

## Goodnight 871

Chapter 871: I didn't expect to meet you again so soon

She was not the only one.

Standing beside her was a man who was almost 1.9 meters tall, and he unconsciously gave off a sense of oppression ...

Wasn't that Thunder valiant beast?

Such a combination of a handsome man and a beautiful woman would be pleasing to the eye if it were any other occasion.

But at this moment, in the eyes of mother Zhao, she wanted to eat her flesh on the spot and drink her blood!

The Zhao family really thought that she would continue to hide.

He didn't expect that he would come so openly with the Thunder valiant beast!

Did she really think that with the Thunder valiant beast, they would not dare to touch her?

In fact, it was not only the Zhao family, but even the Lin family were looking at Lin Hanxing as if they wanted to eat him up.

Thinking of Luo Ruyin, Lin youlin's heart ached.

In the dark.

The security guard, Xiao Zhang, stood there expressionlessly, hiding himself.

Although he didn't understand why the general wanted him to follow, an order was an order, and he would only follow it unconditionally.

But ...

Xiao Zhang looked at the other side of the dark.

It was obvious that there was also a person observing them. Although it was unclear whether they were friend or foe, he did not feel any obvious malice.

Very quickly, Lin Hanxing was already in front of the crowd.

"Young master Zhao, I didn't expect to meet you again so soon."

Lin Hanxing had a faint smile on his face, even though the Zhao family's hatchet men had swarmed over when she walked over.

They surrounded her.

That smile did not change at all.

It was a dazzling sight.

“Miss Lin, you’re too ruthless.”

Zhao Xijing barely managed to calm himself down, his voice low and powerful.

Almost at the same time as the voice fell, there were expressionless strong Men in Black suits who surrounded the Zhao family’s hatchet men. In the blink of an eye, the situation had reversed.

Lin Hanxing smiled without a word and walked towards his uncle Lin yanshu’s family.

Lin yanshu knelt on the ground, his face flushed red. Despite being embarrassed, he did not have the courage to vent his dissatisfaction. He was even worse off than the daughter beside him.

“Little uncle, bring little aunt and Jiaojiao up.”

Lin Hanxing did not even look at Lin youlin as he looked down at Lin yanshu.

Lin yanshu was stunned for a moment and raised his head to look at his niece.

However, he didn’t do anything.

“I’ll see who dares to rise!”

Zhao Yu’s mother was so angry that she wanted to tear Lin Hanxing apart.

Lin yanshu shivered in fear.

Lin Jiaojiao had never felt so embarrassed before. With such a biological father, he might as well have just been killed!

Lin Hanxing turned a deaf ear to mother Zhao’s roars.

The bystanders could only see her putting a hand on Lin yanshu’s shoulder. No one could understand what she did. All they saw was Lin yanshu’s face contorting as he stood up!

“Little uncle, there is gold beneath a man’s knees. He kneels to the heavens, the earth, and his parents.”

Lin Hanxing’s voice was extremely cold, but it was clearly heard by everyone present.

Zhong Wan ‘er quickly pulled Lin Jiaojiao up.

Lin Hanxing’s eyes swept across Lin Jiaojiao’s face and stopped at the handprint on her cheek.

“Who did it?”

The smile on Lin Hanxing’s face did not change. It was as if he did not feel the danger of the Zhao family rushing forward to tear her to pieces if Zhao Xijing had not tried to stop them.

“Madam Zhao!”

Lin Jiaojiao’s cold voice sounded.

In the next second, a loud slap was heard. Lin Hanxing had slapped Mrs. Zhao’s face!

His actions were so smooth that he didn't even hesitate!

The force was so great that it caused mother Zhao to take a few steps back!

Lin little nine, what are you doing?!

Lin qianlin was scared out of her wits by Lin Hanxing's actions.

Did she know what kind of family the Zhao family was? how dare she!

Chapter 872: She had never put anyone in her eyes

Lin Hanxing gave her a sidelong glance.

Her red dress was like fire.

The light on her face was intimidating, and her delicate little face made others unconsciously hold their breath.

Everyone's eyes were involuntarily attracted to her face.

"I'm just following auntie's orders to bring back the Lin family's face."

His words were cold and distant.

Lin youlin couldn't say anything for a while!

She actually used her own words to stop her?

"You ... You dare!"

Mother Zhao covered her face and widened her eyes in disbelief.

The Zhao family's thugs were all around her, and she actually dared to use force on her?

"Why wouldn't I dare?"

Lin Hanxing's voice was unusually cold when he heard mother Zhao's words. There was a clear hint of mockery in his eyes.

"If you have the ability, why don't you try hitting me again?"

Mother Zhao was not willing to be suppressed by this little girl!

She shook off her eldest son's hand and rushed towards Lin Hanxing.

She didn't believe it!

This Lin xiaojiu was really impudent to the point of being lawless!

Lin youlin's heart skipped a beat.

Oh no, Madam Zhao was courting death!

She hurriedly moved towards the two of them, but before she could get close, she heard the crisp sound of a slap.

“.....”

“.....”

“.....”

A low, hoarse, and muffled laugh overflowed from Lei Xiao’s thin lips.

It was indeed his wife’s style of doing things.

This was the so-called asking for benevolence and getting benevolence.

“You actually ...”

Mother Zhao was slapped twice in a row, and there were red handprints on both sides of her cheeks!

His head was bleeding!

He was dizzy from anger!

At this moment, she was like an angry cow, only wanting to rush towards the red cloth.

Lin Hanxing, on the other hand, turned her slender wrist with a subtle expression.

I’ve heard of beggars who want money and food. This is the first time I’ve met someone who’s asking for a beating.

Her slender fingers moved nimbly, and her words were filled with irony.

Lin Jiaojiao laughed in her heart as she looked at the Zhao family’s faces.

Even though she still did not like this cousin of hers.

It could even be said that he was deeply disgusted, but only Lin Hanxing could fully express his insolence.

Just because ...

She had never put anyone in her eyes!

She had never been afraid of any powerful people!

Every time when everyone thought that she would never be able to make a comeback, she would miraculously be able to completely control the situation and teach the other party a lesson!

“Miss Lin, you’re too arrogant.”

Zhao Xijing only felt that the situation was about to get out of control, but she still had something on him ...

Lin Hanxing chuckled.

Because no one spoke, the mockery in this laugh was even more obvious.

“Didn’t young master Zhao already experience it this afternoon?”

Lin Hanxing looked at him, his eyes suddenly cold.

It was like an icicle in winter.

For a moment, Zhao Xijing felt as if his heart was going to be pierced through!

Mother Zhao was truly enraged this time.

He rushed towards Lin Hanxing, wanting to get back at him for the two slaps!

Zhao Xijing didn’t move.

It wasn’t that he didn’t want to, but that he didn’t have time to react.

“Have you caused enough trouble?”

Suddenly, a thunderous sound pierced through the clouds.

Lin yanshu was so frightened that he shivered again and almost knelt back down on the ground.

Lin Jiaojiao’s eyes were dark.

But ...

Luo Wenbo’s strange expression was inadvertently seen by her.

He was looking at Zhao Xijing.

That gaze ...

Lin Jiaojiao noticed something was wrong.

She couldn’t help but recall the news of the two of them suddenly falling out.

Looking at the current situation, it seemed more like his cousin had something on him that had fallen into the hands of the Zhao family.

What was it ...

Father Zhao walked over from the corridor with a gloomy expression.

Chapter 873: It was already considered letting him off easy

He had the haughty aura of someone who had been in a high position for a long time.

When he walked over, he did not look sideways.

Even though he was already on the verge of exploding in anger, when he saw Lei Xiao, he still greeted him with a smile.

As for the Lin family ...

Father Zhao chose to ignore them as if they were ants.

He only stopped when he passed by Lin Hanxing.

He swept his gaze over with a powerful killing intent.

Normally, even a man would not be able to withstand such a gaze when facing his subordinates.

However, at this moment ...

Lin Hanxing, who was dressed in a red dress, stood in the same place and allowed father Zhao to look at him.

In fact, he even smiled faintly when their eyes met.

The atmosphere was strangely quiet.

Father Zhao's gaze was so terrifying that Lin yanshu's legs went weak.

"You're the one who injured Dongyang?"

Father Zhao said in a dangerous and low voice.

"It's me."

Lin Hanxing said these words very calmly, a smile on his face.

However, father Zhao clearly saw that under that smile ...

He could see the shocking coldness and cruelty!

Father Zhao narrowed his eyes.

He had naturally heard of the rumors surrounding Lin xiaojiu.

However, father Zhao had never taken such a small character to heart. What he was aiming for was the capital that represented the peak of power!

"Mr. Zhao ..."

Lin youlin tried to go forward, but before she could get close, she was forced back by father Zhao's gaze.

"Teach her a lesson! Teach her a good lesson!"

When mother Zhao saw that her husband had arrived, she became even more agitated.

It was as if he wanted to take back Zhao Dongyang's share!

Lei min walked over expressionlessly.

The leather shoes made by hand in Italy made a heavy sound as they stepped on the floor.

He was almost 1.9 meters tall, and he exuded a natural pressure.

As long as one had eyes, they would be able to understand what this meant.

Lin Jiaojiao was nestled in her mother's arms.

His eyes couldn't help but turn gloomy.

She could not help but recall that night ...

In front of everyone, Lei Xiao's sinister and embarrassing 'get lost'!

He looked at himself with eyes full of hostility.

He impatiently repeated his 'I told you to get lost'!

But now, when Lei Xiao was facing Lin Hanxing ...

It was strong and gave people a sense of security!

Lin Hanxing sneered when he heard mother Zhao's words.

There were traces of a smile on her face, but that smile ...

But he didn't look at her deeply.

As if they did not expect Lin Hanxing to have such a reaction, the Zhao family's faces darkened.

"Make way, the people in front make way."

Yan beixiao's carefree voice rang out.

With a loud bang, a man with his hands twisted in a strange way was thrown to the ground.

"Mr. Ley, what do you mean by this?"

No matter how much father Zhao could bear it, he couldn't take it anymore.

The Thunder valiant beast raised its head to meet its gaze, its cold, sculpted features not showing any fluctuations.

come, tell me how Zhao Dongyang ordered you to attack little Hanxing from behind!

Yan Beichen laughed coldly.

What?

Mr. Zhao turned around and looked at the bodyguards who had been with Zhao Dongyang today.

The latter's eyes were obviously starting to avoid him.

Obviously, he was not telling the truth.

As expected!

Zhao Xijing sighed in his heart.

When the bodyguards mentioned it, he already felt that something was wrong.

How could his precious little brother be as innocent as they said?

Lying on the ground, the bodyguard who had been tortured by Lei Xiao's men began to talk non-stop.

How Zhao Dongyang had instructed him to hide in the dark.

He wanted to teach Lin Hanxing a lesson.

How did it miss and pierce through Han Mingmei's shoulder instead?

Every word and sentence was clearly said.

"The young master wanted my life, but I only crippled one of his ears. That's already letting him off easy."

Chapter 874: Turning big things into small things into nothing

Lin Hanxing's voice was cold.

He was neither happy nor angry.

There was no emotion to be heard.

However, when these words reached the ears of others, it made their legs go soft.

Father Zhao's face turned ashen.

His eyes suddenly looked towards the door of the emergency room.

He wasn't angry at his son for doing such a thing!

Rather, why didn't you clean up your mess after you did it!

He even put the Zhao family in such a difficult situation!

Luo Wensu, who had been standing in the corner without saying a word from beginning to end, had seen everything.

Then, his eyes fell on Lin Hanxing's face.

Under the incandescent light of the hospital corridor, her clean and clear little face was so white that it was glowing.

She was so beautiful that people couldn't take their eyes off her.

However, Lin Hanxing's eyes were merciless and completely cold!

"Mr. Zhao, you don't look too good."

Lin Hanxing sighed. When father Zhao heard this, his expression darkened.

"That's just a one-sided story ..."

Mother Zhao said through gritted teeth. Both of her cheeks were swollen like a Toad, and her eyes looked like she wanted to eat her up.

“A one-sided story?”

Lin Hanxing raised his eyebrows and turned to look at Lei Xiao.

Her beautiful eyes were as bright as the stars, and after the coldness faded, they were filled with the teasing of a little fox.

Lei min was expressionless, but in his heart, he silently lit a candle for the Zhao family.

His wife ...

He was thinking about how to scam people again.

Looking at Lei Xiao's eyes, Lin Hanxing knew that he understood her, and her mood instantly brightened.

Her entire little face was dazzling.

Lin Hanxing smiled.

“What are you laughing at?”

Zhao Yali's mother said viciously. The light of the emergency operating room behind her was still on.

do you know who else did your bodyguards almost hurt other than han mingmei? ”

It was as if he wanted everyone present to hear him clearly.

Father Zhao's eyebrows twitched. His intuition told him that what Lin xiaojiu was going to say next would be extremely unpleasant to the Zhao family.

“Who is it?”

Mother Zhao continued to ask Lin Hanxing.

“Yue Guanqian, elder Yue's granddaughter.”

“.....”

“.....”

This time, not to mention the Zhao family, even the Lin family was shocked!

What was Yue Guanqian's identity?

A few decades ago, it could only be seen on the 7 pm news on television.

As a former high-ranking official in Beijing and the old head of the Ministry of Foreign Affairs, he had returned to Jiangcheng to settle down after retirement and rarely showed his face in public!

How could there be such a coincidence?

It had to be elder Yue?

In an instant, the Zhao family members broke out in cold sweat.

If at that time, she had really hurt elder granddaughter Yue ...

Lin youlin looked at her niece with a complicated expression.

Her daughter was now a prisoner, but her big brother's daughter could even come into contact with someone like Yue Guanqian, elder Yue?

How unfair this was!

Lin Jiaojiao could clearly feel her mother, who was holding her in her arms, gasping in surprise.

Yue Guanqian, such a Big Shot ...

His cousin actually knew each other just like that?

Wasn't she a little too lucky?

"You're lying!"

Mother Zhao was the first to speak, her eyes filled with unspeakable panic.

She naturally knew elder Yue's identity. If what Lin Hanxing said was true ...

"Madam Zhao, do I need to lie about this?"

Lin Hanxing's tone was sarcastic as he sighed.

He seemed to be mocking her for being too naive.

"Mr. Lin."

Father Zhao suddenly looked at Lin youlin, his voice threatening.

He had clearly chosen to ignore her as if she was an ant, but now, he acted as if he had just seen her.

"Yes, Mr. Zhao,"

Lin youlin suppressed the dissatisfaction in her heart. With the Zhao family's connections in the capital, she chose to endure.

"Why don't we turn a big matter into a small one and make it nothing?"

Chapter 875: Did I agree?

Hearing this, Lin youlin's eyes lit up.

This matter was caused by her niece. If she could solve it smoothly and get some benefits ...

He didn't know if the Zhao family's connections could make Ruyin ...

Lin youlin was so busy scheming that she didn't notice that her brother's family was looking at her with suppressed anger.

However, just because Lin youlin didn't notice, it didn't mean that Lin Hanxing didn't.

He laughed coldly in his heart.

It was little uncle's family who knelt down and lost face, but they had to take all the benefits. Anyone would feel unbalanced in their heart.

Lin Hanxing fiddled with Lei Xiao's large palm and seemed to inadvertently stroke his palm a few times.

Lei min immediately understood what she meant.

"How about we talk in private?"

Father Zhao gestured to the corner with his hand.

Lin youlin quickly walked over.

The two of them whispered in a corner.

"Mr. Zhao, this ... After all, this also involves elder Yue."

Lin youlin hesitated and lowered her voice, but from her tone, it seemed like there was room for negotiation.

Father Zhao felt contempt in his heart.

He had seen many people like this, but he just wanted to get more benefits.

"We can slowly discuss this."

Father Zhao's words were full of meaning, and Lin youlin almost blurted out Luo Ruyin's name in the next second.

But she held back.

I just hope that President Lin can persuade your little niece.

Father Zhao added.

The smile on Lin youlin's face suddenly froze.

She understood the underlying meaning of his words.

The man with the surname Zhao probably wanted him to persuade Lin xiaojiu to lie so that Zhao Dongyang and the Zhao family would not be involved in the whole incident.

But ...

Lin youlin subconsciously looked at Lin Hanxing.

She was also looking at her.

Their eyes met in mid-air, and Lin youlin's heart shuddered.

"I ..."

"President Lin, I've heard about your daughter."

Lin youlin raised her head.

As they were talking, Yan beixiao moved closer to Lin Hanxing and Lei Xiao.

“Your aunt wants to sell you.”

Yan Beichen raised his eyebrows, his eyes gloating.

Of course, it was for the Zhao family and little Hanxing’s aunt.

I heard that Zhao Dongyang provoked ah Xiao? ”

He even provoked her when she had a bet with han mingmei.

Hearing this, Yan beiming became excited, and in a few sentences, he explained clearly how Zhao Dongyang had courted death and provoked Lei Xiao.

“The land in puhu?”

Lin Hanxing looked up at her man. After thinking for a while, she understood the stakes.

“Was it notarized?”

“It’s all written in black and white. I brought it.”

Yan beixiao was simply watching the show, and as he spoke, he took out a piece of paper from his pocket to sign and stamp.

Zhao Xijing had felt that something was wrong when Yan beixiao took something out of his pocket.

Just as he was about to remind his father, the small meeting in the corner had ended.

Lin youlin’s face was filled with joy.

“Little Jiu ...”

“Are you done?”

Lin Hanxing smiled when he opened his mouth, but no one could tell his true emotions.

Lin youlin’s heart was still immersed in the joy of Luo Ruyin’s matter, and for a moment, she had forgotten her deep fear of Lin Hanxing.

“Little 9th, this time, aunt is completely ...”

Lin youlin said as she reached out to grab her wrist.

However, before he could touch her, three pairs of eyes swept over.

She was used to Lin Hanxing, but Lei Xiao and Yan beiming’s eyes ...

His hand froze in mid-air, not knowing whether to withdraw or let go.

Lin Hanxing’s gaze swept across his uncle Lin yanshu’s family, and the gloominess in his eyes intensified.

What an unfeeling family.

“Did I agree to it?”

## Chapter 876: I am Gao Zhi

Lin Hanxing's expression remained unreadable when he said this.

She glanced at Lin qianlin's hand.

She took good care of herself and was completely different from her age.

It was fine and tender.

Lin Hanxing still remembered the feeling of her aunt's rough fingers brushing across her cheeks when she first came home.

18 years.

Things remained the same, but people had changed.

He retracted his gaze and turned to look at father Zhao.

"It's useless no matter who you tell it to if you don't get my permission."

Lin Hanxing smiled slightly, but he did not reveal the mockery in his heart.

Father Zhao's expression immediately collapsed. He had been in a high position for a long time and never thought that one day, he would be slapped in the face by a little girl with such poor judgment ...

Don't forget, he hadn't even pursued the matter of his wife being beaten up!

"Little girl, don't think that you can do whatever you want just because you're so young and have connections."

Father Zhao's voice was gloomy.

But because the Thunder valiant beast was here, he was more or less careful.

The Thunder valiant beast's face suddenly turned dark, and the air around him began to compress, making it hard for him to breathe.

Even his eagle-like eyes were shrouded in dark grey.

"Ah Xiao,"

Lin Hanxing said lightly. Her delicate and soft hand slid down his large palm and intertwined with his fingers.

The Thunder valiant beast's expression finally looked better.

Tsk, tsk, their ah Xiao's anger could only be appeased by little Hanxing.

Yan beixiao thought as he glared at the Zhao family.

"Mr. Zhao, you're wrong about something."

Lin Hanxing's cold eyes met father Zhao's. There was an indescribable arrogance and disdain.

"I am Gao Zhi."

Many years later, when they met again in the capital, the Zhao family would never have imagined that Lin Hanxing's words, which they had thought were a joke, would continue to slap their faces in such a violent manner.

Of course, this was all a story for later.

Let's not talk about it for now.

At this moment, the members of the Zhao family had disdainful expressions on their faces.

Lin qianlin was visibly embarrassed.

However, Lin Jiaojiao, who was standing in the corner, sneered.

He deserved it.

also, you don't really think that by giving my aunt some benefits to make her fall for me, I'll change my mind, do you?" Lin Hanxing said nonchalantly, but his attention was on Lei Xiao's large palm.

The man's fingers were long and strong, and there were thin calluses on the joints.

It felt hard to the touch.

It made her want to play.

Father Zhao didn't say a word. Before the situation really escalated, he was indeed thinking this way.

Lin Hanxing shook his head and chuckled.

She seemed to be laughing at his naivety.

"How long are you going to keep up this act?"

Father Zhao's tone was finally filled with impatience. This time, Lin Hanxing did not make the Zhao family wait too long.

She let go of the Thunder valiant beast's hand and turned to walk towards a dark corner.

The security guard Xiao Zhang, who was hiding in the dark, was speechless.

He kept feeling that she was walking towards him.

An illusion.

This must be an illusion.

After joining the army, one of the things he was most proud of was Tactical Concealment.

Although the success rate was not 100%, he was absolutely confident that no one would be able to find him in the simulated battle as long as he hid.

But now ...

As Lin Hanxing got closer, the security guard Xiao Zhang became more and more uncertain.

How did he ...

She was still a little excited and nervous.

"I've been here for too long, I should come out for some fresh air."

When Lin Hanxing stood in front of the security guard Xiao Zhang, the latter was expressionless.

Security guard Xiao Zhang: What kind of expression should I use to face all this?

Chapter 877: Come, start collecting interest

Little Zhang did not move.

Lin Hanxing smiled and winked at him.

If it was her in the past, she would never have done such an action.

However, ever since she met Lei Xiao and the Lei family, the active part of her personality was gradually developed.

Xiao Zhang,"what a great humiliation!!!"

There was clearly another one hiding over there, why did they only look for him!

"The one at the back is useless. I'm too lazy to find him."

Lin Hanxing did not even turn his head as he spoke indifferently.

The one sent by Yuan shaojing was speechless.

He was being discriminated against.

Angry smash!

"Follow me, you don't have to say a word."

Lin Hanxing lowered his voice when he said this. Xiao Zhang heard it and finally walked out from the shadows.

Other than Lei Xiao and Yan beiming, the rest of the people were obviously very surprised!

There were so many people here, but no one knew when he had been standing there!

"This is elder Yue's guard."

After Lin Hanxing finished speaking, he looked at the Zhao family with a subtle expression.

Xiao Zhang replied,"I'm not ..."

After hearing Lin Hanxing's words, the Zhao family's faces changed.

Father Zhao's eyes instantly fell on Xiao Zhang, who was standing behind Lin Hanxing.

Xiao Zhang, "so many eyes are looking at me, I ..."

Because of his in-laws, father Zhao naturally made full preparations for his career. He had come into contact with several big families in Beijing. When he saw the guard, Xiao Zhang, his intuition told father Zhao that the girl from the Lin family was not lying.

This man had a strong and upright aura!

He immediately broke out in a cold sweat.

Even the Lin family's expressions changed.

At this moment, no one would have thought that the expressionless security guard, Xiao Zhang, was currently cursing madly in his heart.

The comments were all over the screen.

"He will report everything that happened today to elder Yue."

Lin Hanxing chuckled as he spoke.

"So, every word we said just now ..."

Lin Hanxing purposely stopped there. As for the second half of his sentence, it could only be understood but not conveyed.

If not for the inappropriate occasion, Yan beiming would have laughed out loud three times!

Even the Thunder valiant beast's thin lips slightly pursed.

Hiding the smile.

When Xiao Zhang returned, he would definitely report today's matter to elder Yan, and elder Yue would definitely be there.

In some ways, Hanxing wasn't lying.

"This comrade ..."

Father Zhao took a few steps forward, but before he could get close, he was separated by Xiao Zhang.

"Mr. Zhao ..."

Lin Hanxing walked back to Lei Xiao's side, her red dress blossoming in the air.

"Now, it's my turn to collect interest from you."

Her hand held Lei Xiao's big palm again, just like just now, her fingers ran back and forth across the calluses on his joints, as if she had developed a new game, and she was never tired of it.

"You ..."

From the start, the Lin family had not been able to interject at all.

Lin youlin stood awkwardly at the side like an onlooker, while Lin yanshu's family felt a burst of joy!

The Zhao family had dragged them over like dogs and kneeled in the corridor in front of the emergency room.

Now, it was their turn to face the endgame like dogs!

Lin yanshu had never been so eager for his niece to help them vent their anger!

I'm afraid Mr. And Mrs. Zhao don't know yet. This afternoon, before the incident, I met with young master Zhao once. At that time, we had a good chat. Oh no, to be exact, I had a very happy chat.

Lin Hanxing gave Zhao Xijing a meaningful smile.

Chapter 878: Think about which consequence is more serious

The gazes of all the Zhao family members fell on Zhao Xijing.

There was shock and suspicion in his eyes.

Lin Hanxing lowered his eyes and hid the cold sneer in his eyes, but his lips were still curved.

"You've met before?"

Father Zhao looked at his eldest son, who he never had to worry about, and frowned.

Zhao Xijing didn't say anything. He just pursed his lips.

"I'm asking you a question!"

Father Zhao growled, his voice filled with anger.

master Zhao, do you want to tell your parents yourself or do you want me to say it in front of so many people? "

Lin Hanxing said indifferently.

Zhao Xijing suddenly raised his head and looked at her with a dark expression.

"If you want to blame someone, blame your good-for-nothing younger brother."

Lin Hanxing understood the accusation in Zhao Xijing's eyes. He sneered and finally revealed the disdain in his eyes.

"In this world, there are thousands of ways to deal with a person without leaving a trace, but he chose the stupidest and most laughable way. But ..."

At this point, Lin Hanxing deliberately paused.

He swept his gaze across the faces of every member of the Zhao family in front of him, taking in their different expressions.

“You people of the Zhao family should also feel lucky.”

“It’s a good thing we’re in Jiang city. If we were in the capital where the Royal Palace is filled with nobles, I’m afraid today’s matter wouldn’t have ended well.”

Lin Hanxing’s voice was cold.

It could even be said that he was emotionless, but the words he said made people’s hearts turn cold.

Father Zhao’s face turned ashen!

“Speak!”

It was a simple word, but she used too much force and her voice broke.

Zhao Xijing finally leaned over to father Zhao’s ear and told him what happened in a low voice.

Their voices were too soft, so no one knew what they were talking about. However, the change in father Zhao’s expression could be seen clearly.

It turned from ashen to pale, and then from pale to red.

A loud bang was heard!

Zhao Xijing’s face had been slapped hard by his father!

“What a good thing you’ve done!”

These five simple words had turned the situation around!

The Lin family members tensed up as they watched the Zhao family’s internal strife. Lin youlin looked at Lin Hanxing hesitantly.

She clearly had something that she could use against the Zhao family, so why didn’t she tell her from the beginning?

Lin Jiaojiao couldn’t help but laugh in her heart.

A twisted pleasure flowed through his limbs and bones.

“What are you doing!” Zhao Yali’s mother protected her eldest son.

“You know what he did ...”

Father Zhao suddenly stopped talking and looked at the security guard, Xiao Zhang, with fear in his eyes.

The expressionless guard, Xiao Zhang, said, “I’m really innocent. I still don’t know what you’re talking about.”

“Mr. Zhao, think about which one is more serious, and then reevaluate your attitude when you talk to me.”

Lin Hanxing’s voice was lazy and drawn out.

She knew that Lin youlin was looking at her with dissatisfaction, but Lin Hanxing didn’t care.

“Miss Lin, what do you want?”

Father Zhao looked at Lin Hanxing gloomily.

She was sure to win from the beginning!

She knew from the start that elder Yue’s men were hiding in the dark!

They had waited for so long just to wait for the situation to become more unfavorable for the Zhao family, so that they could be easily manipulated!

At such a young age, his mind was already so vicious.

She was so meticulous that he didn’t even notice anything strange in the early stages.

Who would have thought!

This girl had already firmly grasped the Zhao family’s future and the lifeline of wealth!

Lin Hanxing grinned when he heard father Zhao’s words, but he looked at the Lin family.

Lin youlin’s heart skipped a beat, and her eyes were filled with joy.

Her mind was full of thoughts.

With the backing of the Zhao family, perhaps the Lin family could also develop in the capital in the future!

Lin Hanxing immediately saw through Lin youlin’s thoughts.

Chapter 879: Aunt, if you had a choice

“Aunt, if you had a choice, what would you ask of the Zhao family?”

Lin Hanxing’s question made Lin yanshu’s eyes light up with hope again.

She was his sister!

Even the Lin family’s servants, who had been brought behind Lin yanshu and forced to kneel by the Zhao family, perked up their ears and waited.

They could only hope that the head of the family would win back their face for them!

The Zhao family had gone too far!

Father Zhao turned to look at Lin youlin with a cold and threatening look.

He was sure that Lin youlin didn’t know anything about their family. Otherwise, she would have threatened him with it when he suggested turning the big issue into a small one.

Lin youlin didn’t expect Lin Hanxing to throw the question back at her.

Most of the fantasies in her heart dissipated when she met father Zhao’s threatening gaze.

The Zhao family's influence in the government was very wide. Although the Jiangcheng sea bridge project had opened up a certain amount of fame for the Lin family, there was no guarantee that they would run into trouble in the future.

She didn't know to what extent this niece of hers held the Zhao family's weakness in her hands. If she were to form a grudge now ...

Luo Wensu had sensed that something was amiss the moment Lin Hanxing had handed the question over to Lin qianlin!

Especially when he saw the look in his uncle's and the servants' eyes!

Just as she was about to open her mouth to remind him, she was startled by the strange behavior of her big brother beside her.

Luo Wensu looked up.

Luo Wenbo's face was pale and bewildered, and he would occasionally look in Zhao Xijing's direction.

If he remembered correctly, his elder brother and Zhao Xijing had suddenly cut off all contact back then, and he zhehan's relationship with his elder brother had also been better back then. They had become closer at almost the same time.

What happened back then?

As Luo Wensu was thinking about this, his mother, Lin youlin, spoke.

"If I had a choice, this matter would end here,"

"We're not affected much either. On the other hand, second young master Zhao is still lying in the emergency room. If this continues, who will ..."

Father Zhao was obviously satisfied with Lin youlin's tactful performance, but he also looked down on her.

Before Lin qianlin could finish, Lin Hanxing raised his hand and cut her off.

She finally understood why the Lin's group had not improved at all under her aunt's control all these years. Instead, it had shown an extremely strong trend of decline!

The reason for this was because Lin qianlin's vision was too narrow.

"Aunt, I advise you to look around."

Lin Hanxing's words were extremely cold.

His eyes were cold without any warmth.

Lin youlin was stunned at first, then she turned around.

As far as she could see, the Lin family's faces were full of disappointment at her, without exception.

Even his own son's expression was filled with disapproval.

At this time, the Zhao family also realized that they had been used!

Lin xiaojiu was clearly using them to establish his authority for the Lin family members who had been brought here by the Zhao family. Lin xiaojiu had probably prepared those words long ago, but Lin youlin, that idiot, jumped into the trap without even realizing it.

“Aunt, can you still say that ‘it’s not good for anyone to continue making a scene’?”

Lin Hanxing sneered.

She couldn’t find out if human nature was good or evil, but she had a deep understanding of human nature.

Therefore, even if you were in a disadvantageous situation, you must never show an ‘I’m easy to bully’ attitude to others. Otherwise, anyone could step on your head and trample on your dignity and life!

Peace was the most important thing in the world. This was a doctrine that was ingrained in the Chinese, but at times, it had the opposite effect.

Chapter 880: This is what it means to go overboard

That was why Mr. Zhao had been so pleased with Lin qianlin’s answer, yet so disdainful.

He was satisfied with her tactfulness, but he looked down on people like her.

Lin youlin was a little confused.

She didn’t understand why her words would cause such an effect. She was thinking for the Lin family!

“Mr. Zhao,”

Lin Hanxing said coldly without even looking at the confused Lin youlin.

The expression on father Zhao’s face changed.

He became serious and cautious, a stark contrast to the satisfaction and contempt he had shown when he faced Lin youlin.

The superiority was obvious!

“I want the Zhao family to apologize to the Lin family for what you’ve done.”

Her cold voice was filled with the unique pressure of a superior. Just by standing there, no one dared to look down on her.

“Don’t you go too far!”

Mother Zhao immediately exploded. At this time, she still did not know what Lin Hanxing had against the Zhao family, but she had enough of her arrogance. Ever since her husband’s career had become smoother and smoother, she had only bowed to a wife who was slightly higher in rank than her ...

When had he ever been humiliated like this in front of a junior?

“Bullying people too much?”

Lin Hanxing stared at mother Zhao’s face and the smile on his face gradually disappeared.

Even Yan beiming, who had been with Lin Hanxing for such a long time, was terrified, let alone the others.

He couldn’t help but recall the first time he saw little Hanxing on the cruise ship in the International waters.

His methods were ruthless and cold.

She didn’t lose to men at all.

The more time they spent together, the more ah Xiao dug out her soft and cute side, and the more Yan beiming’s first memory of her became blurry.

But in reality.

The little cold star was still the same little cold star.

The coldness in her bones had never changed.

If one really had to point out what was different ...

Yan beiming looked at Lin Hanxing and Lei Xiao, and could not help but laugh in his heart.

It should be said that she had someone very important to her.

Lin Hanxing walked towards mother Zhao.

Her high heels clicked on the marble floor, making a cold sound.

Her slightly curly black hair was spread out behind her, and it made people’s eyes go blank, but ...

Before everyone could recover from their shock, mother Zhao’s scream broke the temporary silence!

The crowd only saw her being held in the hands of the expressionless Lin Hanxing. With a thump, she knelt in front of Lin yanshu’s family and the Lin family’s servants. She did not even have the time to react!

Guard Xiao Zhang: = O =!!!

He subconsciously looked at Thunder valiant beast.

But he found that Lei Xiao’s eyes were full of love, and even the people around him were on alert at his gesture.

It was as if he was afraid that Lin Hanxing would be at a disadvantage.

The security guard, Xiao Zhang, felt that Lei Xiao was overthinking.

The family that she didn’t let others suffer was already lacking in high incense in her previous life.

“This is what I call bullying.”

Lin Hanxing said coldly. His cold voice was like a warning, reaching the ears of every member of the Zhao family.

Mother Zhao only felt that her knees were about to be crippled.

The sudden humiliation and embarrassment made her furious, and she wanted to fight Lin Hanxing to the death.

The Lin family was overjoyed.

Even the two brothers, Luo Wenbo and Luo Wensu, when they saw mother Zhao who was forced to kneel in front of them by Lin Hanxing ...

When he thought of the Zhao family's arrogant attitude at the beginning, he felt an indescribable pleasure in his heart!

The Lin family's servants all raised their heads!

Mrs. Zhao wanted to get up, but Lin Hanxing's hand on her shoulder felt like it weighed a thousand pounds, and she could not move!

"What's wrong? For the future of the Zhao family, you can't even bear with these things?"
