

## Goodnight 611

### Chapter 611: Please move aside

“You think I’m afraid of you?”

He zhehan laughed coldly. He was the famous second young master he of Jiang city. He would like to see who dared to touch him!

Lin Hanxing did not say anything for a long time. He only scratched the steel pipe in his hand back and forth on the ground, making an ear-piercing sound.

Her delicate little face was hidden under the mask, so no one could tell what she was thinking.

“New love?”

After some time, Lin Hanxing glanced at Gao guangnu.

Traces of hyaluronic acid could be seen on her face, and her breasts were large. She was obviously more attractive than Yuan Xiaolei, who was from a good family.

As she spoke, no one could hear her emotions, so no one knew what she meant by these words.

Suddenly, Lin Hanxing walked towards he zhehan.

That action was so shocking that second young master he wanted to escape, but he found that his legs were trembling.

A faint fragrance floated.

“I know that second young master he has been acting arrogantly because of the Jiangcheng Bay Bridge incident, but ...”

The lips hidden under the mask curled up slightly.

“Are you sure you want to anger me because of your new love?”

Her cold tone was filled with sarcasm and mockery, making he zhehan’s heart tremble.

I’m someone who can even scheme against Luo Mingwei and get her into the guard office. Hehe.

Her voice was so soft that only the two of them could hear it. He zhehan lowered his head and felt a chill in his heart!

What did Lin xiaojiu just say?

The fear that seeped into his bones gradually spread to his whole body along his tailbone, making his throat tighten subconsciously.

Lin Hanxing looked at he zhehan. Even though he couldn’t see his face clearly, he could still see the faint traces of a smile on her curved eyebrows.

She was very scary!

These four words had already surged in second young master he's heart more than once.

However, it was also because of this that an inexplicable desire bloomed at the same time, and he imagined the scene of her lying under him.

He accidentally got excited.

"Oh, right ..."

Lin Hanxing's waist-length hair fluttered in the wind, but his voice could only be heard by the two of them.

"I wonder if young mistress he's unborn child is a boy. Or is it a girl?"

He zhehan's eyes widened.

On the other hand, Lin Hanxing blinked at him.

He seemed to be saying ...

I can easily see through all your secrets.

After saying that, Lin Hanxing didn't care about he zhehan's reaction. He reached out and casually threw the steel pipe in his hand somewhere.

A clang was heard ...

Hit the bullseye in the trash can!

She didn't even look at it and just threw it over?

"Excuse me, please."

Lin Hanxing turned around and walked towards his car. He passed by the ladies and socialites ...

A cold voice came out from under the mask!

This time, there was no objection. The women silently moved to the sides.

Naturally, they did not try to reach out to remove Lin Hanxing's mask.

"I'll move the car immediately."

Lin Hanxing's voice was not cold at all when he passed by the security guards. He was merely stating a fact out of courtesy.

He didn't even look at the group of brawny men who were still kneeling on the ground.

"....."

The security guards didn't know whether to respond or not, they only felt exhausted!

Just as Lin Hanxing was about to open the car door, the sound of someone running came from not far behind him.

The Senior Manager had just received a call from his superiors and came down panting.

“That ...”

The manager had just said two words when he was stunned by the scene before him.

What was going on?

What are these brawny men doing, kneeling and holding steel pipes?

But he couldn't care about anything else. When he saw that the parking space that originally belonged to Lei Xiao was parked by another car, he walked over in one breath.

He compared the car plates one by one according to the numbers on the phone.

“Uh, is it miss Lin?”

Chapter 612: She knew there was someone in the car

Lin Hanxing turned around and looked at the other party, not saying anything.

The security guards who had witnessed the whole process broke out in cold sweat for their manager.

As if she was afraid that he would be beaten up for speaking too rashly, she hurriedly spoke first.

“Manager, this lady said to move the car immediately.”

The manager glared at the security guard.

“What car! This parking space was specially reserved for miss Lin!”

In fact, this was the second time the higher-up had met Lin Hanxing.

The last time was also in L& Z.

He accompanied the leader who was directly sent by the headquarters of the group to patrol.

That was also the first time he had seen a living Thunder valiant beast in his life!

It was rumored that this young master Lei had brought the Lei group to the peak year after year with his young and decisive killing skills. He was deeply loved by the entire Lei group, but he rarely appeared in public.

At his level, if it wasn't for that accident, he probably wouldn't have been able to see her in his life.

As for this miss Lin ...

The manager sighed in his heart.

At his age, he had seen all kinds of women, but for her to stand out in the crowd ...

This was the first time he had seen it.

miss Lin, there's no need to move it. You can rest assured that it'll be parked here.

The manager wiped the sweat off his forehead and smiled in a flattering manner.

Lin Hanxing knew that this was definitely an order from Lei Xiao.

"Thank you," he said.

After he finished speaking, his eyes swept over the brainless socialites who were still standing there in a daze.

After that, he walked towards the high light girl's pink raxus unfa.

Her high heels clattered against the ground.

In the car, Fang Mengran's heart was also thumping along with the sound of the high heels.

It was as if he had received the judgment of death.

Soon, Lin Hanxing came to the car and stood still.

She bent her fair finger and knocked on the window.

Knock, knock, knock ...

There was no movement in the car.

Lin Hanxing was also very patient. He continued to tap with his fingers, as if he was comparing who would compromise first.

Finally, the rear window slowly rolled down.

It revealed Fang Mengran's face, which was slightly pale even with makeup.

"Are you happy?"

Lin Hanxing looked straight ahead, not even looking at Fang Mengran. His long eyelashes moved slightly, carrying a hint of coldness.

Obviously, she knew that there was someone in the car.

It was an acquaintance.

Fang Mengran didn't say a word, her fingers on her knees clenched tightly. It wasn't hard to tell that she was nervous.

"I'll have to trouble miss Fang to pass on a message to your mother."

Lin Hanxing didn't care if Fang Mengran answered or not, he just wanted to pass on the message.

I told her at Y. R. Please try to recall.

Lin Hanxing finished his sentence with an indifferent expression. It sounded like a mocking and warning at the same time.

Ms. Zhong, don't always covet what others have!

After all, there were some blessings that you might be able to snatch, but you might not be able to enjoy them!

Fang Mengran suddenly recalled these words.

His pupils slowly expanded in fear.

She didn't dare to move.

Lin Hanxing's lips curved up slightly under his mask. He did not look at anyone else and walked towards the elevator.

The crowd stared at her back in a daze.

"Second young master he ..."

Suddenly, as if he had thought of something, Lin Hanxing stopped in his tracks and turned around.

He zhehan, who was called out, pursed his lips tightly, a complicated fear flashing through his eyes.

"I wish you all the best. After all, you're about to-"

Lin Hanxing smiled faintly.

"You'll have to get what you want."

.....

When Lin Hanxing walked out of the elevator, he suddenly realized how popular Zhan Nanheng was!

The entire shopping mall seemed to be flooded with people.

There were Zhan Nanheng's light signs everywhere, and the upstairs was full of people.

Because the signing event was limited to the number of people, those without an invitation card could not enter the main venue.

Chapter 613-pestering

miss, the invitation.

Very quickly, someone walked over.

Lin Hanxing handed the silver-gray invitation over.

The other party was stunned when he saw the color, and when he looked up at her again, his eyes were subtle.

Lin Hanxing noticed the change, but he did not say anything.

there will be someone in charge of receiving miss Lin. Please wait a moment.

Not long after he said that, a man who looked like an assistant walked towards them.

“Miss Lin, right? This way, please!”

The assistant’s attitude was very solicitous, but his eyes could not hide the fact that he was secretly sizing her up.

Lin Hanxing stopped in his tracks and looked at him.

That pair of beautiful eyes were cold and indifferent, and no emotion could be seen.

The assistant smiled in embarrassment.

Before he could say anything, a woman’s scream suddenly came from behind him.

“Lin xiaojiu!”

These three words caused the lively venue to fall silent for a moment. Those who were close to it all turned their heads to look at the source of the voice.

Lin xiaojiu?

The Lin family’s little nine who was rumored to have had a rather bizarre experience?

Here?

Everyone had the same question in their minds.

Lin Hanxing sighed.

Why didn’t women know how to stop while they were ahead?

He turned around and saw Gao guangnu and her socialite friend!

At this moment, Gao guangnu was in a sorry state and was furious. She ignored her friends who were pulling her back and was about to rush in front of Lin Hanxing.

Lin xiaojiu, Who Do You Think You Are?!

As soon as Lin Hanxing left, second young master he broke up with her. Feeling that she had lost face in public, the line of rationality in the high-born girl’s mind instantly snapped, and she took the elevator to find trouble with him!

Although the autograph session had not officially started, the media and reporters were already present.

The commotion had already attracted the attention of many people.

“You’re too noisy.”

Lin Hanxing’s voice was calm and emotionless.

However, these four words were like adding oil to the fire, causing Gao guangnu’s eyes to turn red with anger.

it’s just a pet of Thunder valiant beast. He really thinks he’s a Big Shot!

Lin Hanxing's eyes turned cold.

She didn't like her tone when she mentioned Thunder valiant.

For a moment, all eyes were focused on them, and whispers were heard.

Suddenly, Lin Hanxing took off his windbreaker and handed it to his assistant, who was still in a daze.

Perhaps it was a habit, the assistant reflexively took the windbreaker.

"Please stand further away, thank you."

Gao guangnu had just broken free from her socialite friend's grip and was running towards Lin xiaojiu.

His long nails were about to scratch her face!

As soon as he got close, he heard a crisp sound. It was a heavy slap!

"Have you calmed down?"

Lin Hanxing's voice was cold as if he could not see the shocked gazes of the people around him.

Another crisp slap, another heavy slap!

"Are you awake?"

After the third slap, the crowd in the lobby was eerily silent.

Just from the sound of these slaps, one could imagine how painful they were!

Lin Hanxing's deliberately lowered tone was extremely cold, and it was obvious that he was extremely impatient.

"Then get lost!"

Gao guangnu covered her face and widened her eyes in disbelief.

"Don't make me say it a second time!"

Lin Hanxing said, his eyes cold.

the Senior Manager of team L hurried over with the security guards and stopped Gao guangnu without a word.

"You're overestimating yourself!"

Lin Hanxing turned around after he said that, his waist-length seaweed-like hair swaying gently in the air.

Even though she was wearing a mask, no one could see her true appearance.

However, the powerful aura that he exuded from the inside out still made people deeply convinced!

She's Lin xiaojiu?

There were too many rumors about her in Jiang city recently!

## Chapter 614: Treat it indifferently

Ever since she returned, Lin xiaojie's image had been all over the news in Jiang city.

However, he could only hear his voice and not see him!

Before The Haunting of Luo Mingwei's grave had settled down, the plot had suddenly reversed ...

In the blink of an eye, the mystery of the Lin couple's death was revealed!

For a long time, whenever the Lin couple was mentioned in Jiang city, they would always be associated with the Lin family's crisis back then.

Who would have thought that there would be such a hidden story!

Lin Hanxing took the windbreaker back from his assistant and walked forward with a calm expression.

She knew that countless eyes were on her.

Some sized him up, some probed him, some were curious, and some were afraid ...

No matter what kind of emotion he felt, Lin Hanxing remained calm.

"Miss Lin, your seat is in the first row."

The assistant reminded her in a low voice. She could feel the pressure just by standing beside her.

It was as if everyone's focus was gathered here.

But ...

The assistant looked at Lin Hanxing. She wasn't nervous at all. She was as calm as she could be.

The noise behind them had been taken care of by the Senior Manager of TZ.

Gao Guangnu was gone, but her socialites and friends stayed with the invitation.

Lin Hanxing suddenly stopped in his tracks.

Interesting, the person sitting next to her was actually Cheng Lingyun!

Cheng Lingyun was also looking at Lin Hanxing.

Obviously, he did not expect to meet her here!

Back in country G, Yuan Shaojing had a good personal relationship with Zhan Nanheng, so when Zhan Nanheng came to Jiangcheng for publicity this time, Cheng Lingyun naturally took the initiative to come and support him.

Lin Hanxing's lips curved up slightly under his mask as he sat down beside Cheng Lingyun.

"Madam Cheng's expression seems a little ugly."

Lin Hanxing said lightly, a hint of mockery in his eyes.

“Lin Hanxing, as expected, wherever you go, trouble follows!”

Cheng Lingyun had a fake smile on her face, but her voice was very gloomy.

“Thank you for the compliment.”

Lin Hanxing smiled, pretending not to notice Cheng Lingyun’s nervousness.

The calm on the surface covered up the storm between the two.

I originally thought that Madam Cheng at least loved your daughter with all her heart.

Suddenly, Lin Hanxing said regretfully.

Hearing her mention Yuan susu, Cheng Lingyun’s scalp went numb!

Now, this daughter of hers was about to become a thorn in her heart.

“You don’t have to worry about my daughter. If you have the time, Lin Hanxing, why don’t you worry about the Lin family!”

Cheng Lingyun said in a weird tone.

“You still don’t know? Old Madam Luo, you’ve had a stroke!”

This was the first time Lin Hanxing had heard of this.

He thought about the morning of Luo Mingwei’s burial and how old Madam Luo had let out a stinky Amber liquid under her pants in front of everyone ...

How weak was she to have suffered a stroke like this?

“Lin youlin told me this herself!”

Cheng Lingyun said coldly.

Lin Hanxing laughed sarcastically. Even if the old lady really had a stroke, she was not the one who caused it.

If she wanted to blame someone, she could only blame herself for doing too many shameful things!

Cheng Lingyun didn’t expect Lin Hanxing to still be able to laugh without the slightest fear. She thought that Lin Hanxing had gone crazy.

“You don’t really think that Lei Xiao will marry you, do you?”

After thinking about it, Cheng Lingyun thought she understood.

“You don’t have any parents, the only thing you can rely on is the Lin family!”

Cheng Lingyun’s tone was filled with arrogance.

what I said that day still holds. No matter what susu said to you, just keep it to yourself and I promise you will get whatever you want in the Lin family!

Lin Hanxing chuckled.

“You’re wrong, I’m relying on ...”

Chapter 615: Zhan Nanheng’s shocking popularity

“It’s always just me!”

She said these words with great strength and confidence!

Cheng Lingyun looked at her as if Lin Hanxing had gone crazy.

What good would come of a girl who had no parents and had been abducted to God knows where?

Just as Cheng Lingyun sneered, the lights in the venue dimmed.

The autograph signing event officially began in this back and forth atmosphere.

Lin Hanxing heard a deafening scream.

Zhan Nanheng appeared on the stage under the escort of his bodyguards.

The first thing he did was to look in the direction of Lin Hanxing.

Seeing that he had arrived, the baby-faced man revealed a charming and shy smile.

A shriek even more intense than before was heard again, as if it was going to break through the clouds.

“.....”

Lin Hanxing’s head started to hurt.

However, they didn’t know that& dark clouds were gathering in a corner of the second floor.

Yan beiming sneaked a glance at the emotionless jealous man from the corner of his eye. He felt the air around him freeze at the speed of light.

The higher-ups who followed behind him were all complaining in their hearts.

After the emcee finished warming up the stage, he passed the microphone to Zhan Nanheng.

I’m very grateful to all my friends here today. I’m also very grateful to her for appearing.

Zhan Nanheng looked in Lin Hanxing’s direction and smiled.

That kind of comfortable feeling from the inside out made people’s hearts couldn’t help but beat wildly.

Except for one person ...

That person was Lin Hanxing!

Her eyelids began to Twitch.

It wasn’t the first time Zhan Nanheng had looked over at her.

Even though she didn't want to think too much, she had to rule out the possibility that the 'she' in his words was Cheng Lingyun ...

The person Zhan Nanheng was referring to ...

Her crazy screams and the people around her following his line of sight to look at her confirmed Lin Hanxing's thoughts!

There's a good show to watch!

Feeling Lei Xiao's increasingly dark expression, Yan beiming laughed in his heart.

Hehe, let him continue to be coy!

Let old Chen's jealousy come more violently!

Eric, are you saying that the first love you've been looking for is also here today? "

The host tried to liven up the atmosphere.

Zhan Nanheng's lips curved into a smile that could stir up a woman's motherly instincts. He didn't say anything and looked in Lin Hanxing's direction again.

She even blushed.

"....."

Lin Hanxing swore that she had definitely seen the malicious teasing flash in the man's eyes.

He picked up the microphone with a nervous expression.

That gentle, Jade-like, and clean appearance made women love him as much as they wanted.

"Yes."

The soft and hoarse voice caused the audience to burst into screams!

Eric, can you tell us which lucky person is it? "

The emcee's voice was filled with excitement, and even his hands were shaking as he held the microphone.

Although he didn't really expect him to give an answer.

Lei Xiao stood quietly on the second floor.

His eagle-like eyes swept across the building, full of aggression, and a bloodthirsty and brutal feeling swam in his limbs and bones!

The joints of his long fingers that were gripping the fence were turning white.

After the emcee finished speaking, he passed a small bouquet of champagne-colored roses to Zhan Nanheng.

"What the f \* ck? There's even a live broadcast?"

Yan beixiao fiddled with his phone and turned the screen to full-screen, the bullet screen was about to explode!

Eric's shorts thought, my husband is so cute!

Cute cow: That's my husband upstairs!

Vanilla lemon chocolate, [ am I the only one who wants to know who my first love is? ]

The bullet screen continued to refresh at light speed.

On the stage, Zhan Nanheng tilted his head and bit his lip, struggling and hesitating for a moment. It made everyone hold their breath and wait.

Chapter 616: I'm back for you

Suddenly, Lin Hanxing's sharp eyes scanned her surroundings. Her intuition told her that a dangerous aura was spreading.

And it was very familiar!

He took out his phone and opened WeChat.

Xing Xiaoxing, "where's ah Xiao?"

Very quickly, the other party replied.

[ 9.90 yuan, free delivery: your little cutie wants some pocket money. ]

Xing Xiaoxing was speechless.

As the two of them were chatting, Zhan Nanheng made a move on stage.

He suddenly walked off the stage, attracting countless crazy screams, hoping to attract a little attention from their idol.

But their male God, Zhan Nanheng, only carefully carried the bouquet of flowers and walked towards a certain someone.

Xing Xiaoxing: " I'm going to tell ah Xiao that you wanted to sell him to han mingmei for the sake of your reputation. my dog head " serve ".jpg

[ 9.90 yuan free delivery: little cold star, raise your head!!! ]

Lin Hanxing raised his head subconsciously.

"....."

Zhan Nanheng, who had been standing on the stage just a moment ago, was walking over.

Everyone's heart was beating wildly. The media reporters moved their equipment with Zhan Nanheng, waiting for the answer to be revealed.

The woman sitting to the right of Lin Hanxing gasped.

he's walking towards me. Oh my God, he's walking towards me!

Her face was red and she was emotional.

However, Cheng Lingyun felt that something was wrong and looked at Lin Hanxing in confusion.

Why did she feel that Zhan Nanheng was aiming for ...

"I've always been thinking about you."

Zhan Nanheng's innocent baby face was covered in a warm smile that made one feel good. Even his voice was so pleasant that it made one want to close their eyes and indulge in it.

His every move was as heart-stirring as those in the television series.

"I've been looking for you."

The lighting effects moved along with Zhan Nanheng's footsteps.

Lin Hanxing felt that he was getting closer and closer, and the women around him and behind him were getting more and more excited.

They all thought that Zhan Nanheng was here for them.

They were just short of fighting.

Lin Hanxing was on guard. The moment he met Zhan Nanheng's eyes, a hint of malice flashed through his seemingly harmless eyes.

He was getting closer and closer.

With wonderful acting skills, she acted out the joy of reunion after a long separation.

"Every minute and every second is torture."

Under everyone's expectant gaze, Zhan Nanheng finally stood in front of Lin Hanxing, who was wearing a mask.

He lowered his head and stared at her.

Cheng Lingyun's heart skipped a beat.

Zhan Nanheng and Lin Hanxing?

How could people who were completely unrelated be involved?

The audience burst into an uproar!

The person Zhan Nanheng was looking for was Lin xiaojiu?

That Lin xiaojiu who was wearing a mask and seemed to be a secret from head to toe!

The person Zhan Nanheng was looking for?

Everyone was shocked. It was because of this that the atmosphere became strange.

Lin Hanxing did not say anything.

The bouquet of champagne-like roses was now in front of her.

In the eyes of outsiders, it was a deep love.

In Lin Hanxing's eyes, it was a provocation.

The feeling of cold winter-like danger became more and more intense, and the powerful aura spread with an amazing penetrating force.

Lin Hanxing did not say anything and did not accept the flowers.

Zhan Nanheng's doll-like face, which was even more perfect than a woman's, revealed an even more pitiful expression. It was truly heart-wrenching to look at.

He wished he could take the flower for Lin Hanxing, kiss it, hug it, and raise it high!

"I'm back for you."

Zhan Nanheng said in a deep voice, his eyes full of emotion.

This sentence, in the ears of any woman, was like a 120000-point critical hit!

He bent down and got closer to Lin Hanxing's face.

He raised his hand as if he wanted to touch the mole at the corner of her right eye.

Such an action caused the audience to scream out loud!

"Don't touch her!"

The cold and dark voice was like ice!

Chapter 617: Causing a sensation at the scene

The penetrating power was very intimidating!

Even though the screams were almost breaking the roof, it was impossible to ignore!

More and more people began to look around, trying to find the source of the sound.

Zhan Nanheng and Lin Hanxing looked at each other at a close distance. At a position where the camera couldn't capture, he smiled evilly at her.

Ran ran, you're breaking the rules.

He reminded her with his silent lips.

Lin Hanxing's face was cold under the mask, his long black eyelashes trembling slightly.

He was unmoved.

Suddenly, the surging crowd parted to the sides like a tide, making way for the Middle Passage.

Many people here didn't know why they were doing this. It was as if it was their body's instinct and they couldn't control it.

He only felt a powerful aura dominating him from behind!

The man's face was exposed to the public.

His sculpted face was as perfect as if it had been favored by God. His facial features were three-dimensional and charming. His eagle-like eyes made people feel cold. The dim light did not damage his coldness and hardness at all. His thin lips were tightly pursed, making it impossible to guess his inner heart.

While the bystanders were still immersed in his frosty yet deeply charming face, the first to go crazy were the media reporters!

Other people might not know, but of course they knew this person's identity!

The man was followed by a group of senior managers of team I.

They didn't know what was wrong with the president. He had come down from the second floor with a thunderous momentum and didn't even want to waste time waiting for the elevator. They could only follow him bitterly and take the stairs.

Only the heavens knew that these years of pampered life had made them breathless just by walking a little, and they were all complaining in their hearts.

"It's the Thunder valiant beast!"

"Young master Lei!"

The reporters' soft whispers reached the ears of the people around them. It was like a huge rock being thrown into the middle of a Lake, instantly causing violent ripples!

One spread to ten, ten to a hundred.

Soon, everyone knew his identity!

It caused a sensation!

Countless pairs of eyes were no longer focused on Zhan Nanheng, but on Lei Xiao's face!

This was the president of the Lei Corporation!

The leader of the Lei family's four young masters, the first young master Lei!

The man who had won the title of the most valuable diamond Bachelor in Jiang city for seven consecutive years, the man who had no scandals, and the man who was so clean that it was ridiculous ...

A person that many people would never be able to see in their entire lives!

And now, he was standing not far away from them!

Cheng Lingyun's hands, which were originally by her sides, gradually tightened.

She looked at Lei Xiao, then at Zhan Nanheng, not understanding why Lin Hanxing had stolen all the limelight!

She really didn't expect that Thunder valiant would appear!

Lin Hanxing looked in the direction of the bright flash, but the strong light made it difficult to see his expression.

His fit and slim figure was wrapped in a hand-made business suit, presenting a perfect inverted triangle.

He was walking towards her.

Behind him was a group of senior business executives.

In the eyes of those young girls who had not seen much of the world, it was as if they were shooting an idol drama.

Her heart was beating wildly.

That person seemed to have a suffocating and Fatal Attraction like a poppy!

From the beginning to the end, no matter how many respectful and probing gazes he received, Lei Xiao maintained an expressionless look. His cold face showed no emotion, but his goal was clear.

He was here for that person ...

Zhan Nanheng's gaze only fell on the side of Lin Hanxing's face.

After the man appeared, her cold eyes finally had some warmth.

The light was reflected into Lin Hanxing's eyes, and it seemed to ripple with light and color.

It was something she had never felt when she looked at him.

He was a little unwilling!

?

Chapter 618: I told you not to touch her

Zhan Nanheng's eyes were dark as he thought.

Under the soft light, her seaweed-like soft hair covered the side of her face, faintly revealing her ivory white skin and the small mole at the corner of her eye. It made people's hearts soften.

Zhan Nanheng moved his fingers subconsciously, trying to brush Lin Hanxing's hair away.

However, just as he lifted his head, a thick shadow had already descended!

His wrist was instantly controlled by a strong force, and an intense pain hit him.

"I said, don't touch her!"

A low, hoarse, and gloomy voice sounded, with a strong sense of dark and fierce ice, without any room for negotiation!

Zhan Nanheng raised his head and met Lei Xiao's gaze.

The situation seemed to be triggered at the first touch ...

.....

Lin family villa.

The baby's cries continued.

The atmosphere in the villa had been gloomy since the funeral yesterday.

Luo Ruyin angrily rushed to the nursery with a pale face and suddenly pushed the door open.

She stood there and looked at the housekeeper with a dark face.

"I'll strangle him to death if he makes any more noise!"

Luo Ruyin was already extremely disgusted with this cheap little brother of hers.

In addition, this child was afraid of strangers. Shen Shu 'er had to take care of old lady Luo, so she could only hand her over to the nanny.

She cried and threw a tantrum every day.

Her words scared the nanny so much that she quickly covered the baby's mouth.

She slammed the door shut, turned around, and went downstairs.

Downstairs, only Luo Wensu was staring at the TV without blinking.

"Second brother, What are you looking at?"

After yesterday, big brother went out and never came back.

She did not know what her parents were busy with.

Only her second brother stayed behind to take care of her, but he was still angry and ignored her.

Luo Wensu did not say anything.

However, her gaze fell on the dim TV screen.

Luo Ruyin saw that he didn't say anything and followed his line of sight.

In an instant, his expression changed greatly!

"Lin xiaojiu?"

Suddenly getting up, Luo Ruyin couldn't believe her eyes.

Even if Lin Hanxing was wearing a mask, she would still be able to recognize him even if she had turned into a grey Lotus!

She hated her to the core!

“What is this? Why is she on the TV?”

Luo Ruyin’s eyes widened in shock. That terrible feeling was back!

When she was young, she was inferior to her cousin in every way and was compared to her in every way!

It wasn’t easy for her to finally hold everything that originally belonged to her in her hands. However, after she made a comeback eighteen years later, she was still suppressed by her by several levels!

Luo Wensu still did not speak, but clenched his fists on his knees.

“Brother, I’m asking you a question!”

Luo Ruyin was unwilling to let it go!

“Shut up!”

Luo Ruyin didn’t hear it clearly and laughed.

“I told you to shut up!”

Luo Wensu suddenly smashed the mug in front of him against the wall, making a sharp and shocking sound!

Not to mention Luo Ruyin in front of him, even the servants were shocked!

“What are you doing ...”

Luo Ruyin’s tears fell in an instant.

She only felt aggrieved.

Ever since Lin xiaojiu had returned, too many things had happened at home. It seemed like everything had changed!

Now, even her second brother, who usually doted on her, was venting his anger on her!

Luo Wen suyue’s chest heaved up and down violently, and with a gloomy face, he walked upstairs without looking at Luo Ruyin.

The only thing left was the high definition broadcast on the television.

Luo Ruyin cried as she glared at the TV.

Lin xiaojiu actually had a relationship with Zhan Nanheng. What right did she have?

That pretty face, Luo Ruyin wished she could personally destroy it!

Why, why!

She was able to obtain things that she could not obtain so easily!

Everyone's focus.

Everyone was envious!

The light should have belonged to him!

He should be the one doing all this!

?

Chapter 619: Who would she choose?

In the ZZ mall.

All the media reporters pointed their cameras at the two of them.

Everyone held their breath.

The moment Lei Xiao grabbed Zhan Nanheng's wrist, he believed that everyone present had the same feeling, and their hearts almost stopped beating!

There were turbulent undercurrents hidden in the eyes of the two people.

"Are you two still kids?"

Suddenly, Lin Hanxing's calm voice interjected, and his gaze fell on Lei Xiao's face.

She finally understood why Yan Beichen had been beating around the bush with her.

Lei Jing was expressionless, but her eyes were wandering.

However, the cold air around her did not dissipate at all. She released her grip on Zhan Nanheng.

Yan beixiao, who was standing not far away, had been secretly looking at his phone. Only God knew that the live broadcast room had been occupied by countless exclamation marks!

Marilyn was dumbfounded, "my young girl's heart!"

Octopus meatball, did you see that? That was the Thunder valiant beast! It was the Thunder valiant beast! It was the Thunder valiant beast!

Deep forest has deer dung: He was ten thousand times more handsome than in the photos!

[ lemons for you to sleep with: if you can sleep with him! ] "I will die with no regrets in this life!!!!"

Wuli fish cake: " he didn't even say a word on Weibo, but his followers have already exceeded 10 million!

Yan beiming could feel the enthusiasm of the young girls.

The moment Lei Xiao showed his face, the server almost crashed!

“Let’s go!”

without even looking at zhan nanheng, lei xiao reached out and pulled lin hanxing up from his seat.

his slender fingers gripped her slender wrist tightly.

his perfectly sculpted handsome face tensed up, and his deep voice sounded so pleasant that everyone thought he was pregnant.

this was a living thunder valiant beast!

when everyone finally realized this, they all took out their phones to record this moment!

however, before he could take two steps, ling grabbed lin hanxing’s other wrist with both hands.

under the bright lights, lin hanxing was dragged between the two of them.

??????.....

the screams were completely ignited at this moment. the plot of the idol drama happened in front of their eyes without warning.

Even the female host on stage subconsciously covered her mouth with her hand.

This was to prevent the exclamation from blurting out without any warning!

“Shouldn’t she be allowed to make her own choice?”

Zhan Nanheng looked at Lei Xiao. The slimy feeling in his palm made him lose his focus, which was rare, but he was very good at hiding it.

The Thunder valiant beast looked at him with a gloomy gaze.

Yan Beichen gave Zhan Nanheng a final thumbs up in his heart!

[ I’m your little canine tooth: jealousy makes me ugly!!! ]

Monlari duck, [ am I the only one who is curious about this woman’s identity???? ]

Liu Yingjun rolled up his shoe,”upstairs, you’re not alone!”

The people at the scene started to exclaim in shock as if they had gone crazy.

Some continued to support Zhan Nanheng, but there were also people who began to switch sides to Lei Xiao!

Everyone was looking forward to the answer. They wanted to know who she would choose!

Cheng Lingyun sat frozen on the spot.

The Thunder valiant beast’s appearance still felt like a dream to her.

In her impression, young master Lei would never do such a crazy thing!

Yuan shaojing had once mentioned to her how much he hated the camera, but it just so happened that this man would expose himself in front of so many people for Lin xiaojiu.

Was he crazy?

As long as he waved his hand, what kind of woman couldn't he get?

"You two, let go of me!"

Lin Hanxing furrowed his brows slightly, clearly already extremely impatient.

She was really starting to regret agreeing to Zhan Nanheng's request to appear here.

"He'll go first!"

The two of them said this in unison, as if they had colluded.

?

Chapter 620: Let go of me!

Yan beixiao could only feel his phone heating up, and he could imagine how crazy the comments in the live broadcast room were!

He lowered his head and took a look ...

Sure enough!

[ No. 1 onlooker: I originally thought that our little zhanzhan was a rare gem in the world. I was wrong! ]

[ I'm really beautiful: I'll pay five million. I beg young master Lei to kiss me, hug me, and lift me up high! ]

[ hehe, does the person above think that young master Lei really cares about your five million? ] Do you want to find a good doctor on Baidu?

The cute girl's heart thought, "don't be noisy, don't be noisy. I just want to know who that woman is!"

Kneel down, "ditto, I also want to know!"

"All of you, let go!"

At this moment, Lin Hanxing, who was deep in the center of the vortex, had an ugly expression hidden under his mask.

She did not like the feeling of being dominated by others!

"Don't make me say it a third time!"

When he said this, Lin Hanxing's voice was cold, and his aura was no less than Lei Xiao's.

Zhan Nanheng seemed to want to say something, but Lin Hanxing didn't even give him the chance to speak. He shot him a cold glare!

Inexplicably, the words that were already on the tip of his tongue were taken back ...

Zhan Nanheng swallowed his words back down!

The hand that was holding Lin Hanxing's wrist slowly loosened.

This time, Lin Hanxing secretly glared at Lei Xiao, and just as Zhan Nanheng completely let go of his hand ...

The Thunder valiant beast suddenly tightened its grip!

Lin Hanxing was caught off guard and pulled into his arms.

Because it happened so suddenly, the others only had time to see her long hair that was as soft as seaweed scattered in the air!

Lei Xiao's large palm was tightly wrapped around the back of Lin Hanxing's head, pressing her face into his arms.

F \* ck!

This series of smooth movements received a unanimous and crazy CALL from the girls!

"Thunder valiant beast ..."

Lin Hanxing gritted his teeth and spoke in a voice that only the two of them could hear.

"Be good, don't move!"

Lei Xiao leaned over and kissed Lin Hanxing on the forehead, but his gaze fell on Zhan Nanheng's face as if he was warning him.

"I want to take her away."

Hearing this, Zhan Nanheng raised an eyebrow. His good-looking baby face was expressionless, which was a rare sight. It even had a hint of evil.

"Because She Belongs to Me!"

Lei Xiao's voice was low and powerful, as if he wanted Zhan Nanheng to hear him carefully!

There seemed to be lightning and stone fire in their eyes!

Then, he was about to take Lin Hanxing away!

"Wait!" Lin Hanxing grabbed Lei Xiao's shirt.

When he heard these two words, Lei Xiao's face immediately darkened.

"Do you have a pen and paper?"

Lin Hanxing suddenly remembered that she had yet to get the signature that Madam Lei had asked for.

Lei min was expressionless.

It was obvious that he didn't.

She turned around and looked at Yan beiming.

"I have it, I have it, little ... I have it!"

Yan beiming hurriedly prepared a pen and paper, and jogged to the center of the storm.

He passed the pen and paper to Lin Hanxing.

Lin Hanxing was about to walk towards Zhan Nanheng when Lei Xiao's arm tightened.

Yingluo will deal with you later!

Lin Hanxing mouthed the words to Lei Xiao.

Lei Xiao understood her gaze, so he held back his strength and let her go.

Lin Hanxing walked back to Zhan Nanheng. The latter was a drama queen and looked at her with a mournful face.

"Did I come back too late?"

"....."

Late your head!

"Sign here, this is for mother Lei ..."

Lin Hanxing handed the pen to Zhan Nanheng and pointed at the blank space.

"....."

Zhan Nanheng's grip on his brush tightened.

"Don't you have anything else you want to tell me?"

His eyes were filled with heartache, and his affectionate expression caused the air around the Thunder valiant beast to stir up a whirlwind again!

This caused the group of diehard fans below to feel heartache.

"Please write faster!"

Lin Hanxing said coldly.

"....."
