

Goodnight 501

Chapter 501: It's actually true

This action was extremely abrupt.

Lin Hanxing chose to bide his time when he could not accurately determine the other party's intentions.

However, her body's instinctive reaction made her enter a state of vigilance, and her eyes revealed a cold glint.

The man soon arrived in front of her.

His handsome face had the arrogance of a European aristocrat, and his tall and slender figure was wrapped in a silver-gray shirt and black waistcoat.

There was a faint smell of Cedar on his body.

His eyes were filled with surprise and curiosity as he stared at Lin Hanxing.

He sized her up from head to toe.

"It's actually true ..."

Lin Hanxing heard the man mumble something and felt that he was acting strange.

Dr. Zhong.

Lei kangnian let out two dry coughs. Although he did not know why Jiang Chen went straight to the little cold star, he still wanted to remind him.

He also asked the servant to call Lei Xiao down.

Just as Dr. Zhong reached out and wanted to lift Lin Hanxing's long hair to check what was going on, and Lin Hanxing was thinking whether to break his wrist, Lei Xiao and Yan beiming appeared at the top of the stairs.

When Lei Xiao saw Dr. Zhong's actions, his deep eyes suddenly burst out with coldness.

However, Dr. Zhong seemed to have sensed danger and looked up!

"Lightning!"

Dr. Zhong's expression changed the moment he saw Lei Xiao, and he attacked Lei Xiao, who was still standing at the stairway, at lightning speed!

Yan beiming sneaked to Lin Hanxing's side like a Loach.

Lin Hanxing raised his head and looked at the two people fighting, but he did not go forward to help.

This was because she had noticed the reactions of the other members of the Lei family.

It was clearly a 'please, why are you here again' look.

Even the servants didn't blink.

He did what he was supposed to do.

Dr. Zhong was obviously very angry. He kept speaking in Russian, Italian, French, and even Hokkien. He spoke very fast, making people feel as if they were in a listening test. One second ago, you were still thinking about what that word meant, but the next second, you switched to the context.

tsk tsk, little cold star, let's stand on the side. We don't want to be affected by them.

Yan beiming only regretted that he did not bring any pine nuts or melon seeds.

Originally, he was still wondering if Dr. Zhong's temper had changed and become so good, but it turned out that he was just preparing a big move!

Didn't he just fly here from abroad?

"Why did he curse at Thunder valiant?"

Lin Hanxing raised an eyebrow. For the first time in his life, he felt what it meant to be scolded in a fancy way.

The words were not repeated, and they hit the nail on the head.

"Yes, yes, yes?"

At first, Yan beixiao did not react, but when he did, he turned to look at Lin Hanxing in surprise.

"You can understand?"

Even he had a hard time listening to it. He only knew that Dr. Zhong would lose his mind when he was in a state of anger. Although it was not the first time he had seen it, he still could not help but admire his ability to speak.

However, he didn't expect little Hanxing to be even more abnormal than that pervert.

Lin Hanxing glanced at him but did not say anything.

Yan Beichen clicked his tongue and sighed. He had to admit that little Hanxing was a treasure trove. He could always find new things from her!

And he didn't repeat it every time!

you two, watch your words. Little Hanxing can understand!

Yan beixiao lazily spoke to the two people who were still fighting at the top of the stairs, and the Sounds From The Other Side suddenly stopped!

The next second, Lin Hanxing aimed a kick at Yan beiming's calf!

Yan Beichen quickly jumped up and dodged.

He ran to Yuan Bao, who was still sitting in front of him, and lifted him up with both hands under his arms.

"Yuan Dabao, quickly act cute!"

Yuan Bao blinked. His innocent black eyes were filled with bright stars, and his little face was blushing.

She shouted at Lin Hanxing in a childish voice.

"Meng ..."

Well, Lin Hanxing decided to give face to Yuan Bao and spare Yan beiming's worthless life!

Chapter 502: I apologize for my ignorance

"Follow me into the study."

Lei Xiao looked at Dr. Zhong, his voice hiding a storm.

Even after the fight just now, his breath was not in any disorder.

Dr. Zhong's expression was arrogant, as if he did not see the warning in Lei Xiao's eyes, and he looked in Lin Hanxing's direction again.

He seemed to be really curious about her.

"Don't make me repeat myself!"

Even Dr. Zhong couldn't bear the strong aura that belonged to the people in power.

With that, Lei Xiao went upstairs!

.....

"Little Hanxing, are you still angry at me?"

Yan beixiao nudged Lin Hanxing's shoulder, trying to imitate Yuan Bao's cuteness.

"Mother Lei, is someone talking?"

Lin Hanxing did not even look at him, ignoring Yan beiming as if he was air.

"Not at all!"

Between Xiao Yanzi and her daughter-in-law, of course, she would stand firmly on her daughter-in-law's side.

"Don't be like this! Or I'll tell you where ah Xiao threw Luo Ruyin!"

Based on the frequency of him angering ah Xiao!

He must have the little cold star, this mascot, to protect his dog life!

Lin Hanxing raised his eyebrows and looked at him with a half-smile.

"I'll ask, you answer,"

If he wanted to negotiate with her, hehe, he would have to see if little Yanzi had the ability.

"Alright!"

Yan Beichen gritted his teeth and agreed.

"Who is Dr. Zhong?"

Lin Hanxing did not stand on ceremony with Yan beiming and immediately asked what he wanted to know.

The Lei family's attitude towards Dr. Zhong was very subtle.

Yan beixiao's face was bitter as he subconsciously turned to look at Mama Lei and Lei min.

After receiving an almost inaudible nod from mother Lei, he spoke in a low voice.

"Dr. Zhong is the world's most famous psychologist, and he is also Lei Xiaosan's friend."

A psychologist?

Third young master Lei, Lei Cheng's friend?

Lin Hanxing was deep in thought and did not speak for a long time.

"Actually ..."

Afraid that she would let her thoughts run wild, Yan beixiao quickly tried to explain, but Lin Hanxing interrupted him with a hand gesture.

"When Lei Xiao wants to tell me, he'll naturally tell me."

In that instant, Yan beixiao, Lei Xiao, and even mother Lei were stunned.

He did not expect Lin Hanxing to say that.

"Most people wouldn't be as calm as sister-in-law when they hear about a psychiatrist."

Lei Jing's voice was warm and gentle, without the indifference and alienation in the eyes of others, and she looked kind and natural.

"Then what should I do?"

Lin Hanxing asked Lei Qian.

Dr. Zhong has been counseling ah Xiao on psychological problems all year round.

After that, the surroundings fell silent.

Lin Hanxing did not seem to hear her and teased Yuan Bao with a smile.

“Daughter-in-law, actually ...”

Mother Lei bit her lip and gathered her courage to speak.

“Mother Lei.”

Lin Hanxing interrupted her again and looked up at mother Lei.

“To me, the Thunder valiant beast is just a Thunder valiant beast.”

As if she had read between the lines, tears welled up in mother Lei’s eyes.

“Now, you can tell me, where did Lei Xiao throw Luo Ruyin!”

Lin Hanxing looked at Yan beiming, his voice lazy.

At the mention of this, Yan beiming’s spirit was lifted, and he leaned over to Lin Hanxing’s ear to tell him the name of a place.

Lin Hanxing’s eyes lit up.

This was the place with a lot of people that Thunder valiant beast mentioned?

.....

“I apologize for my ignorance.”

Just as they entered the study room, Dr. Zhong knew the situation and spoke to Lei Xiao gracefully.

“I always thought that she was just a fictional character you made up back then.”

Until he saw it with his own eyes.

Dr. Zhong vaguely felt that he had been wrong all these years.

He finally understood what it meant by “a hibiscus can’t compare to a Beauty’s makeup,” “the wind in the water temple brings the fragrance of pearls and Jade.”

Her eyebrows and even that mole under her eyes were alluring to a man’s mental fortitude.

It was just like how Thunder owl had once speculated about what she would look like when she grew up.

Chapter 503: Does she know you’re looking for her?

Lei Xiao’s eyes were dark, but he did not say anything.

“Does she know that you’re looking for her?”

He had been searching for it all these years and had never given up.

That kind of stubbornness and stubbornness.

He was like a thirsty traveler in the desert looking for water in an oasis. Even though his body was on the verge of collapse, his consciousness was still holding on.

does she know that the tattoo on your waist was done for her? ”

“This is my business, it has nothing to do with her.”

In the face of Dr. Zhong, Lei Xiao’s cold and hard expression was so distant.

His eagle-like eyes carried an overbearing aura that others couldn’t understand.

Chasing after her was his own business.

Being infatuated with her was his own matter.

Treating her as his religion was his own business.

Lei Xiao had never told Han Xing.

From the moment they met on the cruise ship in the high seas, this was a reunion he had been separated for a long time with ulterior motives.

It had been 18 years!

I don’t know if it’s her fortune or misfortune to be fancied by you.

Thunder owl’s thoughts were so deep and gloomy ...

He had waited for so long ...

After a long time ...

No one knew it better than Dr. Zhong!

Lei Xiao walked back to the table and sat down, hiding all the emotions in his eyes.

At that time, when he met Han Xing on the cruise ship, when her cold eyes swept over him, no one knew that the blood in his body was boiling!

She was so good-looking.

Her porcelain white skin was just like how she remembered it.

She was like a porcelain doll that could not bear to be broken.

Her thick, black, and long eyelashes were so dense that it seemed impossible to brush them open. Even the mole under her eyes made his gaze turn greedy.

However, he didn’t dare to look!

He was afraid that the sensitive Hanxing would discover his heart that had dried up to the end of the road.

He was greedy and wanted more!

Yingluo, because of you, I also have the desire to walk towards the light. The world won't be too lonely for me.

Back in Mengsong, she had seen the tattoo on his waist and had praised it for its beauty.

The waves in his heart were raging, as if they were going to devour him completely.

The air was filled with the fragrance of wild jasmine.

Thunder owl would always remember.

He crossed swords with her over and over again, testing her bottom line, forcing his way into her world, stubbornly leaving his mark in the blank love world of Han Xing, Lei Xiao knew ...

How despicable was he to do this!

Yingluo really wants to trap you in my hands for the rest of your life, and I'll be the only one supporting you.

Whoever looks at you, I'll dig out their eyes. Whoever touches you, I'll cut off their hands. If anyone has any wild thoughts about you, I'll make that person's life a living hell ...

On the day Meng and song were separated, his anxiety and uneasiness had caused him to lose control of his possessiveness.

He clearly wanted to be like what Yan beixiao had said, to tie her to his side even if he had to die.

But he couldn't bear to ...

He really couldn't bear to.

He wanted to let Hanxing do whatever she wanted to do.

Yet, he still had to swallow the pain of losing fear all the time!

Thunder valiant beast knew how sick his heart was.

He knew.

All these years, Lei Xiao had tried his best to do everything well, to make himself look no different from a normal person.

However, his stubbornness, bloodlust, and darkness had never disappeared.

No one could see his pitch-black Heart.

Just as he was about to give up, he finally caught a glimpse of a faint light.

It was a cold star.

It was the only star in his world.

"The woman that I, Lei Xiao, have decided to pamper is destined to be above all!"

He could give her everything she wanted in this world.

As long as Hanxing wanted it, it didn't matter even if the world was turned upside down.

However, she could not leave him.

She could call him selfish or paranoid, but once she held his hand, she would never let go!

Chapter 504: Yes, I was waiting for you

It was still raining outside.

When Dr. Zhong walked out of the study room with Lei Xiao, it was already late at night.

It was obvious that the rest of the Lei family had already gone back to their rooms to sleep.

I'll get the servants to clean up the guest room for you. You'll be staying here tonight.

Lei Xiao's smoking addiction kicked in, and after saying this, he walked towards the balcony garden on the second floor.

"Ley." Dr. Zhong called out to him from behind.

The Thunder valiant beast stood still, but did not turn around.

"Have you been having nightmares at night recently?"

Dr. Zhong didn't say this in the tone of a doctor, but in the tone of a friend.

Dr. Zhong's eyes were filled with worry.

The Thunder valiant beast had a very different meaning to him.

Although he was closer to Lei San, Lei Xiao was the first patient in his life.

Dr. Zhong had been famous in the field of psychology since he was young, and he had an arrogant and cold personality.

The number of people who had been able to invite him over the years was even fewer.

Only this Thunder valiant beast had never put him in his eyes, but he still wanted to go against him.

It was because he was too special.

"No, I didn't,"

.....

In the darkness, a red light flickered.

Lei Xiao stood against the wall, all sorts of plants and flowers by his hand.

The short-legged cat with grape-colored eyes was sleeping soundly on the swing chair.

The rain fell on the floor-to-ceiling glass, pattering.

The man's casual movements were sexy and seductive, making people unconsciously indulge in them.

He held the cigarette between his index and middle fingers, while his thumb, ring finger, and little finger were pressed between Leng Jun's eyebrows.

A white smoke ring appeared around his lips.

The weak light from the phone illuminated Lei Xiao's expression.

His fingers caressed the three WeChat names 'Xing Xiaoxing', and his thin lips unconsciously curved into a smile.

Thunder owl asked, "are you asleep?"

Lin Hanxing did not reply.

Lei Xiao, who had been waiting for a long time, was a little disappointed.

"Were you waiting for me?"

A soft voice came from behind him.

The Thunder valiant beast turned around.

Lin Hanxing waved his phone at him.

Lin Hanxing did not miss the surprise in Lei min's eyes. He walked over and stood beside him.

The wisteria rose grew vigorously along the shelf set up by the gardener.

They could even see it from the tempered glass roof.

In the dark night, the red roses bloomed one by one.

The fragrance was rich.

"Yes, I was waiting for you."

I've been waiting for you.

Lin Hanxing turned to look at Lei Xiao and snuffed out the cigarette he was smoking.

Lei Xiao's gaze was deep as he allowed her to do so.

However, Lin Hanxing probably did not know that if it was anyone else who had the courage to do so, they would not be able to see the sun rise the next day.

When he was coaxing Yuan Bao to take a bath earlier, Lin Hanxing had tied his long hair up into a bun.

Like a flower bud.

It made her childish face look even better without makeup.

Lei Xiao's eyes were deep and profound. He reached out and slowly untied Lin Hanxing's hair tie, only to see his long hair pouring down like a waterfall.

In the process, Lin Hanxing could even smell the distinct smell of tobacco from Lei Xiao's fingers.

It was mixed with the original wooden hyssop fragrance on his body, forming the most attractive smell, making her infatuated.

"I'm late."

Just as she finished speaking, Lei Xiao reached out and pinched her chin.

The delicate touch pushed it away between his fingers.

"It's not too late at all."

As long as you're here, I'll wait for you. It's never late.

"Carry Me Back."

At this time, the entire city seemed to have become quiet.

The rich rose fragrance filled the air.

Lin Hanxing opened his arms to Lei Xiao, and the next second, he lifted her up.

Lin Hanxing's two thin legs wrapped around him and he subconsciously wrapped his arms around Lei Xiao's neck.

She leaned forward and kissed the corner of the man's lips, which still had a strong tobacco smell.

She pretended not to see how happy his eyes were when he subconsciously softened because of her actions.

Chapter 505: Do you want to play together

Lin Hanxing took a quick shower and walked out of the bathroom in Lei Xiao's shirt.

When she was drying her hair, she heard a faint cough behind her.

She turned around, only to see Lei Xiao feigning innocence.

She put aside the book that she had been casually flipping through while waiting for Lin Hanxing to come out of the shower and lay on the pillow to look at her.

"I've said it before, I won't care if you catch a cold."

Lei Xiao didn't say a word. He was almost 1.9 meters tall, and he was lying on the big bed like a child.

From his angle, Lin Hanxing's legs under his black shirt were thin and white. As she dried her hair, her slender fingers ran through her black hair, shaking it back and forth. Her actions were indescribably flirtatious.

Hanxing ... Lei Xiao's voice was hoarse as he called her.

"What?" Once Lin Hanxing replied to him, he stopped talking.

After two or three times, Lin Hanxing ignored him and put the hairdryer back into the drawer.

Just as she returned to the bed, she was forcefully pulled into Lei Xiao's arms.

"My throat hurts." The Thunder valiant beast's body was as tough as an iron wall, and it had been many years since he had a cold.

However, this time, his luck did not continue to favor him.

"He deserves it!" Lin Hanxing was lying on his chest, wrapped in Lei Xiao's arms along with the thin blanket.

Lei Xiao rested his chin on the top of her head and kissed her forehead from time to time.

"Do you want me to play with you?"

Looking at Lin Hanxing nestled in his arms and playing with his mobile phone, ignoring him, Lei Xiao found a topic for himself.

Dear readers! you are reading on our content copy site. Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

Yan beixiao was the one who downloaded the game for him.

When he heard his request, Yan beixiao was so shocked that his jaw almost fell off.

"Come on!" As he spoke, he opened a side account.

Lin Hanxing raised his head to look at Lei Xiao, as if he did not expect him to have learned 'playing black' in such a short time.

In the end ...

Lin Hanxing's face was expressionless as he dropped seven stars.

F * ck you ... she cursed, which was a rare sight.

Lei Xiao looked at Lin Hanxing in surprise.

Lin Hanxing's eyes were innocent. She didn't say anything just now. It was all an illusion.

He slowly put down his phone and began to unbutton his pajamas.

"....."

Lin Hanxing blinked, not understanding what he was trying to do.

It was only after Lei Xiao had casually thrown his pajamas off the bed and laid flat under her gaze that he suppressed the excitement in his heart. He looked at Lin Hanxing and said in a deep voice, "

"Come on!"

“.....”

“Didn’t you want to rape me?”

“.....”

Lin Hanxing’s face turned red and he was speechless for a while.

“I didn’t mean it that way.”

She felt that she needed to explain herself.

“You’re not?” At this moment, Lei min could not hide the disappointment in his eyes, and even his voice was low and dispirited.

“No.”

Lin Hanxing shook his head firmly.

“But I am.”

“.....”

You win!

.....

In the middle of the night, Lin Hanxing was awoken by Lei Xiao’s suppressed coughing.

He opened his eyes in a daze and saw the new Internet-addicted teenager playing games on his phone.

It was still raining outside.

He turned on the wall lamp and saw that she was awake. He looked at her with his dark eyes.

Lin Hanxing did not know why, but he could actually read some grievances in it.

“What’s wrong?”

“I’ve been scolded.” Lei Xiao maintained his concise and comprehensive style, his voice muffled.

Although he wasn’t angry, he was obviously uncomfortable.

“Who’s scolding you?” Lin Hanxing sighed and sat up. He stuck his head out and looked at the phone in his hand.

Sure enough, he saw the other side mocking Thunder owl.

He was as mean as he could be.

Lei min stared blankly at the screen and stood still under his crystal.

“I’ll do it.”

Hehe, youngsters, even I can’t bear to let him suffer, Who Do You Think You Are?

Chapter 506: Where did you get it?

Lin Hanxing took the phone from Lei Xiao.

[all Thunder (Li Bai): all hit.]

Lin Hanxing was too lazy to move, so he told them all to come to the middle lane.

[all] old lady loves meat (Zhen Ji): Big brother will teach you how to be a human

[all Thunder (Li Bai): hehe, I'm waiting to call you daddy.]

Lin Hanxing felt the dissatisfaction of the internet-addicted youth beside him and did not forget to help him while he was still rushing to the middle lane.

"Good girl." Lin Hanxing yawned and leaned against Lei Xiao as he spoke lazily.

Miracle Guan (Yuji): " don't be a disgrace.

Seeing that even his teammates were complaining, Lin Hanxing pouted and sped out of the crystal ...

In a short two minutes, the screen kept flashing with notifications.

Two consecutive kills!

A triple match!

Four consecutive transcendents!

Five consecutive peerless moves!

The team was annihilated!

[all] old lady loves meat (Zhen Ji): Dad, dad, stop!

[all] old lady loves meat (Zhen Ji): Father, let me catch my breath!

Lin Hanxing rolled his eyes. Just as he was about to return the phone to Lei Xiao, he suddenly felt a warm breath on his arm.

She turned her head to look at Lei Xiao, only to see that he had fallen asleep.

Lin Hanxing threw his phone aside while his teammates were pushing the crystal.

Half of Thunder owl's face was buried in the pillow.

His usually deep eyes were hidden by his eyelashes. The dim yellow light from the wall lamp divided his handsome nose into two halves. His thin lips were tightly pursed into a line, making him look domineering and insecure.

He was no longer sleepy.

Lin Hanxing reached out to caress the thick black hair in front of his eyes and smiled almost imperceptibly.

The dimples on her cheeks were faintly visible ...

.....

The rain did not stop.

Late at night, at the cemetery in the western suburbs of Jiang city.

Compared to the high-end Cemetery in the eastern suburbs, the cemetery in the western suburbs was extremely desolate.

There was no unified planning by the developers, and the government used them to bury the unclaimed corpses.

As time passed, it became somewhat similar to a mass grave.

Luo Ruyin was drowsy and felt cold all over.

He tried to open his eyes, but he gave up because of the inexplicable wetness.

Why is it so cold at home?

Suddenly, an image flashed through her mind, and she shivered. Luo Ruyin gradually became sober.

Her last memory was at the entrance of the Lei family villa.

She had originally wanted to use her grandmother to intimidate Lin Hanxing, but she did not expect to be discovered by Lei Xiao.

Recalling those eyes that were even colder than an ice pool, Luo Ruyin was extremely unwilling to accept this.

When he was facing Lin xiaojiu, his eyes were so gentle ...

There was a sound of something hitting his face.

Luo Ruyin covered her eyes with her hands, her breath filled with the smell of dirt.

“Men ...”

She opened her mouth weakly, but the only response Luo Ruyin got was the endless sound of rain and the Echo of the void.

As if sensing something was wrong, Luo Ruyin swallowed her saliva.

It was wrong!

This was not their home!

Thunder valiant beast, where did Thunder valiant beast put him?

He slowly removed his hand from his eyes, and the first thing he saw was a black-and-white photo.

Because she was lying down, Luo Ruyin did not react immediately.

After a long time.

ah ... a scream rang out in the wilderness!

Luo Ruyin suddenly stood up, her entire body already soaked in mud and rain.

He covered his mouth with his dirty hands and widened his eyes in fear.

Only then did he realize where he was!

There were graves all around, some of which were already broken.

The Thunder valiant beast had actually ordered people to throw him into the graveyard!

Randomly rummaging through her pockets, Luo Ruyin searched for traces of her phone, but very quickly, she found the phone next to her that had been ruthlessly crushed. The broken screen couldn't even be turned on!

"Lin xiaojiu!"

Chapter 507: That little thought was really not enough

Luo Ruyin had only been sent back to the Lin family in the morning.

She was so frightened that she had a high fever, vomited, and had diarrhea, as if she was possessed.

When Lin Hanxing heard the news, he was running on the treadmill with Lei Xiao.

Everyone knew that Thunder valiant beast loved sports.

Whether it was the Lei family's Villa or his apartment, there would always be a gym set aside.

It was fully equipped with all kinds of equipment.

Every morning, Lei Xiao would also take out two hours to exercise.

Lin Hanxing got off the treadmill, then turned off his Bluetooth headset and took a bottle of mineral water to drink.

After exercising, her face was pinkish and drenched in sweat.

"Luo Ruyin was sent back by Cheng Lingyun's people."

Lin Hanxing laughed, his tone was neither angry nor annoyed, as if he was watching a good show.

Thunder owl turned his head and looked at her.

His cold and firm facial features were tense because of running, and his handsome face, which had already been favored by God, was even more charming at this time.

Lin Hanxing had just drunk some water, but he felt even more thirsty.

She hurriedly took a sip of water and looked away from the man in front of her.

He seemed to have been tempted.

However, Lei Xiao was clearly very serious in his exercise.

"Cheng Lingyun, huh."

After turning off the treadmill, Lei Xiao walked towards Lin Hanxing and took her half-finished glass of water to drink.

Last night, her men were guarding the western suburbs Cemetery and watched Luo Ruyin collapse in fear. However, they bided their time and waited until this morning before throwing her back to the Lin family's Gate.

Lin Hanxing narrowed his eyes. As the saying went, a woman's heart was the most vicious.

Cheng Lingyun was afraid that she would have any contact with Yuan susu, so she secretly sent a few flies to keep an eye on her.

Lin Hanxing naturally knew about this, but he was too lazy to argue with her.

Last night, her people could of course immediately send Luo Ruyin back, but that would still cause the conflict to be a bit lacking.

When Luo Ruyin had spent the entire night there, she had suffered a double blow to both her mind and body.

Naturally, it was best to be manipulated when he was at his weakest.

In addition to what happened to old lady Luo yesterday, the Lin family was probably in a mess now!

"It's a pity, her thoughts are really not enough!"

Lin Hanxing's lips curved into a smile, his eyes full of mockery.

Playing tricks with her, hehe!

"I'm going back to the Lin family tonight."

As soon as Lin Hanxing finished speaking, Lei Xiao's movements stopped, and a cold whirlwind started to blow around him.

Luo Mingwei is going to be buried tomorrow. I have to go back to 'send' her off.

Luo Mingwei's death wasn't glorious, so the Lin family wouldn't make a big deal out of it. However, she was still old lady Luo's precious daughter, the sister that Luo Minghao doted on. Naturally, she couldn't be too shabby.

“But before that, I have to give Cheng Lingyun a gift in return.”

.....

At this moment, the Lin family was indeed in a mess.

Old lady Luo had a fever when she was thrown back to the Lin family yesterday and had not woken up until now. The door was filled with wreaths and paper money. Even after cleaning up, the door was filled with paper money again. They were deliberately going against the Lin family.

This morning, Luo Ruyin was thrown at the door, covered in dirt.

The security guard who opened the door was so frightened that his heart almost stopped!

it’s definitely Lin xiaojiu!

Luo Wenbo roared in anger, full of certainty.

“Big brother, what did you do this time!”

Seeing his brother like this, Luo Wensu felt a splitting headache.

The Lin family was in such a state, and they still had the mood to find trouble with her?

Luo Minghao’s gaze was like a sword as he looked at his eldest son!

“Grandma and Ruyin insisted on burning paper at the Lei family’s Gate to appeal for aunt’s innocence. What could I do?”

Luo Minghao stood up and gave him a tight slap!

Chapter 508: You even dare to cause trouble at the Lei family

Luo Minghao had used all his strength in this slap.

Luo Minghao almost fell to the ground!

“We’re going to the Lei family’s Gate to burn paper! Who gave you the guts!”

Luo Minghao was furious, and his voice was mixed with fear.

Lin youlin, who had heard the argument downstairs, came down with red eyes. When she heard this, her face turned pale!

Luo Wenbo was slapped in front of his younger brother, and he immediately became furious.

“Big brother, do you know how the Jiang family disappeared back then?”

Luo Wenbo saw that his big brother was still unconvinced, so he said this in a deep voice.

Upon hearing this, Luo Wenbo immediately shivered.

Speaking of the Jiang family, their power in Rivertown back then was comparable to the Lei family. Especially when they were at the peak of their power, the Jiang family was even more arrogant and wanted to compete with the Lei family. They had said many times in public that they wanted to replace the Lei family.

He had even secretly threatened the Lei family's safety many times!

However, it was precisely this kind of Jiang family that had been completely massacred overnight!

The scene at that time could be said to be a tragic sight of rivers of blood.

Although it was later proven that the Jiang family had offended an overseas group for their shady business and was retaliated against, in fact, countless clues were linked to Lei Xiao.

"Back then, the Lei family controlled 73% of the important waterway fortresses in Jiang city. If we want to transport goods safely from the waterway, we can't escape the control of the Lei family! Even though the Lei clan has been cleansed in recent years, do you really think that it's completely clean?"

It wasn't without reason that the entire Jiang city was afraid of the Lei family!

"Among the four sons of the Lei family, Lei Xiao is the most likely to take over Lei kangnian's forces!"

"And what kind of personality did you not understand after all these years?"

In the eyes of outsiders, the Lei Corporation was glamorous and glamorous, but how much danger and risk were hidden in its complicated relationship? Lei Xiao was able to settle the internal crisis by himself, except for his Swift and decisive style of doing things ...

And his ruthless and merciless means of intimidating!

In the eyes of others, Lei Xiao was a very quiet person.

It was a miracle for the children of the rich families in Jiang city to have no scandals all year round.

However, it was also this kind of man that no one dared to offend and could not offend!

"How much does Lei Xiao value his family? you even dared to cause trouble at the Lei family!"

That was his mother upstairs, so he couldn't do anything, but Luo Wenbo and Luo Ruyin were his children. If he couldn't even teach them a lesson, where would he put his face?

It was just throwing the old lady back to the Lin family's door, it was just throwing Luo Ruyin to the mass grave. Compared to Lei Xiao's usual methods, this was already a great gift!

At Luo Minghao's age, he had his own rules about who he could offend and who he couldn't. However, his eldest son was so muddleheaded that he couldn't control his anger!

from tomorrow onwards, you don't have to go to the company. Leave the matters at hand to Wensu to handle. Luo Wenbo, stay at home and calm down!

The veins on Luo Wenbo's forehead bulged as he stared at his younger brother!

Why?

Why is the heavens so unfair!

.....

At the Affiliated Hospital of Jiangcheng Medical University.

With a click, the door of the ward was opened from the outside.

When Lin Hanxing's delicate little face entered Yuan SuSu's eyes, her expression instantly turned ferocious.

"How did you get in?"

Her mother had already ordered people to seal up the ward. It was so tight that not even a fly could fly in.

"As long as I want to, there's no place I can't go."

Lin Hanxing chuckled as he walked over. He saw her hands from the corner of his eye.

As if he was afraid that she would do something extreme, he was tied to the side of the bed.

Chapter 509: Guarding against you is the same as guarding against thieves

The bruises on her wrist from the violent struggle were obviously not left in a short time.

The skin was worn out and yellow water was seeping out.

Lin Hanxing was not surprised at all that he treated his own daughter this way.

After all, in her opinion, Cheng Lingyun was selfish to the core. Once someone threatened her interests, she would not hesitate to deal with it, even if it was her own flesh and blood.

"How did you end up in such a miserable state?"

Lin Hanxing chuckled and looked down at Yuan susu.

Yuan susu laughed coldly. She was no longer as fresh and weak as when Lin Hanxing first met her.

On the contrary, she looked like a resentful wife.

"You don't look surprised at all,"

Yuan susu laughed, her face twitching as she sewed up the wound.

Lin Hanxing had to admit that talking to Yuan susu, who had exposed her true nature, was much easier than talking to the otherworldly woman from before!

you have a lot of time anyway. Why don't you guess what I brought you? "

Lin Hanxing waved the paper bag in his hand at Yuan susu.

This was given to her by Lei Xiao when she was sent to the hospital!

Even Lin Hanxing himself was shocked after reading the content.

“Hehe.”

Yuan susu didn’t believe that Lin Hanxing would be so kind, but she didn’t think that there was anything that could provoke her.

Lin Hanxing glanced at his watch.

He calculated the time when Cheng Lingyun would receive the news and come to the hospital.

He walked to the TV in the ward, took out the USB drive from the kraft paper bag, and played it on the TV.

At first, Yuan susu didn’t even look at it.

However, after hearing the sound, his eyes, which were like still water, suddenly widened!

The television was showing her!

The scene of her participating in the beauty pageant in country G’s universities!

“What do you want?”

Yuan susu started to struggle madly. Her face was as pale as a ghost, and it was extremely terrifying.

The voice was mournful.

It was like he couldn’t face it!

Yuan susu had seen her own face before, and she knew that the current her was very different from the one on TV!

Those men’s infatuated and chasing eyes would never return!

“Don’t cry. If your tears get into your wound, it’ll become inflamed and fester.”

Lin Hanxing ‘kindly’ reminded him.

Yuan susu glared at her. The bandages rubbed against her skin, but the pain could not stop her madness.

I just want you to remember who the culprit is!

Lin Hanxing sat by the bed and raised his eyebrows as he spoke, letting Yuan susu scream and scream.

Her voice was cold and flat, and her calm eyes fell on the TV.

Yuan susu was confidently showing off her beauty in the photo.

after the incident yesterday, Cheng Lingyun contacted country G and transferred all the funds and real estate purchased under your name back to her own name!

For a moment, Yuan susu forgot to struggle and opened her eyes wide.

“You know what? You have nothing under your name now!”

Lin Hanxing chuckled.

“I won’t! My uncle would never ask her to do that!”

Deep down, Yuan susu and Cheng Lingyun were the same type of people.

They lacked a sense of security and had a strong control over money!

“Without Mr. Yuan’s help, do you think she could have emptied you of everything in such a short time?”

As if to prove that he was telling the truth, Lin Hanxing took out the documents from the paper bag.

He flipped through the pages in front of Yuan susu.

“It seems that your threat to her has worked!”

“Guarding against you is the same as guarding against thieves!”

Lin Hanxing said with a smile, watching as Yuan SuSu’s chest began to rise and fall violently, as if she was out of breath!

The door was pushed open from the outside with a bang!

Chapter 510: Are you afraid?

Cheng Lingyun rushed over.

Behind her, there were two unconscious brawny men lying in the hospital corridor.

It was obviously the bodyguard in charge of Yuan SuSu’s ward.

“Lin Hanxing!” Seeing the situation in the ward, Cheng Lingyun screamed.

He quickly walked up to the two of them and snatched the information from Lin Hanxing’s hands. He lowered his head and scanned through it a few times.

The more he looked, the colder he felt!

Lin Hanxing allowed Cheng Lingyun to snatch it away and watched her face turn from green to white with admiration.

“Susu, she lied to you! This isn’t true, you have to believe me!”

Without caring about Lin Hanxing, Cheng Lingyun quickly walked to the bed and explained to Yuan susu with a panicked look.

Yuan susu looked at her coldly, her eyes filled with a haze.

That gaze made her mother, Cheng Lingyun, feel fear deep down in her bones!

"I have eyes, I can see for myself!"

Yuan SuSu's voice was soft, and the centipede-like cracks made Cheng Lingyun's heart beat faster.

Her mind was blank.

The noise from the TV distracted Cheng Lingyun.

In the next second, she picked up the vase by the bed and smashed it at the TV on the wall!

There was a loud bang.

The television Mirror shattered into a spider web.

The room fell into a dead silence.

Yuan susu laughed coldly, but her breathing became heavier, as if her heart was in a terrible condition.

"That's my money! That belongs to me!"

Yuan susu stubbornly repeated her words over and over again. She stared at Cheng Lingyun, as if she wanted her to return everything that belonged to her.

All of a sudden, Yuan SuSu's body started to convulse violently, and she started to foam at the mouth.

Cheng Lingyun looked at Yuan susu in a daze.

She was supposed to ring the bell by the bedside, but she didn't do anything for a long time.

Lin Hanxing's cold eyes took in the entire scene.

After a long time!

"Susu!" Cheng Lingyun rushed to the bedside and pressed the bell tightly.

Very quickly, the doctors and nurses arrived.

Lin Hanxing and Cheng Lingyun were both asked to leave.

"What the hell do you want!"

Cheng Lingyun pushed Lin Hanxing against the wall of the corridor, her eyes bloodshot.

However, Lin Hanxing's lips curled into a cold smile.

"Are you scared?"

Her voice was very soft, as if it was soft to the bone, but to Cheng Lingyun, it was extremely cold.

"Take it as a reward for your men's hard work last night."

Cheng Lingyun suddenly shivered.

She actually knew about it!

“I know you want to take revenge for li Yanyu!”

Cheng Lingyun grabbed Lin Hanxing’s shoulder tightly, as if she wanted Lin Hanxing to hear every word she said!

“That B * tch won’t let me go even if she dies!”

“But don’t think that you can destroy me like this! Let me tell you, I will have brother Yuan’s child very soon. By then, my child will inherit everything that should have belonged to li Sinian!”

“What is li Yanyu? What was li Sinian? I’m the winner!”

Lin Hanxing laughed as he looked at Cheng Lingyun’s eyes ...

Cheng Lingyun felt like she was a lunatic!

Suddenly, the smile on Lin Hanxing’s face disappeared. He raised his leg and kicked Cheng Lingyun’s knee.

Cheng Lingyun let go of Lin Hanxing’s shoulders with a groan.

Lin Hanxing used the momentum to push her against the wall.

With a loud thump, Cheng Lingyun felt as if her entire body was about to fall apart!

“When Yuan susu fell ill, you didn’t do anything for a long time! At that time, were you thinking that if she died like this ...”

Lin Hanxing’s hand was like a pair of iron pincers, locking Cheng Lingyun’s chin and forcing her to look up at him!
