

Goodnight 701

Chapter 701: I love you

Lin Hanxing did not seem to feel the surging emotions in his eyes as he touched his lips with his finger.

His eyes were innocent.

If he didn't do anything, then Thunder valiant beast was definitely not a man!

He was like a ferocious beast, trying to press Lin Hanxing under him. However, just as he moved, there was a loud thud and the two of them, who were originally on the edge of the sofa, fell.

Even so, Lei Xiao did not forget to pull Lin Hanxing into his arms.

He used his large palm to protect the back of her head to prevent her from hitting anything.

The two of them rolled a few times on the carpet and finally stopped in front of the coffee table.

"Did you hurt?" Lei Xiao was anxious to check if Lin Hanxing had been injured, and his large palm gently came down to confirm.

Lin Hanxing shook his head.

Other than losing face, he didn't feel anything else.

But Lei Xiao didn't see it, he only confirmed it again and again, until he was sure that she was fine, then he let go.

The two of them stared at each other.

Lin Hanxing was the first to burst out laughing.

He reached out his hands and wrapped them around Lei Xiao's neck. The gloominess he had felt after coming out of Yuan shaojing's room completely disappeared at this moment.

"So embarrassing!"

He buried his face in Lei Xiaoyue's chest and laughed as he spoke.

"Remember to stop this part from broadcasting."

Lei Xiao held her in his arms, and the two of them hid on the carpet, face to face.

In his eyes, Lin Hanxing's smile was as moving as the moon.

In the next second, Lin Hanxing was pushed onto the carpet, his waist-length hair scattered on the floor.

"You ..."

Before he could finish, his mouth was already blocked.

The Thunder valiant beast wrapped itself around him.

“Hanxing, I really like you.”

During the kiss, Lei Xiao seemed to be mumbling to himself.

“No, I should say ...”

He lowered his head and looked at Hanxing, who was slightly shocked by his sneak attack, and his thin lips slowly curled up.

“I love you.”

It was as if the most beautiful flower had bloomed in his heart. Lin Hanxing’s ears buzzed as if they had exploded.

This was the only sentence that echoed in his mind.

I love you.

Even though the confession came too suddenly, her emotions were completely out of her control.

The trace of a smile on the corner of Lei Xiao’s mouth kept flashing in front of her eyes, like a silent movie, lighting up all her senses.

He wanted to open his mouth and give a response.

However, before she could say anything, the heat from her body made her tremble.

The Thunder valiant beast’s actions ...

Yet, he was trying to please her.

He was trying to please her in the simplest and most direct way.

Lin Hanxing laid on the soft carpet and turned his face away, as if worried about what would happen if Yuan Bao woke up.

What if Yuan Bao came downstairs?

But ...

That feeling was like a firework, blooming with the most brilliant light.

It made Lin Hanxing give up his rationality and calmness.

She allowed the clear tide caused by the Thunder valiant beast to drown her in an instant ...

Time passed by ...

Her long eyelashes seemed to be wet until they were clearly visible.

But when Lei Xiao’s face returned to her sight, Lin Hanxing blinked.

Her fingers curled up unconsciously and she allowed him to pull her back into his arms.

Her soft and gentle kisses landed on Lin Hanxing’s ears and neck.

“Comfortable?”

She heard Lei Xiao’s hoarse voice.

Chapter 702: This man was hers

Lin Hanxing refused to answer the question.

He turned his back to the Thunder valiant beast, only to see stars flashing in front of his eyes.

Seeing this, Lei Xiao chuckled.

Lin Hanxing heard him but ignored him.

Suddenly, he felt something gnawing at his neck. It was neither light nor heavy, but it was definitely unforgettable.

“Are you a dog?”

Lei Xiao laughed again, but this time, after laughing, he leaned close to her ear and whispered.

“Woof!”

As the saying went, raw at one time, cooked twice. This saying was not false at all.

Lin Hanxing pursed his lips to stop himself from laughing.

“I want to take a bath.”

Lin Hanxing had never felt so weak in his legs before. He could not even stand steadily.

When Lei Xiao heard this, he looked at her deeply.

He picked her up from the carpet and placed her on the sofa. Then, he walked towards the bathroom.

Very quickly, the sound of water could be heard.

Lin Hanxing turned to look at the bathroom door, even though there was no one there.

The central air conditioner maintained the room temperature at 26 degrees Celsius all year round, but Lin Hanxing was a little hot.

She bent her knees and placed them under her chin. Her long hair fell naturally on both sides of her body. She tilted her head and waited.

When Lei Xiao came out of the bathroom ...

This was the scene he saw.

Lin Hanxing’s eyes lit up when she saw Lei Xiao, even though she did not realize it herself.

Thunder owl saw this.

Lin Hanxing opened his arms to him, indicating that he wanted a hug.

Without another word, Lei Xiao walked over and carried her in his arms, letting Han Xing bury her face in his.

The two of them went to the bathroom in silence.

The bathtub was already filled with water, and the air was filled with the relaxing smell of essential oil.

Lei Xiao placed Lin Hanxing on the sink.

She obediently allowed him to take off her clothes and throw them aside. When the warm water reached her shoulders, Lin Hanxing finally let out a comfortable moan and her body began to relax.

Lei Xiao sat on the side, his gaze falling on her long hair that was floating in the water.

It floated inside like seaweed.

When he was curious, he even reached out to touch her hair.

That action was extremely childish, but Thunder valiant never got tired of it.

Lin Hanxing sat in the bathtub with his hands around his knees and looked at him with his head tilted.

This man was hers.

The burning desire for possession in his bones made Lin Hanxing's blood boil.

Suddenly, Lin Hanxing stretched out his hand and grabbed Lei Xiao's hand that was still grabbing his hair.

It was as if he felt that it was not enough.

Instead, it changed to interlocking fingers!

Lei Xiao raised his head to look at her. Lin Hanxing's lips unconsciously curled up, and he could not hide his good mood.

"You are mine."

Lin Hanxing's voice was filled with a strong sense of possessiveness as he declared his sovereignty in an overbearing manner.

"My entire body is mine."

Her voice reverberated in the bathroom, causing Lei Xiao's pupils to deepen.

"You were the one who provoked me first ..."

Lin Hanxing looked at him, his voice lazy but serious.

"So, you're not allowed to let go of my hand!"

Her voice was as soft as a cat's.

The only reply to Lin Hanxing was a deep kiss from Lei Xiao, as if he was responding to her overbearingness.

"I'm Yours."

No one could change him.

Hanxing, I'm willing to let you monopolize the territory that belongs to you.

I'm your most loyal subject.

"It will never change."

.....

Late at night, Lin family.

The corridor was very quiet as everyone was already asleep.

The servant on night duty was dozing off.

Suddenly, a shadow appeared from a corner.

Lin Jiaojiao, dressed in her white pajamas, quietly came to Luo Ruyin's door.

They looked around.

Chapter 703: I hate the feeling of being threatened

After making sure that no one was around, she pushed the door open.

Without a sound.

The silver moonlight shone on the floor, giving off an indescribable sense of mystery.

Lin Jiaojiao's footsteps were very light, as if she was very familiar with this kind of thing.

She quickly came to Luo Ruyin's bedside and stood still.

He lowered his head and looked at Luo Ruyin, who was sleeping on his bed without any defense.

Yingluo, I'm telling you, either you listen to me obediently, or I'll tell little aunt and let you get nothing!

Lin Jiaojiao's face was expressionless, but Luo Ruyin's threatening words appeared in her mind.

This cousin of hers had been brainless since she was young.

He would do something out of control if he was incited by the people around him.

As she thought about this, Lin Jiaojiao sneered silently, and a deep sneer flashed in her eyes.

No one knew how much she hated the feeling of being threatened!

He took out a capsule from his pajamas pocket and glanced at the mug on the bedside table.

Every day, before Luo Ruyin went to bed, she would put a glass of water on the bed.

He would definitely drink this cup of water in the morning.

Lin Jiaojiao smiled as she opened the capsule in her hand. Under the moonlight, she slowly poured the medicine into the water.

Very quickly, the powder-like substance inside dissolved.

He disappeared into the water.

It was colorless and tasteless.

Lin Jiaojiao stuffed the empty capsule back into her pajamas pocket.

From the beginning to the end, Luo Ruyin didn't feel anything and was even slightly startled.

'Idiot ...

.....

Lin Hanxing casually put on a bathrobe and was carried back to the living room by Lei Xiao.

The fresh air system that was constantly running circulated the sweet smell in the air.

Lin Hanxing buried her face in his neck and rubbed against him like a cat, inadvertently revealing the small kiss marks on his neck.

"I'm hungry."

Lin Hanxing hummed in acknowledgment. It was rare for him to feel hungry.

She didn't eat a single mouthful of the Kaishi cuisine tonight, only drinking the shop's homemade plum wine.

However, now that he thought about it, the taste of that plum wine could be said to be one of a kind!

"I'm also hungry."

Compared to Lin Hanxing's actual hunger, Lei Xiao's hunger was obviously more profound.

Lin Hanxing kissed the corner of his lips.

"I'm really hungry."

At this time, even the hotel kitchen was already closed.

Lei Xiao walked to the refrigerator. The suite's caretaker would change the ingredients in the refrigerator every day to ensure that they were fresh.

"You want me to cook noodles for you?"

Lei Xiao was holding a bag of hanging noodles in his hand. When he turned around to ask for Lin Hanxing's opinion, he saw the little girl, who looked like a cat, blinking her eyes at him, her eyes full of meaning.

She ran to him barefooted, her white and tender toes like jasmine petals.

"Shameless!"

Lin Hanxing placed both his hands on the counter and looked at him.

“What?”

Thunder valiant beast was clearly baffled by his sudden ‘scolding’.

“You told me to eat the noodles!”

“.....”

Lei Xiao decided not to continue arguing with her about this topic, in case he couldn’t help but want to push her down on the kitchen counter!

He turned around and walked toward the kitchen.

Lin Hanxing opened the refrigerator and picked out a box of yogurt. He put a straw in and started drinking.

The Thunder valiant beast’s movements were quick and practiced.

Lin Hanxing sat in front of the counter, drinking yogurt and watching his back.

Lei Xiao rolled up his sleeves, revealing his solid forearms, the blue veins on them giving people an infinite sense of security.

As he read, Lin Hanxing propped his chin up with one hand.

“I like to eat that vegetable.”

Thunder owl didn’t turn his head. He picked a few more vegetables and put them aside to prepare.

Lin Hanxing’s legs dangled back and forth on the bar chair as he pulled the supervisor.

Chapter 704: My husband is so awesome

Her half-wet and half-dry long hair hung casually behind her.

Biting on the straw, Lin Hanxing jumped down from the high chair and strolled behind Lei Xiao.

The water in the pot had already started to boil.

Lei min expressionlessly threw the vegetables in and stirred them with his chopsticks.

Not long after, he was fished out again.

Lin Hanxing took advantage of the fact that he was not paying attention and reached out to secretly put one in his mouth.

“Hot, hot, hot, hot, hot ...”

Thunder valiant didn’t even have the time to stop him.

Before she could do it, Lin Hanxing had already released her hand.

Her fair fingertips were red from the heat.

Without a word, Thunder owl grabbed her hand and flushed it down the tap.

“Are you stupid?”

His low voice was filled with anxiety, and Lin Hanxing even forgot the heat on his fingertips.

This man, why was he so likable?

“Uncle ... Aunt ...”

Yuan Bao rubbed his eyes and yawned as he walked over. He was hungry after waking up.

“I’m hungry ...”

Seeing that the two of them were in the kitchen, Yuan Bao slowly climbed up the high chair and lay there.

Lei Xiao glanced at Yuan Bao.

“It’s a little cold.” Lin Hanxing said obediently.

Lei Xiao then turned on the tap and carried her to the chair next to Yuan Bao.

Yuan Bao, keep an eye on your first aunt. Don’t let her feet touch the ground.

Thunder Valiant’s tone was unquestionable.

Yuan Bao grunted and promised to complete the mission!

When Lei Xiao turned around, Lin Hanxing’s mouth twitched. Overbearing!

One big and one small sprawled on the kitchen counter, looking at the Thunder valiant beast’s back, their movements were surprisingly uniform.

“Auntie, don’t you think that uncle is very handsome?”

Yuan Bao sniffed, his eyes filled with admiration.

Lin Hanxing nodded.

“There is.” And not just a little.

“Ah, our eldest uncle is really awesome!”

Yuan Bao’s voice was soft and cute, and in the next second, there was a sizzling sound in the pot.

The air was filled with the faint fragrance of scallion oil.

“My husband is so awesome!”

Lin Hanxing mimicked Yuan Bao’s tone and mumbled. When Yuan Bao heard that, he tilted his head and looked like he was disappointed.

“Be reserved, be reserved!”

With his back to the two of them, Lei Xiao's thin lips curled into a smile.

Furthermore, it was expanding ...

.....

Two plates of fried onion noodles were quickly served to the two of them.

Yuan Bao clapped his hands in welcome and then started eating.

Lei Xiao sat opposite Lin Hanxing.

He pushed the noodles in front of her again, his eyes filled with anticipation.

"I'm going to start eating."

Lin Hanxing picked up his chopsticks and put the noodles into his mouth.

Just as she took a bite, her eyes suddenly lit up.

It was really delicious!

Lei Xiao, who had been staring at her nervously, was relieved to see her bright eyes.

As if he had thought of something, Lei Xiao went to the living room and took out the room phone to make a call.

Soon, the doorbell rang.

The suite's butler appeared and seemed to hand something to Lei Xiao.

When Lei Xiao returned to the two who were eating, he had a tube of burn ointment in his hand.

Fortunately, Lin Hanxing had scalded the hand that was not holding the chopsticks.

"It's just a small injury."

It wasn't even a small injury, so why was he so serious?

Lei Xiao glanced at her and did not say anything. He pulled her hand over.

He applied the burn ointment on a spot that was no longer red.

She didn't know that even a small wound on her body would make his heart ache for a long time.

Lin Hanxing pursed his lips to stop himself from smiling too obviously.

He allowed Lei Xiao to do whatever he wanted and continued to eat his noodles, but his eyes were bright.

From time to time, Yuan Bao would raise his head to look at the two of them.

Tsk, tsk, it's a demon spirit!

Someone was abusing Wang!

Chapter 705: It was a warm feeling

Yuan Bao sat on the sofa, hugging his round stomach and snuggling in Lin Hanxing's arms.

The television had already been switched to his favorite cartoon.

Lin Hanxing reached out to help him rub his stomach. He had eaten such a big plate of Yuan Bao just now, no wonder he was full.

Lei Xiao walked over and sat beside Lin Hanxing.

His deep eyes seemed to inadvertently sweep over his little nephew's face, but he did not say a word.

Lin Hanxing obviously did not notice this.

The air became quiet, and only the little brat MA Linshu on the TV was happily walking his bird.

Hmm ...

Walking the bird ...

Yuan Bao would occasionally giggle.

The Thunder valiant beast's gloomy eyes followed him like a shadow, but it was obvious that the two people, one big and one small, did not notice it at all.

He was a little depressed.

He sat at the side and sulked.

After an unknown period of time, Lin Hanxing suddenly remembered that the Thunder valiant beast beside him had not moved for a long time.

Just as she was about to turn her head to look at him, she suddenly felt a weight on her shoulder.

Lin Hanxing looked over.

Lei Xiao fell asleep while leaning on her.

His hair was more like stone, and it felt itchy on her neck.

His eyelashes, which made women jealous, cast a shadow on his face, which had been favored by God.

His usual coldness was replaced by gentleness at this moment.

It made one's heart soften.

Lin Hanxing raised his hand to caress his hair, his eyes filled with unspeakable joy.

Other than her, no one else had seen such a Thunder valiant beast.

Just thinking about it made the corners of his mouth curl up uncontrollably.

At this moment, their faces were very close to each other.

She was so close that she could kiss him on the lips if she moved a little closer.

In fact, Lin Hanxing had indeed done so.

While Yuan Bao was engrossed in watching the cartoon, Lin Hanxing quietly kissed Lei Xiao's high nose.

Seeing that he did not respond, Lin Hanxing sneakily lowered his head to look at Yuan Bao.

Yes, perfect.

Lei Xiao looked really tired. Even in such an awkward position, he slept soundly.

Lin Hanxing thought that this might be the feeling of warmth.

It didn't matter if it was the one on his shoulder or the one on his legs.

Well, marriage didn't seem to be a matter that she had to hesitate about anymore ...

.....

The Thunder valiant beast only woke up after midnight.

The cartoon on the television had already been played once, and it returned to its original state.

Yuan Bao was sleeping soundly in Lin Hanxing's arms.

Lei Xiao stood up carefully, held the little sheep in his arms, and walked upstairs.

"Little grape ... Hehehe ..."

Yuan Bao smacked his lips and called out little grape's name in his dream.

"....."

Lei min lowered his head and glanced at him expressionlessly. Resisting the urge to throw Yuan Bao out, he placed him on the bed in the children's room and carefully covered him with a thin blanket. Afraid that his chubby nephew would knock himself in the middle of the night when he went to the toilet, Lei Xiao left a wall lamp on for him.

When she returned downstairs, Lin Hanxing had already woken up in a daze.

Lei Xiao reached out and turned off the TV with the remote control. Then, he carried Han Xing, who had subconsciously reached out to him, and walked towards the other big room.

Lin Hanxing, who had just woken up, yawned and went back to sleep.

Thunder valiant beast lowered his head to look at the little girl nestled in his arms.

Yingluo, if we do this ...

Didn't Yingluo look like a dog man and dog woman who were having an affair behind the backs of both families?

When Lin Hanxing's words appeared in his mind, Lei Xiao couldn't help but chuckle.

She reached out to turn off the lights, and the room fell into darkness.

Lying on the same pillow, Lei Xiao kissed her forehead.

Good night, Hanxing.

Chapter 706: Why should I let you have an easy time?

The next morning.

Lin Hanxing opened his eyes and saw Lei Xiao sleeping.

The two of them were using the same pillow, so close that she could kiss him if she moved slightly.

Her messy hair did not seem mature and calm like before.

Perhaps sensing her movement, Lei Xiao did not even open his eyes as he reached out and pulled Lin Hanxing back into his arms.

Maomao buried its head into her neck and rubbed against her.

Then, he pressed himself against Lin Hanxing.

"It's very heavy,"

Thunder valiant beast grunted in response.

Lin Hanxing reached out to hold him, his palm landing on Lei Xiao's messy hair.

There was a numbing itch at his collarbone.

"Don't leave any marks!"

Lin Hanxing could clearly feel that Lei Xiao had found a new source of entertainment recently.

He never got tired of leaving a mark on her body.

What responded to her was a series of numbing bites, as if they were deliberately going against her.

After fooling around for a while, the two of them finally got up.

"It's dad's birthday in a few days."

While Lin Hanxing was washing up, Lei Xiao leaned against the bathroom door.

"If you have time, go pick out a gift for us today."

Seeing that she was washing her face, Lei Xiao walked behind her and held her long hair in his hand to prevent it from getting wet.

"Alright, so do you want me to give the ingots to you or me?"

Lin Hanxing looked up after washing up. His small face was fair and clear, as if water could be squeezed out of it.

"I'll send you."

Lei Xiao's gaze had been fixed on her white jade-like neck, which was now covered with star-like marks.

Well, he was very satisfied.

Hehe, I hate admirers the most!

.....

Lin Hanxing brought Yuan Bao to the hotel restaurant for a breakfast buffet.

The simple combination of a loose white cashmere turtleneck sweater and blue Korean style Pencil Pants made her look like a student. She attracted a lot of attention along the way, but Yuan Bao snorted twice when he saw the eyes of those people!

"Mom, I want to eat that!"

Yuan Bao tugged at the corner of Lin Hanxing's shirt and said in a soft and cute voice.

Most of the gazes that followed him like shadows instantly disappeared.

"You're smart."

Lin Hanxing bent over and tapped Yuan Bao's nose lightly, his usual cold expression gone.

However, this smile didn't last long before it was broken.

Cheng Lingyun's face was as pale as a ghost, and she stood in front of Lin Hanxing.

"I want to talk to you,"

She had thought that she had left last night, but she did not expect to see Lin xiaojiu at breakfast time.

She quickly walked over.

However, after the previous lesson, he did not dare to make a move on Lin xiaojiu.

Lin Hanxing looked at her coldly and stood up.

Lei Xiao walked over from nearby, glanced at Cheng Lingyun, and took Yuan Bao to the side.

However, Cheng Lingyun could read the warning in Lei Xiao's eyes.

Lin Hanxing sat cross-legged by the window with a tray of food.

The morning light enveloped her, and even Cheng Lingyun, who had sat down later, was a little dumbfounded.

Until she met Lin Hanxing's mocking gaze.

"How did you get her out?"

It went without saying who this 'she' was.

Lin Hanxing sipped his coffee slowly as if he did not hear her.

“You don’t want me to have a good life!”

Cheng Lingyun gritted her teeth as she said this, but she restrained herself from being too excited for fear of hurting her stomach.

Lin Hanxing laughed out loud when he heard her.

It was a sarcastic smile.

Cheng Lingyun’s ears pricked at his words.

“Why should I let you have a good time?”

Lin Hanxing stirred the coffee with a spoon and rested her cheek on one hand, as if she had just told a funny joke.

Cheng Lingyun was stunned by his words and couldn’t say a word for a long time.

Chapter 707: As long as she was alive

Her entire body was cold.

She didn’t sleep well last night. She was always suspicious, thinking that susu would appear next to her bed in the middle of the night.

She knew that this was not good for the child in her stomach, but she could not control it.

He kept recalling the day he accidentally destroyed her face.

Blood dripped onto the floor ...

“What else did susu say to you?”

Cheng Lingyun’s eyes were cold as she stared at Lin Hanxing, as if she wanted to see through her.

Unfortunately, she was destined to be disappointed.

Lin Hanxing sat lazily in the morning light, his pupils were illuminated into an amber color.

The light in his eyes was deep and seemed to have no end.

Cheng Lingyun looked at him with a bone-chilling cold and couldn’t help but shiver.

As if he didn’t see the fear in her eyes, Lin Hanxing’s gaze went past Cheng Lingyun’s shoulder and looked at Lei Xiao, who was sitting not far away.

He was also looking at her.

“Can you guess?”

Lin Hanxing looked away and smiled at Cheng Lingyun.

“Lin Hanxing, I don’t want to beat around the bush. What do you want?”

Cheng Lingyun had enough of this kind of torment. She growled in a low voice, as if she wanted a definite answer.

Lin Hanxing's smile slowly faded when he heard this.

Until his face was expressionless.

Cheng Lingyun had seen the entire process. She knew that she was much younger than her, but the fear that seeped into her bones was not something that could be determined by age.

"I want your life."

Lin Hanxing's voice was cold and sinister.

Cheng Lingyun felt as if an invisible hand was slowly tightening around her neck.

She suddenly stood up.

With a bang, the dining table shook, attracting curious gazes from others.

"Hehe, I was just joking."

Lin Hanxing smiled faintly again, as if what he had just said was really a joke.

She played with the coffee cup, her eyes calm.

Why would she want her life?

She had to let Cheng Lingyun live well.

It was better to live than to die.

In Cheng Lingyun's eyes, this joke was not funny at all.

I wonder what kind of charm Li Yanyu has to make so many people want to work for her!

Her voice was full of ridicule.

The Li clan was still holding on, waiting for the return of the clan head.

Lin Hanxing's gaze fell outside the window.

It was late autumn, and the fallen leaves on the ground were blown up by the autumn wind.

"You're not worthy of knowing."

Aunt Mian had given everything she had to make Lin little Jiu the person she was now.

Lin Hanxing's words made Cheng Lingyun's expression twist. Not worthy?

It had always been like this.

As long as she stood next to Li Yanyu, everyone's eyes would involuntarily land on that woman!

It was as if she was her maidservant!

Why?

Seeing the unwillingness in Cheng Lingyun's eyes, Lin Hanxing sneered in his heart.

She had seen such a look in too many people's eyes.

Jealousy was something that everyone had.

It was just that some people controlled their forbearance within an appropriate range, while some people were unscrupulous.

Cheng Lingyun naturally belonged to the latter.

Lin Hanxing's long eyelashes fluttered.

The ingots were almost finished, and her patience was running out.

Mrs. Cheng, instead of talking to me here, I would advise you to eat and drink well for the sake of the child in your stomach. After all, as long as Yuan susu is alive, your life ...

Lin Hanxing chuckled, his smile mocking.

"It's destined that it can't be peaceful."

Xuxu's mother ...

Yingluo, don't even think about ditching me in this lifetime, otherwise ...

Let's die together!

Lin Hanxing's words overlapped with Yuan SuSu's words from last night!

It was like a slow-motion replay in Cheng Lingyun's mind.

As long as susu was alive ...

What if she died?

Chapter 708: The antique Street

They came out of the hotel.

Lei Xiao drove Yuan Bao to school and dropped her off near the antique Street according to Lin Hanxing's instructions.

Before that, she had already called Bai Xi in advance.

Hence, Bai Xi was already waiting for them when they got off the bus.

"Ninth young lady."

Bai Xi was dressed in a cool and refreshing outfit today. Standing next to Lin Hanxing, he looked like a student.

"Let's go," he said. Lin Hanxing looked up at the sign of the antique Street and said indifferently.

Bai Xi followed behind Lin Hanxing obediently.

This was the most famous antique Street in Jiang city. It had a history of more than a hundred years.

It was not the weekend, so the streets were a little deserted.

"Ninth young lady, there are many shops here that sell a mixture of genuine and fake goods. It's quite a test of one's eyesight."

Bai Xi used to live nearby, so he more or less knew the inside story.

These shop owners would first observe the customers after they entered the shop to see if they knew how to do business.

He would then recommend things based on his judgment.

Lin Hanxing glanced at Bai Xi and smiled faintly.

Because it wasn't the weekend, there weren't many people. There were a few old cats lazily basking in the sun on the stone Road.

Bai Xi followed behind Lin Hanxing.

Looking at Lin Hanxing's back, she had an inexplicable sense of trust in Him.

No matter what she did, the ninth young lady was always calm and composed.

It was as if nothing in this world could stump her.

Suddenly, they heard a clamor.

There was a crowd of onlookers outside one of the shops, and Lin Hanxing happened to pass by with Bai Xi.

Lin Hanxing's eyes swept across the room, but he stopped in his tracks.

He stood outside the crowd and looked into the shop calmly.

Bai Xi knew that Lin Hanxing wasn't someone who liked to be in a crowd, and because of that, he looked over curiously.

In the antique shop, an old man in a Chinese tunic was arguing with someone!

"If I say this is fake, then it's fake."

what a joke! We, Fu Rui Xiang, never sell fake goods. I think you're trying to extort us!

"Call your boss out!"

"Go, go, go, if you don't go, we'll coax people!"

Inside the shop, the old man in the tunic suit was arguing with the staff, while the people outside were whispering to each other.

“You guys ...”

A few strong men who looked like bodyguards walked out of the shop and held the old man up, trying to drive him out.

“Hold on,”

Suddenly, a cold voice came from behind the crowd.

The hearts of those who heard it trembled, and they couldn’t help but turn back to look at the source of the sound.

When she saw the person who spoke clearly, she couldn’t help but make way for her to walk towards the shop.

Bai Xi didn’t expect miss Jiu to suddenly speak.

He was stunned for a moment, then he quickly followed.

Lin Hanxing walked forward at a moderate pace, expressionless, through the path that he had created in the crowd.

Soon, she arrived at the store.

Lin Hanxing’s cold eyes slowly fell on the bodyguard who wanted to blow the old man away.

Even though he didn’t say anything, it made people feel cold.

The bodyguard, who was already holding her down, let go.

“Ah Xiao’s wife?”

The old man in the Chinese tunic suit was still holding his breath, and when he saw her, he was a little dazed.

“You want their boss to come out?”

Lin Hanxing smiled at the old man in the Chinese tunic suit, his cold attitude dazzling the eyes of the onlookers outside!

“Right, call their boss out!”

The old man in the Zhongshan suit was indignant.

Manager Fu Ruixiang looked at the nosy woman who came out of nowhere and felt a headache.

Lin Hanxing walked towards the steward and glanced at the calligraphy scroll in his hand.

Before anyone could react, there was a loud crack ...

Chapter 709: Don’t let them slip away

The calligraphy scroll was torn into two just like that!

This scene happened too suddenly, leaving everyone dumbfounded!

There was only silence.

She must be crazy!

Lin Hanxing placed the torn scroll back into the steward's arms and looked at him.

"Now, can you call your boss out?"

"....."

The steward's mouth was so shocked that it formed an "O" shape, and he felt dizzy.

He didn't even need to touch it to know that he was covered in cold sweat.

This was the treasure of Fu Ruixiang, it was priceless!

"Just you wait! Guard the door, don't let them escape!"

The manager beckoned for the burly bodyguards to guard the door, afraid that they would bear the responsibility if the person ran away.

The atmosphere became tense all of a sudden!

"Hahahahaha! Good! Ah Xiao's wife, good job!"

Suddenly, a deafening laugh rang out.

As if he had just vented his anger, the old man in the Zhongshan suit felt refreshed and looked at Lin Hanxing with even more joy.

Lin Hanxing, on the other hand, had an indifferent expression on his face from the beginning to the end.

Only when he looked at Bai Xi did he give her a look that only the two of them could understand.

Bai Xi immediately went to make a call.

"Ah Xiao's wife, come and sit!"

The old man in the Zhongshan suit pulled Lin Hanxing to sit on the two old chairs made of pear wood at Fu Rui Xiang.

He didn't seem to care about the people pointing at him.

"How can you be so bold! I'm already scared of you!"

The old man in the Zhongshan suit laughed as he spoke. The argument just now had made his mouth dry.

Lin Hanxing sat on the pear wood, calm and composed.

He didn't seem to have the slightest awareness of 'causing trouble'.

"Didn't you say that thing was fake?"

Lin Hanxing's words made the old man in the Chinese tunic suit choke. Did she really believe him when he said it was fake?

"What if I accidentally hit my eyes?"

The pressure on the old man in the Chinese tunic suit increased inexplicably, especially when he saw Lin Hanxing's thin arms and legs.

Lin Hanxing turned to look at him.

"Then you'll have to pay for it."

"....."

The old man in the Zhongshan suit felt like ten thousand horses were running wildly in his heart, and he wanted to cry but had no tears.

On the other hand, Lin Hanxing chuckled when he saw this. His posture immediately made people feel that there were thousands of flowers in front of their eyes, and it was too beautiful to take in.

"I was just lying to you."

After these three simple words, he didn't say anything more.

She sat there with her long eyelashes slightly closed, so no one could tell what she was actually feeling.

The old man in the Zhongshan suit could not help but look at Lin Hanxing.

If he had not already known the girl's identity from geezer Yue, he would never have imagined that such a young girl had actually disappeared for eighteen years!

There was no rudeness in her movements at all, and she was so elegant as if the gap in the past 18 years had never happened.

People couldn't help but be curious about her experiences over the years.

In fact, what made the old man in the Zhongshan suit most curious was why he felt that her voice was so familiar after hearing it.

He was willing to bet that he had never seen her before.

The manager who had gone behind Fu Ruixiang to make a phone call came out with an expression that said, 'you two are in big trouble'.

Lin Hanxing did not know whether to laugh or cry when he saw that!

hehe, our young lady will be here soon. This Huang Tingjian authentic work is the treasure of our shop. You can just wait to pay for it! After that, the manager sat opposite the two of them.

The bodyguards who were originally guarding the door were even more on guard, as if they were afraid that something would happen and the two would escape.

"I'll wait then!"

The old man in the Zhongshan suit sneered.

He had long heard that Fu Ruixiang was the most famous antique Street in Jiang city, but he didn't expect ...

It's just so-so.

Chapter 710: Meeting han mingmei again

If the old man's current mood could be described in one sentence ...

That was even more disgusting than eating fly poop!

Today, he had come up with this idea on the spur of the moment and did not ask anyone to accompany him. As soon as he entered the store, those people saw his washed white clothes and immediately hung him there. He had come to shop by himself, but he was sneered at by the staff.

Just as he was about to lose his temper, he saw the painting ...

"The treasure of the shop?"

When Lin Hanxing heard this, he smiled sarcastically. His smile was even more piercing to the manager's eyes.

"I'm telling you, you're in big trouble!"

The manager smacked the cup in his hand on the table and sneered.

Ever since he became the manager of Fu Ruixiang, no one had ever disrespected him like today.

Lin Hanxing did not comment.

Bai Xi came back quietly, and when Lin Hanxing's gaze swept over, he nodded at her without a trace.

After an unknown period of time, footsteps could be heard from outside the door.

Lin Hanxing raised his head and did not expect a familiar face to come!

So Fu Ruixiang was from their family.

As soon as han mingmei came in, the first thing she saw was the scroll that was torn in half, and her expression instantly became serious.

"Young miss!"

When manager Fu Ruixiang saw han mingmei, he quickly stood up and greeted her with a smile.

"Where is he?" Han mingmei's voice was deep. She followed the manager's line of sight and saw Lin Hanxing.

Their eyes met in the air.

"Lin ... Hanxing?"

Compared to Lin Hanxing's indifferent expression, Han Mingmei was obviously a little excited.

The manager was a little stunned. This person knew the young miss?

"You're the one who tore the scroll?"

Han Mingmei calmed down and asked, her otherworldly temperament attracting the attention of the onlookers.

"It's me." With so many eyes on him, Lin Hanxing had no reason to deny it.

"Do you know how much this is worth?"

Han Mingmei's voice was cold, and her tone was still filled with the arrogance of a socialite, but at the same time, it was mixed with something else.

"You're just causing trouble for Ah Xiao every day?"

Ah Xiao?

The old man in the Chinese tunic suit pricked up his ears to listen. How did it have anything to do with Ah Xiao?

"Miss Han, don't you think that your words sound a little sour?"

Lin Hanxing smiled at her, just like the last time they met at the coffee shop.

"You ..."

Han Mingmei was so angry that she laughed.

"Sister Mingmei, what's the point of talking so much to her? Compensate her!"

Lin Hanxing raised his eyebrows.

Coincidentally, she also knew the person who spoke. Wasn't it Su Ling'er, who she hadn't seen in a long time?

Su Ling'er's recent days weren't good.

The turmoil at that time affected the entire Su family, and even Su Ling'er's life was not as good as before.

However, the news of the Lin family's little ninth had spread like wildfire.

The more Su Ling'er heard, the more jealous she became.

What was she?

What right did she have to get all of brother Lei's attention?

And what right did he have to be in the limelight again and again?

"What compensation! This thing is fake, can't you understand what it's saying?"

The old man in the Chinese tunic suit slammed the handle of the pear wood ancient chair and shouted in a strong voice!

“Old Sir, you can eat whatever you want, but you can’t say whatever you want!”

Han mingmei looked at him in a washed white Chinese tunic suit. He looked shabby, but the words he said were more or less condescending.

“We, Fu Rui Xiang, never sell fake goods!”

Lin Hanxing suddenly laughed after han mingmei finished speaking.

you said that Fu Ruixiang never sells fake goods? ”

His cold voice had a different kind of laziness to it, and it made people’s hearts itch.

“Then What is this?”
