

Goodnight 81

Chapter 81-undercurrent

All these years, Lei Xiao had put all his energy into his family and the Lei clan.

Other than that, he had nothing else to live.

Now, even if he wanted to treat a woman well, he didn't know where to start.

Lin Hanxing's eyes swept over the things that were still being sent in, his gaze calm.

To be honest, she didn't lack these things.

However, when he heard the hesitation in Lei Xiao's voice, Lin Hanxing's words finally came out of his mouth.

"I didn't say I didn't like it, it's just ..."

This was too big a scene.

At this moment, the Lin family's eyes were mixed with an obvious and unclear emotion.

But ...

Lin Hanxing's long eyelashes fluttered slightly, hiding the faint emotions in his eyes.

It wasn't a bad feeling.

Moreover, she didn't want to hide her head.

.....

From the moment they stepped through the Lin family's Gate, no one here could escape!

"Thank you," she said.

The Thunder valiant beast did not speak for a long time, but Lin Hanxing could feel that he was in a bad mood.

He did not express anything.

But she could feel it.

Lin Hanxing did not understand why he was suddenly like this.

It took Yan beiming's men a full 15 minutes to deliver everything.

In an instant, the entire villa's large courtyard was occupied.

It was dazzling.

Luo Ruyin's eyes widened, looking at everything in front of her with jealousy and hatred.

Is that young master Lei blind?

So many things? All for Lin xiaojiu? It was simply a waste of God's gift!

How was she worthy?

Lin youlin could still maintain her smile at the beginning, but as time went on, she could no longer hold it.

Could these things really be a thank you gift from young master Lei to little nine?

Her thoughts were complicated to begin with, and even the simplest thing had to be repeatedly pondered over.

Lin youlin could not help but worry. Did the Thunder valiant beast use these items to convey some other message to her?

"How did she get involved with the Lei family?"

Before he zhehan could accept Lin Hanxing's new identity, he was shocked by the relationship between her and young master Lei.

"I feel more and more ..."

Luo Wensu, who was standing beside him, finally spoke.

There was a trace of inexplicable hoarseness in his voice.

"What?" He zhehan's heart was in a mess.

"It wasn't an accident that she appeared in front of Yuan Xiaolei, you, and me!"

If it wasn't an accident, then it was on purpose?

For a moment, the Lin family had different thoughts, but all their eyes fell on Lin Hanxing's face.

Luo Minghao, on the other hand, smiled coldly.

"This little niece of mine is really interesting!"

alright, I've delivered the item. It's time for me to leave!

Yan beixiao said as he winked at Lin Hanxing.

"But before that, little Hanxing, you won't mind if I lend you my car, right?"

One of them was a limited edition Ferrari, which he had been eyeing for a long time.

In the end, he still missed it.

"Mute uncle," Lin Hanxing followed Yan beiming's gaze and understood.

The mute uncle threw the car keys to Yan Beichen.

Yan Beichen jogged faster than a rabbit, and no one could tell that he had not slept for nearly three days and had been on the plane for a long time.

"I'll return it to you in a few days!"

With that, he stepped on the accelerator and drove towards the carved gate of the Lin family.

"Hanxing, tonight ..."

At that moment, Lin Hanxing heard Lei Xiao's voice.

Only then did she remember that the other end of the Bluetooth Earphone was still connected to Lei Xiao, but he had not finished his sentence ...

Only the beeping sound of an out-of-range notification was left in his headphones.

"Little Jiu ..."

She did not have time to think about the rest of what he had said. Lin youlin had already forced a smile and walked towards her ...

Chapter 82: probing

In Lin Hanxing's eyes, that smile was full of probing.

Lin Hanxing reached out and turned off the Bluetooth headset in his ear, the corners of his lips also curved into a smile.

But in Lin youlin's eyes, this smile made her heart turn cold.

She really looked too much like sister-in-law!

For a moment, Lin youlin even thought that her sister-in-law had come back to life and was looking at her with hatred.

He suddenly shivered.

"These things ..."

Lin youlin had wanted to say that the room that had been arranged for her would not be able to fit her.

However, looking at Lin Hanxing's eyes, she could not say anything.

Luo Ruyin's chest heaved up and down.

The men might not understand the value of those brands, but how could she not?

That young master Lei had casually given her something that was worth millions!

"Aunt, I'm tired."

.....

A light breeze blew past, and her red pomegranate skirt fluttered lightly, faintly revealing her slender calves.

Luo Wensu stared at the White jade, his eyes deep.

"If there's anything to say, we can talk later."

After that, he put on his sunglasses again and slowly walked up the steps in front of the villa.

However, when she passed by her uncle, Lin yanshu, her gaze fell on her aunt, Zhong Wan 'er, through her sunglasses.

Even through the sunglasses, Zhong Wan 'er could still feel the coldness in Lin Hanxing's eyes.

She subconsciously took a step back.

Lin Hanxing's Red lips curled up slightly.

"Little aunt, what you're asking for will not come to fruition within three years."

The moment she finished speaking, Zhong Wan 'er's face turned pale!

However, before she could ask any more questions, Lin Hanxing had already continued to walk into the villa.

"You're deliberately mystifying!"

Luo Ruyin sneered, her face full of disdain.

However, Lin Jiaojiao looked at her mother's ugly expression and fell into deep thought ...

.....

Lin Hanxing knew that Lin youlin had arranged a guest room for him.

Although it had been cleaned, there was still a smell in the air that had not been lived in for a long time.

The mute uncle had followed Lin Hanxing in.

As soon as he entered, his face was as dark as ink.

He didn't say anything and just walked to the bed.

With a Swoosh, he reached out and lifted the blanket. A strong stench filled the air, and he saw a few dead snakes lying inside.

The look of his intestines being pierced through his stomach was very frightening!

Suddenly, Lin Hanxing laughed.

"Interesting."

As soon as she finished speaking, Lin youlin walked in with her young aunt, Zhong Wan 'er.

The latter inadvertently looked at the bed and screamed in shock.

Lin youlin covered her mouth almost out of reflex.

The reporters were still downstairs. If they found out about this and wrote nonsense, would the Lin family still have any reputation left?

However, the screams still attracted people over.

“What’s wrong? what’s wrong?”

Luo Ruyin pulled Lin Jiaojiao and ran over, a smug smile flashing across her face.

“Aiya, what’s this smell?”

Luo Ruyin pinched her nose and made a retching appearance.

Lin youlin cursed in her heart.

A mother knows her daughter best. One look at Luo Ruyin’s expression and she knew that this matter was related to her!

Even though she couldn’t see what was on the bed from her angle, it couldn’t be anything good!

“Little Jiu ...”

Before Lin qianlin could finish her sentence, a pair of frosty eyes fell upon her.

Lin Hanxing was looking at him with a faint smile.

“So, this is the room that my aunt prepared for me?”

She said coldly, caressing the diamond bracelet on her wrist as if she was unintentionally doing so.

“This is a misunderstanding. How could aunt ...”

“My mom asked the servants to clean this room up. Who knew there would be a dead snake on the bed? Can you blame my mom?”

As soon as Luo Ruyin’s voice fell, she felt everyone’s eyes turn to her ...

Chapter 83: idiot

Lin Hanxing was not interested in other people’s reactions. She reached out and slowly pushed the window open.

The fresh air from the outside filled the room.

“Mute uncle,” She didn’t even look at the others and coldly spat out these two words.

Everyone only saw a flash before their eyes, and the mute uncle had already silently arrived in front of Luo Ruyin.

A pair of old and withered hands directly grabbed Luo Ruyin’s lapels!

With a strong and irresistible force, he dragged her to the bed!

ah ... the shrill scream that pierced through the roof this time came from Luo Ruyin's mouth.

Luo Wenbo and Luo Wensu, who were welcoming the guests downstairs, looked at each other ...

One of them continued to deal with the reporters downstairs, while the other rushed up to the second floor.

Perhaps no one had expected Lin Hanxing to suddenly turn hostile, Lin youlin's expression changed!

She saw the mute uncle press Luo Ruyin's head onto the stinky snake corpse on the bed.

"What are you doing!"

Lin youlin was shocked and quickly stopped him.

.....

As for Zhong Wan 'er, she protected her daughter, Lin Jiaojiao, and hid to the side, as if she was afraid of being implicated.

"I haven't even told you what's on the bed, and you already know?"

Lin Hanxing was very beautiful.

This was obvious to all.

When she was in a good mood, she could make people feel like they were bathed in the spring breeze.

However, when she was expressionless, she always gave people a cold and unfeeling feeling feeling.

The mute uncle's strength was well-controlled, and he didn't directly press Luo Ruyin's face into the pile of flesh.

However, it was so close that the moment he opened his eyes, he could see the stinky snake's head.

ah ah ... Help ... Mom ...

Luo Ruyin burst into tears.

The moment she took a breath, she was greeted with a strong stench, which frightened her so much that she immediately shut her mouth.

But the urge to vomit made her retch.

In short, it was as uncomfortable as it could get.

"Little Jiu, what are you doing! Quickly let go of Ruyin!"

Lin youlin could no longer pretend to be friendly when it came to her daughter's safety, and her face was filled with anger.

"What are you doing!"

Luo Wensu, who had rushed up from downstairs, said in a gloomy voice.

He first looked at Lin Hanxing, who was leaning against the window, and then glared at the mute uncle who was holding his sister.

“Brother, save me, I’m going to die!”

Luo Ruyin didn’t dare to cry, but she also wanted to vomit. For a moment, she even had the heart to die.

Luo Wensu took two steps forward, but when his eyes swept over the bed, his scalp went numb!

“It turns out that aunt doesn’t welcome me as much as others think. In that case ...”

Lin Hanxing’s eyes were frosty, and it sent chills down one’s spine.

Her voice was very soft, but it fell heavily on everyone’s heart.

No one noticed that Zhong Wan ‘er, who was hiding in the corner, was looking at her with a complicated expression.

“Why don’t I just go home and give up on the idea of acknowledging my ancestors and clan!”

This sentence was like a blow to the head, and it woke Lin youlin up.

Lin Hanxing’s eyes were cold as he scanned everyone present.

“Mute uncle!” Obviously, she didn’t have the patience to wait for these people to come back to their senses.

The mute uncle looked silent on the surface, but in reality, he was exerting force in his hands, and it looked like he was about to press Luo Ruyin’s face into that pile of flesh and blood.

Luo Ruyin cried as she propped her hands on the side of the bed.

She looked as pitiful as she could be.

Those who didn’t know better would think that they were being bullied.

“Ruyin is just throwing a tantrum as a child. Why must you be so overbearing?”

Luo Wensu had wanted to snatch her from the mute uncle, but he wasn’t stupid. He could tell with one look that the mute uncle was a martial arts practitioner.

He was not his opponent at all!

Lin Hanxing suddenly laughed.

The sunlight outside the floor-to-ceiling window shone on her, and her smile looked like thousands of pear trees blooming.

But she slowly said two words.

“Idiot!”

Chapter 84 wrong

“What did you just say?”

Luo Wensu’s expression turned ugly when he heard that word.

Even Lin qianlin’s face darkened.

put away your sibling-like look. Ask her now if she knows what she did wrong.

Lin Hanxing gave the mute uncle a look and he stopped.

“I shouldn’t have made fun of you!”

Luo Ruyin was used to being arrogant, so she had never suffered such a loss.

Although he begged for mercy, he hated Lin Hanxing in his heart.

He looked at Lin Hanxing, who was standing in front of the floor-to-ceiling window, with hatred.

Especially when he saw her beautiful face, it was even more so!

“Wrong!”

The smile on Lin Hanxing’s face disappeared in an instant, and a biting cold air exuded from his body.

Although these words were directed at Luo Ruyin, his eyes were fixed on Luo Wensu.

.....

“You shouldn’t have used the Lin family’s face to pay for your stupidity on such a day!”

“If the guests and reporters downstairs knew about this ...”

Before Lin Hanxing could finish his sentence, Lin youlin’s eyes darkened.

If those reporters found out and spread their lies, would the Lin family still have any face?

as her brother, you only want to cover up for her stupidity. Am I wrong to call you an idiot? ”

What a powerful mouth!

The little aunt, Zhong Wan ‘er, who was protecting her daughter, gasped in her heart.

Although it was Ruyin’s fault, it was little nine who made the first move. If it was not handled well, it would definitely leave behind a disaster.

But now, little 9th had just moved his mouth a little and he had already gotten rid of all the responsibility.

Even making the first move had become protecting the Lin family’s face.

She was really not simple!

“Aunt is a smart person, naturally she knows how to weigh the pros and cons, I have overstepped my boundaries by disciplining her on her behalf ...”

Lin Hanxing looked at the mute uncle.

The latter coldly released the strength in her hands and pulled up Luo Ruyin, who had almost been pressed into the pile of flesh and blood.

“Now, it’s my turn.”

Lin qianlin felt a cold air sweep over her.

She looked at Lin Hanxing, and Lin Hanxing looked back at her.

With a ‘pa’ sound, Luo Ruyin felt that she couldn’t even stand firmly, and a sharp pain came from her cheek.

After a long time, Luo Ruyin covered her face and finally reacted.

Had he been beaten up?

The one who hit her was her own mother who had not even dared to touch her for more than ten years?

“Mom!” Luo Wensu didn’t even have time to protect his little sister.

“Shut up!” Lin youlin’s voice was serious and low. No one could tell how angry she was!

Never in her wildest dreams did she think that she would actually fall to her daughter!

Even if you want to find trouble with little 9th, don’t you know that the future is long?

Why did it have to be today!

little 9th, don’t worry. What happened today will never happen again in this house!

Lin youlin promised Lin Hanxing.

Luo Ruyin, who had just recovered from her shock, was slapped again, and she was dumbfounded on the spot.

However, Lin Hanxing smiled faintly and did not seem to want to pursue the matter.

“I’m afraid I can’t stay in this room anymore. It seems that I’ll have to trouble aunt to help me change to another room.”

Lin Hanxing’s fingers ran across the diamond bracelet on his wrist, his eyes cold.

In the next second, his finger fell on Luo Ruyin.

What was the meaning of this?

Lin youlin was stunned, clearly not understanding.

“I’m taking her room!”

“You’re dreaming!”

Luo Ruyin shouted, ignoring the pain on her face. That was her room!

Lin Hanxing looked at her and sneered.

His smile was filled with authority that did not allow anyone to refuse.

"I will be back in three days."

At that time, whether he was dreaming or not, the answer would be clear at a glance!

Chapter 85: Property management

Night fell in Yujing garden.

Lin Hanxing received a call from the property management as soon as he got home.

It turned out that the owner of the house across the street had gone abroad to resell the house, and the property management had specially sent a notice after the registration.

After hanging up, Lin Hanxing did not take the matter to heart.

She had bought this property when Yujing garden had just opened for sale.

As he had been in Meng Song for many years, Lin Hanxing did not know who his neighbor was.

It didn't matter to her whether she changed the person or not.

She turned around, picked up a bottle of red wine from the wine cabinet, and walked towards the bathroom ...

.....

The bathroom was filled with steam.

Lin Hanxing lay in the bathtub with his eyes closed and let the hot water flow over his shoulders.

She left the mute uncle and his men at the Lin family.

With them around, those people wouldn't have the guts to touch his things.

.....

Lin Hanxing's lips slowly curved into a cold smile as he thought about the Lin family's behavior today.

Luo Ruyin's stupidity was beyond her imagination.

His phone suddenly rang.

Lin Hanxing opened his eyes and picked up the phone.

"Little Jiu ..."

A gentle and soft voice sounded from the other end of the phone.

"I'm your little aunt ..."

Zhong Wan 'er lowered her voice on purpose, as if she was afraid of being heard.

"Little aunt, what's the matter?"

Lin Hanxing's voice was not warm, and Zhong Wan 'er could even clearly feel his cold attitude.

The other end of the phone was silent for a long time.

It had been so long that Lin Hanxing's patience was almost worn out.

"What you said today ... What do you mean?"

Just a moment before Lin Hanxing hung up the phone impatiently, Zhong Wan 'er finally spoke again.

"Little aunt, I said a lot today. Which one are you referring to?"

Lin Hanxing laughed silently and sneered as he poured himself a glass of red wine.

"That sentence," what I ask for will not come to fruition within three years!"

He gently swirled the wine glass, and the fragrance of the wine overflowed.

"It's exactly what I meant. Don't you understand, little aunt?"

At this time, Zhong Wan 'er was hiding in the utility room, holding the mobile phone with both hands, her fingers trembling.

"Little Jiu, you ..."

She wanted to ask what she knew.

But when the words were on the tip of her tongue, she couldn't say them.

"Little aunt, if there's nothing else, I'm hanging up."

Lin Hanxing lost his patience and hung up the phone without waiting for her to organize her words.

She really hated to talk to people who were slow and indecisive.

For a moment, he lost the mood to drink.

Lin Hanxing leaned against the edge of the bathtub and looked at the ceiling.

Cold stars, tonight ...

Thunder owl's unfinished sentence rang in his ears.

What was it tonight?

What did he ... Want to say?

With these questions in mind, Lin Hanxing slowly slid into the bathtub and let the warm water drown her.

An unknown amount of time passed ...

The phone rang again.

With a splash, Lin Hanxing was like a hibiscus emerging from the water, bringing about waves.

Without even looking at it, he picked up the phone.

“Little aunt, didn’t anyone teach you to speak more straightforwardly ...”

Her voice was bone-chillingly cold.

“.....”

The other end of the phone was silent.

“It’s me.”

It was the Thunder valiant beast!

This time, it was Lin Hanxing’s turn to be silent.

“Have you eaten?”

Lin Hanxing’s heart trembled at the low magnetic voice that came through the receiver.

Then, her assistant’s voice in the background brought her back to her senses.

“Don’t tell me you’re still working?”

Looking at the time, it was almost ten O’clock.

It was late at night, but Lei Xiao was still in the Lei Corporation.

Even his Special Assistant, Anthony, was working overtime.

When he asked this question, he had just finished dealing with the urgent business from France.

“There’s still some work to be done,”

“Have you eaten?”

Lin Hanxing got up and wrapped himself in a bath towel.

“If I say I haven’t eaten, will you come and find me?”

Chapter 86: The most beautiful one

Half an hour later.

A Lamborghini sports car that had been modified into Tiffany Blue was parked outside the Lei Corporation.

Lei Xiao’s Special Assistant, Anthony, had been waiting for a long time.

He took two steps forward and suddenly stopped, unable to speak for a long time.

The moment the car door opened, the first thing that came into view was a pair of fair and beautiful legs.

It was long and straight.

A white off-shoulder chiffon shirt matched with denim shorts. Even though it was simple, it was still dazzling and beautiful!

Anthony finally understood why his Big Boss had only said one thing when he had asked him to come downstairs to pick them up ...

As far as the eye could see, the most beautiful one in the crowd was.

At that time, he had thought that his boss was exaggerating.

But who would have thought that she was not the most beautiful in the crowd?

Even in the entire Jiang city, there was probably nothing better to look at than this!

"Miss Lin." Anthony collected his thoughts and walked up to her.

.....

Mr. Ray is waiting for you in the president's office on the top floor. This is the access card. Please keep it.

He respectfully handed over the access card, and his mission was over.

"Thank you," he said.

Lin Hanxing took it and his eyes fell on the steel building in front of him that reached the sky.

The feeling that the Lei clan headquarters gave people was exactly the same as the feeling that Lei Xiao gave her.

Overbearing, cold, and overbearing.

This building was the only one in the entire Commercial Street that gave off a cold and intimidating feeling!

"That ..."

Anthony wanted to leave, but after following Thunder valiant for so many years, his feelings for Thunder valiant eventually won.

"What?"

Lin Hanxing turned around and looked at him with her beautiful eyes.

"Mr. Ray has been busy and hasn't eaten yet. I hope that miss Lin can ..."

It was a hasty decision to stop Lin Hanxing, so Anthony's expression was a little awkward.

"It can at least let Mr. Ley eat something. Otherwise, his stomach won't be able to take it."

He had followed Lei Xiao for many years and had witnessed him reach the peak step by step.

She had also seen more of his unknown side.

Perhaps, no one else would wish for Thunder valiant beast to be healthy like Anthony.

"I know."

Lin Hanxing said calmly, then walked into the Lei Corporation.

Anthony watched her until she disappeared from his sight, until his phone rang ...

Glancing at the caller ID, Anthony's face instantly turned bitter.

It was Zhong Nanyin.

One must know that in order to arrange a blind date for Mr. Lei, she had used all means possible.

However, Mr. Lei was a man of few words, and in the end, Madam had actually set her sights on him.

However, the Lei family still pampered Madam.

He just didn't know what it was for this time!

"Hello, Madam Lei ..."

.....

With a ding, the elevator door slowly opened.

This was the president's exclusive elevator, and only those who had swiped the access card could take it.

It was already late at night, and the entire floor was dark except for the room at the end of the corridor.

Lin Hanxing walked towards the light source.

The door to the president's office was not closed. It opened with a push.

The overall design of the cool tone made people feel minimalistic and cold, and the semi-circular glass floor wall took up almost one-third of the room.

She had no doubt that she could easily overlook the entire Jiang city from there.

After all, the Lei Corporation was the tallest building in Rivertown.

As far as the eye could see, it was spotless, enough to show the owner's regular working habits.

The president's office was really too big.

Lin Hanxing sighed in his heart.

After all, this was the place that dominated the global economy.

Every decision made here received the attention of the entire world.

At this moment, the owner of the president's office was ...

Chapter 87: quiet

He was lying quietly on the black leather sofa.

His suit jacket was casually placed to the side. Lei Xiao, who was only wearing a black shirt, removed his tie and unbuttoned a few buttons on his chest.

His muscular chest was faintly revealed.

His thin lips were tightly pursed, and the coldness between his brows did not fade even a little from his sleep.

Lin Hanxing did not move for a long time.

To be able to support such a business empire, the word 'huge' was not enough to describe the workload.

Only a wall lamp was on in the huge CEO's room.

The three-dimensional outline of the Thunder valiant beast was submerged in the bright and dark light, looking particularly cold.

Lin Hanxing walked over silently.

When she got closer, she realized that a silver-gray tie was still wrapped around his large palm.

It was obvious that he did not expect to fall asleep when he did this.

Lin Hanxing looked at Lei Xiao quietly.

In her eyes, this man was more like a contradiction.

.....

In the eyes of outsiders, this man had no scandals. Other than work and family, he always liked to be alone.

According to the reporters, he liked to run in the morning, like to work out, and like all kinds of sports.

It was so clean and boring that it should have been boring.

However, it just so happened that it was this kind of man who, right after graduation, was bold and decisive in carrying out the reform of the Lei Corporation.

With his own strength, he had brought the Lei clan to a new level.

It had also completely washed away the black-colored Lei Corporation.

His methods were ruthless and he left no room for negotiation.

In some people's eyes, the Thunder valiant beast was comparable to a flood.

All of this was the evaluation of him by others.

What about her?

How did she evaluate this man?

For the first time, Lin Hanxing was unable to give an answer.

From the first day she met the Thunder valiant beast, he seemed to have set his mind on her and kept pestering her.

That kind of inexplicable enthusiasm was completely different from the indifference that Lei Xiao had when facing others.

Love at first sight?

Only a ghost would believe a child's lie like love at first sight.

However, he did not have any ill intentions towards her.

"Thunder valiant beast, I really can't see through you ..."

.....

Deep into the night, in the study of the Lin family's Villa.

"We've clearly invited a fiend back!"

Lin youlin clenched her fists and slammed them on the back of the sofa. Her face was so gloomy that it could not be described with words.

After sending away the reporters and her friends, she had been feeling vexed.

Lin yanshu didn't say anything, but his wife, Zhong Wan 'er, had a dazed look in her eyes, as if she wasn't in the right state.

"Minghao, say something!"

Luo Minghao looked at her. He was neither cold nor warm. His handsome and elegant appearance somewhat cooled her anger.

"What did you ask me to say? You've already invited her back, and there's no turning back. Do you still want to kill her?"

Lin qianlin was rendered speechless.

Kill her?

All these years, he would rather kill a thousand by mistake than let one person go ...

The number of people sent out was at least in the hundreds if not thousands.

He was afraid that one day he would face the current predicament, but who would have thought ...

In the end, it still ended up like this!

“Sis, little 9th is our ...”

Lin yanshu hesitated for a moment before finally speaking.

“You shut up!”

Lin youlin did not wait for him to finish and interrupted him rudely!

“You’ve already enjoyed what you should all these years. Why are you still acting like a good person with me?”

Lin yanshu’s expression was gloomy, and he did not say anything.

“She’s just a little girl. No matter how powerful she is ... What kind of waves can she set off?”

Luo Minghao’s words were nonchalant, and it was obvious that he didn’t take this matter to heart.

Just as he finished speaking.

There was a piercing scream.

The expressions of several people in the study turned cold. They had obviously heard that the scream was coming from Luo Ruyin’s room ...

Chapter 88: It seems that I’ve received the gift

The first to rush into Luo Ruyin’s room were her two older brothers.

When they saw the scene in front of them, even the two of them who had seen a lot could not help but gasp.

The thin blanket fell to the ground.

Luo Ruyin sat on the bed in horror, her legs stretched out.

And wrapped around his legs were densely packed ...

They were actually flower snakes that were as thick as a thumb!

“Brother, save me ...”

Other than the first scream, Luo Ruyin didn’t dare to move again.

After her bath and skincare routine, her mind was filled with Lin xiaojiu’s arrogant look. As soon as her legs reached into the thin quilt, she felt that something was wrong!

“Get me a bag!”

His elder brother Luo Wenbo’s eyes were gloomy, and he was obviously angry!

The servant quickly went to find a sack.

“Wenbo!” Although Lin youlin loved her daughter, nothing could happen to her son.

.....

mom, it's fine. Those snakes aren't poisonous!

Luo Wenbo couldn't help but think of Lin Hanxing's cold eyes.

The feeling she gave him was just like the snakes that had appeared out of nowhere on the bed, sinister and dangerous.

"It's her! It's Lin xiaojiu!"

Luo Ruyin's hatred seeped into her bones as she gritted her teeth and growled.

Everyone present knew in their hearts that it was her. It was that woman who was stunningly beautiful and the way she did things was also stunningly shocking!

This was pure revenge!

It seemed like what happened in the guest room was not enough in her eyes!

Tonight, it was time to collect interest again!

However, the thought of someone who could appear in Lu Ruyin's room without a sound and leave all these things behind without anyone knowing ...

There was an indescribable fear in everyone's heart!

Luo Wenbo walked over with a cold face.

Ignoring the hissing sounds made by those snakes, he accurately pinched the snakes by their seven inches and stuffed them into the sack.

After the last snake was taken away, Luo Ruyin rolled down from the bed, her whole body trembling!

"I want her to pay the price!"

Luo Ruyin, who had been spoiled over the years, screamed and fainted in Lin youlin's arms!

Luo Wenbo didn't say anything. He walked through the crowd and quickly went downstairs.

When he arrived at the room arranged for the mute uncle and the others, he knocked on the door.

Very quickly, the mute uncle opened the door silently.

With a crash, Luo Wenbo dropped the snake at his door.

The mute uncle seemed to have thought of this long ago. He reached out and dialed the phone. The call was picked up very quickly.

He handed it to Luo Wenbo.

"It seems that I've received the gift!"

Lin Hanxing's cold voice came through the phone.

Lin xiaojiu, that's enough!

"Hehe, cousin, there's something I need to make clear to you."

The veins on Luo Wenbo's fist were bulging, and his temples were throbbing when he heard her voice.

"I'm a very narrow-minded person. I'll definitely repay the kindness of a meal, and I'll definitely take revenge for the smallest grievances."

Her voice was like a basin of cold water poured over his head.

There was a faint smell of blood in the air.

those vegetable snakes are not poisonous. I asked the mute uncle to peel the skin and hand it to the kitchen. As his niece, you can consider me ...

"I'm being filial to my elders!"

Luo Wenbo inadvertently glanced at the mute uncle and suddenly took a step back!

The flower snake, which had been writhing on the ground a moment ago, was now flayed and gutless by the mute uncle, accompanied by the stench of blood. It was now powerless to swing in the air.

"You ..."

Luo Wenbo felt his stomach churning.

"Cousin brother, we won't leave until we meet three days later!"

With a click, Lin Hanxing hung up the phone.

Luo Wenbo's eyes gradually revealed a sinister look as he stared at the expressionless mute uncle.

With a sudden wave of his hand, the remains of the snake fell to the ground.

"Get lost! Get lost!"

For the first time since he became an adult, Luo Wenbo tore off the appearance of a mature successor and revealed his true face!

He didn't know that the mute uncle was just looking at him indifferently and sneering in his heart ...

Chapter 89: boring

Lin Hanxing hung up the phone and smiled.

However, no matter how one looked at it, that smile seemed to be filled with indifference, sarcasm, and coldness.

Luo Ruyin's stupidity was beyond her imagination.

Such a person, if it was during normal times, would not even be qualified to be called his opponent!

However, they had used eighteen years to turn her from a human into a ghost ...

How could she let go of everyone who lived in that villa?

“You didn’t wake me up.”

Suddenly, Thunder Valiant’s hoarse and low voice broke the silence.

He had just woken up, and his deep eyes were still dazed. In an instant, he returned to his usual calm and dangerous appearance.

Thunder valiant beast was a little annoyed at his momentary relaxation.

He had wanted to wait for her to come up, but he had fallen asleep.

He glanced at his watch and saw that it was almost 11 O’clock.

Reaching out to wipe his face, Lei Xiao stood up and casually threw his tie to the side.

.....

I originally thought that people who could sit in that position would not have boring lives.

Lin Hanxing pointed at the president’s chair with her fair finger.

Thunder valiant glanced at her, then turned around and entered the lounge.

Very quickly, he walked out with his muscular upper body bare.

He didn’t avoid her at all. His strong abdominal muscles were clear and he had the perfect inverted triangle figure.

Lei Xiao put on the brand new Black shirt, which was tailored to his body, straight and without any wrinkles.

“The Lei Corporation has millions of employees all over the world. The first thing I need to ensure is the livelihood of these millions of people.”

His voice was calm and steady, giving people a feeling that he was infinitely reliable.

“So what if my personal life is really boring? As long as they can receive their pay and various benefits on time, I’m a good boss in the eyes of my Lei group’s employees.”

Ever since Lei Xiao took over the Lei Corporation, no one would dare to claim to be the best in terms of salary and benefits.

Lin Hanxing did not say anything.

He recalled what Lei Xiao’s Special Assistant had said when he gave him the access card downstairs.

Oh, Mr. Lei has been so busy that he hasn’t eaten yet. I hope that miss Lin can ...

Yingying could at least let Mr. Lei eat something, otherwise, his stomach would not be able to take it.

In the eyes of his subordinates, he was indeed a good boss.

“Did you know that some people said you’re Gay?”

Suddenly, Lin Hanxing chuckled.

Even if there was no deliberate search, the discussion about Lei min’s sexual orientation had never disappeared from the streets.

Some of them spoke with conviction, causing the following posts to exclaim in surprise.

As time passed, the rumors became more and more outrageous.

Her words finally made the Thunder valiant beast stop for a long time.

He couldn’t help but recall the last time he went home, when even his mother was suspicious. His expression instantly darkened.

Especially when he saw Lin Hanxing gloating over his misfortune!

Lei Xiao charged towards Lin Hanxing, his movements as Swift as a cheetah.

He didn’t give them any breathing space!

Before Lin Hanxing could even react, both sides of his waist were already grabbed by big hands.

Lei Xiao used a little strength and propped her slender body up against the back of the sofa.

A pair of eagle eyes stared at her without blinking.

“I dare you to say that again?”

His husky voice was sexy and magnetic, as if it was natural, but also as if it was deliberately tempting!

At such a close distance, Lin Hanxing could clearly feel the temperature of his body.

In order to prevent her center of gravity from being unstable, she placed her hands on his shoulders.

“They said ...”

However, Lin Hanxing was really bold.

The Thunder valiant beast seemed to have anticipated this, and his cold face suddenly moved closer to her.

He was so close that he could easily devour her ...

Chapter 90: There definitely won’t be

“You don’t know if I’m the one?”

The dim wall lamp divided his cold face into light and dark, and his eyes were deep and complicated, which could easily control people’s breathing.

For a moment, it was silent.

Lin Hanxing's long and dense eyelashes fluttered.

When this man got serious, he always had the magic to make people go crazy with him.

The Thunder valiant beast's eyes were locked on her.

The White off-shoulder chiffon shirt was light and matched with denim shorts. It was full of childishness.

He was just like a student.

Her two thin legs drooped straight down, as white as coconut milk.

As long as the Thunder valiant beast thought about how this pair of white legs would one night clamp tightly around his waist ...

The blood in his body seemed to be boiling!

The black shirt that wasn't buttoned up was opened at will, revealing the firm muscles inside.

.....

"If I'm really Gay ..."

Lei Xiao's free hand clenched her finger tightly and brought it to his chest.

It passed through the hard muscles and slowly went down ...

"Then how do you explain the reaction every time I see you here?"

He held her hand and half-forced Lin Hanxing to feel it through his suit pants.

Scorching hot!

It was as hard as iron!

Lin Hanxing's body trembled, his breathing became slightly rapid, and his long eyelashes fluttered even more frequently.

The outline of that part could be clearly seen even through the high-end fabric!

It was huge and powerful!

The blush spread from her cheeks to her neck!

Moreover, the Thunder valiant beast had deliberately buried its head in the pit of her neck and pecked her silently.

Lin Hanxing's long, black, and curly hair was scattered messily behind her, and her beautiful eyes, which were like stars, were moist.

Lei Xiao's large palm was tightly wrapped around the back of her hand, while the thing in Lin Hanxing's palm was expanding.

A slight struggle would cause a butterfly effect.

“Thunder valiant beast ...”

Lin Hanxing’s voice was as soft as a cat’s.

“I don’t care what others say at all!”

His thin lips were slightly dry, and as he spoke, he gently brushed against her neck, causing ripples.

His hands controlled the entire scene.

Lin Hanxing could clearly feel his great desire with every movement.

“But you can’t ...”

For so many years, nothing in the world could make Lin Hanxing so nervous that his heart was beating so fast.

But when the Thunder valiant beast controlled her with his rough palm ...

She felt as if a lost deer was living in her heart ...

“Have any doubts about me!”

Lei Xiao raised his head and stared into Lin Hanxing’s eyes.

He pulled her fingers to his lips and kissed them gently.

“Do you understand?”

.....

you’re saying that B * tch is the Lin family’s child who has been missing for 18 years? ”

Yuan Xiaolei, who was wearing a sexy Burgundy spaghetti strap nightgown, propped up her graceful figure in shock, revealing a large patch of snow-white on her chest. Her eyes were filled with shock as she looked at her brother-in-law, he zhehan, who had just walked out of the bathroom!

Thinking of all that had happened before, he zhehan’s eyes were fierce and he pushed her down.

After being with him for such a long time, how could Yuan Xiaolei not understand that this was the reaction of a man who had sexual desires?

The shock in her eyes was replaced by a moving gentleness.

The sound of his panting made the temperature in the room rise rapidly. Her slender fingers lifted the bath towel around his waist ...

“How’s the situation at the hospital?”

He zhehan felt an indescribable uneasiness in his heart.

It was as if things were gradually going out of his control. Ever since that good-for-nothing’s accident, he had never felt this way again!

But now, that woman’s appearance had broken the original balance!

“Don’t worry, everything is in place. There won’t be any accidents!”

Yuan Xiaolei gasped for breath, looking as charming as water ...
