

Goodnight 941

Chapter 941: I was the one who taught him to make it up

Lin Hanxing watched as the two of them disappeared at the top of the stairs.

In the next second, her entire body was suddenly suspended in the air. She was caught off guard, and her two thin legs drooped.

The soft and long hair spread out in the air.

Lei Xiao pursed his thin lips and walked upstairs. The outline of his cold face was magnified in front of Lin Hanxing's eyes.

The two of them quickly returned to the bedroom.

Lei Xiao placed Lin Hanxing on the bed.

He looked up at her, then squatted down and undid the buttons of her white shirt one by one.

The White silk camisole dress was revealed again.

The bruise on Shangguan shixiu's wrist, which was tightly held by him, also came into Lei Jing's eyes.

"That grass Dragonfly ..."

Suddenly, Thunder valiant beast spoke in a low voice, his palm facing up wrapped around her small white hand.

"If I remember correctly, I was the one who taught him how to make it up."

Lin Hanxing had always told Lei Xiao everything he knew.

As long as he wanted to know, she would not hide anything.

"At that time ..."

Before she could finish, Lei Xiao leaned over and kissed her open palm, causing Lin Hanxing's voice to stop abruptly.

There was a muffled thump.

Lin Hanxing was pushed onto the bed.

Her long hair spread out behind her like clouds and mist, covering her ivory-white body.

Lin Hanxing only felt his arms spread out on both sides of his face, and one knee on the bed.

Lei Xiao looked down at her from above.

After a brief moment of shock, Lin Hanxing's body unconsciously softened on the bed.

He looked at the Thunder valiant beast.

After a while, Lei Xiao suddenly got up and walked towards the bathroom.

However, Lin Hanxing's sharp eyes noticed the tent that was raised under nie Xiaoxiao's body because he appeared.

Soon, the sound of a shower could be heard from the bathroom.

She knew that Lei Xiao had the habit of taking a bath after a shower, so she lay on the spot and listened for a long time before getting up again.

When he pushed open the bathroom door ...

Lei Xiao had just sat in the bathtub with a sinister aura, and the mirror-like waterproof TV on the wall was on.

The scene was played silently.

Seeing her come in, Lei Xiao didn't move, but his muscles were obviously tensed.

Lin Hanxing didn't even look at him. He sat beside the bathtub, his thin arms resting on the wall and his chin resting on it.

His other hand was fishing in the water.

The sound of water splashing could be heard in the bathroom.

In the water, Lin Hanxing poked mo Xiaoxiao from time to time, but his eyes were focused on the TV as if nothing had happened.

It was as if he didn't see Lei Xiao's darkened face at all.

"Don't mess around,"

He grabbed Lin Hanxing's wrist at lightning speed.

"Are you jealous?"

Lin Hanxing looked at him innocently.

Lei Xiao didn't seem to hear anything. In the steam, his eyes were fixed on the TV.

However, just as his hand left the water, Lei Xiao had already grabbed Lin Hanxing's entire body at lightning speed!

He pulled hard!

With a splash, Lin Hanxing fell into the bathtub without any warning and was completely wrapped by Lei Xiao's long arms and legs.

"Thunder valiant beast!"

Lin Hanxing used his hand to brush away his long wet hair.

Just as he finished speaking, his lower back was already firmly pressed down by a big palm!

After the two of them had fun earlier, more than half of the water in the bathtub had overflowed.

Lin Hanxing reached out to turn on the hot water valve.

The sound of water flowing could be heard.

The corners of Lei Xiao's thin lips couldn't be concealed as he watched her take off her long-drenched silk dress and casually throw it on the floor.

Then, Lin Hanxing opened his mouth and bit him on the shoulder!

His muscles instantly tensed up!

It was like a piece of iron that couldn't be bitten off!

On the other hand, Lei Xiao reached out and pulled Lin Hanxing back into his arms, hugging him even tighter!

Chapter 942: I was in Myanmar at the time

The water level rose again.

The person's hands and feet were soft.

Lin Hanxing loosened his mouth and sat in Lei Xiao's arms.

"I was in Myanmar."

Lin Hanxing's voice was very soft. She knew that Lei Xiao was definitely listening, because the hand that was wrapped around her waist was tightening.

"I picked him up."

This 'him' was naturally Shangguan shixiu.

At that time, Shangguan shixiu's entire body was covered in blood, and not a single part of his skin was intact. He looked like a bloody gourd.

If she had not been caught by the ankle when she passed by him ...

Lin Hanxing thought he was dead.

She had not seen what Shangguan shixiu looked like until he left.

It was because his injuries were too serious.

Swelling and infection.

It was no wonder that she didn't even recognize Shangguan shixiu when she met him again.

If it was that time in Myanmar ...

Lei Xiao was deep in thought.

Shangguan shixiu had been ambushed and seriously injured after his mission in Myanmar. He had lost contact with the Shangguan family for a time, and when he returned to the public's sight, his body had been reduced to such a state.

"Picked it up?"

Lei Xiao spoke, his deep voice reverberating in the bathroom.

"He's seriously injured."

Lin Hanxing rarely used the word "special" to describe a person's injury.

In her entire life, only Shangguan shixiu's miserable state was still fresh in her memory.

the bones in his hands and legs are all broken, his fingers are soft, and the wounds on his body have maggots growing on them because they haven't been treated for a long time. His flesh is constantly rotting and can't be healed, and to make things worse ...

"He was injected with drugs."

Thunder valiant beast's movements paused, his brows furrowed.

"He got addicted to drugs."

"I think the person who caught him must hate him to the core."

Lin Hanxing's soft long hair spread out in the water like seaweed.

"Living like that is an insult."

"What happened after that?"

Lei Xiao allowed Lin Hanxing to lean into his arms, trusting and relaxing him.

"After that, of course, I picked him up and brought him back."

Perhaps it was the hope in his eyes when he grabbed her ankle that moved her. Lin Hanxing picked him up and took care of him. Fortunately, the things that aunt Mian had taught her could be put to use.

However, when he woke up again, it was already half a month later.

At that time, even aunt Mian thought that he wouldn't be able to live past the next day.

He did not expect ...

Lin Hanxing looked at the bruise on his wrist.

It was obvious that Shangguan shixiu hadn't wasted the precious medicinal herbs aunt Mian had fed him.

Noticing Lin Hanxing's gaze, Lei Xiao reached out and covered her wrist.

There was an indescribable anxiety in his movements.

She could feel the change in his mood.

Lin Hanxing wrapped his arm around Lei Xiao's and pressed his hand against the back of Lei Xiao's head, kissing him gently.

Her lips moved slightly and she sucked on the corner of his lips.

"He's been looking for you."

After saying that, Lei Xiao's thin lips were pursed into a line, looking very cold and hard.

"Looking for me?"

"Why are you looking for me?"

"Seal my mouth?"

Lin Hanxing's lips curved into a mocking smile, his meaning unclear.

The negative ion massage bubbles kept rolling. It was very comfortable. She closed her eyes and spoke softly.

Lei Xiao obviously did not expect Lin Hanxing to have such a reaction.

"Do you know why I left Myanmar with aunt Mian?"

Her voice sounded very cold.

"Because after Shangguan shixiu left, someone suddenly said that they had received Sir's order to 'seal' our mouths. If it wasn't for aunt Mian's special status, I'm afraid we wouldn't have been able to leave Myanmar alive that day."

Although he later realized that this might not be the other party's intention ...

But some words were useless.

Moreover, this reunion was really nothing to be happy about.

Chapter 943: Mr. Liang, see you next time

Jiang Xibao took out the last piece of clothing from the laundry bucket and hung it on the drying rack. He stretched his back.

Satisfied, he looked at his surroundings that had turned from chaotic to neat.

The windows were bright and clean, and even his mood became better.

As she untied her two ponytails, she walked into the house. The living room, which had been piled up with old things, had been cleaned by her skillful hands. Even the floor had revealed its original color.

Not to mention the deeply hidden tea table and other furniture, it could be said to have taken on a new look.

People would even believe it if he said it was new.

Only the heavens knew.

Jiang Xibao had collected nearly ten big bags of trash!

She couldn't forget the look of shock on the property management's face when Mr. Liang called them over to take it away!

The air was filled with the aroma of stewed beef.

It was stewed by Jiang Xibao a few hours ago.

After a few hours of cooking, it was obviously soft and mushy, and the room was filled with fragrance.

"Liang Xian ..."

Jiang Xibao's voice suddenly stopped.

Because Liang yuran, with his long arms and legs, was fast asleep on the black leather sofa.

While she was cleaning, the man was basically in a state of invisibility.

It was only when she was doing something she really couldn't do that he would appear behind her like a ghost.

Jiang Xibao stood beside the sofa and looked down at Liang yuran.

A sweet smile appeared on her chubby little face.

Mr. Liang was indeed like a child!

He turned around and walked into the kitchen. After turning off the fire, he brought the small pot of beef down and placed it on the kitchen counter.

After that, Jiang Xibao took a pen and paper, wrote a note, and put it aside.

Mr. Liang, I'll go back first. The beef can be eaten after it's heated up!

He also drew a cute version of a smiling little person at the back.

It was remarkably true to life, appearing on the paper.

The beef, which had been stewed until it was crispy, emitted an alluring fragrance.

Jiang Xibao swallowed his saliva, stretched out two white fingers, pinched a piece from the pot, and threw it into his mouth.

"Hot, hot, hot, hot ..."

Before she could chew, it was so hot that she started to stutter.

Even her tears started to flow.

As expected, one shouldn't keep everything to himself. Next time, he should still share it.

Jiang Xibao muttered in his heart and wrapped the scarf properly, just like when he came.

“Mr. Liang, see you next time!”

Jiang Xibao moved back to the sofa and waved at the man who was still lying on the sofa. Although she had been cleaning for the entire afternoon and night, she did not complain at all. Even the smile on her face was still warm.

With that, he turned around and walked towards the door.

Jiang Xibao did not know that the man behind her had already opened his eyes when she turned around.

“Hello,” he said.

Seeing that she was about to leave, Liang yuran spoke up.

Jiang Xibao was shocked. He stood still and turned to look at him.

In Liang yuran’s eyes, it was like a cowardly squirrel that had been caught stealing an Acorn.

Half of her chubby face was hidden in the thick scarf, and only her eyes were wide open.

Liang yuran regretted it immediately after he finished speaking.

The sudden silence was the scariest thing ...

“I’m going back.”

Jiang Xibao was the first to recover from his shock. His eyes were bright and he was smiling.

“The train is going to stop if we go any later.”

Liang yuran stood up from the sofa and walked toward Jiang Xibao.

The tall male figure closed in, and the tall dark shadow came over like a mountain.

Jiang Xibao looked up at Liang yuran without any guard up.

Liang yuran got angry when he saw that look!

He leaned forward.

Jiang Xibao dodged backward and leaned against the door.

There was a sweet and pleasant smell of candy on her.

“A thank you gift.”

His large palm clasped her head tightly, and with a click, the door opened.

Jiang Xibao was pushed out by Liang yuran just like that.

Jiang Xibao blinked and looked down at the high-end chocolate that was stuffed into his arms.

Oh ...

It looks delicious!

Chapter 944: Robbed clean

There was a crash.

Lei Xiao wrapped a white towel around Lin Hanxing, who was leaning against him and sleeping, and carried him up.

He walked out of the bathroom naked, full of energy.

He placed her on the bed.

She casually took a set of pajamas and placed them on the bed. She knew that it was the pajamas her mother had prepared for Lin Hanxing.

Her new pajamas had been washed in the water.

The red silk was exceptionally soft, like water. One touch and one could tell that it was expensive.

At this moment, it was sticking to Lin Hanxing's body, making her white skin, which had just taken a hot bath, look even more delicate.

He reached out to push aside the slightly curly long hair on her face.

Looking at Lin Hanxing's defenseless sleeping face, Lei Xiao sighed in his heart.

Han Xing, who was slow to understand the affairs between men and women, obviously hadn't realized that Shangguan shixiu hadn't come to her to seal her mouth, but to like her.

No, it could even be said that he was deeply infatuated.

She might never know where her charm lay.

Lei Xiao's eyes fell on the bruise on Lin Hanxing's wrist, and he then remembered that he had left the ointment given by sacred hands in Yujing garden.

Qianqian, after you're done with your business, let's get married, Lei Xiao.

Lei Xiao covered his eyes with his palm as Lin Hanxing's words resurfaced in his mind.

After turning off the lights in the room, Lei Xiao reached out and pulled her into his arms, his thin lips kissing Lin Hanxing's forehead.

He would not touch her.

If Hanxing regretted it, she could retreat at any time.

The secret on his body ...

.....

The next morning.

Lin Hanxing was awoken by something furry.

He opened his eyes and looked into the eyes of a fat, short-legged cat with grape-colored eyes.

The man and cat were silent for a long time.

In the end, it was the cat that made the first move.

It dragged its fat body and fell on the bed like a spoiled child, showing its belly to Lin Hanxing and meowing.

Lin Hanxing laughed and grabbed its little fat belly.

The short-legged cat made gurgling sounds with a look of enjoyment on its face.

“My daughter-in-law ...”

“First aunt ...”

Two sorrowful voices came from the other side of the bed.

Lin Hanxing turned around slowly.

Both mother Lei and Yuan Bao supported their cheeks with their hands and looked at her with pouted lips.

The thin quilt slid down to her waist.

“.....”

After returning to the Lei family, Lin Hanxing had completely let down his guard. It was no wonder that he did not notice the two of them in the room.

Mama Lei’s mouth opened in an “O.”

The battle situation ...

Wasn’t it a little too intense?

Looking at the bruises on her daughter-in-law’s body, hmm ...

Should she make some soup for her?

“Mother Lei ...”

Lin Hanxing knew that she had misunderstood when he saw her expression. God knew if mother Lei would think that there was something wrong with ah Xiao if she said that they had not done anything to each other.

“Daughter-in-law, you made me wait so long last night!”

Wuwuwu, I’ll punch your chest with my little fists!

“.....”

Lin Hanxing felt guilty when he thought about how mother Lei had fallen asleep while leaning on father Lei when he came back last night.

“Are you going back to the Lin family in the afternoon?”

Madam Lei blinked, not wanting her daughter-in-law to go back.

Go back to that cold and inhuman place.

Her precious daughter-in-law did not want her to suffer even the slightest bit of grievance.

yes, the banquet starts at seven. I'll go back in the evening.

Yuan Bao took off his slippers and nestled on Lin Hanxing's legs like the short-legged cat that had changed its name from 'lucky' to 'Little Star'. At the same time, he pushed the fat cat further away with his little fat hoof.

“I've ordered a really nice dress for you. You'll wear it, right?”

Mother Lei's eyes lit up like a little girl's.

Tsk tsk ...

Yuan Bao could not help but feel sorry for his grandfather.

In order to order the limited edition model for first aunt, grandma had ransacked grandpa's private savings!

Wash! Tribulation! One! Empty!

Chapter 945: Lei Xiaosan is coming back

“Of course I will!”

Although he felt that he had just woken up and was unkempt, he did not feel uncomfortable at all because the other party was Mother Lei and Yuan Bao. He nodded obediently and did not have the slightest bit of the cold and distant attitude he usually had when facing others.

The short-legged cat was not willing to be ignored by its owner. It spun, jumped, and closed its eyes ...

He sat on Yuan Dabao's butt and revealed a smug expression.

He even took the opportunity to crush it twice!

Hey! A human with fish lips!

“Don't worry, daughter-in-law. Our whole family will be there tonight! If anyone dares to bully you, I'll close the door and let the boss go!”

“.....”

Lei Xiao, who was leaning against the bedroom door with his arms crossed, happened to hear this.

Lin Hanxing looked up and saw his helpless expression towards mother Lei. He grinned, gloating at his misfortune.

“There’s more, there’s more!”

Mother Lei grabbed Lin Hanxing’s wrist with both hands and shook it back and forth. Even her expression was bright and beautiful.

“Our Lei the third is coming back!”

Lin Hanxing raised his eyebrows. The legendary Lei the third was coming back?

This was new news!

“He said that he would have two months off after he was done with the dismembered body case, just in time for Lei’s birthday.”

Mother Lei cupped her face with both hands, not noticing that Lei Xiao had already walked behind her.

“Uncle ...”

Yuan Bao obediently called out to Thunder valiant and casually kicked the short-legged cat’s fat butt in disdain.

“Mom, I think I saw dad hiding something in the rice bucket in the kitchen.”

Thunder valiant beast said unhurriedly.

“What!”

Mama Lei’s eyes widened. Could it be that the old man had learned to change his position after each shot?

“Ah ah ah ah ah ah ah ah! I’m going to steal a small amount of money!”

With that, Mama Lei ran out of the bedroom in her pink rabbit Cotton Slippers.

He finished off one.

Lei Xiao turned to look at Yuan Dabao, who was still clinging to Lin Hanxing’s leg.

“.....”

Yuan Dabao shivered as he carried the similarly weak short-legged cat and slipped away from the other side of the bed.

He was so angry!

He had lost!

Lin Hanxing rubbed his eyes lazily and seductively.

The straps of her red silk pajamas slid down from her snow-white shoulders, and she hugged the thin quilt. Lei Xiao was a little dazed for a moment.

“What’s wrong?”

Lin Hanxing saw that he did not move for a long time, so he raised his hand and waved it in front of Lei Xiao's eyes.

Lei Xiao suddenly fell on the bed, and just like Yuan Bao, he laid his head on her lap through the thin blanket.

"....."

"Hand."

Just as Lin Hanxing was puzzled by his intention, Lei Xiao spoke again.

"What?"

Although he had questions in his heart, Lin Hanxing still opened his palm and reached out to him.

"Woof!"

Lei min said with an expressionless face.

"....."

She was really ... Too cute!

Lin Hanxing felt that his heart was about to melt from the cuteness of the man in front of him!

"What are you doing! That's too much of a foul!"

If it wasn't for the fact that she hadn't brushed her teeth and washed her face, she would have lowered her head to kiss him.

Lei Xiao's body still carried the smell of a shower after exercise, which was refreshing.

It was so strong that Lin Hanxing's legs went soft.

Puchi.

Laughter came from the bedroom door.

The two of them looked up and saw that mother Lei and Yuan Bao were peeking at them from the door.

"....."

"....."

Lei min buried his face into his wife's arms, expressionless.

Yes, it was soft.

daughter-in-law, come with me to the store to try on the dress this morning!

She waved at Lin Hanxing. This time, mother Lei really went downstairs with Yuan Bao!

Soon, Lin Hanxing's uncontrollable soft laughter came from the bedroom ...

.....

Twenty minutes later, Lei Xiao and Lin Hanxing came downstairs.

Yuan Bao bit on his chopsticks and made a face at his uncle.

Treacherous!

He was actually acting cute!

Chapter 946: If you love me, please transfer

In first aunt's eyes, he, Yuan Dabao, was the cutest!

I'm so angry!

However, she still had to maintain her cute smile!

He picked up the sun egg and took a big bite.

"Now! I have something very serious to say!"

All of a sudden, mother Lei rapped on the table with a serious expression.

Father Lei, Lei Xiao, Lei Yu, and Lei Jue all sighed and put down their bowls and chopsticks. It was obvious that everyone was used to mother Lei's sudden impulse to hold a family meeting during breakfast!

"Your dear wife ..."

These words were directed at father Lei.

"Your Dear Mother ..."

These words were directed at Lei Xiao, Lei Yu, and Lei Jue.

"That means I'm the real me!"

As she spoke, she patted her chest lightly, her lips and eyebrows curved into a crescent moon.

"I'm in a good mood today!"

"I want to bring my precious wife and grandson to go shopping!"

"....."

"....."

"....."

"....."

"Mom, just tell me how much you want!"

Lei Jue was the first to accept his fate and took out his mobile phone. He had long been used to his mother's routine.

Pa pa pa pa pa pa ...

Mama Lei clapped her hands happily.

“That will depend on how deep your love for me is!”

As soon as she finished speaking, the sound of a series of notifications came from Madam Lei’s phone.

It was perfect!

Lin Hanxing laughed as he ate his breakfast.

After getting used to the way the Lei family interacted with each other, even her lively side had been dug out.

His phone suddenly rang.

Lin Hanxing glanced at the screen, then raised his head to look at the man sitting opposite him.

Lei Jing was expressionless as she shifted her gaze elsewhere.

It was boring.

She looked at her phone and saw that it was a transfer from the man.

There was another word on it.

Woof!

Lin Hanxing could not stop smiling.

Lin Hanxing opened the large amount of money in his Private Bag. As a return gift, Lin Hanxing cut the round egg in front of him a few times and pushed it to Lei Xiao.

Thunder valiant beast looked at the heart-shaped sun egg in front of him and raised his head.

Lin Hanxing winked at him.

Her watery eyes were as moving as a little rabbit’s.

Lin Hanxing made a heart sign to him while they were chatting happily and no one was paying attention to them.

Thunder valiant beast pursed his lips and gave a rare smile.

His hair, which had not been combed into a business slickback, drooped down and blocked his eyes.

“Oh, eggy ...”

After Yuan Bao finished his portion, he still felt that it was not enough.

His black eyes rolled around, and while the Thunder valiant beast wasn’t paying attention, he poked the sunny side up egg in front of him with a pair of chopsticks and stuffed it into his mouth.

“.....”

“.....”

“.....”

“.....”

The members of the Lei family, who were chatting, suddenly felt an inexplicable cold wind blowing from behind.

Their gazes all looked in the direction of the voice.

On the other side, Lei Xiao was expressionlessly looking at Yuan Bao, whose cheeks were bulging from eating.

“Oh, Auntie, save me!”

Yuan Bao, who was slow to react, raised his head and met Lei Xiao’s eyes. The moment he did so, he let out a cry and quickly ran towards Lin Hanxing!

“Spit it out!”

Lei Jue held up the empty plate and gestured for Yuan Bao to spit out what he had eaten!

“Hmph!”

Yuan Bao, who was nestled in Lin Hanxing’s arms, made funny faces at Lei Xiao.

With first aunt around, he was not afraid of him!

“Thunder vessel!”

Seeing that his big brother was really angry, Lei Jue quickly laughed and picked up his little sheep dumpling from his sister-in-law’s arms.

The morning at the Lei family ...

It was indeed very lively.

.....

After breakfast, the Lei family members returned to their rooms.

Lin Hanxing sat in front of the dressing table and carefully covered the bruises from her neck to her collar with concealer. She finally understood what mother Lei’s expression and gaze in the morning meant!

That damn man, what did he do after she fell asleep!

Chapter 947: The Star of the Sea

At this time, the D * mned man she was talking about just walked out of the cloakroom.

His tie was hanging around his neck, not tied yet.

His eyes fell on Lin Hanxing's back.

As she was applying concealer, her waist-length hair was casually tied behind her head, revealing her thin swan neck.

The red and purple marks were left by Lin Hanxing's skillful hands ...

One by one, they disappeared.

Thunder valiant only felt that it was magical.

Although he knew that women's cosmetics had the effect of turning something rotten into something magical, it was still fresh to see it with his own eyes.

"Next time, you're not allowed to leave it in such an obvious place!"

Lin Hanxing looked at one-third of the concealer and thought that Lei Xiao was exaggerating!

In response to her ...

It was the Thunder valiant beast that had suddenly bent down and planted a deep kiss on the back of her neck.

There was also the sound of the engine.

Everyone's lower abdomen tightened when they heard this. It was too clear!

She patted Thunder valiant beast's chest, and the latter laughed and dodged.

"First aunt ..."

Yuan Bao ran up to him, his fair and delicate little sheep face panting.

"What?"

Lin Hanxing let his hair down to cover the marks that had not been covered in time.

grandma asked you to go down. Someone's here.

Hearing this, Lin Hanxing raised his head and looked at Lei Xiao. He casually put on a hoodie and went downstairs.

Soon, she saw the person.

It was Yuan shaojing's uncle hai.

"Uncle hai?"

Lin Hanxing's voice was filled with doubt, as if he did not expect him to come.

"Mr. Yuan asked me to come here to give you a gift, miss Lin."

Present?

Uncle Hai's eyes were meaningful. He turned slightly to let the people behind him bring the things up.

"This is ..."

Mother Lei was the closest and was the first to see it. She let out a small cry of surprise.

It was a set of jewelry.

Kashmir sapphires as the main body, paired with small diamonds, no woman would not love it.

"The Star of the Sea."

Lei min's gentle voice rang out.

When the star of the ocean set was auctioned, it caused a sensation in the streets. In the end, it was bought by Yuan shaojing for 100 million Yuan. Since then, no one had seen this set of jewelry.

He had never thought that he would reappear in this world today!

It had been at least ten years.

"Mr. Yuan hopes that you can wear this set of jewelry tonight."

Uncle hai said respectfully.

In fact, he didn't expect that Mr. Yuan had asked him to come over so early in the morning to deliver this.

Over the years, Madam Cheng and miss susu had mentioned this set of Star of the Sea countless times, but Sir had never given it to them.

Even Uncle hai himself had almost forgotten about it.

She didn't expect that Mr. Yuan had been thinking about it for a long time. He asked someone to find it from a private warehouse in Malaysia and sent someone to deliver it to Jiangcheng specifically for miss Lin.

"I can't ..."

Before Lin Hanxing could finish, uncle hai spoke first as if he had expected her to reject him.

this set of jewelry was chosen by Miss Li Yanyu back then. Mr. Yuan hopes that you can wear this set of jewelry to complete the plan tonight.

Lin Hanxing looked at uncle hai and then at the jewelry.

His eyes were indifferent, and no one knew what he was thinking.

"Daughter-in-law, take it. This set of jewelry matches the dress I gave you!"

Mother Lei walked to Lin Hanxing's side and placed her hand on the back of his.

Lin Hanxing could only feel his hands being enveloped by warmth. He sighed and chose to compromise with mother Lei in the end.

"I know."

Uncle hai was visibly relieved when he heard Lin Hanxing's words.

To be honest, with Lin Hanxing's personality, he was not 100% sure that he could make her accept it.

Chapter 948: The ghost story that spread throughout Jiang city

in addition, Mr. Yuan has already told Mrs. Cheng the story as you asked. Apparently, she is very interested in it. I heard that she has specially ordered a red dress for miss Yuan susu today.

After handing the jewelry to the Lei family servant, uncle hai did not forget to tell Lin Hanxing about it.

Hearing this, Lin Hanxing's lips curved into a mocking smile.

Since yesterday, the news of the Lin family being haunted had spread throughout the whole of Jiang city. The degree of discussion was no less than that of which celebrity had an affair again. From the highest to the lowest, everyone was discussing it madly without exception.

This time, it was even more vivid than Luo Mingwei's.

In short, there was definitely something wrong with the Lin family's Feng Shui!

"Uncle hai, could you please help me pass a message to Mr. Yuan?"

Lin Hanxing's Black eyes glowed with a cold light, and uncle hai shuddered at the sight.

"Yes, miss Lin, please speak."

"The good show is about to start."

.....

Uncle hai quickly left the Lei family.

On the way back, he couldn't help but recall everything that had happened since he met Lin Hanxing in Jiang city. He had to admit that Mr. Yuan's choice was not wrong. Such a meticulous person was enough to arrange everything well.

But ...

Yingluo and the rest of the matter have been resolved. I only hope that girl doesn't blame me for setting her up!

Yingluo, do you really think that girl is rare?

Recalling what Mr. Yuan had once said, uncle hai finally understood why he had such a worry.

He sighed in his heart.

Uncle hai waved his hand to signal the driver to start driving ...

.....

In the Lin family's study.

Lin youlin kept refreshing the web page to read the news about the Lin family. The more she read, the more excited she became!

There was a loud bang!

The laptop in front of her was thrown to the ground!

Downstairs, the servants and cleaners were tidying up the place in preparation for tonight's welcome banquet!

Furthermore, it was a banquet prepared for Lin xiaojiu!

The door of the study room was pushed open from the outside.

Luo Wenbo walked in with dark circles under his eyes, obviously not having a good rest.

Lin youlin didn't know.

For two whole nights, Luo Wenbo dreamed of that person.

How could he sleep well?

"Mom, you're ..."

As soon as he entered, Luo Wenbo stepped on the broken computer screen glass on the ground.

Lin qianlin lifted her head to look at him.

"I know what you're preparing tonight."

Her voice sounded a little deep and cold, but it was even more sinister.

"Mom ..."

Luo Wenbo suddenly looked up, as if he wanted to say something, but Lin youlin didn't listen and raised her hand to stop him.

all the resources I have at hand can be used by you now. I only hope that you can take advantage of this great opportunity tonight to take little 9th into your pocket, so that he won't be able to cause any more trouble!

Lin youlin didn't want to be so extreme.

However, when he thought about how little 9th had been busy with her family ever since she came back, the Lei family behind her, and the 18% of the Lin group's shares in her hands ...

She couldn't sit still!

"Dad, he ..."

"Don't mention him to me!"

These few days, he had been acting weird towards her and even stayed in Shen Shu 'er's room every night.

Lin youlin's heart ached at the thought of Ruyin still in prison!

He wanted to tear Lin xiaojiu into pieces and eat her!

Wenbo, no matter what you do, I only hope that you can destroy her!

.....

Compared to the gloomy atmosphere in the Lin family, the Lei family was in a joyous mood.

Mother Lei could not wait to bring Lin Hanxing to try on the gown.

Originally, she could have sent it to her house directly, but she was afraid that it would be inappropriate, so she could modify it in the shop.

Chapter 949: stunning

Lei Xiao wanted to go with them, but was rejected by mother Lei.

It wasn't easy for her to have a chance to have her daughter-in-law all to herself. She didn't want to fight with this overbearing and possessive son. Besides, she had to maintain the mystery of that dress. God knew ...

She had spent a lot of money to hire a professional to design it for her daughter-in-law!

It was very beautiful!

It was very immortal!

It was very ...

"Expensive!"

He wanted his daughter-in-law to be able to stun the audience!

Let everyone see how beautiful their ah Xiao's little cold star was!

Not long after, mother Lei brought Lin Hanxing and Yuan Bao out of the house!

The three of them had just left when Yan beiming and Liang yuran arrived.

Yan Beichen still had his usual carefree and elegant look.

"Let's talk in the study."

.....

An hour later, the driver stopped the car in front of the most famous studio in Jiang city.

daughter-in-law, I've really emptied old Lei's private savings for you this time. I didn't leave a single bit for him!

Thinking of her husband's miserable state when he found out the truth, tsk tsk tsk tsk ...

Mother Lei chuckled, gloating.

Yuan Bao shook his head, sighed, and spread his hands.

Grandpa is really too pitiful!

Not a single blade of grass could grow after grandma passed by!

Lin Hanxing immediately decided that he would give father Lei a big red packet after he was done with his work to comfort him.

When they entered the studio, someone immediately came up to them.

But ...

Lin Hanxing, who was holding Yuan Bao's hand, paused when he saw Cheng Lingyun sitting on the sofa.

I wonder what kind of fate this is?

Cheng Lingyun obviously didn't expect to meet mother Lei and Lin Hanxing. After a short moment of surprise, she got up with a smile.

"Madam Lei, miss Lin, and ... Little Yuan Bao."

As soon as he opened his mouth, a strong smell of sour plum came.

"I'm sorry, I'm not feeling well. I like to eat sour things recently."

Cheng Lingyun said as she dried the sour plums beside her hand, then touched her flat stomach.

"Hehe, sour children and hot women!"

Mother Lei laughed and pretended to deal with him, but she turned her head and secretly made faces at Lin Hanxing.

Showing off!

Showing off again!

As they were chatting, the sound of the curtain being pulled open came from the fitting room.

The sound of high heels rang in his ears.

"This gown seems to make my waist a little thick ..."

Yuan SuSu's voice came.

In the mirror, the pink mask on her face was still on, and her petite figure was wrapped in a red dress.

As soon as he finished speaking, he saw Lin Hanxing and mother Lei in the mirror and turned around to look at them.

Oh my, so annoying ...

Mother Lei muttered in her heart.

If he had known that he would meet the mother and daughter, he would have brought his daughter-in-law out later!

"I didn't expect to see you here."

The corners of Yuan SuSu's mouth twitched slightly behind her mask. She obviously didn't expect to see Lin Hanxing here.

He thought about what Lin Jiaojiao had said when she came to find him ...

She avoided Lin Hanxing's eyes.

"It's indeed a coincidence."

Lin Hanxing said indifferently. When the manager of the studio heard that mother Lei had arrived, he put down everything and came out to welcome her.

"Madam Lei, we've already prepared the gown you wanted."

As he spoke, he gestured for the shop assistant to pull open the curtain on the other side of the room, which had been pulled open since Yuan susu arrived.

For a time, there were sounds of people taking in deep breaths!

Yuan susu couldn't believe her eyes.

He walked towards the dress that was hanging on the mannequin.

He was so stunned that he couldn't say a word!

"My daughter-in-law! Isn't the fried chicken beautiful!"

Chapter 950 This is a gift from Mother Lei

Mother Lei's eyes lit up and she looked like she wanted to be praised!

When she first saw the design of the gown, Madam Lei had thought that it must belong to her daughter-in-law!

The ice-blue Retro and gorgeous Palace style deep V-design was matched with a light tulle, together with more than 3000 custom-made diamond makeup points, it was as dazzling as the vast starry sky.

It was like a dream, like a Fairyland!

Even Lin Hanxing himself was a little stunned when he first saw her, let alone the others.

It was only then that she understood why Mama Lei had asked her to keep the 'star of the ocean' set that Yuan shaojing had asked uncle hai to give her ...

Indeed, only that set of jewelry was worthy of the clothes in front of her!

"Heavens ..."

Yuan susu gasped from behind her mask, her eyes almost fixed on the clothes.

She had never seen such a beautiful gown before!

Compared to the one in front of her, Yuan susu felt that the one she was wearing was simply trash.

He thought to himself as he walked over.

However, before he could get close, he was stopped by the shop assistant.

"I'm sorry, you can't touch it."

Even if they touched this dress, they would have to put on gloves first, but ...

A few young shop assistants looked at Lin Hanxing.

They had secretly talked about what kind of person was worthy of this dress. Now that they had seen the real person, they couldn't help but feel the same way!

And that was ...

It was its honor that she could wear that dress.

Yuan susu turned around with a blank look in her eyes. She happened to see mother Lei's smile as she looked at Lin Hanxing, waiting for him to praise her. An indescribable jealousy started to brew in her heart.

No matter how much she tried to please her, Madam Lei had never shown her such an expression!

Even though she was smiling, she was polite and distant in her bones.

It was as if no matter how close she got, she could not get the approval of Madam Lei.

But ...

Yuan susu just watched the interaction between mother Lei and Lin Hanxing.

He was unwilling!

He was unwilling to accept this!

"Are you jealous?"

Cheng Lingyun suddenly appeared beside her and chuckled in a low voice.

you've had so many opportunities over the years, but the Thunder valiant beast has never been attracted to you. It even avoids you like a snake or Scorpion. You should just give up on this idea! Cheng Lingyun said indifferently, but her eyes were deliberately teasing him.

Don't think that I don't know that Meimei or Jiaojiao from the Lin family had come to look for me ...

"It's my business, you don't have to worry about it."

Yuan susu sneered as she looked at Cheng Lingyun's belly.

"If you don't help me tonight, you'll have to think about the consequences ..."

After Yuan susu finished speaking, she walked towards Mama Lei without even looking at Cheng Lingyun's face.

"This is mother Lei's kind intention. Aren't you going to try it?"

A muffled sound came from under the mask.

Lin Hanxing raised his head and met his gaze.

go and try ... First aunt! Go and try. Yuan Bao wants to see!

Yuan Bao reached out and tugged at the hem of Lin Hanxing's clothes, looking at her with his big, innocent eyes.

"I know."

Lin Hanxing walked towards the gown, but when he passed by Cheng Lingyun, he gave her a meaningful look.

That gaze sent a chill down Cheng Lingyun's spine.

Yingluo-haven't you already guessed it?

The thing in the White envelope was given to her by Lin xiaojiu!

He clenched his fingers tightly.

She couldn't do anything to her now. She had to wait until after tonight!

How could the Lin family let go of this opportunity so easily?

After tonight, she, Cheng Lingyun, would like to see who could save her!
