

## Goodnight 781

Chapter 781: Even women would be moved

Twenty minutes later.

Lin Jiaojiao knocked on Lin Hanxing's door.

She was a little scared.

He did not expect that after the police tape was removed and the baby's body was moved away, his cousin would return to live in this room without the slightest taboo.

"Come in." A cold voice came from behind the door.

It was just two words, but Lin Jiaojiao was on tenterhooks.

He pushed the door open.

Lin Jiaojiao didn't know if it was a psychological effect, but she kept feeling that there was a strange smell in the room.

The sound of water came from the bathroom.

"Cousin ..."

Lin Jiaojiao walked towards the sound of the water. When she passed by the wide-open cloakroom door, her fingers trembled slightly.

Just as she got close to the bathroom and peeked in, she was stunned for a moment!

At this moment, Lin Hanxing was sitting sideways on the edge of the bathtub that was filled with water.

His fingers gently stroked the water surface.

The clothes on her body had been replaced by a two-piece set of black ice Silk pajamas. As she moved, the coat fell from her smooth shoulders to her elbows, making her ivory white skin look transparent and flawless.

From Lin Jiaojiao's perspective, Lin Hanxing's long eyelashes were like black feathers as they blinked.

The mole at the corner of her eye was extremely charming.

In the dense and lingering white mist, she was so beautiful that even women would be moved.

"You're here."

When Lin Hanxing spoke, there was a faint smile on his lips.

Lin Jiaojiao didn't say anything for a long time. She even forgot about her initial fear and sneer.

Lin Hanxing raised his head and looked at her when she did not reply.

“Cousin, why are you still living here?”

Lin Jiaojiao returned to her senses after being stared at by her. She felt as if her bones were going to go soft from the person in front of her.

That kind of flirtatious style was definitely not something that could be learned by deliberately showing off!

Lin Hanxing’s fair fingers glided across the water in the bathtub. With a slight movement, the wound on her neck was exposed.

It was like a high-quality porcelain with a flaw, and one could not help but feel pity.

Lin Jiaojiao couldn’t help but have bad thoughts.

It would be better if there was a scar.

“What’s wrong with this place?”

Lin Hanxing replied indifferently. It was impossible to tell what she was thinking from her expression.

Lin Jiaojiao was at a loss for words.

To be honest, in the circle of Jiang city’s socialites, she was afraid that it would be difficult to find another woman like her cousin.

She was so beautiful that she could play with any man in the world.

However, his deep scheming and ruthless means really made people shrink back.

In a certain sense, Lin Jiaojiao felt that her cousin was quite compatible with young master Lei.

Young master Lei, if she had to use only one word to describe him ...

That was the ruthlessness of the yin Chi, unfathomable.

Lin Jiaojiao had seen it from afar once at a banquet.

A man like that was unforgettable enough with just one glance.

after all, it’s a room for the dead. Don’t you mind, cousin? ”

Perhaps Lin Hanxing looked too harmless at the moment, which made Lin Jiaojiao relax a little.

Lin Hanxing’s hand stopped moving.

“Why should I mind?”

The moment Lin Hanxing turned to look at Lin Jiaojiao, even his voice sounded like a spring breeze.

“Even if that child turned into a ghost and sought revenge, I wouldn’t be the first one he would come for.”

Lin Jiaojiao suddenly felt a chill down her spine when she heard this.

“Hehe, cousin, you really like to joke.”

The dry laughter sounded a little awkward.

She wanted to find an excuse to leave, but when Lin Jiaojiao met Lin Hanxing’s eyes, her heart began to beat with fear.

“What kind of experience is it to die from suffocation?”

As soon as he finished speaking, Lin Hanxing’s expression suddenly changed. His eyes were cold!

Chapter 782: Settle accounts after autumn

Lin Jiaojiao was scared.

The fear could not be described with words, and only those in the situation could understand.

“Co... Cousin, I still have something to do, I’ll be leaving first ...”

Lin Jiaojiao turned around to leave, but Lin Hanxing snapped his fingers.

Jiang Xibao, who had been standing outside the door, closed the door with a thud.

The bathroom had become a completely sealed space.

Lin Jiaojiao was facing the door. Her heart was beating fast, and she didn’t dare to look back. Her eyes were wandering.

His face turned pale.

“Cousin, what are you doing ... Ah ...”

Just as Lin Jiaojiao was about to play dumb and say something, Lin Hanxing grabbed her long hair with an unimaginable force. The pain made her scream.

Outside the door, Jiang Xibao was holding a Big Apple in his hands and was munching on it.

He turned a deaf ear to the movement inside the door.

Lin Hanxing’s face was expressionless as he dragged Lin Jiaojiao’s head towards the bathtub!

He kicked her kneecaps with a stroke of luck.

With a thump, Lin Jiaojiao knelt in front of the bathtub!

Her long hair, which she had carefully taken care of, was wrapped around Lin Hanxing’s small hand a few times.

At this moment, Lin Jiaojiao’s hands were on the edge of the bathtub, and she was almost overwhelmed by fear.

The sharp pain from her scalp forced her tears out!

“Cousin, put ... Wu ...”

Before she could even finish begging for mercy, Lin Hanxing had already forcefully pushed Lin Jiaojiao’s head into the bathtub that was filled with water!

Fear struck.

Lin Jiaojiao screamed out of instinct as bathwater poured into her mouth, nose, and ears.

After a few gurgling sounds, his respiratory tract was burning in pain.

Lin Hanxing pressed one hand on Lin Jiaojiao’s head and raised his other hand to count the time on his watch.

He pulled Lin Jiaojiao out of the water, within the limits of the human body.

He allowed her to take in big gulps of fresh air.

The next second, he pushed her back into the bathtub.

Lin Jiaojiao didn’t even have the ability to resist. She was like a piece of rag as Lin Hanxing toyed with her.

“Are you in pain?”

Lin Hanxing’s shoulder was half-exposed, and his smile was cold and mocking!

She sat on the edge of the bathtub, surrounded by a cold atmosphere.

Lin Jiaojiao, who came out of the water again, could not even say a word.

He only cried.

“Your thoughts can only be used on a child who can’t even truss a chicken?”

Lin Jiaojiao suddenly came to a realization.

Was Lin Hanxing trying to get even with her? was he trying to plot against that idiot Shen Shu ‘er’s son for her?

“Cousin ... I’m ... Wu ...”

Without waiting for Lin Jiaojiao to defend herself, Lin Hanxing pushed her back into the water.

But this time, he did not look at his watch.

Even when he was at the limits of his human body, he had no intention of letting go.

Lin Jiaojiao, who was in the water, was afraid!

He struggled violently.

She kept waving her hands in the water, trying to get up, but the bathtub was too slippery, and she failed several times.

The bubbling bubbles kept rolling in the bathtub.

In the water, Lin Jiaojiao's eyes bulged out of fear.

She felt that she would die.

He would die in Lin Hanxing's hands.

However, he was helpless.

Just as the struggle became weaker and weaker, and he was about to lose consciousness ...

Lin Hanxing finally pulled her out of the water and threw her on the ground like a piece of trash.

cough, cough, cough, cough, cough, cough, cough, cough, cough ...

The violent coughing and the joy of surviving the disaster made Lin Jiaojiao feel as if her body had been hollowed out.

He was curled up on the ground like an injured old dog.

Lin Hanxing sneered and opened the drain plug of the bathtub.

She lifted Lin Jiaojiao's chin with the tip of her foot, and her beautiful eyes were filled with a frightening indifference.

"My dear cousin, is it fun?"

Chapter 783: It was indeed him

The Lu family villa was brightly lit.

It was rare for the entire Lu family to be present!

Old master Lu sat in the main seat in the middle, blue veins throbbing on his forehead.

Even though the main hall was filled with people from the Lu family, it was so quiet that one could hear a pin drop.

Lu Jiashu stood in the middle, expressionless.

old master, Lin xiaojiu is definitely framing our Jiashu. Don't we all know what kind of child Jiashu is!

It wasn't until the afternoon when the police came to collect evidence that Lu yuzhi, who had been driven out of the Lin family in a fit of rage, was completely dumbfounded!

Jiashu had asked his cousin to install surveillance equipment in Lin xiaojiu's room?

Was he crazy?

Framed! It was definitely a false accusation!

However, when more and more of the Lu family's relatives received the news and rushed over to the old mansion in the evening, things got out of hand.

"Shut up!"

Old master Lu's gaze had never been so sharp as a knife in years. He stared straight at his grandson.

Lu bingde, who was sitting in the corner, also had a complicated look in his eyes.

He didn't expect his cousin to do such a thing.

Lu yuzhi was so frightened by the old man's roar that he didn't dare to say anything else.

However, in his heart, he was still unconvinced.

Ever since Lin xiaojiu had visited, old master Lin's eyes had somehow been blinded by her. She had even said that she should not go against that girl, as she was the one who would suffer!

Bah!

Without young master Lei, she, Lin xiaojiu, would be nothing!

Just as Lu yuzhi was thinking this, a servant suddenly ran in from outside with a panicked expression!

"There's ... There's ..."

He was out of breath and obviously had suffered a great shock. He couldn't even speak.

"What is there! Do you know how to speak? If you don't know how to get lost, then get lost!"

Lu yuzhi was annoyed!

However, as soon as he finished speaking, an earth-shattering sound came from outside!

The sound was like an earthquake!

"What's wrong? what's wrong?"

"What happened?"

The Lu family members stood up one after another, panicking.

Lu bingde didn't move.

His eyelids suddenly twitched.

This feeling was unusually familiar. He had experienced it once before.

And that was ...

He subconsciously protected his hands and looked towards the door with his eyes wide open.

The next second, the door to the main living room was pushed open from the outside.

A group of men in Black suits barged in expressionlessly, exuding a bloodthirsty and cold aura.

The cold wind blew into the villa from the outside!

“Who are you people? Who let you in?”

Lu yuzhi’s eyes widened.

Who was so bold as to break into private property?

The Men in Black were still moving in. They automatically divided themselves into two rows. They were well-trained and looked extremely dangerous.

Outside the door, the dark night was like a beast with its bloody mouth wide open.

It made people shiver from the bottom of their hearts!

Soon, two figures walked out of the dark night.

The Lu family recognized him almost immediately.

After the sun had set, Jiang city was already extremely cold, but the man in the lead was only wearing a black shirt. The tailored narrow shirt perfectly highlighted his strong and tall figure! His cold features were cold and fierce, and his entire body exuded a sinister aura that made people submit to him!

His marble-like facial features were the epitome of being favored by God.

It was the young master of the Lei family, Lei Xiao!

And the person beside him, the casual and carefree man, was Yan Beichen!

At this time, Lei Xiao and Yan beiming had barged into the Lu family’s residence ...

Old master Lu, who was sitting in the main seat, sighed in his heart. What was meant to come would come!

F \* ck, it was him!

Lu bingde felt his heart beating out of control. He was so scared that his legs were trembling!

Chapter 784: The Furious young master Lei

Seeing Lei Xiao, Lu bingde felt like he was a grandson meeting his ancestor.

Don’t blame him for being a coward.

On the night of the Wild competition at the red Bay ramp, whoever experienced that would suffer from physiological incontinence if they met this ancestor again. He would call whoever he met ” daddy “!

No matter who broke his hand in three strikes, and even coldly apologized to the King of Hell who said that it should have been broken in two strikes, he couldn’t afford to offend him, so he would just hide!

“Mr ... Mr. Ray?”

The Lu family members looked at each other and tried to get closer.

However, before he could get close, he was directly ignored by Lei Xiao. His cold aura made people shiver.

“Mr. Ley.”

Old master Lu stood up and walked towards him.

Seeing that it was him, Lei Xiao’s cold face did not change at all. His black leather shoes reflected on the marble floor, giving people a strong sense of oppression!

Lei Xiao’s Dark Eagle eyes sized up old master Lu’s face.

Then, without a word, he walked past him and sat on the seat of the Lu family head that old master Lu had been sitting on!

His domineering and cold actions made no one dare to protest!

The Thunder valiant beast didn’t speak, but the air was filled with the smell of blood.

The dozen or so members of the Lu family stood rooted to the ground with stiff expressions, not daring to move or make a sound.

Only the heavens knew that this person in front of them was the person who had single-handedly stirred up a storm of blood in the Lei Corporation and won the final victory!

Many people still had not figured out why the Thunder valiant beast would appear here.

But more people turned their gazes to Lu Jiashu and his mother.

“Old Mister Lu.”

The corners of Lei Xiao’s thin lips twitched slightly as he spoke. He walked past the Lu family juniors in front of him and directly talked to the head of the household.

If this action was done by anyone else in Jiang city, they would only end up with the reputation of being reckless.

But Thunder owl was different, he had the capital to do so!

“Lin Hanxing is my woman,”

The cold and simple sentence directly declared his sovereignty.

After he finished speaking, the Lu family members broke out in cold sweat. This was a sign that he had come with ill intentions.

Yan beixiao really wanted to record this for little Hanxing to hear.

“If it was according to my usual style of doing things, I would have taken his life directly!”

Lei Xiao’s slender fingers pointed at Lu Jiashu’s body, causing Lu yuzhi to tremble in fear.

He suddenly stood in front of his son.

“Then what does Mr. Ley want?”

The fact that that girl didn't come to the Lu family's door directly was already giving them a lot of face.

Old master Lu looked at Lei Xiao.

If he wanted Lu Jiashu's life, even if the entire Lu family's power was used up, it would still be impossible to stop him.

To be picked by a man full of ruthlessness and maliciousness and brought home ...

He didn't know if it was that girl's fortune or misfortune.

Lei Xiao's eagle-like eyes landed coldly on Lu Jiashu's face. Other than Yan beiming, no one could find any trace of anger on this cold and handsome face.

Only the heavens knew.

In the evening, when he heard the entire story at the Lei clan ...

The entire president's office was in trouble!

"Lei Xian ..."

Lu Jiashu tried to defend himself, but before he could finish, his eyes met Lei Xiao's.

It was just a glance.

Lu Jiashu could already feel the huge gap between him and this man!

There was always such a person in this world who was intimidating even with a single glance!

I'll give you two choices now.

"What path?"

Lu yuzhi's eyes widened, and his heart trembled as he listened.

"The path of death and the path of life!"

After Lei Xiao finished speaking, Yan beiming could not help but shiver in his heart.

The last time when Thunder valiant beast asked people to choose, he was there ...

Instead of choosing the path of life, it would be better to just die!

Chapter 785: There were some people he could not afford to touch

Everyone was shocked.

With that, Lei Xiao turned his abnormally cold gaze to meet old master Lu's.

The communication between wise people was usually done with just one look.

If old master Lu still had some hope for this grandson of his, Lei Xiao could do him a favor for Hanxing's sake, but if ...

Now, Lei Xiao was waiting for old master Lu's answer.

At this moment, all the attention of the Lu family was on Lu Jiashu.

How could they notice the undercurrent between Lei Xiao and old master Lu?

Old master Lu slowly closed his eyes.

Both the palm and the back of his hand were meat ...

"A way to live! We choose the path of survival!"

Lu yuzhi made his choice without a second thought. As long as he was alive, everything was possible!

Meanwhile, old master Lu opened his eyes at almost the same time.

Lei Xiao's eagle-like eyes narrowed slightly. He already knew the answer.

A way out, is it?

Then, he would let Lu Jiashu live to know that there were some people he could not afford to touch.

"Alright," he said.

Lei Xiao's voice was low. His gaze swept past the crowd and landed on the man in the corner who was trying his best to hide his presence.

His gaze was too intense.

Everyone followed his gaze.

Lu bingde closed his eyes and prayed in his heart. Only the heavens knew how much he missed that fierce woman Bai Xi. At least, she was more reliable than anyone else in critical times!

However, wasn't the surroundings a little too quiet?

Slowly opening his eyes, Lu bingde's heart skipped a beat.

F \* ck, why was everyone looking at him?

What the f \* ck, why is Thunder Yama looking at him?

F \* ck, what are they trying to do to me?

"It's about time for a change in the Lu family's future successor."

When Lei Xiao's cold voice rang out, all the Lu family members were shocked!

Who gave the Lei family the right to decide who their successor would be?

Wasn't he being a little too controlling?

Although they were thinking this in their hearts, they didn't show it on their faces.

He meant ...

Lu bingde?

“Thunder valiant beast ...”

Lu yuzhi cried out in shock, his voice changing a little.

She had prepared for so many years and spent so much manpower and money, but Lei Xiao denied her son’s position with one sentence?

“What did you just call me?”

Lei Xiao glanced at Lu yuzhi with an indifferent expression.

But it almost suffocated her.

“Mr ... Mr. Ray ...”

Lu yuzhi was anxious, and he began to signal to his side with his eyes.

Mister Lei, please reconsider. After all, this is our Lu family’s business ...

Once someone started, a few others followed suit.

“Yan beiming.”

Lei Xiao did not even look at those people, but only called out Yan beiming’s name.

The latter cleared his throat.

With a document in her hand, she began to read.

At first, the Lu family was confused.

But the more he heard, the paler his face became.

In Jiang city, to be able to get to the Lu family’s position, one’s hands were more or less stained with dirt.

It would be fine if no one investigated, but if someone did ...

This was like pulling out mud from a radish, no one could escape.

For a moment, no one dared to say anything.

In the past, the great clans had always minded their own business.

And now, Lei Xiao was actually threatening them over Lin xiaojiu?

Was that woman that important?

Was he crazy?

With Lei Xiao’s status, he could get any woman he wanted with a wave of his hand.

“Mr Lei, I know your aunt, and my father has some ties with old Lei. If you do this ...”

Lei Xiao looked at Lu yuzhi, who was trying to get close to him, and his already expressionless face turned even colder.

“I’m the one in charge of the Lei family now.”

Chapter 786: Send it for a film

In other words, it was useless no matter who you begged!

No one dared to make a sound.

Because no one would be stupid enough to take the risk of offending Lei Xiao to plead for a useless person!

The Thunder valiant beast said those words because he had the confidence to do so.

Under his leadership, the Lei corporation’s domestic and international status had increased by many times over the years!

Lei Xiao was a business genius!

Lu yuzhi was so anxious that his eyes turned red, and he subconsciously looked at his old man.

But before he could get any response, Lei Xiao made a hand gesture, and the Man in Black who was originally standing in the corner walked up to Lu Jiashu. With a strong stance, he captured Lu Jiashu, who had not yet reacted!

“What are you trying to do!”

Lu yuzhi was shocked. He didn’t expect that Lei Xiao would still want to take her away!

Madam Lu, you can’t possibly think that ah Xiao will just let it go so easily, right? ”

Yan Beichen smiled, his seemingly friendly appearance hiding an aura that did not lose to Lei Xiao’s.

“Not everyone can take advantage of our little Hanxing!”

Fortunately, his sister didn’t live in the Lin family at all, otherwise, Lei Xiao would have killed her on his side!

Yan beixiao’s sharp gaze swept over Lu Jiashu, and he was immediately brought out!

As for where to send it ...

“Don’t worry, I’ll definitely send her back to you tomorrow morning.”

.....

Black market.

Lei Xiao sat in the car and watched Liang yuran’s men bring Lu Jiashu into the studio through the window.

Knock, knock, knock.

Liang yuran was wearing a narrow black shirt with a casual and sexy open collar.

The weather was already so cold that Yan beixiao wished he could wrap himself up like a bear. However, looking at the two brothers in front of him who were not afraid of the cold, he decided that he had to put on an act!

It was strange to say that Liang yuran and Lei Xiao only wore a simple shirt and windbreaker even on a snowy winter day. Yan beiming had been shivering from the bottom of his heart all these years.

They were both human, but why were they so resistant to the cold?

"I helped him choose two top gigolos."

Liang yuran held the cigarette in one hand, and the White smoke curled up between his fingers and scattered in the air.

He casually inhaled.

That posture was really infatuating with women.

remember to send him back to the Lu family home tomorrow morning. Also, copy a video for Lu yuzhi.

Cold wind gushed into the car, but it was not as cold as Lei Xiao's face.

Hearing this, Yan beiming could not help but whistle.

"Two? You're playing big!"

Didn't this Lu Jiashu like unmainstream things? send him for a film!

It could cure all diseases!

"The Lin family's application for a psychological evaluation of Luo Ruyin is probably going to start from this point."

Under the bright lights, Liang yuran's perfect side profile was immersed in the light and shadow, and his expression was hard to read.

"Hehe."

Lei Xiao's thin lips slowly curved into a cruel smile, and the air was filled with the smell of blood.

send someone to keep an eye on her for me. I'll come out later after I bring Hanxing home.

Liang yuran made a hand gesture, then patted the roof of the car with one hand.

The car window slowly closed.

"Get down!"

Lei Xiao glanced at Yan beiming, who was lazing around in the front passenger seat, and threw out these three words.

The F \* ck?

Pulling (beep) is heartless!

"I'm your dear little sweetie ..."

Yan beixiao did not want to get out of the car. He did not want to borrow a car from that pervert Liang yuran!

But this place was so far from his house!

Just as he was about to fight for himself, Yan beiming and Lei Xiao looked at each other.

"....."

"Send my regards to comrade Hanxing. I won't disturb him."

Yan Beichen smiled obediently, his handsome face as likable as it could be.

Ah Xiao's expression ...

He was so scared that he almost died (beep) early (beep)!

Chapter 787: Xi Bao was so scared that it shivered

Lin family villa.

Zhong Wan 'er pushed open the door of Lin Hanxing's room. She was so angry that she even forgot to knock.

Jiang Xibao had just brought the first aid kit over and was about to help Lin Hanxing apply the medicine.

He was so frightened that his hands trembled.

Lin Hanxing, on the other hand, was leaning on the chaise longue with one hand on his forehead, looking at his aunt indifferently.

In Zhong Wan 'er's eyes, there was an inexplicable sternness in his eyes.

Her brain, which had been dizzy from anger, suddenly sobered up!

This was Lin xiaojiu!

How was he someone she could casually knead?

But ...

Thinking of her daughter's miserable state when she was sent back to her room, Zhong Wan 'er's chest heaved up and down!

"How did Jiaojiao offend you?"

The questioning words came out of his mouth.

Lin Hanxing continued to look at her indifferently and did not say anything. His eyes grew colder.

"I'm asking you a question, how did Jiaojiao offend you!"

Zhong Wan 'er asked again!

Suddenly, Lin Hanxing chuckled.

"Don't you know how to knock before you come in?"

Lin Hanxing looked at Jiang Xibao and asked her to sit down.

Knock on the door?

What she cared about now was whether she knocked or not?

Just as she was about to open her mouth, Lin Hanxing raised his hand to stop her from saying anything.

my daughter has been ...

Jiang Xibao, who was sitting at the side, looked down at the broken mug in his hand with an innocent expression.

"....."

Zhong Wan 'er's eyes widened.

Crushing a mug with his bare hands?

"Xi Bao, this is a group of cups."

A group of eight, and now one had been crushed ...

The key was that this set of cups could only be made in Italy.

Jiang Xibao tilted his head and looked at Lin Hanxing awkwardly.

"Why don't ... I crush them all, miss Jiu ... Out of sight, out of mind ..."

"....."

Lin Hanxing laughed out loud, Xi Bao was really a clown.

Zhong Wan 'er was dumbfounded.

She just blinked and looked at Lin Hanxing, her head buzzing.

"Auntie, what did you just say?"

He pointed at the place where the other seven mugs were placed. Jiang Xibao actually walked over and started to make mugs.

Lin Hanxing's gaze fell back on Zhong Wan 'er.

He asked indifferently.

Zhong Wan 'er turned around and walked toward the door. She reached out her hand and knocked on the door in a daze.

"Hehe."

Lin Hanxing looked at her with a faint smile.

Only then did Zhong Wan 'er realize how embarrassing she had done.

He felt a little embarrassed!

"Come in,"

Lin Hanxing changed his posture, and the red marks on his neck from the knife cuts were clearly visible.

It was exceptionally eye-catching on her snow-white skin.

However, since Lei Xiao was not here, he naturally did not take Lin Hanxing's injury to heart.

Zhong Wan 'er's eyes were still fixed on Jiang Xibao.

She had heard from the servants that this young lady had a huge appetite and could finish a bucket of rice in one meal.

However, he did not expect ...

And she was born with divine strength!

"How did Jiaojiao offend you?"

Perhaps she had witnessed all of this with her own eyes, but Zhong Wan 'er's feet were light as if she was stepping on clouds.

He didn't even have the confidence to speak.

"As the saying goes, no one knows a daughter better than a mother. Why don't little aunt guess how cousin provoked me?"

Lin Hanxing leaned against the pillow on the chaise longue, his eyes cold.

The people watching felt a chill in their hearts.

Zhong Wan 'er didn't say anything. Her intuition told her that it was related to Luo Ruyin's matter today.

But she didn't dare to say it out loud.

In Zhong Wan 'er's opinion, there were some things that could not be exposed.

"It seems that little aunt is not completely ignorant of these things."

Chapter 788: I really miss ah Xiao

Lin Hanxing chuckled.

But that laughter, in Zhong Wan 'er's ears, made her feel so uncomfortable.

"I don't understand what you're saying!"

Lin Hanxing felt that many people seemed to like to mention this in her ears recently.

"If you really want to know the answer, Auntie ..."

Lin Hanxing looked at Zhong Wan 'er with a cold light in her beautiful eyes.

The hand that was pressing against her forehead was exposed from the sleeve of her black ice Silk pajamas. Her white skin and white wrists were soul-stirring.

"Go ask my cousin. Whatever reason she says, I will agree to it."

Since they liked to act dumb, they might as well act more like each other.

After all, she, Lin xiaojiu, had always done things according to her own preferences.

A beating was a beating, it was good that he was happy. The things that were covered up with reasons should be done by others.

"Little Jiu, do you really have no scruples when doing things?"

Zhong Wan 'er couldn't help but speak, thinking that her husband had asked her to take this opportunity to sound him out.

"Aunt, I, Lin Hanxing, only have one standard for doing things ..."

Lin Hanxing's long eyelashes fluttered like a butterfly's wings.

"I'm just not happy."

Zhong Wan 'er felt it was unbelievable. Was she happy by herself?

In a person's life, who could do things based on their own happiness?

"Xi Bao, I'm tired. See the guest out."

Lin Hanxing said lazily. Instead of wasting her time on these people, she might as well flirt with ah Xiao more.

Ah Xiao was much more fun than this group of idiots!

Jiang Xibao answered and pushed Zhong Wan 'er out of the door, regardless of whether she was willing or not.

"Please!"

Jiang Xibao reached out his hand expressionlessly.

Zhong Wan 'er had wanted to say something, but when she thought of the way she had crushed the mug, she swallowed the words that were about to come out of her mouth.

He could only return home unwillingly!

“The whole family is so annoying!”

When Jiang Xibao came back, he could not help but mumble to himself when he saw Lin Hanxing still smiling.

“Don’t move, I’ll help you apply the medicine.”

Jiang Xibao sat down next to Lin Hanxing with the first aid kit in his arms.

“It’s just a small ...”

Jiang Xibao raised his head and looked at Lin Hanxing when he realized what Lin Hanxing wanted to say.

Yingluo, if young master Lei was here, would you dare to say that?

Lin Hanxing pursed his lips and decided not to say anything.

Ah, I miss ah Xiao so much!

“Does it hurt?”

Jiang Xibao asked as he wiped the wound gently with disinfectant. The ninth young lady had delicate skin and was afraid that he would hurt her with his rough hands and feet!

“I’m not that weak.”

Lin Hanxing smiled, which dazzled Jiang Xibao’s eyes.

Miss Jiu was really too beautiful.

So, please don’t leave any scars on your neck!

“If Mr. Ray sees this, he will definitely be angry.”

Jiang Xibao could not help but ask.

He carefully breathed on her wound, his breath carrying the sweet scent of an Apple.

Lin Hanxing put his hands together and made a gesture of begging for mercy.

“Xi Bao, please don’t ...”

Before she could finish her words, a strange commotion came from the courtyard gate.

His voice was very loud.

Lin Hanxing looked out of the window subconsciously.

“Ninth young lady, was there any movement just now?”

Jiang Xibao looked up.

“I’ll go take a look.”

After thinking for a while, Jiang Xibao felt that it was safer to go out and see for himself. He got up and left the room.

However, not long after ...

She returned with a strange expression.

And behind him ...

“What’s going on outside ...”

When Lin Hanxing heard Jiang Xibao’s footsteps, he smiled and turned to look at him.

The smile on his face instantly froze.

Lin Hanxing’s heart skipped a beat when he saw the expressionless face of the man standing behind Jiang Xibao!

Oh my God.

Why was he here?

Chapter 789: I’m not listening, I’m not listening, I’m a bastard reciting Scriptures

Thunder valiant stood there.

He looked at Lin Hanxing with a blank expression.

A strong aura gathered, and a sense of oppression came over.

Jiang Xibao could only feel his calves trembling.

She didn’t dare to turn back to look at him.

As the saying goes, what you fear will come.

He was just saying that Mr. Lei would be angry if he saw the wound on miss Jiu’s neck ...

When she went downstairs, she saw the scene of Lei Xiao, who had driven into the Lin family’s house, getting out of the car.

No matter how profound the Chinese language was, Jiang Xibao could not find any words to describe the shock he felt at that time!

He would do it.

It was like a storm of blood.

One look was enough to make people bow in submission!

Lin Hanxing sat up in shock.

He looked like a primary school student who had just met the homeroom teacher.

Jiang Xibao kept winking at Lin Hanxing, asking her to pay attention to the wound on her neck.

Almost at the same time, Lei Xiao walked past Jiang Xibao and arrived in front of Lin Hanxing.

“Ah Xiao, hiss ...”

She had just opened her mouth when she accidentally touched her wound.

‘I’m finished ...’

Jiang Xibao gave him a helpless look.

She could already feel it.

The destructive sinister feeling floating around the man became even stronger!

“I’ll deal with you when we get home!”

With just one look, Lin Hanxing, who was invincible in front of outsiders, showed a bitter face.

Ah Xiao was angry!

As he thought about this, Lin Hanxing felt his body floating in the air.

Subconsciously, he reached out and hugged the Thunder valiant beast’s neck.

Her two thin legs drooped in the air, and her black ice Silk pajamas slid down her shoulders, revealing her snow-white skin.

He actually picked her up and held her in his arms!

Jiang Xibao stared at the two of them in a daze.

The cold man who gave people a sense of suffocation was holding miss Jiu in his arms in an overbearing manner with full boyfriend power. Just looking at him like this was enough to make people’s hearts beat faster!

As expected, the only one who was worthy of the ninth young lady was the young master Lei!

Jiang Xibao was cheering for Lei Xiao in his heart!

At that moment, Lei Xiao was staring at the wound on Lin Hanxing’s neck that was exposed when he raised his head.

His eyes were cold.

“How could something have happened to me?”

Lei Xiao said this through gritted teeth.

Lin Hanxing could tell that he was repeating what he had said on the phone, so he simply buried his face in his arms and pretended to be dead.

He didn’t listen, he didn’t listen, he just chanted.

The Thunder valiant beast adjusted his breathing.

“Give me the blanket.”

He turned his head and looked at Jiang Xibao, who was still stunned at the side. His cold voice was emotionless.

However, the cold glint in his eyes was still frightening.

After a long while, Jiang Xibao realized that Lei Xiao was talking about the one on the chaise longue.

He quickly ran over and handed the blanket to Lei Xiao.

Lei Xiao wrapped the blanket around Lin Hanxing tightly and pressed her head against his neck.

"If you dare to run around, I'll break your legs!"

He leaned close to Lin Hanxing's ear and spoke with suppressed anger!

As if I would believe you!

A paper tiger!

Lin Hanxing's long black eyelashes fluttered, and he only dared to complain in his heart.

Carrying her, Lei Xiao turned around and went downstairs.

The servants were still standing downstairs, at a loss.

Even Lin yanshu and Zhong Wan 'er ran out.

They all looked up when they heard the commotion.

However, when she saw the man in front of her, her eyes widened in disbelief!

This was ...

This is young master Lei?

What was that thing in his arms?

"Ah ..."

Zhong Wan 'er suddenly called out and pulled the corner of her husband's clothes.

Following her gaze, Lin yanshu saw a pair of toes that looked like jasmine petals sticking out from under the blanket.

On the second floor, a white figure suddenly appeared in the corner.

Chapter 790: Get lost

Lin Jiaojiao's face was as pale as a ghost as she stood there.

He was so weak that he looked like he would be blown away by the wind and die from coughing blood.

She had come out after hearing the commotion.

“Mr. Ley ...”

Lin Jiaojiao ran to Lei Xiao with her sickly steps and opened her arms.

They blocked his path.

Her long, straight, black hair was scattered on both sides of her body, and her white cotton pajamas exuded a fresh and pleasant smell.

“You can’t ... Just ... Take ... Cousin away like this!”

As he spoke, he was also panting.

No matter which man saw her, they would all look at her with pity.

Lin Hanxing, who was being held in Lei Xiao’s arms, had a cold glint in his eyes.

Of all times, Lin Jiaojiao had to come out at this time ...

She wouldn’t believe it if he said it wasn’t to attract Thunder valiant beast’s attention.

Lin yanshu and his wife, who were standing downstairs, clearly did not expect their daughter to come out. She even dared to block young master Lei’s way!

“Jiao ...”

Zhong Wan ‘er suddenly grabbed Lin yanshu’s hand, who was about to speak, and shook her head silently.

If he could make use of this opportunity to get Jiaojiao to attract young master Lei’s attention ...

Lin Jiaojiao’s face was filled with weakness and stubbornness. Her thin wrists were exposed outside her pajamas, and her whole person had a fresh and unique beauty.

Even the angle ...

He was so accurate!

“Get lost!”

Just when everyone thought that Lei Xiao would notice Lin Jiaojiao ...

A sinister and embarrassing cold voice sounded in everyone’s ears!

Lin Jiaojiao’s eyes widened in disbelief.

He just ...

What did young master Lei just say?

Even the people standing downstairs suspected that they had heard wrong.

One had to know that the reason why women were crazy about him all these years, in addition to the almost impossible zero scandals, was his respectful attitude towards women and that he would not act recklessly because of his status.

Even if it was an unavoidable group photo, Lei Xiao's gentlemanly hand would always receive crazy reviews from the industry.

Lin Hanxing, who was in his arms, laughed.

So, did this count as a terrible act?

"Mr. Ley ..."

Lin Jiaojiao's tears were on the verge of falling, and her pale face was even more heartbreaking.

"I told you to get lost."

Just as Lin Jiaojiao had hoped, the Thunder valiant beast raised its head and looked at her.

With just a glance, this fragile little white flower was already stunned on the spot, not daring to move.

His eyes were filled with hostility.

Lei Xiao's only concern now was whether his wife, who was wrapped in a blanket but wearing thin clothes, would feel cold.

Especially after being delayed by Lin Jiaojiao for so long!

"Don't you understand the human language?"

The corners of Lei Xiao's thin lips curled into a cruel arc.

All these years, how many women had tried to attract his attention?

If the seemingly weak woman in front of him was really doing this for Hanxing's good, she wouldn't be wearing such a half-revealing neighbor's nightdress and standing in front of him in such a posture to block his way!

Lin Jiaojiao's mind went blank.

She stepped aside with a blank expression.

He allowed Lei Xiao to carry Lin Hanxing and continue walking down the stairs.

The air seemed to have frozen.

Lin Jiaojiao looked at Lei Xiao's broad and straight back, still in a daze!

The people downstairs were the same.

Lei min's cold, expressionless face was reflected in everyone's eyes.

Outside, Luo Wensu was entering.

Perhaps she was too tired, she didn't notice that the door of the villa was wide open.

He collided head-on with the Thunder valiant beast!

Luo Wensu didn't even look at Lei Xiao, but instantly swept his gaze over the unusual bulge under the blanket in his arms.

The Thunder valiant beast brushed past him.

Porcelain-skinned arms came into Luo Wensu's view almost at the same time.
