

Goodnight 921

Chapter 921: Why are you doing this?

Sacred hands watched them leave.

She turned around and entered the room, just in time to meet Shangguan shixiu's eyes.

His heart skipped a beat.

There was no joy or sorrow on her beautiful face, but it made sacred hands 'scalp tighten.

This was the real Shangguan shixiu.

Even when he was in danger, he still maintained absolute clarity.

Retracting his gaze, Shangguan shixiu played with the grass Dragonfly that Lin Hanxing had placed on the bed, not saying anything.

The sacred hand did not move for a long time.

His legs were as though nailed to the ground.

"That ..."

He seemed to want to say something, or at least break the awkward atmosphere.

"Come here."

No matter how weak Shangguan shixiu was, his deep and cold tone still carried a bone-deep dignity.

The body of a Holy hand was definitely more honest than the brain.

She quickly walked to the bed.

In front of Shangguan shixiu.

"She ..."

As soon as he started the conversation, Shangguan shixiu began to cough violently.

It was as if he was about to cough out his heart and lungs.

There was also the taste of blood in his mouth.

It even affected the wound on his abdomen, and the area wrapped in bandages was red again.

"Why do you have to do this?"

Sacred hands sighed. Although he didn't know what the story between Shangguan shixiu and Little Star was, his body was already broken, and it was not worth it to use such a method to get closer to Little Star.

As a result, his body was in even worse condition.

If it wasn't for his big brother, he really didn't want to get involved in this matter at all.

Shangguan shixiu coughed so hard that his whole body trembled, and his black jade-like hair covered his eyes.

He was surrounded by loneliness and desolation.

Sacred hands hurriedly gave him some medicine, for fear that Shangguan shixiu would cough to death.

After a round of torture.

Shangguan shixiu closed his eyes and let the sacred hands help him change the bandages.

The words that were about to come out of her mouth were swallowed back.

Ask what?

Ask her if she was doing well?

Or was she asking if Lei Xiao treated her well?

It was meaningless.

As for Shangguan shixiu, he didn't even have time to enjoy the joy of reuniting with his brother before he was ruthlessly doused by a basin of cold water.

The Thunder valiant beast ...

He was a Wolf that dominated the world!

"Call my people in."

After a long time, Shangguan shixiu spoke again.

This was the black market.

The black market naturally had its own rules.

Even the Shangguan family couldn't destroy it.

Therefore, even if they were worried, Shangguan shixiu's men couldn't break in without permission.

He knew that Lei Lin had let his men go before he left.

Sacred hands muttered in his heart.

Without saying anything else, he turned around and walked out, bringing in Shangguan shixiu's confidant, who had been waiting outside anxiously.

Uncle Liang, who had fought with Lin Hanxing before, took the lead.

Shangguan shixiu's eyes fell on uncle Liang.

He was deep in thought.

He suddenly recalled the trouble Yilu had caused.

Brother Xuxu, you don't know how cruel she is ...

The person that Yilu had met at the green vine Garden was little Jiu.

The person they met on the ramp at Red Bay was also little 9th.

She had even tormented uncle Liang so badly.

"Young master ..."

Looking at Shangguan shixiu's appearance, uncle Liang's heart ached to death.

Shangguan shixiu didn't speak.

However, a gentle smile appeared on her face.

When uncle Liang and his confidants saw Shangguan shixiu's smile, they couldn't help but look at each other.

What was young master laughing at?

"Young master, those assassins ..."

Uncle Liang asked tentatively.

Shangguan shixiu glanced at him, and uncle Liang's words were forced back into his mouth.

gather all the information I have on Lin xiaojiu ever since he returned to Jiang city as fast as possible.

Shangguan shixiu said in a deep voice.

Chapter 922: First return to Yujing garden

When uncle Liang heard this, he seemed to want to say something.

But when he thought of Shangguan shixiu's character, he didn't say those words.

However, he still felt indignant for Shangguan Yilu in his heart.

That Lin xiaojiu was the one who caused her mistress to be sent back to country M.

"Young master, there's one more thing ..." He said.

Although uncle Liang didn't want to disturb Shangguan shixiu at this time, he still ...

"Speak," he said.

Shangguan shixiu coldly said.

"The Lu family ..."

Uncle Liang gave a rough account of the matter. Old master Lu was inextricably linked to the Shangguan family, and he would know if there was any sign of trouble in the Lu family, not to mention such a big mistake.

Shangguan shixiu coughed twice.

The effect of the medicine was very good, and it suppressed most of the itchiness in his throat.

“Follow Thunder Valiant’s instructions.”

Shangguan shixiu was fiddling with the blood-stained grass Dragonfly, his beautiful face still red from the fever.

Lu yuzhi actually dared to come to him?

Hehe ...

He had thought that Lu Jiashu was smart and had turned a blind eye to the things he had done with Lu yuzhi all these years. However, he had never thought that Lu Jiashu was just muddleheaded in the end.

Since little 9th had taken a liking to Lu bingde ...

Shangguan shixiu’s eyes were filled with warmth.

He was willing to give her whatever she wanted.

What Lei Xiao could do, he, Shangguan shixiu, could also do.

then, tonight, Lu Jiashu ...

Uncle Liang asked tentatively.

“He’s just a useless person.”

Shangguan shixiu said coldly. There was no fluctuation in his voice, but it was cold and cruel ...

.....

Lin Hanxing looked at the sky that was getting dark.

He reached out and tugged at Lei Xiao’s sleeve.

Lei Xiao stopped in his tracks and looked at her.

“Let’s go back to Yujing garden first.”

Lin Hanxing did not even need to look in the mirror to imagine his own sorry state.

Not to mention, there was a strong smell of blood on his body.

She was afraid of scaring mother Lei.

Things were a little difficult to explain.

He might as well make it simple and hide it as much as he could.

“Then I’ll go back and cover for you.”

Yan beiming placed one hand on the car door. To be honest, little Hanxing’s current state was indeed a little pitiful.

If mother Lei were to see this, she would definitely cry her eyes out and call him 'little sweetheart'.

Only the heavens knew how much mother Lei wanted the little cold star.

With that, Yan beixiao got into his car and drove off.

The weather was a little cold.

He didn't have a down jacket to keep warm, and he couldn't test the air conditioner inside. However, the temperature difference was huge as soon as he came out.

As she was thinking, she was surrounded by warmth.

Lei Xiao took off his cashmere coat and covered Lin Hanxing with it.

He was already wearing thin clothes, and now Lin Hanxing looked even colder.

"You'll be cold."

Lin Hanxing looked at the White steam in Lei Xiao's breath and wanted to take it off without thinking.

"I'm not cold,"

In the cold wind, her slightly curled and soft long hair spread out in the air, and her small face was pink and white.

Lei Xiao's eyes were deep.

He reached out to hold her hand, and with their fingers intertwined, they walked toward the car.

The Thunder valiant beast's palm was huge.

Lin Hanxing's was very small.

The big hand held the small hand, and no one said a word.

Lin Hanxing felt that Lei Xiao's calmness after coming out was a little too much.

The two of them got into the car.

The Thunder valiant beast turned on the warm wind.

Lin Hanxing wanted to put on his seat belt but stopped when he saw the large bloodstains on his clothes.

He frowned.

In fact, it wasn't just on his body, but also on his hands.

"Hanxing,"

His deep voice was unspeakably hoarse.

"What?"

At that moment, Lin Hanxing's attention was still on the blood on his body, so he did not notice the tension in Lei Xiao's tone.

However, when the leather seat was flipped over without any warning, Lin Hanxing's body was already kissed by Lei Xiao in the blink of an eye!

Chapter 923: I'll bring you home

This kiss.

He was anxious and intense.

Lei Xiao cupped Lin Hanxing's face with both hands, forcing her to look him in the eyes.

At first, even their teeth were clattering together.

The dim light and shadow in the carriage were intertwined.

There was a muffled groan from the depths of his throat, dark and sexy.

He was panting.

Lin Hanxing's mind went blank as he allowed his long fingers to caress her scalp.

"Dirty ..."

She suddenly remembered that Shangguan shixiu's blood was still on her, and she struggled a little.

Unexpectedly, these words caused Lei Xiao's emotions to explode for the second time.

Lin Hanxing's waist was held tightly by him and he could not move. He felt like he was being swept away by a storm.

The Thunder valiant beast seemed to be trying to control the wild and turbulent energy in its body, for fear of scaring her.

However, after trying a few times, it all ended in failure.

He might as well break the pot.

His large palm lifted up her pink high-collared dress, as if he was going to help her take it off.

"Thunder valiant beast ..."

Lin Hanxing raised her head unconsciously, revealing the curve of her White Swan neck.

There were also light scars on it.

He knew that she was wearing a white silk camisole dress today.

The heater in the car was on.

It didn't make people feel cold at all.

Lin Hanxing's blood-stained dress was quickly taken off and thrown into the back seat. He was only wearing his shirt.

The car had a one-way X-ray film.

One couldn't see anything inside from the outside.

Lin Hanxing fell on the black leather seat, his soft, seaweed-like hair spread out under him.

Her ivory white skin was clear and shiny.

Her eyes were watery and alluring, and the small mole at the corner of her eye was charming.

She subconsciously wrapped her thin arms around herself.

There was a hint of innocence in her eyes.

"It's not dirty,"

Lei Xiao's thin lips pursed into a cold line, and as he spoke, he left a deep mark on her collarbone.

"There's a new shirt in the car, you can wear it first."

She probably didn't know how alluring she was right now.

The curve of her shoulders and neck was just right, and the fullness and softness under her collarbones were like water, making people unconsciously want to rub it.

Lei Xiao stretched out his hand and took the black shirt that he always kept in the car.

He put it on her.

Ah Xiao seemed to have returned to normal.

Lin Hanxing thought.

But was that really the case?

For a moment just now, she had clearly seen the intense and crazy ferocity in his eyes.

Lei Xiao carefully buttoned her up.

But even so, it could not hide the fact that Lin Hanxing looked like he had stolen an adult's clothes.

"Here."

Lin Hanxing extended the sleeve of his black shirt to Lei Xiao, but his eyes were observing him.

The man's eyes ...

There was a depressing haze.

Even though he had hidden himself well, Lin Hanxing, who had already gained a thorough understanding of Lei Xiao, could still detect him.

Lei Xiao silently rolled his sleeve up to her elbow bit by bit.

Her thin arms were revealed.

He suddenly stopped.

Lin Hanxing's wrist was held by Shangguan shixiu, and there was an obvious bruised fingerprint.

It was there.

Lin Hanxing followed Lei Xiao's gaze.

However, before she could speak, the man's large palm had already gently grasped it.

His fingers gently brushed against his skin.

"I'll take you home."

Said Lei Xiao.

These five simple words made Lin Hanxing's heart burn.

Her Mr. Tyrant said that he would take her home.

Even though there was still a hidden haze in his eyes.

"Alright," he said.

.....

Yujing garden.

Lin Hanxing, who had just taken a shower, stood in front of the mirror with a towel wrapped around him.

He reached out and wiped the mist off the mirror.

He revealed his reflection in the mirror.

With just one look, he couldn't help but laugh out loud.

Lin Hanxing reached out and touched her collarbone, where he had bitten her like a puppy in the car.

At this moment, it left behind dense traces.

He wondered if it was too late to accuse Thunder owl of 'domestic violence'.

Chapter 924: Do you want to go with me?

After coming out of the bathroom, Lei Xiao was on the balcony making a call.

Lin Hanxing, who had forgotten to bring a change of clothes, quickly went to bed and wrapped himself with a thin blanket.

Two thin white legs stretched out from below.

Her toes, which looked like jasmine petals, were left hanging outside.

When Lei Xiao walked in from outside, he saw Lin Hanxing wrapped in a thin blanket, with half of his shoulders and legs exposed.

He took out the blue box of bruise-removing ointment from Holy hand's paper bag.

Lu Jiashu called a bunch of rich Playboys to a bar tonight.

"Lu bingde too."

As soon as Lei Xiao finished speaking, Lin Hanxing tilted his head and smiled mysteriously.

However, his eyes were cold.

Her pink and white little face, which had just taken a shower, was full of traces of indifference.

He thought about it.

Lin Hanxing picked up his phone and dialed old Lu's number.

Without the slightest intention of avoiding Thunder valiant, he directly pressed the loudspeaker button.

The call was picked up quickly.

"You little girl, it's rare for you to call me."

Elder Lu's voice was deep and powerful.

Lin Hanxing could even imagine old master Lu's state on the other end of the phone through his voice.

"Old man, is there anyone with you?"

As soon as Lin Hanxing finished speaking, he heard old master Lu on the other end of the phone clearly taking his phone to another room.

The background noise instantly quieted down.

Lin Hanxing added before old master Lu could speak.

"What I'm going to say next, if you have any fast-acting cardiac pills on hand, please prepare them."

"....."

Lin Hanxing felt that it was better to be simple, violent, and direct.

"Just say it, I'm already mentally prepared."

Old master Lu's voice was low. He had clearly understood something from Lin Hanxing's tone.

"I told you the last time we met that someone wanted to cripple Lu bingde."

"And then?"

"Tonight, the Mantis is going to catch the cicada."

Lin Hanxing raised his head and met Lei Xiao's eyes. Only the two of them could understand the sarcasm in his voice.

"You mean to say ..."

On the other end of the line, old master Lu sat down on the Rosewood Chair in the study room with a thud.

"Although the palm and back of the hand are both meat, to the old master, there is always a trade-off."

"Little Lin, can you ..."

"I can't,"

Lin Hanxing sat on the edge of the bed with a thin blanket wrapped around him, a cold glint in his eyes.

She knew that her words were cruel.

However, Lu Jiashu was unrepentant again and again, and her patience was running out.

Since he was such a reckless person, Lin Hanxing might as well fulfill his wish.

Old master Lu fell into a long period of silence.

Lin Hanxing did not rush him.

After a long time.

"I know, I'll do as you say."

With that, old master Lu hung up the phone.

Lin Hanxing's shoulders and collarbones were exposed as he pulled the blanket over himself.

"Do you want to come with me?"

Lin Hanxing used his Jasmine-petal like toes to rub against Lei Xiao's calf.

She tilted her head and allowed her long hair to fall like a waterfall.

"Don't mess around,"

Lei Xiao reached out to hold her small ankle, and it was a delicate touch.

Lin Hanxing laughed and wanted to Dodge, but he only felt an itch.

in the eyes of those people, I'm doing whatever I want because I'm in your position ...

There was no emotion in his lazy voice.

However, Lei Xiao could hear the teasing in his voice.

"With ah Xiao as my backing, why don't I just play a little bigger?"

"Anyway ..."

Lin Hanxing stretched out his hand and pulled the defenseless Lei Xiao onto his body.

Fortunately, at the last second, Thunder valiant supported her body with both hands and stared straight at her.

Lin Hanxing smiled and wrapped his arms around his neck.

It was soft and fragrant.

“You will always protect me.”

He pecked at the corner of his mouth.

“Am I right?”

Chapter 925-desperate strike

On a Bar Street in Jiang city.

Because the festival was coming, it was bustling everywhere.

The nouveau riches that Lu Jiashu had invited were all those who were on good terms with him.

Although what happened before was true, Lu Jiashu was a very good person in the past.

Everyone’s relationship was bound to a common circle of interests.

Thus, even if they knew that it was impossible for him to take over the Lu family, they would not break off their relationship just like that.

Moreover ...

Who the hell was Lu bingde?

I invited my cousin here tonight because I hope that everyone can give me face and help him in the future.

Lu Jiashu leaned back on the sofa.

In the dark private room, her face was as pale as paper.

From time to time, he would shift his sitting position.

He seemed to be not feeling well.

“Help? You’re joking, right?”

The few brothers looked at each other, and the corners of their mouths revealed malicious smiles.

“With Lu bingde’s character, the Lu family will be completely finished in his hands!”

“I don’t know what’s wrong with this young master Lei ...”

Before he could finish, he was elbowed.

He gave the person who spoke a look to the corner.

In the corner, Yuan hou, who had been dragged over by his friend, was drinking whiskey as if he had not heard anything.

He wondered who had invited this ancestor over.

Who did not know that he had an extremely good relationship with Yan beiming?

“Don’t worry, when that cousin of yours comes, we’ll definitely ‘entertain’ him well!”

The person who spoke patted his pocket.

There seemed to be something inside.

Lu Jiashu did not say anything.

However, Yuan hou, who was sitting there drinking wine, sneered in his heart.

It looked like Lu Jiashu was going to go all in and make a ruthless move.

Just as she was thinking about this, the door of the private room was pushed open from outside.

Lu bingde was here.

.....

Lin Hanxing walked out of the cloakroom with his head tilted as he hung his earrings.

Lei Xiao, who was standing in front of the floor-to-ceiling window, turned around.

She walked towards him from afar.

Her waist-length hair was soft and slightly curled like clouds, and she was wearing the simplest white shirt with a pair of black slim pipe pants. Her small earlobes were decorated with long diamond ornaments, which made a fine sound when she walked.

The wound on his neck was wrapped by a thin dark green silk scarf.

As for the ten-inch black high heels on her feet, they made her look even more impressive!

It completely revealed the cold and hard side in his bones!

“Nice?”

Lin Hanxing quickly walked up to Lei Xiao.

Two figures were reflected in the floor-to-ceiling window.

Lei Xiao raised his head and brushed his finger across her unstained lips.

It was soft.

It felt like jelly.

“It’s nice.”

Lin Hanxing's long eyelashes fluttered, her porcelain-white face was cold.

He reached out and pinched the Thunder valiant beast's chin.

"What a sweet mouth."

When he opened his palm.

There was a limited edition lipsticks inside.

"Do you want to try?"

The corners of Lin Hanxing's lips curved up slightly, and his eyes were bright and beautiful.

Thunder owl took it.

His slender fingers twisted out the fiery red.

Lin Hanxing, who was wearing ten-inch high heels, did not need to tiptoe. He raised his head slightly, revealing his delicate lips.

The Thunder valiant beast's movements were stiff.

But his expression was serious.

The two of them were dressed in black.

Such a cold color made them look like a couple.

A fiery red slowly spread across her pale lips.

It also made Lin Hanxing's delicate features light up.

"Right, there's something I need to tell you."

As if he suddenly thought of something, Lin Hanxing stretched out his hand and slid it across Lei Xiao's chest.

are you interested in taking over the Jiangcheng sea bridge project? "

It was as if she was simply discussing the weather with him.

Chapter 926: I want to give you the best

Lei Xiao looked at her with a deep gaze.

Lin Hanxing did not hide his smile.

they taught me that the most painful thing in the world is to have something and then lose it.

She raised her hand and gently stroked Lei Xiao's hard hair.

His tone was soft.

Although he was smiling, a deadly coldness flashed through his eyes.

The Jiangcheng sea bridge project itself had no problems. If it was done well, it could even bring good fortune to future generations.

To be honest, Lin Hanxing did some research in the early stages.

There were many families in Jiang city that were qualified to take over this project.

However, only the Lei family could guarantee that they wouldn't cut corners and that they had a clear conscience.

Moreover ...

Lin Hanxing looked at Lei Xiao.

There was something that she was too embarrassed to say in front of him.

I want to give you the best.

Suddenly, Lei Xiao sighed and reached out to pull her into his arms.

Lin Hanxing quickly pursed his lips, afraid that the lipstick would stick to his body.

"You don't need anything. I don't know what to give you."

Thunder valiant beast had once seriously considered this question.

The things that a normal man and woman would do during a relationship were the opposite when it came to them.

The one who said he wanted to be her sugar daddy was Hanxing.

The person who gave her pocket money was also Hanxing.

Even if he wanted to give her something ...

She didn't lack anything.

He didn't know where to start.

Lin Hanxing did not expect Lei Xiao to say that. He was stunned at first, but then he laughed.

"Do you care about such things?"

She didn't have much experience and only wanted to give him the best based on her feelings.

However, she had forgotten if ah Xiao would care about this.

"I only care that I won't be good enough."

Lei Xiao was serious when he said this.

He didn't know what good points he had that attracted Hanxing.

He was worried about gains and losses.

In the past, there was his childhood sweetheart, Zhan Nanheng, and now, there was Shangguan shixiu, who he swore to never let go of.

The Thunder valiant beast didn't know what advantages it had.

Other than making money ...

But ...

She didn't lack money.

"Didn't you already give me the best?"

Lin Hanxing smiled, softening the coldness between his brows.

"What?"

Lei min let go of her hand and looked down at her with suspicion in his eyes.

Lin Hanxing took two steps back in his high heels.

"Thunder valiant beast, there's no need to doubt yourself."

She opened her thin arms at him.

"You are the best gift in my life."

It was you who made me understand.

There was really a kind of feeling in this world that one could trust completely.

There was no need to worry.

There was no need to be afraid.

For you, I'm willing to overcome all obstacles.

He pressed forward with an indomitable will.

The Thunder valiant beast's cold heart trembled uncontrollably.

"I ..."

He seemed to want to say something, but the words were stuck in his throat, and he only felt his heart burning.

"Aren't you going to Come and Hug Me?"

Lin Hanxing's wrist trembled slightly, and even the broken diamond bracelet that Lei Qian had given him earlier trembled slightly.

There was a faint sound.

"Ah Xiao ..."

Lin Hanxing's personality had always been one that hated to drag things out.

This was the most similar to aunt Mian.

Her view on love was very simple, and that was to never be a woman who clung to others like a silk flower.

Love is love.

It was like fire.

Acting coquettishly, feeling wronged, jealous ...

Before he met the Thunder valiant beast, he had never expressed his emotions to others.

Lei Xiao walked towards Lin Hanxing.

He suddenly reached out and pulled her into his arms even more tightly.

With a suffocating force.

Lin Hanxing smiled and patted his back.

"I will protect you."

Lin Hanxing said softly.

"I will also never leave you."

No matter who it was.

Regardless of ...

Someone wanted to separate them.

She would not let him off!

"Ah Xiao ..."

Lin Hanxing smiled and lifted his little finger, shaking it.

"Yes."

After a long time, Thunder Valiant's deep voice finally sounded.

Chapter 927: Be used by her unconditionally

In the hotel's Presidential Suite.

Shangguan shixiu's wound had been rebandaged.

He stood in front of the floor-to-ceiling window with a blank expression.

If it wasn't for his face that was as pale as paper, no one would be able to tell that he was injured.

The invitation to the Lin family's banquet tomorrow night was still in her hand.

“Young master.”

Uncle Liang had just come in and saw him drinking hard liquor.

“Did Lu Jiashu call you?”

With his back to uncle Liang, Shangguan shixiu’s question was extremely cold.

His handsome and feminine face was reflected in the French window.

“I did, but I didn’t pick up.”

Uncle Liang answered honestly.

“Fight back.”

Shangguan shixiu took another sip of the strong wine that burned his throat.

“This ...”

For a moment, uncle Liang couldn’t figure out his intentions.

As if sensing his confusion, Shangguan shixiu slowly turned around with the glass in his hand.

“Send our men in. If little Jiu appears ...”

He tightened his grip on the glass.

“I’ll be used by her unconditionally.”

Uncle Liang was shocked.

The meaning of these words was too heavy. Did he know what he had just said?

“Who dares to hurt her ...”

Shangguan shixiu said coldly.

“Whose life do I want?”

Uncle Liang was speechless.

After a long while, he unwillingly agreed.

young master, they called to urge you to hurry to country G.

Uncle Liang didn’t forget the most important thing.

Shangguan shixiu didn’t answer, but his eyes were fixed on the invitation letter on the small bar.

After a long time.

He pressed the glass cup on top of it.

“I know.”

.....

The black Bugatti slowly drove into a bar Street.

Colorful neon lights illuminated the entire black market. Many things that could not see the light during the day were gathered here.

Lin Hanxing was resting with his eyes closed in the passenger seat.

Her fingers tapped on the edge of the car window rhythmically, and the flickering light made her feel cold and cruel.

It was more like when he was in Mengsong.

Soon, they arrived at their destination.

As soon as Lin Hanxing got out of the car, someone came up to him in the dark.

Half of them were her people.

The other half were Thunder Valiant's men.

They were all dressed in black and had black faces. Their bodies were muscular and one could tell that they were trained.

In the cold wind, Lin Hanxing's Black cashmere coat revealed her strong aura. Her ivory-white face was expressionless, and her hands were in her pockets as she waited for Lei Xiao to park the car.

Soon, someone came out of the bar.

Bai Xi walked out in a fiery red fishtail dress, her long wavy hair hanging behind her.

The people at the door saluted her.

She was calling out to Bai Xi.

"Ninth young lady."

Bai Xi's eyes, which were covered in smokey makeup, were cold, and there was a hint of fatigue in them.

"Are they all inside?"

Lin Hanxing knew that she was upset, so he softened his tone.

"Yes, they're all inside."

about ten minutes ago, a group of people suddenly appeared. I suspect that Lu Jiashu was afraid that Lu Bingde would run away.

Bai Xi's eyes were cold, and even the words she said were icy.

The next moment, Lin Hanxing placed his hand on her shoulder.

wait a little longer. I'll be able to do what I promised you very soon.

Bai Xi was stunned at first.

His tense body slowly relaxed.

"I know, ninth young lady always does what she says."

A hint of weakness flashed through his eyes, but he hid it again when Thunder valiant walked over.

"Mr. Ley."

Bai Xi said respectfully.

The man in front of her was as Supreme as she remembered, and she had to bow down to him.

However, Lin Hanxing's presence dispelled the bone-chilling sense of foreboding that he felt.

Lei Xiao glanced at Bai Xi.

It was a response.

"Let's go," he said.

Lei Xiao and Lin Hanxing's men stood behind the two and followed them into the bar.

Chapter 928: Which blind dog thing

The bar was bustling with activity.

Bai Xi walked in front, her red fishtail dress showing off her charm.

The people passing by all called her sister Bai Xi.

When his gaze fell behind her, although he could not see the man and woman's faces clearly in the light spots, their powerful aura was not to be underestimated. They did not even dare to get close and took a detour to leave.

Everyone's gazes unconsciously turned to this group of people.

Even the air seemed to freeze slightly.

Lin Hanxing's face was expressionless as he walked towards the private room in his ten-inch high heels.

Lei Chen was by her side.

His tie had been taken away long before he came, and his chest was exposed at the collar of his black shirt.

He was strong and powerful.

However, it was hard to hide the words on his cold face.

Strangers should not come close.

"This is the place."

Soon, Bai Xi stopped.

Lin Hanxing looked at the door of the private room and turned his cold eyes to his men behind him. Before he said anything, they had already consciously guarded the door, blocking all the exits.

“Open the door,”

.....

As soon as Lu bingde entered the private room, he was already drunk.

If Bai Xi hadn't given him The Hangover medicine in advance, he might not have been able to survive this wave of attacks.

After going through so many things, Lu bingde was no longer the kind of person who was completely defenseless and unsuspecting. His eyes fell on Lu Jiashu from time to time. Cousin, he ...

Yuan hou, who was sitting in the corner, looked at the drinking posture and frowned slightly.

His intuition told him ...

Things didn't seem right.

He continued to drink without a sound and observed his surroundings carefully from the corner of his eye.

Sure enough.

In the dark, someone was sprinkling some white powder into the wine cup that was about to be handed to Lu bingde.

He swiped his little finger back and forth in the wine a few times.

The corners of his mouth revealed a malicious smile.

“Lu bingde, after this toast, we'll be brothers from now on!”

Yuan hou swore that he had definitely seen Lu Jiashu.

The sinister look in her eyes made him, a man, tremble in fear.

Just when he was hesitating whether to warn Lu bingde, the door of the private room was pushed open from the outside!

The sound of the violent collision gave everyone a fright!

Everyone looked towards the door of the private room!

“Which blind dog ...”

Before he could finish his words, the man who had opened his mouth was kicked in the chest. His whole body was in a parabolic arc, and finally fell to the ground with a loud bang. After vomiting a mouthful of blood, he could not get up for a long time!

Lin Hanxing walked in unhurriedly.

He had already handed his black cashmere coat to his subordinates when he came in.

The Thunder valiant beast followed closely.

There was no joy or anger on his expressionless face, but it gave people a sense of oppression that could not be described with words.

Bai Xi was the last to enter.

Lin Hanxing's eyes scanned the room and finally landed on Yuan hou's face.

She obviously didn't expect to see him here.

He raised his eyebrows slightly.

"Miss Lin, Mr. Lei."

Yuan hou didn't want the other party to misunderstand anything. After all, he only had one life.

"....."

"....."

No one in the private room dared to speak when they heard these two titles.

Only The Sound of Music filled the air.

Lin Hanxing nodded at Yuan hou and walked to the sound system in her high heels. She nimbly pulled the input and output cables from the back, and the music stopped abruptly!

In the flickering light, Lu Jiashu's dark eyes were fixed on Lin Hanxing's face.

It was her again!

Hehe, did she think that he would be afraid of her this time?

Unfortunately, he was with the Shangguan family, and they would be responsible for protecting him!

At the same time, he would let everyone see who the true successor of the Lu family was!

Lei Xiao's line of sight swept over to Lu Jiashu.

Chapter 929: Let him drink it

His eyes were cold as if he could see through everything.

He didn't say a word, but he had already deeply intimidated this group of hedonistic sons.

Lu bingde sat in the middle.

When Bai Xi had fed him The Hangover medicine earlier, he had already vaguely sensed something.

When he saw Lin Hanxing and Lei Xiao appear together, his heart skipped a beat.

Being stared at by the Thunder valiant beast, Lu Jiashu's body instinctively felt a sense of fear.

He would never be able to forget the humiliation that had happened to him, and even that place began to hurt as if it was being torn apart.

The more he thought about it, the darker his eyes became.

A strange atmosphere was gathering in the air.

Lin Hanxing, on the other hand, focused his attention on Yuan hou.

He was using his smoking hand to hint at something.

It seemed ...

A nine?

Nine ...

Wine?

Lin Hanxing suddenly snapped his fingers.

The door of the private room was closed from the outside!

“Who told you to drink just now?”

Lin Hanxing looked at Lu bingde, his dark eyes full of indifference.

Bai Xi moved a chair over for her.

Lin Hanxing sat lazily with his hands casually placed on his sides, which shocked everyone.

Although Lu bingde had been forced to drink alcohol-dispelling drugs by Bai Xi, his handsome face was still flushed red and his eyes were as bright as a Wolf's dog. When he heard Lin Hanxing's words, he pointed directly at the person who had just spoken.

“So it's young master han.”

As he spoke, Lin Hanxing pointed in his direction.

Bai Xi sneered and walked towards him.

She was born beautiful, and her fiery red dress dazzled the eyes of others.

A fragrant wind floated.

Bai Xi took the wine glass from the man's hand.

Bai Xi returned to Lin Hanxing's side and handed her a glass of wine.

Lin Hanxing took it, shook it gently, put it under his nose and sniffed, a mocking look in his eyes.

Yuan hou took a puff of his cigarette.

The next second, Lin Hanxing's gaze turned to him.

She extended the wine glass to Yuan hou, and the latter blankly pressed the half-smoked cigarette in his hand into the amber liquid.

There was a Chila sound.

There was smoke floating on the top.

Only then did Yuan hou realize what he had done, and he instantly sucked in a cold breath.

"I only have one question for you. What did you put in the wine?"

Lin Hanxing said this unhurriedly.

Her long eyelashes fluttered slightly, but the corners of her eyebrows and the tip of her eyes were cold.

The air was dead silent.

"You won't say?"

Even though no one answered her, Lin Hanxing wasn't annoyed at all. He raised his voice and handed the wine to the man closest to Bai Xi.

The latter was expressionless and quickly walked to Han Li's side.

"Let him drink it."

Thunder owl's voice was cold and emotionless.

"I'm from the Han family!"

The other party immediately started howling.

Lin Hanxing's fingers fiddled with it casually, and the corners of his mouth curled up in deep mockery.

He raised his head and met Lu Jiashu's eyes.

"The same trick, if one or two times isn't enough, you still want to play it a third time?"

As soon as Lin Hanxing finished speaking, Lu bingde raised his head and looked at his cousin, Lu Jiashu!

On the other side, young master Han's mouth was forced open with a low scream. The strong liquor with the cigarette butt entered his throat without giving him any time to react, and the sound of vomiting filled the room.

The hedonistic son of a rich family who was used to being high and mighty didn't even dare to make a sound.

"Jiashu ..."

Lu bingde recalled the first time he had met that nurse in the hospital. Someone had given her 100000 Yuan to inject the shot of an immune suppression agent to prevent the wound from healing into his body!

And then, in order to make him addicted to it, she had added some extra cigarettes ...

"It's you?"

Lu Bingde felt his entire body turn cold.

"No, that's impossible. You must be mistaken."

Lu Bingde stood up abruptly, his emotions stirred!

Chapter 930: Why do people always like to act smart?

Even though Lu Bingde was questioning him, Lin Hanxing's face showed no signs of happiness or anger.

"Lu Bingde, don't be so ungrateful."

Bai Xi shouted angrily.

If it wasn't for the ninth young lady, he would have died countless times!

Lin Hanxing reached out to block Bai Xi.

In fact, when she looked at Lu Bingde now, it was as if she was looking at herself when she found out that she was about to be sold.

She didn't want to believe it.

He tried to find thousands of reasons for them to shirk their responsibilities.

"Did I make a mistake?"

Lin Hanxing said indifferently.

He knew that it was cruel, but he still decided to tear down the last piece of cloth that blocked the relationship between the two cousins.

"Bai Xi, go."

She smiled, but it sent chills down one's spine.

Bai Xi led the people behind him and walked towards the young masters. No one dared to say no.

Very quickly, she had those people throw the things they found on the table.

"Lu Bingde, open your eyes wide and see what these are!"

Yuan Hou was the first to see it clearly.

After a brief moment of shock, his playful expression instantly disappeared and his expression turned serious.

Needles, tin foil, aluminum foil, white powder ...

Anyone could understand what these things were for at a glance!

"Jiashu, we're brothers!"

“You’re trying to lure me into sucking ...”

He couldn’t bring himself to say the last word.

Lu Bingde looked at the items in front of him in disbelief. His eyes were filled with shock!

“Brother?”

Lu Jiashu acted as if he had heard a funny joke.

His lips curled into a cold smile.

It’s a pity that I don’t understand what you’re talking about. None of this is mine, and it has nothing to do with me.

Lu Jiashu shrugged his shoulders.

He looked like a dead pig that was not afraid of boiling water.

His attitude made Bai Xi want to go up and slap him.

On the contrary, Lin Hanxing’s expression was still unreadable.

“Ah Xiao, why do people always like to act smart?”

Lin Hanxing had been sighing in his heart ever since he returned to Jiang city.

She looked around her.

He took in the expressions of everyone in the private room.

When Lei Xiao heard Lin Hanxing’s words, his thin lips curved into a mocking smile.

“Because they don’t know their place.”

All of a sudden, intense, fast-tempo music started playing, causing everyone to shiver unconsciously.

Young master Han, who had just been forced to drink the strong liquor that had been spiked, reflexively writhed about, unable to control himself.

It was as if he had gone crazy.

“Bring the person in.”

Lin Hanxing smiled and shook his head. It seemed that Lu Jiashu would not give up until he reached the Yellow River.

She turned the decorative ring in her hand indifferently.

As her long eyelashes fluttered, she hid the coldness in her eyes.

Soon, a man with a single-lens reflex camera hanging on his chest was tied up and thrown to the floor.

There was a loud bang.

Lu Jiashu’s cheeky smile froze for a moment.

why is the time Ming newspaper's press conference that specializes in social news here? ”

Lin Hanxing's voice was calm. Even though the room was still playing the fast-paced music, her voice was still very penetrating and resounded in everyone's ears.

A reporter?

What was going on?

Why were there reporters?

Lu Jiashu, can you explain this clearly in front of so many of your 'brothers'? ”

Lin Hanxing cupped his cheek with one hand.

Her cloud-like hair fell down like that, and there was a languidness between her brows.

Everyone's eyes suddenly turned to Lu Jiashu.

His eyes were full of inquiry.

Even someone as smart as Yuan hou couldn't understand what this meant.

But his intuition told him.

It was a deep pit.
