

## Goodnight 721

### Chapter 721: Offended all of them

She was clearly the one who liked Lei Xiao for so many years. Why did ah Xiao become hers the moment Lin xiaojiu returned?

However, at this moment, no one cared about han mingmei's emotions.

Everyone's eyes were on Lin Hanxing, even her father.

A gust of wind blew in from the open door of Fu Rui Xiang.

It easily ruffled Lin Hanxing's long hair, like a dream.

It was as if there was a magical power that made all the Restless hearts return to calmness.

If they had not seen it with their own eyes, no one would have believed that Lin Hanxing's handwriting was exactly the same as the two calligraphic works that had been verified by the experts!

The eyes of the old man in the Chinese tunic suit lit up the more he looked at it.

If Yue Guanqian was here, he would definitely recognize that the old man's eyes were the same as when he was determined to abduct Lei Yu to be his disciple!

"These two paintings were my handiwork many years ago."

Lin Hanxing put the used brush on the brush holder, his long eyelashes slightly closed, and his faint voice rang out.

"I gave one of them to someone else, but I didn't expect it to become the treasure of auspicious cloud. This really surprised me."

Bai Xi handed her a wet tissue.

Lin Hanxing took it and wiped his hands unhurriedly, his voice neither sarcastic nor sarcastic.

Her water-like eyes slowly swept across every face in front of her, and there was a sense of alienation that flowed from her bones, making people subconsciously feel awe.

I wanted to make a harmless joke to explain it clearly, but who knew that the manager of Fu Ruixiang would be so aggressive? it's hard on these experts ...

Lin Hanxing laughed.

Bai Xi, help me pack a few red packets for these people. They've made a wasted trip.

The experts blushed at Lin Hanxing's words. Their lips moved but they could not say anything.

Lin Hanxing did not even look at them after he finished speaking.

He retracted his gaze and turned to look at han boming's face.

“Ah Xiao’s wife, did you really write it?”

The truth was right in front of his eyes, and even the old man in the tunic suit couldn’t believe it.

Speaking of which, the old man in the Chinese tunic suit had a deep relationship with this painting.

The first time they met was at the place of an old friend.

Because he liked it too much, even if his old friend pointed out that it was an imitation, he still couldn’t bear to put it down and ask for it.

However, he was later taken away by han boming for various reasons.

At that time, Huang Tingjian’s original painting was successfully auctioned off at a final price of more than 500 million Yuan. The old man would never have thought that he would still dare to do something that he didn’t want to do even though he had already told han Sen that the painting was fake!

Han boming didn’t dare to meet the old man’s eyes.

“Mr. Han, whether you’re a person or a shop owner, you still need to be honest.”

Lin Hanxing walked back to the old chair made of yellow Rosewood and sat down. He picked up his teacup and said playfully.

“Miss Lin’s words are really interesting. When have I ever declared that this painting is authentic? I’m happy to treat the counterfeits as the treasure of my shop, do I need to explain it to others one by one?”

As soon as han boming said this, the others’ expressions changed.

It was his own business to treat counterfeits as treasures, but he had been enjoying the convenience brought by this painting all these years.

He allowed others to misunderstand him, and now he turned hostile. What else could he say other than shameless?

Hearing this, Lin Hanxing smiled meaningfully.

In fact, han boming regretted it the moment he said that.

His words without thinking had offended everyone, especially those experts who had made a mistake!

?

Chapter 722: Mr. Han, this is a gift for you

If today’s incident were to spread, the reputation of these experts would be completely destroyed.

Although it was also related to his poor business skills, han boming’s words were obviously a slap in the face.

Even if she didn’t say anything, she already hated him in her heart.

Han boming pursed his thin lips and looked at Lin Hanxing with a dark look.

His intuition told him that she was part of the reason why he had blurted out those words just now!

“Mr. Han is an interesting person.”

Even though Lin Hanxing knew that his gaze was not friendly, he still responded with a faint smile.

In fact, everyone was very clear ...

The hundred-year-old fortune auspicious fortune had finally fallen into the hands of the Han family.

If today's incident were to spread, no one would dare to come to Fu Rui Xiang to buy things.

Buying a fake was a small matter, but losing face in front of others was a big matter.

Lei Yu stood behind Lin Hanxing, silently supporting his family.

Seeing that the usually cold and distant Lei Qian was actually protecting Lin Hanxing, han mingmei could not take it anymore.

Everyone knew that she liked the Thunder valiant beast.

However, no matter how much she tried to please her parents, or even the other members of the Lei family, there seemed to be a barrier between them.

He couldn't blend in.

Now, what second young master Lei was doing was undoubtedly like a tight slap on her face, making her extremely embarrassed.

It turned out that the Lei family did not keep a distance from everyone.

It turned out that the Lei family also had such a side.

It turned out ...

The scene froze.

The group of experts quickly said their goodbyes and didn't even look at han boming.

However, the crowd of onlookers did not disperse even after a long time. They only looked at Lin Hanxing as if they were very curious about her.

“You did that on purpose?”

Suddenly, han boming deliberately lowered his voice.

He felt that today's events were too coincidental. He couldn't help but be suspicious when he thought about the rumors about Lin xiaojiu.

Lin Hanxing took a sip of tea and looked up at han boming, who had just said this.

“So what if I am? so what if I am not?”

The unspoken meaning was, what can you do to me?

Han boming didn't expect Lin Hanxing to be so cunning. He was like a slippery fish.  
The old man in the tunic suit didn't say anything, as if he had figured out something.  
It was obvious that the two of them had a personal grudge.

miss Lin, what benefits do you get from this? ”

Han mingmei couldn't take it anymore and spoke, her voice sounding a little sharp.

“My father is the second largest shareholder of the Lei Corporation after all!”

These words were somewhat threatening.

Lin Hanxing smiled and did not even look at han mingmei who was talking. His eyes passed her and directly met han boming's.

“Mr. Han, although it's a little late, but ...”

“This is my gift to you in return.”

Lin Hanxing raised his teacup and saluted him as if he was paying respects to an opponent.

Han boming was stunned at first.

He didn't understand what Lin Hanxing meant.

But very quickly, something flashed through his mind.

He knew!

She was taking revenge on him for asking his confidant to call Qi Li in the Lei group and wanting to see her make a fool of herself!

It had been so long, and Lin xiaojiu still remembered?

At first, han boming thought that she had dealt with that trusted aide, but he didn't expect her to stay here and wait for him.

Lin xiaojiu was such a vengeful person!

He had been lying low for so long, waiting for an opportunity to teach him a lesson.

Now, not only did he offend the experts in Jiang city, but even elder Zheng ...

?

Chapter 723: You're too much

Han boming only felt that there was a breath of resentment in his chest.

He could neither swallow nor spit it out.

He only wanted her to make a fool of herself in public, but she actually dragged the entire Fu Rui Xiang down with her?

At such a young age, she was not willing to suffer any losses. Her heart was simply too vicious!

Fu Ruixiang's way of doing things isn't right. Who would dare to come to their house to buy things in the future? "

"Is that little girl really Lin little Jiu? The one that the Lin family found this year?"

The whispers outside continued.

Han mingmei's eyes started to redden.

Su Ling 'er stood at the side and didn't dare to make a sound.

She had originally wanted to use han mingmei's power to suppress Lin xiaojiu, but who would have thought that the Han family would be so useless!

On the contrary, Lin xiaojiu was in the limelight!

"I heard ..."

Lin Hanxing glanced at han boming, and his cold eyes were cold.

Mr. Han and Ms. Zhong Xueqing have a good personal relationship. He even contributed a lot to the Jiangcheng sea bridge project.

Han boming's expression suddenly changed.

Lin Hanxing, on the other hand, just put the teacup back on the table unhurriedly.

Her long eyelashes were slightly closed, hiding all the emotions in her eyes, not allowing anyone to pry.

As soon as he said that, the expressions of the few people present became subtle.

Lin Hanxing got up and looked at han boming meaningfully.

He smiled.

these two days are the day of the bidding. Then I'll wish Ms. Zhong all the best.

.....

"Sister-in-law, do you mind having a chat? However, I'll have to send master back first."

As soon as they left Fu Ruixiang, Lei Qian handed the toolbox to his assistant and turned to Lin Hanxing.

"Alright," he said.

Just as Lin Hanxing finished speaking, han mingmei came out.

He gave Bai Xi a look, and Bai Xi understood and left with his people, leaving the two some space.

"Lin Hanxing, you've gone too far!"

Unlike the arrogant socialite she was when they met at the coffee shop, han mingmei's expression was as ugly as it could be.

you knew elder Zheng's identity, but you didn't even warn me in order to embarrass me. You're simply ...

"What duty do I have to remind you of?"

Before han mingmei could finish, Lin Hanxing interrupted her.

Han mingmei was speechless for a while.

"Don't tell me that you have to choose your partner for your manners?"

Lin Hanxing's voice was calm, but it sounded sarcastic to han mingmei's ears. She could not refute him.

"It's you guys who looked down on elder Zheng after seeing his shabby clothes ..."

Lin Hanxing chuckled at han mingmei.

"Why should I pay for your rudeness?"

It was only then that han mingmei finally understood how polite Lin Hanxing had been to her in the coffee shop.

Lin Hanxing's every word was heart-wrenching.

Most importantly, she used such a calm tone that no one could open their mouth to refute.

Lei min drove the car over.

The window slowly slid into the car, revealing his cold and distant face.

"Sister-in-law, get in the car."

Lin Hanxing glanced at han mingmei's face, then turned around and opened the back door to get in.

Only han mingmei was left standing there, looking at her side profile.

Lin Hanxing's ivory white face was flawless through the open backseat window. It was a sight to behold.

so, miss han, it's not me who's going too far. It's you who's going too far.

These were Lin Hanxing's last words before the car started again.

Han mingmei stared at the car that drove away.

Lin xiaojiu!

Lin xiaojiu!

I don't believe that you can have the last laugh!

?

Chapter 724: My woman

Liang group.

When President Liang entered the company, he felt that the atmosphere was not right.

He had not been in the mood to work these past few days because of his son. If his Secretary had not called him today, he would not have come back.

However, what made CEO Liang feel strange was ...

The Secretary, who was usually very efficient, stammered and couldn't explain clearly over the phone. She only asked him to hurry back.

They took the elevator to the top floor.

As soon as he opened the elevator door, he felt an inexplicable sense of gloominess, which made him shiver.

Someone was standing at the door of the president's office.

CEO Liang subconsciously took two steps towards that direction. When he got closer, he finally recognized who the other party was!

His blood seemed to have frozen when he recognized it.

That person was young master Lei's Special Assistant, Anthony!

"President Liang, please."

Anthony's voice was cold as he looked at CEO Liang expressionlessly.

"Is Mr. Ray ... Inside?"

At this moment, President Liang was drenched in cold sweat. He looked at the door of his CEO's office as if he was looking at a man-eating beast!

She couldn't even speak properly.

Anthony didn't answer, but made a gesture of invitation.

Taking a deep breath, CEO Liang's hand moved back and forth on the doorknob a few times. He was trembling like he was suffering from Parkinson's disease.

Finally, he closed his eyes and pushed the door open!

The interior of the president's Room was still the same, but the president's chair in front of the desk was now facing away from the door.

"Mr ... Mr. Ray ..."

The only response he got was the sound of a door closing behind him!

President Liang was so scared that he shivered.

The president's chair in front of him slowly turned around, and Lei Xiao's cold but handsome face appeared in front of him.

Even if he didn't speak, just by sitting there, the thick aura of a superior seeped out from his bones, powerful to the point that it made people tremble with fear!

The Thunder valiant beast looked at him.

There was no emotion in his eyes, as if he was looking at a pile of dead things.

Even though he was older than the man in front of him, CEO Liang could not hide the fear in his eyes.

This man was Lei Xiao!

The Thunder valiant beast that could shake the world's economy with just a sneeze!

"Lightning ..."

CEO Liang finally understood why there was a weird atmosphere when he entered the company!

Lei Xiao's slender fingers fell on the family photo frame on the desk.

There was no change in his eagle-like eyes.

President Liang almost knelt down in front of Lei Xiao, feeling as if he was being watched by the King of Hell.

"I heard that your wife invited my woman to young master Liang's ward."

A cold, almost emotionless voice spilled out from his Thunder-like thin lips.

CEO Liang's scalp started to go numb.

His woman?

What woman?

Yingluo, if you guys provoke me, I can let you guys die a quick death, but if you guys provoke her ...

Suddenly, President Liang remembered what Liang yuran had said.

"I ..."

Before CEO Liang could explain, Lei Xiao's cold eyes had already landed on his face.

Like a prey locked by a Falcon, general manager Liang couldn't stop the cold sweat on his forehead. He kept cursing that damn woman in his heart for causing him so much trouble!

"What, are you mute?"

Lei Xiao was sitting in a black Leather Executive Chair not far away, his strong aura was like the arrival of an Emperor.

The deep voice was low and powerful, and it sounded like it was filled with bloodthirst, danger, and hostility.

Lei Xiao threw the photo frame in front of President Liang.

After a crisp sound, the mirror was smashed into pieces.

Almost at the same time, CEO Liang felt as if a string in his head had snapped. He knelt on the broken glass with a thud.

He broke out in a cold sweat and couldn't even feel the pain!

?

Chapter 725: A change in expression in a second

Time passed by.

The blood that gushed out from CEO Liang's knee stained the ground.

The air was filled with a thick rusty smell.

But even so, President Liang didn't dare to move, for fear of disturbing the man sitting in the president's chair.

The terror of the Thunder valiant beast was not just a rumor.

That would really kill him!

"Mr. Ley, I really didn't know anything about this."

CEO Liang wanted to die, but when he met Lei Xiao's eyes, he trembled like a sieve.

"You didn't know beforehand?"

Thunder valiant beast repeated these words, his voice was pure and cold, without any warmth.

The black handmade suit wrapped around his strong figure perfectly, and his three-dimensional knife-carved facial features were full of sarcasm.

His dark and deep eagle-like eyes unconsciously gave people a sense of oppression.

His long fingers tapped on the table.

To CEO Liang, killing someone was just a matter of nodding his head, but Lei Xiao was suffering both physically and mentally!

"Anthony."

A cold and emotionless voice resounded in the vast space.

The door to the president's office was pushed open from the outside.

Mrs. Liang, who had always been arrogant, was like a little chick in Anthony's palm.

With a loud thud, Madam Liang was thrown to the ground!

old Liang ... Mrs. Liang burst into tears when she saw her husband jump into his arms.

She didn't hear President Liang's muffled groan because of her sudden movement, when his knee sank deep into the glass shards again.

Mrs. Liang was brought here from the hospital after she was knocked out.

She had been in fear all the way, and her makeup was smudged from her tears.

"Don't cry, don't cry!"

President Liang quickly covered his wife's mouth with his hand, afraid that she would anger the King of Hell sitting there!

Thunder valiant looked at Anthony coldly.

Madam Liang, who was originally in President Liang's arms, was suddenly lifted up by Anthony and walked towards the floor-to-ceiling window behind Lei Xiao.

Madam Liang struggled with all her might, her heels creaking as they rubbed against the floor.

The people who heard it felt fear in their hearts!

"Save me, old Liang, save me!"

Anthony carried out Thunder Valiant's order expressionlessly. With a crash, the ventilation window was opened!

In an instant, the autumn wind that whistled past the higher-ups was like a blade that scraped their faces!

"To be able to bump into her at the hospital so coincidentally, President Liang, are you stupid or do you think I'm stupid?"

Lei Xiao seemed to not see the fear in CEO Liang's eyes and said coldly.

Anthony pressed half of Mrs. Liang's body out of the window. Her feet were suspended in the air, and he was the only one who could control her life and death.

Madam Liang was so scared that her whole body started to tremble.

"Mr. Ley ..."

This was close to the 30th floor. If he fell, he would die without a doubt!

"I want to hear the truth."

Lei Xiao's voice was tinged with impatience, clearly his patience was running out.

"Liang ... Hurry up and tell me! Help!"

Madam Liang was crying her eyes out, her hands and feet going soft.

"Mr. Ley, I'll tell you, I'll tell you everything!"

CEO Liang couldn't care less about the glass shards stuck in his knees. He trembled as he tried to stand up.

it's Lu yuzhi ... Lu yuzhi said to start from miss Lin's ... Her!

Thunder owl's hand that was knocking on the table suddenly stopped.

His eagle-like eyes narrowed dangerously.

Lu yuzhi? Old master Lu's second daughter?

Just as she was thinking about this, her phone suddenly rang.

It was Lei Xiao's personal phone.

Looking at the caller ID, the man, who was originally as cold as winter, perfectly explained what it meant to change his face in a second.

"All of you, shut up!"

The room instantly fell silent with these three simple words.

Even Mrs. Liang, who had half of her body hanging outside, covered her mouth in horror, afraid that she would anger the man again.

Lei Xiao picked up the phone.

?

Chapter 726: Very obedient in front of her

"You're not busy?"

Lin Hanxing's voice could be heard from the other end of the phone. He seemed to be outside as the background was noisy.

Lei Xiao glanced at CEO Liang, whose knees were still bleeding.

"Yeah, I'm not busy."

As soon as Lei Xiao finished speaking, Madam Liang, who was still hanging outside the window, almost cried.

He'd better be busy. She didn't want to hang around here forever!

However, even if Madam Liang had bear's heart and leopard's gall, she would not dare to say this in front of Lei Xiao.

On the other end of the phone, Lin Hanxing raised his head and looked out the window.

Lei min went to send elder Zheng upstairs.

Along the way, elder Zheng looked at Lin Hanxing as if he was looking at a Living Treasure. If Lin Hanxing had not rejected him directly, the old man would have recognized her as his goddaughter!

"Where are you?"

Lin Hanxing's lips curved into a smile, his eyes soft.

"....."

Thunder valiant beast was silent for a while, then obediently spat out two words.

"The Liang family."

Hearing this, Lin Hanxing raised an eyebrow and tilted his head, one hand supporting his cheek.

She allowed her waterfall-like hair to gently brush her snow-white wrist.

"You knew?"

She did not mention to Lei Xiao what happened at the hospital that day.

"Yes."

Lei Xiao replied in a muffled voice, but his voice carried a silent protest when it entered Lin Hanxing's ears.

She was protesting that she did not mention it to him.

Lin Hanxing chuckled, her beautiful eyes glistening.

"What did you find out?"

If Lei Xiao had not mentioned it, she would have almost forgotten about Madam Liang.

"Lu yuzhi."

When Lei Xiao gave her this name, the intelligent Lin Hanxing quickly understood.

Lin Hanxing's chuckling could be heard from the other end of the phone.

It seemed to be disdainful and mocking.

"Return to the Lei clan as soon as you're done, I'll go find you."

Lin Hanxing's voice was soft, and Lei Xiao's eyes were filled with love and indulgence. When he looked at Lin Hanxing, he even forgot about the smell of blood in the room.

"Alright," he said.

After that, the two hung up the phone.

Unlike Madam Liang, President Liang not only listened from the beginning but also watched from the beginning.

Was that Lin xiaojiu on the other end of the line?

Just now, Thunder Valiant's expression had changed from winter to spring in a second.

No one would believe it if they didn't see it with their own eyes.

How could Lei Xiao be so obedient in front of Lin xiaojiu?

.....

When Lei min came down from upstairs, he saw Lin Hanxing's side profile as he held his phone and smiled.

His sister-in-law was very beautiful.

She believed that any man with eyes would be sure of this.

However, her beauty carried an unconcealable coldness and power, which she would only restrain in front of her big brother.

The opposite was true.

Big brother was the same.

Lei min lowered his head and laughed, melting away his cold and distant expression.

To be able to subdue their entire family so easily, and even third brother no longer had any objections, eldest sister-in-law was indeed eldest sister-in-law.

Sensing that someone was looking at him, Lin Hanxing raised his head.

In the next second, he met Lei min's warm eyes.

mom has already told sister-in-law about big brother, right? "

Lei min said frankly.

At this point, Lin Hanxing already knew what Lei Qian wanted to talk to her about.

"There's a good coffee shop near the Lei clan. Let's chat while drinking."

Lin Hanxing's long eyelashes fluttered as he said softly.

.....

Without turning his head, Lei min made a gesture to Anthony.

Madam Liang was thrown back to President Liang's side like a sandbag, but this time, she didn't even have the strength to cry.

"Young master Liang, I was the one who crippled him."

Lei Xiao's cold voice no longer had the indulgent tone he had when he was talking to Lin Hanxing.

Upon hearing this, President Liang and his wife shivered in fear. They didn't dare to blame him.

"He can only be a cripple for the rest of his life."

The cruel words made Madam Liang's eyes turn black, but she did not dare to be as presumptuous as she was in front of Lin Hanxing.

?

Chapter 727: The price of provoking her

In her eyes, Lin Hanxing, who had no parents, was just relying on men to get to the top.

Coupled with Lu yuzhi's instigation, his head was hot, and he didn't expect to provoke a Big Shot!

Anthony stood quietly beside his boss, feeling the cold aura of the man beside him.

Even when young master Lei was almost half-dead after being schemed against like that, he had never been like this.

The boss really doted on the lady boss as if she was his life.

He couldn't bear to let her suffer even the slightest grievance.

Anthony thought to himself and decided that he would treat Lin Hanxing like an Empress in the future.

Speaking of which, this young master Liang could be considered to have brought this upon himself.

When he was still in school, he had bullied a gifted student who had to rely on subsidies. His parents had compensated him with hundreds of thousands of Yuan to suppress the matter. They continued to eat and drink, and even used this as something to show off.

There was no need to elaborate on what happened after that, up until the last time when he killed someone in a car race late at night. If the situation had not been so bad that he could not be suppressed, the two families would not have spent a huge sum of money to find someone to take the blame and kick him abroad to hide until this year.

He didn't expect to bump into Lei Xiao when he came back.

"Do you understand?"

Lei Xiao's voice was cold without any fluctuation, but in the ears of director Liang and Madam Liang, it was no different from a talisman that hastened his death!

"I understand, I understand!"

President Liang quickly agreed. In his eyes, even if young master Liang was gone, there was still Liang yuran.

Madam Liang looked at him gloomily.

"It seems that Madam Liang has an objection."

Lei Xiao chuckled. Against the light, his thin lips curled up in an evil and bloodthirsty arc.

"I'll give you a chance now."

These words were directed at CEO Liang.

"I can choose not to do anything to the Liang family, but ..."

Lei Xiao's eagle-like sharp gaze swept across President Liang's happy face and he deliberately stopped.

When Anthony heard this, he felt that his boss was going to dig a hole again.

"I want you to cut off one of her fingers as a warning to the others."

Madam Liang's face turned ashen, and her eyes widened in disbelief.

"Do you dare?"

Lei Xiao didn't even look at Madam Liang. His sharp eyes fell on President Liang's face, which was thought-provoking.

A sharp Swiss Knife was thrown in front of him by Anthony, and his expression did not change from the beginning to the end.

CEO Liang's expression was dark and unclear as he stared blankly at Lei Xiao.

In the business world, young master Lei was famous for keeping his word. If he used one finger to exchange for the stability of the Liang Corporation ...

Mrs. Liang's heart started to beat fast when she saw the look in her husband's eyes.

She was too familiar with it!

Lei Xiao closed his eyes slightly, making it impossible to tell what he was thinking.

"No... No, no, no, you can't do this to me ..."

As soon as he finished speaking, he heard a Chila sound ...

CEO Liang didn't even hesitate when he swung the knife!

"Ah ..."

Madam Liang screamed and fainted!

"Mr. Ley, I ..."

CEO Liang's hand was shaking badly as he held the broken finger. He looked at Lei Xiao with a fawning expression.

Lei Xiao coldly swept his gaze across his face, before standing up and buttoning up his suit.

His actions were inexplicably confusing.

Without even looking at the two people kneeling on the ground, he walked out of the president's office.

Anthony followed behind Thunder valiant without looking sideways.

After entering the elevator.

“Mister Lei is really prepared to release the Liang family?”

After some thought, Anthony asked.

The cold mirror of the elevator reflected Lei min’s expressionless and cold face.

His eyes met Anthony’s in the reflection.

“Even if I don’t make a move, the Liang family won’t be able to survive this autumn.”

?

Chapter 728: What happened back then

In the coffee shop.

As it was working hours, there were not many people in the shop.

Other than the coffee, Lin Hanxing also ordered a cake for Lei Yu.

Lei min raised his head to look at her.

“I just got off the plane, so I’m just filling my stomach.”

Lin Hanxing’s voice sounded the same as usual, but Lei Qian could still feel his concern.

He felt that his sister-in-law and big brother were the same kind of people.

He seemed to be cold to the bone, but only after getting along with him did he know that he was cold on the outside and warm on the inside, especially protective of his own.

“Sis-in-law, you don’t have to mind han mingmei.”

Lei Jing’s voice was different from Lei Xiao’s mellow and deep voice. It had a kind of gentleness to it, and was extremely pleasing to the ear.

Lin Hanxing smiled.

Although these words didn’t sound nice, she really didn’t take han mingmei seriously.

Naturally, he wouldn’t mind.

Seeing Lin Hanxing’s reaction, Lei Qian’s expression relaxed.

“It was my fault back then.”

Even though so many years had passed, Lei Jing would still often think that she could not get over this.

“I was the one who insisted on going out.”

Lei min raised his head and looked at Lin Hanxing, his voice filled with self-blame.

“Big brother was worried about me, so I followed him. I’m the one who harmed him.”

Lin Hanxing did not say anything.

It seemed that Lei min had not walked out of the shadow of what had happened back then.

If Lei Xiao had suffered physical pain back then, then what Lei Yu had been suffering all these years ...

It was mental torture.

Lei min would always think of Lei Xiao's appearance when he was found a week after being kidnapped, his skin split open and his flesh torn apart.

He was barely holding on with his last breath.

If it wasn't for the slight movement of the moon's chest, it would be hard to believe that it was still a living person.

"When big brother hid me, I shouldn't have been so timid, I ..."

"Lightning strike."

Lin Hanxing finally interrupted him when he saw that he was starting to sink into his own emotions.

"I once asked Thunder owl ..."

When he saw Lei Qian's confused gaze, Lin Hanxing's smile had a rare comforting warmth.

"Back then, wasn't he afraid?"

"Big brother, he ..."

Lei Yu's heart tightened and he looked at Lin Hanxing.

he said he wasn't afraid. The only thing he was thinking about was how to prevent you from being discovered by those people.

When Lin Hanxing said this, his heart was filled with bitterness.

"He's very lucky that he was with you that day."

even if that fool didn't say it, I think he must be thinking that if it wasn't for him, you would have to bear all these terrible things. That would make him sadder than killing him.

Lei Xiao was a man who placed his family in a more important position than himself.

Therefore, Lin Hanxing would also protect his family.

Lei Qian did not say anything for a long time as he looked at Lin Hanxing's gentle eyes.

Lin Hanxing watched as his warm eyes gradually turned red.

Perhaps to cover it up, Lei min reached out and began to eat the cake on the table with all his might, as if he was stuffing it into his mouth without any regard for his life.

Her tears finally fell uncontrollably.

It was out of control.

Lin Hanxing looked at him quietly. He did not comfort him, nor did he ignore him.

It was just that when he choked, he pushed the coffee in front of Lei min at the right time, just in time.

“Sister-in-law, I’m very sorry.”

Lei min apologized for his loss of self-control, but he was afraid that Lin Hanxing would misunderstand and think that he was unfamiliar with her. Just as he was about to speak again, Lin Hanxing laughed.

She understood.

There was no need to explain.

“That ...”

Suddenly, Lin Hanxing spoke.

Lei min looked at her, his eyes still a little red.

“Ah Xiao’s injury at that time ...”

At this point, Lin Hanxing paused and blinked.

His voice was a little hoarse.

“Can you tell me?”

?

Chapter 729: I am his medicine

For the next twenty minutes, Lei Qian spoke slowly while Lin Hanxing listened.

Her expression didn’t seem to change, but her eyes fell on the passersby outside the window.

There was a unique beauty to her lowered eyes.

previously, Dr. Zhong had mentioned to our parents that he hoped that big brother would carry out drug intervention treatment again, but our parents rejected it.

Lei min’s voice was low and deep.

All these years, his eldest brother’s situation had been good and bad, until his sister-in-law appeared.

he doesn’t need any drug intervention.

Lin Hanxing’s gaze was still fixed on the window. His delicate side profile was calm, and he had a cold aura that only a superior had.

As the second young master of the Lei family, Lei min had seen all kinds of people over the years.

However, none of them could shock him as much as Lin Hanxing did.

Lin Hanxing turned his head and looked at Lei Qian. The corners of his mouth slowly curled up into a breathtaking smile.

"I am his medicine."

.....

The president's office of the Lei Corporation.

At this moment, the air pressure in the room was a little low.

Anthony stood next to Lei Xiao, and his eyes fell on his CEO from the corner of his eye.

He hadn't turned a page of the document in his hand for a full five minutes.

However, Anthony was still anxiously waiting for Lei Xiao to sign and pass down the order to his subordinates, so he did not dare to rush him.

When Thunder valiant picked up his personal phone again, Anthony could no longer hold it in.

"Boss, the lady boss said that she would definitely come."

As soon as he finished speaking, Thunder Valiant's cold gaze swept over.

Anthony's sphincter tightened, and he almost knelt down and called him 'dad'.

Seeing his cowardice, Lei Xiao retracted his gaze and returned it to the documents in front of him.

Five minutes later ...

Anthony wanted to cry but had no tears.

Another five minutes had passed, Hey!

Get your spirits up, boss!

when is the bidding for the Jiangcheng Bay Bridge? "

Fortunately, this time, Lei Xiao quickly regained his senses and asked in a cold and hard voice.

"Tomorrow,"

Anthony's expression changed at the mention of serious business.

Lei Xiao didn't speak again. He just flipped through the documents in his hands, and after confirming that there were no mistakes, he signed his name.

Seeing this, Anthony heaved a sigh of relief.

He took the documents and left the Shuraba.

"Anthony ..."

Just as his hand was about to reach the doorknob, Thunder valiant beast's voice came from behind him.

"Yes, Mr. Ley."

The dedicated Special Assistant turned around and replied in an elite tone without complaint.

“Go and check if there’s any traffic accident nearby.”

“.....”

What kind of traffic accident was that?

Anthony grumbled in his heart.

Don’t try to guess what the boss is thinking, you really can’t understand it no matter how much you try!

“I understand, Mr. Ley.”

With a warm smile on his face, Anthony turned around and secretly ridiculed his crazy boss.

As soon as she stepped out of the door, she saw Lin Hanxing coming out of the elevator.

He was also carrying a dozen cups of coffee.

Anthony’s eyes lit up as if he had seen his Savior!

“Miss Lin, you’re finally here.”

“.....”

Lin Hanxing stopped in his tracks. He felt that Anthony was teary-eyed today, like a stray cat or dog who had finally found its owner.

“He ...”

Lin Hanxing glanced at the door when he realized that the key to the problem was the one inside the CEO’s office.

“Mr. Lei asked me to check if there were any accidents near the Lei group.”

Anthony pulled a long face, but he only dared to complain to Lin Hanxing in private.

“.....”

Lin Hanxing covered his eyes with his hand. That fool ...

bring the coffee and distribute it. I’ll go in first.

Lin Hanxing passed the coffee to Anthony and walked towards the president’s office with a smile.

?

Chapter 730: My man

The door to the president’s office was pushed open a little.

The Thunder valiant beast lifted its head coldly and was about to open its mouth to scold, but a head peeked out from the crack in the door.

Her waterfall-like long hair spread out behind her.

On her ivory-white face, her eyes curved into crescents as she bit her lip and looked at him.

The ice Mountain melted in an instant.

It was as if his heart had been scratched by a small white cat's tiny claws.

It was itchy.

"Come here."

Lei Xiao put down the pen in his hand and extended his hand towards Lin Hanxing.

Lin Hanxing walked in.

With a click, the door behind him closed.

She leaned against the door and didn't say anything, just looking at Lei Xiao.

She slowly raised her slender white wrist and extended it in his direction.

"I'm tired,"

As she spoke, she blinked her long eyelashes, and her expression was as sly as a fox.

The next second, the sound of the president's chair moving came from Lei Xiao's side.

Lin Hanxing watched as Lei Xiao got closer and closer to him, his long legs wrapped in his suit pants made him look even more muscular.

Of course, she had also seen him naked ...

As soon as Lei Xiao approached, Lin Hanxing jumped into his arms without thinking and wrapped her arms around his neck.

"Did you miss me?"

As she spoke, she pecked his thin lips.

Lei Xiao held her firmly, letting her legs wrap around his body.

The White cashmere sweater made Lin Hanxing's small face look even more translucent, making people want to pinch it.

Lei Xiao turned his face to the side, his thin lips slightly pursed, and he did not speak.

He was stubborn again!

Lin Hanxing complained in his heart as he leaned close to his ear and opened his mouth to take a bite.

The Thunder valiant beast's body shook.

He only felt hot blood rushing down his body and gathering in a certain place.

"Don't mess around," His hoarse voice sounded sexy no matter how one heard it.

Lin Hanxing's long eyelashes fluttered as he licked his ear.

Feeling the man's body tense up even more, Lin Hanxing couldn't help but laugh.

"I'm just messing around. Tell me, did you miss me?"

Lin Hanxing's hands were pinching his cheeks. There was not much meat on his well-defined face, and his expression was a little funny because of her pinching.

Knock, knock, knock.

Someone knocked on the door, and soon, Anthony's face appeared.

"....."

"....."

"....."

Their eyes met, and no one spoke.

Anthony's heart skipped a beat, and his eyes inadvertently swept across the boss's lower body.

In the future, he would kill anyone who questioned his boss's Size!

"....."

He felt that he might die Here today.

"Boss, the snacks ..."

He brought over the snacks that Thunder valiant had ordered earlier. He had bought too much, so he had to hold them in each hand.

It looked very heavy.

Lei Xiao didn't say anything and just looked at him with a gloomy expression.

"....."

Anthony bit the bullet and placed the two large bags of snacks on the coffee table. He turned around and left without even daring to look back.

However, as she was about to reach the door, she seemed to have thought of something and turned around.

"Mr. Lei, miss han is here. She wants to see you."

This time, not only was Lei Xiao looking at him, even Lin Hanxing was looking at him.

His sphincter muscles tightened again.

"Miss han?" Lin Hanxing's tone rose slightly as he looked at Lei Xiao with a faint smile.

Lei min was expressionless and let her look.

“Anthony, please invite her in.”

Lin Hanxing did not even look at Anthony as he spoke in a flat tone.

Anthony subconsciously looked at Thunder valiant.

“I said, invite her in!”

It was as if Lin Hanxing had eyes on the back of his head. He raised his voice again, but this time, it was cold.

Thunder owl looked at Anthony and nodded.

The moment Anthony stepped out of the door, Lin Hanxing cupped his face with both hands and kissed him hard!

“You’re my man!”

Lin Hanxing said in a muffled voice, which made Lei Xiao’s heart soften.

“It’s mine!”
