

Goodnight 681

Chapter 681: I know your secret

It was as if he was reminding her that he knew her secret.

Although they didn't know why Cheng Lingyun came upstairs, it was obvious that Lin youlin didn't come to disturb them.

Cheng Lingyun suddenly closed in on Lin Hanxing.

"Do you know what I hate the most about you?"

She didn't even bother to put on a pretense as her eyes revealed her deep disgust for Lin Hanxing.

"I hate that look of yours the most, as if you know everything!"

Even though he had deliberately lowered his voice, it was still very sharp.

He was obviously nothing but the Thunder valiant beast!

Lin Hanxing suddenly laughed in front of Cheng Lingyun.

Cheng Lingyun was so embarrassed that she turned around and walked out of the bedroom.

Cheng Lingyun, you were poor when you were young. For various reasons, you lived in your distant uncle's house. Who would have thought that not long after you lived there, your uncle would start to touch you? "

Cheng Lingyun's hand was already on the doorknob, but when she heard Lin Hanxing's words, she suddenly turned her head!

He just stared at her.

His breathing was rapid.

Lin Hanxing, who had been sitting not far away, suddenly stood up and walked towards Cheng Lingyun.

one day, you finally couldn't stand it anymore and started to think about how to get rid of this life!

Cheng Lingyun looked at the woman who was approaching her from afar, and the hair on her back stood up!

"And so, you set a fire."

Lin Hanxing's voice was cold and distant, but it seemed to be able to bring people back to their nightmares.

the person who should die didn't die, but the person who shouldn't die was buried in the sea of fire. The youngest son of this family died here, and this will become a nightmare that you will never be able to escape from!

Cheng Lingyun's back was pressed against the door.

She originally thought that Lin Hanxing had been lying to her all this while!

“Even now, you still have to transfer money to your distant uncle’s account every month, don’t you?”

Lin Hanxing sneered.

He seemed to be mocking Cheng Lingyun’s arrogance.

“I need to correct you.”

As he spoke, Lin Hanxing leaned closer to Cheng Lingyun’s face.

“Don’t I seem to know everything ...”

Her cold eyes met with Cheng Lingyun’s fearful eyes.

“I do know everything!”

The air seemed to freeze in an instant.

If Cheng Lingyun had any doubts before ...

Now, she was absolutely sure that Yuan susu must have told Lin Hanxing about this!

Because only susu knew about this.

She had accidentally found out the truth when she saw her uncle coming to ask for money.

“Now, what else do you have to doubt?”

Lin Hanxing smiled, the light in his eyes seemed to be mocking Cheng Lingyun’s final struggle.

Cheng Lingyun felt like she was having difficulty breathing.

Especially when he was being stared at by this pair of eyes.

There seemed to be a constant nauseating feeling in his stomach.

At first, Cheng Lingyun could still control herself, but in the end, she couldn’t help but retch.

It was as if her legs could not support her body, and the nervousness of being discovered instantly overwhelmed her.

In the next second, Cheng Lingyun’s vision turned black and she fainted ...

.....

When she woke up again, it was already two hours later.

When Cheng Lingyun woke up, the first thing she saw was Lin youlin, who was standing by the bed.

What’s wrong with her?

Then, her memories came back like a tide, and Cheng Lingyun finally remembered what happened before she fainted.

Lin xiaojiu!

At this moment, Lin Hanxing was leaning against the wall with his hands wrapped around the moon.

Seeing that she had woken up, he gave her a meaningful smile.

Chapter 682: You are pregnant

“What did I do?”

Cheng Lingyun said with a hoarse voice.

Seeing that she had woken up, Lin youlin, whose heart had been in her throat, finally heaved a sigh of relief.

“You’re pregnant.”

After that, Lin youlin sent the family doctor off.

The room instantly fell silent.

Lin Hanxing and Cheng Lingyun were the only ones left.

Cheng Lingyun had not yet recovered from the joy of her pregnancy, but when she met Lin Hanxing’s eyes ...

It was as if ice water had been poured down!

“Congratulations, Madam Cheng.”

Lin Hanxing smiled, his eyes as deep as an ancient well filled with coldness.

“Lin Hanxing, what do you want?”

Cheng Lingyun tried her best to calm herself down and negotiate with Lin Hanxing.

“What do you want?”

Hearing this, Lin Hanxing raised his eyebrows and smiled.

“What do you think I want?”

How would she know?

Cheng Lingyun panicked.

Now that she finally had brother Yuan’s flesh and blood, she was only one step away from getting everything she wanted!

But why did it have to be Lin xiaojiu!

Li Yanyu, even if you die, why should you not let me live well?

I advise Mrs. Cheng not to get too excited. After all, the first three months are the critical period.

Lin Hanxing said coldly, then walked to Cheng Lingyun's bedside.

Cheng Lingyun subconsciously protected her stomach and shrank back.

"Little nine!"

Lin qianlin's anxious voice came from the door. She strode over and blocked Cheng Lingyun's path.

Her eyes were filled with panic.

"Hehe."

Lin Hanxing smiled with a subtle expression.

"I'm not a dreadful monster, what are you guys looking at me like that for?"

It was as if she would dig out Cheng Lingyun's child the moment she opened her hand.

alright, alright, alright. Since you don't like me, I'll leave, alright? "

Lin Hanxing laughed as he walked out.

"Where are you going?"

Cheng Lingyun seemed to have thought of something and looked at her vigilantly.

"Madam Cheng, do you even care about this?"

Lin Hanxing glanced at her, his expression deliberately showing his helplessness.

Cheng Lingyun stopped talking.

Lin Hanxing walked to the door with his back to her and said softly, "

"I'm just going to the hospital to share the good news with Yuan susu."

After he finished speaking, he didn't care about Cheng Lingyun's reaction ...

Lin Hanxing laughed and left!

.....

Lei Corporation.

Anthony was reporting his recent schedule to Thunder valiant in a deep voice.

The phone on the table suddenly vibrated.

[Yuan Dabao: I miss Auntie] [[want to kiss [hug, and raise her high].jpg

Lei min expressionlessly placed his phone on the table.

However, Anthony did not even finish his report before his phone vibrated again.

Yuan Dabao replied,"I know you've seen 'slanted eyes'. jpg."

The Thunder valiant beast chose to continue to ignore him.

Yuan Bao, who was sitting on the bench in the classroom, snorted!

She rested her cheeks on her hands.

It was the first day that first aunt was not around. He missed her.

Suddenly, the corner of her clothes was grabbed.

Yuan Bao turned his head and saw little grape staring at him with his big, watery eyes.

There was a look of grievance on her delicate little face.

“Pain, pain, pain, pain, pain!”

After saying that, she threw herself into Yuan Bao’s arms and burst into tears ...

.....

At the Affiliated Hospital of Jiangcheng Medical University.

After Lin Hanxing’s last visit, the number of bodyguards at the door had increased from two to six.

Yuan susu stared at the ceiling with wide eyes.

No one knew what she was thinking, and the centipede-like scar on her face looked terrifying.

The door was opened from the outside.

Yuan susu still didn’t move, assuming that the nurse was here to change the medicine.

“It seems that you’re not in a good state.”

Yuan SuSu’s dull eyes suddenly lit up when she heard the cold voice.

He subconsciously looked in her direction!

Chapter 683: You will be abandoned

Lin Hanxing walked over with a bouquet of flowers in his hand.

Yuan SuSu’s eyes were fixed on her, full of hope.

Lin Hanxing ignored her enthusiasm.

She was still so beautiful that it made people jealous!

Yuan susu pursed her dry lips and watched as Lin Hanxing placed the flowers into the vase beside the bed.

The foul air in the room was temporarily suppressed by the fragrance of flowers.

The warm autumn sun was at its peak, pouring in through the floor-to-ceiling windows.

From Yuan SuSu’s point of view, the sunlight had coated the dust in the air with a layer of gold.

It was fine and shattered.

It surrounded Lin Hanxing.

Mrs. Cheng is pregnant.

These six simple words made Yuan SuSu's expression twist.

Lin Hanxing sat down with a cold expression, unaffected by the spread of her negative emotions.

"How could she ... How could she do this to me?!"

Yuan SuSu's hands, which were bound to the bed, started to struggle violently, and her already red and swollen wrists became even worse.

"How can you do that!"

She had ruined her!

But now, he was going to enjoy the glory and wealth of a person!

And what about him?

Disfigured, with nothing left, she could only be locked up in the ward!

Lin Hanxing picked out a pear from the fruit basket, took out a fruit knife from somewhere, and started peeling it.

He seemed to be enjoying Yuan SuSu's mental breakdown.

all your reliance and bargaining chips no longer exist.

"You will be abandoned."

Yuan SuSu's struggling stopped instantly.

He turned his head stiffly to look at her like a puppet.

"I already warned you ..."

Lin Hanxing raised his head to look at her and smiled.

"Isn't it?"

Yes, she had warned him before.

"I beg you ... Please save me."

Yuan SuSu's teary eyes were filled with hatred, and Lin Hanxing seemed to have seen this kind of hatred in many people's eyes recently.

She was trembling like a quail.

If it wasn't for the centipede-like scar on her face that ran from her brow bone to her chin, it would have destroyed her beauty ...

Lin Hanxing would definitely praise her for being lovely.

He reached out and slowly lifted the core handle of the pear. The pear meat that had been thinned into pieces slowly fell down and bloomed into a white pear flower.

Looking at the familiar pear blossoms, Yuan SuSu's memory was pulled back to that day!

Yingluo, what do you think is the scariest thing in the world?

The rustle is the heart of the people!

It turned out that he was not dreaming that day!

So Lin Hanxing really did appear!

Fear overwhelmed her, and her eyes widened in panic. She breathed with difficulty, and it felt as if her heart was bursting with pain!

The heart!

At that moment, Yuan susu suddenly remembered the heart that should have belonged to Li Sinian!

"If I die, Li Si Nian will die with me!"

Yuan susu screamed at Lin Hanxing in pain!

"My heart, my heart belongs to Lisnian. Aren't you one of Li Yanyu's men? You have to save me! You can't let my mother have her way!" Yuan susu was extremely regretful that she had abused her sympathy over the years!

As a result, her heart was so badly damaged that it would not be able to support her for long.

However, there was still hope as long as he was alive, wasn't there?

"What do you want to know? I'll tell you everything! It doesn't matter if it's aunt Yanyu's or Li Sinian's!"

"Oh? What can you tell me?"

As Lin Hanxing listened, he looked at the door of the ward thoughtfully.

when Auntie Yanyu had a hemorrhage during labor, the hospital kept calling my uncle. It was my mother who stopped her!

In order to survive, Yuan susu spoke without any hesitation.

"My mom said that she had never heard the proud Li Yanyu have such a weak voice ..."

Chapter 684: Misty rain like a dream

Uncle Yingluo-please don't hold it against me for all the things that happened in the past, okay?

I beg you, please come and see me.

At that time, no one could understand the despair that li Yanyu felt.

However, Lin Hanxing knew that she must have been waiting for him to come. She had been waiting for him to appear when she was on the verge of death.

The man called Yuan shaojing.

The man she had waited her entire life for, but all she got was a body full of wounds.

However, li Yanyu didn't know that at that time ...

Yuan shaojing didn't receive any calls from the beginning to the end.

She only thought that he hated her and would never forgive her even if he died.

But even so, aunt Mian still gave birth to Yuan shaojing's child.

The child who was named lisnian.

Si Nian, longing.

my mother only found out then that li Sinian was the child of aunt Yanyu and uncle!

Lin Hanxing's long eyelashes fluttered as he listened to Yuan susu.

she was afraid every day. She was afraid that li Yanyu would expose the truth to uncle. Li Sinian was like a knife hanging over my mother's head, making her feel uneasy!

Yuan SuSu's voice was full of tears.

Lin Hanxing's face was expressionless, but upon closer inspection, her fair fingers were slowly clenching.

After that, there was no need to repeat the tragedies that happened.

"Save me, save me!"

Yuan SuSu's eyes were red as she looked at Lin Hanxing.

Lin Hanxing did not say a word and slowly closed his eyes.

He didn't know how long it had been like this ...

"I know. Your uncle will get someone to pick you up in the afternoon."

Lin Hanxing stood up coldly as he spoke.

After saying this, he walked out of the ward.

He was not even willing to feign civility.

Ignoring Yuan SuSu's ecstatic expression, Lin Hanxing opened the door.

Outside the door, Yuan shaojing was leaning against the wall.

He stood there for a long time.

Kada.

The door closed behind Lin Hanxing.

The two of them didn't speak, and Lin Hanxing saw Yuan shaojing's Red eyes from his forbearance ...

It was so ironic.

If I love someone, I'll do my best, even if it hurts my bones. But if I hate someone, I won't let him die so easily. I want him to taste the pain that reaches the bone marrow, and then I'll burn his bones and scatter his ashes!

Misty rain, you did it.

You've let me taste the pain that reaches my bone marrow every day.

"I didn't receive any calls, not a single one."

Yuan shaojing's hands were on the Black Dragon head cane, and his big hands couldn't help but tremble.

He did not know if he was saying this to Lin Hanxing or himself.

Uncle Yingluo, I've always wondered, if I had died that day, would you remember me forever?

Yingluo, but I still want to live.

Yingluo, I've been with you for so long. As long as you're willing to take a step towards me ...

Yingluo, you'll be able to hold my hand.

At that time, he didn't understand ...

When did she say that day?

She said that she had been with him for so long, and as long as he was willing to take a step ...

Yuan shaojing felt like a knife was cutting through his heart.

Clearly, at that time ...

He only needed to take one step!

Just one step.

Uncle Yingluo, my son is dead, but her daughter is still alive ...

Why did Yingluo have time to save her daughter but not my child?

Between her and me, you'll always choose her.

Yingluo, what about me?

Lin Hanxing looked at Yuan shaojing indifferently, as if he couldn't see the despair in his eyes.

"Mr. Yuan, you can take Yuan susu out of the hospital this afternoon."

Lin Hanxing didn't even look at him after he said that.

He brushed past her ...

Chapter 685: Brother Yuan Bao

At the hospital's parking lot.

Lin Hanxing sat in the car, his hands clenched on the steering wheel.

In the reflection of the rearview mirror, her seemingly calm eyes were filled with turbulent emotions.

'Aunt Mian ...

Until her phone rang urgently.

It was an unknown number.

Lin Hanxing's eyes were cold as he picked up the phone, but his expression changed slightly after hearing what the other party said.

"I'll be there immediately."

After hanging up the phone, Lin Hanxing started the engine ...

.....

When Lin Hanxing arrived at the school, half an hour had already passed.

In the infirmary.

Little grape was sleeping soundly after taking his medicine.

Yuan Bao ran to the doctor and looked up at him.

"Will she be alright?"

The doctor sighed and answered patiently for the 101st time.

"She's just eating too much,"

Yuan Bao's eyes were wide open as he returned to the bedside.

However, he ran back after a while.

"Will she be alright?"

The doctor drew a long line on the paper and took a deep breath again.

she just knows that she ate too much!!!!

This was already the 102nd time!

"Yuan Bao!"

Lin Hanxing walked in from outside and the doctor, who had a stiff expression, widened his eyes.

It was so beautiful ...

“First aunt!”

The moment Yuan Bao saw Lin Hanxing, he pounced into her arms like a little sheep.

His nervousness and uneasiness were finally released when he saw Lin Hanxing.

First aunt ...

With a crash, the doctor felt that his young man’s heart was broken.

“What’s wrong with little grape?”

Lin Hanxing had already rushed over as fast as he could.

He heaved a sigh of relief when he saw little grape sleeping on the bed.

“That idiot ate all the snacks I brought her!”

Yuan Bao had saved up a week’s worth of pocket money to buy her snacks!

“They’ve all been eaten! So many!”

As he spoke, Yuan Bao drew a big circle in front of him with his little sheep hoof!

“Idiot!”

“I told her to hide it and eat it behind her grandfather’s back!”

A week’s worth!

She had finished all of them in one day!

Idiot!

“.....”

Lin Hanxing felt that he had to remind Yuan Bao ...

“Ahem.” A low cough came from the door.

Yue Guanqian’s face suddenly appeared, and he walked in from the side of the door. He gave Yuan Bao a smile that he thought was kind.

“.....”

The sudden silence was the scariest thing ...

“Elder Yue.” Lin Hanxing was the first to break the silence, pulling Yuan Bao to his side.

“I’m here to pick up little grape.”

As Yue Guanqian spoke, an old man in a Chinese tunic suit appeared beside him.

“Hahahaha, this is ah Zhen’s little nephew?”

His laughter was like thunder, waking little grape up.

“Brother Yuan Bao, hug ...”

The first thing little grape looked for was Yuan Bao.

Yuan Bao, who was originally beside Lin Hanxing, unconsciously took two steps towards little grape.

However, when he saw Yue Guanqian, he lowered his head and did not move.

“Brother Yuan Bao, hug ...”

The little grape was about to cry, but Yuan Bao quickly ran over and held her hand.

“Elder Yue, I’m sorry”

Lin Hanxing smiled at Yue Guanqian, but the old man in the Chinese tunic suit looked at her in surprise.

“This is ah Xiao’s wife?”

“Are you an adult yet?”

“.....”

Lin Hanxing had heard the same question from Yue Guanqian.

Was her appearance really that misleading?

“Ah Xiao didn’t force you, right?”

The old man in the Zhongshan suit asked again.

So, she really couldn’t blame him for asking that question ...

Yue Guanqian thought!

Chapter 686: What’s her background?

Lin Hanxing could not help but chuckle.

If Thunder owl heard this, he would probably remember it for a while.

“Grandpa ...”

Grandpa! little grape called out sweetly when she saw her grandfather.

The originally serious Yue Guanqian’s heart was instantly melted by his granddaughter’s cuteness.

“Let’s see if you still dare to eat so many snacks next time.”

Yue Guanqian walked over and tapped his granddaughter’s nose with his hand.

When he saw little grape holding Yuan Bao’s hand, his face darkened.

If this wasn't ah Zhen's little nephew, he would definitely break this little brat's legs!

Little grape nodded.

"Eat!" She said crisply.

"....."

"....."

Lin Hanxing smiled at the dark-faced Yue Guanqian.

Little grape did not seem to notice her grandfather's complicated feelings. She took out a lollipop from her pocket and put it in Yuan Bao's mouth.

"Next time, you can't eat so much at once."

Lin Hanxing bent down to pick up the little grape and hooked his pinky with hers seriously.

"Mm, I'll listen to big sister's words!"

Little grape's eyes were wide open, and he kissed Lin Hanxing on the cheek.

The doctor looked at Lin Hanxing in a daze, his heart beating out of rhythm.

It was so cute.

Sensing the doctor's gaze on Lin Hanxing, Yuan Bao snorted and stood in front of the doctor with his hands on his hips.

"Auntie, uncle will be here soon!"

"I know."

Lin Hanxing replied in a low voice.

No one noticed that the moment she finished speaking, the expression of the old man in the Chinese tunic suit suddenly changed subtly.

"Then I'll take little grape home first."

It was already time for school to end, and most of the people in the school had left.

"Alright, be careful on the road."

Lin Hanxing passed the small grape to Yue Guanqian and added on.

Perhaps sensing that someone was looking at him, he raised his head and met the eyes of the old man in the Zhongshan suit.

"Hehe, see you next time, little girl."

With that, the old man in the tunic suit left the infirmary with Yue Guanqian.

"Um, may I ask ..."

The doctor said weakly.

“First aunt, let’s go outside and wait for first uncle!”

Without waiting for him to speak, Yuan Bao had already grabbed Lin Hanxing’s hand and walked out.

The sun was setting.

Most of the people in the school had left.

“You like little grape?”

Lin Hanxing and Yuan Bao were each sitting on a swing, swaying lazily.

“Who is it? Who would like that idiot!”

Yuan Bao’s sheep-like face suddenly tensed up, and he could vaguely see the shadow of fourth young master Lei.

Oh, so you hate little grape!

Lin Hanxing tilted his head and looked at him, his stubborn appearance was exactly the same as Lei Xiao’s.

She couldn’t help but wonder if the Lei family was a stubborn but soft-hearted tsundere that had been passed down for generations.

“I don’t hate it!”

Yuan Bao stomped on the ground and opened his mouth awkwardly.

“I’m going to the toilet.”

With that, Yuan Bao ran off.

Lin Hanxing stretched his legs.

“Um, can I have your WeChat?”

The young doctor Who had been in the infirmary ran out.

.....

“Old man Yue, ah Zhen’s wife ...”

The old man in the Zhongshan suit looked at Yue Guanqian and spoke with some hesitation.

“What?” Yue Guanqian, who was rubbing his granddaughter’s round belly, looked up and saw his old friend’s subtle expression.

“What’s his background?”

“What background? why are you asking this?”

Yue Guanqian replied without much care.

“I mean ...”

The old man in the Zhongshan suit followed up with another sentence, but he seemed to not know how to start and was hesitating.

“That girl is the one that the Lin family lost eighteen years ago. We just found her.”

Yue Guanqian saw his old friend misunderstand that he had something against Lin Hanxing.

“The one from the Lin family?”

The old man in the Zhongshan suit pondered over this sentence.

“I say, what are you trying to say?”

Yue Guanqian turned around, puzzled.

Chapter 687: The voice sounded a little familiar

He wasn't someone who would stammer normally!

He was the one who said it when he was pulling funds for the natural sciences Institute!

The old man in the Chinese tunic suit didn't say anything.

“I think her voice sounds familiar.”

After a while, Yue Guanqian heard him say this.

“You've seen the Lin girl before?”

After the old man in the tunic suit brought it up, Yue Guanqian suddenly remembered the first time he met Lin Hanxing. There was an inexplicable sense of familiarity, but it was not towards her voice, but towards her as a person.

“Isn't this the first time I'm seeing this?”

The old man in the Zhongshan suit said as he touched his chin.

Where had he heard her voice before?

Suddenly ...

The old man in the Zhongshan suit had a subtle expression on his face.

Could it be ...

That's impossible. I must be thinking too much. Otherwise, how could it be related to the phone call I received that year?

He shook his head with a smile and decided not to mention this matter anymore ...

.....

Lin Hanxing looked at the doctor in front of him.

He looked like someone who had just graduated. When he looked at her, his handsome face flushed red.

It was obvious that he had no experience in this and was at a loss.

"I'm sorry ..."

After all, he was a student of Yuan Bao school, so Lin Hanxing would not go overboard with his words.

"You can't!"

Suddenly, a deep and cold voice sounded from not far away.

Lin Hanxing and the doctor turned to look at the source of the voice.

At that moment, the gloomy-looking Lei Xiao's aura burst forth in an instant. His malicious eyes landed on the doctor coldly, sizing him up ...

It made the doctor feel like he was a piece of pork on the chopping board.

And it was the cheapest and most disgusting kind!

"You're here?" Lin Hanxing's face broke into a smile.

The doctor's Heart ached. This must be the uncle that the child was talking about.

"Yes." Lei Xiao walked towards her.

However, his eyes never left the young doctor. His face was expressionless, and his stare made the young doctor's legs tremble.

"I ... I'll be leaving first."

As soon as he finished speaking, the young doctor turned around and ran to the infirmary.

Lei min snorted coldly, his eyes filled with ridicule.

Throughout the entire process, Lin Hanxing saw all his little actions and pursed his lips to stop himself from laughing out loud.

After watching that person leave, Lei Xiao retracted his cold gaze.

He turned to look at Lin Hanxing.

There was even a faint 'complaint' in his eyes, and that look simply made Lin Hanxing feel guilty from the bottom of his heart.

"If you didn't come, I wouldn't have prepared to give it to him."

Lin Hanxing sat on the swing with his legs stretched out.

The camel-colored coat made her face look even whiter, and her long seaweed-like hair covered both sides of her face, making her face look small.

Hearing this, Thunder valiant beast's expression became slightly better.

When he received the call from the school, Lei Xiao pushed aside his work and rushed over.

She saw Lin Hanxing sitting on the swing from afar.

Before she could celebrate, she saw the doctor-like man walk over.

He even dared to ask Hanxing for her WeChat?

Hehe.

Lin Hanxing looked at Lei Xiao's absent-minded eyes, pursed his lips and turned his face away to smile.

"Ah ..."

Lin Hanxing kicked Lei Xiao.

Yuan Bao went to the toilet. Come and sit here first.

Lin Hanxing gestured with his chin to the swing next to him, and Lei Xiao's expression revealed his disdain.

He was standing next to her.

"Did you sleep well last night without me?"

Lin Hanxing supported himself on the ground with his feet and slowly swung the swing. He tilted his head and looked at Lei Xiao.

He was not wearing a suit jacket, but a black shirt that wrapped around his strong body.

Even though he was just standing there, it was impossible to ignore!

Chapter 688: This is what you call cowardice

"Yes."

Lei Xiao's gaze was still fixed on the direction where the young doctor had disappeared.

"Oh, then What is this?"

Lin Hanxing took out his phone and showed the photos Yuan Bao had secretly sent to him this morning to Lei Xiao.

In the photo, Lei Xiao was sleeping peacefully with his face buried in the pink teddy bear.

"....."

Lei min's forehead throbbed, but he pretended not to see anything.

Lin Hanxing used his foot to push the swing to a stop.

He stood up and walked to Thunder valiant beast.

“But I didn’t sleep well last night.”

In the Lin family’s environment, the most he thought about was scheming rather than resting.

Only God knew how much she missed the Lei family when she was lying in bed.

Lin Hanxing looked up at him.

“I missed you so much.”

As she spoke, she bit her lower lip and looked at him with an innocent expression.

When they were at the Lei family, Lei Xiao had to hold her in his arms.

After getting used to his embrace, Lin Hanxing suddenly fell asleep alone. He tossed and turned until midnight last night, but he still did not feel sleepy.

Just as Thunder valiant beast was about to say something, he saw a white figure in the corner of his eyes.

His eyes darkened.

Still not giving up?

Lin Hanxing saw that he did not say anything and was about to speak ...

In the next second, Lei Xiao’s fingers had already reached into her hair and clutched the back of her head.

A fiery kiss landed on Lin Hanxing’s lips without warning.

Lin Hanxing blinked.

He didn’t seem to understand why the Thunder valiant beast suddenly showed such enthusiasm!

She hadn’t even done anything yet!

She hadn’t even started flirting yet!

Why did he just directly kiss her?

The ridicules in her heart kept floating like bullet comments.

“Oh ...”

The hot temperature on his lips soon made Lin Hanxing’s mind go blank.

Lei Xiao slowly savored the taste, but his cold eyes fell on the dejected figure not far away, who turned and returned to the infirmary.

Hehe, trash!

Repressing his body’s instincts, Lei Xiao finally let go of Lin Hanxing.

Even if this man wanted to punish her on the spot.

“You want to flirt with me again!”

Lei Xiao stretched out his hand to wipe away the glistening water stain on the corner of her lips, his hoarse voice carrying indulgence and helplessness.

It seemed like he really couldn't do anything to her.

However, before he could react, Lin Hanxing grabbed his tie and forced Lei Xiao to lower his head. Then, he kissed his Adam's apple.

“This is what you call a coward!”

Lin Hanxing raised his eyebrows and looked at him provocatively.

... Okay, okay, okay. You're good-looking and you're right about anything.

“Uncle ...”

Yuan Bao saw Lei Xiao from a distance and ran back with his short legs, throwing himself into his arms.

“I missed you so much!”

“.....”

Don't think that I didn't see you secretly wiping your freshly washed hands on my body!

After he was done, Yuan Bao immediately left Lei Xiao's arms and hugged Lin Hanxing's hand.

“.....”

Lei min looked at his little nephew expressionlessly.

Yuan Bao suddenly remembered that little grape had used up a whole week's worth of his pocket money. He sighed silently in his heart. It seemed that he would have to go home and complain to his grandmother to earn some pocket money.

He counted carefully on the little lamb's hooves ...

This time, he had to find at least a dozen places where his grandfather had hidden his money.

Well, although he felt sorry for his grandfather, he still decided to betray his allies and throw himself into the arms of the enemy for the sake of little grape's food!

Lin Hanxing's phone suddenly rang.

She looked down and saw that it was a WeChat message.

[Qiao Mu in the South: do you have time tonight?]

It was Zhan Nanheng.

Xing Xiaoxing, “what's up?”

[you Qiao Mu in the South: let's talk over dinner.]

Lin Hanxing raised his head and looked at Yuan Bao and Lei Xiao, replying expressionlessly.

Xing Xiaoxing, [can I bring my family?]

Qiao Mu in the South was speechless.

Chapter 689: The manager's sizing up

Mando Kaishi cuisine.

This was the most famous huaishi restaurant in Jiang city.

There were only six Japanese private rooms and one VIP private room in the entire store.

Each room was equipped with a large floor-to-ceiling window.

He could clearly see the beautiful landscape in the courtyard.

The entire courtyard was exquisitely designed with a sense of privacy, allowing one to completely relax here.

When Lin Hanxing and his group arrived, they were led directly to the ultimate private room at the back by the staff.

"I'll go to the bathroom first."

The shop assistant was about to remind her of the washroom's location, but before she could say anything, Lin Hanxing had already walked in that direction.

It was obvious that this was not his first time here.

After coming out of the bathroom, she was about to wash her hands when her phone vibrated again.

[you Qiao Mu in the South: did you bring two Kings of Hell?]

Then, a photo that was secretly taken was sent over.

He saw Thunder valiant beast and Yuan Bao sitting in the same position with the same expression, not moving an inch.

Lin Hanxing did not reply.

She looked up at the figure that suddenly appeared in the mirror.

She had seen her before.

Zhan Nanheng's manager.

"Is there something?"

Lin Hanxing washed his hands and wiped them with a neatly folded towel. His movements were smooth and elegant.

You're Eric's first love? "

That night, she was wearing a mask, so no one could see what she looked like.

Lin Hanxing threw the handkerchief to the recycling area and slowly turned around.

The crisp sound of high heels clicking on the ground unconsciously gave people a strong sense of oppression.

It wasn't until she turned around that her manager finally confirmed that she was indeed the one from that night!

However, the mystery when she wore the mask had been completely replaced by her shocking beauty, which made people feel inexplicably jealous.

While the manager was sizing Lin Hanxing up, Lin Hanxing was also looking at her.

searching for your first love is just a publicity stunt. I don't want you to misunderstand because of this and have any other thoughts about Eric! His manager, Erma, was from Jiang city. After graduating from university, he stayed in country G and joined an entertainment company to follow Zhan Nanheng.

Lin Hanxing looked at the extremely guarded manager in front of him, smiled, and turned to leave.

"Wait a minute, I haven't even finished ..."

Seeing that Lin Hanxing was about to leave, Erma subconsciously reached out and tried to pull Lin Hanxing back!

However, before his hand could get close, Lin Hanxing's body had already made an attack on reflex.

"Ah ..."

Not expecting her to do that, Erma took a step back.

In the next second, Lin Hanxing's hand was pressed against her cheek, in a katedon position.

"....."

what? " Erma blinked in shock and looked at the expressionless Lin Hanxing.

His heart was beating fast due to the shock.

That strong sense of oppression was enough to suppress Erma's momentum by a large amount!

"Why should I let you finish?"

Lin Hanxing chuckled softly, but the sarcasm in his smile was an eyesore to Erma.

In fact, other than showing enthusiasm to a few people, Lin Hanxing's attitude towards others had always been so cold, to the point where it could even be said that he was merciless.

"I ..."

Erma was about to say something when Lin Hanxing reached out and placed a finger on her lips.

“Why should I waste my time on you?”

The two consecutive questions made Erma’s expression turn ugly. She tried to open her mouth a few times ...

They were all suppressed by Lin Hanxing’s powerful aura and could not make a sound.

“Also ...”

Lin Hanxing looked at her coldly.

“I really don’t like the title of first love!”

It was as if there was something stuck in Erma’s throat, and she couldn’t say a word.

Lin Hanxing chuckled and finally let her go. He turned around and walked towards the private room.

Leaving behind Erma, who started to breathe heavily as if she had been rescued!

Chapter 690: You should know my rules

Lin Hanxing walked back to the private room unhurriedly.

As soon as the door opened, three pairs of eyes turned to look at her.

Zhan Nanheng heaved an obvious sigh of relief at her return.

The environment here was really good.

As soon as Lin Hanxing entered the room, he saw a huge floor-to-ceiling window that took up a third of the room.

Outside the window, the yellow ginkgo leaves were falling with the wind. The scenery was as beautiful as an ink-splashed landscape painting.

Zhan Nanheng smiled at the shop assistant, signaling for the dishes to be served.

“I really didn’t think that ninth young lady would be you.”

What happened that night was like a dream. It kept replaying in her mind for the past two days.

Lin Hanxing did not seem to hear him. He took a sip of the plum wine that the store manager had brewed himself.

Seeing that she had drunk the wine, Lei Xiao pushed the glass in front of him away.

Since she was drunk, he would drive.

“Now, have you thought about your request?”

The sweet and sour plum fragrance melted on his taste buds, leaving a fragrant taste in his mouth and mouth. It even whetted his stomach.

At the mention of this, Zhan Nanheng's expression was a little subtle.

He held the wine glass and gently swirled it, letting the smell of the green plum spread out.

I would like to ask you to go to country G and help me investigate the cause of my mother's death.

Zhan Nanheng's baby-like face had lost all traces of his acting as a star, and his voice was dark and cold.

In country g ...

Lin Hanxing's long eyelashes fluttered. As for Lei Xiao, when he heard these words, his malicious eyes slowly fell on Zhan Nanheng's face.

On the other hand, Zhan Nanheng only looked at Lin Hanxing's face.

He did not know if she would agree.

Zhan Nanheng didn't have any confidence at all.

I'll ask you again. What did my mother send you back then? "

Lin Hanxing's fingers tapped on the table rhythmically, making a tapping sound.

But it wasn't annoying.

Zhan Nanheng was taken aback at first, and then he laughed bitterly.

I didn't lie to you. Mrs. Lin really sent me something back then. I only know that my mother put it away carefully after reading it. She looked so serious that I've never seen her before.

Lin Hanxing looked at Zhan Nanheng's baby-faced face, as if he was evaluating the truth of his words.

The door was opened from the outside.

The shop assistant was slowly serving the dishes.

The conversation was temporarily interrupted, but it also gave them enough time to calm down.

The shop assistant then left.

"I have no reason to lie to you."

If he really wanted to do that, why didn't he make up some random story to convince her?

"Since you've come to find me, you should know my rules."

Lin Hanxing's voice was cold and emotionless.

The ninth young lady did things based on her mood, and there were no rules to follow.

In addition to the high price, the most special thing about her was that she would also ask for a secret.

Zhan Nanheng took a deep breath.

He naturally knew.

Yuan Bao was eating his food quietly, but his eyes would always fall on Lin Hanxing's face from the corner of his eye.

Oh, as expected, first aunt is so good-looking no matter what!

"Do you know why I chose to be a celebrity?"

Lin Hanxing looked up at him. Zhan Nanheng's adorable baby face had a self-deprecating expression that was hard to hide.

She took her time to drink the plum wine.

because only by doing so will I not suddenly disappear from this world one day.

It was also because of this reason that Zhan Nanheng had been constantly climbing up the ranks all these years.

If he didn't have any acting skills, he would desperately train his acting skills. He wouldn't let go of even a single opportunity. He only wanted to stand at the peak one day, where everyone could see him!

Only in this way could he survive!
