

Goodnight 961

[Chapter 961](#)

961 I really want to see it

At the yuan family's Villa.

At this time, second young master Yuan, Yuan Xiang, who was on the phone in his bedroom, rolled out of bed.

"Even if my cousin is a bookworm, it's not her place to criticize him, right?"

Although he had been compared to his cousin since he was a child, to second young master Yuan, his cousin was family.

"I really want to experience it!"

He said a few more words to Lin Jiaojiao on the other end of the phone and hung up the phone angrily.

She ran barefoot to her brother's room.

Yuan hou was picking out the clothes he would wear for tonight's banquet. As a famous family in Jiang city, the yuan family naturally received the invitation.

"Brother, lend me your car keys!"

The door was pushed open from the outside with a bang.

Yuan Xiang had just finished speaking when he saw the person in the room. His expression suddenly became strange.

Was this still his big brother?

Yuan Xiang was dumbfounded as he looked at the head of red hair that had been dyed Back to Black.

"You didn't suffer any shock, did you?"

Xiang Yuan was so frightened that he forgot his original intention. He only felt that his big brother must have been kicked in the head by a donkey!

And it must have been broken by the kick!

As a typical brother complex, he had seen Yuan hou dye his hair red before he dyed his own head blue!

One had to know ...

Since ancient times, red and blue had been a couple!

But now, his big brother had secretly dyed his hair back?

Attack happy!

Crying!

“Why do you need the car keys?”

Yuan hou looked at his younger brother. He had caused too much trouble this year. His parents had already deducted his car and living expenses.

“To pick up my cousin!”

Xiang Yuan replied in a daze, obviously still in shock.

“You’ve looked down on him the most since you were young!”

He was a genius who had become a God since he was young. He was different from people like them.

In the past two years, after graduating from the University of Pennsylvania, he had worked hard to set up some Chinese laboratory and was obsessed with scientific research, which made his aunt feel despair. After all, this cousin of his was the only son in the family.

He had high hopes.

the situation is different. I’m bringing cousin to the Lin family’s banquet tonight to widen his horizons.

Yuan Xiang raised his eyebrows. He wasn’t stupid enough to say that he was going to bring that bookworm to cause a scene.

Who asked that Lin xiaojiu to go crazy!

“You’re bringing him to the Lin family’s banquet?”

Yuan hou laughed, not thinking about anything else.

This brother of his, other than being a little impulsive, had no other problems.

cut the crap. Give me the key. Auntie always says that she’s afraid that he’ll be suffocated at home. What’s wrong with me taking him to see the world and get to know all the socialites in order to prepare for the reproduction of the future? ”

As Yuan Xiang spoke, he decided to dye his blue hair back to its original color.

MMH!

It’s decided!

.....

“You mean that girl’s handwriting is good?”

Elder Yan’s voice was deep and dignified, filled with righteousness.

“That’s right! It’s more than just good calligraphy, it’s simply passing off fake as real!”

Elder Zheng, who was dressed in a Chinese tunic suit, was full of praise for Lin Hanxing.

Only the heavens knew how much he liked that girl from the Lin family. She was the kind that he was willing to take in as his goddaughter!

“It’s a pity,”

Elder Zheng couldn’t help but shake his head when he thought of the fact that this girl was from the Lin family.

However, Yue Guanjian raised his head and looked at elder Yan.

They had known each other for decades and had some tacit understanding.

“You’re thinking of ...”

Yue Guanjian looked at master Yan. Ever since the guard had told master Yan everything that had happened at the hospital, he had obviously been very interested in the Lin girl. However ...

This was not out of his expectations.

That girl was truly outstanding!

[Chapter 962](#)

962 Then go

“What are you thinking about?”

Elder Zheng looked at the two of them speaking in riddles and was very anxious.

Elder Yan sipped his tea, clearly not intending to clear his confusion.

“Are you all planning to go tonight?”

After a while, master Yan put down his teacup, and the security guard, Xiao Zhang, refilled his cup.

“I’m here to fill up little 9th’s stage, so that she won’t be looked down upon.”

Yue Guanjian and elder Zheng talked to each other.

Especially elder Zheng, after the incident at Fu Ruixiang, he treated Lin xiaojiu as his own granddaughter.

However, their relationship was public in Jiang city, but master Yan was different.

If he were to step in, the nature of the matter would be different.

So Yue Guanjian and elder Zheng didn’t take the initiative to mention tonight’s matter to elder Yan.

“Then let’s go,”

Elder Yan picked up his tea again, and that lively face appeared in his mind.

“I’ll go too.”

As soon as these words came out, everyone was shocked.

.....

“Do you mind if we talk?”

Shen Shu 'er walked over in her alluring red dress with a cigarette between her thin fingers. She leaned against the door of Lin Hanxing's room and looked at Lin Hanxing's distant and cold eyes with a complicated expression.

The mute uncle and Jiang Xibao brought Yuan Bao downstairs to the kitchen to make some pastries for him to eat.

He left some space.

Lin Hanxing stood up and walked towards Shen Shu 'er, her delicate little face expressionless.

There was even an indescribable coldness.

He took the cigarette from Shen Shu 'er's hand and snuffed it out among the decorative lotus flowers in the corridor.

"What do you want to talk to me about?"

Lin Hanxing only looked at her with raised brows after she was done.

"Do you think I have a chance to replace your aunt?"

Shen Shu 'er no longer had a cigarette in her hand. Instead, she was playing with her hair flirtatiously. She was completely different from the old-school peony scent that Lin Hanxing had when they first met. She even had a Foxy smile on her face.

When Lin Hanxing heard this, he was first stunned, then he could not help but laugh.

She had overestimated her.

He had imagined that she would ask countless questions, but he did not expect her to ask this.

"What are you laughing at?"

Shen Shu 'er's expression froze.

"Close the door."

Lin Hanxing looked at her deeply, then walked back to the sofa and sat down.

Shen Shu 'er walked in and closed the door behind her. However, she still felt uncomfortable in her room. After all ...

Her son had been hidden here.

"If you want to hear the truth, then I don't have any."

A white cashmere blanket was covering his knees, and Lin Hanxing had one hand on his cheek, looking calm and relaxed.

"Your uncle is staying at my place every night now ..."

Shen Shu 'er had to use all her skills to achieve the effect.

"How long is the shelf life of a man's passion for a woman?"

“A week? A month? One year ... Or two years?”

Placing all the hope of his future on another person was a stupid thing to do!

“Besides, do you think my aunt will let you have another child?”

Lin Hanxing’s lukewarm words made Shen Shu ‘er shiver.

“You can’t compare to her in terms of viciousness.”

“The two of them share the same interests.”

If she wasn’t ruthless, how could her aunt have her current glory?

The so-called wealth and riches were found in danger.

Yes, it was.

Lin qianlin was cruel.

No!

To be exact, the entire Lin family was like this!

Just like tonight, in order to destroy Lin xiaojiu, they had put in so much effort ...

“You’re thinking about what happened tonight?”

Lin Hanxing was fiddling with something, his long eyelashes slightly closed, hiding the overflowing light in his eyes.

[Chapter 963](#)

963 Night falls

Shen Shu ‘er’s expression was extremely vigilant, and even her gaze started to waver.

“I don’t know anything.”

Lin Hanxing looked at her and smiled.

Shen Shu ‘er’s back broke out in a cold sweat. Even her sitting posture changed from the charming one at the beginning to the cautious one of an elementary school student.

they always put their minds on useless things and don’t think about how to revive a withered tree. No wonder the Lin family has been in a state of decline in just a dozen years. When these words entered Shen Shu ‘er’s ears, there was a profound meaning to them.

Lin Hanxing leaned lazily on the sofa, looking calm and composed.

Shen Shu ‘er looked at her in shock, but she did not notice the slight mockery in Lin Hanxing’s eyes.

Did she know?

No.

If she really knew, why did she come back?

I'm done with the nonsense. Why don't the two of us talk about serious business? "

Just as Shen Shu 'er's heart was pounding, Lin Hanxing's words suddenly rang in her ears.

He suddenly raised his head!

"What business do we have to talk about?"

"Do you think that Luo Ruyin is a lunatic who would kill your son for no reason?"

As soon as Lin Hanxing said that, the veins on Shen Shu 'er's forehead popped out and she stared at Lin Hanxing with murderous eyes.

"She hates me!"

"She does hate you, but don't you think it's illogical for her to kill your son because she hates you?"

Lin Hanxing's voice was cold, but every word he said pierced Shen Shu 'er's heart.

"What are you trying to say?"

Shen Shu 'er's eyes were wide open, and the blood vessels in her eyes looked as if they were about to drip blood.

"Luo Ruyin was only drugged by Lin Jiaojiao,"

Shen Shu 'er's mind went blank!

.....

Night fell.

The Lin family's Villa was brightly lit.

The large mansion was well-prepared for tonight's banquet, and the green plants were hung with star lamps.

It was like a dream.

The servants were busy going back and forth inside and outside the villa.

The automatic carved doors opened to both sides, welcoming countless guests who were active in the political and business world ...

The Lei family and country G's richest Chinese man, Yuan shaojing, had long released news that they would be attending with their companions. Even if it was to build a relationship with them, all the major families in Jiang city who had received the Lin family's invitation to the banquet would have to think twice.

Moreover ...

They were really curious about Lin xiaojiu.

She had been missing for 18 years, and when she returned, she first seduced the Lei family's young master, then caused a bloodbath in the Lin family. It was said that she even had the Lu family in her hands, and even had a relationship with Yuan shaojing.

What kind of woman could have such an ability?

The parking lot in the villa was already full. The luxury cars that symbolized the Lin family's status were all showing the importance of this banquet. It was no exaggeration to say that tonight ...

Almost all of Jiang city's political and business tycoons were gathered here!

Other than Lin Hanxing's parents, Lin Weiyuan, and Bai Rou, who had such a scale more than ten years ago, this was the first time in the past twenty years that the Lin family had invited so many important people!

Even Lin youlin did not expect this!

They hurriedly added more cooks and security guards, and their hearts were beating violently with excitement and joy.

Was the Lin family finally going to regain its glory in her hands?

At that moment, Lin Hanxing was standing leisurely in front of the floor-to-ceiling window in his bedroom, his fair fingers holding a glass of champagne.

The mute uncle stood behind her.

He was dressed in a rare formal suit, and his expressionless face still showed no joy or anger.

"Mute uncle, this is the Jiang city's rich and powerful family."

As Lin Hanxing spoke, she took a sip of champagne, and the corners of her mouth curved into an alluring smile.

The mute uncle looked downstairs.

His eyes were filled with deep ridicule for these people.

[Chapter 964](#)

964 Jianghu's quack and otherworldly expert

It was more like a Vanity Fair to make friends and draw people's connections.

Due to the importance of the event, the Lin family had arranged for all the media reporters to be in the same area. The various media outlets had gathered here, and before the banquet had officially started, they could not help but whisper.

He was trying to get some inside information from the other side.

so that's what master Guan really said about Lin little nine. I always thought it was just a rumor.

One of them sighed, which attracted the curiosity of others.

“Which master Guan?”

“What did he say?”

When they heard that it was related to Guan Hongbin, the other colleagues who were adjusting the machines immediately perked up.

Only the heavens knew that this master Guan was a truly extraordinary master!

When others talked about fortune-telling, they would only be criticized as charlatans.

However, Guan Hongbin’s words had a different meaning. In ancient times, he was the state Teacher.

Seeing that his words had attracted the attention of so many people, the old man’s vanity was greatly satisfied.

“I know, I know about this ...”

Suddenly, someone interrupted.

“He said that the Lin family’s prosperity and decline are all because of this woman.”

The words fell.

There was complete silence.

Master Guan said that?

“Hehe, you’re wrong!”

The senior who had started the conversation sneered and attracted everyone’s attention again.

“Wrong?”

“You’re gravely mistaken!”

Hearing this, the others were excited. Did master Guan Hongbin not say anything at all?

They knew it.

How could a mere little ninth child of the Lin family be so lucky to receive master Guan’s approval?

master Guan said that the Lin family declined and prospered because of this woman!

As soon as these words came out, everyone was in an uproar.

This ...

Was there anything different from before?

It was just a change of sequence.

At least, they didn’t sound different!

“It’s different.”

A soft child's voice came from somewhere and sounded particularly abrupt.

"The first sentence means prosperity first, then decline. The second sentence means decline first, then prosperity!"

Everyone's eyes followed the source of the voice.

He saw a sheep dumpling in a small suit squatting in the corner with a lollipop in his mouth. He held his little face in his hands, and his cute eyes made people feel very happy.

Seeing that everyone's eyes were on him, the little guy did not have the slightest shame of eavesdropping.

Instead, he stood up and patted his butt, the little bow tie on his neck swaying.

She looked like she was carved from Jade.

Everyone loved him.

"As a writer, you must be rigorous! Rigorous!"

After saying that, the little guy turned around and ran away before anyone could notice him.

It was just like when he came.

"....."

No one spoke. Compared to the chaos when the guests arrived, there was a dead silence.

"That child ..."

Someone asked hesitantly.

"Why do I feel that he looks a little familiar?"

Someone else chimed in, obviously finding him familiar.

"You don't say, I also feel like I've seen him somewhere before!"

Someone else spoke.

"Don't you think that child looks a little like ..."

"Who is it?"

Everyone looked at the person who spoke.

"Young master Lei's nephew, fourth young master Lei's son ... Lei Yanchen ..."

"!!!!!"

Everyone was shocked!

.....

At the same time.

Luo Wenbo's bedroom.

He had just changed into a suit and walked out of the cloakroom when he saw second young master he zhehan flirting with his cousin Lin Jiaojiao.

[Chapter 965](#)

965 I have brought my cousin here

Her hand was about to reach into the collar of her gown.

Seeing Luo Wenbo come out, he zhehan didn't restrain himself. Instead, he leaned closer to Lin Jiaojiao's ear and licked it.

She looked pretty good today.

He zhehan noticed it as soon as he entered.

The long white dress had a puffy design at the bottom. The chiffon was soft and could arouse a man's desire to protect her.

Lin Jiaojiao felt like puking.

Why was second young master he so disgusting!

"Don't leave any marks."

Luo Wenbo snorted coldly. He zhehan acted as if he had heard an imperial edict. He smiled with his eyes narrowed and hugged Lin Jiaojiao's waist.

"Cousin!"

Lin Jiaojiao exclaimed. He zhehan's hand had already lifted her dress from behind.

High heels, ankles, calves, and even knees ...

They were gradually exposed to the air.

"Don't forget, you're all depending on me tonight!"

Lin Jiaojiao shuddered and growled in embarrassment. She even wanted to kill he zhehan.

Luo Wenbo glanced at he zhehan.

The latter used his thumb to push the corner of his lips, revealing an evil smile.

"It was just a joke, why is sister Lin so angry?"

Lin Jiaojiao didn't even look at him as she quickly tidied up her clothes.

She had begged her mother for a long time before she agreed to have this dress custom-made for her in Paris. Although it was expensive, she believed that she would be able to attract others' attention with her beauty now that Luo Ruyin was gone.

Her first time must not be ruined by an idiot like he zhehan!

As she was speaking, Lin Jiaojiao's phone rang.

He lowered his head and looked at the caller ID.

It was second young master Yuan, Yuan Xiang.

She had never felt so grateful to him before.

He picked up the phone.

"Where are you? I've brought my cousin here! He's full of fire now!"

On the other end of the phone, Yuan Xiang was using his Bluetooth as he drove.

Taking advantage of the red light, she glanced at her cousin, Zhu chengdi, who was sitting in the front passenger seat with an expressionless face.

To put it nicely, his cousin's brain had turned stupid from studying too much. Other than his laboratory and research projects, no one else was worthy of his attention ...

Oh, wrong!

There was still one more person that he had been thinking about.

He had heard his aunt mention it before.

After his cousin graduated, he wanted to work in a National Laboratory abroad. However, due to the discrimination against Chinese and yellow-skinned people, his ambition was useless, so he left in anger.

He even boasted before he left.

One day, he would lead the Chinese to a higher peak than them!

However, it was easier said than done.

Her cousin was hot-blooded, but he was limited by objective and subjective conditions. When he went abroad, he was so glorious, but that period of time was so difficult. His aunt had told him many times that her heart ached and asked him to come back, but he gritted his teeth and refused to come.

The yuan family also wanted to help.

However, the investment to set up a non-profit laboratory was so big that it wasn't something that could be bought by the yuan Corporation alone!

At that moment, that person appeared ...

In less than half a year, the laboratory was built.

In just three years, his cousin's laboratory had gathered a large number of top scientists in the world and had always been at the forefront of scientific research and innovation. It was even comparable to the National Laboratory in the M Nation, providing a large number of top talents and technology to China.

Taking advantage of the holiday this year, her cousin had returned to China and was invited to the state banquet.

The reason was that his cousin's laboratory had made a major breakthrough in the fields of quantum information science, quantum computing, and so on. They had overcome a top-tier problem in China, causing the military to have an unprecedented major breakthrough in certain aspects!

At the thought of this, Yuan Xiang pursed his lips.

"Where are you? I'll go find you!"

Lin Jiaojiao looked at Luo Wenbo and he zhehan and said in a deep voice.

[Chapter 966](#)

966 I promise

The guests attending the Lin family's banquet were drinking and exchanging toasts downstairs.

Although the important guests had not arrived yet, they were still in a harmonious mood.

The orchestra that the Lin family had specially invited for today's banquet was playing a light-hearted tune.

The air was filled with the faint fragrance of flowers and champagne.

Upstairs.

Jiang Xibao was hiding behind the curtain and only his big eyes were exposed.

The makeup artist sent by mother Lei had just finished her work and was putting the makeup back into the makeup box.

Looking at this scene, he could not help but laugh out loud.

This little girl was really too cute.

Although it looked meaty, its skin was so tender that water could be squeezed out of it. It was like a tangyuan, which made people want to take a bite to see if the filling was red beans or peanuts.

Lin Hanxing was walking out of the cloakroom.

There was a clang.

The ocean blue mystery's honeydew cake box in the makeup artist's hand fell to the ground and rolled to Lin Hanxing's feet.

Yuan Bao, the little sheep dumpling, walked toward his aunt with a lollipop in his mouth. He bent down and picked up the box of shiny honey powder, his face full of pride.

Hmph, he had already seen it!

He wasn't as shocked as they were!

Yuan Bao licked the lollipop and expressed his smugness in a 'reserved' manner.

"Xi Bao, come out."

Lin Hanxing looked at Jiang Xibao indifferently. Her slightly curly long hair was casually scattered behind her. She was tilting her head and putting on the tasseled 'Star of the Sea' earrings. Her every move was flirtatious.

"....."

Jiang Xibao could not help but walk out from behind the curtain. He even forgot to cover his chest that he thought was too exposed.

"So ... So beautiful ..."

Jiang Xibao's little face was filled with shock. He subconsciously walked toward Lin Hanxing.

She hesitantly reached out her little hand and poked Lin Hanxing's face!

"....."

Lin Hanxing stopped what he was doing and looked up to meet Jiang Xibao's eyes.

He blinked.

"Alive ... Hot ... So ... So beautiful! I can't breathe!"

Jiang Xibao covered his eyes with his hands and could not help but secretly look at her through the gaps between his fingers. Lin Hanxing could not help but laugh.

"You're also very beautiful."

Lin Hanxing brought Jiang Xibao to the full-length mirror, and Jiang Xibao's face was reflected in the mirror.

Jiang Xibao's light purple dress completely highlighted his white skin. His chubby cheeks looked even more transparent and lovely after being skillfully made by the makeup artist. He looked like a cute Fat Rabbit, which was very likable.

Jiang Xibao blinked his eyes in disbelief ...

The person in the mirror was actually herself.

"I ..."

"Xi Bao, you are far more beautiful than you think."

Confidence was the best foundation for a woman!

Jiang Xibao blinked and put down the hand that was blocking his chest.

Ninth young lady said that she was beautiful ...

Lin Hanxing smiled, turned around, and walked back to the dressing table. He took out a box from the deepest part of the dressing table.

A click was heard.

The box was opened just like that.

The silver and life-like lotus flower hairpin lay quietly inside.

Yingluo, you won't allow anyone to step into your forbidden zone, not even a single bit!

But I just want to be the first person to break into your world!

At that time, that was what Thunder owl had told her.

Lin Hanxing's lips curled into a faint smile.

Ah Xiao, you've done it.

You are the first person to successfully enter my world.

I promise.

After that, for life.

And only you.

She picked up the silver hairpin with her fair fingers, picked up a part of her long hair, and tied it behind her head. Then, she inserted the Lotus Silver hairpin into her hair, letting the silver Lotus petals pin her small Jade ears.

[Chapter 967](#)

967 Shangguan shixiu actually came

Mother Lei's personal makeup artist could not help but be stunned.

In her eyes, the Lotus hairpin was nothing more than ordinary silver. She even wanted to stop Lin Hanxing from wearing it. That thing ... Was too cheap!

The kind of cheap equipment that Lin Hanxing had that could easily crush him!

However, the words of dissuasion disappeared from her lips the moment she put it on.

For a moment, Lyn Amie even forgot what he was trying to say.

His mind went blank.

In the past, she had heard her master mention it.

There was a kind of person who could use his aura to intimidate everyone even if you gave the other party the cheapest clothes, clothes, and paintings!

She had never seen such a thing after so long.

He gradually forgot about it.

But now ...

It was so cheap, and the only advantage it had was its exquisiteness. However, when it was worn on that woman's head, it gave people the illusion that it was a precious treasure.

It was really ...

It's good!

.....

Downstairs, Lin youlin and Luo Minghao were chatting with a group of guests who had arrived first.

Suddenly, a servant came over in a hurry.

Lin youlin frowned.

How could he be so unruly?

Those who didn't know better would think that there was a fire somewhere!

"What did you just say?"

However, just as the servant lowered her voice and spoke, Lin youlin's expression changed drastically, attracting the guests' attention.

Luo Minghao coughed unhappily.

Lin youlin didn't dare to delay. She reached out to block the curious gazes of the people around her and whispered in Luo Minghao's ear.

In the next second, even Luo Minghao's expression changed!

"Quickly send someone to welcome him."

In the corner, Luo Wensu stood there with a glass of champagne and took in the entire scene.

His big brother was walking down the stairs with he zhehan.

He zhehan saw Luo Wensu in the corner and walked over to him, reaching out to put an arm around his shoulder.

"What's the situation?"

He raised his chin and pointed at Lin youlin and his wife.

That anxious look, if one didn't know better, they would think that some Big Shot had come!

Ever since the Jiangcheng Bay Bridge project was successfully won by the Fang, he, and Lin families, he zhehan's style of doing things had become more and more unrestrained. It was said that he slept in the beds of different women every night and didn't know how to restrain himself.

Luo Wensu frowned and shook his head.

But very quickly, the answer appeared on its own.

A man in a silver-gray suit walked in from outside, accompanied by two men who looked like bodyguards in black.

Her black jade-like hair gathered a faint luster.

Her skin was an unhealthy white, and she looked sick.

His dark pupils were full of alienation and indifference, and no one could tell whether he was happy or angry.

BOOM!

His appearance was like dropping a bomb, catching people off guard.

This person's identity was too special, and there were only a few people who really knew him.

However, there were still people who knew his identity.

One spread to ten, ten to a hundred.

Soon, everyone knew the background of this outrageously beautiful man!

It was Shangguan shixiu!

Shangguan shixiu had actually come!

In the past, they had never heard of any relationship between the Shangguan family and the Lin family. But today, the Lin family's banquet was able to invite this Great Buddha to come out?

This was Shangguan shixiu from the Shangguan family!

The killing machine, Shangguan shixiu, who could appear and disappear like a ghost and kill people invisibly!

"Mr. Shangguan, I didn't expect you to really ..."

Although Lin youlin had sent an invitation to Shangguan shixiu, she had never expected him to show up. After all, he was rumored to be a lone wolf. Other than his sister, Shangguan Yilu, no one else could get close to him.

As she spoke, she reached out her hand to him.

[Chapter 968](#)

968 Another unexpected person came

The surprise and flattery on his face were hard to hide.

Shangguan shixiu's expression was cold as he looked at Lin youlin's outstretched hand.

He didn't smile or speak.

All the guests' eyes fell on the two of them, as if they were re-evaluating the Lin family's status.

Lin qianlin's smile froze.

Her hand was already sore from raising it, but Shangguan shixiu didn't seem to have any intention of shaking her hand.

"I'm here for Lin xiaojiu."

Just as the atmosphere turned awkward, Shangguan shixiu finally opened his mouth and spoke.

BOOM!

The chain effect of these words was no less than the unexpected appearance of Shangguan shixiu.

Lin qianlin wondered if there was something wrong with her ears.

What did Shangguan shixiu just say?

He was here for Lin xiaojiu?

When did little Jiu get involved with Shangguan shixiu again?

And this was also what the guests who heard this were curious about.

Just who was this Lin xiaojiu?

Lin qianlin's hand hung awkwardly in the air, but the servant who'd just left ran back in, panting.

The servant lowered his voice and spoke again.

Lin youlin's eyes widened.

Her husband, Luo Minghao, who had been standing beside her, frowned. What was going on?

"Zhu chengdi is here!"

Lin youlin blinked and said to him in confusion.

Zhu chengdi?

The guests who heard this gasped in shock.

She had thought that it would be amazing to be able to see young master Lei and Mr Yuan shaojing tonight, but where did these big shots come from?

Zhu chengdi had just returned from the state banquet!

The person at the top was personally meeting him, and the seven O'clock news took a full twelve minutes to broadcast his image.

Didn't they say that Zhu chengdi had no interest in anything other than laboratory research?

However, today ...

Why would he attend the Lin family's banquet?

Normally, the Lin family and the Zhu family did not have any relationship at all!

Shangguan shixiu coldly glanced at the Lin family, and then walked to the side with his trusted aides.

He had lowered himself to come here only for little Jiu.

The others ...

He didn't care.

"What's going on?"

Luo Minghao said in a low voice. Why did all these people that he couldn't afford to offend appear today?

Even mother he, who had come to the Lin family's house early, came over to ask her best friend Lin youlin about the situation.

"How would I know!"

What's going on?

She still wanted to know what was going on!

As she spoke, she heard a soft chuckle coming from beside her.

"Auntie, I was the one who asked someone to invite Mr. Zhu here,"

Hearing this, everyone in the Lin family turned to look at Lin Jiaojiao, who was usually unremarkable.

At this time, she was wearing a high-end Paris White dress, which made her look as pitiful as a small white flower, and it was very attractive.

Her long black hair was slightly tucked in.

Her small face was only the size of a palm, and it was enough to attract people's eyes.

"You're saying that you're the one who invited Zhu chengdi over?"

Lin youlin squinted her eyes and looked at her. Since when did her niece have such connections?

Everyone's eyes were on her.

Lin Jiaojiao swallowed back the explanation that she was about to give.

In fact, the person she knew was second young master Yuan, Yuan Xiang.

However, with so many eager eyes looking at her, and even Shangguan shixiu appearing for her cousin, she was just a little vain. According to Zhu chengdi's bookworm character, he would not expose her.

"I gave him an extra invitation. Auntie, you won't mind, right?"

Lin Jiaojiao pursed her lips and smiled. She looked very clean.

[Chapter 969](#)

969 He also came for Lin xiaojiu

As they were talking, the two Yuan brothers and Zhu chengdi had already walked in.

The crowd did not notice Zhu chengdi's ashen face. Instead, they looked at the two Yuan brothers. They did not dare to recognize them!

In his memory, the most unique feature of the two brothers was their hair.

At banquets in the past, if one were to look at the crowd, the two brothers of the yuan family would definitely be the ones with the most indescribable and bizarre hair color!

Rebellious and impudent.

Not long ago, the two of them were still a red and blue match.

However, today ...

Looking at the two brothers 'normal black hair and the suits they were wearing, they looked like elegant and beautiful young men!

In addition, he had the unruly nature of a wastrel in his bones, which attracted the attention of many socialites.

Second young master Yuan, Yuan Xiang, raised his eyebrows and looked at Lin Jiaojiao.

He was a man of his words.

Didn't she bring her cousin here?

Lin Jiaojiao smoothed out the creases on her dress. The corners of her mouth curved into the perfect smile that she had practiced tens of thousands of times in front of the mirror. She walked towards the yuan brothers ... Zhu chengdi, who was beside her!

Zhu chengdi was very annoyed.

The irritation was also shown on his face, but no one could see it.

Just because ...

His appearance was too unkempt.

His naturally curly hair was unkempt and covered his glasses. The thick lenses were enough to show the depth of his myopia.

If he changed his clothes and had a casual meal on the business street ...

Some people would even believe that he was a tramp!

However, Zhu chengdi had always been a beautiful young man!

He thought of the image he had tidied up with great difficulty at the state banquet that day. That baby face was as likable as it could be, but unfortunately ...

This man's brain was full of academic research.

Even if other families wanted to marry their daughters into the family, they would not dare to.

It was also because of this that when second young master Yuan Xiang Yuan said that he wanted to bring Zhu chengdi out today, his aunt was in full agreement.

He was the only child.

He didn't want his lineage to end in his generation.

"Mr. Zhu ..."

Lin Jiaojiao walked towards Zhu chengdi with the gentlest smile in front of everyone.

The specially selected perfume spread in the air.

When she was almost there, she reached out her hand, as if to 'politely' shake hands with the other party.

But who knew ...

In the next second, the situation suddenly changed.

Zhu chengdi walked towards Lin youlin angrily and brushed past Lin Jiaojiao without even looking at her.

"....."

Awkward, extremely awkward.

Puchi ...

Someone couldn't help but laugh.

Second young master Yuan immediately walked over and held Lin Jiaojiao's hand to help her out of the situation.

Yuan hou, who was nicknamed monkey, could not help but frown when he saw this scene.

Ah Xiang said that he had brought Cheng di to the banquet, but why did he feel that Cheng di was here to denounce him?

Just as she was thinking about this, Zhu chengdi had already walked in front of Lin youlin.

"Who is Lin xiaojiu?"

His expression was serious and serious, and his eyes, hidden behind the thick lenses, were staring straight at the Lin family.

"....."

Wasn't Zhu chengdi a guest invited by Lin Jiaojiao?

How did he ...

Was he also here for Lin xiaojiu?

Hearing this, Yuan hou immediately turned to look at his brother, who was standing beside Lin Jiaojiao.

So it wasn't an illusion!

That damned ah Xiang actually urged the one-track minded Cheng di to cause trouble for Lin xiaojiu?

F * ck, if first young master Lei Xiao knew about this ...

Moreover!

Yuan hou couldn't help but imagine Lin Hanxing walking out of the private room after dealing with Lu Jiashu.

The ten-inch high heels made a cold sound as they stepped on the marble floor. She and Lei Xiao were walking in the front, followed by a group of black-clothed and black-pants followers. It was like a scene in a movie after a gang negotiation!

[Chapter 970](#)

970 You've been deceived by ah Xiang

Yuan hou's body was covered in cold sweat!

He didn't expect that a Xiang would silently cause such a big mess for him.

Zhu chengdi saw that the Lin family seemed to be in a daze and did not say anything. He frowned and asked again.

who is Lin little nine? ”

This tone, no matter how one heard it, it seemed to have an ill intention?

The guests speculated in their hearts. For a moment, they could not figure out what this meant.

Zhu chengdi was ...

Was he here to cause trouble?

In the corner, Shangguan shixiu, who was holding a wine glass, looked at Zhu chengdi coldly, his eyes bloodthirsty.

His trusted aides were on standby.

They were only waiting for Shangguan shixiu's order.

No matter how special the other party's identity was, they would not show any mercy when they attacked.

Just as Yuan hou was about to step forward and drag his cousin back ...

Shangguan shixiu was about to make a gesture ...

“May I know who is Mr. Zhu chengdi?”

Suddenly, a clear and melodious voice came from the second floor.

Everyone's eyes followed the voice.

Could it be Lin xiaojiu?

At this moment, Zhu chengdi had no idea that he had just walked past the gates of hell.

Jiang Xibao, who was wearing a lilac evening gown, was flustered in his heart. However, he had been trained by Lin Hanxing to be able to remain calm in front of strangers. His fair and clear little face was calm.

"I am! You're Lin little nine?"

Zhu chengdi raised his head and looked at Jiang Xibao who was standing at the stairway on the second floor. His face was filled with anger.

Jiang Xibao looked at him.

The movement downstairs naturally could not escape the attention of the ninth young lady upstairs.

"I'm here to pass you a message on behalf of miss Lin."

Jiang Xibao was expressionless and blinked his eyes.

That bearing actually made the men present a little dumbfounded.

Although she was chubby, she was so cute!

"What did he say?"

Zhu chengdi was talking to Jiang Xibao upstairs.

"If there's anything you want to say, Mr. Zhu chengdi can tell her personally when she comes down."

Finished speaking.

Without waiting for the reaction of those people downstairs, Jiang Xibao turned around and walked upstairs.

After a brief silence, there was an uproar in the crowd.

This Lin xiaojiu sure had a big mouth!

Yuan hou quickly took this opportunity to pull his cousin back!

In the corner, Shangguan shixiu's Black eyelashes fluttered slightly, hiding the bloodlust in his eyes, as if nothing had happened.

"What's going on?"

Yuan hou lowered his voice and asked his cousin, Zhu chengdi. He did not even bother to hide the anger in his eyes.

If he didn't sense it wrong ...

There was an inexplicable murderous aura lingering in the corner. It was obviously directed at Zhu chengdi.

Although it was just a flash, it was still easily caught by Yuan hou!

Zhu chengdi explained everything to his cousin. The laboratory was his blood, sweat, and tears. He had promised that man that he would make great achievements in this field to break through the gaps in China's field.

This Lin xiaojiu was just a rich socialite.

What right did he have to criticize the laboratory and even talk nonsense?

"Something's wrong!"

Yuan hou frowned and looked at his cousin with a serious expression.

"You've been deceived by a Xiang."

"Ah?"

Zhu chengdi's expression changed from anger to confusion. Was he tricked by a Xiang?

I know Lin xiaojiu. She would never say something like that!

He believed her for some reason.

Just as Yuan hou was talking to Zhu chengdi, the servant of the Lin family came over again, half-dead. However, this time, everyone knew that there must be an important guest!

But who could it be?

After Zhu chengdi's interruption, Lin youlin flipped her hand impatiently.

"Just tell me directly."

"Mr. Yuan shaojing, Mrs. Cheng, and miss Yuan are here! And old master Lu and Lu bingde ..."
