

## Goodnight 691

### Chapter 691: His secret

Those crazy fans of his would never have thought that their idol had chosen this profession just to survive in this world!

Zhan Nanheng had already gotten sick of living his life under the spotlight and had had enough of the unfair unspoken rules in the circle, but he had to use this method to ensure his own safety.

Lin Hanxing and Lei Xiao's movements paused almost at the same time.

After 0.1 seconds, the two of them acted as if nothing had happened.

"To me, this isn't a rare secret."

Even though Lin Hanxing's words were almost cold, there were rules in every industry.

"I know, I just ..."

Zhan Nanheng picked up his wine glass and finished the plum wine in one gulp.

"It's just that ever since my mother died, I don't know who I should say these words to!"

He didn't have friends, and he didn't dare to make friends.

They were afraid that they would bring bad luck to others.

He had seen all kinds of people, and he felt extremely insecure.

He kept a distance from everyone and didn't get too close to anyone.

He knew that those people would mock him behind his back, but Zhan Nanheng didn't care at all!

But ...

When he woke up from his dream, he would feel lonely.

The only thing he could think of in his mind was his neighbor in Jiang city.

Lin xiaojiu, whom he jokingly called his first love.

That was the happiest time of Zhan Nanheng's life!

He had long been used to speaking half-truths, but only when it came to Lin xiaojiu did he not lie.

Even though he wanted to make use of her, but ...

From the moment they decided to come to Jiangcheng for publicity, Zhan Nanheng had been looking forward to reuniting with Lin xiaojiu.

The moment he saw her again.

Under his playful appearance was his heart that couldn't be more nervous and excited.

Hearing this, Lin Hanxing raised his head and looked at Zhan Nanheng.

compared to my image at work, I obviously have no friends, no family, and don't even have a pet. After thinking about it, the only one I can talk to is you.

Zhan Nanheng shrugged his shoulders. His relaxed tone was mixed with loneliness and desolation.

Lin Hanxing did not say anything.

Suddenly, her eyes were covered by a large palm.

It was pitch black.

Lin Hanxing was stunned for a moment, then he smiled.

"Ah Xiao,"

With these two simple and calm words, Lei Xiao moved his hand away.

Yuan Bao bit on his chopsticks, pointed at his uncle, and secretly made a face.

This stingy uncle was jealous!

Zhan Nanheng restrained his emotions and poured himself another glass of plum wine.

Then, he looked out the window.

"My secret ..."

Zhan Nanheng's Adam's apple bobbed up and down, and the plum wine had already entered his throat.

would you believe me if I told you that my family background is related to the royal family of country G?  
"

His eyes locked on Lin Hanxing and he narrowed his eyes.

Even Zhan Nanheng's baby-faced face looked unusually grave.

Lin Hanxing only glanced at him with a calm expression.

He made a sound of agreement.

Eh?

It's over just like that?

Zhan Nanheng originally thought that she would say that she was crazy, but Lin Hanxing was so calm that the lines he had prepared next were all useless. The atmosphere became awkward all of a sudden.

"Why aren't you surprised at all?"

Zhan Nanheng laughed self-deprecatingly after saying that.

"I thought you would think I'm crazy."

Lin Hanxing held the wine glass in his hand and played with it casually with his long fingers.

all these years, Hua Ji has been in frequent contact with the royal family of country G.

She said indifferently.

Chapter 692: How serious is it?

Zhan Nanheng just looked at her.

She had already taken off her camel-colored coat when she came in, and her dark brown high-collared sweater showed off her exquisite and soft lines.

At this time, the lights were just lit.

The more composed Lin Hanxing was, the more mysterious she seemed.

in private, they also protect many important figures in country G.

Her white fingers glowed, and there seemed to be a faint fragrance in the air.

I can't think of anyone else other than the royal family who could make Hua Ji risk their lives to abduct an extremely influential and important person in a foreign country.

Lin Hanxing swirled the wine glass, letting the ice in the glass collide with each other, making a soft cracking sound.

Zhan Nanheng's baby face revealed a self-mocking smile.

"I thought they wanted my life."

Hearing this, Lin Hanxing looked at him strangely. Zhan Nanheng felt that the word "idiot" was clearly written in his eyes.

"If they wanted to kill you, you wouldn't have lived to see us that night."

Thunder owl's voice was low and cold, without any warmth.

His eagle-like eyes swept across Zhan Nanheng's face, and his gaze was in sync with Lin Han's.

"....."

Zhan Nanheng swallowed back the words he was about to say.

He looked at Lei Xiao with a provocative look.

"Since Mr. Ray is so smart, why don't you guess why they came to me?"

Ignoring the provocation in Zhan Nanheng's eyes, Lei Xiao sipped his tea.

the term of Office of the Head of state of G is five years, and there's still about half a year before the next appointment.

The Thunder valiant beast's voice was as cold as his eyes.

"I want to ..."

His eyes were thoughtful.

"It's the Crown Prince who has a problem."

Just as Lei Xiao finished speaking, the door of the private room was pulled open from the outside.

Yuan shaojing walked in with a serious expression, his bodyguard uncle hai by his side.

"That's right, it's indeed the Crown Prince who has a problem,"

"Mr. Yuan,"

Zhan Nanheng stood up, clearly not expecting him to appear.

Yuan shaojing reached out and pressed on Zhan Nanheng's shoulder, indicating that he didn't need to get up. After passing his walking stick to uncle hai, he sat down on the tatami.

"Something happened in country G."

Lin Hanxing's expression didn't change, and he didn't seem to be very enthusiastic about Yuan shaojing's appearance.

Zhan Nanheng was puzzled by her reaction.

He was very confused about the relationship between Lin Hanxing and Yuan shaojing.

The atmosphere between the two of them was very subtle.

"The next Crown Prince got into a car accident during an event five days ago."

Yuan shaojing's deep voice was a hundred times more serious than his expression. Obviously, the incident wasn't a small one.

but there hasn't been any news from country G ...

Zhan Nanheng's brows tightened, and he stopped before he could finish.

Lin Hanxing looked at him indifferently and knew that Zhan Nanheng had come to his senses.

The most terrifying thing was that there was no news!

The news was like this. As long as there was a little bit of movement, it would shake the people. Therefore, the smaller the matter, the bigger it had to be said. If used well, it would be beneficial to the image of the royal family.

Vice versa, the bigger the matter, the more it should be reduced to a small matter.

Yuan shaojing's expression also fully explained this point.

As the richest man in country G, he knew the inside story better than anyone else present.

"How serious is it?"

Zhan Nanheng asked, as if he had finally realized the severity of the problem.

Hearing this, Yuan shaojing was expressionless.

He just stared at the wine glass in his hand.

After an unknown period of time, he raised his head and looked at Lin Hanxing.

There was a profound look in his eyes.

He slowly opened his mouth.

Chapter 693: I'm afraid it won't be that simple

"We can basically confirm that he's brain dead."

As soon as Yuan shaojing said this, the private room fell silent, with only the sound of Lin Hanxing's fingers tapping on the glass rhythmically.

Everyone seemed to be able to smell the stench of blood that was coming.

There was still more than half a year before the next appointment. What would happen in this half a year ...

It was really hard to say!

It seemed that country G's sky was about to change!

Lei min was expressionless as he picked up a piece of roasted eel for Yuan Bao, his eyes deep.

"Even if the Crown Prince is dead, he still has the second Prince. I will never have a chance!"

The expression on Zhan Nanheng's baby face seemed to have been frozen, and his fists on the table were clenched tightly. It was obvious that he hated those people to the core and didn't even want to mention them.

"I'm afraid it's not that simple."

Lin Hanxing said, and his cold voice made everyone's heart sink.

Zhan Nanheng raised his head and looked in her direction.

Even though she had heard the inside story of the royal family, her delicate little face did not show any panic from beginning to end.

It was as calm as ever.

"Why do you think the people from Hua Ji would appear?"

Lin Hanxing's eyes met with his, and there was no emotion in his eyes.

Zhan Nanheng was rendered speechless.

"If I'm not wrong, the people from Hua Ji are here on the orders of the first wangfei."

As soon as Lin Hanxing finished speaking, uncle hai, who was standing beside Yuan shaojing, was the first to be surprised.

Was she really just guessing?

Or did he already know the inside story?

It was just a few words in the conversation, and she had already guessed it?

Yuan shaojing looked at Lin Hanxing with a faint approval in his eyes.

The Crown Prince who was in trouble was the only son of the great wangfei.

Now, the imperial family had already begun to discuss countermeasures. The most important issue was, of course, the issue of the heir.

"It's because of the second Prince that it's your turn!"

Lin Hanxing said coldly, as if he was only talking about the good weather today and not the fight for the Crown Prince of another country.

a mother, while suffering the pain of losing her son, the first thing she thought of was to find her illegitimate son ...

Lin Hanxing suddenly laughed.

Her already delicate and attractive face was even more moving because of this smile.

"I think the cause of the crown prince's car accident is very thought-provoking."

As soon as Lin Hanxing finished speaking, uncle hai was already a little apprehensive of her.

Mr. Yuan had been investigating the matter for a few days, and she had already figured out the general context of the whole matter with just a few words of speculation. With such a big picture view and ability, she ...

Zhan Nanheng stood rooted to the ground.

On the other hand, Yuan shaojing sighed.

The main body of the yuan family was in country G. He didn't know what disastrous consequences this incident would bring. He had to prepare for a rainy day and prepare all the countermeasures.

"What should I do?"

After a while, Zhan Nanheng spoke, his adorable baby face showing an indescribable fatigue.

His eyes were fixed on Lin Hanxing's face, as if he was asking for her opinion.

"Let's go back," he said.

When these two words came out coldly, Zhan Nanheng stood up abruptly, his thin lips quivering.

let the people from Hua Ji take you back to country G.

"I won't enter the royal family!"

Zhan Nanheng's rejection was intense!

"Zhan Nanheng ..."

Lin Hanxing looked at him and softened his tone, which was rare.

"You should be clear that there are some things that you can't escape from just because you're unwilling."

He asked for her opinion, and she gave him her opinion.

As for whether or not Zhan Nanheng could accept it, and how he would accept it, it was not within the scope of his consideration.

Zhan Nanheng looked at her, his thin lips tightly pursed!

Chapter 694: Meeting Qi Li by chance

The meal ended in a strange silence.

When the group of people came out of the private room, Lin Hanxing saw Zhan Nanheng's manager, Erma, from the corner of his eye.

Seeing that she was looking at him, Erma's expression was obviously a little stiff.

Fear and wariness flashed across his eyes.

Lin Hanxing did not even look at her as he held Yuan Bao's hand and walked out.

"It's you?"

Suddenly, a slightly familiar voice sounded.

Lin Hanxing looked up at the source of the voice and was a little surprised.

The person who spoke was Qi Li.

This was the first time they had met since the drinking contest at the Lei clan.

During this period, Qi Li's life wasn't good.

It was unknown who spread the news of the drinking contest, but it set off quite a storm in Jiang city. Those socialites had already scoffed at her style of doing things, and they took this opportunity to mock her even more.

But fortunately, she was optimistic by nature and didn't take it to heart.

"You're here to eat too?"

Qi Li's eyes fell on Lin Hanxing's face.

She was still so pretty, just like the little rabbit he had raised when he was young.

It made people happy at first glance.

"Yes, how about you?"

Lin Hanxing's attitude towards Qi Li could be considered friendly.

He looked over her shoulder and could see that there were many children inside by the half-closed door.

"I'm bringing the kids from the orphanage here for dinner."

Qi Li was so generous that she didn't feel embarrassed even when she saw Lei Xiao walking behind her.

"They said they haven't tried it before, so I'll take them to try it."

Lin Hanxing was silent. The average consumer per person in this huaishi restaurant was at least a thousand, but Qi Li didn't seem reluctant at all. She was obviously sincere.

"That is ..."

Suddenly, Lin Hanxing's eyes fell on a certain spot in the room.

A man in an elite outfit sat on the tatami, his expression slightly impatient.

"My assistant."

Qi Li didn't doubt him and answered quickly.

To be honest, after the drinking competition, she really wanted to befriend Lin Hanxing.

To be friends.

by the way, I haven't properly apologized to you for what happened last time. I was too impulsive.

As she spoke, Qi Li reached out her hand to Lin Hanxing.

Let Me Reintroduce Myself. I'm Qi Li, and I want to be friends with you.

Lin Hanxing looked at the hand in front of him and his eyes flickered.

Zhan Nanheng and the others behind him did not know what was going on and waited.

After a long time, Lin Hanxing reached out to Qi Li and shook her hand.

"I'm Lin Hanxing."

Qi Li laughed heartily, obviously very happy.

However, Lin Hanxing was looking at the assistant thoughtfully, the warmth of Qi Li's palm still lingering in his palm.

"I'll go back first. I'll treat you to a meal when I'm free as an apology for last time!"

Qi Li turned around and was about to go back to the room.

“That ...”

Lin Hanxing suddenly called out to her.

Qi Li turned around in confusion and blinked at Lin Hanxing.

this is my phone number. If you need anything, you can call me.

Lin Hanxing’s actions caused Lei Xiao, who was standing behind her, to have a deep look in his eyes.

This was clearly not her style of doing things.

Qi Li was a little surprised to see the phone number Lin Hanxing handed to her, but soon a bright smile appeared on her face.

“Alright!”

After they greeted each other, the door of Qi Li’s private room slowly closed.

Lin Hanxing’s eyes were fixed on the assistant.

His cold eyes even had a hint of a cold, interrogative look ...

.....

Qi Li’s assistant. Do you remember her? ”

As they were walking out of the huaishi restaurant, Lin Hanxing’s calm voice rang in Lei Xiao’s ears.

yes, I heard that he used to be one of her sponsors.

Chapter 695: Yuan shaojing’s invitation

Over the years, Qi Li had sponsored many people, some of whom joined the Qi family as soon as they graduated.

Especially this assistant of hers, who was very capable in her work and was very tactful in dealing with people.

“It seems like she trusts him a lot.”

Lin Hanxing smiled, but the meaning was unclear.

Lei Xiao didn’t say anything. Yuan Bao, who was lying in his arms, had fallen asleep on his shoulder.

“You just ...”

I’ve seen his assistant at Y R. More than once.

Lin Hanxing knew what Lei Xiao wanted to ask, and she did not want to hide it from him.

He had left a deep impression on her when he spent money like dirt.

“You mean to say ...”

The meaning of Thunder valiant beast’s unfinished sentence was obvious.

“I hope I’m overthinking it.”

In this world, one had to be gentler to kind people.

Lin Hanxing’s long eyelashes fluttered as he put on his camel-colored coat.

Without a word, Zhan Nanheng and his manager, Erma, drove off first.

He looked dejected.

“Little Lin.”

Just as she was thinking about this, Yuan shaojing’s voice rang out not far away.

Lin Hanxing pulled out her long hair from the collar of her coat, her seaweed-like soft hair spreading out behind her.

“Do you have time tonight?”

Lin Hanxing’s line of sight went past Yuan shaojing and looked at the business car parked next to him.

Through the half-rolled down car window, Yuan SuSu’s face could be seen.

At this moment, her gaze fell on Lei Xiao.

“I have some things I want to discuss with you.”

When Yuan shaojing said this, he glanced at Lei Xiao.

Just as he finished speaking, Thunder owl’s expression suddenly turned cold.

He hadn’t hugged his wife enough ...

These people were really annoying!

“Sure, wait for me in the hotel lobby.”

Yuan shaojing turned around and left in a car.

Sensing Lei Xiao’s displeasure, Lin Hanxing smiled and patted the back of his hand.

“Why are you suddenly unhappy?”

Lin Hanxing put his hands behind his back and leaned forward to Lei Xiao.

Lei min kept a straight face and did not speak.

Why did they have so many things to look for Hanxing every day!

“You’re taking me to the hotel Yuan shaojing is staying at? Since Yuan susu is back, I can watch a good show for free.”

The night breeze ruffled her long, silky hair.

The Thunder valiant beast originally wanted to kidnap her home!

He still didn't make a sound, and his whole body was filled with negative energy.

"You're not going back tonight, are you?"

All of a sudden, Lin Hanxing stood on her tiptoes and moved closer to Lei Xiao.

"I'll book a room in the hotel. I might as well stay outside."

Anyway, it was already this time, and she was too lazy to waste time.

The gloominess that had pervaded the surroundings disappeared in an instant!

Under the street lamp, Lei Xiao's deep eyes gradually brightened.

"I'll go get the car."

.....

In the hotel room.

Cheng Lingyun sat on the sofa and bit her nails nervously.

Yingluo, when Yuan susu fell ill, you didn't do anything! At that time, were you thinking that if she died like this ...

Would Yingluo not have so much trouble then?

Yingluo, don't worry, as long as Yuan susu is alive, I will find more interesting things about her!

Yingluo, let's take it slowly!

With a snap, Cheng Lingyun's entire thumb nail was bitten off.

Now, she had finally gotten what she wanted and was pregnant with brother Yuan's child. No one could destroy her happiness that was at her fingertips!

There was no one!

Just as she was thinking about this, there was movement at the door.

Thinking that Yuan shaojing had returned, Cheng Lingyun was overjoyed and immediately stood up to welcome him.

However, the moment the door opened and Cheng Lingyun saw who it was, the happy smile on her face was instantly replaced by fear!

Yuan susu was supposed to be in the hospital. Why was she here?

Chapter 696: Each with their own ulterior motives

Cheng Lingyun's mind went blank, and she was completely dumbfounded!

"Mom, I'm back."

Yuan SuSu's pale face had a sinister smile on it. The centipede-like scar hidden under her long hair was no less effective than a horror movie.

She even wanted to reach out and hug Cheng Lingyun.

However, before she could get close, she heard a loud slap. Cheng Lingyun, who had been too frightened, slapped Yuan susu.

Lin Hanxing, who had followed Yuan shaojing in, happened to witness this scene!

The corners of his mouth slowly curled up into a sarcastic smile.

She couldn't help but recall the first time she met the mother and daughter. At that time, they were like a strong fortress that couldn't be moved no matter how others tried to stir them up!

As for now ...

you ... Cheng Lingyun held her hand and looked past Yuan susu at Lin Hanxing's face.

He suddenly shivered.

"Are you crazy?" Yuan shaojing growled in a low voice, his expression unhappy.

"Susu, susu ... Why didn't you tell me that you're back?"

Cheng Lingyun tried to make her voice sound normal, but her eyes were fixed on Lin Hanxing.

It was her!

She knew that Yuan susu must have done something for her to come back.

Yuan susu covered her face. The place where Cheng Lingyun's slap landed was exactly where her scar was.

Intense pain seeped into his bones.

However, Yuan susu held it in and even remembered it in her heart.

mom, I'm fine now. I asked little 9th and uncle to contact me and bring me back.

Yuan susu said softly, just like how she did in the beginning.

She covered her face, looking so delicate that she didn't seem to be aggressive at all. However, Lin Hanxing, who was standing behind Yuan susu, had a mocking look in his eyes. It was faint, but it was enough for Cheng Lingyun to see it clearly!

Cheng Lingyun subconsciously reached out to hold Yuan shaojing's arm, as if she was looking for someone to lean on.

Yuan shaojing's expression froze, and he tried his best to hide the disgust in the depths of his eyes.

“Big brother Yuan ...”

Cheng Lingyun seemed to want to say something.

“We can’t ask susu to stay in the hospital for the rest of her life!”

But who would have thought that before he could speak, Yuan shaojing had already spoken.

Cheng Lingyun stopped talking.

At this moment, she was shocked and scared, but she hated Lin Hanxing.

“Little Lin, come with me to the guest room.”

After saying that, Yuan shaojing pulled his hand out of Cheng Lingyun’s arm and walked towards the guest room ...

.....

Yuan shaojing was sitting on the sofa, holding a Dragon-headed walking stick with both hands.

Lin Hanxing sat directly opposite him.

Yuan shaojing looked up at Lin Hanxing’s cold expression and didn’t know what to say.

He only looked at her as if he was looking at another person through her.

“The Thunder valiant beast is still waiting for me.”

Lin Hanxing said impatiently.

Yuan SuSu’s words in the hospital today made Lin Hanxing’s aura even more oppressive when he faced Yuan shaojing.

“She ...”

When Xuanji died, she was like a lamp that had run out of oil.

Lin Hanxing’s words suddenly appeared in Yuan shaojing’s mind, and his eyes were filled with pain.

He narrowed his eyes and hid the pain.

She didn’t know how much time had passed, but Yuan shaojing took a kraft paper bag from the side and pushed it in front of her from the coffee table.

He gestured for her to open it.

Lin Hanxing looked at Yuan shaojing and took the kraft paper bag.

He opened it.

However, after taking a look, his hands stopped moving.

“After misty rain leaves, I’ll temporarily take care of everything she leaves behind.”

Back then, li Yanyu, who was the head of the Li family, had reshuffled the power structure of the Li family by herself. After she left, the various powers were eager to make a move and wait for an opportunity to redistribute the benefits.

It took Yuan shaojing three years to finally calm everything down!

Chapter 697: Is it a younger brother or sister?

These things belonged to misty rain, and no one could take them away from her.

Day after day, year after year.

Yuan shaojing was waiting, waiting for li Yanyu to return one day, even if ...

It was a bone-deep hatred for him.

All these years, Yuan shaojing would always dream at night.

She dreamed about what had happened in the hospital that day.

He dreamed that she had fallen into his arms after being shot. Compared to her numb expression, his fear, uneasiness, and despair were unrestrained.

All those years, he had never given her a good face because she liked him.

It was as if he was certain that she would not leave no matter what he did.

Uncle.

Yuan shaojing closed his eyes.

She was standing in his memory.

The sunlight that was as thin as a cicada's wing enveloped the misty rain. Her thin wrists and thin ankles were so fair and beautiful.

But in the blink of an eye, she was lying in his arms again, covered in blood.

Uncle, don't die. I only have you.

When he was at his most desperate and helpless, Yanyu would hug him and wake him up with a trembling voice.

Silly girl.

If he had allowed him to die just like that, would all the things that happened after that not have happened again?

Lin Hanxing didn't know what Yuan shaojing was thinking.

She just took out an old photo from the kraft paper bag.

That was aunt Mian when she was young.

In the black-and-white photo, she was wearing a cheongsam, her waist was slim, and the corners of her eyes and the tips of her eyebrows had a refreshing style.

At that time, li Yanyu obviously didn't know that the camera was pointing at her.

The fragility and loneliness in his eyes were easily revealed through the camera.

Lin Hanxing's hand gently touched the black and white photo.

It was as if he could wipe away aunt Mian's pain by doing so.

all of Yanyu's assets in country G are clearly recorded in here.

Yuan shaojing said in a deep voice.

"What do you mean by that, Mr. Yuan?"

Lin Hanxing looked up, his eyes cold and distant.

Being stared at by Lin Hanxing's eyes, Yuan shaojing couldn't speak for a long time.

As expected of someone who was personally trained by misty rain.

There were many times when Yuan shaojing felt that he was looking at li Yanyu whenever he saw her.

Looking at her deeply, Yuan shaojing finally spoke again after a while.

"Now, these are all yours."

.....

Outside the door.

Yuan SuSu's gaze swept across every corner of the hotel room and finally landed on Cheng Lingyun.

"Mom, you didn't expect this, did you?"

Yuan susu slowly sat down opposite her and tucked her long hair that had been covering her scars behind her ears.

The scar that stretched from his brow bone to his chin was exposed without any concealment.

"I can still sit in front of you now."

As Yuan susu spoke, she poured herself a glass of water and began to drink it.

When she raised her wrist, her hands were red and swollen, and there were traces of them being tied to the bed.

"I'm talking to you,"

At this moment, Yuan susu no longer looked like a young lady from a wealthy family.

The intense resentment in her eyes was like a scar on her body, directly appearing in Cheng Lingyun's eyes.

“Did Lin xiaojiu tell you something? Susu, you’re my daughter, how could I harm you!”

When Cheng Lingyun said this, perhaps Yuan SuSu’s gaze was too terrifying, but cold sweat actually dripped down her forehead.

“You’re not in a good condition to be discharged yet. Your wound hasn’t healed yet!”

After saying that, she didn’t dare to look at Yuan SuSu’s face again.

After all, he was the one who caused the scar.

Hearing this, Yuan susu revealed a mocking smile.

Did she really think she was a three-year-old child?

“Mom, is it a brother or a sister in your stomach?”

Chapter 698: Let’s die together

Hearing this, Cheng Lingyun broke out in a cold sweat!

She knew!

Susu knew that she was pregnant!

Subconsciously, she clutched her stomach. However, when she met Yuan SuSu’s malicious eyes, she didn’t know what to do.

“Mom, you got what you wanted now.”

As Yuan susu spoke, her eyes fell on Cheng Lingyun’s flat stomach.

That gaze was so evil that it seemed as if he wanted to dig her stomach open. It was cold and sinister.

“What about me?”

She had nothing left. If it wasn’t for Lin xiaojiu, she didn’t even know how long she would have to stay in the hospital!

“My face is ruined.”

“All the real estate and personal property under my name are gone.”

Yuan susu said as she touched the scar on her cheek.

Even after such a long time, the wound was still bright red and showed no signs of healing.

“You got everything you wanted, but you destroyed me!”

Her voice was soft, and the gloominess in her eyes accumulated.

“Susu, mom ...”

Cheng Lingyun wanted to defend herself, but when she met Yuan SuSu’s eyes, she couldn’t say a word.

“Hehe.”

The mother and daughter knew each other too well.

Therefore, as soon as Cheng Lingyun opened her mouth, Yuan susu immediately sneered.

“Mom ...”

Yuan susu suddenly moved closer to Cheng Lingyun, just like how they used to do it.

Cheng Lingyun wanted to avoid it, but she didn’t dare to move.

“Don’t even think about shaking me off in this lifetime, or else ...”

Yuan susu tilted her head, deliberately exposing the side of her face with a scar to Cheng Lingyun.

His hand, which was still festering after being tied up, gently caressed Cheng Lingyun’s stomach.

“We’ll die together!”

.....

Lin Hanxing’s answer to Yuan shaojing was direct.

Lin Hanxing threw the bag of documents back in front of him, then stood up and walked out of the door.

He didn’t even turn his head.

When she passed by the living room, Yuan susu gave her a half-smile.

As for Cheng Lingyun, she looked at Lin Hanxing with eyes full of hatred.

Lin Hanxing was expressionless as he walked out of the room.

With a bang, the door slammed shut behind him.

Her high heels clattered against the floor of the hotel corridor.

He walked in the other direction.

The room that Lei min had booked was at the end of the corridor.

After swiping the room card, Lin Hanxing entered the room and smelled a familiar and relaxing scent of hyssop. The anger that he had suppressed since Yuan susu told him about aunt Mian’s incident in the hospital finally turned for the better.

The room was tall and divided into two floors by an indoor staircase.

Yuan Bao was carried upstairs by Lei Xiao to sleep.

Lin Hanxing kicked off his high heels, changed into slippers and walked towards the sofa.

At this moment, Thunder valiant beast was lying on it.

The hand holding the remote fell under the sofa, and the hair hanging down naturally from her forehead after the shower covered her eyes.

Lin Hanxing squatted beside the sofa and looked at him.

His originally cold and indifferent eyes were gradually tainted with warmth.

Lin Hanxing reached out and slowly fiddled with Lei min's hair.

The news was being replayed on the television.

The room with only the wall lamp on was illuminated by a warm yellow light. Outside the large floor-to-ceiling window that occupied one-third of the room, the bright night view of the city center of Jiangcheng was beautiful.

To Lin Hanxing, everything was perfect.

Just as she was in a daze, her wrist was suddenly grabbed by the man at lightning speed.

Without waiting for her to react, her entire slender figure was pulled into Lei Xiao's arms!

Chapter 699: Woof

Immediately after, the Thunder valiant beast's long arms and legs wrapped around him like vines.

When Lin Hanxing wanted to get up, he pulled her back into his arms.

"Hey!" Lin Hanxing punched his chest.

She was angry and amused at the same time.

The Thunder valiant beast's eyes were still closed, as if he had really fallen asleep.

It would have been more convincing if his hand had slipped under her sweater and held her waist directly without looking up.

His slightly rough fingers kept rubbing against it.

It tickled Lin Hanxing so much that he couldn't help but laugh.

As she dodged, she rubbed her head against his Adam's apple.

The man who was pretending to be asleep felt a ball of fire rise in his heart, and his eyelashes trembled.

Lin Hanxing felt that Lei Xiao's body smelled very good.

She leaned forward and sniffed along his neck, causing the air to flow slightly.

"You really fell asleep?"

"Yes, he's asleep."

"....."

Lin Hanxing pursed his lips tightly to stop himself from laughing.

hey, that young doctor at Yuan Bao school today is so cute.

Suddenly, Lin Hanxing sighed.

Lei Xiao suddenly opened his eyes alertly, his gaze as sharp as an Eagle's.

The hand that was holding Lin Hanxing's waist sank even deeper.

Lin Hanxing sucked in a sharp breath, feeling as if he was about to break his waist.

"Be gentle!"

As soon as he finished speaking, Lin Hanxing, who had been lying on his chest, had already changed positions with Lei Xiao.

The world was spinning.

Lin Hanxing's long, seaweed-like hair was scattered messily on the leather sofa.

He blinked.

Lei Xiao's hands were on both sides of her head, his eyes staring straight at Lin Hanxing.

His eyes were full of fire.

His thin lips were pursed into a line, and his perfect facial features looked extremely cold.

Lin Hanxing laughed.

There was an indescribable slyness and pride in his smile.

Her gaze went past his eyes to his thin lips.

"What did you just say?"

There was an indescribable danger in his hoarse voice.

Suddenly, Lin Hanxing wrapped his arms around Lei Xiao's neck, lifted his head and kissed him.

The Thunder valiant beast was stunned at first, then it swallowed her like a wild beast!

There was a minty taste in her mouth.

Lin Hanxing took it passively.

She buried her fingers into his black hair and pressed on his scalp.

"We'll do this ..."

Lin Hanxing seemed to have thought of something and chuckled.

Lei Xiao lowered his head to look at her, the hair on his forehead falling down.

Her smile seemed to have a magical power that made people melt.

"Don't they look like a couple having an affair behind the backs of their families?"

Her eyes followed his Adam's apple and looked at the large piece of wheat-colored skin exposed at his loose collar.

Her long, black, feather-like eyelashes fluttered.

Her fingers caressed him from time to time, as if she was coaxing a willful child.

"What?"

Her voice trembled at the end, and her eyes were indescribably flirtatious. The mole under her eyes was magnified in Lei Jing's eyes.

Thunder valiant tilted his head, allowing her to touch him.

She was like an extremely obedient little wolfdog.

He didn't speak.

It was rare to see him so well-behaved, so Lin Hanxing deliberately reached out to mess up his hair.

But she saw Lei Xiao suddenly lean over and close to her ear.

His rapid breathing seemed to be mixed with another kind of emotion.

"Woof ..."

A word unexpectedly rang in Lin Hanxing's ears, deep and hoarse.

Lin Hanxing felt as if he had been electrocuted by the voice that was so pleasant that it could make a person pregnant. His ears were numb.

He actually ...

As their eyes inadvertently met, Lei Xiao was the first to look away, his ears red.

God, she was seduced by him.

Just as Lin Hanxing was too shy to look at Lei Xiao, their phones rang at the same time ...

Chapter 700: A phone call from Shangguan shixiu

No one moved.

He let the phone on the carpet ring.

"Your phone."

Afraid that the bell would wake Yuan Bao up, Lin Hanxing poked Lei Xiao's waist.

"Don't mess around,"

Lei Xiao groaned, and Lin Hanxing could feel the slightest movement from him ...

As expected, he was in good spirits.

After saying that, Lei Xiao reached for the phone under the sofa.

He stared at Lin Hanxing's blushing face and swiped the screen to answer the phone.

"Thunder valiant."

It was Shangguan shixiu!

Realizing this, Lei Xiao's eyes paused and he subconsciously hugged her with his arms.

"....."

Was he afraid that she would run away while he was on the phone?

Lin Hanxing was clearly puzzled by Lei Xiao's actions.

However, Thunder valiant didn't intend to explain.

"Yes, it's me." He lay on the sofa, put one hand behind Lin Hanxing's neck, and pulled her into his arms.

I went back to country M for an urgent mission. I wanted to ask you ...

Shangguan shixiu's voice was particularly clear in the quiet atmosphere through the phone.

"Any news of her?"

The Thunder valiant beast didn't say anything, and the atmosphere seemed to have quieted down.

Lin Hanxing only felt Lei Xiao holding her even tighter in his arms, as if he was trying to drain her of her breath.

As punishment, she bit his Adam's apple.

Caught off guard, Lei Xiao let out a muffled groan.

On the other end of the phone, Shangguan shixiu didn't hear her.

Looking down at Hanxing, Lei min's eyes were filled with a helpless warning.

Lin Hanxing seemed to have opened the door to a new world, and interest flashed through his eyes.

"I'm sorry."

As he said that, Lin Hanxing's slightly cold hand reached out to him in a deliberately provocative manner.

Shangguan shixiu seemed to have expected this answer, and was silent for a moment.

However, he didn't know that at this moment, Thunder valiant beast was suffering in silence.

Lin Hanxing was lying on top of him, her bright eyes were moving and teasing.

I know. I'll be leaving for country G in a few days ...

When he said this, Shangguan shixiu's tone paused.

"If ..."

On the phone, the two of them were talking about serious matters, but Lin Hanxing was doing something indecent to Lei Xiao.

He was very frivolous.

“What?” Lei Xiao suppressed his voice, trying not to let Shangguan shixiu hear anything strange on the other end of the phone.

if you have any plans to develop or expand country G’s market in the near future, then stop for a while.

In accordance with the principle of confidentiality, Shangguan shixiu shouldn’t have revealed this to him.

The Thunder valiant beast’s movements paused.

“You’re going to country G for a mission?”

“You know, I can’t answer this question.”

On the other end of the phone, Shangguan shixiu chuckled and seemed to have taken a sip of something.

The sound of ice hitting each other could be heard faintly.

Lei Xiao remained silent. Was the situation in country G so serious that they had to use the Shangguan family’s influence?

The next second, his mind went blank!

Separated by the cold stars ...

The surging madness made Lei Xiao’s grip on his phone tighten.

please continue to help me look for it. I’ll come back immediately if there’s any news!

Shangguan shixiu said and hung up the phone.

With a click, the phone ended the communication, but Lei Xiao still maintained his posture of answering the phone, his eyes staring at the little girl who had returned to his chest.

She raised her eyebrows at him in a seemingly provocative manner.

Because Yuan Bao was upstairs, he was acting unscrupulously.

Lying obediently on the Thunder valiant beast’s firm chest, she was like a little kitten that had just tasted its essence.

She opened her mouth silently and said to him ...
