

Goodnight 831

Chapter 831: My sister, do as you see fit

Yan beiming had always been carefree all year round, and it was rare for him to be so serious.

He had even specially called him to ask him out.

Yan beiming looked at houzi.

"I'll put it this way, those who have gone against little Hanxing, none of them have a good ending."

After a short silence, he finally relaxed.

It was just that his tone was too serious and his aura was too cold.

Monkey did not say a word for a long time.

He was only there to join in the fun, and he was not as close to han mingmei as the rumors said.

"Is it as evil as you say?"

At the end of the day, the monkey was still a little skeptical of Yan beiming's words.

There had been many rumors about Lin xiaojiu ever since she had returned to Rivertown. However, houzi was already used to the rumors spreading among the rich and powerful since he was young, so he didn't really believe it.

"Don't f * cking talk nonsense!"

Yan beixiao hit the ball, his patience almost running out.

"If you want to die, you can try."

If he really dared, he didn't even need to wait for ah Xiao to make a move, little Hanxing could kill him with a flick of her finger.

There were only a few balls left on the table.

this time, because of han mingmei, they've said that they're going to teach Lin xiaojiu a lesson.

The monkey bent over and said casually.

"Ha."

Hearing this, Yan beiming laughed in disdain.

are you really that confident in this Lin xiaojiu? "

The more he spoke, the more curious the monkey felt, as if ants had built a nest in its heart.

This time, Yan beixiao did not even look at him.

"She's my sister, you can do as you see fit."

Oh?

He even called his own sister?

“De ‘er, consider it as me owing you in my past life. Your sister is my sister.”

The monkey finally relented.

Speaking of which, in such a big city like Jiang city, one could casually grab a bunch of fair-weather friends. However, the ones that one could be close to were few and far between.

Yan beixiao was one of them.

Since it was the person he had declared to protect, he would not hesitate to fall out with her.

Yan beiming’s expression turned a little better when he heard what houzi said.

“Who’s paying this time?”

Yan beixiao threw the pool cue on the table and lit a cigarette.

He looked like a ruffian.

“It’s a common practice in Jianghu.”

“Fuck, it’s you again?”

Monkey fiddled with the pool cue in his hand and didn’t seem to care.

“Here.”

Yan beiming took out a silver-gray card from his pocket and handed it to him.

Monkey raised his eyebrows.

What was that?

He took the card and glanced at it casually, but his eyes widened when he saw what it was.

“A Y.R. Card?”

This time, monkey’s expression was truly interesting.

It was a silver-gray card.

It was the rumored card that could get a 50% discount on any purchase at Y R!

Where did Yan beiming get it?

“You’re not here to show off, are you?”

The monkey was puzzled.

“Do I look like that kind of person?”

Yan beiming was not convinced.

“You are ...”

“.....”

It seemed that he really was!

“Return it to me!”

Yan beiming reached out to take the card back.

How could the monkey be willing to?

hey, I heard that Lin xiaojiu’s appearance is nothing special. Tell me, is that true? ”

Although he would be able to meet the legendary Lin xiaojiu this afternoon, houzi could not help but ask Yan beiming about it.

Yan beiming gave him a sidelong glance.

With a ‘don’t you look stupid’ look.

our little Hanxing is a fairy from heaven. She grew up drinking dew and gathering the fairy energy of heaven and earth. Do you understand? ”

“.....”

If your language teacher were to hear this analogy, he would probably die of anger more than 800 times.

Hehe, he would like to see ...

What exactly did this little fairy’s daughter, who grew up drinking dew and gathering the fairy energy of the world, look like?

Chapter 832: I must help you vent your anger

In the afternoon.

River city’s Y.R. Equestrian Club.

There were many people who had come to welcome han mingmei.

Before han mingmei went to study abroad, she could be said to be the most dazzling existence among the circle of Jiang city’s socialites.

Not to mention the relationship between the Han family and the Lei family.

Just her looks alone were enough to make people fall head over heels for her.

Who didn’t know of her title as the most beautiful woman in Jiang city?

When they heard that she had returned from studying abroad, those good-for-nothing friends of hers immediately wanted to hold a welcome party for her and celebrate.

Han mingmei had naturally made some preparations before coming.

Not to mention the SPA and beauty treatments, the makeup on her face and her clothes had been carefully matched by professionals.

The moment he appeared, he had already attracted everyone's attention.

That figure, that aura ...

There was only one thought in everyone's mind, and that was that the title of the most beautiful woman in Jiang city was not for nothing!

"Ming Mei, what's that fragrance on your body? it's so good."

The socialites who had the intention to befriend han mingmei kept moving closer to her. For a moment, they were all smiling and talking, making people's hearts ripple.

Monkey's side was also surrounded by a group of nouveau riches.

"Look at Ming Mei, is that young master Lei blind?"

Yuan hou was calmly eating his grapes when he heard someone's discussion. Without a second thought, he picked up the thing in his hand and threw it at the person's face. He accurately and fiercely slapped the person.

"Who gave you the guts to talk about young master Lei?"

The monkey sneered.

He really didn't care about his life!

Why didn't he think about Thunder Valiant's identity!

But these words, of course, Yuan hou would not say them.

Even though he was on good terms with Yan beiming, Yan beiming rarely mentioned Lei Xiao and Liang yuran in front of him.

Thunder valiant beast.

Not to mention his identity as the CEO of the Lei Corporation, just the black market ...

The monkey closed its eyes and continued to eat its grapes.

He did not care that the people around him were praising han mingmei like she was a fairy.

They were all waiting for Lin xiaojiu to appear.

"Yuan hou, I haven't seen you for a few years. Why are you still so impatient?"

Han mingmei laughed as she walked over. With her sharp ears, she had naturally heard the dispute over here.

Yuan hou, nicknamed monkey, didn't even lift his eyes as he smiled.

“After not seeing her for a few years, isn’t Ming Mei still so beautiful that one can’t bear to look away.”

For a moment, it was hard to tell whether these words were praise or sarcasm, but the people around them took this opportunity to make a joke.

“Mingmei, we’ve all heard about you.”

Suddenly, someone beside him raised his voice.

Han mingmei’s expression paused slightly. When she looked up again, there seemed to be a faint worry in her eyes. In the eyes of others, it was a beautiful picture that made people’s hearts soften.

Monkey threw a grape into his mouth and looked at the scene thoughtfully.

Even after so many years, han mingmei was still the same.

She loved to stir people’s hearts without making a sound, making people do things for her willingly without touching her at all.

“Don’t worry, we’re here to help you vent your anger!”

A few fops took the lead to express their thoughts.

“You guys must not ...”

Han mingmei’s expression turned awkward, as if she felt that this was not appropriate.

In fact, the scene from the Lin family that day inexplicably appeared in her mind.

Yingluo, this is my home!

Even if Yingluo wanted to get lost ...

Yingluo, get out of my house!

With Lin xiaojiu’s intimidating aura, if he was really provoked, would he ...

“Yes, yes! What was she, Lin xiaojiu? She’s just an orphan who’s been missing for 18 years, how can she compare to our Ming Mei!”

For a time, sneers and jeers were heard everywhere!

Chapter 833: A different world

On the other side of the road, people were busy defending han mingmei. On the other side, Yan beixiao, who had just driven into Y. R., Was stopped.

The window slowly slid into the car.

“What do you mean?”

The first few cars had already been let through, so why was he stopped?

Yan Beichen raised his eyebrows.

He looked at the man in the supervisor's uniform, who was standing at the side with an expressionless face.

"Mr. Yan beiming, right?"

Although he asked this question, the other party obviously knew his identity.

"Ninth young lady asked me to wait for you here."

Little cold star?

She and ah Xiao had arrived long ago?

"She asked you to bring me a message?"

Hearing that it was Lin Hanxing's arrangement, Yan beiming was immediately appeased.

"Ninth young lady said that if Mister Yan is not in a hurry, you can go find her and meet up with Mister Lei."

Hearing this, Yan beiming's spirits were lifted.

"How?"

The other party bent down and attached a special Bluetooth identification device to his wiper.

"Mr. Yan, as long as you drive straight along this road, there will be someone to pick you up."

He looked in the direction of his finger.

The first thing that Yan beiming saw was an eye-catching sign at the intersection.

It was clearly written on it ...

[private residence, please do not disturb]

Seeing these words, Yan beiming's blood boiled.

Anyone who had been to Y R in Rivertown would know about this place!

There were even busybodies who listed this as one of the ten greatest mysteries of Jiang city.

Whose private residence was that?

There were different opinions.

However, the words that everyone agreed on the most was ...

It was the private residence that the mysterious behind-the-scenes boss of the Y R club had built for himself.

There was once a busybody who barged in after boasting.

But ...

That person never came out again.

No one dared to ask, and no one dared to mention it.

However, he was wary of the mastermind behind Y R.

Just like how no one knew who the boss behind the Earl of Starlight was, the identity of Y. R's boss was also unknown to the public.

Hehe.

Other people might not know, but he did.

Yan beixiao's eyes flashed with pride.

"Mr. Yan, please."

The supervisor was still expressionless, but Yan beiming could feel that his position here was not low.

This was because when he spoke, the others only stood respectfully at the side, not daring to make a sound.

Yan Beichen started the car again.

They headed towards the legendary and mysterious forbidden zone that was the most curious and missed in Y·R ...

.....

Along the way, Yan beiming's mouth was in an 'O' shape.

He didn't notice that every time the Bluetooth device on the wiper lit up, the dangerous red light in the dark would be extinguished once.

He felt as if he had arrived in heaven.

It was already winter, but the place was still full of flowers, just like spring.

It was almost integrated with the most famous National Forest Park in Jiang city, becoming the most unique natural landscape.

It was truly a different world.

As the thin mist rose, Yan beiming did not even blink.

After driving for a long time, they finally saw a luxurious building at the end of the road.

His Bluetooth device lit up again.

The carved guard door slowly opened automatically to check that the system was running.

What did he just see?

Yan beiming felt as if his eyes were going blurry.

There were a few deers on the lawn?

A white European Pavilion and a fancy fountain, this ...

Isn't this too dreamy?

"Mr. Yan,"

When Yan Beichen's car stopped at the empty space in front of the luxurious building, a servant suddenly appeared out of nowhere and spoke.

He was shocked.

"Please get out of the car and follow me,"

As if she did not notice Yan Beichen's loss of composure, the servant smiled and automatically stood to the side.

After a long while, Yan Beichen got out of the car.

"This way,"

He followed the servant and walked into the luxurious building in front of him.

Chapter 834: The little fairy is a fairy

Entering the villa, Yan beiming quickly saw Lei Xiao.

Standing in front of the floor-to-ceiling glass window that was a few meters high, his back exuded an extremely powerful aura.

Hearing the movement behind him, he slowly turned around.

"Don't talk to me yet!"

How many more secrets did little Hanxing have?

Just when you've gotten used to her mysteriousness, she's always able to surprise you and change your worldview!

Yan beiming felt that his brain was not working well enough.

Since the establishment of Y.R. Many years ago, no one in Rivertown knew that there was such a paradise on earth hidden above the Forbidden Zone that no one had stepped into!

He was standing right there!

Yan beixiao was so excited that his scalp was tingling!

But very quickly, his expression collapsed again.

He knew such a big secret, but he couldn't share it with anyone. He might as well suffocate to death!

“Ah Xiao, where’s little Hanxing?”

Yan beixiao sighed. Little Hanxing must have wanted to suffocate him to death so that he could inherit his titanium alloy doghouse.

It must be!

Before Lei Xiao could speak, there was movement at the stairs.

The two of them looked up at the same time.

Lin Hanxing, who had just changed his clothes, was walking down the stairs, his fair fingers sliding across the escalator.

Yan beixiao sucked in a breath of cold air.

Even thunder owl’s usually calm eyes were dazed for a moment.

“Is it good?”

Lin Hanxing quickly went downstairs and stood before Lei Xiao.

Although he knew that little Hanxing was not asking about him, Yan beiming still nodded his head like a chicken pecking at rice!

It looks good!

Their little Hanxing ...

She’s simply a fairy!

Thunder owl did not say anything.

However, his slightly heavy breathing easily revealed his true emotions.

His deep eyes were like the first melting of winter snow.

He couldn’t look away.

you don’t need to ... For han mingmei’s sake.

“I’m not that childish.”

Lin Hanxing blinked at Lei Xiao, her long, feather-like eyelashes fluttering like a small fan.

To her, han mingmei was not worth much effort.

“I’m doing this for the sake of our family’s face.”

Lin Hanxing pinched his face as he spoke.

Thunder Valiant’s expression clearly froze.

Then, his thin lips were pursed into an arc. If one did not look carefully, one would not be able to tell.

“There’s a lot of rumors outside ...”

Lin Hanxing's mouth, which was painted with a light red lipstick, opened slightly, and he smiled charmingly.

Lin family's little ninth. He's pretentious, arrogant, and will take revenge for the smallest grievance.

Lin Hanxing's eyes flashed with mockery as he spoke.

The curve on the Thunder valiant beast's mouth disappeared, and a cold air flashed between his brows.

"F * ck, who said that?"

Yan beiming was furious when he heard this. His little Hanxing was a little fairy!

Little fairy, do you understand?

He dared to guarantee that as long as little Hanxing stood in front of those grandsons today, han mingmei's title of the prettiest woman in Jiangcheng would be taken by someone else in the next second!

If anyone doubted him, he would twist his head off and use it as a stool for them to sit on!

He, Yan beiming, was just that confident!

"Since they like to gossip so much, I'll just fulfill their wishes. Anyway ..."

Lin Hanxing chuckled.

Another benefit of coming to Y R early was that she had gotten the list of han mingmei's friends before they arrived.

Now, Lin Hanxing was waiting to see who was the one who was so blind as to insist on getting close to him.

She really couldn't wait.

Seeing the expression on her face, Yan beixiao subconsciously shivered and looked in Lei Xiao's direction.

His eyes were full of indulgence and love.

So annoying!

He was going to kick their dog food!

Chapter 835: I'm afraid he won't dare to come

The place where these rich Playboys were welcoming han mingmei was at Y R's equestrian archery range.

Everyone in Rivertown knew that this young lady of the Han family had an exceptional ability.

That was the recurve bow!

Back then, she had even represented Rivertown in a world-class archery competition.

He had also obtained an impressive ranking.

Together with the equestrian events, han mingmei had been in the limelight at that time.

There was another reason for setting up this place, and that was to wait for Lin xiaojiu to make a fool of himself.

The monkey ate the grapes in a relaxed manner.

Why was Yan beiming not here yet?

As he thought about it, han mingmei's side was filled with flattering exclamations and applause.

Everyone looked over.

Han mingmei was seen holding the recurve bow easily and releasing it at the bullseye in the distance.

A sharp arrow shot through the air.

The muffled sound of a clang hit the center of the heart, and waves of applause came!

While the other side was happily praising him, the other side, who was waiting to watch a good show, was getting impatient.

"Why isn't anyone here yet?"

"That's right, even Yan beiming is nowhere to be seen."

"I'm afraid that Lin xiaojiu won't dare to come?"

There was a hint of sarcasm in the whispers, full of malice directed at the Lin family's little ninth whom he had never met.

"Who says our little Hanxing doesn't dare to come!"

All of a sudden, Yan beiming's voice rang in everyone's ears, his tone filled with sarcasm.

The grape in monkey's hand slipped.

He fell down the table and rolled on the ground.

Han mingmei naturally heard the commotion.

The Thunder valiant beast is here?

Just as he was thinking about this, the arrow in his hand naturally missed its target.

With a whoosh, the arrow didn't even touch the target.

He disappeared from the vicinity.

However, this scene, with everyone's attention on Yan Beichen, was naturally not noticed by anyone.

Everyone's eyes were on Yan Beichen, who was standing at the front ...

It landed on the person behind him!

He was wearing a tailor-made black suit, and his strong, tall, and perfect figure exuded a powerful aura.

His cold and handsome features exuded a cold and powerful aura, and the cold aura between his brows made people involuntarily submit to him!

His marble-like features were the epitome of being favored by God. Even though the man exuded a cold aura, he still attracted the attention of all the women present!

This was the living young master Lei!

The young master Lei who rarely appeared in public, and the moment he did, he would occupy all the women's attention!

He noticed the gazes of the other women present ...

Han mingmei clenched the recurve bow in her hand and her expression darkened.

The women's gazes were attracted by Lei Xiao, but the men's attention was on the woman standing beside him.

She was like a little red Hat with a red cloak over her head.

The big hat covered half of her face.

No matter what angle people peeked from, they could not see clearly what the other party looked like!

It was also because of this that it made people even more curious!

She was Lin xiaojiu?

What did she look like?

"Ah Xiao, I've been waiting for you for a long time."

Just as everyone was still silent, han mingmei suddenly smiled and spoke in a familiar manner.

Monkey sneered in his heart.

Then, he also looked at the Little Red Riding Hood curiously.

"Miss han really likes to joke."

All of a sudden, a mocking and light voice rang in everyone's ears.

It was so nice that it made one subconsciously hold their breath.

Yan beixiao and I are still standing here, but you only have eyes for ah Xiao.

As he said that, under everyone's watchful eyes ...

Little Red Riding Hood slowly lowered her hood, revealing her little face.

In an instant, the sound of people gasping rose and fell!

Chapter 836: The most beautiful seat should be replaced

This time, regardless of gender, everyone was completely attracted by the small face revealed under the red cloak!

Her slightly curly long hair was as soft as seaweed.

Her palm-sized face was fair and clear, so tender that water could be squeezed out.

Her long, black, feather-like eyelashes blinked slightly, and even the mole at the corner of her eye was alluring.

Her nose was high and her lips were red.

The wind blew her slightly curled long hair, and in the eyes of others, she was unbelievably beautiful.

This was the Lin family's Lin little nine who had been missing for 18 years?

This was the rumored unrefined and unrefined Lin xiaojiu?

Only a ghost would believe that!

For a moment, the bystanders felt their minds go blank and they could not hear anything.

Our little Hanxing is a fairy from heaven. She grew up drinking dew and gathering the fairy energy of heaven and earth, do you understand?

The monkey was also staring at Lin Hanxing's face.

The moment his hat fell, he almost knocked over the plate of grapes.

Yan Beichen's words appeared in her mind.

Sensing that everyone's eyes, regardless of gender, were on Lin Hanxing, the darkest side of Lei Xiao's heart began to spread. Suddenly, his eagle-like eyes were shrouded in a cold and sinister aura as he slowly swept his gaze across everyone.

"The wind is strong."

After saying that, Thunder owl lifted his hand and put the Red Hood back on her.

The White velvet hem made her small face look as delicate as a carved jade.

"....."

"....."

"....."

Yan beiming could not help but roll his eyes in his heart.

Can't you find a reason that doesn't insult my intelligence?

Where is the wind?

Where is the wind?

Did ah Xiao think they were all stupid?

There was a chuckle and a chuckle came from the side of the White velvet.

It was truly the feeling of spring, and the pear trees were in full bloom.

Even though they knew that their intelligence was being looked down upon, no one dared to question young master Lei.

“Yes, the wind is strong.”

The clear and soft voice came again, and it returned to its cold tone.

The people who heard it felt very comfortable.

The men and women who had been mocking Lin xiaojiu earlier were now silent. They kept thinking about Lin xiaojiu’s face when her hat was taken off by her soft, white hands.

His expression was as ugly as if he had swallowed a fly’s poop!

Everyone was dumbfounded!

“Hehe, miss Lin, you’re making fun of me again,”

Han mingmei tried her best to make her laughter sound less dry, but her expression was more or less uncomfortable.

Even as a woman herself, she couldn’t hold herself back when she saw Lin xiaojiu’s face!

Not to mention these popinjays!

In response to han mingmei, Lei Xiao held Little Red Riding Hood in his arms to block the view of others.

The corners of his mouth twitched.

Han mingmei subconsciously held the recurve bow in her hand.

He didn’t even feel anything when a hard object was stuck in his palm.

Yan beixiao’s face was full of mockery as he looked at the group of rich Playboys who had obviously not recovered from their shock.

Weren’t they all laughing at their little Hanxing just now?

Why aren’t you saying anything now?

Hehe, foolish humans!

As he thought about it, he kicked Yuan hou’s leg.

“Get lost and let our little Hanxing sit down.”

Yuan hou nimbly picked up the plate of grapes and dodged to the side, glaring at Yan beiming.

At that moment, even those who were close to han mingmei had to admit in their hearts ...

What's with the appearance but no salt'?

What arrogant and despotic?

It's all F * cking fake!

With Lin xiaojiu here, the most beautiful seat in Jiang city would be taken by someone else!

Chapter 837: If you don't like it, then bear with it

The atmosphere was quiet.

"Mingmei, I picked it up for you."

The sound of panting came closer. Su Ling 'er, who was wearing high heels, ran back with an arrow in her hand.

The fawning smile on his face instantly froze when he saw Lei Xiao.

Her eyes were filled with infatuation, but she didn't dare to be too obvious because han mingmei was still there.

"I don't like what you're saying."

Perhaps Su Ling 'er's appearance broke the subtle silence, as a strange voice suddenly rang in everyone's ears.

Thunder valiant lifted his head and looked at the other party.

He recognized him as the young master of the Zhao family, Zhao Dongyang, who loved to follow han mingmei around since he was young.

Zhao Dongyang shivered at the look in Lei Xiao's eyes.

But when she thought of han mingmei, her blood seemed to be on fire.

"Everyone in Jiang city knows that young master Lei and mingmei grew up together. Their relationship is not ordinary. Those who don't know would think that you were just being jealous and deliberately embarrassing mingmei."

Zhao Dongyang put on a carefree look, but his words were full of malice.

No one made a sound.

The surrounding atmosphere was even more subtle than before.

Those people seemed to be waiting for Lin Hanxing's response.

After all, the Lin family's little ninth was not someone to be trifled with.

Originally, this group of people also believed it.

However, when they saw the face that almost stopped them from breathing, they were confused.

He looked so weak that he couldn't even stand the wind.

Yuan hou hesitated whether he should open his mouth to change the topic.

She glanced at Yan beiming.

However, the moment she looked over, she was dazed by the excitement in his eyes.

What was going on?

Why was Yan beiming acting like he had just picked up money?

Lei Xiao's presence was very low, but before he could speak, his hand was already covered by Lin Hanxing.

"You don't like it?"

Lin Hanxing had just sat down.

He raised his head and looked at Zhao Dongyang, his tone emotionless.

Zhao Dongyang wanted to continue mocking him.

However, the moment he met Lin Hanxing's eyes, he was stunned.

Her eyes were so beautiful!

Even though he had seen countless women, he couldn't help but praise her in his heart!

With the outline of her eyeliner, she was so charming that she could almost come out of water.

Not to mention the mole at the corner of her eye.

Su Ling 'er was still holding han mingmei's arrow in her hand and cheering for Zhao Dongyang in her heart.

Her greatest wish right now was to see Lin xiaojiu in a bad mood!

The Y. R. Staff walked over.

She was also holding tea and a few exquisite snacks in her hands.

He placed it in front of Lin Hanxing.

There was a small 'Xu' word on the plate.

It was a pastry from hundred-year Xu Ji!

This group of people were all well-known nouveau riches in Jiang city. They ate, drank, and had fun.

Naturally, he knew that the items in front of him were expensive.

The most inconspicuous honey honeycomb cake on the table cost more than 100 yuan just for a small plate.

The most important thing was that you might not be able to buy it even if you had the money.

Xu Ji's desserts were all provided in large quantities.

After that period of time, even if you brought a mountain of gold and silver to them, they would not bother to pay attention to you.

It opened at 10:30 sharp and closed at 1:30 sharp every day.

It didn't matter if they were sold out or not.

At this time, Xu Ji should have closed the shop, but looking at the pastries on the table ...

It was crystal clear and was still steaming.

It was clearly just finished and sent over not long after.

"If you don't like to hear it, then bear with it."

Lin Hanxing chuckled softly. His eyes were like a painting, but the smile did not reach his eyes at all.

Zhao Dongyang's expression froze.

She actually dared to speak to me like this?

There was a pfft.

Monkey couldn't help but laugh.

This Lin xiaojiu was really interesting!

Chapter 838: Watching a show doesn't make things worse

After saying that, Lin Hanxing did not care about the others' reactions. He picked up a piece of cake with his fingertips and brought it to Lei Xiao's mouth.

"Ah Xiao doesn't like sweet food."

Han mingmei blurted out when she saw this.

"Try it."

Lin Hanxing did not even look at han mingmei.

This was going against han mingmei on the surface!

Everyone thought in their hearts, feeling a burst of excitement.

Although they had gathered together today on the grounds of welcoming han mingmei, there were only a few people who were really close to her.

Not to mention that she had been studying abroad for so long.

Therefore, more people were in the mood to watch a good show.

Lei Xiao looked down at Lin Hanxing.

Under the White velvet hood, her eyes were soft and moist.

She even winked at Lei Xiao playfully.

Others naturally couldn't see this scene from their angle, but Han Mingmei and Su Ling'er, who were close by, saw it.

His heart immediately burned like a wildfire.

The corners of Lei Xiao's lips suddenly curved into a smile, and he leaned over to bite Lin Hanxing's hand.

F * ck ...

Was ah Xiao using his ultimate move?

Yan Beiming's mouth went dry as he watched!

That smile, not to mention the women present, even as a man, she couldn't help but want to sleep with him!

Han Mingmei's face instantly turned pale!

Did he really not leave any face for her?

He didn't care about the taste of the cake.

However, her heart softened when she looked at her little face, which was even more delicate under the White velvet edges.

He suddenly felt that because of her existence, it wasn't that unbearable to waste time here.

If Han Mingmei were to find out about her thoughts, she would definitely vomit blood!

"Young master Lei, aren't you going to give us a formal introduction?"

With the thought of adding oil to the fire, Yuan Hou looked around and said with a smile, "

Thunder valiant beast glanced at him.

If it was anyone else present who asked him this question, he wouldn't even bother to answer.

But for Yan Beiming's sake, Lei Xiao opened his mouth.

"Lin Hanxing,"

Everyone was looking at him.

That's it?

Lin Hanxing picked up the teacup in front of him and took a sip.

Just as han mingmei's heart was starting to light up with hope, Lei Xiao's next sentence made her mind go blank.

The Thunder valiant beast's cold eyes swept across everyone present.

In the end, his gaze stopped on han mingmei's face.

He looked at her.

"She's my wife,"

BOOM!

The effect of Thunder owl's words was no less than the explosion of an atomic bomb.

All the women's eyes were attracted to him.

His heart was beating wildly.

These three words, coupled with the deep and hoarse voice of the man in front of her, were so simple that it was enough to make people lose themselves!

Yingluo, please don't call me hubby anymore, because my wife will be angry.

Almost every woman could not help but think of Lei Xiao's first Weibo post that had caused a sensation on Weibo.

So, that was really for Lin xiaojiu?

Han mingmei clenched the recurve bow in her hand tightly, feeling a buzzing in her head.

Even Su Ling 'er wanted to go up and disfigure Lin Hanxing's face.

"It's a little early to call me" wife "before we get married, right?"

Zhao Dongyang said sarcastically.

"But it's no wonder that miss Lin has such a bad temper ..."

"With a man like young master Lei backing us up, we naturally won't be able to enter her eyes."

There was a hidden meaning in his words, which was to mock Lin Hanxing for being arrogant.

Hearing this, Yan Beichen's face darkened.

He rolled up his sleeves and was about to press Zhao Dongyang to the ground and beat him up.

"Wangcang road, Block 15, Room 1502."

Lin Hanxing looked up at Zhao Dongyang, who was about to continue mocking him, and said indifferently, "

The latter's face suddenly turned pale!

Chapter 839: She said she knew how to read fortunes

The crowd was confused by this sudden turn of events.

His eyes darted back and forth between Lin Hanxing and Zhao Dongyang.

It had to be known that the young master of the Zhao family was a thorn in his side. Especially after his big brother married the daughter of a high-ranking official in the capital, he became even more arrogant in his conduct. There were very few people who could catch his attention.

But now, he was clearly scared by Lin xiaojiu's words.

How was this possible?

Su Ling 'er was very anxious.

It wasn't easy for them to find a leader, so why were they so easily stunned by Lin xiaojiu's specious words?

Yuan hou subconsciously looked at Yan beiming, hoping to get an answer from him.

However, when she saw that he was also at a loss, she could not help but roll her eyes.

Wangcang road block 15, Room 1502?

Wangcang road was near a famous university town in Jiang city, and Lin Hanxing's words had obviously cut out the most important part.

It was the exact location.

Where is this unit 1502, Block 15?

"You ..."

Zhao Dongyang pointed at Lin Hanxing as cold sweat broke out on his forehead.

He was like a mouse whose tail had been stepped on by a cat.

No one spoke, and the atmosphere was extremely strange.

Lin Hanxing was not affected by Zhao Dongyang at all. He continued to drink his tea calmly.

The White velvet hat rolled over and covered most of her face, making it impossible to see Lin Hanxing's expression.

On the contrary, it made her seem even more mysterious.

Lei Xiao looked at Zhao Dongyang, his eyes filled with bloodlust.

"Young master Zhao, you'd better think carefully before you speak."

Lin Hanxing placed the teacup on the table with a clatter. His exquisite palm-sized face was expressionless.

“Because I have a bad temper. If you make me unhappy, I might make your whole family unhappy as well.”

Lin Hanxing looked Zhao Dongyang in the eye.

There was no warmth in his eyes.

She had removed the first impression of her being too weak to stand up to the wind that she gave off when she took off her hat!

How was this weak?

This Takuma was a lioness in hibernation!

Zhao Dongyang's hand, which was pointing at Lin Hanxing, slowly lowered.

It was as if his body was not under the control of his brain at all!

“F * ck!”

Little cold star is so handsome!

He wanted to fill up 24 lights for little cold star!

Yan Beichen was cheering for her in his heart!

Zhao Dongyang squinted his eyes dangerously, but the Thunder valiant beast's strong aura made him afraid.

How could she possibly know?

Wangcang road, blue water Cloud House, Block 15, Room 1502 was the residence of his brother's mistress!

The house was still under his name!

He didn't know what kind of magic potion that woman had given his brother, but he was even pregnant now.

If his sister-in-law, who had a father who was a high-ranking official in the capital, found out ...

Not only was big brother's career ruined, but even the Zhao family ...

“Young master Zhao must be wondering how I know.”

Lin Hanxing had one hand on his cheek, his voice was soft and slightly sarcastic, everyone could hear it clearly.

No one knew what had happened to Zhao Dongyang.

However, everyone present knew that Lin xiaojiu had the Zhao family's young master in the palm of his hand!

“Would you believe me if I told you that I know how to read fortunes?”

Zhao Dongyang clenched his fists, and the veins on his forehead were throbbing. He looked like he would lose control at any moment.

“Miss Lin, one joke is enough.”

Han mingmei’s smile was stiff.

After all, Zhao Dongyang had gone against Lin Hanxing because of her. If she didn’t say anything now, what would others think of her?

The more she thought about it, the more frustrated han mingmei became.

Zhao Dongyang was really useless!

“Who told you I was joking?”

Chapter 840: Su Ling ‘er’s jealousy

Lin Hanxing looked at her with a half-smile, not giving han mingmei any face at all.

Han mingmei only felt a wave of anger stuck in her throat.

He could neither swallow nor spit it out.

She tightened her grip on the recurve bow in her hand, wishing she could smash that thing into that little face!

She closed her long eyelashes and gave Su Ling ‘er a look.

“Miss Lin has been missing for 18 years. Did you only learn such unpresentable things?”

Ever since the SU family collapsed, Su Ling ‘er’s situation had become more and more difficult.

It wasn’t easy for her to hook up with han mingmei, so she had to suck up to her no matter what!

Su Ling ‘er bit the bullet and sneered.

This immediately gave han mingmei and Zhao Dongyang a way out.

Zhao Dongyang’s face was livid, and his eyes were dark. No one knew what he was thinking.

As for han mingmei, she was still thinking about how she could turn the tables.

“Fortune-telling? I’ve never heard of any socialite in Jiang city who’s good at fortune-telling!”

Su Ling ‘er had only spoken because of han mingmei.

However, the more she spoke, the more bitter and mean she became, as if she had found an outlet to vent her jealousy.

“A pheasant is a pheasant. How can it be compared to a real phoenix?”

These words ...

The men and women around them didn't dare to make a sound.

It's fine if you're mocking them, but they just pretend that they don't understand. Lei Xiao is still standing there, so obviously looking for excitement. Is this su guy really stupid or just pretending to be stupid?

Idiot!

Hearing Su Ling 'er's words that were getting more and more outrageous, han mingmei felt a headache!

She only hoped that she would not mention her name and pull her back into the topic.

However, the next second ...

"Our Ming Mei ..."

"Our Ming Mei?"

Lin Hanxing raised his eyebrows and interrupted Su Ling 'er, who was getting more and more excited.

That voice was like a basin of cold water being poured on her head in the cold winter. It shocked her so much that she instantly recalled the bad memories she had when she was at the green vine Garden!

"Hehe."

The laughter sounded light, but it was clearly heard by everyone present.

It was unknown if the sarcasm was directed at Su Ling 'er or ...

Han mingmei was there!

Hearing that "hehe," Su Ling 'er felt all the hair on her body stand up, and she subconsciously wanted to hide in han mingmei's direction.

They were afraid that Lin Hanxing would change his expression the next second!

"I've calculated that you're going to be in big trouble today."

Lin Hanxing put his thumb and middle finger together. In the eyes of others, he really did look like a master of divination.

"What nonsense are you talking about? I'm very lucky!"

Su Ling 'er straightened her neck and shouted in her direction.

It would have been more convincing if she had not tried so hard to hide behind han mingmei.

His eyes met Lin Hanxing's in mid-air.

"There's so many clothes here, how could Lin little nine remember all of them? Other than the jewelry, you can't take it out without the key, and the shoe size isn't too suitable. Aren't you free to pick and wear whatever you want?"

Suddenly, Lin Hanxing said softly.

The imitation was so vivid that it was easy to see traces of Su Ling 'er!

Su Ling 'er felt as if she had been struck by lightning!

If she hadn't realized it at first, the more she listened, the more familiar those words became!

Wasn't she the one who incited Luo Ruyin in Lin xiaojiu's room?

How long ago was that?

Lin xiaojiu actually knew about it!

"Lin Hanxing, what are you trying to do?"

No matter how stupid Su Ling 'er was, at least in the eyes of others, she was brought here by herself!
