest!"

Lin Hanxing raised his head in protest. He knew that she had no resistance to his voice, but he still confused her!

"Objection Overruled, Overruled!"

Lei min laughed and refused. Lin Hanxing snorted and kicked Lei min's calf.

"You didn't miss me."

As Lin Hanxing moved, the small pearl on his earlobe also moved.

Lei Xiao's thin lips unconsciously curled up.

He liked the way she relied on him and acted coquettishly.

There was no trace of the coldness he usually had when facing others, and it seemed to belong to him.

Thunder owl leaned over to her ear and whispered something ...

The color of makeup slowly spread from her neck. Lin Hanxing opened her eyes slightly and her face was quickly dyed in a beautiful beige color.

She never thought that he would whisper dirty words to her.

He even said it in such a serious manner.

If an uninformed outsider were to see it, they would only think that the Thunder valiant beast was making a report!

"I also ..."

Lei Xiao shifted his gaze elsewhere.

"I missed you so much."

He said in a low and low voice.

Her awkward look instantly triggered Lin Hanxing!

Chapter 487: That idiot

Bai Xi arrived at the hospital half an hour later.

Following the message Lin Hanxing sent, Bai Xi took the elevator up.

Not long after he stepped out of the elevator, he saw her sitting on the bench in the corridor.

Under the sunlight, Lin Hanxing's entire body seemed to be coated with a layer of light. His ivory white skin was so smooth that even his pores could not be seen. His loose knitted sweater revealed more than half of his round shoulders. He supported his forehead with his elbow, and no one knew what he was thinking.

Even though they were both women, Bai Xi still couldn't resist such beauty.

"Ninth young lady." Bai Xi said respectfully as he walked up to Lin Hanxing.

Lin Hanxing, on the other hand, beckoned her to sit down beside him.

Lin Hanxing had just told Lei Xiao to return to the Lei family villa.

"Ninth young lady, Yuan Xiaolei has already fallen into our trap."

Bai Xi didn't know if it was his own illusion, but he felt that ninth miss seemed to have lost a lot of her aloofness.

There was more gentleness and calmness in his bones.

Lin Hanxing didn't say anything and just leaned back on the bench lazily.

It was only then that Bai Xi vaguely heard the sound of a phone call coming from a corner not far away.

Yes, Mr. Lu, as you've instructed, I've added something to the cigarette.

Yingluo, don't worry, that idiot thinks we're brothers.

Yingying chuckled. Alright, Mr. Lu. Then, the remaining two million ...

The voice was faint and intermittent, but even Bai Xi could make out the general gist of it.

you are reading on our content copy site. Please copy and search this link " <https://tinyurl.com/39hpcn6j> " to support us

He didn't know which rich family's young master had been set up again.

He still foolishly treated others as his brothers and even helped them count the money after being sold.

Lin Hanxing's hand tapped lightly on the back of the long chair, his pupils were amber-colored and transparent under the sunlight.

The person on the other end hung up the phone and walked out from the corner.

His face was full of joy as if he had just received the money.

However, just as he turned the corner, he saw two beautiful women sitting there, which gave him a shock.

He glanced at her several times as he passed by before he turned around and entered the ward.

As soon as he opened the door, loud music rang out, making people feel irritated.

When the door closed, she could not hear anything.

It was obvious how good the soundproofing of the ward was.

"Bai Xi ..." He said.

After a long time, Lin Hanxing finally spoke.

"What?" Bai Xi quickly replied.

"I'll make the call."

"Oh, huh?" Bai Xi felt that his reaction speed couldn't keep up with miss Jiu's thinking.

She didn't understand what she was thinking!

"Call people over! Guard that Ward! You'll come in with me later!"

Lin Hanxing pointed at the ward where the music had exploded. There was no change in his calm face as he gave a simple order.

“You know the person inside?”

Bai Xi glanced at the door of the ward, but he couldn't see who was living inside.

Lin Hanxing chuckled.

If old master Lu hadn't brought up aunt Mian's Jade, she wouldn't have taken on such a huge problem.

“A silly and sweet girl!”

Lin Hanxing said coldly. He was not just a naive fool, he was an idiot!

They didn't know how Lu Bingde had survived until now!

Life was full of pitfalls, but this young master Lu was really capable of accurately hitting every single one of them!

With this kind of luck, what else could Lin Hanxing do other than to applaud him?

Of course, she would forgive him and then continue to clean up the mess!

Lin Hanxing's lips curled into a smile as he thought of this.

Only the heavens knew that when Bai Xi saw this smile, his entire back went numb, as if someone was scraping his bones.

The ninth young lady ...

The killing intent all over his body was so heavy!

What kind of person was staying in this Ward?

Chapter 488: If you can't say it, then don't come out

About ten minutes later, the nearest group of people arrived.

Lin Hanxing looked at his watch and slowly got up.

Bai Xi didn't dare to be slow and followed her towards the door of the ward.

“The few of you, follow me in. The rest of you, stay outside. Don't let a single fly in.”

Lin Hanxing said indifferently, then picked a few people.

No one dared to have any doubts. The hospital corridor was cold and quiet, and the smell of disinfectant and death permeated the air.

The door was pulled open from the outside!

The music that was close to an explosion sounded again, and even Bai Xi couldn't help but frown.

However, Lin Hanxing walked in as if he had not heard anything.

The room was filled with smoke. Men and women were sitting together, and the floor was covered with garbage. It gave people a headache.

The moment Lu Bingde, who was sitting on the bed, saw Lin Hanxing, he covered his head with a thin blanket with great difficulty, as if he could hide himself from Lin Hanxing's sight!

Lin Hanxing watched his stupid actions with a blank expression.

He gestured for his subordinate to close the door.

With a clang, the room returned to an enclosed space.

"Who are you? Who let you in?"

The person who was on the phone outside had a deep impression of these two beautiful women and was a little scared.

He wondered how much they had heard about the phone call.

Lin Hanxing ignored her and gestured for the person to turn off the music again.

In an instant, the music stopped abruptly, and the room fell silent.

Lin Hanxing turned around and walked to the window. He opened both windows at the same time and let the fresh wind in.

Only then could he barely breathe.

Bai Xi looked down at his feet in disgust. How could this still be considered a Ward?

It was clearly a pigsty!

She even thought that standing here would dirty her shoes, not to mention the ninth young lady who loved cleanliness!

After a long while, Lin Hanxing slowly turned around.

She slowly walked to the bed and looked at the big bump covered by the thin quilt. She smiled and said,
"

"Come out."

His voice was still considered pleasant.

"I won't come out."

Lu Bingde's muffled voice came from inside, and Bai Xi couldn't help but roll her eyes.

"I'll say it again, come out."

This time, Lin Hanxing's voice suddenly lowered by two tones, but Lu bingde didn't hear it at all.

"If you can't say it, then don't come out!"

"....."

Everyone was confused by this nonsensical conversation. They didn't understand what was going on.

Bai Xi suddenly had a bad feeling and subconsciously took a step back.

The next second, Lin Hanxing grabbed a corner of the thin blanket and lifted it with a thunderous aura!

It revealed the man who was kneeling on the bed with his face buried in the pillow!

I ... he didn't even have time to finish his sentence.

When Lu bingde saw Lin Hanxing's eyes, he swallowed the rest of his words!

That look could only be described with three words!

Asura arena!

"Take it out and find a place to burn it."

Lin Hanxing reached out and threw the thin blanket to the ground. He swept his gaze over the woman on the motorcycle who was wearing black Roman Shoes and immediately caused her to start cursing!

Bai Xi was about to step forward and teach him a lesson, but when he saw the man's face on the bed with his hands in casts, he was stunned.

He didn't come back to his senses for a long time!

Lin Hanxing didn't notice her loss of self-control. He looked at the woman on the motorcycle and walked towards her!

Lu bingde's heart skipped a beat. He was about to collapse!

He never thought that the person who had disappeared for a few days would suddenly appear again. It really took his life!

Chapter 489: Who brought it?

"What did you just say?"

Lin Hanxing smiled at the woman on the motorcycle. The bright and warm sun shone on her ivory white face, making her look as pretty as she could.

Even the woman on the motorcycle was dazed.

"It's none of your business!" Very quickly, the woman on the motorcycle reacted.

"Oh." Lin Hanxing deliberately prolonged his tone, which made Lu bingde's scalp numb!

As expected, the woman's expression changed in the next second!

The smile that was suddenly retracted made the expressionless face look as scary as it could be!

Lin Hanxing's hand slithered to the back of the biker's head like a slippery snake and pressed down on the cupboard in front of her!

With a loud bang, the woman on the motorcycle felt that her nose was about to break!

But then, the woman grabbed his ponytail and slammed it into the cabinet again and again!

With only a thump, no one dared to step forward to stop him!

Not long after, the Sosnovka Military Base woman, who was still moving, was completely silent.

Lin Hanxing slowly let go of her and let the woman fall to the ground, her face covered in blood.

Her pair of beautiful eyes returned to the other people in the ward.

His eyes were cold and distant, making people shiver all over, like an ancient well in winter, making people fear him.

"I'm sorry."

Lin Hanxing said as he sat on the single-seater sofa. The expression on his face did not seem to be one of embarrassment.

She was like a queen who had descended, leisurely looking at the people in the room.

"Clean up the room so that it doesn't look uncomfortable."

Lin Hanxing ordered coldly. There was no fluctuation in his voice, but the people who came in with her really started to pack up.

Only then did Bai Xi recover from his shock and return to miss Jiu's side.

Lin Hanxing had noticed her unusual behavior earlier.

He just pretended not to know.

He looked at Lu Bingde with a thoughtful expression.

This Bai Xi and Lu Bingde ...

Lin Hanxing leaned against the sofa with one hand and closed his eyes to rest, ignoring the other people in the room.

The underlings cleaned up very quickly. Everything that should or should not be thrown away was cleaned up. In the blink of an eye, the ward was restored to its original appearance. However, the blood that was spurting out of the biker's nose on the ground was deliberately left there.

Time passed by.

The scoundrels who had been sitting casually in various corners of the room now stood in the corners obediently.

Their eyes fell on Lin Hanxing who was sitting on the single sofa.

Lin Hanxing's fingers were tapping rhythmically, his delicate face cold and distant.

After a long time, Lin Hanxing finally opened his eyes and looked at Lu Bingde on the bed.

"Did you just ignore my words?"

Her voice was very soft, but it was as heavy as Mount Tai in everyone's ears.

At this moment, Lu Bingde's face was a mess, either from lipstick or eyebrow pencil. Even the cast was covered with vulgarities, but he treated it as a joke and didn't take it to heart!

Lu Bingde trembled three times and didn't say anything.

Lin Hanxing didn't expect him to say anything, so he glanced at the cigarettes on the bedside table.

It was a German brand, and the smell was pungent, but these rich kids especially liked it.

"Who brought it?"

Lin Hanxing pointed casually, his expression unchanged.

No one spoke.

"I'll ask again, who brought it here?"

Lin Hanxing raised his head and slowly scanned the crowd.

Even Bai Xi, who was standing beside her, was shocked by her aura and couldn't come back to his senses for a long time.

"I don't like to repeat my words three times."

As soon as he finished speaking, Lin Hanxing clapped his hands lightly. The few people who were originally guarding the door caught one of Lu Bingde's scoundrels and forced him to open his hands!

Lin Hanxing lifted his chin slightly.

"Ah ..."

Chapter 490: I want to draw as much as I want

Accompanied by a cry of severe pain, the man's pinkie finger was already a bloody mess.

"There are still four fingers left."

Lin Hanxing said coldly without even looking.

The smell of blood in the air became more and more serious, and some of the more timid ones had already started to vomit.

But still, no one spoke.

Lin Hanxing casually waved his hand, only to hear tragic cries again.

“There are three fingers left.”

The cold voice sounded again. Bai Xi poured a cup of warm water and put it in her hand.

Lin Hanxing picked it up and took a sip.

“I said! I say! It was him! He brought it here!”

The man with two broken fingers reached out with a trembling hand and pointed at the man who was on the phone outside.

“That, you ...”

Lu Bingde seemed to want to say something, but he was so frightened by Lin Hanxing’s indifferent gaze that he swallowed his words.

“Oh, he brought it here.”

Lin Hanxing smiled, but the smile did not reach his eyes.

“Bai Xi, bring that thing over.”

Lin Hanxing pointed at the box of cigarettes. Bai Xi walked over and picked it up.

Under the ninth young lady’s eye signal, he pulled out a stick and put it under his nose to smell it.

When he smelled it, he immediately noticed that something was wrong.

There was something added to this cigarette!

Lin Hanxing looked at Bai Xi and knew that she knew what she was doing. He took the cigarette from her hand with approval and slowly tore it open, letting the tobacco inside be exposed to the air, and a strange smell of burnt oil seeped out.

“You like smoking this thing so much?”

The tobacco slowly fell to the floor and happened to mix with the blood from the biker’s nose, making people feel dizzy.

“I want to draw as much as I want!”

Lin Hanxing laughed as he spoke, then he threw the box of cigarettes in front of the man.

As soon as he finished speaking, someone had already stepped forward to take the box of cigarettes. The man who had been fawning over him on the phone just now was now terrified. He had no idea who he had offended!

“You can’t do this to me. No...”

“It’s so noisy that I have a headache!”

Lin Hanxing frowned slightly. Someone had already blocked the other party’s mouth with a cigarette, and even his nostrils and ears were not spared!

As long as a cigarette could be inserted, there were a few!

The lighter made a clicking sound as he lit the tobacco.

Lin ... Lu bingde wanted to plead on behalf of his ‘brothers’, but Lin Hanxing turned a deaf ear to him and treated him as a dead man.

The man began to struggle violently, and the ignited tobacco gave off a pungent smell.

As long as he breathed, the cigarette would emit a red light.

It was as if the ward was on fire, and smoke filled the air!

“I’ll talk ... I’ll tell you everything ...”

The man stuttered as he tried to speak, but Lin Hanxing did not even want to listen.

She only slightly closed her long eyelashes and kept all the other words out.

“What the hell do you want? These are my brothers!”

Lu bingde was really anxious. He got off the bed without a care and walked quickly in Lin Hanxing’s direction!

She waved her hand in a cast and was about to hit Lin Hanxing.

“Shut up! Look carefully!”

Bai Xi couldn’t take it anymore. He walked over and grabbed Lu bingde by the back of his neck, holding him down!

The man who was still struggling just now seemed to have fallen into an illusion. He sat on the ground and started laughing foolishly.

At first, he was still giggling, but later on, his mood began to rise!

He pulled his clothes and fell to the ground, spouting nonsense.

It was as if he was starting to lose consciousness.

This made Lu bingde, who had been captured by Bai Xi, break out in cold sweat. He finally understood!
