

## Goodnight 731

Chapter 731: I'll quietly watch you act pitiful

In the Lin family's study.

Lin qianlin was on the phone with mother he to confirm her schedule for the next day.

With a bang, the door was pushed open from the outside.

Lin qianlin quickly covered the microphone, her face unsightly as she watched Luo Ruyin rush in from outside.

"Mom, we've been tricked!"

Luo Ruyin was chattering noisily. Lin youlin frowned and said a few words to mother he on the other end of the phone before hanging up.

"You're not as steady as a girl. Can't you see that I'm on the phone?"

Seeing her daughter, Lin youlin had a terrible headache.

If Luo Ruyin and Lin xiaojiu stood together, others would probably think that the one who had been lost for eighteen years was Luo Ruyin!

"Mom! How can you still be in the mood to call? Lin xiaojiu is lying to us!"

At the mention of Lin xiaojiu, Lin youlin's face turned ugly.

Luo Ruyin repeated to her mother the content of Su Ling 'er's phone call just now.

"Do you think she's hiding a lot of treasures behind our backs?"

"How much money did uncle leave for Lin xiaojiu?"

Luo Ruyin threw question after question at Lin youlin, who was very annoyed.

"Is what Su Ling 'er said true?"

"It's true! If you don't believe me, you can ask around at the antique Street. Such a big thing happened at Fu Ruixiang and everyone is talking about it!"

Luo Ruyin suddenly sat opposite his mother.

The more he thought about it, the more unwilling he was.

"Lin xiaojiu can't stay any longer."

Lin youlin's eyes were dark and her expression was obscure. Even the words that came out of her mouth were sinister.

Money was secondary. The most important thing was his second son, Luo Wensu.

She could not accept his feelings for Lin xiaojiu!

“Mom, I have an idea ...” He said.

Seeing Lin youlin like this, Luo Ruyin rolled her eyes and told her mother what she had thought of before.

After a long time, Lin youlin had a thoughtful expression ...

.....

Twenty minutes later.

Han mingmei took a deep breath as she stood at the door of the president’s office.

She had already changed her clothes and adjusted her expression to her best condition. Anthony, who did not look at her at all, was looking at this rich young lady with a look of self-prayer.

“Please come in, miss han.”

Anthony knocked on the door and opened it.

Han mingmei walked in, her high heels clacking against the floor.

She immediately saw Lei Xiao sitting in front of the table.

Han mingmei’s heart beat faster and her cheeks turned red. She had almost forgotten why she had come.

However, han mingmei soon noticed that something was wrong.

There were snacks scattered on the coffee table, and a lady’s bag on the sofa ...

It was showing the fact that there was another person here.

“Ah Xiao ...”

Han mingmei said as she searched the room with her eyes.

If she wasn’t so worried, han mingmei would have thought of Lin Hanxing when she saw the lady’s bag.

Lei Xiao raised his head and met han mingmei’s cold gaze.

The moment their eyes met, han mingmei did not know what to say.

Thinking about how Lin Hanxing had embarrassed her at Fu Ruixiang, her eyes turned red and she could not help but feel aggrieved.

“Ah Xiao, you don’t know ...”

Before her tears could fall, the door to the lounge was suddenly pushed open from the inside.

The faint fragrance of the bath liquid filled the air.

Lin Hanxing wiped his wet hair with a towel and walked out unhurriedly.

The fragrance was coming from her.

“.....”

Han mingmei looked at Lin Hanxing expressionlessly, feeling as if a fly was stuck in her throat.

Lin Hanxing glanced at han mingmei.

He quietly watched her act pitiful.

“Aren’t you going to say something?”

Lin Hanxing raised an eyebrow at Lei Xiao with a faint smile.

Chapter 732: There’s paper there

He only realized it later.

Han mingmei finally understood why Anthony had told her to come back in twenty minutes.

So it was because Lin Hanxing was taking a shower?

Lei Xiao heard Lin Hanxing’s voice and turned to look at han mingmei, as if he was really thinking about this question.

Han mingmei’s eyes were red and tears were on the verge of falling.

“There’s paper over there. Don’t let your tears fall on the documents.”

Lei min’s face was expressionless, his tone serious.

“.....”

Han mingmei’s face turned blank for a moment, and she just looked at Lei Xiao.

Lin Hanxing wiped his hair and pursed his lips to avoid looking at han mingmei’s face to prevent himself from laughing out loud.

Seeing that han mingmei was still staring at him, Lei Xiao assumed that she did not know where to draw the tissues.

He pointed to the side impatiently.

Han mingmei’s eyes followed the direction of his finger, and when she saw the tissue, her face turned green.

F \* cking tissue drawing God!

If not for the fact that Lei Xiao was still there, han mingmei would have torn the packet of tissues.

But before she could say anything, Lin Hanxing had already walked to Lei Xiao’s side.

She was wearing the black shirt that Lei Xiao had left in the closet in the lounge. It was too big for Lin Hanxing and looked loose on her.

The water from Lin Hanxing's hair dripped onto the table, as if on purpose.

Seeing this, han mingmei sneered in her heart.

Who in the circle didn't know that Lei Xiao loved cleanliness the most? she was waiting for the pampered and arrogant Lin Hanxing to be thrown out by Lei Xiao.

"....."

Just as han mingmei was thinking this, reality gave her a tight slap in the face in the next second.

Lei Xiao did not even look at the small pool of water on the table. He took the towel and helped Lin Hanxing dry his hair.

"....."

Han mingmei only felt that Lei Xiao had really changed!

His actions made her feel that he was treating Lin xiaojiu like his wife.

"Ah Xiao, this is the president's office of the Lei clan, not our home."

Han mingmei couldn't help but mock.

She even forgot about her grievances.

Lin Hanxing glanced at her indifferently. Her face, which had just taken a shower, was as beautiful as a peach.

Rice grains seeped through the White.

"Miss han, are you here to complain or to complain?"

However, with one look, han mingmei felt that she had been seen through by the woman in front of her.

Her father had asked her to make this trip.

Of course, it was also because she wanted to meet Lei Xiao.

Her father's original intention was for her to test if ah Xiao had heard about his relationship with Zhong Xueqing from Lin Hanxing. On the other hand, he wanted to help his daughter find an opportunity.

He didn't expect to see such a scene.

Lei Xiao didn't even look at her. He only helped Lin Hanxing dry his hair. His movements were gentle, as if he was taking care of a treasure.

Han mingmei's heart ached.

She had never seen such a gentle thunder valiant beast.

Even though she had pursued him for so long, she had never seen him.

In the past, other than the Lei family, Yan Bei, Xiao Liang, and yuran, Lei Xiao had always been distant from everyone.

It was cold and distant.

The way he treated his enemies was so cruel that it made people fear him, and the patience he had for those he valued was intoxicating.

Such complicated feelings made Lei Xiao seem as mysterious as he could be in the eyes of those in their circle.

She loved this sense of mystery.

Han mingmei turned a deaf ear to Lin Hanxing's question, but her gaze fell on the side of Lei Xiao's face.

The excuse that he had prepared was not used.

"Houzi and the others said that they wanted to hold a welcome party for me and asked me to call you."

She changed the topic and just looked at Lei Xiao, her eyes filled with unspeakable anticipation.

Thunder owl did not say anything.

"You'll come, right?"

Han mingmei did not even look at Lin Hanxing, she only stared at Lei Xiao.

Chapter 733: Different circles

At that moment, Lei Xiao's attention was completely focused on Lin Hanxing.

His large palm was wiping her long hair through the towel, and her small head shook wildly with his movements.

"Do you want to go play?"

Lei Xiao's deep voice rang out, and han mingmei's expression immediately changed.

Before Lin Hanxing could speak, she spoke first.

ah Xiao, our circle is different from miss Lin's. I'm afraid she won't be able to adapt!

Hearing this, Lin Hanxing did not get angry at han mingmei's words. Instead, he smiled.

Lei Xiao raised his head and looked at han mingmei.

His deep eyes were cold and his meaning was unclear.

"Ah Xiao, you'll come, right?"

Han mingmei summoned up her courage and asked again.

"Yes."

Han mingmei's eyes widened in joy, thinking that Lei Xiao had agreed.

"I'm not going."

In a second, heaven fell into hell.

"You won't even give me this little bit of face?"

Han mingmei could not believe it and just looked at Lei Xiao.

Not waiting for Lei Xiao to say something even more unpleasant, Lin Hanxing reached out and held his large palm down.

"Let's go."

Lin Hanxing's voice was neither warm nor cold.

Han mingmei understood the word 'we', so her expression became even uglier.

If he didn't agree, the Thunder valiant beast wouldn't show up. But if he agreed, the two of them would show up together!

No matter which one it was, it was a slap to her face.

The kind that would be beaten to death!

Regardless of han mingmei's reaction, Lei Xiao lowered his head and looked at Lin Hanxing.

Lin Hanxing raised his eyebrows and looked at him.

"Okay, I'll call ah Xiao then!"

Han mingmei gritted her teeth as she said this, as if she was afraid that Lei Xiao would go back on his words. She turned around and walked out of the CEO's office.

The door was slammed shut from the outside!

"Your heart aches?"

Lin Hanxing's big, dark eyes were revealed under the White, soft towel.

Thunder owl didn't say anything, but reached out and pinched her cheek.

He pulled it to the side.

"It hurts, it hurts, it hurts ..."

Lin Hanxing's eyes drooped, and her delicate features looked pitiful.

"Are you going to agree to it again next time?"

The Thunder valiant beast knew his limits and did not use much strength.

Lin Hanxing shook his head.

The soft towel slid down.

It covered more than half of her face, and her small, smooth nose was pointed.

“Ah Xiao ...”

Her voice was soft, like a sweet dumpling, making Lei Xiao’s heart also soften.

Lin Hanxing saw that he didn’t move, so he reached out and poked his belly button through his shirt, his eyes watery.

“Can you help me dry my hair?”

Jabbed.

He poked again.

He continued to poke.

When Lin Hanxing was about to make a move, he suddenly felt that something was wrong.

There was an obvious outline that was gradually forming in his suit pants!

It was getting bigger and bigger.

Lin Hanxing raised his head and looked at Lei Xiao, who had a dark expression.

Her long black eyelashes blinked and her face was full of innocence.

“It’s your own doing, do as you see fit.”

Thunder owl took a deep breath, his voice hoarse!

Lin Hanxing muttered to himself, then covered it with his small hand.

In Lei Xiao’s eyes, that small hand was as tender as a piece of white tofu.

“Student Xiao Xiao, how can you be so energetic all the time? You’re just like your father!”

Lin Hanxing squeezed that thing, and Lei Xiao was on fire!

“Don’t mess around,”

He could tell from her eyes that she was taking revenge on him for pinching her face a few times just now.

Lei Xiao picked her up from the table and walked towards the lounge.

Lin Hanxing’s hands were wrapped around his neck, and there was a soft towel on his head. His loose black shirt slid down and revealed half of his shoulder.

He placed his chin on Lei Xiao’s neck and in the next second, Lin Hanxing was placed on the sofa.

Without waiting for her to speak, Lei Xiao also sat beside her.

“Come here, I’ll help you dry your hair!”

Chapter 734: You’re not allowed to like anyone else other than me

Lin Hanxing obediently lay on his lap and let Lei Xiao dry her hair.

His movements were very rusty, but he was very serious.

“Next time, when I ask you if you miss me, remember to say that you miss me.”

Lin Hanxing could clearly feel Lei Xiao’s movements pause.

“Alright,” he said.

Even though he tried his best to hide it, Lin Hanxing could still hear the joy in his voice.

Lin Hanxing pursed his lips and smiled, his fingers flicking at the place that was still propped up.

The veins on Thunder valiant beast’s forehead throbbed.

“I hate it when people covet you.”

As he said that, Lin Hanxing turned around and laid on his back on Lei Xiao’s legs, looking at him.

His eyes were serious and bright.

Lei Xiao turned on the hairdryer in his hand.

His large palm caressed her long, soft hair, and he lowered his head to meet Lin Hanxing’s eyes.

“I don’t like her.”

Seeing that she was really unhappy, Lei Xiao said seriously.

Lin Hanxing blinked and snorted.

Then, she buried her face in his lower abdomen and reached out to hug his thin waist.

Her clean little face didn’t have any makeup on, and she looked like a little kitten, making one’s heart soften.

“It’s true.”

Lei Xiao lowered his body and stopped very close to Lin Hanxing’s small face.

His hot breath sprayed on her face.

“You’re not allowed to like anyone else other than me.”

Lin Hanxing’s eyes followed the slight movement of Lei Xiao’s thin lips, and she pursed her lips after she finished speaking.

The Thunder valiant beast was also looking at her.

In response to Lin Hanxing’s words, Lei Xiao gave her a light kiss between her eyebrows.

His lips were a little dry.

But more than that, he was gentle.

Lin Hanxing suddenly remembered what Lei Qian had said to him before they parted.

Yingluo, you are big brother's life.

Lin Hanxin reached out and caressed the side of Lei Xiao's face, her eyes as gentle as water.

Lei Xiao's thin lips traced along her eyebrows and the tip of her nose, the corners of his lips slightly raised.

"Alright," he said.

His little girl was always right.

Lin Hanxing bit his lower lip, a coquettish look that he had never shown in front of others appeared in his eyes.

She had a cold personality, but she was only presumptuous towards him.

Without waiting for Lin Hanxing to speak again, Lei Xiao had already covered her mouth, cutting off her words completely.

Lin Hanxing groaned and wrapped his arms around his neck.

It pulled him closer to her.

Hmm ...

"Are you sure you can still hold it in until the wedding?"

Lin Hanxing snuggled lazily in his arms, wondering if Yan Xiaoxiao would have a problem holding it in.

Lei Xiao's profound gaze swept over her.

"What if you had feelings for me in those years when you didn't meet me?"

Lin Hanxing was suddenly very curious about this question.

"I heard from Yan beiming that you're a clean freak and would never let anyone touch you. Besides ..."

She was still a Virgin.

Lin Hanxing didn't have the guts to say the last four words. Her intuition told her that the man was about to explode.

"Are you sure I won't touch you?"

Lei Xiao held her in his arms, letting that thing poke her, his strong arm stretching across her collarbone.

Lin Hanxing didn't say anything, he moved and rubbed against her.

"I've got you, so what?"

Lin Hanxing raised his chin slightly, looking proud and cute.

Especially the two dimples at the corner of her mouth.

“Hooligan.”

Lin Hanxing whispered in his ear, not noticing the curve on Lei Xiao’s cold lips.

His large palm was pressed against her back.

He only felt that she was so thin that it made his heart ache.

“By the way, I’ve already found a gift.”

Lin Hanxing did not notice that the man had already made a list of recipes in his heart and was just waiting to feed her.

This was all thanks to the Han father and daughter.

If it weren’t for them, Lin Hanxing would not have remembered that he had bought that painting a few years ago.

Chapter 735: This group of people who think they are smart

As he was speaking, the phone on the coffee table vibrated.

Lin Hanxing looked at Lei Xiao without moving, his long eyelashes blinking.

Lei Xiao handed her the phone.

He didn’t even look at the words displayed on the screen and gave them full respect.

On the other hand, Lin Hanxing sat up while leaning on him.

“Give me your hand,”

Thunder owl didn’t understand, but he still handed her his big palm in silence.

Lin Hanxing opened the settings on his phone and pressed Lei min’s thumb to add his fingerprint.

“I can share everything with you.”

Without even looking at Lei Xiao, Lin Hanxing said as he carefully entered his fingerprint.

Lei Xiao lowered his head to look at the side of her face that was covered by her slightly curly long hair, only revealing the tip of her small and delicate nose.

He reached out and tucked her long hair behind her ear.

“Me too,”

He was willing to give her everything he had.

Lin Hanxing’s movements paused, he raised his head and kissed Lei Xiao’s lips, his eyes seemed to be twinkling.

When she was done, she opened her WeChat.

After a simple glance, his lips curled into a cold smile.

“This bunch of self-righteous people will be played to death by themselves sooner or later.”

Lin Hanxing waved his phone at Lei Chen, his eyes full of sarcasm.

Thunder valiant took a look.

The mute uncle said, “Luo Ruyin was drugged by Lin Jiaojiao.”

The mute uncle said, “the Lin family is preparing for a banquet. Be careful.”

Even if Lin Hanxing didn’t return to the Lin family, the mute uncle would still send her useful information.

“The Lin family is hosting a banquet for me. Are you coming?”

Lin Hanxing tilted his head and smiled at Lei Xiao.

Since the preparations had begun, the time should be within a few days of the Jiangcheng sea bridge project bidding tomorrow.

The momentum she had built up before was enough.

Nowadays, there were many people in the famous families of Jiang city who were curious about her ...

At the banquet, as long as one received an invitation, they would definitely show up.

However, at such a public event, how could her dear aunt’s family not cause her trouble?

“I’m going. Mom will bring dad along.”

Lei Xiao pressed his forehead between her eyebrows, his deep voice magnetic and charming.

Now, in his mother’s eyes, Hanxing was even closer to him than her own daughter, and her status was even lower than his four brothers.

“That night is destined to not be peaceful.”

Lin Hanxing smiled.

At that time, it would be a mix of Dragons and snakes, a group of demons dancing.

“I’m here,”

“Yes, I have you.”

Lin Hanxing snuggled in Lei Xiao’s arms and chuckled.

She would slowly make him feel safe again.

the first one is Luo Mingwei, and the second one ...

Lin Hanxing played with Lei Xiao's slender fingers. The smile on his face did not reach the bottom of his eyes, and there was even a trace of coldness in his eyes.

"Who should it be?"

.....

Special Assistant Anthony raised his head and saw the sneaky Yan beiming.

"Is ah Xiao in a good mood today?"

In order to get first-hand news, she smiled at him.

Anthony was silent for a moment.

"President Yan, your laughter is making me want to puke."

"....."

As expected, the kind of master would have the kind of subordinates. Anthony's godly mouth was exactly the same as Thunder owl's.

He had summoned up his courage to look for ah Xiao today, to ask him about the welcome dinner he had given han mingmei.

Just as he was about to say something, his phone rang.

He looked at the caller ID and saw that it was monkey, who he usually played with.

After picking up the phone, Yan Beichen's eyes lit up.

F \* ck, he hadn't even said anything and ah Xiao had already agreed?

Even after he hung up the phone, Yan Beichen still felt that the ground beneath his feet was light.

Anthony, on the other hand, rolled his eyes.

"The lady boss is inside."

It was a disguised answer to Yan beiming's previous question.

Whether Lei Xiao was in a good mood or not depended on Lin Hanxing's presence.

Chapter 736: The cold dog food was spread randomly

Yan beiming did Michael Jackson's spacewalk all the way and knocked on the door of the president's office.

As soon as she entered, she saw Lin Hanxing sitting lazily on the sofa.

She was eating lollipops while playing games.

Lei Xiao's shirt, which he had casually put on after his shower, was replaced by a white loose cashmere turtleneck and blue Korean-style Pencil Pants.

Her slightly curly and fluffy long hair was casually let down.

No matter how he looked at it, it looked like the tsundere, grape-colored short-legged cat from the Lei family.

"I was wondering why the air was so fresh today. It turns out that our little Hanxing is here."

Yan beixiao sat down beside Lin Hanxing obediently.

"Do you want me to massage your legs?"

Lin Hanxing raised his head and looked at him as if he was looking at a 1.8-meter tall retard.

Lei Xiao lifted his head from the documents in his hands and looked at Yan Beichen coldly.

If looks could kill, he would have been dismembered into pieces.

"If you have something to say, then say it. If not, then scram."

Lei Xiao's gloomy tone was already tinged with impatience.

"Little Hanxing, he told me to get lost."

Yan beiming looked at Lin Hanxing pitifully, his face full of sincerity and grievance.

"Hehe."

Lin Hanxing's mocking chuckled in response.

you used to call me little Tian Tian, and now you're calling me Madam Niu. You two are heartless!

Seeing that he was about to whine again, Lin Hanxing kicked Yan Beichen off the sofa without a second word.

She did not know what Yan Beichen had in his suit pocket, but it made a crisp sound.

you're so happy to know that ah Xiao is going to hold a welcome party for han mingmei? "

Lin Hanxing rubbed his chin and smiled at Yan Beichen.

The smile that should have been as warm as the spring breeze made Yan beixiao feel a chill from the bottom of his feet.

no, no, no, I'm here to help you, little Hanxing. How could ah Xiao agree to this? "

Yan beiming stood firmly on Lin Hanxing's side.

"I made him agree to it!"

Lin Hanxing continued to speak with a smile, the dimples at the corner of his mouth were faintly visible.

"You made him agree to it?"

Yan beixiao's eyes widened in shock. Little Hanxing did not know that han mingmei had been coveting ah Xiao for a long time!

"Because I'll be there too!"

As she spoke, a faint sweet fragrance overflowed from her mouth.

Oh ...

This made sense.

But why did he feel like he was being showered with cold dog food?

"What do you have in your pocket?"

Lin Hanxing glanced into his suit pocket. He had heard the commotion when he fell down.

"Right, this is official business."

Yan Beichen's cheeky expression disappeared, and his handsome face immediately became serious.

Soon, he took out something from his pocket and placed it on the coffee table.

They were two bars of gold.

Lei Xiao stood up and walked over to Lin Hanxing's side.

someone went to the black market pawnshop to pawn this thing. When Liang yuran sent the picture, I thought there was a thief in my house.

After all, little Hanxing was so generous, and mother Lei had already posted a photo in the family group chat.

Yan beiming clearly remembered the special mark on each gold bar.

So, as soon as Liang yuran's photo was sent, he immediately called Mama Lei.

He didn't expect the answer to be negative.

Fortunately, Liang yuran had also sent people to follow that person and got some clues.

"Wouldn't it be too tacky to give you gold?"

Suddenly, Lin Hanxing raised his head and looked at Lei Xiao, his tone a little hesitant.

"....."

Yan beixiao was a little confused. Was this the time to discuss whether it was vulgar or not?

it's quite practical. It's just that dad thought the Lei Corporation was about to go bankrupt, and his heart ached for me for a long time.

"....."

Lin Hanxing pursed his lips to stop himself from laughing.

“Can you guys just ignore me?”

Yan beixiao wanted to give himself a sense of presence at the right time!

Chapter 737: Within her calculations

“Liang yuran must’ve sent people to follow us.”

Lin Hanxing’s reply was a statement and not a question, and he responded to Yan beixiao as he wished.

yes, I followed them. Can you guess where they went? ”

Yan beiming’s face was full of excitement as he deliberately kept them in suspense, to take revenge for the two of them neglecting him earlier!

Lin Hanxing gave a two-word answer with a half-smile.

“The Lin family.”

“.....”

Yan beixiao squatted on the ground and looked at her with a happy face.

“Get up,” he said.

Lei Xiao lifted his leg and kicked Yan beiming’s butt.

“I’ve suffered a blow! Little Hanxing, how do you know everything!”

Yan beixiao felt that with little Hanxing around, he would not be able to use his intelligence.

“Nonsense, only ah Xiao and I have this thing.”

The Lei family’s security couldn’t have been a problem. The problem was, of course, her.

There was no need to guess!

“Liang yuran’s men followed us to the back door of the Lin family.”

Lei Xiao’s eagle-like eyes suddenly narrowed, looking extremely dangerous.

“Little Hanxing, what kind of life have you been living in the Lin family?”

Thinking about how his sister had been wronged, Yan beiming could not take it anymore.

Lin Hanxing’s lips twitched as he weighed the two gold bars.

His fingers brushed across the color that symbolized wealth.

“But that’s not right ...”

Yan beixiao simply sat on the ground with his long legs crossed, letting loose.

“Our little Hanxing won’t lose out no matter what he eats.”

From the time she met Lin Hanxing until now, she had always been the one scheming against others. Who could have taken advantage of her for nothing?

Something was wrong.

“How much did you sell in total?”

Lin Hanxing chuckled. She could feel the coldness from Lei Xiao’s body. She raised her head and shook his hand.

“At least a dozen,”

“You’re so timid.”

Lin Hanxing clicked his tongue. From his tone, he obviously knew who did it.

She thought that she would steal the entire box.

Yan beixiao’s eyes widened. You think you’re a coward after stealing a dozen?

Wouldn’t he be able to ascend to the heavens if he was a little braver?

However, this was clearly within her calculations.

“Let me make a call. I won’t be going back to the Lin family tonight.”

As soon as Lin Hanxing finished speaking, Lei Xiao’s eyes lit up.

Did he have to be so obvious?

Yan beiming could not help but curse in his heart.

He could look but not eat, so he was not afraid of suffocating.

Without waiting for Lin Hanxing to look for his phone, Lei Xiao had already handed it to her.

“.....”

Lin Hanxing held back his laughter and dialed the mute uncle’s number.

The call was picked up quickly.

“Mute uncle,”

Lin Hanxing motioned for Lei Xiao and Yan beiming to be quiet.

There was a knock on the receiver, which meant that the mute uncle had heard it.

“Do you know what kind of drug he used?”

Lin Hanxing’s cold voice had the authority of a superior, and his lazy posture had a hint of coldness.

Once meant he knew, twice meant he didn’t.

Very quickly, the mute uncle replied.

“Adjust the dosage.”

Lin Jiaojiao wanted to do it step by step ...

It would be better for her to push the boat along with the current and help her speed up.

The mute uncle replied again.

“Also, the gold bars in my room have been touched. This matter ...”

“Mute uncle, you know who you should tell.”

Lin Hanxing smiled coldly and hung up the phone.

However, she was still fiddling with her phone in her hand.

The conversation completely omitted the names, so Yan beixiao was confused. However, there was one thing he was especially clear about.

That was little Hanxing scheming against people again!

As for who he was plotting against ...

Yan beiming could not help but shiver. He did not know who was the unlucky one in the Lin family this time to be chosen by little Hanxing.

Tsk tsk.

I’m really looking forward to it!

.....

In the Lin family’s old lady Luo’s room.

Shen Shu ‘er was counting the money without any restraint.

Chapter 738: Greed is a road of no return

Old Madam Luo’s eyes were as big as copper bells.

He stared at the money in Shen Shu ‘er’s hands.

There were at least tens of thousands of Yuan!

She made an ambiguous sound, but Shen Shu ‘er did not even look at her. She just happily kissed the money.

“Madam ...”

The nanny smiled in an attempt to please him.

As if the way she addressed Shen Shu ‘er pleased her, she took out a few thousand and handed it to the nanny who was handling the gold bars.

The nanny's face instantly bloomed into a smile.

"Give me my son. You can leave."

Shen Shu 'er seemed to want to imitate Lin Hanxing's style, but in the eyes of others, she was really out of place.

However, the nanny did not care about that. She handed the child to her and left with a smile.

"Son, we have money!"

Shen Shu 'er hugged the baby tightly in her arms and kissed him a few times. She then stuffed the money into her son's swaddling clothes.

Old lady Luo screamed as if she was trying to get her attention.

"What are you looking at?"

Shen Shu 'er looked at old lady Luo coldly. God knows how much anger she had to hold in while she was taking care of her!

Lin youlin didn't hire a caretaker and left all the dirty and tiring work to her!

In just a few days, her hands had become unsightly.

Not to mention the smell on her body, Luo Minghao didn't even want to touch her!

An unprecedented sense of crisis made Shen Shu 'er hate Lin youlin to death.

if you didn't go and cause trouble for Lin xiaojiu, my identity wouldn't be so unclear now!

The second person Shen Shu 'er hated was old Madam Luo!

Back then, she was the one who had asked him to cause trouble for Lin xiaojiu. Not only had he lost so much face, but he had also lost all the glory and wealth that he had received.

"But luckily, I still have my son and money!"

Perhaps it was because she had been suppressing her emotions for too long, Shen Shu 'er used the money to slap the old lady's face.

The next second, there was a bang and the door was pushed open from the outside.

"Shen Shu 'er, what are you doing?"

Luo Ruyin's sharp voice startled Shen Shu 'er!

He wanted to hide the money.

Lin Jiaojiao closed the door from the inside.

She hid the note that had appeared in her room in her pocket.

"You dare to bully my grandma!"

Luo Ruyin didn't say a word and went up to give Shen Shu 'er two tight slaps. It hurt just by listening to them.

The baby's cries seemed to break through the clouds!

"Shut up! You little bastard!"

Luo Ruyin only felt her nerves throbbing, not noticing the coldness that flashed through Lin Jiaojiao's eyes.

Shen Shu 'er was caught off guard and the money in her hands was snatched away by Luo Ruyin.

"Money, my money!"

"Your money? That's the money you got from selling Lin xiaojiu's gold bars! Do you think I won't give Lin xiaojiu a call right now?"

When Shen Shu 'er heard this, she shuddered.

Lin Hanxing's cold eyes suddenly appeared in his mind, and he was so scared that he did not dare to move.

Luo Ruyin sneered and snatched the swaddling clothes of the baby!

"This money is mine now! Do you have any objections?"

Luo Ruyin waved the money in her hand, making a rustling sound.

Shen Shu 'er did not dare to voice her anger.

"You're just a servant in my house. Remember your status!"

Luo Ruyin sneered and pushed old Madam Luo out of the door.

"Also ..."

Just as she was about to reach the door, Luo Ruyin stopped and turned to look at the woman who was still kneeling there.

"If that little bastard continues to cry, I'll strangle him to death!"

His voice was full of arrogance and willfulness, and those who heard it couldn't help but feel fear.

The footsteps were getting further and further away.

Lin Jiaojiao walked at the back and couldn't help but turn around to look at Shen Shu 'er.

He took in all the twisted hatred in the woman's eyes that she didn't have time to hide.

Hehe, greedy ...

But it was a road of no return!

Chapter 739: He's really busy

After ten consecutive wins, Lin Hanxing threw his phone aside and stretched.

It revealed her thin, snow-white waist and her small belly button.

With one hand supporting his cheek, he looked at Lei Xiao.

He was really busy.

In the afternoon, he had two conference calls and one video conference.

In addition, there was also the urgent matter at the factory in Europe.

The Thunder valiant beast didn't even have the time to take a sip of water.

Lin Hanxing blinked at him.

As the sun set, the orange glow seemed to plate him with a layer of light and shadow.

Once he entered that serious atmosphere, Lei Xiao's entire aura changed.

His handsome features were sharp and deep, and his black shirt showed his coldness to the bone, giving him an indescribable sense of enchantment.

Time passed by.

The sky outside the floor-to-ceiling window darkened.

His phone vibrated.

Mama Lei: " my daughter-in-law, little Yanzi said that you're coming home tonight. I really want to give you a kiss. jpg

Lin Hanxing replied with a cute emoji.

Mama Lei: " on the way back, help me get the facial mask I ordered. the old fairy is shooting you the light of love. jpg

[ Xing Xiaoxing: I promise to complete the mission! ]

Soon, Mama Lei sent her the location of the shop.

"Ah Xiao, when will you be done?"

Lin Hanxing held his phone and looked up at the desk. He had just eaten a sweet and there was a faint sweetness in his mouth.

Lei Xiao glanced at the computer and realized that half an hour had passed since the end of work.

"I'm sorry."

Putting down the pen in his hand, Lei Xiao reached out and rubbed the space between his eyebrows.

Unknowingly, he had made an old mistake.

Lin Hanxing peeled a piece of chocolate and threw it into his mouth. He quickly walked up to Lei Xiao, grabbed his tie, and kissed him.

“Sweet?”

The chocolate was pushed into Lei Xiao’s mouth by her tongue.

A kind of rich sweet fragrance spread on his taste buds. Lei Xiao was stunned at first, then replied with a sweet.

“I forgive you.”

Who asked her to fall in love with a workaholic? what else could she do other than forgive him?

“Madam Lei asked us to get her some facial masks before we go back.”

Lin Hanxing said as she untied her hair, which was tied into a bun. In an instant, her soft hair fell down like a waterfall.

Lei Xiao leaned back in the president’s chair and looked at her with a gentle gaze.

Once he was released from his working state, fatigue came like a tide.

Lin Hanxing turned around and met his eyes.

“Are you tired?”

Lin Hanxing reached out to stroke the hair on Lei Xiao’s forehead. In the next second, the man held her hand and brought it to his lips to kiss her.

He shook his head.

“In front of me, there’s no need to try to disguise yourself.”

Lin Hanxing’s smile was as warm as the sun, making Lei Xiao’s heart burn.

“Yes, I’m tired.”

He changed his words.

Ever since he had sat in this hot-handed position after graduation, he had been in a tense state all the time.

After all these years, he had long gotten used to it.

“I’ve called the driver to pick me up,”

Lin Hanxing tilted his head and looked at the tired man.

“Give me a smile.”

She stretched out two fingers and lifted the corner of his thin lips.

“Don’t mess around,”

“Our ah Xiao is so handsome.”

Lin Hanxing complimented him like he was coaxing a child.

The Thunder valiant beast chuckled, and traces of tears appeared at the corner of his eyes. He no longer looked so dejected.

“I wanted to get off work earlier.”

This was what the Thunder valiant beast was annoyed about.

He especially cherished every minute and second he spent with her and didn’t want to waste it.

“It’s okay, I’ll wait for you.”

Lin Hanxing leaned forward and kissed his nose lightly like a little woodpecker.

She was willing to wait however long it took.

Just like how he was patiently waiting for her.

Dr. Zhong had mentioned to her parents before that he hoped that her elder brother would carry out drug intervention treatment again, but her parents had rejected him.

Lei min’s words rang in his ears again.

Her ah Xiao didn’t need any drug intervention.

Chapter 740: Come, I’ll lend you my shoulder to lean on

When Lin Hanxing and Lei Xiao alighted, the driver was already waiting for them.

“Mr. Ray, miss Lin.”

After bowing to the two of them, the driver respectfully opened the back door.

At this time, the lights were just lit.

Lin Hanxing blinked as he looked at the passing streets through the hazy car window. He felt a slight movement on his shoulder.

Perhaps it was too warm in the car, Lei Xiao was a little drowsy.

Lin Hanxing turned to look at him, his heart softening.

“Come, I’ll let you lean on my shoulder.”

Lin Hanxing said softly.

He reached out and pulled the Thunder valiant beast’s head closer to his shoulder, allowing him to bury his face in his neck.

The chauffeur was Madam Chen's husband. He had worked for the Lei family for decades and knew what to do.

His eyes were fixed on the front windshield.

"Can you please drive slower?"

Lin Hanxing said softly. She wanted him to rest a little more.

Thunder owl's hand swept across her neck, and the coldness in his eyes was replaced by exhaustion.

"In the past, no matter how tired eldest young master was, he would always be on guard."

The driver's voice was very soft, as if he was afraid of waking Lei Xiao up.

Even when the other three young masters, master, and Madam were around, they did not change this habit.

Young master Jun was the first to discover many of the crises.

"He's too tired."

Lin Hanxing's hand gently stroked Lei Xiao's hair, which had been combed back, and there was an indescribable gentleness in his eyes.

From her angle, Lei Xiao's thin lips were tightly pursed into a line even in his sleep.

Her fingers gently caressed his lips.

yes, it's been too hard on the young master all these years.

His wife had told him that he would often see his eldest young master busy with work in the middle of the night.

It was as if he would never be able to finish.

She didn't even have a day off for the whole year.

The machine could still be returned to the factory for maintenance, but the Thunder valiant beast was working non-stop.

The two of them didn't speak again, and the carriage returned to silence.

Only the broadcast in the car was still on.

The timely broadcast showed the few sections of the road that were in traffic.

But what did that have to do with her?

Lin Hanxing pressed his face against Lei min's forehead. He was more important than all of this.

"Miss Lin, we're here."

No matter how slow they drove, they would soon arrive at their destination.

Lin Hanxing put a hand to his lips and shushed him. The driver turned around and did not say anything.

Time passed by.

An unknown amount of time passed ...

The Thunder valiant beast moved and woke up.

First, her eyelashes trembled, and then her eyes, which usually carried a deep and cold look, were filled with sleepiness.

But very quickly, he returned to his usual strong image.

“Fortunately, I can still make it back before dinner.”

Lin Hanxing pretended to look at the watch on his wrist and spoke in a coy tone.

Lin Hanxing extended his hand to him.

Her slender white fingers looked especially beautiful in the dark carriage. Even her fingernails, which looked like jasmine petals, were shining.

Lei Xiao looked at her, his eyes were filled with a rare child-like apology.

“Let’s go, Mama Lei and Papa Lei are still waiting for us.”

He then covered his head with his hand and rubbed his hair like how the Thunder valiant beast usually did.

It was hard to the touch and a little prickly.

The driver saw this scene through the rearview mirror, and a smile appeared on his face.

He had been driving in the Lei family for decades and had watched the four young masters grow up. He had never seen the strong and cold master let others bully him like a child who had done something wrong, and he was so willing to do so.

After all, in the past, the eldest young master only needed to look at them, and it was enough to shock everyone.

But this was good too.

This kind of young master was more humane than before.

“If you really feel bad, you can carry the things later.”

Lin Hanxing chuckled.

Thunder valiant nodded gently.
