

Goodnight 911

Chapter 911: On our Chinese soil

you don't have the right to behave atrociously on our Chinese soil!

They were both speaking fluent Russian, but it was bone-chilling.

The red dot that had stopped at Shangguan shixiu's temple suddenly disappeared, as if it had just been an illusion.

"Who is it? Who is it?"

The other party clenched the poisoned dagger tightly, and the sinister smile froze on his face!

No one answered him.

But the next second, a scream mixed with the sound of bones breaking broke the silence.

Shangguan shixiu stood in place, suppressing the urge to cough in his throat, even though there was the taste of blood in his mouth.

He just stood there.

He had forgotten that the person in front of him was still holding a poisonous dagger that could instantly kill someone.

His mind went blank.

This voice ...

That person's voice ...

The intense ecstasy was like a tornado that wantonly set off huge waves in his limbs and bones.

It was her!

His pale and gloomy handsome face seemed to be lit up by something, making it seem so vivid.

"Ah Xiao, this person is asking who we are!"

Standing in the corner reeking of blood, Lin Hanxing smiled.

His smile seemed very cold in the flickering light of the underground parking lot.

Not far away, Lei Xiao had just finished off the killer in the corner who had aimed his gun at Shangguan shixiu at lightning speed. After the two of them checked around to make sure there were no other hidden dangers, they finally breathed a sigh of relief.

Lei min was expressionless as he single-handedly dragged out the assassin whose limbs had been dislocated from the corner. Lin Hanxing was by his side.

Ah Xiao?

Shangguan shixiu's blank mind suddenly exploded.

He stared at Lin Hanxing with his deep and dark eyes.

It was her?

She's Lin xiaojiu?

The woman who was held tightly in the arms of Thunder valiant beast?

At that moment, Lin Hanxing had taken off her white down jacket and earmuffs to make it easier for her to move around. Her pink high-collared cashmere dress completely accentuated her exquisite figure, and her slightly curly, silk-like long hair was casually let down behind her. Her beautiful, creamy skin was like a porcelain doll that made people want to love her.

Even the mole at the corner of her eye was the same as he remembered.

He had finally found her.

Shangguan shixiu let out a bitter smile.

Lin Hanxing didn't notice Shangguan shixiu's gaze following her.

Instead, he moved his index finger.

The earring that she had taken off earlier was wrapped around her slender fingers in an S-shape. Her fingertips flashed with a cold light and were extremely sharp!

Her hand slowly fell on the back of the neck of the killer who was under Lei Xiao's control.

The cold glint on his fingertips sank into the convergence point of the other party's 100 meridians in a second.

Lin Hanxing's long, black eyelashes blinked, and he turned to look at Shangguan shixiu.

The Thunder valiant beast clenched his fist.

His thin lips were pursed into a line.

Cold star ...

His cold star ...

If Hanxing gave up on him ...

"Do you want to solve it yourself or do you want us to help you?"

To Lei Xiao's surprise, Lin Hanxing's voice was extremely cold, as if he didn't know Shangguan shixiu at all.

Her delicate little face was as cold as usual when she faced outsiders.

"Do you still ... Remember me?"

The feminine features that made women feel ashamed of themselves were filled with caution, and his cold eyes were full of hope.

If it were any other member of the Shangguan family here, they would have cried out in shock!

Was this still Shangguan shixiu?

He was the most famous killing tool in the Shangguan family, who had killed people like flies!

Shangguan shixiu, whose hands had been soaked in blood all year round!

nine ... Little nine ... Lin little nine ... I should have thought of this long ago. I thought it would be a long time ...

Shangguan shixiu muttered to himself.

"I've been looking for you for a long time. Do you still remember me?"

The veins on Lei Xiao's clenched fists were exposed, and even his joints were white!

Chapter 912: Can't go to the hospital

Lin Hanxing looked at Shangguan shixiu.

He was a completely different type of man from Lei Xiao.

Even though it was more of an insult to describe a man as beautiful ...

However, anyone who saw him for the first time would subconsciously think of these two words.

Her pale skin gave people a light and distant feeling, and her black jade-like hair gathered a faint luster.

There seemed to be an enchanting mist spreading from the bottom of his eyes.

"I don't understand what you're saying."

Lin Hanxing's voice was polite but cold.

Shangguan shixiu slightly lowered his head, as if he had expected this, and a bitter smile appeared on his lips.

"You saved me."

He said these simple words in a very soft voice, as if he was afraid of disturbing her.

The Thunder valiant beast's face showed no expression.

Shangguan shixiu's every word made his eyes grow darker and darker, like an abyss with no end.

For a moment, an impulse to destroy everything rose in his heart!

Lin Hanxing felt the need to remind the man in front of him that this was not a good time to reminisce.

After all ...

The two assassins wanted his life.

Shangguan shixiu and Lei Xiao, who was standing behind Lin Hanxing, looked at each other.

The two men's eyes were filled with waves that only they could understand.

"You already knew that she was the one I was looking for."

Shangguan shixiu spoke French.

He thought Lin Hanxing did not understand.

Unexpectedly, as soon as Shangguan shixiu's voice fell, Lin Hanxing turned to look at Lei Xiao.

"So what?"

Thunder valiant beast replied in a cold and deep tone.

"And that time at the Lei clan, were you involved?"

Shangguan shixiu suddenly remembered that time at the Lei clan. He had almost seen her.

Lei Xiao didn't say anything, but for Shangguan shixiu, this was his indirect admission.

"If there's any problem between the two of you, can I trouble you to deal with the two of them first?"

Even though she did not understand what the two of them were talking about, Lin Hanxing did not want to drag this on for too long.

Shangguan shixiu's gloomy eyes fell on the two killers.

He knew, according to Lei Xiao's overbearing and exclusive personality, he would not have any chance to come into contact with little nine.

Out of the corner of his eye, Shangguan shixiu glanced at the man who was holding the poisoned dagger.

He was deep in thought.

No matter what kind of poison was on it, it might be fatal to others, but to him, he could last longer than others ...

"I know who you are. You should know the consequences of not completing the mission."

Shangguan shixiu spoke in fluent Russian, as elegant as a noble young master.

However, his pale face made him look like he was beyond cure.

"You're not afraid of death ..."

Shangguan shixiu sneered, holding the capsule he had taken from the other party's mouth.

"A fate worse than death?"

As he said this, he seemed to have unconsciously let down all his guard and opened the door of life.

Lin Hanxing was the first to notice that something was wrong.

Just as she was about to warn him, a strong smell of blood filled the air.

Everything had happened too quickly.

It was so fast that even the Thunder valiant beast had only moved after Shangguan shixiu had fallen to the ground.

Lei Xiao knew Shangguan shixiu's skill better than anyone else. He was completely capable of dodging this knife.

Large amounts of blood gushed out from his abdomen.

His already pale face looked even paler now.

"We can't go to the hospital."

Shangguan shixiu said in a deep voice. The man who had stabbed him earlier had already fallen to the ground and was no longer breathing.

"I'll send you to the sacred hands."

His body wasn't in good condition to begin with, and now he was going to lose half his life.

Shangguan shixiu smiled, but his eyes were fixed on Lin Hanxing. He took something out of his pocket and handed it to her with his blood-stained hand.

Chapter 913: What did Shangguan shixiu give her?

Lin Hanxing looked at Shangguan shixiu but didn't take it.

Shangguan shixiu was also very stubborn. She didn't take it, and let the blood flow there like a seesaw battle.

The air seemed to freeze for a moment.

"Shangguan shixiu!"

The Thunder valiant beast's gloomy eyes were filled with cold flames, and it was obviously in a state of burning anger.

Lin Hanxing frowned.

He was Shangguan shixiu?

The brother of the sweet Shangguan Yilu, Shangguan shixiu?

Lin Hanxing's gaze became even colder as he thought about this.

"Your wound can't be delayed any longer,"

His lips curled into a cold smile. If he didn't even care about his own body, what right did he have to make others care?

"You said that you would protect me."

Perhaps it was because he had lost too much blood, but Shangguan shixiu's dark eyes seemed a little empty.

Blood dripped down Lin Hanxing's slender fingers.

It splashed on the ground.

With his palm facing up, he spread out his blood-stained palm.

It was a grass-woven Dragonfly.

Lin Hanxing's cold expression froze as if something had crossed his mind.

In his memory ...

It seemed that someone else had given her something like Shangguan shixiu.

That was ...

Lin Hanxing subconsciously stretched out his hand and did not notice Lei Xiao's tensed face.

When her fair fingers gently touched the grass Dragonfly, Shangguan shixiu suddenly grabbed her wrist.

He smiled at her as if he was using the last of his strength.

Shangguan shixiu could clearly feel Lei Xiao's muscles tightening and Lin Hanxing's wrist resisting. His dark eyes seemed to be misty, and the bloodthirsty smile at the corner of his mouth was gone. It was so beautiful that it was beyond words.

In the next second, he was completely engulfed in darkness ...

.....

Sacred hands was humming a tone-deaf tune as he packed the things that Lin Hanxing had asked him to prepare for her.

With a bang, the door was kicked open from the outside.

"What's the situation?"

The moment he smelled the blood, sacred hands' expression froze!

Lei Xiao carried the unconscious Shangguan shixiu in his arms, his face filled with undisguisable ferocity. Behind him, Lin Hanxing followed, but his posture was strange.

"Shangguan shixiu?"

Sacred hands was shocked when he saw the man's face.

Shangguan shixiu had a good relationship with his older brother, Dr. Zhong. In addition to his relationship with Lei, they could naturally be considered partners.

"It's a knife wound. It's poisonous."

Lei Xiao's voice was deep. He had to return to the parking lot in a short time, along with Shangguan shixiu's men, to deal with the follow-up.

But ...

Lei Xiao's gaze fell on Lin Hanxing.

"Little Star, don't block me."

As soon as sacred hands finished his words, he could clearly feel the terrifying aura coming from Thunder valiant beast getting stronger!

He subconsciously felt that he had said the wrong thing.

But he didn't know what he said wrong.

Until ...

Lin Hanxing turned his body slightly to the side, revealing his wrist.

On it, Shangguan shixiu's fingers were tightly clenched, and even his blood was dry. No one knew how long he had been holding it!

Holy hand shrunk his neck.

He finally knew where Ray's malicious aura came from!

"I've tried all sorts of methods on the way."

Lin Hanxing's voice was cold. There was no other way to solve the problem unless he chopped off the hand of the person in front of him or himself.

"I'll take a look at his injuries first ..."

The sacred hands hurriedly cut Shangguan Shi's shirt, wishing that he could leave the Shuraba immediately.

Lin Hanxing turned around.

He didn't look at Shangguan shixiu.

"Ah Xiao, you ..."

"Wait for me,"

Before Lin Hanxing could finish, Lei Xiao had already spoken.

He forced a smile on his thin lips and looked at her.

"I'll be back as soon as I'm done."

Chapter 914: The hand that can't let go

Lin Hanxing did not say anything.

Thunder owl's expression was obviously not right, but she knew that now was not the time to say such things.

"I'll wait here for you to come back."

Lin Hanxing looked at him deeply.

"I'm not going anywhere."

.....

The wound was more serious than sacred hands had imagined.

The skin and flesh of Shangguan shixiu's wound, which had been stained by the poisoned knife, began to fester and rot, emitting a foul smell.

"Little Star, give me a hand."

When it came to treating patients, sacred hands' behavior was completely different.

He handed the surgical tools to Lin Hanxing, who quickly cut a piece of Shangguan shixiu's rotten flesh.

"I need to study the drug's properties before making the antidote. It will take about five minutes,"

"What do you need me to do?"

Lin Hanxing said in a deep voice without any hesitation.

"Call me immediately if he has difficulty breathing."

After saying that, sacred hands took the piece of rotten meat and left the room.

Only Lin Hanxing and Shangguan shixiu were left.

Lin Hanxing lowered his head and looked at Shangguan shixiu's fingers, which had almost sunk into the flesh of her wrist. She didn't need to guess to know that it would definitely be bruised.

At this time, Shangguan shixiu was lying on the bed without any defense.

There was not even a trace of blood on his face.

The shirt was cut open by the Holy hand, revealing a large area of pale skin.

It was a sickly skin color that was completely different from the Thunder valiant beast's healthy wheat color, not to mention that it was covered in all kinds of scars.

Knife wounds, gun wounds, whip wounds ...

Not a single piece of skin was spared.

Shangguan shixiu groaned in pain.

Cold sweat broke out on his face, which was blue from the excessive blood loss. His handsome face was filled with pain.

The room was filled with the smell of blood.

He seemed to be mumbling something, but it was unclear.

Lin Hanxing tried to pull out his wrist again, but it was obviously in vain.

Her expression was ugly.

Suddenly.

Shangguan shixiu opened his eyes in confusion.

There was no focus.

And that feminine face that was enough to seduce one's soul was blooming with a defenseless smile like a newborn baby.

His breathing became rapid.

"Holy hand!"

Lin Hanxing's heart skipped a beat. Could this be the final radiance of the setting sun?

The sacred hand came in quickly, holding some bottles and jars in his hand.

He glanced at Shangguan shixiu, his expression grave.

little Xingxing, I'm going to concoct the antidote now. Take the scalpel I gave you just now and help me cut off all the rotten flesh around Shangguan's wound! Ignoring everything else, sacred hands spoke directly.

"Anesthetic?"

Lin Hanxing's other wrist was still held by Shangguan shixiu, so he could only move one hand flexibly.

I want to observe his reaction, so I can't apply any anesthetic.

Lin Hanxing did not hesitate when he heard sacred hands' words. He focused his expression and began to cut the rotten meat according to sacred hands' instructions.

Blood kept flowing out.

At first, it was the stinky Black Green.

Shangguan shixiu's entire body began to tremble violently.

"Hurry up, there's at most 20 minutes left!"

If he couldn't deal with everything in twenty minutes, Shangguan shixiu would die.

Lin Hanxing's legs were pressed against the bed, his face tensed up as he raised the knife.

He cut off pieces of rotten meat.

"The blood has already turned red."

The blood that gushed out had turned from black to red, which meant that the rotten parts were almost done.

Shangguan shixiu was still mumbling something.

But this time, the voice was a little louder.

The divine Doctor, who had prepared the medicine, was closer to Shangguan shixiu, so he heard it as soon as he leaned over.

"Nine ..."

"Little Jiu ..."

Sacred hands 'hand trembled as he held the medicine. He raised his head and looked at Lin Hanxing.

He didn't hear it wrong, right?

Did Shangguan shixiu call him little Jiu? Lin xiaojiu?

Little Star?

Chapter 915: Would he be killed to keep his mouth shut?

Lin Hanxing raised her eyebrows and looked back when she felt the strange look in sacred hands 'eyes.

"What's the problem?"

Because of the distance, she couldn't hear what Shangguan shixiu said.

Sacred hands shook his head.

Cold sweat broke out on his forehead.

He seemed to have found out an incredible secret.

Why did Shangguan shixiu mention little Xingxing's name?

Ray's face was so ugly just now. Did he know something?

He had heard from his big brother that Shangguan shixiu had been looking for someone all these years. Except for the fact that the person was a woman, everything else about him was as mysterious as could be.

Could it be ...

Sacred hands 'hand, which was holding the potion, could not help but tremble.

Was the person Shangguan shixiu had been looking for all these years little Xingxing?

Sacred hands was completely frightened by his own thought.

“Part of the antidote needs to be injected, and the other part ... Needs to be poured into his mouth.”

Sacred hands quickly changed the topic.

Would he be killed?

“You inject it, I’ll do it!”

“F * ck, don’t!”

When he heard Lin Hanxing say that he was going to feed Shangguan shixiu the medicine, for some reason, the scene of the female lead in the TV series feeding the medicine by mouth appeared in sacred hands ‘mind. This was simply too terrifying!

Ray was not here, but if he was here ...

He might have to give up his little life today!

Lin Hanxing looked at sacred hands in confusion.

She only felt that his emotional ups and downs today seemed to be a little too big.

Without a word, sacred hands hurriedly injected the medicine into Shangguan shixiu’s mouth. Then, he held the small bowl and tried to pry open Shangguan shixiu’s mouth with all his might. However, no matter how many times he tried, this guy’s mouth was like a clamshell, so tight that he couldn’t get in!

He was so anxious that he was sweating.

Lin Hanxing stood at the side and looked at him coldly. He was the one who said that he did not need help.

But ...

He couldn’t help but think of the expression on Thunder valiant beast’s face when he left.

Her eyes swept over Shangguan shixiu’s hand, which was still holding her wrist tightly, and she frowned slightly.

Ah Xiao’s expression ...

She was very concerned.

After two more attempts, sacred hands gave up completely.

She looked at Lin Hanxing’s face in despair. If it was her ...

“Little Star.”

Sacred hands swallowed his saliva and waved at Lin Hanxing.

“You do it.”

He continued to wave.

"If you have something to say, just say it. Don't beat around the bush."

Lin Hanxing's delicate little face was expressionless as she looked at the guilty-looking sacred hands.

"Come over and say something to Shangguan shixiu."

"....."

Lin Hanxing looked at him.

"Can you repeat that?"

Lin Hanxing was so angry that he almost laughed.

"Come over and say something in his ear. Make him open his mouth."

"Do you think I'm a fool? My words are of use?"

Sacred hands nodded.

When he met Lin Hanxing's sharp eyes, he instantly felt that something was wrong and quickly shook his head.

"You try! I really don't have any other way!"

Unfortunately, this medicine had to be administered orally for it to be effective. Otherwise, Shangguan shixiu would still be dead.

Lin Hanxing was expressionless.

The more she looked at him, the more sacred hands felt guilty.

He subconsciously looked away.

He didn't want to either!

Ray, that domineering and possessive maniac, would really kill him if he knew!

Just as he was thinking about this, he heard a cold click!

Sacred hands looked up.

Dumbfounded, he just happened to see Lin Hanxing remove Shangguan shixiu's jaw with one hand.

"Pour it in,"

Lin Hanxing said coldly.

"....."

His sacred hand was numb as he poured the medicine in.

He had never thought that there would be such a move.

There was another click.

Lin Hanxing put Shangguan shixiu's chin back in place.

Chapter 916: The grass Dragonfly

Underground parking.

By the time Yan beixiao drove over, Lei Xiao had already brought Shangguan shixiu's men to control the situation.

"Where's little Hanxing?"

Yan beixiao knew the severity of the situation when he received the call. He did not even have time to put on his suit before he drove over.

Thunder valiant beast glanced at him.

The yin Chi enveloped his entire body, and even the surrounding air froze with him.

"You didn't leave little Hanxing with Shangguan?"

Yan Beichen had his hands on his hips, his ash-gray shirt making his handsome face look even more defined.

This time, he knew the answer even without the Thunder valiant beast's answer.

"F * ck, are you crazy?"

"How are Shangguan shixiu's injuries?"

Shangguan shixiu represented the Shangguan family.

It was very likely that there was a competition between several forces, so they had to be on guard in advance.

Lei Xiao briefly told him about Shangguan shixiu's injuries.

"You're saying that he held little Hanxing's hand before he fainted?"

Although Yan beiming did not want to add fuel to the fire, ah Xiao was a little too ...

How should he put it?

Yan beiming raised his head to look at Lei Xiao's expressionless face.

He was more worried about whether he would fall into a gloomy mood again ...

.....

The poison in Shangguan shixiu's body had been cured, but ...

The Holy hand earnestly stitched the terrible wound on Shangguan shixiu's abdomen.

From time to time, he would glance at Lin Hanxing, who was sitting beside him.

What was she holding in her hand?

A Dragonfly?

“You and Shangguan shixiu ...”

Sacred hands spoke hesitantly as he stitched the wound.

Lin Hanxing raised his head and looked at him indifferently.

There was no emotion on Lin Hanxing’s delicate little face. Even sacred hands could not figure out what Lin Hanxing was thinking.

He opened his mouth a few times, but he didn’t know what to say.

He simply gave up.

Lin Hanxing continued to play with the grass-woven Dragonfly.

She seemed to have remembered who Shangguan shixiu was.

However, at that time, he was not called by this name.

Even if he recalled it, it did not mean anything special to Lin Hanxing.

Ah Xiao ...

Lin Hanxing’s eyes narrowed.

“What should we do with this hand?”

Holy hands looked helplessly at Shangguan shixiu, who was holding Lin Hanxing’s wrist tightly. Just now, he had used acupuncture to stimulate the acupoints, but it had been useless.

The Shangguan family’s members had received extraordinary training since they were young.

It was no wonder that even little Hanxing couldn’t do anything.

“How would I know?”

She had even tried the extreme method of dislocating Shangguan shixiu’s wrist joint, but it had been useless.

with this wound, Shangguan shixiu will definitely have a fever, and he won’t be able to let you go. Are you going to stay here tonight? ”

Sacred hands could only hope that Thunder valiant beast would return soon.

“Little Jiu ...”

Lying on the bed, Shangguan shixiu’s face was as pale as paper.

He muttered.

“What did he start mumbling about?”

Lin Hanxing felt as if he had saliva in his mouth and could not hear him clearly.

Sacred hands laughed dryly.

Ha, ha, ha, unless he wanted to die, he would not say that Shangguan shixiu was talking about her in front of little Xingxing!

Lin Hanxing had never been so frustrated in so many years.

And Shangguan shixiu’s hand on her wrist was getting hotter and hotter.

It was obvious that he had a fever.

Sacred hands sighed in his heart.

This Shangguan shixiu, of all people, he had to find little Xingxing.

Lei Xiao held it in his hands for fear of losing it, how could a treasure that was afraid of melting in his mouth be coveted by others?

But this Shangguan shixiu was also a tough nut to crack.

Sacred hands had known Shangguan shixiu for many years. Although he looked like a beautiful man, how could a killing tool refined by the Shangguan family be ordinary?

Chapter 917: Shangguan shixiu

When Shangguan shixiu was 12 years old, the enemy of the Shangguan family launched an assassination on the management level and above of the Shangguan family.

For a time, there was a storm of blood and everyone was in a state of panic.

This situation was completely broken after the Shangguan family’s head was betrayed by an internal traitor and was controlled.

Before that, the head of the Shangguan family had adopted five boys.

Only Shangguan shixiu was the most incomprehensible.

His appearance was the most handsome among the five of them. He was outrageously beautiful, had a cold and unsociable personality, and even had a serious obsession with cleanliness.

He stood there without saying a word, making it impossible for others to see through him.

The bystanders couldn’t understand why Shangguan shixiu was the favorite child of the head of the Shangguan family.

Was it just because he was the first to be adopted?

But that day, Shangguan shixiu had used his cruelty and coldness to let them know the true answer!

He was only twelve years old, but with his amazing leadership ability, he caught the mole during the Shangguan family's internal strife. After being sentenced to death, he was hung at the Shangguan family's Gate to correct the public's view.

According to the memories of the people present that day.

Although it was known that the Shangguan family raised adopted children as killing machines, it was absolutely shocking to see a delicate and pretty boy issue an order of capital punishment in a cold and merciless tone.

Moreover, he had been sitting there and watching the execution with a blank expression the entire time.

Everyone knew how brutal the private punishment of the Shangguan family, which had lasted for a hundred years, was.

After finding the traitor, Shangguan shixiu disappeared for two whole days.

When he reappeared two days later, he had actually brought back the Shangguan clan's master, who had been controlled by the enemy clan.

That day, he was bathed in blood.

He had used his strength to prove Shangguan shixiu's true strength.

After this battle, no one dared to question his ability.

This was especially so when someone later recalled the whole incident carefully. They suddenly realized that among the five adopted children, only Shangguan shixiu's trusted aide didn't suffer any losses during the assassination operation against the Shangguan family.

No one had any doubts about this.

It was because Shangguan shixiu's trusted aides were really too self-disciplined.

They were so self-disciplined that it would take their enemies too much time to find their flaws, just like Shangguan shixiu.

He was originally the most anticipated successor to the new Godfather.

If it wasn't for that incident that happened later ...

And it was also at that time that Shangguan shixiu's body collapsed.

Sacred hands sighed in his heart.

This kind of Shangguan shixiu, against that kind of lightning ...

It was said that a Malaysian national treasure idol, Zhan Nanheng, had even named Little Star his first love ...

He spread his hands, sighed, and waved them.

Falling in love was indeed the most troublesome thing.

"He's running a fever,"

Lin Hanxing's cold voice suddenly rang out, pulling sacred hands back to reality.

"Ah?"

He didn't react for a moment.

"I said, he has a fever."

Lin Hanxing's body was covered in Shangguan shixiu's blood, and his fair little face was expressionless.

"....."

Sacred hands hurriedly went to prepare the medicine, hoping that the Thunder valiant beast would come back soon.

Should I ...

Give big brother a call?

.....

When Lei Xiao and Yan beiming returned, Lin Hanxing was leaning against the headboard, resting with his eyes closed.

Sacred hands was still busy.

Lin Hanxing opened his eyes almost at the same time as the door opened, and his sharp gaze fell on the man.

The moment she saw the Thunder valiant beast, her eyes softened!

"Why did you only come back now ..."

Lin Hanxing wanted to raise his hand to Lei Xiao for a hug, but he belatedly remembered that his other hand was still being held by Shangguan shixiu.

Chapter 918: Thunder Valiant's embrace

Yan beiming was a little dumbfounded.

Although he had heard Thunder owl mention it before, his heart still skipped a beat when he saw it with his own eyes.

Shangguan shixiu's hand was really tightly holding little Hanxing.

Furthermore ...

The blood on her body ...

Wasn't that a little too tragic?

The dark clouds that had accumulated in Lei Xiao's heart disappeared the moment he saw Lin Hanxing's aggrieved expression.

Her heart was so soft that it was a mess.

He walked over and held Lin Hanxing tightly in his arms with one hand, his chin resting on the top of her head.

"I'm sorry I'm late,"

His deep voice was apologetic, and Yan beixiao felt really bad hearing it.

No matter how strong ah Xiao was outside ...

His body was cold and tough, and he could only let down his guard in front of the little cold star.

Hearing his voice, Lin Hanxing buried his face in Lei Xiao's chest.

She wanted to go home.

Back to the Lei family.

They returned to their bedroom.

She wanted to kiss and hug him.

She only wanted to be with him.

"I can't."

She was so frustrated that she did not even have the time to care about Yan beiming.

"It's fine, it's fine."

Thunder valiant beast's large palm caressed her face.

There were still some blood stains on it from when he had helped Shangguan shixiu cut off the rotten flesh on his abdomen.

"Yan Beichen, help me get a towel."

Lei Xiao's voice was low, and his eyes were filled with an indescribable gentleness, which was unforgettable.

When Yan Beichen heard this, he quickly turned around to look for a towel.

She returned after a while.

"Here you go,"

Yan beixiao handed it to Lei Xiao, then turned to look at the unconscious Shangguan shixiu.

He was clearly running a fever.

His usually pale face was as red as a hot shrimp.

It made people unconsciously forget about Shangguan shixiu's bloody history, and they only felt that he was as weak as a sick girl.

Lei Xiao didn't even look at Shangguan shixiu. He only used a warm towel to wipe Lin Hanxing's palm-sized face.

He wiped the blood off.

Lin Hanxing sat obediently in the same place, his small hands clutching his shirt as if he was afraid that he would run away.

"I've wiped it clean."

As Thunder owl spoke, he used his thumb to brush across her little face.

Yan beiming felt that he was a little redundant standing there.

"This Shangguan shixiu won't die Here, will he?"

After clearing his throat, Yan beiming could not help but find a topic to break the awkwardness.

However, as soon as he finished speaking, he wanted to give himself a slap.

Why did he bring up the evildoer, Shangguan shixiu, out of the blue? did he not want to cause trouble for ah Xiao?

"Bullshit, can he die here with me around?"

The sacred hand, who had just come in from outside, slapped the back of Yan beiming's head.

"Then when will he wake up? Don't tell me that if he doesn't wake up, our little Hanxing will have to stay here with him for the rest of his life?"

Yan beiming was also a little annoyed.

The Thunder valiant beast turned around and glanced at him.

The meaning in his eyes was unclear.

There was no need to say anything else, and Yan beiming shut his mouth.

Lin Hanxing's brows never relaxed.

On the other hand, Lei Xiao stretched out his hand to smooth out the mark between her brows, then leaned over and kissed it.

Lin Hanxing's expression finally looked better.

But ...

She didn't know if it was an illusion, but Shangguan shixiu, who was holding her wrist, seemed to move a little.

Lin Hanxing's eyes suddenly became thoughtful.

“Sacred hands, Yan beiming, you two can leave first.”

Suddenly, Thunder valiant beast spoke.

Yan beixiao’s heart skipped a beat when he heard that.

Go out?

He didn’t hear wrong, did he?

“Ah Xiao, don’t be impulsive. Shangguan shixiu has a special identity ...”

Yan beiming was afraid that Lei Xiao would do something rash.

Lei Xiao raised his head and met Yan beiming’s eyes.

There was an indescribable calmness and coldness in his dark and deep pupils.

“Get out.”

The word “cold” was uttered very slowly by Lei Xiao.

It was very intimidating.

Chapter 919: You made her very uncomfortable

Yan beiming and sacred hands obediently rolled out of the room.

The moment the door closed from the outside, Yan Beichen’s face turned bitter, as if the sky was about to fall.

“What do you think will happen if ah Xiao kills Shangguan shixiu?”

Yan beiming tilted his head and looked at sacred hands.

“.....”

Sheng Shou’s face was green, not much better than Yan beixiao’s.

When he first came to the Thunder valiant beast’s side, he had really seen how he fought.

Although he seemed to be more restrained because of Little Star ...

But ...

Even if a wild beast hid its nature, he was still a wild beast!

“F * ck, where’s old Liang?”

Yan beiming felt that he should look for Liang yuran to discuss this issue.

If they really went up against the Shangguan family, how would they deal with the aftermath?

“.....”

“You’ve forgotten?”

The sacred hand sighed. Yan beiming finally remembered what kind of day it was yesterday for Liang yuran.

why are they so F * cking small-minded!!!!

Yan beixiao looked at the tightly shut door and could not help but ask.

“Do you have any corpse dissolving water?”

If Shangguan shixiu really died here, there would be no evidence.

However, all of Shangguan shixiu’s bodyguards knew that he was there!

“.....”

Holy hands rolled his eyes and didn’t want to talk to this idiot.

But ...

The Thunder valiant beast should know its limits, right?

As for the answer to this question ...

Only the person inside the door could answer.

.....

Lei Xiao held the back of Lin Hanxing’s head with one hand and pulled her into his arms.

“I want to go home.”

Only in front of Lei Xiao could Lin Hanxing truly let down his guard, and his eyes revealed his exhaustion.

“Don’t use too much force.”

Lei Xiao’s gaze swept over Lin Hanxing’s wrist, which was being tightly held by Shangguan shixiu. There was an obvious bruise there.

Even her thin fingers were slightly swollen from being like this for a long time.

“Good girl.”

Following the hand, Lei Xiao’s gaze fell on Shangguan shixiu’s face.

“Don’t listen.”

He stretched out his hands and covered Lin Hanxing’s small ears.

Lin Hanxing did not understand what was going on. Her long black eyelashes blinked lightly and she followed Lei Xiao’s instructions.

Suddenly.

The Thunder valiant beast lowered its body.

His thin lips came to Shangguan shixiu's ear, and he spoke in a voice that only the two of them could hear.

you and I both know that even if your body enters a dormant state, your will will definitely be able to sense the outside world! The Thunder valiant beast's voice was cold.

His voice was so cold that it seemed like a terrifying whirlwind was blowing wherever it reached!

"You can hear everything."

Shangguan shixiu, who was lying on the bed, didn't respond.

The Thunder valiant beast was not in a hurry.

His face was expressionless, and his eyes fell on Shangguan shixiu's face.

"You've made her very uncomfortable,"

He didn't say anything else, but Lei Xiao's simple seven words made Shangguan shixiu's eyelids Twitch.

Lei Xiao stood up and moved his hand away from Lin Hanxing's ear.

Lin Hanxing knew what he had said to Shangguan shixiu, but he didn't want him to hear it.

Just as Lei Xiao's hand moved away from Lin Hanxing's ear ...

Shangguan shixiu's hand, which had been holding Lin Hanxing's hand, gradually loosened.

Lin Hanxing's skin was originally thin and tender, and when Shangguan shixiu's hand fell powerlessly, the clear fingerprints and bruises on his wrist could be seen on it, which made people tremble with fear.

She subconsciously looked at Shangguan shixiu.

His big eyes were full of curiosity.

"Let's go home,"

Lei Xiao's cold thin lips curled up slightly, suppressing the evilness in his blood when his eyes fell on her wrist.

Chapter 920: 24K pure

Yan beixiao leaned sideways against the door and listened to the corner.

Although he knew that he couldn't hear anything, he still couldn't help it.

"If you have the ability to eavesdrop, then why don't you open the door?"

Even if Saint palm was also curious, he would definitely not show it!

"If I had the guts to open the door and still stand here ..."

As Yan beixiao spoke, he wanted to continue listening to the sounds from the corner of the wall. However, before he could even put his ear to it, the tightly shut door in front of him opened without him even noticing!

The F * ck?

Lei Xiao put his arm around Lin Hanxing's shoulder and dodged Yan beiming's attack nimbly.

A loud boom was heard ...

Just like that, Yan beiming was sprawled on the floor!

His expression remained in a state of shock, as he turned his head and looked at Thunder valiant beast with a dull expression.

you used to call me little Tian Tian, but now you're calling me Madam Niu. You're heartless, cold, and heartless!!!

"....."

"....."

Upon hearing this, holy hands could not help but want to cover his face and pretend not to know this guy.

F * ck, this is a lunatic.

24K's pure!

"Am I not your most beloved person? why aren't you saying anything ..."

Seeing that Lei Xiao and Lin Hanxing did not speak, Yan beiming started to sing with a pitiful look on his face!

"Shut up!"

Lei Xiao's low voice rang out, and Yan beiming shut his mouth obediently!

Sacred hands looked over their shoulders and saw the faint shadow in the room. He sighed in his heart.

"Little Hanxing, your hand ..."

Yan beiming heaved a sigh of relief in his heart after successfully easing the tense atmosphere. However, his eyes fell on Lin Hanxing's wrist.

It was such a clear bruise that anyone could see it!

How am I supposed to go home like this?

Those who didn't know would think that ah Luo had abused little Hanxing!

"My hand is fine."

Lin Hanxing moved his wrist joint. Fortunately, it only looked serious and did not hurt his muscles and bones.

“Ah Xiao, wait for me here.”

Lin Hanxing looked at the grass Dragonfly that he had unconsciously brought out. He thought for a moment and spoke.

Thunder owl did not say anything, but only let go of her arm.

Lin Hanxing turned around and went back to his room.

Yan beiming's eyes darted back and forth between Lin Hanxing and Lei Xiao.

Ah Xiao ...

Wasn't he acting a little too normal?

It was so normal that he felt that something was wrong.

As he thought about this, Yan beixiao looked at sacred hands and gave him a look.

Sacred hands pretended not to see it.

When he returned to his room, Lin Hanxing could smell the pungent smell of blood again.

She just looked at Shangguan shixiu.

He did not say anything.

Her long eyelashes were like feathers, and the people outside the door didn't know what she was thinking.

Suddenly, Lin Hanxing made a move.

She put the blood-stained grass Dragonfly back on the bedside table.

He straightened up.

Then, he turned around and walked out without looking back.

He returned to Thunder valiant beast's side.

Little Star, the thing you wanted.

Sacred hands handed her the things he had prepared.

“Thank you,” he said.

Lin Hanxing looked at the things neatly arranged in the paper bag and thanked sacred hands.

“Xi Bao ...”

Lin Hanxing originally wanted to say that if Jiang Xibao came back, he would let her go home directly.

But after thinking about it, he decided to tell her on WeChat later.

Anyway ...

He wouldn't be in any danger with Liang yuran.

"I've placed the ointment to dispel bruises on the top."

Sacred hands suddenly said.

His silver-gray hair made the expression on his handsome face seem profound.

"The blue box."

He especially emphasized!
