

Goodnight 861

Chapter 861: Shocking four people with skills

“What’s the commotion over there?”

In the rest area not far away, three elders were drinking tea, and a little girl of four or five years old was there.

A young man with a straight back stood next to them, his eyes constantly observing the movements around him.

It was as if he did not dare to relax at all.

“Let’s go take a look.” The leader of the group shot him a look.

The latter received the order and hurriedly ran to understand the situation.

After a while, the other party returned.

“Mr. Lei’s girlfriend is having an archery competition with the heiress of the Han family.”

“You mean ah Xiao and that little girl are here?”

Yue Guanqian’s face lit up when he heard master Yan’s Guard’s report.

“Hahahahaha, that girl.”

Elder Zheng was still wearing the White Chinese tunic that he had washed and started to tell elder Yan about Lin Hanxing’s interesting past.

Little Raisie’s eyes brightened.

Pretty sister is here!

She was going to play with her sister!

“Grandpa ... Grandpa ...”

Little grape tugged at the corner of Yue Guanqian’s shirt, his face anxious and his eyes bright.

“Let’s go. I haven’t seen ah Xiao for a long time and I miss him. Let’s go and take a look.”

Elder Yan put down the teacup in his hand, his interest piqued.

.....

“There’s no need to change the target.”

Just as the staff was about to replace the target with a new one, Lin Hanxing coldly spoke.

Hearing this, han mingmei sneered in her heart.

Her arrow had hit the bullseye, so if she said she didn't need to change the target, how was Lin xiaojiu going to shoot?

No one noticed that a few people were walking in their direction not far away.

Lin Hanxing picked up an arrow from the quiver beside him. His delicate little face was expressionless, and there was an indescribable sense of harshness and coldness. At first glance, he gave off an indescribable sense of coldness.

Everyone's eyes were focused on her hand.

"He didn't even change the target, hehe."

Zhao Dongyang laughed sarcastically. To him, the outcome had been decided the moment han mingmei scored two 10-points!

But the next second, his smile froze on his face.

Not only him, the group of popinjays' expressions were also strangely synchronized!

They couldn't believe their eyes!

"You ..."

Han mingmei looked at the target, then turned to look at Lin Hanxing, her face ashen!

The arrow in Lin Hanxing's hand had already been shot out.

In a swift and fierce manner!

In an instant, the arrow that had hit the center of her heart was cut in half.

Han mingmei's arrow fell to the ground without a sound, and only the arrow was deeply embedded in the center of the target!

Lin Hanxing put down his bow and looked up to meet han mingmei's eyes.

Her cold eyes were calm.

There was no sarcasm, no fluctuation, only calmness.

There was an uproar.

Elder Yue and the others who were standing in the dark were just able to take in this scene.

Elder Yan's eyes lit up.

Good skills!

"This is impossible!"

Zhao Dongyang's forehead was covered in cold sweat as he mumbled to himself.

However, no one responded to him, because everyone's attention was still on the archery range.

it's just a fluke, an accident. I don't believe she can hit the target the second time!

Zhao Dongyang comforted himself as he spoke. He no longer had full confidence in han mingmei, and his eyes were burning with anxiety.

Yan beixiao did not even bother to look at him.

He didn't even help his grandmother, yet he was F * cking convinced by little Hanxing!

As they argued, Lin Hanxing raised the recurve bow in his hand.

This time, it took even less time than the last time.

Han mingmei only felt that she had just aimed at the target when she heard a whooshing sound and the long arrow in her hand flew out.

Han mingmei's heart also flew out with the arrow.

There was a muffled thump.

Everyone's emotions completely exploded!

Chapter 862: Being too smart for your own good

The second arrow still accurately split han mingmei's previous arrow into two, and it went straight for the bullseye!

If the first time could be described as a fluke or an accident ...

This time, it was enough to prove Lin Hanxing's strength!

Han mingmei couldn't believe her eyes. Her confidence was crumbling at the speed of light.

In the clattering of the horse's hooves, the fierce horse had already brought Lin Hanxing to the third target Lane, which was han mingmei's side.

"As we agreed, you go first."

Lin Hanxing's long hair, which was tied up with an olive-green ribbon, was illuminated by the orange light of the setting sun.

Hearing this, han mingmei suddenly tightened her grip on the recurve bow.

Her face was pale and unsightly, and the bow seemed to be as heavy as a thousand pieces of gold, making her unable to lift it no matter what.

Lin xiaojiu had actually ...

Han mingmei had lost her confidence in being the first to hit the 10-ring mark. She had originally wanted to use a good score to pressure Lin Hanxing, but now she regretted it. If she had hit the iron while it was hot and finished all three targets, now ...

He would not be in such an awkward situation now!

He had clearly wanted to use his best move to force Lin xiaojiu to back off, so why was he the one being pressured?

It was the same as the last time at auspicious fortune.

Fu Ruixiang ...

Han mingmei's eyes narrowed. Was she going to lose Fu Ruixiang to Lin xiaojiu?

"Miss han, please hurry up."

Lin Hanxing did not seem to notice the wavering in han mingmei's eyes, and his cold voice rang out again.

Han mingmei's hands were trembling.

He raised the recurve bow.

But ...

The feeling wasn't right!

Her heart was also in a mess!

It was as if her confidence had been stolen in an instant, and countless waves of pressure came crashing down on han mingmei.

Lin Hanxing's lips curled into a cold smile.

She understood han mingmei's thoughts very well.

Unfortunately, he was too smart for his own good.

Oh my God! This Lin xiaojiu is way too godly!

The nouveau riches nearby were whispering to each other, and Zhao Dongyang could hear them.

At this time, his face was not much better than han Ming's.

You must know, he had used the land in puhu to bet with Lei Xiao, betting that Ming Mei would definitely win.

But now ...

Zhao Dongyang could only place his hopes on han mingmei's third arrow.

It must be 10 points!

However, what if an accident happened ...

As he thought about this, he gave a vicious look to the bodyguard standing in the corner.

Soon, the man disappeared without a sound.

Han mingmei's hands were trembling. The simple aiming with a single eye was now harder than ascending to the heavens.

She didn't know why, but she felt that the bull's eye in front of her was blurry.

Han mingmei knew that Lin xiaojiu was definitely looking at her.

Everyone must be looking at him.

His arms felt like they were filled with lead, and he couldn't make a decision.

"Ming Mei's arrow took too long, could it be ..."

Looking at Zhao Dongyang's ugly expression, those people swallowed back the words they were about to say.

However, he was also muttering in his heart.

Who asked him to make a bet with young master Lei?

Now that he was about to lose face, who could he blame?

Lin Hanxing did not rush han mingmei and only reached out to stroke Qifeng.

It was obviously enjoying it.

He was panting heavily through his nose.

"Silence!"

Han mingmei let out a fierce cry and released the arrow in her hand. Just like that, the arrow was shot out!

Her face suddenly turned pale.

After all, she had practiced for more than ten years. She could already imagine what would happen if she shot this arrow.

In the distance, elder Yan couldn't help but shake his head.

Of course, he knew about this girl from the Han family. It was a pity that she was too utilitarian!

Chapter 863: Backstabbing

The arrow fell to the ground without any momentum.

He didn't even touch the target!

Han mingmei felt half of her body weight being taken away with the arrow.

The level of embarrassment she felt was even worse than the time she had fought Lin xiaojiu at auspicious fortune.

Ever since she was young, because of the relationship between the Han family and the Lei family, she had always enjoyed the treatment of a Princess. She had never been like this before, boasting about herself only to be slapped hard in the face by reality!

Her eyes were soon filled with tears.

Everyone was in an uproar at this result.

Who would have thought that han mingmei's last arrow would not even hit the target?

Lin Hanxing did not even look at han mingmei.

From the beginning to the end, if this woman had not found people to go against her, things would not have developed in this direction. In short ...

Han mingmei only had herself to blame!

Just as Lin Hanxing raised his hand to quickly end everything ...

Her movements suddenly stopped.

Lin Hanxing's intuition told him that danger was approaching.

"Sister ..."

However, before Lin Hanxing could search carefully, a soft and tender voice suddenly sounded in his ear.

It was as sweet as glutinous rice.

"Don't come over!"

He did not have the time to think about why little grape was here.

Lin Hanxing squeezed the horse's belly with his legs and galloped in the direction of little grape.

Just as she bent over and picked up the little grape into her arms ...

The sound of a sharp arrow suddenly came from the dark, and he could not stop it in time!

This scene was something that no one could react to!

Lei Xiao's expression suddenly changed. He reached out and snatched the horse that Yan beiming and Yuan hou were leading and jumped on it.

His movements were as Swift as a cheetah!

However, arrows were much faster than humans!

"Ah ..."

Han mingmei was not prepared at all. She only saw a blur before her eyes and Lin Hanxing disappeared.

In the next second, his shoulder was pierced by intense pain.

His entire body fell backward.

The veins on Zhao Dongyang's forehead popped as he clenched his fists!

Why did that Lin xiaojiu suddenly run away?

Why did she suddenly run away?

In an instant, everyone ran towards the equestrian archery range.

"Cold star!"

Lei Xiao came with a gust of wind, his heart in his throat, his eyes repeatedly confirming her safety.

"I'm fine," she said.

Lin Hanxing held little grape with one hand and pulled the reins with the other!

"Ah Xiao, hold her well."

As he spoke, he handed the small grape to Lei Xiao.

After saying this, he turned around and rode towards the dark place where the sharp arrows had just appeared!

It was obvious that someone was already faster than her.

The guards beside master Yan had already rushed over there at the first moment!

At this moment, han mingmei was lying on the ground in pain.

When she fell off the horse, she subconsciously protected her head. However, it was also because of this action that the arrow pierced through her shoulder with even more force. The pain caused her mind to go blank!

Blood gushed out from her wound, scaring the people around her!

This group of nouveau riches had long been used to a life of eating, drinking, and having fun. When had they ever seen such a scene?

They were all dumbfounded!

"Who are you?"

Lin Hanxing looked at the security guard who was trying to grab the bodyguard who was hiding in the dark and trying to escape. His voice was cold.

"Elder Yue, elder Zheng, and elder Yan are over there."

Knowing that elder Yue knew him, Lin Hanxing's heart was at ease.

"Mingmei, mingmei ..."

Lin Hanxing frowned when he heard the wails of the nouveau riches behind him. Did those idiots not know how to call an ambulance first?

"Bring him over!"

After he finished speaking, Lin Hanxing turned his horse around and galloped back in han mingmei's direction!

Chapter 864: If you don't want her to die, shut up

Just as he rode over, Lin Hanxing saw a group of people surrounding han mingmei.

"Get out of the way!"

Lin Hanxing jumped down from his horse.

Her voice was sharp and her eyes were fierce. It made people unconsciously take the initiative to make way for her!

At this moment, han mingmei's blood was already flowing all over the ground.

It was reasonable to not move the wounded before they were fully aware of the situation. However, after such a large area of bleeding, the first task was to stop the bleeding. Otherwise, han mingmei would not be able to wait for the ambulance to arrive.

"Bring me a pair of scissors! Call an ambulance too!"

Lin Hanxing gave the order to Y R's people coldly, a sense of authority spreading from his bones.

It was not something that could be underestimated!

When the scissors were handed over, Lin Hanxing started cutting han mingmei's clothes without thinking!

"What are you doing!"

Zhao Dongyang, who had been in a daze, wanted to rush forward.

"If you don't want her to die, then shut up!"

Lin Hanxing raised his head and met Zhao Dongyang's eyes. His sharp eyes were like a knife that split Zhao Dongyang in half!

"I'll settle your score with you later!"

Lin Hanxing sneered and continued to cut open han mingmei's sleeve.

Soon, the snow-white arm was exposed, and there was a large amount of red blood coming out!

Han mingmei had lost too much blood and fainted.

Lin Hanxing quickly found the collarbone artery in the pit above her collarbone and pressed it hard with his thumb!

"Come over here and press down hard according to the position I demonstrated. Try to press it to the first rib, do you hear me?"

Lin Hanxing pulled a woman over and ordered coldly.

"I don't dare ... I really don't dare ..." He said.

The other party was obviously on the verge of tears. Not only her, but everyone's minds were almost blank!

Lin Hanxing's eyes were filled with impatience, and he plunged the scissors into the ground.

It shocked everyone with a thunderous stance!

"Press down!"

Her voice was so low that it couldn't be any lower. The woman was so scared that she quickly pressed her hand on the artery as Lin Hanxing instructed.

He didn't know if it was just a psychological effect ...

The speed of the blood flow had really slowed down!

Lin Hanxing got up and walked towards the bodyguard who was captured by the security guard.

Master Yan's guard could only feel a strong aura from the woman who was approaching him. The pores on his body almost reflexively entered a state of preparation for battle!

Just as he was thinking, he was already in front of him!

But before he could say anything, a loud bang was heard. Lin Hanxing lifted his foot and kicked the bodyguard to the ground!

At this time, the guard was still in the same position as when he caught the bodyguard.

That action was so fast that he didn't even have time to react.

Immediately after, a fragrant wind surged in front of him, and with a few cracking sounds, the joints of the opponent's hands, which were trying to resist, were instantly dislocated. If he had not heard it with his own ears ...

The guard could not believe that the creator of this voice was a woman who looked like she could be blown away by the wind!

"Ah ..."

The moment the earth-shattering screams rang out, the group of popinjays were frightened.

They looked in the direction of the sound and saw Lin Hanxing expressionlessly ordering his men to drag the bodyguard to the group of people like they were dragging a dead dog.

The next second, Lin Hanxing's hand grabbed the man's chin and forced him to look up!

"Whose bodyguard is this?"

Her voice was very cold, so cold that there was no warmth in it.

His cold eyes were mixed with bloodlust.

Lin Hanxing's slender and white fingers were obviously using a lot of force, and even the tendons on his fingers could be clearly seen.

The bodyguard's jaw was twisted in a strange way.

Chapter 865: Peeing in fear

"I'll ask again, whose bodyguard is this?"

Lin Hanxing's eyes were cold, and they were even more frightening than her voice.

Some people's eyes were already on Zhao Dongyang.

"What's wrong? You have the guts to ask him to shoot me with an arrow, but you don't have the guts to admit it?"

Lin Hanxing sneered. It was a sarcastic laugh!

"Then tell me, who's your master?"

The strength of her fingers became tighter and tighter, and the guards who were close could even hear the cracking sound of bones being dislocated. It was really chilling to hear.

Zhao Dongyang didn't know what to feel.

His entire body felt as if it was being roasted over a fire and steamed in water.

He did not expect Lin Hanxing to Dodge the arrow. The arrow should have landed on her.

Just as he was thinking about this, he suddenly felt a chill coming from behind him!

Before he could turn around, someone had already kicked him from behind!

Zhao Dongyang, who was caught off guard, was kicked in front of Lin Hanxing, and his stomach was churning.

It was Lei Xiao, who had returned the little grape to Yue Guanqian's arms!

At this moment, Lei Xiao was like a bloodthirsty Asura, kicking Zhao Dongyang's ribs.

Zhao Dongyang's ribs were broken.

"Ah Xiao,"

Lin Hanxing's voice rang in his ears.

"I'll do it."

The Thunder valiant beast slowly lowered his fist, his facial features as cold as an iceberg, but his sharp and deep eyes seemed to be immersed in a cold pool of water, making it unforgettable.

Lin Hanxing finally let go of the bodyguard.

Even the guards heaved a sigh of relief. With such skills, it would be a waste not to enlist.

Lin Hanxing snapped his fingers, and Qi Feng, who had a recurve bow on his back, ran over.

Lin Hanxing took the bow and pulled out an arrow.

The Arrowhead had been replaced with a sharp hunting head that could hurt people.

Zhao Dongyang's bodyguard used this kind of weapon, which was extremely lethal!

"Zhao Dongyang, if you like to play, I'll play with you!"

As he spoke, Lin Hanxing fired the arrow without even blinking.

The arrow pierced through Zhao Dongyang's pants and pinned him to the ground!

It was too fast!

No one could even see clearly!

Immediately after, the arrow in Lin Hanxing's hand shot towards him like a meteor!

Zhao Dongyang was pinned to the ground and could not move!

Lin Hanxing walked towards Zhao Dongyang with a cold smile.

Her fair fingers gripped the recurve bow tightly.

Seeing her walk over, the rich men's sons who were originally gathered together couldn't help but retreat, their eyes filled with fear.

"Are you afraid?"

Lin Hanxing still had one last arrow in his hand, and the sharp tip of the arrow glinted coldly.

She walked to Zhao Dongyang's side and looked down at him.

It was as if he was looking at a corpse.

That look didn't have any intention of asking him to continue living!

"Don't ... Don't ... Help ... Help ..."

The pain in his ribs made Zhao Dongyang sweat profusely, but it was nothing compared to the fear of being pointed at by a bow and arrow. The effect of the arrow was best shown on Ming Mei.

"Who else do you want to call to save you?"

The recurve bow was drawn. Lin Hanxing's eyes were ten times colder than her voice!

The arrow was aimed at Zhao Dongyang's forehead!

The group of nouveau riches did not expect this. They all looked on with wide eyes, but no one dared to step forward and stop her!

Suddenly, the air was filled with the smell of blood.

Looking closely, Zhao Dongyang's lower body was wet.

"Coward!"

As soon as he finished speaking, the arrow left the bow!

Chapter 866: Find Lin xiaojiu for me

A shrill scream pierced through the air!

The legs of the people who heard it went soft.

Some of the more timid ones couldn't even stand properly and fell to the ground with a thud.

Zhao Dongyang didn't die.

But at this moment, he wished he could just die!

Lin Hanxing laughed coldly as he shot the arrow. At the last moment, the arrow deviated from his brow, but it pierced through his entire right ear with a strong force!

The intense tearing pain came like an avalanche!

Blood was dripping.

It was worse than death.

Zhao Dongyang couldn't move at all. He could only feel everyone's eyes on him.

The smell of blood and the pain in his ears made him completely collapse.

Lin xiaojiu, the Zhao family will never let you off!

Zhao clan will never let you off. Just you wait!

The sound of an ambulance was getting closer.

Lin Hanxing stood still.

He was even holding a recurve bow in his hand.

Her slightly curly long hair was loose behind her back after the violent movements just now.

The wind blew.

Her fine hair was dyed orange by the setting sun.

In everyone's eyes.

She was so beautiful that she seemed to have walked out of a painting, making one's heart flutter.

Hearing Zhao Dongyang's voice, Lin Hanxing's expression was intimidating, and his cold eyes were filled with obvious mockery.

“Alright, I’ll be waiting!”

.....

At the Affiliated Hospital of Jiangcheng Medical University.

The emergency room was particularly busy in the evening.

Han mingmei was sent to the operating room due to her serious injuries. As for Zhao Dongyang ...

His right ear had been completely pierced through by the arrow, and there was no need to hold back.

Even though the Zhao family had invited the most famous professor in Jiangcheng after finding out about this, the conclusion he gave was that it should be removed.

Upon hearing this, mother Zhao immediately burst into tears in the corridor.

“Who is it? Who did this to Dongyang?”

His hands trembled as he signed the operation consent form. Father Zhao suddenly turned his head and looked at the bodyguard with a fierce look.

Because of his big brother’s relationship with the capital, Zhao Dongyang was used to being tyrannical.

He would always bring a few bodyguards with him to show that he was different from the others.

The bodyguard shivered as he recounted everything that had happened at the Y R Racecourse that day.

The Zhao family’s faces grew uglier as they listened.

“Lin xiaojiu! It’s that Lin xiaojiu again!”

get everyone to bring Lin xiaojiu to me. If you can’t find Lin xiaojiu, bring all the Lin family members to the hospital!

Father Zhao roared.

.....

At this moment, Lin Hanxing had just washed away the blood on his body.

When he walked out of the bathroom, Lei Xiao was waiting outside.

His handsome features, which seemed to have been carved out of marble, looked as if they had been soaked in a cold pool. It was so cold that one would never forget it!

When he saw her come out, he stared at her with his eagle-like eyes.

“Ah Xiao, I’m not injured.”

Lin Hanxing said with a helpless expression.

But just as he finished speaking, he was pulled into Lei Xiao’s arms.

His powerful palm gradually spread from her small face to her shoulder blades, arms, and other places, carefully examining her back and forth.

Her little face, which had just taken a shower, was pink and white.

Lin Hanxing's previously hostile expression faded, and he returned to his lazy and relaxed self in front of Lei Xiao.

The Thunder valiant beast's expression showed no signs of softening.

Even his eyes turned cold.

It seemed like a bigger storm was brewing.

His entire body exuded a pressure that was almost out of control, and he exuded a strong masculine aura.

Lin Hanxing sighed and took the initiative to reach out to pull him into her arms. She tiptoed and kissed him.

It softened the Thunder valiant beast bit by bit.

"I'm fine, I'm really fine,"

Her small hands caressed his back, and in return, she hugged him even more tightly.

"Master and the others are downstairs."

After a long time, Lei Xiao rested his chin on Lin Hanxing's head and said in a low voice, "

Lin Hanxing instantly thought of the elder who was dressed in casual clothes but could not hide his iron-blooded and masculine aura.

Chapter 867: Waiting to see the Lin family become a joke

"That's the elder Yan that the Han family has been trying so hard to win over?"

If he were to talk about elder Yan's heroic deeds, he would probably not be able to finish even after three days and three nights.

However, the most special thing about master Yan was his family.

After his beloved wife died in the war, elder Yan never remarried.

Until now, he had no children.

He was all alone.

"Yes."

It was obviously not Lei Xiao's first time meeting master Yan.

He paused for a moment and spoke again.

elder Yan has no children. Uncle Han hopes that he can take Han Mingmei as his God-granddaughter.

“.....”

Lin Hanxing could not help but shake his head.

Over the years, there must have been countless people who had approached elder Yan with the same idea, but he had not taken any action until now. This was enough to show his intentions. These people had been scheming ...

In the end, he would probably end up as someone else's wedding dress.

For a moment, Lin Hanxing really didn't know whether to say that Han Boming was too naive or stupid.

“I'll go change my clothes.”

Lin Hanxing then walked towards the cloakroom ...

.....

What happened in Y. R. That day spread like wildfire in Jiang city.

The Zhao family had sent people to force their way into the Lin family's house and take the Lin family to the hospital, demanding them to kneel and apologize. It could be seen that they were really mad.

He didn't even care about his face.

In comparison, the Han family was the one who remained silent.

In an instant, everyone in Jiang city was waiting to see the Lin family make a fool of themselves.

because of Lin Xiaojiu, the Lin family has been in the limelight recently.

Cheng Lingyun was eating a sour plum, and she pretended to speak to Yuan Shaojing, who had just finished listening to Uncle Hai's report.

“Send someone to the hospital to keep an eye on him.”

Yuan Shaojing said in a low voice.

He heard that the Zhao family had connections with the capital. If Lin Hanxing couldn't handle it ...

However, he quickly rejected this idea.

Since that girl dared to do such a thing, she must have made full preparations.

His worry was probably unnecessary.

“Shaojing, don't tell me you're thinking of getting involved in this?”

Cheng Lingyun's expression was subtle.

She felt that Yuan Shaojing's attitude towards Lin Xiaojiu was a little ...

Shangxin was indescribable.

“Hehe.”

Suddenly, Yuan SuSu’s ghostly laughter rang out.

Cheng Lingyun was shocked.

It was almost a conditioned reflex to protect its stomach.

Yuan susu wasn’t wearing a mask, and a pink centipede-like scar could be seen on her face that had her stitches removed.

The wound seemed to be a little inflamed and red.

It’s been so long and it still hasn’t recovered.

“Mom, I want to have a chat with you.”

Yuan susu bent over and picked up a sour plum, throwing it into her mouth. Then, she placed one hand on Cheng Lingyun’s shoulder.

She could clearly feel Cheng Lingyun’s muscles tightening under her palm.

“If you have anything to say, you can’t say it in front of your uncle.”

Cheng Lingyun was against meeting Yuan susu in private.

She had a feeling that she would harm the child in her stomach. Besides ...

For the past two days, she felt more and more uncomfortable with the way Yuan susu looked at her.

“Are you sure?”

Yuan susu waved the box of ointment in her hand at Cheng Lingyun, causing her expression to change.

“I’ll be waiting for you in the room.”

Yuan susu laughed.

After some thought, he added a meaningful yet extremely ironic word.

“Mom ...”

.....

The living room downstairs was very quiet.

Yan beixiao sat up straight, hoping that Lei Xiao and little Hanxing would come down quickly.

He was unruly by nature.

But in the situation where there were three huge mountains pressing down on him, elder Yue, elder Zheng, and elder Yan, he had no other choice but to be honest.

Master Yan looked down at the tea in his hand.

He was deep in thought.

The tea ...

Chapter 868: A tasteless taste

I still remember you once told me ...

Elder Yan took a sip of tea and muttered to himself in a dignified manner.

the mysterious leader of the X group once made a request to the higher-ups through you.

Elder Zheng didn't understand why he would suddenly bring this up.

Yan beiming, on the other hand, perked up his ears to eavesdrop.

He would take a sip of tea from time to time.

However, why did little Hanxing's tea today seem so tasteless?

After all, he was extremely curious about the leader of the X group, who had never appeared in public before.

"It can't really be considered a request."

Hearing elder Zheng's slightly hesitant words, even Yue Guanqian's curiosity was piqued.

Old man Zheng had never mentioned this to him.

"At that time, he said that he loved tea."

if possible, I hope to drink a few new top-quality teas that can't be sold in the market every year.

In fact, elder Zheng's heart had sunk the moment the other party had finished speaking.

He thought that he was going to ask for something.

He didn't expect that they would only serve so little tea leaves every year.

The tea leaves were considered priceless in the past, but when compared to a real national treasure, they were not so rare.

"So, the aged tribute tea that I mentioned before is also ..."

Before Yue Guanqian could finish his words, elder Zheng nodded.

the higher-ups were very happy after hearing this. They were allowed to have a large batch of tea leaves. Every year, they would even bring some Qing Palace tribute tea. This is something that ordinary people can't drink even if they want to.

This Qing Palace tribute tea was the real stock left behind in the palace's tea storehouse from back then. The kind that would decrease with every drink.

Master Yan didn't speak for a long time.

He looked at the teacup in his hand.

Just now, when the tea was brought over and put into his mouth, he had felt a subtle difference.

The tea was colored, but it was sweet and bland when it entered the mouth. It seemed to be tasteless, but it also contained a tasteless taste.

It was tasteless, the best tea.

It completely meets the conditions for offering tea.

Yan beiming was listening intently when he heard some movement from upstairs.

Lin Hanxing, who had just changed his clothes, happened to come downstairs with Lei Xiao.

Little grape's eyes brightened the moment he saw Lin Hanxing. He ran towards her, just like Yuan Bao.

She hugged Lin Hanxing's leg.

"Big sister, carry me."

He opened his short arms and looked at her with his big, black eyes.

Lin Hanxing smiled and held her in his arms.

girl, the Zhao family has made it clear that if you don't go out, they will teach the entire Lin family a lesson.

Elder Yue said while laughing.

"If the Zhao family was smart, they wouldn't be so arrogant."

Lin Hanxing said faintly. The moment he sat down, he felt elder Yan's probing gaze.

She smiled back at him.

Neither humble nor overbearing.

As soon as he finished speaking, his phone rang.

Lin Hanxing glanced at the caller ID and saw that it was Lin youlin.

Lin xiaojiu, I order you to come to the hospital immediately and apologize to the Zhao family!

As soon as the call was picked up, Lin youlin roared so loudly that it could pierce through the eardrums, which gave little grape a shock.

At this volume, even if the speaker was not turned on, others could hear it clearly.

"Aunt, you're asking me to apologize without even asking me?"

Lin Hanxing's lips curled into a smile as he flipped his empty palm ...

He conjured a sugar ball in front of little grape.

don't talk nonsense with me. Today, even if you have to kneel, you have to bring back the Lin family's face!

After that, Lin youlin hung up the phone.

The atmosphere was a little awkward.

Elder Yan looked at Lin Hanxing. He could not find any trace of sadness on her face.

I'm sorry. I'm going to the hospital now to regain the Lin family's face.

Lin Hanxing smiled.

Everyone could see the sarcasm on her delicate little face.

Chapter 869: Cheng Lingyun collapsed

The door was closed from the outside.

With a clang, Yuan susu threw the box of ointment in her hand away.

Cheng Lingyun was shocked and looked at her daughter vigilantly.

"Susu, what do you want to talk to mom about?"

Yuan susu chuckled lightly, her smile full of sarcasm.

"We're here to talk about the bastard in your stomach."

She slowly sat down in front of the dressing table, her tone light like an ignorant girl's.

It was just that when matched with her face, it would make people feel horrified no matter what.

She took out a lipstick from her pocket and twisted it back and forth.

That was Cheng Lingyun's favorite color.

Due to her pregnancy, Cheng Lingyun rarely put on makeup.

No matter how well she took care of herself, there were still traces of age on her face.

susu, don't be provoked by Lin xiaojiu.

Cheng Lingyun deliberately lowered her voice, as if she was afraid that the people outside the door would hear her.

However, even though she was saying such loving words, she did not dare to get close to her daughter.

right now, Lin xiaojiu can't even protect herself. She's too arrogant, and she'll suffer a huge setback one day!

Cheng Lingyun said this through gritted teeth.

He could only hope that the Zhao family would put in more effort today.

“Don’t talk to me about those useless things.”

Yuan susu said impatiently.

She opened the drawer and took out the White envelope that Lin Hanxing had given her.

within three days, you must transfer all the funds and properties you purchased under my name back to me. I also want all the money in your account. Remember, all of it!

Yuan SuSu’s eyes were filled with greed.

All these years, she knew very well how much money Cheng Lingyun had.

This sum of money was enough for her to squander for the rest of her life!

“Are you crazy?”

Cheng Lingyun felt that Yuan susu had gone crazy.

“Don’t be in a hurry to answer me. Wait until you’re done reading these things.”

Yuan susu pushed the envelope back to her with a smile.

Qianqian, Yuan susu, you have to think this through. Once you threaten her with this, there’s no turning back. Your relationship with her will never be able to turn back.

But at the same time, this thing could allow you to completely control her. She would agree to whatever you wanted unconditionally!

Lin Hanxing’s words echoed in his ears.

Yuan susu looked at herself in the mirror and slowly applied the lipstick on her lips.

She was waiting for her Dear Mother to break down completely.

Cheng Lingyun didn’t know what Yuan susu was up to. Her daughter used to be so obedient and well-behaved ...

But now, it was so troublesome that it was annoying.

He reached out to take the White envelope and squeezed it. It seemed to be a photo.

Damn it, what the hell was that?

let’s see. If I wasn’t 100% confident, do you think I would make such a request? ”

Yuan susu raised her eyebrows seductively.

Cheng Lingyun calmed herself down and slowly took out the thing inside the White envelope.

Caught off guard, all the blood in his body seemed to have frozen, and even his ruddy face instantly turned pale!

The photos scattered all over the floor.

Extremely filthy!

It was extremely heart-wrenching!

In the photo, she was delirious and was surrounded by more than a dozen people who wantonly played with her.

"This can't be real! This can't be real!"

Cheng Lingyun's eyes were bloodshot, and she tried her best to suppress her voice. Veins were popping on her forehead.

"Is it really that important?"

Only Yuan susu herself knew how happy she felt when she imitated Lin Hanxing's tone.

She finally understood what Lin Hanxing's mocking smile meant.

"If Big Uncle sees you, your dream of wealth and prosperity ..."

Yuan susu grinned, her bright red lips glaring.

Chapter 870: Murderous intent rises

Cheng Lingyun suddenly raised her head and looked at Yuan susu.

The fierce expression on his face made Yuan SuSu's heart skip a beat, but she quickly relaxed.

Lin Hanxing had said that this thing could completely control her.

Yuan susu felt an indescribable sense of satisfaction when she thought about how she had been toyed with like a puppet in the hospital.

"Susu, who gave you this?"

Although she already had the answer in her heart, Cheng Lingyun still suppressed the fear in her heart and asked the question.

"Haven't you already guessed it?"

Yuan susu wanted to avoid this topic.

However, on second thought, she was looking forward to seeing her mother and Lin xiaojiu in a dogfight.

As Yuan susu was thinking about this, she didn't notice that Cheng Lingyun, who was caressing her stomach, had calmed down in an instant.

His eyes were filled with killing intent.

If Cheng Lingyun was still hesitating before, then now ...

.....

At the Affiliated Hospital of Jiangcheng Medical University.

Lin Jiaojiao cowered in her mother's arms, her face full of fear. The thugs hired by the Zhao family were guarding them.

In the evening, a group of people rushed into the Lin family's residence.

He brought them to the hospital.

Her aunt and uncle had been spared from the disaster because they had helped Luo Ruyin pull some strings outside.

Lin Jiaojiao and her family were forced to kneel in front of the emergency room.

"Every injustice has its perpetrator, every debt has its debtor, you guys go to the hall ..."

Lin Jiaojiao had never felt so embarrassed before.

The passers-by all looked at her in surprise, making her want to hide in a crack in the ground.

With a loud slap, Lin Jiaojiao was slapped hard by mother Zhao.

"Did I ask you to speak?"

what are you doing!!!

Zhong Wan 'er protected her daughter in her arms, wishing she could go up and tear mother Zhao apart.

Lin Jiaojiao covered her face and hid in her mother's arms. Her eyes were filled with hatred.

Lin xiaojiu!

Lin xiaojiu!

Why should their family be responsible for the trouble that Lin xiaojiu had caused!

Zhao Xijing, who was beside his parents, had a gloomy and subtle expression.

He had met Lin Hanxing before and he felt that the situation was not as simple as his bodyguard had described.

all of you, kneel for me! If Lin little nine doesn't appear for a minute, you'll have to kneel for a full minute! If Lin little nine doesn't appear for the rest of his life, I'll make sure you won't be able to leave this place alive!

Mother Zhao's words were full of arrogance.

She did not believe that Lin xiaojiu would not come out!

Just as he was thinking about this, Lin youlin, her two sons, and her bodyguards came in a hurry from the electric ladder.

"Madam Zhao, what are you doing?"

Seeing her brother's family forced to kneel on the ground, Lin youlin's face darkened.

When Luo Wenbo saw Zhao Xijing, his expression was clearly uncomfortable.

But it was gone in a flash and soon disappeared.

haha, Lin, your good niece caused my precious son to be in this state. What do you think I'm doing? "

Lin youlin's temple started to hurt again.

"She thinks she can hide forever?"

Mother Zhao's expression was crazy.

Zhao Dongyang was her most beloved youngest son. Now that he had been injured to this extent, with half of his ear missing, did the Lin family really think that the Zhao family was weak?

"Madam Zhao's words are really impressive."

Just as Lin youlin was about to speak, a cold female voice suddenly came from the corridor outside the emergency room.

His eyelids twitched.

Everyone's eyes followed the source of the voice.

The clacking of high heels came from the other end of the corridor.

The person who spoke walked over from afar.

It was like she was on the runway alone.

Her high-collared dress elongated her entire figure, and her straight waist exuded her temperament!

Her slightly curly long hair was as soft as seaweed.

Her palm-sized face was fair and clear, so tender that water could be squeezed out.

It was Lin Hanxing!
