

Goodnight 771

Chapter 771: She was as cunning as a Fox

Luo Ruyin's mind went blank.

Immediately, he was overjoyed.

However, this joy did not last long before it was ruthlessly shattered by Lin Hanxing's next words.

"I mean, it's the police's responsibility to identify who the murderer is."

Lin Hanxing's delicate little face showed a faint smile.

"It has nothing to do with me,"

"You just said that you would tell me who the murderer is!"

Shen Shu 'er shouted until her throat was hoarse.

Lin Hanxing, on the other hand, pressed his ear with his hand to stop her from disturbing him.

"What I said just now was, I'll tell you who put the child in my room!"

Lin Hanxing looked at her coldly, his voice calm as usual.

Um ...

Everyone realized that Lin xiaojiu's words were true.

She had indeed not mentioned the word "murderer" just now.

The original words were ...

Yingluo, I can't return your son's life, but I can tell you who put the child in my room.

It was the people behind who automatically thought that he was the murderer.

She was as cunning as a Fox.

Han mingmei, who had been standing beside Zhong Xueqing and her daughter, looked at Lin Hanxing and thought to herself.

Even if they later found out that the person who entered her room was not the murderer, it had nothing to do with her.

It was really watertight.

"Miss Lin, how did you know?"

The young policeman finally couldn't help but interrupt after watching for so long.

Lin Hanxing raised his head and looked at the young policeman.

The latter's mind was shaken by that pair of watery eyes, and she couldn't help but blush.

"This is all thanks to my younger cousin sister."

Luo Ruyin, whose name was called by Lin Hanxing, was like a bird startled by the twang of a bow. Her behavior made the old policeman frown.

she went to great lengths to install surveillance equipment in my room.

Lin Hanxing's words silenced the living room.

This group of noble ladies felt that the shock they had suffered in their entire lives was not as much as what they had experienced today!

Even the members of the Lin family all turned their gazes to Luo Ruyin's face.

"You're talking nonsense! I didn't!"

Hearing this, Luo Ruyin was completely dumbfounded. When did she install a surveillance camera in her room?

"I didn't, I really didn't! It's all Lin xiaojiu's nonsense!"

Luo Ruyin's usual sharp-tongued words were of no use at all today. She only kept repeating this sentence!

"My sister would never do such a thing!"

Luo Wenbo had always been protective of his sister, but Lin Hanxing had been waiting for these words!

"Younger Biao sister is not a lunatic, of course she would not take the initiative to do this."

Lin Hanxing supported his cheek with one hand and smiled faintly.

"Someone's seducing her."

The unexpected development of the plot had left everyone completely speechless.

Even the police officers who were sent to guard the door turned their eyes in their direction.

Perhaps no one would have thought that such a simple case would involve so many things.

The life of the rich was a little too messy!

"Who is it? Who is it?"

Luo Wenbo continued to ask!

If it weren't for the fact that there were so many people around, Luo Wensu really wanted to give his big brother a punch!

Did he even have a brain!

How could he ask such a question in such a situation?

Regardless of whether it was true or not, it would cause irreparable damage to her sister and the Lin family!

Lin Hanxing found Luo Wensu's helpless expression to be interesting.

With such a stupid family, what could Luo Wensu do even if he was smart?

the grandson of the Lu corporation's old master Lu, Lu Jiashu.

He was dumbfounded!

No matter how profound the Chinese language was, there was no word that could describe the shock in the hearts of this group of people.

How did Lu Jiashu get involved again?

Chapter 772: There's no way to reverse the situation

When she heard this name, Luo Ruyin felt as if she had been struck by lightning!

The memory that she had almost forgotten was brought back to her mind.

Zhong Xueqing and mother he were also shocked. Fortunately, Lu yuzhi had already left. Otherwise, who knew what kind of trouble he would have caused.

"What's going on?"

Lin qianlin asked Luo Ruyin in a low voice, but how was she supposed to open her mouth about what had happened back then?

Everyone stood there, looking at each other.

Lu Jiashu!

The small group of Jiang city's influential people had long since recognized him as the future successor of the Lu group.

The public's impression of him was that he was a gentle and elegant man who gave off a warm and gentle feeling.

How could he do such a despicable thing?

Working with his cousin to install surveillance equipment in the bedroom?

Lin xiaojiu, I don't even believe a single word you say!

Luo Wenbo raised his head and laughed. This was the funniest joke she had heard this year.

Did Lin xiaojiu really think she was some peerless beauty?

All men covet her type?

As he laughed, Luo Wenbo's voice suddenly stopped.

Because everyone was still in shock and didn't make a sound, he felt like an idiot.

if you don't believe me, the police are still here. Let them search my room and you'll know.

Lin Hanxing held his cheek with one hand, his slightly curly, seaweed-like long hair pouring down.

There was an indescribable sense of beauty that rippled in people's hearts.

"Let's go up and find it."

The old policeman signaled his apprentice to go upstairs with his eyes. The whole thing had begun to develop in an incredible direction.

He looked deeply at Lin Hanxing.

His intuition told him that this was probably a trap.

Even the police had become a chess piece in her game.

It was just that things had developed to this point, and they had no choice but to participate.

Soon, the young police officer ran down from upstairs, panting.

"Master! There really was! There's really a hidden camera!"

Even though he was out of breath, the young policeman still managed to say the sentence.

This sentence was like a slap to Luo Wenbo's face.

"Ruyin, you ..."

"Cousin ..."

The Lin family members all looked at Luo Ruyin in disbelief.

"No! How was that possible? It's Lin xiaojiu who's framing me! I didn't!"

Luo Ruyin was immersed in shock, unable to extricate herself.

How could there be a surveillance camera?

He had personally installed that thing back then, so there definitely wouldn't be any surveillance cameras!

cousin, are you still speaking up for Lu Jiashu at the last moment? "

Lin Hanxing's voice was cold.

It seemed to be soundless, but it carried an overbearing tone.

This caused Luo Ruyin, who was already panicking and not knowing where she was going, to shout out loud without a care!

"I didn't!"

back then, Lu Jiashu only asked me to install audio monitoring equipment. How could there be something like a camera!

Luo Ruyin loudly and desperately tried to defend herself.

She did not notice the cold glint that flashed across Lin Hanxing's eyes when she said that.

Everyone was in an uproar.

"Idiot!"

Zhong Xueqing squeezed out these two words through gritted teeth.

Mother he leaned against the Chengyu and felt her forehead swelling.

How could Luo Ruyin be so stupid!

Luo Ruyin, who was slow to realize what she had said, suddenly covered her mouth and looked around at her surroundings in a daze. She really didn't ...

There really weren't any cameras installed.

Lin Hanxing chuckled.

Of course, she knew that she didn't, because ...

She was the one who had asked someone to install the camera.

Chapter 773: The seed that had been planted long ago

Lin Hanxing had planted a seed in his heart when he found out that Lu Jiashu had dared to tamper with his room.

After biding his time for so many days, the best opportunity had finally arrived.

Lin Hanxing's eyes were cold.

Lu Jiashu couldn't have really thought that everything would be written off just because of that bottle of wine that had smashed on his head, right?

Jiang Xibao looked at Lin Hanxing with admiration.

If he had not brought it up today, she would have completely forgotten about the incident at the count of Starlight.

Jiang Xibao was really disgusted by Lu Jiashu, who was so full of himself.

Compared to Lu Jiashu, even Lu Bingde, that idiot, had become cute.

"Then, when we changed our clothes ..."

As if they had suddenly thought of something, the socialites cried out in surprise, their beautiful faces turning pale.

Lin youlin slapped Luo Ruyin's face hard!

How could she be so stupid?

Luo Ruyin, who was caught off guard, was suddenly slapped to the ground, her head hitting the coffee table.

The fruit and the fruit knife were knocked to the ground.

it's clear now. If you want to know who put the baby in my room, you just need to take the surveillance video from Lu Jiashu's side. The truth will be clear.

Lin Hanxing's voice was cold. Even though he had just said something so shocking, there was no change in his tone.

As he spoke, he got up and walked to Luo Ruyin, who was still lying on the ground. Blood was still flowing from her forehead.

The tip of his foot seemed to have inadvertently hit the fruit knife, kicking that thing very close to Luo Ruyin's hand.

Everyone was immersed in their own thoughts and no one noticed this.

Only Lin Jiaojiao.

When he saw this scene, he slightly closed his long eyelashes and leaned into Zhong Wan 'er's arms.

"I'm going to the Lu family."

The moment the old policeman spoke, Luo Ruyin's body trembled, and her fingers accidentally touched the fruit knife.

"You're not allowed to go!"

In the beginning, her voice was muffled and soft. Other than Lin Hanxing, no one else heard her.

The police were no exception.

Just as the young police officer was walking out of the villa, Luo Ruyin suddenly exploded!

"Don't go! I said you're not allowed to go!"

The angry roar seemed to reverberate through the clouds. Everyone was frightened by Luo Ruyin.

When Luo Wensu's gaze swept over the fruit knife beside Luo Ruyin's hand, he suddenly trembled!

"Not good!"

He wanted to ask Lin youlin, who was closer to Luo Ruyin, to stop her, but it was too late!

She saw Luo Ruyin pick up the fruit knife like a crazy person and pull Lin Hanxing into her arms, the sharp blade pressed against her neck.

"Don't move!"

The police officers reflexively pulled out their guns and pointed them at Luo Ruyin, and the scene was in chaos.

The screams of the rich ladies and socialites rang out.

On the other hand, Lin Hanxing, who was being held hostage, still had a calm expression on his face.

He comforted the mute uncle and Jiang Xibao with his eyes and even smiled.

"I didn't do it on purpose! I really didn't do it on purpose!"

Luo Ruyin's face was a mixture of blood and tears. Compared to Lin Hanxing, who she had held hostage, it was simply too horrible to look at.

"It's you! Luo Ruyin! It's you!"

Shen Shu'er came to a sudden realization and glared at Luo Ruyin fiercely.

"Shut up!"

Luo Ruyin roared.

Her mind went blank, and she felt that she was finished!

"Release her!"

Afraid that the situation would go out of control, the police were still hesitating whether to negotiate.

However, when he saw the smile on Lin Hanxing's lips, his fingers paused.

What was she trying to do?

The sharp blade left a shallow bloody mark on her white neck, the red and white intertwining was very eye-catching.

"Younger cousin sister, you've always been so willful."

Chapter 774: The last person who threatened me like this

In this tense atmosphere, her cold voice was like a clear spring that poured into everyone's hearts.

Lin Hanxing was too calm.

Lin xiaojiu, shut up!

Fear and panic almost caused Luo Ruyin to collapse. How did things become like this?

"You're the one who's jealous of me. You're the one who's trying to harm me!"

"Why would I be jealous of you?"

Lin Hanxing chuckled, his tone puzzled.

The sunlight poured in from the floor-to-ceiling window.

The golden light even coated the tiny dust with the same color, and the fine particles lingered around the two.

Everyone's eyes were focused on Lin Hanxing.

Her eyes were very beautiful.

His amber eyes were cold and mysterious.

"Luo Ruyin, I want you to pay with your life!"

Shen Shu 'er screamed at the top of her lungs. If the police had not stopped her, she would have rushed over.

"I said I didn't do it on purpose! He was the one who kept crying! It's so noisy that I can't sleep!"

Luo Ruyin's eyes widened as she roared.

When everyone heard this, they felt that it was unbelievable. Just because a baby was crying and making her unable to sleep, he killed her?

Was she crazy?

"Calm down, don't be rash!"

The old policeman tried to calm Luo Ruyin down, but Shen Shu 'er's curses obviously provoked Luo Ruyin again.

I didn't want this to happen either! It's all Lin xiaojiu's fault!

"Mom, save me ... I don't want to go to jail!" He cried.

"Brother, save me!"

Luo Ruyin's hands trembled from fear, and she almost couldn't hold the fruit knife.

Lin youlin's legs went weak as she fell into her second son's arms.

She couldn't save him!

With so many police officers and so many pairs of eyes watching, how could she save him?

Lin Hanxing's cold eyes swept across the faces of every Lin family member in front of him, and there was a faint mockery in his eyes.

This kind of helplessly watching but helpless anxiety, do you feel it?

"None of them can save you."

Lin Hanxing chuckled, adding fuel to the fire.

"You shut up! Shut up!"

Luo Ruyin's nerves were extremely tense, and even the slightest disturbance would cause her to collapse.

“Do you know who the last person who threatened me like this was?”

Although Lin Hanxing’s words were directed at Luo Ruyin, his eyes fell on his uncle, Luo Minghao’s face.

“It’s Luo Mingwei.”

Hearing this name, Luo Ruyin unconsciously trembled.

Even his hands were not listening to him.

In an instant.

Blood trickled down from Lin Hanxing’s neck to his collarbone.

It was so beautiful that it was sad and shocking!

It caused a series of exclamations.

However, Lin Hanxing didn’t seem to care at all. It was as if he couldn’t feel the pain, and his expression was as cold as water.

“Have you forgotten how she died?”

Lin Hanxing chuckled in contrast to the others’ nervousness.

Luo Ruyin was extremely afraid!

a headshot right in front of me. Blood is everywhere.

Lin Hanxing said as he felt Luo Ruyin’s fingers tremble.

“With a thump, he fell in front of me.”

“I didn’t even have the time to close my eyes.”

This scene was too strong. Not to mention Luo Ruyin, even the guests began to feel afraid when they heard it.

Only one person was different.

Because of his anger, the veins on Luo Minghao’s forehead were throbbing.

She was provoking him!

Lin xiaojiu was provoking him!

She was using her sister’s death to provoke him!

He could clearly see the mockery in her eyes.

“There are so many guns here. If one of them goes off, cousin, you’re so beautiful, hehe ...”

“Shut up, shut up! Lin xiaojiu, do you believe that I won’t kill you?”

Luo Ruyin was screaming like a lunatic.

"I don't believe you."

Lin Hanxing chuckled, and even a fool could hear the mockery in his laughter.

Chapter 775: This is the artery

Everyone broke out in a cold sweat for her.

If what the police had said before was to calm Luo Ruyin down ...

In that case, Lin xiaojiu was just trying to provoke her.

Their lives were clearly in the hands of others!

"You don't believe me? Lin xiaojiu, I've even killed people before!"

Perhaps the mention of Luo Mingwei was too much of a shock, but Luo Ruyin's voice was still trembling.

Lin Hanxing glanced at the law enforcement recorder in the young policeman's hand.

The old policeman instantly understood.

He hinted to his companion with his eyes to point the recorder at Luo Ruyin.

"Oh?"

It was a lazy and simple word, but it was unknown which nerve the other party had been triggered by ...

Let her be completely free!

"Hehe, when I pressed the pillow against him, his little hand was still struggling."

Luo Ruyin said as she looked at Shen Shu 'er.

Shen Shu 'er's eyes rolled back and she fainted on the spot.

"Luo Ruyin, shut up!"

Luo Wensu wanted to stop his sister's suicidal behavior, but his eyes could not help but fall on Lin Hanxing's neck.

"I've had enough!"

Luo Ruyin sneered and swept her gaze over everyone.

this is my home. Why should that B * tch's child live in my house?!

Luo Ruyin's gaze finally fell on Luo Minghao's face.

"I became like this because you couldn't control your lower body!"

Luo Minghao's face turned green.

It was as if he could feel the strange gazes from all directions.

“Then why did you hide the child in my room?”

Lin Hanxing looked at The Human Comedy coldly.

Her voice was like a snake calling for Adam and Eve to eat an apple, cold and alluring.

“That should be my room, and everything inside should be mine! You, Lin xiaojiu, came back and snatched it away from me! If I didn’t go to Y R that day, do you think you could have saved young master Lei’s nephew?”

“Ever since I was young, you’ve always liked to take away things that belonged to me!”

I hid the child in your room just to make things difficult for you. Lin xiaojiu, let’s see if you can still stay here!

All the guests had different expressions on their faces. What was he talking about?

“Snatched it away?”

Lin Hanxing’s eyes glowed with a soul-stirring light, and her delicate eyebrows were outlined by the light and shadow.

She was so beautiful that it was soul-stirring!

that year, after my parents passed away, my aunt took you and your family to move into the Lin residence.

Hearing Lin Hanxing’s words, Lin youlin’s family, including Lin yanshu’s family, tensed up instantly!

She remembered!

She remembered everything!

you used three days to clean up all the traces of my parents, and I ...

Lin Hanxing looked at Lin youlin, his long and thick eyelashes fluttering.

“They were chased to the pavilion.”

Upon hearing this, the guests covered their mouths and looked at the Lin family in disbelief.

All these years, after the Lin couple passed away, everyone praised the remaining siblings. After all, they were able to accept the Lin Corporation that was on the verge of bankruptcy because of their brother and sister-in-law’s mistakes in times of crisis ...

It required a lot of courage back then!

“Just who is the one who likes to snatch away whose things?”

As Lin Hanxing spoke, he suddenly reached out and grabbed Luo Ruyin’s wrist with extreme speed!

No one expected her to be so bold!

Gasps and screams were heard, and even the police were on high alert.

Lin xiaojiu, let go ...

Luo Ruyin only felt as if her wrist was caught by iron pincers, unable to move at all!

The knife was not so much in her own hands as it was under Lin Hanxing's control.

However, no one could tell!

Lin Hanxing was expressionless as he moved her hand up an inch.

"Here, this is the artery!"

Chapter 776: What exactly was the operation?

The guests had already covered their eyes in fear, afraid that they would see blood splattering everywhere.

Was Lin xiaojiu crazy?!

She was simply playing with her life!

Even the police officer's hand that was holding the gun was trembling, afraid that there would be an irreversible crisis!

you just need to push the knife a little deeper ... (dangerous action, please do not imitate.)

Lin Hanxing was expressionless, and even his voice was extremely cold.

"No one can save me except for the gods of the great all-embracing heaven!"

Luo Ruyin had never been so terrified before. Her hands were completely out of her control, as if she was the one being held hostage!

However, everyone in front of her seemed to be blind!

He couldn't tell at all!

"Luo Ruyin, you once asked me why I came back? Why Don't You Just Die outside ..."

A faint voice rang in everyone's ears.

I'm giving you a chance to kill me now. This is the only chance in your life. I hope you can seize it!

Lin Hanxing's tone was as if he was discussing whether the weather was fine today!

Lin xiaojiu, you're really a lunatic ...

Luo Ruyin also couldn't explain why she was so flustered.

In her mind, she recalled everything she had seen outside the SU family's Villa that day.

Would there be a sniper outside?

Could the sniper have already locked onto him?

Why wasn't Lin xiaojiu afraid at all?

Her mind was in a mess, and her whole body began to tremble.

"Are you afraid?"

Lin Hanxing deliberately lowered his voice when he said this.

He spoke in a volume that only the two of them could hear.

before Luo Mingwei died, the sniper had already locked onto her. A red dot has been fixed on her head for a long time.

As if he knew what Luo Ruyin was afraid of, Lin Hanxing chuckled.

"I want to know if there's one above your head."

Tao Wu shot him in the head, causing blood to flow.

These cold words kept reverberating in her mind, making Luo Ruyin so scared that she couldn't even speak.

Beads of cold sweat began to form on his forehead.

It slid down her pale face.

She still wanted to die.

She didn't want to end up like her aunt, whose face couldn't be fixed even if an Undertaker fixed it!

Luo Ruyin wanted to live, to live beautifully.

don't hurt the hostages. You still have a chance to turn back!

The police officer spoke at the right time.

Are you all blind?

I didn't want to hurt her, she was the one controlling her!

Luo Ruyin wanted to speak, but extreme fear made her mind blank, and she couldn't even say a word.

Everyone's eyes fell on the two of them!

They were waiting for the result in fear!

Lin Hanxing smiled faintly, but the force in his hand was extremely strong to control Luo Ruyin.

She tilted her head slightly.

Her long, seaweed-like hair flowed down Lin Hanxing's face, covering half of it.

She was silently mouthing to Luo Ruyin.

Bang ...

Due to the angle, others could not see it, but the Lin family could see it clearly!

“Ah ... Save ...”

Luo Ruyin felt as if a string in her mind had snapped with a snap.

Lin xiaojiu was a devil!

She was the real devil!

However, before she could say the word ‘fate’, Luo Ruyin felt a sharp pain in her wrist.

In the next second, his entire body uncontrollably rose into the air!

His eyes were wide open, and he could even hear the howling wind!

There was a loud bang!

With an expressionless shoulder throw, Lin Hanxing threw Luo Ruyin, who had been standing behind him and holding him hostage, to the floor in front of him. Immediately after, he swiftly strangled Luo Ruyin’s throat!

[what the hell is this?]

Chapter 777: The dust has settled

Dead silence.

Everyone was still in the same position, not moving at all.

Even the expression on his face seemed to have frozen.

“I said, I don’t believe you dare to kill me!”

Lin Hanxing’s lips curled into a faint smile.

Her already delicate facial features were even more breathtaking, not to mention the mole under the corner of her eye, which added a deadly charm to her.

Not to mention men, even women’s hearts were beating wildly.

However, her eyes were filled with viciousness and mockery.

Luo Ruyin’s character could be described with eight characters.

They bullied the weak and feared the strong, bullied the good and hated the evil.

She only dared to lay her hands on babies who had no strength to even truss a chicken.

The police rushed forward.

The dust settled.

Lin Hanxing didn’t look like a victim at all as the police cuffed Luo Ruyin.

Standing in the crowd, his eyes fell on Lin youlin's face.

The latter was also looking at her.

His eyes were like those of a man-eating beast, as if he wanted to tear Lin Hanxing apart.

Lin Hanxing, on the other hand, just smiled at her.

"Mom, save me ... I don't want to go to jail ..." He begged.

When her wrists were cuffed, Luo Ruyin finally broke down and burst into tears.

Her cries were mournful.

However, no one would sympathize with her.

Then, Luo Ruyin was taken outside to the police car.

Inside the house.

Everyone's eyes were still on Lin Hanxing, unable to move away.

From the beginning to the end, Lin Hanxing did not show the slightest bit of fear. On the contrary, the onlookers' hearts moved up and down with her.

No one would have thought ...

In the end, she would show her hand!

Lin Hanxing was still standing in the same place. Jiang Xibao looked at her neck worriedly. Even the mute uncle's eyes were filled with heartache.

"It's just a small injury."

Lin Hanxing touched the wound on his neck with his thumb. The blood had dried up.

"If young master Lei was here, would you dare to say that?"

It was rare for Jiang Xibao to refute Lin Hanxing.

Although she said that these wounds were not serious, they hung there like broken pieces of high-quality porcelain. It was sad.

"....."

Lin Hanxing looked at Jiang Xibao and was speechless.

It was only later that he realized what would happen if the Thunder valiant beast saw his neck like this ...

"It looks serious?"

There were no mirrors around so Lin Hanxing could only ask Jiang Xibao and the mute uncle.

Jiang Xibao nodded his head like a chicken pecking at rice.

"....."

It seemed that she could not go home today no matter what.

As Lin Hanxing was thinking, a sharp wind suddenly came from behind him.

The moment she turned around, Lin youlin's Red eyes were almost in front of her. She raised her hand and was about to hit her face.

However, before he could get close, Lin Hanxing had already caught his wrist.

He couldn't move!

"Aunt, you've lost your composure."

Lin Hanxing's eyes were as clear as a mirror, reflecting the twisted anger on Lin youlin's face!

"Why didn't you die outside?!"

Today was supposed to be a happy day for the Lin family, but Lin xiaojiu had turned it all into a joke!

She knew that the most important thing to do now was to send the guests away before she settled the score with her, but ...

Lin qianlin couldn't control herself!

"I'm sorry to disappoint you, aunt."

As he spoke, Lin Hanxing tightened his grip and pulled Lin youlin in front of him.

"Bitch, let go of my mother!"

Luo Wenbo didn't have the carefreeness he had in the past, and he only wanted to take revenge for his sister!

He pounced on Lin Hanxing like a hungry wolf.

He used all his strength.

"Xi Bao."

Lin Hanxing called out Jiang Xibao's name indifferently.

As soon as Luo Wenbo approached, Jiang Xibao kicked him at his most vulnerable spot without hesitation!

The man fell to the ground.

Chapter 778: This is my home, Lin Hanxing

Luo Wenbo was hunched on the ground, his whole body curled up like a shrimp.

His handsome face was red and twisted, and his veins were exposed. One could tell how painful it was just by looking at it!

“Lin xiaojiu!”

Luo Minghao finally exploded in an instant.

Today, he had lost a son and a daughter!

Even though there were still many guests in the villa who had not left, he still tore off his gentle and kind skin without any scruples. He wanted to tear Lin Hanxing’s body into a thousand pieces in public!

When Lin yanshu saw this, the first thing he did was not to stop her, but to hide with his wife and child.

It was as if he was afraid of being splashed with blood.

The guests who wanted to leave felt as if their feet were on the floor.

Just as Luo Minghao was about to touch Lin Hanxing, the expressionless mute uncle blocked in front of the fierce Luo Minghao.

Before Luo Minghao could shout, the mute uncle had already dislocated his hands.

The mute uncle grabbed Luo Minghao and pushed him onto the counter!

“Get out! Take your people and get out of this house!”

This house?

Lin Hanxing looked up and laughed coldly.

The hand that was holding Lin youlin’s wrist forgot to control its strength for a moment, and Lin youlin screamed in pain, as if her bones were about to break.

“My dear aunt and uncle, after occupying The Magpie’s Nest for so long, I’m afraid that you’ve already forgotten one thing.”

Lin Hanxing’s voice was like a Blizzard, and just listening to it was enough to make people tremble!

Her gaze slowly fell on the faces of every Lin family member in front of her.

She no longer looked distant and harmless when she first came back.

At this moment, Lin Hanxing revealed his true colors to everyone.

His biting cold aura was fully released!

“This is my, Lin Hanxing’s home!”

The entire place was silent, and no one spoke.

Everyone was stunned by Lin Hanxing’s aura!

No one could imagine that this intimidating force that seemed to be able to easily control life and death came from a 26-year-old woman!

“Even if you want to get lost ...”

Lin Hanxing's beautiful eyes were filled with malice.

At that moment, Han Mingmei, who was standing in the corner, looked as if she had seen a lightning owl.

"It's also you guys who should get out of my house!"

With a loud thump, Lin Hanxing pushed Lin Youlin to the ground.

No one dared to step forward, no one dared to make a sound, and no one even accused her of treason!

The voice fell.

"Mute uncle, send the guests off!"

.....

Lei Corporation.

The president's office's large tempered glass reflected a cold light.

Lei Min sat on the president's chair expressionlessly. The black leather seat set off his handsome features and made him look even colder.

Inexplicably, Lei Xiao was a little flustered.

His face was covered with frost.

The door to the president's office was suddenly pushed open from the outside, and Yan Beixiao walked in with a serious expression.

"Something has happened to the Lin family."

These five simple words caused Lei Xiao to stand up abruptly and walk out of the president's office.

F*ck, he hadn't even finished speaking, why did ah Xiao run!

The phone on the table rang.

It was Thunder Valiant's private phone.

He even forgot to take his phone.

Yan Beixiao glanced at the caller ID and immediately grabbed his phone and ran out of the door without a word!

"Ah Xiao, your phone!"

It was not easy to stop that man at the elevator door. Yan Beichen had never been so out of breath in so many years!

Thunder Owl didn't even look, his body covered in a haze.

"Little Hanxing's on the phone!"

In an instant, it was as if winter had suddenly passed into spring. The oppressive aura around Lei Xiao's body suddenly melted away. Looking at the caller ID on the phone screen, his fingertips gently brushed across the screen.

"Answer it!" Yan beiming elbowed him.

What are you doing?

Chapter 779: I only wanted to call you

Lei Xiao picked up the phone.

"Ah Xiao ..."

When Lin Hanxing's voice came through the phone, the last trace of gloominess in Lei min's eyes disappeared.

"What happened on your side?"

"You've heard?"

Lin Hanxing was walking towards the attic.

He briefly explained the situation to Thunder valiant beast.

"I still have some things to wrap up, so I won't be going back tonight."

Subconsciously, she touched the wound on her neck. If this man saw her ...

Lin Hanxing was terrified just thinking about it.

"I thought something happened to you."

Lei Xiao's eyes darkened as he glanced at Yan beiming.

Yan beixiao shrugged his shoulders innocently. He was the one who rushed out without even hearing what she had to say.

"How could something have happened to me?"

I'm the omnipotent Lin xiaojiu!

Lin Hanxing asked Lei Xiao in return, but his voice was extremely gentle.

Thunder owl didn't say anything for a long time, leaning his body against the cold wall of the corridor.

"In front of me, you don't need to be omnipotent."

Lin Hanxing paused in his steps.

Her long eyelashes trembled.

The sun was setting, and orange light poured in through the window.

It landed at Lin Hanxing's feet.

"You don't have to be so strong in front of me."

Thunder owl's voice was deep and magnetic.

"Hanxing, you only need to be yourself."

Lin Hanxing's hand, which was originally on the carved handrail of the stairs, tightened unconsciously.

In this world, everyone was telling her to be strong.

If you're not strong, no one will pay for your weakness.

If you're not strong enough, even your tears are cheap.

If he wasn't strong ...

Only Lei Xiao told her that in front of him, all these were not important. The important thing was ...

To be herself.

"Ah Xiao, Did you know? I only had one thought in my mind just now ..."

Lin Hanxing's beautiful eyes fell outside the window. When she was seven years old, she had once stood in the same position and looked out.

At that time, she only felt fear and confusion.

Eighteen years later, when he was back in his position, the only thing Lin Hanxing wanted to do was ...

"I just wanted to call you."

She wanted to hear his voice, as if she could own the whole world.

"I'll always be here."

"I know,"

.....

Lin Hanxing hung up the phone and looked down at his phone.

The setting sun shone on her, and even the smile on her lips was dyed with warmth.

His fingers gently stroked the screen.

Lin Hanxing continued to walk upstairs.

After an unknown period of time, the door of the pavilion was pushed open from the outside with a creak.

The entire place was covered in dust.

Due to Lin Hanxing's entry, dust flew everywhere, causing her to cough twice.

Following his memory, he opened the bottom of the long-abandoned cabinet.

A family photo that had been sealed here for a long time entered Lin Hanxing's eyes.

This was the only photo that showed everyone in the Lin family.

At that time, she was still young and did not understand the meaning behind this photo. Now, it seemed that many things had happened in the past and there were traces to follow.

In the photo, Luo Ruyin thought that she hadn't been caught with a jealous gaze.

Lin youlin looked at her parents "gloomy expressions.

There was also little uncle's family cowering and hiding for more than ten years.

Lin Hanxing threw the photo frame on the ground with a loud thud.

Glass shards flew everywhere.

Lin Hanxing expressionlessly took the photo out of the glass shards and looked down at it.

His lips curled into a cold smile.

Luo Ruyin, you're the second.

With a creak, the door of the attic was pushed open again, and a pitiful little face appeared from outside the door.

"Cousin ..."

Lin Hanxing looked up.

His gaze went past Lin Jiaojiao's shoulder and landed on the person who had followed her in.

Chapter 780: The grass on the wall is on both sides

However, he quickly shifted his gaze away coldly.

"Little Jiu." Seeing her attitude, Lin yanshu smiled awkwardly.

Lin Hanxing did not say anything.

The father and daughter took the opportunity to size her up.

Her slightly curled black hair was dyed by the glow of the setting sun.

Lin Hanxing's originally delicate and flawless face was covered with a mask of coldness and alienation.

The light was terrifying.

"Little 9th, the guests downstairs have all left."

Lin yanshu said softly.

He looked as if he was afraid of disturbing Lin Hanxing.

However, when he saw that she kept staring at the family portrait, he felt a little hope of getting into her good books.

“Back then ...”

“Little uncle wants to talk to me about what happened in the past?”

Lin Hanxing finally spoke, but it was to interrupt Lin yanshu.

The way she looked at him was indifferent.

There were no feelings.

Upon hearing this, Lin yanshu’s mind went blank.

He didn’t know what his little niece had gone through in the past eighteen years.

He just felt that everything had become wrong this time.

He was afraid of her.

“Hehe.”

Lin Hanxing smiled, as if he did not feel Lin yanshu’s attempt to get closer to him.

Her little uncle.

He was a standard fence-sitter, a two-faced person.

He would side with whoever was beneficial to him. It had always been like this.

As he thought about this, his gaze went past Lin yanshu and landed on Lin Jiaojiao’s little face, which seemed to be deep in thought.

However, she reacted quickly.

She immediately felt Lin Hanxing looking at her.

She quickly put on an innocent smile.

“Don’t laugh like that in front of me ...”

Lin Hanxing said coldly.

No one would have thought that this soft, weak, and quiet little white flower with a low sense of existence was the real mastermind behind Luo Ruyin’s incident.

With one less person who could threaten her, she should be able to breathe a sigh of relief now.

But unfortunately ...

Lin Hanxing walked out of the pavilion as if he could not be bothered to say anything more to Lin yanshu.

However, when he passed by Lin Jiaojiao, he stopped.

He suddenly raised his fair fingers and placed them on her shoulder.

Lin Jiaojiao was shocked.

Lin Hanxing gave her a meaningful smile.

.....

The president's office of the Lei Corporation.

Yan beixiao was talking non-stop, while Lei Xiao was sitting on the pure black leather president's chair, his cold and hard face tensed up, his large hands unconsciously fiddling with his private phone.

His cold expression seemed to be thinking about something.

"Did you hear me?"

It was rare for Yan beiming to see Lei Xiao so distracted.

"Didn't little Hanxing already call you to tell you that he's safe? Why do you still look like you've lost your soul?"

Thunder owl didn't say anything.

Suddenly.

With a thump, he threw the phone on the table.

Yan beiming was confused by his sudden action.

"Help me investigate the Lin family's matter today."

Hanxing was definitely hiding something from him!

.....

Night fell.

The Lin family's Villa had been cleaned up by the agile servants, and there were no signs of chaos in the day.

It was very quiet.

In the restaurant, Lin Hanxing had just finished his meal.

The huge dining table was empty except for her.

The other members of the Lin family were either hiding in their rooms, in the hospital, or at the police station.

Lin Hanxing stood up and went upstairs.

When she met the servants on the way, all of them bowed to her respectfully, their eyes full of fear.

“Wait,”

Lin Hanxing called out to her.

The latter was so frightened that her whole body trembled and she looked at her with a dull expression.

“Will I eat people?”

Lin Hanxing made a rare joke.

“I don’t eat humans ... I don’t eat humans ...”

He did not expect the other party to say such a sentence while trembling.

“.....”

tell Lin Jiaojiao to come to my room in twenty minutes.
