

## Goodnight 951

### [Chapter 951](#)

951 May I ask, who is Lin xiaojiu?

While Lin Hanxing was changing his clothes, Yuan susu and mother Lei were having a casual conversation.

He did not take off his mask.

Even though she tried her best to control herself, she still felt a little scared when she saw Yuan susu again.

After all, Yuan SuSu's accident happened right in front of him.

The wound was so big that blood couldn't be covered up with hands, and it dripped to the floor.

But now, the mother-daughter pair seemed to be as close as one person. Mother Lei felt that both of them gave her an uncomfortable feeling. Although it was not obvious on her face, her body's instinctive reactions ...

And it clearly expressed this point!

"Can I trouble you to bring a few glasses of fruit juice over?"

Yuan susu turned to the shop assistant and said.

Very quickly, the juice was placed in front of everyone.

Yuan Bao was sitting on the sofa obediently, waiting for Lin Hanxing to come out with his hands on his chin.

For a time, the few of them had some face!

Twenty minutes later.

The employees in the studio walked out from behind the curtains, their eyes bright and their cheeks slightly red.

"Madam Lei, please take a look."

With a rustling sound, the thick red velvet curtain was pulled open from both sides.

Lin Hanxing stood with his back to the crowd.

Hearing the movement behind him, he slowly turned around.

Mother Lei, Cheng Lingyun, and Yuan susu were speechless for a long time.

If the adults were already like this, the children's reaction would be even worse.

Yuan Bao suddenly stood up.

Her black grape-like eyes widened, and her mouth unconsciously formed an "O" shape!

First aunt is really too beautiful!

She felt that it was not enough to give her all the exclamation marks in the world!

“My daughter-in-law ...”

Mother Lei covered her mouth. She knew that her judgment was right!

Lin Hanxing stood there.

He smiled at mother Lei.

“I can’t, I can’t! Grandma, my heart is beating so fast!”

Yuan Bao suddenly clutched his chest, feeling dizzy.

“My heart is the same!”

Mother Lei clutched her chest, regretting not bringing the Star of the Sea with her. It was a perfect match!

Lin Hanxing laughed when he heard this.

Did the two of them have to be so exaggerated?

She reached out and tied her long hair to her right ear, every action of hers was charming in Yuan Bao’s eyes.

He was so jealous.

Yuan susu was still sitting in her original position, but her thin hands were clenched tightly.

She did not want to admit that Lin Hanxing was beautiful.

Most of the reason was because of this beautiful dress.

It must be because this dress is beautiful, that’s why it has such a shocking effect!

It would be great if he was wearing it ...

If she wore it, she would definitely attract his attention tonight.

Yuan susu thought to herself, her eyes inadvertently revealing an extreme desire.

For a moment, no one spoke.

It was as if they didn’t want to break this beautiful atmosphere.

Lin Hanxing, on the other hand, felt very uncomfortable.

No matter who it was, they would feel the same way after being stared at by so many pairs of serious eyes.

“May I ask, who is Lin little nine?”

Suddenly, a child-like voice sounded.

Lin Hanxing followed the voice and saw a little girl selling flowers.

She was timid.

She stood there uncomfortably.

"I am."

Lin Hanxing said lightly and walked towards her.

The little girl raised her head when she heard the voice, but the moment she saw Lin Hanxing, she was stunned.

Good ...

What a beautiful sister!

She was so beautiful that people couldn't take their eyes off her.

"What's the matter?"

Lin Hanxing deliberately lowered his body and looked at the little girl.

#### [Chapter 952](#)

952 Someone asked me to deliver it

The little girl stared at Lin Hanxing in a daze and did not speak for a long time.

Lin Hanxing did not rush her and waited patiently.

"Someone asked me to deliver it."

After a while, the little girl finally came back to her senses. Her little face was flushed red as she handed the things in her hands to her.

Everyone was a little stunned by this sudden situation.

You can't send things openly, but you have to find someone else to send it over secretly?

Lin Hanxing looked down at the folded paper in the little girl's hand.

"Who sent it?"

Hearing this, the little girl shook her head.

"I promised not to tell."

Lin Hanxing reached out and touched her head.

"Do you want some juice?"

She smiled at the little girl and took the piece of paper from her hand, but she didn't open it.

The little girl was dazzled by that smile, and only nodded shyly after a long time.

“Yuan Bao,”

Lin Hanxing glanced at Yuan Bao.

The latter quickly pulled the little girl to sit down and walked over with a glass of juice.

“It’s good.”

Yuan Bao smiled at her, his pink and Jade-like face looking adorable.

In the next few sentences, Yuan Bao rambled on and on.

He just casually said this.

“Who asked you to send something to my first aunt?”

With his hands on his cheeks, he spoke in the same tone as when he was chatting just now, and no one felt that there was anything wrong with it.

“It’s a big brother who asked me to send it over.”

After he finished speaking, the little girl didn’t even react.

“.....”

Her precious grandson had cheated the pure feelings of a young lady, was that alright?

Mother Lei couldn’t help but sigh in her heart.

Big brother?

Upon hearing this, Cheng Lingyun and Yuan SuSu’s expressions turned strange.

They all looked at Lin Hanxing’s hand.

On the other hand, even though Lin Hanxing felt the gazes of the two people, he ignored them and opened the paper.

However, after taking a look ...

Although his face was still expressionless, there was a flash of fierceness in his eyes.

Yingluo, don’t drink anything tonight.

“Do you have a lighter?”

Lin Hanxing asked the shop assistant.

“Um ... Yes ...”

Although open fire was prohibited in the shop, some craftsmanship was inevitable.

Very quickly, the lighter was brought over.

A click.

Lin Hanxing lit the note on fire.

Then, he threw the other part of the fruit into a glass of juice that no one had touched.

After a muffled sound.

The fire was extinguished.

“Hehe, I wonder who sent it.”

A light chuckle suddenly came from behind the mask. Yuan SuSu’s voice didn’t sound strange, but the words she said made people feel uncomfortable.

As he spoke, he glanced at Mama Lei from the corner of his eyes.

Mother Lei frowned.

He looked at Lin Hanxing with a serious expression.

Yuan Bao’s chubby little face looked at Lin Hanxing and then at grandma!

Oh, what to do!

Lin Hanxing didn’t try to defend himself the entire time.

“Argh! Daughter-in-law, I forgot to order your shoes for you!”

All of a sudden, just when everyone thought that Madam Lei would get angry, a sentence like that rang in their ears!

“.....”

“.....”

“.....”

So that’s why you had such a serious expression on your face just now? was that what you were thinking about?

Yuan susu really wanted to know what was wrong with mother Lei!

“I’ve booked it.”

A deep and magnetic male voice rang in everyone’s ears without any warning.

Everyone looked in the direction of the voice in unison.

Lin Hanxing turned slightly.

Lei Xiao, who was dressed in a slim black coat, was standing not far away, holding a shoe box with a blue Tiffany ribbon in his hand.

The shop assistant couldn’t help but take a deep breath.

She covered her mouth with her hand.

This man was really handsome!

### [Chapter 953](#)

953 The shoes

Yuan SuSu's eyes widened slightly.

He did not expect to see the Thunder valiant beast at this time.

She subconsciously wanted to cover her half-injured face, but then she remembered that she was still wearing a mask.

No matter how much Yuan SuSu's mind was racing ...

But Thunder owl didn't even look at her.

Dad said that mom is always muddleheaded and will definitely forget something, so I have made other preparations.

As he spoke, his gaze fell on Lin Hanxing's face.

There was no movement for a long time.

He looked straight at her, and his dark and cold eyes changed slightly.

The voices in his ears seemed to gradually fade away.

Lei Xiao only had eyes for Lin Hanxing, who was standing not too far away from him.

Yuan Bao held his chin and blinked.

Tsk, tsk, is uncle dumbfounded?

"What are you doing here?"

Lin Hanxing felt uncomfortable under Lei Xiao's gaze. He pursed his lower lips and spoke with a slight curve at the corner of his mouth.

"Ahhhhhhhhhhh! Who told you to come! There's no sense of mystery at all!"

Not expecting Lei Xiao to come, mother Lei looked like she wanted to cry but had no tears.

Lei Xiao pretended not to hear the complaint, straightened his face and quickly walked in front of Lin Hanxing.

He looked down at the little girl who was so beautiful that he couldn't bear to look away.

The little girl that belonged to him.

"Is it good?"

Lin Hanxing tucked her hair behind her ears, her long eyelashes fluttering.

Thunder owl did not say anything.

She opened the Tiffany Blue shoebox in her hand, revealing a pair of dazzling high heels.

Before the others could react ...

The Thunder valiant beast had already crouched down.

Lin Hanxing unconsciously took a step back, but Lei Xiao reached out and grabbed her ankle through her skirt.

"Don't move."

As he spoke, Lei Xiao lifted Lin Hanxing's skirt, revealing his fair feet.

The shop assistant could not help but cover her mouth again.

Oh my God, this was a scene that would only happen in an idol drama. This was also ...

It was too dreamy!

Lin Hanxing allowed Lei Jing to hold his ankle and put the high heels on.

His heart was beating faster.

Only after he had helped her put on her shoes did Lei Xiao get up again.

He returned to his emotionless and cold appearance.

"Ah Xiao, does your daughter-in-law look good?"

Mother Lei walked to her eldest son's side and poked his arm with her hand. She raised her eyebrows and asked him with a smile on her face.

Lei Xiao looked deeply at Lin Hanxing.

"It's nice."

"....."

Yuan susu, who was still sitting on the sofa, couldn't help but clench her fingers when she heard this.

Her long nails dug deep into her palm.

The expression on his face under the mask was slightly ferocious, but no one except Cheng Lingyun noticed it.

Cheng Lingyun sneered in her heart.

The sweeter the two of them were now, the more likely it would be for them to fall out tonight!

After all, Lin xiaojiu's personality was very fierce.

The Thunder valiant beast couldn't stand the sand in its eyes.

Tsk, tsk, I can't wait for the night to come earlier.

Yuan susu didn't know what Cheng Lingyun was thinking about, and she looked at Lin Hanxing with a dark expression.

She wanted to destroy that dress of hers!

She even wanted to destroy her face!

Even if her current situation had changed dramatically, even if Cheng Lingyun was completely obedient to her now, all thanks to Lin Hanxing, but ...

Yuan susu still wanted to destroy her!

As he thought about it, he tightened his grip on the glass of juice.

As long as he poured it on ...

As long as he pretended not to notice and poured it on her ...

Yuan SuSu's fingers turned even whiter as this sentence kept reverberating in her head.

Suddenly ...

The strong smell of fruit juice spread in the air ...

There was no defense at all!

#### [Chapter 954](#)

954 And I did it on purpose

"Ah ..."

Yuan susu stood up abruptly. Her Red Haute couture gown was already covered in juice.

"I'm sorry, I didn't do it on purpose!"

The little girl said in a trembling voice. She didn't know why the cup in her hand had fallen and spilled on this sister's clothes ...

It must be very expensive!

She was so frightened that tears were rolling down her face!

I can't afford it!

"You ..."

Yuan susu was already in a fit of anger, and at this moment, she was venting all her anger on this weak little girl in front of her!

She wanted to give him a slap with her backhand!

"Hmph!"

Following this cold snort, the slap that was supposed to land on the little girl's face missed!

At the last moment, Yuan Bao pulled the little girl behind him.

Lin Hanxing lifted her dress and walked over. Seeing that Yuan susu was still not done, he grabbed her wrist!

“Try it if you dare!”

Yuan susu couldn’t help but cry out in pain.

“I did it!”

Yuan Bao’s words were impolite as he raised his Jade-like little face.

“And I did it on purpose!”

Yuan Bao continued snorting coldly, not giving Yuan susu any face at all. His little face was puffed up with anger!

“What’s going on?”

Mother Lei’s eyes widened. After confirming that Yuan Bao and Lin Hanxing were fine, she finally heaved a sigh of relief.

On the other hand, Lei Xiao’s eyes fell on Yuan SuSu’s face with a malicious look.

Obviously, he already knew what had happened.

“She wanted to spill the juice on first aunt!”

Yuan Bao pointed at Yuan susu with his little hoof.

Yuan susu didn’t expect that her secret would be exposed. She couldn’t help but panic under the mask, and even her body stiffened.

“Yuan Bao, you’re wrong! How could I possibly ...”

Yuan SuSu’s voice was filled with grievance.

“I’m not seeing things! It’s impossible to be wrong!”

Yuan Bao raised his little face with a stubborn look. He had clearly seen the look in her eyes just now!

Hmph!

That was what grandma had ordered for aunt, so she couldn’t let any bad people dirty it!

Lin Hanxing’s face was expressionless.

In the next second, he pushed Yuan susu onto the sofa. His fingertips seemed to have been stained with the strong perfume that she had sprayed to cover up the inflammation of his wound. It was not a good experience.

“I really didn’t ...”

Yuan susu shook her head with all her might, and tears quickly welled up in her eyes.

In Lin Hanxing's eyes, Yuan susu seemed to have returned to the woman they had first met.

Her bashful attitude was annoying.

Cheng Lingyun originally wanted to stand by and watch the show, but after thinking about it, she decided to say something.

Who asked this debt-collecting daughter of hers to have something on her?

"You can't take a child's words seriously. Besides, susu has heart disease. The Lei family can't be bullying her, can they?"

Ever since Yuan shaojing had acknowledged her identity, Cheng Lingyun had stopped trying to please Mama Lei.

She wasn't stupid, how could she not see that mother Lei didn't like her?

"Bullying people?"

The moment Lei Xiao's cold words left his mouth, Lin Hanxing understood and laughed.

They exchanged glances.

"Madam Cheng, you're speaking too early."

Lin Hanxing said coldly as he glanced at Cheng Lingyun's face.

Instantly, a cold air emerged from the bottom of his feet.

It quickly spread throughout his body.

Cheng Lingyun protected her stomach almost reflexively.

Now, no matter what happened, she would do this first, for fear that it would affect the baby in her belly.

Lin Hanxing bent down and picked up the glass of juice that she had just thrown away and burned.

## [Chapter 955](#)

955 I know very well what you're thinking

In the blink of an eye, he walked up to Yuan susu.

She raised her hand, and the glass of fruit juice fell over her head.

In an instant, the air was filled with a sweet and greasy smell!

Very quickly, the glass was empty!

"I know what you're thinking."

Lin Hanxing placed the glass down and placed his hands on both sides of Yuan SuSu's body. He looked down at her with a mocking gaze.

“But Yuan susu, other than this little trick, do you have any other ability to fight me?”

As he spoke, Lin Hanxing reached out and pulled off her mask!

Yuan SuSu’s face was exposed under the broken pink mask, her wound still not fully healed.

“Ah ...”

Short exclamations sounded from all directions.

All the employees in the studio widened their eyes, as if they had never expected this customer’s face to be so terrifying!

“Don’t look at me! Don’t look at me!”

Yuan susu covered her face with her hands, trying to hide the centipede-like scar.

How could Lin Hanxing!

What right did she have!

Even if he suddenly had a bad idea, he hadn’t realized it yet, right?

What right did she have to treat him like this!

“Look at me!”

Lin Hanxing reached out and grabbed Yuan SuSu’s chin, forcing her to look up and meet his eyes!

“Don’t forget how you begged me like a dog!”

She had great strength in her hands.

Even her joints had turned white, and her fingertips had sunk into Yuan SuSu’s flesh.

“If I can let you live a glorious life, I can also let you die naked!”

This time, Yuan SuSu’s tears finally fell.

His face was filled with fear.

I’m not willing, I’m really not willing!

If brother Lei was on her side, she would definitely have the confidence to say this to others!

Brother Lei ...

Yuan susu had never desired anything as much as she did now!

Brother Lei must be mine!

She would definitely be the one to marry into the Lei family!

As she thought about this, the way Yuan susu looked at Lin Hanxing changed.

The more she looked at Lin Hanxing, who looked like a goddess in this gown, the more jealous she became!

She must destroy her clothes!

Her hands, which were originally clenched tightly by her sides, suddenly moved.

The one who was faster than Yuan susu was Lei Xiao.

Before anyone could react, Lin Hanxing's entire body was suddenly suspended in the air. The hem of his ice-blue dress spread out in the air like a big flower, and the broken diamonds embedded on it were dazzling.

In the blink of an eye, Yuan SuSu's attack missed!

He could not even touch the corner of Lin Hanxing's clothes, let alone Lin Hanxing!

Not to mention taking the opportunity to destroy that gown!

Just as he was about to raise his hand, he was frightened by Lei Xiao's fierce gaze and stood rooted to the ground, not daring to make any movement.

Lin Hanxing tugged at the front of Lei Xiao's shirt.

She moved closer to his ear and whispered something.

Lei Xiao first lowered his head to meet Lin Hanxing's eyes with a strange expression, but when he saw her, he blinked his long eyelashes and narrowed his eyes.

"For uncle Yuan's sake, today's matter will end here."

The moment Lei Xiao said those words coldly, mother Lei was the first to notice that something was wrong.

"I'll compensate you with a gown."

Before she could say anything, Lei Xiao's next sentence made her eyes widen even more.

What?

Ah Xiao was going to compensate Yuan susu with a gown?

What was going on?

Just as Madam Lei was about to say something in anger, she saw Lin Hanxing, who was in Lei Xiao's arms, wink at her.

Eh?

Could there be a problem?

The words that were about to leave her mouth were swallowed back down.

"Brother Lei ..."

Yuan SuSu's heart was burning.

## [Chapter 956](#)

956 What are you guys planning?

Unlike Yuan susu, who had been completely mesmerized by the lightning, Cheng Lingyun could clearly feel that something was wrong.

But she didn't say anything.

Lin Hanxing glanced at Cheng Lingyun.

He took in all of her reactions, and his expression was indifferent.

He beckoned for someone to send the little girl away.

Since she dared to ask Lei Xiao, Lin Hanxing was sure that Cheng Lingyun would remain silent.

Compared to the child in her stomach and her wealth ...

What was a disfigured and threatening daughter to her?

Lin Hanxing's long eyelashes fluttered.

She had really put in a lot of effort to make this mother-daughter pair, who had trusted and relied on each other for a long time, break up.

Fortunately, it was worth it!

The shop assistant quickly cleaned up the mess on the floor.

After watching the mother and daughter leave, mother Lei quickly turned her head and looked at Lei Xiao and Lin Hanxing.

"What are you guys planning?"

She wouldn't believe that there wasn't anything fishy going on!

Just as Lei Xiao was putting Lin Hanxing down from his arms, he heard two clattering sounds and Lin Hanxing's high heels landed on the ground.

"It's a secret!"

Lin Hanxing looked up with his pink and white face, his eyes full of light.

Lei Xiao looked at her, the corners of his thin lips curling up into a rare smile, making one's heart drunk.

"You!"

Mother Lei couldn't help but laugh and shake her head.

"If there's any danger, you must let ah Xiao stand in front of you, understand?"

Mother Lei reminded him again, worried.

ah Xiao is a man, his skin is rough and his flesh is thick. It's nothing to be injured, but you're different.  
As he spoke, he saw Lin Hanxing smiling and reached out to touch her forehead.

"I can't bear to!"

Lin Hanxing hid behind Lei Xiao, her small hands tugging at his cashmere coat, only revealing her head.

"I can ... I can also protect first aunt!"

Yuan Bao opened his arms wide and asked for a hug, his delicate little face filled with anxiety.

As they were talking, Lin Hanxing's phone rang.

Lin Hanxing glanced at it.

It was a call from Lin qianlin.

His expression immediately turned cold.

He picked up the phone.

Lin qianlin had called to ask when she'd be back. After all, she didn't seem to have any intention of returning. The Lin family had already sent out an invitation, afraid that something might go wrong.

"Little Jiu, come back soon. Jiaojiao wants to borrow some jewelry from you."

Lin qianlin's words were obviously an excuse.

"I know."

After hanging up the phone, Lin Hanxing fiddled with his phone.

In his mind, he recalled the note that had just been sent to him.

Who was the one who reminded her?

"What's wrong?"

Lei Xiao asked when he saw Lin Hanxing's expression change.

"It's nothing. I just need to go back early."

When they heard that Lin Hanxing was going back to the Lin family, mother Lei and Yuan Bao's expressions immediately fell, and they looked pitiful.

Clearly, he was very reluctant.

"Help me tell Yan beiming to let Bai Xi be his female companion tonight."

If one had to choose between Yan beiming and Liang yuran, Yan beiming would still give off the least pressure.

"Yeah, I'll tell him later."

Thunder valiant stretched out his hand and rubbed the top of her head.

go and change your clothes. I'll have someone send these things directly to the Lin family.

Lei Xiao knew that since she had said so, she would not return to the Lei family with them later. But when he thought of her returning to the swamp alone, although he understood that she had already made preparations, he was still reluctant to let go.

"I'll also use your name to deliver the evening gown to Yuan susu later."

Lin Hanxing gave Lei Xiao a meaningful smile.

There were some things that she knew ah Xiao would understand even if she didn't say it.

"I want to be with first aunt!"

Yuan Bao grabbed Lin Hanxing's hand and refused to let go.

### [Chapter 957](#)

957 Then I'll hand her over to you

He was only missing the limbs that were hanging on her body.

Just as Yuan Bao thought that he would be thrown out, his uncle's hand landed on his head.

"Then I'll leave her to you."

.....

The weather was gloomy.

As soon as Lin Hanxing's car drove into the Lin family's house, he felt that things were different from before.

There seemed to be countless pairs of eyes peeking in the dark.

"First aunt, don't be afraid."

Yuan Bao was still a child, so he couldn't explain what he was feeling. However, he subconsciously wanted to protect Lin Hanxing.

Her lips were reflected in the rearview mirror.

At this moment, it was slightly raised.

"I'm not afraid."

The mute uncle and Jiang Xibao had already received the news and were waiting at the entrance of the villa.

He was stunned when he saw the passenger seat open the door first.

With a thump, a fair-skinned child jumped down first.

Jiang Xibao's eyes widened.

"Hello, Sister Xi Bao, Hello, mute uncle."

The little sheep dumpling greeted the two of them like a little angel.

Jiang Xibao's heart was about to melt.

Even the mute uncle Zhen's cold eyes softened.

He raised his head and looked at Lin Hanxing, who had just gotten out of the car. He used his eyes to ask why he had brought the child here.

"He said he would protect me."

Lin Hanxing had a faint smile on his face. The mute uncle was stunned for a moment, then his tightly pursed lips loosened.

He actually revealed a rare smile.

"Has the gown arrived?"

Lin Hanxing looked at Jiang Xibao. She had already prepared it for Jiang Xibao and Bai Xi.

Jiang Xibao nodded his head like a chicken pecking at rice.

His eyes were filled with surprise.

"Let's go in."

.....

"What did you just say? Lei Xiao's little nephew also came with little nine?"

In the bedroom, Lin youlin was helping Luo Minghao pick out a tie. Shen Shu 'er walked over in a graceful red dress. Ever since her son's death, Luo Minghao had been staying in her room every night. Even though it was compensation, her complexion was obviously rosier.

He released the wave and walked towards Luo Minghao in front of Lin qianlin.

He even touched Luo Minghao's lower body without hiding anything from Lin qianlin.

"Sister, who would still choose a tie of this color?"

Shen Shu 'er rolled her eyes and spoke in a strange tone.

Lin qianlin felt as if she'd been punched in the chest, and her eyes grew cold.

"Last night, you made my waist so sore."

Shen Shu 'er seemed to have no bones as she snuggled in Luo Minghao's arms. She would even look at Lin youlin provocatively from time to time.

How arrogant!

The more arrogant you are now, the more you will cry in the future!

She had put in a lot of effort to control the Lin family.

She would like to see who would have the last laugh!

Lin qianlin chuckled coldly in her heart.

“I’ll get someone to receive you.”

Luo Minghao said stiffly, but the latter only hugged Shen Shu ‘er and responded casually.

With her back facing the adulterous couple, Lin youlin clenched her fists tightly as she walked out, her nails digging into her flesh.

And very quickly ...

The panting sounds of a man and a woman came from behind ...

.....

When she heard that Lei Xiao’s nephew had arrived, Lin Jiaojiao practically ran all the way to Lin Hanxing’s room.

In her hands were some children’s favorite snacks that she had found on the spot.

Today, she was dressed especially pure and ladylike.

Long black hair and a white, furry knitted dress were the elders ‘favorite outfits.

He had just reached the door.

She heard the soft voice of a child inside.

Knock, knock, knock.

He knocked on the door nervously.

“Enter.”

His cousin had really returned!

Lin Jiaojiao closed her eyes and deliberately ignored the fear that Lin Hanxing had caused her that night. She pushed the door open and entered.

He saw that it was her.

The other people’s gazes immediately gathered on him.

## [Chapter 958](#)

958 Deliberately currying favor

Lin Jiaojiao immediately saw Yuan Bao sitting in the middle of the sofa.

Her eyes, which were covered by her bangs, instantly lit up.

“Cousin, he is ...”

As she spoke, Lin Jiaojiao took the initiative to walk over to Yuan Bao and handed him the snacks in her hand.

No one answered her.

Even Yuan Bao just tilted his head and blinked his eyes adorably without saying a word.

“Want some candy?”

Lin Jiaojiao had a sweet smile on her face. Usually, other children would fall for this.

“Sister Xi Bao, do you have a pen and paper?”

All of a sudden, Yuan Bao started to act cute in front of Jiang Xibao. He was as likable as a glutinous rice bun.

Although Jiang Xibao didn’t know what was going on, he still brought it to him.

Yuan Bao started to scribble on the paper.

Just as Lin Jiaojiao’s hands were getting sore from holding the snack box, Yuan Bao finally handed her the paper.

“Sister, can you help me solve this problem?”

Yuan Bao said in an adorable manner.

Lin Jiaojiao was dazzled by the smile on his face. She looked down and her mouth stiffened.

What the hell is this?

A math question?

Why was it so complicated?

And what was this long string of numbers?

What the hell is this?

The smile on Lin Jiaojiao’s face almost disappeared.

“Sister, can you help me untie it?”

Yuan Bao tilted his head and passed the pen to her, his long eyelashes fluttering.

“.....”

Lin Jiaojiao’s hand that was holding the pen was trembling. She felt as if she was being watched from all directions.

Numbers and symbols seemed to be flying around in front of him.

“I ...”

She wanted to say that she wouldn't, but Lin Hanxing was still here, so Lin Jiaojiao was in a difficult position.

He did not want to leave a bad impression in front of his nephew, Lei Xiao, but he also did not want to show weakness in front of Lin Hanxing.

But ...

What the hell is this thing?

Who could tell her?

"Big sister can't?"

Under Yuan Bao's urging, Lin Jiaojiao finally gave in.

"This question is too difficult. Cousin, you should know how to do it, right?"

Lin Jiaojiao simply pushed Yuan Bao's math question to Lin Hanxing.

She didn't believe that she really knew how to do this!

Lin Hanxing saw through Lin Jiaojiao's thoughts at a glance. She wanted to drag her down with her before she died ...

She could not help but shake her head and sigh in her heart.

This caused Jiang Xibao to be curious.

He lowered his head and looked at what Yuan Bao had written on the paper. He could not help but be dumbfounded.

What was this?

Why was it that she could clearly understand every single number, but when they were put together, she was completely dumbfounded?

Lin Jiaojiao looked at Lin Hanxing, waiting for her to embarrass herself as well.

However, Lin Hanxing only gave him a light glance.

He gave an answer.

"....."

Yuan Bao's eyes widened, and his mouth formed an 'O' shape!

Correct!

First aunt is so handsome!

Just now, he thought that he had seen his uncle.

Back then, his uncle had also given him the correct answer with the same expression and tone.

“Hehe, cousin, you gave me an answer so casually?”

Lin Jiaojiao looked at Lin Hanxing and said in a weird tone.

Lin Hanxing looked at Lin Jiaojiao and smiled.

He reached out and took the pen from the table. He began to answer the questions on the paper. For a while, no one spoke. Only the sound of the pen moving on the paper could be heard. Jiang Xibao’s blood was boiling.

Although she could not understand it at all, she really felt that ...

Miss Jiu is so powerful!

“Do you understand?”

Lin Hanxing listed the process of solving the problem to the side, and at the end, he drew a big circle on the answer with his pen.

He raised his head and looked at Lin Jiaojiao again.

#### [Chapter 959](#)

959 A breath of anger

He understood ...

That’s weird!

Lin Jiaojiao felt her head buzzing and she couldn’t speak for a long time.

She clenched the snack box in her hand and tried to force a kind smile on her face because of Yuan Bao.

“I ...”

However, when he met Lin Hanxing’s eyes, for some reason, a wave of resentment gathered in his heart.

She must be laughing at her in her heart.

Lin Jiaojiao thought to herself.

His eyes then fell on Lin Hanxing’s face.

There was an indescribable jealousy brewing. It was a feeling that he had had since a long time ago.

Looking at her milk-like skin, looking at the limited-edition clothes she was wearing that even he couldn’t buy with money, looking at the indifferent and elegant eyes she gave him when she glanced at him ...

His whereabouts had clearly been unknown for the past 18 years!

However, if they stood together and others came to look, their gazes would definitely fall on her cousin first.

In that instant, Lin Jiaojiao finally understood Luo Ruyin’s feelings.

"If big sister doesn't know how to, I won't eat the candy."

Seeing that Lin Jiaojiao was still trying to feed him candy, Yuan Bao opened his mouth.

"....."

So, what was the relationship between eating candy and doing math questions?

"But I'll eat it if first aunt gives it to me!"

Yuan Bao's tone changed as he smiled at Lin Hanxing.

Their closeness was clear at a glance.

It was the kind that even a needle could not penetrate. Lin Jiaojiao's eyes were red and she was impulsive.

it's just a math problem. Many of the people I know are Ivy League graduates. If you're interested, I can introduce you to some people at tonight's dinner!

Although Lin Jiaojiao had been suppressed by Luo Ruyin in the past few years, she had frequently made small moves in private.

Based on the contrast between her image and Luo Ruyin's, she had won a lot of good feelings.

Luo Ruyin thought that she was superior to her in terms of appearance and always liked to bring her along when she went out, but she didn't know that the more she was like this, the more beneficial it was for her. It could even be said that it helped her make a lot of connections.

Yuan Bao was a little unhappy when he heard Lin Jiaojiao's words.

It wasn't easy for uncle to not be able to have Auntie in private, so why did this old sister in front of him always have to use an 'I'm very familiar with you' expression to chat with him!

So annoying.

However, she still had to maintain her cute smile.

He felt that he was really an unfortunate four-and-a-half year old child.

Just as they were talking, Lin youlin called a servant to bring in a large pile of snacks from the fully open door.

When he saw Lin Jiaojiao, he was stunned.

"Argh! Jiaojiao is here to borrow jewelry?"

Lin youlin didn't even ask and just asked the servant to put the snacks on the coffee table.

Soon, it was full.

Ever since the Zhao family's incident, Lin Jiaojiao always felt gloomy when she saw her aunt.

However, no matter how uncomfortable he felt, he could not show it on his face.

After all ...

No matter how unwilling they were, they were still a family in the eyes of outsiders.

They were bound together for good or bad.

“Little Jiu, is this young master Lei’s nephew?”

Lin youlin put on a kind face and smiled.

“.....”

Jiang Xibao was speechless. So, why did the Lin family have the same strategy?

But ...

He glanced at the calm and composed ninth miss.

Ninth young lady was also a member of the Lin family, so it was better for her to put away her disdainful heart!

Lin Hanxing smiled but did not say anything.

The atmosphere became slightly awkward.

On the other hand, Yuan Bao suddenly covered his mouth and looked at Lin youlin and Lin Jiaojiao in surprise.

The two of them were a little confused.

He didn’t know where the problem was.

## [Chapter 960](#)

960 First aunt, is the Lin family that poor?

“First aunt, is the Lin family that poor?”

Yuan Bao’s voice came through the gaps between his fingers, as soft as red bean soup ball.

“.....”

“.....”

Both Lin qianlin and Lin Jiaojiao were confused by Yuan Bao’s words, clearly not understanding why the conversation had suddenly changed.

Jiang Xibao understood what he meant, but he pursed his lips and smiled without saying anything.

“What?” Lin Hanxing’s lazy tone was raised, proving that she was in a good mood.

“Why do I have to borrow jewelry from you to attend a banquet?”

Yuan Bao’s eyes were wide open, as if the question had really shocked her.

Lin Jiaojiao’s expression turned ugly.

She originally wanted to leave a good impression in front of her nephew Lei Xiao, but she did not expect her aunt to step on her like this!

Suddenly, Lin Hanxing chuckled.

He raised his eyebrows and looked at Lin youlin, throwing Yuan Bao's question back at her.

"This ..."

Lin youlin was about to say something when Yuan Bao tilted his head and looked at her again.

"Auntie's aunt, I heard that someone from the Lin family stole my auntie's things. Is that true?"

If this was said by any other adult, Lin youlin would not hesitate to turn hostile.

But the one who asked this question was a child!

The most important question was ...

This child was even Lei Xiao's nephew!

How was she supposed to answer that?

Lin qianlin's face turned from green to white, then to red. She didn't know what to say.

"Aunt, uncle can't stand you being wronged. You must not swallow your anger!"

"....."

Lin xiaojiu was still swallowing his anger?

Hearing this, Lin youlin and Lin Jiaojiao couldn't help but think of the same thing.

If Lin xiaojiu's actions ever since he came back were considered swallowing his anger, the Lin family would not have been turned upside down! Every day was like riding a roller coaster, worrying about this and that!

Lin Hanxing reached out and patted Yuan Bao's head.

Lin qianlin and Lin Jiaojiao, no matter how thick-skinned they were, couldn't stand it any longer. They said their goodbyes, then turned and left.

"You!"

Lin Hanxing mimicked mother Lei and tapped Yuan Bao's nose.

Yuan Bao snorted and fell into her arms, returning to his soft and cute sheep-like appearance.

"I finally know why your uncle let you in!"

Lin Hanxing could not help but chuckle.

"Hmph, I hate them. They're so shameless!"

Yuan Bao spat twice. 'First aunt's things are not something they can covet, shameless!'

While they were talking, Lin Jiaojiao, who had just left the room, was not idle.

After returning to her room, she immediately picked up her phone and made a call.

Very quickly.

The call was connected.

“It’s rare for you to call me!”

The other party’s voice sounded carefree, and he was obviously in a good mood.

I remember that your straight-A student cousin is back, right? ”

Lin Jiaojiao bit her thumb as she asked the person on the other end of the phone.

“My cousin! What’s wrong?”

“Bring him to the banquet tonight. I’ll give you an invitation later.”

“It’s such a killjoy to ask him to come! That bookworm is busy winning glory for the country!”

No matter how he heard it, it sounded like he was mocking her.

“Yuan, I’m not joking with you. Even if you force her to come here tonight, just do me a favor!”

Lin Jiaojiao rolled her eyes and added.

when I was chatting with my cousin today, I mentioned the project that your cousin is currently researching. My cousin was quite disdainful and said some unpleasant things. He’s your cousin, after all, so I was thinking ...

“What the f \* ck? Your cousin? That Lin xiaojiu?”

How could he be so arrogant?
