

Goodnight 991

[Chapter 991](#)

991 She actually fainted from anger

His head was buzzing.

Just as mother he was about to fly into a rage, Lin youlin, who had rushed over, suddenly held her hand down!

Don't panic!

Facing Lin xiaojiu, he must not panic!

It was because she had suffered so much that Lin youlin knew how powerful she was.

"Hehe, little Jiu, you're so generous, casually giving away 10% of the shares. We all heard what you said just now, and you said 'two'! Since it's the two of you, then there must be one of our Zhe Han, right?"

Lin youlin raised her eyebrows and smiled, looking very friendly.

However, his words had caused Lin Hanxing to fall.

Since she was the one who said it herself, then if he didn't take some money out of her ...

Lin qianlin wasn't willing to accept this!

"Aunt, it's rare for you to say that. When has there ever been a matter of helping an outsider to dig out my pocket?"

Lin Hanxing chuckled.

Although he said it in a joking tone, it was not the same in the ears of others.

"But since I, Lin Hanxing, said it, I will naturally keep my word."

As he spoke, Lin Hanxing's gaze slowly swept across mother he, Lin youlin. He even accurately caught sight of Zhong Xueqing's figure in the crowd. That gaze ...

The three of them were really confused.

"Didn't I already give it to you?"

Lin Hanxing's words were very skillful, but the people who heard it were a little confused.

He gave it to them?

When was this?

From the beginning to the end, she didn't mention a word about giving second young master he and he zhehan anything!

"Don't you speak without thinking! When did we accept anything from you?"

He zhehan only felt that his anger was stuck there, and it actually made him feel dizzy as if his brain was empty.

He shook his head.

He tried to shake off that feeling.

However, the feeling of dizziness became even more intense.

if I didn't introduce my aunt, Mr. Yuan shaojing, to the person in charge of the X group, how could the Lin, he, and Fang families have secured the Jiangcheng cross-sea bridge project so easily? "

After Lin Hanxing finished speaking, the situation instantly went out of control!

What did she just say?

Was she the one who had introduced Yuan shaojing to Lin qianlin?

He even got X group to invest and help these three win the Jiangcheng cross-sea bridge project?

"Speaking of which, I have to thank Mr. Yuan for giving me so much face."

Lin Hanxing turned to look at Yuan shaojing.

She raised the champagne glass in her hand to him as a gesture and smiled.

Yuan shaojing did the same.

It could be seen that the relationship between the two was not shallow.

It was actually true!

Cheng Lingyun stood beside Yuan shaojing, the smile on her face stiff.

This gave her an inexplicable sense of danger.

This included the star of the ocean.

Cheng Lingyun naturally knew that li Yanyu had her eyes on this set of jewelry back then. It was also because of this that she had never given up on asking for it all these years!

To put it bluntly, she didn't care about this set of jewelry!

It was the value behind it!

On the other side.

He zhehan only felt his chest become more and more suffocated, and his mind went blank.

He subconsciously looked at his older brother he Chengyu.

Unexpectedly, the latter was also looking at him with a dark and sorrowful gaze.

The feeling of the world spinning was getting more and more obvious ...

Lin xiaojiu!

What a good Lin xiaojiu!

This thought suddenly came to he zhehan's mind. Everyone saw that his figure was swaying for a long time, but the people around him were still immersed in shock and didn't come back to their senses. No one went to help him!

After a dull thump ...

He zhehan actually fainted from anger!

"Han!"

Mother he couldn't care about anything else and quickly squatted down!

it seems that second young master he is not feeling well. Someone, take him to the guest room upstairs to rest!

[Chapter 992](#)

992 Wild guesses about her identity

After Lin Hanxing said this, two men dressed as servants came over, picked he zhehan up, and walked to the second floor.

In the corner, Luo Wensu, who had not said a word from beginning to end, frowned.

The two servants looked unfamiliar.

Holy F * ck! Just who is this Lin xiaojiu? "

In the other corner, second young master Yuan, Yuan Xiang, was dumbfounded after watching the series of events. He felt that his head was getting bigger and bigger!

On the contrary, Yuan hou seemed to have predicted this and was much calmer.

She was not an ordinary person.

"Where's Chendi?"

After a long time, Yuan hou seemed to have realized something.

They were so immersed in the plot that they did not notice when Zhu chengdi disappeared.

"I was too engrossed in watching the show and didn't pay attention."

Xiang Yuan said innocently.

He really didn't notice!

At the same time, it wasn't just the people in the corner who were discussing. The whispers among the guests had not stopped since he zhehan went up. The center of the topic naturally revolved around Lin Hanxing!

Everyone was frantically trying to guess her identity!

Even if she didn't mention her relationship with Yuan shaojing, just based on the amount of money she had to buy 10% of the corporation's shares ...

It made one's imagination run wild!

Just as he was thinking, a burst of noise suddenly came from the door.

The new things here had not yet ended, but there was a lively atmosphere over there.

Xiang Yuan was just casually looking at it, but in the next second, he suddenly shuddered!

"Brother! Brother! Brother! Brother! Brother! Look at bookworm, is he crazy?"

Xiang Yuan lowered his voice. After witnessing Lin xiaojiu's capabilities, he did not want to provoke her!

Hearing his brother's words, Yuan hou frowned.

However, Zhu chengdi and his two assistants appeared out of the blue. His assistant was carrying a storage box in his hands, and the things inside looked like ...

&Nbsp; realizing what those things were, Yuan hou subconsciously wanted to stop his cousin!

When the guests saw that Zhu chengdi had returned in such an aggressive manner, they quickly made way for him.

They had not forgotten.

Before the banquet had even officially started, Zhu chengdi had come with ill intentions and wanted to cause trouble for Lin xiaojiu.

What did Lin xiaojiu's men say back then?

If Huahua had anything to say, Mr. Zhu chengdi would tell her personally when she came down.

Didn't he say it personally?

Yan Beichen and the others were the first to notice that something was wrong. Seeing that it was Yuan hou's cousin, their expressions turned ugly. They took the lead and stood in front of Zhu chengdi. Not making a move was already giving face to their own brother Yuan hou!

"Miss Lin ..."

Unexpectedly, Zhu chengdi began to speak to Lin Hanxing urgently.

Lin Hanxing, who was introducing the Chengyu to the Lei family, turned to look at Zhu chengdi.

When she saw him, her expression froze.

She had totally forgotten about him!

No one noticed the change in Zhu chengdi's way of addressing her, and they only thought that he was deliberately looking for trouble.

"Yan beiming, let him come over."

Lin Hanxing said indifferently.

Yan Beichen did not expect Lin Hanxing to say that. He subconsciously looked at Lei Xiao, and when he saw the latter nod his head, he finally let go of Zhu chengdi. Even Yuan hou stopped in his tracks.

After regaining his freedom, Zhu chengdi brought his assistant to Lin Hanxing without thinking.

“Miss Lin ...”

As he spoke, he took the storage box from the assistant.

With a clatter, Zhu chengdi poured out all the things in the storage box in front of Lin Hanxing without any hesitation!

“.....”

Although Lin Hanxing knew Zhu chengdi’s personality, he was still speechless when he saw how direct he was.

Everyone’s attention was drawn to the thing that Zhu chengdi had dropped on the ground ...

[Chapter 993](#)

993 She was actually that person

Medal, patent certificate, commendation certificate, and so on were scattered everywhere.

It was dazzling.

“I didn’t let you down!”

Zhu chengdi stood rooted to the ground, nervous and at a loss, like a soldier waiting to be inspected.

He looked at Lin Hanxing with a burning gaze that was seeking approval.

The moment Zhu chengdi said this, not only Yan Beichen and Yuan hou, even the guests who were far away were stunned!

They couldn’t understand the development of the plot at all!

Zhu chengdi was clearly here to find trouble and condemn her at the start, but now ...

“What’s the situation?”

Yuan Xiang walked to his brother’s side and asked in a low voice, confused.

As for the instigator, Lin Jiaojiao, she bit her lower lip. She didn’t understand why things didn’t develop as she had imagined!

back then, I promised you that I would let us Chinese stand at the same height and position as white people, and enjoy the same respect and treatment ...

“Miss Lin, I’ve done it!”

Zhu chengdi’s tone was sincere.

Anyone could hear the extreme respect in his tone!

Yuan hou was familiar with his cousin.

If he didn't truly admire and respect someone from the bottom of his heart, he wouldn't have done such a thing.

All these years, even Yimu couldn't make cousin do this!

He was truly convinced.

Lin Hanxing looked at Zhu chengdi.

Unlike the coldness and alienation he had when facing others, he was truly smiling at this moment.

thank you, miss Lin, for your full support back then. That's why I and the team behind me are where we are now. Without your support, we wouldn't have such an honor!

Zhu chengdi did not understand the ways of the world.

Naturally, he didn't understand what kind of shocking effect it would have if he said it in front of everyone!

Everyone was shocked!

Everyone in Jiang city knew about Zhu chengdi's incident.

Back then, many people in the country had criticized the laboratory, but he had gritted his teeth and done it.

Everyone knew that someone had anonymously invested in the establishment of the laboratory that was now the focus of Zhu chengdi and even the entire country. No one knew the identity of the person, but at that time, this incident still caused a huge uproar in Jiang city!

This was something that even the yuan and Zhu families couldn't invest in together, but this person threw money in without even blinking. Many people mocked this person for being a fool.

Why did he have to invest in a non-profit laboratory?

One had to know that the other party was not just investing!

In the beginning, the cost of the recruitment of the laboratory and the initial experimental projects were all paid by this person!

Money was thrown in like that without even a sound. It was heartbreaking to see!

Back then, who would have thought ...

Zhu chengdi had really built this laboratory!

Not only did he manage to do it, but he also managed to reach such a height of admiration?

Everyone was stunned!

Did Zhu chengdi just say that Lin Hanxing was the one who invested heavily in his non-profit laboratory?

The Lin family's little nine?

This orphan who had been missing for eighteen years?

She was that person?

The yuan brothers obviously did not expect this either, and their eyes widened!

Others might not know, but they knew very well that although the laboratory was publicly known as a non-profit, the unique patents in their hands could bring unimaginable wealth to the laboratory every year.

Zhu chengdi would transfer the money to the investor's account, excluding the necessary expenses for the experiments and the normal turnover expenses for the laboratory, as a return for the timely help he had given to the investors back then!

The number ...

[Chapter 994](#)

994 That's an astronomical figure

Most likely, others would not even dare to think about it!

That was an astronomical figure!

At this moment, not to mention the others, other than Lei Xiao, all the other members of the Lei family were shocked!

Lei min and Lei Jue looked at each other.

They all saw the same emotion in each other's eyes.

Mama Lei tightened her grip on her husband's hand.

He looked like he was about to cry.

my daughter-in-law is so rich. It's over, ah Xiao has lost his last advantage!

"Don't be afraid, our son relies on his face to make a living."

"....."

Lei min was expressionless and pretended not to hear him.

Zhu chengdi looked at Lin Hanxing, more emotional than anyone else present.

No one knew.

He had not seen her since that year.

Back when he was in despair, it was miss Lin who had reignited his fighting spirit.

When she said that she wanted to invest, Zhu chengdi really took it as a joke.

No one would have thought that the young girl who looked like a high school student would actually invest such a large sum of money to build his laboratory!

It could be said that without Lin Hanxing, he would not be who he was today!

Lin Hanxing stood there quietly and looked at Zhu chengdi.

He was not affected by the whispers around him.

Zhu chengdi rubbed his palms on his clothes and reached out to Lin Hanxing with anticipation in his eyes.

Lin Hanxing smiled faintly.

She reached out and shook his hand.

With a loud bang, Zhu chengdi felt as if his brain had stopped working, and his entire body stiffened.

He didn't even feel this excited when he was attending the state banquet for the first time.

Even her eyes were hot.

When he saw the beautiful woman with his own eyes many years later, it was as if all his years of hard work and effort had found a place to belong in an instant. There was nothing that made Zhu chengdi more concerned than this!

"You've done well,"

Lin Hanxing said with a smile in his eyes.

Everyone had different expressions.

Elder Yue and elder Zheng were shocked, while elder Yan was deep in thought.

Yuan shaojing's eyes were deep, and uncle hai, who was beside him, was dumbfounded.

Zhan Nanheng's eyes were fixed on Lin Hanxing.

As for old master Lu and Lu bingde, they couldn't say a word for a while.

Cheng Lingyun and Yuan SuSu's reactions were the same as the Lin family's. At first, they didn't believe it, but then they were jealous.

Where did she get so much money?

What kind of opportunities had she encountered in the past 18 years?

The answer to this question, other than the person involved, probably no one else would know!

However, everyone was very clear in their hearts.

Lin xiaojiu was not someone they could look down on!

"Miss Lin, I have something to tell you!"

Zhu chengdi suddenly turned around and rushed over to Lin Jiaojiao without thinking.

Lin Jiaojiao was already immersed in her own jealousy, so how could she react so quickly?

By the time she regained her senses, she was already in front of Lin Hanxing, being dragged by Zhu chengdi without any restraint. She tripped on her feet and her whole body was on the ground in front of Lin Hanxing!

"It's her!"

In front of everyone, Zhu chengdi repeated what Yuan Xiang had said to him.

"She was the one who wanted to instigate me to come and cause trouble for miss Lin!"

Lin Jiaojiao's hair covered her face.

She bit her lower lip so that no one could see the expression on her face.

Who would have thought that Zhu chengdi would have such a relationship with his cousin?

Who would have thought that Zhu chengdi would say his own words in front of so many people?

For a moment, anger and embarrassment made Lin Jiaojiao shiver!

This good-for-nothing!

Luo Wenbo suddenly clenched his wine glass.

[Chapter 995](#)

995 After drinking this cup, I'll let bygones be bygones

In the corner, Luo Wensu's eyes fell on his big brother.

Naturally, he was able to see the yin Chi that covered his entire body.

"I didn't! I didn't!"

Lin Jiaojiao subconsciously retorted for herself, but when she looked up, her expression had already changed to a pitiful one.

It was as if the entire world was bullying her.

Zhong Wan 'er was so angry that she wanted to rush up and help her daughter up.

However, before he could get close, he was already stopped by the expressionless mute uncle.

"Get lost!"

Zhong Wan 'er's heart ached for her daughter, and she couldn't help but tremble and growl.

"Little aunt, can you repeat that?"

Lin Hanxing's smile disappeared and he glanced at her.

There was a fierce look in the corners of his eyes!

Zhong Wan 'er felt that all the blood in her body was frozen by his eyes.

He did not dare to move.

"You don't have the right to teach my people a lesson!"

Lin Hanxing's words were simple, but they were domineering!

Then, she retracted her gaze.

He then turned his gaze back to the pitiful Lin Jiaojiao on the ground, as if he was looking at a dead object.

"Little Jiu, you ..."

"Shhh ..."

Lin youlin had just finished speaking when she was stopped by Lin Hanxing's next move.

Lin Hanxing's long index finger was placed on his lips.

He let out a soft shush.

Lin youlin's scalp went numb.

"Xi Bao."

Lin Hanxing said these two words indifferently. Soon, Jiang Xibao came back with a glass of champagne.

"No matter what you've done in the past, drink this cup and I'll let bygones be bygones!"

Lin Hanxing picked up the wine glass from Jiang Xibao's hand and handed it to Lin Jiaojiao.

"Otherwise ..."

The corners of her lips curled up again, but in the eyes of others, it was a meaningful smile!

"This wine ..."

"What's wrong? There are so many pairs of eyes here, are you still afraid that I'll poison you?"

Lin Hanxing asked.

"I always keep my word."

The tears in Lin Jiaojiao's eyes were still there, and she looked like a little white flower that had been hit by the rain. Men couldn't help but pity her.

"Cousin, I ..."

"Three ..."

Lin Hanxing did not even listen and started the countdown.

Lin Jiaojiao's heart jumped.

Why hadn't the drug started taking effect yet?

Why didn't she show any signs of fainting?

"Two ..."

"One ..."

"I'll drink!"

Lin Jiaojiao didn't even think about it. She grabbed the Goblet and gulped down the champagne.

Very quickly, the cup was empty.

Lin Jiaojiao raised her head and met Lin Hanxing's eyes.

Lin Hanxing laughed.

It was faint and sarcastic.

"Miss Lin ..."

When he heard Lin Hanxing say that he would let bygones be bygones, Zhu chengdi thought that she was too kind.

At that moment, he did not know ...

The real punishment was just about to begin!

"I've made a fool of myself."

Lin Hanxing said in a deep voice, his posture calm and graceful.

After he finished speaking, he didn't care how Zhong Wan 'er pounced over to help Lin Jiaojiao up and protect her in her arms. Instead, he smiled at Zhu chengdi.

"You ..."

Lin Hanxing's expression changed slightly.

Lin Jiaojiao's eyes suddenly lit up.

It's taking effect, right?

In the corner, Luo Wenbo and Yuan SuSu's hearts also started to beat violently.

"I'm a little tired."

Lin Hanxing's eyes were slightly unfocused, and his voice was softer than before.

"Cousin, I'll take you upstairs to rest!"

Lin Jiaojiao pushed Zhong Wan 'er's arm away, lifted her dress, and walked to Lin Hanxing's side. She held her arm.

It was as if he was afraid that someone else would beat him to it.

Zhu chengdi wanted to say something, but before he could, he was stopped by Lei Xiao, who was the closest to him.

The man's powerful aura stunned Zhu chengdi.

"You don't regret it?"

Lin Hanxing looked at Lin Jiaojiao, who was beside him, with a flirtatious look in his eyes.

The man's bones almost went soft.

[Chapter 996](#)

996 Then let's go

Lin Jiaojiao was stunned.

What regret? was she starting to get confused?

Lin Hanxing leaned half of his body on Lin Jiaojiao, his long black eyelashes slightly closed.

Elder Yue and elder Zheng had seen those shady houses and only felt that something was wrong.

However, before they could signal to the Lei family, old general Yan stopped them.

"Look at those two."

He looked in the direction that elder Yan had pointed out.

Was it Lin Hanxing's mute uncle and the girl called Xi Bao?

Elder Zheng didn't understand.

However, Yue Guanqian somewhat came to his senses.

Once he came back to his senses, his anxious heart naturally settled down and he waited to see what would happen.

The two of them didn't move.

The same conversation was also happening among the Lei family members.

"Cousin, let's go upstairs."

Even though Lin Jiaojiao had deliberately suppressed her emotions, her voice still carried a sense of urgency.

"Then let's go."

.....

In the corridor, Lin Hanxing's body was getting heavier and Lin Jiaojiao was having more and more trouble supporting him.

But she was very happy.

So what if his background was a mystery?

So what if he had the Lei family as his backing?

In just a little while, just a little while more, all the guests downstairs would witness the moment when her reputation was ruined!

At that time, she would see how she could still be arrogant!

Thinking of this, Lin Jiaojiao's blood began to boil with excitement.

She helped Lin Hanxing to the room he zhehan was lying in.

The pink liquid in the ring's crystal wall shook back and forth, waiting for its owner to break it.

A click.

The door was pushed open from the outside.

The lights were off in the dark room, and she could only vaguely see a person lying on the bed.

"Cousin, you didn't expect this, did you?"

Lin Jiaojiao didn't choose to turn on the lights immediately, so her voice sounded particularly malicious in the dark!

"You were so impressive just now, but now you're just a piece of meat on the chopping board, waiting for me to slaughter you?"

Lin Jiaojiao chuckled as she spoke.

That voice sounded very proud.

you must know that the water you drank before was mixed with the stuff in my ring. That is the most powerful aphrodisiac. It can even swallow the last bit of your rationality.

Lin Jiaojiao seemed to hear Lin Hanxing's breathing Quicken, but his body was getting weaker and weaker.

"What do you think will happen if Lei Xiao sees you lying together with he zhehan?"

Lin Jiaojiao's blood started to boil as she thought about that scene.

"You ..."

Lin Hanxing's voice was as weak as could be.

"When that time comes, I'd like to see how you can still be the daughter-in-law of the Lei family!"

Lin Jiaojiao kept spinning the ring, and the more she spoke, the more excited she became.

"And then? Even if ... I can't ... You ..."

In the dark, Lin Hanxing's voice was panting as if he was about to faint.

“Me?”

Lin Jiaojiao couldn't hide the smugness in her voice.

“I don't mind telling you, my stupid cousin was planning to use the same trick on Lei Xiao, so that Yuan susu would have sex with him. At that time, you two would hate each other, and it would be impossible!”

As long as the crystal wall of the ring was crushed, the pink liquid would burn and evaporate ...

“But why should I let Yuan susu take advantage of me?”

Lin Jiaojiao sneered.

“I should be the daughter-in-law of the Lei family!”

Whether it was Lin Hanxing or Yuan susu, she didn't care about them.

He said.

Lin Jiaojiao fumbled around for the incense burner on the table.

The ring turned, and the pink liquid dripped into it. A faint sweet fragrance filled the air.

Lin Jiaojiao didn't know if it was an illusion.

There seemed to be heat spreading in his bones.

With a click, she picked up the lighter beside her and lit it up.

As long as he burned the incense and candles, he could close the door and let the two of them have sex.

The next second.

Lin Hanxing's expressionless face was illuminated at the same time!

[Chapter 997](#)

997 It's time for you to reap what you sow

His eyes were sharp and cold, like a knife stabbing into Lin Jiaojiao's heart!

He was so frightened that his hands trembled.

The lighter fell on the floor and made a clicking sound.

Darkness descended once more.

Lin Jiaojiao could clearly hear her own breathing.

He was anxious and flustered.

Lin Hanxing's eyes did not have a trace of chaos when she glanced at him fearfully just now. It was as if her weakness from before was just her imagination.

Suddenly.

She moved.

The bright, silver moonlight poured in from the window.

Kada.

Lin Hanxing bent down to pick up the lighter and lit it up again.

The fire made her delicate face look even more cold and distant.

The incense candles were burning.

The sweet fragrance became more and more intense.

The fear in Lin Jiaojiao's heart gradually grew.

"You ..."

"Are you surprised?"

Lin Hanxing's tone was very light, and there was no trace of the weakness he had just now. His eyes were cold and terrifying.

"I've said it before, everyone's fortune is limited."

Lin Jiaojiao was so scared that her scalp turned numb. She turned around and wanted to escape, but before she could take a step ...

There was a thump.

Lin Jiaojiao's body had already gone limp and she was lying on the ground.

He couldn't move.

Only his eyes were still rolling around in fear.

The tables had turned.

She watched as Lin Hanxing suddenly smiled and continued to light the candles on the European candle stand.

The candlelight flickered.

It softened the cold aura around Lin Hanxing.

The White candles on the five candle stands were all lit.

The light filled the entire room.

Lin Hanxing put out the lighter in his hand and turned to the bed.

Her high heels made a cold sound as they stomped on the floor.

"Cousin ... I was ... Just ... Joking with you."

Lin Jiaojiao's body turned cold.

After trying a few times, she realized that not only could she not move, but her body was also uncontrollably burning and empty with the fragrance in the air.

Lin Hanxing ignored him.

The bedroom door was pushed open from the outside.

Lin Jiaojiao was overjoyed.

He thought that someone could save him from the fire and water.

However, when he saw the person clearly ...

It was as if a basin of cold water had been poured over his head.

It was the girl named Jiang Xibao, who was always by her cousin's side!

The next second.

Jiang Xibao picked Lin Jiaojiao up easily and walked to the bed.

There was a crash.

The thin blanket that was originally covering he zhehan was lifted just like that.

"Cousin ... Cousin ..."

Lin Jiaojiao's eyes widened. She was truly afraid, but what followed was a raging fire in her body.

"That's the most powerful aphrodisiac. It can even swallow the last bit of your rationality."

Lin Hanxing's voice was cold.

Those were the words Lin Jiaojiao said when she was feeling smug.

Now that he heard it, it was as ironic as it could get.

Lin Hanxing reached out and turned he zhehan's face expressionlessly.

After the muffled sound.

The medicine specially concocted by the sacred hands had already been poured into his mouth.

Jiang Xibao bent down and placed Lin Jiaojiao next to he zhehan. The latter's cheeks were red and his body was twisting unconsciously. His body was burning.

"I was wrong ..."

Big drops of tears flowed out of Lin Jiaojiao's eyes. She could even smell the nauseating masculine scent on he zhehan.

Lin Hanxing looked down at her.

"I've given you a chance,"

The six simple words were bone-piercingly cruel and cold.

“Now, it’s time for you to reap what you’ve sown ...”

.....

Downstairs.

A servant walked to Lei Xiao’s side.

After saying something, Lei Xiao raised his head and looked at the second floor.

Yuan susu, who was standing beside Cheng Lingyun, had her eyes lit up. Did Lin Jiaojiao succeed?

His heart was beating wildly.

He unconsciously tightened his grip on the wine glass in his hand.

His face was full of anticipation.

Lei Xiao handed the champagne glass to his second brother, Lei min, and followed the servant upstairs.

Yuan susu was overjoyed!

[Chapter 998](#)

998 Chain of traps

Ten minutes later.

Yuan susu saw a servant walking towards her.

After hearing what the other party said, she followed the servant and left the venue without alerting anyone.

It was a message that Lin Jiaojiao had sent.

“She succeeded?”

The moment he left, Yuan susu asked impatiently.

The servant did not say anything and walked forward.

There was an external staircase leading to the second floor outside the villa.

A cold wind blew past, and Yuan susu couldn’t help but shiver, but her heart was boiling.

“Miss Yuan, please.”

The servant turned to the side and reached out to the stairs.

Yuan susu didn’t say anything, but lifted her dress and walked up the stairs.

He had not taken two steps ...

A large hand suddenly stretched out from behind her and covered her mouth and nose!

A pungent smell instantly filled the air!

Yuan susu was caught off guard and sucked in a huge mouthful of it ...

.....

On the second floor.

Luo Wenbo came out of the bathroom.

He looked gloomily in the direction of Lin Hanxing's room, and the corners of his mouth curled up into a mocking smile.

"Young master Luo."

Suddenly, a soft female voice sounded, accompanied by the smell of tobacco.

Luo Wenbo looked up.

It was a woman who stopped him.

A charming and seductive woman.

With her hands crossed over her chest, her permed hair was fluffy and soft, and the tube top fishtail dress that revealed half of her snow-white back was seductive and sexy in every way, not to mention that she had a thin lady's cigarette between her fair fingers.

Even if she didn't deliberately play with it, it was also a charm that entered the bones!

"You are ..."

Before Luo Wenbo could finish, the woman had already come to him.

She wrapped her hands around his neck and exhaled white smoke on his face.

His lower abdomen tightened.

"Don't you remember who I am?"

Bai Xi chuckled.

Her red lips curled up slightly, and she reached out to pick up his tie, putting it on the turbulent waves in front of her.

"My room?"

Luo Wenbo had obviously encountered such a situation before, and his hands fell on her thin waist.

"Bring me there."

Bai Xi said as he jumped onto him.

Luo Wenbo took the opportunity to hold her.

Bai Xi bit her lower lip and looked down at Luo Wenbo, her long hair brushing against his face.

"Come on, use more strength!"

A few simple words were enough to make a man's willpower collapse!

He quickly dragged her back to his room.

His blood seemed to be boiling.

At this time, Luo Wenbo simply didn't think about why he couldn't stand the provocation today.

The bedroom door was kicked open with a bang.

The big bed seemed to be right in front of them.

"Really? you don't remember who I am?"

Bai Xi's ice-cold fingers gently touched Luo Wenbo's face, and his red lips were like blood.

"Won't we know each other after sleeping together?"

The two of them fell on the bed, and Luo Wenbo made a gesture to take off his tie.

Unexpectedly, the next second.

Bai Xi sat on his body and slowly pulled the tie out with his little hand.

She sighed faintly.

He gently touched his tie with both hands and then covered Luo Wenbo's eyes.

Tied up.

Bai Xi's charming eyes gradually revealed a bone-deep hatred, and her hands stroked his chest back and forth.

Her big, wavy hair swayed behind her.

It was unknown when.

A bottle of liquid appeared in her hand.

He raised his head and drank it.

The next second, she leaned on Luo Wenbo's lips and ferociously kissed him!

The sweet taste wrapped around his taste buds.

"Then, you ..."

Bai Xi whispered in Luo Wenbo's ear with a cold smile.

"What?"

Luo Wenbo's hand pressed hard on her back, pressing Bai Xi down on his body.

"Do you still remember Bai Yu?"

Luo Wenbo's eyes widened!

He wanted to push Bai Xi away.

“The Bai Yu who was tortured to death by you, the one who was called out to by the heavens and the earth!”

In a daze, Luo Wenbo seemed to have smelled the scent of Gatte.

where did you guys hide her???? ”

[Chapter 999](#)

999 Aunt, are you calling me?

Downstairs.

Cheng Lingyun drank her water unhurriedly, her expression very happy.

Fight!

The fiercer the fight, the better!

‘Do these Lin family idiots really think that they can take advantage of Lin xiaojiu?’

It’s just making a wedding dress for others!

Fortunately ...

She could use these people to help her get rid of susu!

Cheng Lingyun glanced at the Lin family, who were still unaware of the danger, and sneered in her heart.

It was a pity that Lin xiaojiu ...

Cheng Lingyun closed her eyes and sighed in her heart.

Lin xiaojiu was too difficult to deal with.

Otherwise, this was clearly a situation where both sides would suffer losses!

“Mr. Yuan ...”

Uncle hai seemed to want to say something, but Yuan shaojing stopped him with a look.

“Mom, I keep feeling that something’s not right.”

Fang Mengran whispered to Zhong Xueqing, but she didn’t get a response for a long time.

He looked up.

He saw his mother looking at his father, Lei kangnian, with a gloomy and unclear expression. Her eyes were full of unwillingness.

Han boming had been looking for an opportunity to talk to old general Yan.

“Why isn’t Jiaojiao coming down?”

Zhong Wan 'er kept looking up the stairs, feeling her heart beating wildly.

"Don't overthink."

Lin yanshu chuckled.

He subconsciously looked at his sister Lin youlin and was stunned.

It was wrong!

His sister's expression was very strange!

Just as Lin yanshu was about to walk over and ask, a shriek suddenly came from upstairs!

It had a strong penetrating power!

Even the music could not cover it!

The guests downstairs looked at each other and saw the surprise in each other's eyes.

Almost at the same time, the Lin family members ran upstairs!

"Something must have happened to little 9th!"

Lin qianlin's voice was deliberately transmitted into everyone's ears.

Zhu chengdi ran upstairs without a care when he heard that. The guests followed closely behind him to find out what was going on.

little 9th, little 9th, are you alright, little 9th? "

Lin youlin didn't stop walking towards the guest room where he zhehan was resting and pushed the door open!

The room was so dark that she couldn't see the person clearly.

But it was enough for people to hear the sounds of love.

Under the hazy moonlight, clothes were scattered all over the floor.

On the big bed, there were two human figures, and the voice came from under the thin blanket!

One after another, gasps of cold air sounded.

Everyone's gaze subconsciously turned to the Lei family, clearly shocked by the scene in front of them!

"Heavens! How could little 9th ..."

Lin youlin seemed to have suffered a huge blow, she couldn't even complete her sentence!

The two people in the room seemed to not notice the commotion outside as they enjoyed themselves to their heart's content. The man and woman outside could not help but blush as they listened, cursing Lin xiaojiu in their hearts for being so shameless!

Zhu chengdi clenched his fist and wanted to rush in like a lion!

However, before he could get close, he was blocked by the fourth young master of the Lei family, Lei Jue, and the two brothers, Yuan hou and Yuan Xiang.

“Little Jiu ... What do we do ...”

Lin qianlin wiped her ginger-coated hand across her eyes, and the pungent taste of it brought tears to her eyes.

He turned around and looked at the Lei family.

The fishy smell in the room gradually spread.

The guests were also muttering in their hearts.

Just now, that Zhong Nanyin had called Lin xiaojiu his daughter-in-law. Now that she had actually done such a shameful thing, where was the Lei family going to put their face this time?

For a time, the atmosphere became particularly strange and subtle.

Luo Wensu stood by the door.

All the blood in his body seemed to have frozen.

He was clearly calling for someone ...

The corners of Zhong Xueqing’s mouth were filled with traces of a mocking smile.

This time, Zhong Nanyin had lost a lot of face!

Although she had guessed that someone had set a trap for Lin xiaojiu, she was still very happy!

This Lin xiaojiu was arrogant!

“Aunt, are you calling me?”

[Chapter 1000](#)

1000 What are you doing here?

Just as everyone was keeping quiet with their own thoughts in mind, this cold voice was particularly clear!

Lin youlin turned her head and looked towards the source of the sound!

It was as if he couldn’t believe his eyes!

It was strangely quiet.

Everyone turned to look at the source of the voice in shock.

Lin Hanxing walked out from the dark, and behind him stood an expressionless Lei Xiao.

The shadow on the ground was elongated.

“What are you doing here?”

According to Wen Bo's plan, shouldn't she be lying inside?

Lin youlin was shocked.

If Lin Hanxing was standing there, then the person inside was ...

"Aunt, you're asking a strange question. Where should I be if not here?"

Lin Hanxing raised his eyebrows and asked.

Behind her, the Thunder valiant beast's Black eyes were filled with danger and bloodlust.

He slowly swept his gaze across the crowd.

It made people tremble with fear, but there was also a strange feeling inside.

Those who were invited to the banquet were all prominent figures in Jiang city. None of them had less private homes than the other. At this moment, they looked at each other and although they felt that the atmosphere was not right, they all wisely chose to keep their mouths shut.

The quieter it was, the clearer the passionate voices of the people in the room were.

It made people blush and their hearts beat faster.

She directly turned her back to him.

"Aunt, you wouldn't think that the one inside is me, would you?"

Lin Hanxing pretended to be surprised, then he smiled and pointed at the dark room.

Lin qianlin looked at her as if she'd seen a ghost.

"How ... How is this possible?"

Even though he was gritting his teeth in hatred, he still forced a relieved and relaxed smile on his face.

"Then why did you call my daughter-in-law's name just now?"

Hmph! mother Lei snorted coldly.

The Lei family's faces were covered with a layer of frost. Even though everyone except mother Lei did not say anything, they just stood there, and the effect of the strong shock had reached its peak.

No one in the Lin family dared to make a sound.

The passion in the room seemed to have reached its peak, and the rapid breathing made the people listening feel embarrassed.

"Since aunt thinks that the person inside is me, why don't you go in and take a look? who on earth would do such a thing without any sense of shame, regardless of the occasion?"

After Lin Hanxing finished speaking, he walked into the room without waiting for anyone to react.

Zhong Wan 'er's heart was beating rapidly!

She didn't know why, but she had a strong sense of foreboding in her heart!

"Ah ..."

There was a sudden scream in the room!

The next second, the lights turned on!

The situation inside the room was clearly seen by the people outside!

It was a mess!

One could imagine how intense the battle was.

The fishy smell hit her face, and the two of them were entangled on the carpet. Even when the lights were on, they did not bear to separate!

The female guests screamed at first, then suddenly turned around and covered their faces.

With just a glance, he had already seen the identity of the two people clearly!

Isn't that Lin Jiaojiao and the second young master of the he family, who has been in the limelight recently?

How did the two of them end up together?

Lin Jiaojiao's face was red and her eyes were blurred. Her entire chest was exposed and she was jumping up and down like a rabbit.

"Jiaojiao!"

Zhong Wan 'er almost fainted, and she suddenly shouted!

If not for Lin yanshu's support, he would have fainted on the ground.

Lin youlin glared at her.

Even those who didn't know Lin Jiaojiao's identity were now well known by her.

Lin Hanxing walked towards the two men.

His expression did not change.

The clacking of high heels seemed to be stepping on one's heart.

Soon, she stood in front of he zhehan and looked down at the man and woman.

No one knew what Lin Hanxing was thinking.

His expressionless face was hard to guess.

Soon, Jiang Xibao came back with a bucket of ice water.

And then ...
