

Goodnight 931

Chapter 931: He had set up everyone to come in

The social media reporter, who was tied up, struggled like a meat worm.

The blocked mouth made a whimpering sound.

young master han, young master Lu, young master Qin ...

Lin Hanxing's slender fingers pointed upwards, and with her slight movements, she clearly pointed out the identity of everyone present.

His voice was neither fast nor slow.

But it was enough for everyone to listen carefully.

She actually knew the identity of everyone present?

Realizing this, Yuan hou turned to look at Lin Hanxing.

Did young master Lei Xiao investigate it?

Yingluo, listen to me, little Hanxing is not someone you can afford to offend.

Yingluo, let me put it this way. No one who has ever gone against little Hanxing has a good end.

Yan Beichen's words rang in her ears again.

In fact, after the incident with Zhao Dongyang and han mingmei, Yuan hou had vaguely sensed that Lin xiaojiu was not an ordinary person.

When she was facing anyone ...

There was no respect or fear in their eyes!

That kind of confidence that came from the bones was not something that anyone could give.

"You are the only exception."

Finally, Lin Hanxing touched Yuan hou's body with his finger.

"Me?"

Yuan hou pointed at himself.

"Yes, you."

Lin Hanxing smiled faintly. He didn't want to explain to Yuan hou immediately.

"He set all of you up."

As soon as he finished speaking, the gazes of those rich Playboys became meaningful.

Lu Jiashu's hidden joints were slightly white.

"What do you mean by that?"

One of them said in a low voice, his expression dark and gloomy.

"Except for Yuan hou and Lu bingde, you are all drug addicts."

Lin Hanxing said this in a neutral tone.

Not to mention Yuan hou, even Bai Xi looked at the group of people in front of him in shock.

Miss Jiu said that they were all drug addicts?

Lu bingde's eyes widened in shock. He looked at the people around him and finally fixed his gaze on Lu Jiashu.

"What did you just say? Can you repeat that?"

Lu Jiashu squinted his eyes and stared at Lin Hanxing as if he wanted to eat him up.

"It's a pity that you've miscalculated."

Lin Hanxing and Lu Jiashu looked at each other, and they could clearly see the burning anger in his eyes.

"Lu bingde didn't smoke any of those drugged cigarettes."

Lu Jiashu's expression was blank at first, but then it suddenly turned ferocious, as if he was going to swallow Lin Hanxing alive.

"I've dealt with those people."

Lin Hanxing squinted his eyes slightly. With a tone of pity, he briefly explained the matter to Lu Jiashu.

"From the beginning ..."

"Aren't we the same?"

Before Lu Jiashu could finish, Lin Hanxing impatiently interrupted him.

"Didn't you put Lu bingde in this group of people in hopes that his 'drug addiction' would deepen? You've used everyone present, even the reporters from the news lines."

Lin Hanxing's smile was cold, and his big eyes were clear as if he knew everything.

As he spoke, Bai Xi had already brought over his laptop.

He searched the reporter's body for the USB drive and inserted it into the USB port. Soon, the contents inside popped up.

Bai Xi then pointed the laptop screen at the young masters in front of him.

"Everything's ready, only the crucial wind is lacking."

In the notebook was the article that the reporter had already written.

As for what the content was ...

After reading it, everyone's faces turned from livid to white, and then from white to angry red!

Lu Jiashu!

He was indeed 'smart'!

Chapter 932: Destined to suffer the consequences of his own actions

"Among these people, some of them have parents in business, some in politics ..."

Lin Hanxing looked at Lu Jiashu coldly.

you used all of them to set up this trap for you. Have you never thought about the devastating consequences it would cause to these people and their families? "

Lin Hanxing did not make his words too heavy.

However, to the ears of the group of nouveau riches, it was as if they had been struck by lightning.

That gaze was as if he could not wait to swallow Lu Jiashu alive on the spot!

Lu Bingde's mind was blank.

He didn't even know what kind of expression he should have on his face when facing this cousin of his who he grew up with.

He had clearly treated him like a brother.

Ever since she was young, Lu Jiashu was the first person she would think of whenever she had something good.

He would be the one to take the blame if there was any!

To him, his family was his aunt and Jiashu!

"Lin Hanxing, there's something you've said wrong!"

Suddenly, Lu Jiashu laughed coldly.

He looked at Lin Hanxing, who was sitting not far away, with a dark expression. He wanted to break that thin swan neck with his own hands!

"Oh?"

Lin Hanxing chuckled when he heard this.

He raised his eyebrows slightly.

"I'm all ears,"

Lin Hanxing played with Lei Xiao's palm as if he was playing with his favorite toy.

She liked the thin calluses on his joints.

It had a nice feel to it.

you said that except for Yuan hou and Lu bingde, we're all drug addicts. You're wrong!

Lu Jiashu's eyebrows were filled with a sense of arrogance and superiority.

How could he be infected with something that would ruin his life?

"I'm not!"

These three simple words made Lin Hanxing laugh.

"No, I didn't do anything wrong. You're the one in the wrong,"

The conversation between the two of them left everyone confused.

Only Lei Xiao lowered his head to look at her with a pampering gaze.

It seemed that no matter how much trouble Lin Hanxing caused, he would always have a way to help her clean up the mess.

Furthermore ...

He never got tired of it.

Lu Jiashu's smile froze on his face. What did Lin Hanxing mean?

"Or rather, no matter if you were or not in the past, in the future ... You will never be able to take off this hat."

Lin Hanxing gave him a sidelong glance.

The corners of his mouth curled up into a sarcastic smile, giving people a bone-chilling feeling of ice-sealing that instantly flowed through their limbs and hundreds of bones!

"What do you mean by that?"

Lu Jiashu looked at her warily.

Lin Hanxing smiled and did not say anything, but he turned to look at the other people in the private room.

"That will depend on what they mean."

Sometimes, Lin Hanxing really liked to play this kind of cat and mouse game.

Before dealing the fatal blow, he would play with the rat. The subtle joy was hard to describe with words.

At that time ...

He was also the one who could understand the myriad of human emotions the best.

“From your expressions, it seems like you can’t take this lying down.”

Lin Hanxing no longer looked at Lu Jiashu and exchanged glances with the group of rich Playboys.

From the beginning to the end, Yuan hou had been observing Lin Hanxing.

After hearing what she said, he couldn’t figure out what she wanted to do!

Suddenly, a cold light fell on Yuan hou’s body.

His hair stood on end as if it was a conditioned reflex. He instinctively felt danger.

He carefully raised his head and followed her gaze ...

Yuan hou and Lei Xiao looked at each other.

She subconsciously swallowed her saliva and fearlessly looked away as if nothing had happened, pretending that she had not seen anything.

“In that case, how about I give you a chance to take revenge?”

The smile on Lin Hanxing’s face remained faint. In the blink of an eye, he had finished his sentence.

“Furthermore, I can guarantee that what happened today will never be spread!”

Chapter 933: The water will overflow when it is full

Bai Xi brought Lin Hanxing a cup of tea.

Lei Xiao shot a look at him and the tied-up journalist was dragged to Lin Hanxing and knelt down. He took out the thing that was stuck in his mouth and the other party immediately started begging for mercy.

Lin Hanxing was holding a Jade Porcelain cup with a Lotus lid.

Her Jade-like fingers and the transparent porcelain wall complemented each other. The work was so light and delicate that even the amber tea could be faintly seen.

He was truly as gentle as Jade.

“How much did Lu Jiashu give you?”

Lin Hanxing took a sip of tea. White steam surrounded him, and his expression was cold and mocking.

“Spare me ... Spare me ...”

The other party was so frightened that he did not even hear what Lin Hanxing said.

Lin Hanxing obviously did not have much patience.

He looked at Bai Xi.

The next second, a crisp slap was heard ...

Bai Xi was expressionless as he swung his hand and gave a ruthless slap!

Not to mention being hit, even the people who were listening at the side wanted to cover their faces and cry out in pain.

The reporter was dumbfounded.

The wailing and begging stopped abruptly, and he looked up at Lin Hanxing in confusion.

Bai Xi repeated Lin Hanxing's question.

"One million and five hundred thousand ..."

Trembling, he first reported the number, and then like pouring out beans from a bamboo tube, he began to take the initiative to tell him everything Lu Jiashu had asked him to do.

Lin Hanxing did not stop him and let him continue.

As he drank his tea, he admired the ugly expressions of the people in front of him.

"I remember you. You're the one who slandered me ..." He said.

Lu Bingde suddenly said.

In the past few years, the reporters had been posting all kinds of negative news about him, from being ignorant and incompetent to having a relationship with a man and a woman.

On the other hand, Lu Jiashu was the opposite.

The two of them were compared back and forth.

"Bai Xi,"

Lin Hanxing looked at Lu Bingde and called out Bai Xi's name.

Bai Xi walked up to Lu Bingde and handed him the information he had prepared.

"Do you think he'll just let it go after saying all this?"

Bai Xi waved the documents in his hand at him and stuffed them into Lu Bingde's hands.

"Then you'd better take a look for yourself!"

All these years, Lu Bingde had been toyed with like a fool. If he hadn't met the ninth young lady, he would have been crippled in the hands of that mother and son!

Lu Jiashu was still sitting there.

His expression was no longer as arrogant as before.

His large palm was covered in a thin layer of sweat, and his Adam's apple was rolling up and down as he swallowed.

"My aunt is very good to me ..." He said.

Lu bingde said.

She lowered her head, her shoulders shaking.

They were his family ...

As soon as he finished speaking, the hot-tempered Bai Xi wanted to slap Lu bingde in the face to wake him up.

Lin Hanxing stopped Bai Xi.

It turned out that no matter if he was seven or twenty-seven years old ...

After being betrayed by what he thought was his family, it was the same pain.

Lin Hanxing sighed in his heart and got up.

He placed the teacup on the table.

He bent over and picked up the water bottle beside him and started pouring.

Very quickly, the water in the cup overflowed.

Lu yuzhi would never treat her own son like this.

Her voice was cold.

It reached everyone's ears.

Lu bingde, when the water is full, it will overflow. Excessive pampering is considered overkill.

The water flowed out of the cup and dripped onto the ground.

you may not be as good as you think, but you are not as hopeless as you think.

Lin Hanxing stopped what he was doing.

His cold eyes met Lu bingde's.

"What do you want us to do?"

Finally, someone from the group of good-for-nothings spoke up. He was so angry that he could not wait to tear Lu Jiashu apart and eat him up.

Lin Hanxing's lips curled up slightly.

He raised his head and looked at the person who spoke.

When his gaze swept over, the group of people unconsciously kept quiet.

He looked so much younger than them, but he had an aura that did not lose to Lei Xiao's.

Chapter 934: I'll see who dares to touch me

"I thought I made myself very clear."

Lin Hanxing said slowly, but it sent chills down Lu Jiashu's spine.

"Give him a taste of his own medicine."

She looked at the tools scattered on the coffee table with a faint smile.

"You mean for us to ..."

Lin Hanxing stretched out his long index finger and placed it on his lips to shush her, his long eyelashes fluttering.

"Think about the families behind you ..."

She turned around and walked back towards the Thunder valiant beast, her cold voice ringing out.

Lin Hanxing sat back on the chair, his right leg crossed over his left elegantly, revealing his fair and slender ankle.

Lei Xiao's hand fell on her shoulder.

He gave silent support.

After Lin Hanxing said that, he turned to look at the reporter who was still kneeling on the ground.

Seeing her gaze sweep over, the latter shivered.

"I also want you to help me write a headline."

"Use the title you've already written ..."

Lin Hanxing laughed. He did not even bother to hide the mockery in his expression.

'The future successor of the Lu Corporation is addicted to drugs? You have a good life, why destroy it?'

Lu Jiashu suddenly stood up, his eyes filled with fear!

"Don't you dare!"

Lin Hanxing laughed even more sarcastically when he heard this.

"Why wouldn't I dare?"

"I have our Mr. Ley behind me."

Lin Hanxing sat lazily with one hand on his cheek and looked at him.

It really had some meaning of a Fox exploiting a Tiger's might.

As for the Thunder valiant beast ...

When he heard the words 'our Mr. Ray', his cold expression melted a little.

"You've dug such a perfect hole. If I don't make use of it, wouldn't I be wasting your painstaking efforts?"

Lu Jiashu glared at Lin Hanxing fiercely.

Perhaps he had never thought that the trap prepared for Lu Bingde would actually be him!

Lin Hanxing let him glare at her, but it was nothing to her.

The winner was King, and the loser was Bandit.

She liked to see people hate her, but they couldn't kill her, and they had to endure it.

"There will only be one successor for the Lu family."

Lin Hanxing pointed a finger at Lu Jiashu, but his words instantly ignited Lu Jiashu's anger!

"I'll see who dares to touch me!"

Lu Jiashu growled in a low voice and looked around. Did she really think that she was not prepared at all?

Lin Xiaojie, do you think you can rest easy with the Thunder valiant beast by your side? "

His handsome and devilish face was filled with disdain and mockery as he looked around.

"Do you think these pieces of trash can hold me down?"

Lu Jiashu spread out his hands and made a fearless expression, as if he didn't care about these people at all.

Do you not know that the Lu family and the Shangguan family are related? "

Lin Hanxing raised an eyebrow.

The Shangguan family?

She thought of Shangguan Shixiu almost instantly, and her delicate features seemed to be covered in a layer of frost.

"The Shangguan family has been supporting me all these years!"

you're right. The Lu family will only have one successor, and that's me, Lu Jiashu!

As he spoke, Lu Jiashu walked in front of Lu Bingde.

He revealed his ferocity.

Very quickly, Lu Jiashu's men, who were hiding in the dark, walked out.

"It's them."

Bai Xi whispered in Lin Hanxing's ear.

They were the ones who had suddenly appeared more than ten minutes ago.

"What right does this trash have to compete with me?"

He slapped Lu Bingde's face with his hands, and even his eyes were full of arrogance!

Seeing Lu Bingde being humiliated, Bai Xi was about to step forward, but before he could do anything, Lin Hanxing reached out and stopped him.

The group of fops who were about to make a move, when they heard the Shangguan family's name ...

They all stood in place and did not move forward.

Chapter 935: The sudden reversal of the situation

The atmosphere became tense again because of the intervention of the Shangguan family.

"I'm clearly more capable than you, so why does the old man only have you in his eyes?"

Lu Jiashu pinched Lu Bingde's chin.

He shed his gentleness and kindness, not hiding his Wolf-like ambitions at all.

"I've been in charge of most of the liquid funds under my younger brothers' names."

What happened to Lu Bingde doesn't exist in our family.

Looking at Lu Jiashu, Lin Hanxing suddenly recalled the day when she brought up this topic with Lei Xiao, and he had given her an answer.

The four brothers of the Lei family had to draw lots to decide who would inherit the Lei group.

Compared to this pair of cousins from the Lu family ...

Indeed, the Lei family was cuter!

"Cousin, you should just obediently admit defeat!"

As Lu Jiashu spoke, he laughed evilly and pressed Lu Bingde's head against the drug addicts' equipment.

Bai Xi stared at the two.

The hands that were placed on both sides of his body were clenched tightly.

Lu Bingde, if you fucking dare to strike me again, I might as well strangle you myself!

Just as Bai Xi was thinking about this, a tragic scream suddenly rang in everyone's ears!

Lu Bingde, whose face was pressed against the coffee table, suddenly picked up a single-use syringe from the table and jabbed it back and forth at Lu Jiashu's face!

Lu Jiashu was caught off guard!

It was not until her skin and flesh were penetrated and her eyes were almost pierced that she screamed!

He kicked at Lu Bingde's stomach!

"Go! All of you, attack! Kill him!"

"I'm going to kill him! Fuck!"

Lu Jiashu covered his bleeding face and kept waving his hands, trying to command Shangguan shixiu's men.

However, it was beyond everyone's expectations.

The Shangguan family did not even look at Lu Jiashu, who was still roaring.

He walked towards Lin Hanxing expressionlessly.

Lei Xiao and Lin Hanxing's men immediately stood in front of them, not allowing them to get close.

"Miss Lin."

The leader of the group said expressionlessly.

This unexpected development left everyone dumbfounded.

Wasn't Lu Jiashu the one who had brought the Shangguan family here?

Why did she leave him alone and come to Lin Hanxing?

young master Shangguan, what you mean is that if miss Lin appears, we will be at your service unconditionally.

His voice was very mechanical.

"Who would dare to hurt you ..."

The leader paused for a moment and turned to look at everyone with an expressionless face.

He looked around.

"Whose life does young master want?"

Young master Shangguan ...

Shangguan shixiu?

Lin Hanxing frowned slightly. He obviously didn't want to owe Shangguan shixiu a favor.

Hiss ...

Yuan hou sucked in a cold breath in his heart.

What kind of godly development was this?

How did the Shangguan family get involved in this?

"You guys ..."

The one who was most shocked was Lu Jiashu. He even forgot to cover the bleeding half of his face!

Didn't Shangguan shixiu send someone to help him?

'Why ...'

At this moment, Lu Jiashu's blood seemed to have frozen in one spot. The Shangguan family was clearly his last trump card!

Now, even they had given up on him?

"Go back and tell Shangguan shixiu."

Lin Hanxing's voice was calm, without any fluctuation in emotion.

"I don't need to."

She didn't want anyone else to interfere in her business besides Lei Xiao.

The other party turned a deaf ear.

He turned and stood in the corner where Lin Hanxing was.

They stood together with Lin Hanxing and Lei Xiao's men.

Lin Hanxing glanced at Lu Jiashu coldly.

"Now, you can start your performance."

Chapter 936: Reverence from the heart

Lin Hanxing and the others came out of the private room.

send someone to guard the door. Let them handle the follow-up matters according to the plan.

Lin Hanxing ordered the people around him expressionlessly. The majesty in his eyes made people shiver.

tomorrow morning, I'm going to spread this news to every corner of Jiang city.

The ten-inch high heels made a cold clatter on the floor. She and Lei Xiao walked in the front, and the rest of the followers followed closely behind. They were dressed in black, just like the scene in a movie!

Yuan hou followed behind.

At this moment, he was extremely grateful to Yan beiming!

If he had really annoyed Lin xiaojiu with his nonchalant attitude, she would have easily dealt with him with her methods!

Back then, the news that the Lin family's little nine had been found again after 18 years was still so disapproved by the circle.

Who would have thought ...

As long as she wanted to, anyone in Jiang city would be toyed with by her!

Lu Jiashu had been so high-spirited before ...

He was in such a sorry state now!

Just as she was thinking about this, Lin Hanxing, who was walking in front, suddenly stopped.

"Bai Xi, take Lu bingde to rest."

"Also, we'll continue with what I told you to do tonight."

Bai Xi nodded and pulled Lu bingde, who was still in a daze, towards the other side of the corridor.

"Lin ..."

Lu bingde seemed to want to say something.

"If you have anything to say, say it after you've completely calmed down."

Before Lu bingde could say anything, Lin Hanxing interrupted him.

Lin Hanxing watched the two of them leave before he turned his gaze back to Yuan hou.

"Tonight's matter ..."

"I definitely won't tell anyone."

Yuan hou raised his hand and swore.

Although he could not enter Lei Xiao, Liang yuran, and Yan beiming's core circle, he would definitely stand on their side because of his relationship with Yan beiming.

To be honest, after tonight's incident, Yuan hou felt that Lin Hanxing was quite capable.

He was in awe from the bottom of his heart.

Just like what happened tonight.

It was clearly Lu Jiashu who had set up a trap to frame Lu bingde. Who would have thought that the plot would turn around so many times?

Even the Shangguan family was under Lin Hanxing's command?

Yuan hou believed that what happened in that private room tonight ...

As long as they were inside, no one would dare to leak it out!

Let's not even talk about the family's honor.

With the Lei and Shangguan families, no one would dare to open their mouths!

Lin Hanxing chuckled softly.

"Ah Xiao, let's go."

Lin Hanxing placed his hand on Lei Xiao's palm, suddenly remembering that there was a place they had to go to later.

"That ..."

Suddenly, Yuan hou spoke from behind him.

Lin Hanxing stopped in his tracks and turned around to look at him.

“Can I ask you two questions out of curiosity?”

Yuan hou was Yan beiming’s friend, so she would naturally be more patient.

On the other hand, Lei Xiao just looked at Yuan hou with a dark expression.

“The first question, the land in puhu and the north of the city is really ...”

Yuan hou didn’t finish his sentence, but he believed that Lin Hanxing would understand the rest of it.

“I forgot to ask you if the Zhao family has ...”

Lin Hanxing raised his head and looked at Lei Xiao. His cold expression was different from before, and there was an obvious smile on his face.

It made one’s heart warm.

Thunder valiant nodded his head.

His wife had already said it to such an extent, so how could the Zhao family not follow suit?

What did it mean to suffer a double loss ...

This time, the Zhao family could only swallow their own blood!

second question, aren’t you afraid that the Han family will find trouble with you? ”

Chapter 937: The Han family is not in the right

Hearing this, Lin Hanxing’s eyes revealed a faint smile.

“Why is the Han family looking for trouble with me?”

She directly looked at Yuan hou, who was stunned by her question.

I heard that han mingmei’s shoulder was seriously injured. Even if she recovers, it will still be affected. It should be impossible for her to pick up the recurve bow again. Yuan hou thought for a while and felt that he should still give Lin Hanxing a reminder.

Lin Hanxing stood there with a strong aura, his red lips slightly curved.

“What does that have to do with me?”

Another question.

Yuan hou was dumbfounded again.

How could it not be related to her?

So many eyes had seen it, and it was because she had dodged it that the arrow had hit han mingmei.

“Did I force han mingmei to compete with me on the recurve bow?”

Lin Hanxing looked at Yuan hou’s eyes and knew that he didn’t understand. He shook his head slightly and smiled.

“Um ...”

He really wasn’t!

Everyone could see that han mingmei was the one who insisted on comparing herself to Lin xiaojiu.

She was even competing with the recurve bow that she was most skilled in!

“Was I the one who shot the arrow that injured han mingmei?”

“Um ...”

It really wasn’t!

Zhao Dongyang had sent someone to hurt her with that arrow!

“Or do you think I shouldn’t have saved old Mister Yue’s granddaughter?”

“.....”

The three consecutive questions left Yuan hou speechless!

His brain even went blank for a moment.

His intuition told him that Lin xiaojiu had dug a trap for him to jump into.

“So, why should I be afraid that the Han family will cause me trouble?”

Lin Hanxing asked Yuan hou.

every injustice has its perpetrator, and every debt has its debtor. The Han family didn’t go to the Zhao family. Instead, they came to me, who was also a victim ...

“Is that reasonable?”

Therefore, the Han family was still smart and had not found her until now.

Because they must have known it in their hearts.

The Han family was in the wrong!

“.....”

F * ck!

Yuan hou was completely dumbfounded by Lin Hanxing’s words!

Only God knew that he was really worried that the Han family would vent their anger on Lin Hanxing, but now that Lin Hanxing had said this ...

Why did he feel like he was an idiot?

“Unless they want to take the risk of offending elder Yue, so the thing you’re worried about will not happen.”

Lin Hanxing did not speak very quickly and he sounded very happy.

It was completely different from when he was facing Lu Jiashu!

I’ll offend elder Yue!

That’s right!

Why didn’t he think of this?

Yuan hou smacked his own head!

He was really blind. The most important problem here was elder Yue, Yue Guanqian!

Lin Hanxing ‘unintentionally’ dodged the arrow to save elder Yue’s granddaughter, and it was also because of this that the arrow pierced through han mingmei’s shoulder!

If the Han family really took their anger out on Lin Hanxing because of this, wouldn’t that be showing elder Yue that they were unhappy with Lin Hanxing for saving his granddaughter and directly causing han mingmei to be injured?

How could han boming, that old fox, do something that would offend people?

“I didn’t think of that.”

Yuan hou couldn’t help but shake his head with a bitter smile.

He wasn’t the only one who didn’t expect this. Many of the people who had attended the welcoming banquet that day were waiting for a good show to start.

Their vision and outlook ...

It was still too small!

“You were dragged here again to be a spendthrift?”

Lin Hanxing raised an eyebrow and looked at Yuan hou. He didn’t know why people liked to rush to pay for others.

Yuan hou smiled bitterly and did not speak.

He could say that his intuition told him that he would meet Lin xiaojiu tonight, so he took the initiative to come to the bar with the excuse of joining in the fun. He didn’t expect his intuition to be so accurate ...

When Lin Hanxing came in, his heart almost stopped!

Chapter 938: Where to now?

His simple and clean appearance was different from the style he had worn at the horse track the other day.

His aura was extremely cold.

In fact, he was not inferior to the Thunder valiant beast who had entered with him.

The classic black and white color combination made young master Lei look like he was wearing a couple's outfit. In such a turbid and noisy environment, the two of them looked like God's gift, and they were equally expressionless.

They weren't married yet, but it felt like they had been together for a lifetime.

Their movements were so familiar that they didn't need to speak to understand each other's intentions.

After exchanging a few more words, Lin Hanxing and Lei Xiao left.

Yuan hou watched the two's back and sighed in his heart.

Then, he was stunned again.

He didn't seem to understand why he was feeling so disappointed.

.....

He sat in the car.

Lin Hanxing threw his black cashmere coat to the back seat.

She took off her ten-inch high heels and completely freed her feet.

After Lei Jing sat in the driver's seat, she leaned over like a cat and blinked her long, feather-like eyelashes.

With a smacking sound, he kissed the corner of Lei Xiao's lips.

"Where are we going now?"

Lei Xiao looked at her bare feet and turned on the warm air.

"The neighborhood opposite the he Corporation."

Lin Hanxing reached out to buckle up the safety belt for Lei Xiao.

"He group?"

Lei Xiao raised his eyebrows and looked at her hand casually fiddling with her long hair that was like a waterfall, like an exhausted child in frustration.

"Didn't I tell you?"

Lin Hanxing supported his cheek with one hand and looked at Lei Xiao.

"I hid he Chengcheng there."

“.....”

Her tone made it sound as if she had just casually raised a pet.

Thunder owl didn't speak for a long time.

He quickly activated Bugatti.

After about half an hour, they arrived at their destination.

“Let's go up together.”

Perhaps the warm wind was too comfortable, Lin Hanxing yawned lazily.

In Thunder Valiant's eyes, it was extremely adorable.

The two of them got out of the car together.

Lin Hanxing swiped his Bluetooth card and entered the elevator.

As the elevator went up, she leaned her head against Lei Xiao's strong arm.

In the reflection of the cold mirror wall ...

Lin Hanxing no longer had the cold aura he had in the bar.

Ding!

The elevator door opened slowly.

“Ninth young lady.”

The Man in Black standing guard at the door said respectfully.

“Have the people in the shop been here?”

Lin Hanxing said coldly and glanced at the other party's face expressionlessly.

“The clothes have been delivered, but ...”

As he spoke, the Man in Black seemed to be hesitating whether he should continue.

“But what?”

Lin Hanxing raised an eyebrow.

Ms. Shigure seems to have quarreled with Mr. He.

After that, the other party stopped talking.

Lin Hanxing's expression froze for a moment, then he nodded to show that he understood. He turned around and rang the doorbell.

Soon, someone opened the door.

Rong Shiyu's cheeks were puffed up in anger, like a little hamster who had lost an Acorn.

“Ninth aunt ...”

Before she could finish her words, she saw the Thunder valiant beast behind her and her eyes were filled with curiosity.

“Are you angry?”

Lin Hanxing reached out and pinched Rong Shiyu’s cheek, making her blush.

The two of them entered the house.

He Chengyu came out of the room when he heard the sound. When he saw Rong Shiyu, his eyes flickered unconsciously and he looked away.

Lei Xiao’s gaze swept towards he Chengyu.

Ever since the news of his mysterious disappearance in the hospital spread in Jiang city, there were many strange rumors.

No one would have thought ...

Young master he was actually hidden by Lin family’s little nine in the high-end community opposite the he group!

“Ninth young lady.”

He Chengyu greeted her with respect, and his eyes quickly fell on Lei Xiao’s face.

“Mr ... Ray?”

His voice was a little hesitant. After all, he had been lying in bed for a few years, and he was afraid that he would recognize the wrong person.

Chapter 939: Tomorrow, it’s time for you to make an appearance

Thunder owl nodded silently as a sign.

He Chengyu looked at him, his eyes full of respect.

If he Chengyu had ever truly admired someone in the business world ...

Lei Xiao and the mysterious helmsman of the X group were definitely tied at the top of the list!

Five years ago, he Chengyu was also in Hong Kong and personally experienced the auction of the twelve zodiac bronze heads that made his blood boil!

That night, like countless Chinese people, his heart was tightly touched.

Everyone’s focus was on Hong Kong.

After the first round of bidding, the representatives of the Lei group and X group in Hong Kong seemed to have reached some kind of tacit understanding. They started a psychological battle and a price war with the foreign groups.

After the event, the video of the auction that day was sent back to the major corporations.

It became the most successful auction model of that year as a lesson.

The red flags in front of the representatives of the two major groups were eye-catching and solemn.

Even though so many things had happened to he Chengyu in that auction ...

Now that he thought about it, it was still fresh in his memory!

When the auction officially ended, all the Chinese people stood up and applauded.

There was a sense of pride that burst out from the bones, making people tear up.

After that, he Chengyu had tried to befriend Lei Xiao on various occasions, but because he was too low-profile and for various other reasons, he had not succeeded.

He had never thought that he would meet him in private one day.

“I’ll go make some milk tea.”

Rong Shiyu turned around and walked into the kitchen, leaving them some space.

“Are you ready?”

Lin Hanxing sat down. His voice was calm, and there was no change in his emotions.

No one could tell what she was thinking.

Lei Xiao casually walked to the floor-to-ceiling window and stood still.

His well-built body was wrapped in black, handsome and dangerous, like a dormant beast, overlooking the heavy traffic under his feet.

“Tomorrow, it’s time for you to make an appearance.”

As he spoke, Lin Hanxing and he Chengyu looked at each other.

His cold face had a light scar left by the accident, making him look cold and cruel.

“I’ve been waiting for this day for a long time.”

Hearing this, Lin Hanxing smiled faintly.

She could understand this feeling. After all, didn’t she also wait 18 years before returning to Jiang city?

“I will let you know that your waiting is worth it!”

Lin Hanxing’s voice was cold and clear.

She pushed the things she had prepared in advance to he Chengyu from the coffee table.

It was an invitation to the Lin family’s banquet tomorrow night.

“I’ll get the stylist to come to your door in advance, so you just have to follow my arrangements tomorrow night ...”

Lin Hanxing's white fingertips were still on the invitation, and his cold eyes fell on he Chengyu's face.

"Do not act on your own!"

The more critical the moment was, the more he couldn't mess up, not to mention that his stepmother and he zhehan were still there!

Rong Shiyu came out with milk tea and black coffee.

The milk tea was for Lin Hanxing.

The black coffee was for Lei Xiao.

"I want to go too."

Rong Shiyu raised his little face and said to Lin Hanxing without looking at he Chengyu.

"Nonsense."

He Chengyu reflexively reached out to hold Rong Shiyu's wrist, but when he realized that Lin Hanxing was still there, he silently let go.

"Okay, I'll get the stylist to prepare your clothes tomorrow."

Lin Hanxing looked at Rong Shiyu's petite face and could not help but laugh.

"Ninth young lady ..."

He Chengyu furrowed his brows. If those people had their eyes on Shiyu ...

"Your expression clearly shows that you're questioning my ability."

Lin Hanxing picked up the milk tea and took a sip. The rich taste instantly melted on his taste buds.

"Since I've agreed, it means that I can guarantee her safety. Instead of worrying about this, why don't we think about your matter ..."

Chapter 940: Your marriage has not been dissolved

"My business?"

He Chengyu was stunned, he clearly didn't understand what Lin Hanxing meant.

Lin Hanxing blinked.

From his expression, it was clear that this person had probably never even thought about it.

"Your marriage with Yuan Xiaolei hasn't been dissolved."

As soon as Lin Hanxing finished speaking, he Chengyu's face darkened.

He had really forgotten!

He subconsciously looked at Rong Shiyu and his slender fingers moved slightly.

but she was the one who did it with second young master he ...

Rong Shiyu's eyes were as clear and bright as a deer's, and his expression was so innocent that it was unbelievable.

"It has been three years since the incident. Unless the parties involved admit it, it will be difficult to find evidence."

Lin Hanxing held his cup and said coldly.

once you appear tomorrow, all kinds of problems will follow. Your marriage with Yuan Xiaolei will inevitably be brought up to the table. I think that when you are considering the problems of he Corporation, you should not forget to consider this.

It would save him the trouble of being caught off guard.

Lin Hanxing didn't finish his sentence, but he Chengyu obviously understood.

He didn't want the rumors to hurt Shigure.

She was the most important person in his life!

After tomorrow night, Mr. He, are you going back to the he family to stay? "

Rong Shiyu's voice was soft, like a caramelized pudding that had just been made. The eyes that peeked out from under his bangs made people reluctant to hurt her.

He Chengyu didn't say anything.

To be honest, he had never thought of the answer to this question.

if he Chengyu goes back, are you willing to continue to accompany him? "

Lin Hanxing looked at he Chengyu and said coldly.

He Chengyu's expression didn't change, but his joints were a little white from holding it too hard.

"Of course I'm willing!"

In the next second, his eyes flickered because of this sentence.

"Because we are friends."

But then, Rong Shiyu's next sentence completely beat he Chengyu back to his original state.

He laughed bitterly in his heart.

As expected, in her heart, she only saw him as a friend.

She was still at the age of a flower ...

He was already old.

Lin Hanxing's gaze first went over Rong Shiyu's shoulder to look at he Chengyu, who had a dark and hurt expression on his face. Then, he shifted his gaze back to the red-faced Rong Shiyu in front of him. His eyes were obviously wandering around the lying face.

Friends ...

Lin Hanxing smiled but did not say anything.

I suggested Mr. He go back.

Lin Hanxing placed the cup back on the table with a clack.

how can you catch a tiger cub without entering The Tiger's Den? besides, that's your home!

He would always do his best to protect the things that belonged to him, and would not allow others to covet them.

just like how I will never give up my control over the Lin family.

Lin Hanxing smiled.

He sat there, not trying to hide the strong aura in his bones.

He was as overbearing as a King.

Her voice was clear, as if she wanted he Chengcheng to hear her clearly.

"The he family is mine!"

The he Corporation was his mother's blood, sweat, and tears. He absolutely couldn't let that mother and son take it all!

The haze in he Chengcheng's eyes was completely ignited!

.....

When Lin Hanxing and Lei Xiao returned to the Lei family, it was already close to ten O'clock at night.

As soon as he entered the house, Lin Hanxing saw mother Lei sleeping on father Lei's shoulder with a Facial Mask on.

Upon hearing the commotion.

Father Lei raised his head and shushed the two of them silently.

"Yinyin has been waiting for you to come back."

He carefully removed the mask for his wife, revealing her fair and clean face.

"I'm sorry ..."

Lin Hanxing did not expect mother Lei to still be waiting and her eyes were filled with guilt.

"My daughter-in-law ... Hehehe ..."

Mother Lei seemed to be dreaming of something, but she was smiling happily.

Father Lei's expression was as helpless as he could be. He got up and carried his wife horizontally, then said goodbye to the two of them and went upstairs.
