

Goodnight 511

Chapter 511: You want to use the Lin family to make things difficult for me

“There wouldn’t be so much trouble, would there?”

Lin Hanxing’s voice was full of coaxing, and Cheng Lingyun’s face turned pale.

A sharp pain came from his chin.

“You’re talking nonsense!” His voice trembled slightly, but his expression seemed to reveal his thoughts!

Lin Hanxing looked at her.

No one could become an obstacle to Cheng Lingyun’s success.

Cheng Lingyun and Lin Hanxing looked at each other.

Her eyes were too clear, as if they could reflect all the darkness in her heart, making her unable to avoid it!

that’s right. You’re working so hard to have a child that belongs to you and Yuan shaojing. It’s best if it’s a boy, because that way, he can inherit Yuan shaojing’s family business that’s as rich as a country!

Lin Hanxing slowly let go of her chin and ran his fingers through her hair.

Her aura was so powerful that Cheng Lingyun didn’t dare to move.

“Aren’t you curious about what Yuan susu and I were talking about in there?”

Lin Hanxing’s voice was cold, as if he wanted to make the deepest fear in Cheng Lingyun burst out.

Susu Knew Too Much about her!

No matter what he told her, it would easily destroy her hard-won happiness!

“She told me something very interesting.”

Seeing the uneasiness in Cheng Lingyun’s eyes, Lin Hanxing smiled in satisfaction.

“Lin Hanxing, do you think you’ll have a good ending when you return to the Lin family?”

Cheng Lingyun gasped for breath and tried to change the topic.

“How about we make a deal? When I get married to brother Yuan, I’ll let you have whatever you want in the Lin family! Recently, the Lin family wants to get in touch with X group through brother Yuan to participate in the Jiangcheng cross-sea bridge matter ...”

“Hehe ...”

Lin Hanxing sneered as if he had heard a joke.

“You want to use the Lin family to make things difficult for me?”

In the ward behind him, Yuan susu was fighting for time with the Grim Reaper.

However, Cheng Lingyun only cared about whether her wealth would vanish into thin air.

Lin Hanxing's long eyelashes fluttered slightly, hiding the mockery in his eyes.

He reached out and gently patted Cheng Lingyun's face, as if trying to wake her up.

"I'm afraid I'll have to disappoint you,"

Lin Hanxing made a cheeky expression, which was not a good experience for Cheng Lingyun.

"Don't worry, as long as Yuan susu is alive, I will find out more interesting things from her!"

Lin Hanxing let out a sigh as he released Cheng Lingyun.

"Let's take it slow!"

.....

After leaving the hospital, Lin Hanxing took a taxi to the Lei Corporation.

As soon as she entered the president's office, she saw Yan beiming sitting on the sofa, eating salted crispy chicken, looking like he had nothing to do.

Dr. Zhong was sitting beside her.

"Little cold star!" Seeing Lin Hanxing enter, Yan beixiao pounced on her without even wiping his hands.

Dr. Zhong put down the magazine in his hand, and his eyes also fell on her.

Before Yan beixiao could even get close, Lin Hanxing pushed him away with a hand on his head.

our Xiao is working hard to earn money, and you're eating salted crispy chicken here? "

Lin Hanxing raised his eyebrows and looked at him.

Yan beixiao clicked his tongue. Our ah Xiao ...

The air was filled with the sour smell of love!

"I'm also working very hard to win the chicken dinner, okay?"

Yan beixiao did not dare to speak too loudly to Lin Hanxing, afraid that he would be found out and killed by the man who had no humanity left.

"Miss Lin, do you mind if we have a chat?"

Suddenly, Dr. Zhong spoke.

The sudden silence was the scariest thing.

Yan beixiao pinched the salted crispy chicken, looked at Lin Hanxing, and then looked at Dr. Zhong.

"I heard there's a nice cafe downstairs."

With a noble-like arrogant expression and sincerity, Dr. Zhong opened his mouth to invite Lin Hanxing.

Yan Beichen's heart was in his throat.

It's over, don't agree, don't agree.

"Alright," he said.

Yan beiming felt that he should inform King of Thunder!

Chapter 512: I'm starting to be curious about you

Yan beiming held the salted crispy chicken as he squatted in front of the Lei International Conference hall.

He had a bitter expression on his face, as if he had just entered the city.

Thunder valiant beast was having a global video conference.

"Speak," he said. He took a bite.

"I won't." He took two bites.

"Speak," he said. He took a bite.

"I won't." He took two bites.

In this struggle between speaking and not speaking, Yan beiming finished the entire bag of salted crispy chicken.

Anthony happened to come out from inside.

"How's ah Xiao's mood today?"

When he saw Anthony, Yan beixiao immediately stood up and ran to him.

Anthony took a step back when he smelled the salty crispy chicken in his mouth.

He made a hand gesture.

It's finished!

Yan beixiao's face was bitter. Ah Xiao was not in a good mood today.

"Little Hanxing is here."

Anthony's eyes lit up when he heard Yan beiming's words.

"The lady boss is here?"

can you go in and tell ah Xiao that little Hanxing and Dr. Zhong are downstairs for coffee? "

With Dr. Zhong?

Anthony finally understood why Yan beiming looked so dejected.

“Vice President Yan, I’m still single.”

In other words, I don’t want to die.

Anthony said in all seriousness.

After some thought, she reached out and patted his shoulder.

“We’ll take a 10-minute break later, you can go by yourself!”

After saying that, Anthony tapped his forehead and chest.

“May God be with you.”

.....

In the coffee shop.

Lin Hanxing and Dr. Zhong sat by the window.

As it was her period, she ordered a cup of hot cocoa for herself.

Dr. Zhong didn’t say anything and Lin Hanxing was too lazy to speak either. He just looked out of the floor-to-ceiling window.

His eyes suddenly lit up.

Across the street was a shop that sold couple clothes.

And the clothes in the display window were very beautiful!

I want to apologize to you first for my loss of self-control last night, miss Lin.

Dr. Zhong took a sip of coffee and spoke.

He waited patiently for her to say that it was okay.

After a long time.

The affable smile on Dr. Zhong’s face slowly cracked.

“Miss Lin?”

He reached out and knocked on the table.

“Ah, I’m sorry, what did you say just now?”

Lin Hanxing came back to her senses and decided that she would buy that set of clothes later.

Dr. Zhong took a deep breath secretly. Thinking that she was Lei Xiao’s woman, he told himself not to be angry.

I want to apologize to you first for my loss of self-control last night, miss Lin.

He repeated.

“Yes, and then?”

Lin Hanxing picked up the hot cocoa in front of him and started drinking.

After the rain, the weather turned a little cold.

The hot cocoa brought a warm feeling of happiness.

... Dr. Zhong was expressionless. What did he mean by ‘yes’ and then?

“That’s not what you really think, is it?”

Lin Hanxing’s expression was distant and indifferent, completely different from the familiar attitude he had when he was with Yan beiming.

“.....”

Suddenly, Dr. Zhong smiled.

“Has anyone ever told you that you’re interesting?”

“Most of them will say that I’m very scary.”

Lin Hanxing added.

Dr. Zhong thought that she was joking with him and only felt that Lin Hanxing was funny.

Lin Hanxing put the mug back on the table.

if Dr. Zhong is looking for me because of ah Xiao, I hope that you can uphold the confidentiality of psychological counseling and not tell me anything about him.

Her cold eyes fell on Dr. Zhong’s face.

Even his voice was calm.

... why is this completely different from the plot I had imagined?

Wasn’t she the one who cried and asked her about ah Xiao?

Dr. Zhong’s expression was strange.

In his career as a counselor, he had made two mistakes.

One was the Thunder valiant beast.

The first one was ...

Forget it, I’d better not think about it.

“Miss Lin, I’m starting to be curious about you.”

Dr. Zhong had to admit that Lei Xiao’s taste in women was quite unique.

Lin Hanxing raised an eyebrow, unable to agree with his sense of humor.

Chapter 513: The brutal Thunder Yama

Lei Corporation, International Conference hall.

After a ten-minute break, Yan Beichen pushed the door open and entered.

As soon as he entered, the shareholders of the Lei Corporation raised their heads and looked at him for help.

There was a dead silence in the luxurious conference hall. Although it was a meeting, no one dared to leave their seats.

Everyone's face was bitter.

He didn't know why, but Thunder Hades was in a particularly bad mood today.

The cold air could be clearly transmitted to the CEOs of Lei Corporation branches all over the world through the split-screen TV wall system.

Yan beixiao's expressionless eyes swept across the room.

In his heart, the little one was madly kneeling on the ground and howling!

What could he do?

His good years might end after he opened his mouth!

"Ah Xiao ..."

Yan beixiao had rinsed his mouth and washed his hands before he came in, afraid that the smell of the salted crispy chicken would expose him!

Thunder valiant lifted his head from the documents in front of him.

His deep eyes looked at him coldly.

The words that Yan beiming was about to say in one breath, along with his moral integrity, rushed into the blue ocean. Gone!

As expected, the Thunder valiant beast was in a bad mood.

It was not good!

"What did you do?"

The voice was calm, but Yan beiming could hear the essence of it through the appearance. He had an inexplicable feeling that he was in trouble.

"I went to eat chicken."

Yan beiming answered honestly.

“.....”

“.....”

“.....”

Hearing this, the shareholders all had different expressions.

He ate ...

Chicken?

F * ck, why are these old monsters showing an expression of ‘I understand, who doesn’t have a young and frivolous’?

Yan beixiao blinked.

Who did I offend when I ate salted crispy chicken?

Salted crispy chicken: ” what else can I do? of course, I have to forgive them!

“Hehe.”

Lei Xiao’s aura suddenly became even colder, causing Yan beiming, who was facing him, to almost kneel and sing all the way north!

“I have a serious situation to report to you!”

Yan beixiao raised his hand high like a primary school student, fighting for a lenient sentence and a new life!

To tell the truth.

Other than little Hanxing, who else would be able to handle such a Thunder valiant beast?

“Speak,” he said.

Lei Xiao looked deeply at Yan beiming, and slightly retracted his aura.

Yan beixiao glanced at the Lei corporation’s shareholders, who were all listening intently. He did not want to satisfy these bastards.

His eyes suddenly lit up.

He took out his phone.

His hands quickly typed on it.

Anthony, who was trying his best to hide his presence behind Thunder valiant beast, glanced at the vibrating phone in his hand.

He handed it to the Thunder valiant beast.

[9.90 yuan, free delivery: just now, that shameless Dr. Zhong invited little Hanxing to have coffee!]

Lei Xiao finished reading it in silence.

The shareholders of the Lei Corporation who were in the International Conference hall finally understood what it meant to be barren within a hundred miles. Breathing difficulties were a small matter, and everyone wanted to kneel down and beg for mercy.

Let Thunder Yama give them a quick death.

Don't torture these old fogeys who have lived for more than half a century!

"You're only telling me now?"

Lei Xiao's simple sentence caused Yan beiming's heart to stop!

Save me!

Little cold star, save the baby!

Hallelujah!

.....

"Are you really not the least bit curious about the Thunder valiant beast?"

Dr. Zhong threw out a topic to guide her.

In Lin Hanxing's eyes, she looked like a grandmother Wolf who was trying to abduct Little Red Riding Hood!

"What if ah Xiao finds out about the content of our conversation?"

Lin Hanxing held the mug with both hands and spoke softly, imitating Dr. Zhong's tone of inducing.

Dr. Zhong tried to imagine the scene in his mind.

Instantly, his face turned ashen.

Just as he was about to speak, he saw Lin Hanxing's expression change as he looked behind him.

F * ck.

No way?

Chapter 514: The King of Hell told you to die at midnight

Dr. Zhong swallowed his saliva.

Even though the familiar shivers had already swept through his body, he still tried his best to maintain his noble image.

This was the idol burden of a young and famous psychologist!

Dr. Zhong, you don't have to be so nervous. Our ah Xiao is very easy to talk to.

Lin Hanxing took a sip of his hot cocoa and pretended not to notice the other party's ashen face.

That's for you!

Dr. Zhong secretly complained in his heart with a heavy burden of an idol.

Haven't you heard of that saying?

If the King of Hell ordered them to die at midnight, who would dare to keep them until midnight!

This big brother of Lei San was comparable to the living King of Hell!

miss Lin, if you're willing to save my life, I'll agree to a request of yours.

Dr. Zhong smiled and said.

Based on the trembling of his hair, the enemy would reach the battlefield in five seconds!

"Unconditionally?"

Lin Hanxing raised his eyebrows and smiled.

Dr. Zhong only felt that a string in his head snapped in an instant.

Closer, closer!

"No conditions! Absolutely without any conditions!"

"Deal, happy cooperation!"

Lin Hanxing's beautiful eyes curved like the moon as she smiled. She looked at the man who was sitting opposite her, cowering like a quail but refusing to admit it.

"He's here,"

Almost at the same time, the door of the coffee shop was pushed open from the outside.

"Welcome to ..."

The shop assistant's 'arrival' came to an abrupt end as he stared at the cold-looking man who had appeared in front of him with wide eyes!

He's so handsome!

He was really handsome!

The intern's face was flushed red. He felt that his heart was about to stop just by looking at her!

"Ah Xiao, F * ck, calm down!"

Yan beixiao chased after her like a monkey. When he saw the intern who was stunned by Lei Xiao, he took out a rose from the vase and handed it to her. Then, he chased after her to persuade her ... To watch the show!

His X-Ray Eyes scanned the room and soon found little Hanxing in the seat by the window.

“Ah Xiao, ah Xiao, over there! By the window!”

Dr. Zhong smiled as he elegantly picked up the coffee cup in front of him.

However, Lin Hanxing could hear the clattering sounds constantly.

Those who didn't know better would think that the person sitting opposite her was an old man. Otherwise, why could he not even hold the coffee cup steadily?

Thunder valiant beast was silent.

His slender and strong legs were wrapped in black suit pants, and his cold and serious face conquered countless hearts.

No one recognized him as the president of the Lei Corporation.

Although this was the coffee shop designated by Lei Xiao, the people who usually came to buy coffee were either Anthony or the secretaries. As a result, everyone had only heard of young master Lei's name but never seen him.

The Thunder valiant beast's footsteps were heavy, and his eyes were sinister.

It made Yan beiming think of a song.

The friction was like the devil's steps.

Yan beiming, who was following behind Lei Xiao, covered his mouth and laughed wildly in his heart, as if he was watching a good show!

At that moment, there was only one person in the Thunder valiant beast's eyes.

That person was Lin Hanxing.

He didn't know what Dr. Zhong had said to her during this time.

His cold heart was filled with anxiety and uneasiness.

It was precisely because of this that his anger was burning even more fiercely.

Of course, this fire was burning towards Dr. Zhong.

No one knew how much Dr. Zhong roared in his heart as he looked at the woman who sat in front of him and did not move at all.

He didn't want to die yet!

Lei Xiaosan, get out here! I'm going to kill you!

Lin Hanxing sipped on the hot cocoa unhurriedly, and even his fingertips were warm.

Seeing that Lei Xiao was about to reach the two of them in the blink of an eye, he slowly put down the mug in his hand.

A click.

The Thunder valiant beast arrived as expected, carrying a Wild Tornado with it.

“Ah Xiao ...”

‘F * ck, what did I just see?

Yan beixiao’s eyes widened.

Chapter 515: Hanxing will keep you until the fifth watch

Lin Hanxing stood up and walked out from behind the table.

As Lei Xiao approached, she grabbed his tie, tiptoed and kissed him.

He didn’t hide anything.

With a click, Dr. Zhong’s hand couldn’t help but shake when he saw this situation.

The strong coffee splashed on his suit pants.

He didn’t even feel anything!

The cafe staff was heartbroken.

As expected, handsome men were all from other families!

The originally furious Thunder valiant beast’s mind went blank for a moment, and his face was expressionless.

Lin Hanxing’s long eyelashes trembled slightly as he winked at him.

They parted with a smile.

Instead, she wrapped her arms around Lei min’s thin waist and leaned forward to kiss him.

“Ah Xiao?” Lin Hanxing waved his hand in front of his eyes.

The Thunder valiant beast blinked along with her movements.

“Are you dumb?”

That cold and aloof face was still frozen with the fiendish expression just now. At this moment, compared to the dull eyes ...

It was really nondescript!

Yan beiming, who was standing behind the two of them, felt as if his heart had been dealt a critical blow!

What did he do wrong?

The Thunder valiant beast didn’t know who he was, and didn’t know where he was.

Lin Hanxing's mood, which had been bad since he said that he was going back to the Lin family today, instantly calmed down.

Not to mention tightening his body, even that little bit of anger was gone.

But ...

Lei Xiao looked coldly at Dr. Zhong, who had a funny expression, and the bloodthirst and evilness in his eyes made the other party tremble subconsciously.

His eyes were filled with warning.

Dr. Zhong couldn't help but recall the scene when he first saw the Thunder valiant beast in his life.

That was definitely not a good memory for Dr. Zhong!

"I was looking for you."

Lowering his head to look at the woman who was clinging to him like a rabbit, Lei Xiao's heart softened.

His magnetic and deep voice was filled with infinite gentleness.

Owuuu ...

He was too handsome!

The cafe staff felt as if something had pierced through their hearts, and their eyes were about to turn red.

"Then let's go back now."

Lin Hanxing did not even look at Dr. Zhong, as if he did not know that this place had almost become the King of Hell's Palace.

"Alright," he said.

Hearing this, Yan beixiao's jaw almost fell off.

When did ah Xiao become so easy to talk to?

As expected, everything was possible when facing little Hanxing, right?

I'm afraid that's what I'll say in the future.

The King of Hell wants you to die at midnight, but Hanxing will keep you until midnight!

The two of them ignored Yan beixiao and Dr. Zhong, but when they passed the counter, Lei Xiao's eyes swept across the desserts in the display window.

At a glance, she saw the snow-white woman with strawberries on the oil.

He immediately bought it.

When the two of them left the coffee shop, the staff still hadn't recovered from the sight of Lei Xiao's handsome face.

He held his face with both hands and reminisced.

“Yo, you peed?”

Yan beixiao spoke to Dr. Zhong in a carefree manner. He looked at his face that was filled with joy after surviving a disaster, and he felt proud in his heart.

Hmph, I look down on you!

It was as if he had forgotten that he was not the one who had been scared until his legs turned soft!

“Yan Beichen, your mouth is still as cheap as ever!”

Dr. Zhong’s face was filled with the expression of an arrogant Little Prince, but after Lei Xiao left, he instantly returned to his original state.

“Hehe, if there’s a next time, you won’t be so lucky.”

Yan beixiao patted Dr. Zhong’s shoulder and turned around to chase after Lei Xiao and Lin Hanxing with a handsome look on his face.

“F * ck, you should buy me a pair of pants!”

Looking at his suit pants that were wet from the coffee, Dr. Zhong finally couldn’t take it anymore and exploded!

To hell with the burden of an idol!

He wanted pants!

Just as he was roaring in his heart, the phone on the table suddenly rang.

Dr. Zhong looked at the screen.

He immediately had a headache.

In his career as a psychologist, he had made two mistakes.

One was the Thunder valiant beast.

One of them was this guy!

Chapter 516: How can I not be shocked?

Lei Corporation, International Conference hall.

Anthony glanced at his watch. The original ten-minute recess time had ended.

The Lei corporation’s shareholders were whispering to each other.

This was the first time that Lei Xiao was late for a meeting since he became the president of the Lei Corporation.

This kind of thing was even more impossible than Mars crashing into earth!

However, this impossible thing had happened. How could they not be shocked?

Anthony sighed and looked at the two phones in his hands. He was hesitating if he should announce the delay when the door of the International Conference hall was pushed open from the outside.

The Thunder valiant beast returned.

Just as Anthony heaved a sigh of relief, his eyes suddenly widened!

Was the person behind Mr. Lei the lady boss?

And from her expression, it was obvious that she didn't want to come, but was dragged here by Mr. Lei?

Because of Lin Hanxing's presence, the meeting room was silent.

It was so quiet that one could even hear a piece of paper dropping on the ground!

Thunder valiant stretched out his hand and pointed at Anthony. The latter immediately understood and asked the secretarial department to add a chair.

Yan beixiao followed the two of them discreetly and sat down beside Lin Hanxing, blocking the curious gazes of the others.

Lei min asked Lin Hanxing to sit on his left without any expression on his face.

He placed the strawberry cream cake in front of her, rubbed her head, and watched her sit down.

His eyes never left Lin Hanxing.

"I'm late."

Lei Xiao spoke in a deep voice. In the silent International Conference hall, it was like a sudden clap of thunder, pulling everyone back from their shock.

No one dared to object to the big BOSS's late arrival.

They all laughed and said that it was fine, but their eyes were still wandering around Lin Hanxing's face.

I will ask the Human Resources Department to deduct a third of my salary as punishment. Continue the meeting!

Without waiting for any response, he continued the video conference.

This was Lin Hanxing's first time working with Lei Xiao.

Only God knew that after she got out of the elevator, she originally wanted to go straight back to the president's office. However, she did not know what was wrong with Lei Xiao, but he held her wrist and walked in the direction of the International Conference hall.

When Lin Hanxing came back to his senses, he was already there.

Looking at the oil cake in front of him, did Lei Xiao treat her like a child?

Suddenly, Lin Hanxing's phone rang.

As she had entered in a hurry, she did not switch the phone to silent mode.

As everyone turned to look at him, Lin Hanxing put on a cold front and pressed the silence button on the side of his phone.

He then opened his WeChat.

[9.90RMB delivery: Xiao is afraid you'll run away] [this is love] [jpg]

Lin Hanxing glanced at Yan beiming and saw that he seemed to be listening to the report seriously, but if he put his hand under the table, it would be more convincing.

Xing Xiaoxing, "I know."

Sighing in his heart, he looked over at Lei Xiao.

A man in a dark suit sat in the main seat like a god. His cold features exuded wisdom and strictness as he carefully listened to the data reports from the CEOs of the Lei group branches around the world on the TV wall.

Lin Hanxing, who was sitting beside him ...

She was quietly eating her strawberry Nougat.

Even though the taste was too sweet for her, Lin Hanxing did not know how many men's hearts were melted by this scene.

The nainai oil easily stained his lips.

Lin Hanxing licked the mark with the tip of his tongue, and the scene was like a blockbuster.

It really made people involuntarily cast their gazes on her face.

Yan beixiao was the first to notice this. He pressed his hand against his forehead. It was really terrible.

He even dared to do it in front of ah Xiao ...

Chapter 517: What a sin

With a bang, Lei Xiao threw the pen on the table.

The men came back to their senses from Keeley's imagination, and their foreheads were full of cold sweat.

They raised their heads and looked at Lei Xiao.

you said that the problem with the project this time was due to the lack of support from the local government. Alright, I'll call the president right now. If what I hear is different from what you reported today, you should know the consequences!

When he said this, Lei Jing's face was expressionless.

However, anyone could hear the warning in his tone.

His eagle-like eyes landed on the TV wall, but everyone at the scene felt an inexplicable chill.

Mr. Ray ... the person on the other end of the video call seemed to want to defend himself.

But Thunder valiant didn't even listen, turning his cold gaze to everyone present.

That gaze seemed to be able to control life and death, making people feel suffocated.

In the next second, just when everyone thought that Lei Xiao was going to fly into a rage, they saw him raise his hand and place it on the corner of the lips of the little girl sitting next to him. He used the pad of his finger to push and wipe the White Naga oil, patiently and carefully.

Even the murderous look in his eyes softened.

"I don't want to hear your explanation. If you can't solve the problem in three days, I'll pick someone to help you!"

There was no fluctuation in his deep voice, but it was this voice that made people feel heartfelt admiration.

What a sin!

Yan Beichen could not help but shake his head in his heart.

Lin Hanxing did not seem to feel the storm in the International Conference hall as he ate the cake while playing with his phone.

She opened the Lei family group chat and found third young master Lei's WeChat.

He sent her a [add] message.

On the other end, he accepted a friend request. The speed at which he accepted the request surprised Lin Hanxing.

It should be midnight on his side.

After adding each other, the two of them seemed to be comparing who was more patient, and neither of them spoke.

Lin Hanxing casually scrolled through third young master Lei's moments.

There was no information. He seemed to be a very cautious person.

She knew that third young master Lei must be doing the same thing as her.

In the end, it was third young master Lei who was first to lose.

Lei Xiaosan,"Hello."

It was a very simple word, but it was also the most polite word.

Lin Hanxing glanced at his WeChat, then reached out to take a sip of the coffee in front of Lei Xiao.

The Thunder valiant beast didn't have any reaction, as if they were an old couple.

However, the Lei corporation's higher-ups and shareholders could not help but widen their eyes at this scene.

Yan Beichen laughed in his heart.

Stupid humans, you're making a fuss!

Xing Xiaoxing, "I know you asked Dr. Zhong to test me."

The strong bitterness and fragrance of the black coffee diluted the sweetness in her mouth. After typing this line and sending it, Lin Hanxing's face didn't show any change, while Lei Xiao continued with the meeting by her ear.

On the other end of the WeChat, Lei Cheng didn't reply for a long time.

Lin Hanxing was not in a hurry and patiently scrolled through his moments.

After a while, a prompt appeared on the screen.

Lei Xiaosan, "so what?"

Lin Hanxing laughed, this Lei Cheng was interesting.

He didn't have the slightest guilty conscience of being exposed, but instead, he asked her what was wrong?

Xing Xiaoxing: "I'm just curious. If I were to tell Lei Xiao about this, what would you do?"

The other party was silent again.

Lei Xiaosan, "you won't."

Lin Hanxing raised his eyebrows. If he really had this confidence in her, why would he ask Dr. Zhong to test her?

Lei Xiaosan, "I don't want my big brother to be hurt."

Lin Hanxing felt that this was his explanation for his actions.

The conversation ended there.

Lin Hanxing looked at Lei Xiao. It was as if he was using his own way to protect his family and his brother was using their own way to protect him. Such feelings ...

It was really enviable.

Suddenly, Lin Hanxing's expression froze.

Chapter 518: She didn't like that look

Someone was looking at her.

She didn't like that look.

He looked around discreetly, but no one made eye contact with Lin Hanxing.

However, Lin Hanxing still managed to find the answer from the clues.

Xing Xiaoxing asked, "who's the second person to your left?"

She sent a WeChat message to Yan Beichen.

[9.90RMB delivery included: rotten old man?] [what do you want to do].jpg

Xing Xiaoxing, [cut the crap.]

Yan beiming, who usually replied every three seconds, typed and deleted a message, which was a rare sight.

As for how Lin Hanxing knew ...

Let's not talk about Yan beiming's long 'the other party is typing' in the chat box.

He also stole glances at Lei Xiao from time to time, which made Lin Hanxing think that the answer was very thought-provoking.

[9.90RMB delivery included: old man han " pouting ".jpg]

[9.90 yuan including delivery: the second largest shareholder of the Lei group, second only to the Lei family. He was one of father Lei's right-hand men who had gone through life and death with him back then. He could also be considered a senior figure in the Lei group. this old man is not to be trifled with.]

Seeing this, Lin Hanxing's expression became thoughtful.

In the next second, his eyes unexpectedly met with old man Han's.

His eyes were sharp, and the way he looked at her was unfriendly.

Xing Xiaoxing, [he has a daughter, right?]

9.9.9...Including delivery ...

cough cough cough cough cough cough ...

Yan Beichen suddenly coughed, as if he could not stop in time.

Everyone's eyes were on Yan beiming.

Yan beixiao looked at Lin Hanxing pitifully, he was almost scared to death by her!

How could she predict things like a god!

Lin Hanxing looked at him indifferently, the answer was obvious.

[9.90RMB free delivery: it's an open secret in the circle that his daughter likes Xiao, but she's not in the country] don't tell anyone that I said it]

After Yan beixiao typed a few words, he stole a few glances at Lei Xiao, then continued to type a few more words, stealing a few glances at him.

It repeated back and forth.

He finally finished typing and sent it to Lin Hanxing.

Lin Hanxing was expressionless after reading it.

She did not reply to Yan beiming.

This caused Yan beixiao to feel a little uneasy.

What did little Hanxing mean by this?

Was she angry or not?

Will ah Xiao kill me if he finds out?

Thinking of this, Yan beiming made up his mind to leave early after the meeting, so as not to be caught by Lei Xiao.

“Meeting dismissed.”

Accompanied by such fear, the moment Yan beiming heard Lei Xiao say those two words, he ran out of the International Conference room like an arrow leaving a bow.

Lin Hanxing looked at his back and could not help but roll his eyes.

Promising!

Just as she was thinking, Lei Xiao’s hand had already reached out to her.

“Are you bored?” His low voice was no longer as domineering as it was during the meeting, and it sounded very gentle.

Lin Hanxing shook his head.

This scene was seen by the shareholders of the Lei Corporation. They looked at each other and only wanted to know the girl’s identity.

“Good looking” wasn’t enough to describe his appearance.

Standing next to Lei Xiao, the combination of a handsome man and a beautiful woman always made people feel that it was pleasing to the eye.

However, he had not heard any news before this. This woman had appeared out of thin air ...

Lin Hanxing had just reached out to Lei Qian when he heard a voice behind him.

“Ah Xiao ...”

The one who spoke was precisely that old man han!

The meeting room quieted down a little. Most people were waiting to watch a good show.

Who did not know that old man Han's daughter liked Lei Xiao?

She kept delaying the marriage because of him.

"Uncle han."

Lei Xiao responded coldly. Although he had agreed, his attention was still on Lin Hanxing's face.

He seemed to be afraid that she was still angry.

She was angry that he had pulled her into the meeting hall on his own accord.

"Hehe, aren't you going to introduce us?"

Chapter 519: My surname is Lin

As he said this, his burning gaze fell on Lin Hanxing's face.

He was sizing her up with a judgmental look, giving her an imposing aura.

Han boming had been Lei kangnian's right-hand man for many years. Even though he had retired for so many years, his aura was not something to joke about.

In other people's eyes, although it was for the sake of their own daughter, wasn't it a little too narrow-minded to treat a little girl like this?

The other shareholders in the International Conference hall didn't say anything.

After all, han boming was the second largest shareholder of the Lei group.

She pretended to be tidying up the documents in front of her.

The people who usually ran faster than rabbits were dawdling today.

"My girlfriend."

It was a simple message. Other than the identity of his girlfriend, there was no other information about Lin Hanxing.

But the effect was no less than an atomic bomb explosion.

The shareholders, who were still speculating about the relationship between the two, exclaimed.

All these years, others hoped that their children would not cause any trouble and have fewer scandals. However, in young master Lei's case, it became that his parents were eager for him to create some scandals.

How many socialites had been attracted to that Forbidden Valley's aura of not letting strangers enter and not getting close to women?

However, this young master Lei was completely unmoved.

Even though rumors of him being Gay had been spreading, he was still as cold and aloof as an outsider for decades.

Even the cats and dogs at home were male!

Who wouldn't be shocked when such a person suddenly announced that he had a girlfriend!

Han Boming's face didn't look good.

"I wonder which family's daughter is so lucky?"

He had to admit that this woman was very beautiful!

Her eyebrows were like a painting, and her skin was as white as snow, like a tender and beautiful peony, charming from her bones.

Even Han Boming had to admit that in terms of appearance, his daughter was indeed not as good as the person in front of him.

But what was the use of being good-looking?

If she couldn't help Ah Xiao in her career, she would just be a decorative vase!

Lin Hanxing saw the contempt in Han Boming's eyes, and a faint smile appeared on his lips.

Perhaps it was because she was in a good mood, so she didn't bother too much with him.

"I'm surnamed Lin."

Lin Hanxing's voice was cold, but everyone could hear him clearly.

Anthony, who was standing behind Thunder Valiant, did not change his expression, but he was excited.

It's public, it's public!

Was the lady boss finally willing to acknowledge her identity as the boss in public?

Eh? Why do I think so?

Anthony had mixed feelings.

In other people's eyes, it was clearly Miss Lin who had befriended Mr. Lei, but why did she feel excited that Mr. Lei had finally been promoted to the position of Mr. Lei by Miss Lin?

Lin?

Everyone quickly searched for the Lin family in Jiang City.

The search was quickly narrowed down.

If it was that family ...

If he didn't remember wrongly, there was only one whose age matched his.

But his surname wasn't Lin!

Wasn't she called Luo Ruyin?

"Ah, could you be ..."

Suddenly, someone in the crowd exclaimed and pointed at Lin Hanxing.

Thunder Valiant's eyes swept over.

Just this alone was enough to make it hard for people to breathe.

Feeling the change in the man's aura, Lin Hanxing turned to look at him.

Immediately, the Thunder valiant beast retracted its aura.

He even curled his lips at her.

Only the heavens knew how shocked the others were when they saw Lei Xiao's smile!

Young master Lei was actually smiling?

Only the heavens knew that ever since Lei Xiao had taken that position, it had been like a day for decades. Their impression of Lei Xiao was that he was swift and decisive, ruthless and emotionless, but it had never been in line with the word 'smile'!

Chapter 520: She'll be back soon

It wasn't that Thunder valiant never laughed.

But the price behind that smile was too unbearable!

Over the years, the number of times could be counted.

However, after each laugh, the Lei clan's higher-ups would adjust their positions, and a bloody storm would follow.

When they saw his smile, everyone shivered reflexively.

The whispering stopped abruptly.

However, Lin Hanxing's identity was already obvious.

Han boming squinted his eyes and looked at Lin Hanxing.

recently, there have been many rumors about miss Lin in Jiang city.

These words were obviously meant to probe.

Everyone perked up their ears and waited, waiting for the answer to be as they thought.

If it really was that miss Lin ...

Everyone in Jiang city knew that the Lin family's child who had been lost for 18 years had been found. This was already a topic that had to be discussed after meals. Even though he had returned for some time, the topic was still hot.

Moreover, ever since she returned, the Lin family's Affairs, big and small, seemed to have never stopped.

And Luo Mingwei's death had pushed Lin xiaojiu to the forefront of the storm!

She was the person that Luo Mingwei had insisted on meeting before she died, and Luo Mingwei had been shot in the head right in front of her.

Lin xiaojiu's almost legendary experience had also shrouded her in a mysterious veil.

Up until now, she had not shown her face in public.

The Lin family had never held any public homecoming party for her.

Lin Hanxing laughed when he heard that. His harmless look made the man want to protect her.

The people around her only noticed her beauty.

However, no one noticed the coldness and mockery in Lin Hanxing's smile.

"How come I didn't know about the rumors about me in Jiang city?"

No one spoke after Lin Hanxing finished.

She was indeed the Lin family's little nine who had been missing for 18 years!

For a moment, the conference room was silent.

Now that he knew the woman's identity, the next step would naturally be much easier.

Thinking of this, han boming remained silent.

ah Xiao, mingmei will be back soon. When the time comes, our two families will have a meal together. You can't possibly not give your uncle han face, right? "

After getting the information for his daughter, han boming no longer paid attention to Lin Hanxing and turned his eyes to Lei Xiao.

He said meaningfully.

"Who is Ming Mei?"

Lei Xiao's words almost made han boming burst out laughing.

Lin Hanxing pursed her lips discreetly. She did not believe that Lei Xiao, who had a photographic memory, would not be able to remember who she was.

The sudden silence was the scariest thing.

The senior shareholders behind him also pursed their lips tightly, afraid that they would laugh out loud.

Who didn't know how Han Mingmei had used her father's reputation to get close to Lei Xiao at all times? Unfortunately, Lei Xiao didn't even look her in the eye.

Hehe, ah Xiao, you really like to joke. Of course, she's your uncle Han's daughter.

A shareholder next to him quickly spoke up to help Han Boming out of the situation.

To be honest, Thunder Valiant Beast was already very patient today.

In the past, after a meeting, when did he not leave after a cold glance?

"Yes." Lei Xiao answered casually, his eyes never leaving Lin Hanxing.

The conversation ended just like that.

Anthony could not help but facepalm. The situation was so awkward that he wanted to escape.

He looked at Lin Hanxing for help, hoping that the lady boss would receive his signal soon.

"I'm hungry."

Lin Hanxing said indifferently.

The look in Thunder Valiant's eyes suddenly changed, and he looked at Anthony.

"I'll make a reservation immediately."

"No need, just the staff cafeteria downstairs will do."
