

Got Busted 1016

Chapter 1016 must

Jiang Lisha understood Li Shilong's meaning. She looked at him with a white face: "Brother Long."

This is to kill her!

Li Shilong reached out and grabbed Jiang Lisha's hand and said, "Without me, there would be nothing. I am still there, and everything is possible."

"We met when we were teenagers and agreed to go to the old age together. I am not only for me, but also for this family."

Jiang Lisha has known Li Shilong for decades. They are each other's first love and have experienced a lot of blood shed before they come to the present step by step.

And Li Shilong is very kind to her. No matter how she loses her temper, he always protects her, as if she is making a fuss.

He is worth all she has given for him.

Jiang Lisha looked at Li Shilong and nodded: "I know what to do."

Li Shilong held Jiang Lisha's hand tightly: "I will always remember you."
