

Goodnight 571

Chapter 571: I promise

“Can you let me see your hand?”

Lin Hanxing spoke with extreme patience. Perhaps she didn’t even realize that there was a gentleness in her voice, as if she was coaxing a child.

“Ah Xiao, your wound has opened again.”

Seeing that Lei Xiao did not move for a long time, she spoke again.

Lei Xiao finally made a move. He raised his head and looked at Lin Hanxing.

The face that was originally filled with endless viciousness and ruthlessness had already regained its calm.

Her face, which seemed to have been favored by God, was full of self-blame.

He reached out and came to her chest.

“Oh, do you want to do it?”

Lin Hanxing looked at the alarm clock on the bed.

“There should be two more hours before dinner.”

The Thunder valiant beast’s hand paused, and a look of helplessness appeared in his eyes.

“I won’t do it.”

After he finished speaking, he carefully buttoned her buttons one by one.

However, his clothes were stained with blood and could no longer be worn.

“You don’t need to apologize to me. It’s my fault.”

Lei Xiao calmly faced his loss of control, even though it was only a handful of times since he took over the Lei group.

His voice trembled slightly as he turned his head to the side.

Lin Hanxing watched as he restrained the self-blame in his eyes and sat by the bed coldly.

Sighing in his heart, he stood up and walked towards the door.

As soon as she opened the door, she saw Yan beiming pacing back and forth in the corridor with an anxious expression.

He was surprised to see her.

“Ah Xiao is so fast?”

He said subconsciously.

Lin Hanxing, who understood what Yan beixiao was trying to say, rolled his eyes at him.

“Little Hanxing, you wouldn’t have killed ah Xiao in a fit of anger, would you?”

Seeing the blood on her shirt, Yan beixiao sucked in a breath of cold air and widened his eyes in horror.

put away all those wild thoughts in your head and help me get the first aid box. The wound on ah Xiao’s hand has opened again. Lin Hanxing did not look in the mirror, but he could tell from Yan beiming’s expression how miserable he was.

Fortunately, he didn’t go downstairs just like that.

“Is he okay?” Yan beixiao peeked behind her, his voice worried.

Lin Hanxing shook his head.

Yan beixiao knew that he would not be able to get anything out of her, so he turned around to get the first aid kit and returned very quickly.

“Call me if you need anything.”

Lin Hanxing nodded, turned around and closed the door.

The room was silent.

Lin Hanxing walked back to Lei Xiao’s side and slowly squatted down, her small hand slowly holding his large palm.

“I’m going to help you disinfect and bandage your wound again. It might hurt a little, do you hear me?”

She raised her head and spoke softly.

Lei Xiao looked at Lin Hanxing without saying anything.

Lin Hanxing used a pair of scissors to cut open the bandage. The wound underneath was indeed too horrible to look at.

He didn’t know how to cherish his body.

Lin Hanxing’s eyes turned cold when he realized this.

But more than that, he felt helpless.

“Next time, no matter how angry you are, you’re not allowed to joke around with your body!”

Lin Hanxing’s cold voice, along with her practiced movements, made Lei Xiao’s heart warm up.

However, when his eyes swept over her wrist and collarbone, his eyes suddenly darkened.

When he lost control, he completely forgot to control his strength, so her hands and collarbones were in a terrible state, not to mention her messy hair and lips that one could tell what had happened at a glance ...

Lei Xiao's heart ached.

He raised his hand to caress the soft hair by her ear, his eyes full of longing."

"I'm sorry," she said. He said hoarsely.

She apologized for his rudeness.

Lin Hanxing acted as if she did not hear him and focused on treating Lei Xiao's wound.

"I won't touch you again before we get married."

"And I won't let such a thing happen again."

He loved her more than his own life.

He would never allow himself to lose control and hurt her.

"I promise,"

Chapter 572: Betrothal at a young age

Night fell.

The Lei family's restaurant was filled with people around the hotpot.

"The Zhan family and our family were neighbors in the past."

Lin Hanxing's calm eyes were filled with reminiscence and deep emotions.

I heard that mother Zhan moved here alone while she was pregnant. Usually, there were bodyguards guarding the villa. On the day of her delivery, the car that was sending mother Zhan to the hospital broke down on a rainy night. Coincidentally, they met my mother, who was also about to give birth.

I was born in the same year, same month, and same day as Zhan Nanheng. Coincidentally, he had a mole at the corner of his left eye, and I had a mole at the corner of my right eye. At that time, I joked that this was fate and that we had to set an arranged marriage.

The soup base was boiling.

When Yan beiming heard this, he subconsciously looked at Lei Xiao. Fortunately, his expression was calm.

"Actually, now that I think about it, the Zhan family was very mysterious back then. To be able to buy a real estate in that area back then, it was obvious that they were wealthy and respectable. However, mother Zhan and Zhan Nanheng rarely went out and never interacted with each other."

"Could it be that some rich person is outside ..."

Yan beixiao interjected as he bit into a fishball.

Lin Hanxing shook his head.

In her memory, mother Zhan's temperament and aura were definitely not that of a mistress raised outside.

Mama Lei blinked, not forgetting to give Hanxing some hot food.

On the other hand, father Lei's expression was a little subtle. Back then, the Zhan family had indeed suddenly come to Jiangcheng, and ...

when I was six years old, mother Zhan suddenly disappeared with Zhan Nanheng. The house opposite was completely emptied overnight, leaving no traces of mother Zhan and Zhan Nanheng. It was just like how they moved in in so suddenly back then.

a year later, something happened to our Lin family. Until now, if Zhan Nanheng hadn't suddenly appeared today ...

Lin Hanxing took a bite of the vegetable and smiled apologetically at mother Lei and father Lei.

"I wouldn't have remembered this either."

This Zhan Nanheng wouldn't be unable to forget you, right ...

Yan beixiao was so hot that he could not stop breathing, and finally swallowed the hot meatball in his mouth.

we were only six years old then, not to mention that we've been separated for nearly twenty years. What kind of strong feelings would make him unable to forget me? "

Lin Hanxing asked.

"I'm afraid he has other motives."

Lei Xiao said in a low voice, and Yan beixiao fell into deep thought.

"Furthermore, that strange uncle seemed to be intentionally provoking Big Uncle."

Yuan Bao cupped his chin.

Those who fought with him for his aunt were all bad people!

Hmph!

what's his purpose? you'll know when you see Zhan tomorrow night!

Mother Lei's mouth was stuffed with a beef meatball, her cheeks bulging as she chewed.

I know about that signing event. There will be a lot of rich ladies in the industry tomorrow. That TV series is really popular recently. It only aired eight episodes and the online ratings have broken 3 ...

Even mother Lei, who didn't like to watch television, wanted to come and watch it.

Thunder owl didn't say anything, he was deep in thought.

First, it was Shangguan shixiu, and now Zhan Nanheng ...

"Open your mouth,"

Lin Hanxing's voice suddenly sounded in her ear.

He subconsciously opened his mouth.

She placed the soft potato slices into his mouth.

"Mother Lei is right. We'll know her motive when we meet her tomorrow night."

Lin Hanxing laughed when he saw the Thunder owl wood eat it in a daze.

"But before that, ah Xiao and I's primary task is to attend Yuan Bao's biological child meeting."

In Lin Hanxing's eyes, Yuan Bao was obviously much more important than Zhan Nanheng.

Yuan Bao's eyes lit up.

There was movement at the door, and Dr. Zhong's head popped out from the dining room door.

it smells so good! Hotpot!

Lei Xiao glanced at Yan beiming, and the latter quickly shrank his neck.

Why are you staring at me?

It was clearly father Lei who had asked him to call Dr. Zhong over!

He was innocent!

?

Chapter 573: Let the Lei clan withdraw

At the Zhong family's Villa.

"Are you telling the truth?"

Zhong Xueqing's eyes widened as she looked at her own mother in disbelief.

hehe, I had my suspicions at the time. I didn't expect that I would finally get a hold of it!

Mrs. Zhong sneered, and the bruises on her face without makeup were even more obvious.

These few days, she had been living an inhumane life.

That old thing would come over and torment her whenever he was upset. Not to mention her face, even her body was in no good condition.

The more this was the case, the more Madam Zhong hated the Lei family and even Lin Hanxing!

Zhong Xueqing slowly sat down, a surprised smile on her face.

"Aren't you bidding for the Jiangcheng Bay Bridge project? I'll give Zhong Nanyin a call now and ask the Lei family to withdraw from the bidding. This way, your biggest competitor will be gone!"

Mrs. Zhong gently caressed Zhong Xueqing's cheek.

"What my daughter can't have, I won't let that B * tch have it for nothing!"

.....

In the Lei family's study.

Dr. Zhong looked at Lei Xiao, and the cheeky smile he had when he was eating the hot pot disappeared.

"You've been experiencing a lot of emotional ups and downs recently."

He spoke seriously, observing the Thunder valiant beast's condition without a trace and judging it with his professional knowledge.

"I'm very worried about you ..."

The Thunder valiant beast's gaze fell on the White bandage wrapped around his palm.

"Today, I was asked to leave the car."

His voice was gloomy, no longer as gentle as when he was facing Han Xing. It was full of coldness and bloodthirst.

The pen in Dr. Zhong's hand inadvertently drew long marks on the book.

This was something that Yan beiming had not told him.

"And then?"

Lei Xiao raised his head and looked at Dr. Zhong. The corners of his mouth slowly curved into a sneer and he waved his palm at him.

"What do you think?"

Dr. Zhong looked at the smile on his lips, and his eyes were a little deep.

ah Xiao, I hope you can try drug intervention treatment again.

The Thunder valiant beast continued to sneer and pointed at its forehead.

let those Drugs Control my brain again? "

Dr. Zhong couldn't answer his question and could only remain silent.

But what Dr. Zhong was more afraid of was that once Lei Xiao's sealed emotions opened up, it would gradually break and could no longer be repaired.

"Father and mother Lei are very worried about you."

Dr. Zhong tried to use kinship to attract Lei Xiao's attention.

Lei min was expressionless as he slowly closed his eyes, as if he was struggling with himself.

"Have you ever considered letting Hanxing know ..."

“Shut up!”

All of a sudden, Lei Xiao opened his eyes and stared at Dr. Zhong with a strong murderous intent.

“If you dare to do that, I will make you regret it!”

Dr. Zhong closed the laptop in his hand with a bang.

“Then have you ever thought about whether you would hurt her if you lost control?”

“I won’t lose control again!”

The Thunder valiant beast’s palm slammed on the desk with a bang.

The two of them didn’t speak again. They just looked at each other and breathed heavily.

“Lei Xiao, you know very well in your heart that you’ve already hurt her.”

When they were eating today, the bruises on Lin Hanxing’s wrist were clearly seen by Dr. Zhong.

Thunder valiant beast’s deep eyes suddenly shook.

“Let me think.”

After a long while, he finally opened his mouth, but his voice was filled with fatigue.

“Alright, I got it.”

Dr. Zhong Mo could do nothing about his stubbornness.

“However, did you really think that with Hanxing’s intelligence, he wouldn’t notice your abnormality?”

If she really couldn’t detect it ...

How could he have said those words to me in the coffee shop?

.....

There was something wrong with Madam Lei’s expression.

Lin Hanxing, who had sent Yuan Bao to take a bath, noticed this when he returned.

This situation seemed to have started when she received the phone call.

Just as she was thinking about it, mother Lei looked up at her.

?

Chapter 574: Leave it to me to settle

Her eyes were pleading for help.

“Mother Lei, I have something to tell you.”

Father Lei and Yan beiming, who were arguing whether the goose eggs should be steamed or fried, did not notice the women's thoughts at all. By the time the two of them finished arguing, they had already gone upstairs.

In the bedroom on the second floor.

Mother Lei did not say a word, as if she was mulling over how to start.

Lin Hanxing wasn't in a hurry. He just stuffed the mug that he had brought up from downstairs into the cold hands of Madam Lei.

The warmth of the cup calmed her down.

"Just now, my stepmother called me."

Lin Hanxing's expression did not change, but his eyes turned cold.

Mrs. Zhong?

Now that she couldn't even take care of herself, what storm could she set off?

she threatened me. She told me to make ah Xiao withdraw from the Jiangcheng Bay Bridge project, or she'll expose something!

Mother Lei raised her head and looked at Lin Hanxing with a heavy gaze.

"This matter is related to ah Xiao ..."

Lin Hanxing quietly listened to mother Lei.

40 minutes passed ...

The more she heard, the colder her beautiful eyes became, and even gradually condensed into a Blizzard-like chill.

And behind that chill, there was even more heartache.

His heartache for the Thunder valiant beast!

"Daughter-in-law, I don't want to compromise with her, but if this matter is exposed ..."

Mother Lei sighed with a grave expression, her eyes pleading.

"You're the only one I can ask for help from."

Lin Hanxing's long eyelashes fluttered slightly, hiding the complicated emotions in his eyes.

Madam Lei, don't worry. Ah Xiao never really wanted to participate in the Jiangcheng sea bridge project. You can call Mrs. Zhong back later to tell her that you've agreed to this.

Lin Hanxing's voice was cold and dangerous as he spoke.

"But a compromise will only make them push their luck."

That was exactly what Mama Lei was worried about!

“Mother Lei, trust me, let me handle this!”

Ah Xiao must not know about this. She would not let him get hurt again.

It seemed that he had to make some changes to his previous plan.

How dare they have designs on the Lei family ...

Hehe.

.....

Midnight.

When Lei Xiao returned to the bedroom, the lights were already off.

The window curtains swayed gently in the night breeze, and at the same time, a faint scent of Cape Jasmine could be smelled.

Under the light of the wall lamp, Lin Hanxing, who had half his face buried in the pillow, was sleeping quietly.

Lei Xiao walked to the bedside, a bottle of medicinal wine in his hand.

He looked down at the woman who was curled up like a kitten. His cold face was replaced by a bone-deep gentleness, and even his eyes were filled with unspeakable affection.

She was wearing a black nightgown, which was designed to look fresh and girly.

It made her ivory white skin look even more translucent.

It was also because of this that the bruises on his wrists were even clearer.

Lei Xiao carefully lifted her wrist and brought it to his thin lips to kiss her.

“I’m sorry ...”

He sat by the bed, his voice low and magnetic.

She reached out and pushed Lin Hanxing’s hair behind her ear.

Looking at that fair little face, Lei Xiao’s eyes were as focused as he could be.

He poured the medicinal wine on Lin Hanxing’s wrist and gently pushed it with his fingertips. He did not dare to use too much strength and let the medicinal wine seep in again and again. He was silent and serious.

“Don’t be afraid of me because of this.”

Perhaps, he would only dare to say these words after Lin Hanxing had fallen asleep.

“I’m just afraid that you’ll leave me.”

Lei Xiao held her wrist and once again applied the medicine to remove bruises.

It was not until the room was filled with the smell of medicinal ointment that he seemed to be at ease.
He looked at Lin Hanxing's small face and sighed.

?

Chapter 575: Good intentions

After Lei Xiao changed into his pajamas and went to the other side of the bed, Lin Hanxing, who was 'sleeping', rolled into his arms.

"Cold star ..."

The Thunder valiant beast's body tensed up.

Lin Hanxing closed his eyes and did not say a word. He just buried his face in his neck.

"Idiot ..."

After a long time, she mumbled this.

Lei Xiao's hand, which was suspended in mid-air, slowly lowered, and he pulled Lin Hanxing into his arms.

His body relaxed.

His thin lips moved to the space between her eyebrows and he kissed her gently.

"Good night," she said.

.....

In the bedroom on the other side.

Father Lei had just come out of the bathroom.

"He said it all?"

Lei kangnian looked at his stupid wife, who was lying on the bed and watching TV on her iPad, and sighed.

Zhong Nanyin had obviously turned a deaf ear to his words.

She took a piece of tissue from the bed and sobbed.

The iPad was playing the idol drama series that Zhan Nanheng had starred in.

She finally understood why everyone around her who had watched this drama was so infatuated with the person surnamed Zhan. As expected of the National treasure idol of country G. That baby face was simply too charming and adorable!

Just as he was thinking about it, he felt the seat beside him sink.

Before she could raise her head, her chin was already pinched by the man's strong palm and he kissed her ruthlessly.

"What are you doing!" Zhong Nanyin's face turned red.

"Who asked you to cry for another man?"

Lei kangnian glanced at the iPad and felt that the face of that fellow surnamed Zhan was an eyesore.

With a snap, the protective cover was covered.

"There's a sick cat!"

Zhong Nanyin snorted, and as soon as he finished speaking, he was pulled into Lei kangnian's arms.

"Have you told your daughter-in-law everything?"

Lei kangnian touched his wife's ear, his deep eyes were deep in thought.

"Yes, I've told you."

Zhong Nanyin reached out and rubbed her eyes. She had cried so much that her eyes were a little uncomfortable.

"What did my daughter-in-law say?"

"He said to leave it to her."

Lei kangnian sighed and hugged his wife even tighter.

ah Xiao's mood has been fluctuating a lot recently, just like back then. Instead of letting him keep his thoughts to himself, I might as well take this opportunity to tell Hanxing.

It turned out that Mrs. Zhong's call was real, but Zhong Nanyin told Lei kangnian after he hung up.

The two of them came up with a plan and decided to use this opportunity to tell Han Xing about ah Xiao's secrets.

It would also prevent future problems from erupting.

Moreover, they believed that little Hanxing would not change his attitude towards ah Xiao because of these things.

"What should I do? I like my daughter-in-law so much!"

Zhong Nanyin tilted his head and looked at Lei kangnian.

The more she came into contact with Han Xing, the more she regretted not having a daughter back then.

Give birth to a daughter that's like little Hanxing.

"Yinyin ..."

"Ah?"

“Turn off the iPad, don’t peek!”

“Why?”

“I’m jealous!”

What a sick cat!

.....

The next morning.

It was rare for the Thunder valiant beast to wake up late.

When his hand subconsciously touched the bed next to him, the coldness in his hand made him open his eyes abruptly.

The next second, he suddenly stood up!

The bedroom was empty.

“Cold star ...”

Lei Xiao shouted towards the bathroom, but no one answered him.

Frowning, he walked out of the door.

As soon as she went downstairs, she heard Yuan Bao’s voice from the kitchen.

“Auntie, when can we eat?”

Learning from Lin Hanxing, he squatted on the ground. The little sheep dumpling was wearing his raccoon pajamas, his hands supporting his chin.

“I’m going to roast it for nine minutes!”

Yuan Bao fell silent.

“Then, Auntie, when can we eat?”

However, after a few minutes of silence, Yuan Bao asked again, drooling.

“Nine minutes, nine minutes!”

Lin Hanxing tilted his head and answered patiently.

“Then ... First uncle ...”

Yuan Bao was the first to see the Thunder valiant beast!

?

Chapter 576: Bebe pumpkin

Lin Hanxing turned around and saw Lei Xiao standing there like a stick. He immediately laughed.

"Morning." She stood up and walked towards him.

As soon as she got close, she saw his big bare feet stepping on the floor.

"Where are your shoes?" Lin Hanxing blinked.

Lei Xiao curled his toes a little awkwardly. His hair, which had just woken up, was not so submissive.

It made him look more like a big boy at a loss.

"You're going to wear mine?"

Lin Hanxing smiled and kicked the pair of pink slippers that Madam Lei had specially prepared for her to him.

In response to her, Lei Xiao reached over and picked her up, placing her on the wooden chair in front of the counter.

Lei Xiao bent over and put the pink slippers back on her fair feet.

"Father Lei and mother Lei went out for their morning exercise."

Lin Hanxing's thin legs swayed, and a rich aroma came from the oven. Yuan Bao was drooling.

"I've roasted some Bebe pumpkins, do you want some?"

She tilted her head and looked at Lei Xiao, her soft and slightly curled hair falling down.

Thunder valiant lifted his head to look at her.

The morning light poured in through the large wooden French windows behind him and fell on Lin Hanxing.

She raised her wrist and waved it in front of his eyes.

the bruises look much better. The medicinal wine is very effective.

Lei Jing held Lin Hanxing's wrist and touched it carefully. The bruises had indeed faded a lot.

With a ding, nine minutes was up.

Lin Hanxing jumped down from the high chair, put on mittens, and took the pumpkin out of the oven.

The Bebe pumpkin had already been roasted to a soft and fragrant state, and even from far away, one could smell the disgusting smell.

Lin Hanxing used a knife to cut a hole, then used a spoon to scoop out a spoonful of fragrant golden pumpkin meat. She brought it to her mouth and blew on it for a long time. Yuan Bao had already opened his mouth to wait, but Lin Hanxing placed the spoon next to Lei Xiao's mouth.

"Ah!" Lin Hanxing gestured for him to open his mouth.

Yuan Bao looked like he was about to cry. First aunt didn't love him anymore. Sob, sob, sob!

The Thunder valiant beast looked at her, and only opened its mouth stiffly after a long while.

The sweet and sticky taste spread on his taste buds. It was delicious.

But ...

Was it an illusion?

Why did he feel that Hanxing was a little different?

“Delicious?” Lin Hanxing used the spoon to feed him and dug a piece into his mouth.

Seeing Yuan Bao looking at her with resentment, she smiled like a pot of gardenias in full bloom on the window sill, charming and beautiful.

“Don’t be unhappy! I have a gift for you on your bed this morning!”

Upon hearing this, Yuan Bao’s eyes immediately lit up.

She didn’t care about the pumpkin and ran upstairs with her short legs. Soon, there were cheers!

“What did you buy for him?”

Seeing his nephew so happy, Lei Xiao was a little jealous.

“Can you guess?”

Lin Hanxing pulled Lei Xiao upstairs and walked towards their bedroom.

“Is it good?” Lin Hanxing took the clothes out of the dressing room and compared them to his body.

When she was invited by Dr. Zhong to have coffee downstairs at the Lei Corporation, there was a couple’s clothing store across the street.

She had taken a fancy to the one in the display window!

Yesterday, she took the opportunity to buy it and hid it in the cloakroom, waiting to surprise Lei Xiao today.

Lei Xiao’s heart skipped a beat when he saw the couple’s outfit in Lin Hanxing’s hands.

“You don’t like couple outfits?”

Lin Hanxing was a little disappointed when he did not respond. She had taken a fancy to him at first glance.

But she saw Lei Xiao suddenly pull her into his arms, along with her clothes.

“I like it.”

His voice was transmitted to her along with the vibration in her chest.

“I like it very much.”

.....

“What the f * ck? What did I just see?”

Yan Beichen’s eyes widened the moment he entered the villa.

Yuan Bao was wearing a soft sheep’s clothing and a hoodie with two curved goat horns on it. He was as cute as he could be!

As for the Thunder valiant beast and little Hanxing ...

?

Chapter 577: Like a family of three

It was rare for Thunder owl to not be dressed for business.

A loose white knitted sweater with a pair of dark-colored jeans. The bottom of the jeans was rolled up to reveal the inner lining, and he wore a pair of casual white shoes.

His usually neatly combed back hair was also let down easily.

As for Lin Hanxing, she was wearing the same outfit and color, except that her white knitted top was an off-shoulder style. Her seaweed-like soft hair was let down, and her delicate sunken collarbones added color to her beauty.

Moreover, she had specially tied her hair into a half-ball and had the Crystal Star hair clip that Yuan Bao had given her ...

Yan beiming was giving the two of them a lot of likes in his heart!

“Xiao Yanzi, don’t our ah Xiao and daughter-in-law look very good?”

Mother Lei supported her cheeks with her hands and looked at the two of them.

“I’ve never seen ah Xiao dressed so casually since he graduated from University!”

Yan beixiao had to admit that with Lei Xiao’s face alone, even if he did not take the initiative to provoke the young lady, the young lady would continue to throw herself at him!

“What are you doing here?”

oh, by the way, Anthony couldn’t get through to you. There’s a confidential document in the company that needs your signature at the last minute. Go to the company first! Yan beixiao did not want to go through this either. Who would have thought that the workaholic Lei Xiao would have a time when he could not be reached on his phone?

Yuan Bao snorted when he heard this.

Lin Hanxing glanced at his watch. If he did not leave now, he would not be able to reach the school in time.

“Why don’t I bring Yuan Bao over first? Once you’re done, hurry over?”

With Yuan Bao in his arms, Lin Hanxing blinked and looked at Lei Xiao.

As soon as he finished speaking, he heard a few clicks. Mother Lei had already taken a set of photos and sent them to the family group.

[Mama Lei, isn't it cute?]

[Lei Xiaosi: in a family of three, Yuan Bao is the ugliest.]

Lei Xiaosan:

Lei Xiao 'er:

Liang, as above, above, above.

[9.90RMB delivery: Lei Xiaosi, you're the real father of Yuan Bao]

"I'll go over after I sign it."

Lei Xiao threw the car key of the Lamborghini Veneno to Lin Hanxing.

"I know, just be early!"

.....

Lin Hanxing arrived at school before 8:30.

However, when she arrived at school, she found out that the parent-child meeting would start at nine O'clock.

However, there were also benefits to being early. At least, they didn't have to rush to find a parking space.

After locking the car door, Lin Hanxing held Yuan Bao's hand and walked in.

Yuan Bao's sheep's clothing was just too cute, especially the two little sheep's horns after he put on the hat. Anyone who saw them couldn't help but exclaim in surprise, not to mention that he was jumping around happily.

"Auntie, Auntie, uncle won't be late, will he?"

Yuan Bao raised his head and asked in a soft and cute voice.

"Yes, ah Xiao has a good sense of time, he won't be late!"

Lin Hanxing lowered his head to look at Yuan Bao, but in his mind, he could not help but recall what mother Lei had told him about ah Xiao last night ...

Her heart ached, but she couldn't show any difference in front of that man.

Yuan Bao was obviously very happy to hear this and pulled her towards the teaching building.

However, just as he walked to the corridor outside the classroom, he heard the sound of a little girl sobbing.

"I didn't do it on purpose ... Wuwuwu ..."

At the door of the classroom, a four or five-year-old girl in a pink dress was lying on the ground, crying softly. In front of her were two aggressive little girls with braids. One of them even had the same shirt as the girl on the ground.

"Damn it!"

Yuan Bao snorted, and before Lin Hanxing could say anything, he had already run over!

"What are you guys doing?"

?

Chapter 578: I'm sorry, I didn't understand

"Lei Yanchen, go away!"

The girl who spoke had her hands on her waist, like a teapot.

However, what Lin Hanxing noticed was the little girl beside her who was wearing the same clothes as her. She had slightly curly Princess-like hair and wore a crown hairband. When she saw Yuan Bao, her eyes lit up, and it was obvious that she liked him very much.

However, Yuan Bao did not even spare her a glance. He turned around and helped the little girl up.

"Are you alright?"

Yuan Bao's fair and delicate face was filled with seriousness as he helped her pat the dust off her skirt.

"Who asked this ugly woman to wear the same clothes as my sister to school? she did it on purpose!"

As he spoke, he picked up the small plastic bucket beside him and was about to splash it at Yuan Bao and the little girl!

In a flash, Lin Hanxing stepped forward and pulled the two of them into his arms, then dodged to the side!

With a loud splash, the dirty water was splashed all over the corridor!

"First aunt!"

Yuan Bao's eyes widened.

The young lady who was beaten up widened her bloodshot eyes and looked up at Lin Hanxing in a daze.

The noise in the corridor finally caught the attention of the parents and teachers in the classroom.

The teacher was the first to run out.

are you ... Student Lei Yanchen's mother? "

Lin Hanxing did not say anything, he just put the two children down.

“Minmin, Duoduo, are you guys okay?”

A woman dressed like a rich lady ran out in a hurry. After seeing that her child was fine, she heaved a sigh of relief. Then, she raised her head and suddenly spoke sharply with an arrogant and mean expression.

our children are standing here. Who told you to provoke them? ”

Lin Hanxing laughed when he heard this.

The parents and teachers didn’t even come out to take a look at the commotion just now, and now they were blaming her for provoking them?

“I’m sorry, I don’t understand!”

Lin Hanxing’s smile was so sweet that even his deep dimples appeared.

Not to mention that she was dressed in a youthful style today, which was really dazzling.

“You don’t understand? I’m just telling you and your dirty children to stay away from my daughters!”

The lady walked in front of Lin Hanxing in her high heels, her eyes filled with unconcealed disdain.

Although she was beautiful, the clothes she was wearing were not well-known brands. They were probably not even enough to buy a pair of shoes. As the representative of the parent committee, she looked down on her.

“You’re the one who should stay away from my first aunt!”

Yuan Bao ran between the two of them and growled at the lady.

teacher, I’ve been investing in our school all year round. I’m not here to let my daughter suffer!

The lady didn’t even look at the little sheep ball that was much shorter than her. She looked as if she could order her around as she pleased.

“Minmin, Duoduo, mom, you see ...”

“Mom, she’s wearing the same clothes as sister. Ask her to take them off!”

The little girl called Duoduo tugged at the lady’s dress and stared at the little girl hiding behind Lin Hanxing.

The lady glanced at it.

teacher, you heard what my daughter said. I’ll give her 500 yuan, and you can help her find another dress to change into!

The lady said as she took out her wallet from her bag. Sure enough, she took out 500 yuan from it!

He threw it at the little girl!

“I’m not taking it off!” The little girl said timidly, subconsciously grabbing Lin Hanxing’s hand.

Lin Hanxing felt a soft hand holding her. She slowly lowered her head and looked at the little girl whose eyes were filled with tears. She was looking at her as if she was begging for help. Her long eyelashes fluttered. She was as pitiful as she could be!

Chapter 579: Can you say it again?

“Ugly freak! Take it off! Hurry up and take it off!”

Toto was wailing at the top of his lungs. It was as if the corridor would collapse if a little girl did not take off her clothes.

“Alright, alright, alright, let’s make her take it off! Teacher, what are you still waiting for?”

The lady coaxed her daughter and then impatiently urged the teacher.

The teacher pursed her lips, obviously thinking that the lady was going too far, and was unwilling to respond.

However, due to the other party’s identity, he was in a dilemma.

Seeing that the teacher was not moving, Toto ran over and kicked him!

As the parent-child meeting had not started yet, many parents came out of the classroom to watch the commotion when they heard the commotion outside.

They were all pointing at each other.

“Ugly monster, ugly ...”

The child’s high-pitched voice, which gave people a headache, suddenly stopped as if someone was stuck in his throat.

The pampered arrogance on his face turned into fear!

The crowd didn’t know what was going on and followed her gaze ...

The pretty, sweet, and charming little girl with her hair in a half-bun was looking at him quietly with a smile. The small dimples at the corner of her lips made people want to poke them, but it was the opposite of her eyes!

His cold eyes were completely different from his smile. They were bone-piercing and cold.

Not to mention children, even adults couldn’t help but be frightened when they saw it.

For a moment, no one in the corridor outside the classroom spoke.

The lady was furious when she saw her daughter being frightened.

“Do you know who I am? Do you know the consequences of angering me? Do you think I won’t make you and your son scam with a phone call?” The lady opened fire furiously like a machine gun.

“Teacher! Call the security to get them out!”

Compared to the lady’s unreasonable behavior, Lin Hanxing was much calmer.

He just waved at Yuan Bao.

The soft and cute little sheep ball ran back to her and looked up.

“First aunt ...”

In Yuan Bao’s eyes, there was nothing that first aunt could not do.

That was why he had never been afraid from the beginning!

The situation was obviously not as simple as the children’s squabbling at the beginning. Seeing more and more parents peeking out in the corridor and more and more discussions, the teacher was obviously hesitating about whether to call the principal.

But today, the principal had a very important guest to receive.

Lin Hanxing held Yuan Bao’s small hand and slowly placed it over the little girl’s eyes.

“Stay here and be good.”

Lin Hanxing’s voice softened on purpose. Compared to the lady on the other side, it was clear who was more popular.

“En!” Yuan Bao obediently covered the little girl’s eyes, the two little goat horns on his head quivering!

“Aunt Yanchen, calm down!”

There were some things that the teacher couldn’t say in front of so many people, so he could only reach out to stop Lin Hanxing, afraid that she would be at a disadvantage.

Lin Hanxing smiled at the teacher.

Without waiting for the other party to say a second word, he had already bypassed her.

The teacher was dumbfounded.

Her smile ...

“If you provoke me, you’re dead! When you leave this school, I’ll definitely let you have a taste of my own medicine ...”

The lady was still pointing in Lin Hanxing’s direction.

His face was full of arrogance and contempt.

Lin Hanxing picked up the mop from the corner and weighed it in his hand. His movements were elegant and natural. He did not look rude at all. Instead, he looked frank and honest.

A muffled crack was heard.

Lin Hanxing lifted his leg and broke the mop handle that was as thick as two fingers!

Just a moment!

Lin Hanxing was still smiling as he held the half of the mop in his hand.

"I'm sorry, what did you just say? Can you repeat that?"

Chapter 580: Call my husband over

Who dared to speak?

Even the lady who had pointed at Lin Hanxing earlier was looking at her in shock!

Lin Hanxing asked innocently, but the look in his eyes did not match his tone.

The corridor was silent.

Even the parents who were peeking out from other classrooms swallowed their saliva subconsciously.

Lin Hanxing propped the mophead on the ground, his movements casual.

"You ..."

After a brief moment of fear, the lady felt that she had lost face and became even more furious.

"Come, apologize."

Lin Hanxing raised his chin at na duo, his dark eyes threatening.

It scared the noisy brat so much that he shrank back to his mother's side as if his tongue had been cut off, not daring to move.

apologize to the teacher and that young lady.

The smile on Lin Hanxing's face gradually disappeared, and his delicate and quick-witted little face instantly sent a chill down one's spine.

Even adults couldn't stand that majestic aura, let alone a child!

Duoduo was so frightened that he burst into tears!

"Just you wait! I'll call my husband! You're dead!"

The lady trembled as she took out her phone and made a call.

Wanwan heard that her husband was in the coal business and had connections with the black market ...

Yingluo was right. She seemed to have even bragged about how her husband was very close to young master Lei!

I'm afraid Qingqing is in trouble.

As soon as the call connected, the lady started crying.

someone is bullying me and your daughter. Bring your men here immediately!

“Yes, there’s only one woman. Come over immediately! I don’t care! I don’t want her to be able to leave this door!”

Those threatening words scared the hell out of them, and they broke out in cold sweat for Lin Hanxing.

As soon as she finished speaking, the lady felt her phone being taken away by a pair of cold hands.

The loudspeaker was turned on.

“Fuck! Tell that B * tch to wait and see! I’ll immediately get someone to bring our brothers over!”

“Okay, I’ll wait at the school.”

Lin Hanxing’s clear and cold voice quickly reached the other party’s ears through the receiver. Before the other party could curse, Lin Hanxing had already hung up the phone and casually threw the lady’s phone down the stairs.

A crisp sound came from downstairs.

The phone was smashed into pieces.

you asked me if I knew who you were just now. Now, I’ll ask you in return. Do you know who that child is? ”

Lin Hanxing pointed at Yuan Bao.

Yuan Bao shielded the little girl behind him and snorted, raising his little chin!

The lady’s heart skipped a beat when she heard this.

She had asked the teacher before, and the teacher said that he was just a child from an ordinary family, so she didn’t take it to heart.

“Who cares! I’m telling you! My husband knows some of his brothers. Have you heard of the black market? Also, my husband has been working with the Lei group for years. Let’s see if you can afford to offend him!”

Lin Hanxing feigned a frightened expression, but in the next moment, he sneered.

“Alright, I also want to see if I can afford to offend them!”

She took out her phone and subconsciously wanted to call Bai Xi for help, but she hung up the moment she dialed.

His fingers paused for two seconds.

He then dialed Lei Xiao’s number.

.....

Lei Corporation.

The moment the Thunder valiant beast appeared today, the jaws of everyone in the secretary's office dropped!

This young and casual outfit matched his face, and it simply caused a 120000-point critical blow to the woman's heart!

"Heavens! Have you seen President Lei?"

The group of people in the secretary's office gathered together and whispered.

All of them were blushing and their hearts were beating fast.

In the president's office.

"I feel like I've fallen out of favor."
