

Goodnight 521

Chapter 521: I'll see if he's going

Hearing Lin Hanxing's words, han boming sneered.

How could a person like Lei Xiao possibly dine in the staff cafeteria?

Not to mention his status as the president, the whole of Jiang city had heard of how much Lei Xiao hated crowds!

It's the peak time for staff to eat, why would he go?

Anthony looked at the senior shareholders.

Their eyes were filled with mockery of the lady boss's 'arrogance'.

"Yes, I'll make the arrangements immediately."

Hearing Anthony's words, everyone thought he was crazy!

He actually went to arrange it?

After Lin Hanxing and Lei Xiao's figures disappeared at the entrance of the International Conference hall, a swarm of people swarmed around han boming.

"Old han, why do you have to do this!"

Someone who had a close relationship with him advised.

Anyone with eyes could tell that Lei Xiao had no interest in his mingmei at all.

"Ha! I'd like to see if he's going!"

After saying this, han boming suppressed his anger and walked toward the electric ladder!

The shareholders looked at each other.

"I heard that the food in our staff cafeteria is good, cheap, nutritious, and delicious. I'm used to eating big fish and meat. Why don't we change the taste today?" It was not known who made the first suggestion, but it quickly got everyone's approval!

Who wouldn't want to see the excitement?

.....

In the president's office.

Along the way, Lei Xiao seemed to be waiting for Lin Hanxing to speak.

His eyes were filled with anticipation.

When the two of them reached the door of the president's office, the anticipation in their eyes turned into deep understanding.

Lei Xiao took off his suit jacket and placed it on the back of the leather seat.

A small hand reached out from behind him and pushed Lei Xiao to the president's chair.

"Be honest!"

Lin Hanxing placed both his hands on the armrests of the president's chair and looked down at the man.

His slightly curly long hair brushed across his face, his skin was as white as snow, and his eyes were bright.

"Yes." Lei Xiao's gaze fell on her small earlobe.

The two white pearls swayed and stirred up his heart.

"Who is Ming Mei?"

Lin Hanxing deliberately pulled a long face and pinched Lei Xiao's chin to make him look at her.

In fact, she didn't care who Ming Mei was.

However, the Thunder valiant beast's eyes would sweep over her from time to time, as if he was very eager for her to ask.

Sure enough.

When he asked this question, Lei Xiao's thin lips slightly curved.

Even though he was restraining himself, people could still feel his joy.

"Unimportant people."

The Thunder valiant beast's voice was deep, intoxicating.

"She likes you?"

Lin Hanxing couldn't bear to let go of his hand as he pinched his jaw.

"Probably,"

Obviously, the Thunder valiant beast didn't care, or even take it to heart.

Her impression of han mingmei could only be described with one word.

That was noise.

"Do you ... Care a lot?"

Lei Xiao only felt her soft fingers constantly rubbing his chin.

It was soft and itchy.

“Do you want me to care or not?”

Lin Hanxing suddenly closed in, her lips exuding the sweetness of a strawberry, her long eyelashes fluttering.

The Thunder valiant beast’s breathing became heavy.

She was so close that the tips of their noses were almost touching.

His strong hand sneaked up on Lin Hanxing’s back and was about to pull her into his arms ...

The pen fell to the ground and rolled to his feet.

“I’ll pick it up.”

Lin Hanxing glanced at him and bent down to pick up the pen.

“Ah Xiao ...”

Yan beixiao popped out of nowhere and pushed the door open. The words he was about to say were suddenly swallowed back.

What?

What the hell!

It was broad daylight! The heaven and earth!

What were the two of them doing?

Chapter 522: 30 – 70 split

From Yan beiming’s point of view, little Hanxing was lying on the Thunder valiant beast ...

He was embarrassed by the sight!

How could he not lock the door when he was stealing food?

As Yan beiming was ridiculing him in his heart, he saw Lei Xiao slowly turn his head and look at him quietly.

Coldness seeped out from his eyes.

King Thunderfall was angry!

Lin Hanxing stood up and threw the pen he had picked up back on the table, looking at Yan Beichen with disgust.

“I should have bought you two packets of dirt removal powder!”

Just by looking at Yan beiming’s eyes, she knew that he was thinking of something dirty!

“If you want to pick up a pen, then pick it up. Why do you keep moving!”

Yan beixiao could not help but complain. Anyone who came in and saw it would misunderstand!

"I'll give you three seconds to get to the point, or else ..."

Lin Hanxing glanced at Lei Xiao. It was obvious that Thunder Hades had already accumulated enough rage points to unleash his ultimate move!

Yan beiming felt a chill on his neck and quickly sat down opposite the two of them.

"Xiao, are you going to the staff cafeteria for lunch?"

Lin Hanxing raised his eyebrows. It had not even been five minutes and the news had already spread?

"So?" Was this matter really that shocking?

Dear readers!you are reading on our content stealing site.Please copy and search this link "<https://tinyurl.com/39hpcn6j> " to support us

"Little Hanxing, don't you know that the odds are one to ten now?"

One to ten!

Yan beiming was extremely excited. This was a great opportunity to get rich!

"What are the odds?" Thunder owl's low voice still gave people a sense of danger.

"Let's bet on whether you will appear with little Hanxing!"

you don't know, those old guys didn't leave after the meeting. They all went to the staff cafeteria and squatted there. Now, everyone in the company knows that you're coming for a meal, ah Xiao. The cafeteria is really full of firecrackers now, waiting for our dear and great president Lei to appear!

Lin Hanxing took in the inexplicable passion in Yan Beichen's eyes.

"Oh? How many did you buy to accompany me?"

Lin Hanxing asked lazily.

Speaking of this, Yan beiming's face was full of embarrassment. Under Lei Xiao's intimidating gaze, he slowly extended two fingers.

Only he and Anthony had secretly bought it.

"Little Yanzi, how about a 30 – 70 split?"

Lin Hanxing said coldly as he spun his pen, and Yan beixiao was shocked.

F * ck, what 30 – 70? I don't understand!

He quickly put on an innocent face!

"You dare to say that you didn't open the gambling house?"

A pair of cold and wise eyes seemed to be able to penetrate through one's heart. With just one look, Yan beiming lost!

“Alright! I’ll give you three!”

His heart was in so much pain! Thirty percent of the small amount of money that he was about to get had to say goodbye to him just like that!

Lin Hanxing looked at him with a half-smile.

“I think you’ve misunderstood something!”

It was rare for her to be so kind.

Yan beiming was confused. What did little Hanxing mean?

“She’s 70, you’re 30,”

Lei Xiao’s voice was like thunder on a clear day, causing Yan beixiao to feel dizzy.

“You dog couple ...”

Little Hanxing had been led astray by ah Xiao, wuwuwu!

These damned capitalists squeezed his last drop of blood dry and even used his bones to make soup!

He laid on Lei Xiao’s office table, feeling weak all over.

Its dog eyes looked at the two people in front of it in despair.

well, although you’ve hurt an innocent young man like me, I still have to remind you out of kindness. Someone just wanted to watch the fun and called President Qi. President Qi is waiting downstairs with two boxes of Maotai!

President Qi?

When they were at the Lei family, Lin Hanxing had heard about President Qi’s deeds from Yan beixiao. She was lucky to be able to meet him today, so she was a little excited. After all ...

When love rivals meet, their eyes would turn red!

Chapter 523: A thousand cups and not drunk

In the staff cafeteria.

The staff cafeteria was particularly lively today.

It was filled with people inside and outside, and they kept looking towards the dining area of the strategic Department.

Due to the carved partition, the ordinary staff could not see anything.

But even so, it did not extinguish their enthusiasm!

Everyone had the same question in their hearts.

Would young master Lei come down?

Would the rumored 'girlfriend' show up?

Just as she was thinking about this, she saw someone carrying boxes of wine to the carved partition.

It was all foreign spirits.

At this moment, President Qi was greeting the Lei corporation's higher-ups in a smooth and slick manner. The two boxes of Maotai behind her were already very obvious, but the strong liquor was still being delivered box after box. Clearly, she was here to pick a fight.

The shareholders of the Lei Corporation, who were used to being pampered, were all gathered together.

Looking at this scene, he thought of the weak-looking little girl he saw at the International Conference hall. He sighed in his heart.

One had to know that President Qi was good at drinking!

Whatever alcohol she drank, it was like water to her!

However, this woman just had this kind of taste, and she would take the opportunity to fight with people.

As time passed, her reputation of being able to stay sober after a thousand cups of wine spread throughout the entire Jiang city!

Dear readers!you are reading on our content stealing site.Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

The way she drank, how could she be a woman!

He was clearly a beast!

Han boming sneered in his heart. He was the one who had asked President Qi to make this call.

Everyone in the industry knew that President Qi liked young master Lei to the point of obsession.

He had called her over to check on Ming Mei.

If President Qi embarrassed Lin xiaojiu today, that would be for the best!

Based on the novelty of a man towards a woman, Lei Xiao would definitely not be nice to President Qi.

However, if Lin xiaojiu embarrassed President Qi ...

He had to make a good plan for Ming Mei. After all, the rumors about Lin xiaojiu were a little strange.

President Qi greeted the group of people and found a seat.

When she received the call today, she was completely dumbfounded.

He had thought that it was a joke, but when he heard the other party's words, he couldn't sit still.

He found someone to carry two boxes of Maotai and came to the Lei clan.

Lei Xiao had not come down yet, and the more President Qi thought about it, the more he felt that two boxes of Maotai were not enough. He then got someone to bring the hard liquor he had ordered from abroad from the wine cellar and delivered it here, waiting for Lei Xiao's little girlfriend to arrive.

She also wanted to see what kind of woman would be able to trap Lei Xiao after so many years of self-preservation!

Just as she was thinking about this, she suddenly heard a commotion from outside the partition.

President Qi stood up abruptly, but he felt that he had acted too deliberately. He smiled at the Lei corporation's senior management and sat down to look outside through the partition.

It was indeed the Thunder valiant beast!

However, the one who was by his side was not his legendary girlfriend, but Yan beiming!

In an instant, President Qi's heavy heart finally settled down.

She was wondering how it was possible for him to have a girlfriend. She didn't even see a shadow of him.

As she was deep in thought, President Qi did not notice the subtle expression on the faces of the Lei corporation's shareholders beside him. Their gazes all fell on a spot not far behind her.

Lei Xiao's assistant, Anthony, followed behind Lin Hanxing and walked over silently from the other side.

Just as President Qi was thinking about how to deal with the hard liquor behind him, he suddenly noticed someone sitting next to him.

There was also a faint fragrance that entered his nose.

It smelled so good.

She subconsciously turned her head and saw a pair of bright eyes looking at her.

Chapter 524: Who said I would lose?

President Qi gasped when he saw the other party's face clearly.

Wasn't she a little too good-looking?

Even as a woman herself, she couldn't help but hold her breath.

Lin Hanxing smiled at her.

Anthony, who was standing nearby, could clearly see that President Qi, who usually acted like a man, was ...

He actually blushed at the lady boss!

"Are you waiting for someone?"

Lin Hanxing's voice was cold, and Qi Li's heart beat faster.

He couldn't move his eyes away from her face.

I'm also waiting for someone. You don't mind joining me, right? "

Qi Li kept shaking her head. Of course, she didn't mind.

She had even completely forgotten that Lei Xiao was outside, and her eyes were fixed on Lin Hanxing's face.

It's really nice.

It was just like the little rabbit he had raised when he was young.

Seeing this scene, the Lei corporation's top shareholders' faces darkened.

Didn't they say that when love rivals met, they would either die or be injured?

Just as Han Boming was about to remind them, Lei Xiao and Yan Beixiao were already walking towards them with their plates.

Dear readers! you are reading on our content stealing site. Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

Lin Hanxing beckoned at Lei Xiao.

Qi Li looked up and saw that Lei Xiao had already sat down opposite the little white rabbit.

He even pushed the vegetarian dish in front of her.

Little white rabbit, was she really a vegetarian?

"You're Lei Xiao's girlfriend?"

Suddenly, Qi Li's high-pitched voice rang out, causing the employees waiting outside to perk up their ears!

"I am."

Lin Hanxing admitted.

Yan Beixiao pursed his lips, pretending not to see the corners of Lei Xiao's mouth curl up after hearing this admission.

Showing off your love, you die quickly!

PEI, PEI, PEI, ah Xiao and little Hanxing will definitely live to a hundred years old!

Qi Li looked at them in a daze. She couldn't accept the combination of the little white rabbit and iceberg.

If Yan Beiming knew what Qi Li was thinking, he would definitely laugh out loud!

Little cold star? Little white rabbit?

Little black rabbit was more like it!

He was full of bad ideas, but he liked to dig a hole for others to jump into!

“You don’t know who I am? You’re trying to get close to me?”

Qi Li came back to her senses and only felt angry.

“Didn’t you want to have a drinking contest with me?”

Lin Hanxing’s calmness piqued Yan beixiao’s curiosity. He had thought that little Hanxing would tidy himself up when he saw President Qi, just like how he did with Su Ling ‘er, but he did not expect ...

Little Hanxing’s attitude was very good.

With a thump, Qi Li took out two bottles of Maotai from behind her.

“If I win, Thunder valiant will be mine!”

As she spoke, Qi Li unscrewed the lid, and the rich aroma of Maotai spread out.

“You’ve won. I’ll do anything you want!”

For a moment, it was silent.

“Don’t be a picky eater.”

Lin Hanxing said in a deep voice as he pointed at the lettuce that Lei Jing had pushed aside.

Lei Xiao raised his head and looked at her expressionlessly.

Their eyes met, and Lei Xiao was the first to be defeated.

Yan beixiao was truly convinced by little Hanxing. At a time like this, she still had the time to care about whether Lei Xiao was a picky eater or not?

“I won’t use Thunder valiant as a bet.”

Lin Hanxing’s voice was cold and he did not care that someone was eavesdropping.

“Hehe, aren’t you afraid of losing, miss Lin?”

Han boming gave a signal with his eyes, and one of his trusted aides sneered.

The chopsticks in Thunder valiant beast’s hand paused, and he looked at the other party.

Instantly, the cold air spread to every corner.

“Who said I would lose?”

Lin Hanxing pointed at Yan beiming, signaling him to switch seats with him.

President Qi, you said it before. If I win, you’ll do anything I ask you to!

Lin Hanxing took the bottle of Maotai and sat opposite Qi Li.

The aroma of white wine could not dispel the tension in the air.

No one thought that Lin Hanxing would dare to compete with President Qi in drinking.

Chapter 525: Ten thousand cups won't topple

This was not a joke!

Yan Beichen's expression showed a rare hint of nervousness. He had seen how much Qi Li could drink at the dinner.

She had only just gotten a little tipsy after putting a table full of men on the ground.

With little Hanxing's body, he would have to be hospitalized!

"I, Qi Li, keep my word!" President Qi's eyes were firm!

Lin Hanxing had a faint smile on her lips. The pearls by her ears quivered as she moved.

"Then, please be our witness."

The cold and indifferent voice spread to everyone's ears. They could hear it clearly even from outside the partition.

Lin Hanxing raised his head and drank directly from the bottle,

There wasn't even the slightest buffer!

Not to mention President Qi, who was sitting across from him, even the men who had been at the table all year round were dumbfounded by his attitude!

Was there anyone who drank like her?

The sound of swallowing made people's scalps go numb.

Very quickly, Lin Hanxing poured the bottle's mouth towards the ground. As expected, the entire bottle was empty!

"Good wine!" She couldn't stop praising the Maotai that Qi Li brought.

Obviously, this was a special product that couldn't be bought in the market!

Qi Li pursed her lips tightly, and her heart was suddenly aroused by the little white rabbit.

Dear readers!you are reading on our content stealing site.Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

She raised her head and gulped down the entire bottle of wine as fast as she could!

"Again!"

He followed Lin Hanxing's example and brought two more bottles over!

"Ah Xiao, look at your wife ..."

Yan beixiao mumbled softly. Looking at the situation, it was really hard to say who would win!

After all, President Qi had the reputation of being able to drink a thousand cups without fainting!

One bottle after another, from the beginning to the end, Lin Hanxing's expression did not change, but her porcelain white skin was stained with a light pink from the alcohol. She leaned lazily beside Lei Xiao, and the flirtatious manner that was inadvertently revealed in her movements could make one's bones melt.

Qi Li didn't know when she started to panic.

It was rare for her to meet a worthy opponent at the wine table, and this was also what she was most proud of.

However, this little white rabbit in front of her drank faster than her. From the beginning to the end, she did not feel drunk at all.

His heart was pounding.

From time to time, Lei Xiao would reach out his hand to tuck Lin Hanxing's long hair behind her ear, his gentle eyes ...

Qi Li's intuition told her that she had lost!

In fact, she didn't even have the right to sit with the little rabbit.

Lin Hanxing opened another bottle of hard liquor. The taste was strong but it made her eyes light up!

This was the taste she liked!

The intense burning sensation that entered his throat was really addictive!

"Ah Xiao, I like this!"

His watery eyes were bright and could not hide Lin Hanxing's joy. Lei Xiao's deep eyes were also filled with gentleness.

"I'll buy it for you."

He said in a deep voice.

Whatever Hanxing wanted, he would buy it for her.

Buy, buy, buy.

Qi Li saw the subtle interaction between the two and for the first time, she felt bitter. It was because of this that the drunkenness took advantage of the situation and slowly invaded her.

"I've lost,"

With a thud, he placed the bottle on the table.

Qi Li had never felt so frustrated before, so she simply surrendered!

Once he was drunk, even his legs would start to go weak.

The result was beyond everyone's expectations!

There was complete silence.

No one would have thought that the weak-looking Lin family's little nine would actually win over President Qi, who was sober after a thousand glasses!

And she didn't look drunk at all!

Yan beiming could not help but whistle.

little Hanxing, you're good. You can drink 10000 cups without falling!

Chapter 526: Tell me, what do you want me to do

Qi Li's face looked terrible.

Perhaps it was because this was the first time he had experienced the pain of his boss, or perhaps it was because of the two people in front of him.

"Tell me, what do you want me to do?"

She had never been a person who went back on her word. Since she had promised, she would definitely do it.

Hearing this, Lin Hanxing smiled lazily and played with the bottle of liquor in his hand. No one knew what he was thinking.

Everyone was waiting to see what kind of unreasonable request she would make to President Qi to embarrass her. Perhaps even Qi Li herself thought so, and her heart began to beat wildly.

"Anthony, can I trouble you to get President Qi a glass of honey water?"

Lin Hanxing finally opened his mouth, but what he said was irrelevant.

How could Anthony dare to disobey the lady boss's order?

He stood up and walked towards the kitchen.

She quickly poured a cup of honey water and put it in front of Qi Li.

"Thank you," he said. Anthony was a little surprised that President Qi could still force himself to thank him.

"My request is very simple. Give me your phone."

"Ah?" Lin Hanxing's words baffled Qi Li.

Lin Hanxing didn't repeat it. She knew that President Qi had heard it, and he had heard it very clearly.

After a while, Qi Li took out her phone, unlocked it, and handed it to Lin Hanxing.

She had no objections.

Dear readers!you are reading on our content stealing site.Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

Lin Hanxing opened the recent call interface and redialed the number at the top that had no caller ID.

Yan beiming observed Lin Hanxing's every move.

When he saw that the Thunder valiant beast didn't look surprised at all, he finally understood what the little Hanxing was trying to do!

Suddenly, a phone rang.

No one spoke.

Lin Hanxing turned around expressionlessly and looked in the direction of the ringing.

It was the trusted aide that han boming had mocked her with!

He hung up the phone in a hurry, and cold sweat had already appeared on his forehead.

No one spoke.

Those who could make it to the management level were not fools. They understood what was going on when they saw this scene!

Lin Hanxing chuckled.

He looked past the man and met han boming's eyes.

Smart people would never do it themselves.

They were used to using others as their guns and shooting wherever they pointed.

Lin Hanxing picked up the wine bottle in front of him and walked towards the person whose phone was ringing.

Thunder owl gestured to Anthony.

Soon, someone stood behind the man.

The atmosphere suddenly became tense and subtle.

"Do you like to watch the fun that much?"

Lin Hanxing cupped his face with one hand, and there was a faint smell of alcohol in his mouth.

The other party was expressionless, but the frequent swallowing of his Adam's apple still easily revealed his nervousness.

"I ..."

shush ... Lin Hanxing placed his hand on his lips, the playfulness in his eyes made one's heart tighten.

The person who was originally sitting next to that person had left his seat empty.

"I don't like to hear explanations!"

Her voice suddenly turned cold, and her fingers rhythmically tapped on the table.

Lin Hanxing did not know that in the eyes of others, her appearance was as similar as the Thunder valiant beast!

"Since you like to watch people's fun so much, then you can watch as much as you want!"

With that, Thunder Valiant's men had already firmly restrained the other party.

Anthony turned around and stood behind Lin Hanxing, keeping an eye out for any potential problems.

"What do you want to do?"

The other party began to shout loudly, as if afraid that he would be silently informed.

Just like a certain senior executive of the Lei Corporation!

Lin Hanxing smiled coldly. No one could guess what she was up to!

Chapter 527: In a high probability situation

"Bring the rest of the wine over."

Her long, black, feather-like eyelashes blinked lightly.

Lin Hanxing's dark eyes were cold, and even the small pearls on his earlobes were cold.

Very quickly, someone brought over the remaining wine in the box.

Bang, bang, bang. Bottles of wine were placed on the table.

The Lei corporation's ordinary employees outside the partition had already sensed that something was wrong inside.

However, they couldn't see what was happening inside the hollowed-out carved partition.

"You're asking me what I want to do ..."

Lin Hanxing smiled quietly, but there was an indescribable coldness in his smile.

"Won't you know if you try?"

As soon as he finished speaking, the sound of a bottle opening rang in everyone's ears.

Anthony's face was expressionless as he poured the strong foreign wine into the other party's mouth. For a moment, only the sound of gurgling and coughing could be heard, but no one dared to object!

Qi Li drank a few mouthfuls of honey water before she managed to calm down.

He first looked at Lei Xiao, then immediately looked at Lin Hanxing.

Their gazes were similar!

They were cold and cruel, as if they were carved from the same mold.

“Ah Xiao, you’re letting her be so presumptuous here?”

Dear readers!you are reading on our content stealing site.Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

Looking at his confidant’s desperate eyes, han boming couldn’t help but speak.

Lei Xiao glanced at han boming with a cold and threatening look, which made people’s hair stand on end!

“Impudent? Is this considered impudent?”

A cold voice resounded in everyone’s ears.

“If you want to let the third party benefit from the fight between the Sandpiper and clam, you have to see if you have the ability!”

Lin Hanxing’s slender white fingers pressed against his forehead, his eyes cold.

His gaze slowly swept across everyone.

She was different from the ‘obedient’ she was at the International Conference hall. At this time, Lin Hanxing’s aura was fully released. She was like a queen and no one could take their eyes off her, even if ...

That would cause one to feel a deep fear!

Seeing that han boming couldn’t save him, the man simply gritted his teeth and didn’t let the wine in!

Lin Hanxing sneered.

Did he think that there was no way?

She slowly got up and walked to the other party. At the same time, Anthony stopped drinking.

“A man, in order to achieve his own goals, pushed a woman out to cause trouble ...”

Her beautiful eyes were filled with the chill of winter, and her eyebrows were full of ridicule.

Her slender white finger was stuck on the other party’s jaw, and with great force, she forced him to open his mouth!

On the other hand, Lin Hanxing’s calm expression did not change at all.

you want to get it without paying any price. How can there be such a cheap thing in this world? ”

There was a crack, and the next second, the man screamed in pain!

From Yan beiming’s point of view, he could clearly see the entire process of Lin Hanxing’s actions. He subconsciously swallowed and covered his chin with his hand!

F * ck, little Hanxing had just dislocated his opponent’s jaw!

“Pour it all down, finish it all!”

Lin Hanxing said as he sat back down beside Lei Xiao.

Lei Xiao took out a wet tissue and carefully wiped Lin Hanxing’s fingers.

“You ...”

Qi Li looked at Lin Hanxing with an unspeakable shock in her eyes.

“Have you ever thought that even if I lose to you today, Lei Xiao’s attitude towards you will not improve at all, and you’ll even become a laughingstock for no reason.” If it were any other woman, no one could guess what they would do after losing their composure after drinking.

In a situation where there was a high probability, this was a situation where both sides would suffer!

Perhaps no one had expected an accident like Lin Hanxing’s to happen!

Chapter 528: impressive

Dr. Zhong walked out of the coffee shop’s storage room that he had borrowed and felt as if he had come back to life!

He looked at the sickly handsome man sitting by the window and sighed in his heart.

He had never thought that the one who had saved him from the fire and water would be Shangguan shixiu!

“When did you come to Jiang city?”

Dr. Zhong walked over and sat down opposite him.

The weather had just turned cold, and Shangguan shixiu had already put on a thin knitted sweater. His hunched skin made his face look even paler.

“Not long ago.”

Shangguan shixiu looked at the mug in front of him. There were still faint lipstick marks on the edge of the mug.

“Did your troublemaker little princess come with you?”

Dr. Zhong chatted with him. After all, she had given him a pair of pants to save him from the embarrassment.

When he thought of Shangguan Yilu, Dr. Zhong had a headache.

Shangguan shixiu smiled but didn’t say anything.

“You’re still looking for her?”

Dr. Zhong originally wanted to speak tactfully, but he felt that it was not necessary.

He might as well be more direct.

Shangguan shixiu silently looked out the window.

“Shangguan, have you ever thought that the fate between people has passed?”

Dear readers!you are reading on our content stealing site.Please copy and search this link "<https://tinyurl.com/39hpcn6j>" to support us

There were so many people in the world, and it was like looking for a needle in a haystack to find an uncertain target in the vast sea of people.

“I always feel that she’s very close to me.”

It was so close that it felt like she was sitting there just a second ago.

Shangguan shixiu’s hand touched the shallow lip print.

Dr. Zhong’s eyes widened slightly. Among the people he had met, there were two who were the most germaphobic.

One of them was Shangguan shixiu.

The other one was, of course, Thunder valiant!

However, Shangguan shixiu had reached out to touch a stranger’s Cup and even touched the lipstick mark left by the stranger ...

“This mug was used by Lei Xiao’s woman.”

Dr. Zhong quickly reminded her.

If that perverted man knew about this, who knew what he would do?

Shangguan shixiu’s movements paused.

“Thunder valiant has a girlfriend?”

Shangguan shixiu laughed. It was hard to imagine that a cold man like Lei Xiao would truly fall in love with someone.

“You’ll know when you see her next time.”

That woman ...

Dr. Zhong couldn’t help but want to use a word to describe Lin Hanxing, but he found that he was lacking in rare words.

That woman was really good at attracting men’s attention.

It made people unconsciously want to conquer it, but it also caused fear in their hearts.

Just now in the coffee shop, they seemed to be chatting, but they were actually testing each other’s bottom line unconsciously. Very quickly, Dr. Zhong realized that the psychological methods that he was proud of and best at didn’t work on her at all!

In the end, she even turned the tables on him and asked for his promise!

It left a deep impression!

“That woman is really special!”

Recalling what had happened just now, Dr. Zhong couldn’t help but laugh.

He had a helpless expression.

even the famous Dr. Zhong said that she’s a special woman. It looks like she’s really interesting.

Shangguan shixiu’s eyes fell on the faint lip print.

He didn’t know what he was thinking ...

.....

Lei Xiao asked Anthony to send President Qi home.

As soon as he returned to the president’s office, Yan beixiao could not help but stare at Lin Hanxing!

“Little Hanxing, why are you so strong?”

It made him, as a man, feel a little ashamed of his inferiority!

When they left just now, the fear in the eyes of the senior executives made Yan beixiao feel inexplicably good!

“Go away!” Lin Hanxing’s voice reeked of alcohol.

I thought you would teach President Qi a lesson!

Yan beiming really thought so!

Chapter 529: I’m just afraid I won’t cause trouble

After all, she was his love rival!

Lin Hanxing was lazily lying on the sofa with his elbows on the pillow and his fair fingers on his forehead.

Her fair porcelain skin still had a faint blush from the alcohol.

Inadvertently, she exuded a deadly charm.

President Qi has pestered ah Xiao so many times, but he didn’t do anything to her or the Qi family out of impatience. Do you know why? ”

She said softly.

Lin Hanxing’s intuition told him that if he did not give Yan beiming an answer, he would pester her to death.

Yan beiming was taken aback, and subconsciously looked at Lei Xiao.

If little Hanxing hadn't mentioned it, he really wouldn't have thought about this problem.

According to Thunder valiant beast's character, if a woman he didn't like bothered him, he would have killed her long ago.

Was there a need to wait until now?

"Why?"

Yan beiming's eyes were filled with curiosity.

this Qi Li is one of the few clean people among the rich and powerful in Jiang city.

Lin Hanxing's long eyelashes trembled slightly, and he sighed.

As he slowly savored this sentence, Yan beiming gradually understood.

In Rivertown, no family that could reach a certain status would dare to say that their hands were clean.

However, the Qi family was different.

Back then, the Qi family had started off with the textile industry and later on, it gradually became their own exclusive brand. Perhaps it was due to the right time, place, and people, the Qi family upheld their kind family culture and actually occupied a place that belonged to them.

although Qi Li is a little reckless, she's still true to her nature compared to others.

Lin Hanxing yawned lazily as he said this.

Lei Xiao and the Lei's group are always at the top of the group and individual charity rankings in Jiang city. The second place is Qi Li and the Qi's group she leads.

with the Qi family's profit rate, to be able to do this every year ...

Lin Hanxing looked at Yan beiming deeply.

He must have already understood the meaning behind the words.

Yan beixiao had never noticed this. He felt a little embarrassed when he thought about how he had laughed at Qi Li.

In this era where one laughed at the poor but not at prostitutes, she was indeed very impressive.

Ah Xiao had always attached great importance to charity.

It was no wonder she didn't attack President Qi, who often pestered her.

Oh, right. Luo Mingwei's burial is tomorrow.

Lin Hanxing raised an eyebrow as soon as Yan beixiao finished speaking.

"What, you want to send her off too?"

She joked.

“What is it that she wants me to give it to her?” Yan beiming’s words were filled with disdain.

It was inevitable that they would meet Luo Mingwei when she went out to socialize.

Her face was covered in hyaluronic acid and the silicone gel on her chest made her feel uncomfortable just looking at him.

“I’ve heard that many people from the Luo family came this time.”

Yan beiming thought of something, and his face turned serious as he lowered his voice.

“No matter how many people from the Luo family come, I won’t be eaten alive.”

Lin Hanxing sneered.

“Aren’t you afraid that they’ll find trouble with you?”

As soon as he finished speaking, Yan beixiao suddenly felt that his words were unnecessary.

Little Hanxing was a woman who could even conquer young master Lei. The Luo family was nothing!

“What I’m afraid of is that they won’t come and find trouble with me.”

Lin Hanxing tilted his head, letting his slightly curly long hair fall on the sofa, and smiled as playfully as he could.

Subconsciously, Yan beiming felt his back go numb.

His intuition told him that if those people really dared to have any ill intentions at Luo Mingwei’s funeral tomorrow ...

Just thinking about it made Yan beiming panic!

Many times, he couldn’t help but feel lucky that little Hanxing was on his side.

If they were to be his opponents ...

Then wouldn’t he be tortured to death by the little cold star!

As for the Luo family ...

Hehe, good luck!

Chapter 530: Kiss, hug, and raise

Yan beiming quickly left.

Lin Hanxing’s long black eyelashes covered his dark eyes, and he felt lazy after drinking.

He opened his eyes when he sensed a shadow looming over him.

Lei Xiao was leaning over and looking at her.

“Hug ...”

Lin Hanxing reached out to him, his eyes innocent.

His Adam’s apple bobbed up and down as a look of helplessness appeared between his brows.

Just as he extended his hand, Lin Hanxing had already seized the opportunity to wrap his arms around Lei Xiao’s neck, his legs wrapped around him.

He straightened his upper body.

Lin Hanxing seductively tucked her long hair behind her ears, revealing a small pearl.

The loose sweater moved along with her movements.

Half of her smooth, snow-white shoulders and her delicate collarbones were reflected in Lei Jing’s eyes.

“I’m your girlfriend, you have to pamper me.”

Her slender fingers gently brushed across Lei Xiao’s brow bone, feeling the rising and falling of his determination.

“Yes, I’ll spoil you.”

The low sound of the hiss seemed to be wrapped in a layer of sugar, making people want to taste it again and again.

“Then kiss, hug, and raise me high.”

After saying that, as if he was embarrassed, Lin Hanxing buried his face in his neck.

Drinking really made one indulgent.

Lei Xiao was stunned at first, then he laughed out loud.

The vibration of his laughter resonated under his skin and was transmitted to Lin Hanxing.

“Do you want to sleep?”

After drinking, Han Xing felt an unspeakable clingy feeling.

He really liked it.

“I’ll sleep with you,” Lin Hanxing grunted and rested his chin on Lei Xiao’s shoulder.

Lei Xiao carried her to the lounge.

I’m your girlfriend. You have to obey my words unconditionally!

After being gently placed on the bed, Lin Hanxing grabbed his shirt and said softly, ”

She was not drunk, but she was still a little tipsy.

Lin Hanxing’s strong willpower allowed him to hold on until he returned to the president’s office.

A faint pink spread across her porcelain skin, so beautiful that it made one’s heart stop trembling.

“Come, lie here!”

Lin Hanxing patted the bed beside him.

Thunder owl looked at her deeply, but did not move.

The small hand that was originally grabbing the shirt turned to hold his broad palm and pulled.

Thunder owl lay on his side beside her.

The next second, Lin Hanxing rolled into his arms.

“.....”

Lying on Lei Xiaoyue’s chest, Lin Hanxing’s breath smelled of alcohol.

“Where are you touching?”

Thunder valiant beast felt his forehead throbbing.

“You’re mine, why can’t I touch you?”

“.....”

Lei Xiao was speechless, but he felt that what she said made sense.

“You’re starting to feel it so quickly?”

Lin Hanxing raised his head, his eyes full of light.

“.....”

Lei Xiao pressed her head into his arms with his large palm. Although his expression was fierce, his movements were very gentle.

“You said you could take me to heaven ...”

Lin Hanxing mumbled.

It was as if a fire was burning in Lei Xiao’s heart, and he tightened his arms.

Suddenly, Lin Hanxing raised his head and stared at him with watery eyes.

The Thunder valiant beast felt that the line of reason in his mind was about to break.

He suddenly turned over and pressed her down. His chest heaved up and down violently, and his handsome and cold features were tense.

Lin Hanxing’s arms were wrapped around his neck, but his eyelids were getting heavier.

His head tilted to the side and he fell asleep.

“.....”

After an unknown amount of time, Lei Xiao stood up and took off her shoes.

Her toes, which were like jasmine petals, shrank because of the cold.

Lei Xiao pulled the blanket over Lin Hanxing and wrapped him up.

He sighed helplessly as he watched her bury her entire face into the pillow.

He bent down and kissed the corner of her lips.

“Sweet dream, my girlfriend.”

.....

When Lin Hanxing woke up, it was already dark outside the floor-to-ceiling window.

Obviously, it was already past the working hours.

When she walked out of the lounge barefooted, Lei Xiao was still in his office.
