

## Goodnight 751

Chapter 751: Trash can and floating in the river

“.....”

Father Lei, who was about to plead for his son in front of his wife, felt his heart racing.

Haha, let Xiao si 'er go to hell!

Father Lei decided to raise a small flag and cheer for his wife.

Lei Xiaosi lowered his head to look at the plate of carrots in front of him, only to feel his hangover worsening.

“Sister-in-law ...”

Lei Jue raised his head and looked at Lin Hanxing with hope in his eyes.

He saw Lin Hanxing's smile as warm as the spring sun as he pushed the carrot juice in front of him.

“It's all over in a blink of an eye.”

“.....”

Lei Jue sat in front of the table in despair.

“Daddy, are you going to cry?”

Yuan Bao, who was still in Lin Hanxing's arms, interrupted and continued to stab his father in the heart.

Yuan Dabao, I actually picked you up from the trash can.

Lei Xiaosi decided to drag his precious son down with him.

With a clang, the crispy sausage in Yuan Bao's hand fell on the plate in front of him.

“You're lying!”

Yuan Bao looked at his father in shock.

Lei Jue said proudly.

grandma clearly said that I floated over from the river!

The entire Lei family looked at the stupid father and son with strange eyes.

Hehe.

It was a beautiful morning.

.....

After breakfast, Lei Jue personally sent Yuan Bao to school, which was a rare sight.

Lei Yu had just returned from England and was on vacation. He was dragged into the study by his father to study his latest writing.

On the other hand, after Lin Hanxing sent off Lei Xiao, who was at work, he leisurely followed mother Lei to the parterre.

“Ah, I really miss my little three.”

As she spoke, she used a pair of scissors to cut off a White Rose. She carefully trimmed the thorns and handed it to Lin Hanxing.

Every day, the Lei family’s decorative flowers came from here.

Leicheng?

Ever since he returned to Jiang city, Lin Hanxing had not seen Lei Cheng’s shadow.

The only time they had chatted was on WeChat.

our mistress is so cute. When we were young, Xiao si peed the bed the night before Christmas and secretly stuffed the bedsheets into the big socks that mistress hung at the door. He thought it was a gift from Santa for the whole year.

“.....”

Lin Hanxing felt that this should be called stupidity.

“Ah Xiao inherited the Lei family, Lei min is an antique collector, appraiser, and repairman, and Lei Jue is a lawyer. So what does Lei Cheng do?”

Lin Hanxing sniffed the white roses in her arms and a light, bitter fragrance filled the air.

“Um, he also has another name, Matthew Lei.”

Lin Hanxing’s fingers paused and he looked up at mother Lei.

Matthew Lei was a world-famous criminal psychology expert. He was the youngest professional consultant and expert in the Federal Bureau of Investigation, federal prison, and even the criminal investigation office of the United States. He had even served as the White House’s criminal advisor.

He graduated from the University of Maryland and was the only Chinese to have topped the list for several years in a row since the establishment of the University of Maryland. One had to know that the criminal psychology at the University of Maryland’s Parker Center was ranked first in country M.

Mother Lei was really amazing.

His four sons were all top figures in their respective fields.

It was difficult to not remember.

The two of them walked into the house with white roses in their arms. As soon as they entered the door, they met Lei min.

“Sister-in-law, your phone has been ringing.”

Taking the flowers from her arms, Lei min said in a deep voice.

Lin Hanxing glanced at the caller ID, his hand paused for a moment, and a dark glint flashed across his eyes.

It was Yuan susu.

.....

Lin family villa.

Luo Ruyin was woken up by thirst, and her hand subconsciously reached for the mug at the head of the bed.

He began to drink in big gulps.

She didn't know if it was her imagination, but the water today was a little bitter.

?

Chapter 752: Luo Ruyin's fear

After drinking, Luo Ruyin lay back on the bed and fell asleep.

40 minutes later ...

The irritated Luo Ruyin pulled at the collar of her pajamas and opened her eyes, her breathing becoming heavier.

No matter how she lay down, she felt very uncomfortable.

It was as if there were thousands of ants crawling on his chest, and even his nerves had become much more sensitive.

Every little movement seemed to be infinitely magnified in her ears, and the noise gave her a headache.

She walked around the bedroom barefooted.

It was useless. He was still frustrated!

Just as Luo Ruyin was about to take a shower to calm herself down, the ear-piercing cry of a baby suddenly rang out!

Luo Ruyin's eyes suddenly became fierce!

Don't cry! Don't cry!

His head was getting more and more painful, as if it was going to explode. He just wanted to make that thing shut up!

Suddenly, Luo Ruyin rushed toward the door!

The villa was quiet.

Today was the day of the Jiangcheng Bay Bridge project tender. The Lin family had gone out early in the morning.

Luo Ruyin's footsteps were very hurried as she walked towards the nursery, her eyes filled with fierceness.

The door to the nursery was pushed open with a bang.

The nanny was nowhere to be found.

"Shut up! Don't cry!"

Luo Ruyin's eyes were bloodshot as she walked to the side of the bed and lowered her head to look at that hateful little bastard!

His head was buzzing as if it was about to explode.

"I said shut up, shut up, shut up! Don't cry!"

The louder Luo Ruyin shouted, the louder the baby's cries became, as if they were about to soar into the sky.

Seeing that her command had no effect, Luo Ruyin felt as if a string had snapped in her head.

He picked up a pillow and smacked it onto the little girl's head!

"I told you to cry! I'm going to make you cry!"

He covered it tightly, with all his might!

He didn't know how long it had been like this ...

It was quiet all around, without a single sound.

Luo Ruyin's tensed muscles slowly relaxed, enjoying this moment of silence.

But very quickly, her entire body started to tremble uncontrollably.

That little bastard didn't move!

She slowly moved the pillow away with her stiff hands ...

"Hey, hey!"

Luo Ruyin's eyes widened, and she poked the child with her hand. The child was soft and motionless.

She was in trouble!

When this thought suddenly rose in her mind, Luo Ruyin hugged her pillow and sat on the floor.

She had killed the little bastard!

Realizing that she was still holding the pillow, she threw it away in a panic!

What to do! What to do! What to do!

She had killed someone!

A sense of fear and powerlessness flowed through his limbs and bones. He lowered his head and looked at his trembling hands.

As if she had thought of something, Luo Ruyin suddenly raised her head.

“Right, hide! Hide the little beast!”

As long as no one found out, it would be fine, right?

Timidly holding the little thing in her arms across the blanket, Luo Ruyin hurriedly walked out of the corridor.

But where should he hide it?

When she passed by Lin Hanxing’s room, Luo Ruyin suddenly stopped.

He looked at the tightly shut door!

The only thing that appeared in his mind was her closet that could store a huge amount of clothes.

If he hid there, would he not be discovered?

While she was thinking this, Luo Ruyin’s hand had already moved.

She pushed open the door to Lin Hanxing’s bedroom and walked towards the cloakroom.

“I didn’t do it on purpose! I really didn’t do it on purpose! It’s all your fault for crying so loudly!”

Luo Ruyin hid the seemingly sleeping baby in the corner of the cloakroom, her hands clasped together as she muttered to herself.

His scalp was numb from fear.

“Don’t be discovered! Even if they were discovered, they would definitely think that Lin xiaojiu was the one who did it!”

Her pale face and cold sweat on her forehead caused Luo Ruyin’s facial features to be strangely distorted ...

?

Chapter 753: I’m afraid and I feel

The black Bugatti parked in the parking space with a handsome drift, attracting countless gazes from the coffee shop’s floor-to-ceiling windows.

They all seemed to want to see what kind of person the driver was.

Soon, they saw it.

The door to the driver’s seat was pushed open from the inside.

A woman got out of the car!

He was wearing a black lambskin jacket, skinny pants, and high-top boots of the same color. His supermodel-like slim figure made people's eyes light up, and they couldn't move their eyes away.

Lin Hanxing reached out to push his long curly hair behind his ear and locked the car.

He walked into the cafe.

Yuan susu, who was sitting by the window, witnessed the whole process. The Large Face Mask she was wearing covered most of her expression.

However, his eyes looked dark and gloomy.

That car was brother Lei's.

The wind chime at the entrance of the cafe rang and Lin Hanxing quickly saw Yuan susu.

She was the only one who didn't mind the sweltering heat and wore a mask in the huge cafe.

"A cup of Americano, wait ..."

Lin Hanxing threw his car keys on the table and turned to the shop assistant.

This coffee shop was very close to the hotel Yuan shaojing was staying at, but ...

Lin Hanxing's eyes swept across the corner of the room. There was a suspicious person in an unremarkable position.

It was obvious that Cheng Lingyun had sent someone to keep an eye on Yuan susu.

"It's just a dog."

Yuan SuSu's voice was sinister and no longer as soft as before.

Ever since her face had been injured, she had returned to her original self.

"Please order more Blue Mountain and send it to that table."

Lin Hanxing pointed in the man's direction, signaling the shop assistant to order.

"What did you call me here for?"

Lin Hanxing supported his face with one hand and looked at Yuan susu who was sitting opposite him.

She could only see her eyes through the thick face mask, but because of the wound that reached her brow bone, she had to use her long hair to cover her eyes. It was fine during the day, but if he watched it at night, it would probably feel like a Japanese horror movie.

"I ..."

Yuan susu didn't seem to know what to say.

today is the day of the Jiangcheng sea bridge project tender.

Lin Hanxing raised his eyebrows and looked at her, waiting for her to continue.

"I heard from uncle that it won't be a problem to win the bid, so you don't have to worry too much."

Yuan susu said dryly.

Fortunately, the staff served the coffee very quickly. In addition to Lin Hanxing's Americano, the Blue Mountain that she had ordered on his behalf was also served.

The man at the table happened to look over.

Lin Hanxing smiled at him with a cup of coffee in his hand.

It was obvious that the other party's expression was a little ugly.

"If you have something to say, just say it, no need to beat around the bush."

Lin Hanxing's voice was cold, and he didn't have much feelings for Yuan susu.

Yuan susu raised her head and looked at her.

The sun shone through the floor-to-ceiling window and onto Lin Hanxing, making her pupils turn Amber.

"I'm scared. She wants to kill me."

After a long time, Yuan SuSu's voice came out from under the mask.

Lin Hanxing's fingers paused, and a half-smile appeared on his face.

It wasn't hard to imagine who the 'she' in these words was.

"I know her too well. Her eyes, her movements, what she's thinking ..."

Yuan SuSu's hands trembled as she held the glass.

"I think she wants to kill me."

From 'I'm scared' to 'I think'.

From speculation to certainty.

Yuan susu raised her head gloomily and looked at Lin Hanxing with hope in her eyes.

"What do you want me to do?"

Lin Hanxing picked up a sugar cube and threw it into the coffee cup. His voice was cold and faint, and it made people's ears tremble.

"I know, you must have a way, right?"

Yuan susu subconsciously wanted to hold Lin Hanxing's hand.

?

Chapter 754: This thing can make her not dare to touch you

However, before he could get close, Lin Hanxing coldly blocked him.

If it was in the past, Yuan susu would definitely have turned hostile when she saw his disrespectful action.

But now, she could only swallow her anger.

“If I die, lisnian will truly disappear from this world!”

Yuan SuSu’s voice was a little anxious, and it seemed like she was really scared.

“Are you threatening me?”

Lin Hanxing smiled faintly, the black Motorcycle Leather Jacket showed off her unreserved coldness.

Her slender white fingers stirred the coffee with a small spoon.

Again and again.

I don’t dare to, but if that’s the case, my mom will completely win over aunt Yanyu. This isn’t what you want to see, is it? ”

Yuan susu looked at Lin Hanxing. She knew that li Yanyu was the only person that Lin Hanxing cared about!

And this was the only bargaining chip that he could hold onto!

“Hehe.”

Lin Hanxing sneered, his eyes drooped slightly, making it impossible to guess what she was thinking.

She didn’t say anything, so Yuan susu didn’t dare to say anything either.

He could only suppress the restlessness in his heart and put on a patient expression while waiting for Lin Hanxing’s response.

“Don’t you want anything else other than being alive?”

After a long time, Lin Hanxing finally gave her a response.

Hearing this, Yuan SuSu’s eyes lit up.

“Other ... For example?”

Her voice was cautious and probing, as if she didn’t understand what Lin Hanxing meant.

“Money, status, and even ... Health?”

Lin Hanxing’s voice was like Pandora’s Box, tempting people to open it.

Yuan susu gasped.

In addition to the original hope in his eyes, there was also an indescribable greed.

Lin Hanxing looked out of the window with a faint smile on his face.

“Can I? But ...”

Yuan SuSu’s mind went blank.

“Don’t say” but.”I’m only asking you, do you want it?”

Lin Hanxing said lazily. No one could resist the temptation in his voice.

“I want to!”

Yuan susu said with certainty, the greed in her eyes growing stronger.

Lin Hanxing chuckled.

His eyes were like wispy mist, with an indescribable feeling in them.

Lin Hanxing turned sideways and held his bag in his hand, his slightly curly long hair flowing down along with his movements.

Very quickly, she took out a white envelope from her bag.

He slowly pushed it to Yuan susu.

“This thing can make her not dare to make a move on you.”

Yuan susu immediately wanted to take it from Lin Hanxing, but the item was still in his hands.

She raised her head, not understanding what he meant.

Yuan susu, you have to think this through. Once you threaten her with this thing, there is no turning back. Your relationship with her will never be able to turn back.

After hearing Lin Hanxing’s words, Yuan SuSu’s expression became complicated.

“But at the same time, this thing can allow you to completely control her. Whatever you want, she will agree to it unconditionally!”

Lin Hanxing’s white fingers pressed on the White envelope.

However, his gaze went past her shoulder and looked at the corner.

When the people sent by Cheng Lingyun to keep an eye on Yuan susu saw what she took out, their expressions instantly became nervous.

She had already given Yuan susu the right to choose, so it was up to her to make her choice.

As for the contents of the envelope ...

Lin Hanxing slowly moved his fingers away, and the White envelope lay on the table.

In the next second, without any hesitation, Yuan susu reached out and snatched the thing from him.

When he opened the envelope and saw the contents, his eyes widened!

?

## Chapter 755: Blessing, disaster

It was as if she couldn't believe her eyes. Even her facial features under the mask began to twist.

He looked at the thing, then looked up at Lin Hanxing.

This repeated a few times, but Lin Hanxing could still hear Yuan susu taking in a few cold breaths.

"This ..."

Yuan susu felt like she had just discovered a huge secret, and her heart started to beat wildly.

Knock, knock, knock ...

Lin Hanxing's fingers tapped on the table, his eyes and brows were indifferent.

"Is this true?"

Yuan susu couldn't tell if she was feeling happy or complicated, and her eyes were trembling.

"As long as we make good use of it, does it matter if it's real or fake?"

Lin Hanxing chuckled as he spoke. It seemed like he was mocking her, but it also seemed normal.

Yuan susu didn't reply.

Just as Lin Hanxing had said, it did not matter whether it was true or not. What was important was how to use it!

Perhaps she was too happy, but she felt as if she was floating.

"I will never forget you!"

Yuan SuSu's eyes were filled with enthusiasm, and the uneasiness in her heart had completely disappeared.

Lin Hanxing looked at her, his eyes as deep as an ancient well.

Hehe.

Yuan susu, don't forget me.

.....

After leaving the cafe, Lin Hanxing drove to the eastern Cemetery.

In the front passenger seat, a bouquet of white Lorimas roses was quietly releasing its bitter fragrance.

The Lorimas rose, the flower language for the reminiscence of death.

After nearly an hour, she finally arrived at her destination.

The cold wind blew, rolling up the withered yellow leaves on the ground.

Lin Hanxing held the bouquet of flowers in his arms and slowly walked up the stairs, his delicate little face expressionless.

After some time, she stood in front of li Sinian's tombstone.

In the dark photo, li Sinian's small face was still so delicate, unaffected by the ravages of time.

Lin Hanxing quietly placed the White Lorimas rose in front of his tombstone.

"Si Nian,"

The Rose petals were reflected on the marble tombstone, and there was an indescribable gentleness in her eyes.

It was like he was talking to his own brother.

"Let's wait a little longer. It's going to end soon."

Lin Hanxing touched li Sinian's picture on the tombstone, just like what aunt Mian did in the past.

Yuan susu still didn't know Cheng Lingyun well enough.

She thought that she had obtained a life-saving pill ...

In fact ...

That was a true death warrant!

Lin Hanxing's beautiful eyes were gradually replaced by coldness and mockery.

The black marble was like a mirror, displaying all his emotions.

Her long, feather-like eyelashes fluttered slightly.

He hid the darkness in his eyes ...

.....

Today's Jiang city was destined to be an extremely lively day.

Before the news of the Lei corporation's mid-and high-end shopping malls withdrawing all of the Lu corporation's cosmetics brands from the shelves had even been digested, all the major wealthy families had already received invitations to the dinner banquet issued by the Lin family.

When they saw the content, it instantly ignited the entire circle.

The Lin family was finally going to hold a banquet for the legendary Lin xiaojiu?

One had to know that the Lin family had been in a lot of trouble recently.

First, there was the incident with Luo Mingwei, then there were questions about the Lin couple's death, and then the Lin family replaced the SU family in the competition for the Jiangcheng Bay Bridge project ...

In fact, everything that had happened was related to Lin xiaojiu.

Moreover, an orphan who had been missing for 18 years had just returned and was already involved with the Lei family and even the young master of the Lei family. Anyone would be curious about such a legendary woman!

Now, they finally had the chance to meet her in person!

?

Chapter 756: The calm before the storm

At the eastern Cemetery.

Lin Hanxing's phone suddenly rang.

When he picked up the phone and heard what the person on the other end said, his eyes turned cold.

I'm sorry, ninth young lady. It was too late when I found out.

He hung up the phone.

He sneered.

Lin Jiaojiao's tactic of killing someone with a borrowed knife was really done to perfection.

But unfortunately ...

Lin Hanxing slowly walked down the steps.

It seemed that he had to make some changes to his original plan today ...

.....

In the afternoon, at the Lin family villa.

The Jiangcheng sea bridge project finally ended up with the Fang, he, and Lin families. For a while, the limelight was boundless.

This project was supported by the government. Once it was successfully completed, it would create unimaginable huge profits in the future. While people were envious and jealous, they could not help but dig up the old Affairs of the Duan Lin and su families.

He was even more certain that Luo Mingwei's incident was a honey trap set up by the Lin family to get rid of the SU family.

However, the winner was King and the loser was vilified ...

Even the families that had good relations with the SU family in the past were not stupid enough to stand up for the SU family at this time.

After the celebration party, the lady of an aristocratic family, who used to have a good relationship with Lin youlin, came to the Lin family.

Firstly, it was to congratulate him, and secondly, it was to see the legendary omnipotent Lin xiaojiu.

Lin qianlin, on the other hand, had swept away the gloom of the past few days and was now happily entertaining the guests.

“Look at her slutty face.”

Mother he stood beside Lin youlin and looked at Shen Shu ‘er, who was dressed up in the crowd. Luo Minghao had actually brought her to the bidding venue today, which made Shen Shu’ er proud.

“Let her be,”

The smile on Lin youlin’s face froze for a moment, but she quickly regained her composure.

Today was a special day, so she couldn’t be bothered to argue with her.

“Lin xiaojiu isn’t here?”

Mother he glanced upstairs with fear in her eyes.

He told Lin youlin everything that had happened in the mall last night, and the latter was shocked.

you’re saying that the Lei corporation’s shopping mall that took all of the Lu family’s cosmetics away had something to do with Lin xiaojiu? ”

Lin youlin’s heart was beating fast.

“Why are you only telling me this now?”

She had to maintain a smile on her face, but her voice was filled with gritted teeth.

“Lu yuzhi will be here later.”

Mother he smiled awkwardly.

“I’ve been feeling uneasy the whole time. I keep feeling that something’s going to happen today.”

Lin qianlin whispered to her friend.

PEI, PEI, PEI! What could happen? you jinx!

As they were chatting, Lin Jiaojiao was following the pale-faced Luo Ruyin, revealing a smile that was like a little white flower.

The socialites were all gathered together, and the topic of their conversation was none other than Lin xiaojiu.

Luo Ruyin was obviously absent-minded.

His eyes were empty.

“Have you guys heard about what happened at Fu Ruixiang?”

The one who spoke was the heiress of the Xu group, who loved to gossip.

this Lin xiaojiu brought people to smash auspicious Blessing's signboard. This matter has spread all over antique Street!

Fu Ruixiang is not han mingmei ...

"She was also in the shop at that time!"

The Xu family's daughter raised her eyebrows and watched the fun.

"Really? Why is Lin xiaojiu so arrogant?"

han mingmei has been chasing after young master Lei all these years, but when she came back from school, a little B \* tch came out of nowhere and snatched her away. She hasn't even made a move, and Lin xiaojiu has already taken the lead? "

that's not all. Do you guys know who Lin xiaojiu brought along? "

The Xu family's heiress interjected at the right time with a mysterious expression.

"Who is it?"

"Don't keep me in suspense, hurry up and tell me!"

The group of people were worried to death, even Lin Jiaojiao wanted to ask.

it's second young master Lei, Lei Qian's master. That Big Shot with the surname Zheng!

As she spoke, the Xu family's young lady pointed upwards.

?

Chapter 757: Who is better?

Lin Jiaojiao's eyes narrowed.

This cousin of hers was really amazing!

It was so easy to climb up to the big tree of the Lei family, and even form a friendship with such a Big Shot.

It really made people jealous.

The crowd didn't have time to exclaim, but one of them suddenly widened his eyes.

are my eyes playing tricks on me? why am I seeing han mingmei? "

As soon as he finished speaking, everyone's eyes turned to him.

She was not seeing things, han mingmei was really here!

Today, she was wearing a long white cashmere dress. Her slim figure was enviable, and her camel shoulder was ladylike and dignified.

She was gentle and pleasant.

Fang Mengran was beside him.

Lin youlin, who was chatting with mother he, quickly put down her wine glass and went up to her.

"Han mingmei is too good-looking."

no wonder she's the prettiest in Jiang city. Her looks really make people jealous.

Lin Jiaojiao looked at Luo Ruyin, who was still not in the right state, and spoke softly.

"My cousin is prettier."

A few pairs of eyes fell on Lin Jiaojiao's face.

Speaking of which, in the past, this little white flower really wasn't eye-catching, and she was like a little follower at Luo Ruyin's side.

When she didn't speak, people would forget about her existence.

"Your cousin? Are you talking about Lin xiaojiu?"

cousin said that han mingmei isn't even fit to carry her shoes.

As soon as Lin Jiaojiao said this, the others gasped.

This Lin xiaojiu had such a big tone!

"Isn't there a rumor that Lin xiaojiu is so ugly that it makes people want to vomit? Where does she get her confidence from?"

"You believe that?"

if Lin xiaojiu is so ugly that it makes me want to puke, would young master Lei even be interested in her? "

but Lin xiaojiu is too arrogant. No matter what, han mingmei is still the daughter of the Han family, and the Han family is the second largest shareholder of the Lei group. Isn't she afraid of offending everyone by saying that? "

"If they were afraid, they wouldn't have brought people to smash auspicious Fortune's signboard."

if han mingmei and Lin xiaojiu were to stand together, who do you think would win? "

Lin Jiaojiao smiled and closed her long eyelashes, hiding the smugness in her eyes.

On the other side, han mingmei was chatting with Lin youlin.

However, Fang Mengran, who was standing by the side, was absent-minded.

She didn't want to come.

However, father han and her mother had been friends for many years, so he could only accompany her this time.

Moreover, she had other tasks today.

Fortunately, today was only a small gathering for the madams of the various families after the celebration banquet. The banquet three days later was the main event.

As they were talking, there was a commotion at the door.

His voice was a little loud and could not be ignored.

Everyone couldn't help but look over, but they couldn't move their eyes away!

The sunlight poured in through the large French windows.

The dust in the air was coated with a layer of gold, and it drifted away.

The man walked over against the light.

Her palm-sized face was as white as snow, so tender that water could be squeezed out.

Her delicate facial features were flawless from any angle, and the small mole under the corner of her eye was extremely charming.

The sun shone from behind her and seemed to be casting a Halo on her body.

The wind blew her slightly curled long hair, and in the eyes of others, she was unbelievably beautiful.

If today's Han mingmei was pure white, then this person in front of her ...

It was the alluring darkness in the dark night, regardless of whether it was a man or a woman, it would hook people's souls away, making them dazed for a long time and unable to come back to their senses.

Everyone was trying to guess her identity!

Only one person ...

When she saw Lin xiaojiu, Luo Ruyin's eyes widened and her scalp went numb!

All he could think of was the small body that was hidden in her cloakroom!

Lin Hanxing walked towards Lin youlin in silence.

On the way, he passed by the table and picked up a glass of champagne.

Her white jade-like fingers were soul-stirring.

"Aunt, congratulations."

?

Chapter 758: Accept her apology

As soon as these words came out, the entire place was in an uproar.

He finally knew her identity!

Lin Jiaojiao subconsciously clenched the champagne glass in her hand.

She didn't expect that her cousin would suddenly return. Her words earlier had instead created momentum for her.

Lin qianlin's smile froze.

Her eyelids twitched when she saw Lin Hanxing.

For a moment, she didn't know how to respond.

The people around them could not help but look at Lin Hanxing and han mingmei, comparing the two in their hearts.

However, before he could even make a gesture, his eyes were already glued to Lin xiaojiu's face.

The difference was obvious.

Han mingmei was beautiful, and no one had any objections to that.

However, the difference between her petty beauty and Lin xiaojiu's overbearing beauty was huge.

"It seems like the title of Jiang city's prettiest should be changed."

The young lady of the Xu family muttered to herself.

No one refuted his words.

Lin Jiaojiao's eyes flashed with a cold light.

Hehe, if she wasn't pretty, how did her cousin manage to hook up with young master Lei?

Although the Xu family's heiress had not spoken very loudly, the entire place was silent because of Lin xiaojiu's appearance. Even han mingmei, who was standing not far away, had heard her words.

He raised his head and looked at the Xu family's daughter.

Auntie Lin, Auntie he, miss Lin, I actually have a presumptuous request for you today.

Fang Mengran chuckled, breaking the awkward atmosphere.

It was also a way for han mingmei to step down.

After hearing Fang Mengran's words, Lin youlin and mother he looked at each other and knew what was going on.

"Mengran, what?"

Lin youlin said enthusiastically, as if she didn't know anything.

I heard that my mother and Auntie Lu had a small conflict with miss Lin in the mall last night. This matter has caused a huge commotion outside, and my mother is very apologetic. After all, this matter is related to her as well. So, I took the liberty to invite Auntie Lu here today. With all the guests here as witnesses, can we forget about last night's incident? "

As soon as Fang Mengran's voice fell, Lu yuzhi walked over.

The timing was perfect.

Last night ...

The people around them heard these two keywords.

Last night, the news of the Lei corporation's high-end shopping malls withdrawing all of the Lu corporation's cosmetics brands had caused a huge commotion.

For a time, whispers could be heard.

Lin Hanxing held his wine glass elegantly, a smile on his face.

His cold eyes swept over Fang Mengran's face.

No one could tell whether he was happy or angry.

Fang Mengran suddenly felt a chill run up her spine.

"Forget it? what do you mean?"

Lin Hanxing asked in a calm tone.

"Accept my ..."

Lu yuzhi had just opened his mouth when Lin Hanxing's sharp gaze suddenly swept over him.

"Did I ask you?"

The cold words caused the temperature in the room to drop rapidly.

Not to mention Lu yuzhi, even if someone else met those eyes, their entire body would be frozen, and they would not dare to move.

"I told you to speak."

Lin Hanxing looked away and turned to Fang Mengran.

"It means ..."

Fang Mengran's mouth suddenly felt dry, and she was so nervous that she wanted to drink some water.

"Tell Auntie Lu to apologize to you and we'll forget about this matter, okay? Don't let Lei ... Young master Lei pursue this matter anymore." From Fang Mengran's point of view, having Lu yuzhi apologize to her, a junior, was already giving her a lot of face.

little 9th, I heard about what happened last night. It's inevitable for you to be rash when you're young. It's just a small conflict. There's no need to make it so ugly. Accept your aunt Lu's apology and this matter will end here!

As she spoke, Lin youlin gave Lu yuzhi a look.

Lu yuzhi hurriedly brought over a glass of champagne.

## Chapter 759: Arrogant and domineering Lin xiaojiu

She couldn't help but feel a little proud.

In front of so many people, Lu yuzhi didn't believe that Lin Hanxing would not give her face.

Moreover, there were so many people helping him.

Even if she wasn't willing, she had to endure it!

As Lu yuzhi thought of this, a little pride unconsciously appeared on her face.

The people with Lu yuzhi's back to him couldn't see his expression, but Lin qianlin and the others could.

Even though they didn't say it, Lin youlin and mother he were secretly happy.

If Lin Hanxing accepted the apology, he would be going against his intentions. If he did not accept the apology, he would be an ungrateful person.

They wouldn't be at a disadvantage either way.

But no matter what he chose, he would still make her feel uncomfortable.

From the beginning to the end, Lin Hanxing's eyes were as calm as ever.

miss Lin, I apologize for what happened last night.

Lu yuzhi's tone was undisciplined. Holding the glass of champagne, he thought that victory was already in his grasp.

"I'll drink first as a form of respect!"

As he spoke, he smiled smugly and wanted to drink.

Most of the guests were experienced, and even if they knew about this kind of bullying, they couldn't expose it.

What happened next could be easily guessed.

"Hold on,"

Suddenly, Lin Hanxing covered Lu Yu's Cup with his hand and chuckled softly.

Lu yuzhi only felt as if a thousand Jin of weight was pressing down on his hand, and he couldn't move at all.

"This cup is dirty."

Lin Hanxing's voice was cold, and in the silence, there was a kind of pressure that covered the sky and earth.

Eh, could there be a turning point?

The guests were interested. Although they didn't say anything, they perked up their ears and listened carefully.

Lu yuzhi's smug smile froze in his ear.

He tried to pull the glass back without a trace, but no matter how hard he tried, it was in vain.

For a time, the two of them were in a stalemate.

Lin Hanxing had a faint smile on his face. His eyes were calm and he did not seem to be using any strength.

Lu yuzhi, on the other hand, wasn't so comfortable.

A thin layer of sweat appeared on the tip of his nose, but in the end, Lin Hanxing still took the glass.

Everyone's eyes were focused on Lin Hanxing.

No one could guess what her next step was.

"This cup is dirty, we can just change it."

Lin youlin smiled awkwardly as her eyelids started twitching again. The frequency of it annoyed her.

As she spoke, she signaled Mrs. He with her eyes to get another glass.

However, before mother he could take another step, Lin Hanxing's next move made her stop.

Lin Hanxing's smile slowly disappeared. He tilted the glass in his hand and let the champagne spill on the ground in front of everyone. The sound of the water splashing rang in everyone's ears in the dead silence.

Very quickly, the glass of champagne was empty.

Lin Hanxing weighed the crystal goblet expressionlessly, and her beautiful eyes swept across the faces in front of her with a faint smile.

The next second.

Lin Hanxing slammed the wine glass against the wall!

He didn't even leave any buffer for others!

It had exploded without any warning!

With a loud bang, the glass shattered on the wall!

They fell into every corner.

No one dared to speak.

It was just like how no one had expected the rumored Lin xiaojiu to be so arrogant and despotic.

After completing this series of actions, Lin Hanxing returned to his lazy posture.

He glanced at the servant who was holding her breath.

The latter quickly came over to clean up the champagne on the floor.

She was even more powerful than Lin youlin, the mistress of the house!

"I said it's dirty, so it's dirty."

An emotionless voice that could even be called cold suddenly sounded.

Her beautiful eyes finally passed Lu yuzhi and landed on Lin youlin's face.

"There's no need to change a cup!"

Chapter 760: Who did the first thing, who did the fifteenth

Lin Hanxing and Lin youlin looked at each other.

The air was filled with the smell of swords being drawn.

Madam Lu, you seem to be tired. Why don't you go back and rest earlier? "

Although Lin Hanxing's words were directed at Lu yuzhi, his eyes never left Lin youlin's face.

the weather is going to change. I need to rest my spirit before I can face the next cold wave!

He laughed coldly. His words had a deep meaning.

"Mute uncle,"

At Lin Hanxing's command, the mute uncle came out of a corner without a sound, his face expressionless.

"Send the guest away!"

It was simple. Lu yuzhi didn't even have the time to protest before he was taken out by the mute uncle.

There was complete silence.

No one dared to speak. Everyone was dumbfounded as they watched and listened.

Lin xiaojiu just stood there casually, as if he had the entire situation under control without any effort!

She was like a queen.

Just by looking at her, one could not help but want to bow to her.

Lin youlin's expression was ugly.

In the past, Lin xiaojiu would have found a reason to cover up her actions, but today, she didn't even try to cover it up and slapped her in the face in public!

And what about him?

She even tried her best to smile and say it didn't hurt!

Lin youlin's expression was ugly, and so was Mother he, Fang Mengran, and han mingmei.

Lin Hanxing ignored him.

He walked past them to the table where the champagne was placed and elegantly picked up a new glass.

"I've embarrassed myself in front of everyone just now. Today is a day that our Lin family should be happy about. I'll punish myself by drinking a cup. Let's drink this first."

Lin Hanxing finished the drink in one gulp.

Then, he raised his hand and poured the empty cup down, as if he wanted to let all the guests see it clearly.

He glanced at his watch.

Looking at the time, that person should have arrived.

Auntie, who's going to be the first and who's going to be the fifteenth?

Her long eyelashes fluttered as a cold glint flashed past them.

Just when everyone was still in a daze, a sarcastic and mean voice came from the entrance.

"Lin youlin, you're so ostentatious."

Upon hearing this, Lin youlin and mother he's faces changed!

Both of them were very familiar with this voice. It was Zhong Yifu, whom they had not seen in a long time!

Why was she here?

Almost subconsciously, Lin youlin looked at Lin Hanxing, her good niece!

It was her!

It must be her!

"Back then, you flattered me like a dog, asking our su family to help the Lin family in the business world. Now that your Lin family is capable, you've used a honey trap to play with our su family and then kicked us away to make a fortune?"

Zhong Yifu didn't dare to look in Lin Hanxing's direction, so she could only put in all her effort to perform.

However, he was indeed resentful and angry.

The SU family should have been involved in the Jiangcheng Bay Bridge project as well. If it wasn't for Luo Mingwei's incident ...

"In your dreams!"

As he spoke, he rushed towards Lin youlin without a care for his image.

Along the way, he picked up a glass of champagne and threw it at her face.

For a time, the scene was in chaos.

Even Fang Mengran and han mingmei were affected.

On the other hand, Chen Shu 'er was standing in a corner, secretly laughing as she looked at the wolf in the distance.

call the police! Call the police!

It was unknown who shouted, but it suddenly stimulated Luo Ruyin's sensitive nerves.

"You can't call the police!"

She growled, but no one heard her except Lin Jiaojiao.

Lin Jiaojiao looked at her cousin from the corner of her eyes, and a faint smile appeared on her face.

Suddenly, she sensed someone approaching.

He turned his head and was so scared that his hair stood on end.

Wasn't the person standing beside him Lin Hanxing?
