

Goodnight 661

Chapter 661: Strength to protect the husband

At this time, there was another wave under the verified account "is there an entertainment circle?"

The non-official fan club of the Lei family's four young masters thought, "hehe, don't tell me that the Internet Water Army hired by that woman has entered?" Does our young master Lei need to have a crush on someone else? He just beckoned with his finger and there were countless women waiting in line to deliver themselves to him!

Galaxy Man: "that's right, that's right. He's even raising her with the standards of doting on his daughter. She can't be a pet, right?"

For a time, there were many sarcastic comments on the internet.

Some of them were fans who had watched the live broadcast of Zhan Nanheng's autograph signing event last night, while others were just bystanders who didn't know the truth.

[tree hole stallion 1: she's wearing a stallion to slap the faces of the people upstairs. I'm too lazy to go into detail about how good Our Lady boss is. There's only one thing, no one here can compare to her in terms of strength.] Back then, BOSS Lei had disappeared from the public eye for a period of time because someone within the Lei clan had caused trouble for him. It was the lady boss who had saved him.

[tree hole stallion 1: the boss fell in love with the lady boss at first sight. After the two of them returned to Jiangcheng, the lady boss did not even bother with our BOSS Lei, okay?] Those who were greedy for money upstairs could take a break! It's because of our boss's persistent pestering and rolling around acting cute that the lady boss took a second look at him. Otherwise, she wouldn't even bother to shake him off!

[tree hole stallion ?: our boss is so busy that he forgets to eat. His stomach has been serious these years, and our Lady boss has been observing this situation for a while before it has improved a lot.] Previously, some employees had ridiculed our boss behind his back. They even took the high overtime pay and complained that our boss was oppressing the employees. The lady boss immediately exploded.

[tree hole stallion 1: hehe, you all say that the lady boss must be lucky to be loved by the boss. Why don't you say that our boss is lucky to be noticed by the lady boss?]

This tree hole stallion account was a public alternate account, and even the account password was posted on the internet for people to use as they pleased.

The four consecutive posts were quickly pushed to the top in order. Some nosy people even checked the IP number of the last login and found out that the last post was posted on the Lei corporation's internal network!

At the same time, Lei Xiao's Special Assistant, Anthony, threw his phone to the side and felt proud!

He himself was a loyal fan of the star owl couple, and he couldn't bear to see others bad-mouthing them!

A human with fish lips!

I'll show you the power of knowledge!

He didn't know that the few messages he had posted had already caused an uproar under the public account 'entertainment circle'!

[I'm your girlfriend: Oh my God, my young girl's heart is overflowing!] Wasn't this the Xiaoyan plot?

Baibai and Messi,"did you notice that this person used the words 'they returned to Jiang city', which means that the girl wasn't originally in Jiang city!" Was there anyone who suddenly returned to Jiang city at the same time as young master Lei's return to the public eye?

Nanfeng sometimes thought,"F * ck, I have a shocking idea, but I don't know if I should say it!"

[I turned around and saw you, dog. Upstairs, hurry up and tell me!] Are you trying to make me die of anxiety so that you can inherit my big dog?

In an instant, there were countless posts, all of them wanting to know what kind of shocking idea it was.

Sometimes, Nanfeng thought,"didn't you guys find someone who fits this requirement?"

"Nan Feng, the little nine of the Lin family who had been missing for 18 years and was suddenly found. At that time, he even caused a huge commotion in the city!" The only daughter of the deceased Lin couple! It was the one that had caused a stir in the news recently!

She squinted her eyes and basked in the sun. The timeline matched up, and there was news that Lin xiaojiu had indeed gone to little zhanzhan's autograph session because someone had caused trouble and shouted that name!

?

Chapter 662: Call me hubby

This group of netizens who were gradually approaching the truth had no idea at all ...

The cold and arrogant young master Lei was now holding Lin Hanxing's hand and refusing to let go.

The warm sun coated his sharp and cold facial features with a soft Halo. His originally breathtakingly handsome appearance now made people even more helpless. They only wanted to bow under his suit pants for the rest of their lives.

Lin Hanxing bit his lip. It was a completely subconscious action.

When Thunder valiant beast saw this, his eyes suddenly turned dangerous.

She didn't know how tempting she was to commit a crime!

Especially under the warm sun, her lips looked like a light rice-colored crystal Jelly, making people reluctant to look away.

“That ...”

Lin Hanxing blinked his long eyelashes. His words had already pierced through Lei Xiao’s cuteness, and his voice was so out of line.

He couldn’t sit still any longer.

Before Lin Hanxing could react, Lei Xiao placed one hand on the table and leaned forward to kiss her small, crystal-like mouth. Like a powerful beast, he plundered her madly!

Lin Hanxing’s eyes widened slightly, he was stunned by the kiss.

The only thing he could think of was that it was fortunate that there were no other high-level executives dining here.

She couldn’t help but hold her breath and let his tongue roll around, squeezing the air in her lungs.

Lin Hanxing was almost on his last breath.

After a long time, the Thunder valiant beast moved away.

He slowly reached out and pulled up the beige hoodie for her, and her two long rabbit ears drooped down.

“Be good and call me hubby.”

His voice was hoarse, and his dark eyes were full of anticipation.

Lei Xiao wanted to hear her call him hubby in that soft and cute voice. He really wanted to.

The large hoodie blocked Lin Hanxing’s line of sight and even his breathing was rapid.

“Didn’t you say that ... No one is allowed to call you hubby ...”

Lin Hanxing’s eyes darted around, not looking at Lei Xiao.

She was afraid that she would see his moist lips and think of his sudden attack just now.

“You’re the only one ...”

Lei Xiao held her small hand in his palm and rubbed it greedily.

“You’re the only one who can call me that. No one else.”

Lin Hanxing felt his face burning. The Thunder valiant beast reminded her of the time in Meng Song.

From the Thunder valiant beast’s point of view, he could only see his adorable rabbit shaking its two long ears and shaking its head.

She didn’t.

It’s so hard to open my mouth!

As she thought about it, her entire body started to heat up.

As long as she touched this man, all her strong calmness would disappear.

Lei Xiao's eyes narrowed slightly, and his lean and strong figure was faintly disappointed. He lowered his head and continued to eat his lunch.

Lin Hanxing glanced at him from the corner of his eye.

She reached out to take a piece of pumpkin from the plate and ate it to relieve the heat on her face.

But before his hand could even get close, Thunder valiant never even raised his head and had already swiftly drawn the plate of pumpkins in front of him.

"....."

Childish!

As if he heard her inner voice, Lei Xiao picked up the last piece of pumpkin with his chopsticks, as if he was going to put it to his mouth to eat.

Lin Hanxing suddenly stood up and sat beside him.

Her small hand held his strong arm, and her beautiful eyes peeked out from the edge of her pink sweater hat.

She didn't say anything and just looked at him.

She blinked her eyes. When the sunlight fell on her eyes, they sparkled like diamonds.

Seeing that he wasn't moving, she shook his arm with her hand.

In the next second, that sweet pumpkin was picked up by the Thunder valiant beast and brought to her lips.

Afraid that he would go back on his word, Lin Hanxing took a bite and puffed up his cheeks like a hamster.

"Thank you, hubby ..." She said.

?

Chapter 663: The sour smell of love

As soon as he finished speaking, Lin Hanxing buried his face in his arm and covered his face with his hat.

His mouth was still moving as he chewed the pumpkin.

Lei Xiao was still holding his chopsticks and didn't move for a long time, but his thin lips, which were usually tightly pursed, couldn't help but curve up slightly.

Lin Hanxing raised his head to look at him from time to time.

When their eyes met, he quickly buried his face in Thunder Valiant's arms.

Why is she so cute?

Did you grow up drinking cutie?

His heart was about to melt, and he wished he could buy all the good things in the world for her.

"Don't look at me!"

Lin Hanxing reached out and covered Lei min's eyes.

Lei Xiao laughed as he held her small hand in his large palm and brought it to his thin lips for a kiss.

The air was filled with the sour smell of love.

"Han mingmei, what did she say to you?"

The Thunder valiant beast clearly did not forget, its voice hoarse and low.

"She said that she grew up with you and that you were childhood sweethearts."

Lin Hanxing swallowed the last bite of the pumpkin before he spoke.

"And you said you know you better than me."

When Lei Xiao heard this, his eagle-like eyes narrowed dangerously, making everyone's heart skip a beat.

He subconsciously tightened his grip on her hand.

It was as if he was afraid that she would run away.

"He also mentioned ... Your kidnapping."

Lin Hanxing turned his hand around and grabbed his tight palm, their fingers intertwined.

At this moment, it was as if a bloodthirsty storm was blowing in the Thunder valiant beast's heart, but his face did not change.

"Were you afraid?"

Lin Hanxing looked up, his eyes gentle and bright.

Lei Xiao's originally tensed face gradually relaxed under her gaze.

"I'm not afraid."

He said in a calm voice, without the slightest pretense.

Lei Xiao lowered his head to look at her hand. Against the contrast of his large palm, it looked even more white and small.

"At that time, the only thing I thought about was how to not let ah Zhen be discovered by those desperadoes, and I was also very glad that I was with him that day." If it wasn't for her, ah Luo would have to bear those terrible things.

Lin Hanxing's eyes flickered.

Han mingmei had said that when Lei Xiao was discovered a week later, he would be dead.

However, even now, he was still concerned about Lei min's safety.

In this man's heart, he placed his family in a more important position than himself.

Silly girl.

She was so silly that it made one's heart ache.

"Is your injury serious?"

Lei Xiao was about to say that it was not serious, but Lin Hanxing seemed to have seen through him and added.

"Don't lie to me,"

Thunder valiant stayed silent for a while.

"It's all in the past."

There was no complaint, no other things, just four simple words.

No matter what happened, it was all in the past.

These words made Lin Hanxing feel sad for some reason.

He said that it was all in the past, but those shadows and scars were clearly still imprinted in his bones and blood.

Lei Xiao couldn't bear to see her sad.

Even if it was for himself.

His rough fingers caressed her long hair, and his eyes were still filled with unspeakable warmth.

"Don't be sad, Hanxing,"

He only wanted to bring her happiness and give her the best things in the world.

Nothing else was important.

He didn't want her to suffer those painful things with him.

"I have you now."

The Thunder valiant beast moved the two's interlocked fingers.

Having her was like having the whole world.

For this, Lei Xiao was already very grateful to the heavens for their mercy.

“After we’re done here, let’s get married, Lei Xiao.”

Lin Hanxing said softly.

The Thunder valiant beast’s body suddenly stopped, and just like that, it lowered its head to look at her, a huge ecstasy instantly engulfing it.

Without the slightest defense, he had broken his strong disguise!

“What did you just say?”

“I’m proposing to you, you idiot!”

?

Chapter 664: What relic?

There was already a huge commotion on Weibo.

The topic went from whether the two were truly in love to Lin xiaojiu’s science post.

The public’s deepest impression of Lin xiaojiu was her bizarre experience of being found after 18 years of being kidnapped and missing.

Until now, she had never officially shown her face in public.

However, there were many rumors about her in Jiang city.

Now that she had a relationship with Lei Xiao, how could they not be curious about her?

Strawberry ice cream: “ I really think this Lin xiaojiu is very mysterious!

She had been missing for 18 years and could cause a storm the moment she returned. She always felt that this woman was not simple!

Just as the netizens were discussing this ...

A certain action of the verified account “ entertainment circle or not ” suddenly set off a new wave.

He liked the Weibo comment of the netizen named “ sometimes Nanfeng “!

Although it was quickly dismissed as a ‘like’, it was not difficult to know that the other party was peeking at the screen.

And this action just so happened to prove that Lin xiaojiu was really that person!

.....

Lin family villa.

Luo Ruyin kept refreshing Weibo, her jealousy causing her facial features to begin to change.

Lin xiaojiu, Lin xiaojiu!

Lin xiaojiu's name was everywhere!

Unwillingly, she took back her phone and searched for Lei Xiao's Weibo page.

Yingluo, please don't call me hubby anymore, because my wife will be angry.

Wife?

Was the Thunder valiant beast blind?

He actually fell in love with a woman like Lin xiaojiu?

Her anger made Luo Ruyin lose her mind. She took out all her alternate accounts and followed Lei Xiao's verified Weibo account. Then, she used them to fabricate Lin xiaojiu's scandals and sent them to Lei Xiao.

Luo Ruyin waited and waited, but the word 'read' didn't appear.

She was so angry that she smashed her phone again!

The baby's cries rang out once again at an untimely moment, so loud that Luo Ruyin's head hurt!

This child was going to apply for citizenship after he was done with the Jiangcheng Bay Bridge bidding.

Big brother had said that when this child was married ...

Everything that should have belonged to the three of them would have to be shared with him.

Grandma was suffering from a stroke again!

There's an annoying woman at home!

Lin xiaojiu was proud of himself!

Why? Why?

Why did she have nothing, while Lin xiaojiu had everything?!

What right did Lin xiaojiu have to have everything?

Why didn't she just die outside when she was abducted?

The more she thought about it, the more her brain was dominated by anger.

The noise downstairs caught her attention.

Downstairs.

"Lawyer mu, what do you mean?"

Lin youlin didn't rest 24 hours a day. She was putting in a lot of effort for the Jiangcheng sea bridge bid.

Fortunately, the negotiations for the injection of X group were almost over.

It was also because of this matter that she had a lot more say in Zhong Xueqing's words.

After all, Yuan shaojing was only willing to help because of her.

Today, Lin youlin was supposed to have a meal with Luo Minghao at Zhong Xueqing's mother's place, but she was called back by her brother's former lawyer, who said that there were some things left behind by his brother and sister-in-law to be handed over to Lin Hanxing.

"A relic? What relic?"

Hadn't she already handed over those things back then?

Why did this relic suddenly appear?

When Lin youlin heard this, her heart skipped a beat. She even forgot that she was going to have dinner with Zhong Xueqing and the others.

"You'll know when you come back, miss Lin."

Lawyer mu did not relent, and Lin youlin's eyes immediately darkened.

?

Chapter 665: I should be proposing

The Thunder valiant beast's mind went blank!

He just lowered his head to look at the cute pink rabbit. She was also looking at him.

Her amber eyes, which were dyed by the warm sun, were filled with warmth.

Lin Hanxing tilted his head and looked at him, his two rabbit ears drooped on both sides of his cheeks.

"You're not willing?"

Lin Hanxing waved his little hand in front of his eyes when he saw that he was staring at him without saying a word.

In the next second, her hand was suddenly grabbed and placed on his heart.

He pressed his forehead against Lin Hanxing's forehead and stared into her eyes.

Thunder valiant didn't know what words to use to describe his current mood.

The time was clearly not right.

The location was wrong.

There were no flowers or rings, and Hanxing was the one who spoke first.

But that kind of intense ecstasy that washed over his limbs and bones was something that he had never experienced in his life!

"If you really don't want to, then I can only snatch it by force!"

Lin Hanxing laughed, and his eyes softened. His smile inadvertently melted the ice Mountain that was Lei Xiao.

His heart was beating very fast.

Lin Hanxing could clearly feel the rapid frequency of the pulse in his palm.

Every time she said a word, his heart would beat wildly.

"I might not be good enough."

Lei Xiao was a little helpless. If one listened carefully, his voice was even trembling.

Lin Hanxing smiled and shook his head.

"I know that my life outside of work is very boring."

"I also know that I have many flaws in my personality."

Lei Xiao's voice was very urgent, as if he wanted her to hear him clearly, but he didn't want her to hear him.

He felt like he was in a dream.

A sweet and unrealistic dream made him want to pinch himself in the next second to test if it was real.

"But, can you ..."

Lin Hanxing could clearly feel the trembling in his palm. It was an inexplicable kind of telepathy.

"Don't regret this."

Don't regret holding my hand.

Don't regret what you've said.

Don't regret choosing me.

He couldn't bear the pain of having it and then losing it. If that was the case, he would rather not have it.

Lin Hanxing blinked, his long eyelashes fluttering.

"Say you're willing."

She spoke softly in a coaxing tone.

His eyes were wet, making Lei Xiao's heart go soft.

"I'm willing to."

Even though he knew what was wrong with the program, he still spoke instinctively.

"Our ah Xiao is so obedient!"

As he spoke, Lin Hanxing leaned forward and kissed the corner of his lips.

She put the chopsticks back in his hand and signaled him to continue eating.

The Thunder valiant beast ate two mouthfuls in a daze.

Then, he looked up as if he had thought of something.

"I should be the one proposing."

This was the most basic of all!

Lin Hanxing chuckled, his reflex arc was a little too long.

Just as he was thinking, his phone rang.

Lin Hanxing glanced at the caller ID and his smile gradually disappeared. He returned to his usual cold self.

"Hello," he said.

When he picked up the phone, he felt a chill around him. Even though he was still wearing the pink cute rabbit sweater, it couldn't hide it.

I understand. I'll be back in the afternoon.

Lin Hanxing hung up after he finished speaking.

As she fiddled with her phone, even the warm sun outside the window could not shine into the deepest coldness in her eyes.

It seemed that she wouldn't be able to eat the puffs that mother Lei had left for her.

I'm going back to the Lin family in the afternoon. I won't be back tonight.

Lin Hanxing said to Lei Xiao after a long while.

"What about tomorrow? Will you be back tomorrow?"

Lei Xiao raised his head to look at her, his expression serious.

"I don't know, it depends on the situation."

Thunder valiant beast didn't say anything, but used his chopsticks to move his eyes.

"I'll miss you. Come back soon."

?

Chapter 666: Hehe, interesting

Lin Hanxing changed his clothes and drove Lei Xiao's car back to the Lin family.

The carved door slowly opened from the inside.

Lin Hanxing drove the car into the garage.

When she walked out, she saw Shen Shu 'er pushing her wheelchair.

Old lady Luo, who had suffered a stroke, was sitting on it. Her eyes were crooked and her mouth was slanted, drooling.

Perhaps she did not expect to see Lin Hanxing, Shen Shu 'er's head buzzed and she subconsciously wanted to hide.

However, old lady Luo's emotions suddenly became agitated.

It started to scream at Lin Hanxing.

"Old Madam, you seem to be in good spirits."

Lin Hanxing's words sounded like sarcasm, and old lady Luo's movements became even more intense.

Shen Shu 'er lowered her head and tried her best to reduce her presence.

She felt a little guilty.

The reason for her guilty conscience was simple. The clothes she was wearing were stolen from Lin xiaojiu's cloakroom.

Shen Shu 'er did not expect her to return so suddenly.

Old lady Luo seemed to want to spit on Lin Hanxing.

"Old Madam."

Lin Hanxing suddenly bent over and placed his hands on the armrests of the wheelchair. His deep eyes met hers.

She had a friendly smile on her face, but her smile made old lady Luo tremble in fear.

Lin Hanxing reached out and flicked the dust off her shoulder.

It was as if a junior was showing filial respect to an elder, and no one could pick on it from afar.

However, Shen Shu 'er was right in front of her, so she could see it even more clearly.

Lin Hanxing deliberately retracted his finger.

He seemed to be reminding the old lady of something.

As expected, after old lady Luo trembled violently, a stinky Amber liquid flowed down the wheelchair to the ground.

She was so scared that she peed her pants.

Lin Hanxing smiled as he straightened up and looked at Shen Shu 'er, whose eyes were wandering.

The latter's heart immediately palpitated.

He was afraid that she would see through him, so his body movements were even more awkward.

Lin Hanxing did not say anything, but his eyes were sizing her up. When he saw the clothes Shen Shu 'er was wearing, his expression was very subtle.

"Take good care of the old Madam."

After saying this, he walked towards the villa.

When Shen Shu 'er realized that she had not noticed, she felt as if she had just walked through the gates of hell and returned to heaven.

Just as she was rejoicing, she did not notice ...

Lin Hanxing, who had walked some distance, turned around and looked at her.

Hehe, interesting.

The corners of her lips that seemed to be smiling yet not smiling had a shocking beauty ...

And a profound chill ...

.....

Lin Hanxing walked past the long entrance and arrived at the living room in his seven-inch high heels.

The servant beside her didn't even dare to raise her head.

Her black fishtail skirt swayed with Lin Hanxing's movements, and she had a powerful aura!

Today, the Lin family's living room was filled with people.

His aunt Lin youlin and Luo Minghao's family, and his uncle Lin yanshu and Zhong Wan 'er's family.

He heard the commotion and looked in Lin Hanxing's direction.

This was the first time they had met after Luo Mingwei's burial.

There was a deep fear in his eyes.

Lin youlin, in particular, looked at her niece with a complicated expression.

Lin Hanxing turned a blind eye to this.

Like a queen, she walked to the only empty seat on the sofa and was about to sit down when Luo Ruyin put her feet on it.

"I don't want to sit with you!"

"Ruyin!" She didn't expect her daughter to be so insensible and dare to do it in front of outsiders.

Lin qianlin warned.

But Luo Ruyin didn't listen and just glared at Lin Hanxing.

It was as if this was the only way he could discover all the jealousy and dissatisfaction in his heart.

Even though she knew how childish she was.

Luo Ruyin wanted to see if Lin Hanxing had the ability to teach her a lesson in front of so many people!

?

Chapter 667: What a coincidence, I don't want to

Lin yanshu shook his head in his heart.

This niece of his had been spoiled by his sister.

He doesn't have any sense of propriety at all.

The atmosphere was a little awkward.

"Cousin, have some water and sit with me."

Lin Jiaojiao, Lin yanshu's only daughter, suddenly stood up and handed the glass of water to Lin Hanxing. She then spoke timidly.

"Lin Jiaojiao, who asked you to be a busybody!"

Luo Ruyin said unhappily. She had always looked down on Lin Jiaojiao's unpresentable appearance.

"Luo Ruyin!" Lin qianlin was truly enraged!

On the other hand, Lin Hanxing looked at Lin Jiaojiao thoughtfully with a half-smile on his face.

In this house, there was no one who was easy to deal with.

"Put your feet down."

Lin youlin was about to get up.

However, before she could do anything, her daughter's scream was heard the next second!

Looking closely, he saw Lin Hanxing standing in front of Luo Ruyin.

The cup of water in his hand was poured over Luo Ruyin's head without leaving any water.

"What a coincidence, I don't want to either."

I'm sitting with you.

Lin Hanxing looked at Luo Ruyin, who was jumping up and down like a monkey, and sneered.

"You ..."

Luo Ruyin's face was full of embarrassment, and she was about to curse!

Before he could speak, Lin youlin had already pulled him behind her!

"Have you caused enough trouble?"

Luo Minghao roared angrily. He was no longer as elegant as he was when they first met.

Luo Ruyin was so scared that she trembled, but she didn't dare to act rashly. She glared at Lin Hanxing fiercely, turned around, and went upstairs to change.

Lin Hanxing randomly picked a servant and told her to clean up the place where Luo Ruyin had just sat.

Then, he slowly put the empty glass on the coffee table.

Lin Hanxing raised his head and looked at Lin Jiaojiao.

"Thank you for the water."

Everyone's eyes turned to Lin Jiaojiao. The latter had a blank expression on her face.

Lin Hanxing smiled, turned around, and sat down.

"Lawyer mu, little 9th is back, can you tell us now?"

Lin youlin suppressed her anger and looked at the lawyer with a smile.

After all, lawyer mu was one of the leading figures in Jiang city's legal world, and it wasn't good to offend him.

The mute uncle and Jiang Xibao appeared behind Lin Hanxing silently.

Lawyer mu looked at Lin Hanxing.

Lin Hanxing looked at him expressionlessly.

Very quickly, lawyer MU's assistant walked in from outside, followed by a staff member in a bank uniform.

Shen Shu 'er happened to push old Madam Luo into the room.

The servant who smelled it couldn't help but frown.

Shen Shu 'er lowered her head.

Ran ran had so many clothes, yet Lin xiaojiu could still remember them all? Who would know if you put it back secretly after you put it on?

Luo Ruyin's voice echoed in his ears.

Lin Hanxing did not recognize him earlier.

As she thought of this, Shen Shu 'er's anxious heart finally calmed down.

As he was thinking, the staff in the bank uniform placed boxes of things on the coffee table.

It made people extremely curious about what was in the wooden box.

"Miss Lin Hanxing, these were left to you by your parents."

Lawyer mu said in a deep voice.

As soon as he finished speaking, everyone's eyes fell on the wooden boxes.

There were more than ten boxes.

It seemed that everyone was trying to guess what was inside.

Even Shen Shu 'er, who was standing not far away, would occasionally glance over from the corner of her eye.

because of force majeure, you were not in Jiang city all these years, so I took care of it for you. Now, it's time to return it to its owner.

As lawyer mu spoke, he gestured for his assistant to work with the staff to open the box.

?

Chapter 668: The box contains ...

More than a dozen wooden boxes were opened at the same time.

Lin Jiaojiao was the first to cry out in surprise. Her eyes were wide open in disbelief.

Originally, Lin Wan 'er had blamed her daughter for being so surprised, but following her line of sight, she was also stunned in place!

The wooden box was filled with gold bars.

They were placed neatly one by one!

If he hadn't seen it with his own eyes, he wouldn't have believed that so much gold was in front of him.

The moment the box was opened, Lin youlin stood up.

After realizing that he had lost his composure, he sat down in embarrassment.

So many gold bars were left for little 9th by her elder brother and sister-in-law?

Back then, she was the one who handled their funeral Affairs. However, more than ten years later, her brother and sister-in-law's lawyer brought these things that she had never heard of before. Didn't that prove that ...

In fact, they had also been on guard against him?

Compared to the others who were shocked and envious, Lin Hanxing did not show any expression when he saw the gold.

It was so calm that it was as if these things belonged to someone else.

Lin Hanxing took out a gold bar from the box and held it in his hand. It was heavy and cold.

When this scene was reflected in the eyes of others, it was truly breathtaking.

With a "pa" sound, he threw back the gold bar that he had just casually taken.

The sound made one's heart ache, afraid that it would break.

"I'll keep this box. I'll have to trouble lawyer mu to help me deliver the rest to the Lei family."

After he finished speaking, Lin Hanxing passed the box that he had picked to Jiang Xibao and did not look at the rest.

"Little Jiu ..."

She was going to give them all away without even blinking?

Shen Shu 'er's eyes seemed to have grown on those boxes of gold and could not be removed.

If Lin xiaojiu's cloakroom was enough to surprise her, then this box of gold was enough to make her jealous.

These things all belonged to Lin xiaojiu!

She already had so many good things in this world, so why did the heavens still favor her so much?

"Lin Xiao Jiu, are you crazy? Are you going to send these gold to the Lei family?"

The first thing Luo Ruyin heard when she came down after changing her clothes was that Lin xiaojiu was going to send the rest of the gold to the Lei family. Was she an idiot? Other people would think of ways to get things out of the Lei family, but she ...

He even wanted to stick himself inside!

Lin Hanxing raised his head and looked at Luo Ruyin with a neutral expression.

Naturally, he knew her question. At the same time, it was what the other Lin family members were thinking.

"What else? You want to share a portion?"

Lin Hanxing lazily leaned back on the sofa and looked at Luo Ruyin with a faint smile.

Luo Ruyin bit her lower lip and didn't speak. This time, she didn't oppose him, which was a rare sight, but her eyes fell on those gold bars.

The hint was extremely obvious.

"Little Jiu, isn't it inappropriate to send these things to the Lei family?"

Lin Wan 'er, under the hint of her sister-in-law's eyes, opened her mouth awkwardly.

"These things, since they were left to me by my parents, then the right to dispose of them should be in my hands."

Lin Hanxing stood up.

"Whoever I want to give it to, that's my own will!"

Her voice was cold and meaningful, and her sharp eyes swept across everyone's faces.

"It has nothing to do with others."

Lawyer mu nodded at his assistant and the others, and the gold bar box was closed again.

"Also, I'll have to trouble lawyer mu to help me pass a message to the Lei family."

Perhaps it was because the entire Lin family was present, Lin Hanxing did not address him in a more intimate manner.

Her white fingertips gently slid over the lids of the wooden boxes.

Yingluo, I might not be good enough.

Yingluo, I know that my life outside of work is boring.

Yingluo, I also know that I have many flaws in my personality.

But Wanwan, can you ...

Don't regret it.

Heh, that fool.

"This is my pocket money for Lei Xiao."

?

Chapter 669: Taking the initiative to court favor

In the bedroom.

Lin Hanxing had not returned since the day Luo Mingwei was buried.

She sat in front of the dressing mirror and took off her jewelry.

In the mirror, Lin Hanxing's delicate face was white and almost transparent. Compared to when she was at the Lei family, she seemed to be wearing a frost mask.

"Ninth young lady, the clothes that Shen Shu 'er is wearing are yours!"

As the most considerate little Butler of the ninth miss, Jiang Xibao would never mistake her for someone else.

Lin Hanxing smiled indifferently, like a jasmine flower in full bloom under the moonlight.

The hearts of the people watching couldn't help but tremble.

She got up and knocked over the box that Jiang Xibao had placed on the table. The gold bars were lying on the White European coffee table.

Knock, knock, knock.

There was a knock on the door.

Lin Hanxing used his eyes to signal Xi Bao not to clean up.

It was Lin Jiaojiao. Lin Hanxing should be calling her cousin.

“Sis, mom asked me to bring you some fruits.”

She smiled shyly as she spoke.

Lin Hanxing looked at her. Ever since she returned to the Lin family, she had not had much contact with her cousin.

After all, compared to Luo Ruyin, Lin Jiaojiao, who didn’t cry or make a fuss, was more like a background decoration.

Although it was a little cruel to say so.

“Just put it there.”

Lin Hanxing’s voice did not sound friendly.

However, Lin Jiaojiao did not seem to understand. She placed the cut fruit on the coffee table and glanced at the gold bars on the table.

Lin Hanxing did not let Jiang Xibao clean up the place, so the gold bars were still in a state of being knocked over and scattered.

It gave off an unusually extravagant feeling.

“Cousin, you just casually left your gold bar here!”

Lin Jiaojiao glanced at Jiang Xibao. The meaning of her words was self-evident.

She wanted to reach out and help her put the gold bar back into the box, but when she met Lin Hanxing’s eyes, which seemed to read her mind, her hands froze.

Lin Jiaojiao couldn’t describe that feeling.

It was as if a basin of cold water had been poured on her head, making her a little overwhelmed.

“I think cousin has some misunderstanding about me.”

Lin Jiaojiao smiled awkwardly.

“Xi Bao, go and find the mute uncle to bring some desserts.”

Jiang Xibao turned around and left.

Lin Hanxing sat leisurely on the sofa, casually stacking the gold bars as if he was playing with a toy.

“What misunderstanding can I have about you?”

Lin Hanxing asked Lin Jiaojiao.

cousin was downstairs just now. I just wanted to get you a glass of water to drink. I didn’t mean anything else.

Lin Jiaojiao said timidly, like a delicate little white Lotus.

"I'm just thanking you for the water. I don't mean anything else."

Lin Hanxing quickly piled up the gold bars into a small pyramid, his voice flat.

Lin Jiaojiao bit her lower lip and sat down beside Lin Hanxing.

"Cousin, you said before that the thing my mother asked for would not have a result within three years. What did you mean?"

Auntie Yingluo, what you've been asking for will not come to fruition within three years.

That was what Lin Hanxing had said when he had just returned.

However, Lin Jiaojiao had been thinking about it until now.

With a crash, the small pyramid under Lin Hanxing's hand was pushed down.

That voice startled Lin Jiaojiao.

Then, when he met Lin Hanxing's cold eyes, he felt guilty.

"All these years, youngest aunt has always wanted to give birth to a boy for youngest uncle to inherit the family business."

Lin Hanxing leaned lazily on the side of the sofa pillow, his expression cold.

"Seven years ago, she had a chance, but unfortunately ..."

Lin Hanxing and Lin Jiaojiao looked at each other. Lin Jiaojiao's eyes flickered when she heard Lin Hanxing's cold voice.

Auntie slipped and accidentally fell down the stairs. She lost her child.

Lin Hanxing's voice did not fluctuate at all when he spoke, as if he was talking about someone else's matters that had nothing to do with him.

?

Chapter 670: Who is more innocent than who?

"What's strange is that the stairs that we usually walk through have been sprayed with oil."

"Auntie lost the child because she stepped on this oil!"

Lin Hanxing smiled, but the smile did not reach his eyes.

He couldn't see through her.

Lin Jiaojiao's face turned pale. She stood up and looked at Lin Hanxing, but the coldness in Lin Hanxing's eyes was terrifying!

He couldn't help but feel afraid!

"Cousin, I don't know who did such an evil thing."

"How did you know?"

This had happened seven years ago, so how did her cousin know about it?

"As long as I want to, there's nothing I don't know."

As soon as Lin Hanxing finished speaking, Jiang Xibao came back from downstairs with two plates of snacks in his hands.

There was a plate of sweet osmanthus, yam, and purple sweet potato cakes, and a plate of green bean cakes.

Jiang Xibao also brought her a cup of fruit tea.

Lin Jiaojiao didn't say a word. She slowly sat down on the other side and just looked at her.

There was a probing look in his eyes.

"Then why did cousin say that there wouldn't be any results within three years?"

These words were said with half a test and half a hint of fear.

Lin Hanxing pushed the fruit tea to Jiang Xibao and motioned for her to eat it. She had heard her stomach growling just now.

"Are you sure you want me to say it?"

It was still the same cold voice that made people feel no emotion.

Lin Jiaojiao did not say anything.

However, her silence was within Lin Hanxing's expectations.

"I've been back for so long, but I don't think I've given my cousin a meeting gift ..."

Lin Hanxing's gaze inadvertently swept across the door, then he smiled and said, "

Lin Jiaojiao was a little dumbfounded. She didn't expect that su qingsang wouldn't continue to question her and would even give her a gift.

He subconsciously followed her to the cloakroom.

The moment the lights came on, Lin Jiaojiao was dumbfounded!

She knew that this used to be Luo Ruyin's room, but ...

After staying here for so long, Lin Jiaojiao could completely feel that there were still traces of Luo Ruyin.

Even the cloakroom ...

Clothes, jewelry, shoes, bags ...

She was dazzled and moved!

Lin Jiaojiao believed that no woman would be able to resist this kind of temptation.

“I’ll pick whatever I like.”

Lin Hanxing was about to leave after he finished speaking.

“You’re saying, anything is fine? I can choose from everything?”

Lin Jiaojiao added, afraid that she would misunderstand.

Lin Hanxing did not even turn around and made a hand gesture, his meaning clear.

Jiang Xibao was listening attentively while eating. When he saw Lin Hanxing walking over, he was about to speak ...

But when he saw her eyes, his voice stopped abruptly!

There was someone outside the door!

Lin Hanxing pretended not to notice and continued to fiddle with the box of gold bars.

An unknown amount of time passed ...

Lin Jiaojiao finally walked out of the cloakroom.

She didn’t take her shoes, clothes, or bags, but only picked a set of jewelry.

Its market value was estimated to be in the tens of millions.

“Cousin, can I really take this?”

Lin Jiaojiao concealed her joy and looked at her innocently.

“Of course you can. I’m a man of my word, so I’ll naturally give it to you.”

“Then I’ll thank cousin. I still have something to do, so I’ll take my leave first.”

After speaking, Lin Jiaojiao was about to walk out.

“Cousin, it’s because those shares and real estate will only be officially transferred to your name in three years.”

Just as she was about to reach the door, Lin Hanxing’s cold voice came from behind her!

Lin Jiaojiao stopped in her tracks!

Although he did not turn back, he did not continue walking forward either.

As she held the set of jewelry that was worth tens of millions, her eyes narrowed gloomily.

“I don’t understand what my cousin is saying!”
