

Goodnight 741

Chapter 741: People are divided into groups

As soon as the two got out of the car, the CEO of the North Europe branch called.

Lei Xiao looked at Lin Hanxing apologetically. He had to answer this call.

"I'll go get it, I'll be back soon."

Lin Hanxing didn't mind and turned to enter the mall.

As she neared the counter where Mama Lei had sent her the location, she saw a few familiar faces.

Lu Yu, Zhong Xueqing, and mother he.

Enemies are bound to meet on a narrow road.

It was obvious that the other party had also seen her, and his gaze was unfriendly.

Lin Hanxing chuckled in his heart.

Ah Xiao was still waiting outside. As long as they didn't come looking for trouble, she couldn't be bothered to deal with them.

"Excuse me, I'm here to pick up the facial mask that Madam Lei ordered."

Lin Hanxing said to the girl.

The three of them stood there, their eyes fixed on Lin Hanxing. The atmosphere was strange.

Among them, Lu yuzhi's eyes were filled with the most hatred.

Only God knew how painful it was for her to spit out all the food she had eaten for so many years.

After the transfer, her account balance was reduced by one-third!

She was used to fishing for benefits from Bing de to support her family. Now that this money was cut off, where was she going to make up for it?

The source of all this was the woman in front of him being a busybody!

With a smile on her face, the shopkeeper quickly returned with the items.

However, before he could hand it to Lin Hanxing, a pair of hands grabbed it from the air.

"Our Lu family's products aren't sold by just any random person!"

Lu yuzhi said in a strange tone. Zhong Xueqing, on the other hand, lowered her head and looked at the mask.

When he heard the words 'Madam Lei', his expression changed.

Lin Hanxing glanced at the counter and saw the of the Lu Corporation.

It was only then that she remembered that this brand was indeed one of the top cosmetics brands under the Lu Corporation.

Lu yuzhi would be in charge.

In recent years, it had been selling well thanks to the celebrity effect and brainwashing advertisements.

"I think this mask is good. It's suitable for Xueqing."

Mother he interjected at the right time.

Zhong Xueqing laughed. She still had a pile of them at home and she didn't want to buy any.

However, when he heard that it was ordered by 'Madam Lei'. ..

Zhong Xueqing's eyes flickered, and she suddenly changed her mind.

"Get another set."

Lin Hanxing didn't even look at the three people who were echoing each other, he looked at the shopkeeper coldly.

The other party was just about to speak, but changed his words when he saw Lu yuzhi's look.

"I'm sorry, I only have this set."

The atmosphere suddenly became strange.

"It's not that I want to criticize you, Xueqing, but if it wasn't for your kindness back then, it's hard to say who would still be the madam Lei now."

Lu yuzhi's voice was neither loud nor soft, and it quickly attracted the attention of other customers.

On the other hand, mother he's expression changed when she heard this.

The image of that day in the tea restaurant immediately appeared in his mind, and his body's hair instinctively stood up.

She still remembered how badly Zhong Yifu had been tortured!

Don't think that Lin xiaojiu is so friendly with you, but she can change her attitude without even a second.

Lin Hanxing raised his head and looked at Lu yuzhi.

With just one glance, one could not help but feel a chill down their spine.

"Madam Lu."

Suddenly, Lin Hanxing smiled and looked at Lu yuzhi.

"Do you know what happened to the last person who said that?"

The crystal Light from the counter shone on her face, gentle and eye-catching. For a moment, she was stunned.

Lin Hanxing was smiling, but his eyes were filled with coldness.

His gaze passed over Lu yuzhi's shoulder, then slowly over mother he's face, thought-provoking.

"How ... How is it?"

Lu yuzhi stammered.

"You can ask her."

Chapter 742: Don't be ungrateful when I give you face

Lin Hanxing pointed at mother he with her fair fingers.

Lu yuzhi looked in the direction she was pointing. Mother he's face was dark, and it was obvious that she was hiding something.

She muttered in her heart.

"Miss Lin, it's just a face mask. You don't have to go to such great lengths, do you?"

Zhong Xueqing spoke softly. With Lu yuzhi and mother he as her background, she appeared innocent and gentle.

The flirtatious look at the corner of her eyes and the tip of her brows made one's heart ripple.

Lin Hanxing glanced at her.

"If I call Nan Yin, I believe she won't be stingy."

Zhong Xueqing acted as if she was going to take out her phone in front of Lin Hanxing.

With that handle, even a big project like the Jiangcheng Bay Bridge could be abandoned, let alone this.

To be honest, a few boxes of facial masks were nothing to her.

But she wanted to use this opportunity to suppress Lin xiaojiu's prestige!

He was about to dial Zhong Nanyin's number when he heard Lin Hanxing sneer.

His hands stopped moving.

He looked up in confusion.

What was she laughing at?

Lin Hanxing laughed as he sat on the high chair in front of the counter.

Her posture was so skillful and elegant that many customers around her were stunned.

"Mrs. Zhong, have you heard of fortune-telling?"

Lin Hanxing reached out and fiddled with the lipstick on the makeup rack. Her slender fingers were smooth and beautiful.

Zhong Xueqing furrowed her brows slightly, not knowing why she had suddenly brought this up.

“Lin, don’t try to be mysterious! We won’t fall for your tricks!”

Lu yuzhi sneered.

Lin Hanxing did not even look at her.

“This life, ah, the more I calculate, the thinner it gets.”

it’s the same reason as threatening people. It’s fine if it’s used once or twice, but if it’s used too often, it’ll be embarrassing if the person is forced to fight to the death.

She casually picked a pumpkin-colored lipstick and slowly applied it in front of the mirror.

Zhong Xueqing’s hand froze.

Feng Qing’s eyes narrowed.

Why did she sound like she knew something?

Did he really know, or was he just trying to trick her?

Lin Hanxing pursed his lips to make the color of the lipstick more fitting. His index finger gently pushed the edge of the lip, his actions full of femininity.

besides, Ms. Zhong wouldn’t really naively think that ...

Lin Hanxing’s long, black, feather-like eyes blinked innocently as he turned to look at her.

“Even if you make this call, I’ll just let it go, right?”

Lin Hanxing smiled, but the smile did not reach his eyes.

He closed the lid on the trial lipstick and put it back on the box Rack. To Lu yuzhi and the others, his words were extremely arrogant, but being stared at by such a gaze made it difficult for them to breathe for a moment.

“If you still don’t understand after all this ...”

Lin Hanxing cupped his cheek with one hand, his long eyelashes drooping.

“Then I’ll just change to da Bai’s language.”

“Don’t be so ungrateful.”

The lazy voice was accompanied by a storm that was gradually forming, as if it was going to swallow people in the next second!

“You ...”

Lu yuzhi was the first to explode in anger.

“What about me?”

Lin Hanxing sneered and asked in a low voice.

In a corner where no one could see, Zhong Xueqing's eyes were extremely dark. Even the facial mask Box in her hand had been deformed by the strong pressure.

yuzhi, forget it. It's just a face mask. I'll let my sister have it.

Suddenly, Zhong Xueqing opened her mouth and spoke.

no, I can still make decisions for our Lu family's business. This little B * tch can forget about taking anything away from here.

When Lu yuzhi heard Zhong Xueqing's words, he felt even more embarrassed.

The new and old grudges added together made him even angrier.

"Who are you scolding?"

Behind him, a deep and dangerous voice sounded.

Chapter 743: The arrival of Thunder Yama

The passers-by all turned to look at the owner of the cold voice.

With just one glance, she was attracted by that cold and outstanding face!

His suit jacket was left in the car, and the simple black shirt accentuated his perfect inverted triangle figure.

There was a Fatal Attraction to women that spread from the bones.

At this moment, his eagle-like sharp black eyes swept over the three people who had their backs to him, not letting a single one of them go.

Han Xing said she would be back soon, but she still hadn't returned even after the call was over.

He didn't expect to see this scene when he came in.

"Hehe, you're ..."

Lu yuzhi's anger rose, and he turned around to berate her.

However, when he saw the other party's face clearly, he sucked in a cold breath.

It was the Thunder valiant beast!

He was the one whom old master Lu had repeatedly warned not to offend in Jiangcheng!

Mother he stepped aside, trying to keep her presence as low as possible.

She knew that nothing good would happen if she met Lin xiaojiu.

On the other hand, perhaps because Zhong Xueqing had a hold on her, she did not appear to be panicking.

As for the reality ...

For a moment, no one spoke.

Lei Xiao walked towards Lin Hanxing, the soles of his black leather shoes strong.

On his handsome, expressionless face, a murderous look was looming between his cold brows. That was the strength of a superior.

Lin Hanxing was still sitting on the high chair.

With the appearance of the Thunder valiant beast, the coldness in his eyes gradually melted.

She had wanted to use her own methods, but since Lei Xiao was here, she might as well let him deal with it.

After all, the first step to building a sense of security was to need and be needed.

“You’re here.”

Lin Hanxing’s eyes were illuminated by the special lighting effect of the counter, as if there were thousands of stars shining at the same time.

Everyone was intimidated by the cold aura exuding from Lei Xiao’s body.

Only Lin Hanxing was different.

“Where’s the thing?”

Lei Xiao’s eyes swept across the counter, and when he noticed the Lu corporation’s, he remained silent.

Lin Hanxing looked at Zhong Xueqing.

Lei Xiao followed her line of sight, and his eyes fell on the box of facial masks in her hands.

Even if he was not looking at her directly, Zhong Xueqing was still frightened by his gaze.

He did not expect Lin Hanxing to not come alone!

The Thunder valiant beast was waiting outside!

“It’s dirty, I don’t want it anymore.”

Thunder owl’s deep voice and cold eyes made no one raise any objections.

At that moment, Zhong Xueqing felt as if she had been slapped in public.

How dare he!

“Mr. Lei, isn’t it a little too much to talk about your own aunt like this for this little B * tch?”

Lu yuzhi couldn't bear to see Lin Hanxing flaunting his prowess in front of him, so he gritted his teeth and said, "

The Thunder valiant beast's gaze fell on Lu yuzhi's face.

His eyes were as sharp as an Eagle's, and anyone who looked at them would feel their hearts stop.

"If you have the guts, repeat what you just said."

His voice was filled with ruthlessness and uncertainty.

Only a fool would really repeat it without any regard for his life. Not only was Lu yuzhi not a fool, but he also didn't have the guts.

Lei Xiao turned sideways and made a phone call.

Soon, a senior executive on duty in the mall rushed out of the elevator.

"Mr ... Mr. Ray ..."

The higher-up bowed respectfully, and the people behind him did the same.

For a moment, they all bowed in unison.

The Thunder valiant beast didn't even lift its eyes.

"Go and check how many Lu cosmetics counters there are in the Lei corporation's Mall."

His thin lips parted slightly as he issued a terrifying order.

Lu yuzhi was confused at first, not understanding why Lei Xiao was looking into this. However, Zhong Xueqing and mother he had a rough idea.

Very quickly, the senior management of the shopping mall gave an answer.

Mr. Lei, the Lei Corporation has close to 300 Lu Corporation cosmetics counters in the mall.

"From now on, all the cabinets are removed."

Chapter 744: It was a bolt from the blue for her

"You can't do this!"

Hearing this, Lu yuzhi's face instantly turned pale.

Only God knew that the Lu corporation's cosmetics line that she was in charge of was the most profitable business under her name!

Lei Xiao's actions were tantamount to cutting off her road to wealth!

What's more, over the years, she had offended many colleagues in the circle because of her character. With so many stores in the country being withdrawn at the same time, if someone with ill intentions fanned the flames at this time, it would be a disaster for the brand.

Thunder owl looked at her.

His sharp and deep eyes seemed to be soaked in a cold pool, making one's heart jump.

"We signed the agreement in black and white. The Lei clan is considered to have broken the contract and will have to pay compensation!"

Lu yuzhi began to panic.

This was like a bolt from the blue to her.

If she lost the cosmetic industry, it would be like cutting off her left and right arms!

Lu yuzhi looked at the stern, handsome face that seemed to be carved out of marble, and felt that he was even more terrifying than a demon.

Hearing this, the fierceness between Lei Xiao's sharp brows was replaced by mockery.

"Talk about money with the Lei family, huh?"

If anyone else said this, they would be suspected of being pretentious.

However, only the Lei family had the strength and confidence to say such words!

"Lei Xiao, it's just a small conflict, you can't bear to see her suffer?"

Zhong Xueqing also found it unbelievable.

Although the Lei family was rich, with so many stores in the country being removed at the same time, the compensation for breach of contract was not a small amount!

But Thunder valiant beast did.

He really couldn't let Lin xiaojiu suffer even a little!

At that moment, Zhong Xueqing's mind was filled with thoughts of Lei kangnian.

He also held Zhong Nanyin in high regard.

Why?

Why did they have such good luck?

"Wronged?"

His Hawk-like black eyes were filled with coldness!

It was only now that the crowd finally realized that the man in front of them was the president of the Lei Corporation!

He was the famous young master Lei!

"I'm risking my life to protect her. Why should she be wronged by trash like you?"

As if water had been poured into a pot of oil, the young girls were all boiling.

With such an explosive boyfriend power, it was simply ...

He was so manly!

“You guys!!!”

Zhong Xueqing’s heart and lungs burned with anger at those words.

Not long ago, Lei kangnian had also said something similar to him.

Lin Hanxing raised her head to look at him, but when Lei Xiao saw someone taking out a mobile phone to take pictures, he protected Lin Hanxing in his arms.

She didn’t want anyone to take a picture of her face.

The Senior Manager took off a hat from the mannequin’s head and handed it to the president.

Lin Hanxing took it and put it on.

He lowered the brim of his hat.

“I think you’re crazy!”

Zhong Xueqing looked at the two people in front of her, as if she was looking at Lei kangnian and Zhong Nanyin through them.

The jealousy that had been suppressed in her heart all these years spread out at an inappropriate time.

“Lei Xiao, do you believe that I’ll take your ...”

“Mrs. Zhong,”

Before Zhong Xueqing could finish her sentence, Lin Hanxing’s cold voice rang out.

we’re talking business. As a businessman, the first thing you need to consider is how to maximize your benefits.

No one could see how cold those eyes under the brim of the hat were.

Lin Hanxing said as he walked towards Zhong Xueqing.

“Are you sure you want to ruin the only bargaining chip in your hand because of a moment of anger?”

The faint voice carried obvious mockery and sarcasm.

Tomorrow was the day of the Jiangcheng sea bridge project tender.

At such an important moment, unless Zhong Xueqing’s brain was damaged, she would not stake it all on one throw.

Very quickly, Lin Hanxing stood in front of Zhong Xueqing.

Chapter 745: Treat it as interest

Zhong Xueqing's eyes were filled with gloominess, and her forehead throbbed.

The word "ugly" was no longer enough to describe her expression.

She couldn't see the top half of Lin Hanxing's face clearly, but the smile on his lips made her feel frightened.

Now, Zhong Xueqing had no doubts.

Lin Hanxing must have known.

Could it be that the Lei family had already accepted her? Zhong Nanyin even told her about this?

Would Lin Hanxing not mind Lei Xiao? Disgusting Thunder valiant beast?

At that moment, Zhong Xueqing's heart was filled with mixed feelings as she stared at Lin Hanxing.

Suddenly, Lin Hanxing took the mask back from Zhong Xueqing's hand.

Perhaps it was because Zhong Xueqing was still in shock, she did not struggle at all and allowed her to move.

"Ah, anything that has been touched by Ms. Zhong is indeed not worthy of mother Lei!"

Lin Hanxing's hand let go of the mask and it fell to the ground.

The champagne-colored high heels she was wearing crushed her back and forth as if she was crushing a pile of garbage.

Seeing his own product being treated like this by Lin Hanxing, Lu yuzhi's head heated up, and he wanted to push it away.

However, before he could get close, his hand was grabbed by a cold palm!

The Thunder valiant beast's strength was too great. Lu yuzhi was like a marionette that was being lifted at will, and he felt as if his wrist was about to break.

"Let go, it hurts, it hurts, it hurts ..."

Being treated like this by a junior, Lu yuzhi only felt that he was going to lose all face tonight.

"Hehe."

Lin Hanxing chuckled, his hand falling on Lei Xiao's tensed forearms.

"Ah Xiao, let her go."

By the time he finished speaking, Lu yuzhi had already been pushed away by the Thunder valiant beast, and he fell to the ground without any warning.

Together with the sample clothes on the counter, they were flipped to the ground.

There was a crackling sound.

Lin Hanxing slowly squatted down in front of Lu yuzhi, his long eyelashes fluttering under his hat.

He reached out and pinched Lu Yu's chin, overbearingly forcing her to look up into his eyes, regardless of her will.

Madam Lu, I still remember what happened to Madam Liang!

Lu yuzhi's violent struggle instantly stopped.

He looked at Lin Hanxing with wide eyes.

He didn't seem to understand how she knew.

"Didn't you ask them what kind of person I, Lin xiaojiu, am?"

Hiding at the side, mother he tried her best to hide her presence. She couldn't help but shiver.

What kind of person was Lin xiaojiu?

Vengeful, calculative, and extremely shrewd ...

Her limited vocabulary was no longer enough to describe Lin xiaojiu.

In short, unless it was absolutely necessary, she really did not want to fight her head on.

I'll just treat today's matter as the interest that Madam Lu has collected from scheming against me behind my back.

Lin Hanxing's strength was no less than Lei Xiao's to Lu Yu.

"As for the capital ..."

Lin Hanxing smiled, but in Lu yuzhi's eyes, she felt a chill from head to toe.

It was a bone-chilling coldness that he didn't even bother to hide.

Just like that, it was directly presented in front of her eyes, causing her to shiver.

Lin Hanxing's voice was cold.

She had always been a fair and reasonable person.

Since Lu yuzhi dared to scheme against her, he naturally had to weigh the price.

Could she even take it?

Releasing his grip on Lu Yu's chin, he casually pulled out a wet tissue from the counter.

Lin Hanxing wiped her face expressionlessly and glanced in mother he's direction.

Mother he seemed to be exceptionally quiet today.

'Lin Hanxing thought to himself. He turned around and threw the wet wipe away, which happened to land on Lu yuzhi's face.

"I'll get it back from you sooner or later."

Chapter 746: Brand sponsorship

As they walked out of the mall where the warm air was on, they immediately felt the difference in temperature between indoors and outdoors.

Lin Hanxing looked at Lei Xiao.

He was only wearing a shirt on such a cold day.

“Are you cold?”

Lin Hanxing reached out to hold Lei Xiao’s palm, and as expected, it was cold.

“Let’s go back to Yujing garden first.”

He brought his hand to his lips and blew warm air at Lei Xiao.

“Alright,” he said. After Lei Xiao finished speaking, he turned around and looked at the business executive who was still standing at the door with a respectful attitude. His eyes were filled with coldness.

Tonight, all of the Lu corporation’s cosmetics brands in the Lei corporation’s high-end shopping malls would be removed from the shelves!

There was no room for discussion.

This order will be carried out unconditionally.

He sat back in the car.

Lin Hanxing could clearly feel that the hostility in the man beside her had not dissipated.

She did not let go of his hand for a long time.

Very soon, they arrived at Yujing garden.

Even though no one had lived there for a long time, everything was clean and orderly because there were people who took care of it.

Even the express deliveries were neatly placed at the entrance.

“Help me get the letter opener.”

Lin Hanxing scanned through the packages and his eyes stopped on an international package.

Thunder owl handed it to her.

The sharp end of the knife was aimed at her, and the other end of the handle was aimed at her.

Lin Hanxing opened the package with a ripping sound.

The moment the box was opened, a variety of new cosmetics from an international luxury brand that had not yet been put on sale appeared in front of her eyes.

“Take this box away.”

Then, Lin Hanxing started to search through the pile of packages.

Following her movements, the Thunder valiant beast took a few glances.

These international express deliverymen were carrying new bags, clothes, and even cosmetics from various brands.

“I found it.”

Lin Hanxing found what she had been looking for at the bottom.

“There’s a face mask inside, it should be enough for mother Lei.”

Lin Hanxing looked up at Lei Xiao, squatting on the ground like a little hamster.

To be honest, the so-called top cosmetics brands under the Lu Corporation could not even touch Lin Hanxing’s face. It was difficult for a brand that relied on celebrity effects and brainwashing advertisements to gain recognition internationally.

“These ...”

Obviously, many of them were the latest models that had not been released yet.

It covered all the major international brands.

“Oh, these are all brand sponsorships.”

Before the launch of new products, before the major shows, and so on, the major brands would send her the latest products for trial. However, not many people knew about this.

Therefore, she didn’t care much about clothes, bags, and jewelry.

Especially the ones in the Lin family.

Lei Xiao lowered his head and looked at Lin Hanxing.

Cold star’s status was obviously not ordinary to be able to get the sponsorship of these big brands.

She still had a secret.

Thunder owl knew, but he had never asked her.

“How do you want to solve the gold bar issue?”

Suddenly, Thunder valiant spoke, but he changed the topic.

Lin Hanxing paused.

after the Jiangcheng Bay Bridge project tender tomorrow, my aunt will be very happy.

She reached out to Lei min, and the next second, he pulled her from the ground into his arms.

“But in this world, there’s a word ...”

Lin Hanxing hugged Lei min’s waist and rested his chin on his chest, looking at him with his dark eyes.

“It’s called extreme joy begets sorrow.”

After she finished speaking, she buried her face in his chest and gently sniffed the mature fragrance of hirago.

since someone stole my things, I naturally have to hand it over to the police.

Lin Hanxing’s muffled voice sounded from Lei Xiao’s chest.

Oh, what exactly did this man eat when he was growing up?

Why was it so hard for her to let go?

Chapter 747: Lin Jiaojiao’s scheme

In the Lin family’s Villa.

Lin Jiaojiao was lying on the bed, looking back and forth at the note that had inexplicably appeared in her room.

Yingluo, I’m telling you, either you listen to me obediently, or I’ll tell little aunt and let you get nothing!

Yingluo, that dog, is so noisy. I want you to make him drink this!

Yingluo is going to get her retribution anyway, so what’s the difference between doing one or two?

When he thought of Luo Ruyin’s face, when he thought of being threatened by such a person ...

Lin Jiaojiao’s usually innocent face was now covered in gloom.

After some time, she got off the bed and walked out of the door.

There was no one in the corridor of the villa.

Lin Jiaojiao walked toward the nursery.

Shen Shu ‘er and the nanny were not in the half-closed room.

She pushed the door open silently and stood beside the baby’s cot, looking at the sleeping baby.

Yingluo, that little bastard, if he cries again, I’ll strangle him!

As Luo Ruyin’s words echoed in her ears, a strange smile slowly appeared on Lin Jiaojiao’s face ...

.....

Shangguan shixiu had just taken a shower and was walking out of the bathroom.

The collar of the White bathrobe revealed a large area of muscle, covered with crisscrossing old scars.

He stood in front of the bar and poured himself a large glass of whiskey.

The ice cubes collided in the wine cup, making a crisp sound.

Holding the wine glass, Shangguan shixiu walked toward the floor-to-ceiling window, which occupied one-third of the room.

Only the wall lights were on.

Outside the window, there were thousands of lights.

Shangguan shixiu's pale face was reflected on the floor-to-ceiling window, looking sickly.

Her black jade-like hair drooped in front of her eyes, blocking the loneliness in her eyes.

He was gentle and handsome.

"Can I still see you again?"

There was still no news.

Even the Thunder valiant beast couldn't find her.

Other than a few documents on the table, there was also an unopened invitation letter.

He picked up the phone with his slender fingers.

She casually opened her Weibo, but when she saw the headlines, she couldn't help but smile.

I'm risking my life to protect her, why should she suffer the grievances of trash like you?

Recently, there was more and more news about Thunder valiant beast.

And there would definitely be another name in his content.

Lin xiaojiu.

In the past, Shangguan shixiu had often wondered what kind of woman could subdue the Thunder valiant beast.

It was true ...

He was very curious!

As he thought about this, he accidentally swept the unopened invitation card to the ground.

In silence, the invitation letter was opened.

Shangguan shixiu, who didn't care at first, suddenly stopped when he saw this.

The invitation to the Lin family's banquet?

Shangguan shixiu bent down to pick it up. The time on the Ivory white invitation was three days later.

From the looks of it, this was probably an official banquet held by the Lin family in honor of the legendary Lin xiaojiu.

It was Lin xiaojiu from Thunder valiant beast.

Shangguan shixiu's fingers swept over the three words "Lin Hanxing," and a subtle feeling circulated in his limbs and bones.

It seemed like it wasn't impossible to go and take a look.

Then ...

Let's go take a look.

.....

When Lei Xiao and Lin Hanxing returned to the Lei family, it was already close to eight o'clock.

Apart from second young master Lei, fourth young master Lei was also present, which was rare. His luggage was even placed beside the sofa.

However, it was obvious that he was drunk.

Mother Lei had just come out of the kitchen after mixing some honey water. When she saw Lin Hanxing, she immediately smiled and wanted to pounce on him.

"What's wrong with Xiao si?"

Lei Xiao rarely saw Lei Jue in such a state.

In her impression, Ling had always been very self-disciplined.

"He just returned to the country for a gathering at his law firm and he's drunk like a ghost."

Mother Lei was so angry that she wanted to throw Lei Jue out.

But this was his own son, so what else could he do other than endure it?

"I'll send Xiao si up."

Chapter 748: I miss her very much

Lei Xiao carried Lei Jue upstairs.

Before he even pushed the door open, Lei Jue vomited all over Lei Xiao's body.

Lin Hanxing originally thought that he would be angry because of his mysophobia, but he did not expect Lei Xiao to just turn around calmly and tell her that he would clean up.

He then brought Lei Jue into his room.

Lin Hanxing thought for a while and followed Lei Xiao into the house just in case.

Lei Xiao put Lei Jue on the bed with all the filth on his body.

Other than a tie, cufflinks, watch, shoes, and socks, she covered him with the thin blanket.

Fortunately, Yuan Bao was taken upstairs by Lei min and did not see his father's drunken state.

Just as Lei Xiao stood up, Lei Jue opened his eyes.

A pained expression suddenly appeared on his handsome and cold face.

“Big brother,”

Lei Jue’s words reeked of alcohol.

“Yes.”

Lei Xiao responded, and it did not sound like he was being perfunctory.

“Big brother,”

“Yes.”

“I’ll tell you a secret.”

Lei Jue chuckled, but his smile was filled with bitterness and struggle.

“Lei Jue, you’re drunk.”

The Thunder valiant beast’s voice was low and hard to comfort.

“I miss her very much.”

Lei Xiao stopped moving and looked down at his brother.

“I miss her a lot, big brother.”

Lei Jue stared blankly at the ceiling, his pupils seemed to be out of focus.

Yingluo, I really won’t bother you this time.

Goodbye, Lei Jue.

Doll, I don’t want to say goodbye to you.

All these years, he had been in a daze and thought that his days would get better.

However, it was no use.

There was always an empty space in her heart.

He thought that working hard would have an effect ...

He only thought so.

“Yun child, I missed you.”

.....

Lei Xiao and Lin Hanxing came out of Lei Jue’s bedroom.

The vomit in the corridor had already been cleaned up by the servants.

“I’ll go take a shower first.”

Lei Xiao deliberately kept a distance from Lin Hanxing, afraid that the filth on his body would stain her.

Lin Hanxing nodded.

When Lei Xiao returned to his room, she turned around and wanted to go downstairs, but she was called over by mother Lei who was in the corner.

“He fell asleep?”

Mother Lei looked at Lei Jue’s room door.

“Yes, he’s asleep.”

As soon as Lin Hanxing finished speaking, mother Lei sighed.

“Let’s go, we’ll put on facial masks and chat!”

As she spoke, mother Lei held Lin Hanxing’s arm and led him into the room.

.....

On the White hanging chair on the balcony on the second floor.

Lin Hanxing and mother Lei were hugging pillows and had facial masks on their faces. They were like sisters.

“Mother Lei, Yun ...”

Mama Lei’s hands stopped moving when she heard the name.

“Hey, she’s a very cute little girl.”

No matter how he heard it, he felt a little melancholic.

“I used to like our Xiao si so much.”

“What a pity, little four is so proud and stubborn ...”

“You’re always doing things that hurt others without even knowing it.”

If this son was not her own, she would have kicked him out.

daughter-in-law, tell me. It’s such a simple thing to like someone. What’s there to hesitate about? ”

Madam Lei pressed her hand against the mask on her face. She seemed to have thought of something, and even her eyes became gentle.

the meeting between people is already such a precious thing. How can we just squander it? ”

Lin Hanxing turned to look at mother Lei.

“Because when I had it, I never felt like cherishing it.”

Lin Hanxing said in a calm voice.

Mother Lei reached out and held Lin Hanxing’s hand. The warmth from his hand reached her heart.

“Fortunately, ah Xiao has you.”

Mother Lei sighed softly.

She could not be more at ease when she handed ah Xiao over to Han Xing.

It was ah Xiao’s fortune to have such a girl with a clear and exquisite heart.

Chapter 749: Trying to salvage the situation

At this moment, the Lu family’s Villa was brightly lit.

Old master Lu sat in the main seat in the middle of the room, his eyes closed and his face expressionless.

Lu yuzhi had already been crying for half an hour.

In just a few short hours, the mid-to high-end shopping malls under the Lei Corporation all over the country had completed the operation of taking down all the Lu corporation’s cosmetics counters. The efficiency was so high that it could be called the model for the industry.

Nearly 300!

Just as Lu yuzhi had expected, as soon as the Lei corporation’s products were taken off the shelves, there were reports suggesting that the Lu corporation’s high-end cosmetics brands had serious quality problems.

For a time, the rumors were rampant.

“What’s the use of crying!”

Old master Lu had enough of the crying. He slammed his palm on the armrest.

“You’re the one who provoked someone you shouldn’t have, and you still have the nerve to come and cry in front of me!”

He was utterly disappointed in this daughter of his.

Greedy, stupid, and insensible!

“Dad, I really know my mistake! How would I know that the Thunder valiant beast would be there!”

With a bang, old master Lu picked up the teacup beside him and threw it at Lu yuzhi!

“You know your mistake, my ass! You’re going to cause trouble for Lin ya just because the Thunder valiant beast isn’t here? Do you know that you’ve caused big trouble?”

How many years had it been since old master Lu had been this angry?

She did not want to disclose Lin Hanxing’s identity.

If this were to be made public, there would be many people who would try to get close to her!

This idiot still wanted to find trouble with her!

Lu yuzhi only felt baffled. What did he mean by ‘she’s in big trouble’?

How did she get into big trouble?

The only thing on Lu yuzhi’s mind right now was to think of a way to salvage the situation.

second brother, I’ll give you one last piece of advice. Don’t go against that girl from the Lin family. Otherwise ... You’ll be the one who suffers!

.....

In the restaurant of the Lei family’s Villa.

Lin Hanxing and Lei Xiao were sitting side by side, eating porridge.

The lights in the living room were turned off, leaving only the wall lights on. Even the servants had gone to sleep.

The two of them didn’t make it for dinner because they came back late.

Luckily, Mama Lei had ordered the kitchen to prepare some porridge.

“What charades are you and Zhong Xueqing playing tonight?”

Thunder valiant beast’s voice was deep and had an indescribable charm to it.

However, Lin Hanxing pretended not to hear him.

In the next second, Lei Xiao stretched out his long fingers and pressed them on her forehead. He used a little force and made Lin Hanxing look up at him.

“Don’t play dumb.”

“What are you saying? I can’t hear you.”

Lin Hanxing closed his eyes and pretended to be deaf. He continued to eat his porridge.

“Cold star ...”

Lei Xiao’s deliberately lowered voice was as pleasant as it could be.

Her heart tingled with his voice.

“It’s something related to me.”

It was a statement, not a question.

Lin Hanxing had never looked down on Lei Xiao’s smart brain so much.

Especially since he obviously wanted to continue asking.

Lin Hanxing placed the bowl on the table with a thump.

Two thin wrists stretched out without hesitation and pinched the Thunder valiant beast’s cheeks.

Without waiting for Lei Xiao to speak again, he kissed him!

There was still the salty taste of the vegetable porridge between her teeth, but no one cared.

“No matter what I’m trying to say to her, you just need to believe me.”

Their lips parted slightly as Lin Hanxing looked into Lei Xiao’s eyes and spoke softly.

As her long eyelashes fluttered, a wave of ripples appeared.

you said it tonight. I’m the one you’re protecting with your life. Why should I suffer the grievances of those people? ”

Lin Hanxing’s fingers brushed against his skin.

Her small face, which had just been applied with a Facial Mask, was as smooth as boiled egg white.

“At the same time, you’re someone I’m protecting with my life, so ...”

Lin Hanxing pecked Lei Xiao’s lips.

“I won’t let you suffer either.”

She would not allow it at all!

Chapter 750: The Lei family’s morning

The next morning.

Lin Hanxing leaned against the door with sleepy eyes and looked at Lei Xiao, who was wiping the water off his beard.

The icy silk pajamas slid down her shoulders, revealing her snow-white shoulders and thin straps.

“I’m sleepy ...”

Lin Hanxing walked behind him and put his arm around Lei Manjin’s thin waist.

Her small hand reached under the hem of her pajamas and pinched the man’s abdominal muscles. She pressed her face against his back and closed her eyes to yawn.

Lei Xiao covered her little hand with his pajamas.

“Lend me your car today.”

A muffled voice came from behind. In the mirror, Lei Xiao’s eyes were indulgent and doting.

“What benefits?”

Lin Hanxing did not say anything, but his little hand slowly slid down to that place and pinched it.

The silhouette that was originally in a dormant state suddenly woke up.

“Does student Xiao Xiao have a fever? why is it so hot?”

Lin Hanxing looked innocent in the mirror.

“.....”

Veins could be seen on Lei Xiao's forehead. His little girl had recently developed a new hobby.

They were only in charge of building houses, not extinguishing fires.

“Keep messing around.”

Thunder valiant beast suddenly turned around and picked her up.

“Ah ...”

Lin Hanxing hugged the tree like a koala, and there was a hard branch supporting the tree.

Lei Xiao pretended to kiss her.

“I haven't brushed my teeth!”

Lin Hanxing quickly covered his mouth.

“Are you still making a scene?”

He poked it as he spoke.

Lin Hanxing wrapped one arm around his neck and shook his head with the other hand covering his mouth.

“Can you remove your weapon?”

She felt uncomfortable.

Lei Xiao looked at her deeply and let go of her.

“Are you uncomfortable?”

Lin Hanxing stretched out his hand and poked Lei Xiao's firm back, feeling more energetic.

Thunder valiant beast didn't say anything.

“Let me tell you a joke.”

Without waiting for Lei Xiao's response, Lin Hanxing began to speak.

“Student Xiao Xiao is jogging on the road.”

“.....”

“As it ran, it vomited.”

“.....”

“Hanxing, shut up,”

“Okay, hubby.”

.....

When Lin Hanxing went downstairs, he ran into the fourth young master, Lei Jue, who was coming out of his room.

His handsome and tough facial features looked like they were carved out of marble. The lines were clear, and his expression was quite cold and serious. The simple ash-gray shirt and suit pants matched his perfect figure.

“Good Morning, sister-in-law.”

Lei Jue’s voice was still a little hoarse from being drunk.

“Morning.”

Lin Hanxing did not mention that he had lost his composure last night. The two of them went downstairs one after the other.

The air was filled with the aroma of breakfast.

Madam Chen had already prepared breakfast for everyone.

“First aunt,”

When he saw Lin Hanxing, Yuan Bao ignored his father and ran into his aunt’s arms on his short legs.

“.....”

Ray Jue, who was ignored by his son, sat down on his seat coldly.

With a thump, mother Lei personally brought his breakfast over.

“Mom, What’s this?”

Lei Jue’s face was ashen as he raised his head.

Lin Hanxing sat down beside Lei Xiao and followed Lei Jue’s voice.

However, he pursed his lips and stopped himself from laughing out loud.

On the morning of the whole family, only Lei Jue had a plate full of red carrots in front of him.

The coffee was also replaced with carrot juice.

“Hehe, son, have you drunk too much? You don’t even recognize a carrot?”

Mother Lei sat next to father Lei, looking down on her son.

“.....”

The veins on Lei Jue’s forehead were throbbing.

He! From! Small! Most! Ask! Loathe! Red! Hu! Luo! Bu!

“Big brother ...”

“If Lei Xiao dares to interfere, I’ll let my daughter-in-law make him sleep in the toilet! Oh my, so pitiful!”

“.....”

Lei Xiao folded the newspaper in his hand and put it aside, giving Lei Jue a look that said “good luck.”

“Dad ...”

Just as Lei Jue opened his mouth, he gave up and sighed.

“Forget it, you can’t even keep your private money.”
