

Goodnight 591

Chapter 591: I still have to thank you properly

It was as if Lei Xiao did not hear their conversation. His handsome face, which was enough to mesmerize everyone, was expressionless as he continued to help Lin Hanxing pick up the food.

“Back then, Lei Xiaoliang, Yan beiming, and Liang ran were known as the third young master of Capital University.”

Lin Hanxing subconsciously looked at Lei Xiao. He did not expect him to have such a history.

“Among these three, Lei Xiao’s personality is the coldest and most unapproachable.”

especially those eyes. They’re so cold that they look like they’re carved out of ice.

He was cold and pure, and his entire person exuded a powerful aura that kept strangers away!

“The first time I met him, he was also like this.”

Back on the cruise ship, his simple words and gaze were filled with extreme coldness ...

And supreme authority!

Lin Hanxing’s words caused Lei Xiao’s chopsticks to stop moving.

She felt wronged in her heart.

He was clearly looking at her so passionately, and the blood in his body seemed to be boiling ...

he’s most famous for being cold and cruel. There was a junior who attempted suicide because of him, but he’s famous not for the incident itself, but for ah Xiao’s attitude.

Yue Guanqian looked at Lei Xiao, obviously with a hint of teasing.

it wasn’t easy for the Dean to bring him to the roof, but the girl threatened him that if he didn’t agree to be with her, she would jump down ...

Upon hearing this, Lei Xiao walked to the edge of the roof and looked down. Then, he coldly repeated the result of the fall he had seen with his eyes, saying that if she did not fall to her death, she would be bedridden for the rest of her life.

ah Xiao even told her that whether she died or not, he only got rid of a problem. When she heard that, the junior burst into tears and refused to jump.

After hearing this, Lin Hanxing did not doubt his words at all, because Lei Xiao was indeed someone who would do such a thing.

“She just wanted to threaten me with her death.”

The Thunder valiant beast said in a low voice.

What he hated the most in his life was being threatened.

She didn't even treasure her own life, so why should others care about it?

It just so happens that this kind of Lei Xiao is still a legend in the mouths of the younger brothers and sisters at Jing University. It's a pity that he gave up his major and came back to be a businessman ...

Speaking of this matter, Yue Guanqian clearly still felt that it was a pity.

Even though Lei Xiao had led the Lei group to expand its business scope by several times, even though the Lei group's industrial chain was spread all over the world, even though the Lei group's could be seen in any country, even though people used such words to describe the Lei group led by Lei Xiao ...

Wherever the Lei Corporation was, the economic center of the world would be there!

However, Yue Guanqian still felt that this was a waste of talent!

In his opinion, Lei Xiao's talent and strength should be used by the country, not to become a merchant!

Yue Guanqian's tone was filled with unconcealable melancholy.

"However, I still have to thank you properly for the matter of the bronze statues with the Tiger head and pig head."

Five years ago, due to an emergency and the fact that it was not convenient to save the National treasure in the name of the country, when the higher-ups called for an emergency meeting, the first person Yue Guanqian thought of was Lei Xiao. During the meeting, he immediately called his disciple.

At that time, Lei Xiao was in Paris at midnight. When he heard his request, Lei Xiao immediately sent the Lei group's representative in Hong Kong to the auction site to rescue the National treasure, and said that he would do it at all costs.

In the end, the Lei Corporation won the Tiger and Pig heads for 42 million Hong Kong dollars, while the X Corporation won the monkey and bull heads for 40 million Hong Kong dollars. The two companies jointly gifted the four bronze statues to the National Museum.

"It's a pity that the president of X group is too mysterious ..."

?

Chapter 592: No one has seen it before

At the mention of this, Yue Guanqian sighed.

Even though it had caused such a sensation five years ago, it had not been widely publicized. After appointing a special person to jointly present the four bronze statues to the National Museum with the Lei group, the X group had not mentioned the matter in public again.

Not even once!

Similarly, the Lei Corporation led by Lei Xiao kept a low profile. If it wasn't for the fact that the local media had been following up on this matter from time to time, no one would have known how shocking the entire process was!

Five years ago, when the news that the Sotheby's and gashide auction houses in Hong Kong were going to auction precious cultural relics spread, it immediately attracted the attention of the people. The state Administration of cultural relics officially asked the two auction houses to stop the auction immediately. At the same time, the people of Hong Kong expressed strong protests.

However, the two auction houses turned a blind eye to this and decided to hold the auction as scheduled.

In just a few days, everyone's heart was moved by this batch of twelve zodiac bronze heads.

Once the news of the Lei group and X group working together to bid for the four bronze heads at an astronomical price spread back to China, one could imagine the commotion it caused.

If the two groups had struck while the iron was hot and promoted it, the effect would have been unprecedented.

However, these two groups were both more low-key than the other.

Lei Xiao and the mysterious helmsman of the X group both declined interviews and promotions from major media outlets at the same time, as well as tactfully declined the awards and rewards from the higher-ups. The reasons given by both parties were very simple ...

The Xuanji national treasure belonged to all the people of China, and the group's move was entirely out of patriotism.

even the higher-ups have not seen the person from X group.

Yue Guanqian said in a deep voice, but there was one thing that he did not say.

A year after the incident, during a break in a group meeting, the person in charge of the museum mentioned this matter.

It turned out that he had once strongly requested to thank the person in charge of the X group on behalf of the country. Of course, this was also the intention of the higher-ups.

After the call went through ...

Until now, Yue Guanqian was still skeptical about what the person in charge of the museum had said.

He said. After the call was connected, it was an extremely cold woman's voice.

Moreover, he was very young!

Upon hearing this, everyone joked that they didn't believe him. Only the person in charge of the museum explained himself very seriously.

However, this matter was truly inconceivable.

The mysterious leader of the X group, who had never shown her face, was actually a young woman?

Just thinking about it, one could even treat it as a joke.

Lin Hanxing picked up the glass of water in front of him, a faint dark light flashing in his eyes.

I heard that X group has announced their interest in the Jiangcheng sea bridge project? ”

Yue Guanqian raised his eyebrows and looked at Lei Xiao.

In recent years, the X group’s businesses were mostly overseas.

This time, he only chose Jiang city, what was the deeper meaning behind it?

“Yes.”

Lei Xiao was unmoved. X group’s way of doing things this time was indeed a little unusual.

Yue Guanqian took a sip of water and looked at the side of Lin Hanxing’s face. He didn’t know what Lin Hanxing was thinking about and thought that the topic was too boring.

“Um, little girl, can I ask you a question?”

Yue Guanqian changed the topic without a trace.

“Are you an adult yet?”

Lin Hanxing had just put down his cup, and when he heard Yue Guanqian’s question, he couldn’t help but widen his eyes.

The Thunder valiant beast’s expression suddenly turned helpless.

Her master was here again.

why do I feel like ah Xiao is forcing you to be with him? ”

“.....”

Was he that bad?

?

Chapter 593: reckless

Lin Hanxing’s long, black, curly eyelashes fluttered. Looking at Yue Guanqian’s serious expression, he could not help but laugh.

She finally knew why she had suddenly looked so helpless at the children’s meeting.

“I’m six years younger than him.”

Lin Hanxing smiled and gestured a two with his finger, then a five.

... this time, it was Yue Guanqian who was surprised.

People would believe her if she said she was 15 years old.

Lei Xiao scooted over to Lin Hanxing and placed his hand on her shoulder as if he was declaring his ownership.

Yuan Bao peeled a shrimp for little grape and put it in her mouth.

Then, she rolled her eyes at her uncle.

She mumbled softly.

Old cow eating young grass!

It was obvious that in Yuan Dabao's eyes, Lei Xiao, who had reached the age of 30 a year ago, was already an old bull.

"What do you mean by" old cow eating young grass "?"

Little grape heard him and repeated with wide eyes.

"....."

"....."

"....."

Looking at his uncle's 'friendly' gaze, Yuan Bao decided to pretend that he did not see it.

He didn't see anything, he didn't see anything!

Lin Hanxing pursed his lips into a smile, then ladled a bowl of soup for Lei Xiao and placed it in front of him.

"Drink up, old bull."

Lei min looked at her expressionlessly, his eyes full of grievance.

Suddenly, the door was knocked open from the outside.

Lin Hanxing subconsciously moved to protect the two children.

His cold eyes were like a knife as he looked at the man who knelt down at the table.

As it was a family dinner, Yue Guanqian did not let his guards follow.

He actually let the other party in.

"President Lei, please let me live!"

It was actually father Xiong!

At this moment, his face was pale, and there was no trace of his previous arrogance.

As soon as he left the school, father Xiong received a call from the company's manager. The Lei group had cut off all cooperation relations related to him, and the news of him offending old Yue and young master Lei quickly spread throughout the Jiang City Circle.

In a short period of time, his company's stock price had plummeted like an avalanche!

After the Lei Corporation, many other companies also canceled their orders and supply of raw materials. Father Xiong never thought that in the blink of an eye, he would go bankrupt?

"Shut up," he said. The Thunder valiant beast's face darkened.

The hostile aura around him gathered in an instant, but the reaction was not as strong, perhaps because Yuan Bao and little grape were there.

However, he didn't know what was good for him.

It was obviously very suitable to describe the current father bear.

Lei Xiao didn't even look at the other party. He just called someone and very quickly, someone came in and carried the wailing father bear out, even if he didn't want to leave ...

From the beginning to the end, Lei Xiao's expression was very indifferent.

"He's so vicious, aren't you afraid of scaring the girl?"

Yue Guanqian said in a deep voice. He had seen Lin Hanxing's actions when the person barged in.

The Thunder valiant beast's eyes narrowed.

Lin Hanxing, on the other hand, raised his hand to cover his head and rubbed it.

"Be good, don't be angry."

... just as Yue Guanqian thought that Lei Xiao would break her hand, he only glanced at her, then picked up the bowl of soup in front of him and quietly drank the 'old cow soup'!

Yue Guanqian could not help but laugh.

The relationship between a man and a woman was indeed one thing subduing another.

No one would have thought that the Thunder valiant beast would fall into the hands of this harmless-looking little rabbit!

He even allowed her to act wildly on his head.

If Yan beiming was here to see what Yue Guanqian was thinking, he would definitely scoff.

Little cold star and harmless little white rabbit?

Don't joke around!

Only the heavens knew that little Hanxing was an even more terrifying existence than ah Xiao!

?

Chapter 594: What are you doing?

They left the restaurant.

Yue Guanqian's chauffeur was already waiting at the entrance to pick up the grandfather and grandson.

Lei Xiao went to drive the car.

"You like little grape, don't you?"

Lin Hanxing was holding Yuan Bao's little sheep hoof, and he couldn't help but ask when he saw Yuan Bao's reluctant expression.

"No way! I don't like that idiot!"

Yuan Bao's eyes widened, and he covered his face with his little hooves.

His expression was as cute as his uncle's when he was arrogant.

"Why isn't Big Uncle here yet?"

Yuan Bao childishly changed the topic, pretending not to notice Lin Hanxing's teasing gaze.

Lin Hanxing looked in the direction of the parking lot.

Indeed, the Thunder valiant never took such a long time.

"Let's go and find him!"

Lin Hanxing held Yuan Bao's hand and walked towards the parking lot.

Not far away, she saw the Lamborghini Veneno's window half-rolled down, and Lei Xiao was looking at the rearview mirror without moving.

"Uncle, what are you doing?"

Yuan Bao could not help but shiver.

Was his uncle possessed?

Lin Hanxing pursed his lips to stop himself from laughing.

From her point of view, Thunder Valiant's movements were clear.

He was looking at himself in the rearview mirror ...

He walked over, bent down, and knocked on the window, making a crisp knocking sound.

Yuan Bao opened the car door and climbed in.

"What are you doing?"

Lin Hanxing leaned against the window of the car, which was completely submerged in the car, and looked at the expressionless Lei Xiao.

There was a flash of panic in his eyes.

"Do I get too serious sometimes?"

Otherwise, how could master have mistakenly thought that he had forced Hanxing?

In fact, he was not the only one who had misunderstood. At the beginning, even his parents had secretly asked him about it.

To sum it up in Yan beiming's words ...

It was just that he was too serious, and his character was cold and strong, so it was inevitable that people would have such an illusion.

"Uncle, it's not just sometimes, it's all the time!"

Yuan Bao could not help but interrupt.

When uncle wasn't smiling, he was simply too terrifying!

Lin Hanxing originally thought that Lei Xiao was joking, but when he saw the serious look on his face, he was helpless.

"Show me a smile."

Lin Hanxing pinched Lei Xiao's firm chin.

After hesitating for a moment, Lei Xiao gave her a stiff smile.

"....."

"....."

Yuan Bao could not help but shiver.

It was better for first uncle to maintain his cold and aloof appearance. When he smiled, it was terrifying.

Seeing Yuan Bao's reaction, Lei Xiao was a little discouraged.

He had been in a high position for too long.

Lin Hanxing rubbed his rough skin with his fingers, leaned forward, and kissed his thin lips.

Thunder owl was stunned.

The large palm accurately covered Yuan Bao's round black eyes.

"Our ah Xiao is so cute."

Lin Hanxing covered his cold face with his hands, not missing the surprise that flashed past Lei min's eyes.

"I really like it!"

She didn't expect that he had been minding the words at the table.

She even ran to the car and secretly practiced to make herself look less serious.

When he heard Lin Hanxing say that he liked it, Lei Xiao's heart beat chaotically.

Lin Hanxing, on the other hand, went to the other side of the car and put on his seat belt.

I'll be home later. Take me to the hospital first.

It was about time for her appointment with young master Lu. Since she was free today, she could go and check on the results in the afternoon.

Lei Xiao hummed and started the car.

by the way, the Lei group can call a halt to the Jiangcheng sea bridge project one day before the bidding competition.

Lin Hanxing's voice returned to its usual coldness, and even his eyes were filled with amusement.

"I know."

In fact, Lei Xiao would not really participate in the competition this time, and only officially announced that the time was to be determined.

Since Han Xing said so, he already knew what to do.

?

Chapter 595: You can't get it

At the Affiliated Hospital of Jiangcheng Medical University.

The sunlight poured in from the large floor-to-ceiling windows in the corridor and fell on the cold marble floor.

Lin Hanxing stepped on the light and arrived at the door of Lu bingde's ward.

He pushed the door open and entered.

This time, there was no deafening music, no unpleasant smell, and the ground was clean without any garbage.

It was rare to see Master Lu sitting on the bed with a serious expression on his face.

When he saw Lin Hanxing appear, the handsome man's face twisted.

Lin Hanxing, on the other hand, walked to the floor-to-ceiling window and sat down lazily on the sofa.

"It seems that you've calmed down quite a bit."

Her eyes were indifferent, and even her voice did not fluctuate much.

However, to Lu bingde's ears, it sounded like a threat. He subconsciously swallowed his saliva.

Although Lin Hanxing didn't show up these two days, Bai Xi had been sending her messages every day. After the initial depression, Lu bingde finally had some energy.

This was the effect Lin Hanxing wanted.

Lu bingde snorted arrogantly, but he didn't dare to go too far.

"A week has passed. You should know why I'm here."

Lin Hanxing said faintly, his fair fingers casually fiddling with the white roses in the vase.

At the mention of this, Lu Bingde's face finally revealed a proud smile.

"Have you prepared the five million?"

His two heavy arms that were still in a cast waved excitedly. Just now, by speculating in the stock market, his capital of 2.5 million had rolled to 5.7 million. He had exceeded his task!

"Can I ask you a question?"

Lin Hanxing didn't answer but asked instead, as if he didn't see Lu Bingde's proud and bright eyes.

"You ask!"

Lu Bingde was immersed in the joy of success. This was the first time he had accomplished something on his own since he became an adult.

This made him feel that he wasn't so useless!

He wasn't a fool. He could feel that he had been gradually excluded from the mainstream circle for the past two years. Although he had been sad, disappointed, and embarrassed, he quickly regained his spirit.

If this place doesn't keep me, there will be a place for me!

If we can't get into the high-end circle, we'll just play with the lower-end circle!

What's so great about this!

On the contrary, he was really happy for his cousin, Lu Jiashu, who was doing well in the circle.

if one day, your grandfather gives the Lu family to you ...

"Hehe, who cares!"

Lu Bingde's face darkened immediately. Old master Lu was obviously a topic he didn't want to talk about.

"I'd rather pick up trash on the streets than take over the Lu family's work!"

The more he spoke, the more frustrated he became. Lu Bingde turned the computer screen to Lin Hanxing and pointed at it with his hand that was still in a cast.

"Did you see that! I've earned 5.7 million with my own strength! Don't go back on your five million!"

When she said this, her unhappiness at the mention of old master Lu was swept away, and she was gloating!

"I always mean what I say."

Lin Hanxing looked at Lu Bingde calmly.

unfortunately, you won't be able to get my five million.

As soon as she finished speaking, Lu Bingde got anxious. He jumped up from the bed and came to her barefooted.

"On what basis! You don't keep your word!"

No matter how you looked at it, that pair of dark eyes was full of grievance, and one could not help but think of a dog.

"Because you broke the rules first."

Lin Hanxing smiled. He wasn't angry at Lu Bingde for making a scene in front of him.

"When ... When did I violate the rules?"

Before he could say anything, he was scared back by Lin Hanxing's indifferent gaze!

?

Chapter 596: Re-examining his position

Lin Hanxing smiled and looked at him without saying a word.

Being stared at by this pair of eyes that seemed to be able to see through everything, Lu Bingde felt more and more guilty and cold.

I admit that I did ask my brother which stocks can earn me money quickly, but I definitely didn't rely on the Lu family or take loans. I didn't break the rules! Lu Bingde admitted that he had taken some shortcuts in the operation, but this had nothing to do with the Lu family!

"How many times have you been in the stock market?"

Lin Hanxing's fingers gently caressed the White Rose petals, smelling the quiet fragrance and speaking in a cold voice.

"It's my first time! I really thought it would be as simple as speculating in the stock market!"

As Lu Bingde spoke, he lifted a chair with his leg and sat down in front of Lin Hanxing.

I've seen some people jump off a building after going bankrupt on the news. I really don't understand!

The warm sunlight shone on his face, and his handsome features were full of pride.

Lu Bingde, ask yourself honestly. Do you think that's possible with your abilities? "

Lin Hanxing's words did not contain any sarcasm.

She asked the man in front of her in a calm and serious tone.

"What do you mean? You're looking down on me?"

The smile on Lu Bingde's face froze.

Although Lin Hanxing didn't give him face every time, she saved him from fire and water time and time again. Lu bingde had already treated her as one of his own from the bottom of his heart, and it was also because of this ...

When he felt that Lin Hanxing was looking down on him, he was so angry that his face instantly turned red!

"I'm not looking down on you."

I just hope that you'll answer me honestly!

Lin Hanxing sighed. Perhaps it was because those puppy-like eyes reminded her of Lei Xiao, and her tone softened.

Lu bingde's thin lips opened and closed a few times, but he didn't say anything.

He wanted to say with confidence that nothing was impossible!

Perhaps he was a genius.

However, his rationality stopped him from saying such childish words in front of Lin Hanxing.

Lu bingde was well aware of his own abilities. It was also because of this that he was afraid of taking the first step. He was also afraid that he would be laughed at even more if he failed. He would rather hide in his comfortable snail shell than to poke his head out!

In any case, Jiashu would give him a bonus every month, so it was fine as long as he had enough to spend!

"Impossible."

After a long time, Lu bingde finally said these three words.

someone has already informed your grandfather about the information you've gathered. On account of your grandfather's relationship with the Lu family, they've told you the inside information. There's also someone behind the scenes to help you manage the entire process.

Lin Hanxing's long eyelashes fluttered as if he didn't see Lu bingde's shocked expression after knowing the truth.

just when you thought that you didn't need to use the Lu family's connections, in reality, you were already enjoying the convenience that the Lu family brought you.

Lin Hanxing's lips slowly curved up, and Lu bingde could hear the sarcasm in his tone.

so, young master Lu, you've lost the bet between the two of us.

Lu bingde slumped into his chair and looked at her with a blank expression. He didn't expect that such a simple bet would have hidden such things. Thinking of the Lu family and old master Lu, he subconsciously wanted to get angry!

However, when he met Lin Hanxing's eyes again, her calm and surprisingly forgiving gaze made his boiling anger slowly calm down, until he could no longer find her.

“I ...”

“I hope you can reevaluate your position.”

As Lin Hanxing spoke, his fingers tapped on the armrest of the sofa rhythmically.

?

Chapter 597: Inseparable from the Lu family

Lu bingde was stunned.

you’re old master Lu’s eldest grandson. In the eyes of outsiders, whether your words and actions are appropriate or absurd, you still represent the Lu family. Lin Hanxing’s eyes were like a painting, and his gaze was clear as he spoke faintly.

I don’t want to have anything to do with the Lu family. If possible, I’d rather not have the Lu family name!

Lu bingde’s eyes turned red as he thought of something, but he still stubbornly refused to lose his composure in front of Lin Hanxing.

Lin Hanxing suddenly laughed.

His smile was full of sarcasm, and he didn’t try to hide it at all. He wanted Lu bingde to see it clearly!

Lu bingde, the blood that flows in your bones is the blood of the Lu family!

the dividends you use every month are dividends from the Lu Corporation!

“If you go out and cause trouble, it’ll be the Lu family’s loss of face!”

“Even if you die one day, the first name on your tombstone will still be Lu!”

Lu bingde was forced to retreat by Lin Hanxing.

In the past, he had never thought about these things. Being called ‘young master’ by others had made him dizzy.

“Lu bingde, you and the Lu family can not be separated.”

Lin Hanxing’s voice was cold, as if he wanted Lu bingde to see him clearly.

Lu bingde sat on the chair, paralyzed. His expression was blank and his eyes were red, like a helpless child.

“He was the one who caused my mother’s death!”

After a long time, his thin lips trembled as he said this.

Hearing this, Lin Hanxing’s long eyelashes fluttered. Having heard everything from old master Lu, she naturally understood ...

"If he didn't vent his anger on my mother, my mother wouldn't have pulled out her Respirator and died!"

Lu bingde roared at Lin Hanxing.

It was as if he wanted to vent all his dissatisfaction with old master Lu.

Lin Hanxing didn't say anything for a long time. He just looked at Lu bingde calmly.

don't forget, when you lost your parents, he lost his son and daughter-in-law as well.

"I know! I know!"

Lu bingde stood up abruptly, as if he was about to lose control of his emotions.

"But I don't know who else to blame!"

Tears poured out of his eyes, making the 27-year-old man cry like a lost child.

Lu bingde's arms were still in thick casts, and he couldn't even wipe his tears.

Lin Hanxing suddenly understood. This was the real reason why Lu bingde had been so dispirited all these years!

Because the person Lu bingde really blamed wasn't old master Lu, but himself.

Perhaps, in his opinion, if he had not suddenly had a high fever that year, his parents would not have met with an accident on the way to the hospital.

Lin Hanxing sighed in his heart.

She didn't expect that Lu bingde, who had always been a silly and sweet person in her eyes, would actually hide such thoughts.

"I won't say anything about what's done, I won't admonish what's done, and I won't blame the past."

Lin Hanxing placed his hand on his shoulder.

He spoke softly.

Lu bingde's handsome face was covered in snot and tears, and he was sobbing.

"What do you mean ..."

"....."

Lin Hanxing was silent for a moment. She had overestimated his intelligence.

"It means that since the matter has already been decided, there's no need to talk about it. There's no need to pursue the gains and losses and responsibility of the past." She had met Lu bingde a few times, and he had changed her impression of him time and time again.

Lin Hanxing did not mind spending more time explaining to people who were kind-hearted.

Lu bingde continued to sob, as if he didn't expect Lin Hanxing to say this to him.

Her tears could not stop flowing.

She struggled to lift her plaster hands and hugged Lin Hanxing in her arms, crying.

The next second, Lin Hanxing's hand was on top of his head.

"Think about how your hand was broken!"

Lu bingde shivered instantly and was so scared that he almost wet his pants!

?

Chapter 598: Think carefully

"I hope you'll think about what I said just now."

Lin Hanxing moved his hand away from his forehead and his voice became calm and cold again.

"If you still can't figure it out, you should ask yourself ..."

She stood up slowly. In Lu bingde's eyes, her lazy yet elegant posture was no different from a fairy.

"Are you willing to spend the rest of your life in a muddled state?"

Lin Hanxing gave him a sidelong glance.

This question was very direct and sharp.

"I've thought about it. Ask Bai Xi to call me."

.....

After Lin Hanxing came out of Lu bingde's ward, he saw Bai Xi standing against the wall.

miss Jiu! Bai Xi greeted her respectfully.

Lin Hanxing looked at her and smiled. He pointed at the elevator and asked her to follow him.

It was obvious that Lin Hanxing did not plan to leave the hospital immediately.

Inside the elevator.

Bai Xi looked at Lin Hanxing several times.

"If you have something to say, just say it."

Suddenly, Lin Hanxing spoke in a deep voice. His voice was neither warm nor cold, and it was impossible to tell whether he was happy or angry.

"Ninth young lady, although Lu bingde is famous for being a wastrel, he's not a bad person."

Lin Hanxing raised his head and looked at Bai Xi.

With a ding, the elevator doors slowly opened.

Lin Hanxing smiled but did not say anything.

He walked out of the elevator.

Bai Xi heaved a sigh of relief and followed behind her.

Although miss Jiu looked younger than him, her aura and the way she did things made him shiver even if he just looked at her without saying anything.

Lin Hanxing was heading to Yuan SuSu's ward.

The number of bodyguards at the door of the ward had increased from two to six, which showed how much Cheng Lingyun feared Lin Hanxing.

ever since that day, Yuan susu seemed to have woken up and started to cooperate with the treatment.

Bai Xi reported to Lin Hanxing seriously.

"But ..."

"Cheng Lingyun doesn't want her to get better."

Lin Hanxing replied coldly. Bai Xi was slightly surprised and nodded.

Cheng Lingyun asked someone to add an suppressant into Yuan SuSu's medicine. Although the dosage wasn't large ...

Lin Hanxing sneered coldly.

Cheng Lingyun had really put in a lot of effort for such underhanded means.

Yuan susu had taken the initiative to cooperate with the treatment because she knew that she would only lose more if she continued to do this.

And it was understandable that Cheng Lingyun didn't want her to get better ...

She was a selfish person, and Yuan susu knew too many things. Her wealth and status couldn't be affected at all!

in addition, Cheng Lingyun has been visiting the hospital frequently recently for physical conditioning and ovulation injections.

The number and frequency of times made Bai Xi speechless.

At her age, she was really working hard to get pregnant.

"She's anxious."

It seemed that the previous provocation had worked better than expected. Lin Hanxing's long eyelashes fluttered slightly, and the smile in his eyes disappeared.

"Let's go," he said.

"Aren't you going in to see Yuan susu?"

Bai Xi was a little surprised. She had thought that miss Jiu would still go in.

“Some moves aren’t as exciting after being used too many times.”

Lin Hanxing smiled.

Yuan susu is a smart person, and she knows Cheng Lingyun the best. Even if we don’t expose her, she will find out sooner or later. What do you think she will do when that happens? ”

Bai Xi thought about it in his mind, and combined it with Lin Hanxing’s faint smile, he couldn’t help but shiver.

What could he do?

The mother and daughter had completely shed all pretenses of cordiality and were on guard against each other.

“There’s a limit to Cheng Lingyun’s patience,”

Not to mention that this was in comparison to her wealth.

“I want her to lose control!”

?

Chapter 599: Jealous?

When Lin Hanxing returned to the Lei family’s house, Yan beixiao was sitting in the living room, ravaging Yuan Bao, who was still wearing a sheep’s clothing.

“First aunt, save me!”

Seeing that Lin Hanxing had returned, Yuan Dabao’s eyes brightened up as he pitifully extended his little lamb hooves towards her.

Only the heavens knew that Yan beiming had the least resistance towards soft and cute things.

“Little Hanxing, was I handsome in school today?”

Yan beiming’s face was full of pride.

Lin Hanxing couldn’t link the idiot in front of him to the ‘Beijing University’s third young master’ that Yue Guanjian had mentioned.

“Where’s mother Lei?”

Yan beixiao and the little sheep in his arms pointed at the kitchen in unison. There was a faint sobbing sound coming from there.

Lin Hanxing’s expression turned cold. Someone was bullying mother Lei?

As soon as she entered the kitchen, she saw Mama Lei sitting in the corner with an iPad. Her eyes were red as she watched a TV series.

And it had to be the one Zhan Nanheng was acting in.

“My daughter-in-law ... It’s so touching!”

When she heard the footsteps behind her, Madam Lei hugged Lin Hanxing and cried.

“.....”

Lin Hanxing was at a loss for words and did not know how to comfort mother Lei.

“Daughter-in-law, you must help me get my autograph tonight!”

Madam Lei looked up from her arms. Her nose was red from crying, and her eyes were filled with hope.

“.....”

If she had not mentioned it, Lin Hanxing would have forgotten about Zhan Nanheng’s signing event at Leeds tonight.

“Where’s the Thunder valiant beast?”

Lin Hanxing changed the topic discreetly. Actually, it was not a big deal to help Mama Lei get an autograph from Zhan Nanheng, but if ah Xiao found out ...

Mama Lei sniffled and pointed upstairs.

Oh, right. Madam Chen just made some sugar water. Daughter-in-law, bring a bowl up.

With that, Mama Lei got up to scoop a bowl of sugar water and placed it on the tray.

“.....”

When Lin Hanxing walked over to take a look, there was even a small plate beside the syrup ...

That was vinegar?

“Mother Lei, this ...”

the syrup is yours. The vinegar is for ah Xiao!

Mother Lei didn’t look up and continued to watch the TV series on her iPad. Soon, she heard some rustling sounds again.

“.....”

What kind of combination was this?

Lin Hanxing thought for a while. Before he went out, he took a pack of tissues and placed it in mother Lei’s hand.

When she returned to the living room with the sweet water and a small plate of vinegar, Yuan Bao had just escaped from Yan beiming’s clutches!

“Yo, you’re jealous!”

Yan beixiao looked at Lin Hanxing's hands and laughed.

"Little Hanxing, I'm telling you, that Ming Mei is coming back."

He didn't delay at all when he received the accurate news from the group of good-for-nothings. He immediately sent the news to his little Hanxing.

"Who is it?"

Lin Hanxing raised an eyebrow, he could not recall who this person was.

"The one who likes ah Xiao. Her father is a board member of the Lei Corporation!"

The eunuch was more anxious than the Emperor, so Yan beixiao began to describe the chairman han to her.

"Oh, it's him!"

Only then did Lin Hanxing remember that it was the old stubborn man who had brought her into the meeting room that day.

the group of nouveau riches said that Ming Mei is coming back to welcome her. They told me to bring ah Xiao there even if I die!

little Xingxing, can you help me and ah Xiao ...

Yan Beichen smiled, his handsome face full of flattery.

Lin Hanxing didn't say anything, but he glanced at him coldly.

Yan beixiao's heart skipped a beat. He was still counting on little Hanxing to save his worthless life from the fire and water!

However, those bastards tried to fish for information from him, and only told him that they were here to welcome han mingmei.

The cruel reality was placed in front of Yan beiming.

Which was more important, his face or his life?

He didn't know how to do this question! He didn't know how to do it! It was too difficult!

?

Chapter 600: So, this was what she was jealous of

"Are you sure you want me to do it?"

Lin Hanxing suddenly said.

Hearing this, Yan beixiao subconsciously felt guilty and swallowed his saliva.

you once said that ah Xiao can make you infertile. Then do you believe that I ...

As he spoke, Lin Hanxing gave Yan beiming a 'motherly' smile.

He slowly looked down.

Almost reflexively, Yan beiming felt an urge to cover his crotch!

Little cold star was too evil!

Without even looking at Yan beixiao's teary eyes, Lin Hanxing carried the plate and continued walking up to the second floor.

He pushed open the bedroom door and could faintly smell the smell of smoke.

Lei Xiao was standing in front of the floor-to-ceiling window making a phone call. No one knew what the person on the other end of the phone was saying, but his expression was cold and serious.

When he heard the noise, he turned around and saw that it was her. His expression looked much better.

Lin Hanxing's eyes indicated for him to continue with his work, but from the corner of his eye, he saw the gray invitation that had been thrown into the trash.

It was the invitation to the signing event tonight that Zhan Nanheng had left behind before he left.

She pretended not to see it and sat down at the table with the sugar water.

His finger accidentally touched the Bluetooth mouse.

The computer screen that was on standby mode instantly lit up ...

Lei Xiao inadvertently glanced over, and his cold expression changed slightly. He couldn't care about the other end of the phone and directly rushed over.

"....."

The sudden silence was the scariest thing ...

Lin Hanxing blinked and looked at Lei Xiao, who had a strange expression on his face.

His body leaned slightly to one side, trying to peek through the gap to see the mystery on the computer, but Lei Xiao's strong and stalwart body moved with him.

The two of them did not speak.

The phone was still on the line, and he could even hear the person on the other end reporting something to Lei Xiao.

Lin Hanxing's long eyelashes fluttered as he continued to drink the sugar water.

Thunder valiant quickly cut off the call.

"Mother Lei ..."

Suddenly, Lin Hanxing looked at the door in surprise.

Thunder valiant turned around subconsciously.

The door was empty.

“.....”

Lin Hanxing couldn't help but chuckle when he saw the content on the computer.

The National treasure idol of country G, Zhan Nanheng, shocked and unforgettable first love!

[Zhan Nanheng: I'm back for her.]

.....

Lin Hanxing raised his head and looked at Lei Xiao with a faint smile.

Lei Xiao turned off the monitor, his face expressionless.

Lin Hanxing finally knew why mother Lei had asked her to bring a plate of vinegar.

So this was what he was jealous of!

“I accidentally pressed it.”

Thunder owl explained, but his reason was not very convincing.

“Oh!” Lin Hanxing was drinking sugar water.

Her fair finger pointed in the direction of the trash can.

The grey invitation card was still lying there innocently.

“Why did it fall there?”

Lei Xiao stood up and walked over. He ruthlessly picked up the invitation from the trash can and placed it on the coffee table.

“Do you want to go with me tonight?”

Lin Hanxing hugged him from behind and tilted half of his head, coaxing him as if he was pacifying a hair.

Her husband had not shown any signs of abnormality today, so she thought that he had changed.

Yesterday, he had been so jealous because of Zhan Nanheng, but today, he had changed to a sullen and coquettish style.

“I have something to do tonight, you can go.”

Lei Xiao responded in a deep voice, showing a very magnanimous appearance.

“Are you really not going?”

Lin Hanxing smiled and tilted his head to confirm again.

“But you seem to be a little worried?”

Upon hearing this, Lei Xiao turned around and reached out to grab Lin Hanxing's thin waist, placing her on the table easily.

Lin Hanxing's two thin legs were hanging in the air, and the indoor slippers on his feet were drooping.

Lei Xiao stood close to her legs, his cold and handsome face was expressionless, just looking at her.

The next second, he spoke.
