

Goodnight 561

Chapter 561: No one can escape

Luo Minghao took out a cigarette from his pocket, lit it, and took a deep puff.

“None of us can escape from those things back then!”

As soon as he finished speaking, the expressions of those who heard him changed, and they all chose to remain silent.

In fact, they also felt that Luo Mingwei’s death was too strange, but ...

“If there’s really no other way, shall we call that person?”

As soon as Zhong Wan ‘er finished speaking, Luo Minghao glared at her, and she immediately shut her mouth.

you just have to remember that we’re all in the same boat ...

After a long time, Luo Minghao said faintly.

Back then, from the moment they took their first step, there was no way out!

No one spoke in the study.

That was until Lin qianlin’s phone rang again.

This time, however, not long after she picked up the call, her expression changed drastically ...

.....

At a suburban farm.

Yan beiming’s car was directly towed away by the 4S store. Fortunately, Lin Hanxing had Bai Xi bring a new car.

As they had called the farm in advance, they were taken directly to the vegetable field as soon as they arrived.

“Let me fly freely in this endless vegetable field ...”

Yan beiming opened his arms wide, his expression one of enjoyment.

“.....”

“.....”

Lin Hanxing and Lei Xiao pretended not to know him and walked around him.

It was not without reason that mother Lei had chosen this farm out of nearly a hundred farms. Lin Hanxing glanced at it and wondered if the boss had some kind of obsessive-compulsive disorder. The

vegetables were arranged according to the plant from the highest to the lowest. They were fresh and full of vitality.

Ding! Lin Hanxing's phone vibrated.

The mute uncle sent a connection over.

He clicked on it and saw that it was the news of the he family's young mistress, Yuan Xiaolei, appearing in the Obstetrics and Gynecology Department for a pregnancy test.

Wasn't the attached picture the day she and Lei Xiao met Yuan Xiaolei at the Women and Children's Hospital?

The mute uncle replied,"a private doctor entered the he family's house from the back door ten minutes ago."

The mute uncle replied,"and half a minute ago, Lin youlin left the villa in a hurry."

Lin Hanxing's hand swiped across the word 'in a hurry'. It was obvious that the word had piqued her interest.

Hehe, Lin youlin and mother he were indeed good sisters.

"Oh, my little cucumber!"

Just as he was thinking about it, Lin Hanxing looked up and saw Yan beixiao's stupid face, holding the cucumber and refusing to let go.

A cracking sound was heard.

He saw Lei min holding a pair of scissors expressionlessly and looking at him with cold eyes.

Yan beiming felt a sudden tightness in his chest.

He obediently ran to Lin Hanxing's side and helped her carry the small basket.

"Little cold star, protect me!"

Yan beixiao tried his best to hide behind Lin Hanxing, his expression as silly as a large dog.

"Take your cucumber over there and gnaw on it!"

Lin Hanxing pushed him unhappily.

He walked towards Lei Xiao.

"You leaked the news of Yuan Xiaolei's pregnancy?"

Lin Hanxing picked the vegetables unhurriedly and turned to look at Lei Xiao.

On the other hand, Yan beiming obediently squatted at the side and started munching on his cucumber.

Crack, crack, crack.

"Yes."

Lei Xiao's hands were wrapped in bandages, and his movements looked awkward.

"Just let them spread those rumors."

Speaking of which, Lin Hanxing didn't take it to heart. Second young master he could only play some small tricks to satisfy his craving now. He couldn't cause her any real harm.

On the other hand, if she wanted to kill him, it would only take a few minutes.

But now, she was waiting for the right time.

Help young master he to take back the he group and the position that belonged to him!

The Thunder valiant beast's hand suddenly stopped.

His dark and deep eyes looked at her.

"I can pass it to you, but not you."

Chapter 562: The big white goose

Lin Hanxing was stunned at first, then the corners of his mouth curved up slightly.

He pinched the freshly picked tomato in his hand and brought it to the Thunder valiant beast's mouth, his eyes signaling for him to taste it.

The Thunder valiant beast opened its mouth and bit down.

After a long time, he remained expressionless.

Lin Hanxing blinked, but Lei Xiao did not say anything.

"Is it good?"

She was very curious.

"It's delicious."

Lin Hanxing didn't say anything and expressed his suspicion. Lei Xiao's expression didn't look like it was good to eat.

"Tell me the truth."

"It's a little sour."

As he spoke, Thunder valiant beast's facial features wrinkled.

After finishing his cucumber, Yan beiming looked for fun and pounced on the flock of white geese.

He looked like a 1.8-meter tall fool.

F * ck, little cold star, save me ...

Suddenly, Lin Hanxing heard Yan beiming's voice coming from afar.

However, she saw Yan beiming running towards her as if he was riding on a pair of wind and fire wheels. Behind him was a fat white goose, flapping its wings and chasing after him!

"It hurts ... Damn, don't Peck my butt!"

Lin Hanxing could not help but roll his eyes. Had Yan beiming been letting himself go too much recently?

ah Xiao, save me. This idiot has taken a fancy to me!

Yan beiming was about to pounce on Lei Xiao.

Humph, Humph, Jiji's face was full of tears!

Without waiting for Yan beiming to get close, Lei Xiao had already smacked him on the head.

He was instantly stunned.

What did ah Xiao mean?

"What he means is, the one who flirts with me first is the one who gets hurt!"

Lin Hanxing kindly translated for Yan beiming.

If Yan beiming had not chased after the flock of geese, he would not have been chased by this fat white goose all the way.

The White goose flapped its wings noisily as if it was following Lin Hanxing's lead.

"You dog couple, tell me, are you waiting for me to be pecked to death so that you can inherit my kennel?"

Yan beixiao circled around Lin Hanxing and Lei Xiao.

The goose chased after him with great perseverance.

From time to time, it would even hit his butt twice!

"Shut up and I'll help you drive it away!"

Lin Hanxing could not stand Yan beiming's noisier than a duck.

Yan beiming quickly covered his mouth with both hands and hid behind Lei Xiao.

She blinked and looked at her innocently.

Lin Hanxing shook his head helplessly. He curled his fingers and whistled at the White goose.

The big white goose was stunned on the spot.

He stared at Lin Hanxing with his black eyes that were as big as green beans.

She drew a few lines in the air with her fair fingers, and the big white goose turned around and walked away with its fat body.

"What the f * ck? There's such a function?"

Yan beiming's eyes widened as he placed his hands on Lei Xiao's shoulders and poked his head out.

"Teach me, teach me! Little cold star, teach me!"

The danger had just passed, and Yan beiming started to become active again.

"Thunder valiant, shut him up!"

Lin Hanxing was annoyed to death by Yan beiming.

Yan beiming wanted to say something, but in the next second, Lei Xiao's large palm, which still smelled of disinfectant, covered his mouth tightly!

Only a Wuwu sound could be heard from the gaps between his fingers ...

.....

At the he family villa.

As soon as Lin youlin entered the villa, she heard footsteps running down the stairs.

"Catch her!"

Mother he's low growl came from the second floor. Lin youlin caught the shadow that was running towards her on reflex!

Looking closely, wasn't that he's great young mistress, Yuan Xiaolei?

Soon, Mrs. He ran down from the second floor with the private doctor.

When he saw Lin qianlin grab Yuan Xiaolei, he heaved a sigh of relief.

"Don't touch me! Don't touch me!"

Yuan Xiaolei struggled like a mad woman. She never thought that she would be photographed by a reporter at the hospital.

And at this time, he caused a huge commotion in the city!

Chapter 563: You can only blame yourself for being shameless

Mother he gave a look and two strong men walked over to hold Yuan Xiaolei's arms.

With a loud bang, the villa's door was slammed shut.

The servant sensibly disappeared, and the large living room became empty.

Mrs. He, who had just run down the stairs anxiously, was panting heavily. Her eyes were gloomy as she looked at her, who was pressed to the ground.

"You're pregnant!"

Lin youlin's eyebrows twitched. Even though she had heard it from the phone, she was still shocked.

The current Yuan Xiaolei didn't have her usual virtuous appearance. Her hair was disheveled and her face was covered in tears. Her eyes were filled with fear as she looked at her mother-in-law.

She knew how ruthless she was.

Half of the Chengyu's car accident was her mother-in-law's doing!

It was also because of this that Yuan Xiaolei was even more afraid!

Mother he walked up to her in her high heels, her eyes fierce.

"Can't you learn how to clean your mouth after eating secretly?"

When she saw the news, Mrs. He's head exploded.

He Chengyu was missing, so whose child could Yuan Xiaolei be pregnant with?

What's more, the news was pointing fingers at second young master he, he Zhehan. How could she, as a mother, sit still?

mom, I've been following Zhe Han all these years without any status. You can't do this to me!

Looking at the large amount of white pills in the doctor's hand, Yuan Xiaolei shook her head with all her might.

if you still want to keep your position as the He family's young mistress, then shut up!

Mother he was so angry that she laughed. Why was she acting like a pure and innocent woman now? when boss was still alive, she didn't know who took the initiative to hook up with her son. Now, she even wanted to secretly have a child!

In your dreams!

Lin Qianlin shot a quick look at the bodyguard.

Yuan Xiaolei couldn't move and was pressed onto the ground. She was forced to open her mouth and the doctor stuffed all the pills in!

"Hmm...Hmm... Hmm .. Hmm .. Hmmm ..."

After feeding her, her mouth was covered again and she was forced to swallow!

Mother he leaned against Lin Youlin and sat down, her eyes staring straight at Yuan Xiaolei.

Very quickly, the medicine started to react.

Yuan Xiaolei was in so much pain that she was rolling around on the ground. Cold sweat was dripping down her face.

The air was filled with the smell of blood.

Mother he coldly picked up her teacup, as if she didn't hear Yuan Xiaolei's cries of pain.

Her son still had a better future ahead of him. How could she let such an idiot ruin it?

“If you want to blame someone, blame yourself for being shameless!”

.....

On the way back, Lin Hanxing received another WeChat message from the mute uncle.

Mute uncle:

It was a simple word, but behind it hid a turbulent wave.

Lin Hanxing sighed softly.

“Little Hanxing, why are you sighing?”

At this moment, Yan beiming was obviously very happy, and there was even a small box of goose eggs on the front passenger seat.

When he left the farm, he was still holding a grudge against the big white goose that had pecked his butt. He spent money to buy a basket of goose eggs and said that he wanted to monopolize its offspring. Lin Hanxing could not help but cover his face and pretend not to know him.

just now, young Madam he’s child was gone.

As soon as Lin Hanxing finished speaking, the car fell silent.

Lei Jing’s face was expressionless. It was obvious that she had already guessed that such a thing would happen.

it’s a pity that all these years, young mistress he has been surrounding the mother and son like a dog. In the end, she couldn’t even keep the child.

There wasn’t a hint of pity in his words.

Lin Hanxing didn’t pity Yuan Xiaolei at all.

All these years, she had won people’s favor and pity with her virtuous, gentle, and pleasant reputation. Who would have thought that she had already gotten together with her brother-in-law behind her back, and even paved the way for her husband’s murder?

In this world, there was always karma between good and evil.

?

Chapter 564: Things remain the same, but people have changed

Lin Hanxing did not go back to the Lei family as soon as he returned to Jiang city.

Instead, she got Yan beixiao to drive her to a place.

Lin Hanxing swiped his door card and entered the elevator. Soon, he arrived at his destination.

“Ninth young lady ...”

Seeing her come out of the elevator, the black-shirted man guarding the door said respectfully, ”

Lin Hanxing nodded and rang the doorbell.

Soon, someone opened the door.

When Rong Shiyu saw that it was Lin Hanxing, his eyes, which were as clear as a deer’s, curved into a smile.

Lin Hanxing had just walked in when she saw the man standing in front of the floor-to-ceiling window with his back facing her.

There was a vase on the coffee table with a bunch of oleander in it.

“Ninth young lady.”

He Chengyu turned around, his voice slightly hoarse and low. Then, his eyes fell on Rong Shiyu’s face.

Although he quickly shifted his gaze, Lin Hanxing still caught it easily.

Lin Hanxing did not say anything and walked over to stand beside him.

His eyes fell on the building of the he group right across the street.

Perhaps the he family would never have thought that the person they were trying so hard to find would actually be so close!

I saw the news this morning. Miss Jiu played well.

He chengchen was wearing a light blue shirt and a camel-colored knitted jacket. His thin body looked a little empty.

He was referring to the reopening of the investigation into the Lin couple’s death.

Lin Hanxing smiled faintly.

“What’s that smell? it’s so fragrant.”

“I forgot I baked some biscuits!”

It was only then that Rong Shiyu remembered that he had baked some biscuits. He turned around and rushed into the kitchen.

just now, young Madam he lost a child.

When he saw Rong Shiyu enter the kitchen, Lin Hanxing stopped smiling and said in an indifferent voice,
”

He Chengyu didn’t say anything. The faint scars from the accident many years ago could still be seen on his expressionless face. At this moment, he looked a little more cold.

“Is that so?”

Suddenly, he chengye laughed.

His cold face was filled with cruelty.

and at this time, he zhehan is having sex with his Secretary in the office.

This family was really laughable.

Lin Hanxing did not say anything. There was a knock on the door. Before Rong Shiyu could open the door, she had already walked over.

The bodyguard handed Lin Hanxing a kraft paper bag that had just arrived.

He closed the door again.

he Chengyu, within a week, you have to remember everything in this.

Lin Hanxing said as he walked towards him.

The documents in the kraft paper bag were not light. They were a thick stack.

Lin Hanxing handed it to he Chengyu.

“What’s inside?”

He Chengyu opened the paper bag and took out the documents.

All of this ... Within a week?

this is the list and information of the 101 core management members of the he Corporation.

Lin Hanxing’s delicate face was expressionless as she calmly explained to he Chengyu.

He Chengyu’s expression changed.

“This includes their family members, their hobbies, and life experiences.”

He Chengyu quickly flipped through the list of people.

“All of them are he zhehan’s men.”

Lin Hanxing gave him a strange look.

Wasn’t this normal?

“I just feel that things have changed ...”

He Chengyu smiled apologetically, obviously realizing that he had said something silly.

if you want to get back into the he Corporation, you have to figure out who you can get rid of immediately and who you can keep for your own use after you take over the corporation. This information is enough to give you an answer.

Lin Hanxing pointed at the documents in his hand, his eyes full of pressure.

He Chengyu looked up at Lin Hanxing.

He truly felt the aura of a ruler above all things from her.

Even if she was younger than him!

?

Chapter 565: No construction without destruction

“Who are the people in the black frames?”

He Chengyu had just gone through it in general. Almost every page had one or two names that were circled in black boxes.

Some of them were familiar to him, while some were unfamiliar to him.

Lin Hanxing looked at him and was silent for a moment.

the people in these black frames are all related to your car accident back then.

Now, among the 101 core management members of the he Corporation ...

There were 27 people who were more or less related to he Chengyu’s car accident.

In the initial screening of the list, Lin Hanxing had specially requested that these people’s names be marked.

With a crisp sound, he Chengyu’s large palm suddenly clenched, and his joints made a strange sound.

“If I had ninth young lady’s meticulous thoughts, would I have not lost?”

He Chengyu laughed at himself.

Some scars had to be torn open by himself to heal faster.

Rong Shiyu brought some biscuits over and made a cup of coffee.

“Do you think that I was born like this?”

Lin Hanxing held the porcelain coffee cup in his hand. The rich taste of hand-brewed coffee was not inferior to the coffee in the shop.

Her voice was cold and clear.

Lin Hanxing smiled faintly when he saw Rong Shiyu staring at him curiously.

She had once been as innocent as Shigure.

However, those people’s greed, indifference, selfishness, and shamelessness had ruined her life.

He Chengyu remembered the news about miss Jiu today and didn’t say anything.

He felt a little apologetic for bringing up this topic.

Lin Hanxing did not seem to feel his guilt as he slowly picked up his coffee and sipped it.

“There’s something I want you to be clear about.”

When the rich coffee aroma stimulated his taste buds, Lin Hanxing spoke again, his voice as cold as ever.

“Even if the he Corporation returns to your hands, it can’t be the same as before.”

She looked away from the words “he group” and turned to look directly at he Chengyu. Her ocean-like eyes were calm and unapproachable. He Chengyu was speechless for a long time.

“What do you mean?”

After a long time, he Chengyu asked tentatively.

“No destruction, no construction.”

Lin Hanxing gave him a short and concise reply.

He Chengcheng’s heart sank.

There was no need to say too much in a conversation between smart people. These four words were enough for him to know what the ninth miss wanted to do.

However, the he Corporation was his mother’s blood and sweat ...

young master he, I know what you’re thinking.

Before he Chengyu could speak, Lin Hanxing had already spoken.

in this world, there’s no such thing as a free lunch. You have to pay a price for what you want.

“I understand.”

He Chengyu said in a deep voice. After saying these three words, his entire person relaxed.

Lin Hanxing observed his expression the entire time.

but don’t worry, young master he. I’ll give you two choices.

Lin Hanxing placed the coffee cup back on the porcelain plate with a click, as if the dust had settled.

“First, I can privately loan you a sum of money at a lower interest rate than the market rate for the revival of the he group. As for the second one ...”

Lin Hanxing smiled faintly and placed the cup back on the table.

He slowly opened his mouth.

At first, he Chengyu thought he had heard wrong and didn’t speak for a long time.

When he realized what miss Jiu had said, he showed a rare look of surprise.

“You said you ...”

The second half of his sentence was stuck in his throat, unable to come out.

how is that possible? I don’t believe it!

He Chengyu looked at Lin Hanxing. Although he said he didn't believe her, the way she did things and her careful thinking ... All of these made a voice in his heart tell him that she was telling the truth!

?

Chapter 566: Old times

Under he Chengyu's shocked gaze, Lin Hanxing leaned against the floor-to-ceiling window, picked up a freshly baked biscuit, and took a small bite.

The crunchy texture and rich aroma filled his mouth instantly.

It melted in his mouth.

Lin Hanxing's eyes lit up.

It was a pleasant surprise when paired with hand-brewed coffee.

"Can I take some with me when I leave?"

Lin Hanxing really wanted to share the unique taste with Lei Xiao.

"Mm, good! I'm going to do it now!"

Rong Shiyu could not help but laugh when he saw that Lin Hanxing liked the beef oil flower he had made.

It was like A Midsummer Night's Dream, making one feel happy in this smile.

"I really didn't expect ..."

He Chengyu pressed his fingers to his forehead, clearly just recovering from the shock.

"Aren't you afraid that I'll tell others?"

He asked tentatively.

Miss Jiu's attitude was too honest, so much so that he Chengyu felt a lot of pressure.

he Chengyu, you're a smart man. You won't seek your own death.

Lin Hanxing smiled. There was no fluctuation of emotion in his eyes, but he Chengyu's fingers could not help but feel cold.

The ninth young lady was very beautiful.

However, behind this beauty was a terrifying coldness and cruelty.

Perhaps men would be deeply attracted by her beauty at the beginning, but once they got to know her a little, they would probably be shocked by her style and character, and then retreat.

He Chengyu was a little curious as to what kind of man could control a woman like miss Jiu.

No, the word 'control' was an insult to the ninth young lady.

It should be said that they were driving together!

"Sometimes I wonder what I did to deserve ninth miss's help."

There were too many people who wanted to ask miss Jiu to do something for them, and it all depended on her mood whether she would accept it or not.

When he heard about it from the middle-aged couple, he didn't have any hope.

When Shigure came back and told him that miss Jiu had picked up the phone, he felt like he was dreaming.

"I was the one who asked the middle-aged couple to mention me in front of you."

Lin Hanxing took another biscuit and put it in his mouth.

Rong Shiyu's cooking skills were really good.

He Chengyu's expression was one of shock. He felt like he was hearing things.

my first target when I return to Jiang city will be you.

Lin Hanxing's voice was cold. Without waiting for he Chengyu to recover from the first shock, he threw the second bomb.

This time, he Chengyu no longer doubted whether he had heard wrong.

"I ... I don't quite understand!"

She knew him before?

when the Lin family was in a crisis, my parents were deeply involved in the whirlpool. It was your mother who used all the power she could to help my parents. Although the end result was not what I wanted, I have always remembered this kindness in my heart.

He Chengyu looked at Lin Hanxing and didn't speak for a long time.

whatever cause is planted, the result will be what it is. Back then, your mother's kind act of not seeking repayment was exchanged for my return of favor today. Lin Hanxing's lips curved into a faint smile as he turned to look at him.

He Chengyu had never expected the truth to be like this.

Perhaps even his mother had never thought that her help back then would bring her more than ten years of good fortune, allowing her to escape from the sea of despair and suffering.

Suddenly, Lin Hanxing's phone beeped with a WeChat notification.

He casually took out his phone and glanced at it, but his expression became subtle.

[9.90 yuan free delivery: little cold star, help!!!!]

It was rare that Yan beiming did not use his expression library, but the exclamation marks at the back clearly indicated that the situation was special!

Xing Xiaoxing, "huh?"

9.90RMB delivery: now! Immediately! Immediately! Come back!

Xing Xiaoxing replied, "speak human language."

9.90 yuan free delivery: Childhood sweethearts! He was now sitting in the Lei family's living room!

What did she have?

?

Chapter 567: A man on a bamboo horse arrives

At the Lei family villa.

The large living room was silent.

Top-grade!

Yan beixiao looked at the man sitting opposite him, and even he could not help but sigh in his heart.

This appearance was definitely the type that the elders liked the most. It was comfortable from the inside out, and it was particularly pleasing to the eye.

Even he couldn't find any fault with this person.

Crack, crack, crack.

Yuan Bao hugged a bag of potato chips, his cheeks puffed up like a hamster who was trying to steal snacks.

His eyes were also staring at the other party.

Not as handsome as first uncle!

A bad rating!

It wasn't as good as Big uncle's figure!

A bad rating!

Her temperament ...

Yuan Bao snorted in his heart. First aunt was not such a shallow woman!

Mother Lei had a kind smile on her face, but in her heart, she was constantly comparing her son's winning rate.

To be honest, their ah Xiao was good in every way, but he was too cold!

The person in front of him was as gentle as Jade and as clean as dust.

She had a baby face and was very likable.

As a woman, who would she subconsciously get close to ...

Mother Lei sighed.

Son, can't you smile more?

Use the advantage of your face!

As for father Lei's evaluation of the person in front of him, it was as simple as it could be. It was only three words.

Pretty boy!

On the sofa, the Lei family sat in rows according to their size.

From time to time, Yan beiming would glance at Lei Xiao from the corner of his eye.

He was not sitting with them.

His well-built body sat upright on the black leather sofa, his perfectly sculpted handsome face expressionless. At first glance, he did not look much different from usual, but the deep look in his eagle-like eyes made Yan beiming feel an inexplicable chill on his back.

As expected, ah Xiao actually wanted to kill this person directly and then dig a hole to bury him, right?

Who knew why little Hanxing would suddenly have a childhood sweetheart?

"Have I seen you somewhere before?"

Suddenly, mother Lei tilted her head and asked in confusion.

"Are you ... The one who acted in the TV show?"

A while ago, there was a popular TV series from country G that had been imported. All the ladies around Madam Lei were watching it, but she did not fall into the trap because she was not interested in these things. Even so, she would occasionally get screenshots from those women in the group.

After she finished speaking, mother Lei felt that the man in front of her was the one on the television.

The F * ck?

Acting on television?

Yan beixiao looked at her carefully and felt that she looked familiar.

It seemed to be that ...

What idol of country G?

"It's me."

Zhan Nanheng smiled.

It was a simple word, not gaudy or flamboyant.

To gain a good impression.

When he laughed, he dealt 120000 points of critical damage!

Even mother Lei couldn't hold it in!

"Wait!"

Mother Lei took out her phone, got up, and sat beside Zhan Nanheng. She turned on the front camera.

With a click, he took a photo and sent it to the group!

In an instant, the phone exploded with WeChat notifications.

Mama Lei could imagine those people holding their phones and screaming madly.

"Yinyin,"

From his voice, father Lei was obviously helpless.

This was very likely to be her son's love rival.

Mother Lei smiled awkwardly and sat down next to father Lei.

She was determined to be the number one fan of her son's fan club!

Yan beiming could clearly feel that the chill on Lei Xiao's side had gotten stronger. Although it was only for a moment, it was still terrifying!

He cried silently in his heart.

Little Hanxing, why aren't you back yet!

Just as she was thinking about this, there was movement at the door.

Yan beiming was overjoyed.

Yuan Bao, who was beside him, threw the potato chips to him and ran towards the door!

"First aunt ..."

?

Chapter 568: I dare you to say that again

Lin Hanxing bent down and picked him up.

"This is for you."

Yuan Bao took out a Snow Blue crystal hairpin with stars from his pocket as if he was presenting a treasure.

This was what he saw on the way home after school.

Lin Hanxing smiled and tilted his head towards Yuan Bao, allowing him to pin the Crystal Star hair clip on his hair.

Seeing her return, the ice in Lei Xiao's eyes softened a little.

However, when he accidentally caught sight of Zhan Nanheng's eyes, his aura darkened again.

His eyes were looking at the cold star.

Gentle and reminiscent, like a trickle of water, the smile was an eyesore to Lei Xiao.

He seemed to have felt something.

Zhan Nanheng's and Lei Xiao's gazes collided in the air!

There was a swish.

The surroundings were like a Prairie Fire, not a single blade of grass grew.

Lei Xiao's extremely possessive gaze was cold and aggressive.

"Daughter-in-law, this person ..."

Madam Lei did not know how to introduce Zhan Nanheng. She could not just say that they were childhood sweethearts, could she?

Lin Hanxing raised his head and met Zhan Nanheng's gaze.

Her beautiful eyes were calm.

"Xing, it's me."

Zhan Nanheng's baby face, which was full of confusion, smiled shyly, and his small cherry-like lips pursed nervously.

Lin Hanxing blinked.

This face was indeed a little familiar.

It's finished!

Yan beiming knew that something was wrong when he saw Lin Hanxing's expression.

According to little Hanxing's personality, if he really didn't know her, he would have thrown her out long ago. Why did he have to wait for so long?

Subconsciously, he looked at Thunder valiant beast.

His cold face was as dark as it could get.

F * ck, so scary!

“You are ...”

Zhan Nanheng pointed at the mole under the corner of his left eye. In a flash, Lin Hanxing finally remembered his identity!

“My fiancée, you’ve finally remembered me!”

Like a sudden clap of thunder, Zhan Nanheng’s words shocked everyone!

Silence ...

“Burp ...”

Yuan Bao was so scared that he started to burp, one after another.

Suddenly, the Thunder valiant beast made a move.

Yan beiming was so scared that he shivered, and subconsciously stepped forward to pull him back.

Even mother Lei’s heart was in her throat.

She suddenly grabbed her husband’s arm.

Lei Xiao walked to Lin Hanxing with a calm expression and took the guinea pig from her arms. He slowly patted his nephew’s back, his expressionless face making it impossible to guess what he was thinking.

The little sheep kept burping in Thunder valiant beast’s arms.

Lei Xiao patted him patiently, but his gaze was fixed on Zhan Nanheng’s face as if he was deep in thought.

The calm before the storm ...

Yan beiming’s intuition told him that this was the calm before the storm!

Fiancée?

Even now, Yan Beichen’s heart was still beating rapidly.

After a long while, Yuan Bao finally calmed down.

“Yan beiming.”

Lei Xiao’s sudden words scared Yan beiming so much that he shrunk his neck back.

Only then did he realize that Lei Xiao was going to give him the ingots.

He hurriedly reached out and pulled the stunned Yuan Dabao into his arms, distancing himself from the Asura arena.

Lin Hanxing’s head ached.

Just as she was about to organize her words to explain what was going on with this 'fiancée', a dark shadow covered her in an instant.

Just as she was about to raise her head, Lei Xiao accurately and domineeringly kissed her with his thin lips, carrying the coldness of ice and snow!

The unexpected softness made Lin Hanxing's eyes widen subconsciously.

Her mind was blank.

Her long black eyelashes kept trembling.

Yan Bei's Xiao mu blankly covered Yuan Bao's eyes, which were filled with interest, despite his objection.

The kiss ended.

Lei Xiao raised his head and glared at Zhan Nanheng, who was standing not far away.

"Do you have the guts to say that again?"

?

Chapter 569: This is the place where the problem lies

Mother Lei was clapping and praising her son in her heart!

Lei Xiao's hand was still wrapped around Lin Hanxing's waist, and the danger in the air did not seem to have subsided.

The smile on Zhan Nanheng's baby face froze.

The man's eyes were fierce and bloodthirsty. It was as if he would teach him a lesson if he dared to say another word!

A wise man submits to circumstances, so Zhan Nanheng naturally wouldn't provoke him.

"I don't think this is a good place to talk. I have a signing event tomorrow night at TZ. I'll leave the most special spot for Xing and wait for you to come."

Zhan Nanheng placed the silver-gray invitation letter on the coffee table.

"You'll definitely come, right?"

The baby-faced boy smiled, looking as innocent as he could be!

"After all, before Mrs. Lin got into that accident, she sent something to my family."

"You should want to know what's inside."

Hearing this, Lin Hanxing's expression turned cold, and he looked at Zhan Nanheng.

With that, Zhan Nanheng walked towards the villa's entrance.

However, when he passed by the Thunder valiant beast, he stopped.

The moment he met Lei Xiao's eyes, his eyes were full of provocation.

"Oh, right. Come alone."

.....

After Zhan Nanheng left, the living room of the villa remained silent.

Perhaps the Thunder valiant beast's aura was too powerful, no one dared to make a sound.

Lin Hanxing felt his hand on his waist tighten, and his muscles were as tight as steel.

"That ..."

Lin Hanxing wanted to say something.

"Don't say it!" Thunder Valiant's voice was dangerous and deep.

Lin Hanxing looked up at him subconsciously!

It's happening again. That sinister feeling that seeped out from the bones was so strong that it was suffocating.

"Thunder valiant beast ..."

Before she could finish, Lin Hanxing felt as if the world was spinning around him.

By the time he reacted, he realized that he had been lifted up by the Thunder valiant beast with one arm and carried on his shoulder!

"Ah Xiao ..."

Yan beiming was just about to say something when he was shocked by Lei Xiao's sharp gaze.

He didn't dare to say another word.

Just like that, Lei Xiao carried Lin Hanxing up to the second floor.

He was like a beast whose territory had been invaded!

It was dangerous and terrifying!

After some time, the bedroom door was slammed shut with a loud bang!

Should I call Dr. Zhong over? "

After a while, Yan beixiao spoke weakly.

No one answered ...

.....

Lin Hanxing was thrown onto the bed, and before she could say anything, the Thunder valiant beast's giant shadow had already covered her.

He bent one knee beside her and placed his hands on the side of her head.

There was a faint smell of blood in the air. Lin Hanxing subconsciously turned his head to look. As expected, the wound on Lei Xiao's palm had split open, and blood was constantly flowing out, staining the bed sheet!

Lin Hanxing was a little anxious.

"Thunder valiant beast, your hand ..."

"My hand is fine!"

Lei Xiao said in a low voice, his eagle-like eyes staring at her face.

He lifted his bloodied and bandaged hand and forcefully lifted Lin Hanxing's small hand, pressing it against his chest!

Over there, Thunder owl's heaviness could not be more obvious.

"This is where the problem lies!"

His voice was filled with sorrow for the first time, and it made people's hearts tremble!

"Hanxing, I feel uncomfortable here!"

Lin Hanxing's heart ached when he saw his cold and tense facial features.

She could feel the moisture on the back of her hand.

It was the blood from the Thunder valiant beast's wound!

"It's so uncomfortable that I'm going crazy!"

At this moment, the Thunder valiant beast's pupils were as dark as the bottom of the ocean. One could not see the end of the ocean at a glance.

But it brought the most direct pain.

He didn't even try to hide his weakness!

?

Chapter 570: Her ah Xiao

Lin Hanxing could feel the rapid heartbeat under his palm. His eyes were filled with the Scarlet color of the bandage on his palm.

In a short period of time, there was no longer any white.

"Ah Xiao, let me deal with your ... Uh ..."

Before she could finish her words, Lei Xiao had already leaned over and kissed her ruthlessly.

He was controlling every inch of Lin Hanxing's breath in a domineering and crazy manner.

Her soft, seaweed-like hair was scattered messily on the big bed, like a flower blooming in the dark night.

The air was filled with the smell of blood and the faint scent of Gardenia.

They mixed together and created a unique smell.

Jealousy drove one crazy.

Lei Xiao grabbed Lin Hanxing's wrists and pushed her head up.

The air in Lin Hanxing's lungs seemed to have been squeezed dry by him, and he took in deep breaths.

"You're mine!"

Thunder owl's voice was filled with stubbornness, and even his eyes were bloodshot.

Such a Thunder valiant beast was very unfamiliar.

It was also very dangerous.

However, Lin Hanxing couldn't care about anything else. He only looked at his hand that was bleeding.

It dried up slightly before it was torn apart again by his rough actions.

"You belong to me alone!"

The Thunder valiant beast kept pulling back his palm, as if a voice in his head was telling him.

Take her!

He had forcefully taken her without caring about her wishes!

His eyes became more and more hazy, as if they were shrouded in a thick fog, and not a single ray of light could penetrate through!

"Thunder valiant beast, let me go!"

Lin Hanxing's eyes glowed with a strong cold light as he raised his head to meet Lei Xiao's eyes!

His eyes had a powerful aura that was not inferior to the Thunder valiant beast's!

"I'll say it again, let me go!"

Her voice was like a clap of thunder, exploding in Thunder valiant beast's ears.

He slowly moved his hand away ...

The pair of Scarlet eyes did not look at the cold star.

When his hand was free again, Lin Hanxing moved his wrist slightly.

Then, he slowly pulled open The Black Bow that was loosely tied on the front of his chest and casually threw it aside.

The buttons on his white silk shirt were unbuttoned one by one.

Her fair skin was revealed, inch by inch, reflected in Lei Jing's eyes.

Her thin wrist was still stained with his blood.

It was particularly glaring in the White snow.

Lin Hanxing's eyes were warm and intoxicating, as if they could wash away all the dirt in his heart.

Suddenly, Lei Xiao grabbed her hands that were still unbuttoning.

He folded his shirt up messily.

His movements were chaotic.

Lei Xiao's mind was in a mess, and the shirt he had picked out himself was stained with blood.

He suddenly pulled Lin Hanxing into his arms, tightly!

"Don't be like this!"

His voice trembled slightly. He was ashamed of the sudden thought of taking her by force, regardless of her wishes!

"Hanxing, don't be like this!"

This would make him too ashamed to show his face!

Lin Hanxing, who was in Lei Xiao's arms, slowly stretched out his hands and wrapped them around his neck.

Her fingers reached into his hair.

He gently stroked Lei min's head, as if to comfort his tense nerves.

"I'm sorry."

Lin Hanxing's voice sounded soft as he pressed against his chest.

Her ah Xiao had a strong appearance.

However, she had forgotten that his heart was constantly shrouded in uneasiness and his worry about her.

If doing this kind of thing could make him feel better, she didn't mind.

"Ah Xiao, I'm sorry."

He switched to holding Lei Xiao in his arms with both hands, allowing the two of them to be so close to each other that there was no gap.

Lin Hanxing's tiny kisses landed on his forehead continuously, allowing Lei Xiao to hold her tightly like a child.

The longer she spent with him.

The more he felt that his heart seemed to be trapped by something.

The occasional loss of control could bring about extremely powerful destructive power.
