

Goodnight 651

Chapter 651: All ears

Lin Hanxing chuckled.

When the voice entered han mingmei's ears, it sounded sarcastic.

"In what capacity did miss han say those words to me?"

Lin Hanxing looked at her indifferently.

The warm autumn sun outside the floor-to-ceiling window shone on her.

It made the pair of cold eyes that were usually like deep ancient wells reflect the color of Amber.

It was a beautiful sight.

Even the mole at the corner of her eye was alluring and seductive.

Han mingmei was stunned.

His mind was blank, and he didn't know how to answer her.

"I grew up with ah Xiao, he and I are ..."

Lin Hanxing chuckled and shook his head, as if he had just heard something stupid.

"Are you trying to tell me that you grew up together?"

Han mingmei's expression froze.

"If we're just childhood sweethearts, what right do you have to ask me to leave Thunder valiant?"

Lin Hanxing supported his head with one hand, allowing his long hair to fall on one side of his body. The small diamonds on his earlobes reflected a faint light.

"You don't understand him at all!"

"Miss han, you mean you know him very well?"

Lin Hanxing had always been patient.

His tone was like he was teasing a child, and han mingmei couldn't find a reason to say anything.

"At least I know more than you!"

Han mingmei held the coffee cup in her hand tightly and stared at Lin Hanxing.

"Oh? I'm all ears."

Lin Hanxing leaned back on the sofa, looking like he was humbly listening to the lecture.

At this moment, han mingmei did not realize that Lin Hanxing had already tricked her into revealing the truth.

As if to prove that she had said 'at least I know more than you', han mingmei took a deep breath and said, "

"Did you know that ah Xiao was kidnapped before?"

Lin Hanxing's fingers paused.

Han mingmei had been observing her the whole time. Seeing this, she finally felt the joy of winning a round.

"To be exact, second young master Lei, Lei Xiao, was kidnapped. In order to save his brother, ah Xiao volunteered to take his place and be taken away by the kidnappers!"

Moreover, big brother is not just big brother, he saved my life before!

The words that Lei Qian had said at Y. R. Rang in Lin Hanxing's ears again.

Lin Hanxing's fingers tapped the surface of the cup rhythmically again.

She knew about this.

That night, this was one of the things that Mama Lei had mentioned.

It was even more detailed than what han mingmei had said.

no one knows what he went through, but when he was found again a week later, he was almost dead.

Actually, not many people in Jiang city knew about this.

If it wasn't for her father's words when he was drunk, han mingmei wouldn't have known about the inside story.

ah Xiao spent the next year in the hospital.

but, the after-effects of the kidnapping appeared very quickly. He suffered from a very serious mental illness.

It wasn't like this.

That kidnapping was only the trigger for the illness to act up.

Lin Hanxing's long eyelashes fluttered as he retorted in his heart, but his expression did not change.

There were some things that didn't need to be told to outsiders.

"You haven't spent much time with him, so I'm afraid you don't know that ah Xiao has a forbidden zone that can't be touched!"

Han mingmei deliberately lowered her voice to create a sense of mystery.

"What?"

As if to satisfy her, Lin Hanxing said indifferently.

At this time, han mingmei picked up the coffee cup on the table and sipped it lightly, deliberately mystifying the situation.

She just wanted to see her anxious.

The more anxious she was to know, the happier she was.

Lin Hanxing could easily see through this woman's thoughts.

"That is ..."

Chapter 652: Thank you for letting me understand him better

"Ah Xiao is especially sensitive to malicious actions!"

Han mingmei elegantly placed the coffee cup back on the table, her eyes full of pride.

She was proud that Lin Hanxing did not know what she thought she knew.

"Why?"

Lin Hanxing ignored the smugness in han mingmei's eyes and continued her sentence.

He also changed into a more lazy and comfortable position.

"Because back then, the person who wanted to kidnap Lei min did the same thing!"

As han mingmei spoke, she raised her chin slightly at Lin Hanxing.

Lin Hanxing was silent for a while.

He took his time to drink the warm water in his hand.

"Are you done?"

Lin Hanxing placed the glass on the table with a click.

The diamond bracelet on her wrist made a faint cracking sound as she moved.

Han mingmei didn't react for a moment and just looked at her.

Her bracelet was very pretty.

This was the first thought that came to han mingmei's mind!

"Thank you for letting me understand him better."

Lin Hanxing's face was calm, but as soon as he finished speaking, han mingmei's mind flashed and she came back to her senses!

"You ..."

She stood up abruptly and pointed at Lin Hanxing!

His first reaction was that he had been tricked by her!

Lin Hanxing was still sitting in the same spot, looking up at han mingmei with a half-smile.

It was as if she did not see han mingmei's ugly face turning from red to green and then to white.

"You're trying to trick me into telling you!"

It was not difficult to hear the accusation in han mingmei's voice.

"Miss han, if I remember correctly, you were the one who took the initiative to tell me first."

In order to emphasize that he knew Thunder valiant beast better than her.

"....."

For a moment, han mingmei could not find any words to refute.

Lin Hanxing stood up slowly. The light from the sun shone on his beige coat, giving it a soft glow.

"I can answer miss Han's previous question now."

Her waist-length seaweed-like hair made her lose her domineering attitude when she was at the Lu family, and han mingmei was stunned.

She watched as Lin Hanxing walked towards her.

He quickly walked up to him.

There was an inexplicable sense of intimidation, even though Lin Hanxing had not said anything.

Even though she was still smiling ...

Lin Hanxing walked slowly in front of han mingmei in his high heels. He leaned over, grabbed her collar, and pulled her in front of him.

my price is very expensive. Miss han can't satisfy me.

"Also, miss han, please stop coveting other people's boyfriends!"

.....

Even though Lin Hanxing had left for a while, han mingmei was still in a daze.

Her eyes widened slightly, still maintaining her shocked look.

For a moment, she thought she was going to die!

.....

Lei Corporation.

Lin Hanxing came out of the coffee shop and took a taxi to the Lei Corporation.

They took the private elevator to the top floor.

After greeting Anthony, he went into the president's office to wait.

The Thunder valiant beast was not there.

His suit jacket was placed on the president's chair, and there was a familiar and pleasant scent of wooden hyssop spreading in the room.

Lin Hanxing took off his coat and threw it on the sofa, then sat down on his president's chair.

There was a small bowl of succulents on the table, which she had bought last time.

Now, it seemed that he was being taken good care of by Thunder valiant beast.

Lin Hanxing didn't say anything as he fiddled with the succulents. No one knew what he was thinking.

He was drowsy from the sun.

After a long time.

The door to the president's office was pushed open from the outside.

He didn't know if it was because he had just finished a meeting, but the air pressure around Lei Xiao was a little low.

His cold face was expressionless, sending chills down one's spine.

He only saw the figure lying in front of the desk pause in his steps, but the iceberg was obviously melting!

Chapter 653: His gentleness was only for her

She was like a cat that was curled up in a nest.

It was a small ball.

The Thunder valiant beast suppressed his uncontrollable smile and resumed his expressionless face.

However, he quickened his pace toward Lin Hanxing.

A dark shadow appeared and covered Lin Hanxing, who had fallen asleep on the table under the sun.

Her long black eyelashes fluttered, casting a shadow on her clear little face.

Just like the short-legged cat with grape-colored eyes at home, he was so lazy that he looked like he would flip his soft belly out at any time.

So cute.

Lei Xiao looked down at Lin Hanxing from above.

Seeing that she had no intention of waking up, he reached out his slender fingers and stroked her long hair.

Knock, knock, knock ...

Someone knocked on the door, and the door was opened.

Mr. Lei ... Anthony walked in with the documents to be signed. He lowered his head and sorted them out.

“Shh.” Thunder owl motioned for him to be quiet.

Anthony’s footsteps paused for a moment before he saw Lin Hanxing who had fallen asleep.

As if sensing that he was looking at him, the Thunder valiant beast’s cold eyes swept over.

Anthony quickly lowered his head again.

Only the heavens knew how powerful Mr. Lei’s possession of the valley was!

It was better for him to not pluck the fur from the Tiger’s butt.

Lei Xiao pointed at the coffee table, signaling Anthony to put the documents on it.

Anthony did as he was told.

Then, he left quietly.

The quiet atmosphere was returned to the two of them.

Lin Hanxing had a dream.

Cold stars, ah Xiao looked cold and hard to get along with on the surface. Although he had a good appearance, people were more afraid of him than they liked him, and they were more wary of him than they were close to him ...

Yingluo, but our family knows better than anyone how soft ah Xiao’s heart is.

Miss Lin-don’t be fooled by Mr. Lei’s cold face. In fact-that man is the one who is cold on the outside but warm on the inside.

At that time, the group of desperadoes ‘target was ah Xiao, and ah Xiao just happened to be in the same car.

In the dream, many people were talking.

However, they were all talking about Thunder valiant beast.

It was as if his heart was being squeezed by a pair of invisible hands, constantly tightening.

Her heart ached, and she was sad.

All sorts of emotions were brewing in her heart.

Lei Xiao, who was still standing by the table, seemed to have noticed the subtle change in Lin Hanxing's mood, and his large palm patiently patted the top of her head.

Lin Hanxing's subconscious reaction was to resist, as if he had sensed someone touching him.

However, when she smelled the familiar wooden fragrance, she couldn't help but indulge in it.

He slowly opened his eyes.

The first thing he saw was the black shirt.

Looking up at the row of buttons on the shirt, Lei Xiao's handsome face, which seemed to have been favored by God, appeared.

Thunder owl didn't expect her to wake up.

There was a moment of confusion on her face.

He thought he had woken her up.

Lin Hanxing looked at him quietly, his pupils turning Amber from the warm autumn sun.

"Did I wake you up?"

Lei Xiao's voice was hoarse. From the start of work until now, he had been so busy that he hadn't even had a sip of water.

Lin Hanxing shook his head.

She looked like she had not returned from her sleep.

Yingluo, because of you, I also have the desire to walk towards the light. The world won't be too lonely for me.

Suddenly, the image of him holding her hand and gently touching the tattoo on his waist in Mengsong appeared in her mind.

This man had really given her all the gentleness he had in his bones.

Perhaps it was because her eyes were too alluring, but Lei Xiao's finger that was next to her ear moved slightly.

"Hug, hug."

Lin Hanxing stretched out his hand and placed it on the back of Lei Xiao's strong and powerful hand.

Her soft voice was slightly hoarse from just waking up, and she was like a spoiled child that made people unable to resist.

Not to mention that Lei Xiao was her most loyal subject.

He hugged Lin Hanxing in his arms like a boyfriend!

Chapter 654: I miss you

Lin Hanxing wrapped his arms around Lei Xiao's neck and buried his face in his ears.

"What's wrong?"

Lei Xiao's hoarse voice sounded as if he was deliberately seducing someone to commit a crime, with a strong sense of pampering and indulgence.

No one in the Lei clan would have thought ...

The Thunder Hades who was usually able to intimidate everyone with a single look, was actually acting like this in front of his girlfriend.

"I missed you." As he spoke, Lin Hanxing sniffed his ear.

Why did the Thunder valiant beast smell so good?

As he was thinking, Lin Hanxing saw Lei Xiao's ears quickly turn red.

"Did you miss me?"

Lin Hanxing tilted his head and rubbed his finger against his Adam's apple. His amber eyes stared at him without blinking.

Lei Xiao felt that the fresh air system in the president's Room seemed to have malfunctioned.

Otherwise, why would he find it difficult to breathe?

"I've been busy this morning."

Lei Xiao avoided the important part and spoke lightly, turning his head to reveal the cold lines of his neck.

"Al." Lin Hanxing sighed.

"Not even a little bit?"

In front of him, Lin Hanxing measured the distance with his hand, his eyes shining.

Lei Xiao had deliberately turned his eyes elsewhere, and secretly glanced at her.

This one look made Lin Hanxing extremely adorable.

"You really didn't miss me?" She would follow him wherever he looked.

"I'll throw you down if you continue."

As if he wanted to regain his authority, he lowered his head and spoke seriously.

If his ears weren't so red, the effect would have been even better!

He saw Lin Hanxing suddenly become quiet and did not make a fuss. He lowered his head and slowly tried to slide down from his arms.

Thunder valiant didn't let him, but held him even tighter.

"You don't even miss me, why are you hugging me!"

Lin Hanxing's voice was cold and Lei Xiao's heart sank.

"I miss you."

He really wanted to.

I'm happy to see you.

He was happy even without doing anything.

Lin Hanxing raised his head and looked at him indifferently.

"Really?"

Lei Xiao nodded, as if he felt that it was not enough, so he added.

"It's true."

He held her even tighter, in case she slipped away when he wasn't paying attention.

He carried her with one hand and used his other hand to imitate Lin Hanxing's actions.

"A lot of them."

Her movements were as stiff as they could be.

His eyes were fixed on the expressionless Lin Hanxing, as if he was trying to see if she was still angry.

Lin Hanxing finally couldn't hold it in and burst out laughing.

Seeing her smile, Lei Xiao's tensed face finally relaxed.

He pressed his forehead between her eyebrows.

"You scared me, you know?"

Lin Hanxing was not prepared for him to get so close to him. When he heard this, his heart was stirred up.

"President Lei is still afraid?"

Lin Hanxing rubbed the tip of his nose against him, his eyes full of disbelief.

But her heart was overflowing with softness.

Lei Xiao supported her steadily, while Lin Hanxing's waist-length hair swayed back and forth behind him.

"Yes." His voice was hoarse, and this time, he did not change the topic and obediently admitted it.

"What are you afraid of?"

Lin Hanxing pinched his ear and felt a burning sensation on his fingertips.

"I'm afraid you'll leave me,"

Lei Xiao said in a deep voice, and then there was a moment of silence.

At this time, Lei Xiao was only wearing a black shirt and a silver-gray vest. His strong figure gave people an endless sense of security.

However, his eyes ...

"I ..."

Lin Hanxing was about to speak when a soft chuckle was heard.

Apparently, Thunder valiant heard it too.

The two of them looked in the direction of the voice and in the next second, Lin Hanxing started to cry.

Her dress ...

Because the range of the movement was too big, the side line split open!

Chapter 655: Photo album

Lei Xiao went out personally to buy her a dress.

Lin Hanxing could have just informed Anthony about this, but he felt embarrassed.

Before he left, as if he was afraid that she would be bored, Lei Xiao took out his personal phone and gave it to her, and opened the game.

"I'll be back after three rounds."

After Lei Xiao finished speaking, he rubbed her head with his hand, took the car keys, and turned to leave.

Lin Hanxing's legs were covered with a thin blanket, and he was lying on the desk like before he came back from a meeting.

The warm sunlight poured down through the floor-to-ceiling windows, making people feel lazy.

Perhaps it was because Thunder valiant had ordered before he left that no one would disturb her.

He used Thunder Valiant's account to play and found that the champion on his account was surprisingly easy to use.

Lin Hanxing felt that something was not right, so he clicked on the runes and equipment, and his expression instantly changed.

He took out his phone and searched for WeChat.

Xing Xiaoxing asked,"did you get ah Xiao a game account?"

[9.90 yuan, free delivery: " looking at 'Yeah' with dark circles.] jpg

Xing Xiaoxing was speechless.

Xing Xiaoxing, "you actually bought all the runes and skins?"

Prodigal!

Other than the limited edition and the previous season's limited edition, Lei Xiao's account had already gathered everything that could be bought!

No wonder she was so good at fighting just now!

[9.90RMB delivery: ah Xiao threatened me] [baby feels wronged].jpg

[9.90RMB free delivery: he said that this way, you won't complain when you play with his account, " cold dog food randomly slaps on your face ".jpg]

Lin Hanxing was speechless.

Throwing his phone aside, Lin Hanxing picked up Lei Xiao's phone and wanted to start another round.

However, when the screen lit up and he saw the screensaver, his fingers paused.

That was the first time she met Su Ling 'er at the green vine Garden ...

A picture of her tugging at Lei Xiao's tie and forcefully kissing him.

From the angle, it seemed like Mother Lei had taken the picture.

If she hadn't seen her screensaver, she would have forgotten about this.

The corners of her mouth couldn't help but rise, and even her dimples were faintly visible.

Then, Lin Hanxing realized a problem.

Well, she didn't know his password.

Lin Hanxing typed in his birthday as he wanted to try it out.

"....."

It opened.

She really liked it when it was so simple and crude.

Lin Hanxing's phone vibrated.

Madam Lei asked, "daughter-in-law, Madam Chen made some puffs. When are you coming back?"

She also took a photo of the puff.

Xing Xiaoxing, " I'll go back in the afternoon " you're the cutest little fairy in the world ".jpg

"Alright," Mama Lei replied, "I'll put it in the fridge and wait for you to come back."

[Xing Xiaoxing: Oh right, mother Lei, did you take this photo?]

He took a picture of the screensaver on Lei Xiao's phone and sent it over.

[mother Lei: hahahahahahahahaha] [a smile that reveals all eight of my teeth].jpg

Mama Lei, "ah Xiao secretly used it as his screensaver!"

Mama Lei: " my daughter-in-law, look at his photo album and memo. I have a secret I don't know if I should tell you.jpg "

Mama Lei, "you must watch it!"

Mother Lei, who was selling her strength, decided to dig out all the secrets of her precious eldest son!

Lin Hanxing was really curious.

What else was there in Thunder Valiant's album and memo?

With that thought in mind, Lin Hanxing opened Lei Xiao's photo album.

"....."

The photo album was filled to the brim, even more than pictures of a girl.

They were all densely packed according to time.

Did he like taking photos that much?

Lin Hanxing clicked open and was stunned for a moment. Even his expression was filled with surprise.

This was her!

He flipped through the photo album and it was all about her!

Lin Hanxing was speechless.

He flipped to the first page.

It was a picture of her when she was still on Jing Hong's luxury cruise.

Even Lin Hanxing himself did not realize that someone was looking at him like that.

Chapter 656: The contents of the memo

In the photo, she was standing on the deck of a cruise ship in the night.

The wind messed up her hair.

Even Lin Hanxing himself could feel the coldness from the photo.

She flipped to the back, and they were all hers.

There were photos of her serving drinks to customers from the bar counter, and photos of her chatting with little you.

Although the angles were different, the effects of the photos were all extremely good.

Wanwan's daughter-in-law, look at his photo album and memo!

Lin Hanxing opened his memo as he thought about what Mama Lei said.

"....."

The contents of his memo were arranged in chronological order.

He flipped to the bottom and found the first photo of her standing on the deck of the cruise ship.

[she is as beautiful as I remember.]

This was the Thunder valiant beast's note.

if it wasn't for the special situation, I would have gone forward to say hello to her. I don't dare to, but I miss you very much.

Lin Hanxing's fingers brushed across the screen.

[the way she looked at me was very cold.]

[the sky is full of stars, but she is the most important to me.]

.....

Every time Lin Hanxing flipped through a photo, he felt sweet yet sour in his heart.

Her intuition told her that the 'chance encounter' on the cruise ship in the high seas was definitely not that simple.

But he didn't say it.

Naturally, she would not take the initiative to ask.

[she said that everything in this courtyard belonged to her. I secretly added in my heart, and so do I.]

The attached picture was of the green mango that had been stolen.

Lin Hanxing still remembered that Lei Xiao had used circles of red thread to tie it back to the branch.

The door to the president's office was suddenly pushed open from the outside.

Lei Xiao came back with a shopping bag in his hand.

Lin Hanxing quietly exited the page from the back end as if nothing had happened.

She raised her head to look at him, a faint smile on her lips.

She took the paper bag from Lei Xiao. It was a black fishtail dress that was similar to the one she was wearing.

Just as he was about to get up and go to the lounge to change, Lin Hanxing realized that he seemed to be hiding a paper bag behind him.

“What’s that?”

Lin Hanxing wanted to go behind Lei Xiao, but he kept going around in circles with a subtle expression on his face so that she could not touch him.

“It’s nothing,”

“Did you buy it for me?”

Lin Hanxing no longer believed this two-faced fellow.

If he said there was nothing, then there must be something!

“Ah Xiao ...”

As soon as he finished speaking, Lin Hanxing suddenly opened his arms and hugged him.

She looked up at him.

Her long eyelashes fluttered, but she didn’t say anything. She just pressed her face against his chest.

She reached out and grabbed the bag’s string.

Seeing this, Thunder valiant beast let go.

Lin Hanxing opened the paper bag and looked down. It was a pink teddy bear with rabbit ears.

“.....”

Lin Hanxing could not associate the clothes in his hands with the Thunder valiant beast.

“I saw it by accident. I don’t know if you like it.”

In fact, Thunder owl regretted it immediately after buying it.

Lin Hanxing’s dressing style had never been like this, even if he wanted to see her wear it ...

When he saw this set of loungewear in the cabinet window, he was a little unable to move.

Not only did the hat have long rabbit ears, but there was also a rabbit tail behind the matching shorts.

“You want to see me wear it?”

Lin Hanxing raised his hand.

Thunder owl did not speak, but his eyes were filled with hope.

She felt that he seemed to be treating her like his daughter.

The thought of wanting to buy her beautiful clothes when he saw them was fully displayed on his extremely cold face.

“I know.”

Lin Hanxing put down the black fishtail dress and carried the pink rabbit-eared sweatshirt to the lounge.

“That ...”

Before the door closed, Lin Hanxing stuck his head out.

Chapter 657: She’s too cute to pay for it

He happened to catch the trace of a smile on the Thunder valiant beast’s face.

Idiot, what’s so funny about this!

“I’ll say this first, if I don’t look good in it, you’re not allowed to laugh at me after we come out.”

Lin Hanxing felt that it was better to set a three-point covenant.

In her memory, she had never worn such a cute hanging dress. The effect ...

After saying that, he retracted his head and closed the door of the lounge!

.....

Fifteen minutes later, the door of the lounge was opened from the inside.

Lin Hanxing was the first to speak up.

At that moment, Thunder valiant was sitting on the sofa, reading the documents that Anthony had put down.

However, he hadn’t even finished reading a page in ten minutes. It was obvious that he hadn’t put his mind on it.

His eyes lit up when he saw her.

“You said it, don’t laugh at me!”

Lin Hanxing felt that something was off and did not want to come out.

“I promise!”

Thunder owl raised his hand and swore.

Lin Hanxing looked at him for a while, then finally walked out from behind the door.

The pink rabbit-eared hoodie was loose and loose on her body. There were two fluffballs hanging down from the collar.

The Teddy velvet shorts of the same color went above the knee.

Her two slender legs were flawless, and she looked even more youthful with her knee-length matching socks.

Other than the diamond bracelet and watch, Lin Hanxing had removed all her accessories. Her long hair was tied into a half-bun, making her look even more young and tender. Standing next to Lei Xiao, people would even believe that she was his youngest daughter.

Ever since Lin Hanxing came out, Lei Xiao's gaze had been fixed on her.

His eyes were filled with love that could not be hidden.

So cute.

He knew that she would look great in it.

Seeing that Lei Xiao did not speak, Lin Hanxing awkwardly pulled at the two fluffy balls hanging down from his collar.

She felt that this outfit ...

It seemed to be a little too much of a fan!

She innocently blinked at Lei Xiao, only to see a suspicious smile on Lei Xiao's face.

"Our Hanxing is so pretty."

As he spoke, he helped her put on the hood with the rabbit ears.

Suddenly, he felt as if his heart had taken a critical hit, and his gaze lingered on her face for a long time.

Pulling Lin Hanxing to his side, Lei Xiao touched the rabbit's ears and then her little face.

The smooth skin on his fingertips made him unable to let go.

She was really adorable.

Lei Xiao's eyes were so bright that Lin Hanxing no longer felt so awkward.

There was a sudden knock on the president's office door.

Then, Yan beiming's figure appeared.

"Ah Xiao, I'm telling you ... F * ck!"

Yan beixiao had his head lowered when he entered the room. When he looked up and saw a pink thing standing on the sofa, he was stunned.

Almost at the same time he entered, Lin Hanxing turned around.

She did not let Yan beiming see her face.

who's Xiaomi's bonus? "

Yan beixiao pointed angrily at Lin Hanxing's back, accusing Lei Xiao of being a heartless man!

"How could you mess around behind little Hanxing's back?"

"....."

"....."

Lin Hanxing could not help but frown. Did he think he was acting?

“What a sin! Buttface, you didn’t use to be like this ...”

Yan beiming’s expression was one of pain!

now, you’ve even learned how to Cosplay. This Little Vixen must have led you astray!

Lin Hanxing felt his forehead throb. Yan beiming was too much of a troublemaker.

“Little Yanzi, shut up!”

The F * ck?

Was he hearing things?

Why did he hear little Hanxing’s voice coming from that little rabbit?

The next second, the other party turned around ...

Chapter 658: Get lost after you finish

OMG!!!!!!

When he got a clear look at that petite rabbit’s face, Yan beiming was so shocked that he could not close his mouth!

Lin Hanxing’s small face was hidden under the pink hoodie, and her rabbit ears drooped, as if to show her displeasure.

His titanium alloy dog eyes must be blinded!

Why did he find the little cold star in front of him so cute?!

With that thought in mind, Yan Beichen reached out to pinch Lin Hanxing’s cheeks!

It was so cute!

Just as his hand was about to touch Lin Hanxing, a strong cold air suddenly descended without warning.

Yan beiming looked stiffly at Lei Xiao.

He only saw that pair of deep and cold eyes looking at him coldly.

The aura around him was even lower.

In order to save his own life, Yan beiming quickly retracted his paw.

He didn’t dare to be rash!

“Tsk, tsk, I couldn’t tell!”

Yan beiming’s eyes darted back and forth between Lei Xiao and Lin Hanxing’s faces.

The two of them had quite a lot of fun in private!

He was used to seeing the domineering side of little Hanxing ...

Yan Beichen's heart was about to melt from her sudden change to a cute style!

"You two look like father and daughter when you stand together!"

Lei Xiao had perfectly demonstrated what it meant to change one's attitude in three seconds, and the reckless Yan beiming was still looking at Lin Hanxing and sighing.

"The rabbit's ears, the rabbit's tail ..."

Yan beixiao circled around Lin Hanxing as if he had just discovered a new continent.

"Who did you call a Little Vixen just now?"

Lin Hanxing raised his eyebrows and said lightly, his smile making Yan beiming's heart skip a beat.

"Cough, cough, I have serious business to attend to!"

Yan beixiao quickly changed the topic. God knew how much he wanted to pull the rabbit's tail.

"Get lost after you're done."

The Thunder valiant beast's patience was on the verge of breaking, its cold aura causing the temperature in the room to drop by a few degrees.

the person in charge of X group has arrived in Jiang city. He'll probably be signing the investment agreement with the he, Fang, and Lin families in the next two days.

Yan beixiao said seriously.

the exact time is 2:30 p.m. Tomorrow. The contract signing will be held in the conference room of the hotel Yuan shaojing is staying at. This time, X group intends to invest 3.7 billion Yuan in these three parties!

Lin Hanxing looked at Yan beiming indifferently.

The latter looked at her in surprise.

How did little cold star know everything?

"Also, there's one more thing."

Suddenly, Lin Hanxing looked at Yan beiming and said, "

"What ... What?"

"Han mingmei is back!"

"....."

"....."

Cold sweat broke out on Yan beixiao's forehead. He suddenly remembered the problem that had been troubling him for many days!

Which was more important, his face or his life?

"I suddenly remembered that I still have something to do, so I'll take my leave first!"

After he finished speaking, Yan beiming turned around and ran away as if his feet were covered in oil!

He was in a rush just like when he came.

"How did you know?"

Lei Xiao ignored Yan beixiao and looked down at Lin Hanxing, who was twirling the ball of fur around his collar.

because I saw her at the Lu family's house today and had a cup of coffee with her.

Well, it should be considered a friendly meeting.

"....."

Lei Xiao looked at her and didn't say anything.

His eyes seemed to be asking her why she didn't tell him about this.

"Aren't you curious about what we were talking about?"

Lin Hanxing raised an eyebrow and looked at him, her rabbit ears twitching with her movements.

"What did he say?"

Lei Xiao's voice was tense, and his deep eyes looked cold.

Lin Hanxing looked up. Was he that anxious to know?

"First, tell me if you've eaten today."

After a while, Thunder valiant beast shook his head.

He was too busy to remember.

Lin Hanxing's face immediately turned serious when he saw him shaking his head.

"Let's go and eat first!"

Chapter 659: Raising a daughter with the standard of spoiling her

In the staff cafeteria.

There weren't many people because it was past the peak hour.

However, the Thunder valiant beast's unexpected appearance still caused quite a stir.

He was already eye-catching, not to mention that there was a pink rabbit standing next to him, which made him even more jaw-dropping!

Last night, Lei Xiao's first post on Weibo to spread dog food had yet to die down, and it was still at the top of Weibo's hot search list. Everyone wanted to dig out the identity of his 'wife' and see which lucky family it was.

He didn't expect that the next day, Lei Xiao would appear in the staff cafeteria with his men without the slightest hesitation.

More than one employee of the Lei Corporation had posted photos of the two of them from different angles on Weibo.

Instantly, it became a hot topic again.

Wednesday's big Babla thought, "is this the legendary height difference?"

[I feed myself a bag of salt: F * ck, why can I feel so much love even through the screen?]

[Rascal without a rabbit: doesn't anyone feel that this strange style is like a father taking care of his daughter? 23333333!]

Shi Yu: " the commenter above is evil. But I'll add 10086!

"Remember to eat, okay?"

"Because I'll be worried."

Lin Hanxing lectured Lei Xiao as he took a small pumpkin and placed it on his tray.

Damn, it's so cute!

The staff who was pretending to serve food at the side heard the sound and his heart trembled.

Especially when he saw the usually cold-faced Lei Xiao obediently following Xiaomi around, listening to whatever she said, the staff felt like he was going crazy!

How could there be such a cute couple!

She kept peeking out of the corner of her eye, trying to catch a glimpse of the cute rabbit's face.

As if he felt her gaze, Lei Xiao's cold gaze went past Lin Hanxing's shoulder and landed on the man's face.

The latter quickly ran away, afraid that the president would notice her.

Lin Hanxing sensed the movement behind her and wanted to turn around, but Lei Xiao's big palm was on her head, helping her put on her hat again.

"You just need to look at me."

There was no need to care about the others.

[the Thunder BOSS's follower: I swear, the two of them are absolutely in love!!!]

The Thunder BOSS's follower thought, "I've never seen the CEO so obedient!!!"

The company's chat software was already in chaos.

At this moment, a piece of news on Weibo caught everyone's attention.

[entertainment circle or not V: definitely the same person. Identification complete!]

The attached picture was from last night's autograph session at L, where Zhan Nanheng and Lei Xiao were each holding one of Lin Hanxing's wrists.

There was a diamond bracelet on the woman's wrist that was specially circled.

In the other new picture sent by the Lei family staff, Xiaomi's wrist was also circled.

It was the same bracelet!

The verified account 'is there a circle in entertainment' was deeply recognized by fans because of the accurate disclosures of the news.

It usually didn't reveal information easily, and as long as it did, it would be accurate.

So this time, even it was alarmed, so one could imagine the influence of the Thunder valiant beast.

Ku Xing 'er thought,"is this true love?"

Very quickly, verified accounts in the entertainment circle specifically reposted this question!

[entertainment circle V: it's absolutely true love. President Lei is pampering his daughter to raise her.] [circles]

Seeing this sentence, the surrounding crowd couldn't help but go crazy!

The standard of doting on his daughter?

Was it really that exaggerated?

[entertainment circle or not V: I once had a meal with a high-level executive of the Lei corporation's high-end shopping brand, & TZ. He said that when young master Lei was pursuing his wife, there was one time when they came to the mall, and young master Lei did not dare to show his face.] Young master Lei asked the higher-ups to buy all the things that this lady likes behind her back. As for whether I gave them away, I don't know.

F * ck, there's such an operation?

Chapter 660: It's young master Lei who has a crush on her

Smacking a mouthful of candy, she thought,"big brother Lei, is he really as clean as the rumors say?"
@Entertainment circle or not (V)

Originally, he didn't expect any reply, but he didn't expect that his cards would be flipped after half a minute!

[entertainment circle or not] V: we've been following them for a whole month! He really didn't capture anything! The person following them was a big Shot who had never failed in the industry! Do you think he's really clean or just pretending to be clean?

Very quickly, the verified account "is there a circle in the entertainment industry" was pushed to the hot search by many netizens.

The little Chatterbox, [Quan Quan, can you reveal some information about the girl?] @Entertainment circle or not (V)

[entertainment circle or not V: I'm sorry I can't answer this question. It's not just me. You can't get an answer from any marketing account.] It was still the same sentence, young master Lei really raised that girl according to the standards of spoiling a daughter.

Although they didn't directly name anyone, the netizens weren't stupid. They understood that someone must have interfered.

[Zimo's crazy fans: am I the only one who thinks that young master Lei is in love with him?]

[love to drink water: upstairs, you're not fighting alone!]

At this point, the marketing account no longer answered any questions about the entertainment industry.

Lin Hanxing was completely oblivious to the commotion on the internet.

At this moment, she was sitting across from Lei Xiao and having lunch.

Lin Hanxing held the pumpkin that was cut into pieces and ate it bite by bite, as if she did not feel that Lei Xiao was looking at her.

"What did han mingmei tell you?"

Watching her eat the pumpkin like a hamster, Thunder valiant beast opened his mouth in a seemingly casual manner.

"Do you want to know?"

Lin Hanxing blinked, her long, feather-like eyelashes moving slightly.

Thunder owl didn't say anything, but his eyes said it all.

"Then you read this to me."

Lin Hanxing pushed his phone to him, his little face full of interest.

Lei Xiao lowered his head to take a look. It was the Weibo post he had posted last night.

"....."

How was he supposed to say it?

if you don't read it, I won't tell you what han mingmei told me.

Lin Hanxing raised his eyebrows and said willfully, as if he could read his mind.

It was only when he was with Lei Xiao that Lin Hanxing would reveal such a willful side.

Bathed in the warm autumn sun, her clean and clear little face was covered in a layer of Halo by the sunlight. It made people's hearts soften, as if they wanted to carry her home directly to give birth.

"Please stop calling me hubby ..."

His deep and magnetic voice was slightly hoarse, so pleasant that it could make one's ears pregnant.

It was his own suggestion to let him read it out, but the moment Thunder valiant beast actually read it out ...

Lin Hanxing's heart was beating uncontrollably.

How could she forget that as long as Lei Xiao wanted to, he had the ability to bewitch people!

"Because ..."

Lei Xiao's voice paused, he raised his head and looked at Lin Hanxing's face seriously.

The powerful palm that was originally on the table reached out in Lin Hanxing's direction.

Very quickly, he held her thin index finger.

"My wife will be angry."

Lin Hanxing felt as if a firework had exploded in his head, especially when he felt the warmth from his fingertips.

The moment he called her his wife ...

It was too against the rules.

Lin Hanxing's entire body started to go numb from his toes!

He subconsciously wanted to pull his hand back.

However, Lei Jing, who had seen through her intentions, held her even tighter.

He saw with his own eyes that the light red color spread from her ears. She was already like a cute rabbit, and now she looked even more shy.

Lin Hanxing had originally only wanted to tease Lei Xiao, but he did not expect to be the one to fall into his trap.

Those two words made her young girl's heart start to explode!
