Chapter 1003 Nodding

Wendy Johnson looked at Timothy Greene and smiled. "It doesn't matter, you will soon know that I am the only one in the world who loves you the most."

"As long as you are dirty, as long as you are not beautiful, you will not hate me, and you will know that I am the one you want."

This crazy abnormal words made Timothy Greene very disgusted. He said coldly: "Wendy Johnson, you are a condemned prisoner. Even if you are not, I will not like you. In this life, I only like Manman."

Wendy Johnson laughed: "What about Juliana Lewis? Don't you like it?"

Timothy Greene froze and thought of the oath he made that day.

Wendy Johnson smiled again: "Forget, Brother Ting Shen made an oath that he would not like people other than Manman in his life, including Juliana Lewis. If you like her, you will never be happy in your life."

Gu Ting had a deep face and asked her in a heavy voice: "So, you already knew?"

After asking, Timothy Greene felt that he had asked nonsense.

If Wendy Johnson didn't know Juliana Lewis was Miranda Sanchez for a long time, why did he target it again and again, and finally asked him to make such an oath?
