

## Goodnight 631

Chapter 631: They all call you hubby

It was already midnight when they returned to the Lei family.

The two of them didn't wake up and went back to the bedroom.

Lei Xiao went to the bathroom to take a shower.

Lin Hanxing was lazily lying on the sofa, scrolling through his phone and thinking about mother Zhan.

As he flipped through the pages, Lin Hanxing's expression changed.

On Weibo, the discussion about tonight's incident was already bursting.

In the public eye, the four sons of the Lei family were as low-key as they could be, and among them, the eldest young master of the Lei family was the most mysterious.

This time, he was actually angry for the sake of a beauty!

One could only imagine what kind of commotion it would cause!

[ young master Lei, my husband: hubby, hubby, my hubby, I've been licking the screen attentively for 10000 years! ]

Tofu pudding needs salty food: " the person upstairs is so shameless. That's my husband. Hubby, hubby, I want to give birth to your monkeys!

Lin Hanxing supported his forehead with one hand and scrolled through the comments.

[ cabbage-gnawing fairy: doesn't anyone think that he's ten thousand times more handsome in real life than the photo his gay friend posted last time??? ]

Seeing this, Lin Hanxing could not help but nod.

She heard that the server almost crashed after Yan beiming posted that photo.

Countless girls saved it for them to use.

He had used up his pocket money again,"sigh, other people die in the light, but young master Lei wants to sleep in the light!"

In an instant, there were over 10000 'want to sleep' comments and it was pushed to the top of the headlines.

Hmph, he's mine!

Lin Hanxing felt proud for once.

However, a comment quickly caught her attention.

Cute fatty:

[ I'm your little cutie: ditto! ]

.....

Lin Hanxing smiled and opened the account 'Starfall owlfall brainless fan'.

It was obvious that it was a smurf account.

He opened the private message and sent it over.

A little swallow?

Just as the phone vibrated, the door to the bathroom was pushed open.

Lei Xiao walked out barefooted in a bathrobe.

She was drying her hair with a towel with one hand.

The bandage on his other hand was completely wet.

"Don't move,"

Lin Hanxing threw his phone on the sofa and ran to him.

Lei Xiao lowered his head to look at Lin Hanxing, who was only as tall as his moon-shaped chest, and allowed her to pull him to the side to sit down.

She took the towel and rubbed it on his head to vent her anger.

"What's wrong?" A muffled voice came from under the towel.

Lin Hanxing did not say anything.

However, the force in his hand finally slowed down.

Lei Xiao's deep eyes swept across her little feet as she ran over.

It was already autumn, and the floor was slightly cold.

He stretched out his wide foot and placed it under her foot, pretending that nothing had happened.

Lin Hanxing sat in his arms.

The man's white bathrobe's open neckline revealed his strong pectoral muscles, and he still had the refreshing feeling of having just taken a bath.

"They all call you hubby."

Even though Lin Hanxing wanted to put on a stern face, it did not seem to have any effect.

"They?"

Thunder valiant didn't react in time.

Although he had created an account, he had not logged in ever since Lin Hanxing helped him set it up.

Lin Hanxing picked up his phone.

She pressed his finger to unlock the screen, and the moment she opened Weibo, the number private messages on Lei Xiao's account had exploded!

"There!"

Lin Hanxing was sitting on his lap, his phone was waving back and forth in front of Lei Xiao.

She opened the private message, and sure enough, her husband's voice was constantly ringing in her ears.

Lei Xiao didn't even look at her, only focusing on her fair and clean little face.

?

Chapter 632: The first Weibo post

There were only three words in his heart.

It's really nice.

Her long black eyelashes were like down feathers, and when she blinked, the light in her eyes disappeared.

It made one's heart tremble.

"I've never seen it."

Lei Xiao rubbed his wet hair that had just taken a bath against her, the slightly hard texture of his hair was a little prickly.

Lin Hanxing laughed and dodged, but his body tilted.

Lei Xiao quickly pulled her back into his arms and let Lin Hanxing sit down.

"I'll help you change your bandages."

Lin Hanxing stuffed his phone into the collar of his bathrobe, his small hands rippling.

Seeing her scurry away like a rabbit, Lei Xiao felt extremely helpless.

He took out his phone and looked at the private messages on the screen that read ‘hubby, hubby, I love you’. There were even some flirtatious messages from 24th-tier models and actors. He frowned.

He saw Lei Xiao’s serious expression as he posted his first Weibo post.

After sending the message, he threw his phone aside.

He had no idea what kind of sensation this Weibo post would cause!

After a while, Lin Hanxing returned with the first aid kit.

The wound on the Thunder valiant beast’s hand had healed very well, but it still looked like it was foaming after being soaked in water.

“Does it still hurt?”

After Lin Hanxing used the disinfectant to disinfect the wound, he gently blew on it.

The Thunder valiant beast wanted to shake his head.

It was obvious that these injuries were nothing to him.

But ...

The soft yellow light from the wall lamp fell on her body, making Lin Hanxing’s already beautiful shoulders and neck even more prominent.

“A little.”

When he realized what he had just said, he pursed his lips nervously.

Lin Hanxing looked up at him and blinked.

“Kiss ... Kiss ... It won’t hurt anymore ...”

Thinking of his little nephew’s usual coquettish words, Lei Xiao said in a hoarse voice.

Lin Hanxing’s eyes widened.

She couldn’t be blamed for being too slow, this really didn’t seem like something Thunder valiant would say.

If he had not heard it with his own ears, Lin Hanxing would have thought that it was a rumor.

“I’m just joking.”

After saying that, Thunder owl turned his head to the other side, looking as awkward as he could be.

The next second, Lin Hanxing pounced on him and kissed him.

How could he be so cute!

“.....”

Her eyes were as bright as the stars in the night sky, and Lei Xiao couldn't help but want to hug her ...

Buzz buzz buzz ...

The phone that Lin Hanxing had thrown on the sofa started to vibrate crazily.

Lei Xiao's hand was already about to grab her waist, but Lin Hanxing's sudden action of turning around caused his long hair to sweep across his face.

“Sleep first if you're tired. I'm going to take a shower.”

Lin Hanxing got up and took his phone to the bathroom.

“.....”

He lay on the bed helplessly.

Suddenly, the Thunder valiant beast rolled the blanket to the other side ...

.....

After a simple shower, Lin Hanxing entered the bathtub.

He reached out for the phone and glanced at the screen.

[ 9.90RMB delivery: Little Star!!! ] Quickly look at Weibo! [ the dog eyes that scared me ].jpg

[ 9.90RMB delivery: Little Star, are you there? don't hide inside and not make a sound, I know you're at home.jpg ]

What was wrong with Yan beiming?

Lin Hanxing replied as he rested his chin on his arm.

Xing Xiaoxing, "huh?"

Lin Hanxing did not mind this time, but Yan beiming's WeChat immediately started to bombard him.

Puzzled, Lin Hanxing opened the Weibo app and logged in after logging out three times.

When he saw the content, his eyes widened ...

?

Chapter 633: A stone that caused a thousand ripples

Lei Xiao V: " please stop calling me hubby. My wife will get angry.

This was Lei Xiao's first Weibo post.

"....."

Lin Hanxing blinked, his long eyelashes were wet from the mist.

Why did she feel that ...

Lei Xiao's tone had a strong sense of an old veteran?

She placed her hands on the edge of the bathtub and stroked the sentence back and forth with her fingertips.

Looking at the time, it should have been sent out by Lei Xiao when he went to get the first aid box.

The effect was obvious. Weibo exploded in an instant.

A single stone caused a thousand ripples.

Lin Hanxing finally understood why the app had retreated after he had tapped on it three times!

Lei Xiao's popularity was even higher than the current popular young actors!

Xing Xiaoxing: [ go to bed early. Don't stay up late to play with your phone. It's not good for your phone  
].jpg

[ 9.90RMB delivery: I feel the malicious intent from this world. why does my heart hurt so much ".jpg ]

[ Xing Xiaoxing: don't worry. You'll always be his little sweetie and Madam Niu. ]

Lin Hanxing's fair fingers tapped lightly on the screen as he sent the message to Yan beixiao.

Lin Hanxing did not know if it was because of the essential oil that was used to relax his body, but he could not stop smiling.

A faint fragrance filled the air.

He clicked on the comments below and saw that they were all wailing!

[ fatty smash fatty smash to death fatty smash-I'm crying while crazily swallowing this cold dog food! ]

Young master Lei's wife: " that's right. Baby will be very angry if anyone calls him 'hubby' again!

[ frog silk: am I the only one who thinks that young master Lei is a little cute? ] Old cadres are cute!

[ candied gourd without sugar: you're all wrong!!! ] The key question was, who was young master Lei's wife!

Because of this sentence, the vast number of netizens were instantly aroused to ask who Lei Xiao's wife was!

[ toilet bowl: RUO RUO, raise your hands. Have you all forgotten about the woman who was held back by both young master Lei and little zhanzhan at the autograph signing event tonight? ]

.....

The more he read, the more the netizens brainstormed and wanted to find out who the woman who had stolen their beloved 'husband' was.

Lin Hanxing tapped back to the top of the page. After seeing the message that Lei Xiao sent, his eyes became gentler.

She leaned her head against her arm, and a few strands of black hair that were not tied up were wet and stuck to her face.

His wife ...

.....

When Lin Hanxing came out of the bathroom, Lei Xiao seemed to have already fallen asleep.

The air was still filled with the faint fragrance of Cape Jasmine.

The curtains by the floor-to-ceiling windows moved slightly in the wind.

Lin Hanxing snuggled up to him like a cat.

As if she felt that it wasn't enough, she lifted his heavy arm and placed it on her shoulder.

"I know you're not sleeping."

Lin Hanxing stretched out his hand and poked the muscles on his arm.

Lei Xiao moved and buried his face in her neck.

"I'm going to sleep."

His deep voice was a little hoarse. He didn't open his eyes and rubbed the tip of his nose against her.

"Who's talking to me when I'm asleep?"

Lin Hanxing turned to look at him, and her lips brushed past the tip of his nose.

"I don't know,"

Lei Xiao grunted, then reached out and pulled her into his arms.

"It's hot ..."

She gave him a push.

Lei min did not let go. He grabbed the remote control of the air conditioner and turned it on.

"....."

It's autumn!

Looking at the air conditioner, Lin Hanxing suddenly remembered that he had a good sleeping posture but he always felt especially cold in the middle of the night!

When she woke up the next day, she was in the arms of Thunder valiant beast!

Could it be him ...

Lin Hanxing narrowed his eyes and stared at Lei Xiao, deep in thought.

Not knowing if he could feel it, Lei Xiao suddenly pulled the thin blanket to cover his face.

“.....”

Acting! Continue acting!

?

Chapter 634: Rotten apples and glamor

The next morning.

When Lin Hanxing came downstairs, mother Lei was holding Zhan Nanheng's autograph happily.

“First aunt!” Yuan Bao was the first to see Lin Hanxing. He ran over and opened his arms, asking for a kiss, a hug, and a lift!

Suddenly, there was a click behind him.

The sheep dumpling shook its wool and pouted.

Just now, Lei min had placed the coffee cup on the table expressionlessly. Although he didn't turn around to look, he had done it with great power.

Lin Hanxing didn't even look at him. He reached out and picked up the shivering little sheep in his arms.

He pretended not to see Lei Xiao's fingers gradually tightening around the coffee cup!

“Daughter-in-law, I saw the news!”

“If you had to choose last night, who would you have chosen?”

Mother Lei did not even look at her son. She went up to Lin Hanxing and mumbled softly.

“Yinyin,” Father Lei raised his head and stared at his wife with a sharp gaze.

Mother Lei stuck out her tongue and turned to look at Lin Hanxing with anticipation.

Lin Hanxing hugged Yuan Bao.

When he heard that, he glanced at Lei Xiao.

However, Lei min picked up the cup of black coffee again with an expressionless face and lowered his head to read the newspaper.

He didn't seem to care about the conversation at all.

But ...

Did he really not care at all?

"I choose ..."

Lin Hanxing seemed to be hesitating, while Lei Xiao was making strange noises.

He saw the large hand holding the newspaper tighter and tighter.

However, before Lin Hanxing could answer, his phone rang.

It was a call from Bai Xi.

Lin Hanxing picked up the phone without any hesitation. After hearing what the other party said, he simply replied and hung up.

"Lu bingde is getting discharged today. I'll send him to the Lu family later."

It seemed that his words had worked.

"Yes."

Lei min folded the newspaper expressionlessly and put it aside.

"Lu bingde? The eldest grandson of old master Lu?"

At the mention of him, mother Lei didn't seem to be as sarcastic as the others when they mentioned Lu bingde.

"Mother Lei knows him?"

Lin Hanxing could tell from mother Lei's words that she had a good impression of Lu bingde.

"There's nothing wrong with this child other than being a little stupid!"

Thinking back to how silly and sweet Lu bingde was when he saw him at the hospital, Lin Hanxing felt that mother Lei's words were true.

"You're quite kind."

Seeing that Lin Hanxing was looking at her, mother Lei could not help but tell him what she knew.

Lin Hanxing listened.

He didn't expect that all the anonymous donations that Jiang city's Welfare Institute had received over the years would be Lu bingde's doing.

Perhaps even old master Lu would think that Lu bingde had squandered all his money.

"I also found out by accident."

Mama Lei cupped her chin with one hand.

In fact, she had not expected that the eldest grandson of the Lu family, who seemed to have been crippled, was actually not as much of a bastard as others thought!

Lin Hanxing smiled faintly.

“From mother Lei’s tone, it seems like she doesn’t like Lu Jiashu.”

Lei Xiao seemed to be looking for something, but Lin Hanxing did not even look at him and pushed the pepper powder to him.

His movements were smooth and natural.

It was as if the two of them had been living together for a lifetime.

“I can’t say I don’t like it, let’s put it this way ...”

some people look like rotten apples, but in fact, they taste sweet and delicious. Some people look bright and beautiful, but in fact, they are golden on the outside and rotten on the inside.

Although she didn’t get involved in the matters of the circle, it didn’t mean that she didn’t know anything.

At the thought of Lu Jiashu, Mama Lei pouted. What a pity ...

In that circle, everyone had decided that the only successor of the Lu family was Lu Jiashu.

If he were to really take over the Lu family, he was afraid ...

?

Chapter 635: Damn tsundere

Hopefully, old master Lu wouldn’t be muddleheaded.

Mother Lei was really good at judging people.

Lin Hanxing thought.

Unfortunately, most people in this world would be confused by appearances.

“Argh! I’m going to hang little zhanzhan’s signature up and put it on the bedside table!”

Mama Lei held Zhan Nanheng’s signature and wanted to find someone to Mount it.

“If you dare, I’ll sleep in the study tonight!”

Lin Hanxing pursed his lips and held back his laughter. Father Lei’s threat was really unique.

However, mother Lei did not even stop and ran off without a trace.

“.....”

As expected, pretty boys and whatnot were the most annoying!

Lin Hanxing watched as mother Lei and father Lei went upstairs before he started to eat his breakfast.

The corn salad was obviously Yuan Bao's favorite. It was sweet and delicious, and there was also the bright yellow pumpkin congee, which was soft and sweet.

"I'm full."

Said Lei Xiao as he looked at Lin Hanxing.

Lin Hanxing grunted and continued to eat his pumpkin porridge.

Thunder owl, who had stood up, sat back down with a thud and looked at her.

Lin Hanxing looked up.

She didn't know what kind of temper he was throwing again.

As he thought about it, he stuffed a mouthful of corn salad into his mouth.

The two of them looked at each other. Lei Xiao didn't speak, and she didn't say anything either.

"....."

"....."

Hmm, this corn salad was indeed delicious.

"Choose me."

Throwing down these two words, Lei Xiao once again stood up and left the dining room.

"....."

Lin Hanxing only understood what he was saying after a while.

"Tsunidere ghost!"

Yuan Bao snorted twice. He only dared to say such words when his uncle was not around.

Lin Hanxing smiled and took a sip of his coffee.

He gave Yuan Dabao 10086 likes in his heart!

That's right, she was a damn tsundere!

.....

At the Affiliated Hospital of Jiangcheng Medical University.

Lin Hanxing called Jiang Xibao before he left.

When she drove the car into the hospital's parking lot, Jiang Xibao was holding her roasted sweet potatoes and eating a stray cat happily.

Lin Hanxing liked Jiang Xibao very much, and her table manners were one of the reasons.

Even if you gave her a plain steamed bun, she would still be able to give you the feeling of a delicious delicacy.

It was really a pleasure to watch Jiang Xibao eat.

“Ninth young lady.”

He opened the last bite of the sweet potato, blew on it to cool it down, and carefully placed it in front of the stray cat. Then, he got up happily.

“Follow me.”

Lin Hanxing pinched Jiang Xibao’s chubby face and said calmly.

It was quite a distance from the VIP Ward.

Jiang Xibao briefly told her what had happened during Lin Hanxing’s absence for the past two days.

However, when she mentioned that Luo Ruyin had brought Shen Shu ‘er to Lin Hanxing’s room, her expression was clearly indignant.

“Ninth young lady, why didn’t you let me and the mute uncle appear?”

Jiang Xibao did not understand.

Lin Hanxing stopped and looked at her with a faint smile.

“When you’re fishing, if you don’t put a bait that you like on the fish, can it take the bait?”

Lin Hanxing continued to walk forward after he finished speaking.

Jiang Xibao was left to digest it slowly.

Bai Xi had obviously arrived early with his men.

When Lin Hanxing walked over, the guard at the door saluted her respectfully, but his expression was a little awkward.

“F \* ck, don’t take off my pants!”

“That’s my favorite ...”

“Lu bingde, shut up!”

Lin Hanxing stood at the door and listened for a while. He finally understood why her well-trained men had such subtle expressions.

“Open the door.”

The door was pushed open from the outside after Lin Hanxing finished speaking.

The two people who were in a stalemate inside looked up at the door in unison.

When he saw that it was Lin Hanxing, Bai Xi let go.

Due to inertia, Lu bingde’s head hit the bed with a thump, and his facial features tensed up in pain.

“She took off my clothes ...”

When Lu Bingde saw Lin Hanxing, it was as if he had seen his Savior. He complained pitifully!

?

Chapter 636: A strange taste

“She’s a hooligan!”

As he spoke, he pointed at Bai Xi with his finger in a cast.

Then, she curled up on the bed and looked like a little wife who would rather die than submit!

“You keep talking!”

Bai Xi’s eyes widened, and his face was filled with disappointment!

Lin Hanxing looked at Lu Bingde expressionlessly, his eyes scanning him from head to toe.

It wasn’t hard to understand why Bai Xi was so irritable.

She was dressed too ugly!

Lin Hanxing couldn’t help but recall the night of the Wild race at the red Bay ramp. He seemed to be wearing a Hawaiian shirt and pants, and now he was even more exaggerated!

He looked at Lu Bingde’s brown hip-hop costume, the skull necklace and ring on his neck ...

She didn’t even have the heart to complain.

This style and taste of clothing was completely like the scene of a car accident!

Lu Bingde immediately retracted his head after being glared at by Bai Xi.

“You don’t understand, this is called Fashion! Fashion!”

He was arrogantly defending himself!

“.....”

Fashion didn’t know who he had offended.

“Don’t you think you’re dressed like sh \* t?”

Bai Xi sneered, unwilling to be outdone.

“You’re the most vulgar woman I’ve ever seen!”

The veins on Lu Bingde’s neck were clearly visible from his anger!

“If you continue to make noise, I’ll strip you naked and hang you outside, do you believe me?!”

Bai Xi suddenly pointed out the window!

Seeing that the two of them were about to start arguing again, Lin Hanxing could not help but speak up.

“All of you, shut up!”

Lu Bingde and Bai Xi immediately quieted down!

Lin Hanxing walked to the closet and opened it.

“.....”

She had never seen a man’s wardrobe so colorful before!

She simply wished she could wear the rainbow on her body!

“Nice, right? These are all my collector’s editions!”

Seeing Lin Hanxing standing in front of the wardrobe for a long time without saying anything, Lu Bingde couldn’t help but show off.

“.....”

“.....”

“.....”

This was no longer a matter of taste, but a matter of the brain!

Lin Hanxing ignored him and reached out to pull out all the clothes from inside. He threw them into the trash can without any expression on his face!

A whistle sounded, and someone came in.

“Take it out and burn it,”

Lin Hanxing passed the trash can to his subordinate.

The latter quickly took the trash can and walked out.

“My Collector’s Edition ...”

Lu Bingde’s heart ached and he felt wronged!

“Shut up!”

This time, Lin Hanxing, Bai Xi, and Jiang Xibao could not help but speak at the same time!

They were all shouting slogans in unison!

Lu Bingde was so scared that he immediately shrank his neck back!

Lin Hanxing raised his hand and looked at his watch, then he made a call to get someone to come over.

After hanging up, Lin Hanxing sat on the sofa and looked at him.

“This is the best I have ...”

Lu Bingde felt wronged when he said this.

Bai Xi, who was originally burning with anger, looked at his little eyes and didn't say anything.

"I didn't mean to go against you."

Lin Hanxing looked at him and sighed in his heart.

"Who told you that you look good in this?"

Lin Hanxing said calmly, trying to find the root of the problem.

"Second aunt and Jiashu,"

As expected ...

"They're crazy!"

Bai Xi couldn't help but want to complain, but Lu Bingde immediately glared at her.

Jiang Xibao walked to Lin Hanxing and stood beside him.

She vaguely felt that the interaction between the two was a little cute.

Lin Hanxing's long eyelashes fluttered slightly. She was indeed a naive and innocent girl.

She didn't speak, and the others in the room also didn't speak.

It was as if he was waiting for something.

Fifteen minutes later, there was a knock on the door.

"Enter."

Lin Hanxing said coldly as he leaned back on the sofa.

Soon, a group of people walked in in an orderly manner.

?

Chapter 637: I'll leave it to you guys

Lin Hanxing pointed at Lu Bingde's direction.

"I'll leave him to you guys. You have an hour to clean him up."

Lin Hanxing didn't care whether Lu Bingde would resist or not and walked out of the ward.

Jiang Xibao and Bai Xi followed closely behind.

When he passed by the nurses' station, a nurse was on the phone.

"Mr. Lu ..."

Lin Hanxing looked at him indifferently.

Before Bai Xi and Jiang Xibao could react, Lin Hanxing had already walked toward each other.

With a click, the landline phone was locked.

“You ...”

The nurse raised her head abruptly. The moment she met his cold and indifferent eyes, she shivered subconsciously.

“There’s no need to call to inform him.”

Lin Hanxing sneered and said in a deep voice.

“I don’t understand what you’re saying.”

The nurse wanted to defend herself but Lin Hanxing did not listen. His eyes swept across her moon chest plate.

“Don’t lose your life for a small profit.”

Lin Hanxing said coldly. There was no fluctuation in his calm voice, but it was inexplicably scary.

The nurse’s eyes were filled with fear.

Lin Hanxing looked at her. From the nurse’s point of view, Lin Hanxing’s gaze seemed to see through her.

They didn’t even dare to move.

Ring ring ring ring ...

The phone rang again. Lin Hanxing glanced at the caller ID and smiled.

Without even looking at the people around her, she picked up the landline and put it to her ear.

nurse Yu, did something happen to my cousin? ”

Lu Jiashu’s warm voice came from the other end of the phone.

Lin Hanxing’s lips curled into a mocking smile.

“What do you think happened to him?”

When the cold voice reached the other end of the phone, Lu Jiashu did not speak for a long time.

“Miss Lin, long time no see.”

After a while, Lu Jiashu’s voice was heard again.

“It didn’t seem that long, did it?”

“.....”

Lu Jiashu really couldn’t respond to this.

His intuition told him that it was not a good thing to hear Lin Hanxing’s voice again.

“Miss Lin, you seem to be in the limelight recently.”

He chuckled, his gentle voice unable to hide his frivolity, completely different from the past.

“How can I compare to Mister Lu, who is young and promising, and unscrupulous in his pursuit of success?”

“.....”

Within a short period of time, Lu Jiashu was choked twice in a row, but he actually smiled with a good temper.

“Miss Lin seems to have a deep misunderstanding of me.”

“Is it a misunderstanding?”

Lin Hanxing’s gaze fell into the distance, and no one could tell his emotions.

“Of course it’s a misunderstanding.”

Lu Jiashu laughed and said as he leisurely leaned back in the president’s chair.

it doesn’t matter if it’s a misunderstanding or not. Anyway, I’m going to meet Mr. Lu very soon.

When the cold voice came, the smile on Lu Jiashu’s face finally stopped.

He narrowed his eyes when he realized what she had said.

“Miss Lin, what do you mean?”

Lu Jiashu’s body suddenly bounced up, and he went from his leisurely state to his battle-ready state.

“Hehe, don’t worry, you’ll know soon enough.”

Lin Hanxing did not care what Lu Jiashu wanted to say and quickly hung up.

With a click, it was clear.

Lu Jiashu looked at the phone in his hand with a dark expression. He seemed to have thought of something and called his own mother.

As for the hospital ...

Lin Hanxing pointed at the nurse station and sneered coldly.

let’s go. He’s going to take up some time anyway. I’ll treat you to coffee.

After Lin Hanxing finished speaking, he did not even look at the nurse and walked out.

Jiang Xibao followed him obediently.

On the other hand, Bai Xi glared at the nurse coldly, his eyes warning her.

?

Chapter 638: Maybe it’s because there’s a hole in his head

In the end, he didn't get to drink the coffee.

The reason was simple. Lin Hanxing was suddenly stopped halfway.

A woman with a few burly men.

Before Lin Hanxing could say anything, Jiang Xibao and Bai Xi had already protected her from each side.

"You're Lin little nine?"

The middle-aged woman was wearing sunglasses, and her voice sounded unusually hoarse.

Obviously, she didn't take Jiang Xibao and Bai Xi seriously.

Lin Hanxing looked at these people who obviously came with ill intentions, but he did not show any fear or panic on his face.

Her behavior made the other party frown.

"I'm asking you a question!"

The woman berated him, her hoarse voice filled with anger.

Lin Hanxing turned a deaf ear and patted Jiang Xibao and Bai Xi's shoulders.

The two of them turned around. After confirming it again and again, they stood behind her again.

"Didn't Madam Liang already know? What else do you need to ask?"

As he spoke, he smiled.

That smile, not to mention the bodyguards, even as a woman, Mrs. Liang ...

They all felt that it was alluring.

"You know who I am?"

Mrs. Liang sneered after she calmed down.

"Then you should also know why I'm looking for you!"

Mrs. Liang snorted and squinted her red and swollen eyes under her sunglasses.

"Maybe it's because there's a hole in his head."

Lin Hanxing replied unhurriedly.

Bai Xi couldn't help but burst out laughing.

"You ..."

Madam Liang's chest heaved up and down in anger, as if she didn't expect her to be so rude.

"Ha, you can be stubborn."

Suppressing her anger, Madam Liang sneered.

Lin Hanxing glanced at his watch. It seemed like he still had a lot of time to kill.

“Why don’t you get straight to the point, Madam Liang? tell me why you’re looking for me.”

He just didn’t know if it was her own decision to come looking for him or the Liang family’s intention.

“I want you to help our Liang family make peace with President Lei. You can name your conditions.”

Madam Liang said sinisterly.

Lin Hanxing chuckled softly.

“What if I don’t?”

Lin Hanxing looked at Madam Liang’s behavior and it was not difficult to understand where young master Liang’s death-seeking personality came from!

“Then don’t blame me for being impolite!”

Then, Madam Liang waved to the people behind her.

The people who were originally standing next to them seemed to have noticed that something was not right and moved away.

They watched from afar.

“Madam Liang really knows how to pick the soft persimmons to pinch.”

Even though there was a huge difference in power, Lin Hanxing’s side was not nervous at all.

When Bai Xi heard this, he couldn’t help but ridicule in his heart.

Other people would want to hide far away from miss Jiu if they saw her, but this Madam Liang just wanted to court death and hit the muzzle of the gun!

“But this isn’t a good place to talk. Why don’t we go to young master Liang’s ward?”

Lin Hanxing’s long eyelashes fluttered as he spoke softly.

Mrs. Liang thought that she was afraid and sneered at the bodyguard to stop moving.

“Then, please!”

.....

At this time, young master Liang was lying on the hospital bed half-dead, and other than his mouth, he couldn’t move anywhere else.

“Mom ... Mom ...”

She kept mumbling, and her whole body was in great pain.

It was worse than death.

Suddenly, the door of the ward was pushed open from the outside, and the sound of high heels clicking on the floor could be heard.

Seeing Lin Hanxing walk in, Mrs. Liang gave him a look and asked the bodyguards to guard the door!

Lin Hanxing glanced at Bai Xi and asked her to guard the door. Then, he entered the ward with Jiang Xibao.

“My son.”

Mrs. Liang heard young master Liang’s cry of pain and quickly went to the bed.

“Look who I’ve brought here.”

After he said this, he moved young master Liang’s head closer to Lin Hanxing.

Chapter 639: It’s easy to invite a God, but hard to send him away

“Ah ...”

Young master Liang suddenly screamed. Almost subconsciously, the urine bag hanging by the bed was filled with liquid.

Not expecting her son to react so strongly to Lin xiaojiu, Madam Liang glared at her.

However, Lin Hanxing was not affected at all. He sat down leisurely.

She raised her hand slightly to tie her long hair behind her ear, and the diamond bracelet made a faint cracking sound.

That flirtatious look stunned everyone.

Today, Lin Hanxing was wearing an ivory white silk shirt with Bell-sleeved design to add a highlight. She was paired with a pink ankle-length fishtail skirt and Jimmy Choo high heels. It was hard to imagine that she was such a woman ...

That day, with a ruthlessness that was not inferior to Lei Xiao’s, he had mercilessly crippled young master Liang’s knees.

“Young master Liang, you seem to be doing well.”

Lin Hanxing said coldly, his tone full of sarcasm.

If it wasn’t for the fact that young master Liang couldn’t move his limbs, he would have stuffed his entire body into his mother’s arms.

The sunlight poured into the room and fell on Lin Hanxing.

It seemed to give her a Halo.

Her long eyelashes trembled slightly, bringing with them fine ripples. Her exquisite and outstanding appearance was so enchanting that it could make one lose their mind.

"Mom, tell her to get out! Get out!"

Young master Liang's body couldn't help but tremble. His mind was filled with the scene of that day.

He hadn't returned to Jiang city for many years, so he didn't know that Jiang city had a change of dynasty.

Therefore, after he was punished that day, young master Liang didn't even know who he had offended.

It was only later that he heard from his parents how terrifying young master Lei was!

"Get out!"

Madam Liang only treated Lin xiaojiu as Lei Xiao's lover to relieve him of his loneliness, so her tone was not polite at all.

"Hehe, haven't you heard of this saying, Madam Liang?"

Lin Hanxing did not get angry, he only held the armrest of the sofa with one hand and rested his head on the side.

"It's easy to invite a God, but hard to send him away!"

Originally, she didn't want to cause trouble for the Liang family, but she didn't expect this Madam Liang with a hole in her head to take the initiative to come to her door.

Mrs. Liang didn't expect Lin Hanxing to resist her, and her eyes under the sunglasses widened.

"What do you mean by that?"

"I wouldn't dare to have any other intentions. Didn't Madam Liang invite me here?"

Lin Hanxing glanced at Jiang Xibao. Jiang Xibao, who was standing quietly next to her, immediately walked to the bed and pulled Mrs. Liang up from the bed. Young master Liang, who was unable to move his limbs, was also dragged out of the bed.

There was a loud bang.

"What are you doing!"

"Men! Someone come quickly!"

She struggled with all her might, but this chubby little girl's hand was like a pair of iron pincers, making her unable to move at all!

The bodyguards who should have rushed in immediately were unusually quiet at this time.

"Save your strength, they can't get in."

Lin Hanxing said as he stood up and walked towards Mrs. Liang. He reached out and took off the sunglasses on her nose.

Her red and swollen eyes were filled with anger and fear, and she could no longer hide it.

With a clatter, the sunglasses fell to the ground.

Then, Lin Hanxing's high heels slowly crushed the lens, making a piercing sound.

It was only then that Madam Liang realized how terrifying this woman who didn't seem to be aggressive was!

Lin Hanxing stopped looking at Mrs. Liang and walked to young master Liang.

Young master Liang, who was lying on the ground, was shocked by a pair of high heels that suddenly appeared in his field of vision.

It was like the scene from that day had reappeared.

He trembled in fear.

"Don't touch my son!"

Lin Hanxing turned around and looked at Madam Liang, who had been so arrogant just a moment ago.

His eyes were filled with mockery.

Chapter 640: I'm laughing at you for overestimating yourself

Madam Liang's entire body turned cold from the look in his eyes.

"There's one thing that Madam Liang doesn't seem to know yet."

As he spoke, Lin Hanxing stepped on young master Liang and sat down by the bed.

Seeing her precious son being stepped on by that woman, Mrs. Liang was furious, despite her fear.

"If you knew, you wouldn't have come to find me in such a way today."

Lin Hanxing's high heels stepped on young master Liang's body, causing him to gasp in pain.

"What is it?" Madam Liang asked.

"Your son's legs were crippled by me."

Lin Hanxing's voice did not fluctuate at all when he said this, as if he was discussing the weather outside.

When Mrs. Liang heard this, she was stunned at first, then she screamed and wanted to pounce on her.

No matter how hard she struggled, Jiang Xibao did not move at all.

"You B \* tch! I want you to compensate me for my son!"

Seeing that she couldn't break free, Madam Liang started to curse.

Lin Hanxing turned a deaf ear to her and let her scold him, but it did not hurt at all.

“What do you have to make me pay for your son?”

Lin Hanxing chuckled and looked at her coldly. He exerted a little force on his foot and young master Liang cried for his parents in pain.

His eyes were cold and emotionless.

It was as if they were playing a game.

She completely restrained her temperament when facing Lei Xiao and the Lei family, and her powerful aura made her appear like a queen.

“I can clearly tell you ...”

Lin Hanxing’s eyes darkened, and he looked at her like she was an ant.

“Your son will be a cripple for the rest of his life.”

Upon hearing this, Mrs. Liang was stunned at first, then she burst into tears.

Lin Hanxing’s expression did not change at all.

Just as he said that, there was a clamor outside the door.

“Who asked you to block this place?”

“Bai Xi,”

Lin Hanxing’s voice rang out, and the noise outside the door quieted down for a moment. Then, the door was opened from the outside.

Lin Hanxing smiled when he saw who it was.

Liang yuran looked the same as the first time she saw him. The cold arrogance between his brows hadn’t decreased in the slightest. His high nose bridge and tightly pursed thin lips showed his unsmiling alienation. Just by standing there, his whole body exuded a sinister aura that was not to be provoked.

As if he didn’t expect to see her here, Liang yuran’s cold expression froze.

“Madam Liang sent someone to ‘invite’ me here.”

He was too lazy to retell the process, so he just summarized it in a simple sentence.

Upon hearing this, Liang yuran’s cold eyes fell on Madam Liang, who was being controlled by Jiang Xibao.

“Old Liang, kill her! She was the one who crippled our son’s leg!”

Madam Liang’s words made President Liang’s expression change drastically. He glared at Lin Hanxing, who was still sitting by the bed with his foot on young master Liang!

“You ...”

CEO Liang seemed to want to say something.

“Hehe ...”

Hearing Madam Liang’s words, Liang yuran’s thin lips curved into a smile.

“What are you laughing at?”

Madam Liang already hated Liang yuran to the bone, and now she was even more furious!

“I’m laughing at you for overestimating your abilities.”

Liang yuran’s voice was bone-chillingly cold, causing people to shiver.

Lin Hanxing did not seem to feel anything. Her thin ankles were exposed under her fishtail dress, and they were fair and moving.

“If you mess with me, I can let you die a quick death. But if you mess with her ...”

Liang yuran’s eyes met Lin Hanxing’s in the air.

Lin Hanxing smiled slightly, but there was an inexplicable chill that came from the soles of his feet.

She glanced at her watch and calculated that it was almost time for Lu bingde to leave. In the end, she stood up and walked towards the door.

Jiang Xibao let go of Mrs. Liang and followed her.

I still have things to do. You guys take your time to settle the rest.
