

## Goodnight 761

Chapter 761: I'll help you make it bigger

She didn't even look at her, but Lin Jiaojiao felt like a cat that had seen a mouse.

Compared to her brainless cousin, Lin Jiaojiao's only opponent was Lin Hanxing!

"Is it fun?"

Lin Jiaojiao was still thinking when a cold voice suddenly entered her ears.

"Cousin, what's fun?"

Lin Jiaojiao put on a 120000-percent spirit and put on an innocent smile. Even her voice sounded innocent.

At this moment, Zhong Yifu seemed to have gone crazy. The clothes of the people who were close to Lin youlin and mother he were all ruined. As the saying went, "a barefooted person is not afraid of wearing shoes". The more fearless Zhong Yifu was, the more the others couldn't do anything to her.

Lin Hanxing smiled and turned to look at Lin Jiaojiao.

That gaze could reveal all the secrets in one's heart.

The innocent smile on Lin Jiaojiao's face gradually stiffened.

"I'll help you make it bigger, how about it?"

Lin Hanxing's long, black eyelashes fluttered slightly, and the tear mole at the corner of his eye was captivating.

Lin Jiaojiao didn't say a word.

Her words made him feel a sense of shame as if he had been stripped naked.

"I don't understand what you're saying."

With a sneer, in a corner that no one else noticed, the pair of cousins were having an undercurrent.

it doesn't matter if you understand or not. If I can keep this game going, I can also end it early.

Lin Hanxing's calm voice was emotionless, just like how she usually was.

"Are you threatening me?"

Lin Jiaojiao's lowered voice sounded a little anxious.

"Cousin, I'm threatening you by taking the water on Luo Ruyin's bed for a test."

Suddenly, Lin Jiaojiao's expression changed.

She had always thought of herself as an Oriole hidden behind the scenes, but only now did she understand that the one who was really waiting behind the scenes was her cousin who had hidden her abilities well!

Their gazes collided in the air, creating intense sparks.

“What do you want me to do?”

Despite her reluctance, Lin Jiaojiao had no choice but to compromise when her life was in someone else’s hands.

His deliberately lowered voice was trembling.

“These people’s clothes are dirty.”

Lin Hanxing said indifferently.

Lin Jiaojiao was confused. Her clothes were dirty, and then what?

“Of course I have to change my dirty clothes.”

While the two of them were talking, someone hurriedly ran to Shen Shu ‘er’s side and said something to her with her head lowered. Shen Shu’ er’s face instantly changed and became as white washi.

Lin Hanxing took in the scene.

“You just need to use your eloquence to lead Luo Ruyin into my room to change her clothes when she tries to stop you.”

The air was filled with the rich smell of champagne.

Lin Jiaojiao naturally saw it too.

She knew her trap the best. After thinking about it, an idea suddenly flashed in her mind.

Did Luo Ruyin ...

At this moment, Shen Shu ‘er had already rushed upstairs in a hurry. Her steps were messy.

The nanny had just said that the child was not in the room.

He had searched everywhere, but there was still nothing.

Lin Jiaojiao’s eyes flickered with panic. Before she could say anything, Lin Hanxing’s voice rang out again.

“Now, call uncle and the others and ask them to come back.”

The show was about to start, so how could those people not be here?

Hehe.

How could he not be here!

.....

When Luo Minghao and the others received Lin Jiaojiao's call and rushed back, it was already twenty minutes later.

Luo Minghao, Luo Wenbo, Luo Wensu, Lin yanshu, and Zhong Wan 'er had all arrived. Even Zhong Xueqing, he zhehan, and the others had come along. For a moment, the villa was very lively.

?

Chapter 762: The missing baby

Compared to the disheveled ladies and socialites, Lin Hanxing was sitting lazily on the sofa when these people rushed back.

He crossed his legs and greeted them with a faint smile.

Luo Minghao looked at the wolves on the ground and the ladies 'angry but silent expressions. His narrow eyes narrowed dangerously.

It was Lin xiaojiu again!

"Call the police! Call the police and arrest them!"

Luo Wenbo couldn't stand Lin Hanxing's smug look the most. As soon as he opened his mouth, his father glared at him.

"Alright! Get the police to arrest me!"

Zhong Yifu laughed arrogantly and blew the hair on her fingers to the ground.

"Today is a good day for the Lin family. What am I afraid of?"

The Lin family felt suffocated listening to her enigmatic tone.

However, the more she acted like a hoodlum, the more the Lin family couldn't do anything to her.

Luo Wensu's gaze fell on Lin Hanxing.

She supported her cheek with one hand and looked at this ridiculous farce with an indifferent gaze.

He knew that Lin xiaojiu must have been involved in this.

Perhaps Lin Hanxing felt a strange gaze, so he looked over.

The moment his eyes met Luo Wensu's, a clear provocation flashed through his eyes.

Lin youlin clutched her head. Zhong Yifu had pulled off a bunch of her hair during the fight, and it was so painful that she wanted to cry.

She had completely lost all face today!

Luo Minghao's eyes darted back and forth between Lin Hanxing and Zhong Yifu. His intuition told him that Lin xiaojiu was the one who had brought Zhong Yifu here!

Just as he was thinking this, he heard hurried footsteps coming from upstairs.

Before anyone could react, Shen Shu 'er was already in front of Lin qianlin, and a loud thud was heard.

A slap landed on Lin youlin's face.

Everyone was dumbfounded!

What kind of plot development was this?

"Where's my son? I'm asking you about my son!"

Shen Shu 'er did not care about her reputation. She had lost her son and she had searched everywhere but could not find him!

"I know you're the one who hid my son! Give me back my son!"

He grabbed Lin youlin's shoulders with both hands and shook her back and forth, causing her ears to ring and she felt like vomiting.

"Bitch! Who told you to touch my mom!"

Luo Ruyin seemed to have suddenly exploded as she ran towards Shen Shu 'er!

If she hadn't come to her own damn home, that child wouldn't have come. If that child hadn't come, she wouldn't have been annoyed by his noise. She wouldn't have been annoyed by his noise, and she wouldn't have accidentally killed him!

It was all her fault!

It was all their fault!

Luo Ruyin habitually pushed all the mistakes to others, but the strength in her hand was not light.

He kicked Shen Shu 'er to the ground in a few moves.

Zhong Xueqing pulled Fang Mengran to hide in the distance, her eyes sweeping across the crowd, the expressions on everyone's faces were all interesting.

He frowned and wanted to remind her, but when he saw the stains on his daughter's body, he got angry!

"All of you, shut up!"

Lin Hanxing, who was sitting on the sofa, suddenly said coldly.

It was as if the pause button had been pressed, and the world instantly fell silent.

Shen Shu 'er and Luo Ruyin's eyes were blank. Even they themselves could not understand why they were so obedient.

He only felt that there was an overwhelming threat just now!

"Hahahahahahaha! This is called karma!"

Zhong Yifu put her hands on her waist and laughed hysterically. Everyone in Jiangcheng knew that this mistress had given birth to a child for Luo Minghao, and Lin youlin had even helped him to register his name.

Lin Hanxing looked at her expressionlessly.

The laughter gradually died down until it finally stopped abruptly.

Lin yanshu looked at Lin Hanxing, a strange feeling in his heart.

?

Chapter 763: A strong sense of danger

Ever since little 9th had returned, the Lin family seemed to have changed hands silently.

The most obvious one was the servant's attitude.

From the initial frivolity to the current unconditional obedience, Lin yanshu felt that even the other Lin family members living in this villa could not compare to his niece.

Lin yanshu was not the only one who felt this. The rest of the Lin family felt the same!

It was a strong sense of danger!

the servants will clean up this place. Ladies and gentlemen, please follow me upstairs to change your clothes.

Lin Hanxing stood up leisurely and glanced at his uncle, Luo Minghao.

As soon as he finished speaking, the servant had already started cleaning without a word.

"Did I ask you to clean up?"

Luo Wenbo was the first to lose his cool, and he shouted at the servants without any dignity.

However, the servant seemed to be deaf and only cleaned in silence, not responding to Luo Wenbo's roar at all.

For a moment, the scene seemed a little strange.

"No!"

When Luo Ruyin heard that Lin Hanxing wanted to bring someone to the room to change, she stopped him with a pale face.

As soon as he finished speaking, Luo Wensu's sharp eyes fell on his sister's face.

She was not right.

"Cousin, we can't lose the Lin family's etiquette."

Lin Jiaojiao said weakly. She stood beside her mother, Zhong Wan 'er, like a little white flower that made people want to love her.

"I said no, so no!"

Luo Ruyin glared at Lin Jiaojiao fiercely, her eyes looking like she wanted to tear her apart.

Lin Jiaojiao was so scared that she hid behind Zhong Wan 'er.

This caused Lin yanshu and Zhong Wan 'er, who were his parents, to be unhappy.

"Mr. Lei gave my cousin a lot of clothes ..."

Lin Jiaojiao mumbled to herself.

When the female guests heard this, the anger in their hearts instantly dissipated, and their eyes began to light up.

Mr. Ley?

Was he talking about young master Lei Xiao?

"We came here happily, and now you want us to go back?"

"That's right, that's right!"

For a time, the whispers continued, and the Lin family's faces became uglier the more they heard.

He zhehan stood beside his mother and squinted at Lin Hanxing.

Her black outfit completely highlighted the mystery in her bones, making people's imagination run wild.

On the other hand, Zhong Xueqing felt that something was not right while she was protecting her daughter.

"Mengran, you'll follow me up later."

He whispered in his daughter's ear.

After hearing this, Fang Mengran's eyes were filled with complicated emotions.

From the beginning to the end, Lin Hanxing did not say a single word of nonsense. His delicate little face was as calm as water.

She didn't know when, but Jiang Xibao was standing beside her.

He nodded at Lin Hanxing without a trace.

"Come with me."

After saying that, he walked towards the hollow carved staircase.

He only stopped when he passed by the sobbing Shen Shu 'er.

"What's the use of crying?"

A cold voice rang in everyone's ears.

Shen Shu 'er raised her head with her red and swollen eyes. From her angle, she could see Lin Hanxing's long eyelashes fluttering.

There was even a cold light floating in his eyes.

since the child is missing, hurry up and call the police. Let the police help look for her. Maybe we'll find her.

Lin Hanxing's face was expressionless as he said this.

No one could tell whether he was happy or angry.

Call the police!

Luo Ruyin's eyes flickered, and her face was as white as paper.

He raised his head in confusion.

However, she suddenly met Lin Hanxing's cold gaze that passed over Shen Shu 'er.

Lin Hanxing gave her a meaningful smile.

Cold sweat rolled down his forehead like beans!

What did she know?

Luo Ruyin's entire scalp was numb, like a quail that had fallen into a trap.

It was boundless fear.

?

Chapter 764: Every step was calculated just right

"You absolutely can't call the police."

Luo Wensu walked to his parents' side. His voice was very low, but he sounded very anxious.

Luo Minghao suddenly became alert.

He was still very concerned about what his son said.

Luo Wenbo saw this scene, and his eyes instantly darkened.

"Ruyin's condition isn't right."

Hearing this, Luo Minghao and Lin Qianlin's eyes turned to Luo Ruyin.

That paper-white face, those anxious eyes, and the frequent small movements ...

"It can't be ..."

A mother knows her daughter best. Lin youlin's heart jumped up to her throat. Her intuition told her that her son was right.

When he saw that Shen Shu 'er had already picked up her phone and entered a number, Luo Wenbo rushed over without thinking. He snatched her phone and threw it on the ground, shattering it into pieces.

"Don't cause any more trouble at home, do you hear me?"

Luo Wenbo lowered his head, his eyes ruthless.

Shen Shu 'er was so frightened that she could not say a word for a long time.

She was also worried about her son, and her eyes were filled with tears. Luo Wenbo noticed her pitiful appearance.

At this moment, Lin youlin could not care less about other people's attitudes.

He grabbed the panic-stricken Luo Ruyin and dragged her to a corner.

"Was it you? Did you ..."

Afraid that her voice would be too loud, Lin youlin turned around and lowered her voice again.

"Did you hide it?"

Her daughter had been pampered and spoiled in the past, but this was the worst result that Lin youlin could think of.

"I think something's not right."

Zhong Wan 'er tugged at her husband, her voice as soft as a mosquito.

Lin yanshu felt it too, but with so many guests present, he could not say anything.

"Quickly say something!"

Lin youlin was in a sorry state, and she had a headache about her daughter.

"He's ... He's dead ..."

Luo Ruyin said in a trembling voice. Her voice was very soft, but Lin youlin could still hear her clearly.

BOOM!

Lin youlin felt like she was being struck by a bolt of lightning!

"I accidentally ... I accidentally ... Suffocated ..."

After saying that, as if she wanted to release the fear and fear in her heart, Luo Ruyin grinned and was about to cry.

Lin youlin gave her a tight slap!

"Don't cry!"

Luo Wensu, who was standing not far away, could only see their movements but not hear their voices. His heart skipped a beat.

He subconsciously exchanged a glance with his father.

Luo Wensu wasn't like Lin youlin. He knew how stupid and bad his sister was.

It was precisely because of this that he would only think of the worst possible scenario!

Luo Wensu closed his eyes to calm himself down.

When he opened his eyes again, he looked in Shen Shu 'er's direction.

However, when she saw that her eldest brother had yet to let go of Shen Shu 'er's hand, and his eyes were filled with greed, she was extremely annoyed!

He was completely disappointed in Luo Wenbo!

"Where did you hide it?"

Lin qianlin forced herself to calm down. Her voice was barely squeezed out from between her clenched teeth.

"Hide ..."

"Sir, Madam, these few ..."

Before Luo Ruyin could finish her words, the servant's nervous voice came from the entrance.

He looked over and saw a few police officers in uniform following behind him!

Who called the police?

Luo Wensu suddenly looked up in the direction where Lin Hanxing had disappeared.

It was empty.

He turned to look at Zhong Yifu.

The big palm gradually clenched.

This cousin of his had calculated every step just right!

When Luo Ruyin saw the police appear, she rushed into Lin youlin's arms, her heart thumping!

"May I ask who is miss Lin Hanxing?"

The police officer asked.

?

Chapter 765: This is heaven for women

Upstairs, in Lin Hanxing's room.

When Jiang Xibao pushed open the door of the cloakroom, there was a continuous stream of exclamations behind him.

Even Fang Mengran and Han Mingmei could not help but widen their eyes.

Everyone here had some of the most wealth in Rivertown, but even so, they were definitely not this rich!

On the left, there were female shoes arranged according to color and height.

The brand new and unopened female clothes on the right were mostly limited edition. Some of them were not even on the market in Jiang city!

The jewelry and accessories in the middle were even more dazzling.

Everyone's eyes were wide open, and their feet seemed to be nailed to the floor, unable to move!

What did he mean by there's always someone better ...

I've finally experienced it today!

This was a woman's heaven!

this young master Lei is way too nice to Lin xiaojiu!

In the cloakroom, the socialites were whispering to each other, full of envy, jealousy, and hatred.

"Do you guys remember what the online marketing account" is there a circle in entertainment "said?"

"What did he say?"

She picked up a piece of clothing from the rack and kept gesturing at it, unable to stop.

they said that Lin xiaojiu went to team& Lyon once, but young master Lei didn't even show up. What did she look at? young master Lei asked the higher-ups to leave her with everything she saw. I guess that's all there is to it!

I don't know what kind of dogshit luck this Lin xiaojiu has to be able to catch the eye of young master Lei!

.....

Outside the cloakroom, Lin Hanxing was fiddling with the box that contained the gold bars.

The lower floor was elevated by a strange object, and it looked no different from normal if one didn't look carefully.

"Shen Shu 'er's schemes are all used in this kind of place."

Lin Hanxing smiled coldly, closed the box and handed it to Jiang Xibao.

Someone knocked on the door.

"Miss, there are a few police officers downstairs who want to see you."

The voice was cautious and respectful.

"I know."

Lin Hanxing got up and looked in the direction of the half-covered cloakroom. He picked up something from the table and walked out of the bedroom.

Jiang Xibao held the box and followed her quietly.

There was dead silence downstairs due to the arrival of the police.

In a short period of time, the servants had already cleaned up the living room, and there were no signs of disorder.

Hearing the movement from the stairs, everyone looked up.

Lin Hanxing walked down the stairs expressionlessly.

For a moment, everyone's expression was different, but their eyes were fixed on her.

For the police, Lin xiaojiu's name was already known to all the major police units after what happened with Luo Mingwei. Now that they could see him in person, the young police officer behind the older police officer was obviously very excited.

"Miss Lin, did you call the police?"

He didn't know if it was due to his professional sensitivity, but the old policeman felt that the atmosphere in the room was strange.

"I was the one who called the police."

"Stealing?"

The older policeman asked, and the younger policeman subconsciously recorded Lin Hanxing's face with the law enforcement recorder in his hand.

Lin Hanxing glanced at Jiang Xibao who was behind him.

The latter quickly poured the box of gold bars on the coffee table.

Shen Shu 'er's eyes widened, and her mind went blank.

Wasn't she not at home?

How did he know that something was missing?

However, before Shen Shu 'er could regain her senses ...

Lin Hanxing snapped his fingers, and the mute uncle carried the struggling nanny out from behind him with an expressionless face.

With a thud, he threw her in front of the police.

It was frightening.

“Miss Lin, you ...”

The old policeman was a little confused, but the young lady’s aura was so strong that it couldn’t be ignored.

“She stole it.”

Those cold and simple words made Shen Shu ‘er’s heart beat faster.

Just as the police were about to speak, a sudden scream came from upstairs. Soon, socialites with messy clothes appeared from the stairs, some of them crying in fear!

“There’s a dead person in Lin xiaojiu’s room!”

?

Chapter 766: I’ll let you know what it means to be powerless

His words shocked everyone!

The thing that the Lin family was most worried about had happened!

Lin qianlin gripped Luo Ruyin’s wrist tightly.

Just a little bit more, just a little bit more!

Even if he had hidden the baby’s body in advance and not asked anyone to deal with it later, it would have been fine.

However, it was just this little bit away!

Hearing the word ‘dead’, the police immediately tensed up.

Fang Mengran ran the fastest and ran into Zhong Xueqing’s arms.

it’s a baby. His eyes and nose are bleeding. Mom ... I want to go home!

Wailing and crying came one after another. This group of noble ladies had never seen such a situation before. They were so scared that their legs went soft and did not dare to move. When they thought about how their clothes and the baby’s body were placed together, they all started to vomit.

“I’ll go up and have a look. I’ll call my colleagues nearby.”

The old policeman looked at the calm Lin Hanxing thoughtfully and instructed his little disciple.

After saying that, he ran upstairs!

Lin Hanxing sat on the sofa lazily.

Her exquisite and beautiful face was cold and distant.

His eyes fell on Lin youlin.

The latter stood by her daughter's side to protect her. Perhaps because she was too nervous, the corners of her mouth were trembling.

Lin youlin noticed his gaze and looked over.

"Xi Bao, help me get a glass of champagne."

His words were directed at Jiang Xibao, but his eyes were looking at Lin youlin in the air.

The others looked at Lin Hanxing in surprise.

A dead person was found in her room!

She was actually in the mood to drink champagne as if nothing had happened?

This quality of mind was too good!

"I want to go home."

The socialite sobbed as she came downstairs, pretending to take her bag and leave.

"No, no one can leave now!"

The young police officer who had just called for reinforcements blocked the door with a straight face.

Jiang Xibao quickly brought the champagne over.

Lin Hanxing elegantly raised his wine glass to Lin youlin.

The latter gritted his teeth.

Yingluo, you can't win against her!

Zhenzhen, don't try to get into that girl's heart.

Zhong Xueqing hugged her daughter and suddenly remembered her father's words.

His initial indifference had turned into a deep fear of a little girl for the first time in his life!

Lin Hanxing slowly sipped his champagne as if he could not see the fear in the eyes of the people around him.

The rich fruity fragrance spread out on his taste buds.

Her long eyelashes fluttered.

I'm going to let you know what it means to be powerless.

Shen Shu 'er ran up the stairs like a mad woman. Not long after, her heart-wrenching cries could be heard downstairs.

It made Luo Ruyin even more like a startled bird.

The police's reinforcements arrived very quickly and surrounded the Lin family's Villa.

Lin Jiaojiao's eyes were filled with doubt.

Was this the end?

She had spent so much effort to set up this trap, so how could she prove that the child's death was related to Luo Ruyin in the shortest time possible?

In fact, Lin Jiaojiao was also a little afraid.

She was afraid that Lin Hanxing would expose her for drugging him.

She should ...

No way?

The room was filled with police officers. The first thing they saw when they entered the room was the sofa.

It was because the aura there was too strong, and it was impossible to ignore.

Moreover, compared to the panic of the people at the scene, the person sitting on the sofa was too calm. How could they not notice him?

Luo Wensu clenched his fists tightly. Compared to Luo Wenbo's panic, he was clearly much calmer.

She was too calm.

She was so calm that it made people feel that she had victory in her hands.

He wanted to know what kind of trump card Lin Hanxing had.

If he really couldn't keep Ruyin, then ...

Just as she was thinking about it, she heard footsteps coming from upstairs. She saw Shen Shu 'er rushing towards Lin Hanxing!

Lin little nine, I'll take your life!

?

Chapter 767: Why should I be afraid?

Shen Shu 'er seemed to have gone crazy.

Her son was gone. The son that could allow her to gain a foothold in the Lin family was gone!

He was still so young, how could she do it!

Shen Shu 'er completely lost her mind due to her anger and worry about her future. She was convinced that since it was found in Lin xiaojia's room, she must have something to do with it!

Looking at Lin xiaojia's crazed appearance, everyone broke out in a cold sweat.

Lin youlin sneered in her heart.

He wished that Shen Shu 'er would be of some use and let Lin xiaojiu have a taste of what it was like to suffer.

But reality gave Lin youlin a tight slap in the face.

Before Shen Shu 'er could get close to Lin Hanxing, she was already blocked by Jiang Xibao, who was extremely strong, and kept a safe distance from him.

"You want me to pay with my life?"

Lin Hanxing's lips curled into a faint smile as if he had heard a funny joke.

I know you've never liked us, mother and daughter. You're someone who can even kill Luo Mingwei, but I didn't expect you to be so ruthless! He was just born ..."

Shen Shu 'er struggled with all her might and screamed madly.

It was as if he was shouting so that everyone could hear him clearly.

Lin Hanxing, who had been sitting on the sofa, suddenly moved.

She casually placed the empty wine glass upside down on the coffee table and stood up to walk towards Shen Shu 'er.

His black high-top boots stepped on the ground with a powerful clang.

Very quickly, Lin Hanxing walked up to her.

He raised his hand and pinched Shen Shu 'er's chin so hard that his fingertips dug into her flesh.

"Why would I kill your son? Just because you ordered someone to steal my things?"

Lin Hanxing's eyes were filled with mockery, but the words that came out of his mouth made the people around him exclaim.

Stealing?

"I killed him in my room? That murder case must have been too easy to solve."

The old policeman happened to hear this when he came down from upstairs.

He looked at Lin Hanxing with a thoughtful expression.

"It's you! It's definitely you!"

Shen Shu 'er cried her heart out and could not think straight.

we need evidence to solve a case these days. If you can produce evidence to prove that I'm the murderer, I'll admit to my crime immediately. Shen Shu 'er, can you do that? "

Lin Hanxing finished and looked around.

"Can you guys?"

The entire place was silent, and no one spoke.

“Miss Lin, aren’t you afraid?”

The old policeman suddenly interjected. No one knew if he was really curious about this question or if he was just testing the waters.

“Why should I be afraid?”

Lin Hanxing released Shen Shu ‘er’s chin as he spoke.

“After all, he died in your room.”

According to normal logic, the socialites who were still crying and retching were the normal ones, right?

“But I have a clear conscience, what is there to be afraid of?”

Lin Hanxing looked at the old policeman and let him look at him carefully.

“Miss Lin, to be honest, based on my experience, I don’t think you’re the murderer.”

Lin Hanxing laughed.

“Then I should say thank you.”

but don’t you think it’s too much of a coincidence, miss Lin? ”

The old police officer’s next question made Lin Hanxing’s smile deepen.

“What’s the coincidence you’re talking about?”

The young police officer looked at his master, then at Lin Hanxing.

The old policeman spread his hands and gestured.

“All of this.”

Lin Hanxing laughed as he looked over his shoulder and saw the expressions on the faces of Yi Gan Ren and the others.

“Why don’t we go back to the original topic?”

Lin Hanxing pointed at the nanny, who was still sitting on the ground as if she had not recovered from the shock of the child’s death.

“How did I know that she stole my things?”

?

Chapter 768: The list of stolen items

As soon as he said this, the living room of the villa exploded.

Her child had just died, so it was too unreasonable to say such words!

At that moment, everyone’s eyes fell on Lin Hanxing’s face.

Even the young officer was starting to feel apprehensive.

Only Luo Wensu felt his scalp go numb when he heard this. He was sensitive enough to realize the seriousness of the problem!

Others might not understand, but he did.

The more Lin xiaojiu talked about seemingly insignificant issues, the more cautious he had to be.

This was a signal of danger!

you're still concerned about this at a time like this? "

Shen Shu 'er was crying hysterically. She wanted Lin Hanxing to be buried with her son!

"I'll return it to you, I'll return it all to you!"

Shen Shu 'er's howls resounded throughout the villa, and her veins were bulging from her face.

"I was waiting for you to say that."

Lin Hanxing smiled slightly, his face as beautiful as a peony flower, making one's heart beat wildly.

She reached out to the side.

The mute uncle quickly passed a piece of paper to Lin Hanxing.

She lowered her head and quickly scanned through it.

The corners of his lips curled up into a sarcastic smile.

Just as the others were curious about what she had written on the paper, Lin Hanxing's cold voice rang out again.

"Fourteen gold bars ..."

The more Lin Hanxing read, the wider everyone's eyes widened.

Even the rich ladies and socialites forgot to cry and vomit as they listened in a daze.

It was a list of stolen items.

There were Eight Treasures exquisite jade bracelets, Phoenix pair jade rings, and so on ...

These were all the more famous jewelry items from the Sotheby's auction house in Hong Kong in recent years!

Everyone present was a well-known socialite in Jiang city, but even so, most of them had only seen paintings of these things. Now that Lin xiaojiu had opened his mouth and brought it up, wasn't it a little too strange?

After reading the long list, the Lin family's faces turned green!

How short-sighted was Shen Shu 'er?

He actually got someone to steal so many things from Lin xiaojiu?

More importantly, Lin xiaojiu actually had so much money?

Even if they wanted to link these things to young master Lei Xiao, they could not!

These pieces of jewelry had a span of three to four years. In other words, before Lin Hanxing met Lei Xiao, she already had the capital to buy these things.

Lin Jiaojiao, who was hiding behind her parents, widened her eyes when she heard this.

Where did her cousin get the money from?

Lin Hanxing smiled and handed the list to the old policeman in front of him.

“The total value of the items is close to 35 million. I think it should be enough to file a case.”

Not only was it enough to file a case, but it was also enough to make a big case!

Shen Shu! Er was still crying, and the housekeeper! Who was kneeling on the ground! Was stunned. So much money!

The old policeman looked at the list in his hand, his eyes deep.

The more he thought about it, the more he felt that this little girl was unfathomable!

It was obvious that the items on the list couldn't have been stolen in a day, but she had chosen to bide her time for a long time and only wait for the critical moment. This patience alone was several times higher than the socialites present.

The young policeman went to the driver's side and looked at the list.

The list was really clear at a glance. It was classified according to the item, followed by the name, price, and even the serial number of the appraisal certificate.

The people watching clicked their tongues and sighed.

The old policeman was thinking about something else.

“Shen Shu ‘er, how about we make a deal?”

Lin Hanxing's voice was cold and sarcastic, and it made people's hearts tremble.

A deal?

How could she still be in the mood to make a deal at this time?

Even though they thought that way, everyone was still waiting for Lin Hanxing's next move that was out of line!

?

Chapter 769: A fair and reasonable deal

Lin xiaojiu, do you still have any humanity left in you?!

Luo Wenbo had never thought that Lin Hanxing would be able to control the atmosphere with just a few words.

At that moment, he was extremely angry and only wanted to make her unhappy.

However, Lin Hanxing only smiled calmly when he heard his words.

“Human nature?”

Lin Hanxing repeated these two words over and over again. His long eyelashes fluttered, creating ripples.

“I don’t, do you?”

A cold wind from somewhere ruffled Lin Hanxing’s long hair.

That cold and disdainful look was inexplicably fascinating.

Luo Wenbo had thought of thousands of ways Lin Hanxing could answer, but this was the only one that was not in his plan!

For a long time, he didn’t know how to respond without losing his momentum!

Yingluo, why don’t we go back to the original topic?

Yingluo, how did I know she stole my things?

The old policeman was still staring at the list in his hand, but these two sentences inexplicably appeared in his mind.

He had a premonition.

This little girl actually knew who the murderer was.

However, this was just his own guess and couldn’t be accurate.

“Deal? What kind of deal do you want to make with me? Can you return my son’s life?”

Shen Shu ‘er’s eyes were bloodshot from crying as she spoke in a gloomy voice.

“Only a God can return your son’s life.”

Lin Hanxing said as he smiled.

Seeing that she could still laugh, everyone present was amazed.

Even if she wasn’t the murderer, a child had died in her room, yet she could still remain calm and composed.

His mental fortitude was really too good.

“But I don’t want anything other than my son’s life!”

Shen Shu 'er gritted her teeth. However, she did not know if it was because of the cold wind, but she was more or less clear-headed.

"Don't be too sure."

As he said that, Lin Hanxing gave Jiang Xibao a look.

After confirming that Shen Shu 'er would not continue to fight with the ninth young lady, Jiang Xibao let her go.

"Although I can't return your son's life, I can tell you who put the child in my room."

As soon as these words came out, everyone was shocked!

As if they couldn't believe their ears, the discussions rose and fell.

Luo Ruyin clenched Lin youlin's hand tightly, and cold sweat dripped down her face.

It was indeed like this!

Luo Wensu's eyes were closed. Although he was prepared, his heart couldn't help but thump.

When he noticed that someone was looking at his face, he subconsciously looked over.

It was his father, Luo Minghao.

There was a probing look in his eyes.

Even though Luo Wensu didn't want to do this, he still shook his head helplessly at his father.

If the police had not arrived, he could still think of a way to suppress the matter.

But now that things had come to this, what ability did he have to deal with it?

"Who's the murderer?"

Shen Shu 'er's expression instantly became fierce again.

He glared at Lin Hanxing.

"Miss Lin, do you know who the murderer is?"

Her voice attracted the attention of the police officers who were investigating and collecting evidence. Everyone's eyes were focused on Lin Hanxing.

The old policeman asked.

Lin Hanxing smiled but did not say anything. He only looked into Shen Shu 'er's eyes.

"I said just now, how about we make a fair and reasonable deal?"

Lin xiaojiu, what do you want? "

Shen Shu 'er took a few steps forward and wanted to rush in her direction, but she was blocked by the young police officer.

“Return everything on the list to me, and I’ll tell you who it is.”

Lin Hanxing pointed at the list in the old policeman’s hand and said coldly.

It was not easy to take her things.

It wasn’t easy to take advantage of her.

Chapter 770: Returning it back without any difference

15 minutes later.

The coffee table in front of Lin Hanxing was already full.

The exquisite jewelry box was in an open state, perfectly presenting the luxury of jewelry and Jade.

If these items were just a bunch of names on the list, when the items were actually placed in front of them, even the experienced and knowledgeable police officers were dumbfounded.

In the end, even the coffee table couldn’t be placed properly, and bags and stuff were piled on the ground.

Shen Shu ‘er had already forgotten her initial shame and only wanted to know who the murderer was.

“Gold bars ... I’ll get the nanny to sell the gold bars.”

Other than the gold bars, Shen Shu ‘er had already taken out everything she had stolen.

“Oh, where’s the money?”

Lin Hanxing casually picked up a jade bracelet and fiddled with it.

Shen Shu ‘er subconsciously looked at Luo Ruyin, causing the latter to shiver in fear.

“It was snatched by Luo Ruyin.”

After Shen Shu ‘er finished speaking, everyone looked at Luo Ruyin with strange gazes. That feeling was like a death row criminal waiting for her execution. The suffering and fear caused Luo Ruyin’s face to lose all of her previous pride and arrogance.

Just what kind of life was Lin xiaojiu leading in the Lin family?

Someone had stolen the things that had been left at home.

Younger cousin sister still wants to share the spoils!

Lin Hanxing, who was sitting on the sofa, sneered when he heard this, but it was a different feeling to the ears.

“Since it was taken by younger Biao sister, then the money will be paid by aunt and uncle. No objections?”

The sound of his fingertips playing with the beads rang out.

How could Lin youlin and Luo Minghao say no in front of so many people?

Very quickly, she gritted her teeth and called for the servant to send the money over.

He stretched out his hand and snapped his fingers.

The mute uncle came out silently with a box with a kraft paper bag on it.

“Inside this is ...”

The old policeman asked.

Lin Hanxing smiled and gave the mute uncle a look.

The moment the box was opened, the fourteen gold bars that Shen Shu ‘er had ordered people to sell were lying quietly inside, dazzling everyone’s eyes.

“Fortunately, the owner of the pawnshop knows me. Otherwise, I wouldn’t have been able to get back this damn thing.”

“But I have to return the money.”

Lin Hanxing’s voice was clear and cold, but it made people shiver.

She had gotten back what had been stolen without much effort. Strictly speaking, she didn’t even lose anything, but she had two meanings to the people present.

First, her life in the Lin family was not as comfortable as outsiders imagined.

Second, she was not to be trifled with.

Lin Jiaojiao’s eyes narrowed.

This cousin of hers was really unwilling to suffer any losses.

As he thought about it, his back broke out in a cold sweat.

After this incident, his cousin would probably tear off her friendly facade with the Lin family.

As for the banquet three days later ...

The mute uncle handed the kraft paper bag to the old policeman expressionlessly.

The old policeman opened it.

Inside the bag was a printed version of the surveillance video of the nanny selling gold bars.

Lin xiaojiu, I’ve returned everything to you. Can you tell me who the murderer is now? ”

Shen Shu ‘er only wanted to know who the murderer was.

He wished he could cut the other party into a thousand pieces and drink his blood to cut his flesh.

Lin Hanxing gave Shen Shu ‘er a meaningful look.

Everyone was waiting for her answer in fear. They wanted to know who was so cruel to kill such a small child and then hide him in someone else's room. He was worse than a beast!

"I don't know who the murderer is."

Lin Hanxing finally opened his mouth.

However, it was like dropping an atomic bomb, causing a sensation.

What? she said she didn't know?

Lin xiaojiu, are you kidding me? "

Shen Shu 'er broke down and roared.
