

Goodnight 621

Chapter 621: I just happened to see you

Hurried footsteps could be heard from the corridor leading to the lounge.

Lei Xiao held Lin Hanxing's wrist tightly and walked forward with a cold face.

His slender legs were wrapped under his suit pants, and he looked strong and powerful. His muscles were completely tense.

Yan beixiao was tactful and did not follow along. He brought the group of higher-ups to clean up the mess for the man who was about to drink all the vinegar!

With a bang, the lounge door was pushed open by Lei Xiao!

The huge difference in physical strength between men and women was exposed at this time.

Lin Hanxing did not resist and allowed Lei Xiao to drag her in.

The moment she closed the door, she was pressed against the door fiercely by the man.

There was a thump.

That sound was quite painful.

But in fact, a certain man, whose rationality was almost burnt by jealousy, still did not forget to put his hand behind her.

Lin Hanxing raised his head and looked at him.

The lips hidden under the mask curved slightly, and her long, down-like eyelashes fluttered.

Thunder owl's cold face was tense, and he looked quite fierce.

However, no one knew better than Lin Hanxing that the man in front of her was just a paper tiger in front of her.

His chest, hidden under the black shirt, kept rising and falling. He was trying to control his emotions.

After a long time.

Lei Xiao raised his hand and removed the mask from Lin Hanxing's face.

Lin Hanxing blinked, the smile on his face showing no signs of stopping.

He allowed the Thunder valiant beast to continue to trap him between him and the door.

"I remember someone saying that she had something to do tonight."

Lin Hanxing raised his head and looked at Lei Xiao.

The lights were off in the room, but the flashing neon lights reflected in from the floor-to-ceiling windows made the room hazy.

"I'm here for an inspection."

In other words, I really have something to do and I'm not lying.

"Oh." Lin Hanxing replied with a meaningful "Oh."

"It's true."

As if he was afraid that she wouldn't believe him, Lei Xiao added these two words with a serious face.

"I just happened to see you."

Lin Hanxing chuckled.

Hearing her laugh, Lei Xiao didn't say anything. His mind was filled with the image of Zhan Nanheng raising his hand to touch her.

The anger that had just subsided was boiling again.

Even the atmosphere in the room changed.

Lin Hanxing was sensitive enough to notice this, but he did not know what was wrong with this old man!

Lei Xiao raised his hand and pressed on the little mole at the corner of her eye. Thinking that Zhan Nanheng also had one, he became even more irritated!

pretty boy ... he mumbled.

Lin Hanxing was so close that he could hear her, and his eyes instantly curved into crescents.

"Are you jealous?"

She raised her hand and touched Thunder Valiant's tense chin.

He had his back to the neon lights, and Lin Hanxing couldn't see his expression clearly even at such a close distance.

But Lin Hanxing knew that Lei Xiao was looking at him.

That pair of eagle-like eyes was staring at his face without blinking.

He didn't say a word, and his hand turned to the wrist where Zhan Nanheng had held Lin Hanxing.

"I'm not jealous."

Thunder owl refused to admit it.

"Really?" Lin Hanxing leaned his head closer to his face and smiled as he asked again.

Lei Xiao pursed his thin lips tightly, his eyes avoiding eye contact.

"But I was really tempted just now, what should I do?"

Lin Hanxing's voice was soft, and her ivory white skin looked even more delicate in the dim light.

Lei Xiao suddenly lowered his head and kissed her!

The first kiss was a little off, and Lei Xiao actually opened his mouth, grabbed her chin, and aimed at her again.

His actions were Swift and anxious!

The corners of Lin Hanxing's lips had been raised the whole time, and his urgent breathing was dull and pleasant to the ears.

Damn tsundere, let's see how long you'll be stubborn!

"No!"

These words, Lei Xiao said through gritted teeth!

Lin Hanxing could even hear the sound of his teeth grinding.

Chapter 622: Who told you to be stubborn?

At this moment, the Thunder valiant beast was burning with rage, like an enraged Lion.

He clenched his fists so tightly that his knuckles made a cracking sound.

If it was anyone else who saw the Thunder valiant beast in this state, they would have been scared half to death.

However, Lin Hanxing continued to look at him with a smile.

"Okay, then I'll ask you again. Was it really a coincidence to see me?"

Lin Hanxing's hand slowly moved down Lei Xiao's silver-gray Necktie buckle and picked up the long necktie.

He pulled him in front of him.

The distance between the two of them was even closer.

Lin Hanxing raised her head. Under the dim light, there seemed to be a faint glow in her eyes.

"Yes ..."

Without waiting for Lei Xiao to finish, Lin Hanxing had already tiptoed close to his thin lips.

Lei Xiao subconsciously pursed his thin lips, and her breath came out slowly.

"Tell me the truth."

Lin Hanxing blinked, but his gaze fell on his Adam's apple.

At this moment, it was rolling up and down.

“No...”

After an unknown amount of time, Lei Xiao’s voice finally rang out, his tone awkward.

“Oh, so it’s not!”

Lin Hanxing purposely dragged out the last syllable, his little hand wrapped around his waist and slowly fell.

so, you weren’t worried at all before? ”

With his arm around Lei Manjin’s thin waist, Lin Hanxing slowly began to play the game of pushing his luck.

Who asked this man to be awkward and stubborn!

Lei Xiao lowered his head and looked at the woman who only reached his chest, his eyes full of indulgence and helplessness.

Don’t worry ...

“No way!”

He wished he could use all his connections to get Zhan Nanheng to pack up and leave Jiangcheng immediately!

“What?”

Lin Hanxing looked at Lei Xiao’s wandering eyes with a faint smile.

Stubborn, continue to be stubborn!

“I’m worried!”

This sound seemed to have come from the gap between the Thunder valiant beast’s teeth.

Lin Hanxing chuckled, his hands on his waist trembling slightly.

“You’re still laughing!”

Hearing her laughter, Lei Xiao suddenly picked her up and made their eyes meet.

Lin Hanxing’s feet could not land on the ground, so he simply wrapped his arms around Lei Xiao’s neck.

“Our ah Xiao is so cute!”

Lin Hanxing’s back was against the door, her seaweed-like waist-length hair brushing past Lei Xiao’s muscular arm.

“Then ... Are you jealous?”

Lin Hanxing pinched his chin like a hooligan who was teasing a young girl!

“Then tell me first ...”

Lei Xiao's voice was hoarse, and it was unknown how long he had been muffled.

"What?"

Lin Hanxing raised her eyebrows slightly, looking very attractive.

"What were you tempted by just now?"

As he spoke, he exerted more force, the concern in his eyes clear and obvious!

Lin Hanxing did not expect him to remember this.

As if she was deliberately tantalizing him, she put on a thoughtful expression.

Lei min's face was expressionless as he stared at her face nervously.

Although he didn't know what that pretty boy had done to move Han Xing, he could definitely do what he could do ten times better than him.

That was because he was the Thunder valiant beast!

Suddenly, Lin Hanxing chuckled softly. He tightened his grip around Lei Xiao's neck, his fingertips casually fiddling with his earlobe.

"When he said ..."

The Thunder valiant beast's expression became more and more tense, and even his sharp brows were tightly knitted.

"I'm going to take her away, because She Belongs to Me!" When it's time!"

Lin Hanxing pressed his forehead between his eyebrows and rubbed the tip of his nose against Lei Xiao's nose.

After a long time.

Lei min's dark pupils suddenly shot out a fierce light, and she was firmly pressed against the door.

Her lips, which were originally pursed into a thin line, uncontrollably curved upwards.

And it was still expanding.

Chapter 623: You are the most important

"Are you happy now?"

Lin Hanxing's hand caressed the outline of his face.

When he touched the corner of his mouth, he also chuckled.

His mind was filled with the image of Lei Xiao pretending not to care even though he clearly cared about it to death.

She felt that she should write a book, and the title would be ...

There were 1001 ways to overcome a stubborn tsundere!

Thunder owl didn't say anything, but the oppressive and cold atmosphere around him was instantly swept away.

"I don't like it when you're with him,"

His voice was already pleasant to the ear, and now that he had deliberately lowered it, it sounded even more attractive.

Even Lin Hanxing could not hold it in.

The neon lights outside the floor-to-ceiling window flickered, illuminating the expression on Lei Xiao's face.

"Then why didn't you tell me directly?"

Lin Hanxing rubbed the tip of his nose against his high nose bridge, as if it was a special pleasure between the two of them.

Lei Xiao pursed his lips and said nothing.

Lin Hanxing rubbed his Adam's apple with her fair fingertips, only to stir up the fire in his heart. She smiled and moved her hand away.

"He has what you want."

After a long time, Thunder valiant beast finally compromised.

Lin Hanxing was stunned for a moment and looked at him.

"I know that as long as I say the word, you won't come, Hanxing."

Lei Xiao firmly held Lin Hanxing in his arms.

"But I can't be that selfish."

He looked up at her, his eyes filled with helplessness.

"Even if I'm jealous, I can't."

Lei Xiao's voice was too heavy in Lin Hanxing's ears, even though she had already gotten the answer she wanted.

However, she did not feel happy at all.

Seeing that Lin Hanxing did not say anything, Lei min chuckled and took the initiative to rub his nose against her.

The next second, Lin Hanxing reached out and wrapped his arms around his neck.

"You're the one who ..."

She buried her face in Thunder Valiant's ear, and her waist-length hair cascaded down like a waterfall, brushing against his arm.

"What?"

Lei Xiao hugged her.

He liked the way she clung to him, but it was a pity that such opportunities were rare.

"Thunder valiant beast, to me, you are the most important!"

Lin Hanxing's long and dense eyelashes fluttered as he spoke seriously, as if he wanted him to hear him clearly.

"So ..."

Her hand gently stroked his business-styled hair.

"I'll give you the right to be selfish."

Lei Xiao's arms tightened involuntarily, and he pulled her deeper into his embrace.

He didn't know how long it had been like this ...

Lin Hanxing raised his head slightly and looked at Lei Xiao, who was immersed in the light.

The light and shadow outlined his cold facial features, making them look very gentle.

"Shouldn't you kiss me at this time?"

She was a little dissatisfied.

However, Lin Hanxing's face still turned red when he said this.

Lei Xiao was stunned at first, but when he came back to his senses, his thin lips were already being kissed by her like a cat.

Lin Hanxing's kiss was gentle and slow, as if she was feeling something.

It was so soft and warm.

It made people forget to leave and didn't know how to get tired.

He felt that if he continued to kiss her like this, he might really lose control.

However, she really couldn't bear to part with him.

Not even a second.

His phone vibrated. It was Lin Hanxing.

The two of them pressed their foreheads against each other.

Compared to Lei Xiao, Lin Hanxing was panting heavily.

"Your phone is ringing."

He opened his mouth, and his hoarse voice revealed that he was not having a good time.

“Yes.”

Lin Hanxing responded lazily like a cat. She snuggled in his arms and only landed on the ground after a while.

He took out his phone and glanced at it.

“Mute uncle, resting room B121.”

The light from the phone screen illuminated Lin Hanxing’s delicate face.

Thunder valiant beast naturally saw it too.

Lin Hanxing raised his head to look at him, his eyes bright from the light of the screen.

Chapter 624: Tacit understanding

The Thunder valiant beast’s heart went soft under those eyes.

“Go on.”

He reached out and rubbed Lin Hanxing’s head. If Yan beiming knew about this, he would definitely complain that he had no principles.

Lin Hanxing did not say anything.

Holding his hand, her fingertips gently brushed against the thin calluses in his palm.

“Let’s go together.”

She couldn’t bear to let Lei Xiao’s thoughts run wild here alone.

He opened the door and Lin Hanxing held his hand as they walked out.

Lin Hanxing’s eyes were not used to the bright light after staying in the dark for a long time. She squinted her eyes and did not notice the smile on the face of the man she had pulled out.

Soon, the two of them arrived at the door of lounge B121.

Just as Lin Hanxing’s hand touched the handle, his expression changed slightly.

Sensing her slight pause, Lei Xiao looked over and Lin Hanxing happened to be looking up at him.

The two of them exchanged glances ...

A dark light flashed across Lei min’s eyes.

Knowing that he understood, Lin Hanxing knocked on the door in relief.

“Enter.”

Zhan Nanheng’s voice came from inside.

Lin Hanxing pushed the door open and entered, followed by Lei Xiao.

There were quite a few people in the lounge.

Just Zhan Nanheng alone had two burly men who looked like bodyguards by his side. Their fierce-looking faces made them look difficult to deal with.

The door was closed from behind with a bang.

He saw that it was her.

Zhan Nanheng's baby-like face showed a rare look of nervousness.

"Get out."

He said in a low voice, his tone very impatient.

However, the moment his eyes met Lin Hanxing's, he turned to look at the door.

Lin Hanxing did not move.

She just looked at him calmly.

Without the mask covering her face, her exquisite and stunning face still had an unusually strong aura.

"I have something to tell you."

Lin Hanxing laughed instead of getting angry. There was a hint of danger in his cold voice that was hard to detect.

She slowly walked towards Zhan Nanheng.

On the other hand, Zhan Nanheng's baby-faced expression became colder and colder. Even his eyes were filled with nervousness.

There was a crack.

When she walked past the coffee table, she accidentally knocked over the pen on the table.

With a rumbling sound, the pen went towards the feet of the bodyguard behind Zhan Nanheng.

"I'm sorry."

Lin Hanxing looked at it and wanted to walk over to pick it up.

Zhan Nanheng's eyes narrowed. If she walked over, she would definitely see ...

An astonishing reversal happened in this split second!

Before anyone could react, the bodyguard who was standing behind Zhan Nanheng was sent flying. His muscular body flew into the air in an exaggerated manner, and he spat out a mouthful of blood when he landed!

Lei Xiao held a gun in his hand and aimed it at the other person's forehead.

"I advise you not to move."

Lin Hanxing said coldly, his indifferent voice full of warning.

She slowly bent down to pick up the pen in her high heels and put it back on the coffee table.

He looked elegant and relaxed, as if he did not care about the danger in front of him at all.

Zhan Nanheng looked at Lin Hanxing in a daze.

How did she know?

Furthermore ...

Her cooperation with that man just now was simply flawless!

The one who had been lying on the ground and vomiting blood cursed in fluent English.

The room was filled with filthy words, which gave people a headache.

Lin Hanxing smiled as he listened and walked towards him.

"Ah Xiao,"

Suddenly, Lin Hanxing softly called his name.

"What?" The expressionless Thunder valiant beast pointed his gun at another person's forehead and spoke in a deep voice.

"He scolded me."

The grievance in her voice was completely out of proportion to the interest on her face.

"Yes, kill him."

"Alright!"

Lin Hanxing's crisp reply was heard, and then ...

Chapter 625: Tell your people to go back

He grabbed the bodyguard's collar and slammed him into the decorative pillar beside him!

Instantly, the burly man's nose bone, which was already internally injured from the kick, was instantly broken. Blood spurted out wildly, and his entire body fell limply to the ground.

"....."

"....."

Those who had witnessed all of this, except for Lei Xiao, were all dumbfounded!

If it wasn't for the circumstances, they would have covered their noses as well.

Zhan Nanheng raised his head to look at Lin Hanxing, his throat rolling up and down in shock.

She didn't even blink just now!

Lin Hanxing threw the man on the ground and got up unhurriedly. He took a wet tissue from the table and wiped his hands slowly.

Her appearance was moving and gorgeous.

"My manager and aunt Cheng are inside ..."

Zhan Nanheng's voice sounded a little dry.

Lin Hanxing raised his eyebrows slightly when he heard the words 'aunt Cheng' and threw the wet wipe into the trash can.

Lin Hanxing walked towards the direction Zhan Nanheng was pointing at, his high heels clicking loudly against the floor.

When he opened the door to the inner room, he saw two people lying inside.

One of them was Cheng Lingyun.

She didn't know if it was because she had heard the movement and was about to wake up.

Lin Hanxing looked down at her, and with a quick move, he knocked Cheng Lingyun out again.

"You ..."

Zhan Nanheng had obviously seen this scene.

Lin Hanxing raised his head slowly and looked at him with cold eyes.

Zhan Nanheng's words came to an end.

Lin Hanxing returned to the outer room.

Other than the two who had been standing behind Zhan Nanheng, there were three other people in the room. They did not dare to act rashly because their companion was being held hostage.

"Who are they?"

Lin Hanxing's voice was emotionless, and no one could tell what she was thinking.

Zhan Nanheng looked at her without saying a word.

Lin Hanxing sneered and gave Bai Xi a call.

After hanging up with two short sentences, Lin Hanxing walked back to Lei Xiao's side without even looking at Zhan Nanheng.

"We have no intention of becoming enemies with Mister Lei."

The man who was pressed between his brows raised his hands and suddenly spoke.

He spoke fluent Chinese.

In other words, their target was only Zhan Nanheng.

The urgent ringtone of a mobile phone suddenly rang.

Lin Hanxing smiled and walked over to him. He reached into his coat pocket and took out his phone.

He put it on speaker and threw it on the coffee table.

“Is it done?”

The other party spoke in gstan and his tone was very gloomy.

Lin Hanxing raised his head to look at Zhan Nanheng. As expected, he saw a sinister look in the depths of his eyes.

“Tell your people to go back.”

Lin Hanxing sat down on the sofa unhurriedly. The moment he spoke, he also responded in standard gstan language.

Hearing this, Zhan Nanheng’s expression was one of shock.

He had never expected to hear her speak gstan so fluently.

The other end of the phone was silent for a long time.

“Who are you?”

After a long time, the other party spoke again, his voice clearly vigilant.

“No matter who I am, your people will not be able to take Zhan Nanheng away today.”

Lin Hanxing’s voice was calm and low. It was her usual negotiating tone.

“Little girl, I advise you not to meddle in other people’s business.”

Lin Hanxing chuckled when he heard this, and his laughter was also transmitted to the other party through the receiver.

“Since I dare to say this in front of the chief of Huaji, I naturally have the confidence to say this.”

As soon as he finished speaking, the men in the room who were dressed like bodyguards were shocked.

Lin Hanxing did not even look at them, a faint sneer on his lips.

It was as if he didn’t know what kind of impact his words would have!

Chapter 626: Hua Ji

Everyone in country G knew about Huaji.

It was the largest Chinese organization in country G.

It had a close relationship with San He and the others in port X.

The factions were widely distributed, and all the factions were connected and United with each other. This was very different from the hostile relationship between the local organizations in country G.

After Lin Hanxing finished speaking, he leaned back lazily on the black leather sofa.

The other party didn't say anything, and she didn't rush him either. It was as if this was a competition of patience.

"Okay, I'll ask my people to leave, but ..."

When the voice on the other end of the phone rang again, the tense situation seemed to be under control.

Lin Hanxing raised an eyebrow.

Why are these old guys still so annoying when they talk!

"You should know that there's no one Hua Ji can't get if they want."

After that, the other party hung up the phone.

Perhaps Zhan Nanheng had never thought that this crisis would end in such a way.

And it was all because of Lin Hanxing!

Lin Hanxing played with the other person's phone, not knowing what he was thinking.

After a long time, he slowly got up and walked towards Lei Xiao.

Her white finger landed on the black gun barrel, and the black and white presented an extreme beauty.

Lei Xiao let go and let Lin Hanxing take it. He then stood behind her.

Lin Hanxing flipped his hand and passed the gun to the man with a smile.

The other party's eyes were sizing him up.

Lin Hanxing was not impatient and let him look.

"How do you know we're from Hua Ji?"

He took the gun, and even though he knew he shouldn't ask, he still asked.

Lin Hanxing smiled and did not say anything.

After a while, the other party took the gun.

"Everyone, please."

Lin Hanxing pointed at the door, obviously not intending to continue the conversation.

The leader looked at her deeply.

He made a hand gesture and left with the unconscious brawny man on the ground.

The lounge returned to silence.

Zhan Nanheng was still rooted to the spot.

Lin Hanxing, on the other hand, signaled Lei Xiao to sit down with his eyes. He then walked to the coffee machine and started making coffee.

Not long after, the lounge was filled with the aroma of coffee.

Zhan Nanheng, you should know why I'm here.

Lin Hanxing's voice was cold, completely different from when he was facing Lei Xiao. The listeners could not help but tremble.

Zhan Nanheng looked at her without saying a word.

It seemed that he had not recovered from the shock just now.

Knock, knock, knock.

There was a knock on the door of the resting room.

Zhan Nanheng's eyes turned cold, and even his expression became wary.

"Open the door."

Lin Hanxing put a sugar cube into his coffee and ordered in a cold tone.

His aura was too strong.

By the time Zhan Nanheng came back to his senses, the door had already been opened.

Bai Xi and Rong Shiyu were standing at the door.

"Did you bring the thing?"

Lin Hanxing placed the coffee in front of Lei Xiao, but the question was directed at Bai Xi.

"Don't worry, I'll handle this."

"We'll leave after this."

Lin Hanxing raised his head and smiled at Lei Xiao, his smile as tender as water.

Lei min picked up his coffee and was about to drink.

drink slowly!!!

Lin Hanxing saw through what he was trying to do and quickly added.

Lei Xiao raised his head to look at her, and pursed his lips.

Bai Xi sighed in his heart.

She happened to be freeloading at Rong Shiyu's tonight. When she saw the TV, she almost spat out the porridge in her mouth.

Even though she was wearing a mask, they could recognize miss Jiu at a glance!

After making sure that Lei Xiao would not finish his coffee in one gulp, Lin Hanxing glanced at Zhan Nanheng, who was still standing by the door.

The latter closed the door of the lounge again.

"The person is inside."

Chapter 627: Let her get her wish

By the time Lin Hanxing finished speaking, Bai Xi and Rong Shiyu had already walked toward the inner room.

When he opened the door, Cheng Lingyun and Zhan Nanheng's manager were still unconscious.

Lin Hanxing kicked Cheng Lingyun with the tip of his foot.

She did not respond.

"Let's start." Lin Hanxing could easily control his strength.

Therefore, she knew very well that Cheng Lingyun would not wake up within two hours.

"What do you want to do to aunt Cheng?"

"Aunt Cheng?"

Lin Hanxing turned to look at Zhan Nanheng with a half-smile.

"Are you close to her?"

The answer to this question would directly determine her position in him.

"She's the wife of Mr. Yuan's younger brother."

Zhan Nanheng added, as if he was afraid that Lin Hanxing didn't know who Mr. Yuan was.

the richest Chinese man in country G, Yuan shaojing.

Lin Hanxing raised his head and sneered. The mole under his eyes was illuminated by the crystal Light.

"So what?"

Zhan Nanheng choked and couldn't say a word.

So what? She actually asked so what?

"I'm afraid there's something you don't know yet ..."

Lin Hanxing leaned against the wall. Although he was speaking to Zhan Nanheng, his eyes were on Lei Xiao.

"Your aunt Cheng is now Yuan shaojing's fiancée."

“.....”

Zhan Nanheng's face was expressionless. He didn't know how to respond to that.

“Also, you asked me what I wanted to do to her ...” He continued.

Lin Hanxing's eyes were filled with mockery. He did not even try to hide it so that the other party could see it clearly.

“I'm just letting her get her wish.”

Her soft voice was the most touching, but other than that, Zhan Nanheng could hear the coldness hidden within.

Bai Xi handed Rong Shiyu a single-use syringe and an unopened bottle of white liquid.

This bottle of medicine was sent over by uncle Jin, and there was only one bottle for the time being.

In order to ensure that nothing went wrong, Lin Hanxing still asked Bai Xi to bring Rong Shiyu along for the injection.

With a serious expression, Rong Shiyu extracted the medicine with a syringe and flicked it with his index finger.

Suddenly, he heard someone on the loudspeaker from Thunder valiant.

Very quickly, the call was picked up.

“Ah Xiao,”

Zhan Nanheng was stunned. It was Yuan shaojing's voice.

Lei Jing expressionlessly gave a simple account of the matter, and there was no movement from Yuan shaojing's side.

Until he finished listening.

“Nan Heng.”

“Mr. Yuan,”

Zhan Nanheng tried to calm his voice down.

“Whatever Hanxing wants to do, just let her do it. Don't ask too much.”

He didn't say much, a simple sentence was enough.

“I understand.”

After a long time, Zhan Nanheng spoke.

With that, Lei Xiao hung up the phone.

On Rong Shiyu's side, he had completed the entire injection process in a short time.

Lin Hanxing looked down at the unconscious Cheng Lingyun.

The effect of the medicine would gradually become more obvious in a few days.

The corners of his lips slowly curled up into a mocking smile.

“Uncle hai will come to pick her up later.”

Lei Xiao’s voice was cold and emotionless. After he finished speaking, he continued to drink his coffee seriously.

“Ninth young lady, we’ll be leaving first.”

After they were done with their business, Bai Xi and Rong Shiyu naturally wouldn’t stay any longer.

Lin Hanxing nodded at them and watched them leave.

An unknown amount of time passed ...

Lin Hanxing turned to look at Zhan Nanheng.

Her long black eyelashes fluttered.

“I think it’s our turn to talk now.”

Hearing this, Zhan Nanheng’s heart skipped a beat ...

.....

In the Lin family’s Villa.

When Shen Shu ‘er was brought into Lin Hanxing’s room by Luo Ruyin, she was completely stunned.

Chapter 628: You won’t be able to have it in your lifetime

Luo Ruyin couldn’t help but roll her eyes at Shen Shu ‘er’s shocked expression.

As expected, he had a poor look that had never seen the world.

She could not help but complain in her heart. However, she had forgotten that she was even worse off than Shen Shu ‘er when she first came in.

“What did you bring me here for?”

Shen Shu ‘er rolled her eyes and felt that something was not right.

Ever since he had brought his son to this house, Luo Ruyin had never looked him in the eye.

However, when they met in the corridor, she actually pulled him into this room.

This room ...

“Don’t you think this is a woman’s heaven?”

Even if she didn't want to admit it, Luo Ruyin had to admit that she couldn't help but be jealous of Lin xiaojiu's cloakroom.

Why was it that all the good things in this world were monopolized by her, Lin xiaojiu!

Shen Shu 'er did not say anything.

These clothes, bags, and even jewelry ...

Most of them had not been opened.

Just like that, they were quietly placed in the cloakroom. Under the bright Crystal lights, they reflected a luxurious light.

Her eyes gradually revealed her infatuation.

Shen Shu 'er's heart yearned for money, and it was precisely because of this that she was willing to take the risk to give birth to her son.

But now, after the old lady had a stroke, Lin youlin did not even hire a caretaker and pushed all the dirty work to her ...

Luo Ruyin reached out to take a piece of clothing from the hanger and compared it to Shen Shu 'er's body.

this is the room that Lin xiaojiu snatched from me.

Luo Ruyin still bore a grudge over this matter!

At the mention of Lin xiaojiu, Shen Shu 'er suddenly remembered that pair of cold and domineering eyes. She shuddered subconsciously and pushed away the clothes that Luo Ruyin was gesturing at.

"What are you afraid of? she's not back yet."

Luo Ruyin looked down on Shen Shu 'er from the bottom of her heart, and even more so on the wild child she gave birth to.

She fantasized about being a Princess and reached out to touch every piece of clothing. She arrogantly raised her chin, but she didn't know that Shen Shu 'er had already seen through her thoughts.

She just wanted to use her hand to make Lin xiaojiu unhappy!

"You won't be able to have all these in your life."

Even though she knew that Luo Ruyin was instigating her, Shen Shu 'er's eyes could not help but wander to every corner of the room.

"I don't dare to."

Shen Shu 'er said dryly.

"Hehe, you even dared to have a child behind our back, and you don't dare to do it with just a few clothes?"

“There’s so many clothes here, yet Lin xiaojiu can still remember them all? Who would know if you put it back after you’re done wearing it?”

Luo Ruyin sneered in her heart.

After laughing, she felt that these words were particularly familiar, as if someone had encouraged her like this before.

Who was it?

She took out a key from her pocket and placed it on the special mirror cabinet that contained the jewelry. With a click, Shen Shu ‘er woke up.

“This is the key to this room. I’m giving you a chance ...”

Luo Ruyin slowly pushed the key in front of her.

“It’s up to you if you can grasp it.”

After saying this, Luo Ruyin turned around and left with a smile.

Her second brother had once said.

It was the most brilliant to know how to use idiots to do things for you.

Hehe, she just wanted to make Lin xiaojiu unhappy!

.....

Lin Hanxing took a sip of his coffee. As expected, instant capsules were not as good as freshly ground ones.

“What did my mom send you back then?”

After placing the coffee cup on the coffee table, Lin Hanxing raised his head and looked at Zhan Nanheng coldly. Even his voice did not have much fluctuation.

Chapter 629: This man was the only exception

Hearing this, Zhan Nanheng was stunned.

He thought that Lin Hanxing would at least cut off the small talk before going straight to the point. He did not expect her to be so direct.

Not even willing to say a word of nonsense?

“Aren’t you curious about the trouble I’ve caused?”

Zhan Nanheng laughed, a self-deprecating smile in his voice.

Lin Hanxing looked at him indifferently.

“That’s your business.”

To her, none of this was important.

Hearing this, Zhan Nanheng was silent for a long time, his long and narrow Phoenix eyes staring at her.

“You’ve changed,”

When she was young, she was as soft and cute as a little bun.

Although it had been so many years, Zhan Nanheng had always remembered it.

“I’m really curious about what happened to you.”

Lin Hanxing’s expression changed when he heard that.

“You don’t know?”

At least, she thought that he had come back because he had found out about her.

However, after hearing what he said just now, it didn’t seem to be the case.

“I only know that something happened to uncle and auntie’s company back then.”

After confirming that Zhan Nanheng wasn’t lying, Lin Hanxing leaned back on the sofa.

“Then you can check it on the internet now.”

Lin Hanxing’s voice was very calm, without any fluctuations.

Zhan Nanheng looked at her suspiciously, but he still took out his phone and started searching.

The more he read, the more serious his expression became.

He didn’t know how long it had been like this ...

“I’m sorry, I don’t know,”

Zhan Nanheng didn’t know that the crisis back then would bring about such a chain reaction. He didn’t even expect that after the Lin couple passed away, she would actually be abducted for 18 years and only return to Jiang city not long ago.

There was no change in her facial expression. She was so calm that it was as if nothing had happened.

It seemed to be the case since the first time he met her.

She was cold and distant.

Nothing could change her.

No, that was not right.

Zhan Nanheng’s gaze shifted to Lei Xiao.

This man was the only exception.

“Now, can we get back to the main topic?”

Lin Hanxing's posture was lazy, his soft seaweed-like hair scattered on both sides of his body, making his porcelain white face only the size of a palm even more obvious.

"I don't know what it is."

As Zhan Nanheng's voice fell, the atmosphere became subtle.

After a while, Lin Hanxing sneered.

"You think I'll believe you?"

This question was filled with sarcasm.

Her aura was really strong, and even Zhan Nanheng was almost unable to hold on.

"Other than my mother, no one else knows what's inside."

Zhan Nanheng had no reason to lie.

Lin Hanxing looked at him for a while and believed his words.

Without waiting for her to speak, Zhan Nanheng laughed bitterly.

"It's a pity that she's dead."

Lin Hanxing's fingers paused, but he did not say anything.

In his memory, mother Zhan's image gradually became clear, and Lin Hanxing's eyes darkened.

back then, I didn't even have time to say goodbye to you before I was taken on a plane to country G. Two years later, she died.

Country G.

Lin Hanxing's fair fingers tapped the sofa rhythmically.

She seemed to be particularly fated with the people in this place.

Whether it was aunt Mian, Yuan shaojing, or even Zhan Nanheng.

"There's something wrong with mother Zhan's death."

This was a statement, not a question. Zhan Nanheng stood up abruptly and looked at her with a wary gaze.

"Your tone and eyes tell me."

Lin Hanxing said coldly.

When he mentioned mother Zhan's death, his eyes were filled with complicated emotions.

She was all too familiar with that gaze.

Many, many years ago, when she was first taken in by aunt Mian, she would often see her face in the mirror.

Zhan Nanheng suddenly felt that Lin Hanxing was a little scary.

Chapter 630: He was looking for someone

“You’re not the first person to feel that I’m scary.”

Lin Hanxing glanced at Zhan Nanheng and said coldly.

Zhan Nanheng opened his mouth, as if he wanted to say something, but nothing came out.

He felt that he had no secrets to hide in front of her.

“You’re right. I suspect that my mother was killed by someone.”

He sat down again.

When he said this, Zhan Nanheng seemed to be relieved of a load.

“I want to know, what does this have to do with you using me?”

Lin Hanxing picked up the cup of coffee again and glanced at Lei Xiao. There was still half of the coffee left in his cup, but he did not drink it.

Zhan Nanheng repeatedly mulled over the word ‘exploit’.

Indeed, his actions could be considered as taking advantage of her.

“I’m trying to divert your attention.”

Zhan Nanheng gave his answer very quickly.

Lin Hanxing fell into deep thought.

“You’re looking for someone?”

“.....”

Zhan Nanheng felt a little stressed.

Lin Hanxing was too smart, so smart that he felt that it was a stupid thing to hide things from her!

“Yes.”

He nodded with some effort.

Lin Hanxing’s fingers gently stroked the edge of the cup. Her eyes were deep, and no one could tell what she was thinking.

“Who?”

Just as Zhan Nanheng was hesitating whether to say it or not, Lin Hanxing’s phone rang.

She glanced at the caller ID and saw that it was uncle Jin. She reached out and motioned for him to keep quiet.

"Yes, uncle Jin."

After listening for a long time, Lin Hanxing looked at Zhan Nanheng, deep in thought.

"I know, I'll handle this."

With that, he hung up the phone.

"I'm looking for ninth young lady."

Zhan Nanheng had been thinking about how to explain to her who miss Jiu was in the simplest words.

"Yes, what do you want from me?"

Coincidentally, this was what uncle Jin was talking about in the phone call just now.

Hence, he was using her to divert attention.

Yet, he sent someone else to look for her?

"I was looking for you ..."

Zhan Nanheng went along with her words and only realized what was wrong after a while.

"I mean, I'm looking for ..."

"What do you want from me?"

Lin Hanxing looked at him calmly, his eyes as still as an ancient well.

Some words didn't need to be said too clearly, and it was enough to stop there.

It all depended on how the other party would understand.

Even though Zhan Nanheng had experienced so many things over the years, it was far less shocking than this!

What did Han Xing mean by this?

Zhan Nanheng didn't say anything, and Lin Hanxing didn't seem to have any intention of speaking.

Lei min sat there expressionlessly and suddenly spoke.

"Someone's coming."

Not long after he finished speaking, there was a knock on the door.

Zhan Nanheng stood up to open the door in a daze.

Uncle hai was standing outside the door.

"I'm here to pick up Madam Cheng."

After he finished speaking, uncle Hai's gaze fell on Lin Hanxing and Lei Xiao.

"Miss Lin, Mr. Lei."

They greeted him respectfully.

Lei Xiao finished the remaining half cup of coffee in one gulp, then looked at Lin Hanxing with the empty cup in his hand.

She had said that they would leave after this glass.

His deep eyes stared at Lin Hanxing.

It made her feel helpless.

uncle hai, Mrs. Cheng's body will undergo some changes recently. Please take care of her.

Lin Hanxing's words had a hidden meaning, and uncle hai instantly understood.

She put on the windbreaker again. She had promised Lei Xiao, so she naturally would not go back on her word.

Realizing that she was about to leave, Zhan Nanheng wanted to ask her to stay.

"I think you need some time to sort out what happened tonight."

Lin Hanxing said coldly before he could open his mouth.

His intention to leave was obvious.

"I hope that the next time we meet, you'll be able to think about your request."
