

## Goodnight 791

Chapter 791: Put away those thoughts that you shouldn't have

The woman who had been so arrogant and domineering this afternoon was now like a cat nestled in the man's arms. She was lazy, honest, and well-behaved, as if her Queen-like aura from before was just an illusion!

Luo Wensu's gaze followed Lin Hanxing's snow-white wrist.

The sparkling and translucent jasmine flower petals were like diamond chains tied there, overflowing with brilliant light.

The Thunder valiant beast stopped in its tracks.

He turned around and met Luo Wensu's gaze!

His eagle-like eyes narrowed dangerously, like a fierce beast staring at its prey.

Lin Hanxing seemed to have sensed something and wanted to raise his head from Lei Xiao's arms!

Her slightly curled black hair spread out along the edge of the blanket.

Black hair, white skin.

No man would be able to resist such a beautiful scene!

"Don't move,"

Before Lin Hanxing could raise his head, Lei Xiao had already covered the back of her head with his large palm.

Lin Hanxing stopped moving.

Her delicate nose was pressed against Lei Xiao's collarbone, smelling the fragrant scent that spread from his body.

Luo Wensu sneered.

When had Lin xiaojiu ever been so obedient?

Lei Xiao hugged Lin Hanxing tightly, and as the car lights flickered twice, he unlocked the car with the central control.

He opened the car door.

He placed Lin Hanxing on the passenger seat, wrapped the blanket around him, and turned on the heater in the car.

It was warm enough even in her pajamas.

"Be good and wait for me here."

As he spoke, Lei Xiao reached out and tucked her slightly curly black hair behind her ear.

Lin Hanxing's Pearl-like ears were exposed.

"Hurry up," he said.

Lin Hanxing looked up at him, his voice was soft and his long eyelashes fluttered.

Her eyes were moving.

With a thump, Lei Xiao closed the car door.

He turned around and walked toward Luo Wensu at lightning speed.

As soon as he got close, he aimed a kick at his abdomen.

Luo Wensu was caught off guard and was kicked to the ground by Lei Xiao, unable to get up for a long time.

The taste of blood rolled in his mouth!

The Thunder valiant beast stood at the intersection of light and shadow, his face cold and cruel.

Lin yanshu, his wife, and the servants ran out when they heard the commotion. They were speechless for a long time when they saw this scene.

No one dared to step forward to help Luo Wensu.

The superior pressure from the Thunder valiant beast intimidated everyone in front of it!

They didn't even dare to breathe loudly!

No one knew how Luo Wensu had managed to provoke the Thunder valiant beast.

Otherwise, why would she come back to teach him a lesson when she was about to leave?

"Luo Wensu,"

His cold voice resounded in everyone's ears, and Lei Xiao looked down at him.

Light and shadow fell on his body.

Everyone could feel the thunder valiant beast's Fury.

That anger seemed to take away the breath of everyone present.

It was like an invisible hand, viciously gripping everyone's throat. With just a little force, it could take their lives!

"Put away those thoughts that you shouldn't have!"

As he spoke, he looked in Luo Wensu's direction.

The way he looked at Han Xing caused all the malice hidden in Lei Xiao's heart to burst forth.

This time, it was just a kick.

Next time ...

The deep and profound coldness in the depths of Thunder owl's eyes that had pierced into his bones was restrained.

What he wanted was probably his life!

.....

On the way back.

Lin Hanxing gathered the blanket in front of him and glanced at Lei Xiao from time to time.

His fingers unconsciously grazed the wound on his neck.

"Don't touch it."

Lei Xiao's cold voice rang out.

Lin Hanxing paused and obediently put his hand on his knee.

Where was he taking her?

"I ..."

Before she could finish her sentence, Lei Xiao had already turned on the radio in the car.

"....."

So, this paper tiger was still angry, right?

While Lin Hanxing was thinking, Lei Xiao turned the steering wheel and stopped the car.

Chapter 792: You're making a mountain out of a molehill

By the time Lin Hanxing came back to his senses, he had already been carried out from the passenger seat by Lei Xiao.

"Where are you taking me?"

Lin Hanxing, who was carried horizontally in Lei Xiao's arms, looked like a small ball, not to mention that he was wrapped in a cashmere blanket.

Thunder valiant didn't speak.

He just held her head in his arms and walked into the building in front of him.

"Thunder valiant beast!"

Lin Hanxing's stubbornness was triggered, and his voice was filled with anger.

As they passed by, they all bowed respectfully to Lei Xiao.

His eyes did not dare to look elsewhere.

“Bring me the sacred hands.”

Lei Xiao’s voice carried a clear and distinct coldness, which made people’s hearts shiver.

“Yes, Mr. Ley.”

The others did not dare to delay and quickly gave the order.

Holy hands?

While Lin Hanxing was thinking, Lei Xiao had already carried her up to the second floor.

He kicked open a room and placed her on the bed.

Compared to Lei Xiao’s cold expression, Lin Hanxing felt that his actions could already be considered gentle.

“Holy hand is?”

This room was obviously a guest room, and from the decoration style, it looked cold.

“Doctor,”

Lei Xiao, who was half-squatting in front of her, suddenly raised his head and looked at Lin Hanxing with an aggressive gaze.

“You have nothing to say to me?”

His cold gaze seemed to penetrate her.

Lin Hanxing’s eyes wandered, but Lei Xiao slowly raised his hand and slid it across her snow-like neck.

The movement of his rough fingers was as gentle as could be.

However, his eyes were as cold as ice.

He wished he could tear Luo Ruyin into a thousand pieces!

However, it would be too easy on her if she died!

“Xi Bao has helped me to disinfect.”

The Thunder valiant beast’s fingers were ice-cold, and as they streaked across his neck, they brought about an indescribable ripple.

The man’s hand suddenly stopped.

“Is this what you wanted to tell me?”

Just as Lei Xiao finished speaking, someone pushed open the door from the outside and walked in with a gloomy expression.

The fluffy and messy hair showed that the person had been sleeping.

The moment his eyes met Lei Xiao’s, he calmed down.

“Lightning?”

Sacred hands pulled at his already messy hair, thinking that he was seeing things.

Pulling someone up from their sleep was something that only Yan beiming would do.

“Help her with her wound.”

Lei Xiao said in a deep voice.

He didn’t say a word of nonsense.

Sacred hands looked at Lin Hanxing, who was wrapped in a blanket.

“I’ll dig your eyes out if you keep looking.”

Thunder owl sneered coldly.

“.....”

Brother, can you be more reasonable? I don’t want to see how your wife will treat her wound!

“Where’s the wound?”

Sacred hands asked directly.

“Are you blind?”

“.....”

Sacred hands raised his eyebrows. Was Ray Angry?

Angry at the little girl sitting on the bed?

Hearing this, Lin Hanxing could not help but roll his eyes at his man. He raised his head slightly, revealing the wound on his neck.

“.....”

Are you F \* cking kidding me?

Sacred hands looked at Lei Xiao expressionlessly, Lin Hanxing could understand his eyes without the need for an interpreter.

“Just a small injury?”

Sacred hands couldn’t help but ask, “ ray came to find me in the middle of the night for such a small injury?

Thunder valiant looked back at him coldly.

Obviously, he didn’t even leave any room for negotiation.

“You’re making a mountain out of a molehill!”

He was a Holy hand!

“Resurrect the dead and grow flesh from bones!”

Now ray asked him to treat this little girl’s minor injury?

Was he crazy or was he crazy?

Wait, a little girl?

Suddenly, sacred hands seemed to have thought of something and turned to look at Lin Hanxing.

There was a strange look in his eyes.

He had heard from Yan beiming that he had used two of the incense sticks he had made for ...

Chapter 793: I’ll tell you a little secret

“Find all your medicine. If there’s a scar ...” He said.

Before he could finish his sentence, Lei min’s eyes flashed with obvious ruthlessness.

Sacred hands could not help but roll his eyes.

A scar? Ray was insulting his medical skills!

If such a small injury would leave a scar, he would wring his head off and let him kick it like a ball!

“I’m going out for a smoke.”

Lei Xiao looked at Lin Hanxing and suppressed the violent Qi that was swimming around in his body so that no one could see it.

After that, he turned around and went outside.

“Little cold star?”

If his guess was right, this was the sister that Yan beiming had been talking about every day.

Lin Hanxing and sacred hands looked at each other.

The latter whistled at her.

“That’s big enough, isn’t it?”

The shoulder straps and the scars on her neck that could be vaguely seen under the blanket made holy hand’s thoughts go astray.

He had just flown back from Melbourne today.

He had never heard of the Lin family.

“Hey, can I ask you something?”

The sacred hands mixed the ointment, glanced at the door, and went to Lin Hanxing with a gossipy look on his face.

Lin Hanxing glanced at him indifferently.

Since Lei Xiao could rest assured and let this person stay alone in his room, at least this person could be trusted.

“When ray did that thing, he had that face too?”

Sacred hands imitated Lei Xiao’s cold expression.

It was really quite vivid.

Lin Hanxing couldn’t help but chuckle.

Yan beiming had asked himself the same question before.

She was really curious. What made these people misunderstand her ah Xiao so much?

He wasn’t expressionless!

Seeing Lin Hanxing smile, sacred hands quickly applied the medicine to the wound on her neck with a brush.

She didn’t look at it carefully just now and thought it was just a couple having fun.

It was only when he scanned it from a close distance that sacred hands realized it was a knife wound.

His expression turned serious.

Lin Hanxing felt a cool and refreshing feeling.

this is the first of the three unsolved mysteries of the black market!

to think that in order to find out the answer, Yan Beichen urged me to drug Lei. F \* ck!

The mention of this made sacred hands angry!

“And then?”

Lin Hanxing asked softly, her beautiful eyes full of curiosity.

“I did drug him, but the lightning didn’t react at all! If I hadn’t concocted the medicine myself, I would have suspected that it was a fake!” In this life, there were very few people who admired the sacred hands, and Lei Xiao was one of the top few.

the next day, ray directly broke two of my ribs!

Yan Beichen, that grandson, was the first to slip away.

Later, sacred hands found out that it wasn’t that the medicine didn’t work, but that the Thunder valiant beast had suppressed it for an entire night!

Only when the medicine wore off the next day did he come to settle the score with them!

“That ...”

Sacred hands mysteriously took out a few boxes of paste from the bottom of his medicine box.

He looked at the door as he dug.

“Before meeting you, ray had no experience in his life. If he is rusty in his skills, don’t despise him! This is a free gift from big brother, it’s definitely the best of the best!”

“.....”

Ah Xiao, do you know how much your brother has been worried about your life?

“I’ve been with him for more than thirty years. It’s not easy to do lightning.”

“.....”

So where exactly did this clown get dug out from?

“Little Hanxing, did you and ah Xiao meet in Meng Song?”

Sacred hands closed the lid of the medicine box with a gossipy expression.

Lin Hanxing looked at his face and felt that his features were a little familiar.

“So what if I am? So what if I’m not?”

“If you do, I’ll tell you a little secret.”

Sacred hands raised his eyebrows.

Lin Hanxing found him more and more familiar.

“What secret?”

Looking at sacred hands ‘eager expression that said’ ask me, ask me, ask me’, Lin Hanxing decided to satisfy him.

Chapter 794: You’re screaming like a pig being slaughtered

Before he could open his mouth, a shrill scream suddenly came from somewhere.

Sacred hands used his fingers to block his ears.

“You’re screaming like a pig being slaughtered!”

Lin Hanxing was deep in thought. The voice was familiar.

But soon, she was attracted by what sacred hands took out.

It was incense.

And it was exactly the same as the one on the cruise ship!

“You did this?”

Lin Hanxing asked, raising an eyebrow.

Sacred hands snapped his fingers and praised her for her knowledge.

“Ray asked me to make this incense before he set up a trap in the International waters.”

Sacred hands said as he looked at Lin Hanxing.

“The first batch of five.”

it’s colorless and odorless. It can even take down an elephant in a short time!

Lin Hanxing reached out and held the incense stick between his fingers.

“At that time, I was puzzled. Ray’s style of doing things has always been violent, deep, and clean. He has never used such a thing as knockout powder. What’s more, he specifically requested that this thing ...”

“It must be 100% harmless to the body!”

Lin Hanxing raised his head and looked at sacred hands.

There was a hidden meaning in his words.

“You can’t be thinking of saying that this thing was specially prepared for me by the Thunder valiant beast, right?”

At that time, he didn’t even know her.

Wait a minute.

Lin Hanxing’s long eyelashes fluttered slightly, as if he felt that something was not right.

Yingluo is as beautiful as I remember.

If it wasn’t for Yingluo’s special situation, I should go up and say hello to her. I don’t dare to, but I miss you very much.

Lei Xiao’s photo album on his phone and the contents of his memo suddenly appeared in her mind.

She finally knew what was wrong.

He knew himself.

Furthermore, he had been secretly observing her without her noticing.

“That incident shouldn’t have been carried out in international waters.”

Sacred hands laughed evilly.

He would not let go of the opportunity to expose Lei.

“Ray changed the plan at the last minute.”

He casually fiddled with the medicine box in his hand, speaking while perking his ears to listen for any movements outside.

If Ray knew that he was sabotaging him behind his back, he might have some idea to kill him!

Yan Beiming was a good example!

"It's also because of this that there are many risks that shouldn't have appeared."

Lin Hanxing looked at Sacred Hands.

He didn't know if it was his imagination, but Sacred Hands felt a chill run down his back.

This little girl didn't look very old, but why was her gaze so cold, just like ...

Sacred Hands muttered in his heart.

It was just like Ray's eyes when he was scheming against others!

"Sacred Hands."

"Who is Dr. Zhong to you?"

As soon as Lin Hanxing's cold voice fell, the box of ointment in the Sacred Hands fell to the ground.

It rolled to Lin Hanxing's feet with a gurgling sound.

In contrast to Sacred Hands' shock, Lin Hanxing's expression was as calm as water. He bent down and picked up the box that had rolled to his feet.

He played with it in his hands.

"Dr. Zhong asked you to say these words, right?"

It wasn't a question but an affirmation. Sacred Hands was even more dumbfounded.

Lin Hanxing's eyes swept across his face.

Sacred Hands' heart skipped a beat.

Previously, he had heard Yan Beixiao talking about how smart this girl was, but he did not care.

Although he had seen her today, she had initially been wrapped tightly in a white cashmere blanket. When she sat there, she looked as soft and weak as a little white rabbit. Naturally, the Sacred Palm was not wary of her.

However, looking at it now.

The man's face, which he couldn't control even if he wanted to, was completely exposed under the cashmere blanket.

He was just looking at her indifferently.

For the first time, Sacred Hands felt that the ancestor was right.

If they weren't family, they wouldn't enter the same house.

How could Ray's wife be an ordinary person?

## Chapter 795: Ray is a boring slut

Lin Hanxing placed the box of ointment back on the table.

A click.

Sacred hands could only feel cold sweat dripping down his forehead.

Now, he couldn't wait for ray to come back as soon as possible.

Lin Hanxing could not help but chuckle when he saw sacred hands 'reaction.

The strange atmosphere in the room dissipated with this smile that seemed to be able to melt the winter.

Sacred hands heaved a sigh of relief, as if he had been released from prison.

"You look like I'm going to eat you."

Lin Hanxing restrained her aura and her voice was lazy. In the eyes of sacred hands, she had returned to her usual White rabbit-like appearance.

It was as if she wasn't the one who could suffocate people with just a casual sentence.

help me thank Dr. Zhong.

Lin Hanxing looked at sacred hands, who was obviously relieved, and said in a soft voice.

She wasn't someone who couldn't distinguish between good and bad.

There were some things that Dr. Zhong couldn't say directly with his identity, so he said it to her through someone else's mouth.

Sacred hands sized up Lin Hanxing for a while.

Seeing that she was really not angry, he was completely relieved.

If there was a little mistake in the process, he would have no complaints if ray wanted to kill him, but he was worried that he would overreach himself.

Dr. Zhong is my brother.

When he said this, Holy hand tilted his head and looked uncomfortable.

In this world, apart from a few people, no one knew about this.

How did this little white rabbit see through it?

"Everything I said just now is true."

"I know,"

Lin Hanxing said calmly, his long black eyelashes fluttering.

Even if she seemed unmoved to others, only she knew that her heart was sore and uncomfortable.

Sacred hands sat down in his previous position again.

Ray's a boring man. There are some things he doesn't want to say, but he will keep it to himself.

Lin Hanxing raised his head and looked at him.

"You know that ray was kidnapped before, right?"

Seeing her nod, sacred hands heaved a sigh of relief.

"When my brother came into contact with ray, he was in a very bad state of mind."

my brother became famous in the field of psychology when he was young, so it's inevitable that he's arrogant. Ray was his first patient, and until now, he was the only one who admitted that he was the most difficult patient in his life.

"He used half a year to break through Ray's defense."

"Until one day, Ray Drew a picture for him."

Lin Hanxing was wrapped in a white cashmere blanket. The room was not cold, but her hands under the blanket were trembling slightly.

"That's a little girl."

His silver-gray hair covered his eyes, and a medicinal fragrance spread from his body.

"Porcelain skin, snow white skin, as pretty as a doll ..."

As he said this, sacred hands looked at Lin Hanxing.

"There's a mole at the corner of her eye."

After some thought, Holy hand took out his phone, found the photos he had saved for a long time, and pushed them on the table in front of her.

Lin Hanxing lowered his head.

It was a very vivid sketch.

It was so vivid that even every strand of hair seemed to move on the paper, not to mention the little girl's face.

That was her.

To be exact, it was her when she was young.

"My brother always thought that this was a fictional character."

It was created by Ray's body to protect him.

"Until one day, he saw you at the Lei family."

Lin Hanxing did not say anything. He reached out and touched the small red mole behind his ear.

Even the mole was drawn out ...

She suddenly remembered that when she had first met Dr. Zhong at the Lei family's house, he had indeed reached out to lift her long hair to find out what was going on. If ah Xiao had not appeared with Yan beixiao ...

Yingluo was actually real ...

At that time, Dr. Zhong kept repeating this sentence.

Lin Hanxing didn't understand then.

But now ...

Chapter 796: He has been looking for you for a long time

all these years, ray seems to be no different from a normal person on the surface, but that's just on the surface.

Sacred hands 'voice was low and disappointed.

"There's a dark corner in his heart that no beam of light can touch."

Before he took over the Lei clan, Lei Xiao was the true ruler of the night.

He was famous for not caring for his life!

Even after he took over the Lei group and left the industry, ray had only changed his place to play with his life.

Ordinary people could not imagine how difficult it was for him to take over.

The relationships within the Lei Corporation were too complicated, and a slight change would affect the whole.

How many 'accidents', how many 'accidents'. ..

Even sacred hands could not remember how many times he had pulled Thunder valiant beast back from the gates of hell.

He was the only one who never took it seriously.

Lin Hanxing's eyes were fixed on the painting, and the first time he met Lei Xiao kept replaying in his mind.

She should have noticed it long ago.

He was such a cold man when she first met him, but he protected her perfectly before the cruise ship exploded and the two of them fell into the water. He didn't even care if he was shot.

"No, ah Xiao's heart is warmer than anyone else's."

Lin Hanxing said softly.

Sacred hands didn't expect her to say that. He was stunned at first, then he smiled.

"He's been looking for you for a long time,"

Lin Hanxing suddenly stood up, he could not wait to see Lei Xiao.

"Also, how about I give you a secret?"

Just as her hand was about to touch the doorknob, sacred hands spoke again from behind her.

Lin Hanxing slowly turned to look at him.

"The tattoo on Ray's waist is for you."

.....

There was no one in the corridor.

There was a faint smell of tobacco in the air.

The Thunder valiant beast was not there.

A mournful roar could be heard from downstairs.

Lin Hanxing hesitated for a moment, then followed the smell of tobacco down the stairs.

Soon, a room that looked like a studio appeared in her sight.

The door wasn't closed.

The scream came from inside.

But he could also hear the conversation between Lei Xiao and Liang yuran.

"Ah Xiao ..."

Lin Hanxing pushed the door open and entered.

The first thing she felt was an indescribable strange smell. Just as she was about to raise her head, she was pulled into the man's arms with great force!

"Don't look!"

Lei Xiao's large palm suddenly pressed on the back of Lin Hanxing's head.

He was dead.

He didn't give her a chance to break free.

I ... Lin Hanxing had just opened his mouth when he heard screams and curses again.

It was mixed with other movements, and the people who heard it felt embarrassed.

With a cold face, Thunder owl carried her out of the room.

Damn it!

“Lu Jiashu?”

Lin Hanxing’s muffled voice came from his chest. Even after he came out, Lei Xiao still did not let go.

“Holy hand, get down here!”

Lei Xiao did not answer Lin Hanxing, but he roared at the people upstairs!

He was clearly enraged.

Sacred hands quickly walked down the stairs with something in his hands.

“What are you shouting for! What can I do if your wife insists on looking for you!”

He was so scared that his heart was about to jump out.

As if to cooperate with the sacred hands, Lin Hanxing grabbed Lei Xiao’s shirt and nodded like a chicken pecking at rice in his arms.

Lei Xiao’s Hawk-like dark eyes finally eased a little.

However, he still looked at sacred hands with hostility.

I’ve prepared the medicine. Apply it as you see fit for three days.

After throwing the bag at Lei Xiao, sacred hands hurriedly ran upstairs as if he was escaping for his life.

“I want to go home.”

Lin Hanxing said in a muffled voice when she noticed that Lei Xiao’s body was still in the midst of retreating.

“Let’s go back to our home.”

Afraid that Thunder valiant was still speaking, he quickly added.

“Alright,” he said.

Chapter 797: I just didn’t want you to worry

At the Lei family villa.

I don’t care. Bring my daughter-in-law back from the Lin family!

Half an hour ago, a busybody had called mother Lei.

He told her about what had happened at the small celebration party held by the Lin family today with some embellishments.

Mother Lei was furious!

“Is the Lin family bullying the daughter-in-law because she doesn’t have a family?”

The Lin family was the daughter-in-law's family.

Seeing how excited his wife was, father Lei swallowed the words that were on the tip of his tongue.

"I'm so angry! Who do they think they are!"

Mother Lei truly treated Hanxing as her own daughter, and the more she spoke, the angrier she got!

Just as they were talking, there was movement at the door!

The Lei family members all looked over.

He saw the expressionless Lei Xiao carrying a bulging cashmere blanket in his arms and walking upstairs.

"Ah ..."

Before mother Lei could even finish calling his name, she was pulled back by Lei Yu.

He looked at his second son.

Lei Jing gestured to mother Lei with her eyes and followed his gaze. A pair of white feet peeked out from under the blanket.

Mother Lei's expression changed instantly.

Son, you're awesome!

.....

The bedroom door was closed from the inside.

Lin Hanxing felt as if he was gently placed by Lei Xiao on the bed, and he could finally throw the White cashmere blanket aside.

Thunder owl was half-squatting in front of her.

An extremely aggressive gaze swept across Lin Hanxing's neck.

Even though he had already applied medicine, it still made Lei Xiao furious.

"Why didn't you tell me?"

Was he so unworthy of her trust?

She didn't even want to tell him that she was injured?

Why would he rather stay in a place like the Lin family?

Lei Xiao's deep voice rang in Lin Hanxing's ears, causing her to feel indescribable sadness.

The man did not say a single harsh word or reprimand, but it was enough to make Lin Hanxing's heart tighten.

"I'll go downstairs."

With a sigh, he stood up and was about to leave.

"It's not what you think!"

Lin Hanxing stomped on the floor with his bare feet and hugged Lei Xiao's thin waist from behind.

As if afraid that he would really leave, Lin Hanxing hugged him tightly.

"I just didn't want you to worry."

The Thunder valiant beast's body was very tense, and it didn't move.

"Actually, I really want to see you. I really want you to hug me."

Lin Hanxing pressed her face against his back and rubbed against him like a cat.

"I'm afraid you'll be angry."

Thunder owl did not say anything.

Lin Hanxing thought that he really didn't want to talk to her, so she slowly let go of his hand, as if it was going to fall.

"Ah Xiao, I'm sorry."

The next second, Lin Hanxing was pushed onto the big bed and a storm of kisses followed!

Lin Hanxing was stunned at first, then he reached out to hug his neck and kissed him back passionately.

The two of them seemed to be completely swallowing each other's breath!

"Do you know that I'm more worried about you if you don't tell me?"

She was always so strong and looked like she could overcome anything, but she was only 26 years old, the age where she should be cherished. He couldn't even bear to let her suffer, let alone hurt her!

Lin Hanxing looked at the man on top of him.

Yingluo, my brother always thought that this was a fictional character.

That was until he met you at the Lei family one day.

do you understand? I'm not angry at you for hiding things from me, but at you for not caring about yourself, Hanxing.

Lin Hanxing's heart trembled when he heard this.

She had thought that ah Xiao was angry because she had lied to him.

In front of me, Yingluo doesn't have to be omnipotent.

You don't have to be strong in front of me.

"Ah Xiao, I'm in pain."

Chapter 798: Accept your own punishment, alright?

Thunder valiant beast was startled.

He lowered his head and looked at her.

Lin Hanxing blinked his long eyelashes, and there seemed to be a glimmer in his eyes.

The room was very quiet.

It was so quiet that they could even hear each other's breathing clearly.

"In the past, I was actually very afraid of pain."

Lin Hanxing slowly raised his hand and gently caressed his cold face, which was immersed in the light and shadow.

"Because I'm afraid of pain, I haven't learned how to ride a bike yet."

Back then, he only felt that the fall was too hard and painful, but he never thought that one day, she would not even care about herself.

"Ah Xiao, actually, I also want to be able to say that I'm in pain without any care ..."

But I can't.

'As long as I'm in this position, I can only be the Lin little nine who can't turn back.'

The Thunder valiant beast's breathing suddenly became heavy.

All because he understood Han Xing's implied meaning.

She thought, she couldn't.

Lin Hanxing reached out and wrapped her arms around Lei Xiao's neck, letting his heavy and strong body lean against her.

"Why do you like me?"

She whispered into Lei Xiao's ear.

if the girl you like is from an ordinary family, ah Xiao, will it be easier for you? "

In other people's eyes, Lin xiaojiu was an arrogant and vengeful person.

It was destined to be hard to be with her like this.

However, ah Xiao was already so heartbreaking, how could she bear to let him go?

"There is no such assumption."

As Lei Xiao spoke, the heat from his breath blew into Lin Hanxing's ear, causing her eyes to burn.

"Because I only want you."

The one and only Lin xiaojiu in the world.

He only wanted her.

Lin Hanxing did not say anything, he only inserted his fingers into the back of Lei Xiao's hair.

Lei Xiao hugged her and turned her over, switching their positions.

Only the wall lamp was on in the room.

Leaning against the head of the bed, Lei Xiao's long and strong arms held Lin Hanxing tightly in his arms.

"Hanxing, Did you know?"

Only in front of her could the bloodthirsty and ruthless aura in Lei Xiao's bones be suppressed.

"I'd rather have three daggers and six holes in my body than see you get hurt."

Tonight, the sacred hands had said that he was making a mountain out of a molehill.

But how could he understand that the cold star was his life!

Lin Hanxing raised his head and looked at Lei Xiao from his arms, his heart filled with bitterness.

She would rather ah Xiao still be angry with her and ignore her than this helplessness.

"I promise you, I won't joke around with myself anymore, okay?"

She leaned forward and kissed Lei Xiao's chin. In the eyes of others, Lin Hanxing was as strong as a Queen. She removed all her pretense and showed the side of her that she was least guarded against in front of this man,

Lei Xiao's fingers caressed her neck.

The ointment had been absorbed, and the wound did not look as serious as it had been.

Lin Hanxing moved back slightly to avoid his touch.

Without waiting for Thunder Valiant's reaction, she opened her mouth slightly and licked his fingertips.

Just like a cat.

Thunder owl's Adam's apple bobbed up and down as she moved.

"I promise you."

Lin Hanxing's Black icy silk pajamas slipped off naturally, revealing her snow-white shoulders.

His eyes were innocent.

In Lei Xiao's eyes, she was completely different from the disgusting woman who pretended to be innocent at the Lin family's house.

"But you can't just ignore me."

Because he would be very sad.

Listening to her haggling, Lei Xiao's eyes could not help but look helpless and indulgent.

"What if you make me angry?"

Lin Hanxing's hand clutched the edge of the thin blanket, and he bit his lip as he looked at Lei Xiao.

He turned off the wall lamp with a snap, and the room immediately fell into darkness.

Only the bright white moonlight poured in like silver from the floor-to-ceiling window.

She pulled the blanket over herself.

"I'll accept my punishment, alright?"

Chapter 799: Are you happy?

Lei Xiao's hand subconsciously reached into the thin blanket, trying to pull her out.

Don't you find it boring?

But the next second, when her slender fingers were sucked in, he didn't move for a long time.

"Hanxing, what are you doing?"

His hoarse voice sounded like sandpaper.

In the dark, it was so sexy that it could stir one's soul.

The reply to Thunder valiant beast was the sound of metal being unbuckled.

It was a normal movement on normal days, but at this time, it made people's hearts tremble.

"Don't move around ..."

Her soft voice sounded a little muffled through the thin blanket.

The Thunder valiant beast stopped moving.

"That, Hanxing ..."

Before he could finish his words, Lei Xiao let out a muffled groan.

.....

She was simply trying to kill him!

Lin Hanxing's small hand grabbed her hand that was originally under the thin blanket, and their fingers quickly intertwined.

He didn't know how long it had been like this ...

"Star ..."

.....

"Hanxing,"

After a brief moment of blankness, Lei Xiao suddenly lifted the thin blanket and pulled her out.

Turn on the wall lamp again.”

His messy shirt was half-hanging on his body, revealing his healthy wheat-colored muscles. He reached out to her lips.

Lin Hanxing pursed his lips, his eyes watery.

It was obvious that he was feeling uncomfortable from the torture earlier.

The Thunder valiant beast spoke again, but this time, his voice was even gentler.

However, she didn’t know that this scene caused the man’s anger that had just subsided to erupt again.

“Don’t do this again next time.”

Seeing her blushing face and dazed eyes, Lei Xiao felt a little heartache.

“Are you happy?”

Lin Hanxing felt that there was a subtle taste in her mouth. She felt that she should go down and rinse her mouth first.

Lei Xiao didn’t say anything, but reached out to wipe the fine sweat off her forehead.

“Are you happy?”

Lin Hanxing looked up at the man and noticed that the redness was spreading rapidly from the base of his ears.

“If you don’t answer me, I’ll keep asking!”

Their fingers were intertwined.

“Yes.”

He was very happy.

Although her technique was really too rusty, and she hurt him a few times during the process.

However, that feeling was indescribable.

Especially when she looked at him innocently with those big, watery eyes after she came out of the thin blanket.

Lei Xiao really felt as if his heart was about to melt for her.

After getting an affirmative answer, Lin Han got off the bed and walked to the bathroom with his feet streaked.

He rinsed his mouth with mouthwash.

“I’ll take it as a promise. In the future, even if I make you angry, you can’t ignore me.”

Lei Xiao was about to hand her the slippers.

Upon hearing this, he helplessly curled his lips and smiled.

“Isn’t this considered forcing a deal?”

Lin Hanxing widened his eyes and looked at him. The moment Lei Xiao walked in front of him, he stood on his tiptoes and gave him a deep kiss.

“Are you going to buy it?”

The fresh mint flavor spread in their mouths.

“Can I still say I’m not buying now?”

Lei Xiao raised his eyebrows and looked at her. The cold aura he had when he appeared at the Lin family’s house tonight had completely disappeared.

“If you dare, I’ll run away from home right now!”

Lin Hanxing raised his chin slightly.

She reached out her hands to him.

“I’m tired, carry me to sleep!”

Lin Hanxing tilted her head and made up her mind to be a Bandit. No matter whether Lei Xiao was willing or not, she would just take it that he agreed.

“You’ve got me.”

The Thunder valiant beast’s voice was more pampering than helpless.

He was leaning against the door, and his unkempt shirt made him look very masculine. There was a seductive sexiness to him.

“Then I’ll go eat someone else?”

As soon as he finished speaking, he was already picked up by Lei Xiao.

“Hehe, if you dare to ...”

“How are you?”

Lin Hanxing looked at him with her charming eyes, her small face flushed red.

With a bang, he was thrown back onto the bed.

“I’ll break your legs until you beg for mercy!”

Chapter 800: The Thunder valiant beast that left at midnight

The night was as cold as water.

The wind blew the White curtains in front of the floor-to-ceiling windows.

Lei Xiao walked out of the cloakroom.

Lin Hanxing was lying on the bed, burying his face in the soft pillow, his slightly curled and black hair falling down.

The man sat down on the bed.

He lowered his head to look at her.

A large palm that could almost cover her entire face slowly reached out and landed on Lin Hanxing's cheek.

Her movements were gentle as she tucked her fine hair behind her ears.

Her long and thick eyelashes fell on her face, forming a shadow.

Her skin without any makeup was so delicate that it could be broken by a breeze.

Even her little mouth was a light red.

But ...

When Lei Xiao's line of sight slowly slid down to Lin Hanxing's neck, a cold and fierce glint flashed across his Hawk-like eyes.

Luo Ruyin ...

He leaned over and planted a gentle kiss on the tip of her brows.

"Be good, I'll be back soon ..."

.....

Lin Hanxing suddenly woke up without the familiar warmth of his arms.

The bed beside him was empty.

He touched it and it was cold. It was obvious that the Thunder valiant beast had left for a while.

He subconsciously looked at the clock on the bed.

It's already late at night, where did he go?

She sat up while hugging the thin blanket.

Very quickly, Lin Hanxing's eyes cleared up.

She took her phone and opened the mute uncle's WeChat conversation.

Xing Xiaoxing, "mute uncle, help me find out where Luo Ruyin is being held."

The mute uncle:

Lin Hanxing tidied himself up as quickly as he could, and Luo Ruyin's address was sent almost at the same time.

Her eyes paused. Why was he ...

But ...

When Lin Hanxing's eyes swept across the mute uncle's name, another thing came to his mind.

She hesitated for a few seconds.

Xing Xiaoxing, mute uncle.

Mute uncle:

The mute uncle's reply was very quick. Perhaps he could sense the change in her emotions from those two simple words.

Xing Xiaoxing, "aunt Mian once said ..."

Lin Hanxing did not reply for a long time, which was rare.

The content was deleted in the dialog box.

After a long time ...

[ Xing Xiaoxing: she got someone to help me seal a portion of my memories. ]

Xing Xiaoxing, "if ... I want to solve it ..."

Many years ago, when aunt Mian was still alive, she had mentioned to her that when she first picked her up, she had been forced to seal a small part of her memory because of her poor condition.

It was obvious that the sealed portion had nothing to do with the Lin family.

This time, it was the mute uncle who was silent for a long time.

Mute uncle, why?

He didn't mention 'can' or 'can'.

At that moment, Lin Hanxing did not know how to explain long qumai to the mute uncle.

To her, the mute uncle and uncle Jin were like her father.

Xing Xiaoxing, "I want to know if ah Xiao exists in my forgotten memories."

In the end, thousands of words were condensed into this sentence.

The mute uncle stopped talking again.

Lin Hanxing looked at his own reflection on the floor-to-ceiling window and his eyes flickered.

After a long time ...

Mute uncle,

When he saw the two words, Lin Hanxing knew that the mute uncle did not want to reply for the time being. He put away his phone and went downstairs.

The villa was very quiet in the middle of the night.

When Lin Hanxing went downstairs, he heard some movement in the kitchen.

Coincidentally, he bumped into the fourth young master of the Lei family, Lei Jue, who had just walked out.

He had clearly just returned from outside.

His necktie hung askew around his neck, giving him a decadent and handsome look.

He looked at Lin Hanxing's outfit, which made it obvious that he was going out, and did not ask further.

"Drive my car."

As he spoke, Lei Jue threw the car keys to her.

Lin Hanxing reached out to take it.

"The four of us brothers have GPS in our cars, so we can find each other at any time."

.....

The prison's designated hospital.

At night, Luo Ruyin's limbs suddenly twitched and she started foaming at the mouth.

He was sent out for medical treatment.

She just assumed that it was the Lin family's arrangement.

Lin xiaojie, it's all your fault ...
