

Goodnight 971

[Chapter 971](#)

971 It was her cousin who told me

Lin youlin's face lit up when she heard this.

Mr. Yuan shaojing, the richest Chinese man in country G, was here!

If it wasn't for him, they wouldn't have gotten in touch with X group and gotten the huge amount of financial assistance so easily, successfully winning the Jiangcheng cross-sea bridge project!

Thinking of this, Lin youlin's face lit up with a warm smile!

This was a God of Wealth!

She turned her head and gave mother he a look. He zhehan, Luo Wenbo, and Luo Wensu were called over by her and went up to her.

On the other side.

Yuan hou brought Zhu chengdi in front of Xiang Yuan, his expression was serious.

Lin Jiaojiao was not there.

"You're not giving the little girl any face at all!"

Xiang Yuan didn't take it seriously. Although he knew that his cousin had a low EQ, it was no wonder that he couldn't find a girlfriend.

"Shut up!"

Yuan hou's anger was already on the verge of exploding.

If this wasn't his own brother, he would have killed him a long time ago to save himself the trouble!

"Brother, who provoked you?"

Only then did Xiang Yuan realize that his big brother was really angry, and he was baffled.

why did you lie to chengdi and cause trouble for Lin xiaojiu? "

Xiang Yuan's eyes widened upon hearing this.

"Brother, are you sick? I tricked bookworm into causing trouble for Lin xiaojiu? I'm crazy?"

Xiang Yuan also had an aggrieved expression.

Yuan hou stared at his younger brother's face. After making sure that he wasn't lying, his face looked a little better.

"Who told you that?"

Yuan hou didn't want to have a hard time explaining himself when Yan beiming and the others arrived!

“Her cousin! Her cousin told me personally!”

As if afraid that his brother wouldn't recognize him, Minister Yuan added.

it's that pretty girl in the white dress ...

“Don't be too close to her.”

Yuan hou directly interrupted Xiang Yuan's words and coldly threw out these words.

“Ah?”

Yuan Xiang was also a little confused by his brother. What was going on?

“She's up to no good,”

no way. Let me tell you, this Lin Jiaojiao is always bullied by that Luo Ruyin ...

Yuan hou didn't even want to hear it, so he raised his hand to signal him to shut up.

“You've been used by her and you're even helping her count her money!”

Yuan hou said these words with a resentful expression.

In the past, he had never restricted his younger brother in making friends, but this time, he was really too angry!

“Brother, are you saying that she's using me?”

Xiang Yuan couldn't believe it when he thought about Lin Jiaojiao's usual behavior.

“Just wait and see.”

Thinking of the Lei family's arrival and the Lin family's dark storm, Yuan hou's intuition told him that tonight would not be a peaceful night!

When that time comes ...

Whether it was a human or a ghost, it was clear at a glance!

Yuan shaojing's appearance set off a small climax among the guests.

The person who used to be out of reach was standing in front of them. Thinking of his identity as the richest Chinese man in country G, anyone would want to talk to him and get closer to him.

Yuan susu, who had been quietly accompanying Cheng Lingyun, had put in a lot of effort for today.

Even the wounds on his face from his brow bone to the corner of his lips were covered up by a large amount of concealer.

He didn't even care if using such a large amount of cosmetics would cause the wound to become inflamed again!

But what made Yuan susu the happiest was the dress she was wearing.

The design was a little old, but ...

This was a gift from brother Lei.

Just based on this, even after the banquet, she would treasure this dress well.

Just as Lin youlin was about to reach out to greet Yuan shaojing ...

Bang!

There was a loud shattering sound behind him.

Everyone turned around in confusion, looking at the source of the voice.

Luo Wenbo's hand was still holding the glass, but the glass ...

[Chapter 972](#)

972 Red dress

It had already fallen to the ground and shattered into pieces!

What was going on?

Luo Wenbo's face turned pale.

In fact, not only Luo Wenbo, but even second young master he zhehan's expression was very strange.

Although he zhehan didn't lose his composure like Luo Wenbo, when he saw the red dress Yuan susu was wearing, he also almost knocked over the champagne glass in his hand!

This little gown ...

Yuan susu was a little scared by the two people's gazes and unconsciously hid behind Yuan shaojing.

susu is too beautiful. Wenbo has lost his composure!

Lin youlin tried to smooth things over and signaled to the servants to clean up the place.

Yuan shaojing discreetly glanced at the empty second floor.

The corners of his mouth were curled into a mature, charming, yet meaningful smile.

At the same time, on the second floor.

"He saw it?"

Lin Hanxing leaned lazily against the floor-to-ceiling window, fiddling with the flower buds in the vase.

A faint fragrance spread out from her body.

In the reflection, her side face seemed to be shrouded in a soft light.

It was so beautiful that it made one's heart tremble.

The more than 3000 broken diamonds on the ice-blue retro-style palace suit were dazzling like the vast starry sky.

The mute uncle made a hand gesture.

“Hehe.”

Lin Hanxing’s long eyelashes trembled slightly, and a sarcastic smile appeared on his rose petal-like lips.

With a flip of her hand, a small round box containing medicine appeared in her palm.

He played with it casually.

Jiang Xibao’s eyes widened in surprise. She could not tell where the ninth miss had taken that thing out from.

It was like magic.

With a click, Lin Hanxing opened the box with his fingertips, revealing white, pearl-like ‘candy’.

“I’ve eaten.”

“One pill each.”

Lin Hanxing reached out his hand and did not even bother to explain.

The mute uncle ate it without any expression.

It was just like every time in the past few years.

Jiang Xibao also came over and took a candy ball and ate it.

He didn’t ask and trusted her completely.

“Aren’t you afraid that I’ll give you poison?”

He closed the lid of the box with a clatter. Lin Hanxing’s lips curved into a smile, and the mole at the corner of his eye twitched. He was full of amorous feelings.

Jiang Xibao shook her head adorably!

“I’ll eat too, I’ll eat too! Auntie, I’ll eat too!”

Seeing that Lin Hanxing had passed him but did not give him anything, the little sheep Yuan Bao pouted so hard that a soy sauce bottle could hang from his mouth!

Lin Hanxing flicked his wrist.

When he opened his palm again, there were two necklaces lying inside.

He put one on Yuan Bao.

He put one on Jiang Xibao.

The necklace was thin, but the pendant was in the shape of an astral telescope.

With a light shake, there seemed to be something inside.

“Look, this is how the pendant is opened.”

Inside the pendant was also a candy ball.

Lin Hanxing demonstrated it in front of the two of them, her slender fingers were beautiful.

“Xi Bao, you can give yours to Bai Xi.”

“Yuan Bao, you can give your uncle yours.”

“First aunt is biased!”

Yuan Bao’s face was filled with disappointment, and he felt that he was extremely pitiful.

Knock, knock, knock ...

Someone knocked on the door.

Yuan Bao immediately put away his disappointed expression and stuffed the pendant into his collar.

“Enter.”

Lin Hanxing smiled and patted his head, returning to his usual indifference.

The door opened.

Lin Jiaojiao’s face appeared.

When he saw that the mute uncle Jiang Xibao and Yuan Bao were both there, he seemed a little uncomfortable, but it disappeared in a flash.

“Cousin, Auntie wants me to ask you ...”

Lin Jiaojiao’s words came to an abrupt end.

However, when she saw Lin Hanxing standing by the window, her eyes widened unconsciously.

That was ...

Cousin?

The gown she was wearing was really beautiful.

It was so beautiful that no words could describe it.

The gown she was wearing was also custom-made from Paris at a high price, but ...

[Chapter 973](#)

973 She was just like her servant

Lin Jiaojiao had no doubt that if she stood next to her cousin, she would look like her maidservant.

In fact, it wasn’t just her.

None of the socialites from any of the families in Jiang city could compare to Lin Hanxing!

Lin Jiaojiao couldn't help but recall the day her cousin first returned to the Lin family.

She also stood by the window and allowed the mute to press Luo Ruyin's head against the stinky snake corpse on the bed. She was protected by her mother, but her eyes were fixed on Lin Hanxing's face.

The sunlight coated the dust in the air with a layer of gold.

Tiny bits of it lingered around her.

She had such a beautiful face, but when she was expressionless, she always gave people a cold and unfeeling feeling feeling.

"Is there something?"

Lin Hanxing said indifferently, as if he could not bear to see Lin Jiaojiao in a daze for too long.

"My aunt asked me to ask you when you're going down."

Lin Jiaojiao walked towards her and stared at Lin Hanxing's dress and jewelry with infatuation.

I really want it ...

"Could this be the 'star of the ocean'?"

When she got closer, Lin Jiaojiao gasped and even her fingers were trembling.

The whole set of jewelry that her cousin was wearing was exactly the same as the 'Star of the Sea' that she had seen in the picture book. If she remembered correctly ...

That set of jewelry was bought by Yuan shaojing at a high price of 100 million Yuan that year!

Ten years!

At least ten years!

Had the dream-like 'star of the ocean' returned to the world just like that?

"I'll only go down when the Lei family arrives."

It was as if he didn't see Lin Jiaojiao's greedy eyes and his expression was indifferent.

Hearing the words 'Lei family', Lin Jiaojiao seemed to have sobered up a little. When she thought of the man who spoke with an ice-cold tone, she felt as if someone had lit a fire in her heart. It was so hot that even her fingertips were trembling.

"Cousin, you and that Shangguan shixiu ..."

"I think he's here for you!"

She had never seen a man who was more good-looking than a woman. Even if he was sitting in a corner, he was enough to attract all the women's attention, but ...

That man was so cold.

It was as if fire wouldn't melt and water wouldn't pour in.

Lin Hanxing raised his head and looked at Lin Jiaojiao.

Yuan Bao, on the other hand, pushed Lin Jiaojiao away, his delicate little face flustered and exasperated.

"You're talking nonsense!"

After that, she turned around and ran out of the room!

"Yuan Bao!"

Jiang Xibao lifted the hem of his lilac evening gown and chased after her.

Lin Jiaojiao's eyes widened as if she didn't expect that her casual words would have such an effect.

He was dumbfounded.

"Mute uncle,"

Lin Hanxing said lightly. The mute uncle nodded and left the room quietly.

"Cousin, I didn't do it on purpose!"

Lin Jiaojiao did not expect things to go so smoothly. She rolled her eyes and looked guilty.

Lin Hanxing glanced at Lin Jiaojiao.

He glanced at the water drop-shaped pendant on her neck and smiled faintly.

"It's just a child's temper."

Her voice was very calm, without any emotion.

Lin Jiaojiao laughed in embarrassment and suddenly fanned herself with her hand.

"Cousin, your room seems to be a little hot."

Lin Jiaojiao didn't notice it when she came in, but she didn't know if it was because of her guilty conscience or something, but a thin layer of sweat appeared on her forehead.

"It's a little hot."

How could the air conditioner not be hot when the temperature was specially raised?

Lin Hanxing stood in front of the floor-to-ceiling window with his back to Lin Jiaojiao, looking down at the brightly lit building.

"I'm a little thirsty."

She said calmly.

Lin Jiaojiao was stunned at first, but then she was overjoyed.

He didn't expect that the opportunity that he couldn't think of even after racking his brain would come without any preparation.

[Chapter 974](#)

974 I've already given you a chance

At the other end of the corridor.

Jiang Xibao's room.

Yuan Bao, who had just run away in a Huff, was now sitting on the sofa, holding his cheeks in his hands.

"Sister Xi Bao, how long do you think that annoying person will take?"

Jiang Xibao, who was sitting opposite him, also cupped his face with his hands in an adorable manner.

"I don't know,"

However, she knew that the ninth young lady had her own sense of propriety.

The mute uncle walked in from outside with a plate of pan-fried taro cake in his hand and placed it in front of the two of them.

The rich aroma made Yuan Bao drool.

She couldn't care less about the heat and reached out to pinch ...

The mute uncle stuffed it into his mouth.

The mute uncle was stunned at first. He subconsciously opened his mouth and took a bite.

The flavor of the wax and the Taro blended together, crisp on the outside and tender on the inside.

Grandpa mute, I like you.

Yuan Bao raised his delicate little face and revealed a happy smile. Then, he lowered his head and stuffed another piece into his mouth.

Oh, it's delicious!

The mute uncle looked at Yuan Bao with a deep gaze, not knowing what he was thinking about.

His eyes dimmed.

.....

Lin Jiaojiao stood in front of the counter and looked at the mug in front of her.

Out of the corner of her eye, she glanced at Lin Hanxing, who was still standing with his back to her. Her small hand carefully fiddled with the drop-shaped pendant in front of her chest. As she moved, there seemed to be a blue water-like object inside.

The drop of blood quickly disappeared into the mug.

Originally, she only needed 2/1 of the dosage, but Lin Jiaojiao, who was biting her lower lip, shook her hand and poured everything in.

She could only blame her cousin for having everything that was too good.

It was so good that it made people jealous!

“Cousin, Did you know?”

Lin Hanxing’s cold voice came from behind him.

It was so sudden that Lin Jiaojiao’s fingers trembled and she almost spilled the water.

“What?”

Lin Jiaojiao tried her best not to make her voice sound strange.

With the glass of water in her hand, she returned to Lin Hanxing with a harmless smile on her face.

“Everyone’s fortune is limited.”

Lin Hanxing’s fingers fiddled with the pistils of the fresh flowers in the vase, his tone was indescribably cold.

It was meaningful.

“What do you mean?”

Lin Jiaojiao obviously wasn’t paying attention to the conversation, but she still echoed Lin Hanxing’s words.

There was a thud.

The petal couldn’t bear the stirring and fell to the floor.

a person’s fortune is very small. When one squander one’s fortune time and time again, one will eventually enjoy it all.

Lin Hanxing pulled out a wet tissue from the table.

He wiped his fingers carefully.

There was a faint floral scent in the air.

“When that time comes, you will have to suffer great pain.”

Lin Hanxing raised his head and met Lin Jiaojiao’s eyes.

Her eyes were so beautiful that they seemed to have stars twinkling in them. There were no fluctuations in her emotions. They were as calm as a deep pool, but they also made people shiver unconsciously at the deep meaning of her words.

“Hehe ...”

Lin Jiaojiao laughed drily. She did not know why Lin Hanxing would suddenly say such things to her.

“Cousin’s words are so profound.”

Lin Hanxing only chuckled when he heard this, then threw the used wet tissue into the trash can.

Lin Jiaojiao.

You've been given the chance.

You're the one who doesn't know how to cherish it.

Since that's the case, we'll officially begin the game from now on.

All your jealousy and petty thoughts ...

Why don't you let me help you add fuel to the fire?

After all ...

We're cousins too ...

Wasn't it?

"Didn't cousin say she was thirsty? Drink some water!"

Lin Jiaojiao felt a chill run down her spine when she saw Lin Hanxing's smile. She handed the mug to Lin Hanxing.

Lin Hanxing didn't even look.

He reached out to take it and started drinking in front of Lin Jiaojiao.

[Chapter 975](#)

975 Each one was more honorable than the last

Downstairs.

The Lin family's servants were still busy preparing for the guests' entrance.

After the unexpected appearance of Shangguan shixiu and Zhu chengdi, the entire scene became lively.

Not to mention, Yuan shaojing's family and the Lu family also appeared.

The guests who were still waiting and watching the banquet called their relatives and friends who were not here.

At this time, the people didn't know.

A bigger surprise was waiting for them.

"I've really seen a ghost!"

He zhehan looked at Yuan susu, who was standing obediently beside Yuan shaojing not far away, and felt his scalp go numb.

Luo Wenbo didn't say anything.

But the White bones on the wine glass explained everything.

“That set of clothes, and the one you put on that woman ...”

Luo Wenbo raised his head and glanced at he zhehan. The latter swallowed the rest of his words in embarrassment.

The ruthlessness in his eyes made people shiver.

He zhehan quickly took a sip of champagne to calm his nerves and looked upstairs.

Lin Jiaojiao just happened to come downstairs.

Seeing he zhehan and his cousin look over, he nodded.

He zhehan immediately smiled evilly.

He pushed the corner of his mouth with his thumb.

It looked like he would be able to have a good taste of Lin xiaojiu tonight.

From the moment they met, that woman had always acted like she was the only one in the world.

He just didn't know when he would lose control and lie under him ...

Would he be able to maintain that cold and arrogant look!

While the people on this side were raging with desire, the servant who was about to break her legs from running over there rushed in again!

“Madam ... Madam ...”

It's here!

Lin youlin's face was filled with joy. Although she didn't know who was coming this time, no matter who it was, it would only add flowers to a brocade!

“Who is it?”

She took a step forward and took the initiative to greet him. Her voice was not loud, but it was enough for everyone to hear.

“I ... That ... 7 O'clock ... The 7 o'clock news ... Elder Yue!”

It was obvious that this was the servant's first time seeing Yue Guanqian in person.

He was so excited that he couldn't speak!

Elder Yue?

Yue Guanqian?

Upon hearing these three words, the crowd burst into an uproar.

He used to be a high-ranking official in Beijing, the old leader of the Ministry of Foreign Affairs!

Although he had decided to stay in Jiang city after he retired, he rarely showed his face outside!

Was the Lin family going to gather people from both the political and business world?

Moreover ...

Many people couldn't help but look at Shangguan shixiu, who was sitting in the corner, but still attracted everyone's attention.

He quietly looked up at the second floor with a glass of champagne in his hand.

The Shangguan family could be considered as ...

So, the Lin family's banquet this time had both the good and the bad?

It was just Lin xiaojiu!

"Argh! It was wrong! It's not just elder Yue!"

Suddenly, someone in the crowd exclaimed, and there was a commotion at the entrance.

Yue Guanqian was dressed in a formal suit, holding the hand of little grape, who was wearing a fluffy dress.

And beside him ...

"Heavens! That was elder Zheng! He's Lei min's master!"

Someone exclaimed in a low voice.

Elder Zheng, the former president of the National natural sciences Institute, had a title that even Baidu couldn't fully record!

After stepping down as the Dean of the natural sciences Institute, the old man had become even more elusive!

Why would he be here?

"Who's the one in the middle? Why do I see a security guard beside them?"

"....."

When they saw the person walking in between elder Yue and elder Zheng, the entire place was in an uproar!

Elder Yan!

That's master Yan!

The old man's head was silver-white and his face was expressionless, but he was upright and unyielding, as if he could blow a whirlwind on the battlefield. His body was so strong that people couldn't tell his actual age. It was a kind of Majesty that seeped out from his bones!

Lin qianlin was so happy she felt like she was about to faint!

[Chapter 976](#)

976 Who exactly is Lin xiaojiu?

What was going on today?

First, it was Shangguan shixiu, then it was Zhu chengdi, then it was Yuan shaojing and elder Lu's family, and then ...

Even elder Yue, elder Zheng, and elder Yan are here?

One had to know that these were all people who had no ties with the Lin family in the past!

Although it was cruel to put it this way, different social circles were also different. The people that the Lin family knew had no connection with these upper-class social circles at all. If the one holding the banquet today was the Lei family ...

There was absolutely no objection to this lineup.

But ...

This was the Lin family!

How could he even invite a figure like elder Yan?

"Where's our Lin girl?"

Ever since he retired, elder Zheng rarely attended private banquets. It was rare for him to be willing to leave the mountain, and it was all for Lin Hanxing.

"Our family? He's from the Lei family."

Old Yan laughed loudly, but it brought up a strong wind and dust in the ears of those who heard it.

Lin xiaojiu!

These people were here for Lin xiaojiu?

Just who was Lin xiaojiu?

"That Lei Xiao is his disciple, and Lei min is my disciple. Doesn't that mean that the Lei family's disciple is ours?"

Elder Zheng was still in his washed-out white Chinese tunic, his face full of joy.

But the words he spoke were no less powerful than a ninth-grade tornado!

Lei Xiao was actually Yue Guanqian's disciple?

If the fact that Lei min was old Zheng's disciple was known to everyone in Rivertown, then it was the first time that the fact that Lei Xiao was Yue Guanqian's disciple was known to everyone. It was too unexpected!

That meant that as long as Lei Xiao wanted to, he could enter the Ministry of Foreign Affairs at any time!

"Elder Yue, elder Zheng, elder Yan, your arrival has really brought light to our Lin family's humble dwelling!"

Lin qianlin was so excited that she couldn't speak.

Her husband, Luo Minghao, interjected at the right time, while Lin yanshu's family could only stand outside the circle and stare.

"Is little Jiu really that powerful?"

Zhong Wan 'er held her daughter's hand and didn't come back to her senses for a long time.

She wanted to ask her husband, but Lin yanshu was also shocked.

"When did she get to know these people ..."

Luo Wensu, who was in the corner, did not step forward. He just watched the guests' reactions with an ambiguous expression.

The guests who had received the invitation but were not prepared to come were all called over by their relatives and friends. As the number of people increased, the scene became more and more out of the Lin family's control ...

His eyes darkened.

Luo Wensu's expression also became more and more serious.

If they were truly doing this for the good of the Lin family, then after so many unexpected guests had arrived, they should know when to stop! But ...

Did they really understand this logic?

Just as Luo Wensu was thinking about this, the girl's shrill scream, which was caught off guard, sounded with a force that almost broke the roof.

All the socialites who had dressed up to be gorgeous covered their mouths with their hands and looked at the door with wide eyes.

Zhan Nanheng!

It was Zhan Nanheng!

That natural baby face was so adorable!

What was called gentle as Jade, what was called clean and out of this world, weren't they all tailor-made for this person in front of him!

What was going on?

Why was the situation so out of control tonight?

Zhan Nanheng walked in Yuan shaojing's direction with a perfect smile.

Ever since the people from Hua Ji found Jiang city, Zhan Nanheng had been staying there without leaving.

He was supposed to come with Mister Yuan today, but he was delayed by something.

Lin Jiaojiao looked at the scene in front of her. The Lei family had yet to appear!

But ...

That cousin of hers had already stolen all the limelight!

Why were all these people, who were usually out of reach, so willing to show up? it was all for Lin xiaojiu!

It was all for Lin xiaojiu!

[Chapter 977](#)

977 An unexpected encounter

Zhong Wan 'er cried out in pain.

He subconsciously looked down at his hand that was hurt by his daughter, Lin Jiaojiao.

Her nails had completely sunk into her flesh, as if she was going to bleed!

"Jiaojiao ..."

Zhong Wan 'er was shocked by the jealousy and unwillingness in her daughter's eyes.

Lin Jiaojiao suddenly came back to her senses.

"What?"

Nothing could be heard from his voice, but his eyes and expression had returned to normal.

Zhong Wan 'er only suspected that she had seen it wrong. Jiaojiao was usually the most sensible and lovely, how could she ...

"Did you see that?"

Not far away, Yuan hou said to Xiang Yuan in a low voice.

Xiang Yuan was a little dumbfounded and couldn't speak for a long time.

The expression on Lin Jiaojiao's face just now had completely overturned all the impressions he had of him.

Previously, she had clearly been bullied so miserably by Luo Ruyin, looking so pitiful all day long that it made people feel from the bottom of their hearts that she didn't have any aggression.

But ...

Zhu chengdi was the only one who was not interested in anything else.

He just kept his eyes fixed on the second floor.

Zhu chengdi's heart was filled with guilt.

He was not someone who did not know etiquette.

Although he didn't know who Lin xiaojiu was, if he were to rashly question him, it would definitely have a bad influence on him! He was a little stubborn, but he was not a fool.

The more he thought about it, the more awkward he felt.

If Huahua had anything to say, Mr. Zhu chengdi would tell her personally when she came down.

Zhu chengdi scratched his messy hair in frustration.

What should he say later?

at the same time.

”

because everyone except lei xiaosan was present today, the lei family had specially asked the driver to drive an extended version of the cadillac out. as for liang yuran and yan beixiao, they drove not far away.

apparently, mother lei had dressed up specially today. the tulip-colored gown made her look younger, and even her neck, which highlighted her age, was so smooth that there were no wrinkles at all.

“big brother, we'll be there soon.”

lei min spoke gently as his gaze fell on lei xiao.

at this moment, lei xiao's handsome and well-built body was sitting upright on the black leather seat. his hair, which was combed back for business purposes, made his sculpted, perfect and handsome face look even more expressionless. in the depths of his eagle-like eyes, there was a sense of coldness and determination.

“I'm really looking forward to it!”

Mother Lei leaned on father Lei's shoulder, like a child.

Even his eyes seemed to be shining with stars.

His daughter-in-law would definitely be able to stun the audience!

After tonight ...

Hmph!

She would like to see who would dare to look down on their daughter-in-law!

“Elder Yan also went!”

Suddenly, father Lei received Yuan shaojing's message, and his expression was subtle.

“What?”

Madam Lei's eyes widened. Elder Yan was there too?

“I'm afraid old han has already received the news.”

He had always wanted to send Ming Mei to master Yan's side, so how could he let go of this opportunity?

Even though ...

Han mingmei was still in the hospital.

As they spoke, they had already arrived at the brightly lit Lin family villa ...

When the Lei family got out of the car, the people in the car next to them were also about to get out.

"Big brother Ley?"

When these three words rang out, Zhong Nanyin, who was about to get out of the car, suddenly stopped.

It was Zhong Xueqing!

The two families had unexpectedly met like this!

Lei kangnian turned a deaf ear to her words and extended his big palm to his wife.

His palm was facing up.

Zhong Nanyin was stunned at first, but then he put his hand in with a smile.

He held it tightly.

The three brothers of the Lei family, who had long been used to their parents' public display of affection, stood at the side. Yan beiming and Liang yuran had also parked their cars and walked over.

Bai Xi was standing beside Yan beiming.

[Chapter 978](#)

978 The Thunder owl is here

Today, Bai Xi was wearing the gown Lin Hanxing had sent over, and her permed hair was set to one side.

The design of the tube-top long fishtail dress revealed most of her snow-white back.

The smile in her Phoenix eyes was soul-stirring.

It was the kind of charm that was not deliberately fiddled with, but it was also bone-deep.

His eyes swept across the Lin family.

Unconsciously, a bone-deep hatred flashed through his eyes!

"Mr. Lei, I've already made the necessary arrangements for the ninth young lady."

Bai Xi said in a low voice.

His attitude was respectful, like a subordinate to a superior.

Before Lei Xiao could reply, his phone suddenly vibrated.

He lowered his head and took a look.

Xing Xiaoxing, [I'm waiting for you] [give you my little heart].jpg

The corners of Lei Xiao's cold lips unconsciously curled up.

It was filled with love and helplessness.

Fang Mengran, who was standing beside Zhong Xueqing, happened to see this smile.

Seeing Lei Xiao's smile, she shuddered uncomfortably.

"She's waiting for us."

The smile was fleeting, and when he looked up again, he had returned to his cold appearance.

As soon as he finished speaking, father Lei and mother Lei walked into the Lin family villa, hand in hand. Under the bright lights, the three sons of the Lei family followed behind them, while Liang yuran, Yan beixiao, and Bai Xi were at the back.

"Hehe, what's there to be proud of!"

When the other's figure disappeared from her sight, Zhong Xueqing laughed coldly.

When he thought of Lei kangnian, his eyes flashed with unwillingness.

"Mom ..."

Fang Mengran didn't know what to say.

In the silence, han boming arrived ...

.....

When the Lei family appeared in the eyes of the guests as the finale, it ignited the climax of the entire venue.

As if water was poured into boiling oil, a Thousand Waves were set off with a splash!

The happiest person was obviously Yuan susu.

She had only just found out ...

So Lei Xiao was actually the disciple of Yue Guanqian, elder Yue!

Yuan SuSu's heart was beating fast as she thought about what happened tonight. She subconsciously looked at Lin Jiaojiao.

It should be ...

Would there be any changes?

Lin Jiaojiao was counting the time in her heart. The medicine wouldn't take effect so quickly, and this was the power of that thing!

Thinking of this, her expression finally looked much better.

So what if he was better than her in every aspect?

After tonight, all that glory would no longer exist!

In the corner, Shangguan shixiu looked at Lei Xiao.

There was no expression on his pale, feminine, and handsome face.

He seemed to have noticed something.

The Thunder valiant beast's cold gaze swept across.

Their gazes seemed to collide in the air, creating sparks.

Upstairs.

"Ninth young lady, Mister Lei has arrived."

Jiang Xibao had just received Bai Xi's message, and the noise from downstairs also proved this point.

"I know,"

Lin Hanxing's eyes were still on the mug, and there was a faint smile on his lips.

He waved his hand.

The mug fell into the trash can.

I thought there would be some special plan, really ...

She was disappointed!

miss, the banquet is about to officially begin. Madam asked me to call you down!

A servant's voice suddenly sounded from the door.

Hearing this, Lin Hanxing's smile grew wider.

Not to mention Jiang Xibao, even the servant was stunned.

It was really ...

It's so good to see that it makes one's heart beat wildly!

Lin Hanxing took out an index ring from the drawer and put it on. The thin ring reflected a cold blue light under the light, and there was an indescribable chill.

"Xi Bao, let's go."

.....

The servant was the first to run down from upstairs.

At this moment, everyone quieted down and their eyes unconsciously looked up the Lin family's white spiral staircase.

The guests held goblets of champagne in their hands, their hearts full of anticipation.

She knew that the banquet was about to start.

And Lin xiaojiu ...

979 She was as bright as the stars

She's coming down!

The woman who was rumored to have been missing for 18 years and caused a storm the moment she returned!

The woman who had attracted so many important guests!

She was like a mystery.

It would be a lie to say that someone wasn't curious.

Moreover ...

The Thunder valiant young master Lei was standing right there!

His marble-like features were the epitome of being favored by God. Even though the man exuded a cold aura, he still attracted the attention of all the women present!

What kind of woman could be worthy of such a man?

This question appeared in everyone's mind!

"They're here!"

Someone in the crowd said.

Immediately, everyone raised their heads in unison and looked at the White Hollow spiral staircase of the Lin family.

She was here.

When Lin Hanxing appeared in everyone's line of sight ...

There was complete silence.

The ice-blue dress she was wearing had more than 3000 broken diamonds. Under the illumination of the crystal Light, the layered effect was extremely strong, like a vast sea of stars that was dazzling!

It was like a dream.

However, what shocked them the most was Lin xiaojiu's face!

Her porcelain-white skin was so tender that water could be squeezed out of it. It was so white that it was glowing. Her slightly curly hair, which reached her waist, was half tied up at the back of her head, clasped by a Silver Lotus hairpin. Her delicate little face was cold and expressionless, and her watery red lips were like cherry beads.

It was true ...

It's too good to watch!

Even the mole at the corner of her eye made her want to remember it in her heart!

If people were just curious about her at the beginning, then now they were really unable to move their eyes away because of her.

Lei Xiao's eyes were fixed on Lin Hanxing.

When she came out, the first thing she saw was her Lotus eyes.

That was the cheapest gift he had ever given in his life.

It wasn't even worth as much as any of Hanxing's accessories, but at this moment, between the two of them ...

The most tempting little secret.

Lin Hanxing slowly walked down the stairs.

Her long dress slid down the stairs behind her.

She was as bright as the stars.

This sentence appeared in everyone's mind.

With a slap ...

There was the sound of wine glasses falling to the ground and shattering.

However, no one bothered with him.

Zhu chengdi's eyes, which were hidden behind his thick glasses, widened involuntarily. He could not believe it.

She's Lin xiaojiu?

In the corner.

Shangguan shixiu just looked at Lin Hanxing quietly.

His cold eyes revealed a rare hint of warmth, and even his pale face looked much better.

It's really good looking.

Little nine.

On the other side, Zhan Nanheng, who was standing beside Yuan shaojing, was also in a rare daze.

Suddenly.

In the silence.

Lei Xiao raised his hand at Lin Hanxing.

Lin Hanxing stopped in his tracks, his eyes met with Lei Xiao's, and his originally expressionless face slowly curved into a smile.

There was a beautiful woman in the North, and she was peerless and independent.

One glance could destroy a city, and another glance could destroy a country.

The little sheep Yuan Bao took the opportunity to jump into his grandmother's arms.

As expected, first aunt and first uncle were the most compatible!

Lin Hanxing walked towards Lei Xiao, her thick, black eyelashes quivering.

The Star of the Sea!

The whole set of jewelry she was wearing was actually the Star of the Sea!

When Cheng Lingyun and Yuan susu saw this, their eyes instantly widened!

They all looked at Yuan shaojing!

He could not hide his shock!

After all, the two of them had spoken and hinted countless times for this set of jewelry, but in the end, neither of them had obtained it. But now ...

The 'star of the ocean' was actually on Lin Hanxing?

He was just wearing it on her?

[Chapter 980](#)

980 Lei Xiao is my man

Lin Hanxing gracefully walked down the last step.

Whether it was curiosity, shock, searching, or malicious gazes, he accepted them all.

There was no excitement or arrogance on her small, delicate face.

He was calm and collected.

It was hard to imagine that such a woman had once led a wandering life for eighteen years ...

His whereabouts were unknown!

Everyone's eyes were drawn to Lin Hanxing.

However, Lin Hanxing's eyes swept past the crowd and landed on the man who was still holding out his hand to her.

Thunder valiant beast!

She walked towards him.

The people in the huge villa turned their heads and followed Lin Hanxing's movements.

The air seemed to have frozen there.

She raised her fair and slender hand.

In the end, it fell into the powerful palm.

Almost in an instant, Lei Xiao's giant hand, which seemed to be able to turn the world upside down and control everyone, suddenly tightened!

Use a little more force!

Lin Hanxing was pulled into his arms.

Lin Hanxing's masculine scent was so strong that it enveloped him.

She was stunned at first.

The Thunder valiant beast lowered his head to her neck and greedily took a deep breath of her fragrance.

Jiang Xibao, who was standing not far behind Lin Hanxing, was blushing and his heart was beating fast.

Good ...

MAN!

Mr. Lei's action of pulling miss Jiu into his arms just now ...

In fact, not only Jiang Xibao, but all the socialites in the audience were cheering for Lei Xiao's sudden action!

They had never seen the Lei family's young master in such a state before!

Not far away.

Lin Jiaojiao looked at the two of them.

He was clearly such a cold and sinister man, so why could his cousin change him?

He was really unwilling!

He wanted her to make a fool of herself!

It would be great if Luo Ruyin was still here.

Those stupid and dirty things, with the slightest provocation, that brainless woman would rush up regardless of the occasion and status!

Lei Xiao quickly let go of Lin Hanxing.

His expression returned to its usual cold and distant look, as if the man who had taken the initiative to lower his guard just now no longer existed.

Luo Wenbo sneered.

Hehe.

Tonight, neither of them would be able to escape!

As for he zhehan, who was standing beside him, he used the movement of holding the cup to block his licking.

That petite figure ...

If he was pressed under him!

It would definitely feel good!

Dark waves surged.

After a while, Lin youlin smiled as if she wanted to announce the start of the banquet as the head lady of the Lin family. However, before she could say anything, a cold voice cut her off.

“Thank you, distinguished guests, for taking the time to visit my humble home.”

Lin Hanxing was holding a glass of champagne in his hand and stood in front of the Lei family.

She was calm and elegant.

It was as if there was an invisible aura supporting her, making people reluctant to look away from her!

The smile on Lin youlin’s face instantly froze!

She should be the one saying the opening remarks!

However, when Lin Hanxing spoke like that, it was as if she was the real master of the Lin family!

I believe there are many rumors about me in Jiang city ...

She stood there and spoke indifferently.

The presence of the Lei family did not overshadow the host at all.

thank you, my aunt, for finally hosting this homecoming party for me after my return, so that I have the opportunity to stand in front of you and explain it to you.

Lin Hanxing was playing word games.

It sounded like a joke at first glance, but the guests present were all smart people, so which one of them couldn’t understand the actual meaning?

She stood there elegantly, her slender fingers holding the wine glass.

It shook slightly.

The champagne-colored liquid was still bubbling.

“The first thing ...”

Her beautiful eyes seemed to be overflowing with colors under the reflection of the crystal lamp as she looked around.

“Thunder valiant, he is my man!”
